AROUND  
THE  
COUNTY  
by

ARTHUR BARLEMAN, JR. COUNTY AGENT

According to information received from the Extension Service range specialists, 2,4,5-T and other herbicides can be used for brush control when used in accordance with the directions on the label. Garlyn Hoffman says that the U.S.D.A. and the Health Education, and Welfare Department are waiting more complete research data before making a definite ruling concerning the use of 2,4,5-T on food crops.

In the February 16, 1970 issue of "Chemical and Engineering News" Dr. Ned Bayley, Director of Science and Education for Agriculture in Washington, indicated that new research data submitted indicated that an impurity or contaminant in the 2,4,5-T formulation used caused the malformation in mice and not the chemical 2,4,5-T. Chemical company chemists knew that a contaminant caused reactions in workers in 1955 and 1940. Dr. Bayley indicated that the 2,4,5-T used in the study contained 27 parts per million of a highly active contaminant biologically, whereas 2,4,5-T of current manufacture contains only about one part per million.

So it would seem that the entire fuss and fury was caused by some things that ordinarily do not exist. There has been a report from Arizona that alleges injury to plants, humans, and animals from use of herbicides for brush control on a watershed. The report is being investigated but there is word that the allegations were a hoax.

Homemakers who wish to do so can test their own Mexican pottery to detect harmful lead in the glaze. The lead can cause severe illness through lead poisoning and this fact has caused a warning from the Food and Drug Administration regarding the continued use of such pottery.

The homemaker can place vinegar in the dish and let it stand overnight. The dish should be only partly filled with vinegar so you can see if there is a difference in the glaze below the vinegar line.

Extension foods and nutrition specialist Frances Reas-over, recommends that the careful homemaker test any highly glazed dishes before using them for foods with high acid content. Foods such as tomatoes, citrus fruits, green beans, spinach, and broccoli are especially high in acid content.

Copies of the revised publication, PECAN DISEASES AND INSECTS, are now available. This is a revision of the old publication of the same name. If you would like a copy, please call or come by and we'll supply you with one.

Tree banding of pecan trees to determine timing for applying spray to control the pecan casebearer is near. This banding should be done within the next two weeks.

For several years now, we have banded trees in the John Brock orchard with John's co-TO DETERMINE SPRAYING operation. The method has been very satisfactory. It provides much better timing of the spray application than the old method of inspecting terminals for eggs of the casebearer.

Bands will be placed in the

## Sheep Field Day Set for April 9

All interested persons are invited to the Annual Sheep Field Day at the Sonora Experiment Station scheduled for Thursday, April 9. The station is located in the Rock-springs road south of Sonora. Two Sterling County ranchers will appear on the program during the morning.

The Field Day will get underway with the inspection of the rams on test at the station. This will take place prior to 10:45. At 10:45 Leo Merrill, in charge of the station, will kick off the program with the welcome and introductions. Panel members who will discuss Methods of Limiting Intake of Supplemental Feed on the Range include Foster S. Price and Neal J. Reed of Sterling City, Dr. Percy Turner of Water Valley and Dr. Joe David Ross of Sonora.

Other topics on the program include the progress of the Sheep Industry Development Program, the Texas Sheep and Goat Raisers' Association, the integration of performance testing and visual selection programs, and current research on sheep and wool. Dr. Marshall Wallace will discuss ram epididymitis and management for its control. This is a disease that may have great effect on lamb crops. Dr. Wallace spent a number of days in Sterling County last summer doing some initial work on the problem. In his work in the major sheep producing area of the state, he found a much larger incidence of the disease than originally thought.

Certificates of Merit will be presented Rambouillet breeders who have qualified rams in the test at the station. This program is designed by the American Rambouillet Sheep Breeders' Association and carried on at the station.

The Sutton County 4-H Club will cater a barbecue lunch at noon. Leo Merrill invites all interested persons to attend the field day beginning Thursday morning and concluding about 3:30 p.m.

## SILVER STAR MEDAL TO BILLY DAVID SANDERSON

EN3-Billy David Sanderson serving with the U.S. Navy in Viet Nam has received the Silver Star Medal of Honor for heroic action beyond the call of duty.

He jumped off a patrol boat with a machine gun under fire and rescued an Intelligence Colonel that had been wounded.

David is the son of Mr. and Mrs. Ted Daves of Big Spring and a grandson of Mr. and Mrs. Spencer Jackson of Sterling City.

His wife and children reside in San Diego, California while he is in Viet Nam.

orchard again this year to help in determining the timing of the spray. Banding the trees there has provided information on the time to spray.

A leaflet, TREE BANDING TO DETERMINE SPRAYING TIME ON NUT CASEBEARER, is available. If you would like a copy, call or come by the spray application than the old method of inspecting terminals for eggs of the casebearer. and is being more and more widely used each year.

## Nominating Report on Lions Officers

The Lions Club heard the first reading of the nominating committee report at the Wednesday luncheon. Lion H. L. Hildebrand read the committee report, which read: Dan Glass, president; Albert McGinnes, 1st vice-president; Arthur Barleman Jr., second vice-president; Kenneth Peel, third vice-president; Henry Bauer, tail twister; Jack Douthit, secretary; S. M. Bailey, Lion tamer. New directors—A. C. Lively and Jim Davis.

Jack Asbill of Burleson was a guest. Hugh Lackey and Larry Saunders were new members.

The prize went to Lee Reed. Arthur Barleman Jr. told of precautions to take about rabies or rabid animals this spring and summer.

Lion Jim Davis reported that the Sterling County Roping Club had decided to leave the rodeo pens and grounds at the John Reed ranch. The group plans some improvements on the chutes, the rest rooms, the arena, pens and lighting.

Davis said the members of the association needed donations to do the improvements and would welcome any donations from anyone.

Donations received so far include (from the members of this club) Charlie Davis \$100, Bill Jones \$50, William Foster \$100, Billy Bynum \$100, Bill Barrett \$50, Melvin Foster \$50, Cotton Frizzell \$50 and John S. Blair \$50.

From the Lions club—Lee Reed \$24, S. K. Horwood \$100, J. K. Martin, \$20, Dr. W. J. Swann \$10, A&B Construction Co. \$10, Jeff Davis \$25, Dan Glass \$25, Henry Bauer \$50, Jim Davis \$50, News-Record \$25 and Tom Asbill \$5.

This totals up to \$945 and the group wants at least a thousand dollars to start on, said Davis.

## STERLING COUNTY TO GET FEDERAL FUNDS

A telegram from Congressman Omar Burleson Wednesday afternoon tells of Sterling County being allocated some federal funds for this year. The telegram from Burleson

## Census Started Here

The United States Census has begun. It may be a few days before the enumerators get to your house. Hold on to the census form mailed to you. The enumerators will answer any questions you have about the form or the census in general. The enumerators will ask every fifth household to complete a longer form (which will be furnished by the enumerator). Some have predicted that Texas will get an additional Representative to Washington. So do your part in helping the Census Bureau get an accurate count of every person and household in the state.

## ADVERTISING FOR BIDS ON NURSING HOME TO START NEXT WEEK

County judge Jake Martin said this week that the architect on the Sterling County Nursing Home and hospital improvements, John Allen, had informed him that bids for work on the project were to be advertised beginning next week. Martin said that the advertising for bids was to begin next week and that the bids would be opened on May 6 by the commissioners for contract letting.

After letting the contracts from 30 to 45 days can elapse before the successful bidder will move in to start work, it was said.

## HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Mrs. Mae Martin  
John Thompson  
Lester Foster  
Mrs. Lilly Revell  
Robert Bishop  
Mrs. Lester Foster  
Mrs. Norene McGill  
Dismissals since Thursday morning of last week included—David Pringle

read as follows:

"I am pleased to announce \$9,353.55 Office O.D. grant to State of Texas for 62 Sterling City children for low income families; one in foster home, ages 5—17 under elementary-secondary education act."

Omar Burleson

## School and City Elections Set

### James B. Ratliff Jr. Dead

James B. Ratliff Jr., 53, of Fort Stockton, died early Monday morning in his sleep at his home.

Services were held Wednesday at 10 at the Ft. Stockton Methodist Church with graveside rites at Garden City.

He was born Jan. 14, 1917 in Glascock County and had been a resident of Ft. Stockton since 1950. He was a rancher and was married to Mary Katherine Neal Nov. 20, 1938 in Amarillo. He was a member of the Methodist Church.

Survivors include his wife; a daughter, Mrs. James Hucky of Austin; a son, James B. Ratliff III, of Rankin; his parents, Mr. and Mrs. James B. Ratliff Sr. of Garden City; two brothers, Lester Ratliff of Texon and Derwood Ratliff of Midland; two sisters, Mrs. Clyde Reynolds of Garden City and Mrs. Richard Johnson of Clovis, N.M. and five grandchildren.

### CITY ELECTION NEXT TUESDAY

The City of Sterling City will have the annual election for city councilmen here on April 7, the first Tuesday in April.

The terms of mayor Lee R. Reed and councilmen Roland Lowe and Foster S. Price are expiring.

The other members of the city council here are Skipper Lively, Ross Foster and Neal J. Reed.

### SCHOOL BOARD ELECTION APRIL 4

There will be a school board trustee election here on April 4. Three members have terms that are expiring. They are Bill Humble, Stan Horwood and Clinton Hodges. Hodges is not running, and Larry Glass has filed for that spot on the board. Also Humble and Horwood have filed for places on the ballot.

Other members of the board are Reynolds Foster, Charlie Davis, I.W. Terry and C. J. Copeland.

★★★

**MINE OVER MATTER!**  
DID YOU EVER SUSPECT THAT YOUR SKIN HAIR AND NAILS CONTAIN AS MANY AS 19 DIFFERENT METALS!

**Civil Service****FEDERAL CAREER OPPORTUNITIES**

The U.S. Civil Service Commission has issued three new nationwide announcements of mid-level Federal career opportunities in professional fields, and a fourth outlining opportunities for Stenographers and Typists in Washington, D. C. and vicinity.

Interested applicants can get the announcements from Federal Job Information Centers in many large cities, from many post offices, except in cities where Federal Job Information Centers are located or from the Interagency Board of U.S. Civil Service Examiners, 1900 E St. N.W., Washington, D.C. 20415.

The announcements are:

1. Professional Opportunities for Social Scientists. GS grades 9 through 12. Covered are such positions as Economist, Social Science Analyst, Social Science Program Specialist, Sociologist, Historian, Anthropologist, Manpower Analyst, Social Work Program Specialist, and additional closely related positions in other social science fields. Many of the opportunities are in various Federal agencies in Washington, D. C. and vicinity and in foreign countries. Some are in other parts of the United States. Annual starting salaries currently range from \$8,462 to \$12,174. They are expected to increase by about 9 percent in the middle of this year. There are no written test requirements. Applicants will be rated on the basis of professional experience, education, and training. Work descriptions and the necessary qualifications, along with special credit provisions for graduate study, superior undergraduate academic achievement, subsequent work experience including part-time or unpaid experience, and certain teaching experience, are detailed in Announcement No. WAS-827, Professional Opportunities for Social Scientists.

2. Professional Opportunities for Social Worker and Social Service Representative. Social Worker positions, GS grades 9 through 12, are in the Bureau of Indian Affairs, the U. S. Public Health Service, and the Veterans Administration, throughout the United States and Puerto Rico; and in agencies of the District of Columbia Government and other Federal agencies located in Washington, D. C. and vicinity. Social Service Representative positions, GS grades 8 through 12 are primarily in the D.C. Government and other agencies in the Washington metropolitan area. Annual starting salaries currently range from \$7,699 at GS-8 to \$12,174 at GS-12; they are expected to increase by about 9 percent the middle of 1969. No written tests are involved. Applicants will be rated on the basis of education, experience, training and personal aptitude for the nature of the work. Most of the professional Social Worker positions call for successful completion of all requirements for a masters degree. Full details of training and experience qualifications for the various grade levels are in Announcement No. W AS-904, Professional Opportunities for Social Worker and Social Service Representative.

3. Professional Careers for Educators and Librarians. This announcement will be used to fill positions of Education Specialist and Education Services Officer, GS grades 9 through 12; Program Specialist and Advisor (Education) GS grades 9 through 12; Public Health Educator GS grades 9 through 12; Librarian, GS grades 7 through 12; Job Corps Teacher, GS grades 5 through 11 and Job Corps Guidance Counselor, GS grades 7 through 11. Annual starting salaries for these positions range from \$5,732 at

GS-5 to \$12,174 at GS-12. They are expected to increase by about 8 or 9 percent the middle of this year. Many positions are located in various Federal agencies in Washington, D. C. and vicinity. However, certain Federal agencies have needs throughout the United States. Examples: Program Specialist and Advisor (Education) U.S. Office of Education Job Corps Teacher and Guidance Counselor, National Park Service and National Forest Service; Public Health Educator, Health Services and Mental Health Administration. Qualifying education and experience for all of these positions vary considerably. For details, consult Announcement WAS-908, Professional Careers for Educators and Librarians.

All qualified applicants will receive consideration for Federal employment without regard to race, religion, color, national origin, sex, politics, or any other non-merit factor. When asking for announcements and application forms, applicants are advised to ask at the same time for Civil Service Commission Pamphlet No. 4, "Working for the U.S. A." which provides important general information about the kinds of appointments, the physical abilities required, veteran preference, and other conditions of Federal employment.

Federal agencies, principally in the metropolitan area of Washington, D. C., need Electronics Technicians. The work involves maintenance, testing, and development of various electronic equipment, ranging from radio, radar, and sonar devices to computer systems.

Both general and specialized experience are basic requirements for Electronics Technician positions, except where education may be substituted for such experience. Entry level for eligibles depends on quality and quantity of both. No written test is required. Starting annual salaries range from \$5,331 to \$10,927. Ask for Announcement No. WA-7-19.

Additional information on these and other Federal jobs may be obtained from the Civil Service Commission in

**New Texas Almanacs Club Rummage Sale Now Out**

Many new features have been combined with traditional information in the 1970-'71 edition of the Texas Almanac, published by The Dallas Morning News.

The 704-page publication includes, among other material, the following information not found in previous editions: Walter B. Moore, editor, said: Texas athletic records since World War II.

A new map for use in calculating sunrise and sunset times in Texas.

A summary of major nonpetroleum minerals in Texas.

A history of the sheep and goat industry in Texas.

Number of deer killed in each Texas county.

The original account of Col. Wm. B. Travis drawing a line with his sword in the Alamo, as first published in the 1873 Texas Almanac.

New listings of courts, Congressional, Texas Senate and House districts by counties.

Latitude and longitude of 254 county seat towns.

Updated information will include the vote in elections, names of state, county and municipal officials, members of appointive boards, officials of state and regional civic organizations, enrollment in colleges and universities, estimated populations of cities and counties, statistics on employment, payrolls, banking, insurance, public welfare and much other material.

Other features include the complete text of the Texas Constitution, up-to-date maps and historical, agricultural and economic information for 254 counties, and chapters on minerals, agriculture, business, transportation, and other phases of Texas today.

Tourism and recreation are emphasized in the 1970-'71 edition, with a description of recreational attractions written especially for the Texas Almanac by Texas Tourist Development Agency.

The new almanacs may be bought locally from the News-Record.

**Club Rummage Sale**

The Epsilon Zeta Club will hold its Annual Rummage Sale on Thursday and Friday, April 2 and 3 from 8 a.m. to 5 p.m. It will be held in the building formerly occupied by the Foster Feed Store.

Some of the recent projects of the Epsilon Zeta Club have been as follows: Supplying orange juice for the first three grades at school during the winter months, co-sponsoring a boy from Boy Ranch, providing swings in the Community Park, and contributing to the building fund for an All Faith Chapel at the Big Spring State Hospital.

Among plans for the future are a May Week-Hospital Shower and Day Camp for girls sometime during summer.

Also the club recently voted to make a contribution to the improvement of the community center.

The chairman of the rummage sale committee is Mrs. Wayne Posey. Others on the committee are Mrs. Robert Browne, Mrs. Ricky Hopkins, Mrs. Melvin Foster and Mrs. James Lange.

It's spring now — so while you're doing your spring cleaning, and wondering what to do with those unwanted items, call one of the following numbers and someone will pick them up: 8-2891, 8-3561, 8-4521.

Elisabet Ney's famous statue of Sam Houston, which stands in the Texas Capitol, is shown on the cover. The new edition contains more color photographs than any previous Texas Almanac, which has been published since 1857.

Texas newspaper editors, county agricultural agents, chambers of commerce, trade association and civic organization executives, authorities of the University of Texas Bureau of Economic Geology, U. S. Department of Agriculture, Texas A&M University and many others have contributed information for the new edition.

The new almanacs may be bought locally from the News-Record.

## With Hot-Hot water you get Clean-Clean clothes!

An Electric water heater does more than heat water

1. It gets water really hot and keeps it hot!
2. It's flameless — a bonus feature for your family!
3. It gives you extra space — needs no flues or vents!

## U.S. Border Patrol Seeks Applicants

The U.S. Border Patrol of the Immigration and Naturalization Service has an urgent need for physically fit young men desiring a career in Federal law enforcement work. This is a career opportunity for those who like action and outdoor work.

The Border Patrol is the mobile, uniformed enforcement branch of the Immigration and Naturalization Service. Its principle purpose is to prevent the smuggling and illegal entry of aliens into the United States. The border patrolmen, called Immigration Patrol Inspectors, work along international boundaries, although their duties are not necessarily confined to these areas. They work in jeeps, cars, on foot, in boats and even in airplanes. Officers investigate violations of the immigration laws and frequently make arrests. They are often required to work irregular hours, under all weather conditions. These duties demand mental alertness as well as exceptional physical vigor and stamina.

The entrance salary of an Immigration Patrol Inspector is \$7,639 a year (Grade GS-7). There are promotional opportunities up to executive levels in the Immigration and Naturalization Service. On-the-job training offers splendid opportunities for promotion to positions of greater responsibility.

No experience is required for these positions. To qualify, applicants must pass a written test of verbal abilities, judgment, and aptitude for learning a foreign language. Candidates who pass the written test are called for oral interviews in the order of their standing on the list. The oral interview is designed to determine if the candidate has the personal qualities needed for the work. Applicants must also pass a rigid physical examination. Candidates who are selected for appointment are assigned to the Border Patrol Academy for a period of intensive training in such subjects as immigration laws, Spanish, physical training and marksmanship. Trainees receive full pay while in the academy.

Applications are now being accepted for the civil service examination for Immigration Patrol Inspector which will be held on Saturday, January 24, 1970. An additional examination is scheduled for April, 1970. However, those wishing to be tested in January must submit their applications before December 19, 1969. Full information is given in Announcement No. WAM-911 which may be secured from Interagency Boards of Examiners and from many post offices as well as any office of the Immigration and Naturalization Service. Applications should be submitted on the tearout application form on the announcement or CSC Form 50000AB and forwarded to the Interagency Board of U. S. Civil Service Examiners for Washington, D.C. 1900 E St., N.W., Washington, D.C. 20415. Information concerning the patrol inspector position and this announcement may be obtained from the U. S. Immigration and Naturalization Service, P. O. Box 2539, San Antonio, Texas 78206, or by calling 512-225-5511, Extension 214.

## BUSINESS OPPORTUNITIES

Gift certificates and marksmanship certificates will be awarded the winners.

SPINET PIANO for sale in this area. Nothing down and easy terms on balance. Write Credit Manager, Box 9754, Austin, Texas, 78767.

## DID YOU KNOW?

Did you know that 25 million barrels of oil have been produced in Sterling County since 1947? That was the year that the Plymouth Oil Co. hit the Ellenburger production on its No. 1 Georgia Frost 11½ miles northwest of Sterling City on the Colorado City highway.

We will have a special paper recognizing the value of oil here in Sterling County — sometime next month.

Of course, the Plymouth Co. was not satisfied with the oil production — 8 barrels of oil per hour with gas ration 900 l. They kept on treating the well — and it finally quit on the company.

## New Phone Directory Being Readied

Another edition of the San Angelo (including Sterling City) alphabetical telephone directory is about ready to go to press.

Jack Goss, division manager, said the last day for taking listings in the 1970 directory will be April 17, 1970.

"Those people receiving telephone service in San Angelo, Carlsbad, Christoval, Eden, Mertzon, Miles, Sterling City and Water Valley who would like a new listing in the directory, an additional listing, or a change from their present listing should get in touch with the telephone company business office as quickly as possible," he explained.

Delivery of the new directory is scheduled for early August.

## TEXAS OIL PRODUCTION

Texas, the nation's leading oil producer, has yielded more than 21 billion barrels of oil during the past 79 years of recorded production, according to the Texas Mid-Continent Oil & Gas Association.

This has meant a statewide distribution of income which currently averages about \$3.4 billion a year. With 207 of the state's 254 counties producing crude oil, each section of the state is marked by several prolific fields. Texas' daily oil production is more than 1.1 million barrels.

"More investment is needed to find new oil fields to replace those now being depleted," says Corbin J. Robertson, Association president. "By the end of this century the demand for oil and gas will have doubled. Between now and 1980, some \$200 billion will have to be spent to find enough energy to continue our present standard of living and guarantee national security. Clearly, the country needs policies which will stimulate the drilling of more wells. Our reserves are shrinking."

Sterling County, which has had recorded production since 1947, has had a total crude oil output of 20,419,986 barrels up to the beginning of last year. Sterling County production in 1968 was 2,715,453 barrels at the rate of 7,419 barrels a day. At the end of 1969 more than 25 millions barrels of oil had been produced here.

Texas has 36 counties scattered over the state which produced at the rate of 25,000 barrels or more per day. The three largest are: Andrews, 203,520 barrels per day; Ector, 172,654 barrels per day; and Crane, 128,839 barrels per day.

Gregg County is the only county that has produced more than two billion barrels of oil. Andrews, Ector and Rusk counties have produced more than one billion barrels of oil.

**WILL DO** letter writing or typing for you. Call Joy Piper 8-3651.

## WANTED—MAN OR WOMAN SPARE TIME

To refill and collect money from machines dispensing Hi-Grade Candy, Gum and Sport Cards in this area. Supplement your income. Easy to do. \$475.00 cash required for inventory. Include phone number. Write P. O. Box 853, San Angelo, Texas

## REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association. TEXAS SHEEP & GOAT RAISERS ASSOCIATION

## Social Security Tips

Persons receiving social security disability benefits must report improvement in their condition to the Social Security Administration. Ted F. Moellering, social security district manager, stated that disability beneficiaries must also report a return to any kind of work. Mr. Moellering made the announcement because of several recent cases in which beneficiaries were overpaid because these two events were not properly reported and benefits not due were continued. Overpayments have to be refunded and this can work a financial hardship on those having to repay benefits.

Mr. Moellering explained most overpayments in these cases occur because beneficiaries misunderstand the requirements of the law. Disability benefits can be paid only if an individual is so disabled he can't do any kind of a job, not just his regular job. Therefore, any improvement in the disabling condition has to be reported. Too, when a disabled worker does some work, even if it is sheltered or light work, it must be reported so that a determination can be made immediately about whether benefits should continue.

Mr. Moellering pointed out that in some cases, disabled workers can get benefits can get benefits up to nine months while they try out some job to see if they can do it, but their work still must be reported.

For more detailed information check with the Social Security Office located at 3000 West Harris Avenue in San Angelo, Texas, or see the representative when he is in your area.
