

Another election is upon us and we hope you will take advantage of next Tuesday to cast your ballot for your favorite candidates.

We learned a long time ago not to pop off too much about elections in Sherman County, but we would like to put in a plug for one candidate whom we believe will serve the people of our area with integrity and concern....Congressman Graham Purcell.

Graham is an a stute veteran of the House of Representatives, having served for 10 years prior to the redistricting last year which threw he and his opponent into the same new 13 Congressional District.

Graham Purcell is a senior member of the Agriculture Committee and chairman of the sub-committee on livestock and feed grains, two items which are vital to this area.

Going on a little further, Graham Purcell stands a good chance of being named as the next chairman of the House Agriculture Committee and with our area depending upon agricultural products as we do we feel we would be silly not to be excited about this possibility.

Despite these arguments, we feel Graham Purcell is a real friend to all of us in this area, he has gone to bat for us in the past when he really didn't represent us but took the time to hear our worries and work with us.

We would appreciate your consideration of Graham Purcell next Tuesday when you mark your ballot.

There are 14 Amendments included in this year's General Election ballot. These can have quite a bit to do with the way our state is run in future years. A summary of the "Pros" and "Cons" of these is included in this issue for your enlightenment.

We would hastily point out a couple that we worry a bit about. Amendment No. 4 if passed, would provide the Legislature with authority to rewrite the Texas Constitution.

Quite frankly, we oppose this amendment. We agree certain deadwood is included in the Constitution, but we cannot, with any degree of honesty, urge the passage of a bill that would give such wide-sweeping authority to the Legislature. We would encourage you to vote "No" to Amendment 4.

Again, we urge you to all acquaint yourselves with these issues and vote your conscience on next Tuesday.

Tuesday was quite a day for us. We got up and the kiddoes and I went to feed the cattle and like to have froze. The water was frozen about an inch thick on the bathtub we use for a waterer and the wind liked to have blown us out of the pasture.

After slipping and sliding the kids to school we went into the postoffice and then ended up on our backside as we carefully left the postoffice building. Fortunately, the only thing hurt was our dignity as we looked guiltily around to see just who observed our ungainly experience.

We hope everyone stays off the streets when it is icy, it is a mess and we wish those side-walks in front of the postoffice were not on an angle which makes them more subject to someone falling.

Say, what about the Elk Band! The members of the band are due recognition for their winning a Division I last week at the UIL Marching Contest. They really turned in a fine job from what we hear. Our congrats to them, to Jeff Doughten and Bill Surface and all the boys and girls for their many hours of hard work.

On the band, ask Mr. Doughten about "the cat's revenge" if you see him.....!

Local weather conditions were horrible as this issue goes to press. Winds up to 35 mph, blowing sleet and ice everywhere. We hope the crop damage is minimal.

Local commodity sales Tuesday showed wheat selling for \$1.99 per bushel, grain sorghum at \$2.20 per cwt and corn at \$1.35 per bushel.

Large Turnout of Voters Forecast For Elections

County officials are predicting a record number of voters to cast their ballots in next Tuesday's General Elections when voters will select their choices of office-holders from the Court House to the White House across the state and the nation.

The record turnout is predicted because of the number of absentee ballot requests which have been either voting in person at the clerk's office or have requested mail ballots for the election.

Mrs. Marguerite Terrell, county clerk, said this week a total of 16 had already cast ballots as of Monday morning and about 60 ballots had been sent out to be returned by mail.

This year, a total of 1,618 qualified voters are eligible to cast ballots in Tuesday's elections.

Polls will open Tuesday morning at 8 a.m. and remain open

until 7 p.m. Polling place in Sherman County include Precinct 1 at the Lautz Commissioners Building with Rebecca Lavake, judge; Precinct 2 residents will vote at Spurlock Chapel with Neal Spurlock, election judge; Precinct 3 residents will vote at the Texas Side Elementary School in Texoma where Ralph Renner is election judge; and Precinct 4 residents will vote in the District Court Room at the Sherman County Court House in

Stratford where George Jeffcoat is election judge. Don Riffe is the election judge for Absentee votes Absentee ballots may be cast until 5 p.m. Friday at the Clerk's Office in Stratford.

Topping the list of elected offices will be that of President of the United States with candidates including incumbent

Richard M. Nixon seeking his second term of office in the nation's highest elected post. President Nixon is opposed on the Democratic ballot by Senator George McGovern.

The bedsheet-size ballot for Sherman County residents also includes 14 proposed Amendments to the Texas Constitution. These 14 Amendments are explained in an advertisement carried in this issue of The Star. The explanation is a non-partisan explanation with pros and cons concerning each issue. This explanation is being made possible by The First State of Stratford for your knowledge. A sample ballot is also included in this issue for the public's knowledge and information made possible by Sherman County Commissioners' Court.

In addition to the race for President of the United States, the biggest race to local and area voters is the one pitting two incumbent Congressmen against each other to see who will represent residents of the newly formed 13th Congressional District. This race has Republican Bob Price of Pampa facing Democrat Graham Purcell of Wichita Falls. Price and Purcell were put into the same district following redistricting by the State Legislature in their session a year ago.

Another area race includes that of State Representative L. Dean Cobb of Dumas, a Democrat, who is seeking reelection to the House of Representatives in Austin. Cobb is opposed by Republican nominee Jack Hart of Gruver. The other area race is that of Democrat Herbert O. Willborn who is opposed by Republican Janet Parnell for member of the State Board of

Education from District 13 which includes the Panhandle area.

Another statewide race that was low-key in the Primary but

has picked up momentum pits incumbent U.S. Senator John Tower, Republican against Democratic hopeful Barefoot Sanders of Fort Worth. Senator Tower is seeking his third

6-year term as Senator from Texas and Sander's challenge is getting hotter with each passing day.

Moving on down the ballot Democratic nominee Dolph

Briscoe of Uvalde is considered a virtual shoe-in for the office of Governor of the State of Texas.

Elk Marching Band Wins Top Award

Stratford Elk Band was welcomed home with nearly 100 autos south of town last Wednesday night as word that the Band had won the coveted Division I Award for Marching in the University Interscholastic League contest held at Dick Bivins stadium in Amarillo.

The Elk Band got top ratings in their competition from all three judges making the Division I (Superior) Award a unanimous decision.

The Elk Band is under direction of Jeff Doughten and assisted by Bill Surface and Wednesday marked the second year in a row the Elk Band has won the coveted Division I Award.

The competition this year was quite rougher than in previous years as the Elks marched with other Class AA bands from over this region. This is the first year the school has moved into the AA ranks, up from A a year ago.

"We were quite proud of the entire band," said Doughten this week. "They have all worked hard, with dedication and determination and it paid off on Wednesday," he added.

The Elk Band is shooting for Sweepstakes Award this year

and the Division I in marching is the first step toward this award. To qualify for a Sweepstakes Award, a band has to qualify with a Division I in Marching Contest and Sight-Reading. The marching competition is held each fall with the Concert and Sight-Reading events taking place in the spring.

In addition to the entire band's winning a Division I, two of the Elk twirlers also won Division I ratings for their performance. Miss Karen Bain, daughter of Mr. and Mrs. Phillip Bain, won a Division I as did Miss Kim McGavock, daughter of Mr. and Mrs. L.B. McGavock. Debbie Crawford, daughter of Mr. and Mrs. James Crawford, and Miss Sherry Jones, daughter of Mr. and Mrs. Cotton Jones, both were awarded Division II awards for their performances.

The Elk Band competed with other Class AA bands from over the area. Other bands and their scores included Spearman, Tulia and Dalhart, all winning Division I and Phillips and Panhandle who both won Division II.

Members of the Elk Band have won Division I in marching six out of the seven past years.

TOP MARCHING AWARD--These representatives, all first chair holders to their respective divisions in the Elk Band, are shown with the Division I Marching Award the band won at Amarillo last Wednesday. Shown here left to right, Gloria Pleyer, Vicki Slaton, Timmy Moore. Second row, Mike Armstrong, David Brown, Benita McAllister and top row, Chester Maas, John McDaniel and Dickie Hamilton.

Opportunistic Elks Fall Before Blackhawks

Stratford's Elks fell before The Phillips Blackhawks in their first loss in District IAA action Friday night 34-12 in a game in which the score didn't indicate the quality of action.

The opportunistic Elks had a total of six penetrations in the contest and were never completely out of the game until late in the final stanza.

The Elks got on the boards first, as the Elks claimed a loose football at the Blackhawk 40 on the second play of the game. Moving quickly with Mark Beaty and Brady Heil gulping up big yardage the Elks moved to the Hawk 4 where

Beaty took it in for the score with 8:50 left in the opener. David McReynolds attempted PAT hit the crossbar and the Elks lead 6-0.

The Blackhawks came back quickly, returning the resulting kickoff to the Elk 32 and using eight plays to put them at the Elk 1-yard line. Quarterback Keith Reed scored from the one on a sneak and Danny Drennan booted the PAT to put Phillips out in front 7-6 with 5:21 still in the first.

The Elks again took advantage of a Phillips bobble and Dan Ray attempted a field goal following another Blackhawk fumble. The field goal was

partially blocked and the Hawks took over at their 14-yard line. Paul Wells jumped on another Blackhawk fumble on the next play and the Elks moved quickly operating from the Phillips 13. Quarterback Mike Hughes threw to Jerry Sherrod who went to the 4-yard line then with second down still on the four, Gary Pool bounced across for the Elk td. An attempted run for a pair of points was short and the Elks lead 12-7 with 1:00 in the first quarter.

The two teams exchanged punts following the kickoff and Chester Maas booted a 45-yarder that put Phillips back on their 4-yard line. The Hawks used the speed

and quickness of Backs Steve Lawson and Ted Rogers to use up most of the clock to go 96 yards for their second touch-down of the night. With only 2:02 left in the first half Phillips scored again with a quarterback sneak by Gary Winters to make it 13-12. An attempted two pointer failed and it stood 13-12 at the half.

Going to the third period, the two teams forced successive punts. About midway in the period Phillips took over on their own 25 and went 75 yards in 10 plays for their third score. The biggest gainer was a 30 yard run by Lawson. Reed went in from the four and Winters'

PAT boot was good to make the score 20-12 with 3:33 in the third.

Scott Buckles electrified the partisan crowd with his kick-off return going 40 yards to set up shop at the Hawk 40. The Elks drove to the Phillips 14 before they gave up the ball on downs. The Hawks then fumbled and the Elks recovered only to fumble the ball right back again on the next play. Two plays later Tim Wright scampered 38 yards to put the Hawks at midfield and three plays later Lawson turned the corner and went 25 yards for another Black-

CONTEST WINNER--Mrs. Francis Watson is shown here with Doug Florence of Stratford of Texas Feedyards Division accepting her check for top place in this week's contest. Second place and \$7.50 went to Karen Pulliam and Jodie Lasley finished third with \$5. This was the third time this year that Jodie has finished in the money.

TWO MORE WEEKS LEFT!

Mrs. Watson Wins Top Weekly Prize Money

With only two weeks remaining in the 1972 Cotton Bowl Football Contest Mrs. Francis Watson pulled into the winner's circle to take top money this week of \$10.

Second place prize of \$7.50 went to Karen Pulliam while third prize of \$5 went to Jode Lasley, the third time Jode has finished in the money this year.

All three top finishers this week only missed one game. Mrs. Watson missed the Gruver-Sunray game while Mrs. Pulliam missed the Wichita State-WTSU contest and Miss Lasley missed Baylor's victory over Texas A&M.

Ten more contestants only missed one game, but were knocked out of the money-winning because of their tie-

breaker score. The 10 who only missed one game, in addition to the top three winners, include Jack Slover, Billy Turner, Kenneth Keys, James McAlister, Johnny Pate, Wayne Cummings, Brenda Taylor, Jean McAlister, Steve Barrett and E.L. Bass. Billy Turner utilized his miss of only one game to pull up into a tie for the lead with Ron Hager in the overall contest. This is the race to see who will get the two free tickets to the Cotton Bowl Game in Dallas on New Years.

Hager held onto a piece of the lead by only missing two games and he and Turner are now tied with a total of 59 games correct with two weeks remaining.

Second place with 58 games is held by Bill Dyess who stands in the second slot all alone. Third place with 57 games is held by Jean McAlister of Etter while back in fourth place with 56 is held by Dana Kendrick along by Ky Sherrod of Channing and J.B. Springfield.

Fifth place with 55 games is held by Gary Hudson, while sixth place with 54 right is held by Zula Armstrong, L.G. Barrett, Terri Bell, Gary McMillion, Rex Sladek, Jerry Sherrod and Eugene Wilson.

Seventh place with 53 is held by O.L. Blake, John Bass, Mrs. Henry Harrison, Georgianna Lavake, Brenda Taylor and John Marvin Wilson.

Eighth place with 52 is held by L. L. Armstrong, Will Allen, Ricky Blake, Henry Harrison, O Jay Hell, Betty Henry, Joyce Ann Lasley, James McAlister, Jack Slover, Jean Turner and Vera Wilson.

Ninth place with 51 is held by Kerry Hamilton, Mrs. Tom Lavake, Denny Martin, Charlene Oquin, Johnny Pate, Luann Sherrod, Fritz Steinberger, and H.B. Turner.

Tenth slot is shared by Raymond Albert, Vernon McAlister, Max Plunk, Margaret Reed, Tommy Summers and Dolly Wilson.

Cobb Says Hart Ad 'Big Lie'

Charges by Jack Hart that Dean Cobb spent state postage funds for political mailing was blasted as a lie by Cobb in a statement Tuesday night.

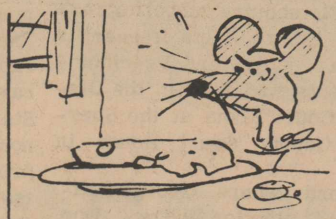

Hart accused Cobb in an advertisement appearing in district newspapers this week that Cobb mailed out 11,174 pieces of mail with a state meter spending \$706.84 to promote the Cobb campaign.

"This is a lie," said Cobb when contacted late Tuesday. "Every mailing sent out of my office with state postage was approved in advance by the State Administrative Committee and cleared for state mailing purposes. No political advertising

was mailed at state expense and this is a matter of public record," Cobb stated.

"During the special session my office mailed out several thousand newsletters and others of general information," Cobb said. "The mailing of political advertising was not at state expense," he said.

"Apparently my opponent is attempting to fabricate an issue at such a late date it would be difficult for me to answer but the residents of this district will not buy it," Cobb added.

Absentee Voting Ends On Friday

Absentee voting will end in Sherman County on Friday. A sizeable turnout of voters is indicated by in person ballots and mail requests at the Sherman County clerk's office.

Monday morning 16 Sherman residents had cast in person votes while 60 other county residents have requested ballots by mail.

Absentee voting will run through Friday at the county clerk's office at the Sherman courthouse in Stratford. The office is open Monday through Friday from 8 a.m. to 5 p.m.

Voters, who have moved from one voting precinct to another must have their registrations changed four days prior to voting. The change may be made at the county tax office.

Andrew Pulley as President and Vice-President of the United States.

Moving on down the ballot Democrat Bill Hobby is opposed for Lt. Governor by Meyer Alewitz of the Socialist Party and Alma Canales of Raza Unida party.

Democrat John Hill also has opposition from Thomas Kincaid who is the nominee for the Socialist Party for the office of State Attorney General.

Robert S. Calvert, a Democrat, is also opposed by a Socialist, Anne Springer, for his reelection as Comptroller of Public Accounts.

Democrat Jesse James, who has held the office of Texas State Treasurer since the mid-1930's, is opposed by Republican Maurice Angly Jr. along with Ruben Solis Jr. of the Raza Unida party.

Bob Armstrong, a Democrat, is opposed in his bid for reelection to the office of Commissioner of the General Land Office by Howard Petrick, a socialist. John White is unopposed for Ag Commissioner.

Byron Tunnell, Democratic nominee, is facing Republican Jim Segrest and Raza Unida nominee Fred Garza in his bid for reelection to the office of Railroad Commissioner.

Going on down the ballot, several more state offices are unopposed. These include Joe Greenhill for Chief Justice of the Supreme Court; Price Daniel for the Associate Justice, Place 1, Supreme Court; Sam Johnson, associate Justice, Place 2; Wendell A. Odom, candidate for Judge, Court of Criminal Appeals; and State Senator Max Sherman, Democrat of Amarillo, who is unopposed.

Others on the ballot unopposed include James A. Ellis, for Court of Civil Appeals, District 7; Michael Metcalf of Dumas, District Attorney for the 69th District; William A. (Bill) Dyess, Sherman County Attorney; Sherman County Sheriff Clois Vaughn, Tax Assessor-Collector Eugene Sadler; and Commissioners Joe Everett of Precinct 1 and Precinct 3 Commissioner Dale Hamilton, all unopposed.

PSALM 16-11

HERE IS THE PATH

THE SEASON FOR . . .

COLDS AND FEVER

THE COMMON COLD . . . one of the few viruses that man has not conquered with a cure. The only thing that we have come up with so far, are medicines to give us relief. Perhaps, some day, someone will come up with the solution.

There are many spiritual things that we do not know the answers to. These things we must accept on faith.

"The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law."

Deuteronomy 29:29

God has revealed himself, his son, and his commandments, these are the major things.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Saturday Event Honors Local Bride - Elect

Miss Susan Lavake, bride-elect of John Wheeler, was honored recently at a bridal shower in the home of Mrs. Jerry Johnson.

Corsages were presented to the honoree, the honoree's mother, Mrs. S.J. Lavake, and the groom-to-be's mother, Mrs. Ben Wheeler.

The table was set with a flower centerpiece of fall colors and gold appointments were used. Miss Lucy Baskin of Canyon and Mrs. Eddie Walker of Dumas served at the table. Miss Kim Matthews of Stratford registered guests.

Hostesses along with Mrs. Johnson were Mesdames Elmer Oquin, Raymond Keener, J.D. Wall, Jack Heil, Roy Mitchell, Albert Zimmer, Bill Reed, Jerry Oquin, Bill Allen, T.F. Baskin III, C.W. McMillion, Arlyn Hall, Arthur Judd and Jack Scarth.

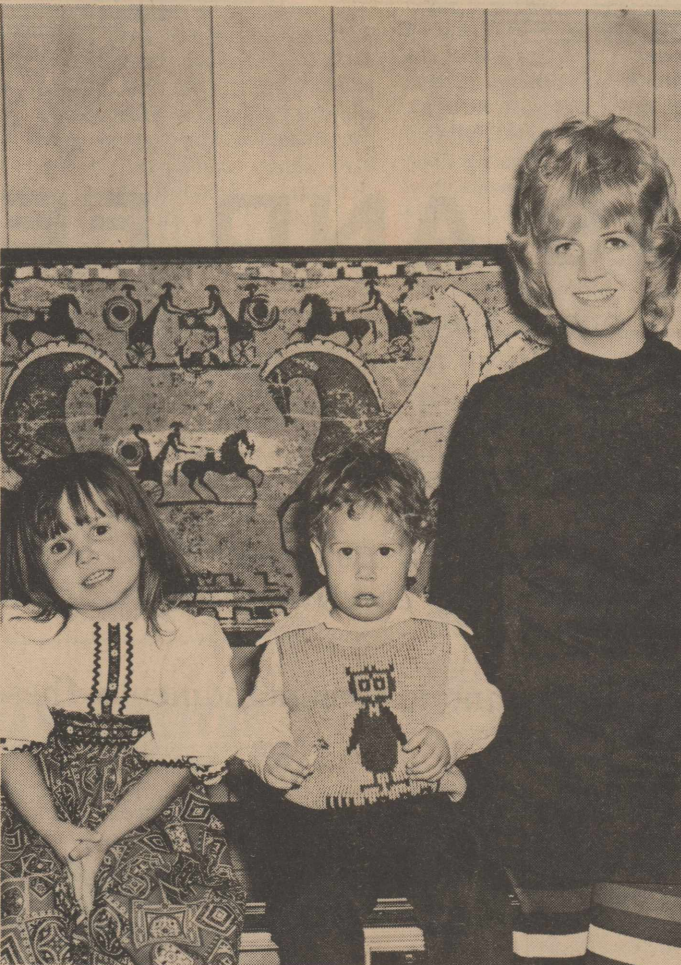

Out of town guests were Miss Lucy Baskin of Canyon, Miss Barbara Wright of Canyon, Mrs. Eddie Walker of Dumas, Miss Carolyn Allen of Lubbock, Miss Teresa Julie of Follett and Miss Micky Oquin of Lubbock.

Cook of Week

COOK OF WEEK---Mrs. Belinda Bornstein, wife of Elk Head Coach David Bornstein, is shown here with her daughter Keitha, 3-year-old, and Brian, age 2.

Wife Of Coach

Belinda Bornstein, our cook for this week, is the wife of head football coach, David Bornstein. Belinda is the daughter of Mr. and Mrs. E.C. Britain from Stinnett.

The Bornsteins moved here

about 4 months ago from Hereford when David took over his new job.

They have two children, Keitha who is 3 years old and Brian who is 2 years old.

A native of Texas, Belinda was

raised on a ranch. She enjoys horseback riding and playing bridge.

Belinda graduated from high school in Stinnett and attended college at West Texas State University in Canyon for 3 1/2 years.

Some of the recipes she has loaned us and hopes we enjoy trying are Apple Bread, Betty's Cheese Cake and Banana Nut Cake.

APPLE BREAD
2 c. sugar
4 eggs
1 c. wesson oil
4 c. flour
1 t. salt

4 T. Sour cream (or 4 T. of 1/2 & 1/2 with lemon juice to thicken)
2 t. soda--add to sour cream
1 t. cinnamon
2 c. chopped apples
1 c. pecans
1 t. vanilla

Beat sugar and eggs, add oil, salt and flour--sour cream with soda. Add cinnamon and apples, pecans and vanilla. Bake in 2 greased and floured loaf pans at 325 degrees for 1 hr. or a tube pan at 325 degrees for 1 hr. NOTE: Bake in coffee cans and let cool and freeze with plastic lids on them.

BETTY'S CHEESE CAKE

1 pkg. lemon jello
3 T. lemon juice
1 c. sugar
1 c. hot water
1 t. vanilla
18 oz. pkg. philly cream cheese
2 pints whipping cream---whipped.
Vanilla wafers for top and bottom--crushed

Crush vanilla wafers and cover bottom of pan. Dissolve jello in hot water and combine the other ingredients with jello and mix well. Pour mixture over crushed vanilla wafers and place the rest of the vanilla wafers on the top. Chill in refrigerator.

BANANA NUT CAKE

2/3 c. butter
2 1/2 c. flour
1 2/3 c. sugar

FOLK MUSIC RENDITION--Tammy Cameron sang and accompanied herself on the guitar at the Stratford Federated Music Club meeting last week. The program was about American Folk Music. Mrs. H.T. Galloway was hostess for the group.

1 1/4 t. soda
1 t. salt
1 1/4 c. ripe bananas
2/3 c. buttermilk
2 eggs.
nuts

Combine ingredients and bake at 350 degrees for 40 min or stick with toothpick to see if done.

ICING GLAZE

3/4 c. sugar
1/2 c. can milk
1 stick butter
1 t. vanilla
Boil for 1 min. Add 1 can coconut and 1 c. nuts, pour over cake while warm.

There were 4 members present.

Refreshments were served and the meeting was dismissed.

The Club will meet next on November 9 at 4 p.m. in the home of Mrs. Merlene Williams.

Mrs. J.D. McDaniel has spent the last two weeks in the North West Texas Hospital in Amarillo.

VISITOR OF YEAR AWARD---Mrs. Carol Smith and Mrs. H.H. Caraway tied for the number of visits paid to newcomers this past year and are shown here receiving small engraved trophies on the event of the occasion. Making the presentation is Mrs. Carol Gibson, left, to Mrs. Smith and Mrs. Teresa Beaman, right, making her presentation to Mrs. Caraway. The work is done through the Chamber Chariot group of the Chamber of Commerce.

Chamber Group Observes First Big Birthday

Celebrating its first birthday, the Chamber Chariot presented VISITOR OF THE YEAR awards to Carole Smith (Mrs. Randy) & Oline (Mrs. H.H. Caraway). The awards are our Thank you for the outstanding number of people they have visited during the year. They tied with a grand total of 13 each. Included among the rest of our 23 volunteer visitors, we would like to make special mention of Ir-

ene Mayorga, Mary Brannan, Sherry Butler and Juanita Donelson. The Chamber Chariot as a whole visited 103 families during the 12 months it has been in operation.

Thanks to the generosity of our merchants in the Chamber of Commerce 85% of these families are still residents of Stratford. The 46 merchants have given away over \$1000.00 in free merchandise and gift certi-

ificates. Everything from haircuts to gasoline, cable service to thermometers.

The Chariot has sponsored 3 Get Acquainted coffees in the past year under the guidance of Oline Caraway. At each coffee a different merchant has provided the entertainment and door prizes depicting a specialty of their establishment.

The concept of the Chariot came into being through the

PSC CHEERLEADER---Debbie Wells, a graduate of Stratford High and daughter of Mr. and Mrs. Joe Wells, is one of six cheerleaders this year at Panhandle State College at Goodwell. Debbie is a freshman at PSC this year.

combined efforts of Mrs. Don Gibson and the now no longer resident of Stratford, Mrs. Terry Mathews. The inspiration came from the number of other towns that have a welcome program like our Chariot. Later the able assistance of Mrs. Charles Beaman was gained. These ladies became the moving force of the Chariot. The recent addition of Mrs. Eddie Williams

completes the staff at present. Seeing the signs of growth in our community, we feel that next year will bring an increase in our jobs as Goodwill Visitors for our town. Thanks to the combined efforts of many people, we have had a very successful first year.

LET'S RE-ELECT JESSE JAMES STATE TREASURER

His proven record merits your vote and support

**JESSE JAMES
STATE TREASURER**

State Treasurer Jesse James made for the people of Texas over \$16,000,000.00 last year in interest earned on State Funds deposited in over 1,100 Texas Banks, more than any Billion Dollar Bank in Texas made net during the same period. Jesse James saved the taxpayers over \$50,000,000.00 financing the deficit.

Jesse James has proven he knows how to handle your State Finances efficiently.

and Mrs. Tommy Taylor and grandson of Mrs. G.L. Taylor of Stratford.

A Thanksgiving wedding is planned by the couple.

FRIENDSHIP CLUB

The Friendship Club met Thursday, October 26 with Vera Pronger.

There were nine members present.

Next meeting will be November 9 with Mrs. Ellen Tillery.

Stratford Singles Hold Halloween Party

Stratford Singles met Monday evening at 7 p.m. in the Farm Bureau Building for a Halloween Party.

Costumes were judged, different games were played and Madame Nellie Lasley told each one's fortune.

Bill Wright, President, conducted a short business session and plans were announced for the Thanksgiving Dinner Nov. 18 at

7:30 p.m. at the Farm Bureau Building. Cecil Ingram, Hypnotist will be guest.

Casserole's salads and dessert were served to the twenty-three present.

Mr. and Mrs. Leroy Hawkins, from Goodwell, Oklahoma spent Sunday with his parents Mr. and Mrs. Wesley Hawkins.

You've said it for years. . .

THIS is the year to ACT on it! . .

'I Vote For The MAN'

Thousands of independent Texas voters have voiced this election principle over the years, in not voting a straight party ticket -- but voting for what they judge the best man on the ballot.

This is a logical position. In line with it, we are proud to submit this partial list of best men on the November 7 election ballot.

For GOVERNOR:

DOLPH BRISCOE

A man of high integrity in whom Texans believe. A rancher and banker and a former Legislator with a record of legislation benefitting ALL the people of Texas.

For ATTORNEY-GENERAL:

JOHN HILL

Former Texas Secretary of State, highly successful as an attorney in private practice, a young man of ideas and the ability to make them work! He will serve all Texas well as its lawyer.

For STATE SENATOR:

MAX SHERMAN

Unopposed in this race but a candidate and State Senator of whom his district can be most proud! Max performed with distinction in the 1971 and 1972 Legislative sessions and typifies the best man for this office of trust.

For STATE REPRESENTATIVE:

DEAN COBB

A highly effective Legislator with a record of meeting the needs of his district. Cobb is on key Legislative committees and has earned a place of influence in the Texas Legislature by working hard and ably -- particularly on matters affecting his district. He has worked to protect the smaller schools, to ease restrictive Texas laws on farm and boat trailers, on legislation for the cattle industry. The best man, with a record to prove it.

For U. S. REPRESENTATIVE:

GRAHAM PURCELL

Lauded by his colleagues as a man who GETS THINGS done, and especially in the field of farm legislation where he is an acknowledged leader. Graham Purcell is in line to be the next Chairman of the House Agriculture Committee, a position of unusual value to the Panhandle area. A good man in all respects, clearly the BEST MAN in this race.

THE EVIDENCE IS CLEAR WHO IS BEST MAN IN THESE ELECTION CHOICES.

WE PROUDLY OFFER THEM FOR YOUR VOTE ON NOVEMBER 7

A public service advertisement of the

Pat Johnson, Chairman

Dean Cobb works!

Keep him working for the Top of Texas.

Re-elect Dean Cobb State Representative, 64th Legislative District.

Dean Cobb has been a highly effective representative for the people who live in the Texas Panhandle since election to his first term in 1968.

Water: During his four years as our State Representative, Dean Cobb has sponsored or co-sponsored every piece of water development and control legislation presented to the Texas House.

Law and Order: After the campus riots, Dean Cobb authored the campus disorder bill, successfully passed into law. Dean, a former county attorney, has sponsored or co-sponsored almost every law and order bill introduced during his two terms in the legislature.

Insurance: Dean's position on the high cost of automobile and home insurance is well known. He has pressed for lower, competitive insurance rates since he first entered the Texas House.

State Spending: One of Dean's greatest concerns is excessive state spending. He has continually spoken out for cost control and fiscal efficiency in state government operations. Dean believes our state government should be run like a business. We are the stockholders, and those who operate our government should answer to us.

Dean Cobb works for us in Austin. Let's keep him on the job!

PREP FOOTBALL

One Win, Two Losses In Action This Week

One win against a pair of losses was racked up this week by the 7th-8th and JV football squads.

The 7th and JV both lost their contests this week while the 8th graders bounced Phillips for a 21-6 victory in games of the season although they lost by a narrow 6-0 margin.

The lone Phillips TD came on a 55 yard pass play two plays deep in the third quarter. Kurt Harris stopped another Phillips threat late in the final stanza when he picked off a Phillips pass at his 8-yard line.

The 8th grade teams went scoreless in the first quarter of their contest but Don Harris opened the scoring with a 30 yard scamper with 7:48 in the second and added a 2-point conversion to put Stratford out in front in that contest.

Late in the second Harris gathered in a Phillips punt at

his own 20, shook loose from one tackler and at the 50 Chip Caraway mowed down two would be tacklers to open the way for Harris to scamper a total of 80 yards for the second td. Caraway booted the PAT to make it 15-0 at the half.

The final score was also by Harris and came in the third quarter when Harris went 37 yards with 3:40 on the clock. Caraway's PAT was wide and the 8th lead 21-0. Phillips retaliated by returning the resulting kickoff for a touchdown going 68 yards and an attempted PAT was no good.

The Elks JV lost to Phillips Thursday by a score of 28-8. The lone Elk score came on the end of a 45-yard pass play from Quarterback Darrell Doshier to Willie Mungia. The two for a 2-point conversion was good.

Bouquets & Brickbats

by Nell Wall

I attended a meeting in Amarillo this week on Revenue Sharing. I have not paid a lot of attention to the Revenue Sharing issue in the past, being sure that it was just another of those programs that would never get through Congress. But Lo and behold! It did, and as you have probably noticed in the paper, the President signed it into a law this past week. The first of last week I got some material on this, and all of the "do's and don'ts" connected with it. So when the opportunity came to attend a panel discussion on this issue in Amarillo this past Saturday I took advantage of it. The panel discussion was by Allen Pritchard Ex. V.P. National League of Cities; John Gunther Ex. Director U.S. Conf. Mayors; Mr. Carnahan, Dir. Pub. Affairs, Treasury Dept.; and Harry G. Haskell, Mayor, Wilmington Del. and was most interesting. The main context of the session was that checks were in the mail the day after the President signed the bill, and that communities should use that money according to the suggested guidelines. (Naturally). But, believe it or not, the restrictions and the guidelines in the program are relatively simple. There isn't room here to go more thoroughly into this, but we are watching this program with interest.

*** This column was started with the thought of applauding our citizens for the good things they do for our community, and calling attention to some of the things that need correcting. It was also my intent to try and keep the people of the community informed of various projects and problems the City, and the Council, are involved in and faced with. We have some problems (yes) - every community does - but on the whole I believe our problems are not insurmountable - and can be solved by everyone working together.

One of the problems our community (along with others) seems to be faced with is the lack of adult leadership in our youth programs. Our Scouting program has been outstanding the past few years due to the dedication and interest of a few hard-working citizens, both men and women. According to the District Executives, Stratford programs have been far and above those of other communities in the district. But I was really sick to hear the other day that our Webelos den cannot accept any more boys simply because they can NOT find another man to help with this project. Gene Sadler has worked with the Webelos program for about 4 years and has done a great

This week the JV, 7th and 8th teams will play their counterparts from Dalhart. The JV will play here in a game to begin at 7 p.m. Thursday while the 7th and 8th will travel to Dalhart in games beginning at 5 p.m.

job, but Gene is tired, he needs some help. A 10-year old boy is right at the cross roads in determining whether he is going to be a good citizen or a punk! Some people say, "Oh the Scouting programs won't help!" - well it darned sure won't hurt! And somewhere in this community there has GOT to be a man who likes boys, who likes outdoor life, and who has TIME to devote a few hours a week to some of our future citizens. You know, it's great to dig down into the pocketbook for our youth projects (we need that too), but it's HARDER to dig into your time!

Just in case you didn't notice, last Thursday there were more lovely women in Stratford than usual. The annual Top O Texas

District of the Federation of Womens Clubs workshop was here and they were beautiful! I had the pleasure of saying "Welcome" to them, and although my knees were shaking and my mouth was dry, I enjoyed doing it. I wish we could have more things like this in Stratford--then the rest of the State would begin to know where we are! Recently I was asked "WHERE is Stratford?" Do YOU tell people where Stratford is? Don't tell them Stratford is 80 miles North of Amarillo--tell them Amarillo is 80 miles South of STRATFORD!

TOWN TALK

Mrs. Maudie Flores and Mrs. Mary Riffe have recently returned from a "Great Heritage and Fall Foliage Tour" of the New England States. They traveled from Maine to Williamsburg Virginia with stop overs in New York City and Washington, D.C.

Kerrick News

by Mrs. Fred McDaniel

It was no "trick" just a "treat" when Sue Ramsay showed slides of her native country, New Zealand, to Kerrick Community Oct. 21. She wore her school uniform and told some about her family, country customs, and answered questions. She was accompanied by her American parents, Mr. and Mrs. V.O. Lasley, Mr. and Mrs. Gary Garoutte, Gara and Tucker, Mrs. Joe Billington, Mrs. Tommie Garoutte. Also present from Stratford were the Newt Crabtrees.

The program was preceded by a spaghetti supper with salads and desserts. Decorations carried out the Halloween theme, a holiday not celebrated in New Zealand. Hosts were the Ralph Hamptons and Fred McDaniels.

A community meeting was held with Kenneth Wells, presiding. It was voted that Stratford's Singles Club may use the building on occasion, that the community would again enter Community Improvement contest.

A supper with Reagan Brown presenting the program on CIP will be held Wednesday, Nov. 8. Present were the families of Pete Taylor, Joe Wagner, Charles Durr, Don McKee, Joe McKee, Gail McDaniel, Ted Irlick, Kenneth Wells, Fred McDaniel, Ralph Hampton and Charles Maas.

*** Anyone interested in candle making is invited to community building Friday, Oct. 27, 2 p.m. If you have molds or access to any, please bring.

Some wax and equipment will be available then. Expert instructions will be given by Mrs. Wallace Jones of Boise City.

It is hoped that many candles will be made for display at Christmas in November at Dalhart on Nov. 10.

**** Franny Taylor, Tommie Garoutte and Marrylou McDaniel were among the many from Stratford attending "Applause" in Amarillo last week. Then on Friday night they saw "The Haunting of Hill House" in Dumas that starred Bill Kent.

*** A weekend guest of the Ray Taylor family was Tommy Meyer of Houston, Texas.

**** Linda Kay Whitson spent Saturday night with her aunt, Mrs. Gail McDaniel and family. All then enjoyed Linda Kay's birthday in Texhoma Sunday with her parents, the Penny Whitson's and grandfather, John Whitson.

**** Jemi, Jacque and Jo Shields were guests of the Gail McDaniel family recently as their Mother attended a Church Retreat. Rodney Oquin was an additional guest.

Pool, Coats Named Players of Week

Gary Pool lead the list of award winners this week as he was named Defensive Player of the Week and also winner of the Elk Big Lick Award by Coach David Bornstein and his staff following the weekly review of game films.

Steve Coats was named the winner of the Offensive Player

of the Week for his performance against the Phillips Blackhawks this past Friday. In other awards, 11 Elk Head winners were named by the coaches for their various performances Friday night.

Jim Bob Brown and Coats tied for the high offensive line-

man with a film grade of 94% each. Mark Beaty was named high offensive back with a grade of 92%.

Hardy Coffman won two Elk heads for causing two fumbles; Brown received an additional Elk Head for causing a fumble.

Paul Wells got two Elk Heads for recovering a pair of fum-

bles and Brady Heil got two for causing a fumble, recovering a fumble and breaking more than two tackles on one offensive play.

Scott Buckles got one for recovery of a fumble as did Coats. Pool also got a pair for intercepting a pass and the most

tackles while Ronnie Laramore

got one for most downfield blocks.

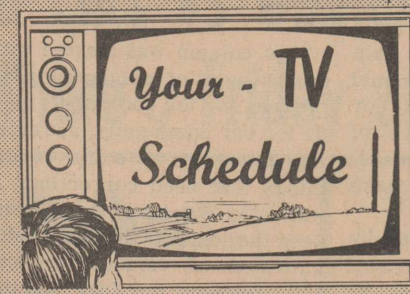

Taking a look at this Friday night the Elks will be facing the Dalhart Wolves in another District 1 AA contest.

The Wolves run from a multiple set offense and have been lead by Wingback Pete Priestly and Quarterback Jack Mullin. This week the Wolves are moving a former Elk up from their JV squad to the varsity, Mike Slatton. Dick Rameriz is the leading Wolf on defensive plays. Scouting reports show the Wolves to be "a hardhitting bunch, run hard and despite three losses have a powerful ball club."

The Wolfpack has a 4-3 record at this stage with wins over Phillips, Stinnett, Tucumcari and Dimmitt and have lost to Spearman, Friona and Guymon. Gametime is 7:30 p.m. at Dalhart.

POSTAGE STAMPS

Bought on Official State Expense Accounts

Can pay for a Pickup Truck . . .
. . .or for a Campaign Mailing!

And where is the difference?

A former State Representative from Amarillo was convicted earlier this year on a charge of paying for a used pickup truck with \$850 in stamps drawn on his Legislative expense account.

The present "TOP TEN" district State Representative used \$706.84 in STATE POSTAGE — charged to his Legislative expense account — in October, 1972, to mail out 11,174 pieces of campaign material to voters in the district, asking them to re-elect him!

11,174 Letters Three Weeks Before Election!

Many of the mailings, if not all — made in his own official and state-purchased envelopes — contained the campaign brochure shown here. You probably received one as a voter in the 64th Legislative District. Unmistakably, your vote was solicited by mail in this way — and you, as a taxpayer, picked up the charge for it!

Is there a difference in buying a pickup truck and in using tax money to perpetuate yourself in office?

IT'S TIME FOR A CHANGE!

THE RECORD: After cases of State Representatives trading commercially postage stamps furnished on their expense accounts, the amount of stamps that a House member could draw was limited to \$120 a month.

But no limit was put on the amount of postage that could be sent through the House postage meter — a meter that prints on each stamp the identification "PD Meter 805708."

The mailings concerned here were sent out in official state-furnished envelopes of Rep. Dean Cobb and carried the House meter identification number. Two of the "letters" were mailed under the House bulk mailing permit at .05 each, three at .08 each.

A House employee did the mailing, on authority of Stamp Requisitions from State Rep. Dean Cobb. Mailings were made in the following amounts and on the dates shown:

Oct. 10, 1972: 1,343 pieces, \$107.44	(8c each)
Oct. 11, 1972: 3,787 pieces, \$189.35	(5c each)

Why we need to keep John Tower in the United States Senate

Bi-partisan representation in the U.S. Senate has proved best for Texas.

Our state is better served by having a Senator from each major party. This assures us bi-partisan support for bills important to Texas.

During his first eight years in the Senate, John Tower worked well with two Democratic Administrations. Yet, he has been especially effective since the Nixon Administration took office in early 1969. He has access to the White House, enjoys a close personal

relationship with the President and effectively deals with the top administrators of every agency in the federal government.

Since it appears virtually certain Richard Nixon will be re-elected, it's essential that we keep John Tower in the United States Senate. His influence is vital to Texas.

We urge you to join us in supporting Senator John Tower.

CONSTITUTIONAL AMENDMENT ELECTION

NOVEMBER 7

The following fourteen constitutional amendments will be on the November 7 ballot.
(Please see Index on Page Four)

The Regular Session of the 62nd Legislature submitted fourteen joint resolutions to amend the Constitution that will be voted on at the General Election on November 7, 1972. A simple majority of those voting in that election on these particular issues will make them a part of the Texas Constitution. Some of the proposals are local in nature and rather minor in consequence; others, however, are rather broad in scope and would constitute major changes in our fundamental law.

AMENDMENT NO. 1

Amending Article III, Section 24, of the Texas Constitution to provide annual salaries of \$8400 for members of the Senate and House of Representatives.

This proposal increases the annual salary of members of the Texas Legislature from \$4800 to \$8400. No changes are made in the mileage or per diem allowances. Up until 1960 members of the Legislature were compensated on the basis of a per diem for the number of days they were actually in session. This varied from a per diem of \$5.00 in the original Constitution of 1876, then raised to \$10.00 for the first 120 days of the session and \$5.00 for each day thereafter. Then, in 1954 the per diem was raised to \$25.00 to be paid only for the first 120 days of the session with no per diem being paid thereafter. The most recent amendment to the Constitution was adopted in 1960 writing in a \$4800 annual salary, with a limitation of \$12.00 per diem for expenses while actually in session.

Proponents of the amendment argue that \$4800 is insufficient to compensate a legislator for the time he must spend in the protracted regular and numerous called sessions that our complex state government now calls for. In addition many interim duties are imposed upon legislators in studying specific problems and framing legislation to solve them. They further argue that as \$4800 is scarcely adequate to meet present day cost of living, legislators are forced to engage in outside employment which could create a conflict of interest and impair their independence and effectiveness of action as a lawmaker.

Opponents claim that it is a part time job, that it should not be compensated on an annual basis and our resources have sufficient drain on them now without adding an additional cost in legislative salaries.

in non-presidential years and generate a stronger interest in state politics. Campaign expenses have become so exorbitant that there would be less need for candidates for public office to accept special interest support, resulting in greater integrity in the office. Thirty-nine states have four-year terms for governor including several of our immediate sister states. The need for long range plans and programs are effectively thwarted by a system of two-year terms.

Opponents of the amendment point out that long terms of office lead to corruption. That too much power is inherent in long terms and they make the official less responsive to the rise and fall of public opinion. As there is no limitation on succession, a governor holding two four-year terms would completely dominate every state agency by appointment.

AMENDMENT NO. 9

Amending Article XVI, Sections 33 and 40, of the Texas Constitution to exempt directors of soil and water conservation districts from prohibitions against dual office holding and dual compensation.

Presently any public official is prohibited by the state constitution from holding more than one office in state, local or federal government.

Proponents of the amendment argue that in the less populous areas of the state there is a shortage of qualified people to hold responsible positions and the amendment would increase the available manpower by permitting public officials to fill them. The common law would provide an adequate protection against persons holding two public offices where there might be a conflict of interest between the duties.

Opponents of the amendment insist that the present prohibitions were intended to prevent the concentration of public jobs among a relative few and that multiple office holding would too greatly divide the time and attention of officials to permit the performance of either function efficiently and capably.

AMENDMENT NO. 10

Amending Article XVII, Section 1 of the Texas Constitution to revise provisions on the time of proposing amendments to the state constitution and the time and method of publishing notice of the proposed amendment.

The proposals involve two basic changes. Presently, the constitution can only be amended by a resolution submitted in the regular biennial session. The amendment would permit constitutional amendments to be considered by any session of the legislature. The second phase of the amendment deals with the manner of publication of proposed amendments. Presently, the full text must be published four times in one paper in each county. The new requirement would require only a summary statement in explanation of the amendment to be published twice in every newspaper that qualified for publication of official notices. The rates would be set at no higher than the newspapers' published national rate for advertising per column inch.

Proponents argue that the amendment would permit greater flexibility in the submission of amendments and provide better information to the general electorate as to what they were voting on.

AMENDMENT NO. 2

Amending Article IX, Section 6 of the Texas Constitution to abolish Lamar County Hospital District.

This proposal is local in nature and abolishes the Lamar County Hospital District and authorizes the Commissioner's Court of that county to provide for the transfer or disposition of assets of the district. The Lamar County Hospital District was created in 1960 under authority of constitutional amendment and operated for a time; however, several years ago it ceased operation and privately owned facilities are now being used for hospital care in Lamar County.

AMENDMENT NO. 3

Amending Article XVI, Section 61 of the Texas Constitution to require the Commissioner's Courts in all counties of the state to compensate all justices of the peace on a salary basis beginning January 1, 1973.

This proposal would require all justices of the peace to be compensated on an annual salary basis rather than on a fee basis. The Constitution now requires all justices of the peace in counties of 20,000 population or more to be compensated on a salary basis and this proposal would put all justices of the peace on the same footing.

Proponents of the amendment argue that justices of the peace should be taken off fee basis and put on some equitable salary system related to all other officers of their same classification in the state. They feel that this would discourage the "speed trap" image now associated with some justice courts and would probably discourage routine appeals to county courts from justice courts compensated on a fee basis.

Opponents of the amendment argue that doing away with a fee basis will discourage diligent justices of the peace and will make them dependent upon the commissioner's court which provides their salary.

AMENDMENT NO. 4

Granting authority to the Legislature to establish a constitutional revision commission which would report its recommendations no later than November 1, 1973 and providing that members of the 63rd Legislature would then be convened in January, 1974, in a constitutional convention to serve 60 days for the purpose of drafting a new constitution for submission to the voters of Texas. The proposed amendment would add an authorization for

(Continued on Page Two)

Opponents of the amendment insist that basic changes should be considered carefully and a thirty-day special session would not provide enough time for proper consideration of proposed amendments. They argue that to permit an interpretation made by an official to be voted on instead of the actual amendment is a dangerous practice and also that the new method of publication would probably cost more.

AMENDMENT NO. 11

Amending Article IV, Section 17, of the Texas Constitution in adding a new Section 24a to Article III to provide a salary of \$22,500 for the Lt. Governor and the Speaker of the House of Representatives.

Historically, the Lt. Governor who presides over the Senate and is a state-wide elective officer and the Speaker of the House who presides over the House of Representatives and is elected by the membership of the House of Representatives have been compensated on the same basis as other members of the House of Representatives and Senate. This means that each presently draws an annual salary of \$4800 per year.

Proponents of the amendment argue that the leadership and administrative ability demanded of presiding officers puts these offices in the same relative importance as other full-time state officials and they should be so compensated. Over the past few years the jobs of both presiding officers of the respective houses have become full time jobs. Salary differences between presiding officers and regular members of the Legislature are fully justified in that during the interim, regular members can return to their homes and other occupations while the presiding officers maintain a full staff and provide the leadership and coordination of programs and interim studies dictated by the Legislature when in session.

Opponents of the amendment argue that the Speaker of the House should not receive the same amount of salary as the Lt. Governor as he is not elected on a state-wide basis but is selected by the members of the House of Representatives. And that the difference between the members' salary and the presiding officer's salary would be too wide with one being compensated at \$22,500 and the other being compensated at \$4800.

AMENDMENT NO. 12

Amending Article XVI, Sections 33 and 40 of the Texas Constitution to allow state employees and certain other persons to serve on the governing bodies of school districts without forfeiting their state salary, and otherwise to revise generally the restrictions on dual office holding and dual compensation.

The proposal broadens the exemption from the prohibition of dual office holding and compensation for non-elected employees.

Proponents of the amendment argue that in some cities, school districts or other governmental subdivisions state employees are a large percentage of the population and the amendment would allow these persons to serve on city councils and school boards in such communities without sacrificing their state salaries.

Opponents insist that there is sufficient number of qualified citizens in any community to fill local offices

(Continued on Page Four)

THREE

the 63rd Legislature to establish a constitutional revision commission. The commission would report to the Legislature not later than November 1, 1973 and the Legislature would then be convened in January, 1974 for the purpose of drafting a new constitution or revising the current constitution for submission to the voters. The commission would be allowed to sit through May 31, 1974 and could extend its life for 60 days beyond that date. The only restriction as to subject matter would be that the existing Bill of Rights must be retained in full.

The present constitution authorizes only one method of amendment and that is a submission to the voters of proposed amendments by a constitutional two-thirds vote of the Legislature. In the 95 years of its existence the Texas Constitution has been amended over 200 times by this method. Attempts were made as a result of action of the 55th Legislature to present a comprehensive section-by-section revision. Reports of this commission have been submitted as joint resolutions in the Legislature but never enacted with the exception of one resolution which the people did adopt deleting a number of obsolete provisions from the constitution.

Proponents of the amendment argue that there is a real need for a more workable basic law which would require less periodic revision and since the Legislature has always been entrusted with the function of proposing constitutional changes, the Legislative body is the logical choice for responsibility in the preparation of a new or revised constitution.

Opponents of the amendment argue that constitutional reform should not be through a new document but through revision of the existing document and the convention called for has a totally new constitution as a possible alternative. Opponents further argue that revision is not a legislative job and should stem directly from the people by delegates to a constitutional convention elected by the people and responsible to them.

AMENDMENT NO. 5

Amending Article VIII, Section 2 relating to a tax exemption on certain property owned by disabled veterans to provide that exemptions which would range from \$1500 to \$3000 to be made on a graduated scale based on the percentage of veterans disability.

Tax exemptions of any sort must of necessity be by constitutional amendment in that Article VIII, Section 2 of the existing constitution requires that taxes be equal and uniform.

Proponents of the amendment say that persons disabled in military service should be compensated for their sacrifice, that the tax exemptions proposed are a token and subject to strict limitations and the loss in revenues would be negligible, that the amendment is permissive and the necessary details of administration could be spelled out by the Legislature which could also revoke the exemptions should the need arise.

Opponents of the amendment say that compensation of disabled veterans is a federal matter and that there are already adequate and generous programs available to disabled veterans and school districts and local governments should not be deprived of any tax sources.

TWO

and that service in two capacities would result in heavy work loads prohibiting the public employee from giving his full abilities in his state job.

AMENDMENT NO. 13

Increasing the maximum interest rate which may be borne by certain bonds issued under constitutional authority by adding a new Section 65 to Article III.

A number of provisions of the Texas Constitution place a maximum limit on the amount of interest which may be prescribed by certain public agencies for bonds they issue. Most of these limits are set at less than 5% and the present prevailing rate of interest which can be sold is higher than maximum interest rates set by the constitution. The proposal would permit such bonds to be sold with maximum interest rates not to exceed a weighted annual interest rate of 6%.

Proponents of the amendment argue that its adoption would permit certain state and local agencies now under restrictions to compete for sale of their bonds in the open market on an even footing with other entities, enabling them to continue to enlarge upon many state and local programs.

Opponents argue that increasing the constitutional limit would provide higher interest rates and therefore require more revenues to pay off the bonded indebtedness, and would encourage various agencies to rely even more

AMENDMENT NO. 6

Amending Article VIII, Section 1b of the Texas Constitution to provide that various political subdivisions of the state may exempt not less than \$3000 of the value of resident's homestead of all persons 65 years of age or older from ad valorem taxes under certain conditions.

Presently the constitutional homestead exemption from ad valorem taxes stands at \$3000 and is applicable to both state and county taxes. This proposal would extend the homestead exemption by allowing a county, city, town, school district or other political subdivision of the state to make a like exemption.

Proponents of the amendment argue that the ad valorem tax is the basic form of taxation supporting local governmental units and the present homestead exemption gives no relief, as neither the state nor county taxes compare to any degree with the burden of local taxation.

Opponents of the amendment say that this would be a substantial reduction in revenue to local government and school districts and again violates the principal of equality and uniformity in taxation while special programs that exist today to aid our elderly citizens diminish the need for the protection of the homestead.

AMENDMENT NO. 7

Amending Article I of the Texas Constitution by adding a new Section 3a to provide that equality under the law shall not be denied or abridged because of a person's sex, race, color, creed or national origin.

The present constitution does not specifically prohibit discrimination but the equal protection clause of the fourteenth amendment to the United States Constitution prohibits a state from legislating different treatment to persons placed by a statute into different classes on the basis of a criteria wholly unrelated to the objective of the statute.

Proponents say that there is still substantial discrimination and that only a constitutional change prohibiting such discrimination can effectively change the status quo.

Opponents argue that the proposed amendment is not necessary because all discriminatory legislation is now prohibited by the federal constitution and additional constitutional comment on the subject can only cause confusion as to the meaning of discrimination.

AMENDMENT NO. 8

Amending Article IV, Sections 4, 22, and 23 of the Texas Constitution to provide four-year terms for the offices of Governor, Lt. Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State and certain statutory state offices.

There have been four-year terms for certain constitutional offices of the state of Texas in the past; however the constitution of 1876 fixed the terms at two years for all constitutional offices.

Proponents of the four-year term argue that officials would have an opportunity to grasp the operation of the job and be more efficient in it before they were forced to go back into campaigns for re-election. As this amendment would become effective with the General Election in 1974 it would perpetuate elections for state offices

(Continued on Page Three)

AMENDMENT NO. 14

Amending Article VII of the Texas Constitution by adding a new Section 6b to permit the commissioner's court of a county to reduce the county permanent school fund and provide for per scholastic distribution and use of the money obtained from this reduction.

The proposal would allow the commissioner's court of a county to distribute a portion of the county permanent school fund to school districts in the county on a scholastic population basis for the purpose of reducing bonded indebtedness or making permanent improvements.

Proponents argue that many school districts need new facilities and lack funds to finance them. Some have already issued bonds to the statutory limits and others have reluctant electorates who repeatedly refuse the issuance of new bonds. Utilization of a portion of the county permanent fund would relieve the financial strain on school districts and provide adequate educational facilities in the counties.

Opponents argue that a reduction in the funds would reduce the income to the available school fund and therefore create a need for a larger state expenditure in the support of education.

CONSTITUTIONAL AMENDMENTS

Edgar Allen Poe only earned a few hundred dollars for all of his great works.

In 1968 it was reported that a man had rolled a hoop 600 miles from Mieres to Madrid and back in 18 days.

Price is right for Texas .

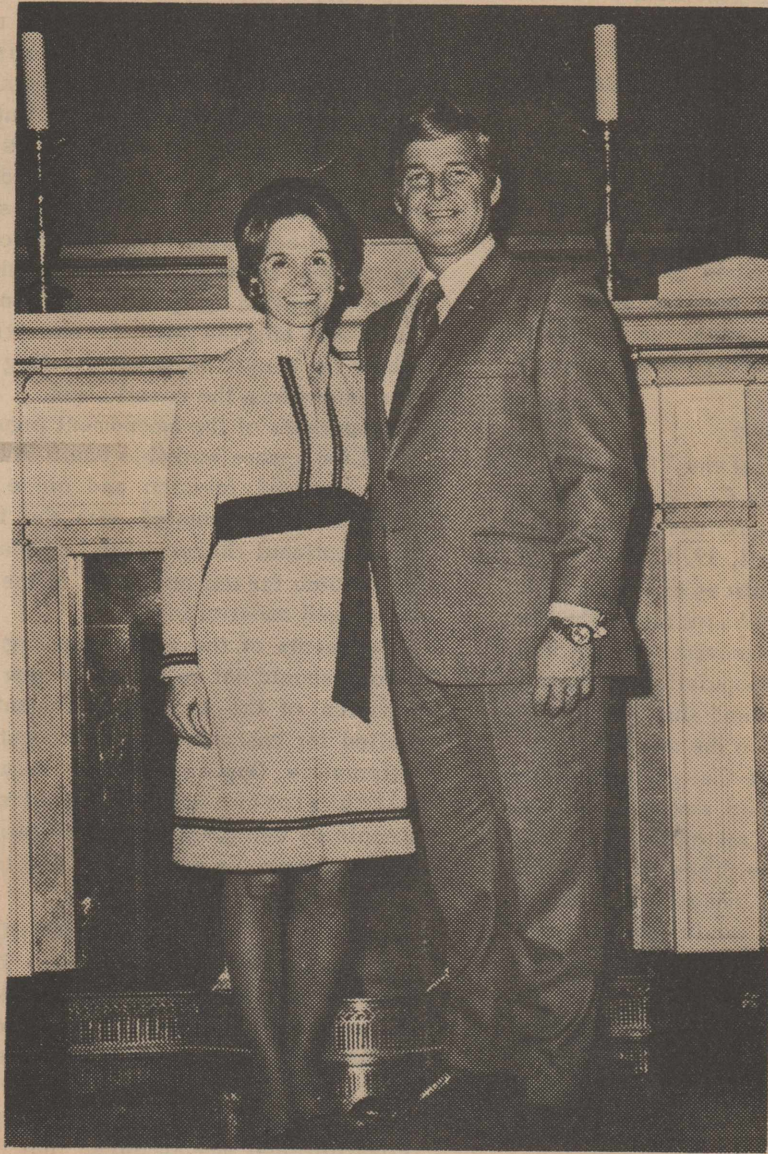

Bob Price is a full time congressman. His attendance record on voting of 93% is one of the highest in the Congress. By comparison his opponent has the second worst attendance record in the entire Texas delegation.

Bob Price has approached legislation with a conservative and careful outlook. He has earned a 90% rating by the ACA, compared to his opponents 42%.

Bob Price has worked hard to bring new industry, expand present firms and to thereby create new jobs. The Panhandle's "Business Index" is one of the highest in Texas.

Bob Price has introduced or co-sponsored 36 pieces of legislation that have become public laws. These are a matter of record, in spite of his opponent's clever misrepresentations.

Bob Price fights against inflation. He has an 88% rating by the National Associated Businessmen's Economy. His opponent only 50%.

Bob and Marty own their own home in Pampa. Two of their children attend the Pampa public schools. Bob is a graduate of Okla. State. He returned to Pampa after the Korean War. Before his election to Congress he was active as a business leader, in civic affairs and taught Sunday School in the First Baptist Church in Pampa.

He was first elected to Congress in 1966. Was reelected in 1968 and because of his popularity had no opponent in 1970. When a man earns this respect from both political parties it is proof of his ability and hard work.

It's easy to see why people feel Price is right for Texas. He is an honest sincere person who stands up for his principles. Thank goodness, his principles are the same as made this country great.

Gilley Named Director Of County Spelling Bee

Jack C. Gilley, Principal of Stratford Junior High School, Stratford, Texas has been named to direct the activities of the 1973 Spelling Bee for Sherman County.

The 1973 Regional Bee--the Silver Anniversary Bee--co-sponsored by the Amarillo Globe-News and West Texas State University--will climax in Amarillo on April 28, 1973 with the naming of the Golden Spread Champion.

The 1972 champion from Sherman County was Scott Huckabee. His parents are Mr. and Mrs. Bob Huckabee of Texhoma. A student in the 8th grade of the Texhoma Independent School, he placed 11th in the 1972 regional competition.

The only secondary contest conducted within the areas of the National Spelling Bee is also sponsored by the Amarillo newspapers and the University.

To acquaint boys and girls in the sixth and lower grades, a junior division contest is conducted. These county winners are special guests of the sponsors on Bee Day in Amarillo. Unless they hold a dual title, they do not spell.

The 1972 junior division champion was Pamela Ann McReynolds, her parents are Mr.

and Mrs. David Thomas McReynolds of Stratford.

A list of prizes to be awarded will be made available at a later date.

The deadline for ALL county contests is March 31, 1973.

The grand winner will receive an all-expense paid trip to Washington, D.C. June 4 through 8. In the nation's capital the lucky youngster will compete in the 45th National Spelling Bee along with other boys and girls from all over the United States, as well as Guam and Puerto Rico.

More than 11,000 students in the eighth and lower grades are expected to participate and the area includes 46 counties in the Panhandle. There are 26 Texas counties, 10 in Oklahoma, four

in New Mexico and three in Kansas.

The rules of the National Spelling Bee stipulate that any boy or girl who has not reached his 16th birthday or passed beyond the eighth grade by June 1, 1973 is eligible to enter.

Each county director has complete control over the respective county and may conduct the contests as a verbal "battle of the words," or it may be by a written test. However, the regional bee in Amarillo will be conducted verbally.

The study book, compiled by the National Spelling Bee, New York City, contains more than 3,000 words, many of which have been used in the annual national contests. New in design and content, the booklet is available from the Amarillo Globe-News, P.O. Box 2091, Amarillo, Texas 79105. The price is 25 cents.

4 - H Awards Banquet Slated For Saturday

Sherman County 4-H Club members will hold their 1972 Achievement Banquet Saturday at the County Barn in Stratford beginning at 7:30 p.m.

One of the highlights of the evening will be the presentation of the 1972 Gold Star Awards. Speaker for the event will be Johnny Davis, State 4-H Council vice-chairman of Canadian. All 4-H members are urged to bring their families to the event. A basket supper will be brought by each family with drinks and bread to be furnished.

In addition to speaking to the group, Davis, who is an accomplished Western singer, will provide musical entertainment.

The outstanding boy and girl in Sherman County 4-H work this past year will be named with the two winners being presented the Gold Star Awards. This year's Gold Star Boy is P.J. Pronger III, son of Mrs. Vera Pronger and currently a student at Sam Houston State College at Huntsville. Miss Glenanna Ellison, daughter of Mr. and Mrs. Don Ellison and a student at Frank Phillips College at Borger, is the 1971 Gold Star Girl.

In addition to these two awards all awards and certificates for 4-H work this past year will be presented by County Agent Fred Cross and H.D. Agent Neil Mc-Minn.

Price To Visit

Incumbent Congressman Bob Price of Pampa will be in Stratford this Saturday on a final tour of this area prior to the General Election slated for next Tuesday.

Congressman Price, Republican, is faced in this election by Democrat Graham Purcell of Wichita Falls. The redistricting of the Panhandle area last year resulted in both incumbents being thrown in a race to see who will represent this area next year.

At presstime, Congressman Price was scheduled to fly into Stratford and make a visit to the downtown area. His schedule shows him to visit Pampa, Borger, Dumas, Dalhart and Perryton in addition to Stratford on Saturday.

People have been most complimentary of the art display. The Pioneer theme was so well depicted in Corda Players, scene showing pioneers filling their water barrels at the windmill, by Lea Ellen Bonars' horses, the Indian and covered wagons done by Jewel Naugle (Naomi Part-ridge's Westward Ho also); and Frank Judd's "DougoutScene". All the rest are lovely and scenes and flowers we admire. Alfred Pronger, Bill Dyess, Marijo Haile, Selma Pendleton and I recently visited the Hereford Museum. Mrs. Henry Sears and Mrs. Rose were most helpful in discussing museum ideas, organization and support.

Our Sherman County Historical Survey Committee are planning on preparing a slide presentation of early day houses, etc. of local historical interest.

Sept. hostesses were: Laura Lowe, Mary Grace Hudson, Mrs. Donald Moon, Mrs. John Cearley, Pauline Jones, Marijo Haile, Teresa Beaman, Lucille

Family Reunion

Held Sunday

For the first time in 17 years Mrs. Belle Cummings was honored to have her children, grandchildren, great grandchildren and one great-granddaughter together on Sunday in the home of her daughter, and son-in-law, Mr. and Mrs. Ralph Harding of Amarillo. Co-hosts were Ernest and Nola Cummings, son and daughter-in-law of Mrs. Cummings.

In the afternoon the group were entertained by music and singing provided by Joe and Elaine Cluck of Stratford, Jimmy and Gayle Ragsdale of Memphis, Tenn. Jimmy is in the U.S. Marine Corp. in that city.

Those present were Mrs. Clinton Ragsdale and daughter Cheryl of Lovington, N. Mex., her son Jimmy, his wife and daughter, Dawna of Tennessee. Due to illness her husband and another son, Pat, were unable to be present. Mr. and Mrs. Buddy Palmer of Pampa, their son, Stanley and their daughter, and son-in-law, Mr. and Mrs. Jack Chambliss, Mr. and Mrs. Wayne Cummings, Shawna, Brett and Shelia Mr. and Mrs. Joe Cluck and son, Cory all of Stratford.

Other guest were Mr. and Mrs. Elam Ragsdale of Sanford, Texas, Mr. and Mrs. Wayne Harding of Stratford, Mrs. Ducky Gallo and daughters Heather and Hilary of Dalhart.

Phillips, Marty Bain, Velma Blake, Doris Dyess and Edna Knight. Thank you ladies for sharing your time.

Mr. and Mrs. Meritt Green and Waylon stopped by to visit with the Adams boys. Seems Ethel and the Adams attended school together in the late twenties. "Hootie", Waylon and I went back to admire his mother's organ. I tried my rusty skill by playing the one tune I remembered "Rock of Ages", and Hootie and Waylon sang. It brought back precious memories. I learned this piece on my Grandad Ramey's organ at Ector (by American School of Music correspondence course).

Our mystery object yet remains a mystery. To the nine people who guessed it to be a can or bottle opener--that's wrong! It isn't a button hook, used to hook rugs or a hoof knife. I promised to identify our "who and what" next time--so keep guessing.

Also 96 Black feeder heifers averaging 580 pounds selling for \$38.50 per cwt; and 45 mixed heifers averaging 586 pounds selling for \$40.60 per cwt.

Friday will be a Special Calf Sale with Friday, Nov. 10, set aside for the first Special Cow Sale for the fall.

Griff Lasley Receives Honor

COLLEGE STATION--Griffith L. Lasley of Stratford has been selected for membership in the Ross Volunteers, Texas A&M University's elite honor military unit.

The Ross Volunteers Company was formed in 1887, 11 years after the university enrolled its first class, making it the oldest student organization in Texas. Juniors in TAMU's Cadet Corps are selected on the basis of character, military achievement, disciplinary and academic records and extracurricular activities.

Ninety cadets were selected from several hundred applications.

RVs form the honor guard at the inauguration of the Governor of Texas, serve as honor guard for King Rex during the annual Mardi Gras Parade in New Orleans, escort distinguished guests at TAMU and represent the university at a variety of special functions.

Lasley, son of Mr. and Mrs. Walter Lasley of Stratford, is a 1970 graduate of Stratford High School. He currently is first sergeant of Company B-1 in the Corps and is enrolled in animal science studies.

Lasley also is a junior yell leader at TAMU, a member of the Saddle and Siroin Club and Town Hall staff and was a yell leader his freshman year.

Duck Hunters Warned Of Split Season

Ducks and coots are fair game in the High Plains Management Unit Oct. 15-Nov. 26.

The Texas Parks and Wildlife Department reminds waterfowl hunters that this unit's season is split into two parts: the Oct. 15-Nov. 26 season and Dec. 9, 1972-January 24, 1973.

The High Plains Management Unit is defined as that part of Texas west of a line which runs from the International Bridge at Del Rio, northward on U.S. Highway 277 through San Angelo to Abilene, along State Highway 351 from Abilene to Albany, U.S. Highway 283 from Albany to Vernon and then easterly along U.S. 183 to the state line in Wilbarger County.
