County Vote Light in Constitutional Election

THE RETURNS INDICATE FIVE MEASURES PASS

County voters polled a total of 130 votes in the State Constitutional election Monday. Only 130 votes were cast in 11 of the 12 counties. The voters of the proposed amendments in this county unofficially indicate that the county has not a vote in the election returns, will not be existing margins unless a vote is recorded.

County's election cost appears between \$3 and \$4

County's election cost appears between \$3 and \$4. Election supplies and officials salaries ordinarily cost the county about \$400 and 20 votes were cast.

Injured At Race Track

Jim Lee, 8, son of Mr. and Mrs. H. I. Hudson knocked down by horse celebration day

Jim Lee, 8, son of Mr. and Mrs. H. I. Hudson is recuperating from injuries received celebration day when struck by a horse at the race track. The youth was released from the local hospital Tuesday. Jim Lee, standing on the edge of the track, intent on leading horses, was struck by a horse approaching from the rear and thrown to the ground. No bones were broken but he was rendered unconscious.

CLOVIS TEAM POLO VICTORS

WIN GAME CELEBRATION DAY AFTER PERRYTON HAD RUN UP LEAD IN THE FIRST FIVE CHUKKERS

Clovis handed the polo fans plenty of thrills in a game played with the local polo team Monday, August 23. They overcame what seemed like certain defeat by scoring six times in the last chukker and defeated Perryton by one goal.

In the first half of the game Myrl Joel, captain of the Clovis team, made the first goal of the game when Perryton fumbled the ball in front of the goal posts. Perryton failed to score.

In the second chukker Hamilton Murphy got the ball under control and carried it in from center field with several good hits and tied the score. Clovis came right back on the return play with Myrl Joel and Monte Joel cooperating on hits making another goal.

In the first half of the third chukker Perryton made a good sendoff down into Clovis territory and broke away with Gilbert Bryan scoring. Hamilton Murphy and Curtis Roach also scored in almost rapid succession.

Clovis scored once in the third just before the half was over. It looked from the side lines that Perryton thought the half was over for the goal posts were unguarded. The half ended with the score being tied 4 and 4.

In the last half's opening chukker Mike Murphy ran a goal for Perryton with a clean side swipe despite the alertness of the opponents. Hamilton added to this when he made good a free shot allowed in a foul.

In the fifth Perryton ran the ball in from center field with each player contributing to the goal which was made by Mike Murphy.

Clovis who had fallen behind went wild in the last chukker and made 5 goals so fast that it appeared that they were running from one (continued on back page)

THANKS

School Board Change

Robert Lawrence Resigns School Board Post to Fill in on the School Bus Route

At a business meeting of the school board Wednesday night, August 18, Robert Lawrence resigned from the board of trustees of the Perryton Independent School District to take over the northwest school bus route. They had been unable to get a qualified driver for this route.

Lawrence had been appointed to fill a vacancy left by the resignation of A. R. Hochland about a year ago. He was re-elected along with J. H. Neufeld and Claud Crouch for a term of three years on April 3, 1937. Holdover members in that election with one or two years to serve were, A. J. Kelly, Ollie Morris, R. P. Garrison and Calvin Flowers.

Graduates at Denton

Miss Marianne Forbes Receives Bachelor of Science Degree at Denton TW Aug. 21

Denton—A Bachelor of Science degree was conferred upon Miss Marianne Forbes of Perryton Saturday, August 21, during the thirty-fifth graduation exercises at Texas State College for Women. Dr. L. H. Hubbard, president of the college, delivered the commencement address on "The Mark of an Educated Woman." Degrees were awarded to 300 students.

Miss Forbes, the daughter of Mr. and Mrs. W. H. Forbes, completed her work toward a degree this summer. With education as her major subject, she was also active in other departments.

C. E. Woods went to Wichita, Kans. Sunday and visited over night in the home of his son, Mr. and Mrs. Jerome Woods. Mrs. Woods, who has been staying in Wichita the past seven weeks accompanied him home. Dean McCutcheon went with Mr. Woods and visited with his parents.

Perryton Schools to Open School Year on Sept. 6th

The Perryton schools are scheduled to open on Monday, Sept. 6th. There will be a faculty meeting in the morning at 9:00 o'clock. During the afternoon of Monday students may register. Buses will run the first time on Tuesday, Sept. 7th. On Tuesday at 9:00 o'clock there will be a short opening exercise for all students and friends. After the opening exercises, students will continue registering for the day. Buses will return at 12:00 o'clock on Tuesday. Preference in registering will be given to bus riders so that they may be ready to leave at 12:00. On Wednesday, the session will be regular.

Students who are entering the Perryton High School (grades 8, 9, 10, 11) for the first time, or who did not attend the Perryton schools last year, should register the week before school opens. Such students must have a complete record of all work done in grades 8, 9, 10, 11 elsewhere before they can register. Students coming from 7th grade in another school to our 8th grade will need book card and report card only.

RANGERS TRAIN AT RATON CAMP

Sectional Champions Condition in Their Mountain Camp at Raton, New Mexico

Thirty-five candidates for the 1937 edition of the Ranger football team and Coach Otis E. one point margin to Panhandle out of the starting line-up. But Coach Burk, though not too optimistic over the chances for a championship team during the coming season, is grooming several of last year's of squadmen to fill up the gaps left by graduation in the front and back field.

Probably the hardest position to fill will be Clyde Jones, fullback and point-after-touchdown kicker de luxe. Burk is shoving big, husky B. A. "Speedy" Johnson out of his regular tackle position, and putting him into the fullback position. Johnson, one of the stalwarts of the '36 Ranger line leaves a big gap, and Burk is going to try Warran Cudd, another of the 210 pound class of tackles, into Johnson's tackle position.

Along with Jones, Granvill Lilly, one of Coach Burk's ground gainers last year will be lost. Lilly was positioned (Continued on back page)

Burl Teague Buys Records With Other Office Equipment From Marshall Hinds

In a business transaction August 19, Burl Teague purchased the Perryton Credit Association from Marshall Hinds. Mr. Hinds had been in charge of the business for the last 6 months having purchased it from Vance Apple. He expects to leave for Fort Worth in the near future where he is planning on entering school.

Mr. Teague will assume management of the Association at once and expects to render as good service as in the past. He is a local youth having resided in Perryton all his life.

SUNRAY BEATS PERRYTON TEAM

CELEBRATION BASEBALL GAME PROVIDES MANY THRILLS FOR HUNDREDS OF SPECTATORS

In one of the most exciting and thrill packed baseball games of Perryton's season they were defeated by Sunray at Flower's field before a crowd of hundreds by a score of 12 to 11, August 23.

In the first inning Sunray came up with Munsey singling to right field, Dollar sacrificing to second and Greer doubling to center field and scoring Munsey. Hale singled to center field scoring Green with Bodine getting on with an error against Teeters scoring Hale.

In their half Perryton was off with Tom Riley singling to center. Hyron made first with an error on Bodine with Hergert singling to left field scoring L. Riley. Teeters doubled to left field scoring Byron and Hergert. Hank Richardson made base on balls. Bill Richardson fouled to third. Muir was hit by the ball advancing Hank to second. Corner then singled to right field scoring Hank Richardson.

In the sixth Sunray came to bat with Hale singling to left field, Bodine flying out at right field and Frances making a home run over right field also scoring Hale. Wilkerson struck out at first and Evans got on with an error against Muir. Hadley hit a fly which rolled under the cars and before it was retrieved by Hergert, Hadley and Evans both scored for Sunray. Munsey retired the side.

Perryton after getting off to a bad start with Muir and Conner making outs succeeded in making two scores in their half with Young walking and being brought in by a single by L. Riley who was brought in by Byron and Hergert.

In the seventh Dollar singled through short stop and was brought (Continued on back page)

CHAMBER OF COMMERCE PRESENTS A FULL DAY'S COURSE OF EVENTS AT CELEBRATION

Record Crowds Attend Perryton's 18th Birthday Party With Every Town in the Panhandle Probably Being Represented

AMARILLO SENDS BIG DELEGATION

One of the largest crowds in the history of Perryton thronged business streets, Monday, and attended the many events held in celebration of Perryton's eighteenth birthday anniversary. New Mexico, Oklahoma, Colorado and various sections of the Panhandle were represented with large delegations coming from Amarillo, Pampa, Borger, Spearman, Higgins, Hardesty and other plains cities. The former delegation numbered more than fifty cars and was accompanied by the Woodman Circle drum corps.

Reduces Feed Rate

The Northwest Panhandle Feeders Association Brings About Freight Reduction

The Northwest Panhandle Feeders Association of Canadian who have been working for a reduction of rates on feed for livestock in Lipscomb, Ochiltree, Hemphill, Roberts and Wheeler counties, announce success. A reduction has long been needed due to the severe drought in these sections.

C. A. Studer, president of the association received a telegram August 24 from C. V. Terrell, Chairman of the Railroad Commission of Texas which read as follows:

"Commission today ordering re-establishing (previously in effect to June 30th) reduced livestock rates on feed in Lipscomb, Hemphill, Roberts, Ochiltree and Wheeler counties, effective August 30."

EASTERN STAR TO HAVE PICNIC WITH PROGRAM

The Order of Eastern Stars and Masons and families will meet at the Masonic hall at 6:00 p. m. Tuesday with well filled baskets for a drive to State Park for a picnic and a program for Robert Morris whose memory they honor each year for his work in founding the Eastern Stars.

CARD OF THANKS

The American Legion wishes to thank the merchants of Perryton and all others who helped with their support and cooperation at the bingo tables on celebration day. Their appreciation also goes to Carl Ellis for the use of the American theatre front for this occasion.

Arnold's Hands Full

If Edward Arnold seems to have his hands full in the picture above from "Easy Living," in which he is co-starred with Jean Arthur, and which shows Tuesday and Wednesday, August 31 and September 1, at the Ellis Theatre, it's nothing to what he actually has to go through in the picture after bestowing a \$50,000 coat on a girl whom he doesn't know!

Riotous Comedy Soon

"Easy Living," the Gay Story of a Park Avenue Cinderella to be at Ellis Next Tuesday

Who's the guy who said something about pennies from heaven? It's dollars—fifty thousand of them—for beautiful Jean Arthur in the shape of a gorgeous sable coat in "Easy Living," the delightful comedy which opens at the Ellis Theatre Tuesday.

The coat came wafting out of heaven to her while she was riding to work on top of a bus and virtually took possession of her. It lost her job for her, won her a lavish suite in a fashionable hotel, led her into all kinds of difficulties, and wound up by winning her a husband—handsome Ray Milland.

It's all smart, gay and sophisticated fun of the type which made "Mr. Deeds Goes to Town" and "It Happened One Night" such delightful success. Written by Preston Sturges, and directed by Mitchell Leisen, "Easy Living" has a brilliant cast which includes Edward Arnold, Luis Alberni, Mary Nash and over a score of other noted players.

The story begins when Arnold, "the Bull of Broad Street," quarrels with his wife, Miss Nash, over the purchase of a coat, high in their penthouse home on Fifth Avenue. In a moment of rage he hurls the coat down into the street. It falls into Miss Arthur's lap, and from then on things begin to happen thick and fast, with repercussions on the Stock Exchange, the Police Department and an automal restaurant where Milland, Arnold's son who ran away from home to make good, is employed. Milland wins Miss Arthur after a whirlwind courtship of forty-eight hectic hours.

Merry Trio of Maskers

Joe Penner, Milton Berle and Parkyakarkus, the three comedy headliners of the widely heralded "New Faces of 1937," musical extravaganza, laugh heartily at masks of themselves which register the lowest depths of gloom. Their antics in the show are the very antithesis of grief and dolor. Harriet Hilliard, William Brady, Jerome Cowan and Thelma Leeds are other featured stars in the RKO Radio picture, which offers as well a score of specialty acts and numerous choruses. At Ellis Theatre Sunday and Monday, August 29-30.

SPECIAL SHOW IS SCHEDULED

NEW FACES OF 1937, A SHOW WITHIN A SHOW—HERE NEXT SUNDAY AND MONDAY AT ELLIS THEATRE

A revolving stage, taking the audience through a series of scenes depicting the origin of a dance, its development and final popular acclaim, is employed for the grand finale of "New Faces of 1937" showing at the Ellis Theatre Sunday and Monday.

Net uncommon to the stage, revolving sets are seldom used in motion pictures because of the wider use of the camera.

However, "New Faces of 1937" being a "show within a show," and a major part of its action, taking place on a theatre stage, RKO Radio cinema audiences the same effect theoretically enjoyed by a theatre audience.

In filming what promises to be the best dance sensation, "Peckin," director Sammy Lee began his men in a barnyard setting. Cooling his perch on their cote, two pigs at a trough, ducks waddle in a pond and chickens peck about the yard. A four-year-old trained Minnie rooster stands patiently in center stage and remains immobile like The Three Chocolateeers—Paul Dick Albert Gibson, and Evvan "Peckin"—do their original eccentric act, "Peckin."

As the dance progresses the stage dives and the three colored boys waddle through a door to enter an elaborate kitchen. As they don walking jackets, their "Peckin" motion is led up by the coons. Flipping at their chicken filled trays, they come to a night club setting as the stage revolves. In one corner is a band playing the tune "Peckin." Seated about black cel-

lophane covered tables are Negro folk flanked by ramps leading to the dance floor in a huge Genl.

Famed Bandit Film

Harold Bell Wright's "The Californian" is a Stirring Outdoor Drama

The character of the West's most famous bandit finds a remarkable parallel in Harold Bell Wright's "The Californian," stirring outdoor drama released by Twentieth Century-Fox, which shows at the Ellis Theatre, Saturday, August 28, with Ricardo Cortez in the starring role.

This fabled outlaw, the most daring and elusive renegade in the history of California, was the notorious Tiburcio Vasquez. Turning against the American invaders whose advent has despoiled the vast holdings of the prosperous Mexican landowners, he was for years the scourge of the offending forces of the law. Throughout the length of the new frontier he became known as the Robin Hood of the West, preying only on those who represented the new era introduced by the hated gringos.

In the Harold Bell Wright story, an exactly similar reason impels Ricardo Cortez to defy the law and to attempt to regain from crooked politicians the mining claims, ranches and livestock confiscated in lieu of exorbitant taxes. Establishing a camp in the mountains, he and his followers carry on a devastating campaign against the men who have brought the district to the verge of ruin. At the same time the outlaw carries on a whirlwind romance with Marjorie Weaver, soon as the daughter of a neighboring rancher.

Mr. and Mrs. Glenn Schrader had as their guests Sunday, Mr. and Mrs. R. W. Schrader and son, Billie, Mr. and Mrs. W. M. Schrader and Paul and Leon Schrader.

Outstanding Speaker

C. V. Terrell, Chairman of the Texas Railroad Commission to Speak at Canadian

Canadian, Aug. 24.—C. V. Terrell, chairman of the Railroad Commission of Texas, will be the outstanding speaker on the program here during the 50th birthday anniversary of Hemphill County, City of Canadian, and the arrival of the Santa Fe Railroad into this county, Sept. 16-17-18. He expects to be here for the program Friday, Sept. 17.

On that day, at 11 o'clock in the morning, a gigantic parade of floats representing neighboring towns and Hemphill County institutions will be held on the streets of Canadian. One of the features of the parade will be the miniature Santa Fe train which has been promised for the celebration.

A barbecue will be held following the parade. John Snyder of Amarillo, considered premier barbecue expert of the Panhandle, has been ob-

trained to prepare the luncheon for a crowd of not less than 2500 persons.

Mrs. Cora Lawrence returned Tuesday from a visit in Los Angeles, Calif.

Walter R. Allen, Amarillo, was in Perryton Monday to attend the birthday celebration, and visited with his mother, Mrs. S. J. Allen.

Mr. and Mrs. R. W. Shrader and son Billie of Springfield, Ill., have been guests of their brother, W. M. Schrader and family for the past week. They returned home Monday.

Marshall O'Dell and daughter Mrs. Lester Smith and Mr. Smith of Mindeman, Colo., came in Sunday to attend the celebration. They are guests this week in the home of Marshall's mother, Mrs. E. G. O'Dell and his brother, Tom O'Dell.

THURSDAY AND FRIDAY AUGUST 26-27

Paul Muni and Luise Rainer in—**"THE GOOD EARTH"**

See it now . . . the entertainment event the world has been anxiously awaiting! Pearl Buck's prize-winning novel . . . now an immortal picture! The year's finest stars . . . heading a mighty cast of thousands. Two crowded hours of never-to-be-forgotten dramatic thrills!—the thunder of the Revolution—the loves and hates, the spectacle and pageantry of the Orient! Scenes beyond your wildest dreams! Romance and drama torn from the heart of a people.

SATURDAY, AUGUST 28

Harold Bell Wright's—**"THE CALIFORNIAN"**

All the color and romance of the Western frontier of a century ago are an interesting part of this outdoor drama. Here are shown the picturesque haciendas of the great Mexican land owners, who live a life of ease and hospitality; the straggling towns of the period, with their roaring saloons and gambling halls; and a bandit camp in a rocky canyon hidden far up in the towering mountains.

SUNDAY AND MONDAY AUGUST 29-30

Stars of radio, stage and screen . . . stars of the high spots . . . the gay spots of the world . . . gathered for one big laugh and rhythm circus!

TUESDAY AND WEDNESDAY AUGUST 31—SEPT. 1

Jean Arthur and Edward Arnold in—**"EASY LIVING"**

From dimes to thousands in one delirious day! That's the experience of Jean. A gent throws a \$75,000 sable coat at her and tells her to keep it. Fired from her job and bounced out of her boarding-house without a dime, she's invited into a swell suite at the Ritz . . . has clothes, diamonds, cars handed to her on a silver platter. It doesn't make sense, but it's the gayest comedy of the year.

NEWS of the WEEK

NEW DEAL BILLS FAILED

Washington, D. C.—Contrary to general belief, few administrations of recent years had more bills denied by Congress than the present one. When Congress adjourned the following Administration bills had failed of passage: Food and Drug bill, plan to transfer air transportation to jurisdiction of Interstate Commerce Commission, Ship Safety bill, bill making CCC permanent Government agency, Anti-Lynching bill, farm legislation (except crop insurance), Child Labor legislation and Reorganization of Executive Departments.

NEW LABOR PARTY URGED

New York City.—Following the denunciation of the Democratic party as having failed in its promises to labor by John L. Lewis, CIO leader, the New York State Executive Committee of the Socialist party urged the creation of a national Farmer-Labor party to place labor legislation beyond the "sabotage" of party machines.

ROGERS MEMORIAL MUST WAIT

Washington, D. C.—Because it failed to specify the type of tribute contemplated, President Roosevelt vetoed the bill appropriating \$500,000 to erect a memorial at Claremore, Okla., to the late humorist Will Rogers. The President suggests that as Mr. Rogers was a lover of children the memorial take the form of some work for the living especially crippled children.

NORTH CHINA BATTLE RAGES

Tientsin, China.—With 60,000 men engaged the struggle between China and Japan for the domination of North China became more intense than ever, although after seven weeks of sporadic fighting no formal declaration of war has yet been made. Severe fighting still prevails around Shanghai, both on land and sea. British troops have replaced the regular police in the International Settlement, with a sharp drop in local disorders.

IDLENESS DECLINING

Washington, D. C.—At the end of July 5,000,000 persons were registered as seeking employment through the United States Employment Service, a decline of 27 per cent from last year's figure. At the same time private industry absorbed 76 per cent more workers than in July 1936. Employment registrations have declined steadily for ten consecutive months.

FIRE ALARM AROUSES MASCOT

Dover, N. J.—After remaining unconscious for a week, as a result of being run over by a careless motorist, Spot, Dalmatian mascot of the local fire department, was aroused from her coma by the sound of fire sirens in a passing parade. Still groggy, she tried to answer the call, and now the veterinarian says she will recover.

NEW YORK CLERKS AT \$30

New York City.—A study of local business concerns made by the Merchants Association reveals that the average weekly wages of New York clerks is \$30.89. The range ran from \$9.50 to \$475 for a chief clerk. Accountants averaged \$52.14, auditors \$51.91 and bookkeepers \$331.35. Financial houses paid the highest average salaries.

CHAPLAIN DISCOVERS MORAN

McAlester, Okla.—The Rev. A. R. Garrett, chaplain of the local penitentiary, believes that he has discovered one of the country's prize dumbbells. A new prisoner from LeFlore County couldn't name the President of the United States, the county from which he was committed and in which he had lived all his life, the name of the judge who sentenced him, nor the name of the Governor of the State.

ITALY LAUNCHES BIG SHIP

Genoa, Italy.—With the launching of the 35,000-ton battleship Littorio, Il Duce has added 70,000 tons of fighting craft to the Italian navy in a month. Her sister ship, the Vittorio Veneto, was launched at Trieste just a month ago. The new ships give Italy a total of six formidable battleships.

CHINESE HELP COMPATRIOTS

San Francisco, Calif.—Leaders of local Chinatown, a community of 17,000, estimate that patriotic Chinese have already contributed \$1,350,000 to China's defense fund, and that much more may be expected if General Chiang Kai-shek should ask for it. Thus far the Generalissimo of the Nanking Government has made no appeal to his countrymen overseas.

HUNT FOR FLIERS CONTINUES

Moscow, USSR.—Paint radio signals on the wave length of the missing Russian polar plane revived hope that Sigismund Levanevsky and his companions are safe somewhere in the Arctic wilds. Holding to the theory that their big plane crashed in Alaska, Sir Hubert Wilkins and Pilot Herbert Hollick-

Kenyon took off from Coppermine, Northwest Territory, with enough fuel to cruise 4,000 miles.

DAIRY CONGRESS OPENS

Berlin, Germany.—More than 3,000 delegates, representing 53 countries, are gathered here to judge the best butter in the world and other dairy products. Amid a mass of statistics prepared for the visitors, it was shown that there are 120,000,000 milch cows on earth, and that their products account for nearly 10 per cent of the industry of the world.

PUBLICITY CLAUSE REMAINS

Washington, D. C.—Although the house voted to repeal the law making public all corporation salaries in excess of \$15,000, the Senate failed to act upon it before adjournment. Also remaining in the income tax law is a provision placing all of the Government's data at the disposal of any State tax official upon requests of the governor of such State.

BOOTBLACK REWARDED

Philadelphia, Pa.—For 50 years, Frederick McOwen, president of the Cambria Mining & Manufacturing Company, had his shoes shined daily by Joseph Gonnelli. When the mining man's will was opened a provision therein left \$5,000 to the bootblack.

SEEK PALESTINE ACCORD

Jerusalem.—Not-Zionists, opposing a separate Jewish state, led by Felix M. Warburg, New York capitalist, profess to see a marked change in the attitude of Arab leaders, and believe that Jewish-Arabian accord can be brought about without resorting to the partition of Palestine, as proposed by the British Royal Commission.

FOREST FIRE FATAL

Uncle Jim Says

Title: "Some of my neighbors get about 40 days of extra grazing a year by fertilizing their permanent pastures."

Legend: The most commonly known deficiencies in Texas soils are phosphorus, humus, and nitrogen. R. R. Lancaster, pasture specialist of the Texas Extension Service, has pointed out that these deficiencies not only result in lowered yields of forage and an increase of undesirable grass in pastures but in a lowered mineral content in the grasses. Barnyard manure, at the rate of five to eight tons per acre, and usually applied in the fall, will give a good increase in the production of pasture plants, Lancaster says. Since manure is short of phosphorus, the nutrient needed in most pastures, it should be supplemented with superphosphate at the rate of about 200 pounds per acre.

Superphosphate alone may be the most profitable, because it costs less than other mineral fertilizers and encourages the growth of legumes, and through them supplies nitrogen for the grasses.

"A pasture fertilizer program for dairy pastures might be started by fertilizing one-fourth to one-half acre per cow," Lancaster said. "This area should be fenced off so that cattle can be confined in it during early spring before unfertilized portions of the pasture are ready for grazing. It will provide further grazing after other pastures on the farm have been grazed down."

MOISTURE HELD DURING SEASON

RAINFALL IS BELOW NORMAL OVER PANHANDLE GIVING CONSERVATION SERVICE AN ACID TEST

Amarillo, Texas.—The value of soil and moisture conservation practices in the Southern Great Plains area is becoming more and more evident as a deficiency in rainfall during the growing season continues to prevail, according to H. H. Fennell, regional conservator of the Soil Conservation Service in Region Six with headquarters in Amarillo.

Rain gauges maintained on Soil Conservation Service projects and camps in the High Plains region embracing the Panhandle of Texas and Oklahoma, eastern Colorado, southwest Kansas and eastern New Mexico show that precipitation thus far this year is considerably below normal.

Since January 1, only 9.55 inches of rainfall has been registered at Memphis, Texas, and 8.65 inches in the project area at Channing, Texas. The precipitation at Elbert, Colo., has been 7.79 inches.

However, observations over the region as a whole reveal that crops on fields where soil and moisture conservation practices have been used are withstanding the drought

and Leroy Devers returned home with them.

Mr. and Mrs. G. E. Lemon returned Monday from a motor trip to Weslaco and other points in southern Texas.

Mr. and Mrs. John Sell and Junior, Mr. and Mrs. Julius Sell and Dan Sell returned the last of the week from Chicago where they had been called by the illness and death of the mother of Mrs. John and Julius Sell.

and are in good condition, although needing moisture in most cases.

Crops where terracing, contour tillage and strip cropping are being used generally are much greener than those in nearby fields where moisture has not been conserved, the latter in many instances being withered by the hot winds.

Pasture and range lands also are presenting examples of the value of conservation practices. While the grass has turned brown on untreated grazing lands, vegetation still remains green and thick along the furrows in the treated pastures.

in on a single by Bodine. Francis singled to right field scoring Bodine. Bodine having made third on Francis' single scored while Francis was trying to steal second.

In the eighth Hadley made a home run for Sunray. Perryton rang up a score when Conner doubled and was brought in by a single by Young.

In the ninth Perryton tied the score with Bill Richardson getting on with fielder's choice and finally scoring when Riley batting for Conner singled to left field. Young walked and L. Riley made a single scoring T. Riley and running the game into extra innings.

In the eleventh Hadley made another home run for Sunray.

Perryton overcame this with Young getting on with a single and was brought in by L. Riley hitting through second base.

In the twelfth Sunray chalked up another home run when Francis made a beautiful hit through center field.

Perryton failed when Teeters, Bill Richardson and Guy Allen batting for Cayler made three outs in succession.

This was a fast game with Perryton's loss not reflecting on their ability as they played a good brand of baseball all through the game.

sibly the best broken field runner in this section last year, will leave another spot for the Ranger coach to fill. William Flowers or Clarence Lewis is expected to fill Lilly's half-back post.

In spite of the loss of two of his running backs, the Ranger backfield will have Captain Ray McWilliams playing quarterback and blocking back Edward Schroeder in the lineup.

In the line, the ends will cause the big worry. There are no lettermen to fill the terminal posts left vacant by the graduation of Lee Kent and Wamon Pittman. While the ends of the line will be filled with inexperienced men, the center who fills Fred Kuhn's vacated position, will play between two lettermen guards. Just who will fill the hole left by the big Kuhn's graduation is not known, but if pre-training reports are carried out Wayne Gyger, a 180 pounder, will fill the pivot post. Leland Horn and James Flowers, both lettermen and regulars on last year's club, will again fill the guard spots. Horn weighs 175 and Flowers 180 pounds.

But while Coach Burk is worrying about experience, there are about thirteen men who are hard to pick from that average 185 pounds. The backs will be rather small, but Johnson, with his 210 pounds will bear the brunt of the line-smashing attack found in the double and single

a vote of 107 for and 23 against in this county. The provision for aiding the needy blind, that has received the largest tabulated vote according to returns over the state, passed in this county by a vote of 107 for and 17 against.

Ochiltree County gave the proposed amendment to return district and county officers to the fee system a 10 vote margin, present unofficial returns reveal. The vote was 63 for and 53 against. This is the only proposed amendment that is not carrying by a favorable margin as indicated by the election bureau reports.

Unofficial county reports on the other amendments tabulated a vote as follows:

Bank Stock Liability--	For 82	against 37.
Tax Discount--	For 91	against 34
Harris County Road Plan--	For 82	against 24.

Most of the controversy centered around the election, was over the proposal to allow the Legislature to restore the fee system of remunerating district and county officials. The salary system replaced the fee system a few years ago. At the time of the passage of the salary system, counties of 20,000 population and over were placed under the salary system, and counties with a smaller population had optional privileges. At the present time, all counties may pay precinct officers with a salary.

The almost certain passage of the amendments, brought the statement from Gov. James V. Allred that, "There certainly will be a special session of the Texas Legislature," said in Amarillo that more money must be obtained, especially since the passage of the amendments for the needy children, "have received the indorsement of the voters."

wing-back systems.

Defensively the 1937 Rangers should be as good as the last year's team, but whether Johnson can come along as a plunger, and a half-back can be found with Lilly's speed and broken-field running ability might determine whether the 1937 Rangers will repeat last year's championship record and win the district.

goal post to the other as they changed ends after each goal. The score remained tied 8 to 8 until approximately one-half minute before the game was over Clovis ran deep into Perryton territory and succeeded in keeping the ball bouncing between them and made the decisive goal ending the game 9 to 8.

Defending the home laurels were Hamilton Murphy, captain, Mike Murphy, Gilbert Bryan, Curtis Roach and Bill Stark and Wilbur Anderson as alternate.

The Clovis lineup was composed of

Myri Joel, captain, A. D. Daughtry, Jake Gardener and Monte Joel. The score by chukkers follows:
Clovis 11
Perryton 03

In the game played Sunday Clovis had the edge on Perryton, beating them 9 to 2 in a rather one-sided affair. This was the first polo game ever to be played in Perryton and appears from the support given enjoyment received by the crowd Perryton will see many more games in the future.

There is a widely prevalent notion that indulgence in liquor is somehow a good thing, and that liquor, instead of being a social curse, may be in some ways of social value. One can already foresee the time when such notions will have their proper rebuke. The pendulum is bound to swing back toward better habits and better ways. Meanwhile, it is important that in churches and church schools, the constant teaching of the Bible should be continued, especially the full verdict of experience against the use of strong drink.

No better material for a lesson could be found than in these words drawn from four books of the Bible, from Leviticus, from Proverbs, from Isaiah, and from Romans.

Perhaps the most intense and striking of these pages is that quoted from the 28th chapter of Isaiah. The words are colorful with intensity: "Woe to the crown of pride of the drunkards of Ephraim. The crown of pride of the drunkards of Ephraim shall be trodden under foot."

We have the picture of those who are reeling with wine and staggering with strong drink; of the priest and the prophet alike cursed as they have come under its sway is not that true of it? Strong drink has destroyed the strong along with the weak; the high and mighty have been thrown down from their high place by indulging in it.

When will humanity learn from its own experience and from its great and wise teachers?

International Sunday School Lesson

Intemperance Condemned by God

The International Uniform Sunday School Lesson for Aug. 29.

Text: Leviticus 10:1-2, 8-11; Proverbs 31:4-5; Isaiah 28:18; Romans 14:21.

INTEMPERANCE, a problem of long-standing, is the thought behind today's lesson, and the ancient teachings concerning it are just as much true today as they have ever been. The familiar verse in Proverbs is rendered in the American Standard Revised version of the Bible: "Wine is a mocker, strong drink a brawler, and whosoever erreth thereby is not wis."

The teachings of the ancient world concerning intemperance are even more strongly enforced in our day because the more potent and dangerous distilled liquors were not known in the ancient world.

There is a discouraging aspect of this problem of intemperance when one realizes that for how many generations wise and good teachers have been battling against it, offering counsel concerning the wisdom of leaving the wine cup alone.

All the testimony of experience, past and present justifies the belief that nobody has ever suffered through total abstinence, while the experience of mankind, reaching its very climax in the life of today reveals how terrible have been the sufferings and loss because men have turned from sane and safe and healthy habits to indulgence in strong drink.

At present in our American life the tide has turned against temperance and temperance teaching. It is not too

I BRING YOU 2 WHOLE HOURS OF THE WORLDS FINEST ENTERTAINMENT

Yes... a penny's worth of electricity will bring you two whole hours of radio entertainment. And one cent spent electrically will also—

- percolate six cups of delicious coffee
- or toast eight slices of bread
- or vacuum clean two room-size rugs
- or provide four hours of electric refrigeration
- or bake two golden-brown waffles
- or operate an electric fan two and one-half hours
- or do a week's mixing, whipping and juice-extracting
- or light a 60-watt globe for two and one-half hours

There's no getting around it—the money you spend for electricity gives you more honest-to-goodness value—more comfort and convenience—than any other money you spend. There is scarcely a household task that electricity will not perform for pennies or fractions of pennies. And remember this—while other things have been going up the cost of electricity has been coming down. You get more electricity for your money now than ever before in history.
