

Kennedy Warns Soviets Relations May Suffer

Spy Charge Is Denied

ACE BALL

WASHINGTON (AP) — President Kennedy warned the Soviet Union today that the arrest of Frederick C. Bargoorn of Yale as an alleged spy could have "a most serious effect on future U.S.-Russian cultural relations."

Flatly denying that Bargoorn, a distinguished political scientist, was spying, Kennedy spoke out strongly at a news conference. Shortly before the conference, the United States had abruptly canceled negotiations with Moscow for a new cultural exchange agreement.

"Prof. Bargoorn was not on an intelligence mission of any kind," the President emphasized. The United States, the chief executive asserted, is deeply concerned not only at the arrest of Bargoorn, but at the fact that U.S. officials are kept in ignorance for days about the fact of his seizure.

Foy D. Kohler, American ambassador, and other U.S. diplomats have lodged six protests with Russia in the last 33 hours, Kennedy pointed out.

Bargoorn, the President asserted, had played a most helpful and constructive role in the exchange of students with the Soviets and in other cultural affairs.

His arrest was completely unjustified, Kennedy added, and "his early release is essential if these cultural programs are to continue." Kohler was asked Wednesday night to give his opinion on whether a delegation, scheduled to leave for Moscow today to discuss the cultural agreement should postpone the trip.

Kohler's reply reached the State Department slightly more than an hour before Kennedy was due to meet newsmen. The ambassador, officials said, advised that the negotiations should be canceled at least until the Soviets give a satisfactory reply to the strong U.S. protest filed against the arrest of the Yale professor.

Bargoorn, a political scientist and head of Yale University's Department of Soviet Studies, is a member of the committee which handles the placing of Soviet students who come to the United States under the exchange agreement and screening American students going to the Soviet Union.

The Soviet Foreign Ministry notified the U.S. Embassy in Moscow Tuesday that Bargoorn, 52, had been arrested several days earlier on spy charges. The professor, author of several books critical of Russia, had been traveling on a 30-day tourist visa.

Though no decision on the trip has been made as yet, the feeling at the State Department is that it should be postponed unless Bargoorn is released.

Wednesday, Foy D. Kohler, U.S. ambassador to Russia, called on Soviet Deputy Foreign Minister Valerian Zorin in Moscow and demanded Bargoorn's release.

While the administration was awaiting Moscow's reaction to Kohler's protests, the State Department said that a 15-member, so-called goodwill delegation from the Soviet Union is nothing but a vehicle for Soviet propaganda and not "an appropriate organization for the conduct of exchanges."

NEW OFFICERS of the Texas Missionary Baptist Association were elected Wednesday. Pictured are the Rev. Harold Davis, pastor of the Unity Baptist Church of Longview, elected secretary; the Rev. Luther Crawford, pastor of the Hillcrest Baptist Church of Lamesa, re-elected president; and Dr. L. Chester Guinn, pastor of the Calvary Baptist Church of Henderson, who will serve as vice president. The Association meeting adjourned at noon today.

BAPTIST MISSIONARIES elected by the Association meeting here are pictured above. They are the Rev. William H. Hitt, pastor of the First Baptist Church in Lone Star who will serve as secretary-treasurer of Missions; the Rev. J. C. Askew of Borger; the Rev. Jack Strickland of El Paso; and the Rev. Hiram Melton of Houston. Also elected to serve as a missionary was the Rev. William H. Lynch of San Antonio. The Association will meet next year in Longview.

Missionary Baptists Pick Longview For '64 Session

The Missionary Baptist Church in Longview was selected as host church for the 1964 session by messengers to the annual meeting which ends here today.

The Rev. W. Herbert Brown is pastor of the Longview Church. The Rev. Luther Crawford of Lamesa was re-elected president of the association, and Dr. L. Chester Guinn, pastor of Calvary Baptist Church in Henderson, was elected vice president.

Other officers elected at the business session include: 1st Rev. Harold Davis, pastor of Unity Baptist Church in Longview, and the Rev. Frank Summers, pastor of Landmark Baptist Church in Mount Enterprise, re-elected recording clerks; the Rev. J. W. Griffith, auditor, and the Rev. Jack Dean, pastor of Northside Baptist Church in Snyder, publicity director.

Northside Baptist Church has been host to the 1963 session, which ended at noon today. The messengers and visitors were welcomed Tuesday by Rev. Jack Dean, by Dr. John Hamblen, mayor and by R. C. Patton, president of the Snyder Chamber of Commerce. Patton lectured as host church for the 1964 session by messengers to the Missionary Baptist Association annual meeting which ends here today.

Northside Baptist Church Youth Choir presented special music at the Tuesday evening service, and the Rev. Harold Walker, pastor of the Missionary Baptist Church in Grand Prairie, brought the evening message.

"Holy Spirit Power is necessary for every part of Christ's service if we are to succeed," Rev. Walker stressed in his message.

The Rev. William Hitt, pastor of First Baptist Church in Lone Star, was named secretary of missions. Missionaries elected were the Rev. Jack Strickland of El Paso, the Rev. Leon Hawkins and the Rev. Harry Romero, foreign missionaries of the American Baptist Association, gave reports on their work in Mexico. A report on Christian education was given by Dr. A. J. Kirkland, president of the Texas Baptist Institute and Seminary in Henderson.

This morning, messengers heard a report from the Rev. Jose Jorkin, foreign missionary of the American Baptist Association. Reports also were heard on youth work and women's auxiliaries.

Ambush Said Double Cross

By C. S. CHIN Associated Press Staff Writer SEUL, Korea (AP) — The U.N. command accused Communist North Korea today of a double-cross ambush of eight U.S. and South Korean soldiers in the demilitarized zone. One American was wounded and a South Korean captain was presumed dead. The U.N. command said the Communists trapped the tiny unit and fired about 1,000 rounds in about four hours Wednesday afternoon. Seven men escaped after darkness fell.

North Korea was advised in advance that the two Americans and six South Koreans were going into the zone to check border markings, a U.N. spokesman said, and each man wore a yellow arm band identifying him as being on "authorized business."

The South Korean, seriously wounded, was left behind when the rest of the group plunged into an icy river and hid beneath its bank until dark.

The wounded American, an enlisted man, was shot in the thigh but got away. His identity was withheld until his family was notified.

The other American, Lt. Col. Alphas R. Clark, 43, of Leavenworth, Kan., also was hospitalized, suffering from shock and exposure. He was the leader of the group.

The shooting occurred about 60 miles northeast of Seoul, on the north bank of a branch of the Han River.

Clark's mission was to check border markings that divide the zone into North and South Korean halves. The zone, about 3,000 yards wide, was established by the 1953 armistice to keep the Communist and U.N. armies apart.

A U.N. spokesman gave this account of the incident: "The inspection team had been in the zone about two hours when the Communists, hidden in thick underbrush and grass, opened fire from about 150 yards away.

Clark and his men ran for the river, seeking cover. The South Korean captain couldn't make it. Communist automatic weapons kept up the fire. A small boat started across the river to pick up the party as scheduled.

but the Reds fired at that, too. The boat crew abandoned it. When darkness fell, the boat was recovered and the small party tumbled in and crossed the river to the U.N. lines. They were numbed by the cold and exhausted.

The U.N. command was expected to call a meeting of the Military Armistice Commission to lodge a strong protest.

Large group of professional and semi-professional entertainers will be here for both performances. They will not be competing in the contests, but will add glamour to the entertainment card.

The professionals and semi-professionals will come from a wide area. The talent show competition will be divided into two age groups. One group will include those from the first grade through the seventh grade, while the other will include those from the eighth through the 12th grade. First, second and third prizes will be awarded in each group.

Various types of entertainment will be presented, including singing, dancing, instrumental music, pantomime, etc. Proceeds from the talent show will go to the Scurry County Boys Club for the purchase of equipment and supplies in its program of activities for local boys.

Big Talent Show Opening Tonight

A well-known West Texas recording star and disc jockey will be the headline tonight at the opening session of the Scurry County Boys Club's first annual Talent Show.

The event will open at 8 p.m. in the Travis Junior High School Auditorium. The second performance is scheduled for Saturday night.

Ace Ball, Big Spring disc jockey who also is widely known for his own recordings, will head the list of special entertainers for tonight's show. A large group of professional and semi-professional entertainers will be here for both performances.

More than 200,000 Americans, the large majority of them children, suffer from muscular dystrophy, a mysterious disease which wastes the muscles of the body. Victims eventually become completely helpless and may succumb to some minor ailment. The cause of the disease is obscure, and there is no cure or effective treatment.

Through the annual Thanksgiving March for Muscular Dystrophy the MDDA supports research projects throughout the world and sponsors the \$5,000,000 Institute for Muscle Disease in New York City. Patient services and clinical care for MD victims are provided through affiliated chapters.

Foreign Aid Cut Again WASHINGTON (AP) — The already heavily cut foreign aid authorization bill has been sliced again. This time it's a \$29 million nick.

By a 51-41 count Wednesday the Senate voted to cut support for assistance for defense pact allies from \$400 million to \$370 million. This brought cuts on the Senate floor to \$480 million. Another \$327,250,000 was chopped off by the Foreign Relations Committee before the measure reached the floor near the end of the year.

Replying to a question about increasing resistance to foreign aid on Capitol Hill, Kennedy said it is the worst attack since the beginning of the Marshall Plan.

JFK Renews Plea For Tax-Cut Bill

WASHINGTON (AP) — President Kennedy pressed Congress again today to pass his tax-cut bill as a means to prevent the economy from suffering.

Kennedy told a news conference further long delay on both taxes and on civil rights legislation would be unfortunate. He voiced a hope that the measure to slash taxes \$11 billion can reach the Senate floor before the end of this year—a dim hope in the light of the present legislative jam.

Kennedy said the hearings on the tax bill have been "quite voluminous" and that it "seems possible to shorten the Senate hearings and bring the measure to the floor before the end of the year."

Delay on the tax bill, he said, may be bad for the economy and he thinks no one in Congress would wish this. One danger, Kennedy said is that if the tax measure does go over into 1964, the civil rights bill will get to the Senate about the same time and there may be even further delay. He said the House could act on civil rights this year.

In response to another question, Kennedy said the United States is not going to trade with Red China in view of the policy that country pursues. He added that there might be a reconsideration should Communist China show a desire to live in peace.

Military Building Money Trimmed

WASHINGTON (AP) — The House Appropriations Committee cut \$403,136,000 today from 1964 military construction funds, boosting to \$5.3 billion its total appropriations for the 1963 session.

It sent to the House floor for debate Monday a bill appropriating \$1,582,964,000 to build and enlarge military bases and military housing in the United States and abroad during the fiscal year ending June 30.

More than half of the committee cut was technical, since Congress itself previously had lopped \$225 million from the ceiling on appropriations in a separate authorization measure.

The committee said some costs appeared excessive and some plans and designs were too elaborate. It said it could not understand why bachelor officer quarters for the Air Force in Korea should cost \$5,700 per man while Army facilities at the same location were billed at \$3,600 per man.

Approved continued emphasis on construction of facilities to modernize operating forces and to meet up missile facilities. Texas appropriations total \$23,938,000. These include for the Army: Aeronautical MTCC center, \$1,754,000; Ft. Wolters, \$257,000; Ft. Sam Houston, \$216,000; Ft. Hood, \$5,568,000. Navy-Auxiliary Air Station, Corpus Christi, \$206,000. Air Force-Amarillo AFB, \$485,000; Bergstrom at Austin, \$463,000; Biggs at El Paso, \$174,000; Brooks at San Antonio, \$1,155,000; Carswell at Fort Worth, \$1,581,000; Dyess at Abilene, \$653,000; Kelly at San Antonio, \$2,503,000; Lackland at San Antonio, \$2,269,000; Laredo \$374,000; Laughlin-at-Del-Rio, \$269,000; Randolph at San Antonio \$3,994,000; Reese at Lubbock \$504,000; Sheppard at Wichita Falls, \$1,723,000. Office of secretary of defense, Killen Base, \$138,000.

The Dynafuel was proceeding in a ballast from Newington, N.H., to Newark, N.J. She had discharged a partial cargo at Sun Oil storage depot in Reverse Bay of Canal and were locked together in furious flames.

The Coast Guard said fire was raging aboard the tanker Dynafuel, 3,100 tons, as she was joined to the 6,732-ton freighter Fernview. The Fernview's fire apparently was brought under control and the 15 to 20-man crew of Dynafuel was transferred to the Fernview as the blazing tanker settled in the water. The Coast Guard cutter General Greene moved perfunctorily close to the fire-swept tanker in efforts to separate the two vessels.

One seaman, unidentified, was reported to have suffered a leg injury. He was taken off the Fernview on a small boat and was flown by helicopter to Otis Air Force Base.

Colorado City Crash Kills Abilene Man

COLORADO CITY, Tex. (AP) — Earnest Eugene Young, 34, of Abilene was killed shortly after midnight in a collision of his Meads Bakery Transport truck and a cattle truck.

Young was trapped inside his burning vehicle. The empty cattle truck was driven by Jerry Hyde, 24, of Abilene. Hyde was taken to a hospital.

The accident occurred at the intersection of Texas 208 and a service road for Interstate 20. Young lived at 2568 Cedar St.

Depositors Offered Help

TULSA (AP) — Depositors whose funds are frozen temporarily in Southern Hills National Bank are feeling the financial pinch, but several stores are offering relief—for the time being.

It may not last long if the bank, closed by federal order, is not opened by this weekend.

Comptroller of the Currency James Saxon placed the bank in conservatorship Friday to allow its bookkeeping to be brought up with its last business day. The bank was swamped by depositors attracted by an offer of "no service charge" on accounts.

The bank's conservator, William Greenfield of Dallas, said Tuesday the bank would not pay checks written on its accounts until it reopened. Other banks began refusing to accept the checks and some Tulsans became pressed for cash.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I am 20 years old and was born and raised in Mexico. I am a member of a very large and proud Spanish-Mexican family. I met a very nice Irish man about a year ago and we want to get married. My family is against him for what I consider a foolish reason. They tell me if I marry this Irishman, our children will look like peeled potatoes. And when they go out into the sun they will get red like lobsters. They want me to look for an Italian, or somebody who has a brunette skin like my own. I love this Irish man and he loves me. What should I do?

A STUDENT HERE
DEAR STUDENT: If you love each other, go ahead and marry. Not all Irish have fair complexions. Neither are all Mexicans or Spaniards brunette.

DEAR ABBY: I like this certain couple so much and so does my husband, but here is the problem: When they invite us over for a Saturday evening they let their four children, ages 10, 8, 6 and 2, stay up as late as they want to. When we leave at midnight, their kids are hanging on us to say good-night. I can't understand why parents allow little ones to hang around all evening, listening to every word. We have children too, but when we entertain, our youngsters say "hello," and then they go to their rooms. I told my husband this was the last time I would let myself go for an evening like that. How can this be solved?

MRS. X.
DEAR MRS. X: If you enjoy

the company of this couple, invite them to YOUR house, but slap a mental quarantine on theirs.

DEAR ABBY: My daughter is 15 and so is her boyfriend. Every evening after supper, the boyfriend comes over with all his books. They "study" together, but I often wonder if this is a good way to study. I'd like your opinion.

WONDERING
DEAR WONDERING: Send me their report cards and I'll send you my opinion.

Snyderite Honored For Top Grades

John Wade Joyce of Snyder is one of three North Texas State University seniors who were honored Tuesday by the Denton Kiwanis Club for outstanding scholarship.

Dr. Richard Hargrove, dean of the School of Education at Texas Woman's University was the speaker at the luncheon.

Joyce, a government major, is the son of Mr. and Mrs. Sam Joyce, 2801 Thirty-fifth Street. He is a member of Alpha Chi, Phi Eta Sigma and the Chancellery Club. He also was president of the Young Republicans Club in 1962.

Joyce was one of 30 men students, out of 6,000 men enrolled last year at NTSU, making a grade point average of 3. Since NTSU is on a 3-point grade system, this represents all As, or a perfect grade.

Others honored at the Kiwanis luncheon Tuesday in Denton were Gary Lewis of Harlingen and Grace Shuford of Denton.

Mexico Sets Project Fund

MATAMOROS, Mexico (AP)—Mexico's Ministry of Hydraulic Resources plans to spend \$27 million to rehabilitate the irrigation systems in the Lower Rio Grande and San Juan Basins near here.

Salt deposits in this area, the biggest wholly irrigated agricultural zone in Mexico, have turned about 25 per cent of the land into arid wastes.

An official said the work will start after Jan. 1 and 37 to 40 per cent of the necessary funds will come from a loan by the International Bank for Reconstruction and Development.

Collegian Named To Who's Who

Dickie Clemmer, McMurry College junior student from Snyder, has been named in the 1963-64 list of Who's Who in American Colleges and Universities. Clemmer is the son of Mr. and Mrs. Dale L. Clemmer, 4001 Irving.

Students are chosen to Who's Who from a certain percentage of the school's enrollment on the basis of their scholarship, character, leadership, and service to the school. In McMurry Who's Who members are nominated by the whole faculty, student council and student senate. A team made up of Dr. Joe Humphrey, administrative assistant to the president of McMurry; Dr. S. B. Thompson, dean of men; Mrs. Arvalise Chappell, dean of women, and Marshall Williamson, student body president approve the new Who's Who members.

Clemmer is majoring in religion. He is vice president of Student Association, a member of KIVA Social Club, and was sophomore class favorite.

Jury Hears Testimony In Pearson Case

By ERNEST STROMBERGER
AUSTIN (AP) — A jury containing five women heard the first testimony today on a 29-year-old murder charge against Howard Pearson.

Dist. Atty. Tom Blackwell expected to present by noon today his witnesses to show that Pearson, 49, killed his mother April 24, 1935.

Pearson's father William Pearson, was a justice on the state Supreme Court when the son shot and killed his parents on a lonely road north of Austin.

Pearson's lawyer, Tom Reavley, said Pearson's defense will be insanity at the time of the crime. He pleaded not guilty to the murder charge.

Two days of jury selection ended late Wednesday.

Pearson was found sane by an Austin jury Sept. 11 shortly after the Rusk State Hospital found him sane and set him free. The children were flown here a week ago through assistance of 1935 murder indictments, which

had been withheld since October, 1935, when a jury found Pearson insane at the time of the trial without ruling on insanity at the time of the murder six months before.

Pearson was committed to state hospitals in 1935, but he spent five of the 29 years at large. A trust fund of \$250,000 awaits him if he is freed.

Madam Nhu Arrives Rome

ROME (AP)—Mrs. Ngo Dinh Nhu arrived today from Los Angeles to rejoin her three younger children and to start a new life for her revolt-shattered family.

The former First Lady of South Viet Nam seemed exiled, but she smiled wanly.

She was accompanied by her older daughter, Le Thu, 18. They had left Saigon on a world tour a month before the coup which cost the lives of her husband and her brother-in-law, President Ngo Dinh Diem.

Snyder AAUW Branch On Program At Area Workshop

"The Better Way" was the topic of Area II American Association of University Women at a recent workshop in Abilene, when Miss Jean Smith spoke on "Community Awareness" and Mrs. Travis Rhoades discussed membership growth.

For the first time the Abilene Branch has integrated its meetings and had a large attendance, including Mrs. Gaynell Porter, University of Arkansas, Mrs. Almitie Rogers, University of Oklahoma, and Mrs. Isaac Walker, University of Southern California; one Texas Division of AAUW presented the keynote address, "Emerging Issues."

She stated in part, "We have the greatest challenge to read and study now than at any time in our history. The basic need of education is a changing, the better way for the family, for our community, and then we can meet our problems on the national level in a better way. Clearly, the education of the individual is always unfinished business."

Concerning the new mathematics and the subject of science, Mrs. Weiss declared that as educated women AAUW necessary to work with other

members must be concerned about the quality of life. "We need, as Pauline Tomkins wrote in "The View From the Mountain," "Wisdom to match our knowledge and courage to shape our roles."

organizations for community betterment and that a problem always present in every size town is the beautification program.

Mrs. Travis Rhoades, who is president of Snyder AAUW for the second time, discussed "Increasing Membership" on the first panel of the workshop. She emphasized that all clubs compete for the individual's time, and AAUW with its areas of program development serves the individual, challenging through study and fellowship to find "The Better Way" of life.

Jr. 4-H Club Meeting Held Tuesday

The Snyder Junior 4-H Club met in the county extension office Tuesday.

Games were played for recreation and the girls sang "My Country 'Tis of Thee." Miss Butts gave a demonstration on making sandwiches and milk shakes. Sandwiches were checked, board, ribbon, and pin wheel, with fillings of butter, meat and cheese. The milk shakes were banana flavor.

Attending were: Debra Shelton, Betty Richardson, Connie Alexander, Mary Hill, Keitha Collier, Denise Voss, Elaine McArthur, Jan and Judy Shelburne, Patsy Ellington, Jean Foster, Tresa Young, and Mollie Love. Visitors were Druce Ann, Christine and Jean Hayward.

Baked Ham With Vinegar Sauce

One half (5 to 6 pounds) fully-cooked ham
Whole cloves
1/4 to 2/3 cup raspberry jam
2 tablespoons cider vinegar
2 teaspoons prepared mustard
Cut away surplus fat from ham surface so there is a layer about 1/4 inch deep; score in diamond shape. Insert a whole clove in the center of each diamond. Bake on a rack in a shallow foil-lined pan in a slow (225 degrees) oven about 2 hours. Remove from oven; remove foil and fat; place clean foil under ham on rack. Meanwhile in a small saucepan stir together over low heat the jam, vinegar and mustard; strain to remove seeds. Spoon raspberry mixture over ham; return to a hot (425 degrees) oven for about 10 minutes. Serve slices of the ham with the glaze - sauce spooned over them.

Dan Gibson Feted For Boys Work

Dan Gibson, local ranchman and youth leader, was honored by the Seccury County Scottish Rite Masons at a surprise appreciation dinner Monday night at the Snyder Masonic Hall.

About 100 Masons, their wives and guests were present for the occasion and a number of visitors from Boys Ranch at San Angelo were on hand to join in the presentation of a plaque to Mr. Gibson and a gift to Mrs. Gibson.

The gifts of appreciation were presented by Sam Stephens, President of the local Scottish Rite group, and George Killam served as Master of Ceremonies.

A group of youngsters from Boys Ranch presented a musical program, and representatives of several organizations spoke briefly of the many fine things that the Dan Gibsons have done in West Texas for underprivileged boys.

Gibson is now serving as Vice President of Boys Ranch at San Angelo, is a member of the executive board and the educational board. The Gibson family was the originator of a revolving loan fund for the education of homeless and underprivileged boys. Gibson is also on the Board of Directors of the Snyder Boys Club.

Through the assistance of the Gibson family, a beautiful non-denominational chapel and a dormitory have been constructed at Boys Ranch on Spring Creek near San Angelo.

Harris Co. Solon Dies

HOUSTON (AP)—Jo Ed Winfree Sr., who represented Harris County in the legislature for nine terms, died at a hospital Wednesday after suffering a heart attack. He was 71.

Winfree was dean of the House and of the Harris County delegation when he ended his legislative service in 1959.

Gov. Price Daniel appointed him the State Board of Control in June, 1962, but the Texas Senate refused to confirm the nomination last February.

In addition to his wife, he leaves three sons, Jo Ed Jr. of Houston, Harris of Austin and Jim L. of Baton Rouge, La.

33 Suits Consolidated

ATLANTA (AP)—Suits of 33 survivors of victims of an Air France crash in June 1962 have been consolidated on orders of U.S. Dist. Judge Lewis R. Morgan and Frank A. Hopper.

The combined suits, which seek more than \$18 million in damages, resulted in a crash near Paris. The jet was chartered by the Atlanta Art Association for a tour of European art centers.

The area drained by the Amazon River, a huge basin extending over 2,653 square miles, is nearly twice that of any other river.

Plane Lands Safely With One Engine

TYLER (AP)—With one of its two engines disabled by fire, an Air Force training plane carrying eight men made an emergency landing without mishap Wednesday night.

The pilot, 1st Lt. Gary Baber of Hope, Ark., set the T29 navigation trainer down at Tyler's Pounds Field shortly after 11 p.m.

Baber reported the right engine caught fire about 20 miles east of Tyler, as he was flying back to Connally Air Force Base at Waco. He shut off that engine and the flames went out.

Civilian fliers said the single-engine landing was hazardous because propellers of the T29 ordinarily must be reversed for braking power on the ground. Its brakes serve only for steering and parking.

Baber angled the crippled plane slightly into the wind, tilted the nose wheel, braked, reversed his single propeller and eased to a halt.

"We were okay," he said later. "The only incident was when we hit a large bird right before touchdown."

He didn't mention that birds have been known to cause plane crashes.

"Baber made as good a landing on one engine as some pilots do with two," said Tyler airport manager John McNamara, himself a pilot.

The plane was one of two T29s which left Connally AFB at 7 p.m. on a celestial navigation training flight. They turned back toward Texas over Meridian, Miss. Baber and his companions returned to Connally aboard the second T29.

Survives Two Crashes;

VIRGINIA BEACH, Va. (AP)—After two plane crashes within an hour, Lt. (jg) J.M. Baum of Raleigh, N.C., was ready for a shot of brandy.

That was just what the doctor ordered, along with a steak.

First his jet fighter lost power after leaving the aircraft carrier Forrestal. Baum ejected. His plane crashed and burned.

A helicopter picked up Baum, then developed engine trouble and plummeted into a woods. Baum was unhurt.

Construction Bids Totaled

AUSTIN (AP)—The Texas Highway Commission tabulated low bids on construction work totaling \$9,617,765 Wednesday. That brought its two-day total to \$22,504,394.

The projects include:

Woes Are Stacking Up For No. 1 Texas

By The Associated Press
Everything seemed to be stacking up against Texas today as the Southwest Conference football race approached another climax.

Texas Christian, which would dearly love to knock that No. 1 crown off Texas' worried head, was making ominous noises.

TCU coach Abe Martin said his team should have been playing Texas Wednesday, it was doing so well. He then indicated that the Frogs were all fired up and ready to pull another of their famed upsets.

A gigantic pep rally was scheduled tonight. Representatives of teams that ruined Texas hopes over the year, will be on hand to tell how they did it.

And Texas A&M, a bitter Texas enemy, was getting in its licks. The Aggies don't play Texas until Thanksgiving Day but

they went ahead and kidnapped the Texas mascot—Bevo VII, a giant steer. Not once, but twice. They said Bevo would be kept hidden away until Texas goes to College Station on Thanksgiving Day.

That could cause further worry for coach Darrell Royal and his Longhorns, who already had enough to think about. Now they won't even have Big Bevo to inspire them.

Consolation for Texas was that its undefeated through eight games, rated No. 1 in the nation and a two-touchdown favorite over TCU—and it still can get the Cotton Bowl money, although losing to TCU, because a victory over the Aggies would bring that about.

The Longhorns ought to be mad enough about the Bevo shenanigans to wallop the Ag-

SPORTSCUTTLE

If Arkansas Coach Frank Broyles should suddenly give forth with that ancient yell, "Wait till next year," other Southwest Conference coaches probably would not dispute him. So far this year, Razor-back ball carriers have gained 1,175 yards on the ground this season, but senior backs have been responsible for only 32 yards. At the same time, the Hogs have completed 59 of 141 passes for 824 yards, and none of the quarterbacks graduates. Moreover, only six of the 59 completed passes have been caught by seniors.

Abe Martin, the TCU coach, whose effigy was strung up this week, is all even with Darrell Royal since the current Texas Coach took over his duties in Austin. Each has won three games in six outings against each other. During that period no Royal team has been able to win two in a row from a Martin team. Abe's 1958 and 1959 teams managed to win two in succession.

A lot of football coaches these days pass out personal data on players of opposing teams to their own squad several days before a game. Usually such information consists of an evaluation of scouts concerning "weak" individuals on the opposing team. One of Snyder's earlier opponents passed out sheets listing certain Tigers as potentially "weak" on certain types of plays. Some of the "dope sheets" inadvertently fell into the hands of Snyder coaches, who simply handed them over to the Tiger players. The potential "weaknesses" failed to materialize when the game was played.

Wichita Falls Rider, which felled mighty Brownwood, 33-0, and is now tied with Graham for the District 4-AAA lead, had a contingent of scouts in the pressbox at the Snyder-Sweetwater game in Sweetwater last Friday night.

Once-mighty Breckenridge, with one victory and seven losses, is in the throes of its worst gridiron season and the rumblings that Buckaroo-land may never again be what it once was. There are reports that some of the long-time backers of high school athletics (that means football in Breckenridge) there have grown weary and lost interest permanently. Yet, it is difficult to imagine that a school with Breckenridge's football history will not rebound.

Robustelli Eyes 109, Retirement

NEW YORK (AP)—Defensive end Andy Robustelli has played 103 consecutive games for the New York Giants. His target is 109—and then retirement.

Robustelli, a six-time all-National Football League selection with the Los Angeles Rams and Giants, said Wednesday that "I'm probably going to quit at the end of the season. It's about time. I'm getting older, and I can't go on forever."

Robustelli is 36 and a 13-year pro vet. He has never missed a game for the Giants and hopes to stretch the string through the five remaining regular season games—and hopefully into the NFL championship games. The Giants currently are tied for the Eastern Conference lead with Cleveland.

Robustelli, who doubles as the Giants' defensive coach, said his decision was neither firm nor final, but "right now I don't feel like I'm going to play another season."

Robustelli's retirement as a player would create a big hole for the Giants to fill. Robustelli's replacement is Bob Taylor, a rookie from Maryland State.

Coin Flip Will Break NFL Ties

NEW YORK (AP)—In case of a tie or several ties for first place in the two divisions of the National Football League, the sites and opponents will be decided by flips of a coin.

Jim Kensil, public relations director of the NFL, said Wednesday that all teams with a mathematical chance for a division title would meet at Commissioner Pete Rozelle's office in New York. This conference usually is held in the last week in November.

The Chicago White Sox won seven of nine games in Cleveland last season.

RPI Near Losing Record

TROY, N.Y. (AP)—The nation's oldest privately endowed institution of science and engineering holds the longest current college football losing streak—31 games.

Although seven seniors at Rensselaer Polytechnic Institute never have seen their football team win, the students don't seem too upset. There's grumbling among the alumni, however, and talk of a recruiting program.

The last victory was in 1959, when the Engineers won two and lost six.

RPI plays its sixth and final game of the season when it meets Rochester Saturday. If the Engineers lose, they will be just six games short of matching the record set by another engineering school, St. Paul, which lost 38 games in a row from 1948 through 1953.

Yet, there are no abolitionist ball movements, no cries for the coach's scalp, nor boycotting of games.

Average attendance at home games this season was 2,800. In fact, among the 3,900 undergraduate and 800 graduate

students there is a feeling of pride that the institute, as one student put it, "can keep football in perspective when so many other colleges are over-emphasizing football."

The institute never has granted athletic scholarships.

About 3,000 members of the Hudson-Mohawk chapter of the RPI Alumni Association met last week to discuss sports at the institute with Henry Kumpf, athletic director, and the members of his coaching staff.

They agreed that an intensive

recruiting program was needed to attract scholar-athletes to RPI. No official sanction has been given, however.

Northern Illinois Out Of Playoffs

KANSAS CITY (AP)—Northern Illinois University, winner of its nine football games this season, won't be able to compete in the NAIA championship playoffs.

The NAIA said the Illinois State Teachers College board of control and the Illinois Intercollegiate Athletic Conference had put a ban on football competition after the Thanksgiving weekend.

Know The Tigers

Kenneth Dower is a 163-pound junior who starts at an end position for the Snyder Tigers. Snyder fans will recall a number of key tackles and pass-catches made by him. It was Kenneth who caught a pass for the second touchdown against Brownfield.

Kenneth is the son of Glenn Dower of 3201 Fortieth Street. The Dowers moved to Snyder from Seminole in 1949. He hopes to attend Texas Tech. He is a member of the Letterman Club.

Know The B Team

Jim Sarter, who is listed at guard for the Snyder B Team, is a newcomer to Snyder, having moved here last June from West Monroe, Louisiana. He is the son of Alice Marie Le June of Route Two.

Jim plans on studying forestry at Louisiana Tech after completing his high school education. He is a sophomore and weighs around 188 pounds. He is a member of the Letterman Club and the Spanish Club.

Intra-City Junior High Battles Slated Tonight

This is "it" for junior high footballers: roaring climax this evening when they engage in their annual extravaganza in Tiger Stadium.

Lamar and Travis 8th and 9th grade teams will bring their respective seasons to a sparkling records, and both

games tonight have been rated as top-notch.

Of the four, Lamar 9th has the best record in the won lost column. It has won seven and tied one in eight games. On the other hand, Travis 9th has won seven and suffered a lone defeat in eight games, the only setback coming while the regular quarterback, David Cadena, was out of action with an injury.

Lamar 8th has won six and lost five, while Travis 8th has logged five victories, one loss and one tie.

The 8th grade teams will tangle at 6:30 p.m. and the 9th graders will square off at 8 p.m.

Lamar 9th was tied, 0-0, by Big Spring Goliad in its opening game. Since then the Texans have defeated Big Spring Runnels 14-5, and 24-14, Colorado City 44-12 and 46-6, Sweetwater 36-0, Lamesa 28-12, and they avenged the tie by defeating Goliad 16-6 in a second encounter.

Lamar 9th's lone defeat was administered by Goliad 12-6. The Blue Devils hold victories over Lamesa 14-12, Goliad 28-6, Sweetwater 36-6, and Runnels 54-6 and 46-6, and Runnels twice, both by 14-6 scores.

Lamar 8th lost to Runnels, 6-0. It has defeated Goliad 20-6 and 28-8, Runnels 22-16, Sweetwater 36-0 and 28-0, and Lamesa 28-8.

Travis 8th was defeated and tied by Runnels, 0-0 and 6-0, but defeated Sweetwater 16-0 and 28-6, Goliad 28-6 and 12-8, and Lamesa 20-0.

The San Francisco Warriors, with Wilt Chamberlain collecting exactly half their points, edged the Cincinnati Royals at Cincinnati 98-92, in another of the league's new low-scoring games.

The other teams were idle.

Defense Is Emphasized By Celtics

By JIM BECKER
Associated Press Sports Writer

It looks like Bill Russell of the Boston Celtics stopped about 4,300 points before the season even started.

That's the number of points that won't go on the scoreboard, if the National Basketball Association teams continue to play at their current reduced, or Russell, rate.

Defense is the word around the league, and Russell is the reason. The nine NBA teams are averaging some six points less per game this year—that's at least 4,300 over the long season.

Russell, who was feeling so badly he couldn't even get sick before the game—his normal procedure—played all 48 minutes, took 31 rebounds and blocked enough shots to ensure a 114-110 victory for the Celtics over the Lakers Wednesday night, at Madison Square Garden.

That ran the Celtic record for the season to 10-1. The Lakers held on to the top spot in the West with a 7-4 mark.

The revitalized New York Knicks sneaked into third place in the East with a 106-102 victory over the St. Louis Hawks in the second game of the Garden doubleheader.

The San Francisco Warriors, with Wilt Chamberlain collecting exactly half their points, edged the Cincinnati Royals at Cincinnati 98-92, in another of the league's new low-scoring games.

The other teams were idle.

Tigers Tops In Loop Statistics

The Snyder Tigers are leading the District 3-AAA teams in season play as well as district play in a number of categories. The Tigers have the best overall record at 6-2 and the best district record at 3-0.

Snyder has scored the most points for the season, but is second to the Sweetwater Mustangs in number of points tallied in district competition. The Tigers are second to Brownfield in the number of points given up, but to the opposition for the year, but do have the best defensive mark in district play.

Leslie Brown of the Tigers is still the leading scorer of the district in both season and conference competition. He has scored 72 points for the year, which is way out in front of Lake View's Avants, who has tallied 50 points.

The two teams who are currently tied for second place in the standings get together this week as Sweetwater hosts Lamesa. The other two contests will see Colorado City at Snyder and Brownfield at Lake View.

THIS WEEK'S SCHEDULE: Colorado City at Snyder, Lamesa at Sweetwater, Brownfield at Lake View.

Defending Champion Eagles In Bid For District Title

By HAROLD V. RATLIFF
Associated Press Sports Writer

Embattled San Antonio Brackenridge, looking much like the team that eased into the state playoffs by the skin of its teeth and then smashed to the Class AAAA championship last season, makes its bid for a return to the title struggle Friday night.

Having to depend on Warren McVea, that great runner, to carry it, Brackenridge has lost a couple of games but won its district encounters, and the Eagles will meet San Antonio McCollum for the title.

Dumas, the mighty Class AAAA king seeking a third straight state championship, faces a great challenge Friday night when it meets undefeated, untied Phillips for the Dist. 1 crown.

Dumas is unbeaten and untied through 20 straight games. It has been rated No. 1 in Class AAAA all season.

These two games headline the most important schedule of the season as Classes AA and A wind up district campaigns and prepare for the start of the playoffs next week.

All but eight of the 96 districts in the four classes will have champions when the firing ceases Saturday night.

Classes AAAA and AAA have two weeks to go before the playoffs. District titles already have been sewed up by Garland in Class AAAA and Palestine in Class AAA.

Some 22 district championships are up for decision this week in the two top classes. Among the AAAA crowns in the balance is Dist. 4 where Borger, which lost to Brackenridge in the finals last year, makes a carry it, for a return to the playoffs.

The Bulldogs must hurdle Amarillo Tascosa, one of the four undefeated and untied teams left in the class, to make it. Tascosa can sack up the district flag by downing once-beaten Borger.

San Angelo ranked No. 1 in the state last year, makes a bid for a championship game with Big Spring looms for next week.

Two games in the state match undefeated, untied teams. One is the Dumas-Phillips clash. The other sends Beaumont Forest Park against Little Cypress for the Dist. 24 championship in Class AA.

All told there are still 25 teams with perfect records. The list could be trimmed sharply this weekend.

Eighteen district representatives already have been determined in Class AA and one is defending state champion Jacksboro. That leaves 14 district champions to be decided this week.

Class AA's playoff teams are Tulia, Denver City, Winters, Jacksboro, Mansfield, Rockwall, Lake Highlands, Paul Hewitt, Linden-Kildare, Pine Tree, West, Rockdale, Livingston, Hondo, Sinton, Bishop, Hebronville and Donna.

Class A has 16 district winners decided and 16 more coming up this week. Already in the playoffs are Stratford, Wellington, Seagraves, Merkel, Canutillo, Albany, Keller, Clifton, Midlothian, Frisco, Rains, Round Rock, Louise, George West, Boerne and Somerset.

There will be no defending state champion in Class A. Rotan, the 1962 king, was eliminated in its district. Albany, however, is a two-time champion and favored to make it again this season.

Stu Miller of the Baltimore Orioles set an American League record last season by appearing in 71 games. He had a 5-8 record but was credited with 26 saves.

Chiefs Going With Wilson

KANSAS CITY (AP) — Eddie Wilson will replace Len Dawson as starting quarterback for the Kansas City Chiefs in their game with the Boston Patriots Sunday, the Kansas City Star said today.

The 22-year-old blond from Arizona has seen only limited service this season. He started three in pre-season exhibition games, firing one touchdown pass against Denver and three against Oakland. He guided the Chiefs in the final quarter of their 39-7 regular season opening game romp over Denver.

The Star, in its morning edition, said Coach Hank Stram would not make a public commitment on starting Wilson instead of Dawson, who completed only six of 25 passes last week against Oakland. But Stram did say he was thinking of Wilson as his starter, along with some other changes to shake the Chiefs out of their slump.

The defending American League champions have lost their last five games.

Stram is toying with the idea of starting Jack Spikes as a running back instead of Bert Coan or Abner Haynes, the Star said. He has given much thought to double-duty for E. J. Holub, as linebacker and offensive center.

SORT OF A DOUBLE RING CEREMONY

Head Waiter Is Practical Item On Junket To Paris

BY INEZ ROBB

The American traveling public hails the inclusion of a head waiter on the staff of the U.S. Congressional delegation to last week's NATO meeting in Paris as the greatest breakthrough in touring comfort since the invention of wash-and-wear.

The latest Robb Gallopoll Poll reveals that 97 percent of American citizens who tour Europe would rather carry with them a personal head waiter than traveler's checks, credit cards or accident insurance. (The other three percent hold out for a personal secretary.)

"Only a head waiter knows how to deal with another head waiter, especially in Paris," said John B. Poe, world traveler and citizen of Forest Hills, L.I. Poe put up a spirited defense, typical of many who were polled, of the Congressional delegation that took Ernest Petinaud, head waiter of the House of Representatives dining room, to the Paris meeting as part of its staff.

"On my last five trips to Paris I would have starved if I had not been accompanied by my own personal head waiter," Poe, a registered Republican, continued. "It was almost impossible in the old days to get the eye of a Parisian waiter."

have had an increasingly hard time ever since trying to get a waiter in France. There are times," Dodswoth, registered Democrat, continued, "when I don't think Congress is worth its salt. Then it redeems itself with a brilliant action like this head-waiter innovation."

"I don't understand all this fuss about a bunch of Congressmen taking a head waiter to Paris. Doesn't everyone?" asked Miss Flamingo Faye, a prominent member of New York cafe society. "Either you have to carry your own head waiter with you, if you expect any service at all, or you must go out with a German or an Italian millionaire."

"Americans are de trop in Paris, simply de trop. Even millionaires. That's because German and Italian and even French millionaires are so much richer today than the American kind," explained Miss Faye, who isn't even registered for Social Security. "The French are a practical lot and they know on which side the jam is buttered."

"A Rockefeller or a Kennedy could sit in the Tour d'Argent and not even rate a sneer, much less a crescent, until asked to leave at closing time. If he didn't include a head waiter in his party. And if de Gaulle's in power another six years, the American tourist who wants to eat in France will have to take a personal chef with him, too," concluded Miss Faye.

"What's this head waiter in Congressmen and their own head waiter in Paris?" asked Evelyn Finette, a New Jersey school teacher who spends every vacation in France. "Why not, if you can afford it? I can't, but

Memorable Events In Man's Life

By HAL BOYLE

NEW YORK (AP) — Some things that make one man's life memorable:

The colors of copper and silver and brass. The patina of hand-rubbed old wood. The grave, sweet faces of time-drowned childhood friends. A treasured valentine sent long ago by a young girl with freckles.

The comfort of old slippers. Breakfast tea with honey. Sunday newspapers. The remembered warmth of kitchen conclave when everyone in the family was younger.

Sunlight in winter setting on fire the frozen tracery of ice-ramming trees. The friendly bark of a welcoming dog as he recognizes you in the dark. The taste of mountain trout, fried over a morning campfire in the Rockies, after being stored overnight in a snowbank. The flavor of pink lemonade, bought with your last pennies at your first circus.

Swimming out from the ether in the hospital and asking in a weak voice if, please, can you see what your tonsils look like, now that they're out. A cold wind crying like a banshee to get into a room where you lie snugly safe from the weather.

Seeing a soldier caught in a blinding artillery burst turned from a human being into a rag-like bundle of purposeless languor. Hearing another soldier crying, lonely in the blackness after getting a "Dear John" letter from home. The aroma of bubbling coffee drunk from an Army canteen hot as a cobblestone in Hades. Blue and red flowers paying the fields of Tullis a quiet comeback at Kasserine Gap.

Christening a daughter trim Christmas tree. The landscapes of living green in the wrinkled faces of old women in France. The Empire State Building rising out of the mist like a battlement in a forgotten fairyland. Climbing to the top of the great Pyramid of Cheops, something Napoleon was too lazy to do when he was in Egypt last.

The joy of taking off in April that old-fashioned long woolens underwear that had a button panel in the back.

Getting your first merit raise and feeling richer than J. Pierpont Croesus. Deciding you never will, but finally saying "I do."

Object To The Twist

HONOLULU (AP) — Mormon Bishop John H. Vandenberg has written to the Latter-Day Saints College of Hawaii that the twist is objectionable.

He approved the Tahitian shimmy and the traditional hip-swinging Hawaiian, Fijian, Tongan and Maori dances at the school's Polynesian Institute.

I have my system. I go to a French bakery every day, buy a loaf of bread; then to a wine merchant for a bottle of vin ordinaire and then to a place I know for a hunk of cheese.

"At the end of the summer I'm sick of French bread, vin ordinaire and cheese. But I'm solvent and not hungry. How many American tourists can make that boast?"

Junior Editors Quiz on SWIMMING

QUESTION: How can I learn to swim?

ANSWER: Although this is a summer question, we will answer it for the benefit of those who might have a chance to swim in an indoor pool.

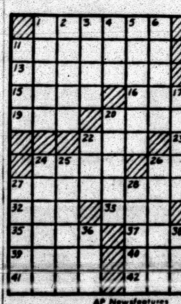

The best way to learn is to have a good swimmer teach you - don't try it all by yourself. Many methods are used; here is one recommended by the Boy Scouts. Learn confidence first. It helps to begin in water only waist deep (A). Take a breath (B). Drop your head down on chest and grasp ankles (C) - you'll float. Straighten your legs to stand up again. Now learn best way to breathe when swimming. Take air in through nose and mouth. Practice this and you'll begin to feel at home in the water, like a fish. Then take a breath and shove off with your feet, arms ahead, head down - you'll go quite a way. Your instructor will show you how to kick and work your arms and pretty soon you'll be swimming!

FOR YOU TO DO: Before learning to swim, get a checkup from a doctor. And remember these safety hints: never swim alone, have a buddy with you. Don't swim until an hour after eating. Don't swim if tired or overheated, come out if you begin to feel cold.

Busen Series of Oswego, N. Y., wins today's grand prize of a 20-volume set of the World Book Encyclopedia for this question. Send yours on a postcard to Junior Editors in care of this newspaper and you may win a set, too.

Russell's Verbal Blast At Halleck Not Apt To Disrupt House Coalition

By WILLIAM F. ARBOGAST, Associated Press Staff Writer
 WASHINGTON (AP)—A leading Southern senator's recent verbal blast at House Republican Leader Charles A. Halleck isn't likely to have a lasting effect on the unofficial House coalition of Republicans and conservative Democrats.
 When Sen. Richard B. Russell, D-Ga., assailed Halleck in the Senate, while Halleck has publicly supported the Kennedy administration's modified role in the House.

While Halleck himself didn't comment, close associates said he discounted it as a political speech designed to strengthen Russell's position in Georgia. The speech was made in Dublin, Ga.
 Russell for years has headed the anticivil rights forces in the House. Halleck has rights legislation in the 1957 House civil rights fight, which the Southern parent effect on the conserva-

five coalition's unity on other matters.
 In fact, the coalition grew so potent that the House enlarged Smith's Rules Committee in 1961 in an attempt to break the conservatives' domination of that committee. But somehow some of President Kennedy's major domestic proposals haven't come to a vote in the House, mainly because of leadership fears that the coalition would slap them down.
 Halleck's support of the 1963 civil rights bill has been viewed by many as a political master stroke. As House leader of the party of Abraham Lincoln, Halleck hardly could have opposed the legislation.

SMU Professor In Mexico Talks
 MEXICO CITY (AP)—A Southern Methodist University professor is participating in roundtable discussions with the University of Mexico panel.
 Dr. Aaron Thomas Jr. and his wife, Dr. Anne Thomas, arrived here Wednesday.
 The discussions will concern judicial functions of the Organization of American States—the history, legal characteristics, duties and its economic cooperation within the Americas and the Alliance for Progress.

All Parts Not Represented
 AUSTIN (AP)—Gov. John Connally's appointments to the three-member Parks and Wildlife Commission left most of the state without representation, Republican national committeeman Albert Fay of Houston says.
 "Connally appointed members from Central and South Texas only—in fact, two from Central Texas. Is this fair representation for Texas when decisions will often affect the entire state?"
 On the anniversary of the Battle of Waterloo, the Duke of Wellington delivers to Windsor Castle—before noon—a small French tricolor. The flag is quit rent for the great Berkshire estate awarded to the first duke after he defeated Napoleon.

JFK's Words Understated Developing World Crises

WASHINGTON (AP) — President Kennedy hardly had the words out of his mouth when there was more trouble, this time of a kind which may in time be a disaster for the United States.

In his first State of the Union message to Congress almost three years ago Kennedy, after listing the problems ahead at home, said "all these pale when placed beside those which confront us around the world."

"Each day the crises multiply. Each day their solution grows more difficult."

He cited trouble spots in Asia, Africa, Latin America. And in the years passed the troubles multiplied and waned while fresh ones developed.

Last Friday, talking to the Protestant Council in New York, he said the family of man should be at peace with one another. But he said:

"They are not. Within the last month the world has witnessed active or threatened hostilities in a dozen or more disputes independent of the struggle between communism and free choice — disputes between Africans and Europeans in Angola, between North African neighbors in the Maghreb, between two Arab states over Yemen, between India and Pakistan, between Indonesia and Malaysia, Cambodia and Viet Nam, Ethiopia and Somalia and a long list of others."

He might have mentioned that just one week before, the generals in South Viet Nam threw out President Diem and his brother, both of whom were killed. But last Friday he could not have known what was to happen Wednesday.

Early in the day the Iraqi government had to smash a revolution and later in the day came the news of grave consequence to the United States that Cambodia may turn its back on the United States.

Worse, still, it may throw in its lot with Red China, Cambodia, in the southeastern tip of Asia, its partly against Thailand, partly against South Viet Nam.

It has 6 million people living under the guidance of Prince Norodom Sihanouk, 43, who renounced the Cambodian throne to be the political leader of the

Cambodians.

He has been a self-proclaimed neutral between the forces of the West and communism, but he accepted help from both sides. For instance: guns and fighter planes from Russia, more than \$366 million worth of military and economic help from the United States.

This could be interpreted as trying to play both ends against the middle, not taking sides until he saw which way the cat was going to jump.

For the United States, holding South Viet Nam has been a prolonged and costly adventure, with more than \$4 billion in aid going to Viet Nam where more than 100 Americans have lost their lives in the war against the Communist guerrillas of North Viet Nam.

If Viet Nam was lost to communism, it's a safe bet all Southeast Asia would be in the hands of the Communists already have won the battle for South Viet Nam.

And he said he felt his own neutral country eventually would fall to communism. Last August Sihanouk cut Cambodia's ties with Viet Nam because

of the crackdown on the Buddhists by the then President Diem.

And he has complained that Cambodian exiles—his enemies—were in Viet Nam making broadcasts against him with transmitters which, he said, were supported in part by U.S. assistance.

Wednesday he sent out the word Cambodia would cut its ties with the United States, too, and after Jan. 1, 1964, refuse any more American aid, and abandon its neutrality unless the anti-Sihanouk broadcasts were stopped.

The State Department was upset. Worse news was to come. Later Wednesday Red China said Sihanouk had sent word to Peking, pledging close friendship and cooperation.

If the Red Chinese, with Sihanouk's blessing, move into Cambodia the very thing this country tried most to prevent—Red China's direct influence in Southeast Asia—would have come about.

This is still a murky situation. Sihanouk may not take the final step of fully abandoning his neutrality and throwing open the Cambodian doors to Red China.

US Designer Unconcerned With Trend

NEW YORK (AP) — American fashion's little French girl, Pauline Trigere, Wednesday introduced a spring collection as independent as Charles de Gaulle himself.

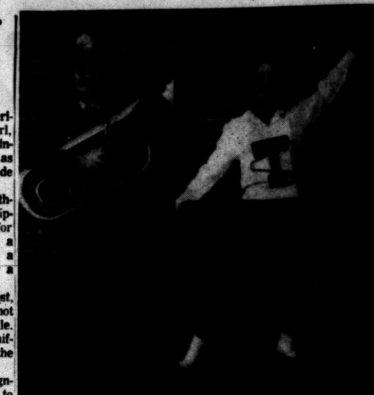

Not at all concerned that other American designers are nipping in waistslines aging for spring, Miss Trigere created a soft silhouette that "allows a woman to have a martini or a dessert now and then."

Close to shoulders and bust, the fabric hovers but does not get too close to the middle. However, the crisp silks, chiffons and linens are slim at the hips.

While other American designers are plunging necklines to blushing depths, Miss Trigere has bared backs of dresses worn under short capes and sleeveless blouses on jackets called cabouchons.

Even short party dresses were strapless and bareback but not immodest in front. Formal ball gowns covered neck to ankle, and cut on the bias, looked as comfortable as old bathrobes.

Not all of Miss Trigere's costumes ignored the waistline, though. White kid belts girdled the young models' middles, setting off white knit dickeys and fake blouse cuffs.

2 FACES OF DIANE—Diane Lewallen, daughter of Mr. and Mrs. W. P. Lewallen, 316 Twenty-ninth Street, works overtime whenever the Travis Blue Devils take the football field. Elected a cheerleader by the student body, Miss Lewallen also marches with the band at half-time, making fast costume changes necessary for the young lady. Travis plays their last game of the year tonight against Lamar Junior High School.

Big Jets Fly Around Clock

BERGSTROM AIR FORCE BASE (AP)—Twenty-seven Air Force jet transports are flying around the clock to bring soldiers of the 2nd Armored Division back to Texas in the final stage of Operation Big Lift.

The sleek four-engine C-130s will have whisked 87 loads of about 74 soldiers each from Germany to this Central Texas base when the last craft touches down Nov. 21.

They arrive about 2½ hours apart after 11-hour non-stop flights from Frankfurt. The first plane reached here Tuesday afternoon.

Other men "Hell on Wheels" Division from Ft. Hood are landing at Conally AFB near Waco and Gray AFB near Killeen.

When the last of 222 flights is finished, all 16,000 members of the division will be back in Texas. They were airlifted to Germany Oct. 22-23 in 63 hours in 20 minutes.

Among those arriving here Wednesday were members of Troop B, 1st Cavalry Regiment, 2nd Armored Division.

A 20-year-old cook, Claudie White of Jonesboro La., said he was busy cooking most of the time in Germany "but I noticed that the pine trees over there are just like they are in Louisiana."

Capt. Robert J. Moore of Cincinnati, Ohio, commander of Troop 3, said Big Lift deserves all the praise it has received and added:

"The operation would have gone even smoother if we had been sent to Germany on real hot business rather than an exercise."

Report On Heart Survey Presented

A report on the recent "School Heart Survey" was heard Tuesday at the regular meeting of the Scurry County Heart Council at the Snyder County Club.

Pat Falls, president of the council, presided at the session. The survey included children in the first and second grades of Snyder schools. A total of 791 children received examinations and 20 were found to have some sort of heart deficiency. All but one have since been to see their family physicians for a follow up examination.

The local heart group voted its unanimous thanks to the doctors, nurses, school officials and others who cooperated generously in conducting the "School Heart Survey."

Falls expressed hope that a similar survey would be conducted in the other schools of Scurry County after the first of the year.

A report was heard from a nominating committee for new members to the board of Scurry County Heart Council to replace several board members who have moved from Snyder. Unanimously elected were Mr. and Mrs. Dean Floyd, J. D. Hinton, Doug Flynn, the Rev. Harry Vanderpool and Miss C. Greenfield.
