Deadline Tonight For 19,000 Acres

Cotton farmers had until Tuesday to sign pledges of $1 per ground acre to complete signup for the Fall Diapause Spray Program to control the cotton boll weevil in the county but since there are still 19,000 acres still unpledged, the final deadline will be shortly before 9 p.m. tonight (Thursday).

Some 81,000 acres have been pledged for the program and Ronnie Feaster, secretary-treasurer of the Producers Association, said that the farmers still with unpledged acres are being contacted personally by members of the board of directors.

The Producers Association board will meet again tonight at 8 p.m. in the Producers office on Walnut St. next door to the Farm Bureau and Feaster said that entomologist Bill Jones will phone them about 9 p.m. to find out if Mitchell County will be eligible for the spray program aid from the state department of agriculture.

"Jones is an entomologist presently living at Fayetteville and if the program is okayed for the county, then he will probably be moving here soon," Feaster said.

"We met Tuesday night after the deadline had passed for pledges and found out the news that there are still 19,000 acres unpledged," Feaster said. "When we contacted Jones we told him about it and he said that we could still have until he calls tonight after we've personally met and talked with the producers with unpledged acres."

Don Stewart, executive director of the Mitchell County Agriculture Stabilization and Conservation Service (ASCS), said that although his office does not have anything to do with the boll weevil control program, both he and his personnel will be available to help farmers figure their acreage in order to put up pledges for the program.

The Producers Association was initiated last fall following harvest which could have yielded more if the boll weevil had been controlled, according to Mitchell County extension agent Bob Benson.

"I estimate that the loss from boll weevil damage was about $3 to $4 million since about a third of the bolls checked showed some damage," Benson said.

NEW FACES at the Colorado City Police Department are, from left, Dispatcher Teresa Selvera, Patrolman Jerry Register and Patrolman Richard Harold Johnson. The two officers have been working on the force for some time as previously reported, Register from Midland with six years experience in law enforcement at Crane, Kermit and the Midland Sheriff's Office and Johnson, who is working weekends and will join the force full-time after completing the basic certification course he is now taking at Howard College. Miss Selvera is 21 years of age, single and has moved into a mobile home next door to her parents in Westbrook, Mr. and Mrs. Manuel Selvera. She is a graduate of WHS and has worked three years for the Abilene Police Department.

Total cost of the street paving project will be $254,803.

In Junior Teenage League action, the Lions ripped the Braves 11-2 behind the pitching of Gene Carter and Jay Feaster as Steven Walker hit a homer over the center field fence. Braves pitchers were Ronald Proctor and Ricky Sanchez.

The Colts beat the White Sox 19-11 as Ruben Garcia and Jimmy Shoemaker were pitching. White Sox pitchers were Jim Bobo, Robert Parker and Ronnie Wagner.

Games set tonight (Thursday) are Lions vs. White Sox at 6:30 and Colts vs. Braves at 8:30.

County Represented At Demo, GOP Meets

Mrs. Don (Judi) Powell attended the state Republican convention in Fort Worth Friday and Saturday, accompanied by her husband who was an alternate.

The Mitchell County delegate was nominated and elected as an elector from District 17 to the permanent state committee. She was nominated by the Howard County delegation.

Mrs. Powell said the first meeting she attended was Friday morning, a caucus of small counties from the 17th Congressional District as they united on most issues, and then attended the precaucus and caucus of the 17th District.

The convention elected state Senator Betty Andujar of Fort Worth and Midland Mayor Ernest Angelo as national committee members.

California ex-Governor Ronald Reagan picked up four additional delegates backing his bid for the party's nomination for president.

Mitchell County delegates to the state Democratic convention included State Representative Elmer Martin, accompanied by his wife, Billie, Woody and Susan Anderson, Gene Blassingame and T. P. Fowler.

They left for Houston early Thursday morning and had the pre caucus meeting of the 30th Senatorial District at 9 a.m. Friday in the Sheraton Hotel to go over resolutions which were presented at the regular caucus meeting starting at 2 p.m.

Rep. Martin nominated Fowler to the Resolutions Committee and his candidacy was well-received, Martin said, but a delegate from Wichita Falls won the nomination. Martin said that the Wichita Falls and Big Spring delegations combined to dominate the 30th Senatorial District voting.

Martin and his wife attended the reception and dinner Friday night which saluted Demo party leader Bob Strauss. Gov. Jerry Brown of California was present for the fete, Martin said, and spoke to the group, as calls of congratulation came in from Hubert H. Humphrey and Jimmy Carter.

Carter garnered 30 more delegates for his bid for the Demo presidential nomination as the convention was gavelled to an end at 7 p.m. Saturday.

In May 1 primary balloting, Carter won 92 delegates and Sen. Lloyd Bentsen, six. Bentsen released his shortly afterward and at least one switched immediately to Carter. The 32 national convention delegates chosen during the convention were nearly all committed to Carter.

Candidate To Be Selected

A special meeting of the Mitchell County Democratic Executive Committee has been set for July 1 starting at 5 p.m. in the Charles C. Thompson meeting room of City National Bank annex.

Purpose of the meeting will be to determine a nominee for the Democrat party on the general ballot in November's election for the position of Mitchell County Attorney.

Any eligible party desiring to be considered for the position should file a written statement with T. L. Rees, county Democratic chairman, on or before 5 p.m. July 1.

The executive committee consists of precinct chairmen as follows: Precinct 1, G. D. Foster; Precinct 2, Gwan Strange; Precinct 3, Jimmy Harrison; Precinct 4, Ray Preston; Precinct 5, Truman Bodine; Precinct 7, Eddie Gregory, along with county chairman Rees.

To be eligible for the position, a person should be a lawyer and should also be a resident of the county.

Big Crowd At Homecoming

There was a standing room only crowd assembled in the new, air-conditioned Westbrook High School auditorium for the afternoon program which climaxed a big Homecoming event at the school Saturday.

A catered noon barbeque meal was served to a crowd of more than 450 people and following visiting and class reunions, the program started at 2 p.m. in the auditorium.

One of the highlights of the entertainment was an original skit written by Westbrook teacher Charles Parnell and presented by some Westbrook students about the naming of Westbrook. Indians, Pioneer settlers and cattlemen and then railroaders all liked the spot "west of the brook" and so the town was named, according to the skit.

Other featured entertainment was presented by a group of students who gave a short skit, the songs sung by former Westbrook student Eddie Ranne, accompanied by his mother, Mrs. Charles Ranne, the songs of the Clawson family singers, instrumentals presented by a group of old timers and also by the Dorn sisters, Teresa and Dana, and a song by Nell Shackelford.

The program ended with singing the Westbrook school song and "God Bless America."

Presented during a special recognition, plaques were given to Mr. and Mrs. Charles Glenn, missionaries in the South American equatorial country of Ecuador who came the farthest, 2,400 miles, to attend. Also, Mrs. Mattie Hines, member of the pioneer Conaway family, was recognized as the earliest teacher and Mrs. T. G. Sweatt as the earliest student. Mrs. Sweatt attended school in the old schoolhouse which stood where the cemetery is located now.

Mrs. Glenn's mother, Mrs. N. A. Terrell f Lubbock, was also in attendance, the wife of a former Westbrook superintendent. Also present for the Homecoming were John Bullock of Abilene and his brother Pat, former state senator and head of the Bureau of Pardons and Paroles.

Plant Clinic Tomorrow

Mitchell County gardeners will have the opportunity to have their questions about plant diseases and insects answered by experts during a clinic tomorrow (Friday) from 9:30 to 11:45 a.m. in the Charles C. Thompson meeting room of City National Bank annex and from 1-2:30 p.m. in the Loraine Lions Club Building.

Dr. Bob Berry, area plant pathologist, and Dr. Nick Wilson, area entomologist, will be available for individual discussion concerning their plant disease or insect problems.

The clinic has been arranged by Mitchell County extension agent Bob Benson.

Mothers Game Set For July 9

A Mothers Game to aid the Little League and Farm League has been slated for 8 p.m. Friday, July 9 and all Farm League and Little League mothers are being asked to sign up in the concession stand for the game.

"We need more to sign up," Carol Dakan said this week. "Some of the Farm League mothers think they aren't being asked to play but they are and we need as many as we can get from both leagues so we can have a good game and raise some money for the teams."

The Major League All-Stars will be announced following the last game of the season, about 9:30 Monday night. Games set Monday are Pirates vs. Dodgers at 6 p.m. and Yankees vs. Tigers at 8 p.m.

In recent games, the Pirates won over the Dodgers 11-8 in the first game Monday and the Yankees barely squeeked by the Tigers 10-9. Tuesday's games saw the Indians win over the Rangers 18-2 and the Astros take one from the Giants 9-7.

WESTBROOK HOMECOMING scenes pictured here show the persons honored with plaques, from left, Laverne and Charles Glenn, who came the farthest to attend, travelling all the way from Ecuador where they are missionaries; Mrs. Mattie Hines, earliest teacher, who taught for ten years starting in 1923, and earliest student, Mrs. T. G. Sweatt, who attended school in the old schoolhouse located where the present cemetery is now.

Kindercare Places Open

The Kindercare Center currently has placement slots available for children ages one month through five years: four places in the Nursery, four places for two-year olds, seven places for 3-year olds, three places for 4-year olds and three for 5-year olds.

Places are filled on a first-come, first-served basis.

A variety of play equipment and developmental materials are used daily allowing each child to explore, choose and grow in needed motor and intellectual skills necessary to provide a solid learning foundation.

Under the Child Care Licensing Act, the Kindercare Center follows strict guidelines in caring for children.

According to licensing rules, the Center takes only a certain number of children in a specific age group.

These rules are set forth by the legislature for your child's well-being and safety, Center Director Mrs. Jon Shamburger said.

"The term 'child care' should not be confused with babysitting," Mrs. Shamburger said. "A licensed child day care center is responsible, by law, for creating a pleasant and stimulating learning environment that offers each child opportunities to have a variety of experiences as well as giving a lot of love and patience and individual care and attention."

The Center is open Monday-Friday from 6:30 a.m. until 5:30 p.m. and rates are based on a sliding scale according to income. If the income meets a federally-approved list, the cost is $10 per week for the first child. If the income is over the scale, the child is still eligible, but the charge is $20 per week for the first child.

For additional information, phone the Kindercare Center, 728-5897 during the weekday open hours, or go by the Center on E. 10th Street.

Tennis Tourney Starts Saturday

Action in the Fourth Annual Lions Club Tennis Tournament gets underway this weekend as the student division is set for Saturday and Sunday and the adult division begins Monday and continues through July 11.

Tournament director Ken Burnam says that entries should be made as soon as possible and persons interested in playing may use the entry blank provided here. It should be returned to Burnam or he can be phoned at his home number, 728-2021.

For the first time this year, there will be a $1 entry fee which will help pay expenses of the tournament. Each player is also to furnish his own tennis balls this year.

The divisions that will be offered again will be Boys' and Girls' Singles and Doubles including grades six through 12.

Burnam said, however, that if there are enough entries to warrant a younger division, one will be set up.

The Adult division will include Mens' Singles and Doubles, Womens' Singles and Doubles and Mixed Doubles. Adults will play during the two-week period as their work schedules permit, he said.

"Once entries are received, I will contact all the participants to inform them of when they will play," Burnam said.

"Interest in this tournament has been excellent in the past few years and it is made more enjoyable with more people entered," Burnam said. "So, don't put off entering the fun-filled tournament and then wish you had done so after it is all over."

All-Star Game Set July 10

Farm League All-Stars will be announced following the last game of the season, about 9:30 p.m. Saturday.

The Farm League All-Star Game is set for Saturday, July 10, starting at 8 p.m. at the Little League Field.

In Saturday's games, the Colts meet the Lions at 4 p.m., Steers play Blue Sox at 6 p.m. and Cubs challenge the Mets at 8 p.m.

HOW to Write a Person-to-Person Classified Ad that Sells!

STATE THE ITEM
Tell your readers exactly what you're selling right away. Don't bother with fancy features yet. They don't want to know it's "Wilson K28" until after they know it's a set of golf clubs.

GIVE ENOUGH INFORMATION
An ad that's too short becomes expensive if it doesn't sell your item. "Golf Clubs. 000-0000" leaves the reader with too many questions. What kind? What model? Condition? State the price or say "Make an offer."

GOLF CLUBS, Wilson K28, full set, with blue and white Atlantic bag, damaged number three iron, cost $400. Will sell for $225. Phone 000-0000 after 6 P.M.

BE HONEST
Don't omit obvious flaws or exaggerate the quality. "Never used" might get lots of calls but "damaged number three iron" may get more offers. Your readers want to buy from someone that they can trust.

MAKE SURE CUSTOMERS CAN REACH YOU
Just a phone number is enough if you will be home all the time the ad is running. If not, your caller may get discouraged and decide not to call back. By adding "After 6 P.M." your customer knows exactly when he can reach you.

GET TO THE POINT
Avoid long-winded language when short phrases will do. "Super deluxe, attractive blue and white Atlantic bag" can be shortened to "blue and white Atlantic bag." That way you can convey a lot of information while taking advantage of our low Person-to-Person rates.

A well-written classified ad will sell just about any item or service you're selling. The example above suggests a few ways to make your ad effective. But even the best ad won't do the job unless you put it in the right place. In our Classifieds. In the Classified, your ad will reach your best prospects at the lowest price. It will be read by ready buyers in your area, the ones most likely to come over and complete the sale. So when you're placing an ad for anything, make it count. By writing it the right way and putting it in the right place. In our Classifieds.

"How is lignite coal helping my electric bill?"

UNDERSTANDING YOUR ELECTRIC BILL

By using lignite coal to generate electricity, Texas Electric will be saving $44 million on its 1976 fuel bill. And that's money our customers won't have to pay.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that *are* available have soared in cost.

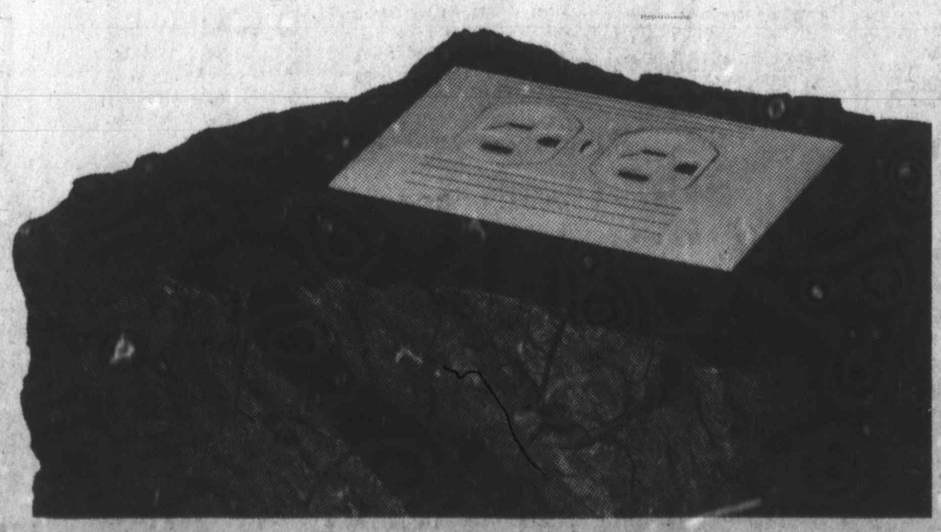

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

$86 million — The additional natural gas we would need in 1976 if we weren't using lignite.
– 42 million — The cost of lignite and the one-year cost for plants to use it in 1976.
$44 million — Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will *increase* as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But it does mean we have a way to minimize future increases and continue keeping your bill as low as possible.

Benson-Maytubby Win Golf Tourney

The Colorado City hometown team of Bob Benson and Nial Maytubby won the annual 25'ers Partnership Tournament at the Colorado Country Club Saturday and Sunday, shooting a 67 the first round and 64 their second round for the 131 winning total.

Second place winners were a Midland team, James and Pat Pritchett, 68-67-135 and third place was won by Raymond Hughes of Stamford and Harold Preston of Brownwood, formerly of Loraine with a 67-70-137. Fourth place was tied between Waters-Smith and Anderson-Copeland at 139 but the Big Spring team of Bob Waters and Bob Smith won with a birdie on the first hole of a playoff.

First flight winners were Mike Green and John Pickering of Snyder after they were tied with Grimes-Carroll at 144. Green-Pickering won on the fourth hole of the playoff with a par. Third place in the first flight was won by Feagan-Whillock, 145, and the tie for fourth at 146 was won by hometowner Bob Dennis and partner Larry Sides of Lubbock on the first playoff hole.

The tournament was played on the course which is in the best shape it's seen in recent years and club president Jim Kelley said it was all due to the fine work of course chairman George Powell and tournament director Dr. H. Jene Steakley.
