

Homecoming Plans Under Way

Plans are underway for the biggest and best ever Homecoming Parade.

Businesses, organizations or other interested persons are invited to enter floats in the Oct. 30 parade. Entry fee is \$5 and may be paid to Janie Jones. Theme of the parade is "Fabulous Flicks of the Sixties."

Four Olton Men Are 'Outstanding'

Four Olton men have been selected for inclusion in the 1970 edition of "Outstanding Young Men of America". They are Dr. Mike Smith, Royce McCadden, Dewey Hukill and Claude Burnett.

"Outstanding Young Men of America" is an annual awards volume sponsored by leading men's civic and service organizations. Its purpose is to recognize and honor young men in our country who are working toward excellence in their careers and community.

Olton Chamber of Commerce and Agriculture nominated the four local men for selection in the publication. Criteria for their selection includes service to others, professional excellence, business advancements, charitable activities and civic and professional recognition.

Publication of the 1970 volume of "Outstanding Young Men of America" is December.

Wanted: Gum Wrappers To Help Needy Children

Don't throw away that chewing gum wrapper!

Members of the United Methodist Youth Fellowship is collecting empty Clark's chewing gum wrappers.

The wrappers will be redeemed for two and one-half cents per empty pack by the Clark Gum Company with proceeds to go to UNICEF to buy food, vitamins, clothes, vaccines and thousands of other needed things.

Empty packs are valuable for all flavors of Clark gum

including their Di-et gum.

One empty pack will provide some hungry child with a quart of milk. Two empty packs will purchase enough vaccine to protect a child from diphtheria, whooping cough and tetanus. Three will protect him from malaria for a year.

UNICEF's goal is for a world of healthy, happy children. This is one way every individual can help achieve the goal.

Empty packs may be given to any member of the group or mailed to Box 545, Olton, Texas 79064.

Three Top Weekly Prizes Are Won By Youngsters

Dallas Cowboys went down in defeat Sunday and their loss marred an otherwise perfect score in the Enterprise football contest by Mark Hodges. Young Hodges was right on the other 17 games in the contest.

Two contestants missed just two games, Joanna Carlisle and Chris McClure. Joanna copped second place by coming up with the closest guess on the tie breaker score. She was seven points off with her 28 to 7 prediction. Chris guessed the Mustangs-Chiefains score to be 28 to 13 for a 13-point span.

Joanna missed the Post-Rails contest and was wrong with pick of Littlefield over

Lockney. Chris went down with the Cowboys and the Lockney-Littlefield games.

The three weekly winners are among the younger contestants - Mark is a freshman; Joanna, an eighth grader and Chris is a seventh grader.

Eleven contestants missed three games and most of them were not many points off in their tie breaker guesses.

The season's standings made a change with first place being shared by only two contestants this week, Jack Williamson, tied for the top spot last week, remains tied for the lead but with a different contestant from the four he shared honors with last week. Marilyn Miller gained a point to share the top spot.

Contestants with 50 or more points are listed on page 6. Season's standings may change with each week so contestants should not give up even though they are not listed in the top standings this week.

And remember, anyone can be a winner for the week. It's fun and it's easy. Pick up last week's Enterprise, select a winner in each game, mark the entry blank and predict the tie breaker score. Oh, yes, sign your name and drop the entry blank off with any sponsoring merchant.

Take note of the sponsors and let them know you appreciate their making the contest possible. They'll appreciate your thanks and your business.

Doggett Infant Rites Conducted

Graveside rites were conducted at 3 p. m. Sunday for Jana Joy Doggett, infant daughter of Mr. and Mrs. Benny Doggett.

Rev. R. H. Campbell, retired Methodist minister, officiated. Burial was in Olton Cemetery under the directions of Parsons Funeral Home.

The baby died Saturday in Lubbock's Osteopathic Hospital, 14 hours after birth.

Other survivors include her twin sister, Dana Loy, another sister LaTecha; a brother, Ricky; her grandparents, Mrs. Temple Doggett of Fort Worth and L. R. Goynes of Barnsdall, Okla., and a great-grandmother, Mrs. Annie Moore.

Mustangs To Meet Littlefield Wildcats

Olton travels to Littlefield this Friday night to tangle with the Littlefield Wildcats for the first time in 12 years. Littlefield defeated Olton in the last meeting at Littlefield in 1958 by the score of 42-6.

Littlefield had defeated Olton in 1957 by the score of 54-0. After the 1958 season Littlefield moved up a notch to class AAA.

This year they were moved back down a notch to class AA. Littlefield lost last week's first district game to Lockney while Olton was winning over Friona.

Olton coach Jerry Blakely says this of Littlefield, "They will definitely be the largest team that we will face this year." Starting with No. 77 Calvin Kelby who mashes the scales at 270 pounds they get smaller down to their Fullback Danny Estrada. He tips the scales at 220.

Estrada is a powerful runner

and is real quick for his size. He was out last week with an injury but should be in shape for this week's game. He is a linebacker on defense.

Lee Roy Danford, No. 45, is an offensive halfback with good speed. He runs real hard and is a defensive end on defense. Larry Purdy No. 33 also plays fullback and linebacker. He had a good game against Lockney. Ralph Funk No. 21 is an offensive halfback and safety on defense. Funk also throws the halfback pass real well.

Again biggest Wildcat of all is No. 77 Kelby. He plays tackle on offense and defense both ways. He is stacked six feet

and six inches high and pretty wide also, 270 pounds worth.

Probable offensive starters for Littlefield are Hill, McNeese, Grisson, Stretty, Blevins, Pratt, McCary, Barton, Funk, Danford, Estrada, Horn and Kelby.

Olton Coach Blakely introduced several of the Mustangs to the Booster Club Monday night. He also introduced the player of the week, Defensive player of the week was Jim Key. Offensive was Mike Parsons. Key was in on 21 tackles in the Friona game. Parsons had four receptions for 125 yards and one touchdown.

Blakely said that Olton's

defense looked better in the Friona game last week and that the boys had been having real good work outs this week.

Probable offensive lineup for Olton will include: Steve Stockdale, Marlos May, Keith Workman, Luis Rey, Mike Parsons, Alonzo Springer, Alfred Garcia, Luis Jimenez, Gary Durham, Steve Lewis, Jim Key, Emiliano Marquez and Carrol Blackwell.

Defensively it will probably be Gary Durham, Jim Key, Jimmy McCurry, Marlos May, Luis Jimenez, Alfred Garcia, Mike Parsons, Gary Kelley, Emiliano Marquez, Luis Rey and Johnny Arroyos. Game time is 7:30.

National 4-H Week Observed By Olton Youth Oct. 4-10

Insurance ... Against Goblins

Are you insured against goblins who write on windows? Student Council members of Olton High School are selling insurance policies to businesses and home owners to be effective during the week of Halloween.

Policies will insure the policy holder of clean-up of any windows which are written on by Halloween pranksters. They will not cover breakage.

Cost of the policies are \$2 for businesses and \$1 for homeowners.

"We Care." That's what more than three million boys and girls across the nation will be saying during National 4-H Club Week, Oct. 4-10.

Who are they? About 300 live right here in Lamb County and approximately 90,000 are Texans, reports Assistant County Agent Bobby Brunson.

The nine to 19 year old youths do more than just talk about caring. They show their interest and concern by working on community and county projects of many kinds. They take advantage of the opportunities which membership in 4-H provides for them and then do their best in carrying out assigned responsibilities.

4-H Club members have long been engaged in programs aimed at making their homes and communities better places in which to live. The assistant county agent said their projects help them learn-by-doing, including combating poverty, malnutrition and the pollution of our environment.

The assistant county agent

noted that 4-H'ers are enrolled in educational programs, the youth phase of the Texas Agricultural Extension Service, which aim to give members basic training not only in their projects but in leadership and citizenship responsibilities as well.

Membership in 4-H is not limited to rural boys and girls. In fact, noted Brunson, a sizeable percentage of the nation's total enrollment is made up of boys and girls who live in urban areas, many from the heart of our major cities. New project programs are being constantly added in order to interest youth who do not have the space nor facilities to carry out farm related projects. Brunson said. Electronics, automotive, wood working, science, dog care and training, bicycling, money management, clothing, health and nutrition are among the many projects open to urban boys and girls.

Full details on what 4-H is all about and its training programs are available from the

Littlefield Man To Serve County As Chairman

Doyle L. Patton, Jr., Littlefield, has agreed to serve as the Easter Seal Representative for Lamb County. As the Texas Easter Seal Society for Crippled Children and Adults' representative, Mr. Patton is the person to contact to request assistance or services from the Easter Seal Society of Texas.

Patton's appointment was announced by P. O. Settle, Jr., Fort Worth, President of the State Society.

Last year the Society aided 20,591 Texans in the form of treatments, services, equipment loans, and related aids. The Society is carrying out a program to reach every disabled person in the State who needs assistance. This program is to insure that every disabled child and adult has an equal opportunity at a normal way of life.

Patton urged that any person needing assistance from the Easter Seal Society should contact him at the Security State Bank, Littlefield. There is no charge for these services, he added.

Disabled Texans are aided by the Texas Easter Seal Society for Crippled Children and Adults regardless of age, race, cause of disability, or financial status. Patton said that to secure services, a disabled person or their family should contact him.

The Easter Seal Society of Texas is the oldest organization providing direct care and treatment for the crippled children and adults of Texas.

First Baptist Church Revival Services Begin

Special evangelistic services with an emphasis on soul winning will begin Sunday at the First Baptist Church. The revival series will continue through Oct. 13.

Visiting evangelist will be Dr. Floyd C. Bradley, pastor of the First Baptist Church in Floydada. Directing the song services will be Ivin Wozencraft and Rick Hunt.

Wozencraft will direct the music for the morning services which have been set for 10 a. m. Hunt, who serves as youth and music director, will serve during the evening worship services at 7:30.

Dr. Bradley has done extensive evangelistic work and preached in the New Life Crusade to Japan. He served ten years on the Wayland College Board of Trustees and six years on the State Executive Board. He has also served on the State New Life Committee, president of District 8 Baptist Encampment, Evangelism chairman of District 8 and moderator of C.A.Y. Association.

A Navy pilot in World War II, Bradley is presently serving as moderator of Caprock Association, president of Plains Baptist Assembly Trustees, Wayland Baptist College trustee,

chairman of the nominating committee for the State Executive Board and chairman of the Caprock-Plains Area Committee.

Bradley has pastored churches in Gorman, Cisco and Denver City. He is a graduate of Meadow High School, Howard-Payne College, Southwestern Baptist Theological Seminary and has received the Honorary Doctor of Divinity Degree from Wayland Baptist College.

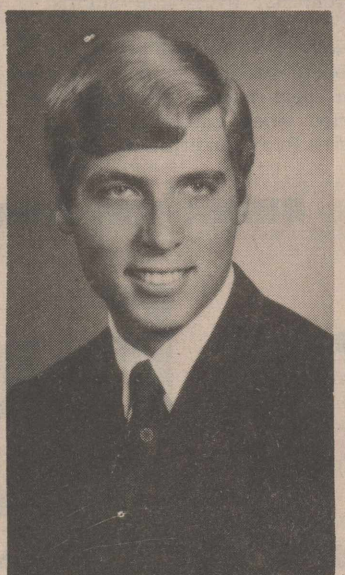

Rev. John Lewis, pastor, extends a special invitation to the community to attend each of the services.

'This Atomic World' Lecture To Be Given At Olton High

A demonstration lecture on atomic energy and its uses will be presented Oct. 14 at Olton High School.

Entitled "This Atomic World," the program will acquaint Olton students with basic principles of nuclear energy, its sources and role in agriculture, industry, medicine and research.

The 40-minute presentation conducted by Harold L. Watson is part of the Atomic Energy Commission's traveling educational program.

Using student terms, Watson will explain the structure of atoms, nuclear reactor operation and concepts such as radiation, fission and fusion. Special equipment will be used to demonstrate sources of radiation, how nuclear energy is

HAROLD L. WATSON

harnessed to generate electricity and use of radioisotopes to aid in diagnosis and treatment of diseases and to learn more about life processes.

A chalkboard talk to Olton High science classes will go into more detail on topics such as atomic structure, radioactivity, radiation biology and nuclear science careers.

The program will be presented by Texas A&M University in cooperation with Oak Ridge Associated Universities, a non-profit educational and research corporation of Southern colleges and universities.

Watson has degrees from Arkansas A&M and Texas A&M. He trained with the AEC and ORAU at Oak Ridge, Tenn.

National Mail Referendum To Be Held On Wheat Marketing Quotas For 1971

The following press release was issued in Washington Oct. 2 at 1:30 p. m.:

A mail referendum on 1971-crop wheat marketing quotas will be conducted Oct. 12-15, Secretary of Agriculture Clifford M. Hardin announced today. In the absence of the new legislation for the 1971 wheat crop, current law requires that the referendum be held. However, a second congressional resolution like one initiated July 24, 1970, could result in a further postponement of the referendum. This congressional action could take place at any time prior to the start of a referendum on Oct. 12.

Individual allotment notices will be mailed to about 1.6 mil-

lion persons holding an interest in established farm wheat allotments.

Signed ballots need to be mailed or delivered to the county offices by Oct. 15, 1970. Preliminary results of the referendum will be compiled and announced by USDA on or shortly after Oct. 20.

Secretary Hardin announced April 14, 1970, a national wheat marketing quota of 1,210 million bushels and a national allotment of 43.5 million acres.

A two-thirds or more "yes" vote for marketing quotas would bring a domestic marketing certificate, valued at \$1.39 per bushel, the total price support on that portion of the crop then would be \$2.54 per bushel --

90 percent of parity as of July 1, 1970. Domestic certificates would be issued subjected to penalty.

If the referendum fails to carry, the price-support loan rate would be mandatory at 50 percent of July 1971 parity. This would be \$1.41 per bushel based on current parity. Loans only would be available to producers remaining within their 1971 allotment acreages.

Program details necessary for producer participation in the mail referendum on marketing quotas were announced July 9, 1970. The referendum, originally scheduled for July 27-31, was postponed July 24 by a joint congressional resolution. The resolution provided

that the referendum could be postponed to not later than Oct. 15 or 30 days after Congress adjourned, whichever was earlier.

Dear Editor

A Letter From A Serviceman

To Home and Loved Ones:

I'm never in a place long enough to become a lake, just a stream rolling along. I chart my course to flow the safest and shortest route possible. But somehow it always seems to be the hardest and longest one imaginable. I continue to flow no matter how long the trip. I may wander but my waters run deep.

So now I begin the 3rd year of my three year all expense paid vacation. It should be a million dollar experience, but I would not take all the money in the world to do it again.

Do not fear, even though I am scared, I am not afraid. The world and I have not winked, we have known each other for years. My religion is to do good, all mankind are my brothers and the world is my country. I know from the love in our home that God and us will always be together.

I will only travel this way once and to know what is right and not do anything about it is the worst kind of cowardice. In the game of life one must meet the challenge of courage and each must look within himself as to what course he will follow. My course directs me to where my feelings lie. For had I the choice I would be home but there is a duty for me here.

I don't protest against this war in Viet Nam. I am compelled to protest against wars everywhere. Today, Tomorrow and forever! Anger and violence is a dreaded disease, they only spread death and destruction. As I look deep within my soul and realize my sympathy is for the Viet Name people, My disagreement with Viet Nam is the way in which it is being handled. Each nation has its own traditions, values, goals and desires. We must assist from time to time to help other countries preserve their independence and help to advance their growth. But we must never try to remake them in our own image. Our job is to train and teach - lead the way for others to follow. The hopes of free men everywhere rests with the men now fighting for freedom.

Peace is what everyone wants but it doesn't grow in the earth, shine in the sun, or have a dollar value. Peace lies in the hearts and minds of all people. It can't be pre-

served without the support and wholehearted commitment of all peoples. God knows I am a man of peace, but I hope I shall never be such a coward as to mistake oppression for peace. Peace won by compromise is usually short lived.

Peace is a very complicated matter for it has to do with people and nothing in this world labels man so much as man himself. To say the least - civilized man has failed to cope with the demands of history.

Peace is like a beautiful woman who needs to be cared for and watched. We are the watch men for peace. We are a part of the world and the world is a part of us. We can't turn our backs on this world and hide; it won't let us. So in turn maybe every citizen should be a soldier for peace.

Let us never negotiate out of fear. Peace made through fear is no peace. What shall it be? Pray to God and trust in peace, or trust in God and pray and fight if necessary for peace.

It does not matter if God is on our side, but that WE ARE ON GOD'S SIDE. For God's work must truly be our own. The price for peace and freedom must be paid by each of God's creatures at sometime and this is my time!

I wish I could pass along to young people how important peace really is. Peace isn't in drugs or LSD or flower children, it is the result of hard work. I have seen a lot of people die for this easy to spell and say five letter word and they were the wealth and pride of our America and the world. If a person is not willing to put forth the maximum effort for some good or commodity then it isn't worth the effort.

With all my love,
(Name on File)

P. S.: It is rainy today and by what little light we have I decided to write about my feelings toward peace and responsibilities of freedom. Maybe I talk a little different but after what I have been through my desires and hopes have only become greater. But most of all I hope those people at home never have to witness this!

'Aids To Aging'

(Editor's note: The following "Aids to Aging" is copied from the Herald of Hope newsletter of a senior citizens home in Gunter.)

AIDS TO AGING GRACEFULLY
Treat yourself with respect. Dress up on occasions, don't apologize for your age.

Keep in touch with friends. Write letters, try to make new friends. Help others.

Be as independent as possible. Try not to depend on others unless it is necessary, but if and when it is, don't be sensitive about asking for help.

Accept your limitations gracefully. Concentrate on what you can do instead of what you are no longer able to do.

Continue to develop your spiritual life. Read and reflect on the Bible daily. Pray often. Be thankful for all your blessings - friends, ability to enjoy life and for the privilege of helping others.

GRANDSON INJURED

Bobby Lemon, 18, received a back injury in a car accident Sunday night, Sept. 27, and is in the Mercy Hospital at Slaton. He is the son of Mr. and Mrs. Bob Lemon of Lubbock and the grandson of Mr. and Mrs. Floyd Gray. His condition is said to be satisfactory.

MRS. JOHNNY CASAREZ

Casarez-Nabarrete Vows Read In St. Peter's Catholic Church

Miss Nadine Nabarrete and Johnny Casarez pledged wedding vows Saturday, Sept. 26 in St. Peter's Catholic Church.

Father Clarence Huber officiated for the double ring ceremony before an altar decorated with baskets of white mums. Pews were marked with white bows and carnations.

Parents of the couple are Mr. and Mrs. Antonio Nabarrete and Mr. and Mrs. Ramon Casarez of O'Donnell.

Given in marriage by her father, the bride wore a formal length gown of peau de soie fashioned with princess lines, scooped neckline and long petal point sleeves. Medallions of re-embroidered lace and seed pearls adorned the bodice and down the front of the A-line skirt which swept to a chapel train.

Her veil of illusion fell shoulder length from a crescent headpiece of lace flowers. She carried a bouquet of white stephanotis.

For the traditional "something old" she wore a strand of pearls and "borrowed" pearl earrings from her cousin, Amelia Casares. She wore the traditional blue garter.

Linda Nabarrete, sister of the bride, was maid of honor. Bridesmaids were Silvia Saldivar, Irene Fonseca, Vickie Cantu, Melba Marroquin, Rosemary Casares, Irene Martinez, Teresa Contreras, Mini Amaro, Manda Ortiz and Juanita Moralez.

Feminine attendants wore formal length princess gowns of deep pink styled with short sleeves. They wore hot pink flowers in their hair and carried matching flowers.

Jerry Casares, cousin of the bride, was best man. Ushers were Ray Casares and Freddy Martinez. Candles were lighted by Manuel and Arthur Mosqueda and Johnny and Luis Casares.

A reception was held in the church hall. The bride's table was laid with a pink cloth with overlay of white lace. Centering the table was an arrangement of white mums. The three-tiered wedding cake was frosted

in white with white roses. Pink fruit punch was served.

The newlyweds are at home in Olton.

The bride is a 1969 graduate of Olton High School. Casarez attended O'Donnell schools.

Out of town guests were Mr. and Mrs. Isreal Casarez, Oscar Casarez, Mrs. Benita Amaro, Florencio Zamora and Humberto Leyva, all of Lubbock; Miss Mary Casarez, Mr. and Mrs. Luis Casarez, Casimire Casarez, Martin Casarez, Luis Casarez, all of O'Donnell and Robert Rodriguez, Enemencio Casares, Pete Zamora, all of Tahoka.

Jack Garcia of Ralls; Victor Monsanales; Esperanza Gonzales of Norheim; Lala Zamora of Karnes City; Fidel Cantu of New Home; Santana Mendoza of Rotan; Isreal Garza of Abernathy and Jose Iracheta of New Home.

Oltonites' Granddaughter Performs In 'Big Country'

EARLY RESIDENT VISITS

Mrs. G. T. Gallaway and her son Wilbur met Mrs. Enola Pugh in Amarillo Wednesday. Mrs. Pugh who lives in Oklahoma City is visiting Mrs. Gallaway, her aunt. She is the daughter-in-law of the late W. W. Pugh who was the cashier of Olton's first bank.

RELATIVES VISIT

Mrs. W. P. Hedges came home last week from Plainview, Ark. where she stayed three weeks with her son-in-law and daughter, Mr. and Mrs. J. A. Phillips. They returned with her and are visiting also with their son and family, Mr. and Mrs. Joe Miller and children of Amberst. The Phillips' are visiting in Hereford with their daughter and family, Mr. and Mrs. Leroy Bodkin and children.

HAS SURGERY

Joan Finney, 4, daughter of Mr. and Mrs. Joel Finney, had her tonsils removed Wednesday at the Nichols Hospital and Clinic in Plainview. She stayed with her grandparents, Mr. and Mrs. W. G. Finney, until Sunday when she went to Gruver with her family who have recently moved there from Sherman.

Becky Horst, 19, granddaughter of Mr. and Mrs. N. W. Livesay, was one of the fifteen ballet dancers performing Thursday evening in the Junior High School Auditorium at Clovis, N. M.

The company known as "Burch Mam's Ballet America" presented the two act musical drama "Big Country". The production was sponsored by The Community Concert Association.

Miss Horst's parents are Mr. and Mrs. Milton Horst of Lubbock. She graduated from high school there and attended Texas Tech one year. She was a member of the National Honor Society while in high school and was an honor student at Tech.

In the summer of 1968 she studied ballet and music at S.M.U. She had been awarded a scholarship for these courses. In 1969 she was a member of the cast which produced "Texas".

She received a scholarship to study ballet and music this summer at San Francisco. While there she became a member of "Ballet America".

"The Big Country" highlights the development of our country from 1800 to 1900 through folk lore and folk his-

tory. It will be produced in Tennessee, Alabama, Oregon, Washington and New York City. Next year it will appear on television.

Attending the performance Thursday evening in Clovis were Mr. and Mrs. Horst, Mr. and Mrs. Livesay and their son and his wife, Mr. and Mrs. L. J. Livesay of Hereford. A number of Miss Horst's friends from Lubbock and Canyon were present. Among these was her instructor while she studied ballet in Lubbock.

Fashion "Looks" Presented For Olton Study Club

"A Day in the Life of Bizzell's Family Shop" was the tone of the program presented for Olton Study Club Monday by Mable Bizzell, narrator.

Commenting on the year of looks, Mrs. Bizzell said that as always the "casual" and the "dressy" look may easily be achieved. Added to that the "Total Look" encompasses everything from the tip of the boot to the fluffy brim of the hat; and the "Mod Look" is characterized by the fringe-binge, never have so many spent so much for small strips of leather.

"Using stripes, solids, wild

2 or 3 c. chopped turkey or chicken
1 1/2 c. grated cheddar cheese
Mix all together and pour into a buttered casserole. Bake 45 minutes to 1 hour in 350 degree oven. Let set about 20 minutes before serving.

BROKEN GLASS DESSERT

24 Graham Crackers
1/2 c. sugar
1/2 c. melted butter
1 pkg. lemon Jello
1 pkg. lime Jello
1 pkg. strawberry Jello
1 env. unflavored gelatin
1/4 c. cold water
1 c. hot pineapple juice
1 pt. whipping cream

Combine sugar, graham cracker crumbs and butter. Place half of the mixture in the bottom of a 9 x 13 inch pan. Save the remaining half for top. Dissolve each package of Jello in 1 1/2 c. hot water, place in ice tray until set then cut into squares. Dissolve unflavored gelatin in cold water, add hot pineapple juice and 1 table-spoon sugar if juice is unsweetened. Cool mixture until it has a syrup consistency. Add whipped cream. Add gelatin squares to the mixture and pour into pan lined with crumbs. Sprinkle remaining crumbs on top.

MRS. LLOYD KERMIT BARROR

Barror-Gary Vows Pledged In Plainview Church Sept. 26

Wedding vows were solemn-ized Sept. 26 in the First Church of the Nazarene in Plainview for Miss Neta Gale Gary and Lloyd Kermit Bar-ror.

Rev. Harold Raines offici-ated. Double ring vows were ex-changed before an altar set with an archway formed by two tap-ered candelabras entwined with greenery, orange bows and flowers. Flanking either side were baskets of orange glad-i-ol and white mums.

Miss Karla Barror, organ-ist, presented nuptial selections and accompanied Earlene Fer-guson as she sang "Each For the Other."

Mr. and Mrs. G. R. "Bill" Gary are parents of the bride. The groom's parents are Mr. and Mrs. Kermit E. Barror of Peru, N. Y.

Given in marriage by her father, the bride wore a for-mal length gown of white bridal satin and Chantilly lace. Fash-ioned with a modified A-line skirt, the Empire gown was ac-cented with six small pearl buttons on the bodice and cuffs. Her chapel length veil of il-lusion was edged with Chantilly lace. She carried a cascade of white roses atop a white Bible. Mrs. Lynn Gullett, sister of the bride, was matron of honor. Miss Sara Kunkel of Plain-view was bridesmaid. Feminine attendants wore formal length gowns of tangerine fashioned with Empire bodices and modi-fied A-line skirts. They car-ried nosegays of white car-

nations centered with a single orange carnation.

Lowell Ferguson of Garden City, Kans. was best man. Billy Gary, brother of the bride, was groomsmen. Candles were lighted by Leslie Gary, brother of the bride, and Beverly Buck-ley of Clovis, N. M. Twyla Gary, sister of the bride, was flower girl. Ring bearer was Mark Mathis of Edmonson.

Guests were registered by Miss Bonnie Offield.

For her daughter's wedding, Mrs. Gary chose a burnt orange dress with corsage of white carnations. Black accessories completed her ensemble. Mrs. Barror wore a rose dress with white accessories and white carnation corsage.

A reception was held in fellowship hall of the church. The bride's table was laid with a cloth of white crystalline edged with lace. Centering the table was an antique crystal candelabra with four white candles. The bride's and attend-ants' bouquets completed the decor.

The three-tiered wedding cake was topped with a mini-ature bride and groom. Pre-siding at the table were Mrs. Loyd Cones and Mrs. Floyd Buckley, aunts of the bride. The groom's table was laid with a fawn linen cloth. Ap-pointments were silver.

Reception hostesses were Mmes. Ken Tannery, Jan Bass, Loyd Blackwell, Harold Raines and James Landtroop.

For a wedding trip to Wis-

ter, Okla., the bride chose an A-line dress of navy crepe with accents of white lace. She wore a corsage of white roses lifted from the bridal bouquet.

The bride is a 1968 gradu-ate of Olton High School and attended Bethany Nazarene College.

Barror graduated from Peru Senior High School, Peru, N. Y. and also attended Bethany Nazarene College.

Out of town guests included Mr. and Mrs. Floyd Buckley and family of Clovis, N. M.; Mr. and Mrs. Loyd Cones and family, Mrs. G. B. Finch, grandmother of the bride, and Mrs. Kenneth Ward and Pris-cilla, all of Hagerman, N. M.; Mr. and Mrs. Hoyt Ferguson, Hoppy and Earlene of Garden City, Kans.; Mr. and Mrs. Ru-fus Finch, Connie and Kova of Portales, N. M.; Mrs. Gary Brewton of Roswell, N. M. and Mr. and Mrs. Jim Collum and Tracy of Muleshoe.

W. Frazier and Mr. and Mrs. Johnny Stone.

WMC Studies

Life Of Hannah

Members of the Women's Missionary Council of the As-sembly of God Church met last week for a program on the life of Hannah. Scripture basis for the study, "Prayerful Home-maker" was taken from the first chapter of I Samuel.

Phases of Hannah's char-acter program leaders pointed out were she knew where to go with her needs, her request for a child, her emphasis that she have a man-child, her vow to God and the fact that she re-mained in constant prayer until her request was answered.

Attending were Mmes. Gene Davis, Ben Henson, Charles Meyer, Leslie Kennedy and De-vurn Mandrell.

Vietnam Bound Soldier Honored

Mr. and Mrs. Leo Ross Bryant honored their nephew, Guy Ballard, with a dinner party Thursday evening. Ballard was home on leave before being sent to Vietnam.

Other guests were Ballard's parents, Mr. and Mrs. Tommy Ballard, and his grandmother, Mrs. Guy Willis, of Littlefield. Also Mrs. Ballard's sister and niece, Mrs. Billy Smith and Julie, and Mrs. H. Kling, all of Littlefield. Mrs. Kling is the great aunt of the guest of honor. Attending the dinner, too, were the Bryant's son-in-law and daughter, Mr. and Mrs. Harman Meixner of Lubbock.

HOSPITAL VISIT

Mr. and Mrs. O. L. Scheller visited in a Lubbock hospital Saturday with Arby Phillips of Muleshoe who was badly in-jured in a car accident. Phil-lips is a former resident of the Circle community.

SON HOSPITALIZED

Olton Grad Receives Honor

An Olton graduate has been singled out for a distinction. Elvin Lyon, head of Lockney High School's agriculture department for the past eight years has been selected to appear in the 1970 edition of "Outstanding Educators of America."

Following graduation from Olton High School, Lyon earned a BS Degree in agriculture from West Texas State University in 1949. He completed work on a Masters Degree at Sam Houston State College, Huntsville, the following year. His education was interrupted by four years of service in the US Air Force.

Having been a football stand-out at WTSU, Lyon joined the Lockney High School faculty in the fall of 1950 as an assistant coach and science-math instructor. He later assumed the post of head coach, but requested a transfer to the agriculture department in 1960.

Two years later the veteran teacher became head of that department. He estimates that "15 to 20" youngsters have attained the Lone Star Farmer degree, highest State FFA Honor, under his tutelage.

In 1951 he married the former Miss Virginia Norris of Lockney. Mrs. Lyon is an elementary teacher. The couple has one daughter, Carol, 14. Lyon is the son of Raymond Lyon and brother of Mrs. V. J. Trusty.

bration were her grandparents, Mrs. J. R. Coen of Littlefield and Mr. and Mrs. S. E. Whittington; her sister's family, Mr. and Mrs. Floyd Henderson and Mark and her aunt and uncle, Mr. and Mrs. Gene Trotter.

She has been named Jamalyn Cara. Maternal grandparents are Mr. and Mrs. C. L. Harris of Dumas, Mr. and Mrs. C. W. Weaver of Amarillo are paternal grandparents.

Mr. and Mrs. Leroy Schaefer of Albuquerque, N. M., announce the arrival, Sept. 30, of a daughter, Clara Elizabeth, who weighed four pounds 14 ounces. She has one sister, Catherine, five and two brothers, Paul, seven and Leroy Jr., 2. Paternal grandparents are Mr. and Mrs. R. W. Schaefer, Mr. and Mrs. Robert Mutersbaugh of Lake Charles, La. are maternal grandparents.

Mr. and Mrs. Harlan Carson announce the arrival of a daughter born Sunday morning, Oct. 4, in a Plainview Hospital. The little miss weighed six pounds, eight and one-half ounces and has been named Leslee Kamber. She has one brother, Kody, nine. Grandparents are Mr. and Mrs. H. B. Carson and Mr. and Mrs. Tom Witten. Great-grandmothers are Mrs. J. L. Carson Sr. and Mrs. Joe Smith, both of Plainview.

Mr. and Mrs. Wayne Phares announce the birth of a son, Brandon Chad, Sept. 30 at the Lubbock Methodist Hospital. He weighed seven pounds 10 ounces. Other sons of Mr. and Mrs. Phares are Lance, seven and Brent, 6. Grandparents are Mr. and Mrs. H. L. Phares and Mrs. Betty Grisham of Lubbock. Paternal great-grandmother is Mrs. Tom Dodd of Lubbock. Maternal great-grandparents are Mr. and Mrs. W. S. Moore and Ray Grisham, all of Amarillo.

Everything But The Kitchen Sink

BY MOZELLE TROTTER

Some people just think we're in the space age! With all those "You may have already won" letters I get this just has to be the Hoax Age!

Did you ever see so many "may haves" as there are making the rounds? Why, some companies must be spending thousands of dollars just getting the "lucky stamps", "lucky numbers" and other "lucky-what-have-you" printed.

If I had time to be a lady politician, I ought to be able to come up with a pretty good platform just by promising to fight all that sort of "baloney". Looks like the law of averages would have finally come up in my favor - surely, I should have won by now.

Depends, of course, on how many companies have your name on the mailing list. If you happen to have two names - like we do - then you get a double dose. We get them addressed to the "Gene Trotters" and also the "K. E. Trotters".

I'm glibbie, tho, I still keep sending in those lucky chances. Even though I know the "Winners" are probably the companies who take all that adver-

tising off their incomes and the post office department who sells them their postage.

One of these days my "ship may come in" and I'll have a car for every day of the week, color television in every room, a couple of fantastic trips - one to the "islands" and one around the world, a summer home in Florida and half-dozen \$100 checks - per month - for the rest of my life.

Just one drawback. I'll probably happen while I'm sound asleep some night after a full course supper of my favorite Mexican foods.

TUESDAY GUESTS

Mr. and Mrs. V. O. Harrod had as their guests Tuesday night their son and family, Mr. and Mrs. Duane Harrod, Duane Jr., Denise and Suzanne of Lubbock.

PP & K WINNER

Vance Stroebel, son of Mr. and Mrs. Andy Stroebel, placed third in the eight year old competition in the annual Pass, Punt and Kick contest last week in Plainview. Brad Allcorn, son of Mr. and Mrs. R. V. Allcorn, finished fourth in the ten years old division.

County Red Cross Chapter Mails Yule 'Ditty Bags'

Christmas "ditty bags" were mailed last week from the Lamb County Chapter of the American Red Cross.

The program, an annual project of local Red Cross chapters throughout the United States, is carried out by volunteers. Local business firms, clubs, churches, Scout groups and individuals participate.

Letters of thanks from the 1969 recipients are cause for concerned citizens to be proud for having participated in the project.

One reads: "We the undersigned wish to thank you for your Christmas packages and the Christmas cards we received. All of us thank you for giving us a little brighter Christmas and we all extend our best wishes for a happy and pros-

perous New Year." Twenty-two signatures were affixed and a note reading "and for everyone else who could not sign."

The County Chapter met Friday in regular meeting Chapter activities were reported.

Mrs. Joyce Oliver, Mrs. Lyle Brandon and Jimmy Crosby were appointed to the disaster team.

Case contacts made in September were reported including 20 service-to-military, seven veterans and 24 civilians.

Attending were Rev. C. P. McMaster, Judge G. T. Sides, and Mmes. Ruth Leonard, Lottie Orteg, Bonnie Haberer, Doris Frey, Anna Mae Miller and Ruth Wade.

ENTERPRISE PRESENTS - - Randall Jason Mull, son of Mr. and Mrs. Roy Mull Jr. of Lubbock. The young man, nine months old, is pictured here at four and one-half months. Maternal grandparents are Mr. and Mrs. Rudolph Schaefer. Mr. and Mrs. Roy Mull Sr. of Plainview are paternal grandparents. Randall Jason has a paternal great-grandmother living in Plainview.

Consideration? Discrimination?

Some of the traditional attitudes toward the weaker sex seem to be falling victim of 20th century legislation, and the business community finds itself perplexed as to how female employees should now be treated, the Chamber of Commerce of the United States reports.

Consider the case of Libbey-Owens-Ford, which felt it was in the right by observing such Ohio laws as the ones protecting women from lifting heavy objects in their work, or from having to work long hours.

Not so, said the Federal Government, charging the company with discriminating against the female workers in the first such court case filed. The basis of the suit is the equal employment opportunities protection of the 1964 Civil Rights Act.

The National Chamber thinks the great majority of citizens would agree with Congresswoman Leonor K. Sullivan, (D-Mo.), who said, "There are many jobs that women should not have, because of our makeup, that men are better able to handle."

Who knows what will happen if the constitutional amendment giving women equal rights under ALL laws -- already approved by the House -- becomes the law of the land?

BUNDLE

FOR WINTER...

**CONVERT YOUR HOME TO COMFORT
ELECTRIC HEATING NOW...AND WE'LL
INSTALL STORM WINDOWS... FREE!**

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating, because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families! ...almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installations, do not despair—we have a special, most attractive plan for you, too.

Gus Mutscher Seeking Aid To Texas Hospitals

Speaker G. F. (Gus) Mutscher today made good his promise to appoint a Texas Health Care Committee to work with local citizens, federal administrators and the Congress to try to head off a medical crisis which threatens to close some 170 Texas hospitals.

"Present problems in handling the medicare program, especially in regard to hospitals and hospital care, are placing a tremendous burden on local facilities. The retroactive denial method of denying payments for services rendered is alarming hospital administrators throughout the state," Mutscher said.

"The Federal Government should find some better method of handling these problems than is used by the present administration. The very thought of the possibility of closing 170 hospitals is diametrically opposed to my plan of greater health services for the people which I presented to the Legislature in January, 1969."

"I am particularly concerned about this problem as it relates to the small towns and communities, for without health services, hospitals and medical facilities our rural communities cannot prosper and grow," Mutscher emphasized.

"Five outstanding laymen and five House Members, all vitally interested in the work of this committee, have enthusiastically agreed to serve on this committee. Representative R. H. (Dick) Cory of Victoria will be chairman of the Committee," Mutscher said.

Other House members are

Representatives Richard C. Slack of Pecos, Dick Reed of Dallas, Raul L. Longoria of Pharr and Dave Allred of Wichita Falls. Other committee members will be Land D. Wall of Lubbock, Dr. Delbert H. Stark of Brenham, Dr. Donald P. McKay of Houston, Taylor H. Jobe of Gladewater and Danny Bargfield of El Dorado.

In a speech to the Region X Municipal League meeting tonight, Texas House Speaker G. F. (Gus) Mutscher discussed many problems of municipal governments. Particularly alarming those present was the information concerning health care.

"I am quite disturbed from the information I received in regard to the present problems in handling the medicare program, especially in regard to hospitals and hospital care. The very thought of a possibility of the closing of some 170 hospitals throughout this state is diametrically opposed to the plan which I laid before the Legislature at the beginning of the last regular session in January, 1969."

Texas State Fair Opens Saturday

Big Tex and his great State Fair of Texas are off on another journey for the 1970 Fair, Oct. 10-25 in Dallas.

Last year Big Tex made it to the moon, but this year he will lead Fair visitors into the mysterious world of the ocean depths with the "Exposition of the Seven Seas".

Neptune, King of the Oceans, will assist in guiding Big Tex through a comprehensive theme exhibit that is presently being developed in conjunction with Texas A&M University to be presented in the New Dimensions Pavilion.

Neptune will also explain to Big Tex the enormous influence the oceans have on man's existence as well as the age old lore of the sea.

Joseph B. Rucker, Jr., Executive Vice-President and General Manager of the Fair said, "it was natural for us to turn to the scientific exploration of the other great space still virtually unexplored--the oceans of the earth."

The 85th annual exposition will emphasize future aspects of oceanology and ocean engineering while at the same time giving prominence to the historical and legendary romance of the sea.

Along with the many exhibits, the motif of the Seven Seas will be further enhanced by special events, nightly parades, park decorations and additional exhibits.

ATTEND FOOTBALL GAME

Mr. and Mrs. Laus Hair and Mr. and Mrs. Kenneth Burgess, Kenneth Jr, Gregg and Brad met Mr. and Mrs. Douglas Brown and family of Vernon at the Lubbock airport Saturday evening. The group attended the Texas Tech vs. University of California football game at Santa Barbara.

BY ELMER HOUSTON

Olton went to the air in a big way Friday night as they defeated Friona 35 to 7. Quarterback Steve Stockdale completed 13 of 27 passes for 352 yards and three T.D.s He also kicked all five of the extra points.

Olton scored on drives of 55, 65, 64 and 72 yards. Keith Workman returned a kickoff 86 yards for the other score.

Workman received the opening kickoff and returned it 14 yards out to the Olton 28. May got four up the middle on first down.

Second down found Stockdale going to the air with end Alonzo Springer taking the pass and being pulled down on the Friona 19.

Stockdale handed off to Workman on the next play, getting to the 16. Faced with second down and seven needed for the first down, Stockdale went to the air again.

This time he passed to fullback Luis Rey. Rey caught the pass and broke a tackle getting into the end zone for the score. Stockdale's kick was good to put Olton in front 7-0.

This action had used four plays and a minute and 33 seconds of playing time of the first quarter of play.

Stockdale's kickoff went out

Freshmen Win

Olton's ninth graders downed Dimmitt last week to the tune of 14-6.

Vic Allcorn scored Olton's first touchdown on a 4 yard run. Larry Franklin ran the extra points. Olton led at halftime 8-0.

Their 'second T. D. came in the third quarter on a pass from Vic Allcorn to Ken Burgess. The play covered 15 yards. Coach Robert Bolten said "The freshmen had an outstanding team effort with every person making a contribution to the win. It's too hard to name anyone as being outstanding when you have a complete effort by twenty-two fine young men."

Next game for the freshmen is here Thursday. Game time is 7 p. m. Coach Bolten has a fine program going with the freshmen. Everyone is invited to come out Thursday and support this fine team.

RETURN HOME

Thursday Mr. and Mrs. H. B. Carson came home from Glenwood Springs, Colo., where they stayed for several days.

ATTEND FAIR

Mr. and Mrs. Malcolm Ogletree and Mr. and Mrs. T. W. Hackler attended the Lubbock Fair Thursday.

of the end zone putting the ball in play at the Friona 20. Halfback Donnie Lewellen ran two times and got six yards for the Chieftains. On third and four, the quarterback tried to pass and rolled out around the right end for the necessary yards for the first down.

Clark gained to the 36 only to have the Mustang defense led by Jimmy McCurry, Johnny Arroyas, Alfred Garcia, Jim Key and Jimmy Cannon stiffen and hold, forcing Friona to punt on fourth down.

Olton put the ball in play on their own 36. Marlos Mayrammed the ball up the middle on consecutive plays for a first down at the 50. One pass fell incomplete and Luis Rey got two more yards to the Friona 48.

With third down and eight needed, Stockdale passed to Parsons at the 21 for the first down. He came right back to Parsons on first down for the touchdown from 21 yards out to give Olton a 13-0 lead. Kick was good for the point after and a 14-0 lead with 4:42 remaining in the first quarter.

Both teams then swapped punts as neither could start a drive. Friona punted to Olton again early in the second quarter with the ball hitting a Mustang blocker and Friona recovered on the Olton 43.

Friona ran a halfback pass that fell incomplete only to have pass interference called against the Mustangs at the 17. Wesley Clark moved the ball to the 6 for a first.

Three plays and a red flag later halfback Royal scored for the Chieftains from the 3. Extra point try was good and Friona was still in the game at 14-7.

Workman took the kickoff on the Olton 14 and ripped up the field behind good blocking by several of the Mustangs for a 86 yard kickoff return T.D.

This was the first Olton kickoff return of the year for the Mustangs. Extra point try was good and Olton had widened the gap to 21-7.

Friona returned the kickoff out to their 26. Lewellen and Bailey alternated carrying the ball as they gained a first down at the 39. Bailey got 5 more yards to the 44. On second down Clark went to his right and moved to the Olton 49.

On first down Clark got three to the 46. Once more the red flags were flying and Friona was penalized back to their 37.

Emily Marquez intercepted a second down pass for the Mustangs and returned it for an apparent touchdown against the Chieftains. Only one of the officials had dropped a flag nullifying the 64 yard return.

But Olton had the ball on their own 36. Stockdale passed to Parsons, who made a great catch and danced his way another 20 yards up the field and about 40 back and forth to the Friona 17.

At the 17 three passes fell incomplete and Stockdale tried a field goal from there. It was just short of the cross bars.

Friona started from their 20 but were unable to move the ball. Workman received the punt for Olton and returned it to the Friona 46.

Parsons caught a pass and was downed immediately at the 40. Friona intercepted the next pass and returned it to their 39.

On first down Friona was dropped for a loss to their 33. On third down and long yardage, Friona tried the air again. Luis Jimenez intercepted for Olton and returned it to the Friona 29. Jimenez is a defensive lineman.

Both teams swapped punts early in the third quarter with penalties killing all of the Mustang drives into Friona territory.

Late in the third quarter Olton punted with defender Collin Johnson going down field and knocking the ball loose from the Chieftain. Luis Jimenez recovered for Olton on the Friona 33.

On second down 'Hoss' Workman broke over right tackle, picked up a good block and busted four tackles on his way to paydirt. Kick was good and Olton was in front 27-7.

Friona took the kickoff and marched to the Olton 40 before hard hitting Jimmy McCurry recovered a Friona fumble to give the Mustangs the ball at the Olton 43.

Olton ran three plays and fumbled right back with Friona taking it on the Olton 34. Three plays later Johnny Arroyos, Jim Key, and Curt Gregory put the whoop on the ball carrier with Arroyos recovering for Olton on the Friona 35.

Olton used eight plays and three first downs in moving for the final score of the night. Stockdale passed to Springer on first down for the T. D. with 4:47 remaining in the last quarter of play.

Stockdale kicked his fifth straight point after of the night to give Olton a 35-7 victory.

Close your eyes and try to imagine an OHS student sitting at home on a Saturday night, close to the fire, drinking a Coke, and reading "Mustang Alley".

Now try to imagine yourself in that student's place. Easy? Maybe so if you were one of the many grounded because of low grades on the report cards that came out Wednesday! Seriously though, we hope no one did THAT bad! Just keep those grades high from now on!

MUSTANGS - VICTORIOUS
That was the cry as the Mighty Mustangs opened up district play against Friona last Friday night. The Big Blue proved to be the tougher of the two teams. Sometimes the going got pretty rough but the Mustangs are the best so we moved our standings to 4-0! Good Going, Boys!

BEAT LITTLEFIELD! STOMP THE WILDCATS!

Congratulations to Oralia Sanchez, Mary Vasquez and Mary Lou Villeneuve for winning the Spirit Stick last Friday afternoon.

Flattery is an art of telling someone exactly what he thinks of himself.

US Chamber Of Commerce Cites Dollar Decline

A current reply to the question, "where does the money go?" can be answered, to everyone's misfortune, "down the inflation drain, and at faster speeds," says the Chamber of Commerce of the United States.

For example, if you are one of the thousands of Americans investing in either a savings account or life insurance, you were also one of those who suffered losses totaling \$60 billion last year in the value of these two investments, all because of inflation.

While many factors con-

tribute to the dollar's erosion, our own national government must take the primary blame for adding fuel to inflationary fires with its continuing excessive spending, and the resulting budget deficits.

In just over two years, the value of the dollar has declined 11 per cent. This can be traced to the enormous \$25 billion deficit incurred by the Federal Government for the 1968 fiscal year.

Deficits in the federal budget for the two fiscal years since then have also helped per-

petuate the needless decline in the purchasing power of the dollar, and prospects for the current year are for a continuation of the same old federal red ink.

The time has come to shake the habit of deficit government spending that feeds such inflation, the National Chamber contends, however painful such action may be.

Regardless of how attractive and popular appropriation measures seem -- particularly in this election year -- Congress must consider the full impact of such spending, and what any resulting budget deficit will do to the taxpayer's dollar.

President Nixon in expressing his concern over irresponsible spending, said, "The Congress must examine with special care these spending programs which benefit some of the people, but which really raise taxes and prices of all the people."

It's time the taxpaying citizen insists that his congressman apply such a spending test to new appropriation bills. And it's time that deficit spending is curbed so that inflationary pressures are stopped from further eroding our wages and savings.

Brown Rites Held Monday

Services were held at 11:30 a. m. Monday in Bohner Chapel for Robert Lee Brown, 49.

Officiating was the Rev. James Moore of Lubbock. Burial was in Olton Cemetery under the direction of Parsons Funeral Home. Graveside services were conducted by the Masonic Lodge.

A resident of Olton 39 years, Brown died Friday of an apparent heart attack while at work at G. H. Bley Service Station.

He is survived by his wife, Rosalie.

Smith Rites Held Saturday

Joseph Edward Smith, Sr. 93 year old retired farmer and rancher died at 7 a. m. Thursday, Oct. 1, in a Plainview hospital after an illness of several weeks. He was the father of Mrs. Tom Witten and the grandfather of Mrs. Harlan Carson.

Funeral services were held at 2 p. m. Saturday in Lemons Memorial Chapel with burial in the Plainview Cemetery under the direction of Lemons Funeral Home. Officiating at the rites were Rev. Robert Fields, pastor of the Halfway Baptist Church, and Wayne Gray, Baptist lay minister of Plainview.

Smith was born March 29, 1877 in De Kalb County, Ala. He and Nannie Burns were married Dec. 11, 1904 in Denton County Texas. He lived in Brownfield three years before moving to Plainview in 1931. He was a member of the Baptist Church.

He is survived by his wife, two other daughters, Mrs. Doc Brown of Halfway, and Mrs. M. J. DeArman, Las Vegas, Nev.; four sons, C. N. and J. H. Smith, both of Amarillo, C. G. Smith, Realto, Calif.; and Joseph Edward Smith Jr., of Dimmitt; 20 grandchildren and 19 great-grandchildren.

Olton Man's Brother Dies

Last rites were held at 2 p. m. Monday in the Baptist Church in Whitharal for Johnnie Frank Miller, 65, brother of Harley Miller.

Officiating was the Rev. Clarence Tedder, pastor. Burial was in Littlefield Memorial Park under the direction of Hammons Funeral Home.

Miller died Saturday morning in University Hospital in Lubbock. He was a native of Harrison, Ark. and had lived in the Littlefield area 30 years. A retired farmer, he was a member of the Masonic Lodge and had been a member of Whitharal Baptist Church since 1937.

Survivors include his wife, Eva; one son, Buddy of Littlefield; a daughter, Mrs. Wade Strother of Dalhart; one other brother, Charles of Waurika, Okla.; four grandchildren and one great-grandchild.

Texas Cattle Raisers Assn. Endorse Amendment No. 3

The taxation of agricultural land according to its earning power received the endorsement of the directors of the Texas and Southwestern Cattle Raisers Association at their fall quarterly meeting at College Station, Sept. 25 and 26. Amendment No. 3 on the Nov. 3 general election ballot is strongly supported by these cattlemen as a fair basis for land taxation.

President Frank H. Lewis of Bay City urged all agricultural groups to work toward the passage of this amendment. Urban expansion and real estate developments are causing tax assessments on ranchers that are far out of line with the productive ability of the land. "The present system of assessment of land taxation varies all over the map, and assessment on speculative value rather than ability to produce is forcing many farm and ranch landowners out of business."

He explained that elected tax assessors assess land within each county and for the most part were assessing on productive ability.

"However, with urban expansion, real estate developments, and other use, land prices are upped and assessed accordingly. Then the land across the fence also is reassessed at the higher rate,

even though it still is used for bona fide crops and production of livestock," he added.

The directors also heard startling facts about future water, particularly in West Texas. Harry Burleigh of Austin, engineer for the U. S. Reclamation Study, cited a current study which would determine if water could be moved into West Texas economically.

"Water can be moved, and the engineering would not be complex," Burleigh said. "The problem is finding resources of water and whether or not it can be supplied at an economical cost."

Burleigh also emphasized that even had the plan been approved and money was already in hand, it would be in the mid-1990's before the first gallon of water would reach the Texas plains.

Governor Okays Study Grant

Governor Preston Smith today approved a planning grant of \$19,843 to the South Plains Association of the Governments, Lubbock, for making law enforcement studies in the area and establishing a regional crime prevention program.

The grant was made on recommendation of the Texas Criminal Justice Council, which advises the Governor on administration of funds received from the U. S. Department of Justice under the Omnibus Crime Control and Safe Streets Act of 1968.

It was one of eight planning grants, totaling \$148,944, recommended by the Council at its regular monthly meeting. Also recommended were 12 action grants, totaling \$208,542.

Judge Joe Frazier Brown, executive director of the Criminal Justice Council, said the South Plains Association plans to make detailed studies of such areas as a teletype network, regional crime information center, feasibility of a mobile crime laboratory, and probation services.

Local funds of \$2,205 will be added to the grant approved by Governor Smith.

Counties included in the South Plains State Planning Region served by SPAG include Bailey, Lamb, Hale, Floyd, Motley, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Yoakum, Terry, Lynn and Garza.
