

Skyrockets, White Deer in Bi-District Fri.

BLAST OFF

William Flores' vocational ag classes celebrated the Skyrockets' District 2-2A football championship by converting a old tree stump in front of Wellington High into a Skyrocket.

Veteran's Day Observance Set

The Frank King Post of the American Legion will hold its annual Veteran's Day open house Thursday, Nov. 11, James Sullivan, commander, has announced.

This will be in the American Legion Building.

All veterans are invited to participate.

They will begin gathering about 10 a.m. and at 11 a.m. the muster will be held and two minutes of silence observed.

Coffee and donuts will be

served, and the veterans will remain as long as they wish reminiscing and remembering incidents of their time in the United States Armed Forces.

This open house is traditional with the Frank King Post. It is for any veteran, even though he may not belong to a veteran's organization.

It is meant as a time of fellowship and visiting, of renewing acquaintances and reliving some of their experiences during both war and peace.

The bi-district crown is at stake when Wellington Skyrockets, champions of District 2-AA and White Deer Bucks, runner up in 1-AA, go on Canadian's Wildcat Field Friday, Nov. 12. Play will start at 7:30 p.m.

Awarding of the Bi-district Championship football trophy will take place on the field immediately after the game ends, an event the fans will want to stay and see.

Winner of this game will advance to the newly formed area round, in the quest for a state championship.

The area game will pit the winner of the Wellington-White Deer Game against the winner of the Haskell-Crosbyton game which is to be played Friday night at 7:30 in Snyder.

In the meantime, Panhandle, 2-AA runner up, will play Stratford, 1-AA champion.

Should both Wellington and Panhandle continue winning, however, they would not meet again until the quarterfinal game.

Both Wellington and

Junior High Parents to See Drug Program

Parents of junior high school students are invited to attend a program featuring up-to-date drug information Tuesday, Nov. 16 at 1 p.m. at the high school auditorium.

Shirley J. Crawford, region I coordinator, state War on Drugs program, will lecture.

A new film, released last week, called "Epidemic," will be shown as part of the program.

The program is designed for grades 6, 7 and 8. Junior high principal Bob Allen said that all interested parents are invited to see the program along with the students.

White Deer go into the Friday night game after a long period without a district victory.

However, this will be Coach James Williams third district championship and bi-district competition since he came to Wellington.

"We are concerned because it is a big challenge and we want to accomplish our goal of a bi-district crown," said Williams.

"White Deer comes into this game with the same idea. They have not been in the playoffs in several years," said Williams.

White Deer and Stratford ended the season tied for the district title, but the Bucks were seeded runner up because they lost their game with Stratford-their first loss in a record that was perfect to that point.

To look at this in another way, the pre-season pollsters, both Panhandle and state, were wrong when they ranked Wellington to finish fourth in the district and White Deer at the bottom of the heap.

After all, they ended the 1981 season with a 1-9 record. However, they used quickness a lot to offset the offensive attacks of their opponents and have completely turned their team around to a 9-1 season this year.

Student Bus To Canadian

Supt. Kenneth McKay has announced that there will be a bus to carry high school and junior high students to the Wellington-White Deer game at Canadian, leaving here at 5:30 p.m. The cost will be 50 cents for the ride and \$2.00 to get into the game.

School will dismiss at 2:30 p.m.

Wellington lost the coin toss and will be the visiting team in the bi-district game. This means Skyrockets fans will sit in the west stands, where they always sit when they play Canadian.

Tickets are \$4 for adults and \$2 for students. There will be no advance ticket sale. Game time will be 7:30 p.m.

Wellington and White Deer have had only two mutual opponents this season, Panhandle and Stinnett. The Bucks defeated the Panthers 24-0 midway through the season and Wellington defeated them 15-12 last week. Rockets won over Stinnett 21-7; White Deer won 26-25.

White Deer has consistently run up good scores over their opponents throughout the season.

They have a good offensive attack and lots of quickness. Team leaders are Darin Bennett, 5-9, 140 quarterback and fullback Steve May, who last week carried the ball 32 times for 133 yards against Stratford.

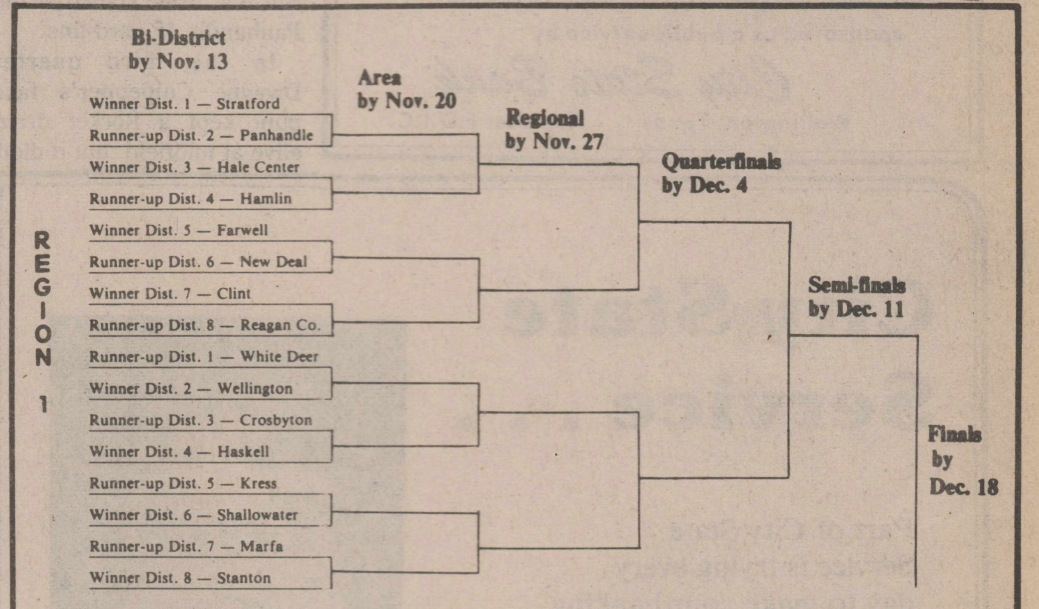

"They use a multiple offense in which they run several formations, also their quarterback throws and runs the ball well," said Coach Williams.

He believes this will not hamper the Rockets, who are practicing for the type of Buck offense.

"I look for this to be an aggressive game, two real quick football teams on the field, both offensively and defensively.

"Again, this is a big game for both, and it comes down to the mistake factor. We've had two workouts and we're trying to get the boys ready

Basketball Under Way At Samnorwood School

Basketball action has opened at Samnorwood with both boys and girls teams in scrimmages this week.

The season will open Monday, Nov. 22, with Hartley traveling to Samnorwood.

In the meantime, both Norwood teams will travel to Lefors Thursday, Nov. 18, for a second scrimmage. Game time is 6 p.m.

The Eaglettes and Wellington JV girls scrimmaged Monday, Nov. 8, while the Eagles scrimmaged a larger and quicker Estelline team. Both were on the Samnorwood court.

Coach Ralph Decker has 8 boys on his team this year.

Only one is a senior, Jackie Kidd, with two years experience. Other players are Scot Martindale and Tommy Baker, three years experience; Chris Perez, two; and Ty Bonner, Steve Bentley, Robert Vargas and Gilbert Garcia.

The Eagles lost their height from last year when Steve Knoll and David Kidd graduated. Their strong point this season will be their quickness.

Coach Mike Smith's girls team was against a team

that was "pretty tough and a lot bigger than we were." If there had been a score, Wellington JV probably would have won.

This year, Smith has a larger than usual team, with

11 girls. Four of his 5 starters are back, Crystal Breeding with four years experience, Lori Baker, 2 years, Shanda Bruton, Stacey Brandvik, Becky

School Drops Property Office

Wellington School board voted at regular board meeting Tuesday, Nov. 9 to withdraw from Property Ownership Office, effective January 1.

The Property Ownership Office has been funded by the school district, the county and the city. Its function is to clear up tax records and help collect back taxes owed on property as far back as 1939.

County Judge Zook Thomas and office coordinator Berniece Needham met with the board and asked them to continue funding for the office, saying that the office had been instrumental in selling 239 lots in sheriff's sales and in getting 828 lots back

on the tax roll. But school administration said that the costs of the operation, (especially the sheriff's sales and the cost of advertising for the sales) was more than the district was taking in additional revenue.

In other action, the board waived exemptions on automobiles for 1983 taxes. That means that automobiles will be taxed next year.

The board also adopted a new handbook of rules and regulations for the band.

Present were board members Harold Wayne Moore, Carroll Nunnelle, Kirby Campbell, John Barton, Reed Souder, Willie O'Rear and Bill Spillman.

Cardiac Kids Do It: District 2-2A Champs, '82

The 1982 Wellington Skyrockets, dubbed the Cardiac Kids after 3 come-from-behind district wins, pulled another heart-stopper out of their bag of tricks: a 15-12 district championship win over the Panhandle Panthers.

The Rockets, ranked fourth in district when the season started, took home all the marbles at Powell Field Friday night, Nov. 5, defeating first-ranked Panhandle and giving WHS its first football district champs since 1978.

But it didn't come easy. The Rockets had trailed 6-0 from early in the second quarter. And then in the fourth Panhandle seemed to put the game away with a blocked punt that set up another touchdown with 7:55 to play in the game.

Behind 12-0 and 7:55 to play. Many Rocket fans withered. But it didn't seem to affect the team who had come from behind before. 50 seconds later the

Rockets had put 7 points on the board.

The drive, four plays from the Rocket 39, saw Dwayne Culpepper spring for 7, then 11. Dwayne Curry charged the ball 23. From the 20 yard line Curry got the call again, and this time he just wouldn't stop, shrugging off four tacklers, almost being knocked out of bounds, cutting and digging for the touchdown. Shane Cobb's extra point kick brought the Rockets up to 7-12, finally on the scoreboard with 6:45 to play in the game.

Panhandle took the kick-off and tried their hard-charging back, Stacy Rusk, twice, but were left facing a third and 7 from their own 23. Panhandle quarterback Todd Lamberson stepped back and fired a pass, rushed by Rocket Matthew Hanna.

And who should be there but Wellington's Darwin Nix.

Nix snared the interception at the 35 and returned it

down to the Panhandle 15. The Wellington fans went wild.

A Panhandle penalty and 3 downs brought Wellington to a fourth down with less than a yard to go at Panhandle's 6 yard line and with less than four minutes showing on the clock.

Dwayne Culpepper followed a great block by Matthew Hanna for 3 yards and a first down.

Dwayne Curry got the call, wide left, this time, and scooted into the end zone with 3:40 to play. Wellington took a 13-12 lead for the first time in the evening. A Wade Williams extra point pass to Darren Hall made the score 15-12.

It wasn't over yet, though.

Panhandle took the kick-off and moved from their own 20 to the midfield stripe with 1:56 to play.

On fourth down and five Lamberson passed. Dru Lacy had smelled the middle screen pass, played it

perfectly, and batted the ball down.

The Rockets ran out the clock for the victory.

The Skyrocket offense provided the flash at the end, but the defense had lit the long fuse.

In the first quarter Panhandle recovered a Rocket punt return fumble at the Wellington five yard line.

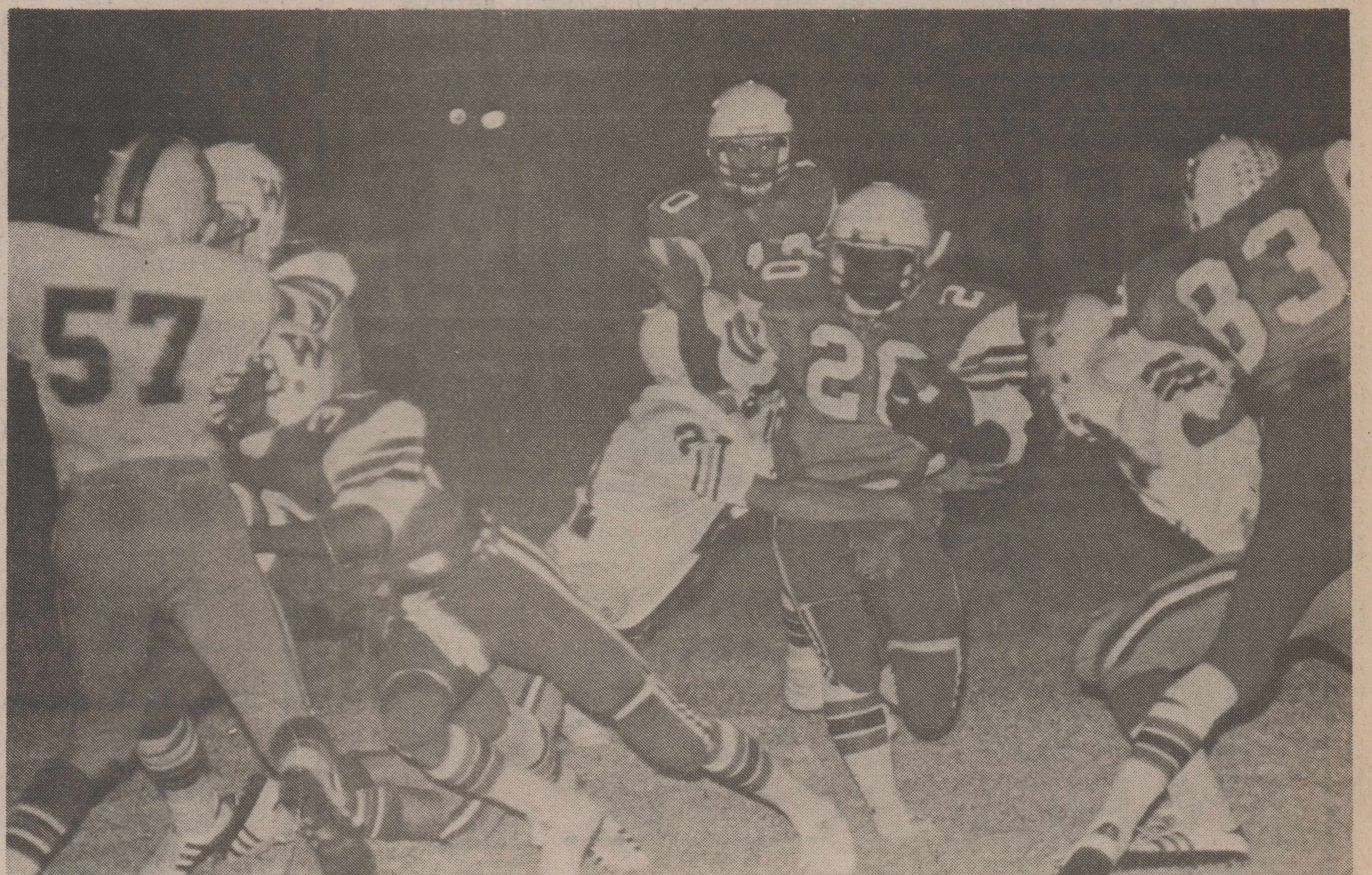

But the Wellington defensive team came through including a great stop by Ricky Martinez and after four downs, Panhandle had lost 2 yards.

The Rockets also stopped Panhandle drives at the Wellington 26 and 25 yard lines.

The Rockets contained Panhandle's major offensive threat, Rusk, most of the night. But in the second quarter, Rusk broke out of a sweep for a 79-yard gallop for a touchdown. The extra-point kick failed.

Panhandle's second

SKYROCKETS

Dwayne Curry, 20, breaks a tackle for a gain during Wellington's winning scoring drive with less than four minutes to play against Panhandle. Blocking for Curry are Dwayne Culpepper, 30, left, and Darren Hall, 83, right. At back is Wade Williams, 10.

touchdown came after the Panthers blocked a Rocket punt and took possession at the Rocket 32. Rusk got the call four times, and on the fifth, from the 6 yard line he scored. The extra point pass failed this time.

Those missing extra points turned out to be ones that Panhandle could have used, although at 7:55 with Panhandle ahead 12-0 it didn't seem to matter much at the time.

The Rockets had knocked two other times, but the door didn't open.

Mark Hunnicutt recovered a fumble in the second quarter to give Wellington the ball on Panhandle's 30. But that drive stalled at the Panhandle 15-yard line.

In the third quarter Dwayne Culpepper's fake punt kept a Rocket drive alive at midfield, but it died

at the Panhandle 13.

The game saw an unusual rivalry: two head football coaches' sons pitted against each other in the quarter-back slot. Wade Williams is coach James Williams' son, and Todd Lamberson is Panhandle coach Stocky Lamberson's son.

General consensus after the game: "I just can't believe it."

"We had a pretty good workout Monday, and Tuesday we worked until almost dark, trying to get everything covered that we can."

The Skyrockets are anxious to get back to Canadian. It may be their good luck charm.

"We started our winning streak there and we're anxious to get back."

Skyrocket Mike Green underwent knee surgery at Altus last week. "Hopefully he will be back next year, for he really was coming around as a football player," said Williams.

Other than that, the Rockets will be at full strength if no one else is hurt.

Cold weather, if it should come, will not be a factor, said Coach Williams. "It will be just as cold for White Deer as it is for us," he believes.

Barton and Stephanie McWhorter, one year each. Freshmen are Sandy Henard, Trudy Baker, Stephanie Brandvik, Linda Garza and Betty Sue Kincannon.

Smith predicts that District 3-A will have two "real tough teams, Mobeetie and Wheeler." Kelton and Samnorwood will be in the middle and other teams are Allison and Briscoe.

A reshuffling of schools brings Wheeler into the district this year for the first time.

Predator Control Training Nov. 17

A representative from the Texas Department of Agriculture will be in Wellington Wednesday, November 17, at 1:00 p.m. at the County Extension Office to train people in using the M-44 predator control device.

A person must receive training in using the M-44 device and receive an approval applicator number before purchasing the M-44 and other materials needed, said Don Reeves, extension agent.

This will be the only training session this year in the county and anyone wishing to be an approved applicator of the sodium-cyanide M-44 device should attend this training.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic

level, race, color, sex, religion or national origin.

7th Loses Final Game To Panhandle

Junior High 7th Grade Firecrackers lost their final game 28-8 to a Panhandle team at Panther Field.

"The boys were real keyed up and not playing very good," said Coach Tommy Johnson.

Only one minute remained on the clock when Wellington scored on a 60-yard run in a third down situation.

Panhandle had possession of the ball the entire first quarter and two Wellington fumbles in the second period were costly.

The halftime score was 18-0 Panhandle.

"We had a pretty good season overall with a 5-3-1 record," said Coach Johnson.

This gives Wellington 7th second place in the district, with Memphis 7th in top position.

"Our team has improved a whole lot and showed a lot of quality," the coach commented.

The 7th Grade Firecrackers opened their season with an 0-0 tie with Clarendon, defeated Shamrock 12-6,

Friends, patients and neighbors of Dr. and Mrs. Prasanna K.M. Kumar and their son Kevin gave a surprise housewarming in their honor Friday, Nov. 5, on the occasion of their moving into their new home at 15th and Corsicana Streets.

The friends arrived with their gifts, then left before the Kumars arrived home from his office.

They were presented with flowers, a variety of gifts, and a money tree, provided by a number of friends. This was the first Mrs. Kumar had seen. Friends reminded that they are to buy with the

money something that the family will enjoy.

COLLINGSWORTH COUNTY EXTENSION AGENT REPORT

by Nancy Bigby

SPICY ALTERNATIVES

You don't have to be a flavor chemist to start buying and trying spices. Just let your eyes and nose be your guide. Herb and spices that are faded in color and aroma are old and have probably lost their flavor. Usually, the greener the herb, such as basil, or the brighter the spice, such as paprika, the better the flavor.

Don't buy large amounts of any spice as spices are generally used in small amounts. Whole spices retain their flavor almost indefinitely, but ground spices and dried herbs often lose their flavor before they're used up.

To protect your herb and source investment, store them in tightly sealed containers in a cool, dry place. Every few months, give them the "Sniff test" to check for potency. If your herbs and spices do not have a good, strong aroma replace them.

Now you know how to buy and store your herb and spices. But when, where and how do you use them? Here are some guidelines.

Remember that herbs and spices are meant to enhance not over power, the natural flavor of food. So go easy. You can always add a pinch more of spice but, once added you can't take it away. As a general rule, start with 1/4 teaspoon of dried herb or spice for four servings of food.

Before adding dried herbs to a recipe crush them for a faster flavor release. If you're using fresh herbs, use two to three times as much of the fresh herb as you would the dried.

Whole spices are best in foods with long cooking times. Ground spices are best in foods with short cooking times or added toward the end of the cooking time. When seasoning cold foods such as dips

refrigerate them overnight to allow the flavors to blend.

By now you're probably wondering which spice has what flavor. Here are a few you may already know by taste, if not by name. The spicy taste of Mexican dishes comes from cumin and chili powder. You know the pungent flavor of ginger from Chinese food. The flavors you love in Italian food come from oregano, fennel and basil.

With those familiar flavors in mind gather your culinary courage and start seasoning. For a fast and easy way of trying different spices, spread french bread with margarine and sprinkle on oregano, basil or thyme; then broil.

Add any of those or paprika, tarragon, or rosemary to melted margarine for brushing onto chicken that you bake or broil. Try adding cinnamon, nutmeg,

Three Sisters Entertain With Halloween Party Oct. 30

Costumed creatures of the night came to 1306 Bowie Saturday night, Oct. 30, for a Spooky Halloween Party. The hostesses were Valerie, Darla and Diana Noakes.

The girls attended the school carnival, and later returned for "ghastly treats and devilish tricks". A slumber party followed.

The party ended with the girls attending church services Sunday morning.

Guests were Lyndy For-

rester, Jonny Settle, Leandra Hartman, Jennifer Guley, Karla Morris and guests "scared away" were Sharon Henard and Angell Hendrix.

The hostesses are the daughters of Mrs. Janet Lindley.

"Rhetoric, the skillful use of words to influence or persuade others, comes from the Greek word meaning 'orator.'"

or mace to spark the sweet treats of hot chocolate, chocolate pudding or yellow cake.

Now that you're off to a good start, don't stop. After all herbs and spices have traveled thousands of miles and thousands of years to find their way into your kitchen. There's no telling how far they can take you in your cooking adventures if you're willing to explore.

Excelsior Club Members Hear Program on Pavarotti

Pavarotti, at 47 one of the world's greatest living male classic tenors, was the subject for the Excelsior Club program Wednesday, Nov. 3, when Mrs. Russell Yates was both hostess and program leader.

Recordings by Pavarotti were played after the program, to form background music for the refreshment hour.

Mrs. Melvin Kiker, president, conducted the business meeting.

Refreshments were served to Miss Hattie D. Wells, Mrs. Lowell Wells, Mrs. Kiker, Miss Dorothy Robertson, Miss Bonnie Willis, Miss Rose Shadid, Mrs. Robert Barjenbruch, Miss Marie Shadid and the hostess, Mrs. Yates.

Here are excerpts from Mrs. Yates talk:

Born on the outskirts of Modena, in north central Italy, Pavarotti, from his earliest recollections was engulfed with love and attention. His grandmother adored him, and as both parents worked, she was the most important person in his life. The large family lived together in one building.

Both parents had fine voices, and his father considered becoming a professional, but believed his nerves not strong enough.

As a youth, he sang alone in his room at the top of his voice, and he declares that 14 of the 16 families in the building would yell for him to "shut up." But one man declared he would become a singer because he had the right breathing. World War II penetrated the 8-year-old's world when the British and American troops began to bomb Modena and Pavarotti's father moved the family out of the city.

The War years had one good effect on Pavarotti, who was put to work on the farm. He feels this experience had much to do with his character today.

When he was 12, the great tenor, Benjamino Gigli came to sing in Modena, and when he had finished, Pavarotti, overwhelmed, rushed to the stage and burst out, "I want to be a tenor." "Bravo. Bravo, you must work very hard," replied Gigli. Pavarotti asked how long he had studied.

"You heard me now, I have just finished for today. I am still studying," replied Gigli.

His serious study began

hostesses were approved for the next annual meeting. They were Mrs. Bob McAlister, Mrs. Bobo Castleberry, Mrs. Earl Clark, Mrs. Joe Mack, Mrs. Paul Spillman, Mrs. Jim Ingram.

Members present were: Mrs. Bill Spillman, Mrs.

Robert Barjenbruch, Mrs. Cecil Masten, Mrs. Chester Fires, Mrs. Truett Holland, Mrs. Mickey Vassey, Mrs. David Vassey, Mrs. J.B. Stevenson, Miss Juliana Baumgardner, Mrs. Bob McAlister, Mrs. Joe Mack, Mrs. Paul Spillman, Mrs. Jim Ingram, Mrs. James Doneghy, Mrs. Tom Thomson, and Mrs. Mike Barjenbruch.

Garden Club Hears Program on Christmas Holiday Ideas

Wellington Garden Club met in the home of Mrs. Annie Cason Wednesday, Nov. 3, with Mrs. Russell Hill as co-hostess.

Miss Nancy Bigby, extension agent, presented the program, which she opened by reading a poem, "Old Fashion Christmas."

She gave ideas for gifts: The Farmer's Almanac, packages of seed, dried flowers, and pot plants. She suggested pot plants for children, teaching them to care for the plants. Dried herbs were another suggestion and Miss Bigby pointed out that all herbs are symbolic of Christmas.

She asked each one to give some unique thing her family does at Christmas.

Each made a tree decoration.

Mrs. H.L. Jenkins conducted the meeting and Mrs. Russell Hill read a poem, "Goodbye to the Garden."

Roll call was answered by each member telling what she wants for Christmas.

Mrs. Charles Cason brought a new member, Mrs. Dorothy McGuirk. Mrs. Jenkins pinned a ribbon on Mrs. Cason in recognition of recruiting the new member and pictures

were made of bath. An article of the club constitution was amended. Other business was taken care of.

A refreshment plate was served to Miss Bigby, Mrs. Woodrow Wood, Mrs. E.F. Bartlett, Mrs. Jenkins, Mrs. McGuirk, Mrs. Cason, Mrs. Tom Caterlin, Mrs. Herbert Duncan, Mrs. W.F. Harbin, Mrs. Mamie Terry, Mrs. A.J. Fires and the hostesses, Mrs. Cason and Mrs. Hill.

Experts from leading universities have recently confirmed what many people suspected all along—nutrition-wise, soup is super. In fact, some soups have more nutrients per calorie than other good foods you think are very nutritious. According to information appearing in a series of messages from Campbell's Soup in Reader's Digest, soup has been proven to be one of the most nourishing and easily digestible foods you can eat. It's been called the wholesome food that satisfies your appetite and your spirit.

A meeting of all those

Thursday, Nov. 11, in the

A field trip this year has

latter.

On December 3, they will
visit the Texas Tech

Museum and the Ranch
Heritage Center on the
campus of Texas Tech
University, Lubbock. They
will visit the Planetarium
and may be able to attend
some classes.

Prior to the November 2
election, GATE students
heard County Democratic
Chairman Doug Seal and
Wayne Cudd, campaign
chairman for Governor Bill
Clements and John Strake,
candidate for lieutenant
governor.

On Election day, they
marked their ballots and
later compared them to
election results.

GOLF AT
WILLOW CREEK

BY MARY SANFORD

It is sure hard to blame
your bad golf playing on the
weather when it has been so
beautiful these last few
weeks.

Wednesday, Nov. 3, was
no exception for our
women's Association of the
Wellington Country Club.

Now that the season is
drawing to an end, I am
finally getting the hang of
this game. I'm a long way
from catching up with the
"Big Girls" (a Benny
Sullivan expression) but I'm
shooting lower scores and
digging fewer holes in the
rough. I'm still having an
on-going fight though with
the water on hole No. 1.
That water just jumps up
and eats my golf balls.

The women's Golf Assoc-
iation is under new man-
agement with Eugena
Sherman as the newly
elected president; Karen
Caison the new vice-pres-
ident and Edna Wooldridge
again as our dependable
secretary-treasurer. Benny
Sullivan and Betty Cochran
are the new board members.

These officers were elect-
ed at the Nov. 3 meeting and
their duties began immedi-
ately.

We women of the Willow
Creek Golf Association are
very proud of our organiza-
tion. We meet each week for
the fun of playing golf
together and work diligently
for the betterment of our
country club. The money
that is made through our
work goes back into the Club
to purchase things that can
be enjoyed by all its
members.

Since its beginning about
four years ago, the
Women's Golf Association
has bought carpet for the
pro shop, refurbished part
of the carpet in the club
room, bought an exhaust
system for the club room, a
vacuum sweeper, chairs and
card tables and serving
tables for the club house,
and made a substantial
payment on the trees and on
the rest room of the golf
course.

The women also help the
men with their tournaments
by sometimes making sand-
wiches, nut breads, furnish-
ing covered dishes or
desserts. Many of the men
in turn help the women with
their tournaments. We get
many complimentary com-
ments from out-of-town
women about how thought-
ful our men are helping
them with their clubs and
carts besides doing a lot of
our judging and bringing
cold drinks or hot coffee
around the course while the
women are playing.

This is a very young
country club and golf
course. We all feel it is a
commodity that Wellington
and our county can well be
proud of. Being young, it is
still an up-hill climb,

however, with all the
present members and future
members, men and women,
we hope to make it
outstanding. Already the
golf course is known
throughout the area for our
good fairways and excellent
greens.

Stepping off the soap box
and laying down my horn,
I'll list the awards given out
at the Wednesday meeting:

Sept. 1: Lou Mabery for
chipping in on hole No. 2;
Edna Wooldridge, most
total putts and Mary Nell
Holton for total high score;
Sept. 8: Iva Bell Mauldin
took the honors with 12 total
putts;

Sept. 22: Lou chipped in
again on No. 5 but not to be
outdone, Betty Cochran on
No. 2. Patsy Martin and
Lyna Hurst tied for low putts
on holes 1 and 4.

Sept. 29: In a draw for
partners, Patsy and Iva Bell
placed first for low score and
Billie Holton and Edna
second.

Oct. 6: High score again
went to Mary Nell, who has
decided that's not bad since
it wins more awards than
the also-rans in either
direction.

Billie and Lou tied for low
putts that day. Billie's
putter is working better
now.

Oct. 13: Lorene Jenkins
came in with most putts.
Her putter is acting up now.
Billie was low scorer. The
rest of her clubs must be
working well, too.

Oct. 27: A blind draw for
partners showed Billie and
Eugena with low score.
October must have been
Billie's month. Yep! She is
definitely one of the "Big
Girls."

Rash of Fires at Dodson, Wellington

A trailer house in Dodson
was destroyed in a fire and
explosion caused when
butane was ignited by a pilot
light inside the building
Friday afternoon, Nov. 5.
One person received minor
burns.

A few hours earlier, an
unoccupied house near
Dodson that was being torn
down was destroyed when it
caught fire from scrap
lumber that was being
burned, according to Wel-
lington Fire Chief Danny
Gray.

The front and roof of a
Wellington house was
damaged Thursday, Nov. 4,
in a fire believed to have
started from a wood-burning
fire place.

The fourth blaze to which
firemen were called was a
grass fire in the 300 block of
East Avenue that was out by
the time they arrived.

The Dodson trailer house,
an 8'x25' Spartan, belonged
to Mr. and Mrs. Howard
Elbert and was parked
beside the Dodson Cafe.

Mrs. Elbert, who was
inside when the explosion
occurred escaped with
minor burns. She was
treated at Collingsworth
General Hospital and then
released.

Elbert said he was trying
to blow out water out of the
butane line so it would not
freeze, using power from his
pickup parked next to the
trailer.

The explosion blew out
the sides of the trailer, and
the fire was out of control
immediately. The trailer and

contents were a total loss.
Only the metal floor
remains.

Elbert was able to get the
pickup out of the way, but
the carport to Mrs. Nellie
Roberson's apartment be-
hind her cafe was damaged
by fire.

Employees of Davis Gin
and Dodson Farmer Co-op
Gin, with others in Dodson,
rushed to fight the fire,
along with units from the
Wellington Volunteer Fire
Department.

The house destroyed
Friday morning was located
on the Garland Hightower
farm. Gray reported it
caught from a fire being
used to burn scrap lumber
that could not be salvaged.

The fire at the home of
Mr. and Mrs. Grady Reed,
206 El Paso on Thursday
started from a fireplace that
Gray believes was not
properly insulated. The
blaze was brought under
control but the front rooms
and roof were damaged.
Other rooms received smoke

God is Speaking Right to Me

Hugh McClellan, Jr., in-
surance executive from
Chattanooga, Tennessee has
discovered that God speaks
to people through the Bible.

"I just went through
Luke, the tenth, eleventh,
and twelfth chapters,"
McClellan says, "and new
insights came to me. I said,
'Hey, God is speaking right
to me now about some
problems I have!'
"That happens all the
time."

McClellan, who takes
time to read the Bible every
morning, admits that finding
time to read the Scriptures
every day is a challenge. But
he believes that the rewards
are well worth the effort.

"The most difficult prob-
lem is trying to find the time
to really read the Scriptures
and then take the time to
pray and say, 'God, what
are you talking to me about
here?'"

"It's exciting to see new
things that God is trying to
teach me just in a day-to-day
living situation."

PTO Carnival Winners Listed

Lutie Gin received its first bale of 1982 cotton Saturday, Nov. 6, delivered by Douglas Coleman, Sr., from his home place at Dozier. Cleve McCarty, manager, reported.

This first bale was part of a three bale load of 7735 pounds of seed cotton, followed immediately by a fourth bale.

The first bale to be ginned weighed 530 pounds, with 880 pounds of seed. It yielded a 22% turnout.

Bales 2, 3 and 4 were ginned one after the other. Coleman sent another trailer loaded with cotton to Lutie Gin on Tuesday, Nov. 8.

All of this was from his home place.

The first bales arrived just one day after repairs had been completed at the gin, McCarty said.

Coleman does not yet know what his cotton is yielding per acre, as there are still some green spots in his field.

He had defoliated the crop a week earlier.

The repairs just completed were general in nature, according to the gin manager. Nothing major had to be done to get the

plant ready for this year's crop.

McCarty described cotton in the north part of the county, the area served by Lutie Gin as "Not real well at all."

Veterans Dinner Set at Dodson

The Veterans Day Dinner, an annual affair, will be held Saturday, November 13, in the American Legion Building at Dodson.

This is sponsored by the American Legion Post No. 535 and its Auxiliary Unit.

Serving hours will be from 11 a.m. to 1 p.m.

The traditional turkey dinner with all the trimmings will be served. Members donated the food.

Tickets are \$3 each, or \$1.50 for small children, and may be bought from any member of the Legion or Auxiliary or at the door.

Heading the menu committee are Mrs. Ross Swift, Mrs. Fred Boyd, and Mrs. J.C. Howell. The advertising committee consists of Mrs. Boyd, Mrs. B.B. Martin and Mrs. Melvin Cardwell.

President of the Auxiliary is Mrs. Cardwell, while Garland Hightower is commander of the Legion post.

All proceeds from the dinner will go into the fund for various Legion-Auxiliary projects, which include assisting needy veterans and their families, improvement and upkeep of the building and a variety of community projects.

At present, both the Legion and Auxiliary are trying to raise money to enlarge the meeting room of the Legion building, said Mrs. B.B. Martin.

This will be done by moving the kitchen back into what is now unused portion at the back of the building. Another rest room will be added.

First United Methodist Church held its annual Charge Conference Wednesday, Nov. 3, with Dr. C.B. Melton, Pampa District Superintendent presiding.

He heard reports from the administrative board, trustees, and various committees covering the activities of the past year and plans for the coming year.

There has been an increase in both Sunday School and church attendance in the last year, he added.

The pastor and 5 lay people also attended the Pampa District Conference held Saturday at First United Methodist Church, Gruver.

JV Ends Season With Win Over Panhandle

Skyrocket Junior Varsity ended the 1982 season with a 14-0 victory over Panhandle JV on the Panther field Thursday, Nov. 4, giving Wellington second place in District 2-AA.

"The defense was fantastic," declared Coach Allen Sanders. "The defense

allowed only 30 yards total during the entire game."

"We played pretty good the whole game. The offense was a little slow, but after we got off and rolling, they looked good at times then let up a little bit at times."

Wellington's first score

came in the second quarter, on a 45-yard draw play to Chuck Brown, after good blocking by Joe Bill Munn and the rest of the line.

The points after TD was intended as a kick but the ball was fumbled on the snap. Jamie McKay came up with it and passed to Neal Duncan, who carried the ball across the line for the two points.

Wellington was unable to get in position to score during the third quarter, although the Rocket defense forced the Panthers into fumbles.

The second Rocket score came in the fourth on a 40-yard touchdown pass from McKay to Greg Bowen.

The try for extra points was no good.

Late in the game, Wellington fumbled the ball and Panhandle was in good scoring position, but the good Rocket defensive series held the Panthers away from the goal line.

"It was a hard hitting game," said Coach Sanders. "Rodney Saldana was good

on both offense and defense. In fact, everybody on the team looked good. I was very proud of the players. We went out to win this game. Panhandle beat us 28-8 the first time around--our first loss this season."

"We had a lot of determination to get revenge and we did a very good job."

This victory gave the Skyrocket JV a 6-2-1 season record.

The Skrocket JV opened its season with a 38-6 victory over Clarendon, a 27-0 win over Shamrock and a 6-6 tie with Memphis.

Panhandle won the first go-round 28-8 but Wellington came back to defeat Quannah 22-14, Shamrock 40-18, followed by a 12-0 loss to Memphis, then a 36-8 victory over Clarendon.

Lone Star buys the gas you need.

Bob Kimbrel is one of Lone Star's gas buyers who constantly shop the Southwest for gas value and quality, and for contract terms that are favorable to you.

300 smart buys a year help keep gas first in efficiency.

From offshore and onshore. From East Texas, far West Texas, West Central Texas, North Texas, the Gulf Coast and Oklahoma.

From 20,000 wells and 790 producers in 690 different fields, Lone Star gets you the gas you need.

Like you, we buy our gas.

Lone Star buyers shop for value and quality, and for contract terms that are most favorable to you.

These purchase/delivery transactions are extremely complex. The buyer needs to know the good gas from the not-so-good, the rich source from the skimpy one. Each buy has its own variables, and we make about 300 new buys a year.

Our buyer may have to bid against as many as 15 others from all parts of the country.

And Lone Star's delivery system must be right there. Able to move the gas from the wellhead directly to your home. Today, that requires 32,000 miles of pipeline. And the system keeps growing.

There's plenty of gas. But it takes a smart buy to secure it. And a mighty pipeline system to deliver it.

Lone Star has both. We get you the gas you need.

"Lefties" Organize Club

Lefties are in the minority in Wellington Elementary School, but there are enough of them that they are forming a full-fledged club.

There are many Left Handed Clubs among schools in the country, and the Wellington group will have at its disposal a left-handed catalog, where they will learn about such things as left-handed scissors, left-handed crochet hooks and instructions, and even a left-handed guitar.

The project was inspired by Rita Lowrie, 5th grade reading instructor.

The club will hold its first meeting Thursday at 8:15 a.m. There are already 25 members among the students.

A survey was made of the 5th grade left-handed students, and reported on by Kallie Akemon and Terry Lynn Sterling. Other 5th grade reading students working on the project with Miss Lowrie were Bruce Jones, Cynthia Tyson, Susan Carroll, Patricia Hernandez.

Here is what they found: Students enrolled in Elementary School, 319. Right-handed students, 292.

Left-handed students 27. Right-handed boys 152. Right-handed girls 140. Left-handed boys 19. Left-handed girls 8.

The "lefties" are proud of their "southpaw", said Miss Lowrie.
