

THAT'S A RAIN!

Water stands in the rows in a cotton field near Dodson last week after three days of rain ended a four-month drouth in Collingsworth County.

State Playoff Position at Stake Here Friday

Wellington Skyrockets and Clarendon Bronchos meet on Powell Field Friday, Oct. 28, and whoever wins will be going into the state playoffs, says Wellington head coach James Williams.

Game time is 7:30 p.m. They (the Bronchos) are in a must-win situation, since they have a tie with Panhandle. Again, if we win we will go into the playoffs because they will stand one-half game behind us," Williams said.

Clarendon is undefeated with a 7-0-1 record. They are

tied in district play with Panhandle, the one remaining team for the Skyrockets after Clarendon.

Panhandle ranks No. 1 in some polls, No. 6 in others. Clarendon is ranked No. 9 by some.

"Clarendon has a lot of quickness and a lot of speed in the backfield," Williams observed.

Quarterback Dylon Howell, a 5-1, 153 pound senior, operates the Bronchos' veer option type of offense real well. He also throws the ball well.

The Bronchos have more

strength in their running backs. Rodney Smith, a junior is 6 ft., 168 pounds who has gained well over 1,000 yards rushing this season.

Glenn Weatherston, a 5'8", 158 pound senior, also has gained over 1,000 yards rushing. The alternate back is Stanley Gardner, a junior, 5'9", weighing 174 pounds, who has approximately 600 yards rushing to his credit.

Up front, the Bronchos are led in the line by Arlis Thomas, a 6-4, 227 pound senior. The wingback is

Richard Gaines, 6 ft., 161 lb. senior, and on the other end is Johnny Gaines, 6'1" senior weighing 173.

"So they've come on from what was expected. The Bronchos did have most of their backfield back, and their quarterback and running backs have lots of experience," says Williams.

"But their linemen have really improved a lot. They come off the ball real quick so it enables them to be very effective with the veer type of offense.

"Wellington and Claren-

don are similar speedwise, as far as the backs are concerned. It will be a real war—a real exciting game, and the team that does the best job on defense will probably win the ball game," the coach believes.

Of the Skyrockets, Williams says:

"We're glad to be where we are 3-0 in district play. Everything we do this week is trying to get ready for Clarendon. They know what we're doing, we know what they're doing, and the team that makes the fewest mistakes and has the least number of turnovers is going to win."

County Receives Up to 11" of Rain

Farmers and ranchers called it "the finest rain we've had in years," as they talked about the rainfall measuring up to 10.5 and 11 inches that fell in the county from Sunday to Thursday, Oct. 16-20.

Every part of the county was drenched, but the heaviest amounts of moisture were in the southeast part of the county. Rain north of Salt Fork was lighter.

Almost none of the rain ran off, and those who checked moisture depth say "the moisture met while it was still raining."

Just across the Childress County line, south of Dodson, moisture was reported up to 11 inches, and a few miles east of

Dodson in Oklahoma, there were reports of heavier rain.

Although some of the cotton open in the fields received damage, wheat farmers and cattlemen were jubilant.

Although many farmers had already planted wheat, some were doubtful if there was enough moisture to bring it up.

Planting will start again as soon as it is dry enough to get drills in the fields.

A larger than usual amount of volunteer wheat is expected this year, due to hail that was spotted over the county just before harvest. Little of that had come up, but it is already showing bright green in some fields.

Some growers may leave

good stands of volunteer wheat for grazing, but most will plow it under and plant for harvest.

Most terraces were backed up full of water, and many farmers had reported stock ponds which were dry were beginning to fill.

Rain up to 7" was measured in Wellington during the entire period of rainfall. There were other reports of 6" to 6.5".

John Brim south of Wellington on Highway US 83 reported 8.6". Brim, known for his fine terrace systems, said they all held and water backed up by them looked like lakes along hillsides.

There was damage to some of the newest terrace

WTU Increases Elec Electricity Rates Sat.

West Utilities Company has filed notice that it intends to put a major portion of its requested retail rate increase into effect October 22 on an interim basis.

The interim rates will reflect an annual increase of \$18.8 million, a level about halfway between the Company's original request and the Public Utility Commission staff's recommendation. WTU asked for \$26.5 million and the staff recommended \$10.6 million.

Texas law allows a utility to place a rate increase into effect subject to refund 125 days after the original request is filed if the PUC and the cities have not taken final action by that date. Wellington City Council had suspended the increase. A hearing on the WTU request was completed September 12 in Austin, but the final rate order from the

Commission has not been issued.

"We had rather not place interim rates into effect," said G. Holman King, WTU vice president and director of corporate affairs, "but we have an urgent need for rate relief and cannot afford the revenue loss caused by waiting for final rate approval."

King said the interim rates will be subject to refund, and probably will create a certain amount of confusion when final rates are approved and adjustments are made.

The interim rates will result in an increase of about 7.5 percent to residential customers. A residence using 600 kilowatt-hours would be billed \$49.56 under the interim rates and \$46.11 under the present rates, a difference of \$3.45. A customer using 1,000 kilowatt-hours would

see his bill raised from \$72.02 to \$77.61, a difference of \$5.59.

WTU originally had asked for the new rates to be effective July 16. The new rates are based on revenue requirements of a historical test year, which in this case was the year ended March 31, 1983.

WTU serves 82 incorporated towns and several unincorporated communities. Of the incorporated towns, 28 have denied the rate increase and appealed to the PUC, 32 suspended the rate increase and 21 ceded jurisdiction to the PUC. The City of Vernon was not affected, as rates there are set by the City Council for both WTU and the municipal electric system.

Towns denying the rate increase were Alpine, Aspermont, Balmorhea, Bronte, Clyde, Cross Plains, Dodson, Estelline, Hawley, Iraan, Jayton, Junction, Lawn, Lueders, Marfa, Memphis, Menard, Merkel.

PTO Carnival Slated Saturday

Ghosts and goblins, trick or treaters and a variety of other characters known only at Halloween will gather Saturday, Oct. 29, when Wellington PTO holds its annual carnival in the Elementary School Cafeteria beginning at 6:30 p.m.

The aim of this year's carnival is getting the youthful trick or treaters off the street and into the games and contests at the carnival, said Nancy McKinney, president.

For the first time this year, an admission charge of 25 cents will be made to all those attending the carnival, but this will also entitle each one to a ticket in the drawing for door prizes, said Mrs. McKinney.

Entry will be through the east cafeteria door.

All the familiar fun events will be there and some new ones, too, those working with the carnival point out.

Two featured events will be the annual pumpkin carving contest for both children and adults, and the costume contest, with prizes

awarded in both.

Each room will sponsor a game in which all youngsters can compete. These include:

-Kindergarten, a cake walk in the cafeteria, with Virginia Tarver, teacher, in charge.

-Jeanne Taylor's first grade, a color wheel in the work room.

-Shirley's Henard's first grade, the fishing pond in her room.

-Janet Lindley's first grade, registration for door prizes in the cafeteria.

-Opal Camp's 2nd grade, a scarecrow bean bag throw in her room.

-Lennie Morgan's 2nd grade, Snoopy Pumpkin, in her room.

-Frankie Sue Campbell, 3rd grade, tic tac toe in her room.

-Alcie Estes 3rd grade, witches bean bag throw in her room.

-Beverly Hudson's 4th grade, face painting in her room.

-Dwayne Dodson's 4th grade, dart throw in his

room.

-Evelyn Carter and LoRhae Morgan 5th grades, the spook house in the media room.

Food will be a big item at this year's carnival, and those coming early can have an evening meal before going on to the fun events.

Offered for sale will be chili dogs, chili pies, ice cream, brownies, rice crispie treats, coffee and soft drinks.

Awarding of door prizes will be more important--and prizes will be more plentiful than in the past. These are donated by Wellington merchants, and every person attending will receive a ticket upon paying the 25 cent admission.

The climax for this portion of the carnival comes with the awarding of the color television set.

The costume contest will be held in several divisions, and the cleverest or most unique or most outlandish have equal opportunity of being a winner.

The pumpkin carving

contest has grown in popularity each year.

There will be 6 divisions: kindergarten-1st grade; grades 2-3; grades 4-5; junior high; high school; and adult.

Pumpkins should be brought to the school cafeteria at 6:30 p.m. on Oct. 29 and each should have the name and grade of the owner on the bottom of the pumpkin, where they will be judged during the evening and must remain on display until after all winners are announced.

Costume and pumpkin winners will be announced about 8:30 p.m.

Rules for the pumpkin carving were given:

-Each pumpkin must be carved. Paint, hats, hair and any other accessories may be used.

-Pumpkins must be carved and decorated by the person entering them.

-To be judged, the pumpkin must have the name and grade on the bottom.

COSTUME WINNERS

Winners of first place in the pre-school costume contest at Samnorwood Carnival were Jackie Bell, left, Amanda McCarty and Holly Thomas.

Kiwanis Club Come & Get 'Em Pancake Supper

Kiwanis Club members are saying "eat a pancake and help us put new storm windows on the hospital."

Wellington Kiwanis Club will hold its annual pancake supper Friday, Oct. 28 at the Wellington Elementary Cafeteria from 5 to 7 p.m., just before the Wellington-Clarendon football game.

Proceeds from this year's pancake supper will be used by the club to help buy new storm windows for Collingsworth General Hospital.

The meal includes sausage, bacon, pancakes, and coffee, tea or milk.

Tickets are \$3 for adults and \$2 for children, and are available from Kiwanis Club members or at the door.

Cancer Society Plans Smokeout

Sandy St. John of the cancer society Amarillo, district representative for the American Cancer Society, will meet with members of the Collingsworth County unit of the cancer society Thursday, Oct. 27.

The meeting will be in the Heritage Room at 7 p.m. with Rita Owens, president in charge.

Shamrock Concert Season Opens

Duo-pianists Peter Rostal and Paul Schaefer will open Shamrock's Community Concert Season Saturday, Oct. 29, at 8 p.m. in the high school auditorium. A number of Wellington residents are members.

Both young men are widely acclaimed as the most popular duo-pianist team in England and are enthusiastically received wherever they appear.

This is the sixth tour of the United States for these two and last spring their appearance in Pampa brought out a full house to hear their outstanding concert.

Their program varies from classical to semi-classical to popular and it is in the field of popular music that their arrangements are so well received. Their recordings are consistently at the top of the charts

RAIN—

systems, where the dirt had not settled, according to J.D. Sheer and James Herring of Soil Conservation Service.

Keith Smith, who had heavy rains reported silted cattle guards.

Mr. and Mrs. Tom Birchfield, northwest of Dodson, measured 10.5".

"It fell nicely," she said. "Not over 1.5" would fall, it would let up, then start again. That way, none ran off," she said.

In this area some farm buildings were reported to appear to be standing in lakes.

There was some washing in fields, and around Bean Hill, roads were badly washed, according to Wayne Martin, seed dealer. There appears to be some damage to cotton.

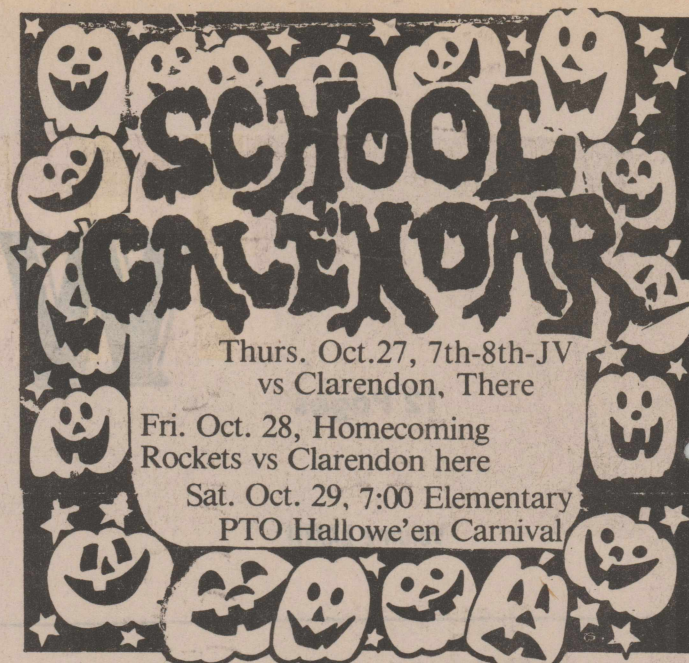

James Shepard, manager of Farmers Co-op Gin, said it will be at least a week in the sandy land and two weeks in the tight land before cotton harvesting can be resumed.

In only a few places did the surfaced roads become impassable, according to Doyle Fowler, maintenance supervisor for the Texas Department of Highways

and Public Transportation. "We had quite a bit of trouble with FM 1642 in north Childress County and FM 1034 south of Dodson," he said.

"We never did close it, but flagged it all night. Oklahoma closed their highways, but we stayed and assisted those who wanted to go through." There was a considerable amount of damage to road shoulders and to base materials around bridges, but that has been repaired, he said.

Eleven and one-half inches of rain was received in that vicinity, he reported.

Nicole Keller, Darvin Nix Named 4-H Gold Star Winners

THE WELLINGTON (TEXAS) LEADER
Thursday, October 27, 1983

4

Nicole Keller and Darvin Nix were named the 4-H Club Gold Star girl and boy at the 1983 4-H awards banquet held Monday evening, Oct. 24. Announcement of their selection came near

the end of a ceremony that saw the presentation of 85 other awards.

Given by the Extension Service of Texas A&M University, the Gold Star is the highest award a boy or girl in 4-H can receive on the county level.

Recipients of these two awards, and of the 85 other 4-H awards, were not known until their names were called to receive their honors during the program that was held in Bura Handley Community Center.

Reeves presided at the covered dish dinner that preceded the program.

Shelly Thomas, 4-H member, welcomed the guests and the Rev. Harold Wayne Moore gave the invocation.

The program with the

Pledge of Allegiance to the Flag, led by Brad Long, D'Nae Keller led the 4-H Motto and Pledge.

Six junior 4-H leaders presented awards in 17 categories. They were Patricia Fourmentin, Darvin Nix, Nicole Keller, Barry Long, Lesa White and Sandy Henard.

Reeves and Miss Bigby presented the Gold Stars and introduced adults who were honored.

Four-H award recipients were:

Agriculture: Al Forrester and Tim Hartman.

Bread: Darla Noakes, Trudy Baker, Lesa White and Sandy Henard.

Citizenship: Sharon Henard, Holly Wilson, Valerie Noakes, Diana Noakes, Mike Brankdvik, Leslie Lindley, Susan Throckmorton, April Darrow, Paula Nunneley and Annie Caisson.

Clothing: Leslie Birkey, Marla Keller, LaRanda Mosenbocker, and Jenifer Hayes.

Conservation of Natural resources: Craig Brown, Shaun Coleman, Rene Del Bosque and Eddie Garza.

Consumer education: Jennifer Hayes, Dion Moore, Valerie Noakes and Belinda Britten.

Dairy foods: Stacy Barton, Carla Crison and LeAndra Hartman. Fashion Review: Shelly Thomas and D'Nae Keller.

Food and nutrition: Julie Caldwell, Shelly Thomas, Dana Langford and Marla Keller.

Food preservation: Lesa White, Patricia Fourmentin, Julie Caldwell and LaRanda Mosenbocker.

Health: Dion Moore.

NICOLE KELLER

DARVIN NIX

Lyndy Forrester and Rachelle Ford.

Home Management: Carla Caison and Julie Caldwell.

Horse Club: Lolly Campbell, Shawn Cobb, Tami Henard and Stacy Knoll.

Horse Club "Rookie of the year," Reagan O'Rear, 7-year old pre-4-H Horse Club member.

Leadership: Sandy Henard, Shawn Cobb, Barry Long, Patricia Fourmentin, Nicole Keller, Leslie Birkey, Lesa White and Leslie Brandvik.

Public speaking: Marla Keller, Annie Caison, Leslie Birkey and Nicole Keller.

Beef: Patricia Fourmentin, Tommy Thomason, Barry Long and Darvin Nix.

Food show: Karen Mote, Carrie Langford, Trina Baker and Lesa White.

Fifteen adult 4-H leaders were cited for service:

Geney Gulley, Jo Rita Henard, Gano Wilson and Earl Lynn Feemster, one year each; LaDonna Moore, two years; Jimmy Brown and Jane Thomas, three years each; Sue Brandvik.

Jayne Bell, four years each; Jerry Nix, 5 years; Frankie Campbell and Jean Fourmentin, 6 years; Richard Fourmentin, 11 years; Earl Patterson 15 years; and Rose White, 16 years.

Mrs. White has been a 4-H leader since her oldest child entered 4-H work. Her youngest graduates from high school this year.

Seven business firms and organizations were cited for support given the entire 4-H Club program during the year:

Warrick's Inc.; Singley Mill and Elevator, The Wellington Leader, and Glynn Moore Post, Veterans of Foreign Wars, City State Bank, Wellington State Bank and Farmers Co-op Gin.

Attending the presentation program and to learn more about 4-H were a group of pre-4-H boys and girls—those under 9 years of age—and beginning club members.

In addition to the youths, their guests were parents, other family members and friends, totaling 125.

Nix is 17 year old son of Mr. and Mrs. Jerry Nix. He joined 4-H when he was 9 and has been active in Beef-Horse shows in Texas and has steers on feed at this time. He is a Jr. Leader in the 4-H Beef Club and is a member of the Collingsworth County 4-H Council.

He received the Showmanship Award at the 1983 steer show and was a member of the Livestock judging team.

In Wellington High School, he is on the Skyrocket football team, having played since seventh grade.

Nicole, is the daughter of Mr. and Mrs. Elmer Keller and presently a sophomore at Wellington High School. She joined 4-H when she was 9 years old and has been active in clothing, bread and public speaking and food and nutrition projects.

Gas ranges keep temperatures under control.

Almost all great chefs insist on natural gas ranges. Because gas gives them temperature control, par excellence.

The low flame keeps even the most delicate sauces warm without burning them. While the high flame gives immediate, intense heat for a rapid boil.

And when the flame is off, it's off! There's no hangover heat to spoil the

creation.

But control isn't the only reason they cook with gas. Gas saves money. In fact, you can cook 1 1/2 meals on a high-efficiency gas range for the cost of cooking one on a non-gas range.

So get more for your money and get a gas range for your home. Today. We promise you, you'll be in better control of your temperature.

Owens Salvage Has New Office Manager

Skeet Hogan, formerly of Borger, has been appointed accountant and office manager of Owens Salvage Co., according to Robert Owens, owner.

Hogan operated his own accounting service in Borger for five and one-half years and also worked with several area CPA firms handling municipal and school accounts.

Prior to that, he was controller and chief accountant for Telluride Ski Area and Resort at Telluride, Colo., for three and one half years.

In this capacity he was manager of the hotels, bars and restaurants, as well as the ski area itself and condominiums and other real estate associated with it, Hogan said. He worked with a number of United States and foreign banks.

Hogan is a graduate of North Texas State University with a degree in business administration and minor in architectural engineering. "A lot of my past work has been in construction, steel fabrication and real estate development," he said.

Born at Shamrock and reared at Lefors, Hogan is the son of G.B. Hogan now of Pampa and Ann Louise Buffalo of Perkins, Okla. His adopted son, Dale, lives at Borger.

In Colorado he belonged to the Lions Club. At Borger, he was a member of Ambucs, which does a great deal of work with the handicapped. He is a member of the Masonic Lodge and served in the Navy four years.

CATTLE FEEDING FACTS
With Texas being a major cattle feeding state, Texans should be interested in the overall cattle feeding industry.

Here are some basic facts about the industry:

--In 1982, almost 25 million head of fed cattle were marketed in the U.S., with Texas accounting for 4 million or 16 percent.

--While Texas was not the leading state in 1982, it ranked second only to Nebraska which fed only 425,000 head more. In 1980, Texas was the foremost feeding state.

--The five major cattle feeding states in the nation are Nebraska, Texas, Kansas, Iowa and Colorado. Each had fed cattle marketings of more than 2 million head in 1982.

--Feedlots in the U.S. that had capacities of 1,000 head or more represented only 3 percent of the lots but accounted for 77 percent of the output.

--Only 188 feedlots operating last year had a capacity of 16,000 head or more (at the time), yet these lots alone accounted for 37 percent of the national output of fed cattle.

--In 1982 Texas boasted 68 lots with such super large capacities (16,000 head or more.)

--Texas also had another 81 feedlots with capacities of 1,000 to 15,999 head.

October is National Popcorn Poppin' month. What makes it such a delicious treat? Well, first of all, popcorn is a whole grain cereal which provides protein, vitamins, minerals and fiber. It is very low in fat, has no cholesterol and is free of added sugar—all reasons why it can be an important part of any balanced diet. On the other hand, popcorn contains more protein and fiber than enriched white or whole wheat bread, or snack

foods such as potato chips, pretzels and saltines. It also has more iron, ounce for ounce than eggs or cooked spinach.

Although the significance of fiber in the diet has not been fully researched it is generally recommended that Americans look to whole grain cereals, fruits and vegetable as good sources of roughage. Popcorn, being a natural whole grain, stands out as an excellent source of fiber especially when compared

with other snack foods.

Try this delicious treat that you can quickly and easily create a delicious, nutritious Super Popcorn treat.

CHEESY SESAME POPCORN

- 2 quarts popped Super Pop Popcorn
 - 2 tablespoons butter, melted
 - 2 tablespoons grated Parmesan or Romano cheese
 - 2 teaspoons sesame seeds
 - ¼ tsp. celery salt (opt.)
- Keep popcorn warm. Combine remaining ingredients; drizzle over popcorn. Stir or shake till evenly coated.

Hortons Attend Ministers Meeting

The Rev. and Mrs. Jim Horton of Abundant Life Fellowship are attending the Faith Ministers Convention at Calvary Evangelistic Temple, Dallas.

This began Monday, Oct. 24, and will close Friday, Oct. 28.

On Friday, Rev. Horton will speak at the Christ for the Nations Bible Institute, where he studied. He will also address all prayer and intercession groups.

Highlights will be a talk by the Rev. Kenneth Hogan of Tulsa, Okla., president of Rhema Bible Institute, and

Carroll Thompson, who will discuss the effects of Halloween on America.

At 7 p.m. they will hear the Rev. James Robison in a televised program. This will kick off an all-night prayer meeting.

Approximately 1500 students are enrolled in Christ for the Nations Bible Institute.

There is a baseball game played in Fairbanks, Alaska, every June 21, the longest day of the year. It begins at midnight and no artificial lighting is ever used.

Mr., Mrs. L.V. Childers Honored With 50th Anniversary Reception

Mr. and Mrs. L.V. Childers will celebrate their 50th Wedding Anniversary with a reception at the Tascosa Country Club in Amarillo on October 30.

Mr. Childers is the son of the late W.H. "Will" and "Sweet" Inez Haynes Childers. He was born near and raised in Vernon where he graduated from Vernon High School in 1932. The former Mary Wynelle Henry is the daughter of the late Earl and Esther Christian Henry. She grew up in Wellington where her father was a volunteer fireman.

The couple met through a friendship between his aunt and her mother. As the summer of 1933 progressed into fall, his model T Ford could be seen making more frequent trips between Vernon and Wellington. On October 30 the young couple were accompanied by these two ladies as they eloped to Mangum, Oklahoma.

Mr. and Mrs. Childers have lived in Amarillo about 45 years. They have four children: Peggy Jeanne Jansen, Patricia Ann

1954 Study Club Plans Variety Of Major Projects for Year

The opening meeting of the 1954 Study Club was held Thursday, October 13, when Mrs. Cal Hurst was hostess at a one o'clock luncheon.

Other hostesses were members of the yearbook committee, Mrs. Jerry Nix, Mrs. John Nash and Mrs. L.C. Hill, assisted by the president, Mrs. Ben Ratliff.

Mrs. Hurst presented the yearbooks.

The club's theme for this year is "Tomorrow is Now." The course of study will be "Working together for community improvement, nox."

As she conducted the business meeting, Mrs. Ratliff announced that projects for the year will include aid for veterans hospitals, the Vernon State Hospital, Wellington Family Services, Collingsworth County Historical Museum docent program, support for Collingsworth General Hospital Auxiliary, continuing the 4th grade reading

program, along with federation projects.

The fund raising project will be the Tiny Tot Revue in early spring.

The club voted to send Christmas gifts to the Vernon State Hospital by Nov. 1 and to buy the Seedling Short Story Series for both semesters for 4th grade.

Plans were announced for the Founder's Day Luncheon, hosted by the 1924 Study Club, 1954 Study Club, and Dodson Civic Club, honoring Mrs. Bill Griffin of Borger, Top of Texas District president.

A leave of absence was extended to Mrs. Hill.

Active members of the club are Mrs. Fred Cox, Mrs. A.J. Fires, Mrs. Leon Hartman, Mrs. Bill Hatch, Mrs. Hurst, Mrs. Nash, Mrs. Nix, Mrs. Ratliff, Mrs. Veltor Sogee and Mrs. Loretta Wright.

Associate members are Mrs. James Richardson, Mrs. Paul Spillman and Mrs. R.L. Templeton.

Mrs. Earl Alexander Program Speaker for Good Neighbors

The Good Neighbor Club met Friday, October 21 at 2:30 p.m. in the home of Mrs. Mary Karnes.

The club had not met during the summer, but are looking forward to meeting once a month with old friends and neighbors.

Mrs. Robert Barjenbruch opened the meeting and brought out some good household hints. Mrs. Janie James offered the opening prayer and Mrs. Ruby Ball called the roll and read the minutes of the last meeting.

Mrs. Earl Alexander gave the program, "My Own Seven Wonders" written by Lowell Thomas, America's famous traveler describing his personal choices of the seven greatest man-made structures on earth.

Those he listed were the great wall of China, which extends across 1500 miles of deserts, taking 18 years to

build; the great pyramids in Egypt, the largest stone structure in the world; the Taj Mahal; St. Peter's Basilica in Rome, Potala, the capital city of Tibet, referred to in Asia often as the "Palace of the Gods"; the Panama Canal and the Empire State Building, undisputed "world's tallest structure" for almost 40 years and which is now challenged by such impressive edifices as New York's World Trade Center, Chicago's new Sears Tower and Moscow's Ostankino TV shaft.

Mrs. Alexander concluded the program by showing pictures of the Wellington square in 1950s.

The club decided to have a covered-dish luncheon at

Work Already Under Way on 1st Methodist Annual Bazaar

Gift items that are dainty or sturdy, useful or decorative are being crafted by men and women of 1st United Methodist Church, as they prepare for the annual Christmas Bazaar to be held Saturday, Dec. 10.

This will be in conjunction with the annual 1st Methodist Church community dinner in Bura Handley Community Center.

The theme this year is: "Christmas Comes but twice a year. Once at home, once right here."

Mrs. Cal Hurst is overall chairman for the combined event. Mrs. Tom Birchfield is overall chairman of the bazaar.

A highlight of the bazaar will come when a deep blue felt Christmas table cover is given away in a drawing Mrs. Birchfield said.

Made by Mrs. Birchfield, the cloth, which can be adapted to become a Christmas tree skirt, will be on display from now until the bazaar date in Hatch Dry Goods.

Mrs. Birchfield has announced several committees that will work with the bazaar:

extends through much of Asia, Confucianism of China and Shintoism of Japan.

Mrs. Dick Richards presided and each member told her favorite scripture as she answered roll call.

The Nov. 15 meeting was rescheduled for Thursday, Nov. 17. Refreshments were served to Mrs. Richards, Mrs. Bartlett, Mrs. Bryan Denley, Mrs. Howard Riggs, Mrs. Bob Hightower, Mrs. W.F. Harbin, Mrs. A.B. Clark, Mrs. Charles Cason and the hostess, Mrs. Alexander.

Special guests were

WHS Approves Chemical People TV Programs

Wellington High School is recommending The Chemical People Project, which will be carried Nov. 2 and 9 on the Public Broadcasting System (OETA Channel 13). The time is 7 p.m. (CST).

The same program will be featured November 3 and 10 at 7 p.m. (CST) by KVII Channel 7, said Eddie Hankins, high school principal.

The two part series is designed to bring concerned parents and citizens together over the issue of drug and alcohol abuse and offer them guidelines for helping young people.

"Over 25 national organizations will participate," said Hankins. "This unique effort marks the first time a national media network has offered simultaneous coverage and encouraged local outreach."

The first program will offer information about the problem of substance abuse," Hankins explained. "Program two shows a community how to fight back and includes information about efforts nationwide and here in Texas."

"This project has the support of the White House. It is hosted by First Lady Nancy Reagan and will receive the support of Governor Mark White and the First Lady of Texas, Linda White."

The Texas War on Drugs is leading the effort to get maximum participation in the project.

"The project should benefit the community as a whole by providing a format in which the community can take action on substance abuse prevention," said Hankins.

Grenada and Lebanon

The news of the United States' invasion of Grenada Tuesday put into the sharper focus the deaths of over 200 Marines in Lebanon Sunday.

In Grenada, the United States had a military goal in mind—wresting control of the small island from the hands of a left-wing coup. In Lebanon, we do not have that goal.

Whether or not that Caribbean action was military and diplomatic overkill is beside the point. Our military forces were given a clearly defined goal and supported with everything necessary to make their military mission a success. (Whether we'll be successful in establishing a new democratic government there is another question.)

In Lebanon, we have sent our Marines on a "peacekeeping" mission in a country where there is no peace—where there is, in fact, a bloody civil war arising from ancient hostilities.

The Marines in Lebanon are sitting on an open plain, surrounded by high hills controlled by hostile forces. (And the Navy's ships, sitting just off the Lebanese coast, are likely to be sitting ducks for a missile if the war escalates.)

The Marines are not under orders to defeat an enemy. They are simply high visibility policemen, and their role is a show of force. It is a show of force that is costing American lives without gaining anything for the United States or its allies.

If there was a lesson from the Vietnam War on which almost everyone could agree, it was that we should have a clear military goal in mind before we set our young men down on foreign soil, and that we should be prepared to back them up with the policy, money and equipment they need to succeed, or we should not send them at all.

GATE Students Attend Seminars

Nine Wellington High School GATE (Gifted and Talented) students were in Amarillo and Canyon Wednesday, Oct. 19, along with approximately 150 area high school students.

Each month, West Texas State University, with Region XVI Education Service Center assisting, hosts seminars in the four areas of science, technology, sociology and fine arts.

The October offering in the respective areas were:

-The Don and Sybil Harrington Cancer Center which incorporated a tour of the facilities, exploration of available services for area cancer patients, and their families, and a visit with two former cancer patients; -Surveying how Texans determine boundaries, from

early to present times, and Civil Engineering—"Let's plan a city," explaining old city revitalization, water, gas and disposal systems.

-Television - Friend or Fiend" using the Station KAMR-TV facilities and staff and discussing TV violence and advertising;

-The magic of the theatre on WTSU campus "The students visited the theatre where lighting panels were demonstrated and techniques in acting were practiced."

Deanna Van Pelt, GATE sponsor, accompanied Jay Anders, Tommy Cochran, Traci Hunnicutt, Kim Castleberry, Brian Van Pelt, Wesley Reeves, Leslie Hammons, Mike Myrick and Holly Wilson on the field day.

G.A. Huffman Dies Oct. 16 In California

George Arthur Huffman, 68, of Cerritos, Calif., died at 1:30 p.m. October 16.

Funeral services were conducted at 2 p.m. Tuesday, Oct. 18, in the Truett Southern Baptist Church in Long Beach, Calif., with the Rev. Hann officiating.

Mr. Huffman was married to Katherine Clark of Wellington, the daughter of Mrs. O.B. Raburn and the late George Clark, on August 5, 1945 in Well-

ton.

Mr. Huffman was with the Rockwell Co., for 35 years and worked on the Space Shuttle. He retired in January 1983.

Survivors are his wife; one daughter, Mary Lynn Ferguson of Cerritos; a son, Tom Huffman of Utah; a sister and brother and 5 grandchildren.

Burial for J.L. Davis Here Oct. 16

Burial services for Jessie Lee (Little Brother) Davis, 64, of Amarillo were conducted at Fairview Cemetery, Wellington Sunday, Oct. 16. He died Oct. 11 in Amarillo.

Funeral services were at 2:30 p.m. Sunday in St. James Baptist Church, Shamrock with the Rev. James Davis, pastor officiating.

Richardson Funeral Home was in charge.

Pall bearers were Willie James Wright, Edward Clarkley, Jimmy Walker, Frank Carter, Lloyd Bennett and Robert Ellison.

Davis was born March 15, 1919 in Malakoff, the son of Mr. and Mrs. Bud Davis. He had lived in Amarillo 25 years.

He was a Baptist.

Survivors include a half-sister, Mrs. Verna Jo Davis of Phoenix, Arizona, and a number of cousins.

Frank Campbell Area Rancher, Dies Oct. 20

Frank Walter Campbell, 70, a rancher and member of one of the southeast Panhandle's pioneer ranching families, died Thursday, Oct. 20 in Collingsworth General Hospital after a lengthy illness.

He and his wife, Sue, lived at their ranch home south of Wellington, where he had spent much of his adult life.

Mr. Campbell was born in Wellington November 16, 1912, the son of the late Walter Travis Campbell and Minnie Leslie Campbell.

He was a graduate of Wellington High School.

Mr. Campbell was a former director of County Farm Bureau, a member of First United Methodist Church, the Wellington Cemetery Association and County Farm Bureau.

Frank Campbell's father, Walter Campbell, and his brother, John, were the first of their family to come to this area, and after they found land they liked, they were followed by their father, who traded business property in Waco for ranch land, and by others of the family.

A member of First United Methodist Church, Frank Campbell served many years on its official board. He was a former member of the Wellington School Board, a member of Farm Bureau, Wellington Cemetery Association and of the Texas and Southwestern Cattle Raisers Association.

He always took pride in having been a volunteer fireman.

Mr. Campbell was married to Sue Vaughan of Wellington on October 29, 1936, in Sayre, Oklahoma.

Funeral services were conducted at 1st United Methodist Church at 3 p.m. Saturday, Oct. 22, with the Rev. Tom Thomson, pastor officiating.

Burial was in the cemetery, located on Campbell family land, which has served the loco community since the late 1800s. Schooler Gordon Funeral Directors was in charge of arrangements.

Pall bearers were A.J. Fires, Virgil Patterson, Billy Mae Sims, Sid Ewing, Mike Kirkland, Glenn Warrick, Frank Coleman, Jr., and David Baumgardner.

Honorary pall bearers were Barney Glenn, Sandy Parsons, L.C. Hill, John Brim, John Sherman, Earl Alexander, Lynn Carter, E.W. Clement, Pat Bouchelle and Carthel Lewis.

Survivors are his wife; two daughters, Frankie Sue Campbell and Sharon Starkey, both of Wellington; a son, Walter Campbell of Clarendon and four grandchildren: Ed Tom Campbell, Laura Margaret Campbell, Renee Campbell and Oran Starkey III.

Lace, as we know it, developed in Italy in the 1400s. It grew out of open or cutwork in embroidery. It was a mark of prosperity.

Dr. Chas. B. Jones Doctor 54 Years, Dies Monday

Dr. Charles B. Jones, 84, the dean of Southeast Panhandle physicians, died at 3:45 p.m. Monday, Oct. 24, in St. Anthony's Hospital, Amarillo. He had practiced medicine 58 years, and saw patients in his office until noon on Monday, just before he was stricken.

In so far as is known, Dr. Jones was the first Collingsworth-born man to become a medical doctor. He had practiced in Wellington since 1934.

Dr. Jones community activities entered almost every phase of the county's life, but several are pre-eminent.

Through the friendship of Dr. and Mrs. Jones with the Rev. Francis Scully, a Catholic priest from Springfield, Illinois, contact was made with the Dominican Sisters, in Springfield, who agreed to staff a hospital in Wellington.

Dr. E.W. Jones gave the Wellington hospital and the Sisters arrived in 1938 to operate St. Joseph's Hospital.

Dr. Chas. B. Jones presented the idea for a low rent housing authority to the Chamber of Commerce, and this became the Wellington Housing Authority. He served on the board from 1959 to 1968.

He helped to organize the Collingsworth County Fair in its present format and was Fair chairman three years.

He was the examining physician to the Selective Service Board during World War II and received certificates of appreciation from President Franklin Roosevelt and President Harry Truman.

Dr. Jones was a member of Wellington School Board 10 years, a charter member and past president of the Rotary Club and chairman and organizer of the Rotary Minstrels.

He helped to organize and was president of Wellington Ex-Students Association.

Additionally, he was a member of the Chamber of Commerce, chairman of Wellington Concert programs after World War II, past commander of Frank King Post of the American Legion and interested in musical activities.

He had belonged to the Kiwanis Club, Lions Club and was organizer of the "What's Right with America Sing Out in 1968."

Dr. Jones was named Collingsworth County Outstanding Senior Citizen of 1968, was an honorary member of Texas Medical Association and was included in "Personality of the South in 1971."

For many years he was county health officer and currently was the city health officer.

Dr. Jones was born on the family farm north of Wellington Dec. 19, 1898, the son of the late Chas. B. and Rhoda Jones, who came here in the 1890s.

After graduating from

Wellington High School 65 years ago, he served in World War I. He took his pre-medical work at the University of Texas and his medical studies at Baylor University School of Medicine, Dallas, where he graduated in 1925. On the same night he was commissioned a 1st Lieutenant in the Medical Reserve Corps of the Army.

He served internships in St. Paul's Hospital, Dallas in the department of obstetrics and did post graduate work at Chicago Lying-in Hospital, Barnes Hospital in St. Louis, Mo., the Mayo Clinic, at Sanatorium, Texas, the Chicago Eye, Ear, Nose and Throat Hospital.

He was a member of the major medical organizations on the local, state and national levels.

On December 31, 1925, he married Miss Kathleen Hosack, who was supervisor of the birth-room and a member of the obstetrical teaching staff at St. Paul's Hospital.

He began his practice of medicine in Dallas in 1927, which continued until he came to Wellington in 1934 to begin his association with Dr. E.W. Jones.

After returning to Wellington, he helped to organize immunization programs for pre-school and school children, and with other doctors and schools helped to administer tuberculosis tests to all school children.

A rosary service was conducted at Schooler-Gordon Funeral Directors chapel Tuesday evening.

A funeral mass for Dr. Jones was celebrated by the Very Rev. Joseph Tash, chaplain of St. Anthony's Hospital, Amarillo, at 10:30 a.m. Wednesday, Oct. 26 in Our Mother of Mercy Catholic Church.

Grandsons were pall bearers. Burial was in Memorial Gardens with arrangements under the direction of Schooler-Gordon Funeral Directors.

Surviving Dr. Jones are his wife; three sons, Charles B. Jones III of Lubbock, Dr. John E. Jones and Frank H. Jones, both of Amarillo, and two daughters, Mrs. Rosemary Langford and Mrs. Gilbert (Jeanne) Gilles of Midland; 19 grandchildren and 5 great-grandchildren.

Memorials may be made to the Juvenile Diabetic Foundation, 6316 Elmhurst, Amarillo, 79106. or the Epileptic Association, 806 Bryan, Amarillo, 79102.

Rockets Mangle Memphis 31-12 for 3rd District Win

THE WELLINGTON (TEXAS) LEADER
Thursday, October 27, 1983

12

Wellington Skyrockets put two touchdowns on the board in the first two minutes of the game and never looked back for a 31-12 victory over Memphis there Friday, Oct. 21.

The win gave the Rockets a 6-2 record for the season, and a 3-0 mark in conference play which makes Wellington the District 2-2A leader.

It turned out to be James Benton's night, with the 170-lb. junior scoring four touchdowns. The Memphis defense keyed on Wellington speedster Dewayne Culpepper, and the Rockets caught them looking the other way.

A short punt by Memphis gave the Rockets their first possession at the Memphis 36 and on the Rockets' second offensive play James Benton scored on a 16-yard charge. Mark Hunnicutt kicked the extra points and Wellington took a 7-0 lead.

Darvin Nix intercepted a Cyclone pass on Memphis' next play to give the Rockets field position at the Memphis 9, and Benton carried for a second TD. The extra point kick was wide, and Wellington held a 13-0 lead with 9:49 still to play in the first quarter.

Memphis ended the first

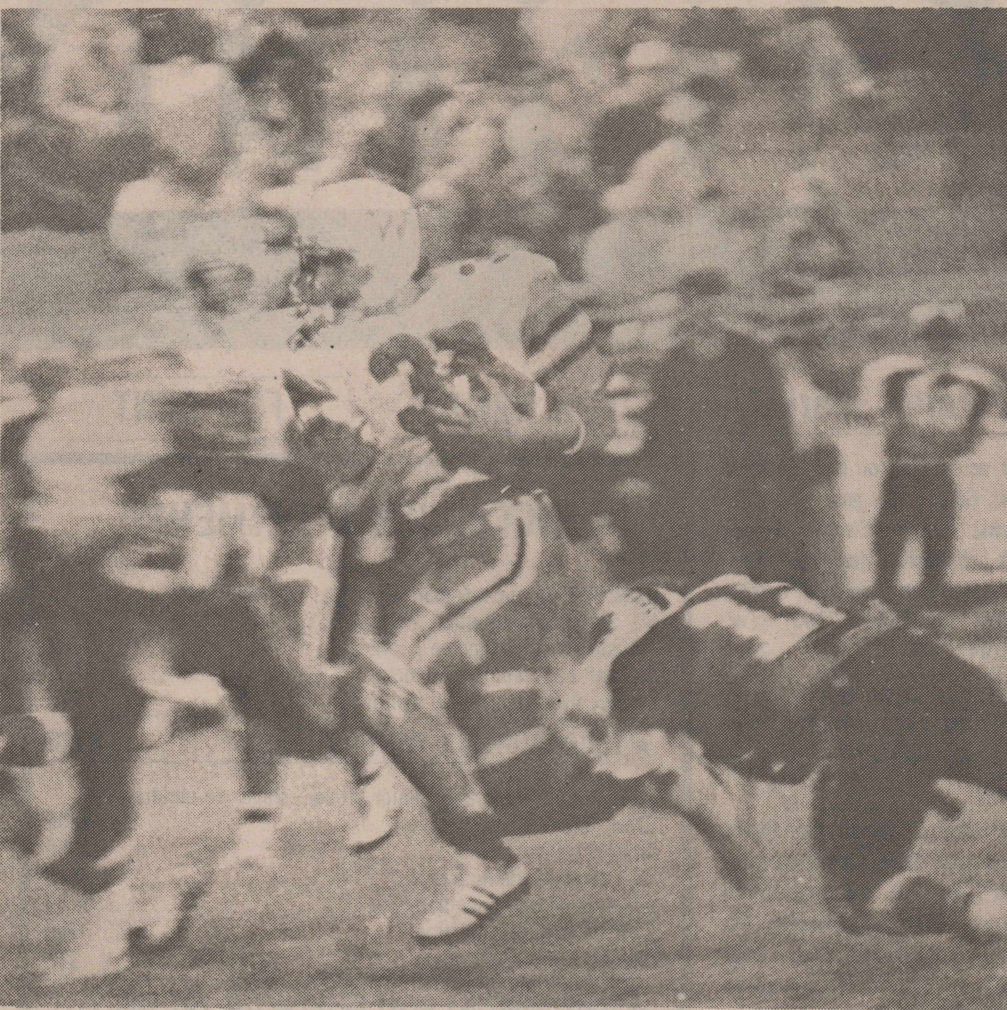

quarter with a 46-yard drive that climaxed in a 1-yard touchdown by quarterback Coby Smith. The extra point kick failed and the score was 13-6, the Cyclones' closest margin of the night.

Wellington came back with three unanswered touchdowns, 2 of them before halftime.

Quarterback Joe Bill Munn hit an 18-yard pass play to Rosendo Villanueva cutting across the defensive grain and Villanueva scampereed into the end zone with no defender within 10 yards of him. The extra point run failed, and Wellington took a 19-6 lead.

Rosendo Villanueva's 20 yard punt return gave the Rockets good field position again on their next possession, and after 15-yard runs by Dewayne Culpepper and James Benton, Benton scored a third touchdown on a 7-yard run. An extra point pass failed, and Wellington took a 25-6 lead into halftime.

The Skyrockets scored on their first possession after halftime, a 60-yard drive that saw 3 10-yard runs by Dewayne Culpepper and passes from Joe Bill Munn to Mark Hunnicutt and Rosendo Villanueva, and

SCORING

culminated in a 6-yard touchdown by James Benton. The extra point kick suffered a bad snap from

center and never got off the ground, and the Rockets had a 31-6 lead.

Memphis came back with a 33-yard touchdown pass from Coby Smith to Roy

Henderson with 5 minutes to play in the game. An extra point run fell short and Wellington took home a 31-12 win.

Wellington threatened to score again early in the fourth quarter after a 60-yard drive moved them to the Memphis 1-yard line, but the drive stalled after 3 tries from the 1.

Dewayne Culpepper intercepted a Memphis pass and returned it to the Memphis 5, also early in the fourth quarter, but a clipping penalty backed the Rockets up that time. Jimmy Barber intercepted a third Memphis pass on the final Rocket defensive play of the game.

Firecrackers Win Over Memphis 50-8

Wellington Firecrackers swept over Memphis 8th grade team 50-8, one of its largest margins, here Thursday, Oct. 20. One touchdown after another was the story of the Firecrackers.

Wellington's first touchdown came on a 45-yard run by Alex Johnson, then Shawn Cobb went for the two points and made them.

Cobb gave the Firecrackers their second touchdown on a 10 yard sweep, but the try for extra points failed, and the score was 14-0.

The next score in the second quarter, was on a 30 yard run on a quarterback bootleg, by Brad Long and a two point conversion by Cobb brought the score to 22 points.

A four yard reverse play by Curtis Nash, and the two point conversion by Cobb brought the Rockets to

halftime score of 30-0.

In the third quarter, Alex Johnson had a 30 yard run but the extra point failed.

At this point, Memphis scored its only touchdown by picking off a lateral and running the ball in. The score was 36-6.

James McIntosh then ran a sweep for 25 yards and a touchdown and Johnson took the ball in for the two points on a dive play.

James Reynolds, on a guard around, scored on a 20 yard run although the extra point failed. This touchdown was set up with a pass interception by Brad Long. Curtis Nash and Marvin Brown had shown effective blocking during the game.

Head Coach James Williams commended 8th grade action.

"The 8th grade boys are doing a good job and are undefeated so far this year. If they can hold this up, it will be the first junior high team in a long time that has gone undefeated.

Seventh Grade Loses Game To Memphis

Wellington 7th grade football team dropped its game to the larger Memphis team 36-0 Thursday, Oct. 20 on Powell Field.

The game was 30-0 at half time, but Wellington held Memphis to only 8 points in the entire second half.

"We just didn't play very good," said Coach Tommy Johnson.

"If we hadn't been so far behind at halftime we would have had a chance to win, for we just kept on playing," the coach added.

Memphis players scored most of their touchdowns on runs around end, said Johnson.

This week, the Wellington 7th graders will play Clarendon on Broncho Field.

"We beat them the first time we played this year and we've been having some good workouts," said Johnson.

After the Clarendon game, Wellington 7th grade will end its season, against Panhandle, here Thursday, November 3.

Memphis Forfeits Game to Rocket JV

Memphis Junior Varsity Cyclone forfeited its October 20th game to the Wellington Skyrockets, Coach Carl Taylor reported.

School officials did not give a reason for the action when they called to inform Wellington coaches of their decision, he added.

"This week we meet Clarendon JV there. The first time we played them was in the first game of the season and they beat us 14-12. So we're looking for a pretty tight game," Taylor added.

The Junior varsity will close its season the following week, Thursday, Nov. 3 when Panhandle JV comes to Wellington and is the team that handed the Rockets a 32-0 loss early in the season.

They've got a very good team and that will be one of the toughest games we will play," said Taylor.

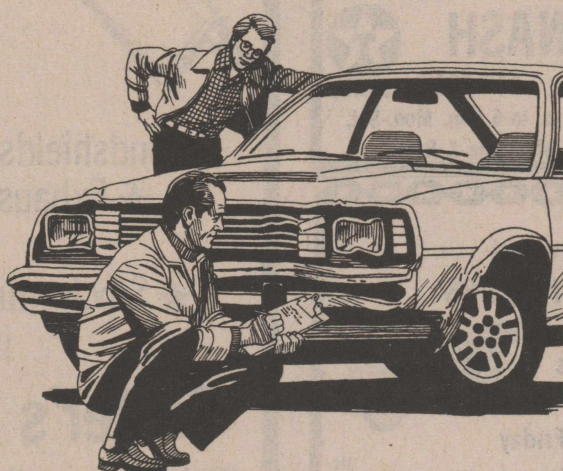

They have defeated most of the people they have played.

"If we can win these last two games, we will end our record 6-2-1," and that would be a good record," Taylor continued.

Right now, the Rocket JV record is 4-2-1, the team having defeated Shamrock twice, Quanah once and having the Memphis forfeit.

"Our backfield has been good all year along, and we have come through with some linemen we really didn't know we had. There are guys playing on the line who have never played in those positions, and they've improved.
