Infantile Paralysis Funds Benefit 7 Cases Here; Plans Laid for Celebration Jan. 31

According to Dan Davis, local chairman for the Celebration of the President's Birthday in the fight against infantile paralysis, plans are being made for parties to be held at the Williams Hotel, Plaza Hotel, Municipal Building at City Park, Country Club, and Dal-Paso Hotel. These celebrations are to be held Monday evening, January 31st.

Proceeds from these entertainments are for the benefit of the National Foundation of Infantile Paralysis. One-half of the money received will be retained in this county for paralysis cases here.

These celebrations were first in-

BUYS FIRST TICKET

To Ed DuBose, member of the DuBose Brothers' Firm, dealers in real estate, and oil properties, goes the honor of purchasing the first ticket for the infantile paralysis program being staged in Dawson County. He paid \$10.00 for the ticket.

DuBose has proved a diligent worker in any program he has entered. His part in the successful United War Chest drive as treasurer and solicitor of funds, was particularly outstanding. Ed DuBose, as well as Windy Beckham, are in charge of Lamesa's drive in the Fourth War Loan Campaign which opens Tuesday of this week.

augurated here in 1935. W. K. Crawley, treasurer since that time, reports net receipts during these years has amounted to \$523.52. Total expenditures are \$243.37, which has been spent for medicines, transportation, tricycles, and braces. The balance is \$280.15.

Seven persons in this county with infantile paralysis have been served from these funds.

"The principal amount of the funds has been used for transporting patients to Scottish Rite Hospital at Dallas for treatment; wherein no bills are paid for treatment," states Crawley. A percentage of the money is used on equipment for recovery, such as braces and medicines.

Each year since 1935, citizens of Dawson County have had celebrations, to gain funds for the fight against infantile paralysis, except in the year 1938. Also in 1943, there was no income except from personal donations.

G. C. Aten Enters Race For A Local Office

G. C. Aten has announced that he will enter the political contest, and will run for Commissioner of Precinct No. 2, for a second term.

At a later date G. C. Aten's formal write-up will appear in an issue of The Courier.

LET'S ALL BACK THE ATTACK!

Training Program To Be Held Wed. At Baptist Church

The Training Union Emphasis program is scheduled to be held Wednesday, January 19th at the First Baptist Church. The meeting will begin at 2 p. m., and will close at 9 p. m.

An interesting program has been prepared for this time, and will be directed by Clay I. Hudson of Nashville, Tennessee, for all the churches of this association. He will direct conference period for adults and adult works.

Roy Shahan of Snyder will direct the conference for young people and young people workers, and Rev. W. C. Harrison, District Missionary is to lead the conference for Intermediates and Intermediate workers.

Mrs. Frank Douglas will be in charge of Juniors and Junior works. Mrs. Douglas is from Seminole. Mrs. Ed Davisson, who is a resident of Odessa, will direct the Elementary children and their works.

At the evening hour a covered dish luncheon will be served. Those attending from other churches are asked to bring lunch and join with the others.

Several 'A' Award Plaques Obtained

Several organizations and business men of this locality have obtained bronze plaques with a picture of the "A" banner presented to Dawson County for agricultural achievements reprinted on them.

The plaque read, "Awarded by the United States Department of Agriculture to Dawson County, Texas." Beneath this inscription is a picture of the green banner with a blue A in the center, and a white star in the corner. Below the banner are the words, "For excellence in performance by war production."

Plaques are located at the AAA office, courthouse, at each of the banks, Henningsen Lamesa Incorporated, at O. H. Morris' and Joe Peterson has one.

MISS EARLINE BARRON HAS ENTERED BUSINESS COLLEGE

Miss Earline Barron, daughter of Mr. and Mrs. Earl Barron, has entered a Business College in Lubbock.

Earline is a 1943 graduate of Lamesa High School.

There are more than 1,800 publications in Canada.

Seventeen Receive 1-A Classification at Jan. 13 Meeting

At a meeting of the Selective Service Board January 13, a number of local men received re-classifications.

Men re-classified as 1-A are, Mason Costin, Fred Hunter, Luther Fisher, Acel Alexander, Marvin Sellers, M. Sellers, M. J. Flippin, Jesus Rosas, Odis Northcutt, George Palmer, Arvin Collins, Noah McDougal, James W. Leamon, Jr., Delbert Mires, Don Robinson, Earl Beard, and Bobby Crawford.

Those designated as 2-A are, Ralph Gillispie, William Phillips, Blaine Wiggins, Argle Williams, Britt Warden.

Pablo Rodriguez, Herbert Kirkland, Teddy McLaurin, James Agnew, Philip Musgrove, and Julice Russom are 2-B.

Men designated as 3-C are Thurman Carmichael, Thomas Stephenson, and Floyd Newsom.

Lions and Wives Enjoy Program On Thursday Evening

George Thompson, attorney at Sweetwater and active Lions man, spoke on "Lionism" at the club meeting Thursday evening.

Special music was also a feature of the night. A group from the local high school sang a group of songs.

Ed DuBose spoke briefly of the Fourth War Loan Drive, which opens Tuesday of this week. Committees were appointed to work with Chairman, W. B. Collins, in the interest of the drive.

Guests for the evening were Mr. and Mrs. Ben Cason, Mr. and Mrs. Caryl Baldwin, and Miss Grace Weaver. Wives of approximately 40 Lions were present also.

Pfc. Leroy Hanes Has Completed His Course

Pfc. Leroy Hanes, son of Mr. and Mrs. J. E. Hanes of this city, recently completed an intensive course in airplane mechanics at Sheppard Field near Wichita Falls.

This field trains men for the overhaul crews which work in all weather and under all conditions to keep American planes in the air.

Central H D Club Will Meet at 2:30 Jan. 21

The Central Home Demonstration Club will meet in the home of Mrs. C. W. Shafer on January 21 at 2:30 p. m.

Women will meet at the home demonstration agents office at 1:45 and there they will be provided with ways to go to the meeting.

Mrs. Myrtle Negy, agent, will

Correction

An error was made in the Rationing Calendar which was published in the last issue of the paper.

The error was made in connection with the dates for Tire Inspection. It was stated that tire inspection for "T" book holders should be had every six months or every 5,000 miles whichever comes first. The article should have read: "T" book holders should have tires inspected every 60 days or every 5,000 miles, whichever comes first.

Dr Park to Lecture at the High School Auditorium Soon

The local Rotary Club, which is sponsoring the Institute of International Understanding here, will present Dr. No-Young Park at the High School Auditorium here Tuesday evening, January 25, at 8:00 p. m.

Having been born and raised in Manchuria, and having studied in China, Japan, Europe, and America, Dr. Park is familiar with customs, habits, and problems of those foreign countries.

Dr. Park, considered by critics as a capable and learned speaker, will deliver his lecture here first, out of a group of four lecturers. Other lecturers will appear here during the month of February.

Tickets for the lectures are on sale at McCall Drug, Collins Dry Goods Store, Bryant Pharmacy, and Lamesa National Bank. The tickets are priced for \$1.00, plus a ten cent tax, and will admit you to all four lectures.

William T. Moore Is Commissioned Lieut.

William T. Moore, son of Mr. and Mrs. William Howard Moore of this city, received his wings January 7, when he graduated as second lieutenant from the Marfa AAF Pilot School.

The new pilot completed a course in training in twin-engine planes. He went to Marfa from Marana Basic Flying School, Marana, Arizona.

Lt. Moore is a former student of Lamesa High School, and in 1942 he graduated from Texas Technological College with a B. S., in petroleum engineering.

Debnam Candidate For A Local Office

J. E. Debnam authorized the Courier to announce that he seeks re-election for Commissioner for Precinct 4.

Debnam's formal write-up will appear in this paper at a later date.

give a demonstration on meat canning at the afternoon meeting.

Committees Will Meet Thurs, 20th

Meeting Scheduled for 3 p. m. and Will Be Held in District Court Room

W. B. Collins, whip for Dawson County's Fourth War Loan Drive, announced today that a meeting for committeemen and other interested persons in the drive will be held Thursday, January 20, at 3 p. m. at the District Court Room.

Collins stated, "It is urgent that all heads and committeemen be present in order to work out promotional features and plans for the consummation of this vital drive. It is very necessary that we start now in order to complete our Fourth War Loan Drive in the time allotted us."

Although Dawson County's quota for the Fourth War Loan campaign, opening Tuesday, January 18, and extending through February 15, is less than the Third War Loan quota, citizens will have to put forth every effort to meet the new quota.

For every two citizens contacted in the September drive, three must be contacted in this new drive. Every person who has an income from salary or wages will be asked to buy an extra bond. Nothing else can do the job—and hundreds of people who do not yet own a single bond, or stamp will be particularly asked and urged to "back the attack."

Of the \$792,000 quota assigned, \$284,000 is assigned to us for the sale of series "E" Bonds.

C. M. Smith located at Plainview, who is regional manager for the Fourth War Loan Drive, was here last week and contacted Carl Rountree, concerning the drive. Smith states that he believes that the \$792,000 quota assigned this county is better suited than the previous quota.

Series "E" Bonds, the so-called "people's bond" is the most widely held security in the world, with more than 100 million pieces sold in the first three War Loan campaigns. From the standpoint of interest return, it is the most attractive issue of all offered by the government, and is described as the ideal investment for the wage earner and the small business and professional man.

Over 14 billions of dollars of these "E" Bonds are now outstanding in the hands of the American public. Purchase of these bonds by any one person is limited to \$5,000 maturity value (\$3,750 purchase value) in any one year. For every three dollars invested four dollars will be received at the end of 10 years. They do not fluctuate in dollar value, and are never worth less than one pays for them. They are dated the first of the month in which payment is received by an authorized issuing agent. They mature in 10 years and the interest return is equivalent to 2.9 per cent, compounded semi-annually, if held to maturity.

rebound, which sets up a negative pressure of less intensity but greater duration than the first positive pressure.

The negative pressure amounts to contraction of the fluid. It is followed by a positive, outward pressure, which is less intense than the initial pressure rise, but which lasts longer. This last positive pressure explodes the can.

This action of fluid explains some of the damage done in wounds, where sometimes a bullet penetrates cleanly but tears on other occasions.

Another explanation is the precession of a bullet as it slows down. Precession causes the bullet to wobble like a dying top.

Firemen Fight Two Fires At Once

KNOXVILLE, Tenn. (AP) — The fire department answered a call at a residence. But people rushed up and said the fire was two doors away.

The firemen went right on fighting the residence blaze, but some were dispatched to the second fire which happened simultaneously.

Neighborly Savants

BERKELEY, Calif. (AP) — Furthering the good neighbor policy by means of interchange of scientific ideas is the purpose of a 20,000 mile trip undertaken by two University of California scientists, Dr. Sumner C. Brooks, professor of zoology, and his wife, Dr. Ma-

ilda M. Brooks, research associate leading university centers of South in biology. They will tour the America.

AMERICAN HOUSEWIVES WASTE enough food to feed AN ARMY OF 10 MILLION

-by buying too many perishables at one time

-by overcooking or burning

-by not using left-overs

-by not using all edible parts of food—tops of greens, heels of bread, etc.

-by forgetting food stored in the back of the refrigerator

These are some of the ways 15% of all food bought by the average family is wasted

waste now means want later

WAR FOOD ADMINISTRATION

Believe It or Not! Bouncing Bullets

By H. W. BLAKESLEE
AP Science Editor

NEW YORK—A high velocity rifle bullet, shot into a can filled with water, explodes the can, and this explosion occurs after the bullet has passed through, and not during its passage.

This fact is from a study of ex-

plosions in War Medicine by Col. George R. Callender, Army Medical Corps.

The water in the can pulsates after the bullet strikes. First the inertia of the fluid is such that the energy transmitted from the speed of the bullet to the particles of water is momentarily stored. There is a sharp but brief rise in the pressure in the can, which however causes no visible change.

The initial pressure rise is followed by what appears to be a

Men are dying...are you buying?

MEN ARE DYING—WHAT ARE YOU DOING?

RE-CAPPING

MAKE THE BEST OF THE TIRES YOU HAVE

Don't expect your tires worn out through carelessness or neglect to be replaced by new ones. There just aren't any. Every day we have to turn down tires for recapping and vulcanizing that's beyond repairing, which just a few days back would of made perfect tires. We don't work miracles, but we can save your tires if you come to us in time.

We'll Do Our Part—If You Do Your Share

The armed forces are also having tires repaired as often as required, sometimes as many as four sectional repairs are made on a single tire. But, above all it must be done in time. With our skillful labor and over six years of ever day experience in re-capping and vulcanizing, we can give you a better job than you can get elsewhere with the famous Saw Tooth tread design at no extra charge.

Thousands of good grade 3 tires, all sizes

Bring your certificates to us, we have what you need in any size grade three tire, passenger or truck. Come in and let us help you with your tire problems.

P. Phillips Writes Of Christmas at a North Africa Base

Editor's Note: Following is a letter to Mr. and Mrs. Buck Phillips from their son, Pawnee Phillips, who is stationed in North Africa. Pawnee has been in the armed services for several years.

Mr. and Mrs. Phillips are residents of Woody community.

North Africa
12-26-43

Dear Mom, Dad and Norman, Well Xmas has come and gone again. I had a pretty nice time to have been in North Africa. After all I know we are not over here for nothing.

We had a big dinner — turkey, ham and everything. No use trying to tell you how I ate because you know me at the table. We had ice cream, fruit cake, and fruits of all kinds. I'll send you the menu and you can see what all we had.

Mom, what I really want to tell you about is the Xmas tree we had here for the little French and Arab children. That is something I will remember as long as I live. There were about six or eight hundred, ranging in age from about 2 to 10.

They were brought here in trucks and one boat load also came. There were some Catholic nurses and a Priest came with them. Some were barefoot and some wore little wooden shoes, which made them sound like Billy Goats walking on concrete. It was the first Xmas some of them have had in 4 years. Some had never had one.

They all got candy, gum, peanuts and stuff like that. Also each one got a small toy. They seemed scared at first but it soon wore off. We had a Santa Claus to give them their presents.

The children looked mighty thin and undernourished. After they had their gifts, they sang some Xmas songs and we all sang "Jingle Bells." Then we had a band which played some music. It was mighty nice seeing the little kids looking so happy. It made us all feel better but I hope I don't have to spend another Xmas over here.

We have a picture show here every night. They are usually good shows.

Hope you all have a big Xmas at home and that Duron and all can be there. I'm sure Juanita won't be there, as she was home before Xmas.

Write real soon and tell me what you did and who was there.

Lots of love to all.

PAWNEE.

Subscribers Are Asked To Check Expiration Date

Courier readers are asked to watch the expiration dates on their paper in order that they may not miss a single issue of The Dawson County Courier, your home town newspaper.

In other words, if the number following your name on the paper reads 2-44, that means that your subscription will expire on February 1, 1944 and that unless your subscription is renewed your paper will be stopped at that time.

The subscription price of the Courier is \$3.00 a year in Dawson, Martin, Gaines, Borden and Lynn Counties, and \$2.00 for six months. For a limited time only a 2 year subscription will be offered for \$5.00, or you can save one dollar by taking a two year subscription. The subscription price outside this territory is \$4.00 a year, except for men in the armed services which remains at \$3.00 a year.

The Girl Scouts of troop 3 met Friday at 4:00. After their business meeting, Billie Ruth Pope, Jimmie Lee Cotten, Jimmie Lou Sumpter, Onita Esmond, and Anne McGuire, five girls of the Senior Troop, showed the girls several dances.

The girls practiced several songs for about fifteen minutes.

Since the weather was bad, the group sang taps and adjourned early.

Men 19 to 26 Are Eligible for Navy Aviation Program

The Navy, beginning immediately, will enlist qualified young men from 19 to 26, inclusive, in its aviation cadet program under an increased quota for Class SV-5. Heretofore, only 17 and 18 year olds with high school education were eligible for flight training.

Lieut. Comdr. G. W. Cook, Jr., officer-in-charge, of the Dallas Office of Naval Officer Procurement, Allen Building, said the expanded quota probably resulted from tightening of deferments for civilians under 22 years by Selective Service.

Comdr. Cook believes a large number of these young men will be interested in applying for training as an aviation cadet and being given the opportunity to earn a commission as an Ensign, U. S. Naval Reserve, or as a U. S. Marine Corps Reserve Second Lieutenant. He asked that they write his office for full details.

High school graduates, physically qualified for flight training, may be

considered for the program if they are from 17 to 26 years old.

The Navy will require those 19 and older to have at least one year of college training. They will be permitted, if enlisted, to complete their current college term if enrolled as a full time student.

These young men will be ordered to duty at one of the Navy's selected flight preparatory schools to begin the 16 to 18 months' training necessary to win the Navy Wings of Gold.

Seventeen and 18 year old boys who will graduate from high school not later than July 1, 1944, will receive eight months' additional education in the Navy V-12 program. Then they, too, will be ordered to flight training.

All applicants must have successfully completed high school.

The Navy requires that aviation cadet be unmarried and agree not to marry until completing flight training.

Interested young men should write the Office of Naval Officer Procurement nearest them for details or contact the closest Navy Recruiting Office. Procurement offices in this area are located in Dallas, Houston, New Orleans, Oklahoma City and Memphis.

Demonstration Given at Mrs. A. H. Woodul's

A chicken canning demonstration was given at Mrs. A. H. Woodul's home at Arvana, Thursday, January 13 by Mrs. Myrtle Dickie Negy, home demonstration agent. Two methods of canning were demonstrated. The first method was one in which chicken was boned before it was canned; and the other method shown was one in which the chicken was canned with the bone in it. Mrs. R. H. Weeks furnished chicken for the demonstration.

Following, the women opened canned chicken and served creamed chicken with Spanish griddle cakes.

Mr. and Mrs. C. A. Eiland and Miss Sarah Eiland spent the week end at Tullia visiting with relatives and friends.

This is Your "Battle Flag" HERE AT HOME

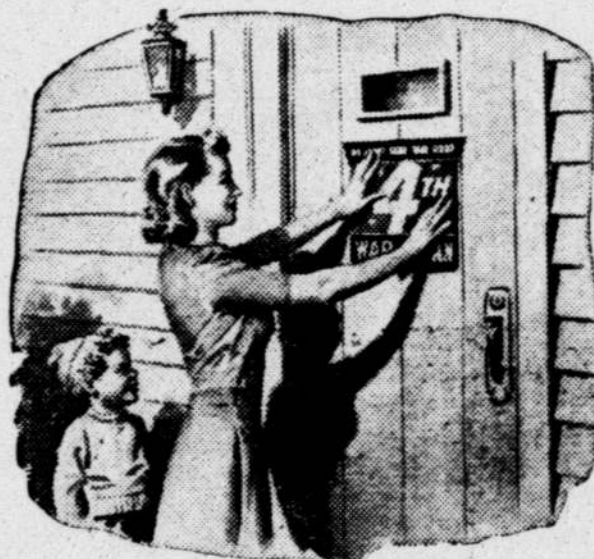

★ No matter how well you may know your particular farm machinery, you'll get new, helpful ideas on how to "keep it in the fight" at the John Deere Service Show.

There's information a-plenty for every owner of a tractor—regardless of make—in the talking picture "War-time Care of Your Tractor." Too, you'll see how to keep your mower and other machines in tip-top condition—plus a late newsreel showing action on the battlefronts.

Come! Bring the hired help and all your family who are helping on the farm in this emergency. It's an enjoyable, profitable program!

WEDNESDAY, JANUARY 19TH
Majestic Theatre, 2 p. m.

ALLEN HARDWARE CO.

Every patriotic American will want to display this emblem at home—on his front door or in his window. It is the red, white and blue sticker that says you have done your part in the 4th War Loan.

Display your colors now!

DURING this 4th War Loan Drive you are again asked to do something extra to help smash the Axis. Your part is to invest in at least one extra hundred dollar Bond. But don't stop there if you can do more. For remember—no matter how many Bonds you buy—no matter what denominations they are—you get back on maturity \$4 for every \$3 you invest. And that's on the word of Uncle Sam, creator of the

safest investment the world has ever known. So before you look into your wallet—LOOK INTO YOUR HEART. Your company, the place where you work, has been given a quota to meet in this 4th War Loan Drive. Do your part to help meet this quota. And remember, millions of America's fighters are waiting for your answer, your pledge that you are backing them to the limit.

Let's All BACK THE ATTACK!

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and War Advertising Council.

HITCH-HIKING STREAMLINED — This hitch-hiking station with automatic signal arms to do the thumbing was built at Wichita Falls by a boys club for soldiers of Sheppard Field. The arms are lowered to indicate the desired direction of travel. Thumbing a ride are Pfc. Walt Lipke of Chicago and Pvt. Will G. Goodeem, Minden, Neb. Average wait for a lift is 10 minutes, soldiers report.

Plans Under Way For Stock Show to Be Held In March

FORT WORTH — Plans are now under way for the 1944 Southwestern Exposition and Fat Stock Show in Fort Worth, March 10-19.

Many inquiries from prospective livestock exhibitors were reported by John B. Davis, Secretary-Manager, as he announced cash premiums of more than \$30,000 for the various livestock departments, inclusive of the horse show.

Considering the wartime limitations, Davis explained that an effort will be made to present a complete stock show, comparable with expositions of former years. Again the featured amusement for the 10-day show will be the world-famous indoor rodeo, which will be offered in the great-domed Will Rogers Memorial Coliseum in Fort Worth.

The livestock premium lists are now being mailed to prospective exhibitors, county agents, vocational agricultural instructors and agricultural colleges throughout the Southwest and West.

The deadline for filing livestock entries is February 5.

The premiums include Herefords, \$13,000; Polled Herefords, \$1,000; Aberdeen-Angus, \$5,950; Short-horns, \$2,730; Sheep, \$2,175; boys' livestock show, \$2,715; swine, \$3,000; boys' Pig Show, \$1,110, and champion steers (all breeds), \$275.

Processor to Set Aside 20 Per Cent Feb. Oilseed Meal

Processors have been ordered to set aside 20 per cent of their February production of oilseed meal for directed distribution to areas designated by the War Food Administration.

The set-aside order, second to be issued under Food Production Order No. 9, is designed to make protein meal available for wider distribution. A similar order covering January production was announced early in December. The order pertains to cottonseed, soybeans, (except those furnished southern mills by CCO) linseed and peanut oil meal, cake or pellets.

In announcing the order the WFA requested the voluntary cooperation of oilseed processors in

making the quantities of protein meal to be set-aside during February available for distribution during January. Such meal will be credited against the February set-aside.

Oilseed meal set-aside under this order will be distributed by the War Food Administration, through the State and County Agricultural Conservation Committees. Processors can sell or deliver set-aside oilseed meal only to holders of a certificate of designated buyers, issued by the State or County Agricultural Conservation Committee.

Mr. and Mrs. W. H. Collins, Mrs. Ann Beason and Mrs. Rupert Austin left Sunday for Dallas and Fort Worth, where they will buy new spring merchandise for Collins Dry Goods.

Cpl. Jimmie McCarty of Camp Adair, Oregon, is visiting here with relatives and friends.

Mrs. Louis B. Reed of Ft. Sill, Oklahoma visited in this city last week.

The uniformed police system was first introduced in this country in New York in 1850.

Washington, D. C., is known as the "City of Magnificent Distance."

THIS is what we've been working for all along. This is the year to hit and hurt the enemy. This is the time when everything you do counts double. If we all get together and do all we can, we'll be over this hurdle and well on our way to complete and crushing victory.

No question about the men in uniform—they'll go "all out." But can we count on you to back them all the way? Your quota is where you work—you've got to buy your War Bonds and then buy more, until every last loose cent

you have is fighting. Tough? Of course, it's tough—unless it is a sacrifice you're simply not doing your share!

Make the sacrifice now—buy more than the extra \$100 Bond your country counts on you for—winning the war is worth any sacrifice you make. Besides, you aren't giving, you're lending to America! You'll get back every dollar you invest in War Bonds, with interest.

An extra \$100 War Bond now is the minimum for everybody—can't we count on you for more?

This sticker in your window means you have bought 4th War Loan securities.

"A Service For Every Need"

Local Squad Wins Odessa Game; Play Lubbock Tuesday

A fair sized crowd of basketball fans enjoyed two fast games Friday night in the Lamesa Gymnasium when the Odessa Bronchos and Lamesa's Golden Tornadoes played two games.

The 'B' teams played first with Odessa winning 27 to 30 in a game which was tight all the way until the last few moments.

The feature game was the first team game which followed the opener. Odessa took a seven point lead to make things look bad for the home squad. By the end of the first quarter the Lamesa boys had caught up and at half time the Golden Tornadoes had a lead of 13 to 10. The score at the end of the third quarter was Lamesa 25 to Odessa's 20. The fourth quarter ended in a tie at 36 each. The first play-off period of three minutes found the two teams tied at 38 each. Then came the pay-off with the victory going to the team first scoring a field goal. After several tries on the part of each team, H. Rhodes broke through the Broncho defense to score a field goal giving his team, The Golden Tornadoes, a score of 40 to 38 and victory.

The game was one of the most exciting events to take place in the new gymnasium and fans lucky enough to be present saw one of West Texas real fast basketball games.

Boxing at the halves between high school boys, evenly matched by size, weight and age proved a popular event.

The high school pep squad and band were present to add color to the events of the night.

Lubbock High School Westerners and the Lamesa teams play two games in the local gymnasium Tuesday night, beginning at 7:30 in two games which the locals mean to contest all the way. The first team game will open about 8:30 p. m.

Gas Distributors to Meet Jan. 20th at 2 p. m. In Lubbock

There will be a meeting in Lubbock at 2 p. m., Thursday, January 20th, at the Court House in District Court Room of all licensed and intermediate gasoline distributors.

This meeting will be conducted by officials from the Office of Price Administration, Lubbock District Office. The purpose of the meeting is to explain to such distributors the proper method of handling gasoline ration coupons and ration banking accounts.

Measures recently adopted by the Office of Price Administration Enforcement Division for stopping black market gasoline operations will also be explained.

Distributors from the following counties will attend the meeting at Lubbock:

Bailey, Borden, Cochran, Crosby, Dawson, Floyd, Gaines, Hale, Garza, Hockley, Kent, Lamb, Lubbock, Lynn, Scurry, Terry and Yoakum.

The District Director of the Lubbock District Office stated that the meeting will be of vital importance to the future operation of these distributors' businesses, and all such distributors located in the counties mentioned are earnestly requested to attend this meeting.

G. Mahon Makes Statement On Tax

WASHINGTON, D. C. — Congressman George Mahon, who himself voted against the present complicated income tax law, stated in Washington this week that he felt confident the regulations would be simplified but simplification would probably be too late to be of assistance before March 15. He said that one of the most frequent and

justified complaints which he heard during his recent visit to West Texas was in regard to complicated tax returns.

Mahon explained that simplification for the small income tax payer was attainable but cautioned that in cases where large incomes and complicated transactions are involved, many of the regulations would have to remain highly technical in order to plug loopholes and prevent loss of revenue.

Mr. and Mrs. Jack Ladd left Sunday for Dallas and Fort Worth where they will spend this week buying new merchandise for The Vogue.

Sgt. Leroy Reeves and wife of Big Spring are visiting here this week on a 15 day furlough.

Mr. and Mrs. Mike Barrett of Brownfield spent Sunday here visiting with his parents, Mr. and Mrs. J. E. Barrett.

Postwar Planning Discussed By G. M. Roberts at Rotary

Rotarians held regular meeting Friday at noon and heard the secretary of their club, G. M. Roberts speak. Roberts spoke on "Rotary Clubs Part in Post-War Planning."

Following this entertaining talk, Carl Rountree announced that arrangements had been made for most of the programs for the remainder of the year by the appointing of program chairmen. He also commented favorable on the success of those who had brought programs during the past half of the year.

W. B. Collins, chairman, for the Fourth War Loan Drive, made announcements relevant to the oncoming

drive, and urged all to do their utmost to help in raising the quota.

Mr. and Mrs. Ed Noret spent the past week in San Antonio attending to business.

Miss Iva Lea McKay of Tech, Lubbock, is visiting here with her mother, Mrs. W. O. McKay and sister, Mrs. Gene Barrett.

MOTHERS ISSUE PAPER FOR BOYS IN SERVICE

THERMOPOLIS, Wyo. (AP) — Mothers of Hot Spring county publish a newspaper which they send to their boys, now in the army services, once a month. It contains four pages of four columns each and carries home county news exclusively.
