The Devil's River News

Published in Sonora, Texas - "The Capital of the Stockman's Paradise"

SIXTIETH YEAR | Sonora, Texas, Friday, May 26, 1950 | THIRTY-SECOND WEEK

Eight Texas congressmen will be unopposed in the primaries this year according to news reports, and I am so honored and pleased to be included in that group. The dead-line for filing was May 15. I regard this lack of opposition as evidence of good will and confidence and I shall continue to strive to justify the faith the people have shown in me.

One doesn't need to stay here long to learn that he is but one small cog in a tremendously big operation -- one of 435. During my 8 years in Congress I have seen 'em come and go. Of the 435 who were here on January 3, 1943, when I was sworn in, 210 remain in Congress today. And of the 106 new members who were elected when I was, only 49 remain today, and no doubt a few of these will drop out at the end of this year.

In the Texas 21-member delegation, the average turn-over is about the same. I was the only new member to join the Texans in 1943. Yet after eight years there are now only eight in our group who have been here longer than I have --- Rayburn, Patman, Thomas, Poage, Gossett, Mahon, Kilday, and Beckworth. Since I came, three Texas members --- Luther Johnson, Thomason and Worley --- have resigned to accept Federal judgeships, while one --- Lyndon Johnson ---- went to the Senate.

Speaking of longevity of service, it is interesting to note the length of service of the old-timers. Adolph Sabath of Chicago, chairman of the Rules Committee, is dean of the House, having served since March 4, 1907 -- 43 consecutive years. Next is Robt. L. Doughton of North Carolina, chairman of the Ways and Means committee, who has been in Congress since 1911. Third is Speaker Sam Rayburn now 68, who was sworn in on March 4, 1913, followed closely by Carl Vinson of Georgia, chairman of the Armed Services committee, who entered the following year.

A glance at these facts makes the importance of seniority self-evident. Those who have served for longer periods automatically become committee chairmen of their respective committees, if their party is in power. Real influence and power is wielded by committee chairmen.

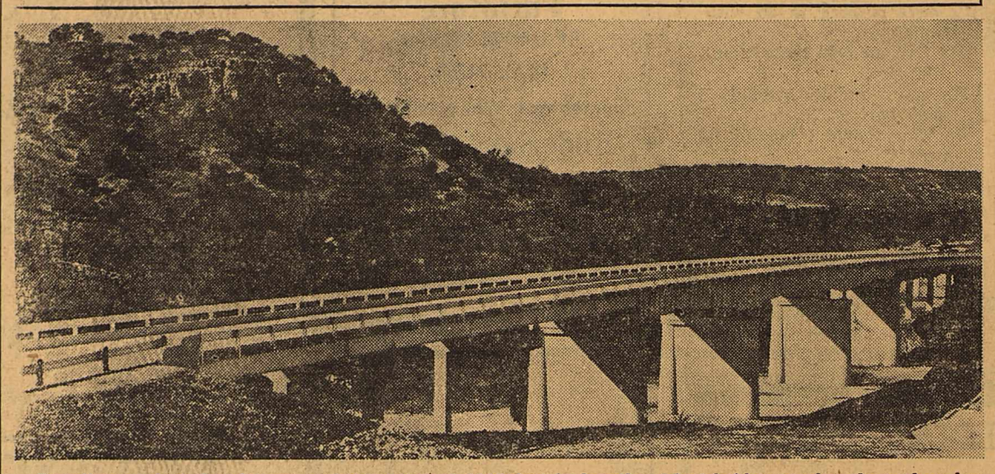

So being re-elected really constitutes a promotion because it means the member moves up the ladder in rank on committees, as others above him drop out, and with this increased seniority goes added committee responsibilities and more recognition in other ways.

As a member of the House Armed Services committee, there are six democrats below me in seniority and 12 above me. Assignments on this committee are much sought after, and the work is highly important to the nation's security and very interesting.

NOISE MAKERS DON'T usually get very far up here. The members who are listened to are those who are well-prepared when they speak who are sincere and consistent in the positions they take on various issues. Members soon learn who can be depended upon for accuracy and reliability. It has been my observation that while a few bad apples show up now and then, most of the members are sincere, able, courageous and patriotic. And if they don't measure up, the people have a chance to change hired hands every two years.

About all one can do here is to keep as well informed on pending issues as possible, vote independently on issues involving principle, get along with other members, measure expenditures in terms of what is essential and what is non-essential, work hard for the welfare of one's district and try to reconcile every issue with what is best for the nation.

NEW HIGHWAY BRIDGE IN WEST TEXAS

Standing against the picturesque hill country in West Texas, this handsome concrete and steel span six miles west of Junction is one of a series of four new highway bridges over the North Llano River and tributaries in western Kimble County. Just opened to traffic, the bridges will serve motorists on the scenic U. S. Highway 290 route between the Austin and San Antonio areas and El Paso. The structures, representing the most up to date in highway bridge design, include three concrete and steel crossings—300, 800 and 1010 feet in length—and one reinforced concrete structure. All structural steel and cement for the four-bridge project was supplied by U. S. Steel subsidiaries. Virginia Bridge Co. furnished structural steel totaling 950 tons. Universal Atlas Cement Co. supplied 4,656 barrels of Atlas Duraplastic, a special air-entraining cement used to impart to concrete an increased plasticity for proper placement in forms, an improved surface appearance and greater durability in use. The 800- and 1010-foot bridges replace hazardous low water crossings over the North Llano's shallow stream bed which frequently were closed when waters from its Edwards Plateau watershed fed the quick-rising stream. These are the last low water crossings on U. S. 290 in Texas. General contractors were M. E. Worrell, and Worrell & Watkins, Junction and Dallas, and the project was under the direct supervision of W. N. Hardeman, Texas Highway Department resident engineer.

City Giving Lions Barbecue Tuesday At Dump Ground

An invitation to a barbecue next Tuesday at the new city dump ground, and following program on city sanitation, was accepted Tuesday by the Lions Club. Officials and employees of the city will be hosts.

Lions will meet at the Methodist Church Tuesday at noon and go in a motor caravan, headed by the city's new disposal truck, to the dump ground for lunch. Under the newly adopted system of trench disposal, insects, ordors and unsightly views are virtually nonevistant.

The club was visited by a flying delegation from the Del Rio club Tuesday, working for the candidacy of Dr. A. Lewis Kline, for governor of District 2-A. Accompanying Dr. Kline were Roger Wheeler, Douglas L. Smith, Jack R. Crosby, Phil Ricks and H. C. Basse. Dr. Kline is president of the Del Rio club.

Members of the Sonora club awarded 100 percent attendance pins for perfect attendance during the period September 11, 1949 to April 21, 1950 included: S. M. Kerbow, Joe F. Logan, H. M. Smith, A. E. Prugel, Bomer Gist, H. R. Hay, O. C. Ogden, John McClelland, Ervin Willman and Eugene Robinson.

Corp Billy Joe Nance, Camp Lee, Va., is visiting his parents, Mr. and Mrs. R. G. Nance here. Corp. Nance expects to be transferred to a South Pacific post soon.

Swim Classes Begin Thursday; Pool Open Then

Swimming and lifesaving classes will begin Thursday, June 1, and the Sonora Swimming Pool will open officially Thursday afternoon from 2 until 6 o'clock, Coach Edwin Thompson, who will be in charge of the pool this summer, announced this week.

Thompson said that there will be a meeting of mothers and children at 10 o'clock Wednesday, May 31, for classification and registration. Times of classes, which will be held only in the mornings, will then be decided, he added.

Thompson will be assisted by Miss Eethel Mae Alley, and both are employed by the Boys and Girls Summer Program. Locker boys at the pool will be Jack Johnson and Joe Renfroe.

Appreciation Day Starts June 3

Sonora Appreciation Day, which has been inactive since January, is being revived and the first of a series of prizes will be awarded Saturday afternoon, June 3, at 4 o'clock in front of the First National Bank.

According to J. W. Neville, chairman, and J. M. Rabon, vice-chairman, several stores remain to be contacted, but the list of co-operating merchants to date includes: Joseph's Department Store, McAllister Foods, Home Hardware and Furniture, Ratliff Store, Sonora Men's Store, Hamilton Grocery, Piggly Wiggly Grocery, Neil Roueche Grocery and Station, Lyles and Rape. Supporting members include The First National Bank, Lamar Fuqua Chevrolet, Foxworth-Galbraith Lumber Co., Wm. Cameron Company and the Devil's River News.

SUMMER SCHOOL STUDENTS TO REGISTER MONDAY

All students who intend to enroll in summer school will meet at the Sonora High School Monday morning at 8 o'clock, according to Supt. A. E. Wells. Wels said that registration, payment of fees and issuance of texts will be completed Monday and that classes will begin Tuesday.

4-H Team Wins Judging Contest At Bandera

The Sutton County 4-H Club wool and mohair judging team won the District 11 Wool and Mohair Judging Contest for the second consecutive time in Bandera Monday. John Mittel wah high point man in wool and mohair judging with a score of 678 out of a possible score of 800. The total team score was 1894 out of a possible 2400 which is the best score recorded by any team in any of the district judging contests so far. Crockett County placed second, Bandera third, Kirmble fourth, and Real fifth.

In the grass judging contest the Sutton County team placed first again but since the boys could not judge both wool and grass officially the scores of John Mittel and Joe David Ross did not count, so the Sutton County club took second place. Joe David was high point man in the grass judging contest.

The grass team consisted of Raymond Darrow, Oscar Carpenter, Edward Valliant and Betsy Ross while the wool and mohair team was composed of Joe David Ross, John Mittel, Corky Schwiening Connie Mack Locklin. Both Sutton County teams qualified to go to the State 4-H Club Contest which will be held at Texas A&M College June 12. Russ Chalk also made the trip to Bandera and judged in wool and mohair judging contest for practice.

LOUIN MARTIN NAMED INSURANCE AGENT HERE

The American National Insurance Company of Galveston announced this week the appointment of Louin Z. Martin, formerly owner of the Western Auto Store here, as field underwriter for Sutton County. Announcement was made by E. Travis Bley, manager of the Ordinary Department, San Angelo.

Martin will use his home as headquarters at present, he said, but expects to open an office in the future.

Three Day Race Meet Starts Today

A full weekend of quarter horse racing with matched and jackpot calf ropings tonight and Saturday night is in store for Sutton County racing and roping fans as the Sonora Park Association's three-day racing meet gets underway this afternoon at 2 o'clock.

Sonora business houses will close in honor of the occasion.

Several matched races and purse races are planned for each day at the Sonora racetrack. A new grandstand seating 500 has just been completed and there will be a photo finish set-up for all races.

This afternoon's program includes the following races:

FIRST RACE

1st Race 440 yds. for 3 year olds and up - Purse $100 plus $20 entry fee added.
Wt. — H - 115 — F - 112

PP	Owner	Trainer
1	John Myers ALCATREZ Rider - John Myers	J. Myers 115
2	A. Hightower PATRIOTIC L. Rider - S. Crowell	P. Crowell 115
3	Vaughn & White JACK R. Rider - No Boy	Taylor 115
4	Henry Murray CASH OUT Rider - M. Lemons	S. Stockton 115

SECOND RACE

2nd Race, 300 yds. for 2 year olds only - Purse $100 plus $20 entry fee added.
Wt. — H - 115 — F - 110

PP	Owner	Trainer
1	E. Haley ROLLING BOB Rider - M. Lemons	E. Hightower 115
2	E. Haley GIN HI JR. Rider - No Boy	E. Hightower 115
3	J. T. Hunt ANTHEM Rider - B. Hughes	J. Hughes 110
4	Les Hammock WHAT'S THE REASON Rider	C. Tolliver 115

THIRD RACE

3rd Race, 300 yds. for 3 year olds and up.
Wt. — H - 115 — F - 112

PP	Owner	Trainer
1	Don Severns POKIE STAR Rider - S. Crowell	Same 115
2	Hugh Spiller SONNY GIRL Rider - No Boy	J. D. Murr 112
3	Tate Burleson AR LEE Rider - Felix Turner	Same 112
4	H. O. McWilliams SAND BAR Rider - M. Lemons	Same 115
5	Joiner Bros. RINA Rider - No Boy	Pat Joiner 112

FOURTH RACE

4th Race, 5/8 Mile for 3 year olds and up - Purse $100 plus $20 entry fee added.
Wt. — H - 115 — F - 112

PP	Owner	Trainer

5	Alexander WAHOO Rider - No Boy	Cow Hand 115

SIXTH RACE

6th Race, 3/8 Mile, 2 year olds, milk teeth.
Wt. — H - 115 — F - 112

PP	Owner	Trainer
1	Roger Gillis STROMBOLI Rider - No Boy	B. Keefer, Jr. 115
2	Roger Gillis MULE TRAIN Rider - No Boy	B. Keefer, Jr. 115
3	L. L. Huddleson BILLIE C. Rider - No Boy	Cow Hand 112
4	J. T. Hunt DOUBLE THREAT Rider - B. Hughes	J. Hughes 115
5	B. McKee JUANITA Rider - No Boy	Floyd Hansch 110
6	Dr. T. M. Johnston VILBAR Rider - No Boy	T. Oliphant 115
7	Ed Doby BUG EYE Rider - No Boy	Same 115

Crosley Electric Opens Wednesday

Another business addition was made to Sonora Wednesday when the Crosley Electric, an appliance store owned by Brooks Powell and Mrs. Raymond Morgan, held its formal opening at the Hallum Building. The new store is not a part of the Home Gas Company, nor is it owned by that company, Powell and Mrs. Morgan, who are also interested in the Home Gas Co., stated Thursday.

Employed in the new store is Mrs. Mary Lee Ellington, who will serve as bookkeeper and saleslady.

The store will handle large and small appliances incuding beverage coolers, meat cases, walk-in refrigerators, ice cube makers, deep freezers, milk coolers, air conditioning units from one room size to central cooling systems for residences and buildings, central heating systems and laundry equipment.

BARNES TO SPEAK AT METHODIST CHURCH SUNDAY

Cecil H. Barnes, San Angelo attorney, will occupy the pulpit at the First Methodist Church Sunday, according to the Rev. W. H. Marshall, who is attending the Methodist Annual Conference in San Antonio.

Morning services will begin at 10:50 o'clock and the public is cordially invited to attend.

Schedule Set For First Week Of Summer Program

A photography class to be held Tuesday night in Room 14, high school at 8 o'clock, with Boyd Lovelace as instructor, will kick off this summer's Boys and Girls program, planned to be the most complete eight-week schedule of youth entertainment the Boys and Girls Committee of the Lions Club has ever tried.

Coach Bill Willard, who will be in charge this summer, has asked that students who are going to be in town only part of the summer register for and participate in the program for the period in which they are here. Students who have not previously registered may do so at the time of the scheduled activity in which they wish to participate. Parents, said Willard, are cordially invited to visit all of the activities.

Other scheduled meetings are:

Tuesday, May 30, 3-5 pm, Elementary auditorium: Arts and Crafts, Mrs. Swindle, instructor.

Wednesday, May 31, 3-5 pm, Elementary library: Recreational reading, Mrs. Swindle, instructor.

Wednesday, May 31, 4-6 pm, Elementary playground: Junior boys softball. Coach Willard.

Wednesday afternoon, May 31, 4-6 pm. Senior boys baseball. First meeting to be held at Elementary playground. Coach Willard.

Thursday afternoon, June 1 3-5 pm. Elementary auditorium. Arts and crafts. Mrs. Swindle.

Thursday evening, June 1, 7-10 pm. Junior Teen Canteen. Elementary school playroom. Includes tennis, badminton, darts, table tennis, square dancing and snack bar.

Friday evening, June 2, 7-11 pm: Senior Teen Canteen Elementary school playroom. Includes tennis, badminton, darts, table tennis, dancing, canasta and snack bar.

Robert Lee Wins Over Broncs

LOCALS PLAY CUMBIE IN SAN ANGELO

The Robert Lee Rabbit Twisters put it on the Broncos 12-3 Sunday in a lopsided game in which the visitors were superior in every department except errors.

Jack Henderson started for Sonora but was knocked out in the 6th, after allowing 11 runs. Red Thompson relieved him and gave up another score in the ninth. Tincup was the Robert Lee leading hitter getting 4 hits out of six times at bat. Millican got the only extra base hit for Sonora, a two bagger. The Broncos missed the sterling play and hitting of Byron Stuart, Ozona slugger, who suffered a twisted knee in a fastball game last week. Stuart will be in the lineup Sunday, however, when the Broncos go to San Angelo to play the Cumbie Furniture team, formerly the San Angelo Orphans.

49 Years Ago

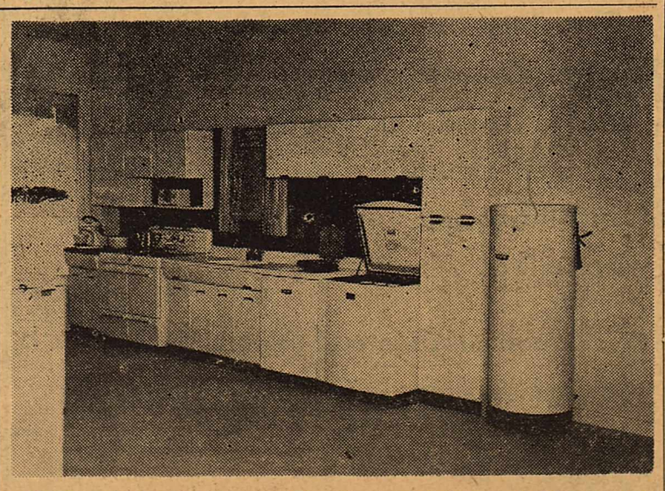

Among the stockmen in Sutton County noted for their energy and judgment in breeding up their herds, R. F. Halbert occupies a conspicuous place. For a number of years he has been actively engaged in breeding up his stock, sparing no efforts in the accomplishments of the desired end. As a result he has a herd of cattle which does credit to Sutton County. Mr. Halbert has for some time been breeding Devons, but at present is breeding Hereford and Durham crossed, using only registered bulls of excellent quality, besides Red Polls in which also only registered bulls are used. Only recently Mr. Halbert bought a half interest in H. Babington's herd of full blood Herefords consisting of 208 head at $65 per head, besides two Hereford bull calves from Adams and Russell of Toyett, Mo., at $250 and one bull calf from F. Droocock, of Coleman for $225. Mr. Halbert believes that good breeding loses its value unless followed by proper care, and there are few who take better care of stock than he does.

—Texas Stockman and Farmer.

—49—

Dock Word was in from his ranch Monday attending to some business. Dock says he has about 50 first class muttons for sale.

NEW STORE OPENS — The Crosley Electric, Sonora's newest appliance store, held its formal opening Wednesday at the Hallum Building. Above, the complete Crosley kitchen on display. At left, Mrs. Mary Lee Ellington, bookkeeper and saleslady, looks over books before an array of new refrigeration equipment.

Fishing at Boquillas

A LOOK AT THE BOOK

By DR. BOB JONES, JR.

PRESIDENT OF BOB JONES UNIVERSITY — GREENVILLE, SOUTH CAROLINA

I am glad that as a child of God I do not have to plan my own future. I am quite content to leave that in His hand who knows the end from the beginning. That which looks very wise to me today may, in the light of tomorrow's now-unborn moments, prove to have been foolish in the extreme. The man who trusts God completely and who accepts with unquestioning obedience the will and commands of God will always find that those things which happen to him today, though they may seem today unfortunate, will tomorrow prove to have been golden links in a chain of blessing. Illness, which may necessitate a move to another climate and which seems from the view point of the moment almost a tragedy, may be God's way of putting His child in the place where special blessing awaits him. The bitter waters of sorrow forced to my lips may cause me to cry out for relief to God and in new reliance upon His I shall find crystal streams of abundant joy.

No man knows what tomorrow will bring forth. The Christian does not need to know, for whatever it brings forth will prove a blessing for him. "All things work together for good to them that love God, to them who are called according to His purpose" (Romans 8:28). Temporal losses prove themselves the falling away of chains which bind a spirit. The darkness of sorrow brings to the ear of the Christian the melody of songs which were drowned out by the laughter of the day, and the flames of a martyr's death become the wings of a fiery chariot bearing a victorious saint to glory. How wise to leave our tomorrows with Him who orders all our ways.

"I have nothing to do with tomorrow,
My Saviour will make that His care.
Its grace and its strength I can't borrow,
So why should I borrow its care?"

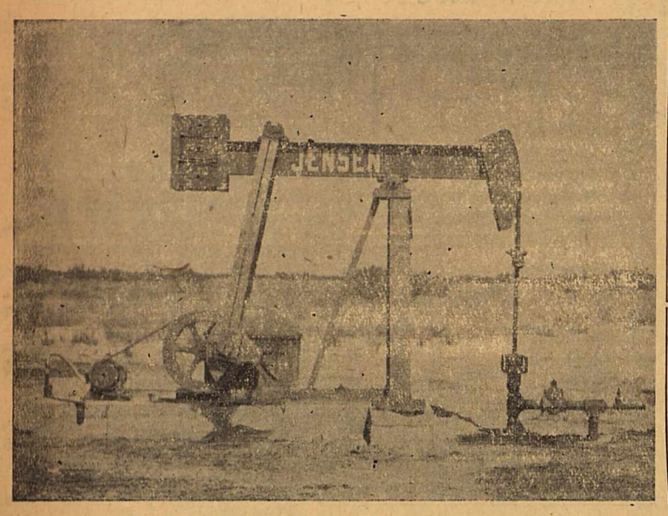

REV. B. B. CRIMM is conducting a great revival in Junction. It would pay you to come hear him, and get a spiritual blessing. Services 7:45 o'clock each week day night, 3:00 and 7:45 on Sundays. 3tc30

What's going on in Sonora . .

RACETRACK VISIT

A visit to the racetrack Tuesday showed that place to have the air of quiet tension before the big meet this weekend. The county road grader was busy shaping up the parking area . . . . workmen were putting the finishing touches on the new grandstand, Mrs. Monroe Crowell (he trains Ross, Hamby, Earwood, Hightower and J. Cauthorn horses) was showing a group of visitors around. A mare, Salty Star, in stall 55 was busy trying to push the stall gate open with her nose, finally succeeded, then decided she didn't have anywhere to go. Pokey Star was being held by his owner, Don Severns, while a new set of shoes were fitted and didn't seem to like the operation. The room in stall B-36 was asleep on a bale of hay. Bill Newman, who works for J. S. Holman, was admiring a homeless collie and her pup he had adopted, but paused to point out two horses which the stable holds great hopes for -- Pride Dusty and Bay Quest, both colts. Robert Earl Hysaw, 12, was loyal but not too optimistic about his employer's mare, Rags, owned by Bill Turney of Coleman.

The groom who had been taking a nap was now sitting in front of B-36 inspecting his nails. John Fields and Thomas Espy stood in the shade talking. Alvin Holmig, who was finishing some steps at the south end of the new grandstand said the structure, to get right into the facts of the case, is 102 feet long and 8 rows high, giving 816 running feet of seating space, or enough for about five or six hundred people. Holmig said everything was in readiness except the photo-finish box in the center and at the top of the stand. Harvey Skinner has the building contract. Out in the infield 50-odd Brahma calves slept in the sun. They will be used in two nights' roping tonight and Saturday night. Over on the back turn of the truck, Gabriel Mata and his crew were busy picking up roocks and raking the track foot by foot.

Evidence of the lack of oil activity in the county is noticeable. On one lot in town 6 drilling rigs and 7 trucks are stored. The swimming pool is ready to go. The street leading in to the pool from the highway has been paved, the windbreak hung and the awning over the spectators platform is up.

All grass and weeds have been cut and the area thoroughly sprayed with DDT.

Mrs. Richardson Fetes Students At Tea Thursday

Mrs. O. L. Richardson entertained with a tea at her home last Thursday afternoon honoring her piano students and their mothers. The dining table was centered with an arrangement of spring flowers from which fruit punch and cake squares, decorated with music notes, were served.

Mrs. Richardson closed the year's work with the presentation of certificates to twelve students, who won them at Rocksprings April 27, for their playing of ten pieces in the national musical program. Rodney Davis was presented with a medal for making the highest grade in the audition at Rocksprings and for his outstanding work and progress during the past year.

Students attending were Jo Bess Vander Stucken, Mary Adele Wilson, Nancy Bess Wilson, Maxine Ballard, Linda Wardlaw, Addah Wardlaw, June Rose Lyles, Tommy Ray Adams, Artie Bert Adams, Nancy Eaton, Rodney Davis and Barbara Schwiening.

Also Mmes. J. M. Vander Stucken, Duke Wilson, Jack Wardlaw, F. M. Ballard, Pat Lyles, John Eaton, Tom Davis, Matt Adams and Harold Schwiening.

ENGAGEMENT OF MISS BARKER TO DON NICHOLAS TOLD

Mr. and Mrs. Granville Barker announce the engagement and approaching marriage, June 16, of their daughter, Billie Joe, to Jack Don Nicholas, son of Mr. and Mrs. Curtis Nicholas.

SENIOR CLASS MOTHERS GIVE RECEPTION MONDAY

Mothers of the senior class entertained the seniors, parents, school trustees and faculty members with a reception following the graduation exercises Tuesday night. The reception was held in the homemaking cottage, Mrs. Edwin Thompson served punch, and Mrs. James Wilson played piano selections during the evening.

EASTERN STAR MEMBERS ENTERTAINED AT BARBECUE

Messrs. and Mmes. Curt Schwiening, Alfred Schwiening, Jr., Noah Moore, Dayton Cain and George S. Schwiening were hosts at a barbecue at Camp Allison last Saturday evening, when members and their families of the Eastern Star were entertained.

Scotts Visit In Kansas

Mr. and Mrs. C. E. Scott left this week for Harper, Kansas, where they will be the guests of her mother, Mrs. Charles Ammann. Mrs. Scott will remain for a two-weeks' visit.

Out-of-town guests were Mr. and Mrs. H. P. Largent of Ballinger.

Cheese Crispies Go With Salads

Cream cheese and watercress supply the unusual flavor of these crisp wafers, good to munch as appetizers, good to eat with soups and salads.

Neither a pastry nor a cracker but a little of both are the dainty cress cheese crispies pictured here. These tender, flaky crispies are cut from a cream cheese pastry flavored with watercress.

Make the dough much as you would for pie crust, cutting or rubbing both shortening and cream cheese into the flour mixture. The dough will be easy to roll out if pressed together in a wax paper bag and chilled. Use biscuit cutter and cookie cutters to cut an assortment of shapes for your tea time tray.

Let the children eat crispies by the handful because they will benefit from the food values provided by such nutritious ingredients as enriched flour and cheese.

Cream cheese crispies are thrifty to serve with the luncheon soup or salad, for they need no spread.

CRESS CHEESE CRISPIES

1 cup sifted enriched flour
¼ teaspoon salt
¼ cup shortening
1 package (3 ounces) cream cheese
¼ cup finely chopped watercress or parsley
2 tablespoons cold water

Sift together flour and salt. Cut or rub in shortening and cream cheese. Add watercress. Mix well. Add water. Mix to a dry crumbly dough. Turn out on lightly floured pastry cloth. Press dough together. Roll out about one-eighth inch thick. Cut with two-inch biscuit cutter. Place on ungreased baking sheet. Prick several times with fork. Bake in hot oven (425 degrees F.) about 10 minutes.

Makes about three dozen crispies.

P-TA Committees Named Friday

Mrs. Dan Cauthorn, president of the Sonora Parent-Teacher Association, announced the committees for the coming year when the executive board met at her home last Friday morning. Handbooks were distributed to the officers and duties were discussed.

Committees named are: program, Mmes. Joseph Vander Stucken, W. T. Hardy, J. F. Howell and J. T. Ratliff; finance, Mmes. D. L. Locklin, Rip Ward, Jack Wardlaw, Duke Wilson; hospitality, Mmes. Carl Cahill, M. E. Genrich, T. R. Chapell, C. T. Jones, Jr., Ben Mittel; goal, Mrs. Arthur Carroll; room representatives, Mrs. Pat Lyles, elementary school, Mrs. Harold Schwiening, high school; health, Mmes. Edwin Sawyer, Lee Patrick, Boyd Lovelace; publicity, Mrs. Herbert Fields; publications, Mrs. W. L. Davis; music, Mrs. S. M. Loeffler; historian, Mrs. W. T. Hardy; auditor, Mrs. O. L. Carpenter.

Mr. and Mrs. Edwin Thompson and children left Tuesday night for Greenville, where they will visit friends and relatives until Sunday.

Creep Feeding May Add 100 Lbs. To Calf's Weight

Many ranchers and stock farmers in the state have found that creep feeding for calves is a practical and economical practice to follow. According to U. D. Thompson, assistant extension animal husbandman of Texas A&M College, now is the time to start the young calves on creep feeders.

He says that feeders are easy to build and are not expensive. The enclosure or fenced area should be constructed with an opening large enough for the calves to get through but too small for older cattle. Place the feeder inside the enclosure and fill with whole grain. He points out that it is a good idea to confine an older animal in the creep pen as a decoy for the calves and also as an aid in getting them to eat from the feeder.

He points out that as much as 100 pounds of meat may be added to the calf's weight during the first six to eight months through the use of creep feeding. It has other advantages too; permits marketing at an earlier age; the mother cows stay in better condition; calves are more uniform; shrinkage is less at weaning time; it shortens the feeding period after weaning and serves as a good market for home grown feed grains.

There are certain disadvantages that might make creep feeding impractical on some farms and ranches and Thompson points them out. Extra equipment may be needed and there is the problem of getting the calves to eat. Hogs, sheep and goats must be kept out of the feeders and it would be well to check the prices you can expect for the calves when they are ready for market, the extra cost of production might not be justified. Creep feeding doesn't work so well in pastures that contain more than two sections and sometimes the location of the creeps creates a problem.

Thompson suggests that you check your own situation and if the advantages outweigh the disadvantages, give the creep feeding program a trial. Your local county agent can help you with plans for the enclosure as well as plans for the creep feeder. He can give you a suggested ration or two for use in the feeders and can probably help clear up a lot of other questions that you might have on creep feeding.

Visit In Snyder

Mr. and Mrs. Bill Willard left Wednesday for Snyder, where they will be the guests of Mrs. Willard's parents, Mr. and Mrs. Mert S. Jones. They will return to Sonora Sunday. Willard will have charge of the Boys and Girls Summer Program.

CLEVE JONES JRS. HOSTS AT FISH FRY MONDAY

Mr. and Mrs. Cleve Jones, Jr., entertained with a fish fry at their home Monday evening honoring Norris Loeffler. High scores in canasta were won by Freddie Adkins, Peggy Barker and Tyree Hardy.

Present were Ernest Stephen, Sonny Howell Martha Renfroe, Roberta Doran, Blanche Taylor, Freddie Adkins, Peggy Barker, Tyree Hardy and Mr. and Mrs. S. M. Loeffler.

Cotton farmers in many sections of Texas last year reported savings up to 60 percent on their chopping and hoeing expenses by using rotary hoes.

FOR RENT: Furnished apartment, private entrance. Phone 25292. 1tp32.

THIS TASTES GOOD IN TEXAS

Potatoes and Cabbage With Cheese Sauce

1 pint water
2 teaspoons salt
3 medium potatoes (3 cups diced)
1 quart chopped cabbage
1 cup evaporated milk
¼ lb. cheese (1 cup grated or finely cut)

Bring water to a boil. Add salt, potatoes and cabbage and boil uncovered until potatoes are tender, about 15 minutes. Most of the water should be evaporated. Scald milk. Add cheese and stir until melted. Pour cheese sauce over vegetables and serve at once. Yield: 6 servings.

Volunteer leaders in home demonstration clubs last year in Texas held 9,401 meetings that were attended by 137,000 rural women.

OFFERS TO PAY FRIENDS IF HADACOL DOESN'T HELP

HADACOL HELPS SUFFERERS OF VITAMIN B_1, B_2, NIACIN AND IRON DEFICIENCIES

Mrs. Wallace tells her granddaughter, Maynell Wallace, over the phone how HADACOL brought relief to her.

Mrs. Belle Wallace, 449 Formwalt St., S. W., Atlanta, Ga., is so grateful to HADACOL for the blessings it has brought her that she has recommended HADACOL to a number of her friends. She told them she would pay for their bottles of HADACOL if it didn't help them. She explains with a smile that she hasn't had to pay any of her friends, because HADACOL has helped them.

Mrs. Wallace, who is 74 years old, has five children, seven grand-children and two great-grandchlidren. She was suffering from a deficiency of Vitamins B_1, B_2, Niacin and Iron, which HADACOL contains.

Mrs. Wallace said: "I couldn't sleep or eat until I started taking HADACOL. I'd lie awake and toss and turn until the small hours of the morning. I was highly nervous. I couldn't even thread a needle. But, since I've been taking HADACOL, my nerves are as steady as can be. I couldn't eat because when I did my stomach would puff and bloat and fill with gas. I am on the 7th bottle of HADACOL and my stomach is so much better.

Appetite Good

"I have a good appetite and my stomach does not bloat or fill with gas. I sleep like a log. I have recommended HADACOL to a number of friends and have told them that if it didn't help them, too, I'd pay for it, but I didn't have to because HADACOL did help them. HADACOL has done me more good than anything I have ever taken."

Why Be Satisfied With Temporary Relief?

HADACOL also helps build up the hemoglobin content of your blood (where Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs—(even to the eyes, hair and nails) to help repair the damage that such a deficiency may be causing there. Countless thousands are benefiting from HADACOL. Why don't you give it a chance to help you? Why continue to suffer? Remember, HADACOL doesn't give temporary relief. Instead, it treats the real cause of your illness when, as so often, it's due to such deficiencies. That's why it's so effective; that's why it is accomplishing such amazing results.

You'll Feel Great . . .

. . . with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL medicine a chance to help you. It's never too late to start taking HADACOL. Many who despaired of improvement found that HADACOL was almost like a miracle for them. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of deficiencies of Vitamins B_1, B_2, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only $1.25 for Trial size. Large Family or Hospital size, $2.50.

What's going on in Sonora..

AROUND THE COUNTRY

Coach Buddy Hawkins saved a 15-year-old Midland boy from drowning Friday at Christoval, where the sixth grade had gone for a day's outing. Hawkins and several students were cruising up the river in a motor boat when someone spied the boy (whose name was not obtained) under water. After things had calmed down, the lad told Hawkins he didn't know how to swim and didn't know why he jumped in the river (from another boat) . . . . Mr. and Mrs. J. W. Pepper, Jr., escaped serious injury Saturday afternoon about 5:30 o'clock in Tankersley, when a car pulled into the highway from a side street. The front end of the car driven by Pepper was damaged when it struck the rear of the other car . . . . the West Texas Utilities Company has finished moving several compressors and other equipment into the south part of the local plant to give the Sonora Locker Plant more room in the pork curing department. The move will give Earl Lomax, owner of the locker plant, an additional 900 square feet of floor space. The change was made necessary by the addition of business from Del Rio, Rocksprings, and other surrounding towns . . . . The Rocksprings newspaper, The Texas Wool and Mohair Weekly, changed formats last week, making the page size six columns by 19 inches deep, an addition of one column and five inches per page. The paper is owned by Warren Hutt & Son . . . . The new school bus will be delivered here in a few weeks. The old bus was sold last week to Marcus Perez who will use it to carry crews of harvest workers to the fields and to carry the Sonora Azetca baseball team to out-of-town games . . . . Gay Copeland took some of his cutting horses to Fort Worth last week. Sons Ralph and Dickie will attend camp in Colorado this summer . . . . Mrs. C. A. Tyler left Wednesday for a few days visit with her daughter in Rocksprings . . . . Lee and Son Whitehead were in from the high grass country Tuesday . . . . Miss Ethel Mae Alley received her bachelor of science degree Monday morning at Sul Ross College, Alpine, commencement exercises. Daughter of Mr. and Mrs. J. V. Alley, who attended, Miss Alley is a graduate of Sonora High School, class of 1946. She attended the University of Texas 2 years. She plans to spend the summer here as swimming instructor and hopes to teach in South Texas next year . . . . Another Sonora student to graduate from college this year is Miss Martha Jo Moore, daughter of Andrew Moore and Mrs. W. L. Miers of Sonora, who will receive her bachelor of science degree in home economics at the University of Texas June 3 . . . . A recently completed survey shows that Sutton County has 916 scholastics this year. Of these 457 are boys and 459 girls. All are between 6 and 18 years of age. The figure is 20 less than the county had last year, due mainly to the decrease in seismograph and drilling crews here.

FOR RENT: Five-room furnished apartment. Phone 21431. 1tp32

PRACTICE JUDGING

A practice wool and mohair judging contest was held in Junction Saturday, May 20 for Menard, Kimble and Sutton County boys. The Sutton County boys placed first, the Kimble County 4-H Club was second, and the Kimble F.F.A. was third, and the Menard 4-H Club was fourth with an incomplete team. Joe David Ross was high point man and Corky Schwiening was second high point man. Betsy Ross, Connie Mack Locklin, Oscar Carpenter, Russ Chalk and Raymond Darrow also judged in the contest.

After the wool and mohair judging contest Harry Scofield, Work Unit Conservationist with the S.C.S. at Junction, went over grasses with the group in preparation for the District 11 grass judging.

Kerr, Schleicher and Sutton County boys participated in a practice sheep judging contest at the Ranch Experiment Station Wednesday, May 24. No team scores were taken but individual scores indicated that the Kerrville F.F.A. and the Schleicher County 4-H Club will have excellent livestock judging teams entered in the Sonora Wool and Mohair Show judging contest.

At noon the Sutton County 4-H Club boys served a barbecue lunch to the visiting 4-H and F.F.A. boys.

A SIZE AND MODEL TO FIT EVERY NEED
New Low Prices! Budget Terms!

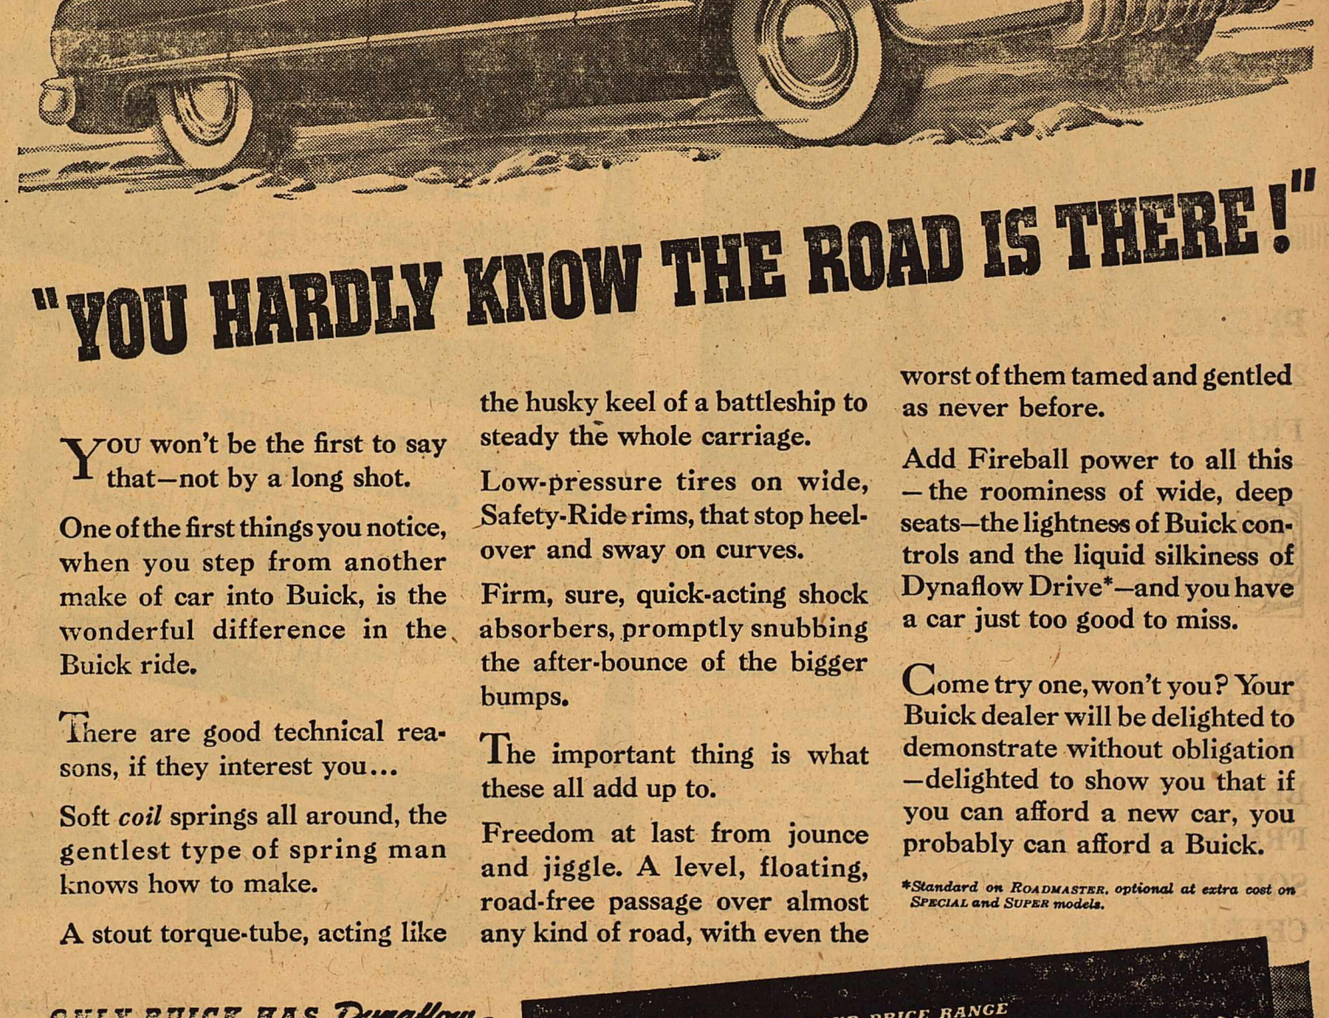

MODEL B36—New, Different, Economical. Fits close to building below eye-level!

The sensational DeLuxe Window Adaptor adds a simplicity and beauty to your home.

New, you can enjoy cool, cool summer comfort at new low prices! Paramount, long recognized as the leading manufacturer of quality coolers, has developed a complete new series of improved air coolers . . . at prices you never dreamed possible. With Paramount coolers there's no complicated installation problem . . . in fact most installations can be made in thirty minutes or less. Using the exclusive Paramount window mounting adaptor, it is no longer necessary to mar your home and obstruct the view with unsightly, cumbersome, costly platforms. Yes, this summer you can install a Paramount Air Cooler and laugh at the heat.

West Texas Utilities Company

"YOU HARDLY KNOW THE ROAD IS THERE!"

You won't be the first to say that—not by a long shot.

One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you...

Soft *coil* springs all around, the gentlest type of spring man knows how to make.

A stout torque-tube, acting like the husky keel of a battleship to steady the whole carriage.

Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves.

Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to.

Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflow Drive*—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

ONLY BUICK HAS Dynaflow AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

WHATEVER YOUR PRICE RANGE "Better buy Buick" YOUR KEY TO GREATER VALUE GM

SONORANS LEAVE ON FLORIDA TRIP SATURDAY

Mr. and Mrs. J. F. Hamby, Mrs. Violet Morrow, John Stanley Hamby, and Mrs. J. W. Pepper, Jr., are leaving Saturday for St. Petersburg, Florida, where they will attend end of school ceremonies at the Florida Military Academy. Mrs. Morrow's son, Jimmy, is a student there. They also plan a trip to Miami and intend to stop a few days at New Orleans on their return trip. They expect to return to Sonora about June 10.

REVENUE COLLECTIONS OFF

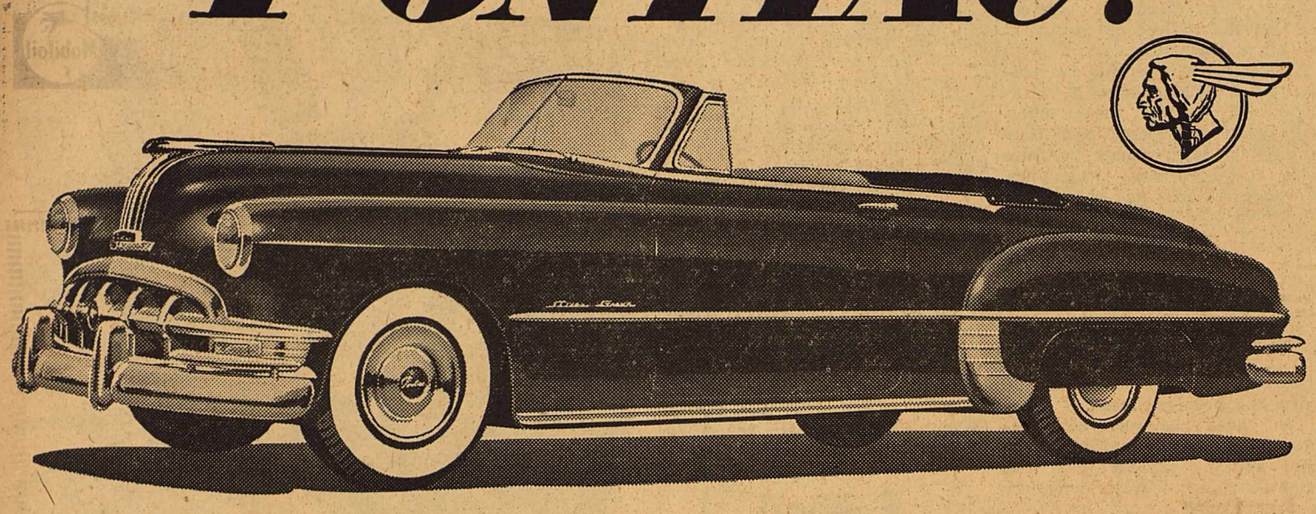

Federal internal revenue collections in Texas from July 1, 1949 through March 31, 1950 fell 8 per cent from the similar period last year, the Texas Bureau of Business Research reported.

Income taxes for the first 9 months of this fiscal year offset a 3-per-cent gain in withholding taxes and a 1-per-cent rise in employment taxes.

First District (South Texas) turned in a 6-per-cent decline in revenue as compared with a 9-per-cent decrease for North Texas (Second District).

FOR RENT: Furnished apartment, private entrance. Phone 25292. 1tp32.

SHOPPERS' GUIDE...

VALUES of the WEEK!

*HAM-STUFFED PEPPERS

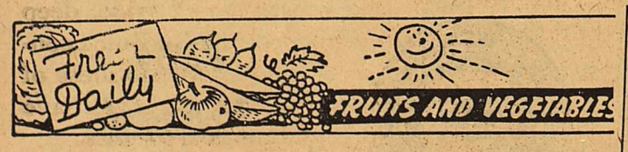

3 large green peppers
3 tablespoons chopped onion
3 tablespoons melted fat
1½ cups boiled rice
1½ cups chopped ham
1 egg, slightly beaten
tomato juice

Cut peppers in half, remove seeds, and parboil for 10 minutes. Drain. Saute onion in fat; add rice, ham, egg, and enough tomato juice to make slightly moist. Season with pepper and salt, and pack into pepper halves. Sprinkle with crumbs, dot with tomato catsup, and bake in moderate oven (375 F) for 25 minutes. Serves 6.

YOUR HEALTH

"Go in and out the window" is a line from a children's game which thousands of little youngsters have played for years. It may be used to describe something else, too, for flies like to go in and out windows. Dr. Geo. W. Cox, State Health Officer, reports that fly infestation will be heavy this year. So, now is the time to kill those early flies . . . before they have a chance to produce thousands more during the summer.

These pests love to buzz around in uncovered garbage pails, stables, old privies, and in homes around uncovered food. Do you have a metal garbage pail with a tight-fitting lid? Are screens on your windows and doors in good repair? Waste should be removed from stables often, for horse manure is one of the chief breeding places of flies. Children can help to keep flies of the house by keeping screen doors closed, and swatting the flies that enter the house.

Prison Rodeo To Show At Dallas Fair June 3-10

The eight-night stand of the original Texas Prison Rodeo at the State Fair Grandstand in Dallas has been moved up to June 3-10, R. L. Thornton, president of the State Fair of Texas, has announced. Previous Dallas dates were June 4-11.

More than 150 inmates of the Texas Prison System will be brought to Dallas direct from Huntsville for the first performances of the famous rodeo outside the prison walls.

The Picnic Pavilion at State Fair Park will be converted into a miniature prison and the inmates will be housed there during the Dallas run of the rodeo.

Guards will live in one of the spacious Cotton Bowl dressing rooms. Inmates will be fed in a restaurant which is being taken over by the prison system for the rodeo.

Three prison musical organizations will perform during the rodeo -- the military band, a string band and a women's group from the Goree Prison Farm. Performers come from all eleven units of the prison system and are chosen through eliminations held at Huntsville.

Capacity of the State Fair Grandstand will be increased to 11,000 by construction of bleachers opposite the grandstand itself. The arena will be surrounded by a double wall 10 feet high and guards will patrol the corridor between the walls constantly during all performances.

Eighty per cent of the net proceeds of the eight Dallas performances will go to the inmates' educational and recreational fund to pay for such things as false teeth, eye-glasses, magazines, newspapers, books and other items for which the state makes no appropriation.

The rodeo will also put on its usual annual series of Sunday shows in Huntsville this October at the million-dollar stadium which is the largest stadium in the nation built especially for rodeos. This will be the 19th year the rodeo has been produced.

The rodeo has received widespread national recognition and is billed as the world's roughest, toughest rodeo -- the "dang'dest show on earth."

Tickets will go on sale Monday, May 15, at the State Fair downtown box office, 1203 Elm Street, Dallas. Reserved seats are $2.40 including tax.

INSURANCE

SOCIAL SECURITY OFFICE NOT COLLECTION AGENCY

"Don't send us money."

That is the unusual request made by George Clark, manager of the San Angelo Social Security Administration office. Clark explains that although his office does no collecting of taxes and has no charge whatever for any of its services, letters frequently arrive enclosing checks, stamps, money orders or cash. All such remittances, he says, must either be returned to the senders, or, if in payment of taxes, forwarded to the Collector of Internal Revenue.

The San Angelo office handles claims for old-age and survivors insurance benefits in 30 West Texas counties, issues new and duplicate social security cards, and gives information and assistance generally to employers and employees.

"But we do not collect taxes of any kind," Clark declares. "Employers' social security returns should be sent to the Collector of Internal Revenue -- not to our office. He has jurisdiction over collections -- our business is primarily the payments of benefits, and the maintenace of the individual accounts on which the benefits are based."

Old-age and survivors insurance benefits are payable to retired workers 65 or over who have worked for at least a qualfying period on jobs covered by social security, to certain of their dependents, and to the survivors of deceased qualified workers.

Why some people never win at CANASTA!

Why do they always lose? Because they have no plan for winning. They don't think ahead. So, when their opponent suddenly "goes out," they're left holding cards that count against them.

Some people, too, can never save money—even though they make as much as the next guy who has plenty tucked away.

Trouble is, they have no plan for saving. And when the next guy's retired with children in college, they may still be trying to make ends meet.

Fortunately, if you're one of these people, there's still time to sign up for one of the easiest plans ever invented for saving money regularly—the Payroll Savings Plan.

Just tell the cashier where you work to put you down for so much. Then, like millions of others, you'll have money automatically set aside each payday. And it will grow fast—by ⅓ in ten short years.

So, before you know it, you'll be talking about sending your children to college—and choosing a garden spot for later years.

Automatic saving is sure saving— U.S. SAVINGS BONDS
