Skyrockets Tied for 2-A Lead

Wellington Skyrockets, tied for first place in District 2-A, will play their next two games on their home court.

On Friday night, they will host the strong Claude team. First game of the triple header, the B team boys, will start at 5:00 p.m., to be followed by the Rockettes-Claude girls and then the Wellington and Claude boys.

Silverton comes here Tuesday, February 3, with B team girls and varsity boys and girls playing. Game time is also 5:00 p.m.

Wellington and Wheeler boys are presently tied for first place.

"Right now we've got to keep pace with Wheeler. We can't drop a game, and the contest that comes up between these two teams February 6 will probably decide the district winner," said Coach Robert Hicks.

Although Wellington defeated Claude 83-63 in the first round, the Rockets were handed a tougher game than the score appeared, with the score tied going into the fourth period.

The Rockettes, who dropped their first game to Claude girls 46-25, are eager for this rematch, said Coach Bruce Dollar.

"Claude has as good a team as anyone in the district. The first time we probably played our worst game of the year and the girls are looking forward to this second chance."

Wellington Rockets' season record is 17-3. The only losses have been to Crowell in the Paducah Tournament, to Memphis in district play early in December and to Wheeler in the Canadian tournament.

Quails in Crucial Game with Valley

Quail Quails, ranked No. 1 in District 4-B, meet the No. 2 team, Valley, Friday night, January 30 on their opponent's court. This will be one of their crucial games of the season.

No title will be at stake Tuesday night, February 3, but there is nothing like a meeting between the Quails and Samnorwood Eagles to generate basketball excitement, Collingsworth County style. This rivalry goes back 40 years. The girls teams also will play.

Game time is 7:00 p.m.

Samnorwood goes to Hedley Friday night, by defeating that team 25 points in the first round.

Hedley girls have not shown a great deal of strength and are one of the younger teams in District 4-B. The boys are also young, but they played under the team that went to Regional last year and they are quite knowledgeable, said Norwood coach Dale Morris.

Quail is expecting one of its closest games at Valley. "We beat their boys 5 points here. They have a good team, and I figure if we

FRANCHISE TAX PAYMENT

Mayor Billy Hatch receives a check from Mrs. Dorothy McGill, manager of Cablecom General, for \$2,228.16 to cover its 3 per cent franchise tax

to the City of Wellington. This is \$668.43 more than the company paid for last year.

Hospital Board, Doctor Enter Agreement Here

The Collingsworth County Hospital District Board of Directors voted unanimously Monday night at a regular meeting to enter into a working agreement with Dr. Reynaldo P. Perez to help furnish medical care for county residents.

Under the agreement the District will guarantee Dr. Perez \$1,000.00 per month. The sum will be reduced dollar for dollar by the amount Dr. Perez receives from his practice of medicine in the county.

In addition the District will provide employees as necessary, clinic space, equipment, supplies, utilities and medication through December 31, 1976 to be paid from the general operating income of the hospital.

The agreement does not

cover insurance. Dr. Perez will provide that himself.

Dr. Perez, a surgeon and anesthesiologist, will enter the private practice of medicine under a temporary Texas license, granted December 22, 1975.

He and his family came to the United States from the Philippines in 1968. He was graduated as a doctor of medicine from Far Eastern University Institute of Medi-

cine in Manila and did rotating internships and a residency in surgery.

In the United States, he completed a rotating internship at Nortons Memorial Infirmary, Louisville, Kentucky; residencies in surgery at that hospital and at the Jewish Hospital, Cincinnati, Ohio. He followed this with a residency in anesthesiology in Indiana University Medi-

New Rates Set by Ambulance Service

Directors of Collingsworth Volunteer Ambulance services voted Thursday, January 22, to set new rates for ambulance calls.

These include a new base rate of \$25 plus 60 cents per mile one way outside the city limits, said Bob Watson, ambulance service president.

This rate is now in line with what most ambulance services have been charging all along.

Operations were still in the black when the change was made—but barely.

"We made 2181 calls in 1975 at an average cost to the patient of \$32.99 and an average cost to the service of \$32.72. We were making 25 cents a call to cover any additional expenses and depreciation. This also does not include \$1,647.82 spent for new radio equipment and

our part on the ambulance due here shortly," Mr. Watson explained.

The board considered present charges made in surrounding communities in basing the new rate. They are equal to or even considerably higher than that set here.

"We felt we should raise the rates rather than become a tax burden on people. We have been able to operate in the black with subsistence from the city and county, except for equipment, and this has been substantially

Cub Scouts To Hold Cake Auction Jan. 29

Cub Scouts will hold a cake auction at their pack meeting Thursday, January 29, at 7:30 p.m. in the American Legion Hall.

This is open to the public, and all those interested in cubbing are invited to come and take part in the auction.

Richard Nall will auction the cakes, and proceeds will go to finance the annual Blue and Gold Banquet, which will be held Saturday night, February 21.

This auction replaces the father-son cake bake which the cubs formerly had, although many of the youngsters and their dads are expected to collaborate in the kitchen again this year.

Full-time Operation of Family Service Center Gets Approval

The regional board of trustees for the Amarillo Mental Health Mental Retardation Center voted in a recent meeting to make a full-time center of the Wellington facility to serve the multi-county District 6.

This came out of a recommendation made by directors of the Eastern Division, MHMR, and also included a new family services center for Perryton in District 2.

"With the District 4 center in Pampa, this would make a family services center in each of the districts of the Eastern Division, MHMR," said Mrs. B.M. Sims, a member of the regional board.

"This makes the regionalization a reality to the citizens of these outlying areas, and this has been part of the long-range goal for several years.

At present, the Wellington center, with offices in First Baptist Church, is staffed two days each month by Floyd Robertson, director. Appointments are taken

at all times by the church secretary. Mr. Robertson will continue to come here until full-time staffing is arranged. It will become effective by August 31, Mrs. Sims said.

"This center was made possible through the interest of many people in our

county," she continued. "The recommendation came from a meeting held in Pampa. The proposal was the most in-depth that had been received, with at least 25 letters showing the interest of our people and the need for the center. These came from many fields of

interest, the Ministerial Alliance, attorneys, doctors, the hospital administration and school administration."

At the same time, Mrs. Sims emphasized that this interest needs to be continued.

REV. CHARLES FINLEY

Rev. Finley New Pastor of 1st Christian

The Rev. Charles L. Finley has accepted the pastorate of First Christian Church and will assume his duties Sunday, February 15.

He and Mrs. Finley are moving to Wellington this week.

Rev. Finley comes here from a four-year pastorate at People's Community Church at San Juan, in the lower Rio Grande Valley. In addition he served as a pastor in trailer parks in that area, reaching more than 50,000 persons annually. The trailer ministry will be continued under his guidance.

Born in Egypt, where his father was a missionary, Rev. Finley spent part of his childhood in the Sudan.

He was ordained in 1950 and came to the southwest 10 years ago to engage in ranching and as a pastor in southern Arizona. He came to Texas four years ago.

B&PW Holds Pancake Supper February 3

The Wellington Business and Professional Women's Club will have a pancake supper on February 3 from 5:00-7:00 p.m. in the school cafeteria. Mrs. Ernest Harwell is chairman of the

committee in charge with Mrs. Billy Williams, Mrs. Zook Thomas, Mrs. Dudley Phipps and Miss Myra Hays. All BPW club members will have tickets to sell and they may be purchased at the door.

The club will be using the proceeds for their club projects, local, state and national. The project for the State BPW Clubs is the M.D. Anderson Cancer Clinic. Last year, Texas club members donated \$20,000 to this project and would like to have at least this amount again. The National Foundation of Business and Professional Women's clubs gives scholarships to older women who need to further their education. The Wellington club also gives to local projects.

Bloodmobile Visits Wellington Feb. 10

The Red Cross Bloodmobile from the Red River Regional Blood Center, Wichita Falls, will be in Wellington Tuesday, February 10, for its semi-annual blood collection.

The unit will be at First Baptist Church from 1:00 to 6:00 p.m. The goal will again be 118 units, a figure based on the county's population.

Mrs. Ernest Harwell is overall chairman and is now naming those who will head various divisions.

An intensive recruiting campaign to secure blood donors will begin over the week end, and continue through the 10 days of February until Blood Donor Day.

Joyce Eisel, field recruiting representative from the Red River Regional Blood Center, will be in Wellington Friday, January 30, to map plans for the visit with Garner Altom, hospital administrator, and

volunteer workers.

This meeting will be at Collingsworth General Hospital at 10:00 a.m., and Mr. Altom emphasized that any person interested in working with any phase of the bloodmobile visit, from recruiting to serving at the time of the visit, is urged to be at the hospital for this meeting.

"We need more volunteers for all phases of the visit. And certainly every volunteer can feel he or she is doing something vitally important for the community."

"The success of the bloodmobile visits determines whether Collingsworth General Hospital can continue to get its blood from the Red River Regional Blood Center, or whether we will have to go out and get our blood from walking donors or from a commercial bank."

Cong. Hightower in Wellington Saturday

Congressman Jack Hightower was in Wellington a short time Saturday, January 24, contacting friends. He was en route to Vernon to attend a funeral before returning to Washington.

He said he will be in Wellington again in a few weeks, and until the end of the present session of

Congress, he will spend the working week in Washington and the week ends in the 13th Congressional District.

Congressman Hightower recently announced his candidacy for re-election to the United States House of Representatives during an appreciation reception for him and his family in Wichita Falls.

In Wellington, he said he was not optimistic about the passage of gas decontrol legislation, which is opposed by northeastern cities, so strongly represented in Congress.

He cited an oil operator at Electra who told Mr. Hightower he has had to shut

Benefit Game Planned for Booster Club

A benefit basketball game will feature the Skyrocket Booster Club vs the KVII-Good Guys Saturday, January 31. Starting time is 7:30 p.m.

The game will be played in Wellington High School Gymnasium.

A cake and pie sale will be held at half time.

All proceeds will benefit activities of the Booster Club.

Quail-Valley Hold One-Two Positions

Quail Quails took a home court victory over Estelline 77-53 Tuesday night, January 27, to retain the lead in Class 4-B.

Second ranked Valley also remained in that position by defeating Samnorwood on the Eagles' court 67-47.

Both girls teams lost, Estelline defeating Quail 53-43 and Valley girls winning over Samnorwood 68-48.

Quail boys were ahead 17-12 at the end of the first quarter and widened the margin to 42-24 by halftime. The score was 65-39 by the third period.

Johnny Needham of Quail led his team with 23 points; Vernon Abram had 17 for Estelline.

Estelline girls took a first quarter lead 17-9, but by halftime the Bobwhites had narrowed the gap to 25-21. At the third period they trailed only one point, 37-36. In the final quarter, however, Estelline began to pull away to end the game 53-43.

Only one point separated Valley and Samnorwood girls at the end of the first period, 13-12 Valley. However, the visitors had increased their lead to 34-29 at halftime and

49-33 at the third quarter. Cindy Coleman had 26 points for Samnorwood; Michie Lipscomb scored 30 for Valley.

Norwood boys played Valley a close game through the first half, trailing only one point, 17-16 at the first quarter and 34-29 at the half. Valley had a good third period, scoring 18 points and holding their opponents to 10, then continued to widen this margin through the final quarter.

Lowry Schaub was high point Eagle with 14 points; Joey Bairfield had 23 for Valley.

Ken Foster New President Of Cycle Club

Ken Foster was elected president of the Wellington Cycle Club at the annual election meeting Friday, January 23. He succeeds John Alf Thomas, who was then named vice-president.

Jackie Barnett was elected secretary-treasurer; Larry Gollighugh, reporter; and Boyd Derryberry, road captain.

Meeting dates were set for alternate Friday nights at 7:30 p.m., with the next meeting date to be February 6.

All members are urged to attend the meetings. Upcoming discussions include summer activities. A committee to research these possibilities includes Carroll Nunnelle, Farris Wood, Dennis Pepper and Redgie Souder.

Members who have not paid their dues were urged to do this so their names can remain on the roll.

The Wellington Cycle Club is family oriented, with children as well as parents taking part in many of the activities.

Career Program Planned for N'wood Students

A career education program, one of a series offered at Samnorwood by the Explorer Scouts, is scheduled for Monday, February 2, at 9:00 a.m.

This session will be given over to careers in the entertainment field, said Kenneth Martindale, high

The Collingsworth center has been used almost to the capacity for the two days that Mr. Robertsn comes here each month. Some group sessions are planned for the near future.

Work carried on in the center includes after-care for those who have been in a state hospital and have returned to their families; those with problems relating to drug abuse; individual emotional problems or problems within the family units, as well as many others.

Mr. Robertsn has said that never has he been received so warmly or met so many people so quickly as in Wellington. Especially appreciated, he said is the reception from the medical community, clergy and school.

The new facility will be open 5 days each week serving residents of Collingsworth, Donley, Hall and other area counties.

Working closely with Wellington group in setting up the full-time center here will be Mrs. Clair Rigler, associate administrator for regional services of the Amarillo Mental Health Mental Retardation Center.

school principal.

The Adobe Walls Council, Boy Scouts of America began this series of programs last year, whereby professionals in various fields are brought to schools within the council.

Through them, students learn something of the various careers and the requirements required.

The name of the speaker has not been released, but he will be accompanied to Samnorwood by William Loy of Perryton, Buffalo Wallow District Scout executive.

The January speaker was a representative of Phillips Oil Co., and represented the oil industry. Prior to that, the students had heard of such careers as auto mechanics, cosmetology, hotel and restaurant management, and commercial aviation. The March program will be devoted to aerospace and April to politics. The May meeting will feature representatives of the three branches of the military, who will explain the advantages of a military career.

"These feature speakers that we as a school could not bring out here, but the Boy Scouts, being a large organization, can secure these people," said Mr. Martindale.

Armstrong 4-H Plans Auction

The Armstrong County Annual 4-H Club Farm Machinery Sale will be held February 7 at Claude.

A small commission is collected on all items sold or passed out to help finance activities of the Armstrong County 4-H Clubs.

down 100 marginal producing wells because the cost of production was more than the price he gets for the oil. There are more than 1,000 of these wells in the 13th district, he added. These represent a loss of taxes paid, loss of employment to men working, and loss of investment to the producer, as leases expire when production ceases. "I think it is a serious thing," said the congressman.

On the other hand, he said he feels good about the possibility of lowering estate taxes by increasing the exclusions.

Hightower pledged continuing vigorous efforts to help counter the prevailing attitude in the Congress that has produced legislation that can adversely affect people in the 13th Congressional District and to help enact legislation that will assist, rather than hinder, the principal industries of the district.

He also pledged to encourage a growing Congressional awareness that federal regulatory agencies must be made more accountable, both to the Congress and to the public.

The Congressman said that he began his service to his constituents one year and three days ago with the realization that major issues confronting the congress were also the principal concerns of his constituents.

"After one year many of the problems of energy and inflation that confronted us last January remain our foremost concerns today," he said.

The Congressman said that the 13th Congressional District was completely unique because so many of its people are producers of the products necessary to the

day-to-day existence of other people throughout the nation and the world—food and fiber or petroleum. He said he knew that legislation affecting them was inevitable.

"Congress passed an emergency farm bill intended to give some assurance of stability in the marketplace for 1975's crops," he said, "but it was unable to muster the necessary two-thirds majority to override a Presidential veto."

"Congress passed several energy bills," he said, "but none of them will help provide the most critical need, an incentive to increase exploration, production and development of our domestic resources."

"Congress will consider legislation this month that is likely to determine whether the nation will have a continuing natural gas supply," he said, "but it is going to be extremely difficult to get it enacted."

"Congress took tentative steps to help assure accountability of regulatory agencies by passing a bill forcing the Environmental Protection Agency to consider the economic impact of some of its proposed regulation," he said, "and I am convinced we must force all agencies to accept similar responsibility."

Hightower said his greatest challenge is to convince other members of Congress of some of the hard economic facts that his own constituents have understood and lived by most of their lives.

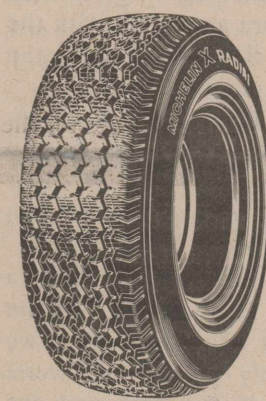

"You do not encourage greater domestic production of petroleum by paying foreign nations almost twice as much as our own producers receive for the same product.

"You do not encourage maximum farm production by creating uncertainty about when or to whom the farmers can sell their products or how much they will receive when they sell them.

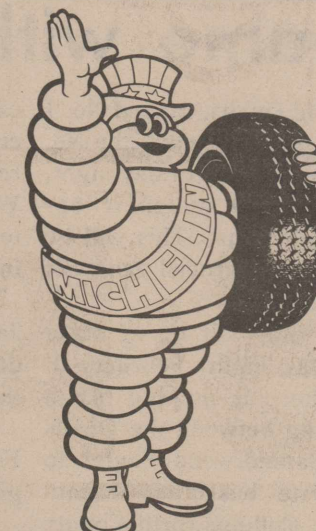

"You do not reduce government spending and help reduce inflation by creating new programs or bureaucracies that will require billions of taxpayers' dollars to finance."

Rocket JV in Irish Tournery

Wellington Junior Varsity boys played in the Shamrock JV tournament Friday and Saturday, January 23 and 24, losing a one-pointer to Shamrock 22-21 in the first round.

Going into the consolation semi-finals Saturday, the Rocket JV lost to Childress 31-18, according to Coach Ronny Glenn.

"We didn't play good at all Friday night," he said of the one-point loss, which saw that same margin through three quarters. "Childress outwhipped us," he added of the second game, although the score was fairly close for a while.

Allen Sanders was high point man in the first game, scoring 9, while Martinez had 8 for Shamrock.

Ricky Jones led in the second game with 6 points; Riddell had 10 for Childress.

For several years she has reviewed in story and song such musicals as "Fiddler on the Roof", "I Do, I Do", "The Fantasticks." Most recently, Lennie was featured artist for a district conference with "Musical Moods of the Prairie," a series of original prose and poetry, mingled with songs of nostalgic connotations of the county's first century and the nation's second century.

Mrs. B.M. Sims Soloist For "I Love America"

Mrs. B.M. Sims will appear as a soloist in the Bicentennial Musical Celebration, "I Love America" to be presented on March 18, 20 and 21. She will do the song, "The Red, White and Blue" which appears in the Praise for America—a tribute section of the musical.

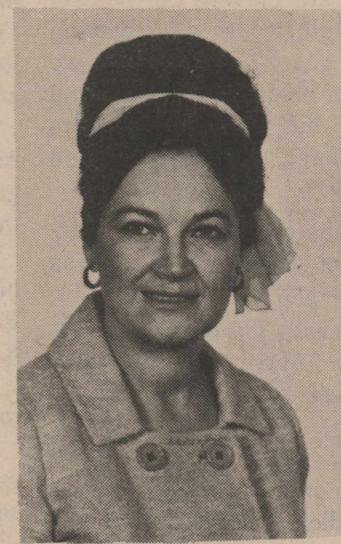

The musical will be presented at the High School Auditorium on March 18 and 21 and at the First Baptist Church on March 20.

Besides private instruction, Mrs. Sims had practice in her teen years as accompanist in piano and accordion for the Wellington High School and Junior High School choirs and as Kiwanis Sweetheart her four high school years.

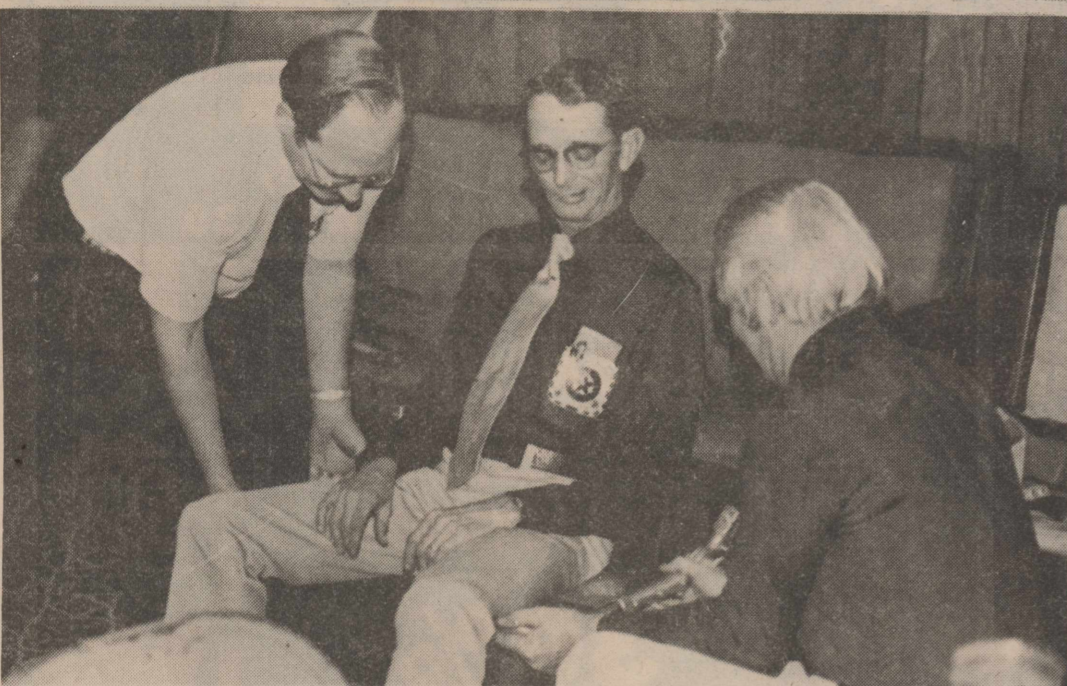

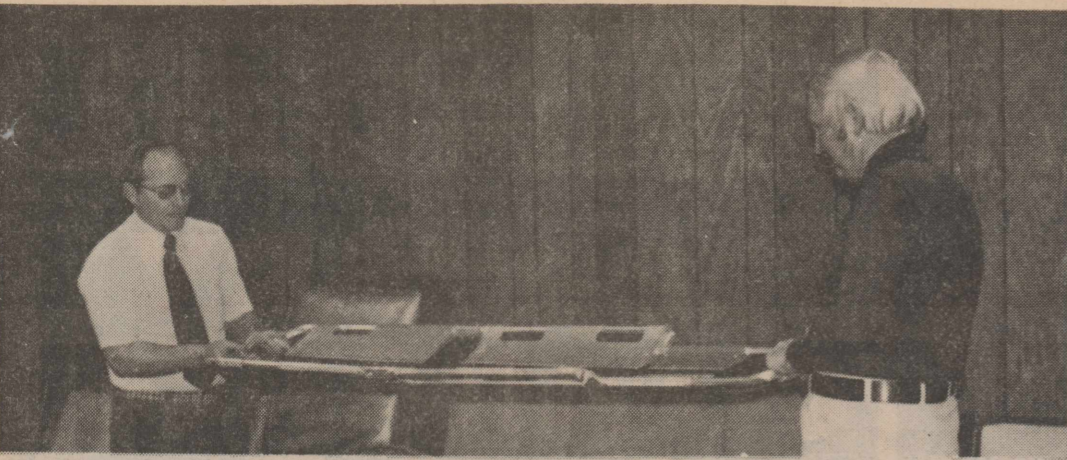

This former member of WHS Girls Sextet had eight years of band including WHS and Abilene Christian College. She has privately tutored students in vocal and instrumental music and has been special music director at Dodson Schools, including Dodson High School mixed chorus and the DHS Girls Trio.

A promoter of area cultural arts, Mrs. Sims is a past president of Wellington Music Club and a member of its vocal sextet. In Texas Federation of Music clubs she edits its official periodical and is a past district president, district junior counselor and state officer.

As Texas Federation of Women's Clubs chairman of Musical Penny Scholarship, she was able to get that scholarship awarded to a West Texas State University student for the first time a few years ago.

His name is John (Jack) Fischer, formerly of Amarillo, and ex-editor of Harper's Magazine in New York.

"Georgie and Nonie kept up their early association throughout their lives, and it was at my sister's house in White Plains, New York, that I met Paul, in the early 50's. "I met Nonie on my first visit to the U.S. (from Scotland) in 1938, when she was living in Washington, D.C. And then I met her many times when I returned after the War (from England in 1949), when she was living in Rhinebeck, New York, (near Paul), until her death in 1956. I loved her dearly."

Museum Granted Use Of Paul Laune Drawing

Paul Laune, Phoenix, Arizona, artist whose family were among the Collingsworth pioneers, has granted permission to the Collingsworth County Historical Museum to reprint his drawing of the Collingsworth County Courthouse as it appeared in 1893, for its fund-raising purposes for the

Museum. It was contained in the 1971 TEXAS Souvenir Program. This permission was granted in a recent letter to Mrs. Clyde Drake. The artist is the son of the late Nonie Russell Laune, who wrote "Sand In My Eyes," an account of the

early days in Collingsworth County and in the Woodward, Oklahoma area.

A note from his wife, Irene Laune, contained additional information relating to the Russell and Caperton families.

"Mrs. Drake, there's a footnote to the close association of two early Wellington district families--the Russells and the Capertons who lived at Dozier. Nonie, of course, knew all the Capertons--

Skyrocket Second Platoon Gives Preview of '77 Year

The Skyrocket second team literally picked up the ball and gave their fans a preview of 1977 basketball Friday night, January 23, as they played the final two quarters against the Shamrock Irish. Altogether, the Rockets took a 78-43 victory in their opponents' gym.

The Rockettes played their best game of the season and lost by only four points, 44-40.

Coach Robert Hicks' starting 5 played the first half to a 40-13 lead, and with the game under control, turned the last half over to the second platoon.

The Rockets showed a decided improvement in their free throws, making 16 out of 22.

"We are probably reach-

ing our peak," said Coach Hicks. We have leveled off and are playing the type of basketball we were playing last year. Up until now we have been playing hot and cold, but the last two games we have been a real good team."

Scoring was well-balanced. Winfred Sherrill was high point Rocket with 16; Edward Thomas had 15; Tony Martinez 12; Shane Tarver and Cliff Pennon 8 each; Sammy Gonzales 7, Neal Cocran 6; Jessie Davis four and George Brewer 2.

Allen Close scored 13 for Shamrock's high.

The Rockettes and Irish Lassies played a close game all the way. With the game about to end, Shamrock stole

the ball, the Rockettes fouled one of the Lassies and they made a three-point play. Time ran out before the Rockettes could recoup this effort.

Wellington trailed only 23-20 at half time and the game was tied 32-32 at the third.

Lee Ann Sessions was the high Rockette with 23 points; Pam Ingram had 9 and Kloette Camp 8.

Renee Bradley scored 17 for Shamrock.

This was by far the best game we've played this year, said Coach Bruce Dollar. The younger girls are starting to get more self-confidence and we should play pretty good basketball the rest of the year. Some of these younger girls are the age to be playing on the B team, but they are playing on the varsity. And they are learning lots of lessons for next year."

RSVP News

By Mecca Manuel

Well, here I am back from my trip to San Antonio. We have the tile down on our kitchen at the center. It is so pretty! We will soon have everything fixed, so we have started planning our open house.

We had a very informative meeting in San Antonio. There were directors from a five state area, including New Mexico, Oklahoma, Louisiana, Arkansas and Texas. The speakers were from Action in Washington, D.C. and Regional Headquarters in Dallas and Austin. The next state meeting will be in Fort Worth in April.

We have several volunteers sick in the hospital, Mrs. Pat Bouchelle and Mrs. Sandown Smith. Do hope

they get to feeling better soon.

We need some Telephone Callers!! Anyone who is 60 or over who would telephone those that live alone to see how they are, we wish you would let us hear from you. Our number is 447-2935.

Our quilters are still real busy turning out some of the most beautiful quilts. We have 3 to sell, and if you would like to buy one come by the center.

Our birthday luncheon was a great success in January. There were 51 that attended. Everyone really seemed to have a good time.

Thomas Nursing Center News

Tuesday evening residents having a birthday in January were honored with a Birthday Party at Thomas Nursing Center. Those honored at this time were Milton Orr, Mrs. Marie Watkins, Otis Roberson, Grady Graham, Mrs. Ida Killian, Mrs. Emma Kincannon, and Miss Iva Davidson. The residents were entertained by a singing program presented by Mary Fulcher, Ginger White, Jan Head, Jennie Glenn, Lisa White and Eric White. After the program everyone was served cookies and punch.

Other activities in which the residents participated in during the past week were: games, midweek Bible study, balloon volleyball, and the RSVP luncheon. Residents attending the luncheon were Ira Passons, George Brewer, Mrs. Amanda Bell, Ann Biffle, and Mrs. Marie Watkins.

At this time we would like to extend a welcome to our new residents, Mrs. Loraine Boverie and Mrs. Clemmie Hudson.

Many residents had visitors during the past week. Mr. and Mrs. Newton Crain of Canyon, Mrs. Tom Wilson of Quail, and Mrs. Dale Coleman of Dumas visited Mrs. A.Y. Bell.

Lena Tretow and Ernie Gunn of Amarillo were weekend visitors of Jim Harris.

Glena Mae Maddox of Garland, visited her parents, Mr. and Mrs. Robert Melton. Also visiting the Meltons were Bill Ford of Garland and Kyle Leslie of Memphis.

Ernestine Davis of McLean visited her uncle, Lynn Sparlin.

Mrs. Emma Lowe was pleased to have her daughter Mrs. Letha Brownlee of Amarillo visit Sunday.

Mrs. Opal Dunn of Amarillo visited her mother Alma Clement. Benny Reeves of Panhandle visited his mother, Mrs. Martha Reeves. Visitors of Mrs. Ura Scott were Mr. and Mrs. John Brim. Mr. and Mrs. Loyd Roberson of Amarillo

and Robin Maddox also of Amarillo visited Otis Roberson. Loyd Roberson also visited with George Brewer. Mrs. Evelyn Hartford of Oklahoma City, visited her father, Henry Coker. Mr. and Mrs. Ferris Hess of McLean visited with Mrs. Effie Phillips for a short time Thursday evening.

Mr. and Mrs. Earl Hartman of Plainview spent the week end with his parents, Mr. and Mrs. Leon Hartman. Both are students in Wayland Baptist College.

MR. AND MRS. S.W. BLACKBURN

Wellington is the choice of a California couple for their retirement home, because their son is employed at Westview Boys Home.

Mr. and Mrs. S.W. Blackburn of Bakersfield, Calif., have bought the George Patterson farm west of town and are already living there.

They also bought a house in Dodson and are moving it to the farm. As Mr. Blackburn formerly was a building contractor, they will add a new section which will more than double the size of this house.

The couple and their family lived in Bakersfield 31 years. Mr. Blackburn was

injured in an on-the-job accident about five years ago and has been retired since then.

Both Mr. and Mrs. Blackburn grew up in Comanche, Oklahoma, and were educated in the Comanche and Duncan schools.

Their son, Don Blackburn, has been employed at Westview Boys Home about a year. Their two daughters are Mrs. Don (Evelyn) Farquhar of Bakersfield, and Mrs. Ralph (Betty) Price of Oklahoma City. Both sons-in-law are electricians and will help with the new house.

There are 13 grandchild-

Seventh Grade Downs Estelline

Wellington 7th grade boys played the best game of the season against Estelline combined 7th and 8th grade team, although the score was against them 29-22.

Coach Ronny Glenn had only praise for his youngsters.

Lennie Archie led scoring with 10 points, while Tim Anderson, Jody Coleman, Channy Wood, and Joe Saldana had two each. Scotty Ingram scored 4.

Morris had 16 points for Estelline.

Wellington 7th grade girls left no doubt about their

victory over Estelline--a resounding 42-22.

Kathleen Reeves led the scoring with 24 points. LaVonda Thomas had 10 and Sandy Morris 8.

Stockton scored 8 for Estelline.

Early in the game, the Wellington girls weren't playing real well, but they came back at half-time to blow their opponents' game apart, said Coach Glenn.

The Wellington Seventh Grade girls have a 6-0 season so far. They played together as sixth graders and had another 6-0 record--making 12 victories and no losses for this group of girls. They have three games left.

Rev. Prince Altom to New California Church

The Rev. G. Prince Altom, 32, of San Francisco has been called as new pastor of the Church of All Faiths at Corte Madera, Calif.

The son of Mr. and Mrs. Garner Altom, he has been pastor of the Bi-racial Twenty-First Avenue Baptist Church in San Francisco since 1972 and has supervised a Chinese language ministry there.

He also has served as director of religious educa-

tion at the post chapel at residio of San Francisco.

Prior to that, Altom was associate pastor at San Lorenzo Baptist Church while earning his master of divinity degree, which he received from the Golden Gate Baptist Theological Seminary in 1969. He also was educated at Hardin-Simmons University, Abilene and the International Baptist Theological Seminary in Zurich, Switzerland.

He is an accomplished pianist and was music and youth director at Hamlin, Rotan, Calvary Baptist at Cisco and First Baptist at Snyder.

He and his wife, Leta, a graduate of Texas Women's University, have one child. Mrs. Altom is director of advertising for Home Yardage Stores of California.

The couple has visited here several times.

Mr. and Mrs. Sid Tingle of Wolf City visited last week with his brother, Mr. and Mrs. Lewis Tingle and Mrs. and Mrs. Elvis Sain.

Church Rites Friday Unite Don Proffitt, Donna Dabney

Mr. and Mrs. Don Proffitt are at home near Estelline, following their wedding in First Baptist Church Friday, January 16, at seven in the evening. The Reverend Roy Collins, pastor, officiated.

The bride is the former Donna Dabney, daughter of Mr. and Mrs. Herschel Tabor of Dodson. Parents of the bridegroom are Mr. and Mrs. George Proffitt of Estelline.

Mrs. Truman Estes, organist, and Benny Kilgo, soloist, presented the wedding music.

The bride wore an off-white dress, designed with a high neck and lantern sleeves. Lace accented the yoke. The waistline was marked by a sash, tied at the back, and the full skirt fell to floor length. She carried a bouquet of pastel colored flowers.

Mrs. Auther Jones was the bride's attendant. She wore a white dress trimmed in orchid, made with a high neck, long sleeves and full, floor-length skirt. She carried a long-stemmed orchid carnation.

The best man was Gary Proffitt of Estelline, brother of the bridegroom.

Following the ceremony, guests were entertained at a reception in the fellowship hall of the church.

The bride's table was laid with a white net cloth over white, and appointed in crystal. Her bouquet formed the centerpiece. Guests were served by Mrs. Bobby Tabor of Dodson, her sister-in-law.

UMW Continues Challenge Study

The Dorotheans of United Methodist Women met Thursday, January 22, at the Greenbelt Electric Co-operative Directors Room, with Mrs. George Henry as hostess.

Mrs. Jim Boswell, assisted by Mrs. J.F. Michael, Mrs. H.H. Bowen and Mrs. Jack Davis, presented a challenging program on "Reaching Out from Hesitation to Hospitality."

This second session of a spiritual growth study, followed the previous session, "From Loneliness to Solitude," and moved from the consideration of one's innermost self to consideration for others, as taught by Christ.

Mrs. Joe Thompson gave the opening prayer and a brief business session was conducted.

Refreshments were served to Mrs. Buster Hughes, Mrs. Jennie Holcomb, Mrs. Pearl Aaron, Mrs. Guy Owens, Mrs. G.L. Jones, Mrs. Gorman Owens, Mrs. V.K. Orr, Jr., Mrs. Thompson, Mrs. Boswell, Mrs. Bowen, Mrs. Michael, Mrs. Davis and Mrs. Henry.

and Mrs. Billy Colson.

The new Mrs. Proffitt was graduated from Arnett High School in 1971 and attended Clarendon College and Wayland College at Plainview. At the time of her marriage, she was employed by the Wellington State Bank.

A graduate of Estelline High School in 1968, the bridegroom continued his studies at Clarendon College and Texas Tech University. He is presently engaged in farming.

After their wedding trip to Red River, New Mexico, the couple will live at Estelline.

Mrs. Hightower Dodson Hostess

Mrs. C.E. Hightower was hostess to the Dodson Home Demonstration Club Tuesday, January 13, when Mrs. Anita Blanton, new extension agent, made her first visit to the group.

She gave personal observations of the Zuni Indians, with whom she worked three years before coming to Wellington. Mrs. Blanton also showed films she had made in their homes, schools, and on the reservation. She told how they lived and worked, of their religion and the manner in which they have survived. She spoke of the beautiful country.

Mrs. Lynvel Black was in charge of the meeting, Mrs. A.V. Lowrie read the devotional and Mrs. Wayne Reynolds gave the council report.

Members answered roll call by naming "a new year's resolution I would like to keep."

Refreshments were served to a visitor, Mrs. Howard Elbert, and to Mrs. Blanton, Mrs. Vincent Hernandez, Mrs. Lowrie, Mrs. Bob Cochran, Mrs. Thurman Crowner, Mrs. Purl Tiptie, Mrs. Wayne Reynolds, Mrs. Black, Leslie Black and the hostess, Mrs. Hightower.

Mrs. Floyd Wilhite will be hostess for the next meeting.

Mr. and Mrs. Mike Pounds are the parents of a son, Brandon Mikel, born January 22 in Collingsworth General Hospital. He weighed 6 pounds 13 ounces.

Grandparents are Mr. and Mrs. Stanley Crone of Colville, Washington and Mr. and Mrs. T.O. Pounds of Memphis. Great-grandparents are Mr. and Mrs. M.M. Hanna of Turkey.

Suggestions for Retirement Given Belles Lettres Club

The Belles Lettres Club met in the home of Mrs. A.B. Clark Tuesday, January 20 at 2:30 p.m.

Mrs. Ben Ratliff presented the program "We Are Better Off Than We Think." In the Bicentennial year she challenged the group to take a look at where they have been in life and also where they are going. Mrs. Ratliff gave suggestions on how to make the best of old age, using the writings of Corrie ten Boom and a chapter from "Sand In My Eyes" by Signora Russell Laune. She suggested:

Do something. Take a job, take up a hobby and try new

things. Love something. Love God, love the work you do, love family and love people.

Appreciate your community, town, country and other people.

Be self-reliant. It is fine to think of the past but look to the present and the future. Don't feel sorry for yourself and don't criticize.

Dirty Streets Are Not Good For Wellington's Appearance

For many years, Wellington has been recognized as having more paved streets than any other town of its size in this part of the state. It is one of the things visitors notice first and comment on.

But there is something else about the streets they notice, and some of them comment on this, too. Often, and in many places, our streets are not clean. It is our dirt and our trash and apparently we are overlooking it. It is, however, detracting from Wellington's fine appearance, and it can also damage the asphalt surface.

To the City's credit, let it be pointed out that it has problems every time it takes its street sweeper out, and each of these problems becomes an expense.

The city, however, has largely reduced its debt for remodeling the community building, and with good management its financial picture is improving. This may well be the time to consider some equipment that will perform the street cleaning job efficiently and that street-cleaning become a routine part of the city's work.

At the same time, business men off the square have complained of beer and pop cans and other rubbish thrown out of cars on their premises. It is observed that when those culprits can be caught and taken down to clean up their own mess, the dumping stops on that particular place.

It is going to take general civic concern to keep the streets clean as befits Wellington, but the bulk of the heavy work can be done with the right equipment operated at scheduled times.

Other Editors Say . . .

Be Nice, Now

A news story from Washington brings the encouraging news that the United States has decided to toughen its policy toward countries that pursue an anti-American line.

And what are we going to do to stop this? Why, we are going to reduce some of their foreign aid!

In Washingtonese, "It was understood that American displeasure may be reflected in aid reductions to certain countries that systematically oppose the United States at the United Nations and other international forums."

In other words, when the hand that feeds is getting bitten, the solution is to reduce the amount of flesh offered.

This may sound like tough talk to some Washington politicians and bureaucrats but it falls far short of tough talk out here in the West where people are much more direct.

Instead of threatening to reduce foreign aid to these pipsqueak countries, why not chop it all off at once?

In fact, why do we continue to send foreign aid around the world to countries which do not like us, which oppose us at every turn, and who laugh at Uncle Sucker for his stupidity?

There are more than 70 nations in the United Nations who are on record as opposing the United States in a majority of the votes that have come up.

Secretary of State Henry Kissinger has pointed this out, but says that "the United States should demonstrate restraint toward countries that oppose the American position."

What kind of leaders do we have these days?

Is it impossible to cut out foreign aid to nations that have shown they are more enemy than friend?

AUSTIN -- The Texas Veterans Land Program, temporarily shut down December 31, may re-open soon.

A meeting of the Veterans Land Board has been scheduled February 11 to review the bond market for a possible bond sale.

Land Commissioner Bob Armstrong said financial advisors report interest rates are beginning to come down slowly and that favorable rates may be obtainable in March.

Armstrong also claimed the temporary halt in the program may have helped stem inflation of land prices.

"Our chief appraiser tells me that land prices are settling down in every area of the state except in the Houston vicinity," said Armstrong. "This means the delay may actually benefit those veterans who intend to make land purchases under the program in the future."

A total of 1,771 applications for loans were received in the last two weeks of December. Land Office staff members are trying to process more than 4,700 completed applications before the Veterans Land Program is re-opened.

\$2 Billion Topped

Oil and gas income to the Permanent School and Permanent University Funds now tops \$2 billion.

Land Commissioner Armstrong said deposits reached \$2,003,638,403 with the aid of \$24.7 million in new income from settlements of "in-kind" gas pricing lawsuits.

The suits forced some gas producers to pay the state current market value for gas royalty from production on state lands.

Armstrong said the Permanent School Fund totals \$1.23 billion and the University Fund \$772.3 million. Both funds received \$16.3 million in royalty payments for the month of December alone. Of the latter, nearly \$2.5 million came from settlements between the state and 18 gas producers.

Twenty-seven lawsuits have been filed by the attorney general against major gas producers on state lands.

Parts Rates Up

Insurance Board Chairman Joe Christie charged Detroit automakers with pushing up prices on auto parts to make up for declining new car sales.

Christie told a traffic safety conference here parts prices jumped 32 percent in a single year.

The board chairman advised that safe driving is still the best way to hold down the cost of auto ownership, including insurance premiums.

Crime Program Pledged

Gov. Dolph Briscoe has pledged to offer far-reaching recommendations to the next legislature for curbing crime.

A new report by the Governor's Executive Committee on Criminal Justice Standards and Goals already has proposed ambitious objectives for the Texas criminal justice system.

Briscoe said his program will seek to restrain repeat offenders, including those who commit a crime while on bail. The governor said he thinks there should be a procedure for denial of bail. And he said the death penalty has served as a deterrent to crime.

Courts Speak

Texas Supreme Court took under study a Gonzales case involving whether so-called "front-end loan fees" on real estate loans are in fact additional interest.

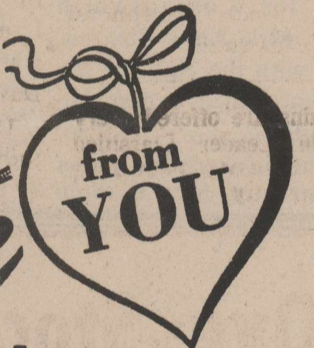

Court of Criminal Appeals reversed the conviction resulting from the third trial of a Bowie County man on a robbery by firearms charge.

The Supreme Court stuck by its finding of last month that the governor overstepped constitutional authority in vetoing more than 130 college building projects in June 1975.

Quail Has Two Wins Three Overtimes

It took three overtime periods but the Quail Quails defeated Hedley 80-72 Tuesday, January 20 on the victor's court, and thereby they retained the District 4-B lead.

The Bobwhites defeated Hedley girls 70-60. Quail boys got off to a slow start and trailed by a few points at the first, second and third periods--14-9, 30-29, and 42-48.

They made up the slack in the fourth, however, and the game ended 60-60.

Foul trouble plagued Hedley during regulation play.

Former Quail Man Buried

Graveside services for a former Quail man, Aubrey Lee Pendergraft, were held at Rosewood Cemetery, Houston, on Tuesday, January 20.

Mr. Pendergraft died in a one-car accident at Ennis on January 17.

Born at Honey Grove, he came with his parents to Quail Community in 1943. He attended Quail School.

Survivors are a daughter, Lavon Moffit; three sons, James, Kenneth and Anthony of Houston; his mother, Mrs. Laura Pendergraft of Wellington; two sisters, Mrs. B.E. McKinney of Wellington and Mrs. Sue Anderson of Martinez, Calif.; and four brothers, Otis Pendergraft and Lee Pendergraft of Paris, James Pendergraft of Bokchito, Oklahoma, and John Pendergraft of Wellington.

His mother, sister and brother attended the funeral from Wellington.

Bargains are offered every week in Leader Classified Ads. Save money by reading them regularly.

Hedley also took the lead in the first overtime period and were trying to hold the ball for the last shot. They missed their shot, Quail rebounded and took the ball down to score and tie the game 68-68.

Neither team scored in the second overtime period, although Hedley got possession of the ball and tried to hold. That period ended 68-68.

Quail scored the first field goal in the third overtime and this caused Hedley to play a little faster than usual and brought on some mistakes. They pressed hard against the Quails, who took to the basket and made 12 points, holding their opponents to four.

Gary Wischkaemper was the high point Quail with 39 points, 10 of them in the three overtime periods. Others scoring were Johnny Needham 15; Brian Barton and David Russell 8 each; Harvey Oatman 7; and Tommy Caldwell.

Darnell scored 19 points for Hedley.

Hedley outshot Quail in free shots 17 of 19 for 88 per cent. Quail had 22 of 33 for 65 per cent.

Quail girls took a slight edge, 21-18 over Hedley in the first period and widened the margin to 39-31 at halftime and 61-42 at the third period. Hedley's last-quarter rally with 18 points weren't enough and the game ended in the Bobwhite's favor 70-60.

Sharon Childers had 33 points for the Bobwhites, Kathy Gurthrie 27, Carol Daves 8 and Rita Fielding two. Guards were Donna Langley, Melissa Guthrie, Karen Caldwell and Connie Daves.

Laura Wheatley, hard for the Quails to contain, scored 49 points for Hedley.

THE ROCKETTES

Eleven girls make up this year's Rockette basketball team, which began the second half of play in a game with Memphis Tuesday night, January 20. Standing are Coach Bruce Dollar, Lee Ann Sessions, Debbie Wood, LaDonna Jones,

and Doris Thomas. In the center row are Kathy Patterson, left, Penny Morgan, Tammy Hernandez and Tina Powell. Seated are Pam Ingram, left, Kathy Trimble and Kloette Camp.

Library Notes

By Mrs. Clara F. Mote
Acting Librarian

I have been making out our annual report and it is a job and I am hoping it is one well done; I did my best. We have added some 400 books since last report day. We have had somewhere in the 300-400 volumes from Amarillo. Sorry to report there has been some of these have been lost or just not brought back. I wonder if it might help to run the names of our overdue books and the name checking them out. What do you think? Please comment on this when you are in the library.

We have had two interested parties in the library this week talking

about putting together a Library Friends Board. That is what we need; some backing for our library.

I have entered Amarillo College for the Library Technical School. It began on January 20.

Would you see that the library has any information that someone might be interested in. No matter how slight we might think it is someone else may find it informative.

CENTURY CLUB MEMBER

Jack Sanford, a partner in Wells & Wells, has been made a member of the Century Club of Fidelity and Guaranty Life Insurance Co. This is awarded only to those company representatives who have in force \$1,000,000 or more in life insurance for their clients. In addition to the plaque, Mr. Sanford and his wife will receive an expense paid trip to Las Vegas, Nevada, later in the year. Only a few Century Club representatives achieve Century Club status.

Rev. Boswell at SMU-Perkins Ministers' Week

The Rev. James Boswell, pastor of First United Methodist Church, will attend Ministers' Week, an annual event of Perkins School of Theology and Southern Methodist University in Dallas.

The event will get under way Monday, February 2.

The week will include talks by three major speakers, workshops and meetings.

In addition, Rev. Boswell will take part in the 20th anniversary reunion of his seminary graduating class, that of 1956.

Lung Group Makes Grants

\$50,000 in medical grants for 1976 were announced today by the American Lung Association of Texas, for training of chest specialist in 1976. Five recipients of \$10,000 each will pursue advanced lung research studies at University of Texas medical centers in Galveston, Dallas, and San Antonio.

Lung disease ranges from the newborn baby with hyaline membrane disease to the elderly patient with pneumonia. Yearly epidemics of influenza take their toll, along with chronic emphysema and bronchitis. One acutely dangerous

condition of pulmonary embolism, caused when a blood clot lodges in the lung.

Citing a critical shortage of chest doctors to care for these patients, the Lung Association urged individuals who have not yet answered their Christmas Seal letters to do so.

"Either there is a specialist to care for the patient in lung failure, or there is not. Too often, there is not, and we are using Christmas Seal money to close that gap. It is a matter of vital concern to the patient," said Mrs. Jimmie Sessions of Wellington, who with Mrs. Tessie Burba, serve as representatives of Collingsworth County.

Twelve WHS Students on Honor Roll

Twelve students in Wellington High School were on the honor roll for the six weeks just ended, Melvin Cardwell, principal, has announced.

This is out of a total enrollment of 215.

Two of the students were on the A honor roll and the remaining 10 on the B roll. They include:

All A Honor Roll: Brenda Willis and Margie Dixon.

Ten who made the B honor roll:

Marianne Morgan, Klotette Camp, Kim Goforth, Richard Sims, Randall Sims, Robert Burba, Penny Morgan, Suzy Castelberry, Don Lewis and Betty Lewis.

Four Scouts to OA Banquet

Four Boy Scouts will attend the winter meeting of the Order of the Arrow at Frank Phillips College in Borger Saturday, January 31. It will be a banquet at 6:30 p.m.

Jimmy Morgan, Craig Darter, Chuck Darter and Tim DeVoss will be accompanied by their scout master, Glenn McLain, Lee Devoss and J.I. Morgan.

The Scouts worked building fence Saturday, January 24, at the scouting area at Salt Fork. They will be working every weekend and plan to plant trees in February, according to Scoutmaster McLain.

In the Middle Ages, people believed that jade stones could cure kidney ailments.

West's Lease City Cafe

Mr. and Mrs. Oris West announced this week that they have leased City Cafe to Mrs. Barbara Hicks, effective February 1.

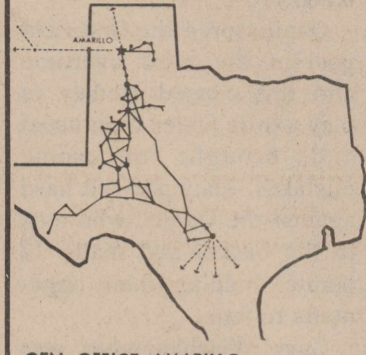

Mrs. Hicks, who has spent most of her life in this area, has had a number of years experience in the restaurant business.

Mr. and Mrs. West plan to remain in Wellington and he will enter another line of work. Their son and daughter-in-law, Mr. and Mrs. Randy West, who were formerly associated with them in the cafe, have returned to Dallas. He is again employed as sales representative with a clothing company and she is a secretary in a major oil company.

Norwood Splits Double Header With Estelline

Samnorwood Eaglettes defeated Estelline girls at Norwood 53-31 Friday evening, January 23, but the Eagles got off to a slow start and were never able to catch up. Estelline won 58-45.

The girls teams had met five times previously this season--and five times Norwood won. Friday night they made it six.

The Eaglettes jumped to a 13-2 lead in the first quarter and increased it to 23-16 at halftime and 35-20 by the third period.

High point Eaglette was Cindy Coleman with 27, while DiAnna Schaub had 30. Freda Stockton scored 13 for Estelline.

Norwood boys trailed 12-4 at the end of the first period, and although each made 14 points in the second period, this left the Eagles behind 26-18 at the half.

Clinton Oldham led the Norwood scoring with 18 points; Richard Lee had 12 and Clifford Oldham 8.

Vernon Abram made 18 for Estelline.

The Friday night games started the second half of district 4-B play.

Accrediting Team Visits Hospital Valentine Box Due at Thomas Nursing Center

A survey team from the Joint Commission on Accreditation of Hospitals visited Collingsworth General Monday, January 26, to examine every part of the hospital's operation.

Team members were Dr. R.N. Anderson of Seattle, Washington, and Arthur G. Burns, FACHA, a retired administrator of both large and small hospitals.

In the summation conference Monday afternoon, held with the hospital board, chief of staff, director of nursing service, administrator and certain other hospital employees, the team members recognized the accomplishments made by the

hospital since the survey a year ago and the efforts to cover the deficiencies set out by the Joint Commission earlier, Garner Altom, administrator, said.

Plans for installing a fire alarm, smoke doors, smoke sensors, and an enclosed stairwell to an outside exit are on blue prints mailed October 24 to the Texas Department of Health Resources for approval.

"Your deficiencies are covered in your plans and your hands are tied until your plans are approved," team members told those at the conference. He added that "we are prepared to proceed when we get

approval of the plans." "The survey team was much more complimentary than that a year ago," Mr. Altom said.

During the last year, sprinklers were installed in storage areas where required, solid core doors were installed in patient rooms and wire glass in certain viewing areas, with approved metal frames. The hospital is in the process of checking every electrical outlet.

Included in the survey were the operation, policies and procedures in all areas of the hospital: medical records, medical and nursing audits, the dietary depart-

ment, the governing body, building and grounds, operation of all areas, and patient care.

Findings of the survey team will be forwarded to the Joint Commission, where they will be studied and a report issued to the hospital in several weeks.

Following the survey a year ago, Collingsworth General received accreditation from the Joint Commission for one year, while the deficiencies are being eliminated.

In addition to the Joint Commission accreditation, the Hospital also must be approved for Medicare and by the Texas Department of Health Resources.

send them valentines, which will be drawn from the box and delivered at the valentine party.

These may be sent by individuals. However, groups or clubs, either youth or adult, are invited to participate, according to Mrs. Tommy Thomas, recreation director. She pointed out that a number of the residents are from out of the county, and probably will not receive a valentine unless someone here takes a special interest.

She emphasized that all valentines must be addressed to:

Rockets Take 81-55 Win at Clarendon

Wellington Skyrockets went on the road to defeat Clarendon Bronchos 81-55 Tuesday night, January 27.

Wellington boys got off to a slow start and at the end of the first quarter Clarendon led 18-12. The Rockets outplayed their opponent in the second period and outscored them 23-12.

Sometimes that happens when playing on the road and players are getting used to the gym.

"They played a real good second half and really got

after it," said Coach Robert Hicks.

Edward Thomas, with 26 points, was high point for Wellington. Jessie Davis had 23, Shane Tarver 14, Sammy Gonzales 8, Neal Cochran 6 and Winfred Sherrill four.

High point for Clarendon was Howard Weatherton with 18.

Wellington girls lost to Clarendon 40-38, but played one of their better games of the season. The game was tied with 40 seconds to go.

1976 Holidays For County Announced

The Commissioners Court has set up seven days to be observed as official holidays during 1976. Judge Zook Thomas announced.

In addition to January 1, New Year's Day, these include:

- Monday, May 31, Memorial Day.
- Monday, July 5, Fourth of July, Independence Day.
- Thursday, November 11, Veteran's Day.
- Thursday and Friday, November 25 and 26, Thanksgiving Day.
- Friday, December 24, Christmas.

All offices in the court house will be closed except the Sheriff's Department, which is open at all times.

Mr. and Mrs. Louis Youree of Richmond, California, were guests of her sister and brother-in-law, Mr. and Mrs. Bob Hightower, last week.

Mr. and Mrs. Bob Byrd and children, Steve, Amy and Cindy, of Claude visited her grandparents, Mr. and Mrs. Tom Caterlin during the weekend.

Quail Takes Duo From Lakeview Friday Night

Quail basketball teams took a double header from Lakeview Friday night, January 23, the girls winning 41-34 and the boys taking a 74-42 victory.

Quail Bobwhites had a hard time getting their scoring game in order, although they played good defense all the way. They led, nevertheless, 14-8 at the first quarter, 26-15 at half time and 30-23 at the third. Kathy Guthrie was high point Bobwhite with 20 points; Sharon Childers had 16; Rita Fielding three and Carol Daves two. Kay Cofer scored 16 for Lakeview.

Coach Bill Wilson platooned his team, and the Quail reserves played the first half, and took a 30-24 lead. The regulars came on in the third and ballooned the score to 61-28.

Gary Wischkaemper had 16 points; Harvey Oatman 12; Tommy Caldwell 11; Johnny Needham 10; Brian Barton 8; David Russell 6; Jimmy Patterson 5; Russ Mangum and Charles Hall two each. Other players were Ralph Fielding and Mike Guthrie.

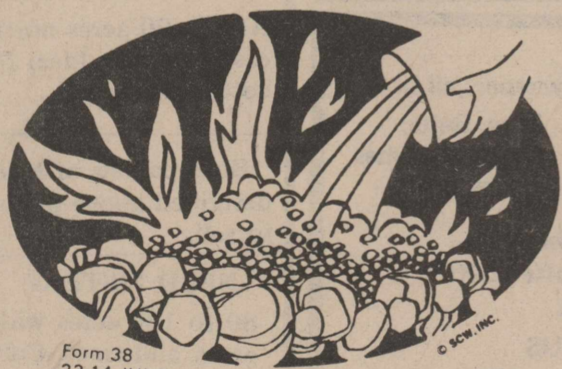

Needham with Pic & Save

Bob Bell, owner of Pic and Save Grocery, has announced that Lonnie Needham Sr., of Quail will be working in the store four nights each week, from 5:00 p.m. until closing time at 11:00.

This will include Monday, Wednesday, Thursday and Saturday nights, Mr. Bell said.

At other times, Mr. Needham will continue his farming operations at Quail.
