W. L. (Tom) Davis Given Grand Master Key For Lions Club Membership Achievements

W. L. (Tom) Davis was a Grand Master Key at Tuesday's meeting of the Sonora Lions Club. Davis received the high award which consists of a plaque and a diamond-studded key, for having secured 50 new members for the club. Only 356 members of Lions International have ever received this award.

Key Member Awards for securing two new members each were presented to R. G. Nance, Herman Smith and Pat Lyles.

Ralph P. Mayer reported on what is being done toward securing fire fighting equipment for use in controlling range fires.

President Harold Scherz announced that there will be no regular Lions Club meeting next Tuesday since the annual barbecue honoring teachers is scheduled for that night.

E. B. Keng presented a program on the Lions Magazine.

One guest, Albert Ward, was present.

Firemen Called To Fire At Courthouse

Firemen were called to the Sutton County courthouse Tuesday afternoon where they quickly extinguished a fire which threatened the second floor of the building.

The fire broke out in a wastebasket in the court room. The door leading from the court room to the Soil Conservation office was damaged and some smoke damage was sustained to ceilings.

Prompt action was credited with preventing the fire from spreading.

Ranchmen Asked To Assess Selves \$10 Per Section For Fire Equipment

Sutton county ranchmen are being asked to contribute to funds for the purchase of badly needed additional fire fighting equipment for rural use. Three range fires in the past two weeks have pointed up the necessity of acquiring more units which can report immediately when a range fire alarm is sounded.

Fire fighting operations during the recent fires revealed a particular need for one four-wheel drive truck with tank and pump; one high pressure pump unit for a present truck; eight

portable radio receiver-transmitters for use on fire units, planes and Fire Department official vehicles for better direction of fighting efforts.

It has been suggested that if each ranchman contributes a minimum of \$10 per section, the \$15,000 needed for purchase of the equipment would be raised and the equipment ready for use in the near future.

The Sonora Chamber of Commerce which is spearheading the collection of contributions suggests that "If each ranchman will consider that at a moment's notice, day or night, he can call 30 men with three well-equipped trucks, and radio equipment to his ranch to fight a fire, the \$10 per section is very cheap insurance. Immediate action to suppress fire before it spreads widely is the key to preventing major losses, and the Sonora Fire Department is the organization we must rely upon."

Checks should be made payable to "Fire Equipment Fund" and may be sent to the First National Bank, Ralph P. Mayer, or H. V. Stokes.

Public Invited To Ground Breaking Sun. For The Church Of The Good Shepherd

A ground breaking ceremony is planned by The Church of the Good Shepherd for five o'clock Sunday afternoon, September 20, at the church building site on Mulberry Street behind the Masonic Lodge and next door to Mrs. Clyde Gardner. The lot has been leveled and prepared for construction free of charge by Carl J. Cahill.

The Rev. Allan Guthrie, pastor, will officiate at the ceremonies and the first shovel of earth will be turned by Mr. and Mrs. Cleve T. Jones, Mrs. Lee Labenske, Nelson Stubblefield and others.

Construction is scheduled to begin on the building within the next week or ten days.

Shriners Selling Tickets For SAC - Paris Game

The Plateau Shrine Club will join other Shriners in the West Texas area in presenting special half-time ceremonies at the September 19 San Angelo College-Paris Junior College football game to be played in Bobcat Stadium.

Tickets for the game may be purchased at First National Bank or at Sonora Drug. Only general admission tickets are being sold for the game.

Lions Club, PTA Barbecue To Honor Teachers Tuesday

The Sonora Lions Club and the Sonora Parent-Teacher Association will honor the faculty of the Sonora schools with a barbecue at the school cafeteria Tuesday night, September 22.

The Reverend Donald Anderson, pastor of the First Baptist Church of Kerrville, will be principal speaker. Mr. Anderson, who has recently returned from Russia and the Near East, is a well-known speaker and minister and was presented here by the Brotherhood of the First Baptist Church last month.

Harold Scherz, president of the Lions Club, will act as master of ceremonies and will introduce new citizens in the community.

Mrs. Edgar Shurley, PTA president, will introduce new teachers.

The Rev. Alvin Loiry, pastor of the First Baptist Church, will give the invocation and will introduce Mr. Anderson.

Dr. W. Livingston, Jr., will present a program of marimba music.

All guests are asked to assemble in the auditorium of Central Elementary School prior to the dinner.

As is customary, PTA members will furnish salads and desserts.

Rev. Donald Anderson

E.S. Mayers On Trip Around World

Mr. and Mrs. Edwin S. Mayer left Monday from the West Coast on the first leg of a trip around the world. Their itinerary calls for them to arrive in Australia, via the Fiji Islands, on September 17. They will spend two weeks in Australia touring that continent at the height of the shearing season.

From Australia they will go to Japan, the Philippines, Singapore, Thailand, Burma, India, Egypt, Lebanon, Turkey and Greece.

Leaving Greece on November 11 they will travel to Italy, Switzerland, Austria, Germany, Holland, Belgium, France and England before returning to New York on December 22.

Eldorado Eagles Fall To Broncos 22-6 In Hard Fought Game Last Friday

The Sonora Broncos downed the Eldorado Eagles 22 to 6 here Friday night in a game which was scoreless through the first half. It was the second victory for the Broncos in as many games.

Ben Castillo broke the scoreless tie in the third period of play when he galloped 30 yards around left end for six points. Back Alfred Sykes followed up with a five-yard drive through the middle of the Eagle line and also ran the extra two conversion points.

Also in the third came the Eagles' sole score off a pass from Back Jim Cheek to End Jerry Johnson which was good for 25 yards and six points.

In the final quarter Castillo again rounded left end for a 20-yard run to bring the score to 22 to 6.

Outstanding on the Sonora team were Ends Gene Brodhead and Jerry Potmesil and Guards Luther Chalk and Jimmy Smith.

Commenting on the game, Coach Joe Turner said, "Our blocking was not up to par and we should get a good test against a big Iraan team this week."

W. J. Wilkinson, Former Sonoran, Buried In Menard

Funeral services for Will J. Wilkinson, 78, were held Tuesday morning, September 15, in Mission Funeral Home in Menard with the Rev. Alanson Brown, Sonora Episcopal rector, officiating. Burial was in Resthaven Cemetery with nephews as pallbearers.

Born in Menard October 2, 1880, Mr. Wilkinson was a son of the late Mr. and Mrs. W. J. Wilkinson, Sr., early Menard County settlers. He was reared and educated in Menard and was in the ranch business there. In 1912 he established a ranch in Sutton County.

He married Miss Sadie Tillman June 3, 1914, and they made their home on the Sutton County ranch west of Sonora for a number of years before moving back to Menard.

Mr. Wilkinson was a member of the Texas Sheep and Goat Raisers' Association and had served as a director for many years. He enjoyed sports including fishing, hunting and horse racing.

He is survived by his wife; six brothers, Edgar Wilkinson, San Angelo, Arch, Frank, Lamar, Ernest and Charles, all of Menard, and one sister, Mrs. Ed Mears of Menard.

Tolliver Leads Ruidoso Trainers

Clayton Tolliver of Sonora is leading the field as top trainer for 1959 at Ruidoso Downs.

According to latest trainer standings, Tolliver has a total of 202 points to second-place W. A. Simpson's 131.

Eighty-two per cent of the nation's people, 12 years and over, read a newspaper on an average day.

Broncos Travel To Iraan Friday For First Out-Of-Town Game

The Sonora Broncos will travel to Iraan Friday night for their first out-of-town game of the 1959 season.

The Iraan Braves, a large but relatively inexperienced team, last week held the Fort Stockton Panthers to two touchdowns with Center Danny Smith and Fullback Vearl McDaniel pacing the defense and offense respectively.

Injuries have been plaguing Coach Joe Turner's Broncos with Back James Nicks nursing a pulled shoulder and Blocking Back Ben Castillo favoring an ankle injury.

Probable starters for the Broncos: Ends, Gene Brodhead

and Jerry Potmesil; Tackles, Luther Chalk and Jimmy Smith; Guards, Kenneth Holmes and Jimmy Cahill; Center, Cliff Schwiening; Backs, Alfred Sykes, Jerry Baldwin, Herman Mears and Castillo.

Ben Castillo outdistances two Eldorado Eagles on a 30-yard run around left end to score the first touchdown of last week's game.

Horse Show Draws Entries From Top Breeders In State

A large crowd was on hand Saturday for the Sonora Park and Horse Show Association's first annual Quarter Horse Show and Cutting Horse Contest. A total of 181 entries were judged by George Glasscock of Cresson and Joe E. Sawyer of San Antonio. Glasscock judged the halter classes and he and Sawyer judged cutting contests.

Grand Champion Stallion of the show was Dandy Day owned by Jim Espy of Fort Davis. C. E. Boyd, Jr.'s Revenue Reed was Reserve Champion.

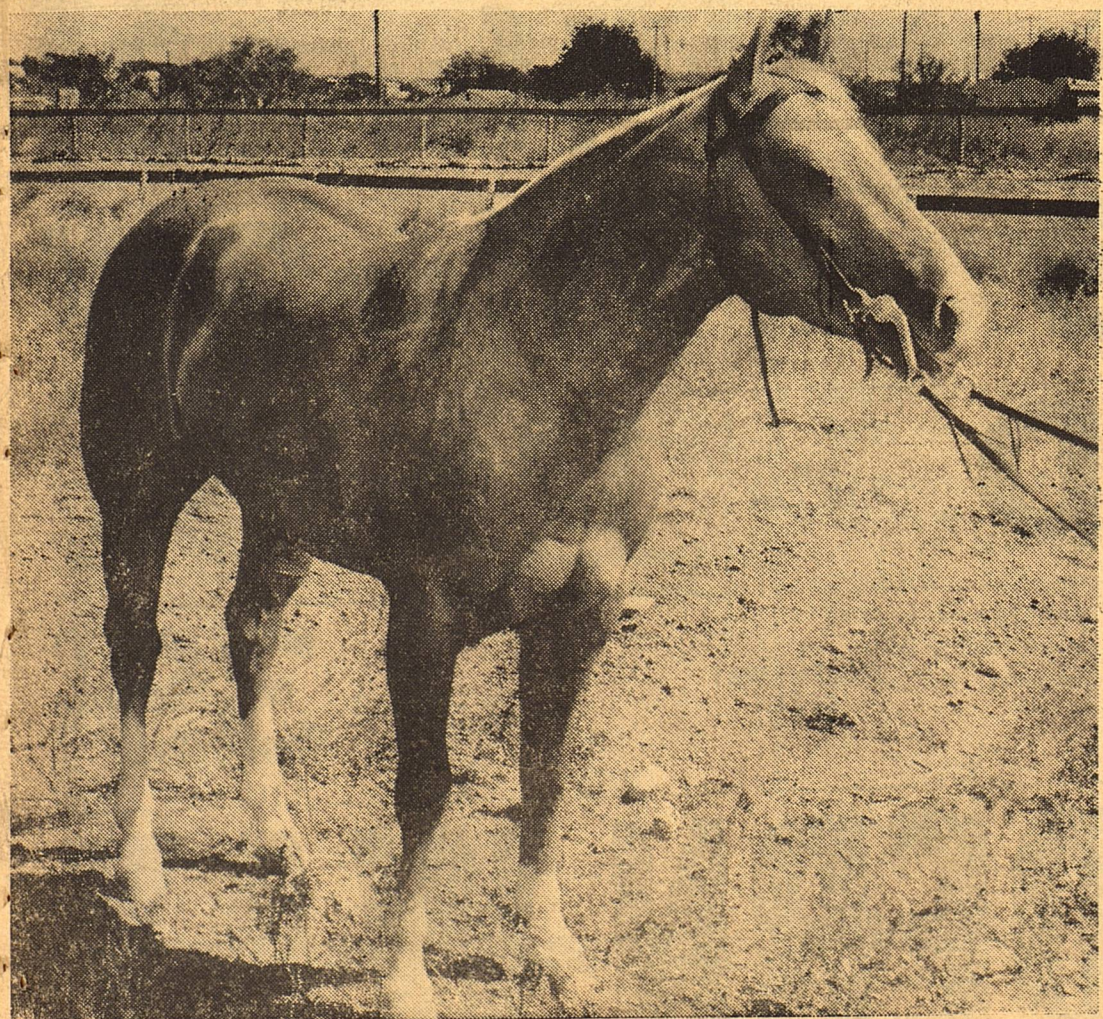

J. O. Hankins of Rocksprings showed the Grand Champion Mare, Queen Dawn and Allan Thornton of Clyde showed the Reserve Champion, Tidy Lu.

Grand Champion Gelding was Rocky Brooks owned by Louis Brooks of Sweetwater and Chubby Wasp, showed by Clay Espy of Fort Davis, was Reserve Champion.

Devil's River Philosopher Favors Price Sticker For Lambs, Like They're Using On Automobiles

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River has another idea he won't get anywhere with this week.

Dear editor:

It's not that I'm in the market for a new car, I'm waiting for the new models, have been for years, though it doesn't seem to make much difference, as fast as

they bring out a new model they turn around and start to work on an even newer one, never can seem to make up their minds, but what I started out to say does concern cars.

I read in a newspaper last night that a new law is now in effect requiring car manufacturers to put a sticker on every car showing the list price—that it

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Was it lightning, an old glass jar, or a careless match or cigarette dropped by a transient? Speculation ran high last week as to the cause of Sutton County's most devastating range fire in recent years.

The exact cause of the Elmer Wilson-Reiley fire may never be known, but it should be worthwhile to review possible causes of such fires and ways to reduce the outbreaks.

Everyone is aware of the danger of fire starting from a careless match or cigarette. A brisk breeze, very dry litter and a lighted cigarette dropped in the right position can cause a fire several minutes after the smoker leaves the area. Continued alertness of each individual is the only way to prevent such fires.

Another cause, though seldom thought of, is that empty jar or possibly a broken piece of glass lying in the pasture. Such an object can act as a magnifying glass and concentrate the rays of the sun to start a fire. One local ranchman witnessed a fire started in an empty wagon bed by a gallon jug of drinking water. Landowners should carefully avoid leaving drench bottles or other glass jars near inflammable material.

Voluntary burning of hoarhound, pricklypear, bitterweed or trash should be restricted to a time when fire is less likely to spread out of control. Landowners should always be well prepared to control any possible outbreak.

Lightning, which apparently caused the D. C. O. Wilson Estate fire and may have caused the Elmer Wilson-Reiley fire, is another cause of range fire. This cannot be prevented by man but alertness for tell-tale signs of smoke during and following storms can prevent many large fires. It is possible for a dead tree to smoulder for hours after lightning has struck it, and still burst into flames.

All hunters should be cautioned and frequently reminded to help prevent fires. Many hunters will be completely unaware of the serious damage that can result

from a large grass fire. With grass abundant and highly inflammable, constant alertness on fire prevention cannot be stressed too much. Range fires on the Edwards Plateau require serious consideration by ranchmen and others. They cannot be eliminated entirely, and there will always be a need for an efficient organization of men and equipment to keep damage to a minimum.

Good range cover is essential to profitable ranching. Overgrazing can never be the answer to fire prevention, because Nature stands ready to replace good grass with inflammable and often

light to sell for, what the extras on it should cost, etc., and there's a \$1,000 fine if a car dealer removes the sticker.

As I understand it, this was done to keep some sharp dealers from running the price way up, allowing you a lot more for your trade-in, and still making a satisfactory profit. What they were doing was taking a \$50 cat in on a \$100 dog, still getting the \$50 they wanted in the first place for the dog, which is pretty high for a dog, but so are cars and everything else.

The new law is intended to put a stop to this.

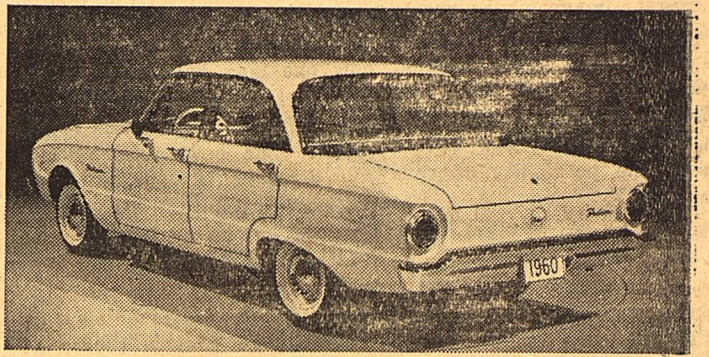

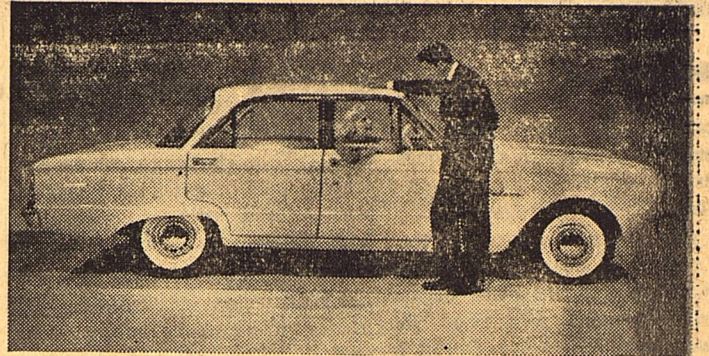

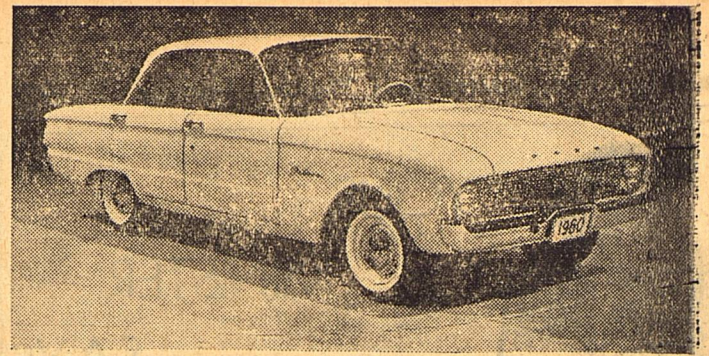

Now there's an idea that ought to be carried over into ranching, but sort of in reverse. While the car sticker law is aimed at keeping some dealers from horns-woggling the public, the ranch sticker law would be aimed at keeping the rancher from horns-woggling himself.

For instance, say a rancher has a load of lambs for sale, and the going price is 20 cents. The government ought to require the rancher to put a sticker on the lambs showing they cost him 30 cents to produce.

I'm not sure how this would keep a rancher from selling 30-cent lambs for 20 cents, but it at least would bring the thing out into the open. It just takes too many lambs these days to buy a new car or a new pickup, even one with a government-guaranteed price sticker on it.

Yours faithfully,
J. A.

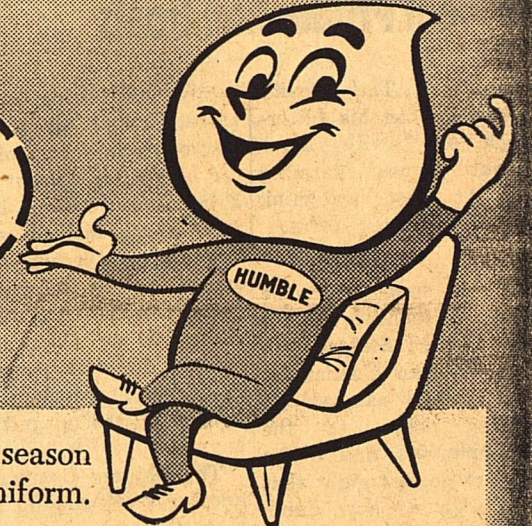

poisonous weeds. With a constant awareness of fire prevention and a well equipped organization which can rapidly suppress fires, very few acres of range-land should be damaged by fire.

YOUR MINISTER SAYS

Has any man seen God? Is the province of man's experience to look upon his Creator? Answers to these questions, in a literal sense, would be found in the negative since the word of God expresses that no man has seen God. However, accepting the truth of the New Testament writer of the Epistle to the Hebrews, Christ is the express image of the person of God. Our looking upon God in this way must be in the manner of the experience of such men as Isaiah who, in a vision, saw God, high and lifted up. Let us consider the possibility of thus seeing God.

Isaiah's vision of God saw God enthroned in power and majesty. God was seen in his transcendence, high and lifted up, and also seen in his imminence for his train filled the temple. God is ever above man, yet he is ever near unto man. God was seen in righteousness and holiness which resulted in bringing a conviction of sin upon the man who looked upon him. Man's looking upon God in this spirit of conviction and confession brought cleansing from sin which

only God can render. When man looked upon God in this vision he was challenged to service for God. This challenge of service was to endure until the cities be wasted and without inhabitant and the land be utterly desolate.

Let us be challenged by this beatific vision of Isaiah, the prince of prophets. Let us find God as we render unto him our spiritual worship. You may ask the question which seeks to tell how one may have this experience. Let me point out the necessary factors. Isaiah was in the temple. The best place to receive a vision of God is in the place of worship. When a man goes to church he ought to see God as he is. When a man goes to church he ought to see the condition and need of fellow man. When a man goes to church he ought to be cleansed. When a man goes to church he ought to be challenged. When a man goes to church he ought to go forth to serve. Every Christian privilege includes a responsibility. Every vision of God includes a call to service to man for God. For every "come unto me" there is a "go ye therefore."

Devil's River Philosopher Claims He Knows Why Chinese Farmers Fail To Meet Production Goals

Editor's Note: The Devil's River Philosopher on his bitter-wood ranch on Devil's River writes about Chinese farming this week. At least, we think that's what he's writing about.

Dear editor:

Everybody is supposed to be polite to Mr. Khrushchev on his visit to the United States, even if he is a Russian Communist dictator, but nobody has said we had to be polite to the Chinese Communists, and I was reading an article last night that made me laugh at how dumb the Chinese Communists are.

As I understand it, a few years ago the Communist bosses over there decided they were going to show the Chinese farmers how to farm, so they reorganized the whole business. What they did was throw all the farmers in "Communes," this is, herd farmers in groups of around 5,000 into one place, build barracks for them, and run farming like it was a military operation.

What the Chinese bureaucrats failed to realize is that you can't throw people together in close quarters with any success. Any big city proves that.

Also, they must have been working on the theory that a farmer lives in the country because he can't afford to live in town. They're wrong. Actually, these days, very few people can afford to live in either place, town or country, but the way I see it, you can't fail to make ends meet a lot more privately in the country.

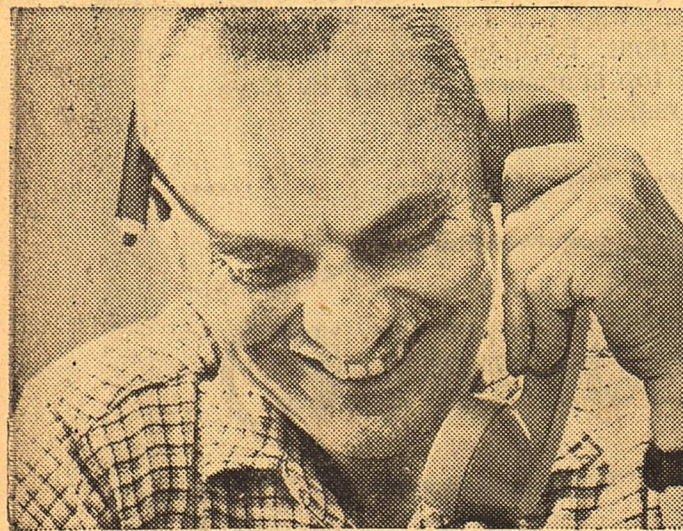

I don't know about those Chinese farmers, other than that the news has leaked out they aren't

happy about being herded up in barracks and agricultural production is far short of the goals the bosses set up, but the reason I live out here on this bitter-wood ranch instead of in a big city is not because I couldn't swing city life if I tried. It's not because there's not room enough there for me. There's not room enough for the people already there, but that has no bearing on it. Cities keep on getting bigger anyway.

The Chinese Communists have another think coming if they believe they can improve agriculture by putting farmers in towns.

I've seen lots of ranchers move to town, but it didn't help their ranching ability. Most of them wound up becoming barbers or bankers or grocery clerks or merchants or bookkeepers or they ran for office. Of course I know some city people own ranches, but generally speaking they're not causing the agricultural surpluses.

Yours faithfully,
J. A.

NOTAS DE LA COLONIA LATIN AMERICANA Por Elpidio Torres

By Elpidio Torres
"Autumn after autumn the dream has persisted in alleys and wood lots, mansions and tenements: every American could rise by education." The quote from Time magazine September 14 ex-

presses a dream which has come true for five young men and one young woman of the Latin-American Community.

They are Juan Ibarra, son of Mr. and Mrs. Miguel Ibarra Bobby Brown, son of Mr. and Mrs. Happy Brown, Eddie Sosa, son of Mr. and Mrs. Ed Sosa, Sr.,

all attending San Angelo College; Antonio Chavez, son of Mr. and Mrs. Antonio Chavez, Sr., begins studies at North Texas State College; Sam Galindo, son of Mr. and Mrs. Pedro Galindo, Sr., attends A. & M. College; Miss Santa Diana Lopez, daughter of Mr. and Mrs. Santos Lopez, will

be attending Texas Woman's University.

Best wishes to the young folks for great success in their respective fields and our congratulations to the parents who have made young peoples' dreams come true.

CARD OF THANKS

Our sincerest thanks to our friends and neighbors, to everyone for the help we received in extinguishing the second grass fire on our ranch. The loss would have been so much greater without your help.

Steel bar cushions jar in REDESIGNED '60 CHEVY TRUCKS

A revolutionary new suspension system gives vast improvement in ride, durability, and control to 1960 Chevrolet trucks. Front wheels are independently sprung on frictionless torsion rods. Rear suspensions are new, with coil springs on light-duty models and stronger, softer riding leaf springs on heavier models for improved cushioning of load and driver. New frames reduce height up to seven inches, with some cab floors at step-in level from the ground. Styling is new with rubber-mounted, roomier cabs. Inside steps have been eliminated, providing a full-width floor.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

Cody Wardlaw II Buried In Del Rio

Funeral services for Cody Wardlaw 11, 19, were held at the First Methodist Church in Del Rio Monday afternoon and burial was in Westlawn Cemetery.

Born in Del Rio October 28, 1940, Wardlaw was the son of the late Cidy Wardlaw and Mrs. W. E. Oglesby of Del Rio. He was a student at Southwestern University and would have been a sophomore this year. He was a star athlete during his years in Del Rio High School.

Wardlaw was a victim of a headon automobile crash Saturday night, September 12, in which two other persons were killed.

Survivors include his stepfather and mother, Mr. and Mrs. Oglesby; a sister, Tennille Wardlaw of Del Rio; his paternal grandmother, Mrs. C. B. Wardlaw, Del Rio, and his maternal grandparents, Mr. and Mrs. Alfred Tennille of Wimberly.
