Iran's Premier Shakes Up His Cabinet Today

TEHRAN, Iran, Sept. 18. (AP) — Prime Minister Mohammed Mossadegh was reported shaking up his cabinet today to strengthen his nationalist government against internal political opposition and economic pressure from Britain.

Finance Minister Mohammed Ali Varesti has resigned. He has been reported increasingly critical of Mossadegh's financial policies in the light of Iran's loss of oil revenues.

Varesti, who headed the Iranian delegation in the unsuccessful talks with Britain's representative, Richard Stokes, supported the nationalization by Iran of the Anglo-Iranian Oil Company holdings, but opposed Mossadegh's policy of getting tough with the British regardless of the economic consequences.

Mossadegh must fill the ministries of national economy, posts telegraphs and justice, all vacated by resignations.

Mossadegh had sent the ultimatum to Washington for delivery to Britain in hopes of getting the United States troubleshooter to enter the stalled negotiations again.

The ulimatum would expel the 300 British technicians left at the nationalized Abadan refinery of the Anglo-Iranian Oil Company (AIOC) if London does not decide in two weeks to reopen negotiations.

Fatemi also said Harriman's letter asked Mossadegh to modify the terms of his note and was not a complete rejection of the ultimatum idea. The note was not made public.

The deputy premier said the government cannot tolerate the shutdown of oil shipments from Abadan because of Iran's worsening economic situation.

No. 1 Simmons Recovers Oil In Ellenburger

American Republics Corp. No. 1-A Simmons and others, wilcat in Central East Scurry County, is preparing to run casing for a completion attempt in the Ellenburger.

The decision to run casing came after a drillstem test from 7,234-74 feet, when recovery was 1,550 feet of clean oil, 25 feet of oil and gas cut mud, and 200 feet of salt water in two hours.

Open flowing bottomhole pressure ranged from 285-595 pounds. Shutin pressure after 30 minutes was 620 pounds.

The fillup was at the rate of 10 barrels an hour. Chloride content of the water was 30,000 parts per million.

Electric logs were taken and operator ordered casing run to make production test.

Ellenburger was topped at 7,214 feet. Drillstem test in that formation from 7,124-34 feet recovered 20 feet of mud only.

The No. 1 Simmons and other is 660 feet from the northwest corner of section 99-2-H&TC survey, and two miles north of Camp Spring and four miles west of the Fisher-County line. It is six miles northeast of the Hermleigh - Ellenburger field.

NO. 1 McKNIGHT

Vickers Pertoleum Co. has completed its No. 1 McKnight as a small pumping discovery from the Pennslyvanian reef lime in Northeast Borden County. The well pumped 24 hours and made an initial production of 11 barrels of 38-gravity oil plus 24.8 barrels of water. Gas - oil ratio was 100-1.

Top of the pay was 7,720 feet, and total depth was 7,760 feet. Eight and 5/8-inch oil string was cemented at 7,760. Production is through perforations at 7,732-44 feet. These perforations have been treated with 500 gallons of acid.

The new well is 2,173 fet from the south and east lines of section 367-97-H&TC survey, and 13 miles east and slightly north of Gail.

It topped the Pennsylvanian lime reef at 7,560 feet according to unofficial sources. Elevation is 2,469 feet.

DRILLING REPORTS

The Bankline No. 1 Joe Parks, wildcat in Central West Scurry County, is drilling at 7,454 feet in lime and shale with traces of chert.

The Phillips No. 1 Clayton, wildcat in Southwest Kent County, is drilling at 4,480 feet in lime. It is located 1,890 feet from the south and 658 feet from the east lines of section 8-32-t4n-T&P.

Dana, Shay and Barker No. 1 McKnight, Kent County wildcat, is drilling at 2,485 feet.

In Kent County, the Cosden No. 1 Williams is drilling at 7,064 feet in shale and sand.

Also in Kent County, the Humble No. 1 McLaury is at a total depth of 7,035 fet in lime and is coring. On a drillstem test from 6,978-7,010 feet, tool was open 65 minutes, and recovery was 170 feet of very slightly oil and gas and water cut mud. Flowing pressure was 50 pounds and shutin pressure after 15 minutes was 475 pounds.

Sterling Parker In Serious Condition After Heart Attack

Sterling Parker, partner in the ownership and manager of Beadel's Rainbow Market, is seriously ill in the Sweetwater Hospital today following a heart attack in Sweetwater last night.

Parker was ill Sunday, and it is believed he suffered a slight heart attack then.

The family was in Sweetwater, their former home, at the time of the attack last night. Mrs. Parker said today she did not expect he would be able to return to Snyder for three or four more weeks.

Greek King Delays Premier's Appointment

ATHENS, Sept. 18. (AP) — King Paul's dislike for Field Marshal Alexander Papagos is delaying selection of a new premier for Greece

The Greek Rally Party of Papagos led in the popular vote in the general election, Sept. 8.

Reliable sources said the king is so strong in his opposition to the marshal that he does not even want to see him, much less nominate him as premier.

Mother's Cry Brings Law On Drug Peddler

DALLAS, Sept. 18. (AP) A mother's complaint that her young daughter was "going crazy" resulted Monday in sentencing of two elderly pharmacists for sale of barbiturates without proper labels.

Alexander Canales, Sr., 55, and Edmund L. Hall, 75, were unable to account for about 6,200 tablets of the drug sold by their West Dallas store this year.

Canales, fined $1,000 in federal court and asessed a six-month probated jail sentence, owned the store. Hall, an employe, was given a $500 fine and the same probated sentence. Both pleaded guilty.

Lester May, assistant United States district attorney, said the illegal traffic in drugs for teenagers is causing a serious problem in the West Dallas area.

W. F. Breaux, inspector for the Pure Food and Drug Administration, said, "we have cases of 10-year-old children who have complete knowledge of barbiturates which they say they obtain from peddlers."

May said the first complaint against the store was from a woman who said her daughter, 14, was "going crazy" from barbiturates she bought habitually from the West Dallas drug store.

UN Waits For Red Reaction

TOKYO, Sept. 18. (AP)—The United Nations Command waited today for the Communists to say when the Korean truce talks will be resumed.

Gen. Matthew B. Ridgway's headquarters made this pointedly clear in a release that spelled out what the Supreme Allied Commander said Monday in his message to the Red high command.

"There can be no resumption of the negotiations. . . until the Communists terminate the suspension of the armistice talks they declared on Aug. 23," the statement said.

The Allied Commander told the Chinese and North Koreans he was ready to send his liaison officers "to discuss conditions that will be mutually satisfactory for a resumption of the armistice talks."

But he reminded the Reds that they had broken off the meetings—because of alleged Allied violations of the Kaesong neutral zone — and it was up to them to repair the breach.

Warm Weather For Two Days

(By The Associated Press)

The warm weather that slipped into Texas Monday is due to continue today and Wednesday.

Temperatures will keep rising slightly for two days.

"Don't worry," a weather forecaster said, "it won't be anything like it was two weeks ago."

There may be another cool front by Thursday, the weather bureau said.

Temperatures Monday were mostly in the 80's. The high maximum Monday was 90 at Presidio. The low maximum was 77 at Palestine.

The low overnight temperature was 39 at Junction.

Skies were clear Monday. No rain was recorded in the state.

VISIT FROM A HERO

Nine-year-old Jerry Gustafson (left) is helped to a drink of water by Parker Stratt, 10, as he visits her at Doctors' Hospital in Coral Gables, Florida. Parker literally pulled the girl from the jaws of death when an alligator seized her by the arm as the two playing at the edge of a water-filled rockpit. The six-foot reptile lunged from the water to grasp the girl's arm. Parker freed her and pulled her from the water. Her arm was gashed from the wrist to the shoulder and several bones were broken.

Pact Nations Cut Debate On Admitting Greece And Turkey

OTTAWA, Sept. 18. (AP) — The Atlantic Council was reported to have decided today to suspend debate for 24 hours on the American proposal to admit Greece and Turkey to full membership in the North Atlantic Treaty Organization.

An official informant said Denmark requested the delay to obtainn instructions from Copenhagen government. Norway also had requested instructions.

Some sharp criticism of the American proposition ran through the morning debate, but indications were all governments — except for the two Scandinavian — would support the proposal on a vote. United States officials appeared wholly confident that in the end Denmark and Norway also would go along and the council would vote for their admission.

Britain, The Netherlands and France spoke in favor of the proposal. Today's speakers in the closed meeting were considerably more critical.

Despite criticism, it was understood that all the speakers except the Scandinavians expressed willingness to go along with the idea—or as some of the objectors have put it: Not to stand in the way of what the majority of the council wants.

U. S. Secretary of State Dean Acheson put the expected proposal formally before the council Monday night. It was promptly supported by British Foreign Secretary Herbert Morrison, Foreign Minister Robert Schuman of France and Netherlands Foreign Minister Dirk .U. Stikker.

The session adjourned with other members of the council still to be heard from today. But diplomats assumed the formal presentation of the proposal, plus the support given it by three of the foreign ministers, provided ample basis for requests for instructions by Lange and Kraft.

Favorable action by the council here would not be final. What was that the council should recommend to member governments that Greece and Turkey be admitted to membership. If all 12 members ratified, which would mean approval by the U. S. Senate and by parliaments in other countries, Greece and Turkey would then formally be invited to join.

Both counntries have long sought security guarantees from the Western powers, particularly the United States. There is no question about their joining if asked.

Explosion At Refinery Kills Twelve Men

WOOD RIVER, Ill., Sept. 18. (AP)—A terrific explosion rocked the big Shell Oil Co., refinery here Monday night killing 12 workmen.

About 20 persons were injured seriously.

The earth-shaking blast came as a special night crew was cleaning one of the refinery's large oil cracking units. It was there the explosion occurred.

As flames lashed out from the explosion enveloping workers, panic broke out.

"I saw men knocked to the ground," Willie Burchell, 47, of East Alton, Ill., a boilermaker's helper said. "They were screaming and begging for help running with their clothes afire."

Burchell was atop a pumphouse, 2 feet above the ground There were four or five explosions beneath him. Blocked by flames, he reached safety by sliding down an eight-inch pipe to the ground where flames licked at his legs as he leaped.

A flash fire following the explosion shot flames more than 5 feet into the air. It was quickly snuffed out by company firefighters, but the intense heat hung on keeping rescue workers from probing deep into the debris.

Cause of the explosion — the second major mishap at the refinery in less than a month — was not definitely determined. A company spokesman said a number of things may have caused it, including a pocket of gas or static electricity. A company official estimated damage might exceed $100,0.

Only last August 21 a fire created by lightning striking a gasoline storage tank caused $175,000 damage.

Normally 14 to 16 men are in the night crew, but approximately 40 men were in the area as members of a special cleaning unit at the time of the explosion.

Rio Grande In Flood Stages

BROWNSVILLE, Sept. 18. (AP)—The Rio Grande, usually low and lazy but now full of swirling muddy waters, moves onto valley lowlands in this area tomorrow.

The river, swelled by heavy rains, began slipping over its banks in upper Cameron County late Monday. Lowlands between the river's bank and river leves were expected to be under two to three feet of water.

Arthur Moore, engineer of the International Water Commission said most of the 50,000 acres to be doused is pasture from which cattle have been removed.

Cotton crops have been harvested and Moore said losses would be confined to vegetable seed beds.

Little flooding was occurring on the Mexican side of the river. Lowlands in Matamoros, across from Brownsville, protected by a levee close by, will remain dry as long as the levee holds, Moore said.

"We won't know until late Tuesday what to expect at Brownsville," he said Monday. Earlier estimates placed a crest of about one foot over bank levels at Brownsville.

The rest of the Rio Grande Valley was muddy. Health officials gave typhoid serum Monday at Weslaco, where flood waters crept into homes last Friday night and Saturday. Floodwaters had receded.

One-hundred miles north of the valley — Kingsville, hit also by a flood on Tranquitas Creek last week end — was still wet. The creek was spread over a wider residential area but the worst appeared past.

The creek was down nearly two feet Monday night, but some families were still living at the high school.

Ingram Closes Sage And Sand Restaurant

The Sage and Sand Restaurant, on East Highway just outside of the city, was closed last night by Herbert C. Ingram, who has been operating the cafe since May 15, 1950.

In a brief statement, Ingram said:

"While the Sage and Sand Restaurant business for the past several months showed a profit, for other reasons I decided to close the establishment."

Ingram said he had not decided as yet what his future plans would be.

Ingram purchased the restaurant from W. W. Brooks, who opened it on March 11, 1950. Ingram formerly resided at Lamesa.

Bloody Gains In Spots By Assaulting Allies

Fire Sweeps Home For Aged Burning 3 Persons To Death

COLESVILLE, Md., Sept. 18. (AP)—Flames raced through a home for the aged today and burned three persons to death, the owner of the home reported.

Firemen earlier had reported three bodies recovered and others visible in the burning structure 15 miles north of Washington.

Mrs. Jessie Proctor Jolliffe told a reporter by telephone only three of her patients had died in the flames.

She was sobbing and after giving that report hung up, sayng "I can't talk."

She was reached by telephone at "Mrs. Jolliffe's Home for the Aged —a two and one-half story frame building.

A. Forton Thomas, director of the Montgomery County Department of Inspection said there were 59 patients in the home at the time of the fire.

At least 10 persons were taken to the Washington sanitarium and a nurse said "some of them are in bad condition."

All available doctors and nurses in Montgomery County, Md., were called.

All volunteer fire departments in the county also were summoned to help fight the flames in the two and one half story frame building. Colesville is 15 miles north of Washington.

LIGHT VOTE AT NOON COUNT

At noon today 92 votes had been cast in the city election here.

The city - wide election is to decide whether a commission will be elected to draft a new charter for the city and also the election of 15 men to serve on that commission in case its formation is approved. For residents of Ward No. 3, Southeast Snyder a councilman is to be elected. J. Elmo Crowder and C. L. Williamson are the candidates.

The poll at the city hall will remain open until 7 o'clock tonight so all may vote.

Tidelands Bill MayBeDoomed This Session

WASHINGTON, Sept. 18. (AP)—The fight between the states and federal government for control of the oil-rich tidelands was to flare anew today in the Senate Interior Committee.

The matter was up for consideration at a closed session, although two other subjects were put ahead of it for study.

Prodded by recent House action on tidelands legislation, the Senators faced the choice of four propositions — with prospects not bright for positive action in any. They could:

Accept the House-passed bill to give the states clear title.

Vest the title with the federal government, as urged by President Truman.

Report favorably a resolution giving the states tentative control pending permanent settlement.

Approve a federal interim control bill.

Senator Long (D-La), advocate of state ownership, said he thought headway was being made toward a solution to the problem.

The Senator said it appeared unlikely the Senate would take final action on tidelands legislation this year if Congress adjourns by early October. He said a bill should be in a good position when the new session convenes in January.

Calls Friedman Top Red Brain

WASHINGTON, Sept. 18. (AP)—Mrs. Alice Widener, a New York writer, said today she considered Julian R. Friedman, former State Department employe, to be a Communist.

Mrs. Widener said Friedman was introduced to her as "one of the top brains of the Communist Party," and she added she was skeptical about a latter explanation that this description of Friedman was only "a practical joke."

The witness testified before the Senate Internal Security Subcommittee, which is investigating the Institute of Pacific Relations (IPR) as part of a search for subversive influences on United States policies in the Far East.

Friedman has been described in previous testimony as a one-time assistant to John Carter Vincent, former chief of the State Department's Far Eastern division. He also worked for the department in China.

Vincent has been a longtime target of Senator McCarthy (R-Wis) in McCarthy's Communism-in-government campaign.

Mrs. Widener said that Friedman himself, in a lengthy conversation with her, said he had done "good work for the Communist cause" as a State Department employe in China before someone got wise" to him.

Before today's hearing opened, Sen. McCarran (D-Nev) said "pressure is being brought to bear" to cut off funds for the subcommittee. He said he suspects such pressure stems from administration sources, including the State Department.

Service Clubs Change Meeting Places After Sage & Sand Closes

On account of the closing of the Sage and Sand Restaurant on East Highway, the Kiwanis Club will hold its luncheon meeting tomorrow at the Ranch House, it was announced today by H. W. Cargile, president.

The Rotary Club, which has also been holding its luncheon meetings at the Sage and Sand, will meet at the Ranch House starting Thursday, according to Malven Stevenson, president.

REDS' TROUBLE

HONG KONG, Sept. 18. (AP)—A Canton dispatch to the independent Wah Kiu Yat Po said today the Chinese Reds have sent two army battalions against a band of marauding guerrillas.

It said the guerrillas have cut the Canton-Swatow highway in two places 10 miles east of Canton.

GOP Split On Nomination Of Philip Jessup

WASHINGTON, Sept. 18. — A split was reported developing among Senate Republicans today over whether to fight against President Truman's nomination of Ambassador Philip C. Jessup as a United Nations delegate.

Senator Taft (R-Ohio) was reported to have told some of his colleagues he doubts that the Republicans could stop the confirmation of Jessup. It was said to be Taft's attitude there is little to be gained in a losing fight. Only a simple majority vote is needed to confirm.

However, Senator McCarthy (R-Wis), who has accused Jessup of having "an affinity for Communist causes," is expected to offer vigorous opposition to confirmation. Jessup has denied McCarthy's charges.

The Senate Republican Policy Committee, headed by Taft, postponed any action on the Jessup appointment until a Senate Foreign Relations Subcommittee holds hearings on the nomination and those of other U.N. appointees.

Taft was understood to have cautioned his colleagues against making the Jessup case a party matter. This would seem to indicate he doesn't see eye to eye with McCarthy on the question.

The Republicans indicated, however, they want to question all of the proposed U.N. representatives about their attitude toward Red China. Besides Jessup, those named as delegates include Warren R. Austin, Mrs. Franklin D. Roosevelt, Reps. Mansfield (D-Mont) and Vorys (R-Ohio). Six alternates were named.

Concert Drive Response Good

Leaders in the Snyder Concert Association membership drive were pleased today with the results of the first day's solicitation yesterday. About 125 memberships were signed up the first day, A. T. Nicholas, drive chairman, said this morning.

Tickets are on sale this week only, and cannot be bought at individual concerts or after the drive closes at the end of the week.

About 500 memberships are necessary to assure the tentative schedule of five concerts. If more memberships are sold other programs will be added according to the ability of the association to pay for them.

Adult season tickets are $6, and student memberships $3.

2 Killed In Accident

GRAND SALINE, Sept. 18. (AP—Cecil Malone, 51, and George Reynolds, 61, both of Grand Saline were killed Monday in a truck-car collision.

Reds Cannot Be Moved In Other Sector

By JOHN RANDOLPH

EIGHTH ARMY, Korea, Sept. 19. (AP)—An Allied armored force with infantry support launched a surprise attack on the dormant Western Front at dawn today. It was stopped by firmly dug-in Reds.

Troops and tank crews fought all day in the mud and a steady drizzle in their vain effort to gain a hill mass west of Chorwon. Chorwon is the southwestern point of the Reds' old Iron Triangle troop assembly area. The town is 18 miles north of Parallel 38.

The Reds held grimly to bunkers and trenches on the hill mass. Communist mortar and artillery fire, anti-tank guns and mines helped check the Allied thrust.

About 400 to 500 Red troops were dug in on the hills as the tank column surged up a road.

DOUGHFOOTS HIT SLOPES

Infantrymen hit the slopes from the south at the same time.

They reached a spot only a few yards from the crest of one hill but were forced back by enemy fire.

Pilots hurled fire bombs on the heights. Artillery and mortar fire was poured on the Communist foxholes.

Then the troops tried again. They had no better luck. The Chinese defenders rushed in replacements from nearby hilltop positions.

Elsewhere along the Western front, Allied patrols probed beyond the United Nations line with little enemy contact. A hill southwest of Chorwon was occupied against no opposition.

Sharp local clashes flared along the mountainous Eastern Korea warfront Tuesday.

Allied troops captured one peak with a five-mile view into enemy territory.

They won the commanding height after a savage three-hour hand-to-hand fight against bittrely resisting Reds.

In Central Korea United Nations forces swept nearly three miles Tuesday in the general area of the north-south Soyang River. Eighth Army sources did not pinpoint location of the peak.

The Allies, using bayonets and flamethrowers, have advanced 12 to 15 miles northward in two waves of tough hill fighting in eastern Korea.

The first limited offensive attack began in mid-August from an Allied line that then was 20 to 25 miles deep in North Korea. That drive carried four to seven miles in two weeks. It cost the Reds their Punchbowl assembly area.

The Allies halted for regrouping, then shoved off on a second limited offensive Sept. 9.

The continuing fresh drive has carried the Allies northward about eight miles in fighting that has matched in savagery anything yet seen in the Korean War.

A frontline officer in the Soyang River valley said "we are pretty sure we have knocked out about two North Korean divisions on this sector alone." His estimate covered only one section of the Eastern Front. Equally heavy fighting raged on several other sectors.

WEATHER

WEST TEXAS: Fair and mild tonight and Wednesday.

EAST TEXAS: Fair tonight and Wednesday. A little warmer Wednesday.

Coalition Of Republicans And Southern Democrats Doubtful

WASHINGTON, Sept. 18. (AP) — A move to link Southern Democrats with conservative Republicans got a cool reception today from some politicians.

The move, sponsored in large part by Senators Mundt (R-SD) and Brewster (R-Me), brought this comment from Senator Taft (R-Ohio), a potential GOP presidential candidate:

"I don't want to discourage it, but I doubt the practicability of the plan."

Mundt told a news conference Monday that none of about 100 persons who met here to evolve a bipartisan "committe to explore political realignment" publicly favored President Truman's reelection. He termed them backers of 'limited government."

Mundt said the majority of those who joined to form the new committee, headed by former Senator Edward R. Burke, Nebraska Democrat, were Southern Democrats.

Senator Benton (D-Conn), said, meanwhile, he won't be surprised if the President keeps everybody guessing about whether he'll run until after the Republican convention next July. The Democratic convention follows it.

Asked what would happen if the Republicans nominated Gen. Dwight D. Eisenhower rather than Taft, Benton said:

"I can well imagine there might be nominees other than Taft against whom the President would be less tempted to run."

Taft said today if he decides to run for President his name may be entered in the Wisconsin primary next April.

The GOP leader, leaving tomorrow on a swing through Minnesota and North Dakota, told a reporter he hasn't obtained enough information yet about prospective support to give workers the "go" signal for a drive for delegates.

Gov. Elect Hugh L. White predicted Monday his state of Mississippi would find any candidate nominated by the Democratic convention acceptable — except Mr. Truman.

However, White said he doesn't believe there will be any coalition between Southern Democrats and Republicans behind a single candidate. He said the South probably would turn toward a third party again, as it did in 1948, if Mr. Truman were the Democratic nominee.

GUM SHOES HOT ON SCENT

The three strollers above never go anywhere that someone doesn't follow them. The neighbors say the FBI is doing the surveillance job. The three, left to right, are Philip Frankfeld, former head of he Communist party in Maryland, His wife, Regina and Mrs. Dorthy Rose Blumberg. All are under indictment on Communist conspiracy charges. They took a walk in a Baltimore, Md., park and right behind them were two men. Bystanders remarked: "There goes the FBI".

TALK OF THE TOWN

By SUE HOLMES

Did you ever think we'd be wearing the food off the table, oil out of the ground and even materials made out of the elements?

Coal, air and water whipped into nylon has taken the shock out of new fabric contents, but have you heard of the materials composed of wood fibers? It's an Italian import and the suits made of it are as sharp looking as any of the worsteds.

Buttermilk is also put to use in today's fashion world, although we haven't seen the product.

Regardless of the innovations, Mrs. HERMAN DOAK exhibited a conservative taste in her wardrobe when she recently chose a classic gabardine in a rich burnt orange the color of autumn leaves. She'll wear it often when she takes the children to school and back, she says.

Calling all NEWCOMERS!

Any woman who is new in Snyder, whether she is affiliated with the Newcomers' Club or not, is invited to attend the club dessert bridge and canasta party at 1:30 o'clock Friday afternoon.

Reservations should be called in to Mrs. R. O. Downing, club president, at 823-W, or to Mrs. Prentis Bass, 1533-W, by Thursday noon.

Prospective members are welcome, Mrs. Bass emphasized.

* * *

Dreaming up an extra snug idea for the football games is WENCIE GARCIA, over at his drapery shop. He described his plans to make a weather - proof "spectator suit" built around a long zipper and made of some sort of warm upholstery fabric. We took him seriously until he said he'd fix the suit to zip up a high collar and over his head, completing the outfit with a plastic mask. If you perchance see someone resembling a man from Mars at the Snyder ball games, it could be Wencie zipped up in his sleeping bag concoction keeping the chill out.

* * *

Speaking of men from Mars, some wisecracker at the University of Texas insists that the planet's inhabitants be called "Martinis" instead of Martians.

* * *

Train conversations with strangers provided the subject of a movie this year, "Strangers on a Train," and train talk also caused a slight coolness between COMEZELL and his wife.

The Ezells went to Detroit recently to bring back a new Dodge, and on the train up they went to the observation car. Mrs. Ezell and another passenger started chatting, and as her husband tells it, they kept chatting at such a rate that he couldn't get a word in edgewise. So when the streamliner whistled into Springfield, Ill., the disgruntled husband leaned over to his wife's loquacious acquaintance and asked what station it was.

The woman stopped her conversation long enough to give Mr. Ezell the information he already possessed.

Determined to stop, or at least slow, the conversation, he turned to his wife and quipped innocently, "Oh, yes, honey, this is where I spent that two weeks in jail"... Sweet silence reigned, he reports.

* * *

Incidental information department—the Grand Canyon limited, the Santa Fe's half - streamliner which provides Snyder's only rail passenger connection with the outside world, is about to observe a golden anniversay. On Sept. 20, 50 years ago, the first Grand Canyon limited ran over Santa Fe tracks to the Northern Arizona scenic wonder. The train replaced stagecoaches which operated from Flagstaff and Anita Mines.

CONGRATULATIONS SENT N.Y. TIMES

NEW YORK, Sept. 18, (AP)—The New York Times, 100 years old today, received congratulations from President Truman.

The President — whose message was among many received from world, national and local leaders and groups — told Arthur Hays Sulzberger, president and publisher:

"I congratulate the Times particularly for consistently maintaining the highest journalistic standards."

PERSONALS

Mr. and Mrs. A. A. Phillips of the Humble Camp, attended the Humble Exploration party held in Midland Friday night.

Mr. and Mrs. G. V. Rogers, 104 Milburn, recently had as their guests, Mr. and Mrs. Floyd H. Loso and Mrs. James E. Keene and daughter, all of Ballinger.

Mr. and Mrs. L. R. Harring of Breckenridge visited last week in the home of Mr. and Mrs. John F. Rodgers, 220 Twenty - ninth Street. Mr. and Mrs. Rodgers had as their guests over the week end Mr. Rodgers's brother and wife, Mr. and Mrs. James O. Rodgers and family of Brownfield.

Mrs. Johnnie Hale, 703 Fifteenth Street, and Mrs. Raymond Powell and son, Johnnie, 705 Sixteenth Street, attended the football game in Monahans Friday night.

Mr. and Mrs. Ray Williams of Phoenix, Arz., left last Tuesday after spending two weeks in the home of Mrs. Williams's sister, Mr. and Mrs. Bill Roberson, 3201 Avenue J. Mrs. Bena Alsup, 3201 Avenue J, went home with the Williams and plans to spend the winter in Arizona with them.

Mr. and Mrs. Glendon Bynum and son, 1909 Fifteenth Street, Mrs. Zay Hudman, 1907 Fifteenth Street, and Mrs. A. A. Behringer spent the week end with relatives in Goldthwaite and Waco.

Mr. and Mrs. Edward Roof and Mr. and Mrs. Ted Walls, Carol and Larry of Cleburne spent the week end with Mr. and Mrs. Lynn Henderson, 3007 Avenue Y.

Mr. and Mrs. John McKinzie are newcomers from San Angelo and are living at Hill and Barby apartments. McKinzie is associated with William Cameron Co. They are members of the Church of Christ.

Mr. and Mrs. Charlie Welborn of Tulia, Tex., visited over the week end in the home of Mrs. Charlie Longbotham, Thirty-third Street, and with Mr. and Mrs. W. M. Womack, 605 Thirty - second Street.

Mr. and Mrs. J. C. Wilson, 2412 Twenty - first Street, and Mr. and Mrs. Burk Woolever and children, route No. 1, visited Sunday in the home of Mrs. Wilson's parents, Mr. and Mrs. S. M. Sooter of Lubbock.

Miss Kathryn Elliott, 2403 Avenue M, spent the week end in the home of her parents in Abilene and also attended the McMurry game Satruday night.

County Pays Office Cost To Surveyor

The county commissioners unanimously passed a motion by Doyle Parmer, seconded by Cullen Toombs, yesterday afternoon to allow M. R. Estes, county surveyor, an office in the courthouse. They also unanimously approved a motion by Parmer, second by Walter Grant, to reimburse him $405 of his office expense this year.

Last week, Estes presented the commissioners court with a bill for $50 a month as reimbursement for the time he has held, the office since the first of the year, but the court refused to allow the bill. He then requested the court allow him office space in the courthouse, but a motion was defeated.

PROVIDED BY LAW

Yesterday, Estes told the court that Article 5283 of the Revised Civil Statutes provided that a county surveyor was entitled to office space furnished by the county. He also said the law provided that he be reimbursed an amount deemed by the court to be reasonable for rent he had paid for space in which to carry on the county's business.

The court then agreed to allow him $45 a month for the nine months of this year that he will have used his private office for the county.

He told the court the rent on his office of three rooms was $75, but he said one of the rooms was used for his own business. He explained that he was obligated and bonded in the amount of $1,000 to protect the county's survey records but had no facilities for adequate protection.

GETS NO SALARY

He further said that he was allowed no salary for the job except filing fees which he stated had amounted only to $7.50 so far this year, "and it cost me $25 to announce for the office," he added.

The motion to allow him a courthouse office stated he was to have the office now occupied by the Farm Home Administration, a federal agency. The court agreed to notify the administrator, B. C. Drinkard, of the action and request vacancy of the office as soon as conveniently possible.

Drinkard Attends District Meeting

B. C. Drinkard, of Snyder, deputy district governor of District 2-T-2, Lions Club attended a quarterly cabinet meeting at Odessa Saturday.

At the meeting, the cabinet proposed a district - wide contest with clubs contesting for prizes in club attendance, securing new members, zone and cabinet meeting attendance, and secretary reports, according to Drinkard. A similar contest was held last year, he said.

Other deputy district governors are George W. Spence, Ysleta and Clyde F. Smith, Fort Stockton.

Frankie Cochran, district governor presided.

Mr. and Mrs. J. M. Glass, Sr., of the Roby highway had visiting with them over the week end their son, J. M. Glass, Jr., from the Carswell Air Base in Fort Worth.

ASK MILDRED

Mail or telephone your questions to Mildred Sparks, County Home Demonstration Agent, Courthouse, or to the Daily News.

Can pies be frozen successfully? V. L.

Yes, cream and chiffon pies are frozen after they are baked. If they are carefully wrapped they will be as delicate and fluffy as the day you make them. Use within four months for best results. Fruit pies such as apple, peach, cherry, blueberry, mince and rhubarb can be frozen baked or unbaked. Unbaked frozen pie should be used within two months. Baked pies within four months. Frozen foods should always be wrapped in moisture and vapor proof foil film or freezer paper.

* * *

I am going to make slip covers for my living room furniture. How much material will it take? W. C.

In order to determine the yardage you will require, measure all parts of the chair: inside and out; side back, inside and outside arm, seat, cushion skirt. Allow for pleats if desired, allow two inches for seams, two inches for hem in skirt and about three inches for tuck-ins at back and sides of seat where arms join chair. Sofa is measured the same way as the chair.

* * *

Is it wiser to buy furniture piece by piece to furnish a home or to buy the whole houseful at one time? M.G.

No matter which method you plan to use, buying all your basic furniture or buying piece at a time, it can be done wisely, Bernice Claytor, Specialist in Home Managment, Texas Extension Service give the following suggestions: "Plan ahead, even though you buy only piece at a time. Be sure the furniture will fit the floor space so take along with you the complete measurements of floor and wall space in the room. You will be more apt to buy the right piece of furniture if you buy when you need it and not because it is a bargain. Examine the construction and see what materials are used and how the piece of furniture is made.

* * *

Could you give me recipe for a stuffing that would be good with dove? M.C.D.

Here is one that is very good.

Roast Dove with Wild Rice Dressing

Dress and clean - 6 wild doves
Cook until tender
¼ cup diced green pepper
¼ cup chopped onion in
4 tablespoons butter or margarine
Add
2 cups cooked wild or brown rice
cup chopped olives
½ cup canned mushrooms
Paprika

Mix well. Add additional butter or margarine if necessary to make mixture moist. Stuff the doves with this mixture. Place in an uncovered roasting pan and roast in moderate oven (350. F.) 1 hour, basting frequently with a mixture of 2 tablespoons butter or margarine and ½ cup hot water.

Fresh Grape Tarts* — Beverage
(Recipe for Starred Dish Follows)

FRESH GRAPE TARTS

INGREDIENTS: 1¼ quarts Concord grapes (measured after grapes have been taken off bunch), ½ cup water, ½ cup sugar, 4½ tablespoons cornstarch, dash of salt, 2 tablespoons strained lemon juice, 2 teaspoons butter or margarine, 6 baked tart shells, whipped cream.

METHOD: Wash and drain measured grapes; put in saucepan and crush with fork. Add water and simmer until very soft—about 15 minutes. Press through sieve. Mix thoroughly sugar, cornstarch, and salt in a bowl; add sieved grapes gradually, stirring to blend, and clear. Remove from heat and stir in lemon juice and butter or Return to saucepan and cook, stirring constantly, until thickened margarine; cool slightly. Pour into tart shells. Cool. Top with whipped cream before serving.

Three Men Taken From Here to Penitentiary

Three men who were awaiting transfer to the state penitentiary at Huntsville, were taken there last night by Lloyd Merritt, sheriff.

Charles Gardner, 18, who entered a plea of guilty to robbery by assault in the case of Elmer Sikes last spring, was sentenced to five years. He was one of the five prisoners who escaped from the county jail last March. He was recaptured at Ford Ord, Calif.

Walter C. Brown, 56, convicted of assault to murder A. D. Lewis, 60, was sentenced for one year in state prison.

Alfred J. Foshee, who also entered a plea of guilty to passing a forged instrument, was assessed two years.

SEAT COVERS A SPECIALTY

Seat covers and protective upholstery have just been installed in this new automobile by Howard's Trim & Upholsery Shop. In addition to protecting the original upholstery of the car, the materials are attractive and give the car a personal touch. Such jobs can be turned out by the firm in about four hours. Howard's Trim & Upholstery Shop is located three miles north of the square on the Clairemont road. (Lee Watson photograph.)

garettes and matches are what e most fire damage to car seat rs, and this new material will stand burning from them, he

ATTRACTIVE PATTERNS

e material actually looks like other fiber seat cover ma- ls and comes in a wide range ttractive patterns. The strands er are dipped in a fire-proof- olution before being woven in- e finished fabric.

th this new fabric, Howard's & Upholstery Shop has a selection of attractive trim rials to complete the seat cov- o suit the taste of the most riminating car owners.

complete set of custom made covers can be made by the to fit any car and instaled bout four and one half hours. ring April the firm outfitted ars with new custom- made covers.

hat's about our average month Howard said, "So we can st always give one - day ser- on an order."

cause each seat cover made e firm is cut individually for particular car seat, they fit ctly and do not have the wrin- and bulges found in most produced seat covers.

NYLON STITCHING

seams are sewn with nylon d and are guaranteed to last g as the covers, Howard said pairs to worn seats are also by the firm. They have a lete assortment of coil and zig-zag spring elements for replacing broken ones when necessary.

Another item that will add to the durability and comfort of your car seat is foam rubber pads the firm can install underneath the seat covers when you get a new set.

A big part of the shop's time lately has been used in putting protective plastic covers over door panels of new cars. The materials protect the original upholstery, and give the interior of a new car an "individual touch" that fits the owners taste.

Free Pickup, Delivery At Trevey Station

Free pickup and delivery service is offered to all car owners for wash and grease jobs by the S. W. Trevey Magnolia Service Station, 711 Twenty - sixth Street.

"You can go to work downtown, park your car, and call us to pick it up," "That's all you have to do—we do the rest," Trevey said.

"Or if you would rather come by the station on the way to work we will take you to your job; bring the car back and service it then deliver it to you before lunch," Trevey said.

There is no added cost for this service.

The station, a Magnolia retailer, uses and sells only the best lubricants and fuels in servicing customer cars.

"Our experienced attendants always take care in lubricating, because they realize that good lubrication is the life of any machine," Trevey said.

"If a grease fitting is stuck, we replace it with a new one and see that the joint or car part is properly greased before going on to the next fitting," Trevey said.

Factory lubrication charts are followed in lubricating all cars so that no hidden grease fittings are missed.

Washing is just as important to the life and looks of your car as greasing is to its mechanical operation, Trevey said.

Road film, dirt and sand will grind away the luster from your car's paint in a short while if it is not kept clean, he added.

Another important part of car washing at Trevey's is cleaning underneath the body and fenders.

When a car is washed by Trevey's service attendants, it is just as clean underneath as on the outside, so that dirt there can not cause rust and decay of the metal from the hidden side.

Bill To Raise Wages On Government Jobs Passes Senate Easily

WASHINGTON, Sept. 18. (AP)—The Senate passed by voice vote and sent to the House Monday a bill to raise the pay of one million government workers 10 per cent up to a maximum of $800 a year. It would date back to July 1 and would cost the government some $340 million a year.

A pay raise of $400 a year for federal employes has been recommended by a house committee but the House has not acted on it. It may later this week.

The Senate Civil Service Committee had proposed an 8.4 per cent pay increase in the bill it submitted to the Senate but Senator Monroney (D-Okla) won approval of an amendment raising this to 10 per cent.

Last week, the Senate also voted to give some 500,000 postal workers a pay boost of $400 to $800 a year.

Mr. and Mrs. Rusty Davis and son, Randy of Amarillo visited last week in the home of Mrs. Davis's parents, Mr and Mrs. A. L. Martin, 1001 Avenue E.

Six Plead Innocent To Liquor Charges, Bonds Are Set at $1,000 Each

When arraigned in county court yesterday, six persons were placed under $1,000 bonds each when they entered pleas of innocent to charges of violation of the state liquor law.

Two others entered pleas of guilty to driving while intoxicated and for possession of liquor.

John W. Phelps, 39, L. L. Hamilton, 34, W. D. Lawhon, 35, W. H. Morehead and Jack D. Phelps, 38, who gave their addresses as Aline's Place on the Post highway and were charged with possession of liquor and beer, told the court that they were not guilty, and bond for each was set at $1,000. The five were arrested by Lloyd Merritt, sheriff, and O. O. Dever, deputy.

Oscar E. Sebesta, 26, of Guy, Tex., charged with transporting whisky, also said he was innocent and his bond was placed at $1,000 by the court.

D. M. Moralez, 46, charged with possession of a small quantity of whisky and wine, entered a plea of guilty, and was fined $200 plus $23.50 costs.

Clarence E. Lewis, 39, Post highway, charged with driving while intoxicated, was fined $75 plus $23.50 costs on his plea of guilty: Zimry Vaught, 36, Snyder, also charged with driving while intoxicated, said he was innocent and Judge Patterson set his bond at $250.

Caytana Frausco, 54, Midway, told the court that he was guilty of driving while intoxicated and was given a $75 fine plus $23.50 costs.

PERMIAN OIL NEWS

Wildcats Are Failures In Six Counties

Wildcats in six West Texas Counties have been plugged and abandoned.

Sid Katz of San Antonio No. 1 Elsie P. Felthouse, Southeast Sutton County wildcat, has been abandoned at 4,355 feet in lime.

Location was 660 feet from south and 2,160 feet from east lines of section 67, block 3, SPRR survey and 30 miles southeast of Sonora.

A wildcat failure in Central-East Runnels County is Richard King, Jr., of San Angelo No. 1 Noel Hale. It was drilled to 3,563 feet without finding any commercial oil or gas shows.

Drillsite was one mile northwest of Talpa and 1,862 feet from north and 1,288 feet from east lines of J. E. McCord (ETRR) survey No. 116.

G&C Drilling Co. of Muleshoe has quit the No. 1 O. E. Heinrick, Northeast Lynn County wildcat, at 4,100 feet in the San Andres.

The dry hole is 330 feet from south and west lines of northwest quarter of section 7-J-EL&RR survey and five miles south of Slaton.

General Crude Oil Co. No. 1 Ida Dix, wildcat seven and one-half miles northwest of Hamlin in North east Fisher County, has been plugged and abandoned at 5,209 feet.

It was in section 102-1-H&TC.

A dry hole in the San Andres in Northeast Crockett County is Val - Carroll Oil Co. of Iraan No. 1 University.

It was plugged at total depth of 1,600 feet. Top of the San Andres was 1,480 feet.

Location was 330 feet from north and west lines of section 27-45-University survey and 16 miles north of Ozona and one mile east and slightly north of Anderson & Starr No. 1 University, wildcat abandoned at total depth of 1,555 feet.

Hunt Oil Co. No. 32 Elsinore Royalty Co. is dry at 1,113 feet and has been abandoned.

It was 1,320 feet from south and west lines of section 91,-D-GC&SF survey. That puts it in South Pecos County.

Runnels County Well Produces 23.34 Barrels

Flowing 23.34 barrels of 42.6 gravity, pipeline oil in 24 hours, Miami Operating Co. Inc., of Abilene No. 1 McKissick has been completed as a Gardner sand strike in Northeast Runnels County.

Gas - oil ratio was 500-1. The flow was through a 14-64th-inch choke and from open hole between 3,765 and 3,775 feet.

Operator drilled to a total depth of 3,775 feet.

The discovery is 330 feet from south and west lines of Tract 16, A. Loyosa survey No. 515. It is eight miles northwest of Talpa.

Salt Creek Field Well Is Completed in Kent

General Crude Oil Co. and Percy Jones have completed their No. 6-5 Percy Jones in the Salt Creek field of Kent County for 43.61 barrels of oil and a trace of water. The well pumped 24 hours.

Gas oil ratio was 234-1. Gravity of the oil was 36.7 degrees.

Five and one-half inch casing was set at 6,552. Top of the pay is 6,548 feet, and total depth 6,572 feet.

* * *

Superior No. 3 Matador Failure at 5,499 Feet

Superior Oil Co. No. 3 Matador Land & Cattle Co. Central Oldham County test, has been plugged and abandoned at total depth of 5,499 feet after encountering granite.

It started out to drill to 8,000 feet. No other information is available on the wildcat.

The failure is 3,300 feet from west and 660 feet from north lines of league 311, State Capitol land survey. It was seven miles north of Adrian.

* * *

Nos. 190 and 191 Fuller Staked in Cogdell Pool

Two locations have been staked by the Texas Co. in the Cogdell field of Northern Scurry County. They are the No. 190 and the No. 191 P. L. Fuller.

No. 190 is to be 663 feet from the south and 1,999 feet from the east lines of section 563-97-H&TC. No. 191 is 1,988 feet from the south and 666 feet from the east lines of the same section. Both will be drilled with rotary tools to 7,150 feet.

* * *

Texaco No. 184 Fuller Finaled for 733 Barrels

The Texas Co. No. 184 P. L. Fuller, Cogdell field well in North Scurry County, flowed 733.74 barrels of 41.4 gravity oil and no water during a 13-hour completion test.

Top of the pay was 6,814 feet and total depth 6,891. Five and one-half inch casing was set at 6,820 feet.

* * *

Von Roeder Field Well

Magnolia Petroleum Co. has filed application to drill its No. 5 W. Ed Murphy in the Von Roeder field of Bordern County. It will drill to a depth of 6,900 feet.

It will be 19 miles southeast of Gail, and 1,980 feet from the south and 518 feet from the east lines of section 69-25-H&TC.

Newfoundland Profits

ST. JOHN, Newfoundland, Sept. 18. (AP)—Newfoundland province received nearly $1 million of the more than $15 million spent in Canada in 1951 by the United States through its military bases, a report shows today.

AGENCY REGULATES JUKE BOX PRICES

HOLLYWOOD, Sept. 18. (AP)—Good news for the juke box crowd:

The OPS says the price of a record play is going to have to return to a nickel.

Some juke box operators boosted the price to a dime last June.

A spokesman for the OPS says that operators who boosted the price "were working under the misapprehension that their business did not come under OPS regulations.

Hal Sherry, business manager of the International Brotherhood of Electrical Workers Local 1052, said a return to five cents a record would cause many operators to fold up their businesses "because they raised wages when they raised prices, and cannot cut wages now because of living costs."

Salaries Can Be Hiked Up To 6 Per Cent Of Employer's Pay Roll

WASHINGTON, Sept. 18. (AP)—Employers were told Monday they may grant salary increases for merit or length of service up to six per cent of their annual payroll.

In setting up this formula, the Salary Stabilization Board said that if the six per cent ceiling is observed within a plant or company, individual salary boosts of up to 10 per cent may be granted.

The board described its ruling as an interim one to be followed later by a more comprehensive regulation.

Judy Is Back Fat And Happy

HOLLYWOOD, Sept. 18. (AP)—Judy Garland is back home from a five-month European tour, hefty and happy.

"I don't worry about my figure any more," she told friends after she had embraced her daughter, Liza Minnelli, five, and petted her pet poodle, John Cook.

Miss Garland's health cracked under the strain of trying to keep her weight down for her movie roles.

"I'm not going to attempt to regain one of those sleek Hollywood figures," she said. "I fell too good this way."

Miss Garland said she would remain here two weeks, rest, then go to New York, where she will do a two-a-day stint when the Palace Theater reopens a vaudeville revival. She recently completed an engagement at London's Palladium.

Mr. and Mrs. W. L. Strickland of Midland visited last Sunday in the home of Mr. and Mrs. E. G. Strickland and daughters, 2805 Avenue C, and with Mr. and Mrs. J. F. Strickland, 313 Thirty - fifth Street.

You Never Had It So Good, Is Theme Of Commerce Department

By SAM DAWSON

NEW YORK, Sept. 17. (AP)—Various government stpokesmen are spreading cheer today. Their theme: You never had it so good.

Over in the business section, however, the topic is: How long will the business lull continue?

It narrows down to timing.

Industrial production is on the upswing and will never go back to its pre-Korean pace — that's the promise of Defense Mobilizer Charles E. Wilson.

But some business observers are noting that the recovery in August from the July production slump wasn't as big this year as it had been in 1949 and 1950. They wonder if business is being throttled by controls before the defense program really calls for it.

Wilson says pay scales will stay above their pre-Korean level, too. He adds that "the economy is going to expand" until within a year and a half the nation will have both a "magnificent defense structure and a sound civilian economy."

The theme that Americans never had it so good is taken up by the Department of Commerce which compares conditions today with the "good old days" of 1929. It says the nation's production of goods and services has jumped 172 per cent since 1929. That's in terms of present dollars — $282 billion in 1950 against $103.8 billion in 1929.

The department then translates it into 1929 dollars, which bought considerably more than present ones. It finds that using the 1929 commodity value of the dollar, 1950 production would be only $186.5 billion. That is still a gain of 80 per cent on the $103.8 billion of 1929.

Personal income in 1950 totalled $224.7 billion, against $85.1 billion in 1929. But taxes on personal income jumped to $20.5 billion last year from a mere $2.6 billion in the year of the big stock market bust. In other words, taxes took three per cent of personal income in the earlier year and 10 per cent last year.

Corporation profits in 1929 were only $9.8 billion and last year jumped to $41.4 billion. But corporation taxes jumped even faster from $1.4 billion in 1929 to $18.6 billion in 1950, or from under 10 per cent to nearly 50 per cent.

Modern 4 room house with bath 4 miles out Lubbock Highway on cut-off road to Halburton. $1100.00 down. $51.40 monthly.

Indians May Have Left Pennant Waving From Yankee Stadium

(By The Associated Press)

Cleveland's vanishing Indians are rid of New York for the season but they may have left the pennat behind in Yankee Stadium.

As they have done in all but one of their 11 games on the Yankees' home grounds, the Indians lost again Monday. This time they dropped a galling 2-1 tussle that put them a full game behind the front-running New Yorkers.

It may be a case of out of the frying pan in to the fire for the two-game series with the Red Sox today in Boston. The Red Sox, winners of six of their last seven starts and fresh from a 12-5 romp over the Chicago White Sox, are only a game and a half behind Cleveland into this tense three-team American League

RIZZUTO'S BUNT DELIVERS

It was Phil Rizzuto, the shortest of the Yanks, who beat the Indians Monday with the shortest of hits. The winning blow — a deft squeeze bunt that didn't even reach the pitcher's mound — brought in Joe DiMaggio with the payoff run.

It came in the last of the ninth after Cleveland Manager Al Lopez had ordered pitcher Bob Lemon to walk Bobby Brown with runners on first and third and one out.

The victory went to Eddie Lopat, who squelched the Indians with three hits to reach the 20-win mark for the first time in his career.

A 13-hit Red Sox attack, featured by the clubbing of Ted Williams brouths his 12th victory over the White Sox. Williams had a perfect day at bat with two singles, a double and his 30th homer in four official times at bat. Vollmer banged in five runs with two singles and his 22nd homer.

BROOK LEAD CUT

The Brooklyn Dodgers not only had their National League lead cut to four games over New York's Giants as they bowed to the Cubs, 5-3, in Chicago, but lost the services of Roy Campaella for at least two days.

Brooklyn's star catcher was laid low by a ball which struck him on the left ear and sent him to the hospital. The pitch, by Turk Lown in the second inning, knocked Campanella unconscious. X-rays taken later showed no fracture, but Roy was held overnight for observation.

Tommy Brown hit his ninth homer of the season in the 10th inning to give Robin Roberts his 20th victory and the Philadelphia Phils a 2-1 triumph over the St. Louis Cardials.

All other teams enjoyed a day off.

LEGAL NOTICE

THE STATE OF TEXAS

TO: Travis Barnett
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 15th day of October, A.D. 1951, at or before 10 o'clock A.M., before the Honorable District Court of Scurry, County, at the Court House in Snyder Texas.

Said plaintiff's petition was filed on the 16th day of August, 1951.

The file number of said suit being No. 5539

The names fo the parties in said suit are:

LYDIA MAE HOBBS BARNETT as Plaintiff, and TRAVIS BARNETT as Defendant.

WT-NM Loop Play Tightens

ABILENE, Sept. 18. (AP)—Abilene is making a real battle of thier West Texas-New Mexico League semi-final playoff series with Lubbock.

The Sox were trailing 3-1 two days ago. Today, the teams are tied 3-3. Abilene tied the series by taking an 8-7 win here Monday night.

Lamesa is leading Albuquerque 3-2 by virtue of a tight 4-3 victory over Albuquerque at Lamesa Monday night.

Abilene and Lubbock renewed their feuding at Abilene tonight with Julio Moreno (15-8) slated to pitch for Lubbock. Abilene's mound choice will be either Eulis Rosson (11-14) or Jim Melton (22-13).

The other clubs switch to Albuquerque with Lamesa's Ed Arthur (27-11) slated to go against Jesse Priest (19-3)

First baseman John Fetzer slapped a two-run homer in the seventh Monday night to give Lamesa the edge over Albuquerque.

Ray Faust was the victim of the Abilene attack for the second straight day, although he came on in a relief role in the ninth.

Lubbock had tied the score 7-7 in their half of the inning on a homer, two doubles and a walk for four runs off Fred Schmidt, who relieved starter Izzy Leon in the eighth.

Musial Holds Batting Lead

NEW YORK, Sept. 18. (AP)—Back a few years the National League chant was: "Break up the Cardinals."

Now it's just: "Break up Stan Musial."

He's on his way to a fifth batting title, with a .367 average.

Richie Ashburn of Philadelphia at .346 is 21 points behind Musial.

Rounding out the top ten were: Roy Campanella, Brooklyn, .325; Johnny Wyrostek, Cincinnati, and Monte Irvin, New York, .313; Alvin Dark, New York, and Ralph Kiner, Pittsburgh, .312; Carl Furillo, Brooklyn, .305, and Harry Lowrey, St. Louis, .303.

Stress Defense In Workouts

(By The Associated Press)

Southwest Conference teams went thought the workout book Monday in preparation for six intersectional games this week stretching from Georgia to California.

Texas A&M, booked by many to win the SWC crown, stressed defense against a single-wing attack in a two-hour scrimmage. The Aggies face UCLA in Los Angeles Friday night.

Rice is the only idle SWC team this week. Jess Neely sent his charges through a two-hour pass drill Monday.

The Texas Longhorns, last year's SWC champions made ready for the aerial attacks of Kentucky Saturday afternoon at Austin.

The Baylor Bears pitched aerial and ground plays against changing defenses. The Bears, rated by some to take the SWC crown this year, play Houston Saturday. The Bruins also spent some time on returning punts and kickoffs.

The TCU Frogs took it easy after Saturday's heavy scrimmage. Dutch Meyer put his players through light drills, saying they probably would return to rough work today. The Frogs meet Kansas at Fort Worth Saturday night.

The Arkansas Razorbacks were getting ready for their game Saturday night against Oklahoma A&M. Coach Otis Douglas had the team playing touch ball to sharpen their aerial attack and give the bruised players a breather.

Rusty Russell in Dallas termed workouts Monday "pretty sharp," as the SMU Mustangs prepared for the battle Saturday with Georgia Tech at Atlanta.

Longhorn Tilt Is All Tied Up

ODESSA, Sept. 18. (AP)—The Longhorn League championship series moves here tonight with the Oilers and Roswell Rockets tied at one game each.

The Rockets evened the series with a 12-6 victory Monday night. They had two big innings, a three-run first and a six-run sixth. Odessa had a four-run third, but led until the big uprising.

Dean Franks, ace of league hurlers, went the distance for the Rockets despite the heavy shelling in the third frame. He gave up a home run pitch to Kenny Peacock in the fourth and another run in the seventh after the rocky start.

Skipper Pepper Martin used three pitchers in an attempt to stop the Rockets, but they collected 16 hits.

Rodeo Dates Slated

NEW YORK, Sept. 18. (AP)—Madison Square Garden is undergoing its annual fall face-lifting for the world's championship rodeo, scheduled Sept. 16 through Oct. 21.

WINNER ANYWAY

POMONA, Calif., Sept. 18. (AP) — Because it had a frame around it, a hooked rug made by Mrs. Helen L. Walker of La Crescenta, Calif., was disqualified in the rug competition at the Los Angeles County Fair. Over Mrs. Walker's objection, exposition officials called her entry a picture.

Undaunted, she entered her work of art in the picture display. Her rug — er, picture, was made by hooking indivdually dyed strips of cloth through sacking and the design and color is so subtle that from 10 feet it looks like an oil painting.

So what happened She won a blue ribbon — for her picture.

Kentucky Set For Texas In Saturday Game

AUSTIN, Sept. 18. (AP)—Football's sudden-death weapon — the forward pass — will be in alien hands here Saturday when Texas meets Kentucky.

In the Southwest, where the pass is king, the invader in this intersectional tued — the University of Kentucky — will go the aerial route. Texas will turn land-lubber. Once again Kentucky, the 1951 Sugar Bowl champions, has Babe Parilli its All-America passer on the firing end.

Parilli and his mates warmed up for the school's first meeting with Texas last Saturday by rolling over Tennessee Tech, 72-13. Limiting his play to the first half against Tech, Parilli completed 11 of 16 passes for 165 yards and two touchdowns. He hit the first six on the nose and did not have a one intercepted.

Texas is stressing the ground game this season. Ed Price, has swithced to the split-T formation, the same offesnsive style that has make Oklahoma a groun - eating menace in recent seasons.

Oklahoma rode the split-T to the mythical national championship last year, but Kentucky broke the Sooners' long victory march with a 13-7 decision in the Sugar Bowl.

From its Sugar Bowl championship team Kentucky lost eight defensive starters and five offensive regulars. That means a big rebuilding problem of the defensive platoon for Coach Paul "Bear" Bryant.

Offensively, Kentucky's worries are few, although Parilli did lose his leading receivers by graduation. He still has some capable targets, however, and he is expected to have more help from the ground crew this season, with Fullback Bill Leskovar sound again.

Price's problems are of an entirely different nature. The defensive platoon from Texas' championship club is back virtually intact, while eight gaping holes have been left in the attacking unit.

Corpus Christi Back In Playoff Fight In Gulf Coast League

CORPUS CHRISTI, Sept. 18 (AP)—Corpus Christi fought back into the thick of the Gulf Coast League championships Monday night. They defeated Brownsville, 6-1, to cut the Charrow lead to two games to one.

The Aces banged out nine hits to win easily. The Charros also had nine hits but couldn't bunch them for runs.

Jim Heller, Corpus Christi sidearmer and one of the three 20-game winners on the Ace staff, pitched the full season leaders back into the fight. He was in command all of the way.

Dick Midkiff went the route for Brownsville.

The two clubs will meet here again tonight.

DeGasperi Is Honored

OTTAWAY, Sept. 18. (AP)—Italy's Prime Minister Alcide de Gasperi was awarded an honorary degree of doctor of laws by the University of Ottawa Monday night. He told an audience of diplomats and educators that material efforts to win peace are insufficient without normal preparation.

Kentucky Is Rated Tops After Performance in Opening Week

By Paul B. Williamson

Kentucky, winner over Oklahoma in the last Sugar Bowl game, showed offensive power in starting off with a 72-13 win over Tennessee Tech. The latter, although a minor team, was supposed to be improved this season. For that feat the Wildcats of Kentucky are Williamson's No. 1 team this week, with a rating of 93.2.

Florida showed how relative form is often reversed from one season to the next. Wyoming was supposed to be as good as if not better than last year. But the Florida Gators evidently didn't believe it. Score Florida 13, Wyoming 0. Florida No. 2 this week.

North Carolina State turned in an impressive 34-0 rout of highly touted Catawba and similarly for Cincinnati whopping VMI by 26-7.

Other teams exhibited surprising offensive powers over the week end. Witness among others: South Dakota State 48, Iowa Teachers 6; Toledo 88, Davis & Elkins 0; Mississippi Southern 40, East Carolina 0; and Evansville 33, Morehead Ky. 6.

There were several other surprising upsets which clearly showed how fatuous it is to start EVERY team off each year with its final rating of the previous season.

Swell picks by the Williamson System included St. Ambrose 14, St. Norbert 7; Colorado Mines 19, Chadron 0. Washington 33, Doane 13; Stout 19, St. Olaf 13; La. College 12, Sam. Houston State 6; Drake 19, Abilene Chr. 7; Adolphus 14, LaCrosse 7.

This table includes teams only whose scores, since Sept. 8 openers, were reported by 11 a.m. Sunday Sept. 23. Number at right in rating table is the CURRENT Williamson rating; at left is consecutive rank in the nation. Difference in ratings rather than in ranking indicates earned comparison of team strengths.

NOTE: Scores on a number of important JC games were not reported in time for 11 A. M. Sunday deadline.

Missions And Buffs In Finals

DALLAS, Sept. 18. (AP)—Houston Buffs and San Antonio, one - two clubs in full season play, are in the championship round today in the Texas League playoff. Houston beat Beaumont, four games to two. San Antonio eliminated Dallas, four and three.

The Buffs, downed Beaumont, 3-1, with Octavia Rubert givng up 12 hits but guarding home plate well.

San Antonio reached the final round and a shot at the Dixie Series club by taking the sugar game from the Dallas Eagles, 5-3. The Padres led all of the way but had to put down an Eagle uprisng in the ninth that netted two runs

The final round opens tonight with the Missions in Houston for two games.

More Cotton To Be Picked In Valley

HARLINGEN, Sept. 18. (AP) —The State Department of Agriculture office said Monday the Lower Rio Grande Valley cotton harvest had reached 611,146 bales.

Farmers hope to resume picking soon after last week's heavy rains. The plowup deadline is Sept. 23. Many Mexican cotton pickers returned home last week, and gins reported difficulty in finding hands.

The remaining cotton is not ruined. Gins could operate for two more weeks if the cotton can be picked

Marines Uninjured As Helicopter Crashes

ABILENE, Sept. 18. (AP) — Three crew members escaped uninjured Monday when their big Marine helicopter developed engine trouble and crash-landed 11 miles east of here.

The machine, an HRS-1 Sikorsky transport, was in a formation of six new helicopters en route from Quantico, Va., to California.

Fain 1st Hitter For American

CHICAGO, Sept. 18. (AP)—Philadelphia's Ferris Fain has picked up nine percentage points to boost his batting average to .341 for the widest lead in the American League hitting race in a month.

Falling 19 points behind in second place was George Kell of Detroit with .322. In other averages computed through Sunday's games, Chicago's Minnie Minoso had 321 and Boston's Red Williams, .319.

Completing the top ten batting list were Gil Coan, Washington, .316; Johnny Pesky, Boston, ad Gil McDouglad, New York with .314 each; Larry Doby, Cleveland, .312; Bob Avila, Cleveland, .309, ad Nellie Fox, Chicago, .305.

New Cuts In British Rations Of Meat

LONDON, Sept. 18 (AP) — Two more meat ration cuts face Britons.

The food ministry said a decline in home-killed meat supplies will reduce each ration book share to 28 cents worth weekly on Sept. 23, and to 22 cents worth on Oct. 7.

Under the present ration, at British prices, the housewife gets a smallish piece of beef or two small lamb chops a week. She may be able to get enough cheap stew beef for four small portions.

MANAGEMENT
We have recently taken over the Jack Terry Texaco Station on the BIG SPRING HIGHWAY. We would like very much to have you stop and see the kind of service we are now offering. We feel that service is something that has been more or less neglected in the last few years. Please allow us an opportunity to serve you,
