American veterans are remembered in ceremony

A good-sized crowd of adults and school students attended the annual Veterans Day ceremony sponsored by the Farwell Chamber of Commerce on Tuesday. Due to the chilly weather, the ceremony was held in the Farwell High School auditorium.

Guest speaker was Lt. Col. Patrick McCarthy, flight commander for current operations for the 27th Fighter Wing at Cannon Air Force Base. McCarthy, a Farwell resident, went over the Pledge of Allegiance, and discussed the importance of each part of it.

Former servicemen and women, plus their spouses, were recognized. The Farwell Band played several songs. The National Anthem was sung a cappella by Jimmy Franse, Nancy Miller, Al Noblett and Cindy Patterson. The colors were posted by Friona VFW Post 1413. Rev. Beth Harrington gave the opening prayer. Emcee was Mike Pomper.

The Chamber of Commerce thanks Gwen Hughes for preparing the programs.

It's been a great football year

It would be good today to comment on our trio of excellent football teams. First, Farwell.

The Steers finished with a 6-4 record, far better than was expected. A hearty congratulations to coach Brent Terry, his staff and the team for far exceeding everyone's expectations.

With Farwell presumably moving up to Class 2-A next year, and with a wealth of young players returning (there were only two seniors on this year's squad), it bodes very well for the next few years -- and folks already are looking forward to it!

What was especially great about this year's Farwell team was that it faced adversity throughout the year -- but didn't quit.

Watching Michael Ancira in that final game against Nazareth, giving his best from start to finish, exemplified the spirit of the Steers.

I can't wait til next year!

It's very difficult predicting how a local team will do in the Texas state playoffs because there are so many fine teams throughout this huge state.

But -- and I have my fingers crossed on this one -- this could be the Year of the Longhorn. The Lazbuddie Longhorns, that is.

The team is reasonably healthy and it boasts outstanding balance. In the latter part of the season, it was not unusual to see 6 or 7 different players score in a given game.

Coach Mark Scisson likes to take them one game at a time and is always cautious.

Not so me! Unless some bad luck heads our way, the Longhorns could go deep into the playoffs.

I'll make my prediction right now. The passing of Josh Morris, the running of Adam St. Clair and Brice Foster, the receiving of Chris Smith and Jeffery Seaton, the line push by Jason Thomas, Blas Martinez and others, all will combine to win a state championship to our small rural community.

Go, Longhorns!

Texico poly karts may have to be kept

It now looks like the proposed change in Texico from poly karts to the type of trash containers used in Farwell may not happen.

Last month, officials of Duncan Disposal, the firm handling Texico's trash pickups, said they wanted to switch to containers in alleys. This would cut in half the time it took for their crew to work, and it would make for a cleaner community since poly karts are apt to blow over in high winds.

Jackie Reid, Duncan's general manager (and a former Texico resident) told the Texico City Council Monday that he thought the alleys (with one exception) looked in good shape and he tentatively proposed 4 4-yard containers, 92 3-yard containers, 53 2 1/2-yard containers and 25 poly karts in the alleys.

Reid stressed that his company would be glad to accommodate senior citizens who wanted to keep their poly karts. City officials had received several calls from folks to this effect.

But city street Supt. Matt Meeks said he had a major concern on the ability of the alleys to handle the heavy dump trucks. He noted that service and water lines are buried about 18 inches under each alley and that every alley in the community would need support if the trash pickups were made in them.

Councilman Oran Jay Autrey estimated it would cost \$2,500 to \$3,000 per alley per block to upgrade them for this heavier use, and that the city didn't have that money. He further said that after a rain, it would be a big problem for the trucks to use the alleys since pickups have a hard time now in some alleys. Councilman Eddie Dunsforth later said he didn't think the alleys would hold up, either.

(Continued on Page 2)

Texico Mayor Tharp won't seek re-election

Nathan Tharp announced Wednesday he will not seek re-election as mayor of Texico.

He has served as mayor for more than six years.

The post will be on next March's ballot.

In addition to the mayor's post, three of the four council seats also will be on the ballot.

Only councilman Rick Queener doesn't come up for re-election.

The council posts held by Oran Jay Autrey, Eddie Dunsforth and Dean Henninger will be on the ballot.

The reason so many council posts will be on the ballot this year (normally two come up at a time) is because two of the councilmen were appointed to fill vacancies.

Henninger was appointed after Art Salguero resigned, and Dunsforth was named after Ronnie Warmuth quit.

Flint Harrelson wins 10th contest

Texico High School student Flint Harrelson beat out hundreds of participants in last week's Area Merchants Football Contest to win the first place cash prize of \$25.

He had 11 games picked correctly, as did three others. But because he was closest to the tie breaker (Lazbuddie 59, Amherst 6), he won first place. Harrelson was 11 off the tie breaker.

Receiving the second place cash prize of \$7.50 was Jeff Atkinson, who was 34 off the tie breaker.

Others with 11 right, and their totals off the tie breaker, were Lori Heaton, 35, and Travis Hall, 76.

Six participants had 10 right as overall scores were generally low last week. With 10 right were Linda Fipps, Betty Jean Kelley, Blake Kelley, Cathi Johnson, Tara Cargile and Cindy Cargile.

Results of last week's contest were:

Springlake-Earth over Kress, Whiteface over Lorenzo, Muleshoe over River Road, Texas Tech over Texas. Florida State over North Carolina, Michigan over Penn State, Purdue over Michigan State, LSU over Alabama, Southern Cal over Stanford, Miami over NY Jets, Washington over Detroit, and Jacksonville over Kansas City.

There are only two weeks to go with the overall contest winner receiving the Dallas Cowboys package.

That includes two tickets to the 'Pokes game against the division leading New York Giants on Dec. 21 at Texas Stadium, overnight lodging for two at the Radisson Hotel, transportation to and from the game, breakfast, \$50 in cash and other goodies.

And it looks like Steve Foster, who had 8 right last week, continues to amaze.

Foster is averaging 8.4 per week, which is where many winners have been. What is so unusual this year is his

lead -- he is four points ahead of his nearest competitor, T.J. Kittrell.

Foster is a Lazbuddie resident who owns Foster Fertilizer in Muleshoe.

So Foster is in the driver's seat going into the final two weeks. But anything can happen -- as has been proven in the past!

Here's a look at the leader board after 10 weeks:

84 points - Steve Foster.
80 -- T.J. Kittrell.

79 -- Scott Brown, Gage Gregory, Connie James, Rhonda Kirkland and Coach Roy King's Texico Junior High 2nd period history class.

78 -- Cindy Cargile, Larry Gregory, Roy King, Dorris White and Coach Roy King's Texico Junior High 5th period history class.

77 -- Ralph Franse, Joe Garcia, J.R. Ivins and Coach Roy King's Texico Junior High 6th period driver's education class.

Farwell runners earn trip to state

The Farwell Lady Blue Cross Country team is state-bound after an awesome finish at Regionals last Saturday in Lubbock. The girls placed 2nd overall behind Nazareth to earn a return trip to Austin.

The girls ran against 26 teams and 197 individuals, all top finishers in their respective districts. Farwell finished with a total of 85 points after a tremendous effort from every member of the team.

Valerie Mace qualified for state on an individual basis, coming in 9th with a time of 12:51. Also in the top 20 were Ashley Crawford, 13th (13:04) and Cristie Tabb, 16th (13:14).

Other Farwell times were: Veronica Mace, 13:48, Lorisa Littlejohn, 13:57, Chelsi Kaltwasser, 13:58, and Kinzi Woods, 14:29.

The girls will run in Round Rock on Saturday. Last year, the team finished 5th, but this year's team, with a desire and effort the size of Texas itself, is sure improve their record.

Farwell keeps RV restrictions

The Farwell City Council voted 3-2 on Tuesday to keep its new ordinance dealing with RV parking restrictions in effect.

John Carlson asked that

the ordinance be revoked. He was supported by Martin Kube.

Opposed were Ysleta Kittrell, Jerry Stover and Don

Mayor Nathan Tharp said the council needs to study the cost for improving the alleys so problems wouldn't occur. But he also acknowledged that the city doesn't have funds now for such upgrading.

Reid also suggested the possibility of placing the containers along the streets.

No decision was made and Reid was asked to come back to the council at a future meeting.

In other business, the council:

- Heard Fire Chief Lewis Cooper report that they may be able to sell their surplus fire truck for \$6,500 to an Otero County fire department.
- Heard Tharp report he will interview four persons for the animal control post this week, and will hire one.
- Voted to allow the school to paint some type of "no parking" signs along the curbs where the buses drop off preschool children in the morning and pick up students in the afternoon. The buses have been having a hard time getting through due to parents parking.
- Will discuss at its next meeting a change in city park policy. Tharp again noted the problem last summer when the free lunch program was offered at KKR Park. He felt there was a lack of supervision, with kids running onto the adjoining highway.

Police Report

Farwell Police Chief Roy McGaa reported that there were two burglaries in the city last week.

On Nov. 6, Farwell Grain Inspection, located on the 100 block of Third St. and A-Z Service, 100 block of Second St., were both burglarized.

Both burglaries are under investigation. Anyone with information is urged to call Parmer County Crimestoppers at 1-800-774-TIPS or the Farwell Police Department at 481-3600.

Obituaries

Charles Corn

Services for Charles Corn, 66, of Bovina, will be at 2 p.m. Nov. 13 in First United Methodist Church with Cecil Bunch, of Clovis, and the Rev. Neely Landrum, pastor, officiating.

Burial will be in Bovina Cemetery.

He died Monday in King-land. He was born Feb. 2, 1931, in Franklin County. He married Anne Glassel on Dec. 23, 1954, in Las Cruces.

He was a member of the Methodist church and a former member of the Bovina City Council. He was a member of the Bovina 700 Domino Club. He was a U.S. Army veteran of the Korean War.

Surviving are his wife; a son, Ed, Farwell; 2 daughters, Doris Grissom, of Fort Worth, and Heidi Taylor, of Amarillo; 2 sisters, Hazel Tidwell, of Fulton, and Pauline Johnson, of Haltom City; and 7 grandchildren.

Banter

Last, but not least, the Texico Wolverines are only two games away from winning back-to-back state titles.

Watching the Wolverines dismantle Jal last Saturday, I remarked to Oran Jay Autrey that I felt this was the best Texico team in the 13 years I have been here. He agreed.

Last week, I pointed out that Wolverine star running back Tobie Askew may get a scholarship offer from the University of New Mexico to play football there.

I've also learned that UNM (plus the University of California at Berkeley) is also looking at QB Mel Askew, while Eastern New Mexico

(Continued from Page 1)

University is taking a strong look at fullback Pecos Chumley.

That means that major universities are looking at three Wolverines.

The last time I saw that many kids on one team being looked at by universities was the Farwell Steers of the early 1990s, with Shawn Stewart, Greg Actkinson and Shawn Haseloff.

And we all remember what a great Farwell team that was.

So that should give you some insight into how this year's Wolverines are.

It's always hard to evaluate a Texico team because there are so few teams in its class in New Mexico. I believe the number this year is 14 in the entire state.

And when you have a team make the state playoffs -- the state quarter-finals! -- like Cloudcroft, with a horrible 1-9 record, you have to wonder.

But I think the point I made here -- with the number of Wolverines being looked at by major colleges -- testifies to the greatness of this team, now 9-2 overall. They can play with anybody.

Since we are nearing the end of the football season, and also the football contest, I need to note a couple of "thanks you's":

- Thanks to Greg Qualls for writing the Wolverines stories each week. He did an outstanding job.
- Thanks to Texico's Audrey Kittrell and Farwell's Sherry Christian for bringing to the Tribune each Friday the football contest ballots from their respective high schools.
- Thanks to Tanya Chadwick, and Gary and Cindy Patterson with helping out with the Farwell away game stories.

You all are very much appreciated!

Judge's ruling makes dairy struggle harder

By Teresa Mesman

Dairy farmers in Eastern New Mexico and West Texas have been struggling with the politics of milk marketing for the last several years and, now that the Agriculture Department has been ordered to drop the federal pricing system, the struggle has just gotten harder.

U.S. District Judge David Doty of Minneapolis was responsible for the order that had been in place since the 1930's. The government had established the milk-pricing system as a way to pay dairy farmers based on their distance from Eau Claire, Wis., which was once the top milk producing spot in the nation.

The Southwest has now established solid milk producing bases, but there are no stabilized pricing guidelines for establishing the price of liquid milk. This will cause some major problems in the industry for this part of the United States. Dairy farmers have already been cash strapped due to the decreased milk prices that have been paid for the last two years. This de-stabilization of the pricing program will only cause more farms to cease operation.

The problems that this causes is that there is usually a surplus of milk, but with the decrease in dairy farms, the usual milk surplus will diminish or disappear altogether. This translates into forced price increases for dairy products in the stores. Consumers have already been paying inflated prices for whole milk and cheese due to demand and the profit potential that the processors have been capturing. However, dairy farmers in this region have not seen increases over .30¢ per hundred weight in over two years.

Some speculate that doing away with the federal pricing system will help consumers with lower prices. In some regions this may be true due to close proximity to processing plants. For other regions that are some distance from processing plants, price increases will occur to cover the expenses of hauling and transportation arrangements.

This region is in the middle of a transitional period in the aspects of milk cooperative administration. The four milk coops of Mid-America Dairymen, Milk Marketing, Inc., Western Dairymen and Associated Milk Producers, Inc. are in the process of a merger that will unite the four groups and all their member dairies. This will help the marketing situation for this region and will hopefully translate into lower consumer prices while providing a stabilized and fair payment system for all dairy farmers.

Steers end campaign with 6-4 record

The Farwell Steers, having to play wide receiver Brett Curtis at quarterback in the absence of the two regular Qbs, fell to Nazareth, 48-0, last Friday at home.

Farwell finished the season with a 6-4 record and 3-4 in district.

Farwell started on its 10. Curtis ran for 6 but Farwell was held. Curtis boomed a 54-yard punt. On defense, Michael Ancira and Curtis had strong tackles. Nazareth hit on an 81-yard pass play for a TD and went up 8-0 on a run for extra points.

Shane Roberts returned the kickoff 27 yards. Farwell had to punt. Tobe Diaz, Ancira, Curtis, Grant Oppliger and Jason Miller had good tackles. On 4th and 5 Nazareth went for it on the Steers 30 but Ryan Roberts sacked the QB for a loss.

In the 2nd quarter, Ancira and Trevor Herington had good tackles, as Farwell again held on a 4th down play at its 15. Farwell fumbled but it was recovered by Clint Patterson. Farwell punted to its 28. Diaz had a good tackle. Nazareth scored from the 3. The pass for extra points was broken up by Herington and it was 14-0.

On defense again, Mark Lunsford, Ryan Roberts, Ancira and Miller had tackles, and Spencer Ketcherside defended a pass well. The Swifts scored on a 40-yard pass to take a 20-0 lead, though.

In the 3rd quarter, Derek Goettsch and Paul Franse tackled the 4 kick returner. Lunsford broke up a pass. Nazareth moved the ball on the ground, scoring from the 3. Getting the ball back again quickly, the Swifts tallied on a 19-yard run, to take a 34-0 lead.

In punt formation, Farwell tried a trick play but was stopped short. Nazareth then scored on a 37-yard run.

In the 4th quarter, both teams put in substitutes liberally. On defense, Oppliger, Diaz and Ancira had good tackles.

On offense, Farwell gained a first down on runs by Miller and Diaz. Nazareth scored on a 45-yard interception to end the scoring.

Texico athletic districts change:
goodbye Loving, hello Questa

Supt. R.L. Richards told the Texico School Board on Tuesday that there will be changes in Texico's athletic districts for next year.

In football, Texico plays in Class 1A. The state has added one team to its district -- Questa, somewhere near Colorado.

So the football district will be Texico, Questa, Ft. Sumner and Springer.

For basketball and volleyball, Texico plays in Class 2A. The only change here has been for Loving to leave the district -- they have gone down to Class 1A.

So this district will be: Texico, Jal, Eunice and Ft. Sumner.

In other business, the board:

-- Was told that inventory

day will be Jan. 28.

-- Plans to publish the annual Accountability Report in the Tribune soon.

Richards was very happy with many of the results. Here are some examples:

-- First graders are progressing extremely well with their reading.

-- Fourteen Texico students are now attending the Technology Career Center at Clovis Community College.

-- Pupil-teachers are very good: 15 students per teacher in the elementary school; 16-1 in the junior high, and 14-1 in the high school.

-- Heard Richards report that Gov. Johnson will be coming out soon with new educational proposals and folks should watch for them.

-- Plans to seek bids for a

greenhouse, to be placed near the pre-school house. The legislature has given Texico \$10,000 specifically for this project -- funds cannot be used for anything else.

-- Will use a state tree grant of \$2,500 to put the trees at the new ag farm.

-- Discussed playground safety since some minor mishaps have occurred there recently. Safety will be emphasized.

-- Heard that To and From Bus Co. has gotten a new bus. Bids will be sought for a spare bus now.

After the meeting, school officials heard about the discussion at the Texico City Council Monday about allowing the schools to paint "no parking" areas where needed (see story elsewhere in today's Tribune).

But school officials don't feel the painting work will be needed, once the Highway 108 project is completed and staff can again use the area near the highway for parking.

Farwell students rewarded

During the second six-week period, the following students at Farwell Junior High earned a skating party at Rollerworld in Clovis by gaining the most points in accelerated reading:

6th grade - Jeannie Rodriguez, Tasha Adams, Daniel Kaltwasser, Jason Johnson, Nikki Gober, Jaime Diaz, Khallie Foster, Baleigh Hager, Grant Gregory.

Raiders go for the championship

The Raiders, a Play Inc. football team consisting of Texico-Farwell boys, will play for the title in the junior tackle division Saturday at noon cst. Back row from left, coach Sammy Herrera, Josh Pena, Justin Ware, Colten Sudderth, Jerrod Scott, Matthew Young, Cody Jamerson, Kyle Jamerson, Rowdy Mitchell, coach David Gibbs; front row, Trevor Smallwood, Ty Gast, Aaron Gonzales, Tanner Fickling, Zane Anderson, Trevor Norton, Jacob Thurmon, Orio Petty, Matthew Edwards.

The group didn't want to challenge
Sheriff Rex Williams' shotgun

The driver of the car saw the Parmer County sheriff's department unit and its lights flashing on the Lubbock highway just east of Farwell about noon last Friday.

Then the driver saw Sheriff Rex Williams with his shotgun pointed out his vehicle's window aimed at the radiator of the oncoming car.

The car stopped. There was no trouble.

Five folks in the car were arrested on charges dealing with a daytime robbery of the Pay-n-Save grocery store in Muleshoe. Another four suspects are at large.

Several thousands of dollars were stolen and not recovered as of Monday.

The group used a diversionary tactic by entering the store, keeping clerks busy, while the money was grabbed, police said.

The group was thought to be professionals and police

were checking to see if they were involved in similar robberies earlier in the week in Lubbock.

Assisting Williams on the vehicle stop were chief deputy Bryan Thurmond and deputy Keith Payne.

While they set up the roadblock, New Mexico police were on their way to help out at the state line, if needed.

Also, a Bailey County police officer was in pursuit of the vehicle that was stopped near Farwell.

One day or a lifetime?
Making the choice.

The Great American Smokeout is on Nov. 20 and it marks the 21st year that the American Cancer Society has sponsored the day-long event. Last year alone, 10 million smokers participated in the event and even more are expected to try to quit smoking on the date this year.

Quitting for one day is a great way to start the effort...and it is an effort. Yet, with the four types of cessation products that now available, quitting has never been as easy as it is today.

Three products are available over the counter in two different forms: Nicorette gum, NicoDerm CQ patches and Nicotrol patches. All three brands have various strengths and stages. They also have pros and cons as to how fast or slow they wean a smoker off of the addictive nicotine.

However, they are all three very effective and will allow a smoker to quit when followed very diligently.

Other important factors to assist someone in quitting are family and financial support. These products are relatively expensive, but the end result is well worth the investment.

Children and the dangerous second-hand smoke that they are being exposed to is another important factor to realize. Research has proven that children exposed to the smoke have higher incidences of colds, ear infections, allergies and lung problems.

smoker gains each and every hour and day that they are not smoking are tremendous. Donna Ratke can completely outline and explain these to you and has a very informative brochure available that lists the many stages of improved health and physical condition.

Stateline Drug has the three over the counter products readily available for purchase. Your doctor can also prescribe the new Nicotrol NS nasal spray that has been proven highly effective in smoking cessation.

The decision to quit smoking is a life altering decision and it is one that will positively effect your body and all those around you. If you've tried all the other approaches to quitting, make the right choice to join the fight on Nov. 20 during the Great American Smokeout and with the help that these smoking cessation products provide, you can quit for life!

Parmer County 4-H food show yummy!

Parmer County 4-H members and their families met at the Ninth Street Church of Christ in Farwell on Nov. 4 for the 1997-98 Parmer County 4-H Food Show.

Each youngster prepared a recipe and learned about the nutrients in these foods. Each presented a talk before judges. And each served the foods to those present.

The county show helps prepare the youths for the method demonstrations they will do for the district food show in Levelland on Nov. 15.

When the judging ended, everyone had a chance to taste the treats which had been displayed for view. Each youth received a small gift, and a copy of the recipes used in the show.

Ribbons were awarded to:

All Clover Kids (peewees) received first place ribbons: Kade Foster, Aaron Warren, Rory Burnett, Crystal Reyes, Mikaela Cenicerros, Chelsea Nichols, Rochelle Smith and Hannah Barnett.

Junior 1 included: blue ribbons -- Alisha Wauson, Kacey Millsap and Bailey Warren; red ribbons -- Taryn Burnett, Hayley Fowler and Kaylee Burnett; white ribbon -- Dan Patterson.

Junior 2 and Seniors: blue ribbons -- Devin Goettsch, Khallie Foster, Suzanne Aragon, Leesa Patterson, Ginger Sides and Jade Mahaney; red ribbons -- Tara Sanchez and Karissa Foster; white ribbon -- Kelli Harris.

Blue ribbon winners advance to the district show.

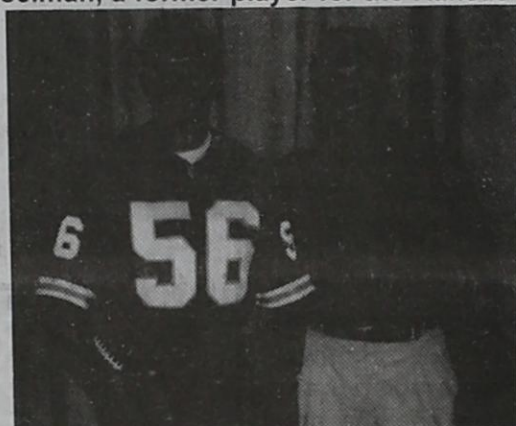

Some youths were designated as wild card entrants to fill vacancies in the breads and cereals division -- Tara Sanchez, Karissa Foster and Kaylee Burnett.

County show judges were Gail and Jill Gladden, Ginger Sides, Jade Mahaney and Karissa Foster.

Texico students hear special Red Ribbon Week speakers

Two guest speakers visited Texico Schools during Red Ribbon week in assemblies attended by about 350 students and faculty.

Kelly Casselman, a former player for the Kansas City Chiefs,

Kelly Casselman, left, and Rick Burke spoke at Texico Schools during Red Ribbon Week. Casselman holds the football he intercepted from Troy Aikman in a Dallas-Kansas City game.

and Rick Burke, youth pastor at Faith Christian Family Church in Clovis, gave a stirring challenge to Texico youth to stay drug-free, alcohol-free, and sexually pure until marriage.

Casselman was a linebacker for the Chiefs for 3 years. He tried out for the team as a walk-on along with 100 others and was 1 of 3 to make the team. Burke is the youth pastor who started the "180" youth ministry that meets each Wednesday night in the Lyceum Theatre in Clovis. The youth group is averaging around 300 youth each Wednesday and promotes abstinence from drugs, sex, and alcohol.

Farwell apples publicized

Reprinted from the Austin American-Statesman:

One of the high points of the fall season is the plethora of new apple crops, so fresh that they snap when bitten. The stores are full right now with varieties from the Pacific Northwest, East Coast, even Texas.

Last weekend at H-E-B stores, shoppers were pausing to check out an oversize apple, weighing a little over three-quarters pound each, that is grown in Farwell, northeast of Lubbock.

Called a Cameo apple, the green-colored fruit, blushed with red, was selling for \$1.29 a pound. It is good for both baking and snacking (and one apple will serve two) but its season is short, maybe another week or so.

Wolverines stomp Jal; Capitan next on agenda

by Greg Qualls

Texico defeated the Jal Panthers for the second time this season last Saturday in the state quarterfinal 25-15 to advance in the playoffs. The Wolverines will travel to face Capitan at 1 p.m. Saturday in the state semifinal match-up.

Tobie Askew was the only TD maker for Texico, making all of the Wolverines' four touchdowns. This would not have been possible without the help and determination of the Wolverines' offensive players and the great coaching done on the sideline.

Jal was first on the board with a short 3 yard run up the middle by Jacob Ramos. Jal hit on two long passes right on target to set up the score. It was followed by the extra point kick by Terry Butts to make the opening score 7-0.

The first quarter wasn't looking good for the Wolverines. With time running out, they still hadn't scored. Texico got on the 4 yard line with 36 seconds left on the clock and Tobie

Askew ran one in. Texico went for the 2 point conversion but the run was stopped by the Jal defense. Texico finished the first quarter behind 7-6.

Texico would dominate the second quarter, scoring the bulk

of their points with 2 runs by Tobie Askew.

Tobie's first run for a touchdown was for five yards, slipping through the hands of the Jal defenders. The kick for the extra point was wide to the left and the score was 12-7.

Tobie's second run was more dramatic as he ran 38 yards up field, passing defenders all the way. Texico again went for the run but was stopped-- making the score 18-7 and finishing the half with Texico on top.

Toward the middle of the third quarter, Tobie would make his final touchdown the game. He ran 32 yards with his feet on fire, or so it seemed, all the way to the end zone. This time Pecos Chumley split the uprights, kicking the extra point and the third quarter score was 7-25.

In the fourth quarter, Emmy LuJan scored Jal's only other touchdown by forcing his way up the middle with a 6 yard run. Then, Jacob Ramos slipped by Texico to make the final score 15-25. This score came after Texico began substituting liberally.

Team statistics were: first downs- Texico, 13, Jal, 15; rushing- Texico, 49-269, Jal, 41-122; passing- Texico, 1, Jal, 177; total yards, Texico, 270, Jal, 299; punting- Texico, 4 for average 34.5, Jal, 6 for average 32.7; fumbles- Texico, 4-2 lost, Jal, 2-1 lost; penalties- Texico, 9 for 112 yards, Jal, 8 for 90.

Individual stats: rushing- Tobie Askew, 17-125; Pecos Chumley, 12-81; Mel Askew, 10-48; Ross Burford, 1-1; Eric Smith, 8-14; receiving- Matt Huguin, 1-1; passing, Mel Askew, 1-6-1.

Bradley's poem was contest semi-finalist

Charles "Chuck" Bradley, of Texico, reached the semi-finals of this year's National Poetry Contest, sponsored by the Poetry Guild, with "Cowboys Don't Cry -- 'cept sometimes". The poem was published in the July 1997 issue of "By The Light Of The Moon." He wrote the poem in May 1994. Here it is:

"Cowboys Don't Cry -- 'cept sometimes"

Cowboys don't cry at funerals, weddings and such
Cowboys don't cry when they mash their finger
they usually just cuss
Cowboys don't cry to get their way
Cowboys don't cry to just pass the day
Cowboys don't cry when most folks do
Course they are different in other ways, too.

If a cowboy did cry it would be
When he finds a calf the wolves have maimed
or a dead colt
That had not yet been named
Cowboys don't cry where it shows
It is usually inside where no one knows
If he happened on a cow that has died giving birth
and a live baby calf trying to nurse
Or when a promising young colt hangs his foot in a feed bin
and he knows it will never mend

When he looks at a field the hail has stripped
or a dry water hole from which many times he has sipped

He won't send flowers when a pal passes away
But he'll ride to a snowed-in neighbor if it takes him 3 days
If he stares off in space when the day's work is done
He's just thanking his Lord for things yet to come
So if the tears you never see on his face or mine
Just remember, cowboys do cry ... *sometimes*

Marshal's Report

Here is the weekly report from Texico Marshal Gil Holguin:

Police are continuing to investigate the egging of the marshal's cars and Clovis undercover police vehicle during the Texico-Ft. Sumner football game two weeks ago.

A tip has been received and Holguin expects to file charges within a week.

On Nov. 8, a burglary at Playorama was reported with many items taken.

On Nov. 8, Lawanda McIntosh, 18, Texico, was charged with minor in possession of alcohol.

Jose Retana, 25, Texico, was charged with aggravated DWI, failure to maintain lane and no driver's license.

On Nov. 8, a four-car accident occurred at 12:40 p.m. at Wheeler and Jewel. The Texico ambulance took one person to Clovis hospital.

Police discovered that one of the persons involved in the mishap, Douglas Giron, 27, Las Cruces, had a warrant from Las Cruces outstanding against him for a charge of issuing a worthless check.

Holguin said an Oct. 24 burglary has been solved, due

to a tip. Beatrice Sandoval, 38, Texico, was charged with larceny over \$200, tampering with evidence and contributing to the delinquency of a minor. A 17-year-old Clovis boy was charged with receiving stolen property, tampering with evidence and unauthorized graffiti on personal property.

On Nov. 6, police served a warrant out of Texico Municipal Court on Edward Goguen, 35, Clovis, charged with failure to pay fine.

4 inducted into Rotary

The Texico-Farwell Rotary Club inducted four new members on Wednesday:

Doyle Johnson, Chad Doyle, Mark Logan and Jeff Atkinson.

Ten Rotarians also are signed up to continue work on putting a new roof on the Farwell Community Center on Saturday, weather permitting.

Wolverines of the Week

Coach Partain selected as Wolverines of the Week in the quarterfinal game against Jal -- Adam Soboleski, left, on defense and Dominic Gutierrez on offense.

Morris-to-Smith combo finished first

Here's a look at the final area high school stats kept by the Lubbock newspaper:

New Mexico -- Texico ranked 1st on team offense, with 395 yards a game, and 3rd on team defense, allowing 198 yards a game. Among the rushers, Tobie Askew was 5th with 1,168 yards and Pecos Chumley was 6th with 1,126 yards. Mel Askew was 6th among the passers with 30 of 66 for 523 yards. Among the scorers, Tobie Askew finished 3rd with 120 points and Chumley was 4th with 110.

Six-Man -- Lazbuddie ranked 2nd on team offense, with 431 yards a game, and 1st on team defense, allowing 191 yards a game. Adam St. Clair was 4th among the rushers with 1,267 yards. Chis Smith led the receivers with 37 receptions for 749 yards. Josh Morris topped the passers with 105 for 154 and 1,758 yards. St. Clair finished 6th among the scorers with 139 points.

Lazbuddie Schools plan Red Ribbon Week events

The activities for Lazbuddie School Red Ribbon Week have been scheduled for next week.

On Monday and Tuesday, the Junior High Student Council will have a Moment of Remembrance at the Junior High and High School basketball games.

The High School Student Council, FHA and National Honor Society will have a Tree of Life for students Pre-K - 12th grade in the cafeteria. The theme will be "Keep the Tree of Life Alive: Stay Drug Free."

The FFA will put Red Ribbons around the town.

The Early Childhood Professions Class will present "A Star Within Yourself" activity with Pre-K, Kindergarten and 1st grade.

DARE Officer Roy Smith will give a Drug Free Activity Lesson to pupils in 2nd grades to 6th grades. They will also have grocery sack decorating with drug free themes.

The High School Speech Classes will give a Mini Drug-Free Presentations to Pre-K - 5th grade during breakfast.

On Friday, the cheerleaders will have a Noisemaker Pep Rally with the Game Day Theme: Loud & Proud 2 B Drug-Free.

The cafeteria staff will have Red Ribbon Meal (all red choices) on Monday.

The English classes will see films "Brandon Tells His Story" and "Faces of Addiction."

The secondary teachers on Tuesday will have drug-free activities for students in their grades.

Red Ribbon Week Kick-Off with Ribbon Pinning in gymnasium; secondary students will pin elementary students and vice-versa.

Kindergarten - 5th grades - Each day they wear their red ribbon their name will go in a box for a drawing. On Friday, one boy's name and one girl's name will be drawn out of the box. These students get to pick a cheerleader or football player to sit with at lunch.

Thursday, the Great American Smokeout activities are planned.

Vehicle bid accepted

The Parmer County Commissioners received several bids on a new vehicle for the sheriff's department on Monday.

They selected the bid of John Chandler Ford, Amarillo, which county judge Bonnie Clayton said was the lowest and best bid.

Otherwise, only internal business was conducted in the short meeting.

'Jane Doe' trial set for June

A trial date of June 29, 1998, has been set in the case of "Jane Doe" vs. the Farwell School District.

The American Civil Liberties Union is representing an unidentified female student who objects to the school's drug-testing policy.

Judge Mary Lou Robinson also has ordered that a mediation effort between the two sides be held first.

When a mediation meeting was held earlier this year in the suit brought by Charlie Gustin and his parents against the schools over drug testing, it didn't come close to resolving the disagreement.

Lazbuddie senior trip OK'd to California

The Lazbuddie School Board on Tuesday approved the annual senior trip, this time to California at the end of May.

Students pay their own way. The 3-4 day trip will start in Los Angeles, then students will take a Carnival cruise down the coastline.

The board also approved a trip by the school board to go to Calvacade in Colorado Springs, Colo., at their own expense, on May 8.

In other business, the board:

- Accepted three transfer students, two from Springle-Earth and one from Bovina.
- Turned down the request of two Dimmitt students to transfer to Lazbuddie.
- Discussed the renovation of the science lab, which should be completed by the end of the school year.
- Looking for a replacement for Randy Thomas on the Appraisal Review Board. Supt. Phil Warren will be seeking a person.
- Heard Warren report that letters have been sent out to all taxpayers in the district explaining how things were going in the school, explanation of taxes, why cutbacks were needed, proposed programs, etc. A brochure also is being prepared on these topics.
- Reviewed the AEIS report card, which gave Lazbuddie a "recognized" status. This was covered in the Tribune in September.

A meeting will be held on Nov. 25, with the time to be announced in next week's Tribune, on this community report card.

Longhorns of the Week

Coach Scisson picked as Longhorns of the Week, from left: Brice Foster, who rushed for 81 yards and caught two passes for more than 80, for a total of 3 TDs against Amherst; Blas Martinez, a defensive end averaging about 3 sacks per game and is one of the best in the state on covering a spread team; and Seth Black, a versatile player who comes in where needed, including split end, tailback and linebacker.

Longhorns blast Amherst; take on Rochester in state playoff's first round

The Lazbuddie Longhorns are ready for the playoffs. They smashed Amherst, 59-6 last Friday to win the District 3-A title with a perfect 5-0 mark. For the season, they are 9-1.

Lazbuddie takes on Rochester, also 9-1, at 7:30 tonight (Friday) at Chieftain Stadium in Crosbyton, in the first round of the state playoffs.

The win over Amherst ended in the 2nd quarter due to the 45-point rule.

Except for the Bulldogs scoring on a 53-yard run, it was all Lazbuddie, with 4 touchdowns in the first quarter and 4 more in the second.

The scoring opened with Dustin Weir scoring on a 20-yard pass from Josh Morris. The Jason Thomas kick was good.

Then Morris completed TD passes to Brice Foster of 45 and 43 yards. And Adam St. Clair scored on a 14-yard run. Add two more Thomas kicks and it was 30-6 at the end of the first quarter.

Amherst didn't have much luck stopping the high-powered Longhorn offense in the second quarter either.

Foster scored on a 46-yard gallop. Thomas plunged over from the 3. Deon Gallman raced over on a 56-yard pass from Morris. And Jeffery Seaton got into the scoring column on a 29-yard run.

Thomas had two more kicks good for 4 extra points, and Chris Smith gained another on a pass from Thomas.

Once again, as has been the case in recent games, many Longhorns got into the scoring column, showing a well-balanced offense.

Team stats were: first downs - Lazbuddie 3, Amherst 1; rushing -- Lazbuddie 17 for 195 yards, Amherst, 17 for 79; passing - Lazbuddie, 6 of 8 for 165 yards, Amherst, 3 of 10 for 46; penalties, Lazbuddie 3 for 30 yards, Amherst, 3 for 25.

Amherst punted once for 35 yards. Lazbuddie didn't punt at all.

Coach Scisson feels good about the team as they head into the playoffs. They are healthy and playing well. And he doesn't have too many players having to go both ways, on offense and defense.

The rest keeps most of his players fresh.

Their first opponent, Rochester, has a very young team, having graduated eight seniors.

Lazbuddie also played Rochester in the first round of the playoffs last year. The Longhorns won 39-20.

County swine validations scheduled

The Parmer County Swine Validation will take place on Nov. 15 and Nov. 25 at the Friona Community Center.

On Nov. 15, the validation process will be from 10 a.m. to 2 p.m. and on Nov. 25 it will be from 4 to 8 p.m.

Any 4-H or FFA member wishing to exhibit their swine project at the Parmer County Livestock show or at any major livestock show needs to bring their swine projects on one of the date set for the validation process.

If you have any questions, call the Parmer County Extension Office at 481-3619.

Sheriff's Report

Recipe of Week

Italian Pasta with Greens

- | | |
|--------------------------------------|--|
| 6 cups water | 1 to 2 tablespoons balsamic vinegar |
| 2 cups bow-tie or medium shell pasta | 2 cups torn fresh spinach |
| 1/2 teaspoon bottled minced garlic | 1 cup torn radicchio |
| 1 teaspoon olive oil | 1/4 cup shredded or grated Parmesan cheese |

In a large saucepan, bring water to a boil over high heat. Add pasta. Reduce heat slightly and boil gently, uncovered, about 8 minutes or until pasta is al dente. Drain.

Meanwhile, in a small skillet, cook garlic in oil over medium heat until tender, about 1 minute. Stir in vinegar.

Place spinach and radicchio in a large bowl. Add hot pasta. Pour hot garlic mixture over pasta and spinach mixture; toss to mix well. Sprinkle with Parmesan cheese.

Serves 5; 1 cup per serving. Preparation time: 10 minutes. Cooking time: 9 minutes.

tact Killough at the school.

The Farwell School Board on Tuesday discussed several projects.

School officials will be looking into the cost for building a new bus barn (the current one is too small to house all the vehicles) and resurfacing the track around the football field.

Other topics touched on included adding a weight room and more women's restrooms at the football field.

Efforts by the Lone Star Corn Gowers and Texas Corn Producers Board to bring unrestricted sales of Bt corn varieties to the Panhandle is supported by Plains Cotton

Growers.

The seven counties currently being considered in this scenario include Parmer, Deaf Smith and Bailey counties.

The next step is for the Monsanto Corp., which holds registrations for the Bt technologies, currently licensed by Pioneer, Cargill and Golden Harvest, to decide whether to go along with the proposal.

Crew members from the television show "Texas Country Reporter" were in Friona last week to film and interview some of the more interesting and talented members of the community, including Betty and Janet Rector.

The show is tentatively scheduled for Nov. 23 at 12:30 p.m. on Channel 7.

There will be no more boll weevil trapping reports for our area this year.

Traps were discontinued in Parmer, Bailey, Deaf Smith and Lamb counties.

Booster club plans activities

The Texico Booster Club met Nov. 10 to discuss plans for the upcoming basketball season.

Members have several activities planned for the game days and halftime entertainment. They will hold 50-50 raffles, musical chair basketball, and free throw contests.

Also, on Dec. 9 between the JV and Varsity games, booster club members will provide Christmas refreshments in the Home Ec room of the high school.

The group will be selling banner spirit pins for \$2. They will also sell Texico letter jackets to students.

It was also noted that the Texico box supper was a success.

4-H'ers tour Sunland

Mark Logan, who has the Parmer County extension agent for entomology since last year, will be leaving the post in January to work for Farwell Spraying.

David and Diane Lindop and daughter Leandra Loeffler and sons Cody and Colton visited Kate Lindop last weekend for an early Thanksgiving.

Also calling were Jeanette and Barthel Ford and Christin and Shay Ford, and Daren and Dorrisa Sudderth and family.

Kerry Ford is in Friona hospital, after having spent a few days in Lubbock hospital. He is taking treatment for a blood condition.

Doris Herington, Parmer County Tax Assessor, is still in communication with the State of Texas tax officials concerning a situation involving now-closed Friona Motors.

She said that more than 10 people have called her to say that they purchased vehicles and had paid title and fees to the dealership.

The question is whether these people will now have to pay the County Tax Assessor.

Farwell/Oklahoma Lane 4-H food and nutrition group toured Sunland Inc. and learned how peanuts are processed -- and how peanut butter is made. LEGAL NOTICE

Notice of intention to conduct weather modification operations in the state of Texas

Date of the first of three weekly publications of this Notice: November 12, 1997

1. Notice is hereby given that High Plains Underground Conservation District No. 1, a political subdivision of the State, 2930 Avenue Q, Lubbock, Texas 79405, has filed an application with the Texas Natural Resource Conservation Commission for a State permit to conduct weather modification operations to change or attempt to change the natural development of clouds for the purpose, objective, period, and by the method summarized hereinbelow unless a written hearing request is filed within 30 days after first newspaper publication of this notice.

2. High Plains Underground Water Conservation District No. 1 submitted an application for a Texas weather modification license on November 6, 1997.

3. The purpose of the weather modification operation is to increase rainfall. The period of the permit is for January 1 through December 31 in each of the years of 1998, 1999, 2000 and 2001.

4. The proposed weather modification operation is to be conducted for and on behalf of the High Plains Underground Water Conservation District No. 1, a political subdivision of the State, 2930 Avenue Q, Lubbock, Texas 79405.

5. The proposed weather modification operation is to be carried out in both an "operational area" and a "target area" to cause the intended effects to occur only in the target area. The operational area is that area including Armstrong, Bailey, Castro, Cochran, Crosby, Deaf Smith, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Terry and Yoakum Counties, which is the target area and those portions of the following counties within 30 miles of the outer boundary of the target area: Gaines, Dawson, Borden, Garza, Dickens, Motley, Moore, Briscoe, Swisher, Hartley, Carson and Kent Counties, and Quay, Roosevelt, Curry and Lea Counties in New Mexico.

6. The area to be affected by the proposed weather modification operation is the target area. The target area is that area described as the southwestern part of Armstrong County and all of Bailey, Castro, Cochran, Crosby, Deaf Smith, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Terry and Yoakum Counties.

7. The methods and materials to be used in conducting this operation are summarized herein: A licensed meteorologist will select cumiform clouds or other appropriate clouds for cloud-seeding using a weather radar display, standard meteorological analyses, forecasting techniques, surface weather observations, and pilot reports to initiate the release of the seeding particles, such as silver iodide crystals, from airplanes equipped with flare racks and/or generators.

8. Persons interested in knowing more about the technological aspects of the proposed operation should contact the applicant or George Bomar, MC 158, TNRCC, P.O. Box 13087, Austin, Texas 78711-3087, (512) 239-0770.

9. A public hearing on this application may be called on receipt by TNRCC of petitions bearing at least 25 signatures. Petitions requesting a hearing should be mailed to the Executive Director, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087. The petition must contain (1) the signature, full name, address and phone number of each person requesting; (2) a statement that each person is at least 18 years of age and resides or owns property in the operational area; and (3) a description of each person's interest and how that interest would be adversely affected. Requests for hearing must be received by the Commission within 30 days of the date of the first publication of this notice. More information on calling a hearing can be obtained through the Legal Services Division of the Commission (512-239-0660) or through the Office of Hearings Examiners (512-239-4100).

Rotarians volunteer to redo community center roof

A very important community project is taking place in Farwell this month.

The Texico-Farwell Rotary Club is donating its services to install a new roof on the Farwell Community Center.

The project is headed by craftsman Steve Meeks.

Assisting are volunteers from the Rotary Club, plus others.

The project, hopefully, will be completed over two more weekend days.

It is estimated that the volunteerism will save Farwell taxpayers more than \$10,000.

Working on the project last Saturday were:

Rotarians Dave Sallee, Tim Cooper, Prentice Mills, Charley Aycock, Johnny Actkinson, Jimmie Mace, Gary Patterson, David Norton, Rick Yoakum and James Williams.

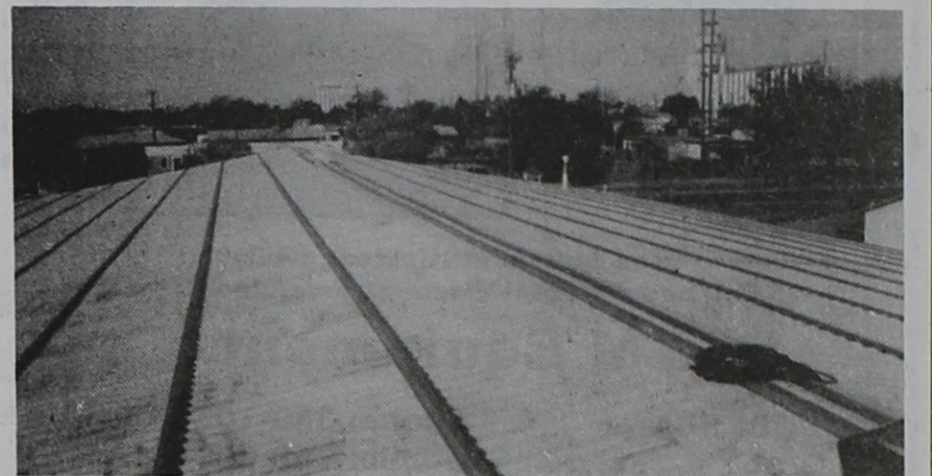

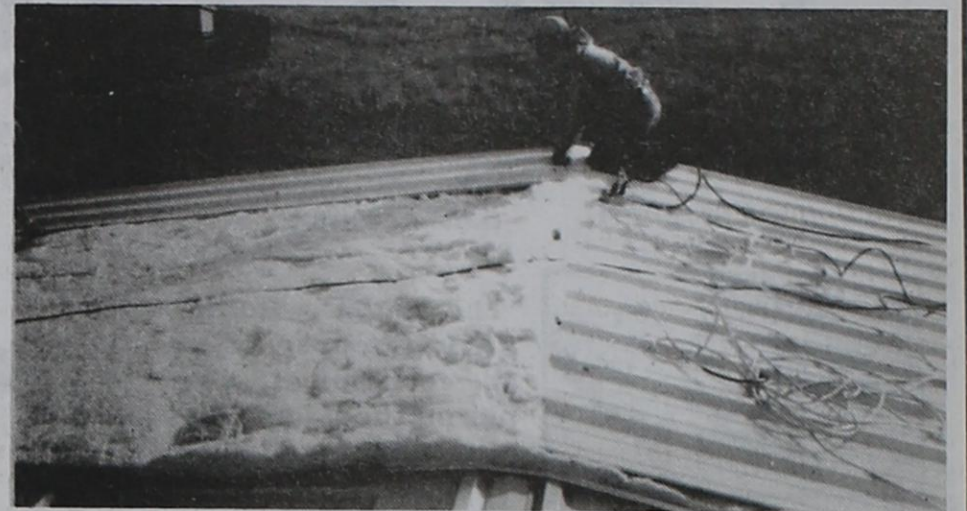

Others who assisted were Dee Hammit, Ralph Franse, Daniel Garcia, Richard May and Clint and Dan Patterson.

Franse Irrigation provided the forklift needed to lift the roofing materials to the roof.

Another Rotary workday is scheduled Nov. 15.

The Rotary project is headed by committee chairman Tim Cooper.

The idea was suggested by Farwell Mayor Jimmie Mace.

The Farwell 4-H Cloverbuds toured the Emergency Medical Service facility in Bovina on Tuesday afternoon as part of their regular monthly meeting.

The Farwell High School honor rolls for the 2nd six weeks have been announced:

Principal's honor roll (all A's) -- Kacey Gast, Cody Schilling, Chelsi Kaltwasser, Lorisa Littlejohn, Leticia Merino, Lindsey Rich, Aaron Christian, Karyn Curtis, Candy Davis, Britney Hunt, Megan Meeks, Ginger Sides, Rachel Embry, Valerie Mace, Veronica Mace, Rocio Sarinana, Matt Taylor, Raquel Cantu.

Steer honor roll -- Shara Taylor, McKinzi Woods, Jami Coleman, Ashley Crawford, Paul Franse, Tangie Gustin, Megan Miller, Jourdan Nichols, Grant Oppliger, Matt Schwertner, Tiffany Edwards, Samantha Bowery, Raquel Cantu and Charla Corn.

From Texico Marshal Gil Holguin:

Remember the Operation DWI and Operation Buckle Down blitzes? Get ready for another change. Now there's Super Blitz.

From Nov. 17-30, Texico will participate with police throughout the state in looking for traffic law violations.

Please don't drink and drive, always wear your seat belt, make sure your kids are buckled up and know your speed, reminds Holguin.

Business of the Month

Presented by the Farwell Chamber of Commerce

KIJN Radio

Metropolitan Radio Group Inc. is a privately-held corporation that consists of 16 radio stations from Colorado to Florida and we are proud to be part of the Farwell/Clovis/Portales market.

We want to thank Gil Patschke and the loyal advertisers and listeners for giving that opportunity to Metropolitan Radio Group Inc. It is noteworthy that Gil and his fine staff labored for many years to present Christian music and broadcasting to the area, and Metropolitan Radio Group will carry on this tradition.

The KIJN Radio staff includes: Wayne Powell, operations director; Gene McKinney, engineer and program director; and radio personalities Sandra Drury, David Dawson and Jay Brandenburg.

They are courteous and anxious to serve the community. If you have community events, etc., please feel free to call Wayne or Gene at KIJN and they will be happy to air them for you.

Metropolitan Radio Group would like to honor Gil Patschke. We hope that Gil will enjoy his retirement, but knowing him the way we do, he will probably be involved in some new venture. We also want to thank the Chamber of Commerce for the opportunity to introduce Metropolitan Radio Group to the area and we are looking forward to serving the community for many years.

Metropolitan is headquartered in Ozark, Mo. The phone number for KIJN Radio in Farwell is 481-3318.

Carl Hahn

Hahn is
new loan
officer

A very familiar face to area farmers and ranchers is now working at the Farwell Banking Center of Muleshoe State Bank.

Carl Hahn, 39, of Clovis, is the new loan officer at the Farwell Banking Center.

The position has been added at the bank.

Hahn was employed for 16 years with Sunwest Bank, then Nations Bank (which took over Sunwest) in Clovis, and handled agricultural loans to farmers and ranchers.

Hahn grew up west of Portales. He and his wife, Diann, have one son, Spencer, 6.

Fire Calls

The Farwell ambulance was called out three times.

On Nov. 4, they took a person from the Farwell Convalescent Center to Muleshoe hospital at 8:31 p.m.

On Nov. 6, they took a person from 610 1st St. to Muleshoe hospital at 2:20 a.m.

On Nov. 10, they were called to the Farwell post office at 2:10 p.m. but no transport was made.

Are you
wanted?

How would you like to see your name on a "Wanted!" poster at various locations throughout Farwell, like the post office and supermarket?

Farwell Police Chief Roy McGaa told the Farwell City Council Tuesday that there was a problem with some folks not showing up for their municipal court dates.

The council gave McGaa the go-ahead to put those person's names on "Wanted!" posters -- after he checks the legality of the project.

Geries.

Carlson said court cases have rejected such ordinances that were passed by local governing boards "for safety and/or attractiveness." reasons.

But Mayor Jimmie Mace, after reading the magazine article about that, noted that those court cases dealt with complete outlawing of Rvs on private property.

That was the same problem with the petitions signed by some Farwell residents opposing the ordinance.

The petitions said Rvs were outlawed on private property. They are not. They are allowed, but with restrictions.

Those favoring the new ordinance stressed that folks they talked with supported the new ordinance by a large margin.

In other business, the council:

-- Heard that more trees are planned for the cemetery.

-- Approved the annual audit presented by CPA De'Aun Willoughby.

The council plans to look

at raising its fees to residents for water, sewer and garbage rates.

Mrs. Willoughby and Mrs. Cynthia will discuss these rates further, then report back to the council at its December meeting.

-- Agreed to run a water line to the former Farwell Fertilizer building, where a private line had been used previously. A line from Lunsford Auto Parts has been connected to it.

The building has been

bought by Duane McDaniel for storage purposes, said city clerk Cynthia Thigpen.

It's within the city limits.

-- Hiked the fee the city pays Floyd Robinson to pick up skunks from \$15 to \$25 per animal.

-- Awarded the contract for engineering services for the new water tank to Parkhill, Smith & Cooper, of Amarillo.

-- Cast its voted for Mark Schwertner to stay on the Farmer County Appraisal District Board.

Letter To The Editor

To the person who dumped the dog near my house.

Do you have the courage to read about the dog that you put out last week? You didn't have the guts to dispose of your own unwanted pet. Do you now have the courage to know how he died? Then, read on.

He came to my house slowly, cautiously, with fearful, haunted eyes. I tried to run him off. I yelled and threw rocks. My dog fought him. It was no use. He was too tired, too hungry and thirsty to move on. He hunkered down and took the abuse.

I didn't feed him. For days, I didn't feed him. I hoped he would move on. He wasn't my problem. I didn't love him. I hadn't raised him from a cute, adorable puppy. But all of a sudden, he was my problem. You chose to make him my problem.

Did you know that the dog pound takes in unwanted pets? There's a chance that he might be adopted by a family that would love him and give him a good home? If not, he would be destroyed humanely. And, at least, he would be fed. Or did you know that a vet would put him to sleep, and for a small fee, would dispose of the carcass? It's quick and painless. Don't you owe your pet that much for the joy he's given you?

I suppose you thought he would be happy living in the pasture where you dumped him, running and playing and catching rabbits to live on. I suppose you told yourself that as you put him out and drove off, with him desperately chasing, trying hopelessly to catch you and go home.

I'm sorry I had to kill him. The first shot didn't kill him. It took a second, while he lay screaming and terrified. As I walked closer and took aim for the second shot, he looked at me with sad, pain-filled eyes.

It turned my stomach to do it. It will haunt me for a long time. I am so angry at you. Your dog died a slow, painful, bloody death.

I felt that the gun was the most humane way to dispose of your problem, since you didn't choose a more painless way. But did you know that many people put out poison for stray dogs? Starving, they eat the poisoned meat hungrily and die an agonizing death, with the pain gnawing inside them, and they can't understand.

Neither can I.

Vickie Burch
Lazbuddie

Dear Mr. Pomper,
About a year ago I was in a severe auto accident and was hospitalized for more than seven weeks. My family and I have endured a great deal of uncertainty and anguish during the ordeal and its aftermath.

I want to take this opportunity to express my heartfelt gratitude to the many people of the Texico and Farwell communities that came to our aid.

The massive outpouring of love and support have been so moving. Words alone cannot begin to convey my profound thanks to all of you.

I am back at work now in the Texico Schools and feel a special bond to all those, known and unknown, who have been there for my family and me.

May God bless you for your kindness and generosity.

Corn named
4th runnerup

Charla Corn was named fourth runner-up in the Miss Amarillo pageant last weekend.

For her placement, she was awarded a \$150 cash scholarship.

Charla was the youngest participant in the pageant this year and was very excited to have placed as high as she did.

Charla appreciated all the local support she received and the friends and family that came to see her in the pageant.
