The City of Cisco continued to upgrade automotive equipment by purchasing a new Ford pickup truck for the water and street department during the past week, City Manager R.J. Turpin reported Tuesday.

Pierce Ford Company of Cisco was the low bidder to supply the new truck at a cost of $7,321. Two other bids were submitted.

The Hawks Defeat Wolves Saturday Morning 36-18

The Hawks handed the Wolves their first defeat of the season Saturday morning at Chesley Field.

Both teams clad in bright new shirts felt as though the Dallas Cowboys and Houston Oilers were playing the contest.

The Wolves scored first when Steve Abbott took a handoff from quarterback Jarrod Jeffcoat and out ran a flock of Hawks 70 yards to pay dirt. The extra point failed.

The Hawks tied the ball game when Shelby Nixon, after a 40 yard run, took a pitch out from quarterback James Johnson and ran it over for the TD. Extra point attempt failed.

The Hawks kicked off to the Wolves and Abbott ran it back to the 20. Then Rickey Chambers caught a pass from Jeffcoat to put the Wolves in the lead 12-6.

Minutes before halftime, Johnson on a quarterback keeper barged through a pack of Wolves for 30 yards to tie the ball game at 12-12.

Refreshments at halftime were served by Mr. and Mrs. Dick Wages.

The Hawks kicked off and the Wolves fumbled. The Hawks recovered deep in the Wolves territory. Robert Wages took a pitch out from Johnson and went over from the 10 to put the Hawks in the lead 18-12.

The Wolves tied the score for the third time when Abbott took a pitch out from Jeffcoat and scampered 75 yards for a TD.

David McDonald recovered a fumble by the Hawks and Abbott carried the ball back to the 40 on the next play. Then Nixon intercepted a pass and scampered back to the Wolves 10 yard line. Johnson barrelled across for the TD on a quarterback sneak to put the Hawks in the lead 24-18. Rickey Chambers spoiled the extra point.

Chambers took the kick-off from the Hawks and scampered 60 yards back into Hawk territory but was stopped short of a TD.

The Hawks took the ball and with fancy footwork and determination, Shelby Nixon brought them back to the 40 where he took a pitch out from Johnson and scampered 40 yards to spread the Hawks lead 30-18.

From that point on the Wolves could not get back in the ball game, they fumbled and Nixon again got loose and there was no stopping him until he reached the goal to make the final score 36-18.

Cheerleaders for the Hawks were Tracey Edgar, Bobbie Wilcoxen, Tanya Smith, Misty Seabourn and Sherry Seabourn.

Referees were Al Rogers and Dick Wages. Eddie McMillan had to take over coaching for Lee when he was called out to work in the middle of the game.

Outstanding linemen and defensive players for the Hawks were Shelby Nixon with the most flag tackles and others with a large number were Farris Pittman, Brent Evatt, James Johnson, Larry Garrett, Robert Mayberry, Robert Wages and Wayne Calloway. Calloway recovered one of the fumbles. Evatt, Wages and Nixon each intercepted passes.

Outstanding defensive players for the Wolves were Kelly Darr, Lonnie Pevey, William Pevey, David McDonald, Michael Owens, Danny Parker, Steve Abbott, Rickey Chambers and Ronnie Scheuren. Dusty Petree and Jason Phillips intercepted passes.

The next game will be Saturday at 10:00 a.m.

CHS Loboes To Face Dragons This Saturday Night In Bangs

The Loboes of Cisco High School will be traveling to Bangs this Saturday night, November 1, to face the Dragons in a District 10-AA bout there. Kickoff will be at 7:30 p.m.

The Bangs Dragons appear to have improved considerably since the beginning of this season and are now 3-1 in District play. They handed Eastland's first loss of the season to the Mavericks last Friday night as they scored two touchdowns to Eastland's one, making the score 12-7. Bangs is 3-4 for the season with only one of the losses during District play.

Cisco coach Rick Calhoun stated Bangs uses the veer formation and has "two exceptionally outstanding backs in the backfield." He also said the team has "tremendous speed" and a very good coach.

The Loboes are really pepped up this week, according to Coach Calhoun, since they have a chance in District due to Eastland's loss. They will be going to Bangs Saturday night with the hopes of defeating the team which beat the Mavericks.

Following the Loboes 12-10 win over DeLeon last Friday, they are now 2-2 in District play and 4-3 for the season.

In District 10-AA action: Eastland, Bangs and San Saba are all 3-1; while DeLeon, Cisco and Dublin are all 2-2. Early is 1-3 and Ranger is 0-4.

Cisco suffered some injuries in their last game and Leslie Agnew probably will not see any action Saturday due to a muscle strain in his shoulder, reported Coach Calhoun. He also said Chuck Cannistraci and Forrest Starr each have a sore knee and Mike Sherman has a hip pointer; however, these three will probably play. Jimmy Elrod may also see more action than just kicking this week according to Coach Calhoun. Elrod was injured in the Loboes first game of the season in Haskell with a deep thigh bruise. He did not see any action until two weeks ago when he was allowed to begin doing the kicking for Cisco.

This week's offensive lineup will probably be about the same as last week's according to Coach Calhoun, as follows: Randall Rattan, quarterback; Forrest Starr, tailback; Gary Speegle, fullback; Kory Wallace, center; Mark Humphries, right guard; Jeff Cathey, right tackle; Chuck Cannistraci, tight end; Bubba Eaker, left guard; Kenneth Preston, left tackle and Larry Adams, flanker. Coach Calhoun was unsure who will be playing split end.

The defensive lineup will be as follows: Kory Wallace, noseguard; Manuel Marquez and Mike Sherman, defensive tackles; Brian Fleming and Blair Boyd, defensive ends; Robert Caraway and Chuck Cannistraci, linebackers; Shane Posey, Forrest Starr, Larry Adams and Gary Speegle on secondary.

Mike Galleagos has been moved up from the Junior Varsity squad to play wide receiver for the Loboes and Coach Calhoun said he expects some good playing from Galleagos. His jersey number is 82.

CJC Keeps Opponents From Crossing Goal

Wranglers Defeat N.M.M.I. 10-3

By Bill Roberts

For the second game in a row, the Cisco Junior College Wrangler defense failed to allow its opponent to cross the goal line – and for the second time in as many games, the Wranglers posted a 10-3 victory.

This time, it was in a game played in Roswell, N.M., last Saturday night and the victim was New Mexico Military Institute.

The Broncos became the seventh straight team to fall under the spell which the Wranglers seem to have spun against its opponents. It has worked against the McMurry Junior Varsity, the University of Texas at Arlington JV, Ranger Junior College, Tarleton State University's JV, the Texas Christian University JV, the North Texas State University JV and now, NMMI.

And, the CJC defense has been a big part in each of those games.

Against NMMI, both the Wranglers and the Broncos performed well on defense, with the Wranglers taking a 3-0 lead into the fourth quarter. Then, the Wranglers finally got across the goal line for the seven-point victory margin.

Ricky Nunn got the Wranglers on the score board with only three and one-half minutes gone in the game when he booted a 38-yard field goal.

The score stood that way until the seven minute mark of the fourth quarter, when split end Barrett Douglas, who has been carring the ball on rushing plays for only two games now, broke loose on a 42-yard scoring jaunt. Nunn booted the extra point for a 10-0 Wrangler lead.

Two minutes and fifty seconds later, the Broncos got on the score board with a 31-yard field goal.

The Wranglers rolled up 243 yards total offense in the contest, with 158 of those yards coming on the ground. Freshman runningback Lenard Montgomery led the way with 41 yards rushing while Abilene freshman Keith Pentalion added 37 yards.

Quarterback John Farris passed for 72 yards in the game. NMMI countered with 117 yards in the air but the Wrangler defense held the Broncos to only 27 yards on the ground.

One big defensive play which slowed the Broncos came in the fourth quarter when Wrangler Curtis Klein stepped in front of a NMMI pass to kill a Bronco drive.

With only three days to prepare, the Wranglers now must be ready for their third game in 11 days as they meet the Tarleton State Texans' JV in a 7:30 p.m. game Thursday in Memorial Stadium in Stephenville.

CJC won the first meeting between the two games by a 28-13 count. Four games later, the Wranglers find themselves 7-0 and looking for its first undefeated season in many years. However, after Tarleton, the Wranglers still have two more games to play–against highly-ranked Northeastern Oklahoma State and the Texas A&M University JV.

STATISTICS: First Downs–CJC 14, NMMI 11; yards rushing--CJC 158, NMMI 27; Yards Passing–CJC 85, NMMI 117; Passes Att.-Comp.–CJC 5 of 12, NMMI 13 of 30; passes intercepted by–CJC 2, NMMI 3; Punts-Yards–CJC 7-37.0, NMMI 11 for 38.1; penalties-yards–CJC 4 for 50, NMMI 6 for 60; Fumbles Lost–CJC 2, NMMI 1.

County And Cities Gain In New Census Reports

Eastland County and the cities of Cisco, Eastland and Ranger had population gains over earlier unofficial figures as the first official results of the U.S. Census Bureau's 1980 population county were released this week.

Eastland County's total population count was raised 7.5 per cent to 19,446 from the first unofficial figure of 18,092.

The new figures gave Cisco's population as 4,497 or 8.1 per cent more than the unofficial figure announced recently as 4,160. Eastland was up 17.8 percent to 3,744 from 3,178. Ranger's gain was 2.4 per cent, from 3,094 to 3,169.

Figures were not available for other cities and communities of Eastland County.

The Census Bureau also released preliminary counts of housing units, listing 9,349 for Eastland County. This was a 13 per cent hike over the earlier figure of 8,274.

Cisco has 2,024 housing units, the Bureau said. An earlier figure was 1,720 or 17.7 per cent less. Eastland has 1,740 housing units, a gain of 26.6 per cent over the earlier preliminary figure. Ranger had an increase of 1.4 per cent to 1,334 units.

The first official result figures are subject to further verification as the Bureau continues to check results of the annual census, it was noted. Final figures are expected to be released early in 1981.

Firemen Put Out Two Grass Fires

The Cisco Volunteer Fire Department answered alarms Saturday and Monday night to extinguish grass fires with little or no damages. Firemen went to Oakwood Cemetery Monday night to put out burning tree stumps.

Saturday, local firemen joined Cross Plains firemen in putting out a grass fire that burned off some five acres near Highway 206, 10 miles south of Cisco. No damage was reported.

Loboes Defeat Bearcats Here Friday Night 12-10

The Cisco High School Loboes rallied in the second half of last Friday night's football game to defeat the District 10-AA DeLeon Bearcats at Chesley Field by the score of 12-10. The Loboes were being led at halftime, 7-6.

Each team is now 2-2 in District play and 4-3 for the year.

The first half of Friday night's game seemed to be a battle of defenses as neither team could sustain a drive long enough to get within scoring distance of the end zone.

DeLeon scored first when they got the ball moving downfield in the second quarter. Bearcat quarterback Edwin Hale utilized the running abilities of Roman Saldivar and Jimmy Lewis to move the ball 74 yards in 12 plays making five first downs. Saldivar took the handoff from QB Hale for a two-yard touchdown run with 4:45 left in the second quarter. The PAT kick by Jerry Walker was good making the score 7 to 0.

The Loboes were unable to sustain a drive on their next possession and were forced to punt the ball to DeLeon.

The Bearcats started the drive from their 45-yard line and were headed toward the goal line when Cisco's Larry Adams picked off a QB Hale pass and ran it back 99 yards for Cisco's first points with 41 seconds left in the first half. The try for two extra points was no good, making the score 7-6 at half time.

The Loboes received the second half kickoff from DeLeon at the five-yard line and Adams returned it to the 27-yard line before being tackled. From there, Cisco quarterback Randall Rattan connected with a pass to Chuck Cannistraci and four handoffs to Gary Speegle and one to Forrest Starr to move the ball across midfield to the 45-yard line of the Bearcats. Starr took the next handoff the entire 45 yards for the Loboes go-ahead touchdown. The try for two extra points, a pass from QB Rattan to Speegle, was ruled out of bounds leaving the score 12 to 7 with 7:55 left in the third quarter.

Eight seconds into the final quarter DeLeon's Walker kicked a 25-yard field goal to narrow Cisco's lead to two points, 12-10.

DeLeon recovered a Lobo fumble on the next series of plays on Cisco's 45 yard line, and six plays later Bearcat Walker attempted a second field goal from about the 29 yard line. The try was no good leaving the score 12-10 as it remained throughout the final quarter.

Outstanding defensive players for Cisco were Danny Garcia, Forrest Starr, Blair Boyd, Robert Caraway, Brain Fleming, Gary Speegle, Chuck Cannistraci, Shane Posey, Leslie Agnew, Kory Wallace, Kenneth Preston, Mike Sherman, Manuel Marquez, Chris Johnson, Larry Adams and Tommy Thackerson.

Standouts on the DeLeon defense were Roman Saldivar, Allen Stone, Bubba VanZandt, Jim Grimshaw, David Stokes, Jerry Walker, Guy Dixon, Bobby Forrest, Edwin Hale and Steven Murphy.

Putnam News

By Mrs. R.B. Taylor

I'm sorry I failed to get the "news" out last week. I was out of town. I spent the weekend with Homer and Carolyn and Barry at Sweetwater. Kirk came down from Texas Tech at Lubbock so we had a nice weekend. They have all the water they need at Sweetwater now.

Isn't the weather great. Had another nice rain while I was gone. The wheat farmers are really getting after it. I was out to one of Benton Pruett's fields one day and he was sowing wheat with the largest grain drill I have ever seen. I think it sowed about 40 feet at a row, also added fertilizer at the same time. How times have changed!

We are sorry that we still have some on the sick list. Mr. Earl Jobe is not doing well, he is still at home.

Mrs. R.C. Speegle is puny too. She is going to her daughters at Odessa for the winter.

The Rev. Joe Philpott and wife and Mrs. Mildred Smith, all of Cisco, visited Mrs. Speegle this week.

Rev. and Mrs. Al Loirey of South Carolina had lunch with Mrs. Ollie Burnam Sunday. Rev. Loirey was pastor at Putnam for several years and Mrs. Loirey taught in the Putnam school.

Burette Ramsey and Mrs. Veda Yarbrough attended a reunion of the Eubanks family at Abilene Saturday.

Jobie Jobe and Mrs. Clarice Sprawls of Fort Worth visited Mrs. R.B. Taylor Friday. Mrs. Sprawls has recovered nicely from a heart attack she suffered last spring.

Mrs. Edith Muzny spent several days at Dallas with her daughter.

Mrs. Naomi Heyser went to Dallas Thursday for a check with her eye doctor. He gave her a good report.

Mrs. Ollie Burnam is seeing better after eye surgery at Midland two weeks ago.

Mr. and Mrs. Buford Green of San Angelo spent several days with the home folks the Calvin Kings last week.

I.G. Mobley is in the hospital at Cisco. He is hoping to come home today. I.G. and Jewel have completed their move to Putnam from Baird. We are so glad to have them back home.

Billy Wagley is sponsoring a Christian Youth Group for the boys. They meet at the Community Center on Saturday evenings.

Judy Maxwell and LeAnn Taylor of Albany visited friends at Putnam Wednesday.

Visiting the Sid Weathermons recently were her brother, Mr. Hugh McLendon of Odessa and a cousin Mrs. Pete Landers of El Paso.

I just talked to the New Mexico folks. Ross and Mary Finley. They returned home yesterday from a ten day cruise to several of the Carribean islands. They report a wonderful time.

The Rev. Almer Smith of Sweetwater is the new pastor of the Putnam Baptist Church. Go out to church and meet him and his wife.

Letters to the Editor

Dear Editor:

I was wondering if your paper would help me find someone who knew Francis Elizabeth Covington. She was the wife of Riley Pinkney Covington. Their son, Reuben Baylor Covington, donated the land where the Long Branch Church and cemetery are today. My great-grandmother Elizabeth Covington is buried at Long Branch with lots of the family.

I am wanting to put a tombstone on her grave. I know she was born in 1835 but do not know when she died. If its any help her father was Wiley E. Jones.

If anyone has any information please write or call Mrs. Jim Eastham, Star Route 2, Lamesa, Texas 79331 or 806-872-8286.

Sincerely,
Mrs. Jim Eastham

Dear Editor:

The Junior League of Abilene, Inc., is presenting "An Evening with Al Hirt" to Abilene and the Abilene area.

Reserved seat tickets are $10.00, $15.00 and $20.00 per ticket. They may be obtained from the Junior League Headquarters, 774 Butternut, or from booths which will be set up in most of the Abilene bank lobbies.

This concert will be the League's fund raising project for the current year. Proceeds from the show will go back into the community through Junior League projects in various areas of need in the community.

We most cordially invite all to attend this concert and spend an evening with Al Hirt, "The big man with the big band."

Sincerely,
Mrs. Don Bassett

Food Buying - Where To Start

COLLEGE STATION -- Doing the best job of food buying starts before you walk into the supermarket: it begins with inventory, meal planning and a "super shopping list."

That's how Marilyn Haggard, a foods and nutrition specialist, sums up food buying, and she also has a step-by-step technique for success.

Ms. Haggard is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

TAKE INVENTORY -- Take inventory of the food in your cabinets, refrigerator and freezer. This information helps you use food ads a bit later to plan meals on a weekly basis.

PLAN MEALS WEEKLY -- Plan meals on a weekly basis. Involve family members in the plans. They can help with menu selections and in assuring variety.

This "pre-planning" a week ahead helps you make use of seasonal best buys, specials and coupons -- and that saves money.

Planning menus on a weekly basis also helps cut down "impulse buying," and it answers the ever-present question, "What shall I fix for dinner?"

MAKE 'SUPER SHOPPING LIST' -- Once you've taken inventory and planned your meals, make a "super shopping list."

This starts with a "running" grocery list. It's a list you keep in a handy place in the kitchen so you can jot down food items on it during the week as supplies run low.

Near your list, keep coupons and food ads -- to keep the whole system efficient.

BUYING STEPS -- Before you go to the store, organize your coupons and group your shopping list by areas of the store. This helps eliminate time and added steps.

Eat before shopping -- you'll probably do less impulse buying if you aren't hungry.

Follow your shopping list, but be flexible -- so you can take advantage of unadvertised specials.

Buddy Temple is a Texas Businessman who, at 38, has been operating his own company for almost 20 years. Buddy Temple's business experience has equipped him with the management tools so needed in government today.

A former 4 term member of the Texas House of Representatives, Buddy Temple worked diligently for sound fiscal management of state government, equitable funding of our public schools and sponsored the 1977 Highway bill that insured upkeep of our state's vital transportation system. Letter on Windfall Profit Tax

Mr. Alvin Kincaid of Route 3 Cisco, recently wrote President Carter asking for relief from the Windfall profit tax, and received the following letter from the Department of Treasury:

"Dear Mr. Kincaid:

"I am following up on my earlier reply to your letter on the Windfall Profits Tax as it affects small royalty owners to advise you of further developments.

"While it was never the intent of the Administration or the Congress to create an inequitable situation for people with small incomes who are dependent on royalty payments, it has become clear that the combination of earlier policies and the Windfall Profits Tax has had that effect.

"Considering this and other factors – particularly that most of these royalty owners are not the beneficiaries of large windfalls from the decontrol of crude oil prices – the Carter Administration supports adjustment in the Windfall Profits Tax and relief for small royalty owners by way of a tax credit.

"The Administration will work for an equitable change in the Windfall Profits Tax when Congress reconvenes in November.

Sincerely,
Joseph Laitin

No Taxation Without Representation.

Texas' rural counties are in danger of being gerrymandered and combined with urban areas to the point that rural Texans face the possibility of being virtually without representation in either Washington or Austin. Redistricting will be the single most important issue facing the next session of the legislature. Bob Glasgow knows that rural Texans carry the burden of supporting state government. He will fight to keep a single one of our rural counties from losing its representation by being swallowed up in an urban district. Bob Glasgow believes that those who pay the taxes deserve representation.

Texas Tribute to Stephen F. Austin

"A Tribute to Stephen F. Austin" will be celebrated in hundreds of Texas communities during the week of November 1-8.

Local citizens are participating in Texas flag-raisings, speaking at civic clubs and presenting original posters featuring Austin. County Judges and Mayors are issuing commemorative proclamations.

Governor William P. Clements has officially set aside the week for all Texans to rededicate and reaffirm their faith in the principals of self-reliance and responsible citizenship as exemplified by Stephen F. Austin.

Austin is known as the "Father of Texas" for his outstanding contributions in business, law and government. He established Texas' first Anglo-American colony 159 years ago and acted as emissary to both the United States and Mexico.

"Stephen F. Austin" celebrations are the first in a series of ten Texas Patriotic Days to be observed throughout the year. These significant dates will remind Texans of their rich heritage of independence, freedom of economic opportunity and individualism.

November 3 is Austin's birthday and ceremonies in Austin and San Felipe will commemorate the occasion. George Strake, Texas Secretary of State will place a wreath on his grave 9 a.m. in the State Cemetary, Austin. Also invited to attend are former Texas Secretaries of State to honor Austin's legacy as the Republic's Secretary of State.

The Stephen F. Austin Park in San Felipe will be the site of the official state "Father of Texas Day Observance" with 1 p.m. ceremonies.

This tribute is sponsored by the Texas Heritage Project, a joint endeavor of the Texas Historical Foundation and the state agency, Texas Historical Commission. Activities in Eastland County are being organized by Roy Cartee and Katherine Worthy, Cochairmen Texas Heritage Project and Scott Bailey, County Historical Commission Chairman.

People Things

SUNDAY WAS a nice day for Mr. Homer F. Claborn, retired stock farmer, for his three sons were in town for a family get-together. They all went to church and then out to eat lunch together.

After lunch, son Bill Claborn wanted to take Mr. HFC and his other two sons, Jack of San Antonio and Danny of Cisco, over to Eastland to see Bill's new work shop. Returning home, Danny wanted to get some papers notarized so they called Mrs. John McGuire to meet them at United Savings so she could preside at the signing and the others could witness.

When they went into United Savings via the back door, a hundred or so friends and relatives were there and began singing the Happy Birthday song. It was Mr. HFC's 80th and it was a nice one. They cut a pretty cake and served it to one and all. His sons and their wives were hosts and hostesses.

Mr. HFC, you know, lives just beyond IH-20 after you go under the highway just east of Avenue N. He was born and raised in the Okra community and lived at Lubbock for a good many years, moving to Cisco in the early 1950s. His late wife, the former Mary Jane Burns, was also a native of Okra. He has eight grandchildren and three great GCs, and all but one granddaughter and her baby were here.

You'll want to join us in wishing him many more happy birthdays.

LAST FRIDAY night's Lobo football game was just one of the highlight's of the evening's program. The first event was real good. It was the appearance of 15 or 20 little girls (8 to 11 years old) in a twirling show. They're students of Miss Andrea Coleman, CHS band twirling graduate, who has been teaching them for some time.

At halftime, Director Wayne White's Lobo band staged a fine show and the band programs included the initial outing of Mr. White's sixth grade band students and his junior high band. The sixth graders, some 30 or more strong, played a number that featured a drum solo by Stephanie Clinton, daughter of the Rev. John Clintons . . . The Rev. Buddy Sipe was the announcer for the half-time band show, which was applauded by a very nice crowd.

Climaxing the half-time was the presentation of the 1980 band sweetheart, which is reported elsewhere in The Press . . . Tracy Owens, son of the George Owenses, is the band president and he presented a bouquet to the new sweetheart, Patti Gorr . . . Why wasn't Tracy, a Lobo regular, in uniform? He suffered a broken collar bone in the game at Early recently and doctors told him he couldn't play again unless the Loboes win district and get in the playoffs . . . Tracy's mother, Pat Owens, suffered a broken collar bone when she was in high school over at Anson 20 or so years ago.

GROSS INCOME from the Sept. 27th Lions Bowl football game between Cisco and Ranger junior colleges at Breckenridge was some $9,500, reports Boss Lion Eddie McMillan. After they pay each college the sum of $1,000 and all of the game expenses, the Lions Clubs of Cisco, Ranger, Breckenridge and Carbon will divide the profits, based on their individual program ad sales . . . Kenneth and Charlotte (Preston) Hawari, UofT Austin students, spent the weekend with home folks and enjoyed the Cisco-DeLeon football game.

DEER, TURKEY and quail seasons are the same this year – Nov. 15th until the end of the year. Dove season, which ends Oct. 31st, was over some time ago, reports local hunters. They haven't been able to find any lately . . . B.A. Butler, the retired editor and long-time Rotarian, is the author of those nice Cisco Rotary Club stories that you've been seeing in The Press lately . . . In reporting on a bake sale the other day, we should have said that is was held by the Cisco Service Club (not the civic league). Mrs. Debbie Whitley is president of the CSC, which is a fine organization of busy civic workers.

MR. PAUL Ivie, who has lived out on the Breckenridge highway since he took early retirement from Exxon Oil some time ago, does free lance writing and has had items published in The Texas Fisherman. (He gave his copy of the Lake Cisco article from that monthly magazine to the CofC offices). He was born and raised here . . . The Paul Brashears of Austin spent last weekend at Scranton with her parents, the P.M. Rays . . . The Carlton Holders visited relatives out Odessa way last weekend.

THE W.E. (Dizzy) Deans entertained their grandson, Steve Bailey, here last weekend. Steve lives at Lubbock where he is enrolled in college . . . It's good to see Mr. Roy Dennis of Quickway back on the job. He spent several days in the hospital recently and more days convalescing at home . . . The First Christian Church ladies have a lot of nice things that will be on sale Friday and Saturday at their annual bazaar at the church. You'll want to attend . . . Volunteer workers of the Graham Memorial Hospital Auxiliary have put in a total of 14,035 hours working out there since they were organized.

THE CJC football Wranglers must have used the same game plan at Roswell against NMMI as they did the week before at Denton against the NTSU JV. The scores of the two games were identical – 10-3 Cisco wins . . . The E.L. Jacksons got home Sunday night after visiting a few days up in the Oklahoma country . . . Hubert Kennedy, retired military, got home Monday after a couple of weeks or so in the Dyess AF-Base Hospital. He's doing nicely, reports his sister, Mrs. Thelma Bosworth . . . Temperatures hovered around 40 degrees early Tuesday and were due to drop a little lower early Wednesday as the fall season's coldest wave blew in Monday . . . Guess you'll go over to Abilene Saturday to see President Carter come in at the airport for a bit of political visiting.

Notes From A Librarian's Desk

by Josephine Cleveland

Cisco Independent School District is a member of Region 14 Education Service Center located in Abilene. The center is part of a network of 20 service centers in Texas. Being a member is an economical method of enabling our school system to provide quality education to our students.

The ESC Newsline, Region 14, gives some interesting facts concerning the services it provides school. Services available to school districts include educational information and materials, professional growth activities and technical assistance.

Regional services were begun in 1965 when the Legislature authorized the State Board of Education to set up media centers in all sections of the state by September 1967.

Initial funding came from federal funds. Later the Legislature broadened the scope of services to allow combining state, local and federal funds to serve all Texas schools. Funding comes from all these sources.

Cisco schools takes advantages of the four divisions of services: school services, special education, instructional support services and data processing services.

In 1967 the Cisco Junior and Senior High School librarian was assigned to coordinate the instructional support service throughout the school system. This includes sending orders teachers request for such teaching aids as 16 mm films, transparencies, cassettes, filmstrips, teaching kits and laminating teaching materials. In most cases materials may be borrowed from the Region 14 Service Center for one week. Each week materials borrowed are returned to the library and a special truck furnished by the Service Center picks up the materials and in turn delivers materials requested for the next week. Three hundred and seventy-eight audio-visual materials were sent to our school by the Center during the first six weeks of this school year.

Instructors check out the equipment from the librarian. Our school system has 16 mm movie projectors, overhead projectors, cassette players, phonographs, filmstrip/cassette combination players, and carosuls available for teacher's use.

Eddie Santos, a second year library staff member, has proven to be most dependable and capable in assisting, to keep records of A/V materials sent from the Abilene Service Center. Tommy Richardson, a fourth year staff member, assists in filling requests of the teachers for the A/V equipment. First year eighth grade staff members who are now being taught skills necessary for assisting in handling A/V materials are Leo Boyd, Monte Sitton, B.J. Brown and Annette Clark.

The library display poster this month was made by Monte Sitton. She drew a horse and surrounded the drawing with book jackets of titles students might find of interest. Monte chose the caption for the display, "Straight From the Horses Mouth, Read."

"I shall make electric light so cheap that only the rich will be able to burn candles"

That's what Thomas Edison promised over 100 years ago.

And he did it!

For the same amount of light produced by ten 100-watt bulbs during their average lifetime, you'd have to buy $59,937.50 worth of 35¢ candles. (That's a conservative estimate supplied by a reputable bulb manufacturer.)

Yes, electric lighting has come a long way, since Edison invented the incandescent bulb. And through most of those years the price of electricity has gone down steadily. Even now, when inflation is forcing power companies to increase their rates, electricity is still America's best bargain.
