BRONCOS WIN 6-A FOOTBALL

. . . Son of a gun . . .

We asked Coach Joe Turner how it feels to be the first coach in Sonora High School history to have an undisputed district champion football team. He assured us it feels wonderful, but hastened to get in a word for the staff.

"This was a tough crown for Sonora to win," Turner said. "Everybody in the district seemed to be all pointed up just for the Broncos, but we had everything a coach could ask for- good boys with penty of spirit, and a wonderful staff in Wuest, Fry and Kenner. I especially want to compliment Fry on his scouting reports. They were really detailed and we played according to the script."

That's a good statement, Joe, but you forgot something. The Broncos had an outstanding head coach to go along with that staff and those boys.

Note from Emmett Askins, former Sonora now living in Snyder- "I noticed that Elmo Mitchell had a fire at his house, so I am sending a box of clothing. Please see he gets it. Regards to all our Sonora friends- Emmett."

Many gifts have been received by the Mitchell family, some in cash, some clothes, some household good. Elmo want to use this column to say that he and his family appreciate everything that has been done.

The electric football scoreboard is almost paid for. The Girls Athletic Association has almost raised its $700 and patrons are only shy $90.50 of their $700. So it looks like it won't be long.

Patrons making cash gifts include Mrs. R. C. Vicars, J. W. Neville, The Ratliff Store, E. A. Brodhead, Ed Henson, Nelson Stubblefield, Joe Neville, Gay Copeland, Duard Archer, S. H. Allison, First National Bank, Wm. Cameron Company, Joseph Berger, W. L. Davis, Harold Friess, George H. Neill, Miers Savell, P.-T. A., Dr. J. F. Howell, John Eaton, John A. Martin, Jr., H. M. Skinner, Elmer Crumley, Bill Cartwright, Joe B. Ross, Bryan Hunt, Lea Allison, Lea Roy Aldwell, Rip Ward, Sonora Stem Laundry, Howard Espy, Edwin Sawyer and Joe M. Vander Stucken.

Within the Air Defense Command of the USAF, Intelligence Collection Teams have been organized to collect vital intelligence information from downed enemy aircraft and personnel following a hostile air attack on the United States. According to a letter from the 4602nd Air Intelligence Service Squadron at Tinker AFB, Oklahoma City, the following procedure is to be followed in case downed hostile aircraft and/or crew members are ever observed:

1. Notify immediately Goodfellow Field, Sheriff or Highway Patrol.

2. Get location down as accurately as possible. Use known landmarks such as roads, towns, etc., as much as you can.

3. Give condition of aircraft, number and condition of personnel, name of persons in charge at crash location.

47-6 Win Over Lions Clinches Title

The Sonora High School Bronco football team broke the ice that that had kept local gridiron hopes frozen for 26 years when they cinched the school's first district football championship by defeating the fired-up Ozona Lions 47-6 Friday night in Ozona. As undisputed champions of District 6-A the Broncos of Coach Joe Turner meet the McCamey Badgers Thanksgiving for the bi-district title.

DISTRICT 6-A CHAMPIONS- Front row: Coach Jack Fry, Harold Garrett, Eusabio Gonzales, Jack Adkins, Sam Gonzales, Turney Friess, Jerry White, Gene Eubank and Coach Oliver Wuest. Second row: Head coach Joe Turner, Armando Badillo, Don Valliant, Tommy Adams, Eddie Smith, Tracy Crites, Jodie Minnick, Richard Mayer, Alfred Trevino and Coach John Kenner. Third row: Jim Skinner, Jack Johnson, George Wright, Billy Frank Turney, Ted Baily Joy, Donald Fuqua, Joe Renfroe, and Tomas Santos. Fourth row: Shannon Ratliff, George Johnson, James McLaughlin, Preston Love, Rus Chalk, Reed Jennings, Augustin Martinez, Felipe Bernal, and Francisco Sanchez.

In taking on the Lions for their last district game of the season, the Broncos got a little "fired-up" themselves, and put on an 86-yard drive the first time they got the ball to make the score 7-0 in the first six minutes. It was rather easy for the backs to run through the holes the hard-charging line opened. According to George Wright, Sonora tailback who scored three of the Broncos' touchdowns, "anybody could run through the holes I had." Nevertheless, Wright, Minnick, Crites and Jack and George Johnson seemed to be running harder than they had all season.

After receiving the kickoff following the first score, Charles Garlitz, heady Ozona back, opened a passing attack from his own 40. Hale made 20 to the Sonora 40, where he was hit by Sam Gonzales. Jack Johnson threw Garlitz for a loss, and Jodie Minnick intercepted the next pass on the Sonora 32. Crites, Wright and Minnick alternated carrying chores to drive to the Lions 32. The line was charging so hard on this drive it was breaking up the secondary. Minnick made 5 to the Ozona 27 as the quarter ended.

Second Quarter

Crites made 17 over tackle to the 10. Wright handed off again to Crites who was stopped on the 1-footline. Wright climbed over the center pile-up to score. Wright's kick was good. Score 14-0 Sonora.

Ozona received on its own 39, but Garlitz' receivers could not get loose, and his passing attack failed. On fourth down Donald Fuqua tossed Garlitz for a 12-yard loss and Sonora took over. On the first play, George Wright went over tackle for a 27-yard scoring run, but holding penalty on Sonora brought the ball back. Hale intercepted a Wright pass, but Ozona could not gain and Garlitz got off the longest punt seen in a Sonora game this year, a 78-yard boot that overshot the Bronco safety and fell dead on the 8. Wright pulled the same play over tackle and this time he went 42 yards behind good blocking to the 50. A pass failed. Wright made 5. Crites went around left end to the Ozona 33, Minnick to the 26, and Crites to the 16. Wright made 2, and Minnick carried to the 2 yard stripe. Minnick plunged over on the next play and Wright's kick was good. Score 21-0 Sonora.

Ozona came back to their own 0, but the drive stalled when Fuqua stopped Garlitz on the 37 for a loss. Minnick broke up a pass, and a vicious tackle by Billy Frank Turney stopped Garlitz as the half ended.

Third Quarter

An onside kick by Ozona caught Sonora off guard and the Lions recovered on the Sonora 49. Ozona caught fire and McMullen, Garlitz and Martinez used straight line plays to carry to the Sonora 24. Garlitz passed to McMullen on the 20, then to Rodriguez on the Bronco 14. Garlitz plunged to the Sonora 2 and Martinez ran left end for the score. Point try failed. Score 21-6 Sonora.

On the kickoff the Lions tried another onside kick, but it failed to cover the necessary 10 yards and Sonora took over on the Ozona 45.

Wright made 9, Minnick gained 5 and Wright went around end for 16 yards to the Lions 15. Crites carried to the 6 and Wright punched over. Point failed. Score 27-6 Sonora.

Ozona received and Taylor made a beautiful return to the Ozona 42. A Garlitz to Taylor pass was good to the Sonora 12, and Martinez carried to the 7. McLaughlin, Chalk, Joy, Fuqua, Smith, Renfroe and Ratliff cut down the running attack and Minnick nailed Garlitz back on the 10 on fourth down. It took Sonora just six plays to score from there. Minnick made 5, Crites 6, and Wright ran 22. A Wright to Crites pass was for 30 yards to the Lions 22. Interference was ruled on a pass to Chalk and the ball went down on the 12. A Wright to Jack Johnson pass was good for the score. A pass attempt for point failed. Score 33-6 Sonora.

Fourth Quarter

Ozona came back fighting, but the Sonora line was giving Garlitz more and more trouble getting his passes off. Garlitz was a very dangerous passer, being able to get the ball off to either side while running at full speed. But constant rushing in this quarter by Billy Frank Turney, Eddie Smith, who turned in a top game all night, and Sam Gonzales, worried him and Crites intercepted his second pass of the quarter on the Sonora 15.

Wright made 8, than passed to Ratliff on the Sonora 28. Crites went inside to the 38, and Wright outside to the 44. Wright tossed to Rus Chalk who was stopped on the Ozona 41. Eddie Smith got the key block. A penalty set Sonora back to its own 45. On the next play, George Johnson, behind near perfect blocking, got around left end for a 55-yard touchdown run. Wright ran over tackle for the point. Score 40-6 Sonora.

Ozona's Hale took the kickoff and Jack Adkins went deep to stop him on the 15. Garlitz tried the line but was halted by Eddie Smith for no gain. Garlitz tried a pass to McMullen, but Gonzales intercepted with a shoestring catch on the Ozona 20. George Johnson made 8 yards to the 12, Sam Gonzales carried to the 5, and Johnson made it a first down on the 3. Tracy Crites carried over but Sonora was offsides and the ball went back to the 8. Crites plunged to the 1, and Johnson went over the tackle slot for the score. Johnson's kick was good. Score 47-6 Sonora.

On the kickoff Garlitz lateralled to Hale on the sideline, but he was caught on the 50 by Gonzales, Turney and Wright. A Garlitz to Martinez pass was good to the Sonora 40, and another to McMullen was good to the 25. On third down a pass into the end zone was broken up by Gonzales. Garlitz ran on fourth down, but Eddie Smith shook off a block and stopped him back on the 30.

Harold (Pee Wee) Garrett made 5 yards off tackle for Sonora on the last play of the game.

STATISTICS

Sonora		Ozona
22	1st. downs	14
516	yds. rushing	135
119	yards. passing	101
635	total yards	236
10	pass att.	26

Touchdowns: George Wright3; Jodie Minnick 1. Jack Johnson 1; George Johnson 2.

Rushing: George Wright carried 22 times for 267 yards; Tracy Crites 14 for 108; Jodie Minnick 6 for 33; Sam Gonzales 4 for 16; George Johnson 6 for 87; Harold Garrett 1 for 5.

Defense Council; Meeting Monday Appointments Completed For Civil

Mayor Alfred Schwiening and County Judge G. A. Wynn have completed appointments to the Sutton County Civil Defense Council and have called a meeting of all committee chairmen and interested citizens at 7:30 o'clock Monday night, November 30, at the Court House.

Joe M. Vander Stucken has been named director of the council. Judge Wynn said the meeting follows the completion of a series of talks on civil defense by Boyd Lovelace. Lovelace attended the civil defense school at Texas A. & M. College and has spoken to most of the clubs and civic groups in Sonora.

Other committee heads are:

Fire Protection- Lee Patrick, chairman; John A. Martin, Jr., chairman rescue squad committee.

Emergency Police- Lawrence Nichols.

Transportation- W. D. Kring.

Welfare- George E. (Bud) Smith.

Medical and First Aid- Mrs. Cashes Taylor, Mrs. Lawrence Nichols.

School Training- E. A. Brodhead.

Home Training- Cashes Taylor.

Utilities and Power Plants- R. M. McCarver.

First Aid Training- S. M. Loeffler.

Communications- Nelson Stubblefield.

How Sonora and its people will fit into the civil defense program in time of war may best be told by quoting a paragraph from a booklet released by the Federal Civil Defense Administration.

"To minimize the effects of enemy attack in terms of human suffering and loss of life, a big part of Emergency Welfare Service is planning for the organized and supervised removal of a portion of the civilian population from areas designated as dangerous, and for their reception and care in areas considered safe. Unorganized movement of people must be anticipated also and care provided for their welfare needs."

Boyd Lovelace returned Monday from a successful deer hunt at the Livingston ranch near Shafter. Others members of the party included Dr. M. R. Weideman, Chris Schruab, Chester Simon and Marvin Cowsert of Junction and Art Goodlow of San Antonio.

Two Burned In Butane Fire At Wyatt Well

Two men were burned, one seriously, when a tank of butane gas caught fire about midnight Tuesday at the No. 1 Carnie Wyatt well 31 miles southeast of Sonora.

George Davis, 32, of Sterling City, was burned about the body and legs when high pressure evidently broke the hose connection between his truck and a storage tank and allowed gas to flood under the doghouse nearby and catch fire from a stove. George White, a driller, was caught in the doghouse but managed to escape after receiving slight burns.

Davis ran about 500 yards up the road and flagged down the morning tower crew, Ira Brannon, Pete White, D. F. Sessum and Claude Bradshaw, which was coming to work. Two of the crew, Sessum and Bradshaw, brought him to Hudspeth Memorial Hospital. He was reported out of danger Wednesday morning. Davis is a driver for the Cole Butane Company of Sterling City.

The well is being drilled by the Joe Mabee Drilling Company of Midland. Frank Pitts, evening tower driller was on the rig at the time of the accident. Pitts said butane also flooded under the rig platform and for a while threatened the whole rig. The project was drilling ahead at 4,410 feet when the fire started and Pitts pulled the tools off the bottom before leaving the floor.

Sonora volunteer firemen answered the call and quickly brought the rig fire under control. The truck and storage tank were left to burn, however, to minimize danger of an explsion.

Damage had not been estimated early Wednesday morning but will probably run close to $150,000, since two 350 horsepower diesel engines, in addition to the transport truck and rig installations, were extensively damaged.

PHILLIPS TESTS GOOD

Phillips No. 1 Reiley was still testing in the Strawn this week between 4,172 and 4,220 feet. The well pumped 71 barrels of oil and no water in 24 hours. It is bottomed at 4,635 feet and plugged back to 4,607 feet.

Attend SOME Church Sunday.

Broncos Tangle With McCamey For Bi-District

Sonora's Broncos, undisputed champions of District 6-A, tackle the McCamey Badgers Thanksgiving afternoon in McCamey in what promises to be a game with plenty of action from start to finish.

The Badgers, who came from behind to edge the Wink Wildcasts 12-6 last Friday night, took a bruising, but will no doubt have the red carpet rolled out for the visitors. Since the two districts have been playing each other, 5-A has come to look on 6-A as the weak sisters of West Texas Class A football. As one McCamey player put it after the Wink game, "It looks like we'll make it the rest of the way now."

Game time will be 2 o'clock. McCamey won the toss at a meeting in Sheffield Saturday. Admission prices are $1.50 adult and 50 cents student, with Sonora getting half the gate.

The Sonora second team ran McCamey plays Monday and Tuesday, running off the T and split T, and doing quite a bit of passing. The Broncos emerged from the Ozona contest in good shape. Sam Gonzales, defensive back, sprained a wrist, but it is believed he will be ready to go Thursday. Tommy Adams, who injured a knee in the Eldorado game, and Jim Skinner, who hurt an ankle in the Mason game, were not used in the Ozona game, but may be ready for McCamey.

To date the Broncos have scored 264 points to their opponents' 85, while the Badgers have tallied 302 to 97. In comparative scores Sonora defeated Eldorado by three touchdowns more than did McCamey, but McCamey beat Iraan 45-0, while the Braves beat Sonora 26-12. On the other hand, Reagan, whom the Broncos defeated 13-0 beat Iraan 26-18. So in the final analysis, the bi-district game will belong to the team which wants it the worst.

Mrs. Leuella O'Leary returned Wednesday from Austin where she spent the past month with her daughter, Mrs. W. M. Peacock and family.

MENARD COACH, BOYS BOOSTING BRONCOS

Guy Wheeler and his Menard Yellowjackets, who tied Sonora 6-6 earlier in the season in a no-penalty game, again proved their outstanding sportsmanship Tuesday when they sent Coach Joe Turner and members of the Bronco team the following telegram: "BEST OF LUCK AGAINST McCAMEY. WE ARE BACKING YOU 100 PERCENT BEAT THEM. -COACH GUY WHEELER AND FOOTBALL SQUAD."

Turner said he appreciated the wire very much- that it was typi of Wheeler and the brand of football he teaches.

BUFORD ADAMS RECOVERING FROM EYE SURGERY

Buford Adams, teacher in the Elliett School, is recovering in the Manhattan Eye, Ear and Throat Hospital in New York City from an eye operation.

A. C. PRACTICES DEADLINE SET DECEMBER 20

Ranchmen wishing to sign up for conservation practices under the 1954 AC Program must do so between December 1 and December 20, 1953, according to W. B. McMillan, chairman of the AS & C Committee of this county.

Forms may be obtained at the local office in the Court House. Ranchmen signing up will be given a 1954 ACP Handbook which will have the cost share rates and specifications for practices approved for this county.

Mr. and Mrs. A. C. Elliott will spend Thanksgiving at Concord with his sister, Miss Wilma Elliott.

Mrs. Robert Kelley, Jr., accompanied by her son, Bobby, left Tuesday to spend three weeks with her parents, Mr. and Mrs. Harry Pearson at Beaumont.

Mrs. Harold Saunders and Mrs. John Bell were in Fort Worth Monday and Tuesday to see her son, Capt. A. W. Saunders.

LET'S TALK LIVESTOCK

BY TED GOULDY

Fort Worth—The robust appetite of the Nation for meat asserted its power price-wise in the pre-Thanksgiving livestock market at Fort Worth Monday.

While fed steers and yearlings were barely steady in the face of competition from turkey, other fowl and game of the season-the other cattle and calves enjoyed higher prices.

Cows were strong to 50 cents higher. Slaughter calves were fully 50 cents higher Bulls drew strong prices. Stockers and feeders were strong to 50 cents up. Butcher hogs topped at $22 and $22.25, or 50 cents to 75 cents up. Sows advanced 50 cents, to $18.50 to $20. Some 322 pound hogs brought the top.

Slaughter lambs were stronger and other sheep and lambs fully steady.

The tendency toward a stable Thanksgiving week market in cattle was established during the war and has been maintained. However, this year the lamb market held steady in the week before and also Thanksgiving week-the first time in more than 20 years this has happened.

Top fed yearlings weighing under 900 pounds and consigned by V. O. Hildreth, Parker County, drew $23. Numerous loads of well finished beeves sold for $18 to $22. Most grassers drew $12 to $16, with lower grades $8 to $11. Fat cows drew $10 to $15, some heiferettes in the $13 to $15 field, including some barren, purebred Herefords from a registered herd. Canners and cutters drew mostly $7 to $10, a few shells lower. Bulls drew $8 to $12.

Fat calves of the better kinds drew $14 to $18, yearlings weights in the beef cattle bracket. Cull, common to medium kinds sold from $7 to $13.

Good and choice stocker calves and yearlings drew $14 to $18, some calves to $19. Stocker steers drew $17 down. Stocker cows sold at $8 to $12.

Fat lambs drew $17 to $18.50, and feeders sold from $17 down. Both classes were eligible to top prices well above those marks on the right kinds. Old wethers $7 to $10. Slaughter ewes $5.50 to $7. Old bucks $3 to $3.50. Medium to fair yearlings drew $13 to $14, and were quotable higher.

If you're an HBD, your're headed for trouble when you drive a car.

Those three letters can increase the seriousness of any traffic charge against you, make it practically certain you'll be convicted—and increase the penalty. HBD, written on the police blotter, stands for "had been drinking." And if they're written alongside a traffic charge against you, they mean trouble. It isn't necessary to be drunk while driving. "Had been drinking" is enough—even if you've had only those proverbial "couple of beers."

If you must have alcohol while driving, put it into the car's cooling system, where it's needed for winter protection. The new car dealer who handles your make of car can recommend the correct antifreeze, because he knows your car best.

Only about 1,500 people died of poisons accidently last year in the United State. Unless, that is, you count alcohol in a driver as a poison—which it is, judging by results. Last year about 22% of all drivers or pedestrians involved in fatal accidents were those who "had been drinking."

For when a driver or passenger is taken to the hospital after an accident, the hospital all too often adds three more letters to the HBD on the police blotter. Those three letters are DOA—dead on arrival.

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - - I plan to start training under the Korean GI Bill. Can you tell me what evidence I'll have to furnish the VA to establish dependency of my wife and child, so that I can get a higher rate of allowance?

A - - You must submit a certified copy of the public or church record of your marriage, and a certified copy of the public record of birth or the record of baptism of your child. If either you or your wife have been married before, additional documents will be required.

Q - - I am a World War II veteran with a $5,000 National Service Life Insurance policy. Would it be possible for me to obtain $5,000 more of GI insurance?

A - - No. The law now prohibits the issuance of new policies to World War II veterans who did not return to active service after the Korean hostilities started.

Q - - I was training under the World War II Bill at the time I was called back to active military duty. I've just been separated. May I resume my GI studies?

A - - Yes. You may resume your training under the World War II GI Bill, so long as you go back into training within a reasonable period after your separation.

It's *WHERE* you buy a used car that counts!

OUR FORD USED CARS AND TRUCKS ARE PRICED TO S-E-L-L

When you can trust the dealer who sold you a used car, you can trust the car.

The next question, then, is: *Who* can you trust *most?*

We Ford Dealers are established business men with large investments at stake. Our business reputation depends on *every* business transaction—whether it is a new car sale, a used car sale or a service operation.

We want your used car business, and some day we hope to sell you a new car or another used car. And we want your service business, too!

"But," you say, "granted that you Ford Dealers have reputations to uphold, granted that your mechanics and service facilities make it easier to put your used cars in good shape—how do you compare in price?"

Let us give you some facts and the answer will be obvious. Ford Dealers handle used cars and trucks as a service to customers who trade them for new cars. When we get overloaded with trade-ins, our capital is tied up. Like everyone else, we have to pay our bills. So we must always offer used cars at rock-bottom prices to keep things moving.

You can trust your FORD DEALER'S A-1 USED CARS *and* TRUCKS

there's more 'go' in every gallon

. . . But don't take our word for it. Try Mobilgas and see. Since one out of every three dollars you spend on your car goes for gasoline, mileage economy is mighty important. So do as the experts do in the Annual Mobilgas Economy Run: 1. Give your car regular Mobil-Care. 2. Drive with care. 3. Always use Mobilgas or Mobilgas Special.

The Woman's Page

Mrs. Artie Davis, Society Editor — Sonora, Texas, Friday, November 27, 1953

JUST US CLUB MEETS WITH MRS. A. C. ELLIOTT

Mrs. A. C. Elliott was hostess to the Just Us Club at her home Monday afternoon.

Autumn colors were carried out in decorations, floral arrangements and table appointments.

Mrs. Rip Ward won the high club score and Mrs. G. H. Hall won second high club score. Mrs. Collier Shurley won high guest score, second high guest was won by Mrs. Marion Elliott and Mrs. J. H. Brasher won bingo.

Mince pie topped with whipped cream and coffee were served to Mmes. Rip Ward, J. S. Glasscock, G. H. Hall, Paul Turney, J. F. Howell, C. A. Tyler, Cleve T. Jones, Jr., Herbert Fields and guests Mmes. Collier Shurley, J. H. Brasher, J. W. Elliott and Marion Elliott.

SOPHOMORES HONOR STUDENTS WITH DANCE

The Sophomore Class honored the Sonora high school students with a dance Saturday night in the school cafeteria.

Sponsors were Miss Dudley Hambright and John Kenner.

Room mothers assisting were Mrs. John Eaton and Mrs. H. B. Smith.

The cafeteria was decorated with posters with "Beat The Badgers" written on them placed about the room. The schools color scheme was carried out in the decorations with red and black streamers and red and black balloons hanging from the ceiling.

A red cloth covered the table. The centerpiece was an arrangement of bronze mums.

The students danced to recordings.

Priscilla Pfiestter tap-danced accompanied at the piano by Martha Mittel.

The decorating committee were Ruth Drennan, Laverne Fields, Priscilla Pfiester, Nancy Hunt, Martha Mittel, Carlos Loeffler, Danny Letsinger, Billy Martin and Jack Adkins.

Serving as the refreshment committee were Marla Schwiening, Elsie Street and Vicki Savell.

A sandwich plate, cookies and cold drinks were served to approximately seventy guests.

Others attending were Miss Ann Palmer, Mmes. W. H. Dameron, Ray Baker, G. H. Hall, S. M. Loeffler, Mr. and Mrs. Normans S. Davis and S. G. Mayfield.

MRS. FRANK BOND HOSTESS TO CLUB

The Thursday Luncheon Club met at the home of Mrs. Frank P. Bond.

Orchid chrysanthemums were used as a centerpiece.

Mrs. Gay Copeland won the high club score, Mrs. George H. Neill won second high, Mrs. Joe B. Ross won high guest and Mrs. S. H. Allison won bingo.

Attending were Mmes. Lea Allison, Sam Allison, Charles F. Browne, Gay Copeland, George H. Neill, Joseph Vander Stucken, Howard Espy, and guests Mmes. J. T. Ratliff, Rip Ward, Edwin Sawyer, Joe B. Ross, B. H. Cusenbary and W. R. Cusenbary.

Your Health

Dr. Geo. W. Cox, State Health Officer, says that it is the duty of every citizen, young and old, to help in preventing the spread of disease. Every man, woman and child in Texas has a personal obligation to keep as well as possible, and to do all they can to protect others from illness. Even a child in kindergarten can be taught to cover a cough or sneeze and thus help in preventing the spread of colds or other diseases that start with the symptoms of a cold.

Dr. Cox emphasizes the fact that the local health officer can do little to break the chain of communicable disease in the community if he does not have the whole-hearted support of the people. Every case of illness that looks suspicious of being a communicable disease should be promptly reported to the health officer. Physicians report to the county or city health officer the case of communicable diseases they diagnose, but parents often fail in this duty. The local health officer cannot start control measures unless he is informed of cases or suspected cases of communicable diseases.

Some signs and symptoms which often accompany communicable disease are: running nose, coughing and sneezing, dizziness or faintness, swelling about the neck, sore throat, unusual paleness, ear ache or running ears, feverish appearance, rash, nausea, vomiting or diarrhea and irritability or other change in normal behavior and appearance.

Help to prevent the spread of communicable disease in your neighborhood by observing correct health practices and reporting promptly any appearance of suspicious symptoms.

MISS MAYER FETED WITH SHOWER SATURDAY

Mmes. G. H. Davis, Fred T. Earwood, George Barrow, Bryan Hunt, Armer Earwood and Robert Mayer were hostesses at a coffee and Kitchen Shower honoring Miss Doris Jane Mayer, bride-elect of Norman Wayne Rousselot, Saturday morning at the Davis home.

The table was laid with a yellow linen cloth and centered with a three tiered black polished wrought-iron container filled with an arrangement of colorful vegetables flanked on either side by matching black candelabra holding yellow tapers.

On the buffet were a bowl of yellow chrysanthemums.

In the receiving line were the hostesses, the honoree and her mother, Mrs. E. S. Mayer, and Miss Nancy Bryan Hunt.

Each guest registered by placing their favorite recipes in a file for the bride-elect.

Mrs. Jack Grafa and Mrs. Gene Shurley were at the guest registry and also alternated at the coffee service.

Approximately fifty guests attended.

MMES. BROWN, CAUTHORN HOSTESSES AT PARTY

Mrs. Maysie Browne and Mrs. J. A. Cauthorn were hostesses at a '42' party Saturday at the home of Mrs. Rip Ward.

Arrangements of fall colored flowers, leaves and berries were placed about the party room.

Mrs. O. G. Babcock won high score, Mrs. Joe Berger won second high score and the bingo prize was won by Mrs. J. H. Brasher.

Pumpkin pie, coffee and tea were served to Mmes. O. G. Babcock, Joe Berger, Robert Kelley, Lee Labenske, Robert Rees, T. W. Sandherr, Rose Thorp, R. V. Cook, C. E. Stites, B. C. McGilvray, Charles Hull, R. G. Nance, B. W. Hutcherson, Annie Sharp, Theresa Friend, Mae B. Sawyer, J. E. Eldridge, J. H. Brasher and C. A. Tyler.

Cases arising out of similar circumstances would not be decided on settled principles but on the personal ideas of the trial judge or juror.

Because cases must be tried and determined on established and recognized public standards of right and wrong, we call ours a government of law and not a government of men.

Judges have access to statements of the law and know which apply to the situation involved in any lawsuit. So that justice may be done according to the law, it is imperative that the jurors in each case accept the law as the judge gives it to them. They are therefore required to base their verdict on his instructions as to the law, rather than on their own notions of what the law is, or ought to be.

For somewhat similar reasons there are rules governing the way a case is to be tried in court. These rules prescribe what must be stated in the pleadings, in what order evidence must be presented, what evidence is proper, what form questions must take, in what order lawyers are permitted to argue, what is permissible and what is not permissible argument.

If it were not for these rules no one could foresee what would happen during a lawsuit. It would be impossible to prepare properly for the trial. No one would know, until the judge had ruled, what he would be permitted to say or do, or in what order. Such a situation would inevitably result in confusion and injustice.

The whole purpose of laws and rules is to insure equal justice by providing a single standard of rights and duties, applicable to all persons similarly situated.

(This column, based on Texas law, is written to inform-not to advise. No persons should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

FLOYD-CONNER WEDDING READ HERE SATURDAY

In a double-ring ceremony performed Saturday at noon at the First Methodist Church, Miss Billie Jean Conner of Ozona became the bride of J. O. Floyd, Jr., of Big Lake. The Rev. W. H. Marshall officiated.

Personal Notes

Mr. and Mrs. J. A. Ward, Jr., had as their guests Friday, their nephew, Lt. Richard White and Mrs. White of Abilene. Lt. White recently returned from a tour of duty at Goose Bay, Labrador.

Raymond Barker of Phoenix, Arizona, was here last week, the guest of his brother, Granville Barker, and Mrs. Barker.

Mr. and Mrs. H. B. Darcy of Carmel, California, spent Wednesday through Friday here with her sister and brother-in-law, Mr. and Mrs. W. A. Carroll and son, Darcy.

Mrs. Stella Keene has as guests through Thanksgiving her daughter and son-in-law, Mr. and Mrs. Glen Chadwich and son, Bill, of Socorro, New Mexico.

Dr. and Mrs. W. R. Johnson and family are here to spend several days as guests of his parents, Mr. and Mrs. Alvis Johnson.

The World Is His Background

Henry J. Taylor, noted economist, author and journalist, and one of radio's most established commentators, is shown in a proper setting, with the world as his background, on his return from another one of his around-the-world tours to get international background at firsthand from leaders of other nations, as well as grass-roots people everywhere.

The penetrating, accurate, complete reports which Henry J. Taylor gives his listeners on his Monday nights ABC broadcasts come as a result of years of study of the economic and political histories of our country as well as those of other countries in the world, and a keen analytical sense which can pick out the important things, and convey their full meaning and import to the public.

Colonel Homer Garrison, Jr.
DIRECTOR, TEXAS DEPT. OF PUBLIC SAFETY,
Reminds Motorists That:
"It's true you have until next April 15 to get your auto inspected to be in compliance with the State Law; but an accident due to faulty equipment may not wait. Motor Vehicle Inspection is a safety measure. Don't delay. . . for safety's sake, have you car inspected today!"
Sonora Motor Company

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

GOVERNMENT OF LAW IS AMERICAN IDEAL AND PRACTICE

Nowadays we hear the term "Government of Law" from time to time. Few of us stop to think that this phrase means just what it says and that it is especially important to us as American citizens.

Judges get the law by which they decide the legal questons arising in a lawsuit from three sources; federal and state constitutions; federal and state statutes; and from previous judicial decisions and legal writings. Previous decisions state the public standards of rights and duties in matters not covered by consitutions and statutes.

Lawyers says that if judges and jurors were not bound by law and precedents-if in each lawsuit, the judge or juror could set up a private standard of rights and duties as a basis for deciding that case-no one would know in advance of the decision how he should have acted in a particular situation.

From where I sit ... by Joe Marsh

The Missus Keeps Posted

Ever since our electricity was cut off last year on account of me forgetting to mail in the payment, the Missus has been sort of leery about giving me letters to mail.

At first she'd ask if I mailed them, then double-check my coat pocket at night. She stopped that, and I figured she was convinced I'd learned my lesson.

Then yesterday, I got a postcard at the office in a familiar handwriting. I turned it over and by golly it was from the Missus herself! It read: "Thanks, Joe, for mailing my letters." Well! Looks like she figured I *still* needed some checking-up and slipped that postcard in the last batch of letters.

From where I sit, an occasional check-up is a good thing. Check-ups on just how tolerant we are of other people's preferences and tastes, for example. I like a glass of beer with supper, you may prefer cider—but if I ever try to switch you to my choice, simply "address" me with a reminder of your rights.

Three portraits of a woman

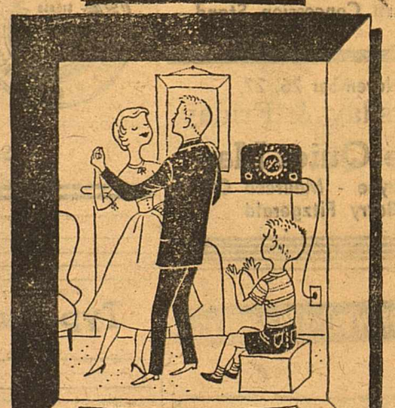

WOMAN WASHING DISHES (with her electric dishwasher)

WOMAN PREPARING DINNER (on her electric range)

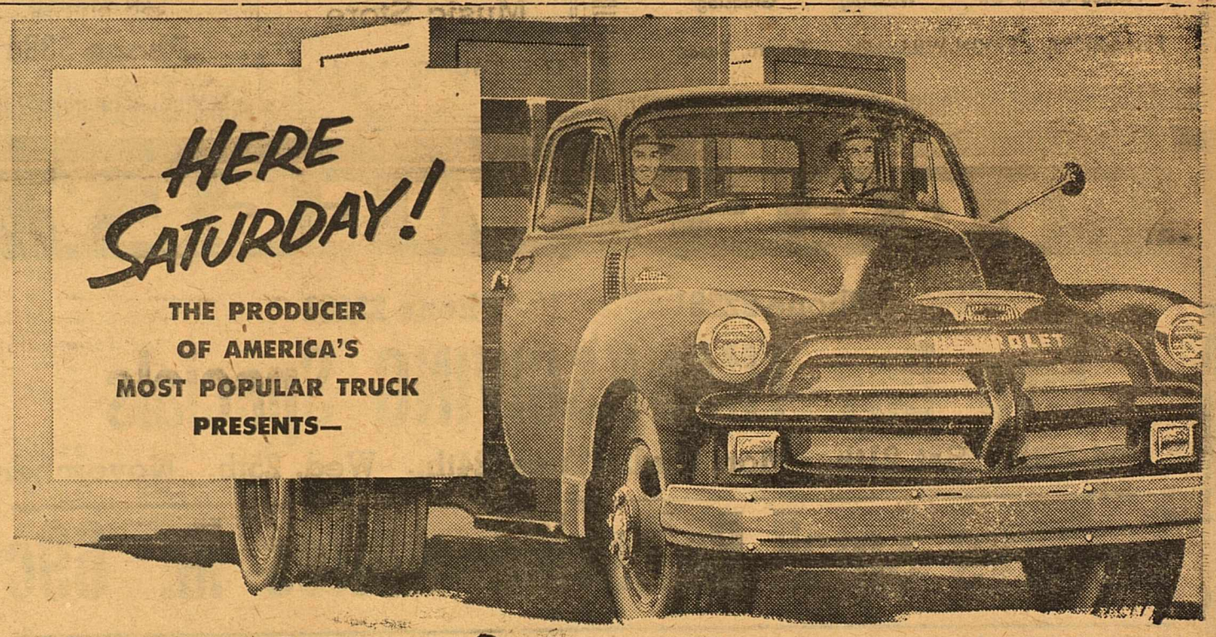

WOMAN DOING THE WASH (with her electric washing machine)

You have extra hours in every day — for your community, your children, yourself — when Reddy Kilowatt helps with the work. Just think for a moment how many tasks he lightens. He helps wash, dry and iron the clothes; cook the meals, do the dishes and cleaning.

He runs dozens of timesavers and conveniences—from deep freezer to bottle warmer — and does it all for pennies a day.

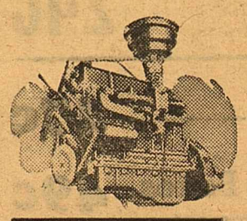

Reddy Kilowatt, your electric servant, is a friend indeed. He's always there when you need him and at a low, low cost. When you stop and think about it, you'll agree: Electric service is the biggest bargain in the family budget.

'WHY MUST I HAVE A PRESCRIPTION?'

That slip of paper in a message from your physician to your pharmacist. When you bring it here, it passes on to us the responsibilty for preparing the medicine especially for you. Your physician has determined your needs, and we welcome the responsibility of interpreting and fulfilling them.

We maintain an extensive stock of hundreds of products to fill any prescription you may bring us. Combined with this extensive stock is an up-to-date scientific knowledge of all kinds of drugs and pharmaceuticals. We are trained to know how much of each type medicine should be given to people of different ages . . . which substances are harmful or ineffective when mixed with others . . . which products may not be sold legally without a prescription to protect you.

We relieve your physician of these tasks and allow him more time for personal attention to you-time he would not have if he had to prepare your medicine whenever you went see him.

SONORA DRUG COMPANY

Flagttail Crop Comes A Cropper

The effects of the drouth in Sutton County were made apparent in another way this week as hunters were able to bring in only 35 deer and one turkey. Hunting season opened a week ago.

The lone turkey was bagged by Joe Knight of Eldorado.

Bucks were killed by Mary John Espy, Paige Knight, Louis Self, J. R. Rosson, J. F. Chesney, R. B. Vandiver, E. S. Mayer, Jr., H. M. Gagle, K. R. Lyles, J. A. Newsom, R. K. Lackey, H. J. Keesee.

Chas. Moore, Mrs. John Conger, John Conger, Pete Ballard, Nancy Bess Wilson, Pat Patterson, B. Badens, Jr., T. F. Wheelis, Jr., Lee Goswick, Joe Lofton, S. O. Langford, Gene Lumpkin, R. J. Moffatt.

Rosa Lumpkin, Bill Hanson, L. P. Haines (2), Mrs. Raymond Morgan, Boyd Lovelace, Ethel Alley, Henry Greenhill, Vernon Marion, and George Renfroe.

Personal Notes

Mr. and Mrs. Bill Bennett of San Angelo were the guests Sunday of his brother and sister-in-law, Mr. and Mrs. G. G. Bennett and family.

Mrs. Marjorie Shoemaker and son, David, of Houston were here over the weekend as the guests of her parents, Mr. and Mrs. G. H. Davis.

Mr. and Mrs. Joe Stowe of El paso accompanied by Miss June Carter of Houston spent the weekend visiting Miss Nettie Word at her ranch.

Mr. and Mrs. George Barrow had as their guests during the Thanksgiving holidays their son, George Barrow, Jr., a student at T. M. I. in San Antonio and their daughter and son-in-law, Mr. and Mrs. Jerrel Hardesty and son, Danny, of Corpus Christi.

Mr. and Mrs. R. L. Garrett of Bangs spent last week with their daughter and son-in-law, Mr. and Mrs. C. E. Slone. The Garretts and Slones spent Tuesday in Eldorado with the Slone's daughter, Mrs. Kenneth Doyle and family.

Pvt. Jack Slone stationed at Ft. Bliss is here on ten days leave with his parentts, Mr. and Mrs. C. E. Slone.

Mr. and Mrs. Billie Dee Drennan were in Mason this weekend to visit with his sisters and brothers-in-lap, Mr. and Mrs. Glen Hayden and Mr. and Mrs. Billie Hayden.

MOTORISTS URGED TO HAVE CARS INSPECTED

Although the final date for inspection of motor vehicles under the new law is not until April 15, 1954, the present low rate of inspections per day indicate there will be the biggest log-jam in history toward the end of the period, according to Tom J. Crooks, manager of the Texas Automotive Dealers Association. Crooks is working with the Department of Public Safety in an effort to interest the public in car inspection long before the deadline.

"Are you ambitious for your children, too? Then, listen," says Mrs. Mary Callon, of Indianapolis, Indiana

"I sent my twins to college—by saving on the Payroll Savings Plan!"

"I've been a working widow since the children were eight," Mary Callon says. "Only through Payroll Savings could I have saved the money that sent them to college."

You can send your child to college, just as Mary Callon did. A sure way is to begin saving *today* on the Payroll Savings Plan!

It works because it *makes* you save. *Here's how simple it is:*

You decide how much you'd like to save out of every pay. Go to the payroll office where you work and sign to save that amount every payday. The sum is then automatically saved out before you draw your pay. You can sign up to save any amount you wish. Your savings automatically purchase Series E Bonds, delivered to you.

Then your savings *really* grow. For every Savings Bond earns *more* money—at an average of 3% interest per year, compounded semiannually, when held to maturity.

How about it? For your sake, and your family's sake, will you sign up for Payroll Savings—*today?*

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately $1,000	$5,000	$10,000	$25,000
Each week for 5 years, save	$3.75	$18.75	$37.50	$93.75
Each week for 9 years and 8 months, save	$1.85	$8.80	$18.75	$45.00
Each week for 19 years and 8 months, save	$0.75	$3.75	$7.50	$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can ve *any* sum you wish, from a couple of dollars a payday to $375 a month. The important thing is, *start your Plan today!*

Start your child's college fund today . . . Invest in U. S. Savings Bonds through the Payroll Savings Plan!
