Court Rules Sentell Must Finish Jail Sentence Here

STRATOJET EXPLODES

Firefighters spray white foam into the wreckage of a six-engine Stratojet after it caught fire and exploded Monday at Hunter AFB near Savannah, Ga. One member of the B-47 refueling crew was killed and two others were injured.

Official Order Is Not Received Yet

The Supreme Court of Texas has upheld the district court here in its order finding C. F. (Frank) Sentell, Snyder attorney and state representative, in contempt of court. The state's highest court acted today on Sentell's appeal, then ordered that he must serve the balance of a three-day jail sentence.

Notified here of the court's decision by a newspaperman, Sentell said this morning, "I hadn't heard about it before now. I don't know right now just what I'm going to do."

J. E. Sentell, the representative's brother who is also an attorney here and has assisted Frank in the appeal, said today, "We will file a motion for rehearing. It is my understanding that we have 15 days in which to file such a motion. It is also my understanding that he (Frank Sentell) will not be remanded to jail until such motion is acted upon."

Frank Sentell told a reporter this morning that he had been ill lately and that the recent dust in the air had aggravated his condition, causing a sore throat and fever. He said he was recovering but was still unable to sleep or eat well. He is 66 years old.

Homer Whisnand, sheriff here, said he had received no official notice or order from the supreme court and could not act on the matter until such was received.

Sterling Williams, district judge who fined the legislator $100 and sentenced him to "three full 24-hour days" in the county jail when he found him in contempt of court during a civil trial here last Oct. 28, said he advised the sheriff not to act on the matter except on orders received from the high court.

The supreme court divided six to three in its decision upholding the order of Judge Williams. If the high court's recent decision stands, Sentell will be required to pay the $100 fine in addition to serving the remainder of the jail sentence. He was released from jail on a writ of habeas corpus in connection with his appeal to the supreme court after serving less than half of the three-day sentence.

Associated Press coverage in Austin gave the following account of the court's action:

The contempt action grew out of a stormy courtroom scene in the trial of a civil suit at Snyder last October. One lawyer in arguing the case had told the Supreme Court that the trial had produced "a stuttering record—a flow of words the reporter was unable to separate."

The majority opinion of the Supreme Court commented that the case was tried in a "background of hard feeling." It said that Sentell, after being admonished by the trial court, had exhibited a "further contemptious attitude" and disrespect.

The dissenting opinion, signed by Associate Justices Clyde E. Smith, Meade F. Griffin and Robert W. Calvert, said:

"The trial court's judgment is void because there is no evidence to sustain it. Moreover, in the absence of supporting evidence, the judgment itself does not contain recitations of fact necessary to sustain its validity."

The majority opinion declared: "Undoubtedly it was proper for the trial court to conclude from the conduct and appearance of the relator (Sentell), independent of what he said, that the latter was in a 'contemptious attitude.' He (the trial judge) saw the relator's attitude, expression and appearance during verbal exchanges quoted above, and he found it contemptious."

The majority opinion had transcribed some of the exchanges that occurred during the uproarious trial court proceeding.

Sentell has already served 23 hours of the 72 hour jail sentence, the Supreme Court was told when the case was argued. He had been freed on a temporary writ of habeas corpus, which he sought to make permanent. The high court denied this plea and set aside the temporary freedom order.

Attorneys for Williams, himself a former legislator, had argued that Sentell had tried at least seven times to obstruct trial of the case by interrupting testimony. Sentell's lawyers replied that Williams' order in effect disbarred him.

The dissenting opinion noted that Sentell was "under a sworn duty as an attorney and in the exercise of that duty, had the right to make objections and to request, if objections were overruled, that his exceptions be noted."

Hays Warns Bloodshed If Parr Not Protected

HOUSTON (AP)—A civil rights attorney today told three federal judges "force and bloodshed" could develop in Duval County unless political boss George Parr receives an injunction against Texas Rangers.

Arthur Garfield Hays of New York, in opening final arguments in the three-day hearing on Parr's plea, told the judges:

"If the injunction isn't granted you would be permitting an electrified atmosphere that at anytime could result in bloodshed. You would be bringing about force and bloodshed."

Alice Attorney Jacob S. Floyd Sr. began the closing argument in behalf of Ranger Capt. Alfred Allee and Ranger Joe Bridge at 11:05 a.m.

Floyd was to be followed by another Ranger attorney, Frank J. Knapp of Houston.

Each side was to have been allowed one hour but a last minute change increased the time limit to 90 minutes each.

Parr's petition alleges events of recent months have shown "convincing proof" the Rangers want to kill him. Allee and Bridge yesterday admitted acts of simple assault but denied that they have ever threatened to kill anyone.

The defendants contend Parr did not come into court with "clean hands."

The injunction suit was filed as state and federal agencies were conducting a series of investigations in Duval CVounty.

Hays said an injunction can do no harm if the Rangers are sincere in their statements they do not intend to harm Parr.

"You have one side before you," he told the court. "Has Mr. Parr's civil rights been violated. I would fight against my client just as hard as I would fight for him when civil liberties are concerned."

The three judges—T. M. Kennerly, Allen B. Hannay and Ben C. Connally—have given no indication as to when their final ruling might be expected.

Before seeking to prove that Parr had not entered court with "clean hands," attorneys for the Rangers yesterday filed a motion for dismissal of the injunction plea.

Ranger Capt. Alfred Allee and Ranger Joe Bridge also told the judges they had never threatened to kill Parr.

Allee frankly admitted this about his feelings toward Parr: "I personally don't like nothing about him."

Oil Is Swabbed From Well In North Scurry

Sam D. Ares of Lubbock No. 1 George Weldon Johnson, Northeast Scurry County prospector, has swabbed six barrels of oil per hour for an unreported length of time from the Strawn.

The production is from perforations at 7,056-0068 feet which were treated with 500 gallons of acid. A previous test through perforations at 7,067-092 feet returned two barrels of salt water hourly. That set of perforations has been squeezed off. Testing on the upper zone is to continue.

The No. 1 Johnson is six miles east of production in the North Snyder-Strawn field and in section 150-2-H&TC. It was originally drilled by O. W. Killam of Laredo, who quit it in October, 1950. Ares re-entered to clean out and test the strawn.

HOWARD PRODUCER

Texas Pacific Coal & Oil Co. and associated No. 1-B Tom Spencer has been completed as the third producer in the Luther Southeast Siluro-Devonian field of Northwest Howard County.

On the official potential test the well produced 342 barrels of 46-gravity oil and 38 barrels of acid water in 24 hours. The flow was through a 24-64th-inch choke with no formation water reported. Production is from the perforated section at 9,892-922 feet which had been washed with 500 gallons of mud acid and 2,500 gallons of regular acid.

The No. 1-B Spencer is in section 11-32-t2n-T&P, one and one-quarter miles northwest of Luther. It is one-half mile west of the opener of the Luther Southeast Siluro-Devonian field.

In the same area, Texas Pacific No. 1-A Phipps began a drillstem test from 9,911-965 feet at 6:45 this morning.

The project was cored from 9,915-965 feet. The section from 9,915-922.4 feet was pink lime bleeding

Billy Graham Is Mobbed By London Crowd

LONDON (AP)—American evangelist Billy Graham received a mobscene welcome today from thousands of hymn-singing Londoners.

"There's been no crowd like this since Mary Pickford and Douglas Fairbanks arrived years ago," said a Waterloo station official.

A dozen clergymen acted as bodyguard to Graham. Some lost their hats in the general tangle of taxicabs, porters and the thousands who sang hymn after hymn. Graham and his wife had arrived at Southampton yesterday, and came on to Waterloo by boat train. He will open a revival campaign here Monday.

The crowds burst over dozens of the station rail lines. The station loudspeaker system asked the crowd to clear a way for the evangelist.

At one point a policeman managed to get up to Graham and tell him he was the center of an obstruction.

"But what can I do?" Graham protested. The policeman started helping the clergymen push and shove.

FEAR RECOGNITION

Senators Skeptical About U.S. Meeting With Chinese

WASHINGTON (AP)—Sen. George (D-Ga) said today that Russia, by winning a seat for Red China at the forthcoming Geneva conference on Far Eastern problems, may have gained her only real objective of the Berlin Big Four talks.

George, top Democrat on the Senate Foreign Relations Committee, said in an interview he regards this action as giving the Chinese Communists "a foot in the door" toward eventual recognition by the United Nations and possibly by the United States.

"There is no question about it, the Russians have won an achievement," George said. "they may have achieved what was their only real objective at the Berlin conference—to get the Chinese included in discussion of Asia's problems."

Secretary of State Dulles, who reports on the Berlin talks to the Foreign Relations Committee in a closed session today and to the nation by radio and television tonight, has contended the United States got just what it wanted in arranging the Geneva meeting.

A number of Republicans have voiced skepticism at Dulles' action in agreeing to sit down with the Chinese Communists, despite his citing a written agreement that this would not constitute recognition of the Peiping regime by any nation which does not do so now.

The secretary briefed the House Foreign Affairs Committee yesterday and, Chairman Chiperfield (R-Ill) said in a statement, reported that:

"He had made clear the United States would in no case recognize Communist China and that it should not be given the right to be talked to except on Korea and Indochina where Communist China had an interest as an aggressor."

Chiperfield also quoted Dulles as saying Soviet leaders have "worked themselves into a situation from which there is no escape," and that unrest in Soviet-occupied areas "is so great they do not dare give greater freedom for fear it will be used against them."

George said he doesn't see how some sort of recognition could be denied the Communists if any agreements were reached at Geneva either on Korea or on Indochina.

Batchelor On Way Home In Plush Airplane

TOKYO (AP)—Cpl. Claude Batchelor, a Texas ex-POW who changed his mind about staying with the Communists, left for home today aboard a plush military plane carrying 14 officers, including two generals.

Batchelor, onetime leader of a group of pro-Communist American prisoners who refused to return home, boarded the plane 35 minutes before the plane took off at 2:20 p.m. (12:30 a.m. EST)

Just before walking up the ramp Batchelor bade farewell to his Japanese wife, Kyoko, whose love letters played an important part in his decision to renounce Communism, he has said. She hopes to join him later.

Batchelor has been living at Tokyo Army Hospital since shortly after he asked an Indian guard for repatriation New Year's Day.

The corporal said he had no idea where the Army will send him after he lands at Travis Air Force Base near San Francisco (arrival time was not announced). He hoped to go home to Kermit, Tex.

"There's no place like Texas—especially West Texas—and it will be fine to get home," he said in an interview Wednesday.

One American who deserted the pro-Communist group—Cpl. Edward Dickenson of Cracker's Neck, Va.—will be tried by court-martial on a charge of informing on his companions while in prison camp in North Korea, the Army has announced.

Humphrey Would Stop Lowering Of Doles To Producers Of Butter

WASHINGTON (AP)—Sen. Humphrey (D-Minn.) today urged quick action by the Senate Agriculture Committee on legislation to hold up Secretary of Agriculture Benson's order cutting dairy support prices from 90 to 75 per cent of parity on April 1.

Humphrey and Sen. Thye (R-Minn.) sponsored a bill to prevent dairy support levels from being reduced more than five per cent at a time. It also specifies that dairy supports could not be placed below the level of support on feed grains.

McCARTHY TELLS CODE CLERK OF ACCUSATIONS

WASHINGTON (AP)—Mrs. Annie Lee Moss, Army Signal Corps employe, came before Sen. McCarthy (R-Wis) today and he told her he had a witness who "broke with the party last night" and named her as "a member of the Communist conspiracy."

McCarthy opened a hearing by his Senate Investigations subcommittee with a dramatic announcement that two Communist witnesses "broke with the party" last night and agreed to "give us all the information they had."

He said one of the two had named Mrs. Moss.

Then, questioning whether Mrs. Moss was "well enough" to testify, McCarthy warned her and her counsel that he would insist on grand jury action "if perjury is committed."

He suggested they leave the room to talk over whether she wanted to be a witness at this time.

Mrs. Moss, a gray-haired Negro of 48, wept as she and George E. C. Hayes, her counsel, walked from the room. She sat a few steps outside the hearing room while Hayes whispered to her.

Only yesterday, Hayes had told reporters that Mrs. Moss wished to testify and that her stand was that she was not and never had been a Communist.

He referred to testimony by a former FBI undercover informant that Mrs. Moss was a card-carrying Red in the 1940s.

McCarthy asserted at yesterday's session that Mrs. Moss handled "top secret" messages at the Pentagon. Later, the Army came out with a statement saying she never had "access to the codes . . . or the code books."

The Army said she had, however, worked in the communications center prior to Feb. 5 and in that job handled "unintelligible code messages, both classified (secret) and unclassified." It said she was transferred to another job Feb. 5 because of its own investigation.

In telling of the two witnesses he said "broke with the party," McCarthy said they are a husband and wife whom he had subpoenaed today as "hostile witnesses."

He said they sent word last night they "desired to break with the party," and asked not to be named publicly or to be asked to testify publicly.

He said he sent both of them to the FBI this morning to tell their story.

Addressing Mrs. Moss and her counsel, McCarthy said that in his eyes "this witness is not of any great importance."

He said it seemed "vastly" more important to him to learn "who in the Army, knowing her to be a member of the Communist party, promoted her from a waitress to a decoding clerk."

It was brought out yesterday that Mrs. Moss worked in a Pentagon cafeteria for a time prior to getting a job in 1950 with the Signal Corps.

Testimony On 'Confessions'

WASHINGTON (AP)—A Marine flier testified today the great majority of American airmen he met in Korean war prisoner camps had been told by their superior officers before their capture to tell the Communists anything the Reds wanted to know.

Maj. Walter R. Harris, recently decorated for courageously resisting pressure while a prisoner, told a Marine court of inquiry the airmen's instructions did not mean however, they should give false information such as germ warfare "confessions."

Caution Against New Optimism In Recovery Pope Pius In Rome

VATICAN CITY (AP)—Pope Pius XII spent "a fairly restful night," Vatican sources said today. Rounding out a month of illness, he remained under constant care.

The 77-year-old spiritual leader of the Roman Catholic Church has been confined to his Vatican apartment since Jan. 25, when he was stricken by severe gastritis that steadily weakened him. A round-the-clock watch established when he fell ill has never been lifted.

The Vatican newspaper L'Osservatore Romano printed a communique yesterday cautioning against too optimistic reports on the Pope's convalescence.

More Tremors Are Shaking Pennsylvania

WILKES-BARRE, Pa. (AP)—The second series of earth tremors in three days damaged hundreds of homes and broke up streets last night in a five-block area where anthracite mines honeycomb the earth.

The shock sent hundreds of persons, many of them in nightclothes, fleeing to the streets shortly before midnight in this tremor-conscious city of 86,000. Police reported no one was injured.

Several residents reported hearing underground explosions at the time of the disturbance. The Woodward colliery of the Glen Alden Coal Co. has hard coal workings 400 feet under the surface of the area. The mines were closed after similar tremors Sunday.

The upheaval cracked foundations, walls and windows of homes and raised some sections of pavements as high as a foot or more. Fences were pushed over. One garage attached to a home was pulled away several inches.

There was no estimate of the total damage.

Oil Companies To Talk Business With Iran

TEHRAN, Iran (AP)—Finance Minister Ali Amini announced today a 40-man committee representing major oil companies is to visit Iran next month for negotiations on the transportation and sale of Iranian oil.

Eight companies—three European and five American—have been talking over ways of channeling Iranian oil back into world markets. The flow has stagnated during the 3-year-old dispute between Britain and Iran over the nationalization of Iranian assets of the British-owned Anglo-Iranian Oil Co.

Shivers Is Protesting VA Office Shift

WASHINGTON (AP)—Gov. Allan Shivers of Texas protested today to Veterans Administrator Harvey V. Higley against a proposed transfer of the Dallas district office of the Veterans Administration to Denver.

The consolidation, Shivers said, would prove a great inconvenience to tens of thousands of veterans in Texas, Louisiana and Mississippi now served out of Dallas.

Shivers called on Higley after conferring last night with Rep. Frank Wilson. The Dallas congressman last week discussed the situation with Higley and told newsmen later he was convinced the administrator intended to announce the merger plan this week.

Soviet Munitions Plant Reported Blown Up

BERLIN (AP) — The Information Bureau West (IWE) reported today that a Soviet zone munitions factory at Schoenebeck on the Elbe River blew up, killing five German workers.

The incident occurred about a week ago and inquiry has shown some evidence of sabotage, IWE added. The factory turns out ammunition for East German Communist police and troops, the agency said.

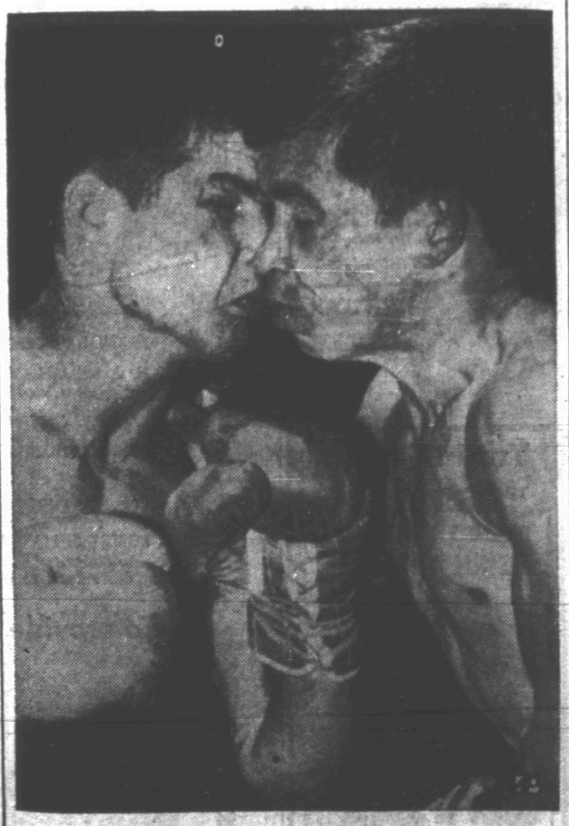

Mild Weather Tuesday

Mild temperatures continued here yesterday, according to Mrs. D. P. Strayhorn, weather observer, who reported a high for yesterday of 63, low of 41, and a reading of 43 at 7:30 o'clock this morning.

WEATHER

NORTH CENTRAL AND WEST TEXAS: Fair this afternoon, tonight and Thursday. Warmer this afternoon.

EAST AND SOUTH CENTRAL TEXAS: Fair and mild this afternoon, tonight and Thursday. Gentle to moderate mostly west and southwest winds on the coast.

NO HARD FEELINGS

It might appear that these two fighters are on the friendliest of terms but actually it is close-in action during the third round of their Golden Gloves final bout in the Texas state tournament in Fort Worth Monday night. Duggie Jameson, left, of Amarillo, took the decision from Frank Valdez, San Antonio. Jameson will represent Texas in the Chicago tournament. The fighters are bantamweights.

Fugitive Tossed Out Of Warren Hearing

WASHINGTON (AP)—Roderick J. Wilson, described by the Justice Department as a fugitive from justice, was taken into custody by Capitol police today as he pressed a demand to be heard by the Senate Judiciary Committee on Earl Warren's nomination to be chief justice.

Sen. Langer (R-ND), the Judiciary Committee chairman, told a reporter: "This feller showed up and I called police and asked them to arrest him as a fugitive from justice."

Langer said police at the Senate "called the fugitive squad" of Washington metropolitan police "but nobody had a warrant." The senator said he also immediately notified Deputy Atty. Gen. William P. Rogers that Wilson was here.

Reaching the Capitol shortly before a committee meeting on Warren's nomination, Wilson told newsmen he had put himself into the protective custody of Capitol police. He scoffed at charges made by Rogers last week that he was a fugitive from justice.

"There has been a mistake some place along the line," he said. "Sen. Langer has been told, as a result of malicious gossip, that I am a fugitive. There was a mistake all around."

Langer had said earlier that he had received telegrams from Wilson and Burr McCloskey saying they would be here for today's committee session and asking to be heard.

Unevaluated charges by the two men had been read into the record of the hearings on Warren last week and Langer had said he personally favored letting them testify.

But he said he would leave it up to the committee to decide whether to take further testimony or to act on Warren's nomination, submitted to the Senate for confirmation by President Eisenhower last Jan. 11. Warren has been serving since last October under an appointment made while Congress was not in session.

Sen. Watkins (R-Utah), a committee member, told newsmen "I think the American people will be outraged if we don't act." He said he would move to report the nomination favorably to the Senate, unless some other committee member beats him to it.

Senate GOP Leader Knowland of California said he expected the committee to approve the nomination of the former governor of his state, adding that he hopes to bring it up in the Senate before the week's end.

Junior Livestock Show Opens At County Park Here Friday

Dozens of 4-H Club members and Future Farmers of Scurry County will be gathering tomorrow at Towle Memorial Park's livestock show, which will be held Friday and Saturday.

The entrants will take their steers, barrows, and sheep to the showplace tomorrow to get them ready for the judging, which begins early Friday morning.

Stanley Anderson, member of the Texas Tech agricultural staff and head of that school's livestock judging teams, will be here Friday to begin judging.

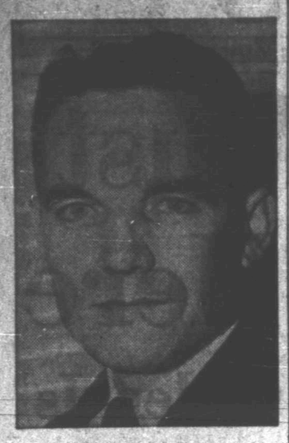

At 8:30 o'clock Friday morning judging will start on barrows, while judging of lambs will start at 10 o'clock that morning and of steers at 3 o'clock that afternoon. On Saturday, sales of show animals will be held, with Houston Glasson of Lamesa serving as auctioneer. The floor price will be set in the sale at 1:30 o'clock Saturday, and the auction will begin at 2 o'clock.

Cash prizes will be awarded in each division. The fat barrows are divided in classes of light and heavy weights, with first prizes in each $15 and other prizes all the way down to $1. Prizes from $10 down will be awarded for the best pen of three barrows. The grand champion barrow will get a $25 prize, while the reserve champion will get $15.

Sheep are broken down into the light and heavy crossbred and light and heavy fine wool classes. Prizes in each bracket of both the fine wool and crossbred run from $10 down to $1. Prizes of $25 for the grand champion and $15 for the reserve champion have been designated, while the champions in the crossbred and fine wool classes will each receive ribbons and there will be a banner for the best club or chapter pen of 10 in each division.

For fat steers, prizes run from $40 down to $7.50 in each of the light and heavy classes, while the grand champion will get $65 and the reserve champion $35.

In all divisions, cash prizes will be given as exhibit awards for neatness of pens. These prizes will run from $5 down to $3, while a show ring award of $5 will be given in each division. A $5 showmanship award also will be awarded in each division.

ROBERT A. TAYLOR
. . . here from Abilene

Taylor Named New Manager For Penney

Robert A. Taylor, an employe of J. C. Penney Co. since 1937, came here from Abilene this week to assume duties as manger for the Snyder Penney Store.

Taylor succeeds Jim Mixon, who resigned to enter private business. Mixon, manager here for the past several years, recently purchased Babb Tire & Supply Store.

The new manager is 34 years old. He was born in San Antonio. Just after graduating from high school at Uvalde in 1937, Taylor became a Penney employe there. He remained there until 1942, when he went to Del Rio for about one and one-half years in another Penney store.

Taylor then went into the Air Force, serving two years. He was discharged at the end of World War II, and he went back to the Del Rio store, remaining there until 1950. He then went to the Abilene store as assistant manager, where he remained until moving to Snyder.

Taylor is a member of the Junior Chamber of Commerce. He served as president of the Del Rio Junior Chamber.

The manager is married and has two children, Barbara Marie, 14, and Robert, Jr., 12.

Chamber Leaders Back From Fort Worth Meet

Six Snyder men yesterday attended a local chamber of commerce leaders' workshop in Fort Worth.

They were H. W. Cargile, chamber president here, Frank Wilson, J. T. Hughes, Claude McCormick, H. F. McCormick, and Bob Crowell.

After a general session of all attending yesterday morning, the chamber representatives from various cities broke up into roundtables. Cargile attended a session on maintenance of economic health and prosperity, while Hughes went to one on organizing for better government and Wilson and Crowell to a roundtable on community betterment through education. Wilson participated in the program of that session, telling of the adult education program in the Snyder schools.

At luncheon, the group heard Charles W. Harbaugh, manager of the domestic distribution department of the U. S. Chamber of Commerce, speak on the objectives and functions of the national chamber.

Mau Mau Situation Becoming More Serious In East Africa

LONDON (AP)—A spell that anti-white Mau Mau terrorists cast on Kenya in 1952 with knife, torch and witch doctor ritual is growing despite a bomber-backed campaign to crush the rebellion, a British parliamentary delegation reports.

A drastic shakeup of the East African crown colony's police was proposed by the six-man, all-party delegation yesterday to help cope with the bloody uprising that some British experts say may last a generation.

Fresh from an 18-day survey of the fertile land where British security forces each month are killing off about 300 of the terrorists and capturing 150, the delegation said there was danger the movement to drive out the whites and kill loyal tribesmen would spread beyond the Kikuyu area where it was born.

The 1¼ million Kikuyus number almost a fourth of Kenya's African population. It is among those tribesmen—who till the fields around Nairobi, the capital, and work as laborers and servants for the whites—that the Mau Mau has done its recruiting by a combination of persuasion and violence.

"The influence of the Mau Mau in the Kikuyu area, except in certain localities, has not declined," the parliamentary delegation said. "It has, on the contrary, increased. In this respect the situation has deteriorated and the danger of infection out side the Kikuyu area is now greater, not less, than at the beginning of the emergency."

Cases of brutality and corruption were cited among the colonial civil forces allied with British troops in the fight against the Mau Mau, and the report said:

"Reorganization of the police, from the highest level downwards, should be accompanied by stern action to enforce discipline."

Publication of the report appears certain to touch off a hot debate in the House of Commons on the colony, a country of 224,960 square miles which lists coffee, tea, cotton and grain among its principal exports.

Colonial Secretary Oliver Lyttelton arranged to fly to Kenya Saturday for another review of the political and military strategy. Field Marshal Sir John Harding, chief of the imperial general staff and Britain's top soldier, will accompany him.

Lyttelton's methods of handling the campaign have been widely criticized both in Kenya and in Britain. Many among the colony's 42,000 whites contend the campaign is not tough enough. They demand an emergency war cabinet to run the country. But British Laborites insist strong-arm methods already in use have hindered, not helped, the British cause.

An army totaling 34,000 men—10 battalions of British troops and the King's African Rifles, 8,000 regular police and 20,000 part-time police—is battling the Mau Maus.

Twelve British bombers, pursuing an aerial campaign instituted last April, are herding them out of the highlands so the troops can get a crack at them.

Authorities estimate that 3,400 Mau Mau have been killed since the outbreak of the rebellion. Of perhaps 1,000 captured, 100 have been hanged for murder. Jails are crowded with 30,000 Kikuyus suspected of having taken the Mau Mau's blood oath.

Some 700 civilians, including 16 whites, have been killed by the Mau Maus.

Snyder Youths Are Indicted Yesterday

A Snyder man and two others accused of seriously beating the Fisher County sheriff when they escaped from jail at Roby Dec. 15 were indicted by the grand jury there yesterday on charges of assault with intent to murder and with two night-time burglaries during their flight.

The grand jury yesterday afternoon returned indictments against John B. Tarleton, Jr., 22, of 2212 Avenue S, Snyder; Hughie Jack Pitts, 20, and Amos Benny Bolton, 22, both of Dallas. Bolton and Pitts have served sentences in the state prison at Huntsville, and Tarleton has served part of a six-month sentence here for driving while intoxicated.

At the time of their escape from the jail in Roby, the trio and another Snyder youth, Floyd Gilbeth, 17, who did not escape, were being held on charges of burglarizing the C & C Drug Store at Rotan. Tarleton and Gilbeth were indicted yesterday on charges of this burglary.

The recent indictments allege the trio burglarized two farm homes during their two days of freedom. Both homes are located along the route of their flight in Fisher County.

The trio was arrested at noon Dec. 17 between Sweetwater and Trent after officers and citizens from several counties searched extensively throughout the area. The escapees were tracked by bloodhounds.

The assault charges allege the men attempted to kill Sheriff R. L. (Bogue) Wilkins, beating him with shotguns and other weapons.

District Judge Owen Thomas set hearings on the cases of the four men for March 8.

District Attorney Bill Tippen will be assisted in prosecuting Pitts, Bolton, and Tarleton, on the assault charges by a special prosecutor, Roy Formway, former Fisher County attorney and county judge.

Crashed Plane Is Discovered

BIG SPRING (AP)—The bodies of two Air Force lieutenants were found yesterday in the wreckage of their training plane which had been missing from Webb Air Force Base near here since Monday.

Dead were 1st Lt. Harold E. Rodgers, 30, Vernon, Tex., and 1st Lt. Ray E. Badertscher, 28, Sharonville, Ohio.

The wreckage was sighted from the air, six miles north of Big Spring, by one of 31 Webb planes that made a search through most of two days.

Dust hampered the search Monday.

An emergency convoy from the base searched the wreckage. Members of the party said the pilots, both instructors, had been killed instantly. The cause of the crash was unknown.

Col. Frank M. Dean, commanding officer at Webb, said a board of officers was investigating the crash.

The plane, a propeller-driven T-28, was on a routine instrument flight.

OIL NEWS

(Continued from page 1)

oil. The section from 9,922.4-931.9 feet was white lime, the section from 9,931.9-965 feet brown and gray lime with shows of oil.

WELL TO DEEPEN

The Alamo Corp. of Lubbock has filed application to deepen its No. 1 Kuykendall, a wildcat failure in Central Garza County.

The project did not find commercial production in drilling to its present depth of 3,400 feet. It is now to be deepened to 4,000 feet.

Location is three and one-half miles northwest of Post and in section 1235,AB&M survey.

SCURRY COUNTY

Fred Goodstein No. 1 W. F. Mathis, Northwest Scurry tester, is reported to be flowing oil at the rate of 16 barrels per hour from perforations opposite the Strawn at 7,852-858 feet.

Casing was perforated previously at 7,912-916 feet. The well flowed 170 barrels of fluid in 16 hours from that interval. The fluid was cut with 13 per cent salt water, the remainder being oil. Those perforations have been squeezed off.

Lone Star No. 1 Harrell, Northeast Scurry wildcat, is drilling in shale below 6,107 feet.

Texaco No. 7 M. A. Fuller, North Scurry exploration, is at total depth of 2,685 feet and preparing to pump through perforations at 2,276-286 feet and 2,292-298 feet.

DRILLING REPORT

Stanolind Oil 1 Gas No. 1 Dyer, Dawson wildcat, is drilling in Spraberry lime and shale below 7,587 feet. A drillstem test from 7,450-490 feet recovered 30 feet of mud with no shows of oil, gas or water. All pressures were zero. The tool was open one hour and 45 minutes with a weak blow for three minutes

British American No. 1 Beal, South Borden County wildcat, is drilling in lime and sand below 6,398 feet. Falcon Seaboard No. 1 Clayton & Johnson in Northwest Borden County is drilling in sand and shale below 7,489 feet. Seaboard No. 1-A Zant in South Borden County is drilling in lime and shale below 5,855 feet.

SACROC Foe Seeks To Stall Program Here

Oral arguments were heard by the Railroad Commission in Austin yesterday pertaining to a rehearing on the commission's recent order of field rules for the Scurry Area Canyon Reef Operators Committee repressuring program in the Kelley-Snyder field.

The order, issued Jan. 18, authorized SACROC to go ahead with its plans in the secondary recovery program. Hicks Allen, unit manager here, said the unit is now acting in accordance with those field rules. Brown & Root, Inc., which is constructing plants for SACROC to be used in the program, is now at work on all the plants, he said, commenting that the construction firm is progressing rapidly.

Allen said he has no idea what action the commission will take on the protest, which was made by attorneys of W. A. Moncrief of Fort Worth and others, who have been fighting the unit program here since it began. Attorneys on both sides argued before the commission.

Allen said the unit is now completing the testing of wells here for application of transfer of allowables according to procedures set up by the commission in its field rules.

Dignitaries To Start Arriving On Thursday

Ticket sales for the annual chamber of commerce banquet and meeting have not slacked off yet, and with the banquet two days away, more than 900 tickets are out.

The banquet will start at 6:45 o'clock Friday night at the high school cafeteria, and as the crowd is fed it will move on to the high school auditorium, where the main program will be held.

Guests coming here for the banquet will begin to arrive here tomorrow. Among the first to arrive will be Mr. and Mrs. Phil Regan from New York City, who are expected here sometime tomorrow. Regan will present the main entertainment at the banquet.

At about 2 o'clock Friday afternoon, Governor Frank G. Clement of Tennessee, main speaker for Friday evening, will arrive here. Clement and his wife will be brought from Fort Worth by C. T. McLaughlin to his Diamond M Ranch in Southwest Scurry County.

Expected at about 4 o'clock Friday afternoon are Maj. Gen. Roger Ramey, director of Air Force operations, who was banquet speaker here in 1950. Coming with him is Brig. Gen. Joe Kelley.

All available tickets are expected to be sold by Friday afternoon. The auditorium will hold about 1,100 persons. The tickets, which cost $3, are available at the chamber office.

D. E. Students Leave For State Convention In Galveston Today

Nine members of the Snyder Distributive Education Club left at 3 o'clock this afternoon for Galveston where they will attend the state Distributive Education Convention for the next three days.

Roland Chadwell, a member of the delegation, is a candidate for election as a Texas delegate to the national DE convention.

The convention will be held in the Buccaneer Hotel in Galveston.

Attending are to be Jo Ann Henderson, Henry Beckett and Chadwell, who will serve as voting delegates. Houston McMillen, Delores Stewart, Robert Childress, Dwayne James, and Richard Evans will help put on a 45-minute skit before the state delegates.

Safer Cough Relief

When new drugs or old fail to help your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. It goes into the bronchial system to aid nature soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please or your druggist refunds money. Creomulsion has stood the test of many millions of users.

JOHN S. STEELE
. . . from Texas City

New Manager In Sears Office

John S. Steele, formerly of Texas City, has become manager of the Sears, Roebuck & Co. catalog sales office here.

Steele, 24, succeeds Mrs. Jewel Barton, who had held the post since the store opened in November, 1951.

A native of Kingsville, Steele graduated from high school at Beeville in 1947. He later served three and one-half years in the Air Force, being discharged as a staff sergeant.

Steele has been employed by Sears for about a year in the Texas City catalog office.

The new manager, his wife, and their 18-months-old daughter Sharon, are now living in West Snyder.

WOMEN

Visiting here from across the Atlantic is Mrs. Fernand Davount, shown at left, who holds her nephew, Michael Busbee. Shown at right is her sister, Mrs. Ray Busbee, East Highway. The sisters are both from England. (Staff photograph)

SOCIETY SCRIBBLINGS

Here only five days and already vastly impressed with Texas hospitality is Mrs. FERNAND DAVOUNT of London, England, who came by plane to visit her sister, Mrs. RAY BUSBEE, who lives on the East Highway.

The contrast between the people she encountered at a New York airport and those at the Fort Worth air terminal left her enthusiastically for Texans.

In New York she felt as if she were being brushed off, she said, while in Fort Worth people were kind, well-mannered, and friendly. That people living in the same country could appear so different amazed Mrs. Davount.

It appears to her that Texans have the attitude "don't let Texas down." Since most foreign visitors arrive first at New York City, she believes that if New Yorkers would adopt this pride of state it would result in better good will toward the United States.

The latest in American music, folk songs included, is enjoyed by Londoners, who prefer American music to their own, said Mrs. Davount. Tennessee Ernie is one of the American entertainers well liked there.

She attended the folk music performance Friday night at the high school and came away admiring the auditorium and the "clean lines" of the building. Also, she has seen several of the supermarkets here, of which London has few, and she is only slightly less than infatuated with them.

Mrs. Davount met her husband, who is French, in a bomb shelter beneath a church during a 1941 air raid. Three months later, before either was well acquainted with the language of the other, they were married in the same church.

At the time France fell to the Germans, Mr. Davount was aboard a tanker in the French merchant navy which docked at England shortly afterward. The Frenchmen were told they could go home to forced labor for the Germans, or stay and fight. Mr. Davount remained with the Free French Navy, serving on a submarine and also on a French Corvette.

As her husband's relatives live in LeHavre, France, Mr. and Mrs. Davount visit them there. They have been also to Paris and Dauville, a resort center on the Normandy coast.

Her Royal Majesty, Queen Elizabeth, and Prince Phillip were seen by Mrs. Davount two days after the coronation when they passed in a parade before the store where Mrs. Davount is employed. She snapped a picture of the royal car, but caught only a portion of the queen's hat and the top of Prince Phillip's head, the heads of the royal couple being partially hidden by the top of the car at the instant the shutter clicked.

The royal pair are very popular in England, where with no disrespect intended, Prince Phillip is called "Phillip" and is regarded as "one of the boys," said Mrs. Davount.

The tradition of the monarchy as it is established in England, Mrs. Davount prefers to our form of government. She believes that it will always be so there.

Marks and Spencer, the department store where Mrs. Davount is employed in London is a source of disappointment to the advertising business. The company, which has many branch stores in London, refuses to advertise, allowing the efficiency of its service and the quality of its merchandise speak for itself, said Mrs. Davount. The clerks who work there are rigidly trained and Mrs. Davount is proud to work for the company, she said.

Mrs. Davount plans to leave for England March 26.

Mr. and Mrs. Busbee have been Snyder residents for over five years. They have two children, Richard, 7 and Michael, 2. Despite occasional homesickness, Mrs. Busbee likes Snyder as much as does her sister.

BOB DONALD BILLINGSLEY of Dunn, the son of Mr. and Mrs. CLYDE BOLDING, is one of 72 students selected for possible casting future shows at the University of Texts Radio House and television studio. He is a graduate of Snyder High School and a sophomore student at the university.

* * *

On her eighty-first birthday last Saturday Mrs. L. N. PERIMAN, 3011 Avenue V, was surprised when her seven children, and her only grandson gathered from various parts of the state to honor her with a candlelight supper. They remained to spend the week-end.

Honoring her were a daughter and son-in-law, Mr. and Mrs. OTT NANCE of Justiceburg; another daughter and son-in-law, Mr. and Mrs. J. D. MITCHELL of Seminole; her son and grandson, CARL PERIMAN and PHILLIP PERIMAN of Amarillo, and her daughters, Mrs. LENA PIERCE of Clovis, Mrs. ESTER BELL of Corpus Christi, Mrs. GRACE KING of San Antonio, and Miss VERA PERIMAN of Snyder.

Ever-Fresh!

For Easter, sew this little two-piece with three-quarter sleeves. Later, add a breath of fresh air to your summer wardrobe with the short sleeved version. (Choice of sweetheart neckline or collared versions!)

No. 2863 is cut in sizes 12, 14, 16, 18, 20, 36, 38, 40. Size 16; Short sleeved, collared version, 4⅝ yds. of 35-in.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-8688.

If you have not yet tried smoked shrimp you are due for a pleasant taste surprise when you do. With a bottle of liquid smoke they are easy to prepare. Serve with or without sauce, as you prefer. For a stronger smoke flavor, allow the shrimp to stand in the cooking water until liquid and shrimp are cool. Smaller shrimp take up the smoke flavor quicker, so adjust soaking period to size of shrimp and amount of smoke flavor desired.

SMOKED SHRIMP

3 pounds frozen shrimp
water
4 tablespoons liquid smoke

Thaw shrimp. They should be separated. They can be cooked while still frozen but they should not have ice crystals hanging onto them. Place shrimp in a large kettle. Cover with hot water. Add the liquid smoke. Stir back and forth with a wooden spoon to mix. Start cooking over moderate heat. When water begins to bubble around the edges, increase heat to high. Bring to the boiling point. When you have a full boil, then boil for three minutes. Remove at once from heat. Let shrimp cool in the liquid. When liquid is lukewarm, start shelling the shrimp. You may remove the complete shell or leave the tail on. When shrimp are cool, remove black vein down the back. (There is less danger of the shrimp breaking when cold.)

* * *

BROILED SMOKED SHRIMP

Cook shrimp as you ordinarily do. Clean as usual. Brush shrimp with butter mixed with liquid smoke to taste. Broil on both sides, about three inches from broiler heat. Will take about two minutes on each side.

* * *

MILD SHRIMP SAUCE

½ cup catsup
2 tablespoons lemon juice
1 tablespoon grated onion
2 tablespoons mayonnaise or salad dressing
1 teaspoon Worcestershire sauce
¼ teaspoon salt
Dash pepper

Combine all ingredients and chill. Serve over or with shrimp.

* * *

HOT SHRIMP SAUCE

¾ cup chili sauce
¼ cup finely chopped celery
1 tablespoon lemon juice
1 tablespoon horseradish
½ teaspoon salt

Combine all ingredients and chill. Serve over or with shrimp.

* * *

SMOKED SHRIMP SALAD

¾ pound shrimp, cooked by liquid smoke method
1 cup chopped celery
1 tablespoon grated onion
2 tablespoons chopped sweet pickle
½ teaspoon salt
Dash pepper
¼ cup mayonnaise or salad dressing
Lettuce

Cut large shrimp in half. Combine all ingredients, except lettuce; chill. Serve on lettuce. Serves six.

PERSONALS

Pvt. Robert A. Minton is visiting his parents, Mr. and Mrs. Louie Minton, 1111 Thirty-first Street. Pvt. Minton will leave Snyder March 4 to report to signal school at Fort Monmouth, N. J.

Mr. and Mrs. Robert R. Patterson, Sr., 224 Thirty - third Street, attended the golden wedding anniversary celebration in Rotan Sunday of Mr. and Mrs. H. C. Shelton. Shelton is publisher of the Rotan Advance.

Miss N. L. Hodges of Roscoe is visiting her sister and brother inlaw, Mr. and Mrs. Bill Sealy, 403 Thirtieth Street.

Elza Haney of Nocona was taken by Bell ambulance yesterday from Cogdell Memorial Hospital to a Nocona hosptial.

Linda Horn Feted On Sixth Birthday Here

Linda Horn, daughter of Mr. and Mrs. Douglas Horn, Lamesa Highway, was honored on her sixth birthday with a western party given by her parents at the recreation hall of the Snyder Gasoline Plant.

The guests were dressed as cowboys and cowgirls. After games were played, refreshments of cake and punch were served to the guests who were Porky and Dansy Williams, Johnette Richardson, Lary and Randy McFall, Scott and Karen Kirk, Tommy and Paula Avant, Eddie Kirby, Jimmy and Johnny Bridges, Kay Hutchins, Mary Ford, Melanie McConnell, Marie Churer, Douglas Horn, Jr., and the honoree.

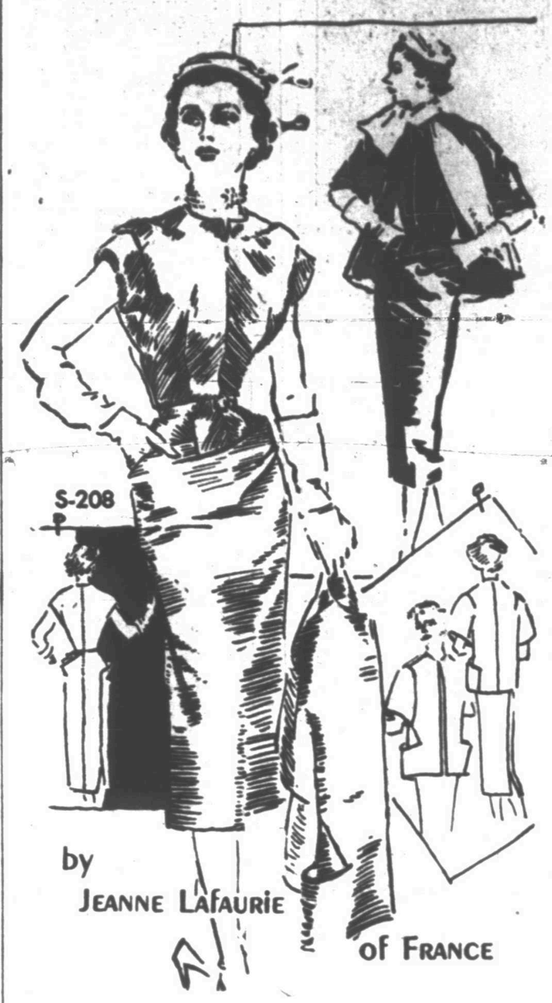

Alpha Study Club With Mrs. Melton

The Alpha Study Club met Tuesday at the home of Mrs. Bob Melton, Lubbock Highway.

"Texas Builders of America" was the subject on which Mrs. Frank W. Wilson gave a talk. Mrs. J. M. Milam gave a talk on "Noted Texans of Yesterday," and Mrs. G. Edward Bolger spoke on "Noted Texans of Today."

Eighteen members were present.

INTERNATIONAL DESIGNERS PATTERN

Fashion smiles this season on the dress with its own jacket, and Jeanne LaFaurie's chic ensemble is so right for this smart look. The dress is a wonderfully designed garment—a hit of breadth across the collar bone with short capped sleeves, a skirt which seems intricately wrapped and manipulated to keep the tummy flat. The jacket follows the same shoulder line as the dress. The costume was originally made in a gray silk shantung with an attached flowing scarf of white cotton jersey. Any similiar combination of color and contrast of texture would insure an equally dynamic effect. Size 12 requires five and one-eighth yards of 39-inch material for the dress and jacket and one and three-quarter yards of 39-inch material for the lining. To order the pattern, No. S-208, send $1 to International Designer's Patterns, P. O. Box 535, Dept. SX-13, G.P.O., New York 1, N.Y. Be sure to state your size, using these measurements as a guide:

BUST	WAIST	HIPS	SIZE
34	24	36	10
35	25	36	12
36½	26½	37½	14
38	28	39	16
40	30	41	18

Slapping Brings Drop

LITTLE ROCK (AP) — A veteran Little Rock policeman was demoted from the rank of detective sergeant to patrolman for slapping a Negro witness in a manslaughter case.

Police Chief Marvin H. Potts said Sgt. J. W. Cox's demotion was effective yesterday.

Pros Finally Getting Worried About Do-It-Yourself Trend Now

LOS ANGELES (AP)—Painting and decorating contractors of America, here for a four-day convention, have been urged by their president to improve their sales and merchandising promotion to offset the "do-it-yourself" trend among home owners.

Richard H. Bohl, Columbus, Ohio also told the 600 delegates, at the opening meeting yesterday, to promote deferred payment plans for painting and decorating.

Another speaker, Gordon McKay, Buffalo, N. Y., said the do-it-yourself promotion "by paint manufactsrers has dealt a serious blow to our apprentice training program." He asked, "How can we get young men to spend three years learning to be a painter when they read on a can that they can be experts in five minutes?"

WED HERE LAST WEEK

Mr. and Mrs. Albert Lee Moon, are on their honeymoon in Walters, Okla. Mr. Moon is in the Navy and will report for duty at Long Beach, Cal., on March 12. The couple will make their home there. They were married here Thursday at the First Baptist Church. Mrs. Moon is the former Miss Ila Jean Browning of Hermleigh. (Craft Studio photograph)

Special On Stamps

LA SALLE, Ill, (AP)—Postmaster Edward Duffy was urged by an unidentified postcard writer yesterday to check the stamp machine in the lobby of the La Salle post office.

"It seemed to me," the writer told Duffy, "That you had a Washington Brithday special on the 3-cent stamp-5 for 10 cents. I got 5 3-cent stamps for 10 cents, so I owe the government 5 cents. I am attaching 3 cents, and I spent 2 cents on this card."

Three pennies were attached to the postcard with gummed tape.

Raschi Becomes Highest Paid Pitcher In League's History

ST.PETERSBURG, Fla. (AP)—Ex-Yankee pitching star Vic Raschi, unloaded by the world champions for alleged "complacency," was tabbed today as the fellow who might fire his new club, the St. Louis Cardinals, to a National League pennant.

The stunning announcement of Raschi's sale by the Yankees to the Cardinals for $75,000 was made yesterday after he was surprisingly waived out of the American League.

Redbird Manager Eddie Stanky was quick to declare jubilantly: "The acquisition of Raschi should make the Cardinals a definite pennant threat. He will be our No. 3 starter behind Gerry Staley and Harvey Haddix. I look for him to win from 12 to 16 games. I also look for him to beat Brooklyn, the team that must be beaten for the flag."

Everybody appeared happy over the deal except New York Manager Casey Stengel, who reportedly was in disagreement with General Manager George Weiss over the disposal of a pitcher who had helped him win five straight world championships.

Stengel reluctantly agreed to the sale only after he had become convinced that the veteran pitcher and the front office could never amicably settle their salary dispute. When he was informed that Raschi had intended to get in touch with Yankee officials yesterday morning but had postponed it because of other pressing matters, the old skipper really burned.

"If he only had contacted us," Casey growled, "he'd still be a Yankee today. I'd see to that. But no, he had to sit on his high horse and refuse to meet us halfway."

Weiss said in explaining the sale:

"I don't want to make Raschi the whipping boy, but there is an attitude of complacency on the club. Some of the players have become independently wealthy through the winning of five straight championships.

"Some of the players acted as if they were the employers and the club the employe."

Weiss was referring to the stubborn refusal of Raschi and other Yankee holdouts to meet with club officials to discuss their salary differences. Raschi, who dropped from 21 victories in 1951 to 16 in 1952 and 13 last year, had steadfastly ignored a contract calling for a 25 per cent cut on his $40,000 salary for 1953.

Neither club was willing to disclose the sale price but it was reliably learned that the cash involved was $75,000 in addition to two minor league players who would be acceptable to the Yankees and who would be delivered later.

The Cardinals, elated by the acquisition of a proven right-hander who they feel plugs one of their most glaring weaknesses, apparently weren't the least bit fazed by Raschi's healthy salary demands. It took them less than half an hour to come to terms with the big pitcher, who signed a contract reportedly calling for $40,000. This would make him the highest salaried pitcher in National League history.

Kid Gavilan Hacks Out Win

MIAMI BEACH, Fla. (AP)—Welterweight champion Kid Gavilan reacted to the boos of the crowd and hacked out a unanimous but dull decision over Johnny Cunningham of Baltimore last night in a 10-rounder at the Miami Beach Auditorium.

It was a tuneup for Gavilan's meeting with Bobo Olson for the middleweight title April 2 in Chicago and the Kid said he needed the exercise. But the ringsiders who paid $8 for seats thought he could have given them more action for the money.

The crowd of 4,055 booed Gavilan several times in the early rounds and in the fifth Referee Eddie Coachman warned the fighters to mix it up.

When Coachman called for action in the fifth, Cunningham began forcing the fight and he drew the first cheers from the crowd when he rocked Gavilan with a slashing attack in the seventh.

The champion took the initiative in the eighth and pressed the fight the rest of the way. Gavilan weighed 156½, Cunningham 152.

Bratton And Saxton Battle

PHILADELPHIA (AP) — Johnny Saxton and Johnny Bratton meet here tonight in a 10-round scrap at the arena tentatively billed as the first of a welterweight title elimination series.

The "tentative" description would become permanent if welter king Kid Gavilan should beat Carl (Bobo) Olsen in their coming battle for the middleweight crown. The 147-pound title then would be vacant and up for grab by the likes of Saxton, Bratton, Carmine Basilio and Billy Graham.

Should Gavilan lose in this effort to annex the middleweight title, the Saxton-Bratton winner still would be in a good position for a title shot. A sellout crowd in excess of 7,500 is expected for the nationally televised (CBS) bout at 10 p.m., EST.

The 23-year-old Saxton, from Flushing, L. I., ruled an early 9-5 favorite over the 28-year-old Chicago veteran.

The full house is drawing as much attention as the fight in view of promoter Herman Taylor's oft-expressed opinion that television is ruining boxing gates. Taylor has reluctantly joined with the international boxing club of New York in promoting a once-a-month TV fight from Philadelphia. His face was slightly darker than pink yesterday when he admitted the fight looked like a sellout.

The fight is not being blacked out in the Philadelphia area.

Saxton has won 43, lost 2 and fought 2 draws as against a 59-21-3 log for the more experienced Bratton. The first will be decided on the basis of rounds. The point system is not used in Pennsylvania.

Junior Colleges To Decide Championship

TYLER (AP)—Tyler Junior College and Lon Morris meet here tonight to decide the championship of Region 14 junior colleges.

Tyler defeated Paris 77-62 and Lon Morris whipped Wharton 89-61 last night to enter the finals.

The winner of tonight's game will play in the National Junior College Tournament at Hutchinson, Kan., next month.

The annual Greenbrier invitation golf tournament for amateurs and pros will be held May 6-9 at White Sulphur Springs, W. Va.

Pact Trouble Should Ease A Little Now

By GAYLE TALBOT

NEW YORK (AP)—You may look for the Yankees' contract troubles to diminish rapidly now that the boss of the world champions, quiet George Weiss, has reared back and acquainted Vic Raschi with some of the more unpleasant aspects of a holdout's life.

Instead of spending another pleasant summer at the local stadium figuring out how to dispose of a $6,000 World Series check, the big right-hander finds himself an outcast from the American League and headed for St. Louis, where the Cardinals, though ambitious and quick with a buck, are some years away from winning a pennant.

One imagines that the sudden change came as a jolting surprise to the big right-hander and that the lesson which Weiss obviously was imparting will not be lost upon those of his athletes who have been skulking around among the palms and waiting for him to meet their terms. In announcing the deal which sent Raschi away for $75,000 and two minor players, the Yankee general manager left no doubt that he was nettled at the demands being made upon him.

Raschi became the scapegoat, first, because he was the most expandable of the club's high-salaried veterans, and, second, because he has been a thorn in Weiss' sensitive hide every spring since he joined the club. Since 1951, when he last won 20 or more games, Raschi has steadfastly refused to be reduced from his $40,000 bracket, though his fast ball obviously was departing.

Several springs back a member of the Yankee official family, not Weiss, described the big pitcher to this writer as "the meanest holdout in baseball," and he spoke with much feeling. We do not doubt that some of this feeling went into yesterday's deal.

As Weiss conceded frankly, he was not sore enough at Raschi to have dealt him to another contending club in the American League. Vic still is too respected a competitor for that. It plainly was because they realized this that the Chicago White Sox, for one, did not shoot in a claim when waivers were asked. They knew that Weiss would quickly withdraw the pitcher, as he is entitled to do twice under the waiver rule before it is for keeps.

JUBILANT BABE

Babe Zaharias throws her arms up in jubilation after winning the Serbin Women's Golf tournament in Miami Beach, Fla. The Babe shot a 74 for a total 72-hole score of 294. Patty Berg was second with 295. It was Mrs. Zaharias' first tournament victory since an operation for cancer 10 months ago.

Weaver Must Replace Lost Seniors On 11

LUBBOCK (AP)—Replacing seven of Texas Tech's Gator Bowl starters will be Coach Dewitt Weaver's principal task as he opens spring training.

In the 20 sessions, Weaver must find two ends, two guards, two halfbacks, and a tackle to fill in his starting lineup.

Only returnees to the starting lineup from the team that led the nation in scoring, captured the Border Conference title, and won from Auburn in the Gator Bowl are tackle Jerry Walker of Pampa, center Dwayne West of Fort Worth, quarterback Jack Kirkpatrick of Post and fullback Jim Side of Lubbock. All four will be juniors next season.

Halfback is the hardest hit position. Besides Bobby Cavaos of Kingsville, runner-up nationally for individual scoring honors, Tech loses its next four ranking halfbacks.

Other graduating starters are ends Paul Erwin of Odessa and Vic Spooner of Colquitt, Ga., and tackle Jimmy Williams of Phillips. Guard Ray Howard of Childress, who would have been a senior, withdrew to enter the service.

Howard Payne Wins

BROWNWOOD (AP) — Howard Payne clinched its first Texas Conference basketball championship since 1941 last night with a 75-61 decision over McMurry.

Howard Payne has a 4-won, 1-lost conference record with a final game scheduled Saturday night against Texas A&I.

Volleyballers Lose Game To Abilene Here

Two Snyder girls' volleyball teams dropped games last night to Abilene, here, the A team 22-11 and the B team 44-20.

A team of 15 girls from the squad will be taken by their coach, Mrs. Bertie Machel, tomorrow to Big Spring, where the team will meet Andrews at 2 o'clock tomorrow afternoon in the first round of a 10-team tourney.

The volleyballers have improved in preparation for the tourney. Up to last night, their experienced opponents were beating them by overwhelming scores. The A squad, although it was defeated last night, held the score down and for some time gave Abilene close competition. Abilene led 12-9 at halftime.

In that game Sandra Scott scored six points, Doris Hataway two, and Carol McKinney, Mickey Gillean, and Ramona Thompson one each.

The Abilene B led the Snyder B 21-7 at halftime, then moved on out for a 22-point lead by the end of the game. Anita Burris was top scorer in that game with six points, while Myrle Wayne Neal and Joan Parks each had three and Oneta Forguson, Linda Smith, Gealene Robinson, and Paula Taylor each scored two.

The junior high volleyball teams will be back in action today when they meet squads from Big Spring in the junior high gym. The games were to start at 3:30 o'clock this afternoon, according to Miss Mary Lou Devenport, coach. The junior high will host a Lamesa junior team at 5:30 o'clock tomorrow afternoon.

In the Big Spring tourney, the high school team would advance to the quarterfinals by downing Andrews. In that game it would meet the winner of the game between Abilene and the winner of the Lamesa-Monahans game. If the squad were to win out there it would go into the semi-finals with one of four teams, Imperial, Plainview, Sweetwater, or Big Spring B. If it got to the finals, it would meet the finalist out of a bracket of 10 teams, Big Spring A, Pampa, Denver City, Forsan, Midland, Fort Stockton, Phillips, Seminole, Pecos, and Odessa.

Finals will be held in the tourney at 8:30 o'clock Saturday night, while matches for the consolation title and third place will be held earlier Saturday.

Harry Stein, basketball coach at Brandeis University, and Fuzzy Levane, coach of the Milwaukee Hawks in the N. B. A., were high school classmates in Brooklyn.

SPORTS

Another Sport Trying To Get Started Here

High school baseball workouts were to get underway this afternoon, according to Speedy Moffett, baseball coach.

Moffett said he will hold daily workouts at 2:30 o'clock in the afternoons from now until the season begins.

The workout squad now will consist of players who are not out for track or who will not be in spring football training next week. Those include several pitchers and catchers. Preliminary workouts, Moffett said, will consist of pitching and catching, while batting practice will come later.

After spring training is ended, a few additional boys will join the baseball squad, but no trackmen will be in the group, since the baseball and track seasons run concurrently.

Included in those working out today are several boys experienced in Pony League play here. Those will consist of freshmen and sophomores, since the Pony League was started here just a year ago. Juniors and seniors in the group are on the most part inexperienced.

The baseball program here this year is being re-started after its inactivity since 1950. The 1950 team, coached by Horrace Bostick, took second in its district.

After workouts are well underway, Moffett plans to cut his squad to 20 uniformed players, 15 of whom will be on the traveling team.

The Snyder team's baseball schedule will start March 23, when the squad hosts Big Spring. The team will play in non-district games until April 17, when Vernon will come here for the first loop play. Snyder is a member of a district with Vernon, Wichita Falls, and Abilene. The schedule for the district will end May 8, and a district champion must be declared by May 15.

Class AAAA Tourney Is On

By The Associated Press

Houston's Milby High School and Jefferson from San Antonio turned in basketball victories Tuesday night and climbed to a point one game short of the state Class AAAA schoolboy tournament.

Jefferson had an easy time of it on their home court, trouncing Wichita Falls 61-41. Milby took a 10-point win from Beaumont on the losers court, 56-46.

Crozier Tech of Dallas defeated Paschal of Fort Worth 48-38 Monday night in the first game of the series. Wednesday night the teams meet for a second time at Fort Worth.

El Paso and Pampa begin their Class AAAA campaigning Wednesday night in Pampa.

Other games put Wichita Falls and Jefferson back again Friday night on the Wichita Falls court and on Saturday, if the third game is necessary. Two wins is all a club needs to make the charmed AAAA circle.

Milby and Beaumont play at Houston Thursday night. If Beaumont can square the series at 1-1 the third game will be Saturday, at Houston.

STANKY IS HAPPY

Big Trade Makes Cardinals Feel More Secure In League

By BEN OLAN

Associated Press Sports Writer

The St. Louis Cardinals, who have been given only a slim chance of winning this season's National League pennant, may have to be reckoned with now that they've strengthened the department they were weakest in—pitching, first base and shortstop.

The mound problem was taken care of quite adequately yesterday by the purchase of right-hander Vic Raschi from the New York Yankees.

Raschi, who helped pitch the Yankees to six American League flags, only won 13 games last year. But he is expected to take up the slack caused by the loss of Wilmer (Vinegar Bend) Mizell to the Army.

The Redbirds, of course, are hoping that lightning will strike twice. For in 1945, the Chicago Cubs purchased another big righthander—Hank Borowy—from the Yankees and he was no mean factor in their pennant victory.

Manager Eddie Stanky was thrilled by the news.

"Vic gives me another starter along with Gerry Staley and Harvey Haddix," he said. "He's a great competitor and I'll be counting on him to win some of our more important games."

The addition of Raschi plus those of first baseman Tom Alston and shortstop Alex Gramma appears to give the Cardinals a solid outfit, one which could well give the Brooklyn Dodgers and Milwaukee Braves a heap of trouble.

Alston, a 6'5 Negro, drove out 23 homers for San Diego last season and Gramma, who hit .307 at Kansas City, was tabbed one of the best minor league prospects in 1953. Although he injured his throwing arm in practice last Monday, he is expected to succeed Solly Hemus as the regular shortstop.

Although the Raschi purchase price was not disclosed, it was believed to be about $75,000 and two minor league players.

Looking at the deal objectively, the Yankees did extremely well financially. Besides the sale money they received, they got rid of Raschi's $40,000 salary (Vic signed with St. Louis almost immediately). This plus the two minor leaguers and the Yankees came out of it almost $150,000 to the good.

In other news from the training camps, Manager Paul Richards of the Chicago White Sox tabbed outfielder Willard Marshall as a leader type player, which he said was what his club needed most . . . Eddie Joost indicated he would not be a playing manager for the Philadelphia Athletics unless he has to . . . Pitchers Jim Wilson and Phil Paine and catcher Del Crandall hit "homers" in a Milwaukee batting practice session . . . New York Giant skipper Leo Durocher listed the team's first intracamp game for Thursday . . . Walt Alston, Brooklyn's new manager, revealed he would use Clem Labine in relief . . . Bob Purkey, 24-year-old right-hander, was impressive in Pittsburgh's workout.

Signed contracts continued to trickle into the front offices. Those who came to terms yesterday were Paul Smith of Pittsburgh, Fred Hatfield of Detroit and Andy Carey of the Yankees.

However, Robin Roberts, star pitcher of the Philadelphia Phillies, met with owner Bob Carpenter, but he walked out of the conference still unsigned.

HIGH SCHOOL CLUB ON HAYRIDE

Members of the Industrial Cooperative Training Club of Snyder High School are shown on a hayride last night. The hayride ended at the rodeo ground pavillion where a dance was held. About 50 attended. (Roland Chadwell photograph)

Japs Seeking Reds In Hiding

TOKYO (AP)—Japanese police are searching intensively for two Communists who went underground in 1950, Kyodo news service said today.

The two are Hiroshi Hasegawa, 44, and Shigeo Shida, 54. They are sought in the neighborhood of Kamakura, where they are reported to have held a clandestine meeting with local Communists yesterday.

Shida is reported to be chairman of the military committee of the underground Communist activity in Japan.

Police said a recently discovered "white paper" thought to be of Communist origin has indicated the Communists in Japan are stepping up activities of a military nature.

Police said the paper criticized revolution in Japan and urged members toward greater efforts.

Judge Couldn't Tell Which Dog Bit Him

LOS ANGELES (AP) — Superior Judge Charles W. Fricke, who has been a jurist for 28 years, appeared in his courtroom yesterday with his left hand bandaged. He explained to associates that he was bitten when he tried to stop a fight between his own dog and one owned by his daughter.

"The worst of it is," he said, "that after being critical for many years of witnesses who couldn't be sure just what they saw, I cannot tell which dog bit me."

Husband Surprises His Wife With Holdup

SAN FRANCISCO (AP)—"There I was in the shop to have some clothes cleaned and what happens? My husband comes in with a gun in his hand and holds up the place.

"Why, I almost died," Mrs. Betty Economu, 29, told officers yesterday, minutes after her husband James, 32, surrendered to police.

Mrs. Economu was released but her husband was held on suspicion of robbery in the $330 holdup.

Majors Already Fighting New Taxes To Pay Teachers' Hike

KERMIT (AP)—The president of Magnolia Petroleum Co. says it "makes good sense to me" for oil firms to ask school boards not to increase salaries of teachers already paid more than proposed new minimums.

President J. L. Lattimer of Magnolia made his comment last night after reports that major oil companies are appealing to West Texas school boards not to raise teacher salaries, where slaries already are above $2,805.

CALLED GOOD SENSE

"That makes good sense to me, if their salaries already are higher than the minimum," Lattimer said. "But you're talking to me about something I know nothing about. I knew the Texas Mid-Continent Oil & Gas Assn. was sending some speakers around but I didn't know about this."

Tax representatives of several major oil companies appeared before the Kermit school board Monday night and urged the board not to change the present salary schedule.

Like many West Texas schools including those at Andrews, Wink, Crane, McCamey, Rankin, Kermit already pays beginning teachers more than the new minimum of $2,805 which the legislature may enact into law next month.

KERMIT SALARIES HIGH

The Kermit minimum is $3,450. The present minimum under the Gilmer-Aikin program is $2,403. The $402 increase approved by a joint committee of legislators and teachers representatives — and which Gov. Allan Shivers says he will recommend the legislature adopt—would raise the minimum to $2,805.

After the school board meeting here, Gene Bell, tax representative of Phillips Petroleum Co., said the same appeal to retain the current pay schedule will be made throughout West Texas at schools paying salaries similar to those at Kermit. This was confirmed by Paul Hayden of Stanolind, A. F. Page of Gulf Oil, G. R. Alexander of Magnolia and M. B. Womack of Shell.

INDUSTRY EXPECTS TAX

One of the oil company representatives who appeared before the Kermit board said the oil industry expects to be taxed in order to pay the proposed $402 teacher pay hike.

Kermit board members said that before Monday night the subject of pay increases for their teachers had not come before the board. The new increase to be enacted by the legislature would not directly affect teachers whose salaries already are above Gilmer-Aikin minimums.

Lattimer's reference to Texas Mid-Continent Oil & Gas Assn. speakers came as Harry Bass, Dallas oilman who heads the association, began a series of addresses in the state. He told a Midland meeting Monday night the oil companies and oilmen in the state already are "penalized" and "overburdened" with taxes.

Marilyn Is On Her Way Home

TOKYO (AP)—Marilyn Monroe is on her way home today with a cold, a silver medal and husband Joe DiMaggio.

The blonde screen actress got the cold and the medal for her four-day show tour of the Korean front line, playing on open, chilly stages in a low-cut cocktail dress.

A colonel handed her the medal of appreciation from the Far East Command as she and DiMaggio boarded a Pan American plane. They are due at San Francisco tonight.

Marilyn planned to rest in a berth for the first part of her trip.

The DiMaggios were accompanied by Lefty O'Doul, manager of the Pacific Coast League San Diego Padres, and Mrs. O'Doul.

DiMaggio and O'Doul coached Japan's professional baseball teams.

Secretary Of Labor Says Level Off Near

FLINT, Mich. (AP)—Secretary of Labor James P. Mitchell opposes as immediate public works program as a solution to unemployment. He regards present trends as part of a necessary and unavoidable readjustment in America's economy.

Citing employment uptrend since 1939, he says "it just doesn't make sense" to say the nation is heading for a depression.

In a major speech to a Lincoln Day rally last night, he said federal public works projects, if instituted immediately, would make the adjustment "sharper, more painful, and more protracted."

The 53-year-old secretary of labor said the nation is gradually readjusting its economy from a wartime peak and is not going from "boom to bust."

"We are coming down from the artificially high peak made by war and inflation to a plateau—and we are almost there," he said. "There may be a slight, but not significant, increase in unemployment for the next two months. Then for another few months we will rest at that level."

He said readjustment was necessary and "we could only postpone, not avoid, it."

"It is my belief that we are better off getting it over with fast rather than adopting schemes to postpone it . . ." he said.

Mitchell made his address after a whirlwind tour of Flint area automobile plants, chatting with workers on the way. He found them "happy in their jobs," he said.

The secretary vigorously criticized talk of recession.

"Now we have heard a great deal about unemployment lately," he said. "It seems to me high time that this subject is dealt with objectively and placed in proper perspective. Let's look at the figures over the last 15 years for the moment.

"In 1939 unemployment in the United States amounted to 17.2 per cent of the total civilian labor force; in January 1950 it was 7.3 per cent and in January of this year it was 3.8 per cent of the civilian labor force. It just doesn't make sense to me that we are headed for a depression in the light of facts like these."

Union Leaders Convicted On Extortion Rap

ST. LOUIS (AP)—Three AFL officials were convicted last night of shaking down an Oklahoma City construction firm for $15,312 to keep labor peace on a pipeline project.

They face sentences of up to 20 years in prison and a $10,000 fine on each of two counts of violating the federal anti-racketeering law.

The three are Carl J. (Dutch) Bianchi, business agent of Hoisting Engineers Local 513, St. Louis; and L. A. Thompson, former business agent of Teamsters Local 574, Cape Girardeau, Mo.

Each was convicted of conspiracy to extort and actual extortion of $15,312 from the Trojan Construction Co. of Oklahoma City. The jury deliberated 2 hours and 40 minutes. The trial lasted more than a week.

U.S. Dist. Judge Rubey M. Hulen set March 5 for sentencing.

Meanwhile, Bianchi, Thompson and Poster will remain free under bonds of $50,000 each.

They are among 12 AFL officials indicted by a federal grand jury on racketeering charges. One, Paul Hulahan, was convicted earlier and sentenced to 12 years in prison. He also was fined $8,000.

Whisky Sells Fast

NUEVO LAREDO, Mex. (AP)—Washington Birthday celebration statistics from this Mexican border town:

Officials said 100,000 persons in 30,000 automobiles crossed the Rio Grande from the United States on Monday—and bought 60,000 bottles of whisky. It's cheaper in Mexico.

Incentive Pay Is Pushed In Russia

By TOM WHITNEY
AP Foreign News Staff

The Kremlin's deep-domed thinkers are claiming an ideological discovery: the principle of "material self-interest" or "material incentive."

It amounts to this: to get people to produce more, you must pay them more. Adam Smith discovered much the same thing back in the 18th century—but the resemblance presumably is purely coincidental.

The new wrinkle in Communist philosophy is being pushed intensely as the answer to Soviet economic problems in keynote speeches delivered in Moscow to the party faithful and also in articles in Moscow's bible of Red theory, the magaine Kommunist.

The most interesting thing about the Kremlin's espousal of "material incentive" is not its actual use in the Russian economy but its current elevation to the status of Marxian dogma.

The Moscow Communists actually abandoned long ago the principle of equal shares and pay for all. They introduced piece rates and progressive piece rates, with all the features of speedup systems, in both industry and farming in the early 1930s. But they were always shamefaced about admitting it. They weasel-worded, hemmed and hawed when pinned down.

Now they've come out more into the open.

Kommunist has published an article entitled "The Principle of Material Incentive—the Lever of a Mighty Advance of Agriculture." Dealing solely with the necessity of developing keener material self-interest among Soviet farmers, it declares:

"Personal material self-interest as a result of one's own labor raises production to a higher level."

The secretary of the Communist party's Central Committee, Peter Pospelov, speaking on the anniversary of Lenin's death Jan. 21, proclaimed:

"Lenin taught that tens and tens of millions of people can be brought to communism only on the condition that the enthusiasm of the masses of the people, born from the great revolution, is combined with the principle of personal incentive, personal interest and economic consideration."

He then went on to advocate the "principle of material self-interest."

The reason for the 1954 stressing of the principle of self-interest is fairly plain.

Trying to get farmers and workers to produce more in a short time, the Malenkov regime has been forced to promise—officially—more incentvies and rewards. It is holding out to the Russian people the hope of a more rapidly improved standard of living.

Whether the incentives being offered are sufficient to attain their purpose is another question. Russians have had previous experience with unfulfilled promises of their leaders.

Fibber Wins Contest

DENVER (AP)—A radio station here celebrated Washington's Birthday by awarding a prize to William E. Murphy of Denver for the biggest fib submitted by hopeful liars.

Murphy's story concerned Paul Bunyan's little brother Calvin, who built the world's biggest railroad—the IJA&SI. Spelled out, that's Ireland, Jerusalem, Australia & Southern Indiana.

In keeping with the holiday, Murphy won a cherry tree from a local nursery and a hatchet donated by a sporting goods firm.

Big Police Department

DOVER, Mass. (AP)—The Police Department of this wealthy suburban Boston town today for the first time has its own office.

Hitherto, police have worked out of the home of Police Chief Chester F. Heinlein. Townsfolk yesterday dedicated the new office in special ceremonies.

The police chief doesn't expect the new office to be very crowded. The entire regular personnel of the department is Chief Heinlein.

By 1963 when I retire, I expect to have saved $11,250 on the Payroll Savings Plan.

HERE'S HOW YOU CAN DO IT, TOO

Here's what the Payroll Savings Plan did for Bryan Holloman!

Mr. Holloman first registered for the Payroll Savings Plan in April, 1942 while working in the Norfolk Navy Shipyards for $65.60 a week. In 1944 he was stricken with rheumatic fever. And it was then he first realized how important it was to have a systematic savings program to meet such an emergency. For it paid *all* his medical bills. By 1951 he had saved $4,225 in Bonds. And *now* he is well on his way to that $11,250 for his retirement.

Is your reaction to Mr. Holloman's statement something like this? "Sure, he saved the money. But he's not like me. I can't save a red cent!" If it is, then the Payroll Savings Plan is just what you've been looking for. Here's why.

The Payroll Savings Plan makes you save money before you can spend it!

To join the Payroll Savings Plan all you do is go to your company's pay office and sign up to have a certain amount saved out of your salary each payday. Sign up for as little or as much as you like—it can be as little as a couple of dollars a week. Then each payday, this amount is automatically saved for you out of your pay check—before you can get your hands on the money to spend it—and invested in interest-earning U. S. Savings Bonds in your name. The Bonds are then turned over to you.

It's safe—it's simple—it really works—and you won't even miss the money!

Payroll Savings is *safe*—for United States Savings Bonds are as safe as America itself. It's *simple*—for once you sign up all the work is automatically done for you. It *really works*—because it *makes* you save money, and at a good 3% interest. And *best of all*—you won't even miss the money you're investing, as you watch your savings grow.

Payroll Savings worked for Bryan Holloman and it will work for you:

Today, join the Payroll Savings Plan where you work. Or, if you're self-employed, join the Bond-A-Month Plan where you bank. *These Plans* help you consistently to save money, and at a good 3% interest!

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	$5,000	$10,000	$25,000
Each week for 9 years and 8 months, save..	$8.80	$18.75	$45.00
Each week for 19 years and 8 months, save..	$3.75	$7.50	$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save *any* sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, *start your Plan today!*

SAVING IS SIMPLER THAN YOU THINK—
WITH U.S. SAVINGS BONDS ON THE PAYROLL SAVINGS PLAN

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

CASTLE IN THE AIR

The new home which Mr. and Mrs. Larmar Northup of Winston-Salem, N.C., built with their own hands really has them up in the air. Built on the side of a hill, it is supported by seven-foot brick piers and entered by a bridge. Flagstone steps lead down to a brick terrace under the house. Sidewalls are made of sheets of asbestos-cement board fitted into fir frames. The house rests on two 10 x 14-inch griders, each 34 feet long.

Play Planned By Teachers

"Book and Crooks," a three-act comedy, has been chosen for presentation by the Snyder Classroom Teachers Association on March 5.

Proceeds from the show are to go into a scholarship fund set up by the association, and will be used for a scholarship to be presented a spring graduate of Snyder High School. This will be the first scholarship given by the association. The amount will be contingent upon the profit from the show.

Miss Katherine Northcutt, high school instructor, will be director of the show. Members of the cast will be other public school teachers. Advance tickets are now on sale at all Snyder schools.

Sorry He Missed Big Dust Storm Last Week

DALLAS, Tex. (AP)—Prof. Naoiti Kumagai of Japan, probably that country's foremost geophysicist, arrived here yesterday to start a Texas tour and said he was unhappy he missed last week's severe dust storm.

Peress Case Points Up Big Weakness In Army Security

By JAMES MARLOW

WASHINGTON (AP)—When did the Army first learn Dr. Irving Peress commissioned a captain and promoted to major, would not answer questions about subversive organizations to which he might have belonged?

Sen. McCarthy (R-Wis), in an uproar with the Army over the case, seems to think it wasn't until last August, after Peress had been in service many months. McCarthy complains that the Army kept him on five months longer.

Actually—according to the Pentagon—Peress refused to answer two months before he was called to active duty, but was called nevertheless, and remained in service 13 months.

On Feb. 1, in a letter to Secretary of the Army Robert T. Stevens, McCarthy protested that Peress refused to answer a questionnaire last August, was promoted to major in October and was honorably discharged this month.

This was the information given by a Pentagon spokesman on Peress, a New York dentist, whom McCarthy calls a "Fifth Amendment Communist."

The Army, needing dentists during the Korean War, commissioned Peress a captain Oct. 15, 1952, and on Oct. 27 and 28, 1952, gave him three questionnaires about membership in subversive organizations. Peress refused to answer, citing the Fifth Amendment, which says a man can't be forced to give information which might tend to incriminate him.

Two months later, Jan. 7, 1953, Peress was called to active duty. On Oct. 23, 1953, he was made a major. On Dec. 30, 1953, the Army decided to release him. Why? In a letter to McCarthy on Feb. 16, 1953, Stevens said: Peress' case had come to the Army's attention" and he was being let out because of his "unwillingness to submit loyalty information."

Since he had refused the information two months before he was called to active duty, why did his case have to be called to the attention of the Army, which already had it? Repeated inquiries at the Pentagon last night failed to get an answer.

Stevens conceded in his letter to McCarthy that under the doctors draft law "it has unfortunately been possible in the past for commissions to be tendered to individuals who might be undesirable."

Although the decision to discharge Peress was made last Dec. 30, he was not notified until Jan. 18. Then he was told he would be released no later than April. He was free to resign before then.

Eight days later, Jan. 30, McCarthy called Peress before his Senate investigations subcommittee and said later the dentist, still an Army major, had cited the Fifth Amendment in refusing to answer questions about Communist connections. McCarthy never explained how he learned about Peress' case.

Three days later, on Feb. 2, McCarthy announced he had written Stevens the day before demanding an investigation and possible court - martial of Peress and investigation and possible court-martial of those officers "who had full knowledge of his Communist activities and either took no steps to have him removed or were responsible for his promotion thereafter."

That same day, Feb. 2, Peress stepped out of the Army at his own request with an honorable discharge.

Stevens was in the Far East while this was happening.

When he returned he wrote McCarthy on Feb. 16 that court-martial of Peress now was "impracticable" because, first, he was out of the Army, and, second "the Army does not have available facts on which sound charges could be made."

(There seems to be no question of spying in this case. Peress, as a dentist, had an insensitive job, although McCarthy says he was recruiting for communism.)

Stevens assured the senator he was investigating to see whether there was "conspiracy" in handling Peress and that he was tightening up Army procedures to see that nothing like this happened again. Stevens said in future similar cases a reserve officer will be discharged under "other than honorable conditions."

On Feb. 18—two days after Stevens wrote his letter and 14 days after Peress had left the Army—McCarthy called the dentist before his subcommittee and said later he had refused to answer 33 questions.

At this same session McCarthy quizzed Brig. Gen. Ralph W. Zwicker, commander of Camp Kilmer, N. J., where Peress had been stationed. Zwicker refused to answer questions about Peress' Army career. He said he was forbidden to by an executive order instructing officers not to answer security questions outside the executive department.

Zwicker complained he was insulted by McCarthy. Stevens ordered Army officers not to appear before McCarthy. He said he'd testify himself. He's due to face McCarthy Thursday.

Indians Sought To Talk To Ike

PALM SPRINGS, Calif. (AP)—Two men who tried to visit President Eisenhower yesterday at his desert vacation headquarters face arraingment today on vagrancy charges.

"They meant no harm," Police Chief John S. Davis said of Carl E. Kinsey, 25, one-quarter Indian of San Bernardino, Calif., and John T. Ortega, 48, mission Indian from a Palm Springs reservation.

The two were arrested at the entrance to the Smoke Tree Ranch, where President and Mrs. Eisenhower stayed for six days before their departure last night for Washington. An unloaded rifle was found in the back of their car.

Secret Service agents turned the men over to the Palm Springs police who learned that Ortega and Kinsey were driving from Indio to Palm Springs. As they passed the Smoke Tree Ranch, one said to the other:

"That's where the President is staying."

"Let's go see him," suggested the other.

They turned into the ranch property and the Secret Service agents were right on top of them.

The President's secretary, James C. Hagerty, told newsmen there was "no indication at all" that the men had plotted an attempt on Eisenhower's life.

More Tax On Beer To Finance Teacher Pay Increase Is Proposed

DALLAS (AP)—State Rep. Joe Pool says he will introduce a bill to increase the tax on beer during the special session of the legislature starting March 15.

Proceeds from the beer tax, he said, would be used to pay teachers of the state a $402 salary boost.

Pool said his proposed tax would boost the beer levy from less than one-half cent per bottle to about three cents per bottle.

The Dallas representative said the tax he proposes would also take care of appropriations for the Southwestern Medical School at Dallas and the M. D. Anderson Cancer Clinic in Houston.

Pool said he feared "further taxes" on natural resources and "other products" would harm the state's industry by driving business to other states.

Pool said beer drinkers would chip in about $40,000,000 per year under his measure.

Not Selling Children

COOPERSTOWN, N. Y. (AP) — A theater here, advertising the motion picture "The Moon Is Blue," said the film was not recommended for children and added in its program: "No children sold during this engagement."

It's beautiful! It's practical! It's all vinyl!
It's Chevrolet's
DELRAY CLUB COUPE
with the year's brightest new idea in interiors!

Here's something really new and different in family cars. This Delray Club Coupe combines all the colorful smartness of a sport model with an interior that's designed for everyday family use. Seats, sidewalls, even the headlining, are all of soft, lustrous vinyl in color treatments that harmonize with the exterior color of your choice. A wide and handsome color choice it is, too!

And this new interior is just as durable and practical as it is beautiful. The vinyl is easily washable and amazingly resistant to scuffing and wear. You don't have to worry about little feet on the seats or the things that little hands might spill. And for grown-ups, here at last is a coupe that provides all the between-seat knee-room of a 2-door sedan!

The Delray Club Coupe is only one of the wonderful new Chevrolet models that give you new power, performance and economy in *the lowest-priced line in the low-price field.* Come in, look them over and choose *your* favorite.
