POLITICAL ANNOUNCEMENTS.

The News is authorized to announce the following candidates for the city election in April:

FOR CITY MARSHAL:
H. R. GERHARDT

We note that several business men of Canyon will always place an ad in any kind of a book that comes along. These same men always say "it don't pay to advertise" when we ask them for an ad for the News. It don't pay from their point of view. They place their advertising in a place where only a few people see it, and those who pay no attention to it. In the newspaper people are looking for ads, and they read every word in the ads. In the books very few people see the ads and fewer people pay any attention to them. The newspaper is the only advertising medium.

THE PARAGRAPHER.

It is time to start something in city politics.

I. L. Hunt is having some nice trees planted on the lawn of his new home.

The farmers of Randall county should get more sheep. There is no better place under the sun for sheep raising.

A large number of visitors will be in Canyon on March 4, and the city ought to be put in the best of condition.

A merchant remarked Monday: "A man who doesn't advertise is just like a dead limb on a tree." True enough.

The streets around the square underwent a good raking Saturday and Monday. Much rubbish was removed, and they now look fine.

County Clerk M. P. Garner is mighty proud of some recent pictures of his young son. M. P. says he is the finest boy in Randall county.

Mr. Bryan evidently feels something slipping. He is outwardly opposed to every proposed presidential candidate for 1912, unless it be Mr. Bryan himself.

The city authorities ought to get busy and make the telephone company clean up the remains of their old central on the east side. It is a disgrace to the city to let the rubbish remain there.

The two visiting committees from the legislature were agreeably surprised at the greatness of the West Texas State Normal College. Again we say, this will be the greatest Normal college in the state within five years. Everything is in its favor.

Summer Announcements Out.

The News office has been a busy place this week issuing the Summer Announcements of the Normal college. The booklet contains 12 pages, is printed on fine book paper with a Turkish Crash cover. The booklet is a very creditable one to the school.

Petition for Hall.

A petition for R. W. Hall, of Vernon, as judge of the new appellate court at Amarillo, was circulated among the prominent men of the city last week by John Knight, and a large number of signatures obtained. Mr. Hall is receiving the support of most of the Panhandle towns.

Commissioners Court Monday.

The commissioners court will convene next Monday morning for their regular quarterly session. Much business will be up for consideration.

Mrs. Hoover Entertained.

Mrs. Guy Hoover entertained a number of friends Tuesday night at "42" in honor of her friend, Miss Florence King, of Des Moines, Iowa. Very fine refreshments were served by the hostess.

Judge Buie Will Build.

Judge B. Frank Buie is making plans to erect a new residence on East Houston street this spring. The contract has not been let as yet for the building.

Notice.

The offices of the Light Company are now located in the Harrison & McAfee rooms on Houston street. Phone 165 during the day, and 170 after 6 o'clock p. m. in order to reach Manager Tom L. Miller. 4511

Off to Germany.

Paul, Fluegel left Tuesday morning for his old home in Germany where he will visit for two months. Mr. Fluegel has been here ten years and this is his first trip home. He secured his naturalization papers just lately.

Pug Cavett Signed.

Pug Cavett signed his contract last week with the Detroit American league, and will report for spring training on March 1st at Monroe, La. Cavett is the only left handed pitcher on the Detroit bunch this year, so will no doubt be given a chance in the game early in the season.

Ladies Aid Entertained.

The Presbyterian Aid Society was very pleasantly entertained Tuesday afternoon by Mrs. S. R. Griffin. After business was transacted, delicious refreshments were served by the hostess. The ladies all went home declaring Mrs. Griffin an ideal hostess.

Baptist Ladies Aid.

The Ladies Aid society of the Baptist church met Tuesday afternoon with Mrs. G. R. Reid. After the regular business meeting the company was entertained by a very fine reading by Mrs. Hill and a solo, "The Star of the East" by Selma Reid. Chocolate and cake was served. The society will meet next week with Mrs. H. J. Hall.

Junior Class Meets.

The Junior class of the Normal met at the Terrill home in a business and social gathering Saturday night. A very interesting program consisting of music, readings and speeches, was rendered. A few matters of business were then disposed of, after which light refreshments were served. Several amusing games were played, one especially to catch a member of the faculty. A number of friends and faculty were present to enjoy the evening with this popular class of the Normal.

A day coach is used for a lecture room, and in a baggage there will be excellent agricultural, dairy and poultry exhibits. The train will remain here about two hours and every farmer near Canyon should be at the depot promptly at 2 o'clock to hear the talks on farming, poultry, hogs and dairy produce.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Canyon City People Know How to Save It.

Many Canyon City people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when most all diseases and aches and pains due to weak kidneys can be quickly relieved by the use of Doan's Kidney Pills. Here is a Canyon City citizen's recommendation.

F. P. Simms, R. F. D. 1, Canyon City, Texas, says: "I used Doan's Kidney Pills and I found them good for lumbago and lameness across my loins. This remedy was obtained at Thompson's Drug Store and I have been convinced that it is alright. Several of my acquaintances have told me that they have used Doan's Kidney Pills with benefit."

VISITING COMMITTEE AT NORMAL TUESDAY

WELL PLEASED WITH THE WORK BEING DONE IN SCHOOL.

G. A. Craven, T. M. Johnston and Z. Broughton, From the House of Representatives Here.

The visiting committee sent out by the house of representatives for the purpose of visiting the West Texas State Normal college with the view of making recommendations as to the needs of the school, arrived in Canyon Tuesday, spending the day here, and returning to Austin on Wednesday morning. The committee was composed of Hon. G. A. Craven, of Cooke county, Hon. T. M. Johnston, of Parker county, and Hon. Z. Broughton, of Anderson county.

The committee arrived in Canyon Tuesday morning at 10:10 from Amarillo and were met at the depot by a committee of citizens composed of Pres. Cousins, L. T. Lester, L. E. Cowling, R. A. Terrill, Rev. L. A. Webb, L. G. Conner, A. S. Rollins, Dr. D. M. Stewart, J. E. Rogers, I. L. Hunt, C. Eakman, Harry Howell, Geo. A. Brandon, and C. W. Warwick. They were taken at once to the Normal building where the regular chapel exercises were being conducted by Prof. Stafford. The kindergarten which is being conducted by Miss Evans, was called upon for a few numbers on the program, all of which were very much enjoyed. T. M. Johnston was called upon by Pres. Cousins and Mr. Johnston responded by a short address in which he praised the work he had so far seen in the Normal and expressed a desire to aid the school in any way within his power. The committee was conducted about the building until noon, visiting the various classes and inspecting conditions in general.

In the afternoon the committee was taken to the canyons east of the city, and spent a very pleasant trip down into the gorges.

At 7:15 the faculty held an informal reception in the faculty room where the citizens of the city were given a chance to meet the committee. At 8:00 a very excellent program was given in

the auditorium. The room was filled with the faculty, students and town people, and great enthusiasm was manifested. The following program was rendered:

Song:—The Star Spangled Banner, By Students and Audience.

Invocation:—Rev. Chalmers Kilbourne.

Words of Welcome to the Visitors:—Pres. R. B. Cousins. Gleé Club.

Short Address:—Hon. G. A. Craven.

Short Address:—Hon. T. M. Johnston.

Song:—Male Quartette.

Short Address:—Hon. Z. Broughton.

Song:—Chorus, Students.

Song:—America, Students and Audience.

Benediction:—Rev. J. J. Hutchinson.

After the program a conference between the faculty, the local board and the visiting committee was held and the needs of the school presented and thoroughly discussed.

This was the first visit any of the committee had made to the Plains and all were well pleased with conditions they found here. They reported that the school was in excellent condition, far surpassing their expectations. They spoke very enthusiastically as to the future of the Plains and of the Normal. Expecting to see only a cattle country here, they were agreeably surprised to find such a fine agricultural country with so grand a climate. "The people of lower Texas do not know what a grand place you have up here," was the opinion of these gentlemen. "We are highly pleased with the conditions we find, both in the school and in the country," was the consensus of opinion.

The committee returned to their work in Austin Wednesday morning, well pleased with the treatment they had received in the city.

Mrs. Guenther Entertains.

Mrs. P. F. Guenther entertained a number of friends at her home on East Houston street. The game of the evening was "42." Refreshments were served by the hostess during the evening.

C. Friemel, of Umbarger, was a business caller in the city Monday and made the News a pleasant call.

NOR is the figure large when you buy your clothes from us. But we will not sell you poor clothes for any price.

Do you not need some real good, medium weight underwear? It will keep you warm now, and it will be worn thinner and then it will serve you in good turn early next fall.

\$2.50 will buy a good \$3.00 Munsing Union suit.

Come to our store and let us dress you from heels to hair.

SESAME-COUSINS ENTERTAINMENT

Open Program Given at the Auditorium Saturday Night.—Many Guests Present.

Saturday night the Sesame and Cousins literary societies entertained their friends at the Normal building in an open program. The program rendered was as follows:

Song—America.

Address by President—Henderson.

Vocal Solo—Miss Ellen Donald.

Reading—Bugg.

Duet—Misses Word and Conner.

Reading—Miss Grace Winkelman.

After the program the guests were invited to partake of the contents of a large punch bowl, and were then conducted to the reading room of the library and to the literary room where ten games of "42" were played. The guests departed one and all declaring the Sesames and Cousins to be royal entertainers.

New Copper Wire.

A new copper circuit will be strung by the telephone company from here to Amarillo at once. The company has two good iron wires between the two points, but the copper wire will render the service much better than in case of the iron. Work will be commenced at once and the company hopes to finish it within two weeks.

Mrs. H. Currie Dies.

Mrs. H. Currie died Tuesday at 8:30 o'clock a. m. at her home near Happy, Texas. The remains will be brought to Amarillo today and taken in charge by the Eakle Parlors. Mrs. Currie was well known in Amarillo. She leaves the following children, who are well known residents of this city: Thomas Currie, J. J. Currie, Mrs. Robert Smith and Mrs. A. H. Webster. The funeral will be held at Thomas Currie's residence, 1600 Van Buren street, Thursday morning at 10 o'clock by Rev. J. N. Ivy.—Daily News.

Married at Beaumont.

Word was received Monday by the News of the marriage of Miss Letitia Lancaster, formerly a teacher in the Randall County schools near Umbarger. The groom was Horace Williams, an enterprising young business man of Beaumont. The many friends of Miss Lancaster will wish her much joy in her new home.

Mrs. Griffin Entertains.

Mrs. S. R. Griffin entertained twenty ladies at her home on West Chestnut street Saturday afternoon. "42" and "500" were the games of the afternoon. The house was very beautifully decorated in cut flowers. The refreshments served by the hostess were very highly praised by the guests.

SENATE COMMITTEE SATURDAY.

Word has Been Received That They Will Reach Amarillo today—Program at Night.

It is not known definitely, but from present information, the visiting committee from the senate will arrive in Canyon tomorrow morning. Pres. Cousins has endeavored to find out the exact time of their arrival but has failed. Word from Senator W. A. Johnson stated they would be in Amarillo at noon today, and the Chamber of Commerce will attempt to get them to remain over night there. The faculty is planning on having the committee here tomorrow night and will give an entertainment similar to the one of Tuesday night. The committee is composed of Senators W. J. Bryan, W. A. Johnson, John L. Ratcliffe, V. A. Collins and C. V. Terrell.

Musical Feb. 8.

Americus (Kan.) Journal: The Townsend Co.—fourth number of the lecture course—entertained a large crowd Friday evening and was the best of any on the course. Each member of the company is an artist and their musical numbers show that they were the production of much training and careful practice. In other words, they are educated musicians. The program was pleasing throughout. Should this company give us a return date they would be greeted with a full house. This company will be in Canyon on Wednesday Feb. 8.

Merry Matrons Entertained.

The Merry Matrons were entertained Thursday afternoon by Mrs. H. A. Howell. "42" was the entertainment of the afternoon. Very delicious refreshments were served by the hostess. The favor of the afternoon was white carnations.

The Canyon basketball quintet cleaned up the Amarillo bunch last night by a score of 52 to 14. At no time were the visitors a very dangerous proposition for the local team.

The edition will contain sixteen pages, eight pages being devoted primarily to the development of Canyon and Randall county during the past year, and with a complete list of improvements made during the year. In a number of the surrounding towns the Commercial clubs have bought the seed and given it to the farmers. The Commercial Club being repaid when the crop was gathered. MAY PROVE FATAL.

When Will Canyon People Learn the Importance of It?

Backache is only a simple thing at first;

But when you know 'tis from the kidneys;

That serious kidney troubles follow;

That diabetes, Bright's disease may be the fatal end,

You will gladly profit by the following experience,

'Tis the honest statement of a sufferer who was cured.

W. M. Cutbirth, of Quanah, Tex., says: "I can say that the wonderful benefit I obtained from the use of Doan's Kidney Pills four years ago has proven permanent. I gave a public statement in favor of this remedy in 1905 and at the present time I am glad to affirm everything I then said. I was greatly troubled by too frequent passages of the kidney secretions and I gradually grew worse until I had scarcely any control over them. I became alarmed about my condition and hearing Doan's Kidney Pills so highly spoken of, I procured a box and began their use. They provide of great benefit and made me feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.
