Side Issues

HENRY G. VERMILLION

This column through no desire mine was eliminated, cut, or deleted from the paper last week, and to those two readers who so handsomely squawked to the absence, thank you.

Last week's omission was simply a matter of space. If I had left a lot of other stuff and put Side Issues, the squawks no doubt would have been multiplied.

One thing that always rather annoys me in Eastland, and in other towns, large and small, is the number of persons who are always wishing that "they" would do this, that or the other.

In various instances, the "they" referred to are the people who have money, the people in public office, the people handling the affairs of the chamber of commerce, and various other groups.

In most instances, the speaker is a squawker who has done nothing for the physical, moral, financial or political advancement of his town. He fusses about the people not doing enough, because he is not influential and is not doing anything much.

I want Eastland to advance, to have more business, to have more money and industries. I probably won't do all I can to attain those objectives. But if you readers ever hear me spouting off about how "they" are not doing this or that—stop me. I'm not kidding. Make me "we," and we'll be on the track.

Eastland County should have a steady oil development, with a boom but lots of payrolls. If the land of the county is in the right hands, Sidney Larisse, lease man for A. W. Houston oil independent, recently.

In the right hands, of course, in the opinion of those of independent oil operators.

Mr. Larisse, he said, tend to their leases without any comment, figuring that the best storage in the world is provided in the ground by nature.

With a few rigs and holdings in new fields, has to scratch to get out for new develop-

ment. Therefore, he advised, if you land owner, deal directly with an independent, and in the run you and your neighbors will be better off.

Recent series of comments showing, or rather not mowing, had wider repercussions than I had imagined. I received a postcard not long ago, signed "From a Lubbock Tex." on which had been put a picture of some magazine. The picture was titled "A Song of the West" and was a picture of a cowboy on a horse. It was to be sung to the tune of "Swanee River." It goes:

"Gits weary, sick of walkin', tired of pushin', skeered of squawkin', ol' Lawm Mower keeps mowin' a lawn." I showed the postcard to my wife and even she thought the lyrics were tolerably amusing.

It should make them seem hilarious to persecuted and mowing husbands.

My wife's brother, Jim Tigner, is visiting us a few days and my children have had a lot of fun joking about their

newly acquired "teakettle" or perhaps "teakettle." And our kids were to death with it. The car is about half as wide as a '39 Chevrolet, and about as long. (Continued On Page Eight)

Draft Registration Dates Are Set; Places Not Chosen

Registration of all Eastland County men between the ages of 18 and 25, inclusive, will begin Aug. 30, Frank Sparks of Eastland, member of the Eastland-Stephens County Draft Board, said Thursday.

Sparks said the location of the draft board office in Eastland had not been settled on yet, but likely would be in the Courthouse or the Sinclair Prairie Building.

He said places for registering for the draft had not been selected yet, but will be announced later.

It was understood that Mrs. Jewel Reeves, secretary of the war-time draft board when it was abolished, had been recommended to state officials as secretary of the new board. At present she is employed as secretary in Sparks' law office.

Reports from Washington Wednesday said that 15,000 men probably will be drafted into the armed services in a month or two after registration is complete, with another 15,000 scheduled for induction the month after that.

The schedule for registration, by ages and dates of registration, follows:

Persons born in 1922 after Aug. 30, register Monday, Aug. 30. Persons born in 1923 register Tuesday or Wednesday, Aug. 31 and Sept. 1.

Persons born in 1924 register Thursday or Friday, Sept. 2 and 3.

Persons born in 1925 register Saturday or Tuesday, Sept. 4 and 7.

Persons born in 1926 register Wednesday or Thursday, Sept. 8 and 9.

Persons born in 1927 register Friday or Saturday, Sept. 10 and 11.

Persons born in 1928 register Monday or Tuesday, Sept. 13 and 14.

Persons born in 1929 register Wednesday or Thursday, Sept. 15 or 16.

Persons born in 1930 before Sept. 19 register Friday and Saturday, Sept. 17 and 18.

Persons becoming 18 years of age after Sept. 19 shall register on their 18th birthday or within five days afterward.

Wittrups Sell Home And Buy Another

Mr. and Mrs. E. L. Wittrup have sold their home at 709 South Seaman Street to Mr. and Mrs. E. M. Grimes, and have purchased a house from Dan Childress located at 512 South Dixie Street.

Grimes is a partner with his brother in Grimes Bros., International Harvester dealers. Wittrup is a florist.

Mr. and Mrs. Wittrup began extensive alterations and improvements in their new home.

DYES ARE PARENTS OF BABY SON

Mr. and Mrs. James Dye, 211 South Connelley Street, are the parents of a son whom they have named Vernon Eugene, born in a Ranger hospital, August 14.

Mrs. Dye and baby have been removed to the home of Mr. Dye's parents in Grayford, where she will remain until about Sept. 1.

MRS. GOODMAN TO VISIT HERE

Mrs. Bonnie Goodman, who has been teaching in the University of California at Los Angeles, is expected Friday in Eastland, where she will be the guest of Mrs. E. E. Layton and Mr. Layton for several days.

Mrs. Goodman and Mrs. Layton were girlhood friends. Mrs. Goodman is en route to Alabama, where she is a teacher in the State University.

BAKER BROTHERS JOIN BREEDERS' GROUP

Baker Brothers of Box 207, Eastland, have been selected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, according to word from the association this week.

Baker Brothers were among seven purebred Aberdeen-Angus breeders from Texas elected to membership in the last month.

Move To Build Eastland Homes Appears Favorable

36 Turn Out For Football Practice; Benham Ruled Out

Thirty-six Eastland High School football hopefuls were out for practice this week as Coach Wendell Siebert and James Alexander put them through their paces.

There was one particularly dark note, and that was the absence of Co-Captain Kenneth Benham, who has been found ineligible under the eight-semester rule, and will not play.

That left Siebert with even less backfield material than he had bargained for, and he had been a little despondent to begin with.

The only back left with even second team experience of any extent is Jim Smith, who got into several games last year after the regulars had piled up big scores.

The line prospects, on the other hand, looked pretty good, with Regulars Dan Amis and Jack Kelly on hand to lend their beef to a squad of forwards that looked husky and ready.

Siebert was telling his backfield prospects that they won't know who will start in the backfield until kickoff time the first game of the season, which will be with Coleman there Sept. 10.

That game could be a massacre. Coleman, manhandled by Eastland in the bi-district last fall in a game the Colemanites expected to win readily, will be ready with a vengeance.

Meanwhile, School Business Manager Curtis Hertz urged football patrons to come to his office for their season football tickets, which are on sale at \$4.50 per book.

The 500 or so reserved seats already are half sold, Hertz said, and patrons wanting choice positions for home games had better hurry for the rest. Last season, there were not enough season tickets to go around.

Bob Page Winner Of Monahans Contest

Bob Page of Odessa, husband of the former Glynn Castleberry of Eastland, won the amateur talent contest at Monahans' big V-J Day celebration Saturday night, presenting a skit based on "The Desert Song" to win \$350 and a chance to appear on a New York show of the Mutual Broadcasting Company.

Page, who will get his degree from Abilene Christian College next Tuesday, will teach music in Odessa High School beginning Sept. 2. He has a weekly Sunday afternoon program over Station KASA in Odessa, and also performs weekly at an Odessa theater. Mrs. Page is the daughter of Mr. and Mrs. Ed Castleberry, Breckenridge Road.

MRS. AMIS TO GET H.S. U. DEGREE

Mrs. Mildred Cox Amis, 1309 South Seaman Street, is one of 162 Hardin-Simmons University students who will receive degrees Friday, August 20, Alton B. Lee, registrar announced. "This is the first summer commencement to be held at H.S. U. since 1919 and will conclude the largest graduation program in the school's history," he said.

Exercises will be held on the lawn of the new girls' dormitory, on the campus.

L. P. WILLIAMS RETURN TO LIVE

Mr. and Mrs. L. D. Williams of Abbeville, La., moved this week to Eastland and are living at 702 West Patterson Street.

Mr. and Mrs. Williams formerly lived here. Mr. Williams is employed with the Texas Company.

BLEVINS TEAM ENJOYS PICNIC

Members of the Blevins Motor softball team had a picnic at the City Park last week, given them by A. J. Blevins, Jr., owner of the motor firm and team sponsor.

Manager James Wright of the team was presented with a gift. The team has ended a successful season.

Large Crowds Watch Softball Tournament

Large crowds were watching games in the annual Eastland Softball Tournament this week as play produced good, tight games that often were not settled until the last out.

Monday night, King Ford of Eastland beat Mingus, 5 to 4, and Tuesday night, Desdemona won over Abilene Christian College, by an identical score. Wednesday night, Cisco Junior College downed Stephenville 4 to 2.

Games will be continued through Saturday night, with the playoff games extending into next week.

County Seen As Center Of Industry

Eastland County is and will continue to be the center of the lightweight aggregate production industry in Texas, Charles Moruzzi, president of the Texas Lightweight Aggregate Company, told Eastland Lions Tuesday.

Moruzzi pointed out that his company's plant at Eastland is the only Texas plant making Haydite, for use in building blocks and other structural units, and that Charles Cline, formerly associated with his firm, has announced plans to open a similar venture in Ranger.

Moruzzi also mistakenly included Strawn and its cinder block industry in the Eastland County area, but it was pointed out that Strawn is a few miles over the line in Palo Pinto County.

Another speaker at the club was Charles Simmons, an auditor for the state who has been checking accounts in the office of County Tax Assessor-Collector Neil Day. Simmons told of his work and spoke on taxes.

Church Of Christ To Have Vacation School

The Vacation Bible School of the Church of Christ will open for a two weeks session Monday at 9 a. m.

"The school will start at 9 a. m. each morning from Monday through Friday," said Claud C. Smith, Church of Christ minister. "It is for children of the church, and all children that wish to attend are invited."

Mr. Smith has returned from Sylvestre, where he had been conducting a revival meeting. He will begin a series of services at Sipe Springs next Friday, preaching there each evening, but will be here each morning to help with the Bible School. He will be assisted by a loyal corps of Sunday School workers of the church.

Social Security Man To Visit Eastland

Glen McNatt, representative of the Social Security Administration, Abilene, will be in Eastland Thursday, August 26, at 10 a. m. at the Army Recruiting Office. He will be available to assist in filing claims for old-age insurance or survivors insurance under the Social Security Act. He also can help anyone to check up on the amount of wages credited to his old-age and survivors insurance account, and he can give general information regarding social security.

SGT. JAMES ANDERSON VISITS PARENTS HERE

Sgt. James Anderson, son of Mr. and Mrs. Everett Anderson, who is stationed at Carswell Air Field, spent the week end here with his parents, bringing with him his friend, Sgt. Pat Patterson of Carswell Field, whose home is in Cheyenne, Wyo.

Also at home since last Friday is the Anderson's son Joe, who has completed a three weeks course in the Carter Carburator School in St. Louis. Joe is associated with his father at Anderson Motor Co.

Mr. and Mrs. Lester Trout and children visited in Seminole with their son and brother, Earl Trout, Mrs. Trout and little son, Terry, while on their vacation, which also included stops in Cloudercroft, Alamogordo, and White Sands, N. M.

Oil Activity Takes Further Upturn; Wells Look Good

Oil activities continued at a quickening pace near Eastland this week as good prospects were seen for the Johnnie Aaron well southwest of town, the City of Eastland well near Lake Eastland, and the well being drilled by Homer Glover and associates west of town.

Meanwhile, the Texas Company sent a geophysical crew here to make seismograph surveys of sections of the country near Eastland, pointing out the interest being taken in the renewed oil activity here.

The crew, moving in this week, had trouble locating places to live, but several had located apartments or houses by Thursday, and others still are on the lookout.

Chamber of Commerce Manager H. J. Tanner again urged anyone having or knowing of a vacant apartment or house to list it with him.

The City of Eastland well, being drilled by the Tex Harvey Oil Company, was stopped in the top of the Ranger lime, it was reported, and was waiting for cement to set before running a test. Five-inch casing was set to that point.

The Johnnie Aaron well, being drilled by A. L. Andree and Frank Parsons of Wichita Falls, had been drilled nearly to the Ellenburger after finding a good showing in the Duffer lime, but was low structurally in the lower pay zones, and was backing up to test the Duffer after pipe was set. About 70 feet of the Duffer was encountered, some of it oil saturated.

Aaron said Thursday he had leased an 80-acre tract to Murray Long of Graham, with a 90-day drilling contract. The tract is adjacent to the Andree lease, to the northwest.

Glover's well, after being treated with 2500 quarts of acid earlier in the week, was still being swabbed Thursday, and reports were that after earlier disappointment, showed signs of making a fair to good well. It was being tested in the Marble Falls lime.

The Texas Company leased offices in the Petroleum Building here as headquarters for its geophysical crew.

Folmar Baby Buried In Sweetwater Rites

Funeral services were conducted at Sweetwater Tuesday for Linda Dianne Folmar, infant daughter of Mr. and Mrs. O. C. Folmar, 606 West Commerce Street, who was born by Caesarian operation Monday afternoon in a Ranger hospital and lived only a few hours.

Mr. and Mrs. Folmar have one other child, little Max Folmar. Hamner Funeral Home was in charge and transported the body to Sweetwater.

Mrs. Folmar's condition is considered quite critical.

MISS HIPP TO GET DEGREE AT T.S.C.W.

DENTON—Miss Margaret Hipp, daughter of Mr. and Mrs. George Hipp, 208 South Oak Street, Eastland, is among the 132 candidates for bachelor's degree to be conferred at Texas State College for Women August 26.

A student of general business and economics, Miss Hipp also attended the Cisco Junior College. At TSCW she was a member of the Adelphean Club and served as its social chairman for a year.

Mrs. J. L. Robinson of Argyle is spending the week with Mr. and Mrs. W. C. Robinson and family. Carolyn Sue Shelton of Gainesville is spending the week with Joy Lynne Robinson, the Robinsons' daughter.

Mr. and Mrs. Joe Propes of Gladewater spent last week here visiting Mrs. Propes' mother, Mrs. S. C. Trout and other relatives. Other visitors in Mrs. Trout's home were Mrs. Iris Carter and son, Gerald Clay of Eunice, N. M.

Jimmie Young Falls, Breaks Arm At Work

Jimmie Young fell Saturday at his filling station on East Main Street, and fractured one of the bones in his right arm.

He is back on the job now, wearing the arm in a sling. He says it has been quite painful but will soon be all right.

Young operates the Magnolia station on East Main Street.

Airport Property Leased To Porter For Oil Drilling

Another City of Eastland test well probably will be started within 60 days by C. P. Porter of the Coast Oil Co., this one on the city's airport property, by terms of a lease agreement reached by the City Commission and Frank Day, representing Porter, Tuesday night.

Under the lease, Porter obtained drilling rights on about 77½ acres of airport land. However, the lease will be unitized with another lease on 350 acres of adjacent land owned by Clyde Garrett, former congressman who now lives in Dallas.

Under terms of the lease, the first well may be drilled either on city property or on adjacent land.

City officials are hopeful of getting oil royalties in the city treasury to get the city out of a financial hole it has been in for many years.

Mayor Dan Childress said it had been estimated that at the present rate of payment, it would take over 170 years to pay off the city indebtedness. Several good oil wells on city-owned land would change all that, he said.

Maxeys Dress Up On 25th Anniversary

Mr. and Mrs. Fred Maxey were all dressed up Wednesday, she in an orchid and Mr. Maxey with a red carnation pinned to his shirt pocket, in celebration of their 25th wedding anniversary.

The Maxeys returned a week ago from their vacation and were having to call their anniversary just another day and stay on their jobs. Mrs. Maxey is X-ray technician for Doctors Caton and Cowan and Mr. Maxey is one of the owners of Davis-Maxey Drug. They were married in Ranger, where they lived for a time, but have spent most of the twenty-five years here. Mr. Maxey formerly owned a wholesale tobacco business here.

The flowers were gifts of friends.

ROBERT HARKRIDER GOING TO WEST POINT

Pfc. Robert Harkrider, son of Mr. and Mrs. Ernest Harkrider of Kermit, formerly of Eastland, has received appointment to West Point.

Robert, a 1946 graduate of Kermit High School, spent a year in radar training with the Army Air Corps in Boca-Raton, Florida. He is now stationed at McCord Air Force Base near Tacoma, Wash. He is a nephew of Mrs. Allen Dabney of Eastland.

FLATWOOD CHURCH TO HAVE MEETINGS

A 10-day gospel meeting will begin in the Flatwood Church of Christ at 8:15 p. m. Friday, Aug. 20, it was announced this week.

Ward Hoagland of Gorman will preach at all of the services, which will be held in the evenings only. The public was invited to attend.

Mr. and Mrs. W. A. Teatsorth, 509 South Halbryan Street, have returned to their home here following a month's vacation in California. Mr. and Mrs. Teatsorth visited their son, Jack J. Teatsorth, and Mrs. Teatsorth in Inglewood, and other relatives while in California.

Mr. and Mrs. Kimble Young and children of Abilene spent last week end here visiting in the home of their parents, Mr. and Mrs. W. T. Young, 606 South Madera Street.

Dallas Men Seek Local Location For Low Cost Homes

Developments moved fairly rapidly the last week in an Eastland Chamber of Commerce effort to get some new residences built in Eastland.

With oil development nearby making the housing shortage more acute than at any time since the first boom, the effort toward getting new houses was directed at low-cost housing, in the \$6,000 and less bracket.

At mid-week, the greatest hope seemed to lie in two Dallas builders, John Stuart and Ray Goodnight, who heard of the housing shortage here and came to Eastland Monday to check into the situation.

They told a group of Eastland businessmen, meeting at the Eastland Chamber of Commerce Monday afternoon, that they were quite interested in building homes here, had the necessary capital and connections, and probably would enter the building field here if they could obtain the right land at the right price.

They proposed building a large group of houses, perhaps 50 or more, on one block of land. Building the homes all together would cut the cost of construction greatly, they pointed out.

They also stressed that rising building costs have made it impossible to build very large or very nice houses in the \$6,000 bracket. The new housing bill that was signed by President Truman recently offers special incentives to building houses that cost \$6,000 or less. One feature is that the FHA will guarantee 95 per cent of the loan on such houses, making it necessary for the purchaser to put up only five per cent of the purchase price, in some instances. Another feature is the extending of payments over a 30-year period, making the monthly payments smaller.

On Friday of last week, Chamber of Commerce Secretary H. J. Tanner, H. G. Vermillion and Jesse McKee, oil man, went to Fort Worth to obtain information on the housing program, and were assured by various sources that houses could be built in Eastland if people here want them enough.

A small local corporation could be formed as a base for a house building program, they were told. They also checked into financing, and late construction features, as well as potential contractors.

Stuart and Goodnight were interested in a 30-acre tract owned by Jim Horton, lying between Connelley and Chastain Additions in the southeast part of town, but Horton was in Canada and could not be reached this week.

PIPKINS HELP ENTERTAIN GOVERNOR

Mr. and Mrs. Garry Pipkin, who are vacationing at Spring Creek resort near Gunnison, Colo., were members of a group who honored Gov. and Mrs. Roy J. Turner of Oklahoma City on their eleventh wedding anniversary.

As part of the evening's entertainment, Mrs. Pipkin sang several of the governor's original compositions. Included in the selections were "Hereford Heaven," Governor Turner's song about his ranch in Alva, Okla., "My Lucky Star," which was dedicated to Mrs. Turner, and "The Old Flying L."

STILLS RETURN HERE TO LIVE

Mr. and Mrs. J. D. Stills, owners of the Still Jewelry Store, last week returned to Eastland to take over operation of their store, and said they would continue to live here.

They are living at 301 North Dixie Street. They had been living in El Paso, where Stills has property interests.

PIONEER CLUB TO MEET AUG. 24

The Eastland County Pioneer Club will meet Tuesday, August 24 in the home of Mrs. T. M. Johnson, 405 South Connelley Street.

All members were cordially invited to attend" Mrs. Johnson said.

TEXAS must lead the fight for FREEDOM

Texans, your personal freedom and the freedom of your children is in danger. Truman's so-called civil rights program will destroy our way of life. Never since the Alamo has Texas been in such danger.

If we are to be saved, we must unite today... all creeds, all factions, farmers, laborers, businessmen, EVERYBODY!

If the Truman forces steal the Fort Worth Convention on September 14 by unseating the States' Rights delegation, you will still have the chance to vote for STROM THURMOND AND FIELDING WRIGHT.

Money must be raised... it is YOUR fight. It is now or never! Send one dollar with your name and address to: W. B. BATES, Treasurer c/o Second National Bank Houston, Texas

GETS GREATER RELIEF FROM USE OF RETONGA

Gas On Stomach, Muscular Aches & Pains, Sluggish Elimination, Weakened Feeling, All Promptly Relieved, Says Mrs. Era Manning.

"A good friend personally recommended Retonga to me, and I can say that she did not praise this fine medicine half strong enough," gladly states Mrs. Era Manning, respected resident of 408 Barrera St., San Antonio, Tex., and the mother of seven children. Mrs. Manning gratefully continues:

"I had no appetite and soft foods were all I could force down to keep me going. Food seemed to sour in my stomach and burn inside me like acid. I suffered so much distress from gas on my stomach and bloating that sometimes I could hardly get my breath. I felt weakened and worn-

out. My shoulder and arm muscles pained and ached something awful and I had to take strong purgatives to relieve my sluggish bowels. My whole body seemed full of toxic poisons.

"Retonga gave me greater relief than all other medicines I have tried. I have a grand appetite now, eat anything I want, and no longer suffer distress from sour stomach and acid indigestion or take those harsh laxatives. I sleep good, feel refreshed when I get up, and my housework is a pleasure instead of a drag. No one can be more thankful than I for Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at all good drug stores including the Eastland Drug Store.

Farmers Given TVA Fertilizer

A total of 50,000 pounds of 61 percent calcium metaphosphate TVA fertilizer was recently distributed to 16 Eastland County farmers for demonstration purposes according to County Agent J. M. Cooper.

The fertilizer has the highest phosphate analysis of any ever brought into the county, said Cooper, who requisitioned the fertilizer for the farmers from the TVA plant at Sheffield, Alabama.

The material is to be used for demonstration purposes under soil building crops, with a small amount of it going on pasture land. Principal soil building crops to receive it are vetch and, clover and winter peas, although cowpeas, crotonaria, Lespedeza and alfalfa could be planted with it should the farmer desire.

Mr. and Mrs. W. M. Marrs and sons, Bill and Jim, returned to their home in Monahan, Saturday after having visited here in the home of Mrs. Marr's mother, Mrs. T. M. Johnson.

CASE NO. 10,022— CONVULSIONS

BABY, at age of two weeks began having convulsions. The conventional methods were tried, with seemingly some results at first, but the convulsions returned in more severity.

On December 23, 1947, the baby was placed in a hospital for children in Des Moines, Iowa. She remained for two weeks, in which many different tests were given, including X-Rays. She improved some at first then the spells became more frequent and severe.

Several people had suggested Chiropractic, but not knowing anything about it, the parents had difficulty in having much faith or hopes in it. However on January 31, 1948 the child was taken to a Chiropractor. After adjustments were begun the convulsions gradually became less frequent and finally ceased. At this writing it had been about two months since the last convulsion.

H. J. R. No. 7
USE JOINT RESOLUTION
proposing an Amendment to Article IV, of the Constitution of the State of Texas, by adding a Section to be known as Section 3a, so as to provide for succession to the office of Governor in the event the Governor-elect dies, or becomes disabled, or fails to qualify, before taking his oath of office as Governor; and providing for the issuance of the necessary proclamation and publication by the Governor.

Section 1. That Article IV of the Constitution of the State of Texas, be and the same is hereby amended, by adding another Section to follow Section 3, and be designated Section 3a, to read as follows:

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IV of the Constitution of the State of Texas, be and the same is hereby amended, by adding another Section to follow Section 3, and be designated Section 3a, to read as follows:

"Section 3a. If, at the time the Legislature shall canvass the election returns for the offices of Governor and Lieutenant Governor, the person receiving the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor, or until after the next general election. Any succession to the Governorship not otherwise provided for in this constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor."

est number of votes for the office of Governor, as declared by the Speaker, has died, then the person having the highest number of votes for the office of Lieutenant Governor shall act as Governor until after the next general election. It is further provided that in the event the person with the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor, or until after the next general election. Any succession to the Governorship not otherwise provided for in this constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at a General Election to be held throughout this State on the date provided by law in the month of November, A. D. 1948, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

"AGAINST the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

contingencies."

Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this State.

H. J. R. No. 36

HOUSE JOINT RESOLUTION
proposing an amendment to Section 61, Article XVI of the Constitution of the State of Texas so as to provide that all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, constables, deputy constables, and precinct law enforcement officers shall be compensated on a salary basis in all of the counties in this State beginning January 1, 1949; providing for submission of this Amendment to the vote of the people of Texas; providing the time, means and manner thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 61, Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 61. All district officers in the State of Texas and all county officers in counties having a population of twenty thousand (20,000) or more, according to the then last preceding Federal Census, shall be compensated on a salary basis. In all counties in this State, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts, to compensate all constables, deputy constables and precinct law enforcement officers on a salary basis beginning January 1, 1949, and in counties having a population of less than twenty thousand (20,000), according to the then last preceding Federal Census, the Commissioners Courts shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, on a salary basis beginning January 1, 1949.

"All fees earned by district, county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners Court may direct. All Notaries Public, county surveyors and public weighers shall continue to be compensated on a fee basis."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment of Section 61, Article XVI of the Texas Constitution providing that all sheriffs, deputy sheriffs, constables, deputy constables and other law enforcement officers shall be compensated on a salary basis"; and

"AGAINST the Constitutional Amendment of Section 61, Article XVI of the Texas Constitution providing that all sheriffs, deputy sheriffs, constables, deputy constables and other law enforcement officers shall be compensated on a salary basis."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine and each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

And incidentally, on the drinking water matter, our city water certainly has a much stronger chlorine smell since the new chlorinating equipment was installed at the treating plant, even though less chemical is used. I used to be proud of our water as compared with that in the larger cities, but I can't say that I am now.

two-thirds as long. Jim reported he had little trouble with it except when he was stalled 10 days in Colorado waiting for parts after the differential burned out, and the time he ran out of gas between Alpine and Fort Stockton, despite the fact his little Ford makes up to 35 miles to the gallon of gasoline.

Although the Ford Motor Company owns its British subsidiary that makes the British Ford, the cars have no parts in common. The English kind seats four people fairly comfortably, and retails for around \$1600 in New York.

Have you been swimming lately in our drinking water pool? I started to go the other day, and discovered that my son, aged 12, had expropriated my swimming trunks, which suddenly gave me pause to think about how old I'm getting.
