Blasts Rock Katanga Capital

ELISABETHVILLE, Katanga, small arms firing came from the official residence of Katanga President Moise Tshombe while the Globemaster was coming in to land at Elisabethville Airport.

Several bullets hit the fuselage but no serious damage was caused. Tshombe's villa is on one of the approaches to the airport.

The Globemaster was one of the six heavy transports carrying reinforcements and supplies to U.N. forces in the Katanga capital. The report from Leopoldville said

The United States agreed to the airlift on condition that the transports would be given full protective cover. Ethiopian Sabre Jets escorted the first Globemasters

Wednesday but it was not known in Leopoldville whether today's flights were escorted.

The U.S. State Department announced Wednesday night that it was offering the U.S. 21 more four-engine transports.

United Fund Reports Made

The Seury County United Fund Campaign took another step forward today, and General Chairman E. H. Williamson called a special report meeting for Saturday with hopes that figures would advance further.

Today's report meeting showed a total of \$17,073 which represents 45.9 per cent of the goal.

Two additional plaques were announced at today's session. They go to the city sanitation department workers and to the city general government personnel.

The Saturday report session is set for 10 a.m. at the Village. Reports today included the following: Advance gifts, \$11,238, or 62.9 per cent of its quota; professional division, \$359, or 23.2 per cent; Branch house division, \$880, or 23.2 per cent; school division, \$2,430, or 14.4 per cent; special gifts, \$636, or 21 per cent; employ division, \$1,263, or 22.2 per cent; public employ division, \$367 or 17.6 per cent.

Two other divisions are poised to be their work in the campaign. The general solicitation division, headed by Wayland Holt, has scheduled its kickoff for 7 a.m. Friday at the 66 Cafe.

Badger Robertson, chairman of the county division, has announced a series of kickoff meetings in various rural communities, while personnel for campaigns in some communities still are being lined up.

At Herculio, where Marvin Hanson Jr. is community chairman, the kickoff was set for 2:30 p.m. today at the school. Workers in Dunn and China Grove, with

Snyder Has Dreary Day

Another dreary day greeted Snyder area residents today as light precipitation was recorded and the mercury wavered in the thirties.

Light mist and drizzle fell here, with a few flakes of snow reported, although they melted as they fell. Light snow also was reported on the South Plains.

Before dawn the Mercury sagged to 27 degrees at Dalhart, 28 at Amarillo and 32 at Childress. Readings elsewhere ranged up to 64 at Brownsville and 66 at McAllen.

A mild cold front edged farther across the state toward the southeast, skies cleared at Amarillo and in the north part of North Central and Northeast Texas. It was at least partly cloudy in all other sections.

Forecasts called for scattered showers near the coast during the day and lower temperatures over the south part of the state. Little change was expected in the northern areas.

Jobless Rate In Decline

WASHINGTON (AP)—The unemployment rate dropped last month for the first time in a year, President Kennedy reported today.

The rate fell from 6.8 per cent in the month before, where it has remained nearly constant for 11 months, to 6.1 per cent, Kennedy told the AFL-CIO convention in Miami, Fla.

Labor Department officials planned to give the complete November job picture later. Kennedy announced the unemployment rate in his speech.

The President also said the number of persons employed during November set a record for the month—47,349,000.

The October job figures showed 67.8 million at work. The drop of 100,000 in the total employed during November reflects the seasonal shutdown in farming, construction and the outdoor jobs. But the rise in unemployment has less than seasonal, accounting for the lower rate.

President Is Indeed Accessible

HOUSTON (AP)—Anyone who says President Kennedy is inaccessible might listen to Michael Schipper, 19, a University of Houston student.

Schipper, of New York, was in a heated dormitory bull session the other evening.

"Our government has become such an unwieldy bureaucracy the President is out of touch with the people, completely inaccessible," Schipper argued.

"That's not true," a freshman cried. "I'll prove my point."

"He picked up the telephone and called President Kennedy at the White House—collect."

The call went through two secretaries and Schipper heard the last one ask, "Mr. President, would you accept a collect call from a Mr. Michael Schipper in Houston, Tex.?"

"There was a short delay. An unmistakable voice, precisely Bostonian, came on the line: 'This is President Kennedy.'

"Schipper gasped and nearly dropped the receiver."

"Well, yes, Mr. President," Schipper replied weakly. "I am, I am a student at the University of Houston and I am just called up to wish you a Merry Christmas."

"A rather long silence. 'Oh,' the President said in measured tones. 'Well, I wish the same to you. Kind of you to call.'"

The freshman tugged at Schipper's arm. "Mr. President," Schipper said in a trembling voice. "There's a friend here."

"Very well put him on," the President said, still calm. "Merry Christmas, sir," the freshman said, cheerfully.

Day Of Infamy Recalled

EDITOR'S NOTE — Twenty years ago today the Japanese attacked the American fleet at Pearl Harbor. John Matheson, now city editor of the Sault Ste. Marie Evening News, was a member of the crew of the battleship West Virginia hit by six torpedoes and two bombs that day.

By JOHN MATHESON Sault Ste. Marie, Mich. News Writer for The Associated Press SAULT STE. MARIE, Mich. (AP)—As any young sailor of 18—then or now—I was looking forward to a day of liberty in Honolulu, and the liberty boat was due along any minute.

Suddenly an alarm—we thought a routine one—rang. It was a call for the ship's fire and rescue party, a procedure often practiced and designed to send aid to another ship or ashore to meet an emergency.

The scene was the battleship West Virginia; the time, 7:55 a.m.; the day, Sunday, Dec. 7, 1941; the place, Pearl Harbor.

With the alarm, the liberty party broke up. Sailors in our division were assigned to a station on the port side of the ship for this type of emergency. We were to fall in and stand by. We started toting for our deck adjutant the water of the harbor.

I was about to dart out onto the open deck when the boat swain's mate turned around. That wild look in his eyes told me this was war—before he passed "the word" that the Japs were attacking.

In the words of an old cliché, "It all happened so fast."

Members of the crew reacted in accordance with their training. The long hours of monotonous drill-tracking airplanes, loading guns, closing water-tight doors, manning battle stations—all paid off in the first minutes of the attack.

My station was "sky port," an anti-aircraft fire director on the side of the ship where the Japanese aviators were making their torpedo runs. It was necessary

Three Slain On Campus

BELTON, Tex. (AP)—Three persons were shot to death today on the campus of Mary Hardin-Baylor College.

The victims were identified as Mrs. Weldon Dunlap, her 20-year-old daughter, Miss Marie Dunlap; and Leroy Cockrell. All lived at nearby Salado, Tex.

Jell County Sheriff Ralph Jeffers said Mrs. Douglas Holland, a teacher at the Baptist girls college, was one of several persons who saw the shooting.

Jeffers said all three of the victims died instantly.

The cause of the shooting was not learned at once.

Mary Hardin-Baylor College is one of about 20 schools operated in the state by the Baptist General Convention of Texas. It was established in 1845 and is one of the state's oldest educational institutions.

It has been located at this Central Texas county seat town since its founding.

Masked Thug Takes \$3,000 From Woman

DALLAS (AP)—A young thug, masking his face with a dark handkerchief, robbed the wife of a Times Herald district editor of more than \$3,000 in her Lisbon area home today.

The robber, armed with a revolver, was admitted to the home of Mrs. Earl Smith by one of her young sons' schoolmates after he knocked on the door.

Mrs. Smith said the robber grabbed the money and then forced her and her three sons into a bedroom closet. He blocked the door and fled.

Cotton Maid Finalists Told

MEMPHIS (AP)—Twenty-four finalists were named today for the annual Maid of Cotton contest here Dec. 28-29.

The winner will make her first public appearance at the Cotton Bowl football game at Dallas Jan. 1, then fly to New York to prepare for a six-month international tour to plug cotton.

The finalists from Texas are Pamela Ann Martin of Marshall, Barbara Jane McDaniel of El Paso, Penne Ann Percy of Waco, and Barbara Ann Smith of Harlingen.

Another finalist is Linda Lehndorf of McAlester, Okla.

Four other girls who won state Maid of Cotton contests earlier this year are automatic finalists. They include New Mexico Maid of Cotton, Teresa Chapparral of Silver City and South Plains Maid of Cotton, Ethel Ann Glascock of Lubbock, Tex.

Buyer Almost Gets Bonus With Property

DETROIT (AP)—Edward Land, representing a group buying the old Chrysler Imperial plant here, almost picked up a \$300,000 bonus with the property Wednesday.

Land said the contract for the sale was already for signing. It provided that all machinery, etc., on the property would go to the buyers.

Then someone from Chrysler Corp. discovered that 32 brand new Imperial autos were stored in the building. A quick change was made in the contract.

JFK Says Trade Essential To High Employment Rate

LABOR elements directly affected by rising imports have been presenting arguments in congressional hearings for even stiffer barriers against the incoming flow.

In an address prepared for a convention of the AFL-CIO—many of whose members have been in phases of his proposals for freer world trade—Kennedy stated his view bluntly.

"In short, we are confronted with a very basic decision: Are we going to export our goods and crops—or are we going to export our capital and our job opportunities?"

Battle Group Answer To New Berlin Threat

BY GEORGE BOLLTWOOD BERLIN (AP)—First units of an American battle group rolled into West Berlin today after the Communists voiced a new threat against use of the highway lifeline from West Germany.

The 110-mile ride down the autobahn came after Communist East Germany declared free movements of U.S. North Atlantic Treaty Organization troops along the highway had never been mentioned by the East Germans or the Soviet Union.

U.S. officials in Paris commented that the troops moving to Berlin are definitely under U.S.—and not NATO—control.

The Soviets have called recent U.S. tests of Allied access rights to Communist encircled West Berlin provocations "fraught with dangerous consequences."

Jeeps and trucks—began crossing West Berlin's "Checkpoint Bravo" after an uneventful trip through East Germany.

Stamps In The News

The Israel Philharmonic Orchestra, often called that country's "most cherished cultural possession," is honored on its 25th anniversary by the issuance of a new postage stamp. The 50 aprot multi-colored adhesive features a montage of four instruments—violin, harp, tympany and horn—reports the Israel Philatelic Agency in America.

The Philharmonic Orchestra was founded by the eminent violinist Bronislaw Huberman in Dec. 1906 with the main aim of salvaging musicians who had been forced through Nazi oppression to flee their posts. The inaugural concert in Tel Aviv was conducted by Arturo Toscanini.

Also issued by Israel are two new stamps highlighting the work of afforestation. The multi-colored stamps depict symbolic designs based on forestry projects.

British Guiana commemorates its fourth annual History and Culture Week by issuing three new stamps. The design, common to all three values, includes a portrait of Queen Elizabeth II and features the hands of six different races clasped together symbolizing the people's desire to weld themselves into one nation. The 5 cents is brown and red, 6 cents brown and green, 30 cents brown and orange. Beneath the illustration on each stamp are the words: "One People - One Nation - One Destiny."

An unused set of Canada's 1997 Jubilee stamps in blocks of four sold recently for \$2,440 (catalog \$1,600.00) in New York City. In the same sale a record price of \$1,000 was obtained for Newfoundland's rare 1p reddish brown of 1982. Catalog price on this was \$1,250.

Annual Christmas Gift Guide

"Know before you go." Four little words of advice are the secret of successful Christmas giving. It's the only way to ensure the victory of inspiration over desperation. In an annual Holiday Guide to Giving, the Christmas issue divides gift suggestions into seven categories according to tastes and temperaments. Here are some of the suggestions to help you this Christmas:

For the Hearth & Homesters to whom home and family traditions are all important, Family Treasures, copies of family documents; Family Bible; Monogrammed photo album; Fireplace equipment - wood basket, birch logs, long handle log tongs, Cape Cod lighter and old-fashioned bellows.

For Do-It-Yourselfers: Set of paint brushes to fill every house hold need; Length of luxurious dress or suiting material; Hand-picked selection of nails, brads and screws, etc.; Upholstery kit with all accessories; Basic tool set for new household.

For Eggheads: World globe; Engraved book plates; Paid-up membership in a fiction or art book club; Fine edition of a favorite author; Decorative desk set or desk accessories; Tuition to a local class of special interest.

For people Who Have Almost Everything: Vibrating pillow for feet-shoulder, small of back; Old-fashioned three-minute sand-timer for eggs and telephone; Metal wine bottle rack; Ear-sport belts; Set of specialty glasses such as sherry, champagne, etc.

December Guide to Giving has suggestions for everyone including Back-Yard Athletes, Gadgets, The Dear and The Distant, etc. Approximate prices are given in most cases - as set down with a present tag - and the money-saving Happy planning today makes happier giving on December 25th.

Any youngsters on your Christmas shopping list? Here's a practical education, and fun gift—a double easel fitted with two pastel dress or suiting material; Hand-picked selection of nails, brads and screws, etc.; Upholstery kit with

Altrurians Have Modern Art Program

The Altrurian Club met recently at the Martha Ann Woman's Club with 20 members and one guest, Mrs. J. Freeman Clark of Dallas. Mrs. Clark was the guest of Mrs. A. C. Pruitt.

The program was presented in the auditorium, with the theme of "Survey of American Painters", given by Mrs. Frank Butler who showed slides on a fine collection of the works of early American artists, the scarcity of colors evident in many of them.

Mrs. Butler gave a short account of the subject and artist of each painting. The earliest paintings were primitive in structure and mostly portraits. The periods covered a range of time from the Puritans to Abraham Lincoln with some excellent landscapes, and a few landscapes, Copley, West, Stuart, Bellows and Morin were of the artists.

Mrs. Ross Blanchard gave a presentation—Air Force Below the Surface, by Mortimer Bone. Mrs. Blanchard interspersed the contents of the article with personal observations of modern art, as she saw it in the galleries of New York.

Mrs. Arthur Blanchard Sr. hostess for the meeting served refreshments in the homelike environment of the grey room, which was bedecked with festive Christmas decor.

Tigers Face Dumas In Andrews Tourney

Ten players strong, Snyder's Tigers departed here this afternoon for Andrews and their first fling in the Andrews Invitational Tournament of today through Saturday.

The Tiger five will receive its first taste of competition at 5:45 this evening when it engages the Dumas Demons, a District 1-AAA outfit.

Other first round action of today involves Sweetwater vs. Brownfield at 4:30 p.m.; Monahans vs. Borger at 7 p.m.; and Levelland vs. Andrews at 8:30 p.m.

All tourney games are to be played in the Andrews High Gymnasium.

Play of Friday will see the Sweetwater-Brownfield winner meeting the Monahans-Borger victor at 7 p.m.; the Dumas-Snyder winner taking on the Levelland-Andrews emmerger at 8:30 p.m.; the Sweetwater-Brownfield and Monahans-Borger losers vying at 4:30 p.m.; and Dumas-Snyder and Levelland-Andrews losers clashing at 5:45 p.m.

Saturday's slate involves the championship contest at 8 p.m., the third and fourth place game at 6:30 p.m., the fifth and sixth place contest at 3 p.m., and the seventh and eighth place bout at 1:30 p.m.

Accompanying Tiger Coach J. P. Ward on the southward treks will be squadmen Steve Free, Eddie Fry, Freddy Miller, Pooh Hatter, Larry McNair, Tim Marcum, William Robinson, Stuart Long, Carl Bailey, and Jimmy Wilson.

All-Opponent Team Chosen

LUBROCK (Special) — Rice and Texas gridlers dominated Texas Tech's all-opponent football team for 1961 announced today.

Rice and Texas each landed a trio of players. Baylor and Texas Christian were represented by two each. Arkansas had one man picked. Although the election covered the entire season, only Southwest Conference players were named to the first team.

Also, the Red Raiders selected their own captain for the season—tackle Larry Mullins of Snyder, tackle Pat Holmes of Del Rio, end Bob Witucki of Tulsa, all seniors. During the season game captains were used.

Mullins gained two other awards from his teammates, being voted "outstanding lineman" and "best team player." Sophomore half Bill Worley of Midland was named "outstanding back."

Two of the men picked—tackle Don Talbert and halfback James Saxton, both of Texas—made the Football Writers Association All-America. The Southwest Conference's other FWAA selection, halfback Lance Alworth of Arkansas, lacked just two votes of the total compiled by Rice's Les (Butch) Blume, who scored 30 points against the Raiders.

The all-opponent team: Ends Johnny Burrell of Rice and Buddy Lee of Texas Christian. Tackles Talbert of Texas and Don Jackson of Texas Christian.

SWC Quints Smothered; Margin Lost

Rice, Baylor and Texas Christian all lost Wednesday night, and it wiped out the margin boasted by the Southwest Conference in inter-sectional basketball.

These defeats—Rice 76-66 by Florida State, Baylor 58-46 by Memphis State and TCU 69-75 by Tulane—brought the league's record to 7-7 for the season against outside foes.

Texas staged home and welcomed Texas Wesleyan 92-66.

Southern Methodist, which has won two inter-sectional games, plays Nebraska at Lincoln Thursday night. Texas Christian goes to Baton Rouge to meet Louisiana State.

Baylor used its ball-control, deliberate style against Memphis State but was able only to hold down the score. Memphis went into a fast break at every opportunity and had little trouble. The Baylor Bears were led by John Hargrave with 12 points.

Dave Fodor grabbed 21 rebounds and scored 17 points and Ray Swain pitched in 20 as Florida State best Rice, Ole Shipley of the losers was high man, however, with 22.

TCU battled Tulane to a 34-3 tie at the half. Mike Miholland sparked a second half Tulane surge, getting 24 points, and Jim Kerwin had 20. Simmons' 17 points were high for TCU.

Mutt Heller paced Texas to its decision over Texas Wesleyan. He scored 18 points in the last half, 14 of them in a row. Mike Humphrey and Jimmy Brown each flipped in 15 points.

Lamar 9th Off To Post; 8th, 7th In Meet

Seeking their second victory of the young cage season, the Lamar 9th Texans take to the road this evening when they travel to Post to do battle with the 9th grade crew of that city at 5:30.

The Texans—coached by Ned Underwood—began their season in fine style here Tuesday by tripping Lamona, 43-32.

Lamar 8th and 7th are not slated for action tonight, but will both see duty tomorrow in the Colorado City Tournament. Pre-game agreement, Lamar's gamins of Tuesday against Lamona were counted as first-round contests for tournament purposes. Coach Ace Amos' Texan 8th dropped the 7th grade crew of the Colorado City High School when Coach Phil Holt's 7th grade crew was downed 40-12 and reverted to a consolation berth.

Friday tourney activity in Colorado City sees Lamar 8th taking on Big Spring Goliard 7:30 victor over Lake View at 7 p.m. and Lamar 7th clashing with Goliard (13-16 overtime victim of Lake View) at 8 p.m.

All three Travis Junior High teams are idle until Monday, when they are to battle Lamar in the first of two inter-city matches of the season.

Sugar Ray, Greaves Talking Good Fight

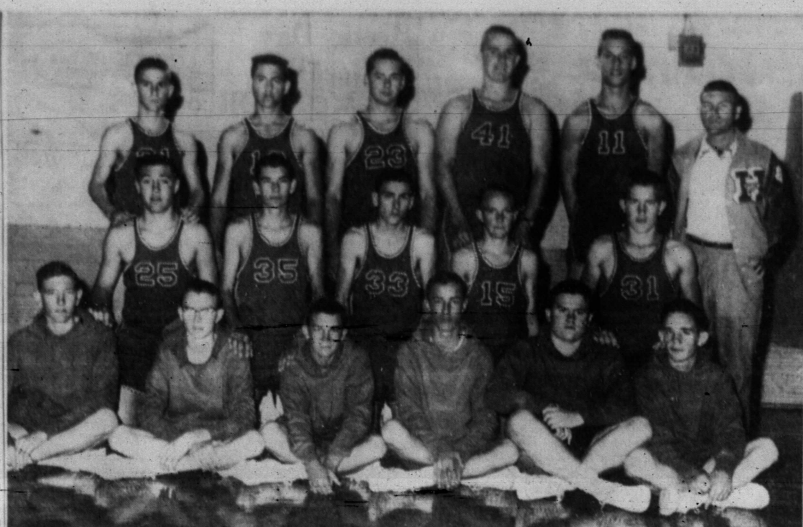

PITTSBURGH (AP) — Judging by the verbal jabs emanating from the camps of Sugar Ray Robinson and Will Greaves, their return 10-round middleweight fight Friday night at the Civic Auditorium shapes up as a real brawl.

"I have come to fight—and win," the ageless Robinson told a news conference Wednesday.

"I hope Robinson is coming to fight because I'll be fighting all the way," said Greaves, who lost a split decision to the 40-year-old "Sugar Ray" in Detroit last Sept. 2.

Both Robinson and Greaves feel a win would give them a shot at a title fight with National Boxing Association middleweight champion Gene Fullmer.

"A decisive victory for me Friday night will help convince a lot of people I'm still a top contender for my old title and I sure would like another opportunity to win it for the sixth time," Robinson said.

BOUND FOR FLUVANNA — Hermleigh's Cardinals, winners of the consolation bracket in last week's Ira Invitational, next move on to the Fluvanna Tournament. They'll see their first action of the meet this evening at 6:45 against Southland. Front row (l to r) are Danny Kuss, Don Taylor, Curtis Brown, Terry Hobbs, David Stuckey and Joe Varnon. Second row: Jimmy Kubala, Travis Withers, Ronnie Young, Jerry Chitney and Icie Wilcox. Third row: Dane Hudnall, Fred Gifford, Ken Bell, Tommy Winter, J. B. Roberson and Coach R. C. McLaren. Foss Rules Jacobs An AFL Product

DALLAS (AP)—As far as Commissioner Joe Foss of the American Football League is concerned, Ray Jacobs, the big Howard Payne tackle, is the property of the Houston Oilers.

He ruled Wednesday night that a conditional contract Jacobs signed before the AFL draft was valid and the Dallas Cowboys of the National Football League, who signed Jacobs six days after Houston, are out of luck.

Foss said Jacobs advised he wanted to play with Houston anyway.

"He said he was confused by the pressure," Foss declared.

"He said that three representatives of the Dallas Cowboys came into his room in Hillcrest Hospital at Waco Monday night about 11 o'clock and talked to him until about 3 in the morning, at which point he said he signed a Dallas contract."

Jacobs was in the hospital for treatment of a knee injury.

Houston signed Jacobs to a conditional contract three days prior to the AFL draft Saturday. By mutual agreement the contract was not in force until a condition was met—that Houston must draft Jacobs in the first round, as Houston did.

This activated the contract as of that date, Foss said.

Jacobs was not on the controversial secret draft list of the AFL club owners that was voted by Foss.

Paschal Puts Pair On 4A All-State

Undeated, intact Fort Worth Paschal placed two players on the all-state Class AAA school-boy football team—the only school to get more than one on the Texas Sports Writers Association's all-star crew.

Paschal's Phil Bechtel is one of the halfbacks and teammate Ronnie Cooper, a 215-pound defensive star, is one of the tackles.

The most popular selection, however, was big Larry Shields, the line shredder of the Wichita Falls backfield. The Coyote halfback received 66 of a possible 70 points.

It is a 13-man squad rather than the standard 11 because Derrick of Houston Milby and Phil Harris of San Antonio Jefferson tied for the other halfback spot.

The first team:

Player Pos. Wt. Class
 Bobby Goodrich, W. Wilson 218 Junior
 Doyle Johnson, G. P. 217 Senior
 John Ladd, Borger 170 Junior
 Ronnie Cooper, Paschal 215 Senior
 Phil Bechtel, San Antonio 214 Senior

Grambling Favored

GRAMBLING, La. (AP) — Grambling College, last year's top small college basketball team, is favored to win its invitation tourney starting today.

The host Tigers, paced by All-America Charles Hardnett, meet Mississippi Vocational College in the first round.

Other first round games pit Alcorn A&M and Texas College, Bishop and Arkansas A&M and Tougaloo Southern and Wiley College.

Wichita, Ray Facing Tests

By HAROLD V. RATLIFF Associated Press Sports Writer

The four-legged Texas school-boy football race decides finalists this week, and the wheel of fortune spins toward Wichita Falls and Corpus Christi Ray in blue ribbon Class AAAA.

The mighty Coyotes, seeking their fifth state championship, meet unbeaten, untied and dangerous Fort Worth Paschal at Fort Worth Saturday afternoon in one part of the AAAA semifinals.

In the other Corpus Christi Ray gathering momentum with each week of the stretch run, battles underdog Galena Park at Galena Park. They also will play Saturday afternoon.

In the case of Wichita Falls and Paschal, there is a comparison—each beat Amarillo 14-0. Whether that means anything is problematical because a lot of water has gone under the bridge since those September nights.

There is nothing to indicate the comparative strength of upstart Galena Park, a surprise visitor to the penultimate round, and Ray, the team that was favored for the finals before a block was thrown or a tackle made.

In Class AAAA, the wheel moves toward Dumas and San Benito. This means the powers of the week, who bowed only to Class AAAA clubs, are favored over surging Gainesville. San Benito, called the finest team the Rio Grande Valley ever had, is the choice over Nederland, a team that also lost only to foes in the lower class.

The big game of Class AA sends Jacksboro a long-time title favorite, against unbeaten, untied Quannah, which attracted no attention whatever before moving into the playoffs. Jacksboro will be favored but it's more from force of habit. Quannah could well knock over the Jackrabbits and occasion no surprise.

The other AA semifinals matches Brady, a former champion, and the Cinderella kids of 1961—Dumas. This is the team that whipped the mighty Severyn and a flock of other good clubs in their first two last-go-rounds of the state playoff.

Class A has the glamor game—Albany vs. Wink. These are the teams long rated 1-2 in the state. Each is unbeaten and untied through 13 games this season. Albany has won 27 in a row and is seeking its second straight championship.

Hull-Daisetta, an unbeaten, untied and tight-fisted power of the south, and Grovelton, which was not expected to be around this year, battle it out in the other semifinal.

Here's the lineup and here's how they look.

Class AAAA: Wichita Falls vs. Fort Worth Paschal at Fort Worth Saturday 2 p.m.; a weak vote for Wichita Falls. Corpus Christi Ray at Galena Park Saturday 2 p.m.; a lousy ballot for Ray.

Class AAA: Dumas vs. Gainesville at Vernon Saturday 2 p.m.; Dumas is a favorite.

Class AA: Quannah vs. Jacksboro at Wichita Falls Friday 8 p.m.; an uncertain vote for Quannah. Brady vs. Donna at San Marcos Friday 8 p.m.; the clock strikes for the Cinderella Yulbride by a touchdown.

Class A: Albany vs. Wink at Abilene Saturday 2 p.m.; Albany would be stopped after going this far. Grovelton vs. Hull-Daisetta at Humbleville Friday 8 p.m.; taking Hull-Daisetta without batting an eye.

Gun Club Schedules Turkey Shoot Sunday

The shoot—which is open to all desiring to enter—begins at 1:30 p.m., and is for rifles and pistols only.

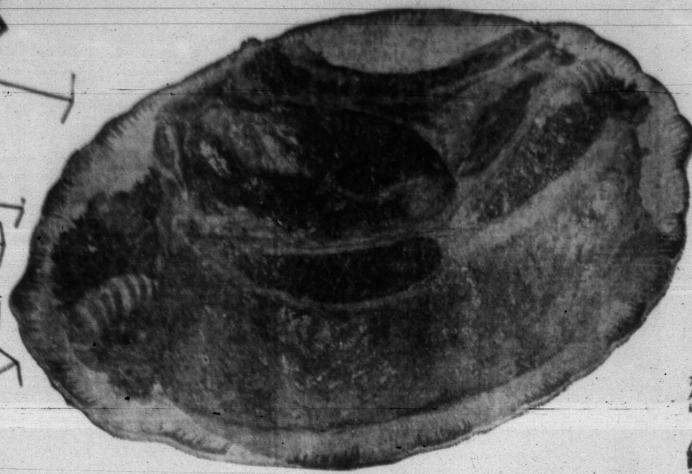

Elvis Fans Cause Extra Road Work

MEMPHIS, Tenn. (AP)—The stream of Elvis Presley fans who park to gaze at his mansion near Memphis has forced some extra road work.

City Engineer W. Bennett, highway division chief, said the highway shoulder in the area had developed some dangerous potholes. Gravel did no good because so many girls carried off petals as souvenirs.

So a crew was sent to patch the holes and lay asphalt surfacing on the shoulders in the immediate area. The mansion is located between Memphis and suburban Whitehaven.

Imports Viewed As Top Problem

By MAX SKELTON
DENVER (AP)—The new chairman of the Interstate Oil Commission says he believes 1961 will be a crucial year for the oil industry.

Gov. Howard Edmondson of Oklahoma says oil imports are the top problem.

Edmondson, 36, was elected chairman of the 33-state advisory body on oil and gas conservation Wednesday.

Half an hour later the compact gave unanimous approval to a resolution calling for a prompt reduction of oil imports.

"Every member will be asked to do everything possible on the state, congressional and administrative levels to see that the interests of the domestic oil and gas industry are protected along lines consistent with the safety and progress of the nation," the new chairman said.

Edmondson said he also will ask each member state to participate in a new study of domestic oil and gas production and reserves.

The compact approved a compromise resolution under which the new project replaces a controversial study of equitable sharing of the domestic crude market by all producing states.

The year-old subcommittee on equality of opportunity to produce was abolished. The new study was assigned to the compact's executive committee, a move that prompted some speculation the revised project would be perished to die quietly.

"I am going to ask that the study be continued," Edmondson said. "It can be a very fruitful study, but the final decision will be made by the executive committee."

Edmondson succeeds Gov. Price Daniel, D-Tex.

The new vice chairman is Elmer Hoehn of Evansville, Ind., executive secretary of the Tri-State Producers & Royalty Owners Association. A. I. Porter Jr., of Santa Fe, secretary of the New Mexico Oil Conservation Commission, is second vice chairman.

The executive committee includes the governors or appointed representatives of 11 states. New 1961 members are North Dakota, Montana, and Kentucky. States re-elected were Arkansas, Colorado, Illinois, Kansas, Louisiana, New Mexico, Oklahoma and Texas.

Probe Of Attack A Closed Matter

By ELTON C. FAY
Military Affairs Writer
WASHINGTON (AP)—The Pentagon considers a closed matter the question of why the United States was caught off guard at Pearl Harbor.

The word today—the 26th anniversary of the surprise Japanese attack—is that no more official investigations are expected.

Authors continue to write books debating the issues of that day when the high command at Hawaii was surprised by the strike of 300 planes from six Japanese carriers and midget submarine attacks.

But the Defense Department foresees no more official probes into the long and hotly debated subject of who, if anyone, was to blame for the tragic moment of unreadiness.

There have been eight official inquiries. The first, ordered by President Franklin D. Roosevelt, was opened only 13 days after the attack and was conducted by a commission headed by Supreme Court Justice Owen J. Roberts. When that inquiry was concluded the following Jan. 23 the record and transcripts covered 2,170 pages.

Pork Gets Big Push In Markets

By The Associated Press
Pork gets the big promotional push in many supermarkets and neighborhood groceries this week. Regional favorites vary but recent ample production of porkers has pushed prices down over a wide area.

One chain's New York area stores offer pork chops at 75 cents a pound, a whopping 24 cents below a year earlier, and pork loin cuts at 25 and 35 cents a pound, 16 cents under December 1960.

Smoked hams predominate in other areas of the Northeast and are popular in the Midwest. Other Midwestern pork specials include roasts, chops and bacon, all of which also are featured in the Southeast. Pork sausage is another popular Southeastern item.

Heavy supplies and lower than usual prices also keep turkeys and brooding or frying chickens on the special list in the Southeast and Midwest, while fryers remain a good bargain in the Far West.

Eggs are seasonally plentiful over a broad area with the large size rated No. 1 best bet in the Southeast, Midwest and Far West. Eastern prices are 12 to 16 cents a pound below a year ago, with the biggest drop in pullets.

Produce counters also offer a good selection of bargains. Apples, grapefruit, oranges and lemons are the top fruit items in most places, with the citrus season in full swing in the Southwest.

Limes and grapes also are in good supply in some sections. Cranberries remain plentiful and other good buys include avocados, coconuts, bananas and d'Anjou pears.

Vegetable bargains include cabbage, carrots, celery, lettuce, potatoes, sweet-potatoes, tomatoes and yellow onions. Green onions and green peas also are featured.

Housewife Ignores Call By Military

By LITTLE ROCK, Ark. (AP)—The Army issued its call, but James P. Farnam said no dice. James, who goes by the name of Jimmie, is the wife of Richard L. Farnam.

But she got her confusing name when her father died shortly before her birth and her mother named her in his memory.

Junior Editors Quiz on NATURAL WONDERS

QUESTION: Is it true that in millions of years there will be no Niagara Falls? If so why?

ANSWER: Although Niagara Falls is only 165 feet high as compared with 1,612 for the Ribbon Falls in the Yosemite, the enormous amount of water thundering over the cliffs makes this probably the greatest spectacle in America, next to the Grand Canyon. The water comes from Lake Erie and flows toward Lake Ontario, in the diagram in our picture you can see where the falls are at present, for, as ages have gone by, Niagara Falls has been cutting the land away in the direction of Lake Erie which means that the falls have been moving up stream towards Lake Erie. We show in our diagram a point where the falls used to be thousands of years ago, seven miles from where it is now. You can see from this that if the falls keep cutting the river bed down they will eventually cut it all the way back to Lake Erie. Geologists say this will flow calmly in another 20,000 years. Then the Niagara River will flow freely like any other river and there will be no Niagara Falls at all.

FOR YOU TO DO: Memorize this interesting fact. How many tons of water would you think/leapt over Niagara every minute? Nearly half a million.

(Patty Root of Moberly, Mo., wins \$10 for this question. Mail yours on a post card to Junior Editors in care of this newspaper.)

Inmates May Watch TV

RALEIGH, N.C. (AP)—The North Carolina Prison Commission has decided its inmates probably won't pick up any more bad habits just by watching crime movies and television.

The commission voted Wednesday to allow prisoners to view movies dealing with crime, and to take away from prison officials the right to censor nighttime TV viewing.

"We're trying to protect these people from something we can't even protect our own families from," said commission member M. B. Davis. "You can't beat Madison Avenue."

Lee Bonds, of the Institute of Government suggested the fact that the inmates always get their man in these stories may prove a moral benefit.

White and colorfast cottons and d linens come cleanest in very hot water. That's why Colson's 11 Linens advises turning up the water heater thermostat temporarily while using an automatic washer—which does not require handling "boiling hot" clothes during either sodding or rinsing.

Letters To Santa

Dear Santa:
I am a girl 8 years old and I would like for you to bring me a bicycle—26 inch size, also some new clothes.
If you can't bring me a bicycle, bring me a hydronium game, bike set and a few other small things.
Don't forget to bring my brother Jerry what he wants.
Janet Sue Rains

Dear Santa:
Please bring me a doll and a nurses kit and a telephone.
Lynda Rae Burgess

Dear Santa:
Please bring me a doll's kit and a train.
Stan Burgess

Dear Santa:
I am a third grade girl 8 years old. I would like a Butterball doll and Trampoline not too big, not too little, just right. I will have some food for you.
Jillette Branken

P. S. Merry Christmas and a happy New Year.
Dear Santa:
I'm a little boy 5 years old. I live at 312 Thirty-fourth Street, Snyder, Texas. I would like to have a bicycle for Christmas. Would you bring me a water rocket, a gun, and a bowling set?
Would you bring Pam a transistor and Mike a BB gun. Bring Baby Susan Yogi Berra's girl friends. I've been good. I'll leave you some cake under the Christmas tree, but don't leave a mess like you did last year.
Kim Williams

Dear Santa:
I am a girl 10 years old. My name is Pamela Kay Williams. For Christmas I want a transistor radio, a leather coat and other clothes. I also want a stuffed poodle, a jewelry box and a pen and pencil set. We will leave you some cake under the Christmas tree. I have been a nice girl. My grandparents will be here too.
Pamela Williams

Dear Santa:
I'm a little girl five years old. I have tried to be a good girl this year.
Santa, would you please bring me a Chatty Cathy doll with some clothes, cash register, fur stole, house coat, stuffed fuzzy cat, some doll clothes for my baby doll and also a toy for my Puff cat.
Please remember all the other boys and girls over the world.
Suzanne Peck

Dear Santa:
My name is Michael Williams. I am 9 years old. I have been a nice boy this year. For Christmas I want a BB gun, some BBs for my gun and I want a leather coat like Dad's. I hope you have those things. I will leave you something to eat under the Christmas tree. I wish Christmas was already here. I want a Cub Scout uniform too.
Michael Williams

Doctors say that extra bathing is physically beneficial during a cold. Fat breaks down and burns up. More waste products are released. The body is kept warm and the cold is fought off.

Next Step Planned In Slaton Dispute

SLATON (AP)—An angry group of West Texans weighed their next step today in a dispute with the Labor Department over the use of a segregated swimming pool by Mexican farm workers. They decided Wednesday to talk with Rep. George Mahon, D-Tex., before making any further moves. The fuss involves Slaton's municipal pool, operated with tax funds. Mayor L. O. Lemon said earlier the city will fight a department ruling that the pool must be integrated within 30 days or federal officials will prohibit the use of migrant laborers from Mexico in this farming center. Asserting that Lemon and other citizens know the rules forbidding discrimination against Mexicans before the matter came up, a Labor Department spokesman said the mayor's remarks were misleading. "There is, I believe, trying to inject the race issue into a situation where none exists," the spokesman said at the department's regional office in Dallas. Most of the 31 Slaton area farmers who would be affected by the migrant labor ruling then met with the city council to discuss their next step. The group named a six-man committee to confer Friday with Mahon, who represents this district in Congress. Committee members are Lemon, City Commissioner Joe Walker Jr., President Clark Self of the Chamber of Commerce and three other Slaton citizens. "It was reported that the Labor Department's notice stemmed from an incident last August, when a Mexican national was denied admittance to the swimming pool. The pool since has closed for the winter. At the meeting Wednesday night, however, Lemon said the government raised the race issue because the individual in question was a U.S. citizen, not a Mexican national. "The Labor Department is trying to run the braceros (migrant laborers) out of this country," Walker asserted. "The secretary of agriculture and the secretary of labor are doing everything in their power to do away with the bracero program."

A DAILY VIEW
by Rev. R. Charles Spivey
God is our refuge and strength, a well proved help in trouble. (Psalm 46:1) (read the whole Psalm)
It certainly is peculiar that people don't learn by experience when it comes to things spiritual. I was talking to OJ Jud the other day. "Why are you so blue; Jud?" "Aw, things just ain't going right. Mah lumbago's got me so I can't work. Mah wife's laid up with a sore back. And even pore ol' Ginny, that's mah dog—she got her tail hung in the door. I tell you things just ain't what they used to be."
"Well, Jud," I said, "remember back last year when your daughter was sick and you didn't she'd ever get well, and remember how we all prayed for her recovery and miraculously she got well. God helped you and your family then, didn't he? He'll help you now, if you'll let him."
"Aw, preacher, He's too busy to bother with me now."
Yes, we just don't learn from experience!

One Dead In Mine Blast

LORDSBURG, N.M. (AP)—One miner suffocated and eight were overcome when a dynamite blast Wednesday formed a gas pocket 1,300 feet underground in a copper mine five miles south of Lordsburg. Isabel Bejarano, 32, of Lordsburg suffocated. The eight men hospitalized were reported in good condition. Allan Bowman, vice president of Banner Mining Co., Tucson, Ariz., said a dynamite charge to enlarge a ventilation shaft was set off while the miners were on the surface for noon lunch. "Apparently the charge was too big or there wasn't enough ventilation, to draw the gas out of the shaft," Bowman said. He said Bejarano and the other miners went down into the shaft after lunch and collapsed within a few minutes.

Shoplifting Is Blamed On Impulse

By GIL MAYO
CHICAGO (AP)—Shoplifting is mostly obedience to an impulse by otherwise honest people whose petty pilferage will cost America's merchants more than \$500 million during December. The conclusion and estimate of loss is by Norman Industries, Inc., of Chicago, a theft-prevention engineering firm. Norman Kiven, president, said the peak of Christmas shopping also will be the peak of shoplifting. It will become so prevalent in some stores, he said, that the merchants will find when the rush is over they actually operated in the red. One large store in the Midwest recently reported it apprehended 57 shoplifters in a two-week period before Christmas shopping began. The average attempted theft in those cases involved merchandise valued at \$11.49. Kiven said his statistics show that only about 10 per cent of shoplifters are professionals. He described the others as ordinary people of whom 90 per cent are women. "Contrary to what most people think," Kiven said, "the middle income and richer customers are responsible for greater losses. Virtually none of them would resort to the impulse to steal if they believed there was the slightest chance they would be caught. People with smaller incomes are satisfied with the smaller impulse-type merchandise." Kiven said reports by mer-
