64 REPUBLICANS VOTE

County GOP Strong for Cox

Republicans in a history-making primary here Saturday cast a heavy majority of their ballots for Jack Cox, the Breckenridge candidate for governor.

Sixty-four persons went to the polls and marked their ballots in Mitchell County's first Republican Party primary.

Cox, who left the Democratic ranks to campaign as a GOP candidate for governor, received a whopping 58 votes — more than 10 times the number cast for his opponent, Roy Whittenburg of Amarillo.

Whittenburg, a newspaper publisher, received only 5 votes.

O. W. Hayes of Temple received a two-to-one majority in the race for lieutenant governor nomination — polling 42 votes to 20 for Kellis Dibrell of San Antonio.

In the other contested Republican race, Joe B. Phillips of Lubbock more than doubled his two opponents for Congressman-at-large. He had 45 votes while Desmond A. Barry of Houston received 11 and Giles Miller counted 8.

Glenn R. (Bob) Robinson was named county GOP chairman unopposed, receiving 62 of the 64 votes cast.

The Republicans didn't scratch a name in state races where GOP candidates were without opposition — Dennis Taylor of Crosby County, candidate for Congress; Benold M. Handson of Midland, candidate for Railroad Commissioner; Albert B. Fay of Houston, candidate for State Land Commissioner; and Harry J. Hubbard of Presidio, candidate for Agriculture Commissioner; each receiving 64 votes.

In this first county Republican Primary the turnout of voters was pleasing to members of the Republican League, newly organized here. No local or county candidates were on the GOP, but several written votes were cast for local candidates.

Here are county totals by races:

GOVERNOR: Formby 702; Walker 153; Daniel 235; Wilson 281, Yarbrough 558, Connally 377.

ATTORNEY GENERAL: McDonald 143, Looney 55; Reavley 261, Proctor 54, James 71; Carr 1604.

CONGRESSMAN AT LARGE: Willis 172, Bean 670, Stevenson 291, Pool 304, Moore 196, Head 201, Van Keuren 123.

FOR SCREWORM TESTS

6 Local Samples To Laboratories

At least 6 samples of suspected screwworm activity have been sent into the Screwworm Laboratories this week from Mitchell County. Answering reports have not yet confirmed the suspicion that they are screwworm cases.

Screwworm activity has been confirmed as close as Scurry County, however, reports Buddy Logsdon, County Agricultural Agent.

The spread of the screwworm activity has been credited to favorable weather conditions. Spread is now reported into Central and West Texas; most of the counties in the Edwards Plateau and about half the counties in the Trans-Pecos area.

Logsdon announced that plans are being made to expand the sterile screwworm fly release area to include most of the infested area. The majority of the sterile flies being produced will be released in a barren zone which will encompass the northern edge of the screwworm infested area.

He encourages all livestock producers to inspect all livestock regularly, to treat all wounds promptly, and to collect 10 or more worms from deep in the wound and bring them to his office. He points out that the more screwworms that are killed by chemical

treatment, the fewer sterile flies will be required to overwhelm the native flies.

Still calling their arrest criminal charges against them, and a stay in Mitchell County jail; "All a hideous mistake," two truck driver brothers were still in jail here Saturday.

Marvin L. Jennings and his brother Murry Jennings, 27 and 32 years old, were still in jail because whoever owns the 950 cases of fine whiskey they were hauling from Kentucky to California has yet to arrange for their release on bond. Their home is listed as Sun Valley, Calif.

Bond was set in County Court here Wednesday at \$500 each. A triple-edged charge was lodged by County Attorney Frank Ginzol against the pair, first picked up by Rip Allen of Highway patrol's weights and measures law enforcement team.

Charges are, in-brief, that court language terms, trans-

porting of alcohol on a public highway (Highway 80) without a specific license and proper papers for transporting liquor; illegal possession of liquor in a dry territory (Mitchell County); and the stinger, "possession for the purpose of illegal sale."

In precinct one justice court, Justice of the Peace T. E. Arnold fined the Jennings brothers \$40.50 Tuesday afternoon, for violation of fixed transport length in Texas highways. Their trailer transport proved two feet too long when stopped by Officer Allen.

In District Court was lodged a charge seeking forfeiture of truck, trailer, and contents. That charge is the one causing the most behind-scene activity.

"Chief concern of whoever owns the \$50,000 worth of whiskey," said Ginzol Saturday,

Cawthron, Dawson In Runoff

Mitchell County Democrats went to the polls Saturday in strong numbers and voted in favor of these candidates:

Marshall Formby for governor.

Preston Smith for lieutenant governor.

Waggoner Carr for attorney general.

Truett Latimer for state senator.

Max Carriker for state representative.

Mrs. Bob Post for county treasurer.

In the only county-wide contested race Mrs. Post led her other two opponents handily with 1046 votes compared to 702 for Mrs. Mary Lee Moore and 539 for Mrs. Eula G. McClure.

However, she did not gain a majority and will face a runoff race against Mrs. Moore.

Lorraine voters assured Moody Richardson of reelection as Precinct 4 Commissioner when they handed him 308 votes to 184 for C. E. (Jack) Walker and 56 for T. M. Templeton.

In Westbrook's Precinct 2 George Dawson and Drue Cawthron moved into a runoff — sounding the defeat of Commissioner W. N. (George) Bacon, seeking reelection.

Formby moved into the county lead in the governor's race with 702 votes. A surprise runner-up was Don Yarbrough with 558. Governor Price Daniel was fifth, trailing John Connally and Will Wilson.

Truett Latimer, with 1008 votes, led in the three State Senatorial candidates. In second was incumbent David Ratliff, followed by Dallas Perkins.

State Rep. Max Carriker, seeking a third term, polled more than the combined total of his 2 opponents — Van Baucum and Giles Bradford of Sweetwater.

Here are county totals by races:

GOVERNOR: Formby 702; Walker 153; Daniel 235; Wilson 281, Yarbrough 558, Connally 377.

ATTORNEY GENERAL: McDonald 143, Looney 55; Reavley 261, Proctor 54, James 71; Carr 1604.

Position Must Be Consistent

A bowler may have mastered good form, but if he does not take the same position each time, his form will not help.

Position is that starting place where you know you can get a good pocket hit. If you start from this point each time, you should see some improvement in your score.

Even only a few boards to the right of this normal position can throw you off. If your form is consistent, the ball will miss the pocket. If you try to alter form to position form goes bad. Your goal should be to start from the same position each time.

CONVERSATION CORNER

By RUTH COFFEY

READ the other day that a group of famous women actors prefer plays written by men. Men, they agreed, are "Kinder to their women characters. Men understand us better."

Resented those unladylike comments just at first, having just seen Tennessee Williams' "Sweet Bird of Youth" in which Geraldine Page did the best portrayal of a wanton woman this generation has seen.

ABOUT the time we decided to file informal protest, though, suddenly remembered "The Women" by Clare Booth Luce, wife of Life, Time, and Fortune, former ambassador to Italy, former Republican Congresswoman, and former playwright. (Makes her sound fairly former, doesn't it? She's a woman's magazine columnist now.)

ANYHOW, what she did to her own sex with her catty characters for her famous play "The Women" amounted to sabotage if not Benedictine Arnold give away of secrets she hadn't oughta sold for cold cash. Which the wife of Henry Luce doesn't truly need.

Maybe men are "Kinder to women characters" they write about. "Understand us better?" Now there's a fine subject for debate! To be kind is just dandy. Understanding's not so handy.

Any time the average man starts understanding his wife, it's her moral obligation to change her mind, her tactics, and her eye shadow.

SEEN ON THE LOCAL SCENE: Ralph Lee and Bill Randle coffee shopping ... Ditto our likeable new friend Darris Egger and Frank Derigibus ... Saw again tallon-hatted Ross Hargrove and his pretty Mrs. ... Katherine Jones and her darkly pretty daughter Wanda Marsh ... Mrs. J. C. Windham who seems to keep that certain glamorous aura ... And little Mrs. Wilma Reynolds walking to her office job in the cool, cool, cool of the mornin' ... Spied Virginia Fuller (wife of Raymond) looking crisp as the top of the mornin', too!

GILLIAN McENTIRE, who by now is on board the Lurline for a cruise to Hawaii, was so thrilled it was contagious. Gillian, by the way, will be a Southern Methodist fraternity house mother, come September. She'll live at Kappa house ... Her daughters visited her just before she left for Honolulu. Gillian Jr. (Mrs. Howard Kenyon of Lubbock) and girl-child Carla were here Tuesday. Marilyn (Mrs. Bill Weigel of Abilene) and her three little boys were here last Sunday saying "Aloha."

BRIEF ENCOUNTERS included a coffee chat with goodlooking Fred Marberry ... Glimpses of Willie Landau who was saying Eva Schwartz Berlin, her husband Otto, and son Larry were here for just one day recently ... Max Berman came in for hello ... Ditto A. L. McSpadden.

MET CRICKET TAYLOR, Mitchell County Home Demonstration agent. She's pretty. And smart looking. And did you know HD and Extension Service offices are now housed in the cottage originally built on Court House grounds for the sheriff or his deputy? Our Court House is all dressed up with new paint inside with new-light fixtures coming. Dare you to try to find your way around on second floor if you haven't been there lately. Offices have been shuffled like a gin rummy deck.

DID FIND, even so Sheriff Lewis Claxton ... Buddy Hertenberger ... Judge Elmer Martin, a very nice guy ... And saw Juanice Bruce, secretary to County Superintendent Roy D. Coles ... Might say we were over there as a whiskey runner. Running down details of our Highway Patrol coup.

THE ED ROACHES out at Payne have adopted a new son-to-play with their two-year-old adopted daughter. Saw Winnie (Mrs. Roach) all a-bloom over the addition to their family. He's four weeks old!

ONE of our sweetest former neighbors, Mrs. Anna Simon, who will celebrate her 89th birthday this summer, has been here from Dallas, where she lives now, for a short visit at her home on East 4th St.

With her was son Leonard Simon who grew up here. He's president and manager Union (Continental) Bus Terminal in Big D. He was saying the most intriguing things! Records show, he said, that the first inter-city bus in Texas and perhaps in America was the one between Colorado City and Snyder. Noboby's come up to dispute that notion.

HD Clubs Sponsor Exhibition Tea

National Home Demonstration Week, April 30 through May 5, was observed locally with an Exhibit and Tea conducted in Civic House May 3.

The exhibits included special emphasis on Food and Nutrition with details of a work shop on weight control. Food leaders of the clubs had been trained by the County Home Demonstration Agent, Mrs. Cricket Taylor. In planning, preparing and serving nutritious meals at low cost and each leader presented the program to their clubs.

Home Demonstration work is an educational program in better homemaking planned by and for homemakers, and conducted co-operatively by the Extension Service of the U. S. Department of Agriculture, the State land-grant colleges and County Governments. Through it, families learn to apply the latest results of home economics research.

The clothing exhibit was the products of months of study on clothing and clothing construction. Clothing workshops have been conducted by Mrs. Taylor, emphasizing the use of the correct size of pattern. The leaders taped the pattern and learned pattern alterations to the fundamental principles of sewing and special techniques used in sewing new fabrics.

Club women participating in home demonstration programs are trying to learn a better way of management of time and energy and personal resources, also how to choose wisely from the market. Programs in the area of Housing and Home Furnishings included workshops on refinishing furniture, making tailored drapes and closet arrangement. Arts and crafts to satisfy the creative urge of homemakers is a part of club programs, sponsored by the Home Demonstration Council, in addition to the educational phases of the program.

Presbyterians Stage Meet At Church

Members of the First Pres-
byterian Church met Sunday
evening, April 29, in Fellow-
ship Hall of the church. Open-
ing prayer was led by Adolph
Wood.

Mrs. Frank Ginzler read the
90th Psalm and 2nd Corin-
thians, Chapter 5, verses 16
through 21. The congregation
sang the hymn, "Oh God Our
Helm in Ages Past."

Rev. John Brand explained
the objectives of the offering
made during the evening. "I
said it would be used for the
vocational guidance program
of the church."

Mrs. Ray Noble introduced
a skit, presented by the young
people of the church. It was
written by Knox Williams, a
youth leader in the Lubbock
church. The young people
participating in the skit were
Shana Noble, narrator, known
in the skit as Time; Linda
Bates portrayed the grand-
mother; Mike Robinson nar-
rated the grandfather; Peoria
Noble, grandson; Mary Smith,
Sally and Mike Munday, Sam.

The skit showed the need
for vocational guidance for
the help of Christians to choose
college careers and vocations
in life.

The meeting was dismis-
ed by benediction by Rev. Brand.

Wallace Hits Sink Hamlin

The Wallace Wildcats hit
three home runs in posting a
14-4 win over Hamlin in Colo-
rado City Wednesday after-
noon.

Sylvester Williams and Hen-
ry Burton noled long home
runs that cleared the fence.
Williams' blast came in the
second with the bases empty
in the fourth Eddy Campbell
was safe on an error and Hen-
ry hit his homer. Curtis Scott
also was credited with an in-
side-the-park homer when W.
Hunter misjudged his fly in
deep right center.

Hamlin took a 3-0 lead in
the top of the first when
Frank Biggers walked in two
and gave up a hit to D. Mil-
ler.

Wallace only made one run
in their half of the first, but
batted around in scoring six
runs in the second inning. The
Wildcats then made four more
runs in the third, and three

in the fourth. Hamlin's other
run was scored in the fourth.
Frank Biggers won his sec-
ond game of the year. Jesse
Burton had the most hits for
Wallace — three singles.
Wallace plays Plainview
Monday afternoon and Sweet-
water Tuesday night in C-City.

belonging to the Scurry

their posse riders are coming.
Sweetwater Riders Club
members are set to take part.
And Western Riders Club of
Colorado City will mount and
add to the fun.

The parade will be set to
music by several distinguish-
ed visiting bands. The Army
Air Force Band, based at
Amarillo, will play and march
in the parade. Capt. Donald
Jonker, information officer re-
presenting Webb Air Base,
brought news of their coming
to Parade Marshal Reilly this
week.

The Air Force military band
is coming, partly to give a
rousing greeting to Air Force
Secretary Zuckert who will be
here for Mahon Day. Secre-
tary Zuckert, Congressman
Mahon, and other visiting V.
L. P.'s will lead off the parade.

A call from Post High
School Thursday, brought tid-
ings that 75 members of Post
High Band will play the parade

High School Band to the mer-

Wolf Band, directed by

splendor with the visiting
bands.

There will be a color Guard
from Webb, Big Spring Air
Base.

And there will be 20 decora-
ted floats featuring the
tumbledown in its fanciest
shapes, acquired colors, and
Western tinted glory.

Decorated floats will be en-
tered as part of merchants and
business co-operation for
Tumbleweed Festival. Several
floats from Lorraine, Big

Brownfield are also listed as
parade participants.

Parade will form at Austin
and Second Streets, march
down Second from there to
Oak, and disband at Court
House square.

Reilly and his committee
have set the parade to begin

WHISKEY

Continued from page 1
Whoever owned the stuff
to begin with -- allegedly a
chain market in San Diego or
Los Angeles -- is said by Gin-
zel to be "Flying in a West
Coast lawyer Monday, to try
to get it back."

Lawyers from Dallas have
been in contact with Ginzel
by telephone. Lawyers from
Austin have been pursuing in-
formation. Charlie Griggs,
Sweetwater lawyer from the
firm of Nunn-Griggs & Beall
was in town, Friday, talking
to the Jennings brothers whom
they currently represent.

Meantime, Marvin and Mur-
ry Jennings, hired by "per-
son or persons unknown" to
transport the whiskey for 6c a
mile, sit in jail.

"It's got to be a mistake,"
they keep insisting. Mistake
or not, the Liquor Control has
the liquor. Federal officers may
want it. County and District
Court have charges that have
to be answered within 20 days
of filing. What the two truck
drivers have not got, so far, is
money for bond.

At this point nobody has
been sent from "The big Cali-
fornia chain" to rescue the
luckless liquor haulers.

He found an old photo, among other records, showing the late Judge James Shepherd on that bus which operated between here and our sister city, Snyder, in 1907, galloping and chugging along across the ranches between here and there. The judge, father of two prominent Texas attorneys, was once a law partner of the late Judge C. H. Earnest. Leonard has written a magazine article about the historic little first bus.

BIRTHDAY of our friend Mrs. Simon reminds us. Lulline Miles Minshew (Mrs. Charlie) had one recently. Know for sure because her mama Mrs. Keith Miles gave her a Record subscription. Lulline now works for TESCO office in Odessa.

Finest birthday we, personally, know about right now is one coming up May 8, at a Dallas address. With reader indulgence we propose to eulogize it here and now. So!

String-Alongs and Tech Choir Entertain at Festival Activities

This year's Tumbleweed Festival will continue its tradition of featuring the best in entertainment during festival activities. Furnishing entertainment this year will be the String-Alongs, popular recording artists for Wardrobe Records and the Texas Technological College Choir from Lubbock.

The choir will perform at the Friday night festivities and the recording group will be present both nights of the festival.

The String-Alongs, a quintet, tasted fame after the release of their hit record, "Wheels." The record, classified as a slow-paced rock 'n' roll instrumental, has become the fourth top-selling record in the U. S. and No. 1 in Canada.

At last report, the record had sold 400,000 copies and was rated No. 1 in some parts of the U. S. and in the top 20 records in Europe and Australia.

Keith McCormick, 20, leads the group as vocalist and rhythm guitar player. Jim Torres, 21, plays lead guitar and Richard Stephens, 20, plays second lead guitar.

Audrey Lee McDermott, 19, bass player and Don Allen, 22, drummer, complete the group.

The group has climbed to success relatively fast since their haphazard assembly about 4 1/2 years ago in high school. They played locally in Plainview — then gathered enough money to cut a tape recording. The group drove to Clovis, N. M., for a studio try-out.

Norman Petty of Clovis, known for his aid in the skyrocketing fame of the late recording star, Buddy Holly, is building a manager of the group. It was at his studio that "Wheels" was recorded in October. The platter was high on the hit parade charts by Christmas.

Wardrobe Records has also cut an album featuring the group. The album, "Pick-A-Hit," shows promise on the sale charts. Their latest single release is "Brass Buttons."

The group recently returned from a month-long "tough mile tour" — to a red carpet welcome from the hometown folk in Plainview. The tour included performances in New York, St. Louis, Boston, Cincinnati and Chicago. Another, from California to New York and into Canada is planned soon.

"The Dick Clark Show" or "American Bandstand" is just one of several television shows the group has frequented.

The String-Alongs

Popular recording stars, the String-Alongs, will perform at the 1962 Tumbleweed Festival in Colorado City High School Gymnasium Friday and Saturday nights, May 11 and 12. Performances begin at 7:30 p. m. The quintet, nationally known for its popular recording, "Wheels," will head the entertainment which that also feature the Texas Technological College Choir. The entertainment will share billing with the beauty pageant that will select "Miss Tumbleweed" of 1962.

The quintet, plus the Texas Tech Choir, will share the spotlight with the 25 entries in the "Miss Tumbleweed" beauty pageant. The Texas Tech Choir of Lubbock will join the entertainment in the High School Auditorium, which has been changed this year for the beauty pageant of the festival. Also on the agenda, popular activities begin at 7:30 p. m. each of the two nights, for the festival activities are "String-Alongs," popular recording artists, and the appearance of the String-Alongs. The choir and the Texas Technological College Choir will be the main attraction of the beauty pageant. The String-Alongs will return Saturday night for the pageant finals and the crown. Scene for the festival has been frequented.

LETTERS TO THE EDITOR

(Note: This is an answer to Mr. Turner's recent remarks though the writer is not included in the dialogue.)
LADIES BEWARE: There's poison in them that water-melon.
That sweet juicy meat is milky fine.
But you really can't tell what's beneath.
That old time, "lady friends," you know.
So be very careful and cautious.
Or you'll reap what you sow.
Whether you play it easy or hard to get,
There's a slim chance ladies, of becoming an old man's pet.
Such promises need careful wrapping.
With that evergreen folding stuff.
Though truly and frankly spoken,
Those who get into hot water, usually provide their own heat. With all due respect to W. M.
