Member OLTON Chamber of Commerce and Agriculture "Land Of Abundance" YEAR 1963

"HO HUM!" yawns "Meme" the Dachshunt, "being Pet of the Week bores me." "Yeah," sights "Bitsy" the Mexican Chihuahua, "I can't keep my eyes open." Only owner, James Lively, 11, shows any life at all. He's the son of Mr. and Mrs. J. D. Lively.

Council To Proceed On Annexation Plan

Progress Is Goal Of City Proposal

More detailed steps were outlined by city councilmen Tuesday night on annexing property along the north outskirts of Olton.

Councilmen heard Attorney Andy Stroebel explain that a city under 5,000 could legally extend corporate limits one-half mile but could not force incorporation.

Legal steps called for submitting a petition to persons living directly north of Highway 70 to determine if they wish to be taken into the city limits.

A majority agreement will result in a public hearing and the passing of an annexation ordinance.

"What if they don't want to annex?" one of the councilmen asked.

"Well," said the attorney, "they need to be aware we can't have good highways without gas tax, nor good schools without school tax, nor good sewage and water systems without taxation."

Stroebel said, "If the city furnishes free service on fire calls, police protection and telephone rates, it is only fair that all persons help pay their share."

"I can't understand how any small town can progress if taxes can't be imposed," said Dr. Basil Johns.

Mayor W. E. (Bill) Thomas said, "We don't want to cram annexation down their throats, but the majority needs to be kept happy."

Stroebel said, "For Olton to progress, we've got to push things. These little towns around us are outgrowing us." Dimmitt and Earth were given as examples.

Councilmen decided to proceed with annexation plans by measuring the land to be taken in. Facts will be presented to voters in the annexation area.

One of the councilmen said he thought there would be more people in favor of annexation than against it.

Councilmen moved to another item, the buying of a $1,500 automatic chlorinator for the city.

Dr. Johns moved that the city buy the machine and a majority of councilmen were in favor.

When the chlorinator is installed, Olton's water system will be state approved.

"We need this safety device on our water system," said Johns, "and it will be an asset to have it state approved."

Councilmen also voted to pay Gene Wilson $70 for the time he served as mayor. As a defacto officer, Wilson was entitled to the payment.

The city planners also discussed a school proposal to rope off the area between high school and junior high at noon hours.

Councilmen, however, decided to put up "stop for pedestrian in crosswalk" signs and have a police officer on duty each morning and each afternoon near the school zone.

Councilmen also denied services of a police car to accompany school buses to and from football games.

A councilman explained that would be a county or state job, since city police have no authority outside the city, unless in pursuit.

A motion also was made to repair the city well in southwest Olton. Work will begin Monday.

Coming in for discussion were paving projects being petitioned by city residents.

Councilmen said that any group of citizens who want paving and gutter work can contact the contractor who is to handle the FM 168 project.

Property owners will pay for paving and will have it done according to engineer's specifications.

Melvin McReynolds, CC-A manager, approached the council for financial assistance in getting an industrial development workshop brought to Olton.

Councilmen voted $250 for the project.

Purpose of the workshop is for trained industrial expansion personnel to meet with Olton leaders and find if Olton wants and is suited for industrial development.

The workshop will be promoted by the Olton Chamber of Commerce and Agriculture.

ONE, TWO, three--hike. Diane Malone, left, and Leslie Norfleet are two of the best female football players on their block. They can be seen any given day mixing it with male competitors in Johnny Lewis' front yard. That's Johnny over the ball. His parents are Mr. and Mrs. John E. Lewis. Diane is the daughter of Mr. and Mrs. R. W. Malone, and Leslie's parents are Mr. and Mrs. Owen Norfleet.

Hart Gets 1st Castro Cotton Bale

Castro County's first bale of cotton for 1963 rolled into Hart Wednesday morning, delivered by Homer Hill Farms to Hart Gin Co.

By 9:30 a.m., the ginning was complete and the bale was on its way to Dimmitt to qualify as the county's first.

Only Monday evening, the first grain of the season was delivered in Hart, by A. W. Shelley to Hart Grain Co., Inc.

First cotton of the year was pulled from a Hill Farms patch two miles northwest of Hart.

Bill Hill delivered a 1700-pound load of Gregg cotton which was planted April 25-26. The land was pre-watered and the crop had one irrigation and no fertilizer.

The 1700 pounds of lint cotton was ginned in 12 minutes and brought a 415-pound bale, plus 750 pounds of seed.

Ginner Roland Shepard paid a premium of 50 cents a pound for the 415-pounder, along with $100 a ton for the seed, amounting to $245. He also gave free ginning.

First grain was a 5,000 pound load which rolled into Hart Grain Monday night about 7:30. Shelley delivered another 15,000 pound load Tuesday morning. Moisture content on the first jag was 14 per cent. It was 14.5 on the 15,000-pound load.

Hart Grain paid a premium of $2.00 per cwt. for the first load and gave Shelley a new Stetson hat to boot.

Whirlwinds To Invade Olton Stadium Friday

The Floydada Whirlwinds will blow into town Friday night for an 8 p.m. football game with Olton's Mustangs. Both teams are unbeaten in their first outing.

Local fans will get a good look at fleet-footed halfback Vernie Moore, a 140-pound senior who led the attack last week against Spur.

The Whirlwinds routed Spur 44-0, and used second stringers almost the entire last half.

Moore scampered for two touchdowns and threw for another in the two quarters he played.

He has a running mate in Keith Teague, a quarterback who likes to keep the ball.

The signal caller did considerable damage to Spur as he galloped for two touchdowns and threw two conversion strikes. One of Teague's touchdown runs was for 45 yards.

Another standout player for the visitors is Sammy Watts, who runs from a tailback position. Last week another offensive punch was added by James McNeil, who kicked six extra points.

James Golightly, a Whirlwind captain along with Moore, is a defensive standout.

At the beginning of the season the Whirlwinds were reported to be weakest at tackles, but Spur wasn't able to cross the 50-yard line until the third quarter.

Olton has beaten Floydada only twice in the last 10 years, once in 1956, 34-13; and again in 1960, 22-12.

Last year the Mustangs came out on the short end of a 28-12 encounter.

In the last four years Floydada has lost only five regular season games. Their record last year was, 8-2.

Olton Head Coach Walter Bryan said, "I think we can do better Friday than we've done against them over the years. They're tough, but if we can keep our boys up and keep them hitting, we'll be ready for them."

Bryan hopes to have Captain George Jones running at full speed this week. The athlete is still recovering from a pre-season injury and saw little contact last Friday.

The head mentor said at Monday's Quarterback Club meeting that he intends to move Richard Hall to quarterback and switch Joe Priest to a running back.

Jones and Joe Costello will round out the backfield.

Olton's lineup for the Floydada game stacks up like this:

Clyde Gallaway, 160; and Darrell Glover, 170; at ends.

Daniel Rey, 175; and Don Mitchell, 195; at tackles.

Leon Kendall, 170 and Dennis Givens, 190; at guards.

Billy Carson; 180 at center.

Joe Costello, 180, a fullback.

Joe Priest, 140; or Richard Hall, 150; at quarterback or halfback and George Jones, 160; at halfback.

Lawson Boy Recovering

Gary Lawson of Olton is reported to be rapidly recovering from injuries received in an auto accident which occurred last week near Taos, New Mexico.

The college senior is said to be up and around and was brought home Friday. He was unconscious for several days.

His mother, Mrs. Drexel Lawson, said her son's head injury is almost completely healed. A broken wrist still requires medical attention.

Lawson had to have his wrist rebroken and set again this week by a bone specialist in Lubbock.

IN DOGHOUSE WITHOUT CAT

Be on the lookout for a Siamese cat that answers to the name of Tiger. It could mean a reward to the finder.

Mrs. Fred Thompson said the cat may have been sold by mistake. And if that's so, here's the way it happened.

Thompson, from time to time also sells assorted used cars, and he's been known to have sold his golf clubs with one and encyclopedias inside another.

His wife said it was difficult to know what's inside a trunk after a vehicle is around the house for awhile.

Anyway, Tiger may have crawled himself inside a car sold to Percy Parsons and been ported away.

Mrs. Thompson is offering a reward for return of the six-month-old cat. And she's optimistic about his return--after all Fred's golf clubs and the encyclopedias came back.

QB Club Plans Booster Line For Mustangs

The Olton Quarterback Club will form an escort line Friday night through which Olton's Mustangs will enter the playing field against Floydada.

A decision to form the booster alleyway was agreed on Monday night by QBC members.

At the meeting, Olton football players also introduced their parents then everyone settled back to watch a color film of the West Texas State-Ohio University, Sunbowl game.

Next week's program will be a showing and narration of both the Abernathy and Floydada games. Coach Walter Bryan will do the narration.

The Club also voted to install a "Buddy System" to encourage more participation in the booster organization. Telephone calls will be made, reminding people of Monday night rallys.

Refreshments were served at the meeting and will continue to be served at remaining sessions.

FRIDAY 13TH IS LUCKY DAY!

Friday the 13th isn't unlucky!

In fact, it's a lucky day in Olton.

Lucky day for shoppers, that is.

The number 13 has been used by 12 Olton merchants to set up some outstanding bargains for shoppers on Friday the 13th only.

For instance, one store plans on selling an item at regular price and letting another of equal value go for just 13 cents. Another place of business plans a 13 per cent discount on everything in the store, for the one day only.

There are several good buys for just 13 cents.

The participating merchants are Bizzell's, Kelley's, Consumers, Higginbotham-Bartlett, Whittington's, White Auto, Walter's Dept. Store, J. C. Jones Co., Olton Drug, Superior Cleaners, House of Flowers and Parsons Furniture.

Turn to page 10 for the details. Friday the 13th can be your lucky day!

Women Dominate In First Enterprise Grid Contest

The women grabbed most of the money in the first football contest of the year last week.

Mrs. Melvin Souter took the top prize by guessing correctly on 13 of the 15 games carried in the contest.

She barely edged Mrs. Roy Long, who also missed just two games.

Mrs. Souter's guess on the Olton-Abernathy game was 13-7, Olton, making her 22 points off on the tie-breaker. Mrs. Long guessed it 12-7, making her 23 points off.

Jerry LaFrance salvaged third place for the men, missing only three games and being just six points off on the tiebreaker with a guess of 28-8, Olton.

Mrs. Souter will receive a check for $10, while Mrs. Long will get the $6 second prize. LaFrance will get third place money of $4.

Jerry beat out nine other contestants who missed only three games.

They were James Hall, Bailey Hair, Neil Wells, Ira Foster, Clyde Gallaway, Darrell Glover, Melvin McReynolds, Pat Phillips and Mrs. Pat Blessing. All missed the tie-breaker by a larger margin than Jerry.

Another contest is under way this week.

It's easy to enter....just pick up a copy of the Sept. 5 Enterprise, circle the teams you think will win and turn your entry in to one of the merchants sponsoring the contest.

Deadline for entering the contest this week is 4 p.m. Friday.

Water Supply Will Be Low

Olton city residents this week were asked by Water Supt. W. F. Williamson not to water their lawns or use excessive amounts of water Monday and Tuesday.

The plea was made to safeguard running out of drinking water during repair work on a city water well in southwest Olton.

Williamson suggested that water be used only for household use, saying that only one well would be in operation Monday and Tuesday.

City officials believe work will be completed by Wednesday.

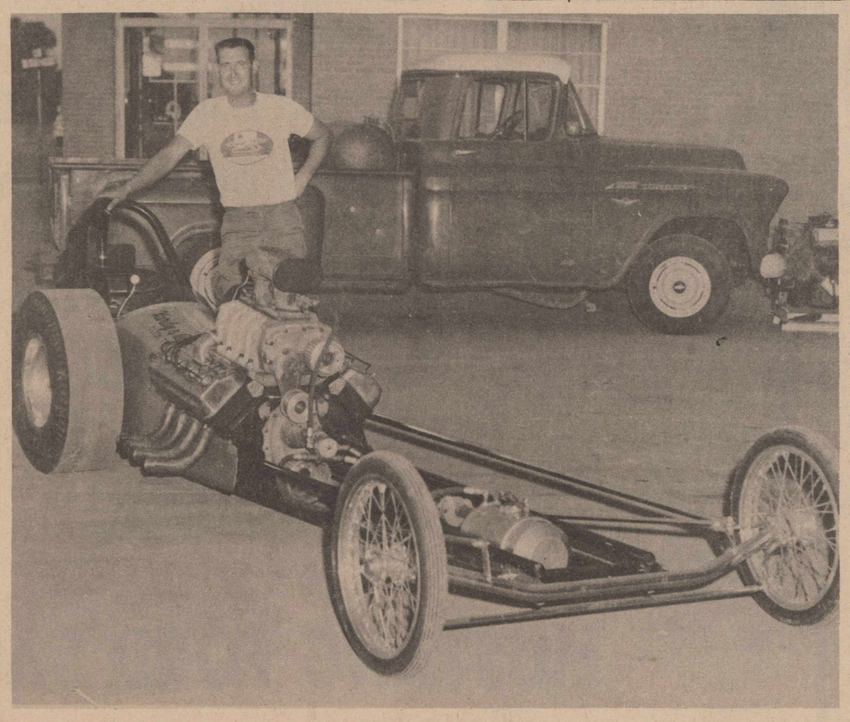
Peerless Pump Company of Plainview is contracted to do the work, which may include lowering the hole another 30 feet.

Williamson said the decision to deepen the well will depend on its water level.

No repair work has been done on the structure since 1955 when it was dug.

The Water Supt. said the well, which is set at 150 feet, is pumping only 500 gallons a minute and should be pumping closer to 1,000 gallons.

Estimated cost of materials for the overhual is $830, with labor costs to be determined by the extent of needed repairs.



DON HARDY displays the racer he has been using in recent months to cop prizes. He hopes this one can be developed into the top eliminator, no matter what competition it hits.

Olton Man Hopes Racer Will Be Top Eliminator

Some people like to thrill to the excitement of horse racing. Others like to wrap themselves in the fervor of football.

But Olton's Don Hardy, 23, gets his kicks from working on and racing high-powered hot rods.

"I've always tinkered with cars, and I started racing them five years ago," tells Hardy.

The Olton man, who last week entered his sleek racer in the American Hotrod Association Nationals, has won an assortment of local races.

At the Labor Day race last weekend, his racer developed engine trouble and Don could not compete.

In the last four weeks the racer has been out, it has been top eliminator. It won the title once at the Amarillo drags and once at Hobbs.

A top eliminator is a car which beats all others.

The best time turned in by the 800 horsepower, 414 cubic inch supercharged racer is 173 miles per hour in a quarter of a mile. Time elasped was 8.90 seconds.

Don Bunch of Amarillo does most of Hardy's driving.

Don't get the idea these boys race just for fun. They're professionals, competing with the world's fastest racers.

Hardy said he sometimes wins from $100 to $200 a week with the top eliminator in the smaller races. "In a way, I combine sport and business," said the Olton mechanic.

Last year he won more than 30 races.

The record on a similar-make racer to that of Hardy's is 180 miles-an-hour, turned in 8.60 seconds on the quarter.

For those who think racing isn't expensive, Hardy has $3,000 in parts alone tied up in his racer. He does all his own mechanic work.

"Most of the racers like mine usually are priced from $5,000 to $6,000, said Hardy.

The high-powered machines are built for speed, sleek in design, large back wheels to cover more g round, and equipped with superchargers and fuel injections.

The vehicle has no radiator and only one forward gear.

Hardy said his racer burns air and gas and that he will make the switch to alcohol and methnol when the racers handles "exactly right".

"The methnol or alcohol burns slower," told Hardy, "but it has lots more power than gas."

The frame on Hardy's racer was built in California. "There is a man out there in the business of building frames," said Hardy, "and he makes them plenty strong and safe."

Hardy said he wanted the best and safest chassis he could buy, one that would get the power to the ground.

"Anyone," added Hardy, "can make a racer go 180 miles an hour, but everyone can't drive it. There's no time to make decisions. I'd say 50 per cent of the time it's a driver's reaction which wins the race."

Seniors Elect

The Senior Class of OHS met Wednesday, Sept. 4, in the library and elected officers

Officers elected are President, Clyde Gallaway, Vice President, George Jones, Treasurer, Elaine Lewis, Secretary, Maxine Schaefer and Reporter, Gayle Nicholas.

Seniors received their class rings Tuesday, Sept. 10.

The Olton Enterprise

Published each Thursday at Olton, Texas.

Subscription rates: $3.50 per year in Lamb and neighboring counties; $5.00 per year elsewhere.

Entered as second class matter at the post office at Olton, Texas, under the act of Congress, March 3, 1897.

Gayle Machen Will Edit The Toreador

LUBBOCK--One of the few woman editors in the history of Texas Tech's campus newspaper, Miss Gayle Machen, daughter of Mr. and Mrs. J. M. Machen of Olton, will be in charge of the Daily Toreador beginning Sept. 16.

Miss Machen, senior journalism major, has been named editor of the Toreador, according to Phil Orman, director of student publications.

Miss Machen was appointed by the student publications committee after the resignation of Lew Bullion of Lubbock, who had earlier been designated as 1963-64 Toreador editor.

Orman said, "I was certainly sorry that we had to lose Mr. Bullion; but I feel we can expect the same quality results from Miss Machen, and that the Toreador will continue its forward progress under her leadership."

Miss Machen was graduated from Olton High School and attended Hardin-Simmons University in 1960-61. She worked with the Olton Enterprise in the summers of 1960 and 1961, and was sports editor of the Hardin-Simmons campus newspaper while attending there. In the spring and summer of 1962 she was public relations director for the Abilene United Fund drive.

GAYLE MACHEN

Miss Machen came to Tech in the fall of 1962, serving as Toreador copy editor that semester and as assistant managing editor in the spring of 1963. She had accepted the position as managing editor of the 1963-64 Toreador prior to Bullion's resignation.

The new editor received a summer journalism internship for 1963, and worked as a reporter for the Amarillo Globe News until Aug. 17.

She was a delegate to the national convention of Theta Sigma Phi, national honorary for women in journalism, Aug. 21-24 in Cleveland, Ohio. She is secretary of the Tech chapter of Theta Sigma Phi for the coming school year.

When Miss Machen assumes her duties for the first issue of the Toreador, Sept.16, she will become the sixth woman to be editor in the 38-year history of the paper. Most of the previous women were editors during war years when there were fewer men students at Tech.

Miss Machen said, "With the staff I'll have working with me next year, I anticipate publishing a newspaper that will meet the needs of our student body and one that will set a pace of progress for our fast-advancing university."

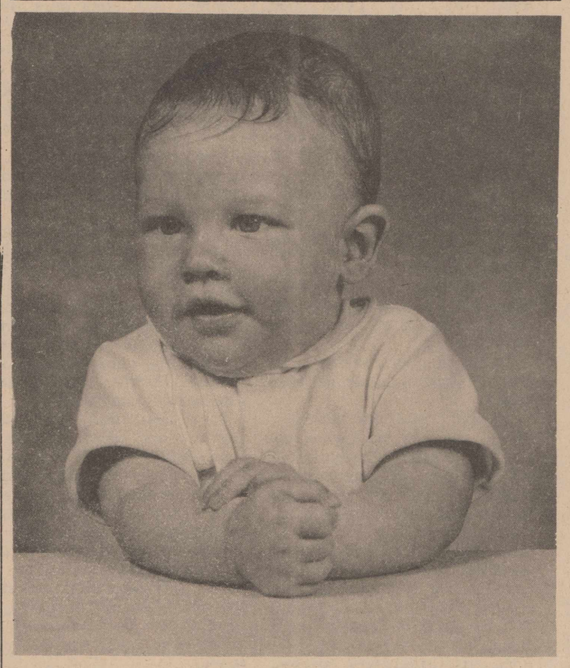
OHS Sophomores Elect Officers

Sophomore class officers were elected at Olton High School Thursday, Sept. 5, taking over class leadership roles for the coming school year.

Elected President is Steve Moss. Other officers are Joe Priest, vice-president; Belva Howard, secretary; Jackie Burkhalter, treasurer; Steve Huckabee, parliamentarian; and Kathie Kidd, reporter.

Susan Norfleet and Tommy Hall were elected as student council representatives.

High heels were originated by Louis XIV, who wore them because he was so short.



OLTON PRESENTS Larry Bearden, son of Mr. and Mrs. Royce Bearden. Grandparents are Mr. and Mrs. Elbert Hyman and Mrs. Faye Bearden, all of Olton.

WEEKEND VISITORS

Visitors over the weekend in the M. T. Bagley home were her sister, Mrs. Tom Parker and daughter from Harlingen, and Mrs. Parker's daughter from Big Spring. Mrs. Bagley's brother, Mr. and Mrs. W. Z. Butler of Canyon were also guests.

VISITS BLACKWELLS

Mr. and Mrs. Larry Cunningham and children of Fritch were guests in the L. A. Blackwell home over the weekend. The Blackwells visited in Plainview Sunday night with her sister, Mr. and Mrs. J. C. Measles.

ALPINE VISITORS

Mrs. G. A. Bodkin and Mrs. Elsie Petty visited in Alpine with Mrs. Petty's daughter, Mrs. Sammy Slover, who has recently had surgery.

BURROWS VISITORS

Mr. and Mrs. E. E. Burrows had as guests over the weekend, her parents, Mr. and Mrs. Frank Conard, Hart, and her sister, Mr. and Mrs. Ralph Higdon, Amarillo.

VISIT GRANBERYS

Mr. and Mrs. C. M. Owen, Mrs. Paul Burrus, Mrs. E.C. Jones and Mrs. Deryl Machen and children visited Mr. and Mrs. D. M. Granbery, Monday at Kress.

OFFICERS OF THE NEWLY organized Young Homemakers Chapter are left to right, front row, Mrs. Dean Bradley, advisor, Mrs. Billy McAlister, president, Miss Doris Thurman, advisor. Back row left to right are Mrs. DeVurn Mandrell, membership chairman, Mrs. Landon Smith, reporter-historian, Mrs. Garner Ball, first vice president and Mrs. Leslie Kennedy Jr., secretary-treasurer. Leah Cross, parliamentarian, and Mrs. Sammy Thomas, second vice-president, are not shown.

Full Program Planned For HPRF Field Day

A full program of activities is set for Friday afternoon, Sept. 13, at the annual High Plains Research Foundation Field Day in Halfway.

The announcement was made by Dr. Earl Collister, foundation director.

Guests will see displays of the running water draw conservation program, displays of new cotton materials by the Plains Cotton Growers, Inc.

Killgore Memorial office building and laboratory and the Jim Hill Greenhouse and take a walking tour of identified trees and shrubs.

New developments in chemical weed control in cotton will be observed and discussed. Herbicidal chemicals when properly used offer great possibilites for the reduction and elimination of hand hoeing.

Other features of interest to farmers of the area will include sorghum midge research broadcasting planting of cotton, Verticilium wilt, tolerant lines of cotton, water stretching irrigation methods, and many other new developments in the production of cotton, sorghum, soybeans, castor beans, sesame and vegetables.

There will be six stops on the tour where members of the High Plains staff will explain research underway.

A fish and barbecue dinner will start at 5:15 p.m., directed by the Lions Club.

Congressman Georgh Mahon will give the main address.

The program will end at 7 p.m.

BROTHER VISITS

Mr. and Mrs. Raymond Lewis have had as a guest in their home recently her brother, Donald R. Lilley, who is stationed at Fort Jackson, S.C., with the army. He is also visiting with his parents at Sunnyside.

Dairy Mart Under New Management

The Dairy Mart will open under new management Friday.

Now operating the business are John Fletcher and his daughter, Lorene Neuwirth, formerly of Muleshoe.

Free coffee and cold drinks will be served from 10 a.m. to 6 p.m. Friday.

Fletcher and Mrs. Neuwirth have established their residence here. Mrs. Neuwirth has three children, Judy 12, Johnye 10, and Jerry, 3.

The Dairy Mart will be open daily from 10 a.m. to 11 p.m., Fletcher announced.

ATTEND HOMECOMING

Mr. and Mrs. Gene Reynolds attended Homecoming activities in Dimmitt Saturday. He is a graduate of Dimmitt High School.

Teachers Reception

The annual teachers reception, sponsored by the PTA was held in the school cafetorium last Thursday night.

Background music was provided by Harold Carson with Rev. Cecil Hardaway giving the invocation.

Leader for the occasion was Mrs. Lacy Armstrong. She introduced Mrs. Ed Thompson, PTA president, who gave the welcome.

Mrs. Thompson said, "Today our nation is embarked on a great effort to educate every child to his top-most ability. But teachers cannot do this alone--we as parents must help.

Co-operation of teachers and parents is our best hope for helping every child grow steadily and surely toward moral and intellectual excellence.

"As we think of our children entering our schools this year, we are reminded that this is another year of challenge and opportunity that God has granted us. We hope and pray our best will be good enough," she continued.

Mrs. Thompson closed by saying "We look forward to being associated with you in PTA this year."

Mrs. John Campbell presented the response.

Superintendent Johnny Clark Jr., introduced principals, Joe Turner of the high school, Carl McClure, junior high and Fred Gordon, elementary. The principals introduced teachers from their schools.

Officers of the PTA were introduced by Mrs. Thompson.

A friendship hour allowed the program. Children were entertained in the junior high gym.

Next meeting of the PTA will be Thursday, Oct. 3, at 8 p.m. in the school cafeteria.

SON VISITS

Mr. and Mrs. James (Sonny) Bryant have returned home after visiting a few days in his parent's home. Sonny is a senior zoology major at A&M College. He hopes to get his Masters Degree in microbiology.

ACCEPT EMPLOYMENT

Miss Linda Kay Price, daughter of Mr. and Mrs. Curtis Price and Miss Deanna Farrar, daughter of Mr. and Mrs. Frank Farrar have accepted employment with Southwestern Bell Telephone Company of Lubbock. Both are 1963 graduates of Olton High School.

News Of Interest To Women

MRS. GLEN EXTER

Recipe Of The Week

Mr. and Mrs. Glen Exter, and son Steve have recently moved into a spacious new home five miles west of Olton. They like living in the country.

Mrs. Exter has spent most of her life on the farm and likes it very much. Her husband has farmed but now sells insurance.

One of Mrs. Exter's pastimes is bowling and she participates in a local bowling league. She also enjoys reading.

The Exters attend the Church of Christ, and she teaches a Sunday school class.

She likes to entertain and has found her new home ideal for it.

Mrs. Exter is the daughter of Mr. and Mrs. H. M. Langford.

Her recipe for Hominy Casserole is quick and her family likes it very much.

HOMINY CASSEROLE
1 pound ground meat
1/2 cup chopped onion
1/2 cup chopped green pepper
1 cup canned tomatoes
2 cups hominy
1 tsp. salt

Brown onions in small amount of grease, add meat and brown slightly. Add other ingredients, mixing well. Put all in baking dish and bake in moderate oven for one hour.

Remove from oven and add one cup of grated cheese on top.

Fish Fry Fetes Gary Johnson

A fish fry honoring Gary Johnson who left Sunday for college was held in the home of his brother, Mr. and Mrs. E.W. Johnson, Saturday night.

Attending were Mr. and Mrs. L. A. Johnson and family, Mr. and Mrs. J. A. Johnson all of Olton, Mr. and Mrs. H. M. Schwab and sons, Sam Roden, Alton Thomas and Kathy White all of Plainview, Stacy Givens, Halfway and Barbara, Shirley, Cynthia and Stevie, children of the hosts.

The fish were caught by Gary in the Salmon River at Challis, Idaho.

Pink and Blue Shower Planned

A pink and blue shower will be held Tuesday, Sept. 17, at 2:30 p.m. in the PCA building, honoring Mrs. Donnie Lawson.

Everyone is invited.

Sunday School Class Meeting

Mrs. Velma Baker of Springlake was hostess Tuesday to the monthly Homemakers and Sunday School class meeting in her home.

Mrs. Louise Alair, president presided over a business meeting and Mrs. Baker read a passage of scripture.

After business, Mrs. Alair presented Mrs. Baker a gift of appreciation from the class for being their teacher.

Coffee, Cokes, and sweet rolls were served to Mmes. Dot Parish, Delma Clayton, Betty Matlock, Dimples Sanders, Hugh Watson, Doris Sanders, Kate Stewart, Alair and the hostess.

JANE ANNE STEFFEY

Wedding Plans Announced

The engagement and forthcoming marriage of Miss Jane Anne Steffey to John Wayne Hair is announced by her mother, Mrs. Lelan Vern Steffey Sr.

The late Mr. Steffey was a former Olton businessman.

Parents of the prospective groom are Mr. and Mrs. Wayne Eldon Hair.

The bride-elect is a 1962 graduate of Druid Hills High School, Atlanta, Ga., and attended Georgia State College. She was formerly employed with the Trust Company of a Georgia Bank.

Mr. Hair is a 1960 graduate of Olton High School and attended West Texas State University.

Vows will be exchanged Oct. 11 in the home of the bride-elect's mother with the Rev. Laverne Laing of Frederick, Okla., cousin of the bride, officiating.

New Century Opens New Year

New Century Study Club held their first meeting of the year Wednesday, Sept. 4, at 2 p.m. in the home of Mrs. Elmer McGill.

Mrs. Don Spain, president, addressed the group at the first gathering, which is the President's Tea.

A preview of the yearbook was presented by Mrs. Gilbert Roberson.

Fruit salad, crackers, coffee and tea were served by the cohostess, Mrs. Archie Sorley to the following:

Mmes. Wilton Bodkin, J. C. Brown, Bob Burgess, George Caddel, Johnnie Clark, M. C. Church, Bill Dickenson Jr., C.J. Dorris, Forrest Latimer, Elmer McGill, Gilbert Roberson, Roy Roberts, A. J. Spain, Don Spain, Frank Struve, Ed Thompson, Fred Thompson and Bill Turner.

Next meeting of the club will be Wednesday, Sept. 18, at 8:30 a.m. in the community room of the PCA building.

Meeting Held By Girl Scouts

Girl Scout Troop 50 met Monday afternoon at 3:45 in the Scout House to begin a new year of activities.

The girls meet each Monday at 3:45 p.m. at the Scout House, and any girl in the fifth or sixth grades who is interested is invited to join. Girls need not have been in a Scout troop before.

Sponsors of the troop are Mrs. Buster Nicholas and Mrs. F. B. Coleman.

Pep Squad Holds Meeting

Olton Pep Squad met Thursday, Sept. 5, at 4 p.m. in the high school gym with business consisting of paying dues and discussing activities for the coming year.

The cheerleaders demonstrated new yells which will be used throughout the year.

Terri Miller, Lindy Ray, Rita Harper, Sharon Busby, Brenda Hyatt and Carolyn Bley made posters for this week's game.

Homemakers Hold Meeting

Olton chapter of Young Homemakers of Texas met Tuesday, Sept. 3, at 8 p.m. in the homemaking cottage for a regular meeting.

During the business meeting Mrs. Billy McAlister, president explained purposes of the newly organized club to members.

Two officers were elected, Mrs. Sammy Thomas, 2nd vice-president and Mrs. Leah Cross, parliamentarian.

The Area I convention of Young Homemakers will be held at Edgemere Elementary School, Plainview, Saturday, Sept. 14 at 1 p.m.

A banquet will be held at Estacador Junior High, Plainview, at 7:30 p.m.

Attending were Mmes. Robert Meinecke, Sammy Thomas, Landon Smith, Billy McAlister, Garner Ball, Leslie Kennedy Jr., DeVurn Mandrell, and advisors Mrs. Dean Bradley and Miss Doris Thurman.

Next meeting of the local group will be a membership tea to be held Tuesday, Sept. 17 at 7:30 p.m. in Fellowship Hall of Methodist Church. Anyone interested is invited to attend.

Baby Shower To Be Held

A pink and blue shower, honoring Mrs. C. W. Leathers, will be held Tuesday, Sept. 17, at 3 p.m. in the home of Mrs. Billy Griffith.

Everyone is invited.

Student Council Begins Planning

OHS Student Council members began planning this week for the 1963-64 term as representatives met for the first regular session of the school year.

Councilmen decided to sell Christmas cards, homecoming pins and year pins to raise money for projects.

They also decided to sponsor a homecoming parade this year. Each entry in the float will be charged in an effort to raise money for prizes.

Class representatives on the council are:

Seniors: Bill Cox and Margaret Schaefer.

Juniors: Coye McGill and Darrell Glover.

Sophomores: Susan Norfleet and Tommy Hall.

Freshmen: Valda Jones and Harry Thomas.

CARD OF THANKS

We would like to express our thanks and appreciation for the cards, letters, telephone calls and visits during the hospitalization of our son. In such moments, we learn the real meaning of having friends and loved ones.

Mr. and Mrs. Drexel Lawson and Gary

RETURN HOME

Mr. and Mrs. H. B. Carson have returned from an extended trip to Colorado. They spent several days at Glenwood Springs fishing and enroute home visited her autn, Mr. and Mrs. George Vanderhoof, Limon, Colo.

WEEKEND VISITORS

Mr. and Mrs. J. W. Harrison had as guests over the weekend their daughter, Mr. and Mrs. Dale Breggren and children, Gary and Susie and Debbie Grisham all of Farwell.

DOTTIE TROYLENE DIGBY

Engagement Is Revealed

The engagement and approaching marriage of Miss Dottie Troylene Digby to Tony Poston is told by her parents, Mr. and Mrs. Troy Digby.

Parents of the prospective groom are Mr. and Mrs. A.T. Poston of Plainview.

A November 3, wedding is planned in the home of the bride-elect's parents.

The bride-to-be attended Olton schools and the future groom is a 1963 graduate of Plainview High School. Poston is employed at Baker Castor Oil Co. Plainview. The couple will make their home in Plainview.

VISITS GIVENS

Mr. and Mrs. Kenneth Williams, Littlefield, were visitors over the weekend in the home of her parents, Mr. and Mrs. D. L. Givens.

STAMFORD VISITORS

Mr. and Mrs. R. W. Green had as guests over the weekend her aunt and uncle, Mr. and Mrs. Melvin Morgan and daughter, Mrs. Allan Fowler, all of Stamford.

COUSINS VISIT

Mrs. C. B. Hines has had as guests in her home her cousins, Mrs. W.B.McAdams, Muleshoe, and Cliff McAdams of Mississippi. The Clarence Masons were Sunday dinner guests in the Hines' home.

CARD OF THANKS

We want to thank our many friends for their cards, flowers, prayers and gifts during my surgery and stay in the hospital.

Clinton Billingsley and family

PICTURED ABOVE are presidents of Olton's four study clubs. From left they are: Mrs. Glenn Singleterry, Olton Study Club; Mrs. B. G. Thomas, Bykota; Mrs. Don Spain, New Century and Mrs. Lennon Young, Kimichi, Olton's recently formed study club.

SON VISITS

Mr. and Mrs. M. E. Taylor had as guests over the weekend their son, Mr. and Mrs. J. D. Taylor and family of Clovis. Several relatives from Olton also visited in their home.

COLLEGE BOUND

Gary Johnson, son of Mr. and Mrs. J. A. Johnson, left Sunday for Abilene where he will enroll as a sophomore at Abilene Christian College.

VISIT SON

Mr. and Mrs. J. A. Johnson and Gary and Mr. Johnson's sister, Mrs. Fannie Roberts of Erick, Okla., have returned from a visit with their son, Mr. and Mrs. Bobby Johnson and daughters in Challis, Idaho. En-route they stopped at Royal Gorge and did some trout fishing in the Salmon River.

MULESHOE VISITORS

Mr. and Mrs. A. D. Adams visited in Muleshoe last Friday with her sister, Mrs. W. F. Lancaster.

First attempt by Americans to find the North Pole was made in 1753 from Philadelphia.

U.S. President William Henry Harrison died only one month after his inauguration.

The U. S. Constitution was ratified 12 years after the Declaration of Independence.

CUT and TILL
CUTS • SHREDS
CHOPS • TILLS
PAT. PEND.

An exclusive Cutter-Tiller Combination that performs four basic farm operations simultaneously at high speed and low acre cost.

What CUT-AND-TILL Will Do

CUTS AND SHREDS—The Rotary Cutter is equipped with two 65-inch Spring Steel Blades one above the other and which mesh with shredder bar. They will cut and shred any crop — cotton, corn, milo, tobacco, all vegetables, etc.

CHOPS ROOTS—The Tiller Blades slice four to five inches below the ground level. Roots are destroyed, regrowth is stopped. Hibernating material for pink boll worm, weevils, corn borer, etc. is eliminated to reduce following year's infestation.

TILLING ACTION—An area 12 inches wide on two rows is thoroughly tilled. A second crop can be planted without interference with planter, fertilizer or cultivator.

ADDS HUMUS TO SOIL—Powered blades' action incorporates vegetable matter with soil; decomposition is quick; soil is mellowed, water absorption increased.

There is no farm tool that will do so much, so fast as CUT-and-TILL. It saves time, cuts labor costs, improves insect control—and all this adds up to more money, more profit FOR YOU.

ED THOMPSON IMPLEMENT

HWY. 70 OLTON

We Congratulate
COTTON GROWERS

COTTON PRODUCERS INSTITUTE
RESEARCH PROMOTION
NATIONAL COTTON COUNCIL OF AMERICA

For their work to expand Markets and Profits through Sound Business Methods.

THE COTTON PRODUCERS INSTITUTE

Research

The Institute funds are actively at work in key research projects aimed at:
1. Easing the cost-price squeeze on cotton growers by reducing costs and improving raw fiber quality; and
2. Producing new or improved cotton products.

Outstanding research organizations are working on Institute projects. In many cases, the projects are attracting funds from other sources, thereby boosting cotton's total research effort.

Promotion

The Institute is operating a hard-hitting advertising campaign to sell products made from cotton. It is aimed mainly at the U. S. housewife who buys most of the textile items used by the family. In addition, the Institute is telling garment manufacturers, retailers and others how advertising by cotton growers is helping them stimulate sales of cotton products.

We Heartily Endorse this Concept of a Self-Help Program

By voluntary participation in the Institute, cotton growers are demonstrating their ability to build for themselves a lasting and promising future in cotton. Every dollar goes for operating research and promotion programs — there is no overhead. The Institute deserves the wholehearted support not only of all cotton growers but all people in cotton communities. Organized research and promotion can increase markets and profits for cotton — the key to the economic health of this area.

2 ½ Miles East Of Plainview

Ponies Belt Abernathy

Priest, Costello Score Twice In Victory

Put Olton Mustangs of 1963 down as a bunch of opportunists.

They won't be the fastest, biggest or toughest team around this year but they showed Friday night they will use the element of surprise and take advantage of the breaks when they can.

The Ponies outfought a determined, but outclassed Abernathy team on the Antelopes' home ground Friday night, 28-14.

Coach Walter Bryan's gridders passed when the Antelopes expected a ground play, ran when things looked like a pass, and garbbed off Antelope fumbles and stray passes when it counted.

One of the big surprises for Abernathy came the first time the Mustangs got the ball.

Joe Priest, who was to score twice during the night, took off around his right end. When the Antelopes came up to defend, he lobbed the ball to End Darrell Glover on a play that carried 41 yards to the Abernathy three.

From there it was easy as Fullback Joe Costello blasted in for the touchdown.

In the second quarter, after Abernathy had tied the count at 7-7, Priest started to his left, as though to pass.

Finding no one open, the lean Pony runner scampered 44 yards to the Abernathy 7. Two plays later he carried for the TD.

The Mustangs took the second half kick-off and marched up the middle, with Costello doing most of the carrying.

With the Antelopes pretty well adjusted to this style of play, QB George Jones surprised them with a second-down pass to Priest for an 11-yard touchdown.

Toward the end of the third quarter, guard Leon Kendall, playing tough on defense garbbed an Abernathy fumble at the Olton 41.

Costello carried the ball three times for a total of 49 yards, then later scored from the Abernathy one.

Jones kicked the extra point, his fourth of the night, to make it 28-7, Olton.

Besides the explosive offense shown by the Ponies in the tilt, the Mustangs were rock-ribbed on defense when they needed to be.

Led by Kendall, center Bill Carson, guard Dennis Givens, tackles Don Mitchell and Don Sopher and back Richard Hall, the Mustang first-liners dropped the Antelopes for repeated losses.

Much of the Antelopes' 152 yards on the ground came against Mustang reserves, who played a lot in the second half.

The Mustangs grabbed their first touchdown with only 1:46 gone in the first period. Priest's running pass to Glover, covering 41 yards to the Abernathy 3, set it up for Costello to score.

It was late in the first quarter before Abernathy moved the ball to any degree, and that brought the Antelopes only to their own 33.

Later in the first period, the Mustangs reached the Abernathy nine, only to have a penalty spoil the march.

As the second period opening the Antelopes, sparked by the running of Fullback Nathan Knight, moved the ball out to their own 32.

A pass interference call against the Mustangs put the ball on the Olton 49 and a 15-yard penalty for piling on a moment later moved the ball to the Mustang 22.

The Antelopes got a touchdown six plays later, when halfback Jake Mallow dived in from the one. Halfback Pat Hale kicked the extra point to make it a brand new ball game with 8:48 left in the first half.

It took the Mustangs only a minute and 46 seconds to go back into the lead.

Richard Hall ran the kick-off back 26 yards to the Olton 36, then carried for 13 more for a first down at the Olton 49.

Priest uncorked his 44-yard run to the Antelope 7, then scored. A few moments later, he scored from the five.

After the kick-off, Abernathy got nowhere, and the Ponies marched down to the Antelope 19.

Instrumental in this march was the running of Jerry LaFrance, who racked up one first down with an 11-yard run and another with a 26-yard carry to the Antelope 21. There the attack fizzled and Abernathy took over.

The Mustangs put the game out of Abernathy's reach in a hurry in the third period.

Costello took the kick-off back 13 yards to the Olton 37, then took off on an 18-yard scamper for a first down at the Antelope 45.

Priest took a lateral from Jones and streaked to the 34, then Costello whacked up the middle for 12 to the 21.

The 170-pound junior fullback then blasted down to the 11, where Jones passed to Priest for the score. After Jones kicked the PAT, it was 21-7 with 9:20 left in the third quarter.

Abernathy took the kick-off and moved back to the Olton 37, but there Kendall recovered QB Mike Tannehill's fumble.

Costello started battering the Abernathy line again, cracking for 26 yards to the Antelope 33. He reeled a 21-yard run to the 12, then dove to the 10.

A five-yard penalty for illegal procedure put the Ponies back to the 15 and on the next play Priest was nailed for a five-yard loss to the 20.

On third down, Priest dropped back to pass, spotted Richard Hall and threw. Hall grabbed the aerial and raced down to the Antelope one before he was racked out of bounds.

Costello bounced over for the score on the next play, Jones kicked the PAT and it was 28-7 with 2:36 left in the third quarter.

Abernathy found things pretty rough for the rest of the period as Mustangs' Dwight Clark, Curtis Hall, Charles Church and Paul Hernandez excelled on the defense.

Opening the fourth quarter, the Ponies got a drive going again. Richard Hall got off an eight-yard run, then Priest passed to Burkhalter to the Abernathy 41.

Ronnie Digby reeled off a 13-yard run to the 28, but there the going got tough. On fourth down Priest's pass to Digby fell short of the first down and Abernathy took over.

The Ponies again stopped the Antelopes with Burkhalter and Hernandez coming up with key tackles.

But Olton couldn't move the ball either and Priest got off a 38-yard punt with 7:32 left in the game.

Abernathy's Hale returned to the kick 12 yards to the Olton 48 and six plays later the Antelopes had a touchdown.

The key play came at the Olton 36 when Lane Wade passed to Hale and the fleet Abernathy halfback raced to the Olton two-yard line before he was knocked out of bounds by Digby.

A play later, Hale broke in for the second Antelope touchdown. He also kicked the extra point to make it 28-14 with 5 minutes left in the game.

Shortly after the kick-off the Antelopes, Hale intercepted an Olton pass.

Just to keep things safe, Coach Bryan sent his firstliners back in. Some outstanding defense by Jones, Carson, Richard Hall, Kendall and Givens ended that Abernathy threat.

With about a minute left, Olton reserves took over at the Abernathy 38.

Digby gained five to the 33, then three more to the 30. Halfback Tommy Hall then took over, making six yards on one run and nine on another to move the ball to the Abernathy 15. A five-yard penalty moved the ball to the Antelope 10 and gave the Mustangs a chance for one more play.

It looked for a moment as though the Mustangs had their fifth touchdown, as Tommy Hall lofted a pass to Joe Bob Smith at the goal line. But the aerial trickled off Smith's fingertips and that was the ball game.

For the night, Costello led Olton ground gainers with 101 yards on 11 carries, while Priest had 73 on 10 tries.

Jerry LaFrance got 39 on three runs, Richard Hall 21 on two carries, Tommy Hall 15 on two tries and Digby 21 on four trips.

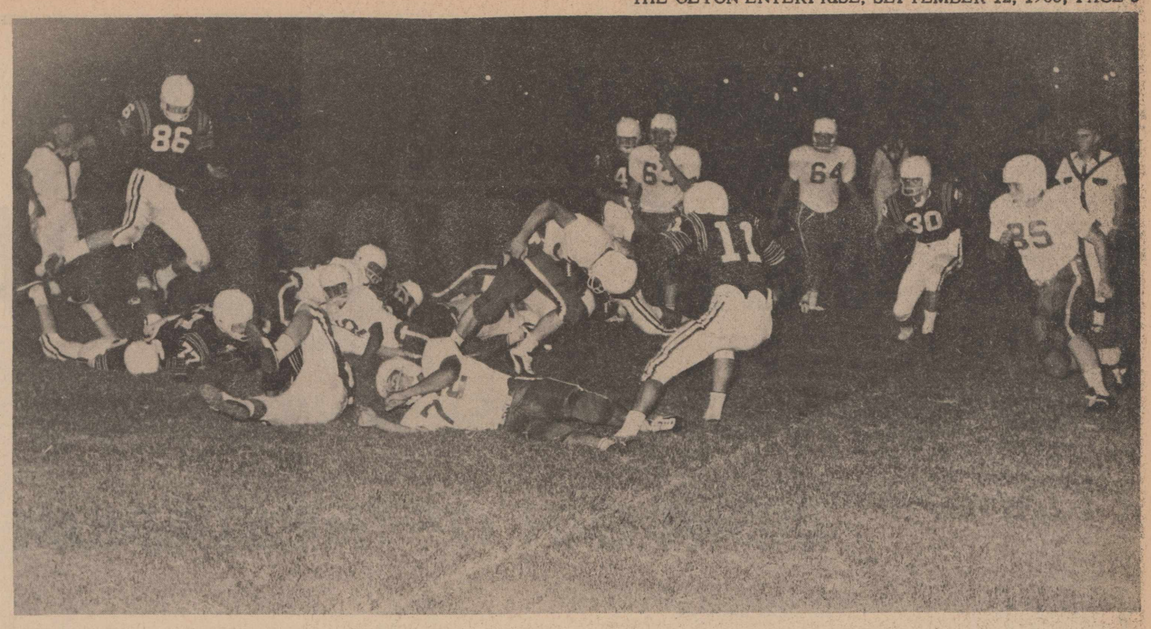
Priest completed 5 of 11 passes for 80 yards while Jones connected on 1 of 3 for 11 yards and a touchdown.

A key to the Mustang victory, however, was Olton's line play throughout the game. Ends Clyde Galloway and Glover turned in steady games, as did tackles Daniel Rey, Don Sopher and Don Mitchell. Guards Leon Kendall and Dennis Givens along with center Billy Carson, were standouts in the line.

SCORING SUMMARY

OLTON---Costello, 3-yard run; Priest, 5-yard run; Priest, 11 yard pass from Jones; Costello, 1-yard run; points after touchdown: Jones 4, kicking.

ABERNATHY----Mallow, 1-yard run; Hale, 2 yard run; points after touchdown: Hale 2, kicking.



BALLCARRIER JOE PRIEST bows his head and plows over for Olton's second touchdown, going in from five yards out in the second period. On the ground after laying a block is Daniel Rey, 72. The TD gave Olton a 14-7 lead midway in the second period.

GAME AT A GLANCE

JACKIE BURKHALTER (20) put the stop on Abernathy's Pat Hale at the Antelope 29 as the fourth quarter got underway. Coming up for assistance are a host of Mustangs.

School Menu

September 16-20
Subject to Change

MONDAY-Hamburger, potato soup, cheese and crackers, lettuce, tomato onion salad, banana pudding and milk.

TUESDAY --Brown beans, vienna sausage, kraut, sliced tomatoes, apricot pie, corn bread, butter and milk.

WEDNESDAY-Fried chicken, cream gravy, steamed rice, green beans, sliced cantaloupe, fresh frozen cherries, rolls and milk.

THURSDAY-Beef roast and gravy, baked potatoes, butter, fresh tomatoes, orange cake, bread and milk.

FRIDAY-Deep sea doodle, 1/4 lemon, fresh corn, black eyed peas, water melon, hot rolls and butter, milk.

ATTEND FARM TOUR

Olton farmers Don Spain and Bill Walden attended a chemical control tour of farms in the area Wednesday, seeing the effects of use of propazine on grain and karmex on cotton, among other tests.

TECH REGISTRATION

LUBBOCK--Texas Tech students for the fall semester are invited to come early and avoid the rush in picking up registration packets and having identification-card pictures made.

Registration packets for those who have completed enrollment preliminaries are available in the west basement of the Administration Building during regular office hours--8 a.m. to 12 noon and 1-5 p.m.

Regular registration at Tech will be conducted Sept. 17-19 and classes will begin Sept. 20.

Mrs. Ilo Sanders recently attended the Miller reunion in Oklahoma.

Rev. and Mrs. A. R. Stewart visited with Mildred Goforth, W. O. Watson, and Clifford Hopping, all patients in Littlefield Hospital and Medical Arts Hospital.

Students Report Mounting U.S. Juvenile Delinquency

Two Olton High School students Tuesday gave revealing talks to Lions Club members on mounting juvenile delinquency and crime in the United States.

The students were Suzanne Martin and Lindy Ray.

Both had recently returned from the first annual Attorney General's Youth Conference in Austin. The trip was sponsored by the Lions Club.

Nationally prominent speakers were featured and over 600 delegates from Texas attended.

Miss Ray said in the course of her talk: "Crime is a disease like cancer. There is no sure cure for it, but awareness is the key."

She said that 16 percent of all arrests from the serious crimes of murder, robbery, aggravated assault and burglary are made on youths under 18-years-old.

She added that 59 percent of all auto thefts are committed by persons of high school age and that 48 percent of all larcenies are committed by persons under 18.

Attorney General Waggoner Carr told those assembled the FBI estimates that the cost of dollar damage to the nation's economy is four billion a year.

The student said, "I only wish every student in Olton High School could attend a meeting such as this was.

"We as the youth of the nation must fight to keep our morals and respect for our law and government--for us--our children--and their children."

Miss Martin gave a summary of the Austin Pilot Project, saying that prevention is its real goal.

She said she learned at the Conference young minds are likened to a garden, which may be intelligently cultivated or allowed to run wild.

The Olton girl also gave statistics on school drop outs. "Studies predict," she said, "that by 1970 the number in the nation will increase to seven-and-a-half million unless drastic action is taken."

She added, "When a person leaves school, he takes the first step on a treadmill of discouragement, failure and escape.

The Austin Pilot Projects plans to work with schools to coordinate vocational training programs and better qualify students for a larger variety of jobs.

They say, "If a drop out simply cannot be prevented, we want to see him qualified to fill a variety of jobs so that he does not become a new member of the welfare rolls or is unable to find employment at all because he possesses no skills.

Both girls were given warm response by Lions Club members after completing their talks.

Extension Of Bracero Law Is Big Need, Hatley Says

Elvis Hatley, head of the Bracero Farm Labor Program in Olton, encouraged farmers and businessmen this week to support the extension of Public Law 78.

The law concerns the continued practice of bringing Mexican Nationals into the United States to do farm work.

In supporting an extension of the bill, Hatley sent an open letter to Congressmen urging their influence and support.

Hatley wrote: "It's impossible for us to get domestic, migratory workers to do our stoop labor.

"There wouldn't be any Mexican Nationals brought into the United States if there were enough migratory workers in the state, or in any other state, to do our farm work.

"The Texas Employment Commission does recruit for domestic workers, but if there are none available, they will issue us an order to get Mexican Nationals from Mexico."

Hatley pointed out there has been testimony in Washington against extending the farm labor bill, with some legislators branding it slave labor, or cheap labor with unfit housing.

Hatley dismissed the allegation, saying the U. S. Dept. of Labor would not allow such to happen.

He further said in the letter: "Wages paid the National are 70 cents an hour, or prevailing wages, whichever is higher. This stops the slave labor accusation because braceros will get as much as any worker performing the same duties anywhere in the U.S.

"They say it is cheap labor, but after paying the contracting, hauling, insurance and guarantees required in Public Law 78, nothing is cheap.

"The Mexican National has figured to cost the employer more to get him than it would to get the domestic farm worker if he were available to us."

Hatley called on Congressmen to extend the law with no amendments attached and leave the gate open for laborers from Mexico.

He advised every person interested in the bill to wire or write his Congressman and representative for an extension.

New Speed Limits Draw Warning From Officials

The director of the Texas Department of Public Safety has warned motorists "not to take the new, higher speed limits too literally".

Col. Homer Garrison Jr. reminded that "there are a multitude of circumstances and situations under which even the old limits were too fast for safety."

"With more than two-thirds of the Texas highway system under a 70-mile-per-hour daytime maximum speed for passenger cars and 65 miles per hour at night, we wish to appeal to all Texans to exercise keen judgment and drive reasonably and prudently regardless of what the signs say.

The law prohibits driving a vehicle too fast for exisiting conditions.

"The Department of Public Safety believes that the objective of speed legislation is to contribute to the efficient movement of traffic on the highways. We feel the new law will help to accomplish this, and our objective of enforcement is to secure substantial compliance with the speed law by all users of the rural highways.

The prima facie speed limits fixed by the Legislature or established by the zoning authority will be construed to be the maximum permissible speeds under normal conditions, and speeds in excess of such limits will be considered illegal.

"Our enforcement personnel will stop and initiate appropriate enforcement action against all persons observed by them to be committing clear-cut and substantial violations of the speed law."

Garrison urged motorists to be particularly cautious in assuming the higher night speed limit of 65 miles per hour. He said research by the U. S. Bureau of Public Roads shows that increasing night speeds from 55 MPH to 70 MPH doubles the accident involvement rate, and that the severity of accidents increases rapidly at speeds over 70 MPH.

"We repeat that serious problems may develop with the new speed laws unless the driving public accepts and applies them with a high degree of responsibility to themselves and their families and others," he said.

"And we would like to emphasize at this time that traffic deaths are running far ahead of last year already, with an increase of about 100 deaths. Unless we can hold the line against this trend, we will wind up with an all-time high traffic death toll in 1963.'

FALL RAINS MAY POSE PROBLEM--Charlie Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, said his group is beginning to worry about a growing rate of screwworm infestation when fall rains come.

Cool weather and dampness, usually associated with early fall, may couple with shearing and calving wounds to foster screwworms if livestock producers don't take precautions. Scruggs said an "information campaign" will be launched soon.

Use Golden Uran

BEFORE OR AFTER

You Harvest Your Grain

For Desiccation

The advantage of using Golden Uran as a desiccant lies in the fact that besides desiccation of the foliage, the application serves as a source of Nitrogen for your next crop. Harvesting of grain sorghum crops which have been desiccated has certain advantages. The grain shells out considerably cleaner because foliage and stalks passing through the combine drum do not gum up the bars.

For Decomposition

Once your grain sorghum is harvested you can put Golden Uran on the stalk for faster decomposition. There again Golden Uran serves as a source of Nitrogen for your next crop.

HART CAMP HAPPENINGS

Mr. and Mrs. J. W. Johnson, Sr. left last week for Bloomingfield, Tenn., near Nashville where they will visit his aunt and uncle, Mr. and Mrs. Whit Patton. They were accompanied to Tennessee by his sister and brother-in-law, Mr. and Mrs. Spencer Lippard of Alamagorda, N.M. The group will attend the Grand Old Opera while in Nashville.

Mr. and Mrs. Paul Teal returned home Wednesday from Las Cruces, N.M. after visiting their daughter's family, Mr. and Mrs. Charles Kidwell, Donice and Blaine. Donice and Blaine returned home with their grandparents to spend a few weeks.

Mr. and Mrs. Edwin Oliver and Debbe spent Friday through Sunday in Newcastle with her parents, Mr. and Mrs. I. N. Mitchell. Mrs. Oliver and Debbe attended church at the Baptist Church in Newcastle Sunday morning.

Mr. and Mrs. J. A. Talburt visited in Wichita Falls over the weekend, where they attended a Golden Wedding Anniversary celebration for her sister and brother-in-law, Mr. and Mrs. Robert Gray. Mrs. Gray is the oldest sister of Mrs. Talburt.

Grady Moore, a professor at Eastern New Mexico University in Portales visited here Wednesday and Thursday with his mother and brother, Mrs. R. S. Moore and Fay.

Mr. and Mrs. V. L. Foster, Pam and Kimmie visited in Ralls Sunday with his sister and brother-in-law, Mr. and Mrs. Roy Hollums.

Floyd Oliver, nephew of Edwin Oliver, has moved here from Amarillo where he will cut maize during the harvest.

Mrs. Leona Holden, Tahoka, visited here a couple of days this week with her son, Lee Edward Holden.

Bill Johnson is in Tawhuska, Okla. visiting his aunt and uncle Mr. and Mrs. J. W. Johnson. He returned home with them last week after they visited here in the Ray Johnson home.

Mr. and Mrs. K. W. Mahaffey visited Saturday in Lubbock with their son, Wayne and family.

The infant son of Mr. and Mrs. Duane Fields was brought home from the Methodist Hospital in Lubbock Monday. The two-month-old baby had been a patient there for several days receiving treatment for encephalitis. The baby's father is a former resident of this community.

Mr. and Mrs. J. B. Riney and Gene were in Lubbock Tuesday night where they visited their son and family, Mr. and Mrs. Jesse Joe Riney and young son, Terry Lynn.

James Hukill, son of Mr. and Mrs. Homer Hukill, was injured in a car accident last week near Taos, N.M. when the car he and two of his friends were in, plummeted into a deep canyon. James was not hurt as seriously as were the other boys.

Mr. and Mrs. Harvey Jones and children vacationed recently at Lake Thomas.

Mr. and Mrs. Has Lynch left Tuesday morning for Phoenix, Ariz., where they will spend a few weeks in their trailer house there.

Mr. and Mrs. Harold Robinson, Anton, visited Sunday with their daughter's family, Mr. and Mrs. Harvey Jones and children. Mrs. Robinson accompanied the Jones family to church Sunday night at the local Baptist Church.

Mr. and Mrs. M. W. Wheeler left Friday for California where they will visit their son and family, Mr. and Mrs. Mac Wheeler and girls.

Everyone has been invited to attend the Revival Meeting which is in progress this week at the local Baptist Church. The meeting will close Sunday night. Rev. Bob Stillwell, local pastor, is doing the preaching and Duward Price, Olton, is in charge of the music.

Mr. and Mrs. L. A. Smith, Mary Bess and Helen Ruth attended a pony sale in Tulia over the weekend.

Mr. and Mrs. J. C. Muller left recently for an extended trip to points in Colorado and Utah.

Mrs. K. Sorrensen won ten silver dollars at the annual meeting of the REA in Littlefield last week.

Mr. and Mrs. Wayne Mahaffey and family of Lubbock and Mr. and Mrs. Olen Mahaffey and children, Littlefield, spent Sunday with their parents, Mr. and Mrs. K. W. Mahaffey. They enjoyed a fish fry which were caught by Mr. and Mrs. Mahaffey, while on a trip to Colorado recently.

WHO'S NEW

3 pink 1 blue

Mr. and Mrs. Herman Harrison are parents of a boy, Aaron Paul, born Saturday, Sept. 7, at Medical Center in Plainview. The infant weighed 7 pounds, 6 ounces. Grandparents are Mr. and Mrs. Paul McFadden, Mr. and Mrs. J. W. Harrison, all of Olton. Maternal great-grandmother is Mrs. Anna Martens, Olton, and paternal great-grandparents are A. P. Ward, Emory, and Mr. and Mrs. W.H. Harrison, Conroe. Harrison is at sea with the Navy.

Mr. and Mrs. Epiminio Hernandez, Olton, are parents of a daughter born Friday, Sept. 6, at Community Hospital and clinic. The infant weighed 7 pounds and 1 ounce.

A daughter, Lisa, was born to Mr. and Mrs. Oscar Rodriquez, Olton, Saturday, Sept. 7. The little miss weighing 5 pounds 10 ounces was born at Community Hospital and Clinic.

Mr. and Mrs. K. W. Mahaffey spent three weeks in Colorado recently.

Mrs. Jeff Burkett and son, Houston, spent last week here with her parents, Mr. and Mrs. Homer Hukill. Mr. Burkett came for her Saturday and spent a few days. They returned to Houston Tuesday.

Supt. Clark Speaks To C.T.A.

Supt. Johnny Clark Jr., spoke on Professional Ethics Tuesday when he appeared before members of the Olton Classroom Teachers Association.

In the first meeting of the year, Clark challenged his listeners to meet their responsibilities with a professional attitude.

The Supt., referring to the school board, administrators, and teaching personnel, said the number one aim of them all is to educate all the people of Olton to the best of their abilities.

The session was called to order by President Mrs. Uleta Jenkins. Secretary Mrs. Jewel Campbell read the minutes, and Miss Doris Thurman gave the treasurer's report.

Grady Cope reported a current receipt of 30 membership fees.

Mrs. Eloise Gallaway, program chairman, briefed the organization on yearbook plans.

The group voted to apply for affiliation in the National Education Association.

Mrs. Ruth Franks and Mrs. Pearl Moore were elected building representatives for Webb Elementary School and Mrs. Essie Wozencraft was elected junior high representative.

The high school representative will be David Howton.

Mrs. Eleanor Mayberry was elected to serve as representative in the Bohner School.

Cup cakes, lemonade and coffee were served by the refreshment committee.

RETURN HOME

Mr. and Mrs. L. G. Elkins have returned home from a trip to the Big Bend country and points in New Mexico. The first of this week her nephew, Mr. and Mrs. Charles D. Dyer, Leonard and Shane, Albuquerque, N.M. visited. The Elkins visited in Littlefield with her cousin, S. B. Dyer, Sunday.

LUBBOCK VISITORS

Visitors in the J. E. Jones home over the weekend were their daughter, Mrs. Leora Farris and daughter, Barbara of Lubbock.

BROTHER ILL

Ira Foster left, Tuesday morning by plane for Long Beach, Calif., to be at the bedside of his brother, Floyd R. Foster, who is critically ill.

BACK TO COLLEGE

Garland Mason, son of Mr. and Mrs. Clarence Mason, has returned to Stephen F. Austin College in Nacogdoches where he is a sophomore majoring in forestry.

Armstrong Rites Held

Funeral services for Mrs. M. L. Armstrong, 52, longtime resident of Olton, were held Friday at 2 p.m. in the Main Street Church of Christ.

Mrs. Armstrong died Wednesday in Littlefield Hospital. She had been a resident of Olton 22 years and was a member of the Church of Christ for 34 years. She married M. L. Armstrong on July 16, 1932 in Clovis, N.M.

J. D. Lancaster, minister, officiated and was assisted by E. R. Higgins of Lubbock. Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Survivors include her husband; two sons, Melvin of Amarillo and Leroy of Irving; one daughter, Sharon Kay of the home; two brothers, Earl Thomason of Hereford and Elmer Thomason of Spur; one sister, Mrs. E. L. Church of Littlefield; and five grandchildren.

Pallbearers were Glenn Exter, Sidney Allen, Mickey McGill, Marcus Breland, Meredith Crawford and Fred Hicks.

PARENTS VISIT

Mr. and Mrs. H. L. Moses had as weekend guests, her parents, Mr. and Mrs. Pat Jennings of Amarillo.

FROM IOWA

Mr. and Mrs. Ben Hartwig of Ocheyedan, Iowa, have been visiting Mr. and Mrs. Arthur Nafzger of Olton. Mrs. Hartwig is Mrs. Nafzger's sister.
