

# The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 38

Tahoka, Lynn County, Texas, Friday, November 21, 1941

Number 15

## Farmers Getting Cotton Rapidly

Up to 9:30 o'clock Thursday morning, 7,401 bales of cotton of this year's crop had been ginned in Tahoka; which means that 1,936 bales had been ginned since we gathered the report last week. It also means that probably about 30,000 have been ginned in the county.

The weather has been fine for gathering the crop. The skies have been clear almost every day this month, being overcast for the first time in two weeks or more on Wednesday morning, and it was cloudy again Thursday morning, with near freezing temperatures, though the snow predicted for this area had not showed up.

Not quite as many bales of cotton were ginned the past week as the preceding week. This may be due to the fact that some farmers had caught up with their picking and were waiting for the remainder of the crop to open; and it was due in part to the fact that we gathered the report this week several hours earlier in the day than heretofore. The ginnings for the week preceding our last report were 2,125 bales.

Business has been good for our merchants, and on Saturdays they have been literally swamped.

## Jud Gurley Died Sunday Morning

Jud Gurley, 62, a well known citizen of Lynn county, having resided here for the past twenty-five years, died at his residence three miles north of Tahoka on the George Small farm at about one o'clock Sunday morning, following a long period of ill health. For months he had suffered from heart trouble, kidney trouble, and complications.

Several weeks ago he was taken to a hospital in Lubbock for treatment, but came home after being there a week. His condition failed to improve, and after a few weeks, on Sunday, November 9, his son Jesse took him to San Angelo where a physician made an examination to determine whether or not he was affected with tuberculosis, but no evidence of tuberculosis was found. He was in a most critical condition, however, and remained so through the week until death came early Sunday morning. Everything possible was done by the family and by physicians to save or to prolong his life but all to no avail.

Funeral services were conducted in the First Baptist Church here at 2:30 P. M. Monday by Rev. Geo. A. Dale, pastor, assisted by Rev. D. W. Reed of Garnolia, a long-time friend and neighbor of deceased.

Burial followed in the cemetery at Post under the direction of the Harris Funeral Home of this city.

Surviving him are the widow, Mrs. Suda Gurley, three sons and one daughter. The sons are Jess Gurley of Tahoka, Denver Gurley of Cloudcroft, New Mexico, and A. P. Gurley of Tahoka. The only daughter is Mrs. George Carpenter of Post.

Two brothers and three sisters also survive. They are: R. L. Gurley of Artesia, New Mexico, E. A. Gurley of Albuquerque, Mrs. R. A. Franklin of Holiday, Texas, Mrs. Clark Etter of Crouch, Idaho, and (Continued on Back Page)

## L. R. Brooks Gets Fracture Of Hip

Slipping and falling from the side of his truck out at the F. O. Jaynes farm northeast of Tahoka Monday, L. R. Brooks suffered a severe fracture of the right hip or of the femur just below the hip.

He was brought to the office of a local physician by Mr. Jaynes, and the physician suggested that he be taken hurriedly to the hospital. J. L. Brooks of the Standard Auto Parts, not related to the injured man, rushed him to the Lubbock Sanitarium, where he is receiving treatment. It is probable that he will be confined to his bed for many weeks.

## P. T. A. MEETING POSTPONED

The P. T. A. regular meeting was postponed from Monday night, November 17th to Monday night, November 24th on the account of Harley Sadler's show. Everyone is urged to be present in the gymnasium of the Ward School at 8 o'clock.

REV. G. E. TURRENTINE

## Rev. Turrentine Returns To City

At the concluding meeting of the Northwest Texas Conference of the Methodist Church in Big Spring last Sunday afternoon, Bishop Ivan Lee Holt made announcement of the appointments for the ensuing year, and among them was the announcement that Rev. G. E. Turrentine would be returned to Tahoka.

Brother Turrentine has served here for three years and there were some rumors that he might be sent to another charge. Most of the membership were much pleased, therefore, to learn that he had been sent back to Tahoka, and Brother Turrentine seemed greatly pleased himself. He has done a good work here and will doubtless continue to do so. He deserves the active support of the entire Church and the town.

O. M. Addison, pastor at O'Donnell

## Rotary Sponsors Two New Projects

Half the Rotarians ate red beans at the luncheon Thursday. That was the penalty imposed for being the losers in the attendance contest. Ray Weathers was leader of the losers and during the meal he even lost his chair and had to finish the meal on his knees. It's the first time Ray was ever known to look humble. The winners side, led by W. T. Bovell, ate chicken and the trimmings. The bean-eaters declare that was about the best meal they have had in a long time. Those Home Dimmer women certainly do know how to cook beans.

Patricia Hill sang a number of selections as the chief feature of the program, with Bonnie Jean Clark as piano accompanist.

Harley Henderson suggested that the Club sponsor an essay contest on Americanism among the students of the Tahoka High School. The suggestion was discussed and approved by the Club; and Harley Henderson, Houston Spikes, and Leonard Craft were named as committee to act in the matter.

Upon a motion of Supt. W. T. Hanes, the Club also voted to request Rotarians as individuals to write Senator Tom Connolly approving his proposal to effectively stop (Continued on Back Page)

## "The Law" Is Still Hard To Escape

It's still hard to escape the keen eye of the law.

That's what one criminal found out on Wednesday of last week when overtaken on the highway by two deputy sheriffs who met him by chance.

As deputy sheriff Bob Wolfe of Big Spring and Deputy Sheriff Ed Sanders of Tahoka were returning from Tulla with a prisoner wanted at Big Spring, they fell into conversation about a man accused of horse theft and cow theft near Big Spring more than four years ago. But the fellow had escaped and officers had been on the look-out for him ever since.

Big Spring officers especially had been on his trail. They knew his latest car number, although they had not been able to locate him since he made his get-away in 1937. Then they met a car. As it whizzed past, Wolfe detected the car number. It was the same number accredited to the criminal's car. They turned around hastily and gave chase. For ten miles they chased him, overtaking him at the south limits of Hale Center, where they crowded his car off the pavement and forced it to come to a stop.

Sure enough the driver was B. F. Stroup, under indictment at Big Spring for three or four cases of horse and cattle theft and also wanted in Colorado for similar offenses.

On facing the two deputies as he alighted from his car, Stroup was so surprised and frightened that he fainted. Ed says that it was a real collapse, too—no ruse about it.

Stroup had a car loaded with passengers. Leaving them at the Station in Hale Center, he was brought by the two deputy sheriffs, together with their other prisoner, on down to Lubbock, where Ed had left his car. So, there they were, two deputy sheriffs with two prisoners and three cars.

How did they manage it?

Well the deputies each took a car, one of them taking Stroup into the car with him, and then they put the Tulla prisoner into the third car and sandwiched him in between the other two cars, behind one of them and ahead of the other; and so they drove to Big Spring.

Now Stroup sits behind the bars of the Howard county jail awaiting trial and cursing Fate for delivering him into the hands of two deputy sheriffs, after he had succeeded for four years in so disguising himself as to escape detection.

## Other Schools Go Over The Top

Mrs. Lenore M. Tunnell reports that the following Lynn county schools have raised their respective quotas in the Junior Red Cross Roll Call since our report last week.

Wells, Hamilton Still chm., \$180; Gordon, Miss Tommy Edith Wynn chm., \$50; Rural High No. 1 (Draw) Douglas Adkins chm., \$3.00; O'Donnell Grade school, Mrs. Paul Gooch chm., \$9.30; O'Donnell High school, Miss Nell Guthrie chm., \$9.20; Tahoka Seventh Grade and Tahoka High School, Leo Jackson and Miss Ruby Nell Smith chm., \$6.11.

Myrna Dean Gagnat, Junior in Tahoka High School, has been selected as the 1941 Football Queen by students of the school. She is the daughter of Mr. and Mrs. D. W. Gagnat.

Dolores Nowlin, above, is Junior Football Queen, representing the Grade School. She is the daughter of Mayor and Mrs. Deen Nowlin.

## Dan Daniel Is Given Promotion

Dan M. Daniel, son of Mrs. Lois Daniel of Tahoka, and now a clerk in the squadron supply room at Goodfellow Field, new basic flying school at San Angelo, has recently been promoted from the rank of Corporal to the rank of Sergeant.

Sergeant Daniel who enlisted in the Air Corps in June 1941, and a number of other technicians of the 508th School Squadron were promoted to fill positions in the still rapidly expanding national defense program.

## NIECE DIES AT MIDLAND

Mr. and Mrs. A. L. Smith received word Wednesday that her niece, Mrs. J. D. Carter, had died in a Midland hospital that day. Mr. and Mrs. Smith and daughter went to Levelland Thursday, where Mrs. Carter lived before her marriage, for the funeral.

## REMODELING HOME

Mr. and Mrs. C. O. Carmack are enlarging and remodeling their home on North Third street, work having started the first of this week.

A new roof is being put on the Tahoka Motor Company building this week.

## Tahoka Ex-Students Hold Home-Coming

### Youth Is Jailed For Car Theft

A youth, probably not more than 17 or 18 years of age, giving his name as Ray Hanna and his residence as Ohio, was arrested by Lubbock officers Tuesday morning on the northern outskirts of that city while trying to make his get-away with a car which he had stolen near Tahoka an hour or two earlier. He was turned over to Deputy Sheriff Ed Sanders of this city who placed the youth in the Lynn county jail.

The car, said to be a 1933 Chevrolet, was stolen from a cotton picker, who gave his name as Harold Dunlap, out a few miles east of Tahoka. Upon missing his car, Dunlap notified the Sheriff's office here, and Mr. Sanders got busy on the telephone, resulting in the arrest of the young fellow as above stated.

### New Stop Signs On Third Street

The City of Tahoka this week has installed stop signs on all streets intersecting North Third street between Main Street and the Tahoka High School building, and North Third is now a "through" street.

However, Mayor Deen Nowlin informs The News, the speed limit on this route during rush periods at the opening of school, at noon, and following the close of school is 20 miles per hour. Otherwise, the speed limit in Tahoka is 30 miles in daytime and 25 at night. He urges drivers to use extreme caution on all streets in the neighborhood of the school buildings.

Many collisions have occurred at the intersections along North Third since completion of the paving, and city officials are seeking to reduce these accidents and to protect children going to and from school.

All cars coming onto North Third must stop at the stop signs. Motorists are also requested to refrain from speeding along this street, especially, and to co-operate with the student traffic patrol adjacent to the two school buildings as a precaution against injuring some child, if not for the motorist himself.

### Clinic Building About Complete

Final touches were put on the new and modern Tahoka Clinic building this week, and equipment is being put in place preparatory to opening by Doctors Emil Prohl and K. R. Durham, owners.

The building is modern in every respect and many will be surprised at its completeness when they visit this clinic building.

The Doctors hope to have everything in place next week, when The News will carry more detailed stories of the clinic opening.

### Child Only Slightly Injured When Car Runs Over Body

Blinded by a late afternoon sun as he turned his car and trailer into his own driveway late Friday afternoon, J. H. Kuykendal of the Edith community was shocked to find that he had struck his little three-year-old grandson, M. L. Junior, who was playing there with his little red wagon.

Luckily, the child was not seriously injured, though he suffered a number of cuts and bruises on the face, hands, feet, and body.

It is thought that one of the trailer wheels passed directly over the child's body, but the injuries were probably lessened by the loose sand in which he was playing.

On Wednesday of this week the little fellow was reported to be playing about as usual, and well on the road to recovery.

### Brownfield Game Is Played Here

A thrilling football game between Tahoka and Brownfield climaxed a two-night Homecoming schedule at the Tahoka High school. It was the fourth annual homecoming of ex-students and alumni, sponsored by the Ex-Students Ass'n. A pep-rally and election of officers Wednesday night, the crowning of two Homecoming queens, and the presentation of a high school banner by the Ex-Students were features of the program.

Harley Henderson was elected president for the new year, which starts today, at the business meeting following the pep-rally. He will succeed Harlan Cook. Charles Townes will succeed Happy Smith as vice-president, Mrs. Calvin (Pearlie D.) Edwards will succeed Mrs. Fred McGinty as secretary-treasurer. Mrs. Pauline Walker will serve as historian succeeding Mrs. Sam Floyd, and Mrs. Myrtle Rochelle was reelected reporter. Kenneth Reid was elected to a newly created office of social chairman, and will be asked to select a committee to help him plan social activities for the entire year.

Former teachers were voted in as honorary members of the association.

The pep-rally was held around a large bonfire prepared by high school students, and honored ex-football players. Benoy Gattis introduced former players present. They were Harlan Cook, Turner Rogers, A. R. Milliken, Truman Hines, Lester and Earl Adams, Ja- (Continued on Page 5)

### Tahoka Is Victor Over Post "11"

Tahoka Bulldogs won a thrilling offensive battle from the Post Antelopes in that city Friday night by a score of 27 to 13. The game was one of the most spectacular, from a spectator standpoint, of any played by Tahoka in a long time.

Tahoka scored in every quarter, but had to fight all the time to keep Post's sensational passing attack under control.

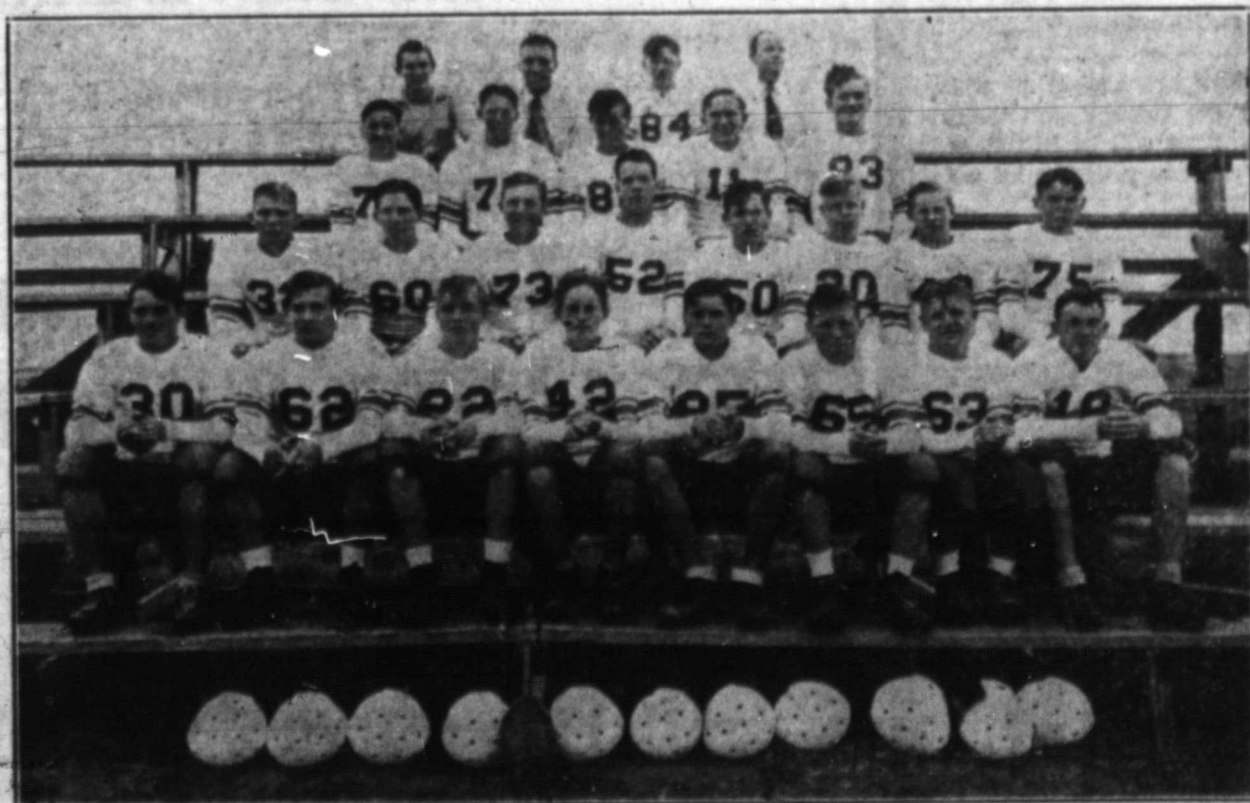

In the first quarter, Tahoka marched the ball down field to a touchdown, with Fullback Cecil Curry plunging over, and Halfback Duane McClintock kicked. Quarterback Sonny Roberts had scored two plays earlier but was called back because of an off-sides penalty.

Post came back in the second quarter, with Carpenter scoring a touchdown to bring the score to 7 to 6. However, Tahoka took the kickoff and turned on its offensive power to march for another touchdown, the score being on a pass to Jim Bob Curry from the 13 yard line, and McClintock's educated toe put ball between the uprights, and the score was 14 to 6 at halftime.

Post came back with a bang after the half, and Stevens carried over for the score and kicked goal, bringing the score to 14 to 17, with Tahoka still out in front.

Then, Tahoka exploded again, and Roberts dashed 30 yards for another six points, and McClintock added the conversion point. A short time later, Cecil Curry powerhoused his way over the goal line to bring the final score to 27 to 13.

The speedy Charles Luttrell of the Antelopes was the star of Post and was a constant threat to Tahoka all during the game because of his heady passes and speedy runs.

Tahoka Bulldogs reached the high point of the 1941 season last week when they defeated Post 27 to 13. The Bulldogs are playing conference leading Brownfield as The News goes to press Thursday night.

SHOPPING DAYS TILL Christmas

### FSA Aids Many To Increase Income

Financial assistance is available through the Farm Security Administration to assist small farmers who need supplies, equipment and repairs to enable them to contribute to the Food program. Lyman Welch, Lynn county rehabilitation supervisor, said today.

Expanding its services to low-income farm families, this agency of the Department of Agriculture, is conducting a state-wide drive to give small farmers an opportunity to aid the defenders of democracy and to relieve their own distressed conditions, Mr. Welch explained.

Working under the direction of the State and County USDA Defense Boards, of which Farm Security is a part, this agency is said to be ready to make loans to qualified farm families to step-up their production of needed foods. Long term loans are available for a great many purposes.

Increased production and improved home consumption will be encouraged by the FSA for its borrower-families rather than the expansion of the farm enterprise. Better care of livestock, more adequate use of available facilities, purebred poultry and livestock, more canning and improved selection and preparation of food and feed storage, are

among the things being emphasized by this agency.

Among types of assistance which the Farm Security Administration is prepared to furnish eligible small farm families in Lynn County to enable them to participate in the National Defense program are:

1. Loans for the purchase of silage cutters, feed grinders, binders, trailers, and other harvesting and operating expenses to store feed crops in trench silos or other storage methods.

2. To increase the production of poultry, poultry products, dairy products and pork, Farm Security will finance suitable shelter for poultry, dairy cattle or hogs, either by the use of temporary shelter, remodeling present buildings, provided proper tenure agreements can be obtained.

3. Farm Security will finance supplements for a good feeding program; the agency will finance, in some cases, the purchase of milk cows, sows and feeder pigs up to the normal carrying capacity of the borrower's farm. FSA will finance the purchase of young chicks to bring the farm flock to normal carrying capacity of the farm.

4. To aid in food preservation and storage this agency will finance eligible farm families to purchase pressure cookers, jars and other canning equipment. Loans are available to construct cellars, milk coolers, shelves or other storage space

### Alice Marble Says 'Easy Does It'

Alice Marble, world's champion woman tennis player, on a recent visit to Texas State College for Women, told physical education majors during a tennis demonstration that "easy does it." "Don't strain. It's rhythm not muscles that make a winner on the tennis court. Learn to relax and follow through," advised the tennis champion who is also a designer of women's sports clothes and a radio singer.

### WHAT'S DOING AROUND GRASSLAND

The "mole" in Grassland last week stayed only three nights. It seems to have left people in suspense as to how the continued story ended. It showed only three chapters and then left out.

Farmers are still very busy in their crops. Cotton is opening so rapidly that when they think they will get caught up for a few days it's time to start all over again. But they aren't grumbling.

Little Jimmie Brown of New Home visited his grandmother, Mrs. C. M. Greer, Monday.

Melvin Brookshire is home from training camp.

Mr. and Mrs. J. A. Norman visited in Brownfield Saturday.

Several people from here attended Mr. Gurley's funeral Monday. He was known by most every one in this community. It was a shock to hear of his death.

There is Sunday School and preaching each Sunday at the Nazarene Church. Rev. Brown does the preaching.

You are invited to attend one of the three churches here every Sunday.—Reporter.

H. L. Blackburn and family are spending the week in Medill, Oklahoma, where they are visiting relatives and friends and Mr. Blackburn is looking after business matters.

### ASTHMA SUFFERERS

For thirty years LEAVENS 11 has brought relief to asthma sufferers. If you suffer from terrible coughing, choking, sneezing, wheezing spells of asthma, then try LEAVENS 11. Usually the first dose will relieve asthma symptoms, soothe throat irritation, thus promoting freer breathing and more peaceful sleep. LEAVENS 11 is sold under guarantee of satisfaction.

WYNNE COLLIER, Druggist

Thomas Crigg, whose home is in Alabama but who is now in Tahoka, was here recently visiting his cousins, Mesdames D. V. Smith, C. T. Oliver, and Miss Mary Seroyer.

### Emmett Fleming Weds Slaton Girl

Emmett Fleming, resident of Tahoka for many years, being employed at the Santa Fe station here, who removed to Slaton several years ago was married to Miss Ruth Woodlee of Slaton at Clovis, New Mexico, on Saturday afternoon, November 1, according to a new story in the Slatonite, which escaped our attention last week.

The couple made a hurried trip to Amarillo and then returned to Slaton to reside. Emmett is now cashier at the Santa Fe offices in Slaton.

One night last week, the friends of the couple staged a mock marriage in the Slaton Club House in their honor, at which about a hundred and fifty persons were present, and according to the Slatonite, the folks had a lot of fun, which the bride and groom themselves must have greatly enjoyed.

Emmett has many friends in Tahoka who will hope that he may live a hundred years and enjoy every one of them.

Twenty-six former students of Texas Technological College are in the Administrative and supervisory personnel of the National Youth Administration of Texas.

Fred Waring has agreed to write a fight song for Texas Technological College. The song will be introduced by Waring on his program of college fight songs.

**Rehearsals Started On Senior Play**

By RUBY NELL SMITH  
Rehearsals have started on "I'm In The Army Now", a timely three act comedy to be presented by members of the senior class at the Tahoka High School auditorium, Tuesday night, December ninth.

Members of the class selected to appear in the comedy are Dorothy Virginia Fulkerson, Helen Pemberton, Gene Duke, Wendell Coffee, Jerry Noble, Billie Margaret Riddle, Mary Beth Roddy, Mary Jo Anderson, and Margie Shepard. Miss Ineva Headrick, class sponsor, is directing the play.

"I'm In The Army Now" is not a serious war-like play but an amusing three act comedy.

**CARD OF THANKS**

**BAPTIST BROTHERHOOD USEFUL ORGANIZATION**

The Brotherhood, an organization of the men of the Tahoka Baptist Church, is finding many ways in which to be useful.

At the meeting in the church Tuesday night, although the attendance was not large, due to the exceedingly busy season, the organization wholeheartedly agreed to sponsor the effort and to help bear the expenses of assisting a worthy boy of the town to regain his health if possible, in addition to the other projects it has already agreed to sponsor.

Those present also heard reports from President Deen Nowlin, Pastor Geo. A. Dale, Mr. H. P. Caviness, and Educational Director Melvin Rathel on the State Brotherhood Convention held last week in Abilene.

All of them pronounced the State convention "tops".

The Brotherhood also agreed to assist in every way possible with the "Loyalty Campaign" to be conducted by the membership of the Church for fourteen weeks beginning the first Sunday in December.

An excellent program is already being the first Sunday in December. Fraternity meeting.

**LAMESA COUPLE ARE MARRIED HERE**

George Brooks Fulkerson, of Lamesa, brother of W. H. Fulkerson of this city, and Miss Claudia Lawler, also of Lamesa, drove up to Tahoka on Wednesday last week, procured a marriage license, and were married in the home of Mr. and Mrs. W. H. Fulkerson, Rev. George E. Turrentine, pastor of the Methodist Church, officiating.

The couple will reside on a ranch near Lamesa, where Mr. Fulkerson is employed.

● Melvin D. Brookshire, son of Mr. and Mrs. W. G. Brookshire of Grassland, who has been with the U. S. army for the last six months, stationed at Fort Riley, Kansas, received a discharge on account of his physical condition on November 10 and has come home. He had been in the hospital for four weeks suffering from rheumatism.

**Congratulations . . .**

To Mr. and Mrs. Grady Hobbs of the Dixie community on the birth of an eight-pound son, whom they have named Bobbie Mack, on Thursday morning of last week. Mrs. Hobbs is the daughter of Mr. and Mrs. J. A. Lloyd of that community.

**Grade School Library Is Being Improved**

"No matter what his rank or position may be, the lover of good books is the richest and the happiest of children of men." With this idea in mind a movement was initiated this week to improve the library facilities of the Tahoka Grade School.

The first step was taken when fifty new books were placed on the library shelves Tuesday. Plans are to add to the collection of new books a "clipping file", which will grow as articles are found in newspapers or magazines dealing with subjects of interest to children of elementary school age. Pamphlets and booklets of educational value which are distributed by commercial companies will also be collected.

Interest in this project has grown to such an extent that children of the respective rooms are forming a "share-a-book club". Members of this club plan to bring books and magazines from home to share with their classmates; they will also pass books and magazines on to others when they have "out-grown" them.

**TWO MEXICAN COUPLES MARRIED HERE**

The services of Rev. G. E. Turrentine were enlisted Monday afternoon when Jose Rodriguez and Senorita Maria Yraseta appeared at the office of County Clerk Walter Mathis and procured a marriage license.

The good minister read the marriage vows in approved fashion and the young couple went away apparently pleased with each other.

They are Mexican cotton pickers operating in the vicinity of New Home.

On the preceding Friday, County Judge Chester Connolly performed a similar service for Leonardo Torres and Senorita Regina Aguirre. They are also temporarily in the county helping to gather the cotton crop.

The infant son of Mr. and Mrs. Robert Sanders, it is reported, has been dangerously ill. He has been receiving treatment in a Lubbock hospital, and at last reports there was little change in his condition.

Wilson King of the Air Corps, Kelley Field, San Antonio, returned to the field on Thursday of last week, after a ten days visit with his parents, Mr. and Mrs. J. O. King of Dixie.

**CITIZEN FINDS STRANGE BUG—VINEGERONE**

G. W. Glenn found a strange, vicious-looking bug out at his place and brought it into the News office the other day to have it classified by the chief bugologist of this great educational weekly.

Members of the News force say that it is a vinegarone, also spelled vinegarroon by Mr. Webster. So say some women versed in bugology, who visited the News office. And A. W. Greer of Grassland was very positive in his assertion that it was—or is—this species of bug. It is described as a member of the scorpion family, though it has no long tapering tail as most scorpions have.

It is popularly believed to be very venomous, though its bite, or sting, is probably no worse than that of "stinging lizard", tarantula, or some spiders.

**YOUNG COUPLE WED IN LAMESA NOV. 12**

Miss Betty Evelyn McDonald and Clifford Siffard of Abilene were married Tuesday, November 12 in Lamesa by Judge Vernon D. Adcock.

They were accompanied by Miss Marth Seth and Dub Shoemaker of O'Donnell.

The bride is the daughter of Mr. and Mrs. W. P. McDonald of this county and graduated from Tahoka High school this year. The young couple will leave soon to make their home in Abilene.

**CARD OF THANKS**

We desire to thank our neighbors and friends for the dinner served and for numerous other kindnesses shown during the last illness and upon the death of our beloved and aged mother, Mrs. Sallie Ann Arnold. We sincerely appreciate these tokens of sympathy and esteem.—Mr. and Mrs. Lonnie Williams, Lee Arnold, Mrs. Edna Holt, Mrs. Tom Wright, Mrs. J. M. Lucas.

**BUSINESS WOMEN'S CIRCLE**

The Business Women's Circle met in the home of Viola and Grace Ellis, Tuesday night.

An interesting program was rendered including a discussion on "Noonday in Dark Africa"—Robbie Milliken; "Penetrating Shadows of Ignorance"—Mrs. Rathel; "Penetrating Shadows of Disease"—Marie Cox; "Penetrating Shadows of Patriotism"—Christine Wenzel; and

**"New Lights for Africa"—Lorena Reese.**

Refreshments, served "buffet style", were enjoyed by everyone present.

The next meeting will be December 2. The place of the meeting has not, as yet, been designated.

H. B. McCord was in Dallas Wednesday and Thursday on business.

**Build or Remodel Now**

**DOES THIS MEAN WAR?**  
The Associated Press news report published in daily papers Tuesday indicated that Japan had resolved to go to war with the United States unless this country utterly capitulates in the Pacific. Japan demands as the price of peace that the United States shall quit helping China and shall give Japan a free hand not only in China but in the Far East generally. That means that we must virtually withdraw from that part of the globe and turn China, the Dutch East Indies, the Philippines, and other islands in that part of the Pacific over to the tender mercies of ambitious, aggressive, autocratic Japan, chief ally of Adolf Hitler and his gang of international brigands and robbers. We do not think that the United States will do it. Japan may be trying to run a big bluff or she may be acting on orders from Hitler.

We hate war, but we are sure that the United States will not cringe at the feet of either Japan or Hitler. Uncle Sam will not play a "hands off" game while these pirates rob and enslave his unoffending neighbors. If Japan must have war, let her take to it.

Read The Classified Ads!

It is doubtless wise to be patient and long-suffering when dealing with large groups of laborers feeling that they have a grievance against their employers. But when one strike follows another over demands for insignificant raises in wages, already high in most instances, when the country is bending every effort to speed up production for self defense, then a strike becomes indeed a serious matter. If instigated for the purpose of impeding production it comes close to being treason. It is hoped that Congress will have the courage to deal promptly and effectively with the situation. Most people feel that the President has dilly-dallied with John L. Lewis and his kind too long already, and that the time has come when patience ceases to be a virtue. Roosevelt is losing prestige by following a temporizing course. Congress will make a hit with the people by taking the bull by the horns and stopping all this treacherous and disloyal chicanery.

John L. Lewis has led the coal miners of the nation to go on a strike, the effect of which is to slow down the flow of coal to the steel mills engaged in the manufacture of munitions of war for this country and for such other countries as this government has seen fit to assist in their efforts to stop Hitler. If these mills are kept idle for any considerable length of time, our program to stop Hitler before he becomes a world dictator may be terribly crippled and delayed. Any man who would deliberately seek to bring about such a result is no better than was Benedict Arnold. A press report from Washington Monday quoted Lewis as saying defiantly, "The army is not going to shoot our people and the soldiers are not going to mine coal." To us, that looks like a challenge to the power and the authority of the government of the United States. It remains to be seen whether or not John L. Lewis is bigger than our President and our Congress.

The News received a communication this week from Dr. W. Bristow Gray, pastor of the Presbyterian churches here and at Levelland, in which he had a kind word to say about certain editorials appearing in this paper. We greatly value the favorable opinion of such scholarly and noble men as Dr. Gray.

## Trade With The Home Man . . .

When a town or city progresses and grows it is because the people change their attitudes. Since attitude is merely a viewpoint, all attitudes are subject to change. The physical structures of a town such as buildings, parks, and playgrounds are created and improved only as the people living in the community see the need and make up their minds to have them.

Co-operation, unselfishness, faith and organization are means by which these civic improvements are acquired.

A Trade at Home Program is one which helps to change attitudes of a given community. There is nothing selfish about a program of this nature because every one shares alike at the present and in the future.

The program Tahoka conducted during the past few months has shown results because it has helped folks to think just a little bit more about each other and their community. It is unfortunate that many who want to can not do more but regardless how small or large their contribution to such a program is—IT HAS BEEN A SUCCESS.

We believe that the lesson of efficiency is one that the American people today need to learn. We are living so fast, are so busy seeking pleasure and entertainment or earning the money with which to pay the expenses of fast living, that we read and learn superficially. Our schools are perhaps the best we have ever had. But we are constrained to believe that they too sacrifice thoroughness to speed. We are getting a smattering of knowledge about many things but we become thorough in only a few things. We hope that some day soon this may all be changed.

### HOW TO MEET DRIVING EMERGENCIES

**When a Tire Blows Out**—If a tire bursts, do not apply the brakes nor throw out the clutch until the car has lost almost all its momentum. A front tire blowout may cause you to lose control of the steering wheel unless you are holding it firmly. In the case of a blowout of a rear tire, a sudden application of the brakes, at high speed, may cause the car to turn over.

**When rights wheels strike a soft shoulder**—In this emergency a fast-moving car is likely to swerve and turn over. The driver should hold the steering wheel tightly, remove his foot from the accelerator, and allow the engine to reduce the speed of the car to a safe point before he applies the brakes, throws out the clutch, or attempts to steer back onto the hard surface.

**When going too fast around a curve**—Every time a curve is rushed, centrifugal force acts to push the car off the road. When the driver realizes he is going too fast, his first thought is to apply the brakes. This is dangerous and makes the car more difficult to control. The brakes should be used before reaching a curve.

**When going down a steep hill**—Before starting a dangerous descent, a car should be put into second or, if the hill is long and very steep, into low gear. If further retardation is necessary, apply the brakes intermittently. To stop a car on a steep grade the brakes should be applied gradually up to the point of locking the wheels.

### F. S. A. NOTES

Mr. Jess Bell and Lorene Owens were in Tahoka last week checking the Farm Security Administration office. Mr. Bell and Miss Owens are with the Administrative Unit from the Regional office in Amarillo. Mr. John Barbee, of the Tenant Purchase Division from Amarillo was in Tahoka checking farms to be purchased under the Bankhead-Jones Farm Tenant Act last week. The following families were selected by the Lynn County Tenant Purchase committee to purchase

farms: Mr. Will Harris, Edgar Williams, J. H. Stalcup, and Harlan Dean. Should these families be able to buy farms, it will make a total of 15 farms purchased in Lynn County.

The Farm Debt Adjustment Committee composed of Mrs. Paul Lawson, B. J. Emanuel and R. C. Wood met in the Farm Security office, Monday, Mr. P. F. Murray also met with them. The committee works with farmers to work out debts with both the Debtor and Creditor.

**SO YOU WONT TALK ...EH?**

THEN, I WILL. I'll tell you something nobody else in my house ever talks about.

Right in this house under my mom and pop's fingertips is the

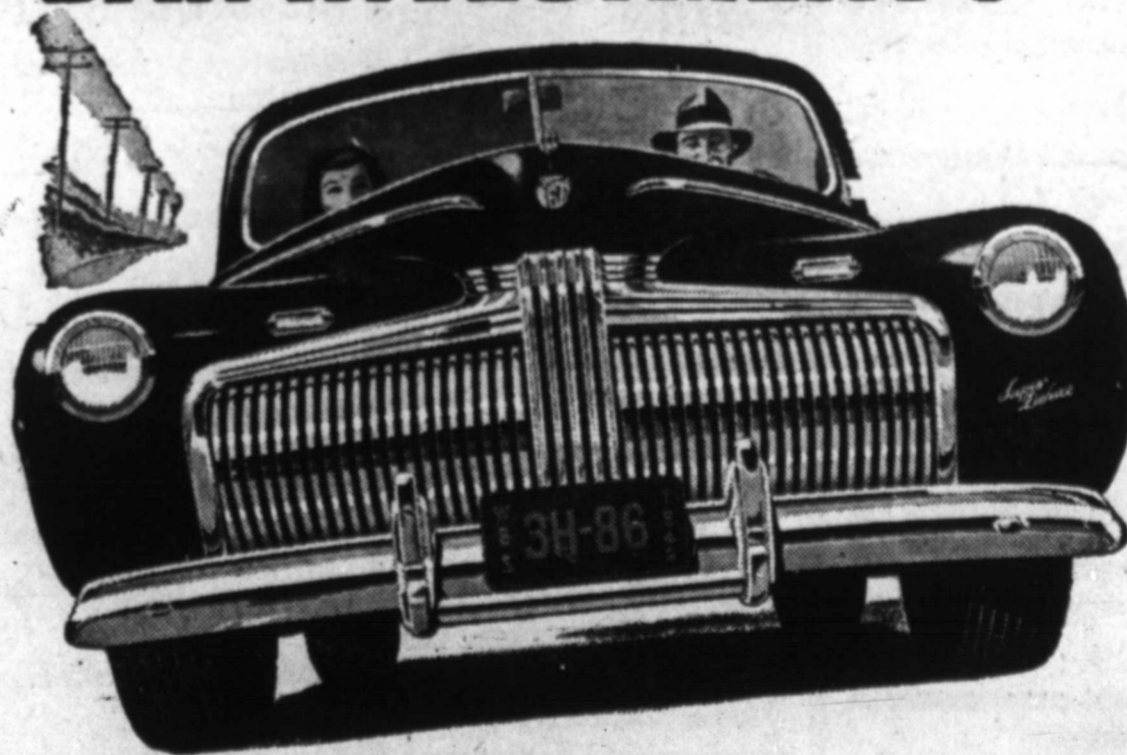

biggest bargain in town—but do you suppose they ever mention it? I hear 'em rave about the swell bargain they got in a dress or a suit or something, but gee whiz, they never say anything about electricity.

Listen, do you know that electric rates for houses are about half what they were when my sister (she's thirteen) was my age? You bet your boots. We're getting twice as much for our money when we press a button now as we did then; and that's the best bargain in the house.

Of course, the bill hasn't come down because I hear mom and pop say when sister was my age they didn't have so many nice electric things. So we are using more electricity. But twice as much electricity for the same money is still our best bargain and I want somebody to TALK about it.

### Mission Revival At Baptist Church

An association-wide mission revival will be conducted in the churches of the Brownfield Baptist Association throughout next week, beginning Sunday.

The first speaker in the First Baptist Church of Tahoka will be Miss Cecile Lancaster of Houston, who will speak at the morning service.

At night, Rev. Luke Johnson of Coolidge, Arizona, will fill the pulpit.

Monday night, Rev. Edward B. Jenkins of Abilene will be the speaker; Tuesday night, Mrs. J. W. Ware of Abilene; Wednesday night, Rev. M. W. Rankin of Seminary Hill; Thursday night, open; Friday night, Mrs. Lewis Di Pietro of Kansas City, Mo.

The pastor, Rev. Geo. A. Dale, says that all these sermons and addresses will be well worth hearing and he expects some of them to be very inspiring. He and other church leaders urge all the members to attend as many of these services as possible. Of course the meetings are open to everyone in the community and all are invited to attend.

Pay up your your subscription now. Read the Classified's and Save.

### Home-Coming ...

Continued from Page 1  
cob King, Jack Swafford, and Kelly King, former player and present manager of the team.

Former Coach Prentice Walker was introduced, who told the team that "Brownfield is no more unbeatable than Texas University," and "if you play all through the game like you played at times at Post, you can win." The band then led students and exes in a snake-dance across the field.

Myrna Dean Gagnat, daughter of Mr. and Mrs. D. W. Gagnat, was presented as Football queen just preceding the game, and Dolores Nowlin, daughter of Mr. and Mrs. Deen Nowlin, was presented as grammar school queen in impressive ceremonies just preceding the ball game. In the high school queen's court were the losing candidates for queen, Misses Helen Belle Pemberton, Billie Lee Greer, Jeanine Smith and Dona Sue Milliken.

Ray Weathers, representing the ex-students, presented a banner to the school at the half, and Wayne Shawn, president of the senior class, accepted for the high school. The banner, a white bulldog and the letters "Tahoka High" on blue satin, was prepared by a committee composed of Mrs. Myrtle Rochelle, Mrs. Harlan Cook, and A. R. Milliken.

Members of the ex-students association wore football badges which

were presented them with purchase of membership.

Mrs. Oscar Roberts was general chairman of arrangements for homecoming activities.

The game with Brownfield had previously been set for Thursday afternoon, officials of the two schools supposing that the day would be observed as Thanksgiving. Due to the mix-up of Thanksgiving dates and the rush of business, however, most Tahoka business men wished to celebrate the second date, November 27. School authorities, therefore changed the game to last night.

By the time this paper reaches the readers, the game will have been played. Tahoka had only faint hope of victory in face of the powerful opposition.

Brownfield has run up an impressive string of victories, defeating Kermit 28 to 0, Levelland 31 to 0, Seagraves 26 to 6, Seminole 32 to 12, O'Donnell 59 to 0, Denver City 39 to 7, Post 32 to 7, and Slaton 38 to 0. Victory over Tahoka would give Brownfield undisputed championship of the south half of District 5-A of the Interscholastic League.

The Brownfield game closes Tahoka's football season, an up and down affair, in which the Bulldogs lost to Class AA Lamesa 33 to 0, won from Andrews 24 to 12, easily knocked over Lockney 26 to 0, but went down before Class AA Borger 32 to 0, then lost heart-breakers to

### WEST POINT H. D. CLUB ELECTS NEW OFFICERS

The West Point H. D. Club met with Mrs. J. M. Noble Wednesday at 2:00 p. m.

Six members and two visitors were present. The visitors were Mrs. Terry Noble of West Point and Mrs. E. A. Feazel of Shallowater.

Members answered Roll Call with "Something I Am Thankful For".

Our club program was, "As Others See Us".

Officers for the next year were elected as follows: Mrs. Blain Ramsey, chairman; re-elected; Mrs. Tom Hale, vice-chairman, re-elected; Mrs. Claud Wells, secretary-treasurer, re-elected; Mrs. C. T. Tankersley, reporter; Mrs. H. R. Tankersley, recreation program chairman.

The Club meets with Mrs. Clem Gillespie on December 3 for a Christmas party.—Mrs. C. T. Tankersley, Reporter.

### Read The Classified Ads!

Seminole 21 to 13 and Seagraves 6 to 2, but won over Denver City 27 to 6, O'Donnell 46 to 0, and Post 27 to 13.

Though finishing the season well down the ladder because of being decidedly off form in the Seminole and Seagraves games, this year's team was one of the best rounded teams Tahoka has had, and was probably the best team in the district except Brownfield.

### Home Ec. Girls Will Honor Mothers

Honoring their mothers, the girls in the home economics classes in Tahoka High School will entertain Tuesday night, November 25, at 6:30 o'clock in the high school building with the annual Mother-Daughter banquet.

Decorations will carry out the Spanish-American theme while a three-course Thanksgiving dinner will be served. Members of the agriculture classes will serve the dinner.

The dinner is being prepared and given under the supervision of Miss Lucille Wright. Mary Jo Anderson, president of the Chapter, will be toast mistress.

### GIRLS 4-H CLUB HAS LARGE ATTENDANCE

The Tahoka 4-H club met Monday, November 17, in the grade school building in a called meeting, with President Joreta Hill in charge.

A business meeting was held and Wanda Faye Fisher was elected song leader.

Fifty-two members were present and joined their voices in several songs. Miss Maurine McNatt gave instruction and demonstrations on Planting Yards.

Our next meeting will be Friday of this week, which will be our last meeting in 1941, unless it will be a called meeting.—Reporter.

Mr. and Mrs. J. M. Chandler and family, of Sheridan, Oregon, were here the past week visiting Mrs. Chandler's sisters, Mrs. T. Cowan and Mrs. Claud James and her brothers John and Sherman Inman, and other relatives at Brownfield and Snyder. The Chandlers have been living in the Northwest several years.

Joy Edwin Brown, who has been at the Reception Center at Fort Bliss since joining the Army some ten months ago is here visiting his mother, Mrs. Pearl Brown and other relatives.

Finis Connolly, who has been in training at Camp Bowie since January, is here this weekend visiting his parents, Mr. and Mrs. James Connolly.

Mrs. Chas. W. Spikes and little son Jimmie of Monahans visited here from Saturday till Monday with her parents, Mr. and Mrs. W. W. Rowland.

Sergeant Joe O. Unfred of Troop D, Reconnaissance Squadron, Fort Bliss, visited his parents, Mr. and Mrs. J. P. Unfred at Petty last weekend.

Mr. and Mrs. Melvin Ratheal and Misses Mary Beth Roddy, Rae Fern Pennington and La Verne Reddell are attending the State B. T. U. Convention in Fort Worth.

### Aged Joe Bailey Lady Is Dead

Few persons indeed live to the advanced age of ninety years. But that was the privilege of Mrs. Sallie Ann Arnold, mother of Mrs. Lonnie Williams of the Joe Bailey community, who died at the home of her daughter at 2:30 o'clock last Saturday morning at the age of ninety years and nine months, having been born on February 16, 1851.

Funeral services were conducted at the Harris Funeral home here at 2:00 o'clock Saturday afternoon, Rev. B. G. Richburg of Big Spring officiating.

Immediately following the funeral rites, W. O. Robertson left with the body in a hearse for Chriesman, Burleson county, former home of the aged woman, for interment. Following the hearse were Mr. and Mrs. Lonnie Williams, in whose home Mrs. Arnold had been living, for the past 11 years, their daughter, Mrs. Jessie Russ, a teacher in the Draw public school, and a nephew, Charlie Beckham. Mrs. Edna Holt of Brownfield, a daughter of deceased, Mr. and Mrs. J. M. Lucas of Sweetwater, Mrs. Lucas also being a daughter, and by the officiating minister, Rev. Richburg.

A second funeral service was held in the Methodist Church in Chriesman at 2:00 o'clock Sunday afternoon, Rev. Richburg again officiating, for the benefit of numerous relatives and friends there, who filled the church to overflowing. Relatives were there from Waco, Rosebud, Houston, Somerville, Rogers, and several other towns in that part of the state.

Following this service the body was interred in the cemetery there beside the grave of her husband, E. D. Arnold, who died in 1921.

Although Mrs. Arnold, whose maiden name was Sallie Ann Williams, was born in Mississippi, she was brought to Texas by her parents when she was only four years of age, and she spent eighty-six years of her life in this state, most of it in Burleson county. She was nine years old when the Civil War broke out, and although Texas was not so situated as to be in the thick of the fighting, yet she could remember much about the excitement and the privations of that conflict.

Soon after the war, on December 3, 1868, she was married to E. D. Arnold at Hooker's Prairie in Burleson county, and she continued to reside in that county until she came to Lynn county in 1930 to reside with her daughter, Mrs. Williams.

Six children were born of her marriage. One of them died in infancy, but five of them are still living. They are: Lee Arnold of Chriesman, Burleson county; Mrs. Edna Holt of Brownfield; Mrs. Tom Wright of Slaton; Mrs. J. M. Lucas of Sweetwater, and Mrs. Lonnie Williams.

All of them attended the funeral services here or at Chriesman, but Mrs. Wright of Slaton, herself being in poor health, did not follow the remains back to Chriesman.

Other survivors of the aged woman include two brothers and one sister, T. S. Williams of San Angelo, Mrs. Mary Trammell of Houston, and Green Williams of Houston, 20 grandchildren, 26 great-grandchildren, and two great-great-grandchildren.

Mrs. Arnold had been a member of the Methodist Church ever since she was eighteen years of age. She was a true Christian and a noble character. Although blind the last five years of her life, she bore the ills incident to old age in a fine spirit, and left to her children and loved ones memories of a long life well spent.

#### PIE SUPPER AND PROGRAM AT DRAW METHODIST CHURCH

There will be a pie supper at the Draw Methodist Church at Draw Wednesday night, November 26, sponsored by the Womans Society of Christian Service. The proceeds will be used by them in the propagation of their work.

There will also be a program for your entertainment, all the women and girls are urged to bring pies and the men and boys to bring the money.

Come and be with us.—The Finance Committee.

### E. Y. Mason, 59, Died Tuesday

Death came at five o'clock Tuesday morning to Edward Younger Mason, 59, of the South Ward community, following a protracted illness. He had suffered many months from high blood pressure and other ailments.

Funeral services were conducted at 4 o'clock Tuesday afternoon in the Church of the Assembly of God by Mrs. Clara Newton, pastor of the Assembly of God Church at O'Donnell, assisted by Rev. Elmer Adams, pastor of the Tahoka Assembly of God church. Interment was in the Tahoka cemetery.

Mr. Mason leaves surviving him the widow, Mrs. Winnie May Mason; one son, Charley Mason of Tahoka; and four daughters, Miss Norrene Mason, Mrs. Ophelia Roberts, and Miss Marie Mason of Tahoka, and Mrs. Pauline Henderson of Sundown. He is also survived by two brothers, M. F. Mason of El Campo and William Mason of Tahoka; two sisters, Mrs. Rena Phipps of Cox City, Oklahoma, and Miss Cassie Mason of Tahoka; and five grandchildren.

Active pallbearers were: Gilbert Gandy, Clinton Gandy, Durward Grayson, Edon Champion, W. H. Farr, and James Farr. Honorary pallbearers were named as follows: L. W. Gandy, J. E. Wilkins, Sam Miller, Marvin Walker, and Roy Miller.

Champion, W. H. Farr, and James Farr. Honorary pallbearers were named as follows: L. W. Gandy, J. E. Wilkins, Sam Miller, Marvin Walker, and Roy Miller.

Mr. Mason was a native of the state of Missouri, having been born in that state on May 6, 1882. While yet a small boy he was brought by his parents to the old Indian Territory. There he grew to manhood and was married to Miss Winnie May Anderson in 1911. He and family migrated from Rush Springs, Oklahoma, to Amherst, Texas in 1930, spending one year there. Then they moved to Tyler and came from there to Tahoka eight years ago, since which time they have resided in the South Ward community.

The news joins many friends in expressions of sympathy to the bereaved family.

#### Father of Reids Dies In DeQueen

G. M. Reid and Mr. and Mrs. Thomas Reid of this city, Jasper Reid of Brownfield, and other relatives in this section of the state left about noon last Friday to attend the funeral of their father, James Marion Reid, who had died at about 3:30 o'clock that morning at his home in De Queen, Arkansas. After attending the services, which were held Sunday, they returned to Tahoka immediately, arriving here at about 4 o'clock Monday morning.

Mr. Reid had reached the advanced age of 76. He had been a member of the Methodist Church for many years. Services were held by his pastor in DeQueen at 2:30 Sunday afternoon. He leaves surviving him his aged companion, five sons and five daughters. Those residing in this part of the country, besides those above named, include Mrs. Laura McClure of Shallowater and Mrs. Della Jackson of Carlsbad, New Mexico, who together with members of their families also attended the funeral services, as did Robert Reid and wife of Mercedes, who also formerly resided here.

Deceased was himself well known in Tahoka, he and his aged companion having visited here several months in 1937-38.

The bereaved children have the sincere sympathy of many Tahoka friends.

Carl Nowlin and family are here from Grenville, New Mexico, spending the holiday and weekend with his people, his school having dismissed for the early Thanksgiving Day.

Miss Venita Cooper and Clifton Hamilton went to Brownwood Wednesday and were accompanied home by Miss Mildred, who is spending the holidays with her parents, Mr. and Mrs. E. J. Cooper, and other relatives. Miss Mildred is a Freshman student in Howard Payne.

**THANKSGIVING—An American Tradition!** And this year, with more than ever to be thankful for, America should celebrate! We are thankful that we can offer you the very finest foods for your THANKSGIVING FEAST at the very **LOWEST PRICES**. # A POOR HOBBY . . .

## As you sow . . . so shall you reap

Community benefits can be expected only in proportion to the support local business obtains from its trade area.

The citizenry of Tahoka and Lynn county can insist that the merchants and business men of Tahoka keep an adequate supply of merchandise on-hand and maintain a reasonable price range.

The merchants and business men of Tahoka will gladly do this but the full support and co-operation of the people of this trade area is necessary. Support your local firms and merchants. The law of Supply and Demand will act accordingly. Your home town will grow and prosper, and what helps your town helps you.

The business and professional men of this little city ask you, the customer, to aid them by giving suggestions on Better Merchandising.

Lets co-operate BY ALL PULLING TOGETHER for a Greater and Better Tahoka and Lynn County.

## Poems By Tahoka Lady Published

The News early this week received a communication from Donald Grant, managing editor of Pacific Press Publishers, Los Angeles, California, from which we quote the following paragraphs.

"We are going to press within the month with our 1941 edition of the Pageant of Poetry. I feel that you will be interested in knowing that a resident of your community has written some excellent material, which has been accepted and which is being published in this outstanding collection of poems, written by contemporary American poets.

"The writer to whom I refer is Birdie B. Winter, Box 794, Tahoka, Texas."

The "excellent material" referred to is two poems, one entitled "Telephone In Heaven", and the other "Down in Sunny Texas". Thereupon we interviewed Miss Winter, who is chief telephone operator here, and she furnished us a copy of the two poems.

Furthermore, she loaned us a large volume, "The Book of Modern Poetry, 1941" edited by Margaret

**CHEER LEADERS**—Shown above are the cheer leaders of Tahoka High School. They will play leading roles in homecoming activities here this week. Members of the group above are: Front row, left to right, Mary Beth Fenton, Derwood McClintock and Peggy Fenton. Back row, left to right, Jerry Noble, Jerine Bartley and Benoy Gattis, who is head cheer leader. Miss Ruby Nell Smith is sponsor of the cheer leaders and pep section.

Nelson and published by Avon House, New York, and we find that two of Miss Birdie's poems are published in this volume, entitled "Wings in Our Blue Heaven" and "America Is Our Home".

We give below one selection from each of these books.

**Wings in Our Blue Heaven**  
Wings in our blue Heaven;  
As they flutter above,  
Speaking words of love;  
And like angels' wings  
Hovering over us brings  
Peace to you and to me,  
Over land and over sea.  
Wings to keep our Heaven blue  
And our homes ever true.  
May all say a prayer  
As they wander up there,  
Wings in our blue Heaven.

**Telephone In Heaven**  
A telephone in Heaven;  
It is there on the wall,  
An angel waits for my call;  
She is standing there  
Upon the golden stair.  
Please ring the bell,  
There is so much to tell.  
On the telephone in Heaven.  
There is music on the wire—  
Must be the Heavenly choir.  
Send my message through,  
With all my love too,  
On the telephone in Heaven.

### RURAL SCHOOLS IN COUNTY INTERESTED IN W. P. A. LUNCHROOM PROJECT

Several schools in Lynn county have organized lunchroom projects operated under W. P. A. and are pleased with the progress their lunchroom is making. Lunchrooms operated under W. P. A. are located at Wilson, Draw, Redwine, and Midway.

These lunchrooms were set up under W. P. A. requirements, but most of them have plans for project development. Some are planning to build more table space so the children won't have to eat in shifts, while others are planning to paint their tables or benches or improve their lunchroom in some way.

Sponsors in all these schools have been very cooperative in helping with the lunch program. Home Demonstration clubs and P. T. A. organizations have worked with the patrons in getting equipment together. These organizations do most of the purchasing in the smaller schools. The teachers help with the serving and encourage the children to eat different foods. The results have been good. The children seem to appreciate the hot lunches.

### CARD OF THANKS

We wish to express our deepest thanks for the faithfulness of friends, for the beautiful flowers, and for every kindness shown during the illness and upon the death of our own husband, father, and brother.—Mrs. Edd Mason, Norene, Marie Mason, Mr. and Mrs. John Henderson, Mr. and Mrs. Hershel Roberts, and brothers and sisters.

### An Expectorant for COUGHS —that's a "Honey"

Compounded from rare Canadian Pine Balsam, Menthol, Glycerine, Irish Moss and other splendid ingredients, Buckley's CANADIOL Mixture is different—more effective—faster in action. Get a bottle today—take a teaspoonful, let it lie on your tongue a moment then swallow slowly—feel its powerful effective action spread thru throat, head and bronchial tubes. Coughing spasms ceases for right away it starts to loosen up thick choking phlegm and open up clogged bronchial tubes. Now you'll know why over 10 million bottles of Buckley's have been sold in cold, wintry Canada. TAHOKA DRUG, your own druggist has this great Canadian discovery.

### MIDWAY H. D. CLUB

Miss Maurine McNatt, Lynn county H. D. agent, told the Midway H. D. club ladies November 13, 1941, at 2:30 p. m. when they met with Mrs. R. L. Littlepage that being well-groomed meant the condition and cleanliness of the hair, nails, teeth, good posture and bodily cleanliness, and of course clean and attractive clothing.

Uncared for neck and elbows show age.

As the hands are the index for the body, thought should be given to their care.

A two-row brush is best for the care of the teeth, and salt and soda the best cleanser, as the salt aids the gums and soda aids the teeth.

The next meeting of this club will be with Mrs. H. V. Everson on Wednesday, November 26.

### MISS STEPHENS HAS BEEN ASKED TO BECOME A MEMBER OF CLUB

CANYON, Nov. 20 — Icaphe Stephens of Tahoka, a sophomore at West Texas State College, has been asked to become a member of the Kappa Omicron Phi, national Home Economics fraternity.

Miss Stephens will be a pledge during a certain probationary period after which she will take vows to become a full-fledged member.

The candidates are chosen from the upper one-fifth of all Home Economics students for their personality, initiative, leadership, and scholarship.

Try your home-town merchants first.—You will save if you do.

### MISS MARIAN BOYD PLEDGED TO BETSY ROSS CLUB

DENTON, Nov. 20—Miss Marian Boyd, she is a senior majoring in costume designing. Membership in the Betsy Ross club is by invitation only, and good scholastic and citizenship standing are requirements for pledging the organization.

Daughter of Mr. and Mrs. M. M. Boyd is a senior majoring in costume designing. Membership in the Betsy Ross club is by invitation only, and good scholastic and citizenship standing are requirements for pledging the organization.

Formal initiation services for all social clubs recently have been completed, and Miss Boyd is now a member with full privileges.

Carl Owens spent Saturday and Sunday in Abilene, where he met three brothers and a niece from Oklahoma City. They witnessed A. C. C.'s last conference football game of the year, played with Howard Payne College of Brownwood, and Carl reluctantly and sorrowfully admits that A. C. C. went down in defeat, losing to its antagonist to the tune of 0 to 13.

Jim Weatherford left Tuesday morning for Sierra Blanca, where he will probably spend the winter.

### "Grouchy" Husbands

and wives, may be suffering from aggravating bowel gas, sour stomach or headache, caused by spells of constipation. Try ADLERIK. It effectively blends 5 carminatives for relief of gas pains, and 2 laxatives for gentle, quick bowel action. Your druggist has ADLERIK.

WYNNE COLLIER, Druggist

### 420 REGISTRANTS TO GO TO LUBBOCK STATION IN 30 DAYS

Major Joseph R. Peller, Army Recruiting Officer at Lubbock announces that his office has been notified that 420 Class 1-A registrants will be sent to the Army Examining Station at Lubbock within the next 30 days for examination.

After these men have been passed through the Army Examining Station, they will be returned to their homes to await the next call for induction.

Young men of the above class interested in enlisting in the Air Corps or other branches of the Regular Army are urged to contact the Recruiting Office at once, as they cannot be accepted for enlistment after they have passed through the Examining Station, but must wait until they are called for induction.

Mr. and Mrs. James Connolly received a letter from their son Keith Tuesday informing them that he had been transferred from Camp Bowie, Brownwood, to an army camp on Angel Island at of near San Francisco. He left Camp Bowie on Tuesday of last week and arrived at Angel Island on Friday. He seems to be highly pleased with the new camp.

### That Full, Choked Feeling

after eating and drinking usually comes with acid indigestion and heartburn. Have ADLA Tablets handy, they contain Bismuth and Carbonates for quick relief. Your druggist has them.

"WHERE FOOD IS FRESH"

**ODDS & ENDS**

by Eee Eye,  
the Elder

Heretofore we have thought of Henry Morgenthau, Secretary of the Treasury, only as a keen, cold-blooded business man and financier. But he made a suggestion the other day that almost thrilled us—a suggestion that would indicate that he has a big heart as well as a big brain.

Speaking before the annual convention of the National Grange in session at Worcester, Massachusetts, he suggested a vast post-war program, we are told, whereby starvation would be abolished and every man, woman, and child the world over, regardless of race or color, would be guaranteed a sufficiency of food to keep them healthy and strong.

"In order to build a better world—and that goes for our own country as well as those abroad—we must recognize the citizen's right to have a minimum standard of food with which he can live the life of a free man", Morgenthau said.

This is a heretofore unmentioned "personal right" which Morgenthau has added to the list contained in the Constitution of the United States.

And, it may be just as important as any of them. The right to food! "We hold these truths to be self-evident" wrote Thomas Jefferson in the Declaration of Independence. "That all men . . . are endowed with certain inalienable rights; that among these are life, . . ." etc.

And food certainly is essential to sustain life.

Then, Morgenthau enumerated the foods and the amount of each kind, according to the report of the National Nutrition Conference recently held, that should go into the minimum food standard for every human being.

He not only contended that each child born into the world has a right to be supplied with this minimum standard of food, but that this plan which would supply to the

**Chief Scout Executive**

Dr. James E. West, Chief Scout Executive of the Boy Scouts of America for more than 30 years and Editor of "Boys' Life" magazine since 1923.

children and the adults of every race and nation a sufficiency of food, would eliminate one of the chief causes of war.

Then Morgenthau turns to the economic and business side of the proposal.

"If our people, and other peoples are to be guaranteed a minimum standard of nutrition, which I believe is their right, then we in this country will have to produce the food that will make the standard possible."

To supply the minimum standard in this country alone, he asserted, would mean "an increase of at least 40 per cent of our present consumption of milk and milk products alone, and a doubling of our present consumption of leafy vegetables and fruits."

This great increase in consumption of food throughout the world would put every idle acre of land in the United States to work again. Instead of curtailing acreage in certain farm products, every farmer would be called upon to make his farm produce to the utmost.

Morgenthau declares that this plan is not the mere dream of a visionary, but is a thing which "must follow, not only in this country but all over the world, if we are not to revert to an endless barbarism of wars and revolutions."

We don't know how in the world Morgenthau would get the cooperation of other leading nations of the globe in the execution of any such plan. To feed all the undernourished people of the world certainly would be a big assignment for the United States alone.

But Morgenthau is a keen financier, and presumably he has thought the thing through.

Asserting that the United States had decided that everyone was entitled to free schooling and that it had enacted "a whole series of historic measures" for protection against unemployment, old age, and disability, "what I am suggesting", he said, "would merely carry the process a step further".

But it certainly would be a long step. It would be a momentous step. And it would be the most humane step ever undertaken by any government or coalition of governments.

Think of the countless millions of hungry mouths that would be fed. Think of the unnumbered millions of puny children throughout the world that would be made strong and healthy.

In China alone hundreds of thousands of people starve to death almost every year. In all the overcrowded countries of Europe and Asia, the undernourished children are as numberless as the sands of the seashore. Those who heard Dr. W. Bristow Gray at the Rotary luncheon last week, remember the pathetic recital he gave respecting the hungry little beggars that infest all the cities and towns in the countries that touch the Mediterranean. Stories have come to us many times from some of the old countries and even from Cuba of the crowds of fatherless and motherless little waifs that live like ani-

mals, sleeping out under bridges, or under trees, or in caves, feeding on garbage and such other "food" as may be found.

The Morgenthau proposal would provide food for all such, and if food, clothing and shelter also.

It would make real, to the waifs of the world, as it has been made real in our own country, the right to "life, liberty, and the pursuit of happiness".

Following and incident to such a program, in the course of time, would come a program of universal education.

And along with any educational program fostered by the state should go a Christian missionary program fostered by the Church.

If the time ever comes when this world is adequately fed, clothed, educated, and Christianized, then it will be the best and happiest world we have ever known. Dictatorships will be a thing of the past, and Democracy will prevail everywhere. War will be all but impossible.

If Germany had been a democracy instead of an autocracy and had been democratic in spirit, there would be no war raging in Europe today.

Christianity is the progenitor of Democracy.

Christianity at the same time humbles and exalts the individual. Christianity teaches man that he is his brother's keeper; that he should love his neighbor as himself; that he should do unto others as he would have others do unto him.

This is the very essence of Democracy.

Democracy in fact is the mere political expression of Christianity in action.

The infusion of Christian prin-

**Sneezing Hens Are Poor Layers**

Sneezing hens have colds, and colds and eggs production just don't go together. Neither do colds and vaccination with Dr. Salsbury's Mixed Bacterin (Avian) Chicken Formula. Be wise, vaccinate; and be wiser still, see us.

**WYNNE COLLIER**  
DRUGGIST

A member of Dr. Salsbury's  
Nation-Wide Poultry Health  
Service

cles and the spirit of Christ in the hearts of men is fatal to dictatorships and autocratic power wherever encountered.

Before Hitler started out on his mad career of blood and carnage, he undertook to overthrow the Christian religion in Germany; he hooted at the Bible as a mere Jewish book; and he undertook to set up a new religion, a materialistic religion, a blood and thunder religion, a might-makes-right religion, for the German people.

When the Russians were led to accept communism, they were made to believe that all their economic troubles were chargeable to the established, Orthodox Church, which was largely true, and they were led to renounce God, renounce religion, renounce the moral standards, and to launch out upon a sea of atheism as well as communism. And this course led inevitably back to autocracy and dictatorship.

Enlightened Christianity is the mortal foe of Totalitarianism, of Hitlerism and Stalinism alike.

## Turrentine . . .

Continued from Page 1  
nell for the past year, was assigned to the Church at New Home, a new church organization with a new building. Rev. H. H. Hollowell is the new pastor at O'Donnell.

Rev. Ellis Todd was retained as pastor at Wilson, and Rev. J. E. Young at Draw-Grassland.

Tahoka friends were interested in learning that Rev. J. H. Hamblen, father of our own John Hamblen, member of the Tahoka high school faculty and director of the band, was retained as pastor of the First Methodist Church in Abilene.

Tahoka friends were also pleased that a former pastor here, Rev. H. C. Smith, who has been with the San Jacinto Church in Amarillo since leaving the Tahoka Church several years ago, has been assigned to the First Church in Big Spring. Rev. W. C. Hinds, who has been pastor of the Big Spring Church, was sent to the San Jacinto Church.

Rev. C. C. Armstrong, a former Tahoka pastor, was sent to Canyon; while Rev. R. T. Breedlove, another former Tahoka pastor, was returned to Floydada.

Rev. G. W. McLain, former pastor at Wilson, goes to Mobeetie; Rev. J. H. Crawford, former pastor at O'Donnell, remains at Seminole; and Rev. M. R. Pike, another former O'Donnell pastor, was assigned to the Bovina-Oklahoma-Lane charge.

Rev. Hamilton Wright, once pastor at Draw-Grassland and later at Southland, well known throughout the Northwest Texas Conference, is stationed at Turkey.

Rev. W. J. Knoy, brother of Mrs. J. M. Johnson of Tahoka, whose parents resided here many years, has the Whiteflat-Fiomont charge.

Rev. R. I. Hart, who resided in this county for sometime and married here, has the Margaret-Thalia charge.

Rev. J. B. Thompson is at Stratford, and Rev. E. B. Thompson at Texhoma. Both had charges in Lynn county at one time.

Rev. W. B. Hicks, another former O'Donnell pastor, is at Spearman.

The new pastor at Post is Rev. O. B. Herrin; Rev. E. D. Landrith is at Lamesa, Rev. H. W. Hanks at Brownfield, Rev. J. E. Eldridge at Levelland, and Rev. H. C. Gordon at Slaton.

Rev. O. P. Clark remains as superintendent at Lubbock, Rev. H. I. Robinson as pastor of the Lubbock First Church, and Rev. W. E. Peterson as pastor of Asbury.

## Jud Gurley . . .

Continued from Page 1  
Mrs. Mattie McCauley of Temple, Texas.

Mr. Gurley was born on January 12, 1879 near Henrietta, Texas, but while a small boy he moved with his father's family to White Bead near Paul's Valley, Indian Territory, where he grew to manhood.

He participated in one of the land drawings staged in the Territory just Wichita Falls and drew a tract of land near the town of Davidson. There he was married to Miss Suda Lovelady on May 30, 1908, and there he and wife resided for a number of years, some of the children being born there.

In July, 1916, Mr. Gurley and little family removed from Oklahoma to Lynn county, settling in the Magnolia community. Acquiring a farm in that community he resided upon it until two years ago, when he sold the farm and moved to the George Small place north of Tahoka.

Mr. Gurley was an industrious, upright citizen, a devoted husband and father, and a good neighbor. All his neighbors testify to that fact, and many of his former neighbors in the Magnolia, now Garnolia community were here Monday attending the funeral services.

The bereaved family have the sincere sympathy of hosts of friends.

Mr. and Mrs. S. H. Howell left early Sunday for Columbia, Tennessee where they expect to spend some time with a brother of Mrs. Howell.

## Rotary . . .

(Continued From Page 1)

strikes in defense industries, and also to write Congressman George Mahon in favor of the matter.

Frank George presented a plan proposed by some of the women's clubs for providing toys and other gifts for the needy children of the town. Favorable action was taken and Walter Mathis was chosen to represent the club.

The club also voted to sponsor a moving picture show for the children of the county, as was done last year, and Dr. Emil Prohl, Callaway Huffaker, and John Jackson were appointed to put the proposition over.

George Dale presented to the club the matter of assisting Edwin Jolly, Eagle Boy Scout and a very popular youth of Tahoka, to regain his health if possible. Many individual Rotarians indicated their desire to help.

It was decided to have no luncheon next Thursday, which is to be observed by Rotarians as Thanksgiving Day.

The Club gave Rotarian George E. Turrentine a hearty hand on his return to Tahoka as pastor of the Methodist Church.

Miss Anita Reddell, who teaches in Hale Center, and D. F., who attends Howard Payne College at Brownwood, are here for the holiday and the weekend with their parents, Mr. and Mrs. W. A. Reddell.

**Mary Lee Taylor's Pumpkin Pie**  
Broadcast November 18

½ cup light brown sugar, lightly packed  
1 tablespoon flour  
½ teaspoon salt  
2½ teaspoons pumpkin pie spice

1½ cups freshly cooked or canned pumpkin  
1½ cups Fat Milk  
1 slightly beaten egg  
2 tablespoons dark cooking molasses

Turn on oven and set at very hot (450° F.). Mix together brown sugar, flour, salt and pumpkin pie spice. Add pumpkin, milk, egg and molasses. Stir until smooth. Pour into deep 9-inch pie pan lined with unbaked pastry. Bake 15 minutes, then reduce heat to slow (325° F.) and bake about 40 minutes, or until firm.

NOTE: 1 teaspoon cinnamon, ¼ teaspoon cloves and ½ teaspoon each of ginger and nutmeg may be substituted for the 2½ teaspoons pumpkin pie spice.
