Council Election April 3

Bond Election Set March 6

The City Council of Colorado City in its regular monthly meeting Tuesday set March 6 as election date for a \$900,000 bond issue.

The bond issue includes \$400,000 for street improvement; \$75,000 for park improvement; \$25,000 for cemetery improvement; \$250,000 for improvement of the water treatment plant and \$150,000 for work at the city's sewage treatment plant.

The election will be held in city hall with R. B. Baker as election judge and J. M. Munoz as alternate.

Between now and the election, the city manager and members of the council will speak to various social clubs in the city to explain the bond issue and all aspects of the bond issue will be presented in detail in the Record.

In order to pay for the bonds, if they are approved by Colorado City voters, City Manager James Campbell after consulting with the city's financial advisors, First Southwest of Abilene, has said a 40c tax increase will be necessary as well as a 10c per 1,000 gallons of water over the minimum in water charges and a 76c increase in sewer rates.

Campbell has noted that even if the bond issue does not pass, a tax increase of about 40c will be needed in order to do something about the streets.

The city council also set the annual city council election for April 3, the first time ever to be on a Saturday, in order to comply with new federal election laws. In previous years, the council election was held on the first Tuesday in April.

Election judge for the city election will be B. B. Hardee with Bonnie Farrar as alternate.

Three council positions will be up for election this year. Those positions are now held by Mayor Larry Hamner, Marion Bassham and J. Lee Jones Jr.

In other action, the council also approved temporary

six months permits for the placement of mobile homes by Keith Parker at 6th and Chestnut and by Gregg Chaney at 18th and Hemphill.

The council also discussed the possibility of getting traps to catch loose dogs that cannot be caught by the dog catcher. The dog catcher has been working some at nights in recent weeks to catch dogs that are allegedly turned loose by their owners at night.

Bids were opened for a new sanitation truck and for the trash masher and re-

ceptacle. Only one bid of \$5,302.50 was submitted for the masher and trash hauler from Packmore of San Antonio. The unit is to be installed on the truck within 20 days.

There were three bids on the truck: \$5,987.40 for a 1975 F-600 Ford truck from Treanor in Abilene; \$6,003.14 for a 1976 F-600 Ford Truck from Hutchins Ford Sales and \$5,795 for a 1975 D-600 Dodge truck from Frank Motor Co. The low bid from Frank Motor Co. was accepted by the council.

A number of people were on hand to discuss a traffic problem at 6th and Chestnut. Spokesman for the group was attorney Tom Rees who pointed out that there have been three accidents at that intersection since December.

Rees and others who live in that area asked that the council do something about decreasing the danger at the intersection.

The council discussed problems at the intersection including an inoperable flashing light that seems to create confusion. The council decided to have flashing red lights facing motorists on Chestnut to remind them to stop; to replace the stop signs with bigger stop signs; to put stripes on the streets and possibly metal "bumpers" on Chestnut to remind people to stop.

Wildcats Alone At Top Of 10-B

Westbrook Wildcats won the district 10-B championship outright Tuesday night with the final defeat of Roby 62-48 on Roby's home court.

They still must face Hobbs Friday but the Hobbs team has presented no challenge to the Wildcats in any of their previous games this season.

The Roby game was a tough one, Coach Dale Byrd said, and mostly a rough one as the Roby boys tried to get the Wildcats to lose their cool and commit fouls, but Byrd said "the boys stayed cool and never lost their tempers as they stayed right with them but wouldn't foul."

Westbrook trailed at the end of the first quarter by 13-8 and then Glenn Rich and Bobby Matlock got hot with their shots, scoring 25 points in the second quarter for a 33-17 halftime lead.

Daryl Rich poured in eight points the third period and another eight points in the fourth quarter and the team score was 49-29 at the end of the third period.

Glenn Rich scored 23 points in the game, Daryl Rich scored 22 points and other points were scored by Bobby Matlock, 6; Jim Anderson, 6; Steve Rollins, 4 and Gerald Colbert, 1.

Byrd said that Matlock was the outstanding team

player as he had a number of assists and a lot of rebounds along with good defensive work.

Glenn Rich, Steve Rollins and Jim Anderson are Seniors; Matlock is a Junior and Daryl Rich is only a Freshman.

The win gives the team a 21-10 season standing and 13-0 in district.

They play a warmup game with Old Glory 7:30 p.m. February 20 in Rotan, keeping their edge for the Bi-District game which will be played with either Motley County or Jayton. Byrd said the Bi-District game will probably be played March 2 as the Regional Tournament is the weekend of March 4, 5 and 6 and the State finals are set for March 12 and 13.

They will be playing a number of warmup games before the Bi-District contest if they can make arrangements, he said.

The junior high boys team also played Tuesday but lost to Roby by 22-20 coming on strong in the second half after a 14-4 deficit at halftime. Scoring were Terry Webb, 10; Clay Hammond, 4 and Trey Smith, Larry Dawson and Jeff Hammond, 2 points each.

They will play in the junior high district tournament Feb. 19, 20 and 21.

NEW OWNER of Jim's Trucktown Restaurant on Interstate 20 is Jimmie Scott who purchased the cafe from Jim Weddle and moved to Colorado City with his two daughters, Debbie, 14 and Peggy, 15. Scott also owns Woody's Trucktown in Roswell and moved here this week from Roswell. He is a native of Sulphur Springs.

Three Drilling Sites Staked

Three locations have been staked in the Westbrook, East (Clearfork) Field one mile east of Cuthbert in Mitchell County.

All are slated for 3,500 feet and will be drilled by Barron Kidd of Dallas.

No. 1 Everts Heirs will be drilled 330 feet from the south and 1,650 feet from

the east lines of Section 67, Block 97, H&TC Survey. Site for No. 2 Everts Heirs is 1,000 feet from the south and 3,150 feet from the west lines of Section 67.

The other project is No. 3 Mary Womack, spotting 1,024 feet from the south and 1,770 feet from the west lines of Section 67.

to \$5,600 for certain plumbing costs which would have to be done sometime in the future at a much higher cost, Schools Superintendent Lloyd McKee told the board. The board also approved expenditure of \$1,600 to replace and paint tile work and \$40 to fix a cabinet, both items which had not been in the original remodeling contract.

School board members Jimmie Bolin and Bob Motley officially filed for re-election to the board. Date of the election was set as April 3, the first Saturday in April, to be held in the school tax office at 256 Walnut with R. B. Baker as election judge. For the first time this year, the ballots will be printed in both English and Spanish languages.

Deadline for filing for the school board election is 5 p.m. March 3 in the tax office.

Mrs. JoAnn Urban's appointment to fill out the school year at Hutchinson Elementary as fifth grade teacher was approved.

Meeting adjourned following the executive session discussion of contract renewal.

READY FOR TAKEOFF at the city-county airport in Colorado City Tuesday afternoon, the twin engine Aero Commander airplane confiscated by the U.S. government following its capture by the Sheriff's Department more than a year ago, Feb. 7, 1975, flew from the local airport enroute to be reconditioned and put to use by the government. The plane was used to haul marijuana in the airport and it was to be transported by pickup-camper to the Dallas-Fort Worth area for sale but the watchful eyes of Deputy L. M. Newby and Mike Stutts put a crimp in the plans of the traffickers and they were nabbed following a wild chase and shots fired at the plane. The plane was patched up enough to get to Addison where it was to undergo a badly needed overhaul.

Loraine Girls In Playoff With Roby

Loraine girls basketball team won their last district game over Ira Tuesday night in Ira's gym and will face a playoff with Roby 8 p.m. Friday in Roscoe to determine the district 10-B representatives in a Bi-District game with Jayton.

The girls were ahead by 15-4 at the end of the first quarter but then couldn't hit and let Ira catch up in the second quarter, score at half 22-16.

Loraine girls coach Gene Rankin said they couldn't keep a big lead because Ira always plays tough in their home gym. Score at the end of the third quarter was 34-30 and the Loraine girls led by eight points in the fourth quarter and stalled most of the final period to take the low-scoring 46-40 win. Scoring were Jackie Rose, 19; Terrisa Brewer, 23 and Susan Mahon, 4. Guards Sandra Rose, Brenda Oliver and Dora Garcia, aided by Theresa Smith, played good defense.

Ira ended the season with a 10-4 record, their only losses to Roby and Loraine. Both Roby and Loraine tied the district with 13-1 records.

The Loraine girls are now 22-10 for the season and Rankin said "We took our bumps and bruises early in the season playing teams like Bronte, ranked fourth in the state, and McCamey, a strong AA ball club."

"This group of girls have more team spirit, desire and pride than anyone would imagine possible. The team is very proud of their school, school officials, schoolmates and people of the community

for their loyal support this year," he said.

"We have 29 players and two managers on the Bulldog team and each team member feels like it took all and not just a few to get us as far as we are now," Rankin emphasized.

The Loraine-Roby matchup this year has been a real contest with the Loraine girls going down in defeat to Roby the first time the two teams met in the Hermleigh Tournament, at a disadvantage because they had played two games that day. The Roby team took a 9 point win that first time.

Their second meeting was in Loraine's gym in a district game and that game was tied at the end of regulation play and went into triple overtime, the Roby team winning by 62-60.

Their third meeting was in Roby's gym and the Loraine bunch scored a 13-point win.

The stage is set for a hotly contested game in Roscoe Friday night as the two teams meet for the fourth game of the year to determine the winners of the district crown and also to determine the district 10-B representative in Bi-District play.

Loraine boys and junior high boys basketball teams won their Tuesday night games with Ira in Ira, the varsity score 57-41 for a 6-7 district record and the junior high boys taking a 38-24 victory for an undefeated mark.

Varsity's last game is in Hermleigh Friday, set for 5:30 p.m. to give them time to go to Roscoe to see the

girls playoff game with Roby.

Scoring for the Varsity team were Darrel Andrews, 7; Mike Vallejo, 12; Ricky Moreno, 11; Jeff Oliver, 13; J. D. Sheffield, 5; Manuel Munoz, 4; Mark McDaniel, 3; Jeff Merket, 1; Richard Garcia, 1 and Weldon Heights, 1.

The junior high scorers were David Finley, 12; Junior Martinez, 19; Curtis Haden, 4; Tommy Daffnell, 2 and Wayne Rose, 1. They will play in the junior high tournament Feb. 19-21.

Wolves Lose To Coahoma

Colorado City's Wolves played their last home game against Coahoma Tuesday night, suffering a 13-point defeat at the hands of a much taller Bulldog team. Final score was 81-68 as the Wolves trailed by only five points in the final minutes of the game but then lost out with some foul trouble and missed shots.

Scoring were David Childers, 18; Jim Jordan, 17; Jackie Ellis, 16; Benny Arispe, 4; Drex Grisham, 2; Frank Sanchez, 4 and Wayne McKee, 3. Ellis led rebounding with 10 and McKee had nine.

The Wolves last game of the year will be Friday against Hamlin as they travel to Hamlin for the game. Coahoma is pulling for the Wolves in that game because Coahoma and Hamlin tied for the first half in district and a Wolf victory would mean a Coahoma-Hamlin play off.

CISD Board Renews Contracts

Incumbents Bolin, Motley File For Election

Colorado High School athletic director Mike Farda's contract was renewed by the Colorado ISD board of trustees.

Jimmie Bolin

Bob Motley

tees in their regular monthly meeting Monday night following a split 2-2 vote.

Board president Tom Rees cast the final tie-breaking vote for a 3-2 vote in favor of extending Farda's contract for a one-year period. Drew Ballard and Jimmie Bolin voted to renew the contract; Truman Bodine and Bob Motley voting against. Board members S. L. [Mac] Morris and Ed Roach were absent.

Results of the voting were made public following a one and one-half hour executive session in which renewal of all administrative and supervisory contracts was discussed. All other contracts were unanimously approved and Bus Supervisor Coy Adams and Lunchroom Supervisor Christine Cooley were granted slight raises. Adams' raise was \$276 per year and Mrs. Cooley's was \$175 annually.

Increments granted annually from state funds went to Kelley principal Esten Blackmon, \$371; Middle School principal Jerry Reynolds, \$715; Tax Assessor-Collector J. S. Craddock Jr., \$576 and Farda, \$400. Hutchinson principal Dell

Riley and High School principal Bill Everett have already received maximum increments allowed by state regulations.

All contracts were for two-year periods except for Farda's and Craddock's and the school tax assessor-collector contract is set for one-year periods according to state law.

In other action the board adopted a scale to be used as a basis for giving reduced-price lunches. The scale was adopted because of a new ruling that schools must have such a scale in use in order to receive reimbursement from the government for the school lunch program. Presently, about 50 per cent of lunches served in the lunchrooms are free lunches. Lunches cost 83.17 cents and reimbursement amounts to only 69.25 cents per meal.

Reduced-price lunches will be available for only 20 cents each and breakfasts for only 10 cents each if the family's income meets these requirements:

-One in family, \$0 to \$2,590 for free meals; \$2,590-\$5,040 for reduced-price meals.

-2, to \$3,390 for free; \$3,390 to \$6,620 reduced.

-3, to \$4,200 free, \$4,200 to \$8,200 reduced.

-4, to \$5,010 free, \$5,010 to \$9,770 reduced.

-5, to \$5,750 free, \$5,750 to \$11,210 reduced.

-6, to \$6,490 free, \$6,490 to \$12,650 reduced.

-7, to \$7,160 free, \$7,160 to \$13,970 reduced.

-8, to \$7,830 free, \$7,830 to \$15,280 reduced.

-Each additional family member, \$600 for free meals, \$1,180 for reduced-price meals.

Information and application forms went out to children in the school system Wednesday.

The board also adopted a policy concerning use of school facilities by outside groups in the community, setting rental costs to cover custodial and utilities expenses. Private use of facilities must be approved by the board of trustees and civic groups may contact the administrative offices for details about arrangements.

A few change orders in the remodeling of the old high school building into the new Middle School complex were approved, amounting

Womack To Lead Easter Seal Appeal

George Womack, Colo-rado City will lead the 1976 Easter Seal Appeal in Mit-chell County, it was an-nounced by Irving A. Baker of Dallas, President of the Easter Seal Society for Crip-pled Children and Adults of Texas.

Residents in the county will receive the traditional Easter Seal Appeal letters beginning March 1. The Easter Seal Appeal is con-ducted each Spring to pro-vide disabled persons and their families treatment and services. It will continue through Easter Sunday, April 18.

Womack is one of 234 men and women throughout Texas who serve in this capacity to help meet the cost of the statewide Easter Seal program, which assist-ed 10,768 handicapped Tex-ans in 1975.

The Texas Easter Seal

Society and its statewide network of treatment cen-ters and local volunteers spent \$1,820,547 financed by the traditional Spring Easter Seal Appeal and Fall Membership Drive. Over 90 per cent of all funds raised remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1976 Easter Seal Appeal to the disabled citizen who may need assist-ance and not know where to obtain it. Contact George Womack at City National Bank, Colorado City to re-cieve the simple, self-mail-ing request for service form. A determination of the ex-tent and type of assistance needed, the most efficient means of obtaining that as-sistance, and arrangements for qualified treatment or other services will be made by the Texas Easter Seal Society.

EARNING RECOGNITION in Scholastic Magazine's "Forecast for Home Economics" publication was the bulletin board idea formulated by these students: from left, Elaine Lopez, Liz Terry and Mildred Sheffield. They are second year homemaking students at Lorraine High School working under the direction of Home Economics teacher Margaret Latimer. As part of their recognition, they earned a \$5 prize and had the idea published in the February issue of the magazine. Entitled "Management for Decision-Making," the board shows Susie Homemaker utilizing the five problem-solving steps: 1. Define Problem; 2. Collect Data; 3. Weigh Alternatives; 4. Review Data and 5. Make Decision.

Colorado Middle School Chatter

The faculty and students at the Colorado Middle School would like to express their appreciation to all the people who stop and wait for the students to cross the streets to go to lunch. We hope to soon be moved to the old high school so we will not have to cross the streets, but until we do move, we are going to be crossing them. Again, we thank you for your courtesy.

In stage band, we've been working on solos and ensembles. We have performed for the first time of the 1976 year at the "Womanless Style Show." It was a lot of fun. We played "Soul Food," "M*A*S*H," "Bloppin'," and "Midnight Crawler." The Stage Band might get to go to a contest. If they do: Good Luck Stage Band!

February 7, some of the choir members attended contests at Odessa College

along with members of the High School Choir. Each group or soloist got a rating from one to five. One is superior, five is poor. Soloist's ratings are: Connie Wood singing "The Dance Song" two, Gay Tarter singing "Shoes" three and Vickie Franco, Kay McDonald and Connie Costello sang "A Gift To Be Simple" and made a two. Debbie Wright played a piano solo and made a one. The entire choir will be in contest in March.

Jerry Clark from the Taylor Publishing Company has been talking to the annual staff explaining how we might have a good annual. We must have our annual completed and sent to the Taylor Publishing Company by Feb. 26.

We have been working on the annual on Monday, Tuesday and Wednesday till about 4:30. The sponsors have been working most

days until 5. At this time, we would like to say thank you to the sponsors, Mrs. Gavin and Miss Brown, for all the hard work they are doing.

The Black Panther basketball girls played the Whirlwinds Friday at 2:30. The Black Panthers won over the Whirlwinds 51-33.

This game was very exciting, and the girls from both teams played an excellent game. High point scorer for the Black Panthers was Carolyn Lewis with 20 points; Ann Marcom was high point scorer for the Whirlwinds with 20 points.

Referees for the game were coaches Gierhart and Van Hoozer. Mrs. Blair was an assistant coach. We want to congratulate all the girls who participated in this game.

The sixth grade Social Studies class has been studying on the Middle East and Africa. We made some posters on some of the tribes in Africa. We have also been studying about the way they live. We have not seen any films on the Middle East yet.

Westbrook Girls Win

The junior high girls team at Westbrook wrapped up their season with an undefeated mark with a 33-30 win over Highland in Westbrook Friday night.

Leading all the way, Sharla Rollins pumped in 14 points, Rosemary Lopez, 17 and Teresa Dorn, 2. They led 25-11 at the half. Guards J. and Shaeleford and Lisa Anderson made 7 rebounds each and Virginia Gonzales had 5 recoveries. The win assures the team of a spot in the playoffs and to play in the district tournament Feb. 19, 20 and 21 in Roby.

Sweetheart Banquet Set

The annual sweetheart banquet sponsored by the First Baptist Church of Westbrook will be held Valentines Day at the Westbrook High School.

Speaker for the occasion will be the Rev. Jimmy Law, pastor of College Baptist Church in Big Spring.

Theme for the occasion is "Stairway to the Stars." Overall chairpersons are Mrs. G. D. Rollins and Mrs. Charles Ranne. Serving on the food committee will be Mrs. Rollins, Mrs. Floyd Rice, Mrs. Altis Clemmer, Mrs. W. A. Bell, Mrs. Earl Doss, Mrs. Maxey Ware, Mrs. T. A. Whitesides, Mrs. L. M. Dawson and Mrs. Sam Oden. All youth of the community junior age to seniors are invited to attend.

Rev. Bob Manning, pastor of the First Baptist Church of Westbrook will be master of ceremonies. Rev. Homer Salley, pastor of the Methodist Church will give the invocation and C. E. Ranne will pronounce the benediction.

Taylor Hosts Club Meeting

Antheneum Study Club met Feb. 3 in the home of Mrs. W. A. Taylor.

The topic for study was "Home Life." Mrs. B. H. Johnson presented the subject of Health and Medical Advances. Two hundred years ago common diseases were rampant. Many people died before they reached 40 years of age. Illness was attributed to the wrath of God. Witch craft was practiced, stated Mrs. Johnson.

Today medical help is available to all and many diseases have been conquered by inoculation. Since food and water pollution has been checked, infant mortality has improved and longevity extended through trained health care. There are Health Training centers that prepare youth for L.V.N. and other phases of health care services.

Mrs. Johnson also spoke on eye care, since 130 million people in America need this service. She used hand made posters to illustrate the highlights of her talk.

Mrs. S. E. Meadows gave interesting facts on methods of food preparation in her talk on Kitchen Exodus, as some 3 million mothers work outside the home, and need to prepare proper nourishment for her household. Many new methods of attaining this can be found in today's wide range of packaged and prepared foods on the market.

Ten members attended the meeting.

LHS Sets Activities

The seniors at Loraine High School were involved in a career education program the third period, Tuesday, Feb. 10.

Eddie Hankins, band director, will be attending the Texas Music Educators Association Convention in San Antonio, beginning Wednesday Feb. 11 through Saturday, Feb. 14.

Ron Mayfield, Vocational Agriculture teacher and the FFA chapter are making plans to attend the San Antonio Livestock Show. The chapter has several entries going. The 4-H Club also has several entries going to this show.

Hilma Joyce
Named To Who's Who

Miss Hilma Joyce, distributive teacher with the El Paso Public Schools, has been selected to appear in the 1975-76 edition of Who's Who in Texas Education.

Miss Joyce is the daughter of Mrs. B. O. Joyce of Loraine.

The publication is a compilation of information on outstanding educators in the state of Texas who have dedicated their lives to the education of young people.

Miss Joyce, a graduate of Texas Tech University and the University of Texas at El Paso, received the DECA Outstanding Service Award in 1968.

She was also recipient of the Texas Governor's Citizenship Award for Service in 1972. She has served as a member of the El Paso Citizen's Advisory Council, Chamber of Commerce Education Committee, and was appointed coordinator for Diamond Club Support Committee for DECA, Texas Association.

In 1964 Miss Joyce received local, state and national recognition for having the most outstanding education project from 42 countries. The project sponsored by the State Director for Distributive Education, explored the means of preventing students from dropping out of school.

Miss Joyce lived with her parents, Mrs. B. O. Joyce and the late Mr. Joyce in the Spade Community and graduated from Colorado High School.

Loraine H. D. Club Meeting

On Feb. 4, at 2 p.m. the North Loraine Home Demonstration Club met in the home of Mrs. Hubert Meadows.

The meeting opened with Mrs. Clifton Henderson, club president presiding. Mrs. S. E. Meadows gave the opening prayer.

Roll call was answered with "How I keep my food safe."

After a short business meeting the hostess, a trained leader brought the program on "Quick and easy meals." Within a 5 minute period she had a complete casserole meal prepared and ready for the oven. During the 40 minute baking period she then briefed the club on many short cuts via convenience foods.

It was pointed out that convenient foods are not always the most economical, but when time is at a premium, they are not as expensive as one might think.

Refreshments served were the casserole, a Valentine cake with pink salad and Valentine punch and coffee.

Those present with the hostess, Mmes. J. E. Price, Arden Ellyson, Bud Shepherd, Roy Wells, T. L. Holman, Clifton Henderson, Raymond Wheeler and one guest, Mrs. S. E. Meadows.

The next meeting will be Feb. 18. The club will meet jointly with the Looney and Colorado City Clubs for their Safety-Health programs. Joe Stockton, a respiratory therapist will bring the program. Everyone is invited to attend.

RR panel orders phase out of natural gas in boilers

The gas age is ending for electric power plants.

The Texas Railroad Commission says electric companies must begin phasing out the use of natural gas for making electricity.

It won't be easy. Today most of your electricity comes from power plants that burn gas.

But Texas Electric has already acquired new fuels to reduce our use of natural gas. We have two lignite coal plants in operation and several more planned or under construction. We're also building a nuclear power plant.

There's no choice. We must build new power plants, and building these plants costs a lot of money. That's one reason electricity is costing you more. But it's the only way to make sure you'll have the electricity you need, at rates still much lower than the national average.

Club Meets

The Baumann Home Demonstration Club of Loraine held their annual Valentine luncheon in the home of Mrs. Vada Preston Tuesday.

Mrs. Clara Butler gave the prayer before the meal. In the afternoon Mrs. Pauline Smiley presided over the meeting. Mrs. Butler gave each a Valentine and asked them to write a verse about someone in the room, after which members were asked to guess who her Valentine was.

Roll call was answered with "How I keep my food safe." During the business meeting Mrs. Mabel Givens was elected as assistant treasurer.

The club voted to furnish the noon meal at the Ivan Barber auction to be held today and also voted to host the Loraine Nursing Home Birthday party in September.

All signed a card to send Mrs. Floyd Griffin, a member in the Hendrick Memorial Hospital.

During the social hour gifts were exchanged.

Next meeting will be with Mrs. Cullen Payne on Feb. 20.

Present were Mes. Lester Webb, Willis Cornutt, Harvey Leach, Givens, Lynne Compton, Butler, Fern Coon, Thomas Vest, Smiley, Payne and M. D. Cheek and the hostess.

Enrollment Up At WTC

Enrollment at Western Texas College has set a new spring semester record, Dr. Duane Hood, Dean of Student Services and Registrar, has announced.

The grand total of 1,214 students represents an increase of 156 over the 1975 spring semester enrollment of 1,058. Included in this total are 27 Vocational Nursing students and 27 unduplicated students who enrolled for courses during the mid-winter mini-session.

The spring total represents a decrease of only 43 students from the 1975 fall semester total.

Enrollment in the five extension centers operated by WTC totals 332, up two from the fall enrollment of 330. About one-third of these students are also enrolled for classes on the Snyder campus, Dr. Hood said.

Figures for extension centers are as follows:

Colorado City, Spring, 47, Fall '75 51; Haskell, Spring, 82, Fall '75 84; Post, Spring, 48, Fall '75 32; Rotan, Spring 24, Fall '75 33; Sweetwater, Spring 131, Fall '75 130.

Complete figures are not yet in for Community services and Adult Basic Education courses, but early estimates indicate that their combined enrollments will bring to over 1,700 the total number of students served by instruction at WTC this spring, Dr. Hood said.

'76 Chrysler New Yorker Brougham

"Why pay thousands more for your luxury when Chrysler New Yorker can cost you thousands less!"

I drive a '76 New Yorker Brougham myself. And for my money, this is the best one yet!

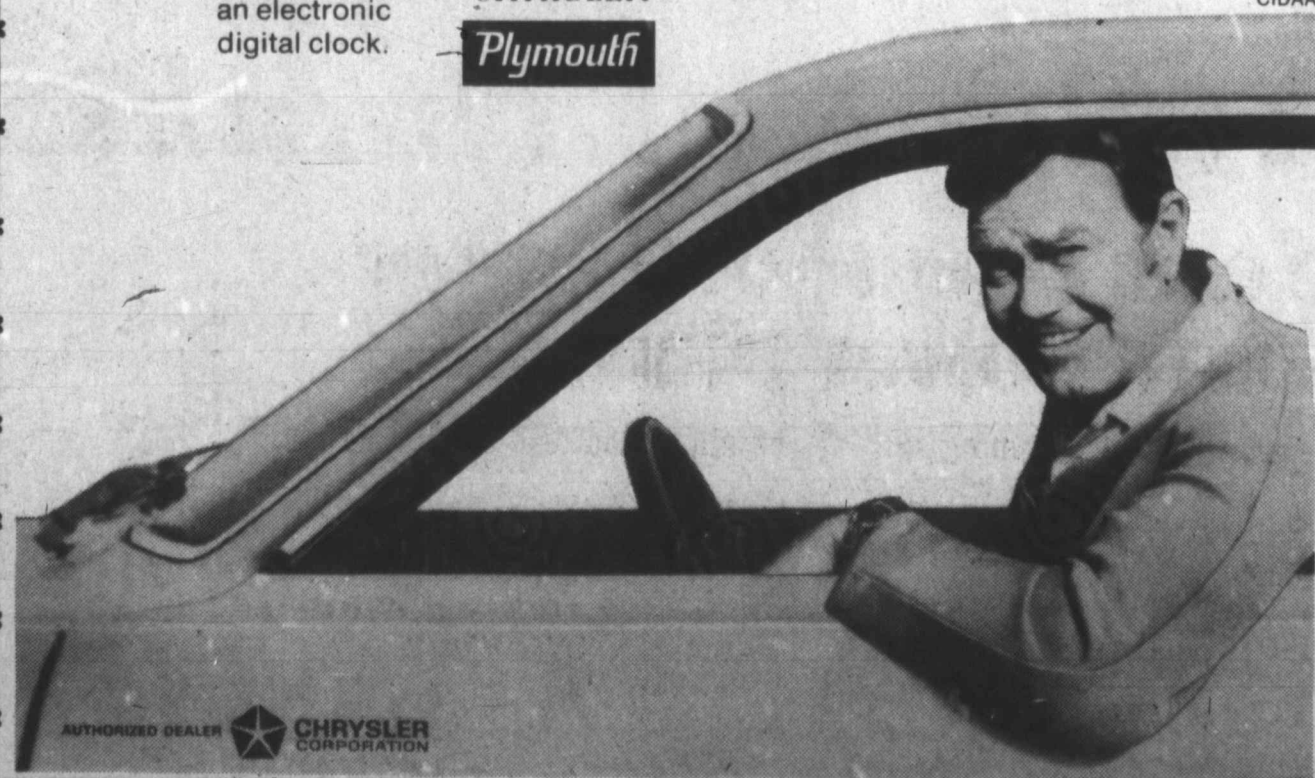

You see, Chrysler took last year's luxury car and cut the price by two thousand dollars! What didn't get cut was the luxury. There's your choice of crushed velvet or soft leather seats, individual comfort controls, an electronic digital clock.

Even power windows are standard! So instead of paying more for your luxury, why not stop by your Chrysler-Plymouth dealer and check out a '76 Chrysler New Yorker Brougham.

PUBLIC ANNOUNCEMENT CONCERNING FREE OR REDUCED PRICE MEAL

The Colorado Independent School District, in participation with the National School Lunch Program, is announcing a revised free or reduced price meal policy statement for the 1975-76 School Year.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Family Size	Free Meals	Reduced Price Meals
1	\$0 - 2,580	\$2,580 - 5,040
2	0 - 3,390	3,390 - 6,620
3	0 - 4,200	4,200 - 8,200
4	0 - 5,010	5,010 - 9,770
5	0 - 5,750	5,750 - 11,210
6	0 - 6,490	6,490 - 12,650
7	0 - 7,160	7,160 - 13,970
8	0 - 7,830	7,830 - 15,280
9	0 - 8,440	8,440 - 16,460
10	0 - 9,050	9,050 - 17,640
11	0 - 9,650	9,650 - 18,820
12	0 - 10,250	10,250 - 20,000
Each Additional Family Member	\$600	\$1,180

Children from families whose income is at or below levels shown on the above scale are eligible for free or reduced-price meals. The reduced price for lunch is 20 cents and for breakfast 10 cents. If your income is greater than those shown, but you have unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, your children may still be eligible.

The school children of parents or guardians who become unemployed are eligible for free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income during the period of unemployment to be at or below the levels shown on the scale.

To apply at any time during the year for free meals or reduced-price meals for your children, complete an application and return it to the school. Within ten days of receiving your application, the school will let you know whether or not your children are eligible. If you do not agree with the school's decision, you have a right to a fair hearing. This can be done by calling or writing your child's principal.

In certain cases, foster children are also eligible for these benefits. If you have foster children living with you and wish to apply for such meals for them, please notify us or indicate it on the application.

All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

A complete copy of the policy is on file in each school and in the CISD Administration Office, where it may be received by interested persons.

If we can be of any further assistance or if your family size or income changes during the year, please contact us.

Loraine H. D. Club Meets

Nelda Garrett and Ethel Hardegree hosted the Agape Circle of the United Methodist Women Monday evening at the Church for their regular monthly meeting.

The chairman of the Circle conducted a routine of business. Reports were heard from the secretary-treasurer and project chairman. The meeting of "Call To Prayer and Self Denial" was announced to be given Feb. 29.

Nelda Garrett read scriptures from the book of Luke and prayer was led by Elizabeth Elliott. Jewell Richter, program leader, gave a very informative lesson on the subject, "Health Is You." She was assisted by members giving short topics of standards of health: Mayme Dozier, physical growth; Phyllis Glover, emotional growth; Frances Godwin, spiritual growth and Mrs. Dewey Davis, social growth.

The hostesses using a valentine theme decorated table, served sandwiches, cake, tea and coffee to the fourteen members who attended.

New Law Increases Benefits

Thousands of disabled veterans, as well as certain widows and children of veterans, will be able to claim property tax exemptions in Texas this year.

The exemptions were made possible by the passage of a special law by the Legislature in 1975, according to Don DeLaney, Post Service Officer for VFW Post 9178.

Application forms are available from the local VFW.

Eligible for the property tax exemption are veterans who have service connected disabilities which are rated 10% or more disabling by either the Veterans Administration or a branch of the Armed Forces. Also entitled are the widows of veterans who had a service-connected disability of 10% or more in effect at the time of their deaths; and the widows of servicemen who died while on active duty. In addition, minor children of certain deceased veterans

and active duty personnel may also be eligible for the tax exemption. This is a Statewide tax, and it applies to every taxing authority in Texas.

The eligible person must contact each tax office where his or her property is assessed. It is the responsibility of the tax collector to determine the evidence necessary to claim an exemption. The Veterans Administration plans to mail letters of eligibility to those veterans and widows who are entitled to the exemption and who are currently receiving VA benefits. Such letters are to be mailed by the VA within the next two months.

Persons who believe they are eligible for the tax exemption, but who have not received their VA letter by April 1, 1976, should make a request for the needed evidence. Those who will not automatically receive the VA letter, and who

will be required to submit individual requests for same, will include the widows of veterans and deceased servicemen who are not currently receiving any Veterans Administration benefits.

Persons who believe they are eligible for the property tax exemption should be advised to discuss the matter with the local tax collectors, or visit their Veterans Service Officers.

CCMP Meets

The Colorado City Mounted Patrol (CCMP) held its monthly break Saturday, Feb. 7 in Lone Wolf Medallion Room with 35 members in attendance.

During the meeting two committees, one adult and one teenage, were nominated to work on the July break. Seven new members were welcomed into the club and a reminder to pay dues before 30 days after Jan. 19.

Mr. and Mrs. W. C. Greaves

Couple To Be Honored With Reception

Jeraldine Jackson, daughter of Mr. and Mrs. J. C. Jackson became the bride of William Clifford Greaves, son of Mr. and Mrs. Earl Greaves on February 16, 1936 in the home of the bride's parents in Coleman.

The Greaves will be honored at a reception given for them by their daughter, Mrs. Waddell Strain and

their eldest granddaughter. Friends and relatives of the couple are invited to attend this 40th Wedding Anniversary celebration on Sunday, Feb. 15 from 2:30 until 5 p.m. in the home of Mr. and Mrs. Waddell Strain, Rt. 1, Colorado City.

They ask that no one bring gifts.

Rep. Martin Attends Meeting

Rep. Elmer Martin was in Austin last week for a meeting of the Environmental Affairs Subcommittee on Appropriative Matters.

The meeting was the first in a series of meetings with state budget experts and state agency representatives.

The meetings are designed to involve the legislators in the budget-writing process, starting with the basic organizational structure of the agencies themselves and working up through each program.

These meetings are a continuation of Speaker Bill

Clayton's policy of agency budget review and evaluation by the committees of the House of Representatives in an effort to maximize efficiency in state spending.

"By gaining a better understanding of the complex nature of the agencies within our preview, I believe that we can more responsibly allocate state dollars," the Colorado City legislator said.

The agencies involved in this overview process are the Texas Water Quality Board, the Texas Air Control Board, and the Parks and Wildlife Department.

"Catfish Farming," Subject Of Booklet

How to grow catfish on farms is the subject of a new booklet written by USDA Soil Conservation Service biologists. The booklet, "Catfish Farming," replaces an earlier publication on the same subject.

Gregg Goode, range conservationist for SCS at the local SCS office says the new booklet tells how to raise channel catfish, blue catfish and white catfish in ponds, raceways and cages.

"Catfish have a high growth-to-feed ratio," Goode said. "Properly managed fish can sometimes produce a pound of gain for as little as two pounds of feed. That compares with a pound of gain for every 5 1/2 pounds of grain, or more, fed to beef cattle."

High quality water is one essential of growing catfish. The water should be above 70 degrees for at least four

months out of the year. The booklet outlines methods of commercially producing and harvesting catfish.

Goode said a well designed catfish farm should include separate ponds for breeding, rearing and holding fish. At least one separate holding vat would also be needed. A typical farm might consist of about 40 surface acres of ponds with 10 to 20 acres for roads, levees and other facilities. It would include five ponds of one acre each for breeding, rearing and holding fish and five production ponds averaging 7 acres each.

Catfish can also be raised in raceways where water is scarce and must be reused or where the land is too steep for economical pond construction. A fish raceway is a long, narrow channel especially designed for fish

production through which there is a continuous flow of water.

Cages are used in water where it is impractical to grow and harvest catfish by regular methods. Cages are made of corrosion resistant wire on wooden or metal frames, have a hinged door on the top for feeding and harvesting, and are floated by styrofoam blocks.

"Help in pond design and location is available from SCS offices," Goode said. "Since there are several hazards to raising catfish, producers should plan their operation carefully," he warned.

Single copies of the new booklet, "Catfish Farming," are available free from SCS offices. For more information, contact the SCS office in Colorado City.

Dally Hosts Club Meeting

C-Clay Lake Home Demonstration Club had their regular meeting in the home of Mrs. A. E. Dally West of Lake Colorado City, Tuesday at 2 p.m.

The meeting was called to order by the president, Mrs. W. C. Harlow. Mrs. Willis Pierce was welcomed as a visitor. The club prayer was led by Mrs. Kay Morris. Roll call, minutes and treasurer's report were given by Mrs. Dally, secretary-treasurer.

Mrs. Roy Norman will attend the "Social Role of Clothing" training meeting March 26 and will present this program in the April club meeting. Mrs. Dally attended the training meeting on "Quick and Easy Meals" held Jan. 23 by the Mitchell County Extension Agent, Janis Choate. She presented in the meeting Tuesday.

Recipes, including the one for the casserole made by Mrs. Dally for the program, shopping guides and sample menus were given to those present.

Refreshments included the casserole, pecan pie, coffee and tea.

Members who attended the meeting were Meses. Roy Norman, Kay Morris, Linda Smith, Frances Taggart, W. C. Harlow, Bobby Lemon, Dee Cloud, R. D. Penny and Mrs. Dally, the hostess.

The next meeting will be with Mrs. Kay Morris March 9 at 2 p.m.

NOTICE OF ELECTION
THE STATE OF TEXAS:
COUNTY OF MITCHELL:
CITY OF COLORADO CITY:
TO THE RESIDENT,
QUALIFIED ELECTORS
OF SAID CITY:

TAKE NOTICE that an
election will be held in said
City as provided in an OR-
DINANCE CALLING AN
ELECTION duly passed by the
City Council of said City,
which Ordinance is substan-
tially as follows:

ORDINANCE CALLING AN ELECTION

THE STATE OF TEXAS:
COUNTY OF MITCHELL:
CITY OF COLORADO CITY:

WHEREAS, this City Council
deems it advisable to call the election
hereinafter ordered; and

WHEREAS, it is hereby
officially found and deter-
mined: that a case of emer-
gency or urgent public ne-
cessity exists which requires
the holding of the meeting at
which this Ordinance is passed,
such emergency or urgent
public necessity being that
the proceeds from the sale
of the proposed bonds are
required as soon as possible
and without delay for
necessary and urgently
needed public improve-
ments; and that said meet-
ing was open to the public,
and public notice of the time,
place, and purpose of said
meeting was given, all as
required by Vernon's Ann.
Civ. St. Article 6252-17.

THEREFORE, BE IT OR-
DAINED BY THE CITY
COUNCIL OF THE CITY
OF COLORADO CITY,
TEXAS:

1. That an election shall be
held on March 6, 1976, in
said City at the following
designated polling place:
**CITY HALL, COLORADO
CITY, TEXAS**
Said City shall constitute a
single election precinct for
said election, and the follow-
ing election officers are
hereby appointed to hold
said election:

Presiding Judge: R.B. Baker
Alternate Presiding Judge:
J.M. Munoz

2. That the Presiding
Judge shall appoint not less
than two qualified election
clerks to serve and assist in
conducting said election;
provided that if the Presiding
Judge actually serves as
expected, the Alternate Presiding
Judge shall be one of
such clerks.

3. That by approving and
signing this Ordinance the
Mayor of said City officially
confirms his appointment of
the aforesaid election officers
to serve at said election; and
by passing this Ordinance
the governing body of said
City approves and concurs
in the appointment of the
aforesaid election officers.

4. That all resident, quali-
fied electors of said City
shall be entitled to vote at
said election.

5. That notice of said
election shall be given by
posting a substantial copy of
this Ordinance at the City
Hall and at two other places
in said City, not less than 15
days prior to the date set for
said election; and a substan-
tial copy of this Ordinance
also shall be published on the
same day in each of two
successive weeks in a news-
paper of general circulation
published in said City, the
date of the first publication
to be not less than 14 days
prior to the date set for said
election.

6. That at said election the
following PROPOSITIONS
shall be submitted in ac-
cordance with law:

PROPOSITION NO. 1

Shall the City Council of
the City of Colorado City,
Texas, be authorized to is-
sue the bonds of said City, in
one or more series or issues,
in the aggregate principal
amount of \$400,000, with the
bonds of each such series or
issue, respectively, to ma-
ture serially within not to
exceed forty years from
their date, and to be sold at
such rates as shall be de-
termined within the dis-
cretion of the City Council,
for the purpose of improv-
ing and extending the City's
Sewer System, with said
bonds to be secured by and
pledge of the Net Revenues
of said City's Waterworks
and Sewer System?

7. That the official ballots
for said election shall be
prepared in accordance with
the Texas Election Code so
as to permit the electors to
vote "FOR" or "AGAINST"
the aforesaid PROPOSI-
TIONS with the ballots to
contain such provisions,
markings and language as

determined within the dis-
cretion of the City Council,
for the purpose of improv-
ing the City's streets; and shall
