

FIRST BALE OF COTTON FOR 1980 was brought in Monday to Olton Co-op Gin. Pictured with the first bale are growers, (left to right) Joe Snider, Terry Snider, Chad Snider and J.L. Snider. The cotton was hand pulled from a crop on the Esther (Nafzger) Springer place south of town. Proceeds from the cotton were donated to Girlstown.

Olton's First Cotton Baled

J.L. Snider brought in Olton's first bale of cotton to the Olton Co-op Gin Monday, Sept. 22 at approximately 6 p.m.

The seed cotton, hand pulled, weighed in at 2180 pounds and produced a 510 pound bale, plus 760 pounds of seed. The one inch staple cotton miked at 3.5 and graded SLM.

Ten persons worked ten hours each pulling the cotton, which was grown on the Esther (Nafzger) Springer farm four miles south and one mile east of Olton. The GSA 71 variety cotton was planted May 5 and was watered three times.

The bale was ginned free and Snider received 75 cents a pound for the bale, plus $150 a ton for the seed.

Snider was first to gin a bale of cotton in 1953 and recalls he received 35 cents a pound for it, but it only cost him $30 to have it pulled. Cost to have this year's bale pulled was $270.

Snider and Mrs. Springer have donated the proceed from the first bale to Girlstown.

Mustangs Defeat Longhorns

By Freddy Stockdale

Even though "momentum" is one of the most overworked words in sports, it does play an important role in any contest. Usually the team that claims it the most will win.

Fortunately for Olton, momentum stayed on their side just a tad longer and the Mustangs went on to defeat the Lockney Longhorns 26-12 last Friday night in Lockney.

The theme of the game easily could have been, with all due respect to Charles Dickens, "Tale Of Two Football Games," with each half representing a different contest. Olton dominated the first half and appeared to be on the way to an easy victory. But a fired-up Longhorn team controlled the ball in the second half, and it wasn't until Henry Perez' 41-yard interception-touchdown with 37 seconds left that the Mustangs could breathe easy.

Statistics tell the whole story. On the way to a 19-0 first half lead, Olton racked up an impressive 210 yards total offense while holding Lockney to an anemic 48 yards. The Longhorns made a U-turn stats-wise in the second half by gaining 202 yards during a furious comeback effort. The Mustangs were held to only 100 yards in the final two quarters.

Danny Garcia turned in yet another stellar performance for the Mustangs. The senior runningback finished with 184 yards rushing — 126 of those yards coming in the first ten minutes. He also scored twice on runs of 72 and 34 yards.

Led by Garcia, the Mustangs came out like gangbusters. After receiving the opening kickoff, they quickly moved from their own 38 to Lockney's six, aided by a 45-yard Garcia run. However the drive stalled and the Mustangs came up empty.

Minutes later Lockney's Jeffrey McCormick booted a 70-yard punt that rolled a foot away from Olton's end zone.

Quarterback Gregg Smith scrambled to the 13 on a keeper to rescue the Mustangs. Four plays later, Garcia took a handoff from Smith at the 28, escaped a couple of tacklers and raced 72 yards for the first of his two touchdowns. Kenny Smith added the extra point and the Mustangs were out in front 7-0.

Midway through the second quarter, Garcia scored again, this time from 34 yards out to give the Mustangs a 13-0 lead.

That lead was stretched to 19 points four minutes later when Gregg Smith hit Henry Perez on a quick pass good for 54 yards. The PAT try failed, but at that point it looked like the Mustangs were on their way to a laugher.

In the dressing room during halftime, the Longhorns weren't laughing. As it turned out, the joke was almost on the Mustangs.

Did the Mustangs suffer a letdown after that easy first half? Olton head coach Larry Shackleford doesn't think so.

"I really don't think there was any letdown," Shackleford said. "We had control of the game in the first half, but they came out and took charge in the second half."

Truer words were never spoken.

With 5:42 left in the third period Jeffrey McCormick hit Nick Christian in the corner of the end zone on a fake field goal play. The score was 19-6 and the Longhorns were on their way back.

Four minutes later McCormick found Mike Arellano wide open in the end zone to make it 19-12, and the capacity homecoming crowd went wild.

The Longhorns had two more chances to pull out a victory in the fourth quarter.

The first opportunity died at Olton's 8-yard line after Arellano failed to make enough yardage on a fourth-down reverse play. Lockney's defense then stopped the Mustangs cold, and, following Kenny Smith's 34-yard punt, the Longhorns found themselves 38 yards from paydirt with 3:27 left.

Perez then turned out the lights on the Longhorns with his interception after a bizarre series of plays.

On second and six from the 23, a clipping penalty pushed Lockney back to the 35 to make it second and 23. Then the Mustang defense halted runningback Junior McDonald for a two-yard loss. Now it was third and 25. On the next play, Kenny Smith sacked McCormick at the 44 to make it fourth and 31.

With the coaches not knowing what play to call and the Longhorns out of time outs, a delay of game penalty appeared imminent.

Suddenly center John Fortenberry burst out of the huddle and — for reasons beknownst only to God, or perhaps out of frustration — kicked the football as hard as he could. The officials promptly marked off 20 yards worth of penalties and by now it was fourth and hopeless.

That's when Perez performed his game-saving antics.

The Mustangs, who took a 3-0 record into last night's game against arch-rival Floydada, will face Idalou this Friday in Idalou. Kickoff is set for 8 p.m.

Martha Shackelford Wins Football Guessing Game

Pigskin predicting was about as uncertain as weather forecasting for last week's entries in the Enterprise football guessing game.

While most contestants were missing six or more games, Martha Shackelford sailed easily into the week's top win. She was wrong on just three predictions to take the top money for the week.

Two contestants missed four games each with the tie-breaker determining the winnings. Jackie Clark was off just seven points with a 21-10 prediction to claim second place. Janie Orosco missed by 16 points with 22-0, good enough for third place.

Janie moves into sole possession of the season lead after sharing it last week with four others. She has 46 correct predictions for the season.

Once again a leading contestant has become the victim of himself. Mike Hodges, one of the co-leaders from last week, failed to circle his choice of winners on the entry blank and thus received just one point this week for picking the Mustangs to whip Lockney. This sort of error happens at least once every year because contestants fail to take that last step -- looking over the entry blank to make sure it's completey filled in! Don't let this happen to you!

No one should give up seeking the grand prize - $50 - which goes to the contestant who has the most correct predictions at the end of the season. The one who quits in the only sure loser.

Musical Jamboree Scheduled Sept. 27

Country, western, blue grass and gospel music will once again be featured Saturday evening when the September Jamboree gets underway. The Sept. 27 gathering is set for 8 p.m. in the agricultural community building at Avenue E and Second Street.

No admission will be charged but a free will offering will be taken to cover expenses incurred.

Harvest Revival Services Planned

Thomas Smith of Amarillo will be guest evanglist for Harvest Revival services Oct. 1-5 at Victory Missionary Baptist Church.

Regular worship hours are scheduled Sunday with weekday meetings at 8 p.m.

Different singing groups will be appearing each night. A "hobo" supper in planned for 6:30 p.m. Saturday and covered dish dinner following Sunday's morning worship.

An invitation is extended to the public.

Homecoming - 1980 Set For October 10

Homecoming plans are continuing with the gala event scheduled for Friday, Oct. 10.

A super great pep rally will be held Friday at 3:15 p.m. with a spectacular parade slated to follow. The parade is sponsored by the OHS Student Council. Civic clubs, organizations, businesses and individuals are invited to participate.

Friday evening's activities will include the coronation of the Homecoming Queen, induction of Hall of Fame athletes and football game with the Longhorns of Hart High School.

A number of classes are holding after game reunions including the Classes of 1940 and 1975.

Country Fair Plans Include Many Exhibits

Blue ribbons will be awarded to the best of Olton's offerings at the old fashioned Country Fair coming Saturday, Oct. 11. Ribbons will also be given to second and third places.

Exhibits for the fair will be set up in the Granbery building next door to Carmen's Western Wear and Pioneer Natural Gas. Items expected include produce, horticulture, canned goods, baked goods, needlework, arts and crafts. Suggested items are listed elsewhere in this issue.

Judging on all items except baked goods will be Thursday evening, Oct. 9. For additional information or suggestions for making this a better fair, contact Chamber of Commerce Manager Lois Brimhall, 285-2292 or 285-2903.

First Baptist Plans All-Church Singing

An all-church singing, under the direction of Mark Hodges, has been slated at the First Baptist Church Sunday, Sept. 28 at 7 p.m.

Singing will feature duets, quartets and specials. The public is extended a cordial invitation by the pastor, Dr. Travis Hart.

GETTING AN INTERCEPTION - Henry Perez, number 88, latches on to a Lockney pass and stops all hopes for the Longhorns to overcome the lead the Mustangs built up in the first half of play Friday night. Mustangs came out on top 26-12.

Mrs. W.B. Dickenson Jr. Services Held In Baptist Church Sunday

Last rites were conducted Sunday afternoon at 4 p.m. in First Baptist Church for Mrs. W.B. Dickenson Jr.

Officiating were Dr. Travis Hart, pastor, Tim Clark and Rev. M.V. Davis Jr., pastor of Calvary Baptist Church in Plainview. Interment was in Olton Cemetery under the direction of Parsons Funeral Home.

Mrs. Dickenson died about 1:30 p.m., Saturday, Sept. 20 in Central Plains General Hospital in Plainview following a lengthy battle with cancer. She had been a resident of Olton 28 years, moving here from Amarillo.

The former Billie Jean Evans was born Sept. 11, 1929 in Oklahoma. She was married to W.B. Dickenson Jr., Oct. 18, 1948 in Plainview. She had been a Baptist since early childhood and was a homemaker.

Mrs. Dickenson helped organize the library of First Baptist Church, seeing it grow to about 4,000 books. She was co-owner of a local gift shop, for a number of years.

Survivors include her husband, W.B.; one son, Gary Don Dickenson; one daughter, Chesna Rhea Sullivan; two grandsons, Ron and Don Dickenson; her parents, Mr. and Mrs. Melvin Evans of Plainview and one brother, Bobby Evans of Abilene.

Pallbearers were Kenneth Ray, Dwayne Wilks, Clovis Poteet, John Norfleet, Delmer Givens and Royce Collins.

Honorary pallbearers were Lloyd Graham, J. Frank Daugherty, Charles Koontz, Owen Norfleet, Frank Cornelius, Clifton Hines, K.Y. Givens, R.V. Allcorn, Joe Edd Carson and Cloma Fancher.

1939 Graduating Class To Hold Reunion Oct. 10-11

Members of the Olton High School graduating class of 1939 will have a reunion during Homecoming weekend, Oct. 10 and 11.

Many members and teachers have indicated that they will be in Olton Friday for homecoming parade and activities, as well as the all day activities planned by class members for Saturday, Oct. 11.

Registration gets underway at 10 a.m. Saturday in the community ag building. Lunch for the group will be served at 1 p.m. and pictures will be made immediately following the meal.

The remainder of the day will be spent in visiting and renewing old acquaintances.

Volunteer Fireman To Give TV Away

Olton Volunteer Fireman are conducting a funds project with proceeds to go towards the purchase of a new rescue van.

Of major brand, a 19" portable color television set will be given away Homecoming Night, Friday, Oct. 10. Some lucky person will be the winner.

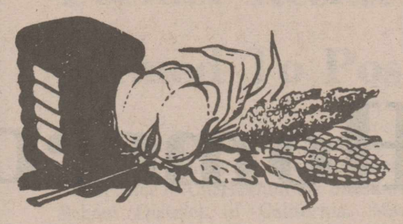

Contributions of $1 are being accepted by any member of the fire department.

Special Services To Be Conducted

Living Faith Christian Center announces special services Thursday through Sunday, Oct. 3-5 with Chuck Perkins of Burleson as guest evangelist.

Services Friday and Saturday are scheduled for 7:30 p.m. with Sunday's service set for 10:45 a.m. An invitation is extended to the public.

Congratulations J.L. Snider

Junior High Gridders Begin Football Season

Olton Junior High officially began its football season last Thursday as it battled the Lockney gridders at Lockney.

The seventh grade rolled past the Lockney bunch with an impressive 42-14 win. Leading the attack was QB Troy Don Allcorn who ran for two TD's, one from four yards out and the other from 55 yards away. He also connected with Kevin Hukill on a 25 yard pass play in the third quarter. Alfred Russell, playing right guard, scampered 25 yards to paydirt on a guard around play. He also returned a kickoff 60 yards for a TD. Duane Eby and Mark Brown shared in the scoring as they raced from 28 and 29 yards out respectively. The offensive line did a fine job blocking for this early in the season.

Defensively, Alfred Russell, Michael Saldivar, Troy Don Alcorn and Lee Diaz displayed good efforts. Russell led the defense against the ground attack while Allcorn stymied the passing game intercepting two Lockney aerials. Saldivar showed heads up play as he recovered a Lockney fumble.

The eighth grade didn't fare as well as it fell prey to a good Lockney team 20-0. Although somewhat erratic, the offense managed to penetrate Lockney's 10 yard line twice but was unable to cash in for scores. Freddy Sifuentes led the attack, completing two of four passes, one to Richard Trevino; the other to Chris Lawson. Ernest Alcala ran very well from his half back position.

Defensively, it was Sifuentes again intercepting a Lockney pass while Alcala, Mario Pedroza and Ronnie Saldivar provided ground defense.

INFLATION-FIGHTING HOME MAINTENANCE

A new paint brush will last longer and be much easier to clean if you soak it in a can of linseed oil for 12 hours before it is ever used.

* * *

Loose linoleum edges? Work linoleum cement (available at hardware stores) under the loosened edge of the corner, using a dull knife. Put a few heavy books over the area and let dry for 24 hours.

MRS. LAWSON H. (HAM) HOLTON

Recipe Revue

By Mozelle Trotter

Swapping recipes with friends has always been fun for Mrs. Lawson H. Holton. She has made a favorite cookbook of some of the good recipes collected from friends through the years.

Ginger shares some of those favorite recipes with Enterprise cooks. The smothered pheasant was given her by a friend they visited while hunting pheasants in Kansas.

Confessing she is afraid of guns and doesn't do any shooting herself, Ginger says she loves to go hunting with Ham.

Ginger and Ham moved to Olton a year ago when they purchased the local pharmacy. They recently bought the drug store-gift shop portion of the business.

Ham was operating his own prescription business, Wellington Clinic Pharmacy, when he and Ginger met. She grew up in Quail and had her own beauty shop. They lived in Wellington about 15 years after their marriage.

Moving from Wellington to Childress, Ham was druggist with Gibson Pharmacy in Childress.

They are parents of four married children. A son, Nat, will complete a three-year tour of duty in Germany next April and will be coming home with his wife and two daughters.

A daughter, Patti, and son, Tommy, live in Childress. Patti has a son and daughter; Tommy, a son. Another son, Craig has one daughter and lives in Elk City, Okla.

Taking care of grandkids ranks high on Ginger's list of favorite things. She also likes to crochet. She has also become very interested in a new hobby just begun last November - painting. She has mostly worked with charcoals.

CHILLED STRAWBERRY PUDDING

Melt 1 lg pkg (large) marshmallows and 1 c milk in a double boiler. Add to this mixture, 1 pkg frozen strawberries (mashed and drained) and set in refrigerator for 30 mins. Whip 1 pt. cream and fold into mixture. Line pan with crushed graham crackers, pour in mixture, add topping of more graham crackers, lightly. Then chill for 2 hours and serve.

SMOTHERED PHEASANT

Salt and pepper pheasant, after cut up and filet the breast in thin slices. Flour good. Fry and drain. Put in a deep roasting pan.

In saucepan, heat 2 cans mushroom soup and 2 cans of sweet milk or water. Pour heated soup and milk over fried pheasant. If it doesn't cover, add enough water to cover it good.

Put top on pan and bake 350° for 1 hr to 1½ hrs until browned and tender.

The soup mixture will be good gravy for the pheasant.

GREEN BEAN & ALMOND CASSEROLE

2 cans green beans
½ t salt
¼ t garlic powder
½ t chili powder
¼ c grated cheese
½ c toasted almonds
dash of paprika
1 can cream mushroom soup
¼ c milk

Simmer beans in own liquid with garlic and salt for 10 mins., drain. Heat soup with milk and chili powder and cheese - until well blended. Add almonds and paprika.

Put layer of beans and layer of sauce in greased casserole dish. Bake at 350° for 30 mins.

Cameron Infant To Be Honored

Little Courtney Lynn Cameron, infant daughter of Mr. and Mrs. Keith Cameron, will be honored with a layette shower Tuesday, Sept. 30 at 4 p.m. in the home of Mrs. Owen Norfleet.

Friends and relatives are invited.

Senior Citizens This Week

Senior Citizens were guests of Olton Young Homemakers at a luncheon held in the ag community building Thursday, Sept. 25. A record setting number....39 senior citizens were in attendance.

Sponsoring homemakers included Wina Cozart, Pam Roberson, Mary Spradley, Valda Burkhalter, Sharon Key, Emma Lou Carson, Jeana Ferguson, Mary Bass, Susan Jones and Jimmie Gipson.

The next regular meeting of the senior citizens will be a luncheon next Thursday at the ag building. Those who wish to paint may come at 10 a.m. to begin their art work with Maxine Struve. Others who do not wish to paint may come at that time for games. Painting will be continued into the afternoon following lunch.

RETURN HOME

Mr. and Mrs. Tom Sluder have returned home from a trip which took them to New Mexico and Colorado. They visited in Albuquerque, N.M. with her brother and family, Mr. and Mrs. Melvin Wozencraft. They visited Sluder's nieces, Mr. and Mrs. Marice Hamilton and family and Peggy Wagner and children, all of Cortez, Colo. They were met in Lake City by a daughter's family, Mr. and Mrs. Leon Gheer and son. Returning home, they stopped in Dalhart to visit another daughter, Mr. and Mrs. Orville Finch and family. Another guest in the Finch home was a former resident of Olton, Mrs. Roy Latham of Fort Pierre, S.D.

Alpha Rho Delta Meets, Plans Annual Christmas Bazaar

Alpha Rho Delta sorority members met Monday evening in the community room of Olton State Bank. Hostesses for the meeting were Kay Smyth, Linda Givens and Joyce Garvin.

Christian love was the topic of a program directed by Don Jones, minister of Main Street Church of Christ.

Plans for the bike-a-thon were discussed. The sorority is sponsoring the event Saturday, Oct. 18 with proceeds to benefit Mrs. Wanda King of Plainview.

November 8 and 9 were chosen as dates for the group's Christmas bazaar. Hours were set at 10 a.m. to 6 p.m. Saturday and 2 to 5 p.m. Sunday.

Oct. 30 was set as deadline for renting space for the bazaar and the fee set at $10. Judy Redinger was named booth chairman. She may be contacted at Route 1, Olton or by calling 285-3309.

Members voted to give away a door prize that day.

Sorority members will entertain Senior Citizens Thursday, Oct. 16 with a salad luncheon in the agricultural community building.

Refreshments of finger sandwiches, cheese canapes, banana cake with cream, coffee and pineapple-banana slush were served Marcella Hall, Lynn Hair, Quenette Collins, Vandra Milloy, Janet LaFrance, Janice Aldridge, Susan Jones, Donna Smith, Denise Smith, Linda Williams and D'Lynn Nicholson.

Ramage Family To Be Honored

A Housewarming Saturday, Oct. 4 will honor Mr. and Mrs. Charles Ramage, Michael and Bobby.

Friends and relatives are invited to call at the new Ramage residence four miles south and one mile east of the city at 7:30 p.m.

Paula Miller To Be Feted

Paula Miller, bride-elect of Steve Randolph, will be feted with a pre-nuptial gift courtesy Saturday, Sept. 27 in the community room of Olton State Bank.

Calling hours will be 3 to 5 p.m. and friends and relatives are invited.

Recipes For Book Not Identified

Compiling recipes for their new cookbook, Olton Young Homemakers discovered that four recipes had been submitted from persons who did not include their names.

Will the persons who submitted recipes for oatmeal cake, manicotti, lasagna and smothered steak please contact Mrs. J.O. Bass III, 285-2121?

Look Who's New

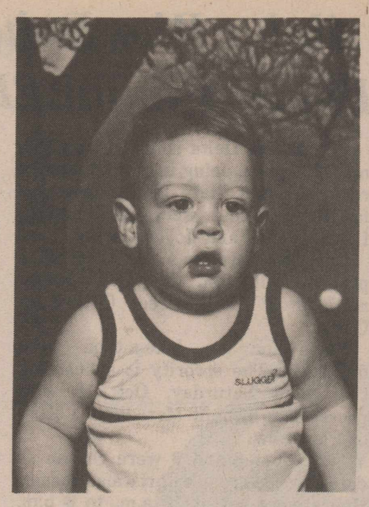

Mr. and Mrs. Albert Key of Hart announce the arrival of a daughter born Saturday, Sept. 20 in Central Plains Hospital in Plainview. The little lass weighed eight pounds three ounces and is 19 and a half inches long. She has been named Valerie Paige. She has a sister, Brandi, almost three. Maternal grandparents are Mr. and Mrs. Jack Estes. Mr. and Mrs. J.M. "Doc" Key are paternal grandparents.

Bike-A-Thon Set By BSP Sorority

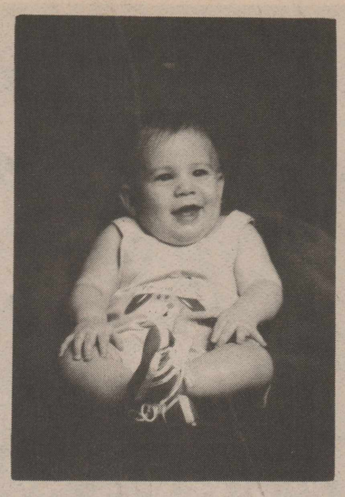

Alpha Rho Delta sorority will sponsor a bike-a-thon Saturday, Oct. 18 from 10 a.m. until 12 noon. Sign-up and sponsor sheets are available at school from Mrs. Janet LaFrance in H.P. Webb Elementary room 32 or in junior high from Mrs. Marcella Hall.

Each biker will solicit his or her own sponsors with each one who earns as much as $50 receiving a special prize. Prizes will also be given the three bikers who bring in the most money.

Proceeds of the bike-a-thon will go to Mrs. Wanda King of Plainview. Mrs. King was chosen by the State Beta Sigma Phi to receive their service project monies.

ENTERPRISE PRESENTS the great-grandchildren of Mr. and Mrs. Alva Kersh. Terry Jason Foster, son of Mr. and Mrs. Terry Foster is one year old. His grandparents are Mr. and Mrs. D.W. Follis and Mrs. Shirley Foster of Victoria. Amber Joy New, daughter of Mr. and Mrs. Dale New of Victoria, is 13 months old. Her grandparents are Mr. and Mrs. D.W. Follis and Mr. and Mrs. Bill New of Victoria. Bryan Stephen Terry, son of Mr. and Mrs. Michael Terry of Hurst, is four and a half months old. He is the grandson of Mr. and Mrs. Calvin Kersh of Hurst and Mr. and Mrs. Joe Morrison also of Hurst.

Card Of Thanks

We wish to express our deep appreciation for the love and concern that helped us at the loss of our dear mother and grandmother.

Thanks for the cards, prayers, memorials, food and flowers.

Novia and Walter Malone
Max and Alzada
Clifford and Diana

Words could never express our feelings of gratitude toward those who offered encouragement during the illness and loss our dear loved one. For all the flowers, cards, kindnesses, prayers, food, loving thoughts and phone calls, we say thank you from the bottom of our hearts. May God bless each of you.

W.B. Dickenson Jr. and family

FLAX

Flax is harvested once in seven years.

agri-facts

Corn growers concern for greater energy efficiency is being rapidly reflected in crop trends all over the country. Corn crops are being planted earlier and developers are working to get out varieties with sufficient cold tolerance to begin growing in 40 degree soil. Greater numbers of plants are being grown in the same area to make maximum use of all sunlight. Research is moving as quickly as possible into more efficient drying systems to cut energy use after harvest. Some of the best results using simplified solar collectors are being reported this season. Energy efficiency has quickly become one of the keys to even greater farm productivity, and will continue to challenge producers in the future.

OHS Students To Benefit From PSAT/NMSQT Testing

David Grayson, Counselor at Olton High School, has announced that students taking the Preliminary Scholastic Aptitude Test/National Merit Qualifying Test (PSAT/NMSQT) Oct. 21, will benefit from additional services in 1980. These services are designed to provide students with more information about the content and uses of the test.

Students who plan to take the 1980 PSAT/NMSQT will receive complete sample test for practice, along with an answer key and scoring instructions. When scores are reported in December, each student will receive a report of student answers, including the correct answers as well as the answers the student gave. To allow students to refer to the original questions, schools will return test booklets with scores. Students will continue to receive ABOUT YOUR PSAT/NMSQT SCORES, a booklet of general information on college planning.

The PSAT/NMSQT is co-sponsored by the College Board and National Merit Scholarship Corporation. It is administered annually to more than one million students (mostly juniors) and measures verbal and mathematical abilbities that are important in college work.

The PSAT/NMSQT gives students a chance to find out what the College Board's Scholastic Aptitude Test (SAT) is like, and helps them in planning for college; further, students who opt to participate in the College Board Student Search Service have an opportunity to hear from colleges that they might not otherwise learn about. The PSAT/NMSQT is also the qualifying test for students who wish to participate in the nationwide scholarship competitions administered by National Merit Scholarship Corporation.

What's Cooking At School

SEPT. 29-OCT. 3

BREAKFAST

MONDAY - Sliced apples, oatmeal, cinnamon toast, milk.

FRIDAY - Apricots, cheese toast, grits, milk.

LUNCH

MONDAY - Pork chop, buttered potatoes, confetti peas, applesauce, Special K cookie, rolls, milk.
TUESDAY - Hamburger with cheese slice, lettuce, tomato, French fries, catsup, grapes, milk.
WEDNESDAY - Submariner, tossed salad, buttered corn, apricots, peanut butter bar, bun, milk.
THURSDAY - Beef enchilada with chili, peas and carrots, steamed rice, fresh plum, peaches, jalepeno cornbread, milk.
FRIDAY - Roast beef and gravy, mashed potatoes, green beans, pineapple Jell-o, half apple, rolls, milk.

Neither reptiles nor frogs nor toads are found in Iceland.

POCKET SAVINGS
With a heat pump

The heat pump saves energy and money. A lot of people are now saving more energy and money because they converted or replaced their energy wasting heating and air conditioning equipment with a heat pump.

The heat pump works efficiently both winter and summer to help hold down your energy use. And, since the energy source for a heat pump is electricity, you receive a special lower electric rate during the off-peak months from SPS.

Get a heat pump as soon as you can . . . you'll save money when you do.

By Lois Brimhall

I hope everyone is busy planning their entries for the Olton Country Fair. Our purpose in planning the fair is to give the people in Olton a chance to display their handcrafted items and to compete against others without going out of town to do it. Also, it gives us a chance to see what our neighbors are doing and maybe some new ideas for our own projects.

We have tried hard to set up categories that will include most things people are making. It was a little harder to make category divisions for the male-oriented crafts like metal, wood and leather; and I was not sure what most of the kids are making these days so we just invite you to bring your crafts down and we will invent categories to put them in.

Also, any division that has too many entries will be divided into smaller classes so everyone will have a fair chance at winning a ribbon. There will be an opportunity to sell your entries Saturday afternoon if anyone should wish to do so.

We receive literature from time to time that is of interest to the general public and I try to pass on the information. Our latest find is a new publication prepared by the Travel and Information Division of the State Department of Highways and Public Transportation.

Entitled "Texas Rocks & Fossils", the folder pictures nearly 100 specimens in vivid color. Each is identified by its county or region of origin.

Similar in style and format to the popular "Flowers of Texas" folder, the new publication is designed for the layman rather than the professional collector. It relates helpful suggestions for the amateur rockhound, along with admonitions about unauthorized collecting.

The folder also includes a small map that divides Texas into seven general areas based on the relative age of the surface geology of each region.

"Texas Rocks & Fossils" is available free at any Texas Tourist Bureau or by mail from TEXAS, Dept. DHT, P.O. Box 5064, Austin, Texas 78763.

'Death Taxes' Discussed At Tuesday Lions Meeting

Mickey Ratliff, attorney at law, was guest speaker Tuesday at the luncheon meeting of Olton Lions Club. Ratliff spoke on inheritance and estate taxes, so-called "death taxes."

Lion Boss Bill Yoakum reported a very successful broom sale with the club receiving $393 for their portion of the sale of blind made items. Lions Melvin Rape and Wendell Potts were recognized for having the largest amount of sales.

Guests were Ratliff, Karl Dirksmeyer of Plainview, Kathy Kelsheimer of Lubbock, Lioness Marilyn Potts and Students of the Month at OHS, Kelly McNeeley and Gregg Smith.

Green Thumbs Get New Director

Diane L. Parish of Waco has been appointed state director of Texas Farmers Union Green Thumb employment program.

She replaces former state director David Hartwig who left in order to become Green Thumb's Coordinator of the Western Region in Idaho.

Mrs. Parish has worked with Green Thumb since 1976 as office manager, area supervisor, and district director prior to her promotion.

A native of Oklahoma, she has a degree in business administration from Oklahoma State University.

Green Thumb Inc. is a part-time work opportunity for disadvantaged rural senior workers, is a federal program funded through the Department of Labor and sponsored by National Farmers Union. Green Thumb, an equal opportunity employer, places Green Thumb workers with non-profit organizations to help serve the needs of rural communities. The program's goal is to place older workers in unsubsidized positions.

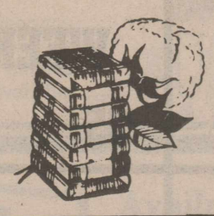

"Truth is rarely pure and never simple." Oscar Wilde

Olton Cemetery Association

Our Spotlight Is On:

Gwen McClain

one of our friendly employees

The smile and warm, friendly greeting of Olton State Bank teller Gwen McClain welcomes newcomers and are familiar traits recognized by longtime residents.

Gwen was born and reared in Olton, received her schooling here and married a hometown boy, Earl McClain. Except for a three year period when they lived in Seminole, Olton has always been home.

Trust born of familiarity has helped give customers of Olton State Bank confidence in Gwen's ability to help them with small problems as they make deposits, withdraw monies, cash checks or tend to other banking business.

Gwen began work at Olton State Bank in 1969, working as proof operator three years. She also served as relief bookkeeper and teller and relief teller in the savings and loans department.

She has attended numerous banking seminars including public relations and savings bonds. She studies in an accounting course from South Plains College and is presently enrolled in a five-week course, "Cross Selling Your Bank".

Serving as secretary-treasurer of Olton Cemetery Association, Gwen accepts memorial gifts to that organization and directs the annual Christmas card fund.

Gwen and Earl live on their farm where they reared two sons, Lannie and Gale. Both boys are co-owners with their father in a fertilizer business.

Gale, as an active partner, lives in Olton with his wife, Bonnie, and little daughter, Amy, almost two years old. Lannie and his wife, Robbie, make their home in Farmers Branch and are parents of a son, Kory, four, and daughter, Kauli, seven months.

A Methodist, Gwen likes to paint, but finds little time for that hobby. She also enjoys reading.

Gwen joins with all the banking staff in inviting everyone to take advantage of banking services at Olton State Bank.

GRAND PRIZE

$50

WEEKLY PRIZES

$5 **$3** **$2**

RULES

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. Deadline is 4 p.m. Fridays.

Sponsoring merchants may accept mailed entries. All late entries will be discarded.

In case of ties prizes will be divided equally.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

ADD SOME LAUGHTER

Do you think that life's cross is too heavy to bear?
That it's full of ill-fortune, trouble and care?
Are you worried and fretful, always upset,
Sore at the world for the breaks you don't get?
The Lord up above never meant it that way.
Face life with a smile, have a good word to say,
Be friendly and helpful to all that you can.
You will find that you feel just like a new man;
With this world you must live, until your last day --
Let's add to its laughter; life's better that way.

Roger W. Dana

Mrs. Pauline Gray spent last week in Lubbock visiting her daughter and family, Mr. and Mrs. Bob Lemon.

It's nice to have Robert and Mary Dennis home again and also his mother, Rena Dennis. They've moved here from Lubbock and live in the Lindsey Dennis home. Robert and Mary are employed with our school system.

Mr. and Mrs. Wayne Cole, Taralena and Anthony were visiting the Leon Noacks over the weekend. There was a bridge party for them and they were presented a money tree.

Mr. and Mrs. Bert Stewart, Mr. and Mrs. Eldon Franks, Mr. and Mrs. Elmo Cure of Abilene and Mr. and Mrs. Floyd Bridges returned home Monday night after spending two weeks at the Stewarts' cabin at Cowles, N.M. They were joined for a shorter visit by Mr. and Mrs. Everett Loveless.

There really are no tragedies in God's economy;
Each circumstance works for the best
Even tho we cannot see.

Sunday, the W.F. Lancasters of Muleshoe had a family get-together. Those from here attending were Pauline Gray, Doris Watt, Gene Gray, Hattie Mae Gray and Mr. and Mrs. A.D. Adams. There were 31 there.

Alton Cure is reported to be improving some. Winona is able to stay with him now since he has been put in a private room. I'm sure they would be happy to hear from friends. His address is Methodist Hospital, 6516 Bertner Dr., Room 455, Houston, Tx. 77030.

Mrs. Lillian Green was in Littlefield Sunday to attend the Ivey family reunion. There were 53 present.

Mr. and Mrs. Red Slack of Holliday were by to see her mother, Mrs. Freddie Mae Hysinger Wednesday morning. They were on their way home after spending a month in Wagon Wheel Gap, Colo.

Mr. and Mrs. Fred Hicks have been visiting relatives and friends in Rochester.

The birthday party for Preston Sampler Sunday afternoon was such a pleasure to him and Ollie. There were 127 people who registered and he was presented a money tree. It was his 83rd birthday.

Mrs. Della Hackler and Mrs. Maude Lambright have returned from Truth or Consequences, N.M. where they visited friends. Mrs. Mae Silcott went with them and visited her son, Mr. and Mrs. Roy Granberry.

Mr. and Mrs. John Crow of Oak Grove, Ky. are visiting her mother, Mrs. J.Roy Carder.

Boy Scouts To Organize

Boys eleven years and older or those in the fifth grade and above are eligible for Boy Scouts. A meeting has been scheduled for 7:30 p.m. Tuesday, Sept. 30 in the Scout Hut at Avenue I and Ninth Street.

All interested boys are invited to attend and learn what exciting and fun events are planned for the upcoming months.

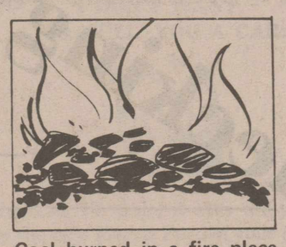

Country Fair Items Suggested

Items for exhibition in the Country Fair might include but are not limited to these suggestions:

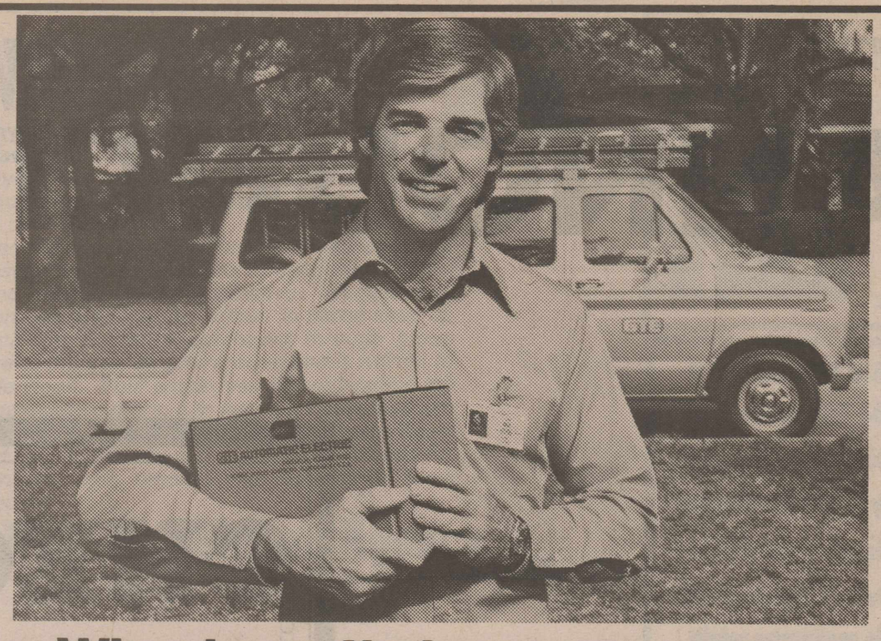

Flower arrangements (live or dried), produce (pumpkins, tomatoes, dried ears of corn, maize heads, etc), oil and pastel paintings, pottery and ceramics, decorator items. children's toys (stuffed animals, rag dolls, etc), embroidery and needlepoint, knitting and crochet, canned goods (fruits, vegetables, pickles, jams and jellies), and hand sewn items (tailored, dressy, sportswear).

Food items may include cakes, pies, cookies, breads and candies. There will also be a division for quilts and related items.

Especially for the men, there will be woodcrafts, leathercrafts, metal crafts, etc.

Coal burned in a fire place gives a longer-lasting, steadier fire than most kinds of wood.

Who doesn't charge extra for house calls?

We don't...we're General Telephone.

If anything ever goes wrong with a phone you rent from us, we'll be there to fix it. And we don't charge you an extra cent for the visit.

We realize how important it is to keep you in touch with your world. So we do all we can to give you a wide selection of phones that are not only reliable, but also available in exciting colors and styles to match your every mood and decor. And every one guaranteed for life.

We spend hundreds of millions of dollars every year, making sure that when you pick up your phone...

It works.

We keep you talking.

Require Medication?

Our pharmacist is qualified through years of training and experience to dispense drugs. You can depend on us for the best.

Write Checks And Earn 5¼% Interest On Savings

If you think there must be a way to get more for your money, you're right! Now First Federal Savings and Loan Association of Littlefield offers you CHECK★MATE Drafts. CHECK★MATE Drafts are a totally new kind of account that **pays** you to use it.

CHECK★MATE Drafts are actually two accounts combined into one. **It's a checking and savings account which you control yourself.**

(And more)

Isn't it about time you earned **interest on your money?** First Federal pays it! Write your check just as you would on a bank checking account and First Federal will pay you 5¼% interest on the remaining balance in your savings account.

There is no service charge on your CHECK★MATE Draft account as long as you maintain a $100 balance each day of the statement cycle. If your balance falls below $100 any day of the statement cycle, no interest will be paid and the account will be subject to a service charge of $3.00

Harvest the seed of Earning Power, open a CHECK★MATE Draft account today and earn 5¼% interest compounded daily and paid monthly.

Why Valley Spray Nozzles Really are Better!*

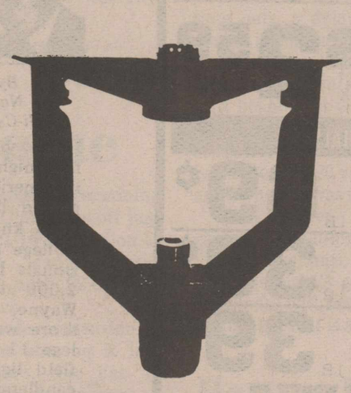

*Based on a 500 hour test (equal to approximately 5000 hours of bad pumping conditions)

Rainbird 8X
- Urethane insert has slight hole worn which concentrates water in center. Pattern good at start - fair at finish.
- Flow rate increased 9.1%.
- Pad support - not worn.
- 15° trajectory - more wind drift and evaporization.
- Uniformity of application lower since directional spray nozzle has heavier application on edges.

Full Size

Nelson Spray I
- +6° Angle (convex pad), pattern good.
- Flow rate increased 20% - brass nozzle worn.
- Pad supports width worn approximately 30%.
- Uniformity of application slightly higher than 8X.

½ Size

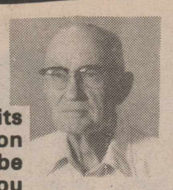

Valmont Nylon Spray Nozzle
- Flat pad.
- Pattern good at start, fair at finish.
- Flow rate increased only 5.2%.
- Pad support width worn approximately 10%.
- Uniformity of application higher than 8X.
- Has less evaporization and wind drift.

½ Size

INSUR-MATION

My company has a group hospitalization plan for its 26 employees which includes $2,000 life insurance on each employee. The plan is outdated and needs to be increased but I am concerned about cost. Can you help?

Yes. A Comprehensive Major Medical health policy would appear to answer both requirements of increased medical coverage and additional life insurance. Medical and hospitalization coverage can be written to better keep up with inflation. Life insurance purchased through group policies is one of the best bargins around and is written to be easily understood. Your employees will understand the policy and appreciate it more. Life insurance coverage can be written for three levels of coverage: owner and officers being insured for a larger amount; supervisors, insured for a smaller amount; and, other employees insured for a moderate amount.

Former Resident, OHS Grad Named To Post In California

A former Oltonite and graduate of Olton High School has been appointed Supervisor of Curriculum for Standard School District in California. Mrs. Margaret Roebuck Tesovnik, longtime teacher and administrator in the school district, was named to the post by Robert Mergler, district superintendent.

Mrs. Tesovnik is the daughter of the late Wm. O. and Ruth Roebuck.

Graduating from Olton High School when she was just 15 years old, Mrs. Tesovnik earned backelor's and master's degrees from West Texas State University. She also studied at the University of Southern California, Columbia University, University of New Mexico and San Jose State College.

She began her teaching career in Texas, where she taught for three years. She taught five years in New Mexico, one year in Illinois. She was director of USO for Troops in Transit Lounge in Dallas from 1942 to 1947 and began teaching in Standard School in 1947. In 1953, she was named principal of Standard Elementary School, a position she held 26 years.

Through her leadership, Standard Elementary School has been awarded twelve Freedom Foundation Awards from Valley Forge, including expense paid trips to Valley Forge and Washington, D.C. for three boys and girls and their teachers.

Mrs. Tesovnik implemented the Title I program at Standard, a program providing many advantages for boys and girls. The Title 4B program at Standard has provided professional guidance for parents and students during the past three years. Another program, organized by Mrs. Tesovnik, is the School Site Improvement Program, which helps improve individualized school programs. This program provided a music specialist and physical education specialist at Standard.

In 1960, Mrs. Tesovnik was named Woman of the Year in the Oildale BPW. She was awarded the American Educators Medal Award from Freedom Foundation in 1974 and the Golden Apple Award from Standard Teachers Association in 1972.

She holds memberships in various civic and business and professional organizations and is a life time member of Freedom Foundation. She is a member of the Church of Christ.

DID YOU KNOW?

AMERICANS DRINK MORE SOFT DRINKS THAN COFFEE

That the soft drink trend began in the 1960s when the baby boom generation became teenagers? The fast food business also experienced tremendous growth during this time and the number of restaurants is expected to double in the next decade.

That Americans drink more soft drinks than coffee and tea combined? The average person drinks 38 gallons of soft drinks a year—more than 12 ounces each day.

That larger drink sizes cost less per ounce? Many fast food restaurants are adding 24-oz. and 32-oz. sizes to their menu because customers find them to be more economical.

That littering is a people problem? Customers can help keep restaurants and roadsides clean by being more careful not to litter.

"Cheerfulness is the spice of all truth." Pestalozzi

ONE EYED DOG AND CAT -- Shelli Williams looks at her pets, both black and white and both one eyed...now. The cat was brought to the Williams home by their older daughter, Tammy, who found the one eyed cat and felt sorry for it. Recently the family dog disappeared for twelve days and when found, he had lost an eye.

Scout-O-Rama Tickets Go On Sale Oct. 4

Tickets go on sale Saturday, Oct. 4 for Scout-O-Rama 1980, which is scheduled Nov. 8 in Lubbock Civic Center.

Proceeds from the tickets, which sell for $1, goes toward the salary of a hired staff which coordinates programs and provides helpful literature to local Scout troops.

Of the money received for the tickets, 35 cents remains with the Olton pack. Other portions of the money pays for badges earned and for prizes earned for the sale of tickets.

Among the prizes that the boys can earn are baseballs, flashlights, personal first aid kits, a Scout utility knife, an official cook-mess kit, canteen, hand ax, hike and bike bag, polaris compass, sleeping bag, camp cot or tent, depending on the number of tickets sold.

The show and exhibition in Lubbock will include things to see and things to do. All sorts of crafts and Indian lore will be on display, including a canoe and sail boats. Each Scout troop will be responsible for setting up a booth and display. One Explorer Scout troop will be responsible for hot-air balloon from Albuquerque, N.M. However, no rides will be given except for the inaugural mayor's ride. This balloon will stand 300 feet in the air and have the Scout emblem on it.

Everyone is encouraged to purchase a ticket from a Scout when he comes calling and to attend the Scout-O-Rama for a day of entertainment.

SWANN ON SPORTS

By Lynn Swann
National Director
Hi-C® GOOD SPORTS™

Do you know when the first night game was played in American history? It was played between a club of boys known as the M. E. College and Quincy Professionals before a crowd of 2,000 at League Park, Fort Wayne, Indiana. The final score was Quincy 19, College 11. They played on a field lighted by 17 4,000-candlepower lights.

* * *

Joe DiMaggio's streak of 54 successive games hit safely in 1941 was quite spectacular. First DiMaggio passed the Yankee record of 29, then the National League tally of 33, and then the major league mark of 44, which had stood since 1897.

* * *

The world's record for 60 home runs in a 154-game season still belongs to Babe Ruth; so does the record for the most long hits (119), the most total bases (457) and the most bases on balls (170) in a season.

Public Notice

SHERIFF'S SALE
THE STATE OF TEXAS
COUNTY OF LAMB

By virtue of an Order of Sale issued out of the Honorable 154th Judicial District Court of Lamb County on the 29th day of July, A.D., 1980, by the Clerk thereof, in the case of Olton Independent School District, Et Al vs. Miles Caudle, Jr., Et Al, Cause No. 7211, and to me, as Sheriff, directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's sales at 3:00 p.m. on the First Tuesday in October, A.D., 1980, it being the 7th day of said month before the Lamb County Court house door of said Lamb County in the City of Littlefield, Texas, the following described property, to-wit:
