Local Committee and County Agent Sheets Gets Information on Contract Procedure

One hundred farmers of Ochiltree county were present at the court-house Saturday at which time the details of the Corn-Hog production control program were discussed and permanent county committee elected to supervise the signing of contracts. This committee is composed of W. M. Deck, E. W. Rogers and Jake Schwab.

The members of the committee County Agent Guy R. Sheets attended a Panhandle wide meeting Amarillo Monday at which time representative of the federal administration explained the details of the entire reduction plan. Every county was represented by their county agent and committee members.

The committee learned at the Amarillo meeting that persons producing an average of three or more bushels per year for the year beginning Dec. 1, 1931 and ending Dec. 31, 1933, can fill out a contract, whether they raised any corn or not, providing they agree to cut down their average production 25%. The committee, starting today, Wednesday, January 25, will be in session at the courthouse every day until Saturday, February 3, for the purpose of giving out information and assisting in filling out contracts.

#### BANK DEPOSITS ALMOST DOUBLE

COMBINED DEPOSITS PERRYTON BANKS ADVANCE TO \$405,000; \$220,000 ON DECEMBER 30

Deposits in Perryton banks hit a new mark for many months at the close of business Wednesday when the First National and the Perryton National had combined deposits of \$405,000. This was an increase of \$135,000, or almost a one hundred percent increase since the call of December 30, 1933, when the total deposits were \$220,000. This increase was caused by the payment of wheat allotment claims. The banks report substantial increases in loans. In round numbers the First National made a gain of \$100,000 in twenty-one banking days, going from \$135,000 to \$275,000. The Perryton National had a gain of \$100,000, advancing from \$85,000 to \$185,000.

The production, under the direction of Addison Cutter, is strictly a farce with the comical situation built around the attraction between a widow and widower, each thinking the other is wealthy and considering the other a young girl. The widow has her 18 year old son pose as a youth of fourteen while the widower causes his daughter of seventeen appear to be a girl of thirteen.

The cast of characters include the following:

- Shepherd McLean, her son—Earl McClung
- Luther Long, a widower—Pat Pattison
- Juliet Long, his daughter—Cleo Cudd
- Mrs. Blackburn, Mrs. McLean's mother—Ethel Travis

As a special entertainment feature of the program, Mrs. Donald Penn will present four of her pupils in a special dance number, "The Sidewalks of New York". The young people appearing in the number are Miss Bette Bryan, Miss Mary Lee Wilson, Bobby Whippo and Jim Andy Wilson. Helen Mannen will accompany the number.

#### FIRST CHECK DELIVERED TO GEO. M. PERRY

Approximately 800 Checks Received Saturday; About 150 Checks Are Still Pending

Total Payment \$328,838

Ochiltree County Leads State With Total Allotment of \$460,373; Is Boon to Farmers

Hearings were made glad and pocketbooks fattened for hundreds of wheat growers in Ochiltree county, Saturday, when approximately 800 checks for a total amount of \$234,628 were received by the Wheat Allotment Committee for distribution to the farmers and wheat growers who are cooperating with the administration in the wheat acreage reduction program.

As an honor to Ochiltree county's foremost citizen and the man in whose honor the town of Perryton is named, the first check was delivered to Judge Geo. M. Perry.

There are still about 150 checks out. Most of these are on lands which are either leased or sold on contract. On these items, in many cases, the allotment payment is divided and it takes time for the government to investigate and verify the conditions.

Thousands of dollars are being paid out by the receives of these checks for taxes and other obligations.

#### WORK HOURS OF CWA CURTAILED

CITY WORKERS WEEK IS 24 HOURS; COUNTRY CUT TO 15; NO WORK IF YOU GOT WHEAT CHECK

Curtailling of the number of hours of work by person on CWA projects in Texas from 30 to 24 hours per week in cities of more than 2,500 population and to 15 hours in rural communities, became effective January 19.

In Ochiltree county, the allotment for the county has been lowered to 275 on rolls. Dispatches from Austin state that this curtailment was made necessary because CWA payrolls had exceeded the original estimates. No new persons are to be employed except in actual replacement of persons who have quit and been paid off. Clerical employees have a maximum of 30 hours per week pay. In Ochiltree county this means that the office force handling the CWA administration gets paid for 30 hours and works better than double that number of hours.

About eighty farmers in this county, who have or will receive wheat allotment checks, and who are on the CWA rolls, will be affected by a recent ruling. They will be removed from the rolls. To get back on the rolls, they must submit affidavits and prove that they have used their wheat allotment checks for the purpose of paying just debts incurred before the starting of the CWA program. Then their cases will be taken under consideration for return to the rolls.

Mr. and Mrs. Roy Beardsley, Arnett, Okla., came in Wednesday and will visit the remainder of the week with their children, Mr. and Mrs. Bill Beardsley and Mr. and Mrs. Art Mayo.

## International Sunday School Lesson

By A. C. Williams, Minister Perryton Church of Christ

Lesson IV—Jan. 28, 1934  
Jesus Teaches The People  
Memory Verse, Psa. 27: 11a  
I. The Scene

On a mountain plateau, not far from Capernaum, a group of followers whom Jesus had called listened to the greatest message that had ever entered the ears of man. The speaker, Christ, was no doubt an imposing picture of calmness, earnestness and power. From a sitting position the Son of God voiced the immortal Beatitudes which have become proverbial in every civilized land.

### II. The Message

"According to Matthew, these Beatitudes are seven in character and nine in number". They are directly opposed to the selfish whims and philosophy of the world. But their practical application to every day life has abundantly proved that they have done more for the uplifting and civilization of the world than all the combined volumes of human philosophy that have emanated the minds of men. They are interwoven with the best laws and practices by the best of men and women. Their absence would deprive our civilization of its choice excellencies, and consign back to heathendom our best social and moral standards.

The first item of the sermon refers to the poor in spirit, or the humble. What a blow to hollow pride and egotism. Wealth, learning, influence, talents are to be appreciated, but never worshipped. The soul of a poor beggar Lazarus is just as precious as though he were a millionaire. Though he must eat crumbs from the rich man's table, he is worthy of an angelic escort to the bosom of Abraham.

Mourning and meekness are next given a place in this remarkable message of Jesus. If sorrow endures for the night, joy comes in the morning (Psa. 126: 6). Godly sorrow works repentance (2 Cor. 7: 10). The humble man obeys his Lord then like a thousand floodlights in the soul, his life is filled with peace that passes understanding. What a blessing is the appetite. And how fortunate a thirst and hunger for righteousness. And what a promise for those thus blessed—they shall be filled. The hungry creature cries out, "I want to know; I want to be; I want to do." To these petitions Heaven's answer is most assuring. Christ, who is the Way, Truth, and Life is the answer to our great heart-problems. Now comes an item which deals

with man's relationship with men. Those who are merciful will receive mercy. If we would find favor in God's sight, we should be just with our fellowmen. It is impossible to serve Jehovah with one hand and mistreat humanity with the other.

Jesus did not say it took a smart man to see God. He stated, instead, that the heart must be pure. If scales of prejudice or wickedness are before our eyes, surely the image of God is blurred. It is better to live in a pure atmosphere of mountain-peak, far removed from the dim and dust of ungodly living, that our skies may be blue and our vision clear. He whose life is most pure is most visionary. He walks not in darkness, but walks by faith, not by mere feelings nor opinion. Peacemaking is a noble trait. He who can effect a reconciliation between men is a blessing to his community. Jesus was a peacemaker. By the sacrifice of himself upon the cross he made peace between Jew and Gentile, and made possible man's reconciliation to God.

Persecution will follow right living. Satan is never satisfied with righteousness. His jealousy prompts his ensnaring plots. But happy is the person who becomes strong when tempted. Like the great Bible characters of ages past who remained faithful, he will emerge from the fire purified and refined. Truth will stand. The eternal years of God are hers. Investigation will only make her more beautiful. May her advocates always be humble and staunch. No prize was ever won without effort and sacrifice, and truly the goal of Heaven is worthy of our greatest endeavors. May the Sermon on the Mount be a daily inspiration to us all and a standard for our conduct toward our God and fellowman.

times, our little congregation has slowly, but steadily progressed and forged ahead. The membership—although still comparatively small—has almost doubled since the date of organization. While it is true that our church building plans did not materialize, a desirable location on S. W. 7th St. was acquired and a splendid parsonage was erected. These and many other blessings of the Lord move us to render praise and thanksgiving unto Him in two special anniversary services next Sunday. The morning services begin at 10:30, followed by Sunday-school and Bible Class; the German services in the afternoon will be at 3 o'clock. Come and worship with us!

H. W. Hartenberger, Pastor.

### McMILLEN NOTES

(Too Late for Last Week)  
Earl Waide, Reporter

There were seventy-eight at Sunday School last Sunday which is the largest attendance we have had for several weeks. This ought to be some encouragement for the officers of the Sunday School who were all re-elected for another year but who felt that they were not being very successful in keeping the community interested enough to attend. Personally we think that if the members worked only half as hard as the superintendent, secretary and pianist, that the school would be 100 per cent perfect.

Mr. and Mrs. L. L. Swink and family were Sunday dinner guests in the Arthur Swink home. Mr. and Mrs. Walter Jung and son, Glenn, visited Sunday with Mr. and Mrs. Willis Hardy and family. Mr. and Mrs. Byron Perry, Mrs. Maggie Tarbox and Cowboy spent Sunday in the Glenn Tarbox home. Juanita Bryan visited Sunday with Rachel Finney.

Mrs. Thelma Howard and children left last Wednesday for a two weeks visit with her mother, Mrs. Pat Patterson, who lives in Okmulgee, Okla. Mrs. Howard's sister, Mrs. Helen Ernest, Berger, accompanied her on the trip.

Mr. and Mrs. H. B. Urban and family visited in the Earl Waide home Sunday.

Mr. and Mrs. James Hardy and family and Mr. and Mrs. Clem Flowers were visitors in the Atlas Flowers home Sunday.

Mr. and Mrs. John Taylor and family spent Sunday in the J. L. Bryan home.

Mrs. B. L. Barnes visited Mrs. James Caldwell last Thursday.

Mr. and Mrs. S. F. Waide visited Sunday afternoon in the C. O. Wil-

son home in Spearman. A very interesting program was given Sunday night at the Christian Endeavor society, under the direction of Mrs. Clifford Finney. In addition to the regular topics some new musical talent was introduced and we are hoping that they can be persuaded to be with us regularly and help in the programs.

There were fifty-seven members at Sunday School last Sunday and sixty-four were there to hear the first sermon delivered to us by Rev. Jackson of the Christian Church at Perryton. Rev. Jackson will fill a regular appointment at McMullen each third Sunday of the month, and he warned us that cold weather would not keep him away, and that we could expect him every time unless the roads were bad.

Mrs. L. L. Swink served a turkey dinner last Monday in honor of the birthdays of L. L. Swink and Harmon Swink. All of the Swink children were present for the occasion. Mr. and Mrs. Lewis Hardy and family visited Sunday in the James Hardy home.

Mr. and Mrs. Leo Wilson and Irvin Wilson, Spearman, spent Sunday in the S. F. Waide home.

One of the most interesting programs since the organization of the Christian Endeavor Society, was presented last Sunday evening under the direction of Miss Arlene Patterson. More interest is being shown in these meetings and a larger attendance is noticeable. Meetings start promptly at seven-thirty and everyone is invited to attend.

Those visiting in the J. W. Jantz home Sunday, were: Mr. and Mrs. Tom McLarty, Mr. and Mrs. D. P. Unruh and family, Mr. and Mrs. F. D. Koehn and family and Miss Arlene Patterson.

Well at last those long looked for wheat checks have arrived. Someone has said that it was not as much fun to pass the money on to the other fellow, as it was to be expecting to get it all the time. Anyway it's all over now and we can settle down and wait till the first of June for some more money. If we can get credit on that payment, we may be able to live through the winter.

Mr. and Mrs. P. W. Wernske visited in the Byron Perry home Sunday.

Mr. and Mrs. Harmon Swink and children visited with Calep Howard Sunday afternoon.

Mr. and Mrs. C. C. French visited in the Earl Waide home Friday afternoon.

Mr. and Mrs. Atlas Flowers and family called in the Thurman Trew home Monday afternoon.

Mr. and Mrs. John Taylor and

family attended church services at Waka last Sunday.

Mr. and Mrs. Clem Flowers were visitors in the S. F. Waide home Sunday afternoon.

The program at the Christian Endeavor Society next Sunday night will be under the direction of Mrs. Willis Hardy. A good program has been arranged. In addition to the regular topics a very good musical program will be given.

**A CALL TO THE COUNTRY TO HAIL HER LEADER**

This striking poster was painted by the famous artist, Howard Chandler Christy, when he heard of the national movement to observe President Roosevelt's birthday on Tuesday night, Jan. 30, by raising an endowment fund for Warm Springs Foundation for Infantile Paralysis at Presidential Birthday Balls given simultaneously in every community in the land. He gave it to the national committee as its official poster. Done in red, white and blue, the poster depicts Miss America at the left protecting two children who are looking up to President Roosevelt, shown above the capitol. The slogan across the top "America, to our President" was coined by Mr. Christy as a toast to Mr. Roosevelt from the nation.

**P. T. A. Met Monday**

**Bush Sponsors Interesting Program; Delegates Elected To County Council**

One of the best programs given at a P. T. A. meeting was presented Monday night, January 22, sponsored by O. A. Bush. The topic was "Is Your Child a Success at School?" Mrs. Manse Wood gave a very interesting talk on "Encouraging Children to Think for Themselves". "A good start is half of the battle" is an age old saying, she said. "But not out of date, and no where truer than in education". Back of many failures lies self-distrust, inability to do clear, concrete thinking, Manhood, not scholarship, is the first requisite to great undertakings. Education is a living, not a preparation for life. "Common Sense Education" was discussed by Miss Mary Britton. She said, "Common sense is good to have any where, above all to have in the educational system. Interested parents must not stop with merely asking, 'How are your studies?' but they must do something to help the

child. For instance they can see that in every school the leisure hour is taken care of. It is said that during this depression that children of America are not getting a New Deal but a raw deal. The self-seeking politicians, harassed by voters for economy, are cutting to the bone the appropriations for schools. If it is a good public policy for the N. R. A. to guarantee a living wage for all American workers, is it not equally good policy for the Federal government to guarantee education for all American children?"

A trumpet duet was given by Wilbur Parks and W. I. Byron, accompanied by Mrs. J. W. Wilson, which was greatly enjoyed by those present.

Mrs. Boyle read a very amusing negro spiritual entitled, "Ship of Faith".

High lights from the State Convention were read by Mrs. Manse Wood.

The President, Mrs. W. B. Irvin, announced receiving the certificate of award from National Congress for having successfully completed the health round-up. Mrs. W. E. McMillen, Mrs. J. E. Barbour and Mrs. G. I. Horne were elected delegates

to attend County Council at Waka, February 2.

The first grade received the picture for having most voters present. The faculty agreeably surprised the audience by serving cocoa and wafers and a very enjoyable social hour was spent.

Mr. and Mrs. J. D. Wade were Sunday guests in the home of Mr. and Mrs. Luther Wade.

Mrs. Henry Bushman, Waka, was operated on at the Perryton hospital Wednesday morning.

## LEE FUNK HAS WORKS OF ART

ART TEACHER IS BEING RECOGNIZED IN EXHIBITIONS AT WASHINGTON, D. C.

The Washington Times has found Lee Funk, last a student in W. in the summer of 1929, worth three column story, and a picture showing him at work. Funk was an art major here, and he taught art and penmanship the Perryton school. Before going to Canyon he had been graduated from the Farmington, New Mexico, high school. He was born in Oklahoma. Those in Canyon know him will recall that he has two absorbing interests, art and al problems. Since those days has gone far, according to the Washington paper, toward reaching goal. The story is reprinted in

selling dirty dishes may be a prelude to perpetuating one's life upon canvas with the pig that has preserved the work endures throughout the ages, but is one Washington artist who is doing just that. His name is J. Lee Funk, and he's not being a bus boy in a street restaurant, he's conscientiously at work trying to realize his life dream—that of being a painter in, as he expressed "a conservatively modern" man-

One Of Vast Army presents one more example that valiant crew who bear all art's sake and, faced with the plea of living, even take medals, not only from necessity, to progress along that thorny path by which so many artists travel. At the end there is too often are, but they still keep marching.

He had paintings exhibited for two years at the annual Washington Society of Painters show, distinction that they are jury exhibits where many times the number of paintings view are rejected.

He opened his initial one-man show yesterday at the Critcher school of Painting, 1726 Connecticut Ave., and is offering 18 subjects covering a wide variety of still and flower, and landscape paintings, in addition to portraits. An exhibition will be continued through the following Saturday.

Early Life on Farm Funk has had other difficulties and economic ones. His early years were spent on an Oklahoma farm, where he milked cows and tended other chores in an effort to win back his health from a painful affliction. Then his health lost her health and, at the age of 10, he went West with his family where they settled on a New Mexico ranch. It was at Taos, the famous art colony that he first took the serious study of art when he was 25 years old, although he dabbed in it all his life. He spent 32 years ago Funk went to West State Teachers College, where

## PEDDLERS AND SALESMEN COME WITH WHEAT CHECKS

Just as the scarlet women, gamblers, crooks and easy money seekers follow oil boom and prosperity into any community, so has the influx of thousands of dollars into this community attracted the usual horde of peddlers, oil salesmen and such gentry into this community. One of the blessings of hard times and depression days is the fact that we don't have to be pestered with the "gyp" artists who are ever after the easy dollar. When we're "flat" they can't see us, but when we've a few dollars in our jeans, they are right on our trail. One man of this community who lives several miles from Perryton informed us that he actually had a motor oil salesman call on him before breakfast Monday morning. He told the salesman that he hadn't received his wheat check yet and that when he did get it, he could buy motor oil from his home town dealer, who was right on the job to back up his merchandise. Your home town business man cannot afford to sell you inferior goods. He is here to stay, not get your money today and gyp some other community tomorrow. He stands shoulder to shoulder with you, building with your help a better community every day. These smooth-tongued peddlers and salesmen don't give a tinker's damn about you or your community. All they want is your money, just the same as the mail order house. Your home town merchant is interested in your welfare, your success, for even though the interest is not personal he knows that as you prosper, so does the community and every citizen prospers. Towns and rural communities build together. A good live prosperous rural community means a better town, and a successful, up and going community and trading center makes for increased land values, better markets, schools, and churches.

## LOCAL MAN GETS LARGEST CHECK IN HANSFORD

The Spearman Reporter states that the largest allotment check in Hansford county went to Grover C. Brillhart, the amount being \$4260.45. Mr. Brillhart is an Ochiltree county man, residing a few miles north-east of Perryton. He farms a large tract of land in Hansford county. In fact a few years ago when the Amarillo Daily News and many other newspaper were touting the now defunct Hickman Price as the largest wheat grower in the world, Mr. Brillhart not only had more acres in cultivation but raised a far greater amount of wheat, but would not allow the fact to become known as he did not care for the publicity which Price apparently craved, judging by his ability to hit the "front page."

## TIPTON ORPHANS' HOME TRUCK COMING TUESDAY

Next Tuesday the truck from the Orphans Home, Tipton, Okla., will be in Perryton. Any groceries, clothing, etc., that any one wishes to give can be left at the Church of Christ building Saturday afternoon or Sunday.

This home has never turned a homeless orphan from its door. Only a small percent of the children there have come from homes of Church of Christ members. In other words, this does not limit its benevolence to any special group of people. The homeless orphan is accepted because he is an orphan and needs care and help.

We are advised that toys are needed by the little folks, so if you have any that are discarded they would be appreciated.

# American Legion Auxiliary NEWS

An interesting joint program was held by the Unit of the Pierce Johnson American Legion Auxiliary and the Post Monday evening, January 15.

The program was in charge of Mrs. A. E. Cain and Mrs. Bernice Allen, and presided over by Commander Freeman Garrett.

The Misses George rendered a beautiful vocal trio and received a very hearty encore. Mary Lee Wilson, Bobby Whippo and James Andy Wilson, pupils of Mrs. Donald Penn, entertained with tap dancing and were well received. Helen Manning rendered a number of splendid piano solos.

Mrs. Rupert Allen, president of the Unit, made an interesting talk urging everyone eligible to pay his or her poll tax before February 1st, stressing the point that this is election year for county, district and state officers, and insisted that our maximum voting strength be eligible for these elections.

The 1934 Legion and Auxiliary legislative program was discussed jointly by Attorney and Mrs. Jack Allen, the Child Welfare work being discussed by Mrs. Allen with special reference to recent legislative enactment along this line, attention being called to the power and authority of the Commissioners Court to appoint a Child Welfare Board composed of seven members, and she urged complete co-operation of the Auxiliary and the American Legion with the Commissioners Court and with other Commissions and Civic Organizations to the end that a greater and more efficient Child Welfare work might be carried on, thus enabling the youth of the country to have a better fighting chance and to assume the responsibilities and duties of citizenship.

Mr. Allen discussed the four point Legislative Program being sponsored by the American Legion for 1934 and laid special stress on the duties of every ex-service man and woman, and in fact, every citizen in general, to assist each and every disabled man and woman, who were disabled in the recent world war, to get just and adequate compensation or hospitalization. Mr. Allen argued that any ex-service man or woman who are financially able to pay for proper hospitalization, should do so and not expect the government to pay same, stating that we were all a part of the government, but did not mince any words in appeal for assistance to the disabled, down and out veteran who incurred disability by reason of services in the war. He also discussed adequate and proper National defense, calling attention to the fact that the United States is first in wealth, fourth in population, with a navy which ranks third in war strength and efficiency and an army which ranks seventeenth among the nations of the world, predicting that should we become entangled in another world war that the navy and aviation departments would have the major responsibility. He appealed to the citizens that every one interested in the youth of the land, continue the fight for the Universal Draft Law to be enacted and urge citizens and organizations generally to prevail upon their congressmen and United States Senators to work in this behalf, stating that prices should be fixed by law at the beginning of war and advocating that 95 per cent of all profits derived from war, over and above a reasonable profit, should be paid to the government.

He appealed to the citizens that every one interested in the youth of the land, continue the fight for the Universal Draft Law to be enacted and urge citizens and organizations generally to prevail upon their congressmen and United States Senators to work in this behalf, stating that prices should be fixed by law at the beginning of war and advocating that 95 per cent of all profits derived from war, over and above a reasonable profit, should be paid to the government.

Mr. Allen discussed the four point Legislative Program being sponsored by the American Legion for 1934 and laid special stress on the duties of every ex-service man and woman, and in fact, every citizen in general, to assist each and every disabled man and woman, who were disabled in the recent world war, to get just and adequate compensation or hospitalization. Mr. Allen argued that any ex-service man or woman who are financially able to pay for proper hospitalization, should do so and not expect the government to pay same, stating that we were all a part of the government, but did not mince any words in appeal for assistance to the disabled, down and out veteran who incurred disability by reason of services in the war. He also discussed adequate and proper National defense, calling attention to the fact that the United States is first in wealth, fourth in population, with a navy which ranks third in war strength and efficiency and an army which ranks seventeenth among the nations of the world, predicting that should we become entangled in another world war that the navy and aviation departments would have the major responsibility. ## Beware of Measles

State Health Officer Issues Warning Concerning After Complication Results

Austin, Texas, Jan. 20—Measles is again prevalent in Texas, according to Dr. John W. Brown, State Health Officer. After the epidemic of this disease last year, it was thought there would not be so many cases this year, but the numbers of reports received leads Dr. Brown to warn against the needless exposure of children to measles.

Especial care is required during the convalescent period. Complication at this stage, with end results of kidney trouble or impairment of sight or hearing, can easily take command. Obviously, everything should be done to avoid such a possibility.

Contrary to the foolish notion of many parents, it should be quite unnecessary for children to contract this disease. Youngsters, especially in tender years, can easily be kept from measles contacts, that is, if parents of measles victims fully realize their obligation not only to their own child, but to other children also.

It is a regrettable fact that so many adults view the isolation of the so-called minor ailments with indifference. Nothing is further from the facts. The isolation not only keeps people in, but keeps others out. Its sole purpose is to reduce the possibility of contagion to a minimum.

More cooperation on the part of citizens in this connection undoubtedly would result in less measles with their accompanying devastating efforts. The next time measles is prevalent in your locality weigh well the attitude you assume both toward the disease and the quarantine against it. Conceivably it may save your child's life. The State law requires all cases kept out of school 21 days.

## 15,000 CANS FOOD ON HAND; WHEAT FOR NEEDY

Over fifteen thousand cans of food, including meats, and vegetables of all kinds have been turned out of the Perryton Community Kitchen into the warehouse of the Ochiltree County Board of Welfare and Employment. This, in addition to the thousands and thousands of cans that have been processed for individuals of this and surrounding communities, is an accomplishment for which the Perryton Chamber of Commerce can take much credit. It was due to their efforts that the project was started. They provided a great part of the money, the Commissioners' Court helped in a financial way, some equipment was provided by the RFC, and then the CWA came along and is now providing the labor. The Chamber of Commerce continues to pay the rent, the gas and electric bills. The city donates the water. Many needy families are being helped every day with canned foods from this supply.

The warehouse now has on hand a supply of wheat which can be procured by persons who are unable to buy wheat for feeding their stock. This is also available for seeding purposes. This wheat is furnished by the Federal Surplus Relief Corporation and is a part of the administration's program for removing surplus wheat from the markets, thus helping the farmer by reducing the surplus and passing it on to those that are in need. If you are eligible for any of this wheat, make application at the headquarters in the courthouse. If your application is passed upon favorably, you will be issued the wheat from the warehouse.

# American Legion Auxiliary NEWS

An interesting joint program was held by the Unit of the Pierce Johnson American Legion Auxiliary and the Post Monday evening, January 15.

The program was in charge of Mrs. A. E. Cain and Mrs. Bernice Allen, and presided over by Commander Freeman Garrett.

The Misses George rendered a beautiful vocal trio and received a very hearty encore. Mary Lee Wilson, Bobby Whippo and James Andy Wilson, pupils of Mrs. Donald Penn, entertained with tap dancing and were well received. Helen Manning rendered a number of splendid piano solos.

Mrs. Rupert Allen, president of the Unit, made an interesting talk urging everyone eligible to pay his or her poll tax before February 1st, stressing the point that this is election year for county, district and state officers, and insisted that our maximum voting strength be eligible for these elections.

The 1934 Legion and Auxiliary legislative program was discussed jointly by Attorney and Mrs. Jack Allen, the child welfare work being discussed by Mrs. Allen with special reference to recent legislative enactment along this line, attention being called to the power and authority of the Commissioners Court to appoint a Child Welfare Board composed of seven members, and she urged complete co-operation of the Auxiliary and the American Legion with the Commissioners Court and with other Commissions and Civic Organizations to the end that a greater and more efficient Child Welfare work might be carried on, thus enabling the youth of the country to have a better fighting chance and to assume the responsibilities and duties of citizenship.

### FEATURES IN EL SOMBRERO

During the next semester El Sombrero will continue several of the features begun during the past term in addition to news items of interest. Monsieur de Flub Dubs, a brother in literature to the Dubs of last semester, will conduct the column bearing his name. He mysteriously leaves it on the desk or floor of the office like Benjamin Franklin of old. A survey of one or two jokes found in his column indicates that they merit publication. His column is designed to portray the opinions of the students (or studinks as Monsieur sometimes terms them) and to describe humorous incidents in school life in a refreshingly ungrammatical way.

Flub Dubs features a Bright Remarks of P. H. S. Teachers' department in connection with his column. Monsieur offers one gold dollar for each genuine bright saying of bona fide member of the high school faculty. However, all such remarks should be copyrighted before submission or Monsieur may steal them.

Due to a recently established press censorship, some of the pungent humor common to Monsieur Le Flub Dubs I, will be banned but enough humor exists in the works of the new author to merit their appearance.

"Meet the Seniors", a column conducted last semester by the Senior class reporter, will be continued by Reporter-elect Opal Foglesong. This column is designed to make El Sombrero readers better acquainted with the seniors, their characteristics, hobbies and ambitions. A short resume of the lives of from five to ten seniors will be presented each week until the entire class has been introduced.

The boxing and wrestling club met Friday January 19, and the following officers were elected: C. D. Russel—President; Rollin Stewart—Vice-president; Carl Delano—Treasurer; Joe Crum—Sergeant-at-arms; Harold Ballard—Reporter.

At the next meeting of the club on Friday, January 27, plans for a boxing and wrestling tournament will be made.—Harold Ballard.

The Latin II class held a meeting Monday to elect new officers for the second semester. The selections were as follows: Praeses—David Shanks; Secundus Praeses—Steryi George; Scriba—Jeanette Slaughter; Domus Caeromini—Harold Jordan.

Committee for Domus Caeromini—Pauline LaMaster; Winifred Butler; Vincent Hobbs; Sergeant at Arms—Marie McCubbins; Scriptor—Pauline LaMaster.

## SECOND SEMESTER OFFICERS

As we started the second half of the school year we find an almost entire change of school, class, and club officials. They are taking over the duties of those who have preceded them and must continue the work that has been so well started.

I want to congratulate and thank all of the retiring officers for the splendid help and cooperation given to their organizations and the teachers during the first semester. At the same time I want to congratulate each and everyone of the newly elected officers and committee members. I trust that at the end of the second semester that we may be able to again say, "Well done."

## Girls Defeat Spearman

Rangerettes Win By 23 To 18 Count In Tuesday Evening Game With Spearman

Downing the Spearman sextette here Tuesday night by the close count of 23 to 18, Coach E. D. Kelley's Rangerettes began a series of home games before a large crowd which may take them to a sectional championship.

Opal Foglesong, substitute center, who went in after Maida French fouled out, led in scoring with nine points. The following are scores to date:

Rangerettes, 15—Gruver, 16  
Rangerettes, 10—Spearman, 7  
Rangerettes, 35—Borger, 29  
Rangerettes, 23—Spearman, 18  
With the Rangers the P. H. S. will enter the Canadian tournament this Friday and Saturday.

## DRAMATICS CLUB

It looks like a big year for the Dramatics club. The officers for the first semester started the ball to rolling and the newly elected officers are stepping right in and taking up where the old officers left off.

And, by the by, the purpose of this little piece in the paper is to announce the results of the election held last Friday, January 19. It was a very high-powered election, with all the essentials but campaign cigars, so no fatal results are expected. The results of the election were:

E. M. Raney—president  
Virginia Good—secretary and treasurer

Claude Shearer—vice president  
Marshal Hinds—reporter  
Willard Witt—sergeant-at-arms

The election did not conclude the series of historic events, however, because the sponsor, Mrs. Wood, suggested that a constitution be drawn up. This was heartily agreed upon by every member present. Hence the newly-elected prexy appoints a committee to draw up the constitution. This committee is composed of Pauline LaMaster, Mildred Silsbee, George Prewitt, Bette Bryan, and W. B. Hicks. It looks like the constitution of the United States will now have arrived; anyway, it will be a good constitution.

A program committee was appointed at the last club meeting. Mildred Williams, and Neva Bransgrove are on the committee and they guarantee one hundred per cent satisfied club members.

Another committee was appointed to decide when, where, and why, we should eat. In other words the plans for a big party are being formulated in the minds of such notables as, Ola Mae Roberts, Lorne Shockley, and Esther Lowen.

As one thing leads to another, a refreshment committee was also appointed. On this committee are Wynona Wooten, Elen Huston, Marguerite Ewins. On the entertainment committee are Jeanette Slaughter, Arlene Slavins, and Lorne Shockley.

At this party of all parties there will be held the initiation of new members to the club. Mildred Silsbee, Bobby Loving, and Stella Firestone are to take the initiative on the initiation part of the program. Look out for the new members.—Marshall Hinds.

## HOME EC. I

## MEET THE SENIORS

CHARLENE McLARTY, age 17, needs no introduction to Perryton for she has been a resident of this town all her life, and has attended Perryton schools 11 years. She wants to be a musician but doesn't think she will ever be one. Her main characteristic is that she is inclined to be rather laze.

ARCHIE RATHFROY, better known as Wimpy, is just 15 years of age. He originally came from Enid, Oklahoma, but has been attending Perryton schools for 10 1-2 years. He says that his greatest hobby is taking trips. Archie made a good showing in football this year and was rewarded with his first athletic letter. His greatest characteristic is his weakness for hamburgers. He seems to be very ambitious however, for he wishes to be the "big shot" in some kind of business.

Aline Ready, age 18, was born in Wichita, Kansas, but she came here four years ago from Port, Oklahoma, to attend Perryton schools. She says she can do most anything therefore she should be a good school teacher, which is her ambition. One great characteristic of Aline's is that she talks quite a bit, but we'll excuse her for that.

HAROLD JORDAN, was born in Alva, Oklahoma, 18 years ago. This is his first year in Perryton Schools, having previously lived in Sun City, Kansas. Harold seems to be a very athletic sort of person having acquired five letters, two in track, two in basket ball, and one in tennis. However, he did not get those here, we'll just have to take his word for the knowledge. His ambition for the future is to be either a doctor or a lawyer. His present hobbies are music and "No women". Harold may be recognized by his large adam's apple, which he seems to enjoy wiggling.

MARY ALICE NIES, age 17 is a native of Texas. She has attended Perryton Schools 11 years and has been a leader of her classes having held several important offices. Her main hobby is reading which probably accounts for her size. All that can be found out about her ambitions of the future is "You'd be surprised".

ORVILLE NEWMAN

Orville Newman, who has been attending high school in Plainview returned to his home in Perryton, Friday night and will attend the Perryton school for the remainder of the year. Orville will continue his music here and will be an asset to the musical department.

FLUB DUBS

Bright Sayings of Teachers: "Oh!"

The oil business at Borger must be rotten—it sure smells that way.

When the Rangers and ettes come home from Borger thuther nite Copeland was sleepy and everybody thought he was sick—Delano (C) remarked that he possibly had a bone in his leg. (Possibly so) Handgrove: "No, I know what's wrong, everything he eats goes to his stomachick."

Spring is early. The birds aren't here yet that is none except the jallbirds and love birds. It does me good to see the happiness in the eyes of so many boys and girls. You'd think it was June to look around up here.

Much as I hate to talk about the teachers, (Bless their hearts) I think this order be told. Mrs. Wood—"When you express simple fraternity use shall and will". Probably nobody but us gram-grum-gremen grammarians (houz at) understand how that is.

I unnerstan the Bright Teacher Cracks dinnot go over so hot, so I got their theme song—"We want Flub Dubs." Yeah, his scap.

The classy Espanoly was talking about Del Fuego which in Spanish means Land of Fire.

Audrey Haines, who gives us much to write about, says she can't see why they call it that, because it's the farthest point south except the north pole.

You may have read that five or six times. She said it that many.

Man was made all wrong. Why didn't they put the big part of his feet behind him. Cause who ever heard of a fellow fallin over frontwards.

ACTIVITIES OF DEBATING CLUB

The High School Debating club is growing both in members and ability. Janice Murphy and Inez Packard have joined the club, intending to organize a girls team. Briefs for both negative and affirmative arguments on the contest subject are being prepared. This subject, "Resolved that the United States Should Adopt the Essential Features of the British System of Radio Control" is creating a great deal of interest in all high schools throughout the nation.

This subject is ideal for purpose of debate. People have not become prejudiced in favor of either side and the two sides of the question are as nearly equal as any debating subject that might be found although the burden of proof is, of course, placed upon the affirmative.

Wilbur Parks, sponsor of the club, is communicating with the debating clubs of surrounding towns ascertaining dates when they and the Perryton club may meet in practice sessions.

ORVILLE NEWMAN

Orville Newman, who has been attending high school in Plainview returned to his home in Perryton, Friday night and will attend the Perryton school for the remainder of the year. Orville will continue his music here and will be an asset to the musical department.

A RIOT OF LAUGHS IN THREE ACTS

## Monday, January 29

AT THE  
**School Auditorium**

Farces are supposed to be funny and are built for laughing purposes only, but this screamingly funny play exceeds the speed limit in its laughs and ludicrous situations. Imagine the fun that is obtained by having an attractive widow nearing forty, having her 18 year old son dress and pose as a youth of fourteen, so that she might pass as a younger woman and marry a widower, whom she believes to be wealthy. In turn, the widower, trying to appease his younger, has his 17 year old daughter pose as a girl of 13. The situation leads to no end of amusing complications in this whirlwind of delightful fun.

## BOYER OUT FOR ANOTHER TERM

IS NOW SERVING OCHILTREE AS COUNTY ATTORNEY IN SECOND TERM; MADE MANY FRIENDS

Max W. Boyer, now serving Ochiltree county in his second term as county attorney, is this week placing his name before the voters as a candidate for re-election subject to the action of the Democratic primary to be held Saturday, July 28.

Attorney Boyer, a graduate of the law department of the Oklahoma University at Norman, Oklahoma, came to Perryton immediately after completing his law course. Shortly afterwards, he was elected as county attorney, being re-elected for the second term two years ago.

Mr. Boyer has made an excellent record as a county official and his fair and impartial administration has won for him many close friends in all sections of the county. He has been very active in civic and community life and at the present time is president of the Young Democrats of Ochiltree County.

In announcing for a third term, Mr. Boyer states that he has given his best to the duties and obligations of the office, and that, if re-elected, he will continue to serve the people of the county to the best of his ability. He will appreciate your support and consideration at the polls in July.

## ANNOUNCES FOR COMMISSIONER

**E. W. ROGERS, FARNSWORTH COMMUNITY, IS IN RACE FOR COMMISSIONER OF PRECINCT NO. 2**

E. W. Rogers, prominent farmer-stockman of the Farnsworth community, has authorized the Herald to place his name before the voters of the northwest precinct of the county as a candidate for County Commissioner, subject to the will of the Democratic primary to be held in July.

During the nineteen years that Mr. Rogers has been a resident of Ochiltree county, he has been very active in public affairs. For the past four years, he has served faithfully as a member of the school board of the Perryton Independent District.

A native of Missouri, he spent his boyhood days in Iowa, later moving to Washington where he resided for 11 years, spending two years in Canada just prior to becoming a citizen of this county. He has engaged in farming, sheep, hog and cattle raising on an extensive scale and is numbered among our most successful farmer-stockmen.

Mr. Rogers' many years of business experience qualifies him for the important county executive position to which he aspires and the people of the Precinct No. 2, will make no mistake in giving his candidacy due consideration. He will appreciate the support and consideration of every voter.

## Revival in Progress

**Evangelist Chester Jackson Is Leading Meeting At Full Gospel Tabernacle**

Rev. Robert Girouard, pastor of the Full Gospel Tabernacle, announces that revival services are being conducted every evening at their church in this city. Evangelist Chester Jackson, Vanderpool, Texas, is leading these meetings.

Elder Jackson is well and favorably known in this community, having resided here the greater part of his life. For the past few years, he has been devoting all of his time to evangelistic work. His many friends are availing themselves of the opportunity to hear him once more. Services are held each evening at seven-thirty. Rev. Girouard extends a cordial invitation to all to join with them in these meetings.

## MRS. LAWRENCE FOR TREASURER

**MRS. CORA LEE LAWRENCE IS CANDIDATE FOR COUNTY TREASURER, DEMOCRAT PRIMARY**

Mrs. Cora Lee Lawrence, widow of Haskell Lawrence who died in 1930, has announced her candidacy for the office of county treasurer, subject to the action of the voters in the Democratic primary to be held Saturday, July 28.

Mrs. Lawrence has been a resident of the county since 1918, when she came here with her parents, Mr. and Mrs. J. L. Stephens, from Houston, Texas. Her father located on a farm west of Perryton. Mrs. Lawrence is a native of Arkansas, but moved to Texas when a small child.

In 1919, she was married. She has one son, age 13. Prior to moving to this county, Mrs. Lawrence was engaged in clerical work in Houston. She is capable and efficient and, if elected, would give the tax payers an honest administration. She will appreciate your consideration and support at the polls in July.

## FULLER IN FOR COMMISSIONER

**R. A. FULLER, COMMISSIONER FROM SOUTHWEST PRECINCT, ANNOUNCES FOR RE-ELECTION**

R. A. Fuller, present commissioner from Precinct No. 3, the southwest precinct of the county, has authorized the Herald to announce him as a candidate for re-election, subject to the action of the voters of that part of the county in the Democratic primary to be held Saturday, July 28.

Mr. Fuller has represented his district for the past eight years on the Commissioners' Court and he has been faithful in discharging his duty to the people of his section. Not only has he looked after the interests of his constituents, but he has devoted much time and thought to the affairs of the entire county.

Fearless in the expression of his views, he has undoubtedly received undeserving criticism. While others "straddle the fence", "pussy-foot", or "pass the buck", Fuller comes right out in the open, says what he thinks and votes accordingly.

His record as a public official is a mighty good reason for his re-election. The people of his section will make no mistake in returning him to office. He is worthy and will appreciate your consideration and support at the polls.

## Poultry Judging Team

**Vocational Ag Department Perryton High School to Send Team to McLean**

C. A. Robinson, director of the Vocational Agricultural department of the Perryton High School, will take a poultry judging team to the McLean contest this week. Three boys and an alternate will make the trip. Mr. Robinson states that elimination contests are being held this week to determine the lineup of the team.

The McLean contest is one of the outstanding events of this nature for the Panhandle. At least twenty teams are expected to enter. A. A. Tempke, director of the agriculture in the McLean schools, is one of leading instructors in the state and he has an uncanny ability to pick and train winning judging teams.

Points on which the teams will be judged include placing of birds, written examinations of eggs, and disqualifications and defects of birds.

Mr. and Mrs. J. A. Willis and son, Harlan, returned to Amarillo Sunday evening after a few days in Perryton, attending to business and visiting with friends.

## CALICHE WORK CITY STREETS

**SEVENTEEN BLOCKS AND RAIL CROSSING COMPLETED EXPECT TO HARD SURFACE MORE**

With seventeen blocks of city streets north of the Santa Fe tracks graded and hard surfaced with caliche and a rail crossing north of the high school campus hard surfaced, the city officials hope to complete approximately the same amount by February 15, the dead line date set for this CWA project.

Curtailed hours of workers per week may retard this work, but every effort is being put forth to complete the program. Residents of that part of town which is receiving these street improvements probably will not appreciate the hard surfaced streets until the first muddy weather.

It is our observation that Perryton and Ochiltree county have been very fortunate in getting permanent and needed improvements with the funds provided by the Federal Government for the relief and CWA projects. In many communities, projects with little or no lasting value have been developed. In addition to providing needed employment, we have something to show for the money expended.

## Sell Old Magazines

**Girl Scouts to Have Old Magazine Stand Open Every Saturday Afternoon at Theatre**

Miss Eugenia Mitchell, leader of the Girl Scouts of Perryton, announces that starting Saturday, the Girl Scouts will have an old magazine stand open every Saturday afternoon from two to four o'clock at the American Theatre.

They will have all kinds of magazines, the better ones selling for five cents each, the weeklies that usually retail for five cents, will be sold four for five cents. Consecutive runs of many of these publications will be available, so that parties desiring continued stories or special articles can obtain them.

## Moves Cleaning Shop

**Baumann Cleaners Now Located in New Quarters; Move Made This Week**

Baumann Cleaners are now nicely located in new quarters, occupying the building vacated by Andy's Shoe Shop recently, the move being made early this week.

The new location will afford the shop considerably more room, according to Lester Baumann, manager, and will make a more convenient arrangement. The shop was formerly located in the rear of the Perryton Barber Shop.

Reports from the bedside of S. S. Mallett, a patient in the Shattuck hospital suffering from injuries incurred in an automobile accident several weeks ago indicate that his condition is slightly improved.

## The White House of Health at Warm Springs

THE GIFT OF THE PEOPLE OF GEORGIA TO WARM SPRINGS

With its imposing white pillars reflecting the bright sunlight of a perfect day, Georgia Hall, one of the main units of the Warm Springs Foundation for Infantile Paralysis, reflects the cheerfulness always apparent at this great health-restoring center in Georgia. Recognizing the invaluable assistance which the Foundation has rendered to President Roosevelt in his fight for health, a national committee of prominent leaders, headed by Colonel Henry L. Doherty, is staging on January 30, Mr. Roosevelt's fifty-second birthday, 5,000 Presidential Birthday Balls in honor of the Chief Executive and as a means of raising a permanent endowment fund for the Foundation to carry on and expand its work.

## North Fractures Hip

**Perryton Grain Man in Perryton Hospital With Injuries Received Saturday Night**

J. M. North, owner of the North Grain Co., and a pioneer Ochiltree county citizen, is a patient in the Perryton Hospital with a fractured hip as a result of a fall on the pavement near his elevator early Saturday night.

Mr. North had left his automobile at the elevator and started to walk to town. While near the Magnolia wholesale oil station, he fell on the pavement. With much difficulty he managed to get to Main Street, where he fell again. He was picked up and taken to the Perryton Hospital, where x-ray pictures taken by Drs. Brewer and Kengle showed a fractured hip bone.

He will have to remain at the hospital for some time. Mr. North's many friends sympathize with him and hope that he will soon recover.

Donald McLarty and Ralph Shearer came in Tuesday evening with the Shearer produce truck from Albuquerque, N. M., and will visit a few days in Perryton.

Mr. and Mrs. J. R. Thomas, Mr. and Mrs. J. C. Brown and Joan, and Bobby, Gene and Norma Lawrence were in Shattuck, Okla., Sunday visiting with Mr. and Mrs. Robert Lawrence and Carol. The Browns went on to Higgins and enjoyed a birthday dinner in the home of his father.

## Cage Teams in Tourney

**Rangers and Rangerettes Entered in Canadian Invitation Meet This Week**

Perryton Rangers and Rangerettes are entered in the Canadian invitation basketball tournament to be held Friday and Saturday of this week, which will be possibly the only tournament the teams will attend this season.

With high prospects for a district title, the Rangers received a setback on Tuesday evening with the announcement that Captain Enlow Copeland and Carl DeLano were ineligible, due to a new interpretation of the eighth semester rule. No protest was made against the local school, the action being voluntary in removing the two players, which would necessitate a forfeiture of all games played up to that time.

Despite the absence of these two men, Copeland being the only letterman on the team, the Rangers rallied to win from the Spearman Lynx Tuesday evening by a decisive count of 28 to 12. The Rangerettes won from the Spearman girls by a 23 to 18 score.

Mrs. J. W. Jones and Mrs. Max Lackey, Spearman, were Perryton visitors, Tuesday.
