Hospital gets favorable report

By RAY MAYO

Root Memorial Hospital interim administrator and hospital department heads were told Friday afternoon that deficiencies have been corrected and that the hospital will be recommended for recertification for Medicare funding.

Delma Armentrout, a surveyor with the Medicare certification division, was at the hospital Friday to see if deficiencies noted in the previous survey had

been corrected.

"Mrs. Armentrout had super praises for what's been done here by all the staff," said Mason.

Mrs. Armentrout was on the last survey team which found the hospital mainly deficient in the area of nursing services. At that time, the hospital was given a 30-day period in which to come in to complete compliance.

"She had nothing but great praise for what has been done

and for the level we're functioning right now," said Mason. "She said if we maintain the level we're at now, we'll never have any problems."

The hospital lost its Medicare certification on Aug. 1 and Mason said he's not sure when the hospital can start receiving Medicare patients again.

"Mrs. Armentrout will call Austin and give her recommendation," said Mason. "By the See MEDICARE, Page 2

Budget approved

By RAY MAYO

The Mitchell County Hospital Board Thursday night approved the hospital district's budget for the fiscal year which begins Oct. 1.

Hospital comptroller Richard Murphy explained that the budget reflects total revenue sources for the district of \$4,154,000 with equivalent expenditures of the same amount.

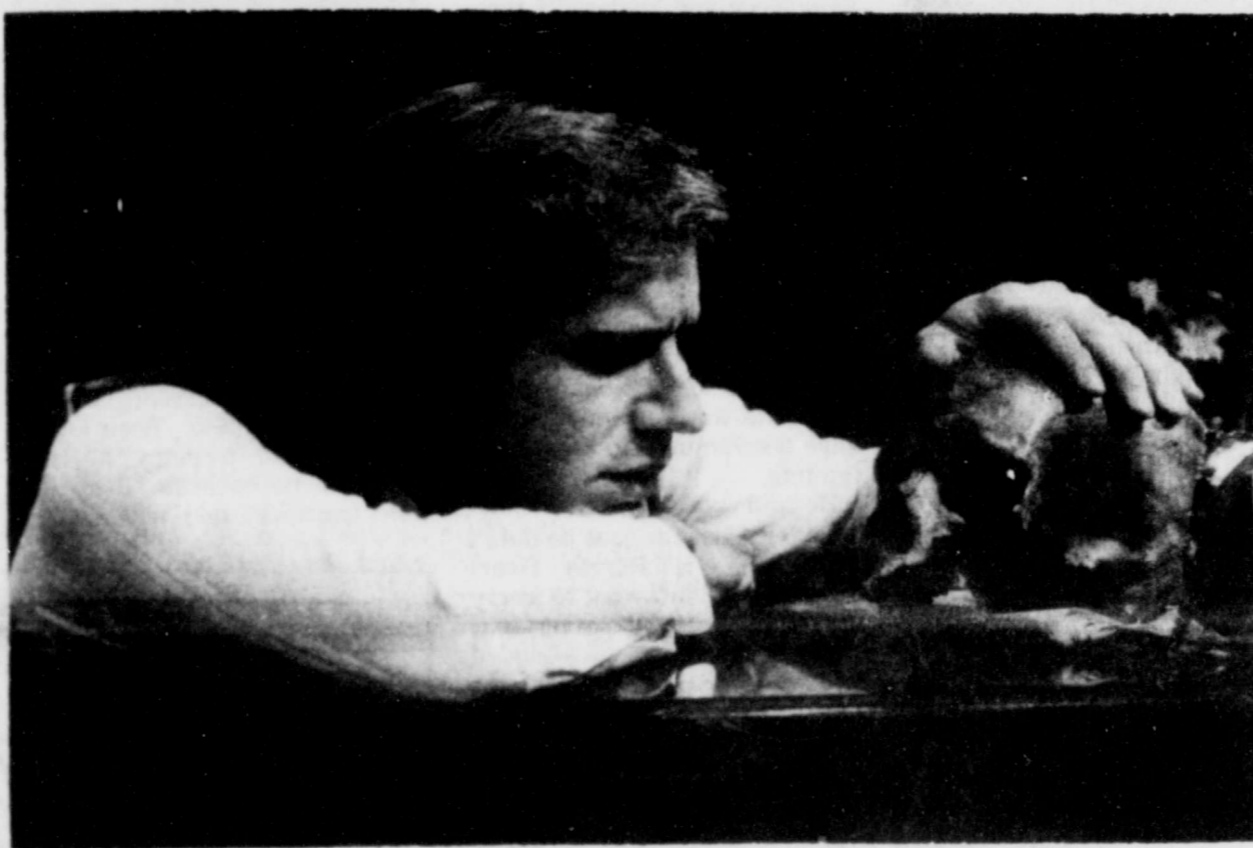

The Root Memorial Hospital budget will be \$3,448,330 compared to the present budget of \$3,976,000. The Root Valley Fair Lodge will be budgeted at

\$677,700, compared to the present budget of \$722,850.

Murphy explained that the nursing home is a "relatively stable operation" and that the census runs about 45 patients a day for the 50-bed facility.

Board member Bob Reily made the motion to accept the budget subject to a quarterly review. Jack Perkins seconded the motion which was approved unanimously.

In other business, the board approved a motion by Reily to a plan concerning emergency See HOSPITAL, Page 2

Ken Riach as Edwin Booth in 'Floodgate'

'Floodgate' performance set

The Colorado City Playhouse, in cooperation with Junius Productions of Dallas will present a new one-man play, "Floodgate," starring equity actor Ken Riach, at 8 p.m. Tuesday.

"Floodgate," written and directed by James Buchanan, explores the turbulent time in the life of one of America's greatest actors, Edwin Booth. Though historically accurate, "Floodgate" is not a history lesson.

The curtain opens to the singing of the banjo-strumming actor who is spending an hour with close friends in his New York hotel suite before departing for the theater to play his most famous role—Hamlet. He has finally returned to the stage

eight months after his brother, John Wilkes, killed Abraham Lincoln and the entire nation was plunged into its own floodgate of emotion. Booth explains his vision of life, of love, of grief and tells in an evening what makes this great man laugh and cry.

"Floodgate" first opened to rave reviews this past summer at the Oklahoma Shakespearean Festival. The Texas tour began Saturday at the Globe Theatre in Odessa. It continues to Angelo State University on Sunday, the Colorado City Playhouse on Tuesday, the Abilene Community Theater on Wednesday, the Austin Hilton on Thursday, the University of Texas on Friday and finishes at Baylor Univer-

sity in Waco on Saturday.

Tickets for the Tuesday performance at the Colorado City Playhouse are \$3.50 and reservations may be made by calling 728-3491 on Monday from 1-5 p.m. and Tuesday from 1 p.m. until curtain time.

Colorado City Playhouse member Carl Moore, who coordinated the local performance, states that "it is a very rare and treasurable opportunity to have a professional production performed here, at home."

A workshop will be conducted after the performance by Riach and Buchanan. Any person interested in theater is invited to remain and participate.

RIBBON CUTTING CEREMONIES for Billie Ray's Restaurant were held Friday morning. Attending the ribbon cutting were (left to right) J. O. Dockrey, Porter Richardson, Ray Anne Carlock, Lee Woods, Ray Pitre, owner, Patti Powell, Delia Heredia, employee, Linda McCombs, Shirley Delaney and Jack Hollis.

Hospital

room staffing.

Currently, Drs. Joe Terry and Thomas Aguilon are the only physicians on staff at the hospital and they have to take turns staffing the emergency room on weekends.

The board approved paying \$1,350 every other weekend for a resident physician from Amarillo to staff the emergency room from 8 p.m. on Fridays to 8 p.m. on Sundays.

Interim administrator Ray Mason explained that Dr. Dee Roach will be heading the temporary program and that either Dr. Roach or someone screened by him will be coming every other weekend to relieve Terry and Aguilon.

Root Memorial Hospital sponsored Roach through medical school and as soon as he is

finished with his residency requirements in Amarillo in about a year, he will be setting up practice in Colorado City, Mason said.

Reily said that his motion for the emergency room staffing is meant to be on a week-to-week basis until more physicians are recruited for the hospital and suggested that the board initiate proceedings to get Drs. William Jones, George Lindsey and Pat Thomas back on staff. The three doctors of osteopathic medicine resigned from the hospital staff along with Dr. Thomas Noonan who had been previously suspended by the board.

"We have three good doctors and I would like to see about getting them back up here," said Reily, adding that "I want by-gones to be by-gones."

Reily said the hospital is

"hurting for money and we need them (Jones, Lindsey and Thomas) whether we like them or don't like them."

Board chairman Bobby Lemons explained that it would be up to the physicians to initiate action to get back on staff at the hospital. The only other board member commenting on Reily's suggestion was Jane McCarley who said she was opposed to the idea.

In other action, the board agreed to advertise for bids for either lease or purchase of a car for the hospital to replace the one currently being leased. The lease expires in October.

The board also approved a non-discrimination policy for the hospital district which must be reviewed and approved each year.

"I'm so proud of these people up here who worked to get it done," said Mason. "I was almost at a loss for words at the exit interview when Mrs. Armentrout said she was recommending recertification."

Gramm names Merritt

U.S. Rep. Phil Gramm, the co-author of President Reagan's economic recovery program in Congress and now a candidate for U.S. Senate, has appointed John Merritt, of Colorado City, to be his Mitchell County campaign chairman.

"I am honored to have the active support of key leaders in the economic and civic life of 225 counties across Texas," Congressman Gramm said in making the announcement.

"These men and women of courage are the strong right arm in our fight to insure that traditional Texas values win out over the out-of-state special interests represented by the Mondale-Doggett ticket," he noted.

"Strong grassroots organization, I believe, is the key to

overcoming the anti-Texas proposals of my opponent and his supporters in the Northeast," said the congressman.

Gramm, of College Station, earned a Ph.D. in economics, the subject he taught at Texas A&M University for a decade prior to winning election to Congress in 1978.

Gramm said he would have active coordinators and steering committees operating in all of Texas' 254 counties by election day.

"As Texans become increasingly aware of the clear choice which faces our state in this election—Reagan and Gramm vs. Mondale and Doggett—our campaign is gathering momentum in every region of the state," he said.

Medal comes as surprise to World War II veteran

By RAY MAYO

When J. M. (Jessie) Munoz of Loraine was discharged from the U.S. Army in October of 1945, he never thought he would be receiving a medal almost 38 years later.

But that's exactly what happened almost a year ago when he received the Bronze Star Medal for "exemplary conduct in ground combat against the armed enemy during World War II in the Asiatic-Pacific Theater of Operations."

"It was kind of a surprise," says Munoz of the delayed honor. "I never even dreamed I could get anything like that."

Munoz was a staff sergeant with Company C, 163rd Infantry, Forty First Division and fought in Luzon, Papua and New Guinea. As a squad leader, he gave orders and directed a 12-man squad in combat.

The Loraine native entered the service at Fort Bliss in September of 1941 and left in April of 1942 for Australia which would be home base for the next three and a half years.

Munoz and his shipmates didn't know their destination when they left the United States aboard the Queen Elizabeth. Munoz recalls that the ocean liner was too large to go under the bridge at Sidney, Australia.

Munoz found Australia not too unlike Texas except for the kangaroos and koalas. "I thought I was at home," he recalls.

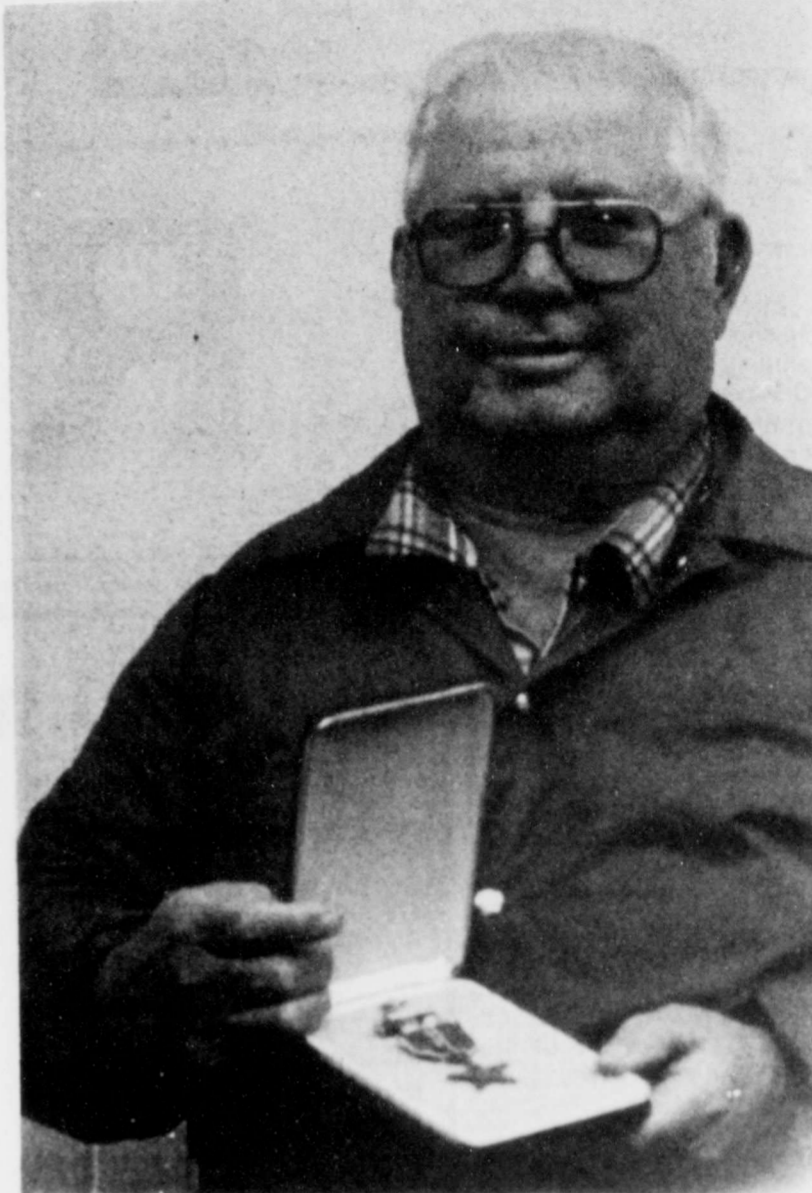

Munoz had trained for open warfare and the first thing on the agenda when he arrived in Australia was to train for jungle warfare.

After his additional training, he went to New Guinea to relieve the 32nd division and eventually came back to Australia to recuperate and for replacements.

Munoz says that although there were a lot of wounded and killed, he was fortunate not to have been injured in any of the fighting.

He did receive a shrapnel wound in the hand, but he didn't apply for a Purple Heart because he didn't want to worry his mother. He explains that anytime a soldier was wounded and received a Purple Heart, the family was notified but that the families were never told the extent of the wound. He said since it was such a minor wound, he didn't want to worry his family.

Although he didn't receive the Purple Heart, Munoz was awarded the Good Conduct Medal,

J.M. (Jessie) Munoz shows medal

Distinguished Unit Badge, Philippine Liberation Ribbon and the Asiatic Pacific Service Medal.

Munoz was in the Philippines when the Japanese troops in used to transport the Japanese, he recalls.

But that delay did enable him Southeast Asia surrendered in September of 1945. Their surrender cause a delay in his return home because all available transportation was being

to have a family reunion of sorts with his brother, Dolores, who was a medic at the base hospital on Lakey Island. He and his brother, who also lives in Loraine, were able to spend some time together before Munoz finally got transportation home.

Once home, he bought a farm which he farmed for 33 years before retiring three years ago. He married and had eight children, four boys and four girls.

Lindley, Zachrey united in Abilene

Debra Rae Lindley of Abilene became the bride of Joe Lawrence Zachry of Abilene in a double-ring ceremony Saturday at 7:30 p.m. in the First Christian Church in Abilene.

The bride is the daughter of Mr. and Mrs. Bobby Ray Lindley of Abilene and the granddaughter of Mrs. W. H. Boney of Colorado City and Mrs. R. P. Lindley of Loraine.

The groom is the son of Mr. and Mrs. Leon Lawrence Zachry of Abilene.

The church was decorated with a brass arch flanked by seven-branch brass candelabras on each side. White fire-side baskets of white gladiolas, carnations and baby's breath flanked each side of the candelabras. Brass hurricane pew candles with large blue bows marked the groom's side while large white bows marked the ends of the pews on the bride's side.

Given in marriage by her father, the bride wore a formal length gown of white silk organza over white satin, fashioned with a modified Queen Anne collar, keyhole neckline and bodice accented with sequins, pearls and lace motifs. The below elbow length veil of white illusion was held by an Austrian style white lace hat accented with sequins and pearls.

The bride carried a bouquet of white roses and blue carnations

surrounded by baby's breath and satin ribbons with additional white roses cascading downward.

Bobby and Sue Siltoman of Abilene sang "I Love You Truly," "Always," and "The Lord's Prayer." The traditional wedding march and other wedding selections were played by organist Mrs. Nick (Janet) Miller of Abilene.

COLORADO HIGH SCHOOL student council officers include back row, from left, Blake Bingham, Armando Rivera, Doug Chitsey and Kathy Wilson, sponsor. First row, from left, are Barbara Heredia, Melinda Selvera and Jay Piland.

CHS student council stays busy with school activities

The Student Council of Colorado High School is an active organization. The council consists of six officers, six elected representatives from each class and the four class presidents. The Student Council is responsible for many activities at CHS—one of which is homecoming scheduled for Oct. 5.

The six officers began preparing for this year by attending the Texas Association of Student Councils State Convention in April. They traveled to the Am Fac Hotel at DFW Airport to take part in leadership workshops and to hear Dr. Earl Reum, the "Father of Student Council," from Colorado. More than 3,100 from Texas high schools spent three days attending these workshops and electing state officers.

Concurrent sessions which the officers attended included "The Greatest Days of Your Life... (So Far)" produced by Jostens; "Freedom Jam," a patriotic musical presentation from Florida; and "Dreammaker," a multi-media show from Cam Fel Productions of California. Also, schools of different sizes profiled their Student Council activities.

In the afternoons the delegates attended workshops such as "Problems of Small Schools," "Duties of Officers," "Homecoming Ideas," "Fund Raising" and "Student-Teacher Relationships."

In August the officers spent a week at the Student Council summer workshop at Angelo State University. They spent the week participating in activities designed to help them work together and be effective leaders.

The entire council has already made many plans for 1984-85. Because of the change in extracurricular activities, the council meets at 7:30 each Wednesday morning.

The CHS Student Council is a member of District 8 of the largest district of TASC and the National Association of Student Councils. Several projects planned this year are State projects. They include the Outstanding Student Council; SMILE (Student Myth-Information and Learning Experiences) the alcohol awareness program; and the Great American Smoke-out.

Homecoming is a major activity that the student council heads each year. The council members have spent several weeks planning for special activities for each day of homecoming week, the bonfire and pep rally, and the parade and dance on Friday.

Special days include: Monday, (Oct. 1), Wolves are Cool—Concert T-shirt, bandanas, shades.

Tuesday, Wolves are Double

Trouble—students dress as twins.

Wednesday, Exercise the Bulldogs—students wear warm-ups.

Thursday, Wolves are First Class—students dress up.

Friday, Color Us No. 1—students wear red and black.

The bonfire will be held Thursday night at the rodeo grounds. A car caravan will leave the high school at 7:45 p.m. and the pep rally and bonfire will begin at approximately 8:15 p.m. On Friday the homecoming parade will begin at 4:30. Any organization that wishes to take part in the parade may call the high school. The homecoming queen will be crowned during halftime ceremonies Friday night, and the homecoming dance for CHS students and exes and their dates will be held at Wolf Gym immediately after the game.

included representatives from Districts 6, 7 and 8 of the Texas Agricultural Extension Service.

Your Stars Above

BY EVE EWING

ARIES (3-21/4-19) Once burned, twice shy is a cliché with a lot of truth to it, but don't avoid all romance from fear of being hurt again. Take it slow and easy, and things will go right.

TAURUS (4-20/5-20) The prospect of a major move is often frightening, but you are wise enough to know when to make such a move. Don't pass up a good thing for fear of change.

GEMINI (5-21/6-20) Not all people are cut out for domestic life, so don't let conventional wisdom push you into it if you are uneasy with its demands. Know thyself, and act accordingly.

CANCER (6-21/7-22) Fate has dealt you a second hand in the romance department, and all signs point upward. Don't let past disappointment hold you back. This time, you will prevail.

LEO (7-23/8-22) Your thoughtlessness has made an enemy of someone close to you. Bend over backwards to make amends, and exercise a little more caution over your tongue in the future.

VIRGO (8-23/9-22) Coming in second is still pretty good in a field of hundreds. There's plenty of time to "go for gold" in the future if you don't mope about it.

LIBRA (9-23/10-22) Stop romanticizing a past romance and get on with a new one. The first one was never as great as you remember it. Gilding it may be your way of avoiding commitment now.

SCORPIO (10-23/11-21) A much-loved child is floundering in waters too deep to handle. Punishment is not the answer. Put aside everything and give all your attention and much love for happy results.

SAGITTARIUS (11-22/12-21) Idleness will lead someone with your volatile temperament into trouble, so make sure you have plenty of plans on tap before you take that long sabbatical.

CAPRICORN (12-22/1-19) You require deep personal and professional commitment, but are hesitant to give it to others. Overcome that fear and much happiness lies ahead.

AQUARIUS (1-20/2-18) "Moving On," is your theme song, and is usually works, but don't make a habit of burning your bridges behind you. Take the best from the past and use it to build your future.

PISCES (2-19/3-20) You have become so involved with a friend's woes, you are endangering your relationship with someone much closer to you. Take a good look at your priorities and set things right.

Bats in a belfry? Two foresters in Lanesboro, Minn., Joe Deden and Mitchell Gilbert, have erected a tree house on stilts for more than 2,000 bats. An abandoned house set for demolition had been the bats' home. Deden said each bat consumes about 7,000 insects daily. He figured that 2,000 bats could eat 14 million insects nightly, including mosquitoes. "That's why we love them," he said. Bating a thousand.

Muscle-bound? Sheffield, England's Russell Foster stripped to his underpants to reveal all his 126 pounds and 32-inch chest to win the title of "Mr. Wimp of 1984." Foster also won \$32.50 and a body-building course. "I've always been skinny, and it doesn't bother me, but I do all right." He entered the contest to see if the body-building course really worked. From Mr. Wimp to Mr. World.

Print on the go: Marcus Bowman, 18, of Melbourne, Fla., is averaging seven additional miles a gallon with fuel that includes shredded newspapers. The fuel Bowman has been testing for six months is the result of an experiment by John Thomas and Ronald Barile, two professors at the Florida Institute of Technology. Thomas and Barile say it will take at least three years before their fuel is ready for wider use. They tried sawdust, sugar and ethanol before experimenting with newspapers. They aren't sure they have the ideal agent yet. Not all the news is fit to burn.

Now hear this: A new federal courtroom in Springfield, Mass., has a problem. A hearing problem. The acoustics are so good that officials have spent \$1,800 for a special noisemaking machine. "Voices can carry, and you don't want a jury or a witness hearing a sidebar conversation," said a deputy clerk. The recently installed sound masking system includes speakers over the jury box and witness stand, a generator, equalizer and amplifier. "It sounds like television when a station goes off the air, except it's real low," said a court official. Hearing is believing.

Cook's Corner

Webb looks forward to winter cooking

When Jane Webb was growing up, her family got a real treat. Nearly every day Mrs. Webb would have something sweet for the family for dessert.

She learned how to cook when she was in junior high and her mother taught her a lot, because Mrs. Webb didn't take home-ec in high school.

"I would cook meals for my family, but I mostly baked cakes or cookies—usually something sweet."

So it would stand to reason now that Mrs. Webb's favorite thing to fix are sweets.

"I like to try new recipes, especially if it's sweet. I also stick to a recipe. I don't change

anything around."

Now that Mrs. Webb has a family of her own, she tries to fix balanced meals.

"It's hard sometimes, because I don't have a lot of time, but we usually manage."

Mrs. Webb has a talent that we all wish we had. She can cook enough food for her family, where it's usually enough for one meal and they don't have to worry about leftovers.

Her family usually eats what she fixes and likes nearly all kinds of vegetables.

Mrs. Webb likes to cook from scratch and doesn't like cake mixes or convenience foods.

She does like to cook—especial-

ly in the winter.

Mrs. Webb is employed at First National Bank and is married to Raymond Webb. They have one son, Jody, a freshman at CHS.

Today Mrs. Webb is sharing three of her recipes with RECORD readers.

CHILI CON CARNE

- 1 onion chopped
- 1 clove garlic, chopped
- 1 green pepper, chopped
- 2 tablespoons chili powder
- ½ teaspoon each cumin and paprika
- 2 cups water or beef broth
- 2 cups cooked pinto beans
- Salt and pepper

Fry the meat in a large saucepan until it is brown and crumbles. Add the onion, garlic and green pepper and saute for five minutes. Drain off any excess fat and add the spices and water. Cover and simmer for 30 to 40 minutes, or until the water is absorbed. Add the beans, salt and pepper. Bring to a simmer and serve.

WALDORF ASTORIA CAKE

- ½ cup Crisco
- 2 eggs
- 1 teaspoon salt
- 1 teaspoon vanilla
- 4 oz. red color
- 2 tablespoons cocoa
- 1½ cups sugar
- 2 cups flour

- 1 teaspoon soda
- 1 tablespoon vinegar

Mix flour, sugar, cocoa and salt together, add Crisco, vanilla, red coloring and two-thirds cup buttermilk—cream well, add eggs and remaining one-third cup buttermilk and beat for one minute. Mix soda and vinegar and stir into mixture—do not beat. Cook in 350 degree oven for 35-40 minutes. Makes 2 or 3 small layers.

WALDORF ASTORIA ICING

Cook ½ cup flour and 1 cup milk until thick stirring constantly. Set aside and let cool. Cream one cup granulated sugar and one cup Crisco, add to cooked mixture and beat until fluffy. Add pinch of salt and one tablespoons vanilla.

Plainview Baptist Church Glen Butler - Pastor The Seven Wonders of Jesus Christ

In a small town in the Alps there nestles a little church which is very unusual. Along the walls of the inside of the church there are several statues of Old Testament prophets. Each one faces the same way, and the index fingers of each prophet points in the same direction. As you follow the gaze of these prophets you will see that they are looking at and pointing toward a larger statue of Jesus Christ. These statues are simply saying, "All of the Old Testament prophets point to Jesus. All of them strain their eyes in eagerness toward Calvary."

But today, as far as the printed word can serve me, I want to tell you about the Seven Wonders of Jesus Christ.

I. The Wonder of His Birth

When the fullness of time came, God said, "It is time for my son to leave the glory of Heaven and go down into the world." God could have sent Him in several ways— Should He send Him as an angel? Should He send Him as a mighty king? Should He send Him as a full-grown man?

God looked about to find a good woman— God told Gabriel to go down to Mary and tell her the news. OH How Wonderful was the Virgin Birth.

II. The Wonder of His Life

There are several things in the New Testament which describe His life: First, He never committed a sin. There have been some good men in the world, but only one perfect man. Jesus was that man. Second, He performed many miracles. He touched the blind, sick, diseased. He cleansed the lepers, stilled the storms and brought the dead back to life.

III. The Wonder of His Death

He died as no other man ever died. Others have died sacrificially, and others for some great cause. Jesus died to save people and to bring them home to Heaven. He didn't have to die. "Greater love hath no man than this, that he give his life for his friends." Do I need to remind you of that scene?

IV. The Wonder of His Resurrection

Yes, they slew Jesus and buried Him. But no tomb on earth could hold Him. On the third, as He prophesied that He would, He walked out of that tomb alive for evermore. The resurrection proves that He was the Son of God. The difference in Christianity and every other religion is that their founders are dead.

V. The Wonder of His Ascension

In spring of 1961 a man was lifted into space. All the worlds stood agog—. This was not the first time a man went into space. Forty days after His resurrection, Jesus led His disciples out to the Mount Of Olives, and there, while they looked on in open-mouthed amazement, Jesus went up to Heaven in a cloud.

VI. The Wonder of His Present Work

What is Jesus doing today? He is carrying on the work of intercession. He is praying for us. "He ever liveth to make intercession for us."

VII. The Wonder on His Coming Again

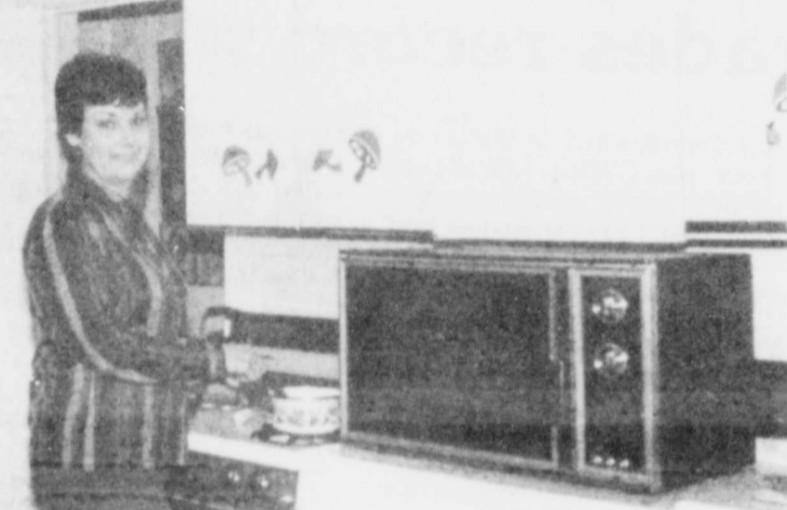

Back in the Old Testament days the prophets sang of His first coming. But the years passed and hope grew dim and people forgot the promise. Then when He came they knew Him not. They were not prepared for Him. In like manner the Bible tells us that He is coming again. But the years have gone by and many have said, "Where is the sign of His coming?"

These are the Seven Wonders of Christ. There are million more connected with all of these events.

When we have been in Heaven ten thousand years we will still not be able to count all the wonders of this wonderful Saviour.

Is He your Saviour today?

NOTE: This sermon is synopsis of the sermon by W. Hershel Ford taken from "Simple Sermon about Jesus Christ", p. 15, published by Zondervan House.

Upton completes training

Malcolm T. Upton, son of Mr. and Mrs. Charles B. Upton of Colorado City, has completed a U.S. Air Force ROTC field training encampment at Lackland Air Force Base, Texas.

cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman.

The summer's curriculum consists of orientations on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized.

The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force.

Bulldogs put bite on Tigers

By TONY FRANCO
Behind senior running back Tony Morris, who rushed for 198 yards and two touchdowns—including a 73 yard scamper, the Loraine Bulldogs trampled the Snyder junior varsity 39-14 at Bulldog Stadium last Thursday night.

Though Loraine lost four fumbles, it still managed 354 yards total rushing while a hard hitting defense limited the Tigers to 196 yards rushing and no points through the second, third and fourth quarters.

"I thought it was just an outstanding effort by the whole team," said LHS head coach Sandy McSpadden. "I think the key was that they were keeping on Aundra Rose. Why should we run him when we're getting eight and nine yards from another back? They're big and tough and really come at us and got us down but we came back,

held our poise and steadily drove the ball downfield." On the first play from scrimmage, Snyder running back Joe Martinez broke loose for a 61 yard touchdown to give the Tigers a 7-0 lead and many a Bulldog fan expected a long night.

Bulldog quarterback Joe Espinoza fumbled on Loraine's first possession but then Snyder fumbled right back at midfield.

Three runs by Morris began Loraine's drive following the fumbles. Then with 8:15 left in the first period, quarterback Espinoza kept the ball around the left side and scampered in from 43 yards to tie the game up at 7-7.

Snyder came right back with its last score of the game and got it on a 47 yard pass from Shawn Rhoades to Todd Odum that gave the Tigers the lead at 14-7.

Loraine fumbled for the se-

cond time on its next possession but then held Snyder to get the ball back.

Starting at its own 36 Loraine used two runs from Morris and a facemask penalty on Snyder to move to the Tiger 24. Three plays later Espinoza scrambled to the left and found Freddie Benitez in the endzone for a scoring pass with 7:23 left in the half. A failed pat attempt left Loraine one point behind at 14-13.

Both teams punted on their next possession then with 1:27 left in the half, defensive end Edward Garza intercepted a short screen pass attempt and returned it untouched for a 63 yard touchdown. Espinoza passed to Eddie Benitez for the two-point conversion and a 21-14 lead.

Snyder and Loraine used up most of the third period with drives but came up empty on scoring.

On Loraine's second possession of the third period, Morris, who averaged 9.5 yards on 21 carries, broke loose with his 73 yard scoring run. The tough run in which Morris broke through tackle after tackle came with 3:01 left in the quarter.

Loraine fumbled on its next two possessions. Morris and Espinoza runs and a pass to Morris moved Loraine 50 yards to Snyder's 10 yard line. With 6:10 left in the game, Morris ran

it from six yards out for his second score to make it 33-14.

Morris recovered the following kickoff for Loraine then with 1:54 left in the game, Duane Linam closed out all the scoring by running it in from eight yards out.

Loraine sealed the win when Quentin Merket intercepted a Snyder pass to end their last possession.

Loraine finished with 17 first downs and 354 yards rushing. Espinoza had 120 yards on eight carries and completed three of five pass attempts for 35 yards.

Snyder rushed for 196 yards, 13 first downs and completed two of 10 passes for 60 yards.

JV, frosh split games

Colorado High School football teams split a pair of games at Wylie last Thursday with the junior varsity winning 14-6 and the freshmen losing 21-14.

In the junior varsity game Wylie held a 6-0 lead at halftime before the Wolves buckled down on defense in the second half to take the win.

"They played outstanding defense in the second half," said CHS assistant coach Rick Robinson. "Terry Jackson, Michael Swann and Ralph Gonzalez were real tough running the ball."

Jackson scored both of the Wolves touchdowns on runs and Wylie Dakan kicked both points after.

In the freshman game, Colorado City actually led 8-6 at halftime behind a 55 yard run by quarterback Cary Ritchey. Ismael Silva threw to Randy Hernandez for the two point conversion.

"The first half we played real well defensively," said CHS assistant coach Raymond Zamarripa. "We had a good goal-line stand but a penalty on us gave Wylie half the distance to the goal line and then they scored. We didn't play well after that."

"They made two long touchdowns runs because of missed tackles," said Zamarripa.

Hernandez got Colorado City's other score on a one yard run in the third quarter.

7th, 8th grades record wins

In Colorado Middle School football action here last Thursday both the seventh and eighth grade teams defeated Wylie.

The seventh grade Wolves defeated the Bulldogs 24-0.

Defensive end Dane Hoover blocked a Bulldog pass to help stall Wylie's first possession but the Wolves were unable to move the ball either.

Hard tackles by Ray Rivera and Ken Land again helped Wolf defense get the ball back.

On the Wolves next possession a 31 yard run by Bobby Arocha

put Colorado City at Wylie's 24. Four plays later quarterback Rivera passed to Hoover over the middle for the games first score. The pat attempt was fumbled.

Adon DeLoera recovered a fumble on Wylie's next possession then on the very next play, Arocha busted loose for a 23 yard scoring run. Again the point after failed.

Stan Bradbury recovered the kickoff for the Wolves but a fumble and two incomplete passes stopped Colorado City's drive.

Wylie took over the ball but then with 16 seconds left in the half, Rivera intercepted a tipped Wylie pass and returned it for a touchdown to make the score 18-0 at halftime.

Colorado City ended the game's scoring on its first possession of the second half. The score came when Rivera handed off to Arocha who then raced 41 yards for a touchdown.

The Wolves also got a fumble recovery from Dee Ward and another blocked pass from Hoover that ended Wylie's last threat.

With the win and a 38-0 skunking of Sweetwater the week before, the seventh grade Wolves now stand at 2-0. Against Sweetwater, the Wolves got scores from Tracy McElvaney, Rocha (two touchdowns), Land, Rivera and Curtis Clemmer. JoJo Martinez and Hoover teamed up to block and recover a Mustang punt.

The eighth grade defeated Wylie 22-8 and stand at 1-0-1 after tying Sweetwater 14-14 the

previous week.

Against Wylie the Wolves got a first quarter 6-0 lead on a one yard run by Beau Rees.

Jerry Hulme increased it to 14-0 in the second quarter on a four yard run. Rees' ran it in for the two point conversion.

Following a scoreless third quarter, Wylie made its only score early in the fourth quarter.

The Wolves got score number three when Bubba Bailey's hard hit caused a Bulldog receiver to fumble in the endzone. George Rivera was there to pounce on the ball and collect a safety to make it 16-8.

A 30 yard sweep with Beau Rees carrying made for the Wolves final score. Colorado City also got interceptions from Chris Perkin and Pat Ridge.

In the come-from-behind 14-14 tie at Sweetwater, the previous week the Wolves got an eight yard touchdown run from Rees and another score on a halfback pass from Rees to Ridge.

Also Bailey, Ruben Silva and Mickel Morales made fumble recoveries.

Wolves trip Wylie, win 4th in row

By TONY FRANCO

Colorado City's offense took a little more time to warm up than did the defense, but when it did, it turned a close ballgame into a definite 34-14 rout for the Wolves against Wylie here last Friday night.

At halftime, the Wolves led only 14-13 but then exploded for 21 points in the last 13 minutes of play to send the upset-minded Bulldogs back to Abilene.

Defensively the Wolves tore Wylie up. After allowing Bulldog running back Dewey Townsend 46 first quarter yards and the Bulldogs six first downs, Colorado City's defensive line shut Townsend down to just 23 yards for the rest of the game and allowed Wylie just four more first downs.

Behind Townsend, Wylie scored first to take an early 7-0 lead.

Following Colorado City's punt on the Wolves first possession, Wylie drove 54 yards by using three runs by Townsend, a 10 yard pass to James Henson

and a nine yard run by quarterback Bobby Lilljedahl.

Townsend's first run on Wylie's first play from scrimmage resulted in a 28 yard gain. Townsend himself got the score on a one yard plunge with 8:09 left in the first quarter. Lilljedahl kicked the point after.

Again Colorado City was forced to punt but then on Wylie's next possession Ronnie Hernandez intercepted a Lilljedahl pass at Wylie's 43 yard line.

Colorado City drove the ball to Wylie's six behind a 10 yard pass to Randle and runs by Billy Jackson and Sam Rivera.

Rivera, a junior, was the Wolves top rusher with 118 yards on 20 carries and included an 11 yard run during the Wolves first drive.

From the six, Chitsey hit Hernandez for a six yard scoring pass with 53 seconds left in the first quarter. The pat kick by Chitsey made the score 7-7.

A defensive play by Hernandez made for a Lilljedahl in-

completion and stopped Wylie's next possession—forcing the Bulldogs to punt.

Two plays later, Chitsey and Perry Conner connected on a 72 yard scoring pass with 9:35 left in the half. The pat kick by Chitsey made it 14-7.

The Bulldogs found themselves right back in it when Mark Redwine returned the kickoff 82 yards to Colorado City's 18 yard line.

Six plays later, Wylie running back Doug Rundle went around the right side for two yards and cut the Wolves lead to 14-13. The point after was fumbled to end Wylie's scoring.

Colorado City then punted for the third time but then Gary Marsh intercepted to give the ball back to the Wolves.

The possession ended on a missed Chitsey field goal but then Armando Rivera intercepted for Colorado City as time ran out in the half.

Both teams traded away punts during the third quarter then on the Wolves third possession of the period, Colorado City drove 80 yards for another score and a 21-13 lead.

Runs by Jackson and Rivera along with passes to Hernandez and A Rivera moved Colorado City to Wylie's six yard line. From there Chitsey hit Randle for the score. Chitsey's pat kick capped off the drive into the wind.

After forcing Wylie to punt, Colorado City drove 58 yards for another score.

Chitsey, Jackson and Rivera combined their running to move the Wolves to Wylie's nine. From there a second touchdown pass from Chitsey to Randle with 6:55 left in the game made it 27-13. The pat was blocked.

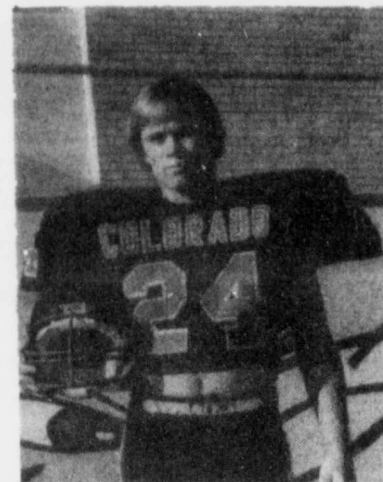

Colorado City defense again held Wylie to a punt, then the Wolves closed out the scoring on their following possession.

The drive moved 50 yards to Wylie's four behind Rivera and Jackson and a 35 yard pass to Conner. Chitsey himself got the scoring honors on a four yard run with 2:23 left in the game. The pat kick by Heath Blassingame made the final score of 34-13.

Colorado City is now 4-0 and hosts Clyde Friday for homecoming.

Perry Conner—"I ran an out and up and just headed downfield (on his score). They've tried to cover me with a zone with three deep. They came up. It was easy. I hope they keep playing me like this. They did a lot of bragging on themselves but didn't follow through. We came back in the second half and killed their will."

Gary Marsh
...Another Interception

Don Randle-(on his scores)-"On the first one it was hard to get out. They were keying on me. I told coach but I just found the open spot and Doug lobbed it in there. The second was good

concentration. I had to take it over and away from him (the defender)." On the Wolves defense: "At first we weren't playing as we could but in the second half we played like we were taught to."

Wylie Stice—"At first they were keyed up and when they scored, they really got fired up. They made some good plays when we got down. After a couple of hits in the second half they went down. It was a good victory and it feels good to win but we gotta think of beating the Clyde Bulldogs."

Sam Rivera—"I thought we got off to a slow start. It was a good speech at halftime then we got after it. The defense came through and everybody on offense did their job. There were times I got hit hard but they didn't have too much. Compliments to the blockers."

Volleyball team ups record to 9-3

By TONY FRANCO

The Colorado High School volleyball team improved its season record to 9-3 by taking two matches from Aspermont here last Tuesday night while the junior varsity squad lost to even its record at 3-3.

With a 5 p.m. match, the varsity began the night with an 8-15, 15-2, 15-0 win over the Hornets.

Aspermont, which lost two matches to the Wolves a week before, took the first game 15-8 behind hard serving and not so good serving from Colorado City.

In the second game, Traci Blackwell served to give the Wolves a 3-0 lead and got help from a Denise Jackson spike. After a Hornet score, Sherry Fite used hard serving—including an ace—to increase Colorado City's lead to 7-1.

Jody Huff then served to make it 12-1 and got help from two spikes by Jackson, and one spike each from Rebecca Erwin, Sherri Morris and Fite set up by Blackwell. Aspermont scored its second and last point of the game to make it 12-2 then Jackson served to end the game.

Jackson included an ace in her three service points and ended the game when Fite blocked a Hornet hit.

In the third game, Colorado City raced to a 12-0 lead enroute to a 15-1 score.

Again Blackwell served first and gave the Wolves a 2-0 lead with help from a Fite block. Huff serving increased it to 5-0.

Hard serving from Jackson for seven straight points—including two aces and a dink by Fite—made for the 12-0 lead. After Aspermont's lone score, Janie DeLoera served the next three points for the game and got help from Fite and Diane Gregory spikes on Lynda Walker set-ups.

Following the varsity contest was the junior varsity's 8-15, 15-8, 15-9 loss. The Wolves won the first game but were then abandoned by their serving in crucial situations.

In the first game, Colorado City jumped to a 6-1 lead behind service points from Ashly Wea-

ver and Holly Tarter and two points from Kellie Beights and Shana Lowery.

Aspermont closed the gap to 6-5 before Sandra Williams served for three points and a 9-5 lead. A Robin Edwards dink with Audelia Rivera serving, helped for a 11-7 lead then Jennifer Selvera served for four points and the game.

As a team, the junior varsity really started to gel as spikers but just couldn't make the good serve when it was really needed and lost the next two games and the match.

After the junior varsity contest, a second varsity match followed in which Colorado City took a 15-6, 15-9 victory.

Again Blackwell served first—giving the Wolves a 3-0 lead. The Hornets came right back to tie it at 3-3 then a Jackson spike aided Huff's serving for a 5-3 lead.

Five straight service points by Morris increased the Wolves lead to 10-3. Jackson then served for two points to make it 12-3 and got help from a Fite block.

A Jody Mann dink with Fite serving made it 13-3 then after three points by Aspermont that made it 13-6 Yvonne Lujan served for the last two points.

In the second game, Fite served first and included an ace to give the Wolves a 2-1 lead. Hard serving from Huff along with spikes from Erwin and Jackson set-up by Blackwell made for 6-1 lead.

Morris served for five points and an 11-1 lead and got help from two blocks and a spike by Jackson.

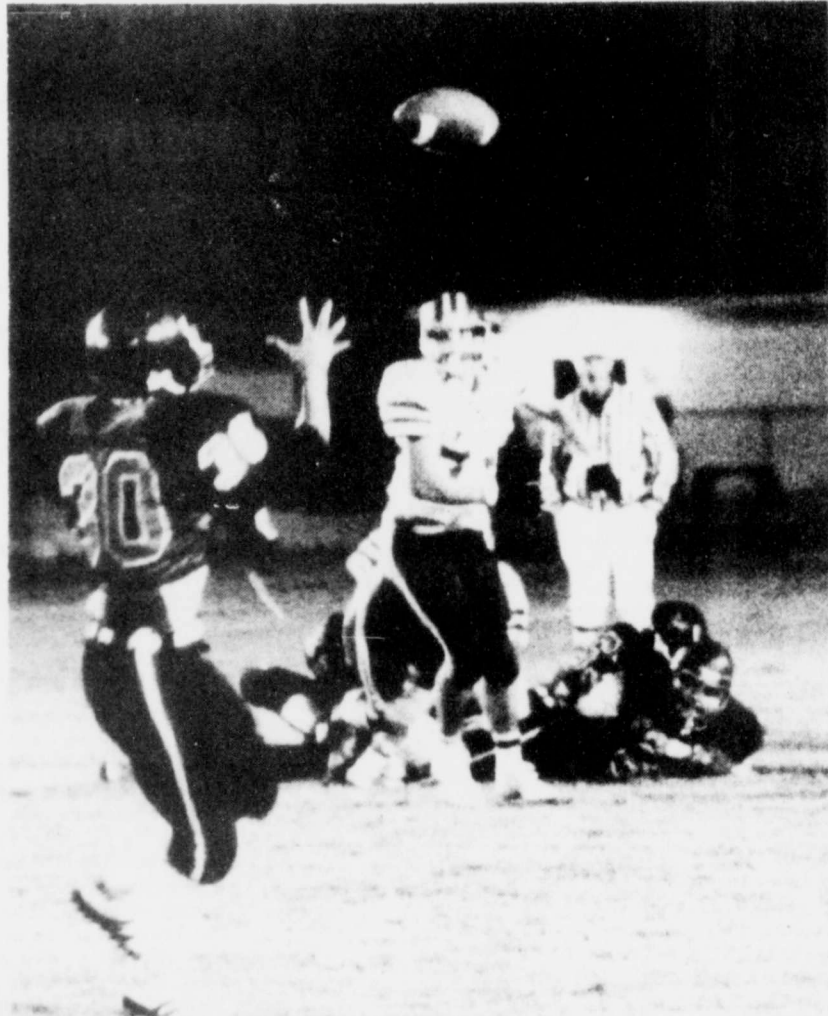

Aspermont scored two points then Erwin served two points to make it 13-3 and got help on a Mann spike. Aspermont then ran off six straight to end its scoring at 13-9 before Fite served for the last two points. The match ending point came on a Morris dink.

Apologies to junior Carrmon Longlev, whose service points for a junior varsity match at Aspermont the week before were mistakenly credited to Shana Lowery.

The varsity and junior varsity volleyball teams travel to Bron-te Tuesday.

Ronnie Hernandez—"My route on the touchdown was just a five yard out. I just walked in. We played a good game. We were down the first half but came back and played better. The secondary played its best game of the year. We expected more from them I thought."

JUNIOR RUNNINGBACK Sam Rivera has his sights on one of quarterback Doug Chitsey's 22 attempts. Rivera gained 118 yards on 20 carries while Chitsey passed for 220 yards in the Wolves 34-13 victory over Wylie at Wolf Stadium last Friday night.

PAC contributions to Stenholm jump

WASHINGTON - In his 1982 campaign, Rep. Charles W. Stenholm (D-Texas) got 31 percent more campaign money from special interest political action committees (PACs) than he had just four years earlier.

That is one of the findings of a special study released by Citizens Against PACs (CAP), a bipartisan group concerned about the growing influence of special interest money in congressional campaigns.

According to the CAP study, in 1982, Rep. Stenholm received \$78,800 in PAC contributions, compared with \$59,800 in 1978.

"The PACs are drowning out the voice of the ordinary voter," said Philip M. Stern, founder and co-chairman of CAP.

"A lobbyist for a PAC that has given a Congressman \$2,500 has a much better chance of getting that Congressman's ear than one of his own constituents who can't afford to contribute that much. That's not the way democracy is supposed to work."

CAP's special analysis of federal election records, which the group released, is the first to trace the history of PAC contributions to individual Congressmen and Senators as far back as the early 1970s, when the PAC "explosion" began.

The CAP study also revealed that Rep. Stenholm ended his 1982 campaign with unused campaign funds of \$145,809—which he can legally transfer to his own bank account when he leaves Congress.

"What does he intend to do with that money—put it in his pocket?" asked CAP co-chair Whitney North Seymour Jr.

Several Representatives have already transferred unused

campaign funds to their personal use when they left Congress.

Seymour also noted that Rep. Stenholm's \$146,000 campaign surplus far exceeded the \$78,800 he accepted from PACs that year.

CAP co-chairman Seymour also noted that Rep. Stenholm accepted \$44,300 in PAC contributions even when he was wholly unopposed in 1980, and his re-election was a foregone conclusion.

"This illustrates dramatically the influence-buying nature of the PAC system," said Seymour.
