

Business Firms Come To Floydada

Home construction has been slow in Floydada, downtown establishments are on the mend. This morning the sign went up for Minit-Mart at Second and Anderson's Department Store. California is just about

to open, and a new Merle Norman Cosmetics business will soon open two doors south of Thompson's Rexall. This building is under remodeling contract at this time. Mrs. Roy Pigg of Quitaque is combining the cosmetic business with a gift shop.

Then there's the Pizza Gold on the Wye soon to open...and an ice cream parlor in the north end of the pizza building. A new building is under construction at the north end of Producers Cooperative Elevator which will supply more retail storage.

APARTMENTS
Announcement on contracts for ten new senior citizen apartments and ten low rent units to be built in Floydada soon...also more labor housing units.

Floydada Man Elected Officer

Several area South Plains and Panhandle men were elected officers of the Texas Municipal League at their 25th annual conference held in San Antonio this week, among them Tom Simmons, City of Floydada electrical department supervisor who was elected second vice president of the Municipal Utility League.

Monahans mayor Dick Hoyer was elected to head the TML for the coming year; Dallas Mayor Bob Falsom was elected first vice-president and a Port Arthur councilman Malcolm Clark was elected second vice president of TML. Several other city officials from over the state were elected to various other municipal league offices.

Annual Spaghetti Supper Precedes Abernathy Game

Ticket sales began this week by members of the Day Care Center board for the annual spaghetti supper Friday, October 28, preceding the Abernathy game here.

Board member Jan Thompson will again be in charge of the supper which will be served in the Jr. High Cafeteria from 5 until 8 p.m.

A generous serving of spaghetti, all the trimmings and cake for dessert will be featured. Proceeds for the supper go to help keep the Day Care Center in operation.

Tickets may be purchased from any member of the board, or at The Hesperian Office.

Community Meeting In Della Plaine

General Community Meeting to be held in Della Plaine School October 20, 1977 at 7:30 p.m. The meeting will be very important. We are to elect one person to represent Floydada on the Governing Board of Directors for the Caprock Community Actions 5 County Area. We will also be deciding on the use of the prize money which our Community Appearance Project won. This project was selected for our fine work on the Forest Lawn Cemetery.

On the agenda will be programs, projects, and activities for the coming year for your Community Action. Everyone's advice and suggestion will be appreciated. Please come and make your opinions known.

Swat The Hornets!

Well the Whirlwinds pulled through with another big victory over the Lockney Longhorns. That puts them just one step closer to that District Championship. This Friday the Mighty Winds travel to Tulia to play our second District game. Let's show those men we're behind them and fill the gym at 2:00 for pep rally and pack the stands at Tulia. Lets go Winds!! Get A Hornet!!

Oil Well Dry

The rig has moved away from location of a wildcat oil well on the Stansell farm a mile north, 1 1/2 miles west of Cedar Hill, and presumably declared a dry hole.

This is the fourth dry hole in this area since back in the 1950's.

Drilling rig is soon to go up on a wildcatter roughly 4 1/2 miles southwest of Dougherty. It is No. 1 Fulingim, to be drilled 10,000 feet by Hilliard Oil and Gas Inc. and NRM Petroleum Corp. of Midland.

Lions Club Arts And Crafts Show Slated

The 7th annual Arts and Crafts Show sponsored by Floydada Lions Club is scheduled for Saturday, November 19th from 10 a.m. until 5:30 p.m. at Massie Activity Center, 513 West Georgia.

Arts, crafts, hobbies and foods all will be for sale under one roof.

Early reservations will assure better locations for display for merchandise. Eight feet by eight feet spaces will be available at \$12 per space. Some long tables are available, but for your own convenience, you may wish to bring your own. Chairs will be supplied. The building has operative heating and cooling for comfort.

Those wishing to enter arts, crafts, other hobbies or foods are asked to mail checks for reservations to Floydada Lions Club, 905 West Virginia, Floydada, 79235 or call 806-983-3135 for additional information.

Ponderosa Opening Retail Sales

According to an announcement made by Johnny Harris, the Ponderosa Meat Company this week opened meat sales to the general retail trade. For some time the business had devoted sales to custom meat processing and bulk sales.

Now the customer may buy from the meat display bacon, sausage, hams, all cuts of steak, fresh pork. Special orders for cook-outs and community occasions will also be solicited.

If the customer does not see what he or she wants on display, market personnel are on hand to cut to please.

The retail store at 807 East Missouri will be open from 8 to 6 weekdays and 8 to 1 on Saturdays.

The Sunday Hesperian will feature some special buys from the Ponderosa.

'Winds, Hornets Resume 4-AA Rivalry

By Doug Simpson

If this year's district 4-AA race patterns itself after the trend that has been found to be present over the past number of seasons, the Floydada

Whirlwinds should be able to operate with full horsepower and run roughshod over their opponents right about now.

Friday night's 4-AA showdown, a must game for the Hornets, who are

now 0-1 in district, will be played at Tulia's Mitchell Zimmerman Field. Kickoff will be at 7:30.

Taking a look at the way the district has progressed for the last two seasons, Floydada has had a non-conference slate of about 3 wins, three losses, or worse, but then let loose and went wild, rampaging over all four 4-AA foes.

Of course, going by past records, scores, or trends is dangerous. And there is a small difference apparent in the Whirlwind football team in 1977 at this point.

First off, L.G. Wilson's troops are now 5-2 for the season, not 3-3 or 2-3-1. And previously, Floydada's offensive strategy remained pretty much intact for those other three years, keeping the same quarterback and relying primarily on defense to carry it through the rough spots.

For the most part, that has been true this year. But last Friday in the Lockney game, the offense turned in its highest point total for the season, while the defense performed well again, also.

Tulia has not defeated the Whirlwinds since 1971, when the Hornets edged Floydada on a mud-splattered Wester Field night, 8-7.

A year later, the 'Winds rebounded from a fourth quarter 21-7 deficit to tie Tulia at 21 apiece and represent the district on penetrations.

Floydada has won the last four meetings, including a 14-7 triumph at Wester Field last year.

The 'Winds will hope to stay emotionally high after last week and keep that trend of victories over Tulia going.

The Hornets operate under a "Straight T" formation with three men in the offensive backfield and with senior Don Burgess at the quarterback slot.

Joe Padilla, a 175-pound junior, Randall Reeves, a 180-pound fullback, and Mark Buchanan, a 150-pound senior halfback make up the Tulia backfield, which could be described as explosive and very experienced.

The Hornets have nine seniors on their entire offensive unit.

Burgess' throwing targets include Bayett Sanders, at the left end spot, and Jeff Wilks, at the other split end position.

Tulia possesses a superb defensive unit, with eight seniors and three juniors of sizeable frames assuming responsibility for the Hornets 7-1 formation, one rarely used by teams in this area.

The seven man defensive line is led by 190-pound Russell Daniel, 215-pound Trent Finck, and 170-pound tackle Ramiro Bernal.

The lone linebacker in the entire formation is 150-pound junior Tim Blass.

The three-man defensive secondary is composed of halfbacks Craig Breedlove and Chet Ebling, both seniors, and safety Jeff Wilks.

Few changes are expected to take place in the Floydada lineup. Ricky Day will be starting at defensive safety for the Whirlwinds, his first starting assignment on defense, and Kenneth Griggs is a doubtful starter at defensive tackle.

Ricky Covington will replace Joe Covington at fullback for Floydada.

Kincaid Wins Contest With Perfect Entry

City attorney Bill Kincaid, of 101 North Main Street, turned in the first-ever perfect entry in this week's highly-competitive football contest to walk away with first prize of \$10.

Although Kincaid was off on the tiebreaker with a 27-point guess (total was 42), he defeated his closest competitors, who each had a single miss to take second and third.

Floydada's Clarence Denton, of 122 J.H. Avenue claims second prize of \$6, missing only the Fampa-Amarillo Caprock game and with a 23-point total

guess. Lucio Vasquez, of Box 223, also had only one miss, the Pampa-Caprock matchup, and will receive the third prize money of \$4, as he was further off on the tiebreaker with 22.

A number of contestants missed two games and are recognized as honorable mention entries. They are Jim Curt-singer, Lubbock, Trava Gentry, T.L. Holland, Sammy Bradley, Joy Denton, Greg Pruitt, Mrs. Sammy Hale, Jimmy Jones, Dora Garcia, and John Campbell, all of Floydada, and W.L. Carthel, Lockney.

Farmers Union Meet Tonight

Ron Butler, assistant to the Texas Farmers Union president, will be the main speaker at the Floyd County Farmers Union annual meeting Thursday (October 20) in Floydada.

The meeting is scheduled to start at 7:30 p.m. in the Massie Activity Center.

Also present will be Walt Jones, Blue Cross-Blue Shield manager for Farmers Union in Texas.

County board members and officers will be elected. There will be a chicken

dinner, and a drawing for door prizes.

Current officers are Vernie Moore, president; Bob Ross, vice president; Audrey McCormick, secretary-treasurer; Wayne Poteet, reporter. Other members of the board are Eddie Smith, Ray Ford, Dwight Teepel, Aldine Williams, Watson Jones, Wayne Collins and Louis Pyle.

The public is welcome to attend. Farmers Union members will receive personal invitations to the meeting.

Vocational Classes

Community Action to sponsor vocational classes in Floydada.

T.S.T.L. enrollment at 7:00 P.M. Oct. 20 in the Floydada High School Typing Room. A minimum of 12 students is necessary for the classes to start. Typing, shorthand, and bookkeeping will be offered.

Reception To Honor Mr. And Mrs. Dudley Graham

Mr. and Mrs. Dudley F. Graham of Floydada will be honored with a reception Sunday afternoon, October 30, from 2 until 4 o'clock in the Massie Activity Center. The event is in observance of their 50th wedding anniversary.

Hosting the reception will be the couple's two children and their spouses, Mr. and Mrs. Leroy Graham and Mrs. Ernest Willis all of Floydada. Mr. and Mrs. Graham also have nine grandchildren and several great grandchildren.

The former Floyd Dell Simpson and Graham were married November 5, 1927 in Meadow, Texas, and moved to Floydada in 1946. He was the son of the late Mr. and Mrs. D.W. Graham of Asper-

mont. Mrs. Graham is the daughter of Mrs. Iva Simpson of Floydada and the late W.O. Simpson.

Graham is a retired maintenance operator for Floyd County. He and his wife are members of the Waltz Club and also enjoy fishing.

Friends and relatives are invited to the reception.

Mr. and Mrs. Larry Collis of Lubbock are parents of a baby girl born October 17 at St. Mary's Hospital. Lubbock Jessica Hope weighed eight pounds, eight ounces. Grandparents are Mr. and Mrs. Randall Collis of Lockney. Great grandparents are Mr. and Mrs. G.E. Reeves and Mrs. Ora Collis, Lockney, and Mr. and Mrs. H.H. McPherson, Morgan City, Texas.

Mr. and Mrs. Dale Newberry of Lamesa are parents of a daughter born October 15th. The baby weighed 7 pounds and has been named Sarah Cathrine. She has a seven year old brother, Robert.

Grandparents are Mr. and Mrs. W.O. Newberry and Mr. and Mrs. P.F. St. John of Concord, North Carolina. Dale is a CPA employed with Wilton and Co. in Lamesa.

MR. AND MRS. Bob Allen announce the engagement and marriage of their daughter, Katherine of Mrs. B.J. Klein and the wedding in the First Baptist Church. The bride elect is a junior at Tech University. Her fiancé attended South Texas and Texas Tech and is presently employed with Mike Klein General Contractors.

Mrs. Blum Hosts

Floydada chapter of the Lubbock Christian Association met in the party room of Farm Bureau building Monday night October 17, with Mrs. Lewis Blum as hostess. The meeting was called to order by the chairman, Mrs. Sara Lude. Yearbooks were distributed and coming programs discussed.

Guest speaker, Mrs. S.H. Lovett, was introduced by Mrs. Lude and she continued with the program by telling and showing how to make silk roses. She had the material for one already cut and ready to put together. First, she burned the edges with a votive candle to make the petals curl. Mrs. Lovett said she used the material used to fashion the petals on a wire stem and then added the calyx and leaves, all of this being secured with glue, thread and florist tape. Then she made a rosebud and added it to the stem and Mrs. Grady Freeman was the lucky lady who drew the beautiful orange colored rose. A saloon colored rose was given by Mrs. Grady Walker and Mrs. Lude was the lucky one in that drawing.

Adult Singles To Meet

Adult Singles will meet at Lighthouse Electric Saturday night, October 22, at 7 o'clock for a kid's party. The event calls for those attending to be dressed as a youngster and bring a covered dish for the Mexican supper.

Deputy Butler Honored

Deputy Ellis M. Butler was honored with a surprise birthday party on the afternoon of October 12, at the Floyd County Sheriff's Department. The party was hosted by LeAnn Neeley and Penny Bertrand.

Teachers Attend Conference

Members of The Delta Kappa Gamma Society International met Saturday, October 15, 1977 at Bonham. The following members from Floydada were in attendance: LaVada Garrett, Bob Johnston, Sunny McPherson, and Ella Bevan.

Mrs. Larry Fawver

Wedding Vows Repeated Saturday By Becky Bertrand, Larry Fawver

Wedding vows were repeated Saturday evening, October 15 in the First United Methodist Church in Floydada by Becky Bertrand and Larry Fawver. Rev. James Smith, pastor, performed the 6 o'clock double ring ceremony.

The bride is the daughter of Mr. and Mrs. Neal Bertrand and the groom is the son of Mr. and Mrs. Leslie Fawver all of Floydada.

A heart shaped candelabra holding an arrangement of white and red gladioli and white palms was the focal point for the wedding scene. At either side were alter arrangements of white and red gladioli and

jade foliage. Large palms of matching foliage was in the choir loft and also placed in front of the pulpit where a brass vow candelabra held a unity candle centered in an arrangement of white and red mums. Bridal aisles were marked with hurricane candelabra decorated with garlands of white mums and red satin bows.

Mrs. C.L. Record of Lockney presented organ and piano selections and also accompanied soloist, James Race of Lockney as he sang "Color My World." "Welcome To My World" and "Love Me Tender."

Presented in marriage by her father, the bride wore a

floor length gown of illusion silk bombazine and lace. She was the fifth granddaughter to wear the wedding dress purchased by Mrs. P.F. Bertrand for her first granddaughter to wear at her wedding 17 years ago.

Fashioned with a fitted bodice, the gown was accented with a scalloped neckline and long tapered sleeves ending at petal points over the hands, and closed with self covered buttons. The bouffant skirt was embellished with lace appliques and fell into a three tiered chapel length train. Her lace trimmed illusion veil descended from a capulet accented with pearls. She carried a cascade

bouquet of white butterfly rose buds and stephanotis, showered with baby's breath and streamers of white lace and satin. A red pixie carnation corsage was later removed from the bridal bouquet and worn on her traveling ensemble.

The wedding gown was worn as something old and for something new the bride wore a strand of pearls, a gift from her mother. The wedding veil was borrowed from Mrs. Martin Warren, the former Jill Bertrand, and her blue garter was a gift from Nesa Jackson.

Nesa Jackson was maid of honor. Bridesmaids were Penny Bertrand, sister of the bride, and Debbie Bertrand, her sister in law. They wore carnation red floor length gowns fashioned from chiffon, and carried a long stemmed butterfly rose bud wrapped in white satins.

Tammy Bertrand of Canyon, niece of the bride, was flower girl. Leslie Jo Francis of Carrollton, niece of the groom, and Michael Bertrand, Canyon, nephew of the bride, were ring bearers.

Brooks Carroll, Floydada, was best man. Ushers included Bruce Francis, Carrollton, brother in law of the groom, Richard Bertrand, Canyon, Jeff Bertrand, Floydada, brothers of the bride, and Mark Montandon, Lockney, the bride's brother in law. Serving as groomsmen were Mac Warren, Lubbock and Tony Green, Lockney.

Following the wedding a reception honoring the newlyweds was held in the church fellowship hall. The bride's table laid with white net held a pyramid arrangement in a silver epergne of white pixie carnations, white gladioli and baby's breath. Mrs. Mark Montandon and Mrs. Billy Hinkle served the four tiered cake decorated with cascades of red candied carnations and punch from crystal appointments. Red colored water flowed from a fountain on

New heating system reduces energy use

By MARIE HARRIS
Herald Regional Editor

The first unit of a hot-water heating system that reduces energy consumption 80 percent is being manufactured in Plainview this week.

Weldon Williamson, former Plainviewan who has returned here to live, designed and developed the system which is adaptable to any geographical location and can utilize whatever fuel source is available. He has the patent on the grate and engineers on his staff design the installation schematics.

Williamson is president of the business, Ecology Heating, Inc., and Texana Davis, who has lived in Plainview off and on since 1957, is his partner and vice president.

MANUFACTURING is being done by Clinton Thrasher, brother of Mrs. Davis, at Thrasher Welding, 2501 Lancaster St. The entire system will be on display within the next two weeks.

Williamson, in the masonry business 22 years in Floydada, Plainview and Farmington, N.M., has been designing and building fireplaces several years. He could see no reason why a fireplace should not adequately heat a home. Two years of research resulted in a safe, economical fireplace-furnace, hot-water heating system.

By combining a thermostatically controlled hot-water heating system with a fireplace, Williamson designed a

system that will heat almost any home for 25 hours after consuming fuel for but two hours each day.

OTHER HEATING systems require additional fuel consumption each time the thermostat is activated and during cold weather will light and re-light many times daily.

To eliminate the need for continuous fuel consumption, due to temperature variances, Williamson installs a large insulated storage tank underground. Here hot water is stored and maintains a 195 degree temperature. Even though the fireplace is not in use when the thermostat activates, hot water stored in the tank will begin automatically its circuit through the pipes leading to the registers in whatever zone of the house requires heat to close the activated thermostat. Yet the opening of the thermostat does not require additional fuel consumption to raise the heat level and close the thermostat.

Because of the unique bypass system installed in each individual heat zone, only the registers in the zone requiring heat are activated. This further reduces waste by helping to hold the reserve tank temperature at the 195 degree level.

EVEN IN sub-zero weather, the fireplace-furnace, hot-water heating system will heat an entire home at 72 degrees for 24 hours a day regardless of the size of the home.

The system also supplies hot water for domestic use. The 500 to 1,000 gallon

storage tank will furnish enough hot water for households without increasing fuel consumption.

In event the heating system is not in use for weeks or months at a time, a small auxiliary unit automatically activates, bypassing the basic fireplace system, and supplies the home with adequate hot water.

THE SYSTEM is ideal for remote areas, said Williamson, as it is easily adaptable to any fuel — electricity, wood, coal, butane, natural gas, or fuel oil. With limited design alterations, the system is capable of operating efficiently even in areas where no electricity is available.

The fireplace heating unit can be installed easily in present homes as well as in new construction. An existing fireplace can be converted to the system with a minimum of expensive changes. The system is flexible enough to be compatible with many commercial heating systems now used.

With the reduction in monthly fuel expense, this means the unit should pay for itself in three to eight years.

NEWS 'N' NOTES

(by Sharon Hillis)

September to March is apple time — and October is National Apple Month.

"Apples that break into pieces when cooked are usually best for applesauce." The best baking apples keep their shape. Tart apples are good for cooking; sweeter apples are better for eating raw.

For a main course, try Apple Stuffing with Roast Pot Shoulder or Sweet Potato-Apple Casserole.

Apples also make exciting salads and desserts to perk up fall meals.

APPLE STUFFING (makes 4 cups)

- 1/4 cup butter, margarine or bacon
 - 1/2 cup chopped onion
 - 1/2 cup chopped celery
 - 4 cups diced, tart apples
 - 1/2 teaspoon salt
 - 1/2 cup sugar
 - 4 cups small bread cubes
- Melt fat in large frypan. Add onion, celery, and apples. Sprinkle with salt and sugar. Cook, turning occasionally, for 8 to 10 minutes or until apples are lightly browned. Add bread cubes and toss gently to blend ingredients.

HOW TO USE: Pork shoulder with apple stuffing, sprinkle the inside of a 4-pound boned fresh pork shoulder with one teaspoon salt and pepper, as desired. Spread with stuffing. Fold meat over stuffing and skewer. Place on rack, skin side up, in a shallow baking pan. Bake at 325 degrees (slow oven) for about 2 1/2 hours, or until meat is tender and the juice is no longer pink.

SWEET POTATO-APPLE CASSEROLE (makes 6 servings, 1/2 cup each)

- 1 can (18 oz.) sweetpotatoes, drained
 - 1/2 cup sweetpotato liquid or orange juice
 - 1 can (20 oz.) apple pie filling
 - 1 teaspoon grated orange rind, if desired
 - 1 teaspoon lemon juice
 - 1 cup bread cubes
 - 2 tablespoons butter or margarine melted
- Arrange sweet potatoes in a 2-quart casserole. Blend remaining ingredients except bread cubes and fat. Pour over sweetpotatoes. Mix bread cubes with fat and sprinkle over apples. Bake at 375 degrees (moderate oven) until liquid is bubbly and bread cubes are lightly browned.

CARROT-APPLE SALAD (makes 6 servings, 1/2 cup each)

- 1 large carrot, shredded
 - 3 cups diced apples
 - 1/2 cup raisins
 - 1/4 cup salad dressing or mayonnaise
 - 1 tablespoon lemon juice, if desired
 - 1/8 teaspoon salt
- Combine ingredients and mix well.

CABBAGE-APPLE SALAD (makes 6 servings, 1/2 cup each)

- 2 cups shredded cabbage
- 2 cups diced apples

- 2 tablespoons slivered almonds, toasted
 - 1/4 cup salad dressing
 - 1 tablespoon lemon juice
 - 1/2 teaspoon salt
- Combine all ingredients and mix well.

APPLE SPICE MUFFINS (makes 12)

- 3/4 cup milk
 - 1 egg, beaten
 - 1/4 cup melted fat
 - 2 cups unsifted flour
 - 1/2 cup sugar
 - 1 tablespoon baking powder
 - 1/2 teaspoon salt
 - 1 teaspoon cinnamon
 - 1 cup finely chopped apples
 - 1/4 cup raisins
- Add milk to egg; stir in fat. Mix dry ingredients thoroughly; stir in apples and raisins. Add liquid mixture and stir just until most of the dry ingredients are moistened. Do not overmix; batter should be lumpy.

Fill greased muffin tins two-thirds full. Bake at 400 degrees for 20-25 minutes until golden brown.

APPLE COFFEECAKE (makes 9 servings, 3 by 3 inches each)

- 1/2 cup light brown sugar
 - 2 tablespoons flour
 - 2 tablespoons butter or margarine
 - 1/2 to 3/4 cup sugar
 - 1/4 cup shortening
 - 1 egg
 - 1/2 cup milk
 - 1 1/2 cups unsifted flour
 - 2 teaspoons baking powder
 - 1/2 teaspoon salt
 - 2 cups thinly sliced apples
- Blend together the brown sugar, 2 tablespoons flour, butter or margarine, and cinnamon. In another bowl, combine sugar, shortening, and egg; beat thoroughly. Stir in milk.

Mix 1 1/2 cups flour, baking powder, and salt thoroughly; stir into egg mixture just until smooth.

Spread half the batter in a greased 9-inch pan; cover with half the apples; top with half the brown sugar mixture. Repeat.

Bake at 275 degrees for 45 to 50 minutes or until cake is set. Note: if preferred, put all the batter in pan at once. Arrange the apples on top of the batter and sprinkle with brown sugar mixture.

Low prices being offered for the huge 1977 cotton crop have prompted farmer-elected Directors of Plains Cotton Growers, Inc. to call for a 1978 cotton set-aside requirement equal to that expected for feed grains.

The action came at an October 12 meeting in Lubbock. The Board also instructed its staff and officers to seek a "cottonseed target price" or some other workable means to alleviate depressed cottonseed prices.

The U.S. Department of Agriculture has declared a 20 percent set-aside on wheat in 1978 and talk is that a 10 percent to 15 percent set-aside will be announced for feed grains. All regulations of the 1978 farm program have not been developed but it has been made clear that producers who fail to comply with set-aside requirements in effect on any crop will be ineligible for loans or payments on all crops.

The set-aside requirement on wheat, for example, means a farmer who plants 100 acres of wheat in 1978 will have to set aside and devote to conserving uses 20 percent of that amount, or 20 acres of his "normal cropland acreage." Otherwise he would be declared out of compliance on all program crops. However if he plants no wheat in 1978 he will have no set-aside requirement.

"If there is a set-aside on feed grains and no set-aside on cotton," commented J.D. Smith, a Director and former PCG President, "there will be a danger that some farmers will plant all cotton and no feed grains in order to utilize their total acreage."

This additional acreage in cotton, Smith reasons, could lead to a surplus cotton supply at the end of 1978 as burdensome as the current feed grain surplus.

Should USDA unexpectedly decide against a feed grain set-aside, PCG will not push for a cotton set-aside. The thinking of the PCG Board is that if set-aside requirements are the same for both crops, each will compete for land on factors other than the desire to avoid complying with set-aside regulations.

Producer returns on cottonseed this year aren't enough to cover ginning charges, a situation made even more dismal by lint prices often below production costs.

Government cottonseed price supports, effectuated through loans on cottonseed products, have been tried and found wanting in the past. If instituted now at a level high enough to help producers, most agree that cottonseed meal and oil would be priced out of the market and wind up in government stocks.

PCG therefore will urge USDA to devise a more direct approach to support prices. Discussed were two possibilities, a target price for cottonseed similar to that in effect for cotton lint, or a program that would operate in the same manner as the current price support system for wool.

New heating system reduces energy use

By MARIE HARRIS
Herald Regional Editor

The first unit of a hot-water heating system that reduces energy consumption 80 percent is being manufactured in Plainview this week.

Weldon Williamson, former Plainviewian who has returned here to live, designed and developed the system which is adaptable to any geographical location and can utilize whatever fuel source is available. He has the patent on the grate and engineers on his staff design the installation schematics.

Williamson is president of the business, Ecology Heating, Inc., and Texana Davis, who has lived in Plainview off and on since 1957, is his partner and vice president.

MANUFACTURING is being done by Clinton Thrasher, brother of Mrs. Davis, at Thrasher Welding, 2501 Lancaster St. The entire system will be on display within the next two weeks.

Student And Teacher To Receive American Farmer FFA Degree

Orville L. Harris, vocational agricultural instructor and FFA Advisor at Floydada High has been nominated to receive the FFA's Honorary American Farmer Degree. Harris was nominated for the Degree by the Texas FFA Association and the nomination was approved by the National FFA Board of Directors which recently met in Alexandria, Virginia. The Honorary American Farmer Degree is the highest honorary degree presented by the FFA. This year 89 teachers of vocational agriculture were nominated to receive the degree during the National FFA Convention in Kansas City, Missouri, November 8-11. Harris has been a vocational agriculture teacher at Roaring Springs, Whitharral, Dell City, and Floydada for 23 years. During that time he has had 2 students who earned the American Farmer Degree, 59 students who received the State Farmer Degree, 6 students who earned state proficiency awards, etc. Each year at least 50 of the 11,500 teachers of vocational agriculture in the nation are awarded the Honorary American Farmer Degree. The Degree

is awarded on the basis of points scored by a teacher for his accomplishments as a vocational agriculture instructor, FFA Advisor, and as a participant in professional vocational agriculture teachers' organizations. Teachers are awarded points for each student they supervised in earning state and national FFA awards. Teachers also receive points for serving as officers and committee members of the National Vocational Agriculture Teachers' Association and for their participation in national meetings of the FFA and other professional associations.

Harris is one of 10 vocational agriculture teachers from Texas to be nominated for the Honorary American Farmer Degree this year. He plans to attend the National FFA Convention in Kansas City, Missouri, on November 8-11 where he will be presented the degree pending final approval of the nomination by the student FFA delegates who must vote on all honorary presentations of the National FFA Organization. The degree is presented during the Thursday afternoon session of the Convention.

Play To Be Presented

November 12th

"The Man Who Came To Dinner" will be presented in the Floydada High School auditorium on November 12 by drama students. Admission price is \$1 per ticket for adults or students. Reserved seats are \$1.50 each.

David Schwertner, son of Mr. and Mrs. A.E. Schwertner of Sandhill Community will receive his American Farmers Degree in Kansas City, Missouri, November 10, 1977. The degree will be awarded at the Fifth General Session of Golden Anniversary of the FFA. The American Farmer Degree is the highest degree to be received from the Future Farmers of America. David is a graduate of Floydada High School, and a member of FFA for six years. While David was in

high school he was Chapter President, Plainview District President, District President, participated in many leadership contests, showed champion and reserve champion Southdown lambs in Denver, Colorado and attended District, Area, and State Conventions as voting delegate. He attended one national convention. David is now attending Texas Tech University and is majoring in Agriculture Education.

TIME FOR SOIL SAMPLING

Any farming operation requires planning, and this is particularly true when it comes to applying fertilizer. Fertilizer applications should be based on a soil test and fall is a good time to

take soil samples for testing. Containers and instructions for submitting soil samples are available at the county Extension office. Based on a soil test, a sound fertilization program can be developed for the coming crop year.

Such a program will be increasingly important in the months ahead. Under present economic conditions, low yields are not profitable, and fertilization, at least with nitrogen, is generally necessary for profitable yields. Yet, the need for plant nutrient and its poten-

tial profitability should be closely evaluated. For additional information on fertilizer use in Floyd County, producers should review the result demonstrations. Various fertilizer rates were used on different crops to determine the highest profit potential, and these studies merit close evaluation. With current high produe

Floyd Philosopher To Doubt How Much A School Diploma Meant In Old Days

The Floyd Philosopher on the farm this week discusses the Canal Treaty or high school diploma or the other, we aren't sure

Washington is trying to trap the Panama Canal Treaty. Even though the treaty is going to fall for it, I'll explain why there's a great hue and cry about the meaninglessness of a diploma. The public schools in this country have fallen down in their efforts to come out of high school in their hand although they are better than that," the school diploma meant something. "Why, when we went to school diploma meant something. Truth in this, of course, but come up that makes me good an education the older got in high school. do over the Panama Canal

Treaty. Some Senators and Congressmen say it gives the U.S. the right forever to use the canal ahead of everybody else and to defend it against all enemies. Others say no it doesn't.

Even the men who negotiated the treaty now disagree on what it says, the American negotiators saying it says one thing, the Panamanian negotiators saying it says another.

There you have it. Middle-aged and older Senators and Congressmen and diplomats and officials from both countries are having trouble reading the treaty, yet ever one of them has a high school diploma.

So, when that outfit in Washington sent me a copy of the canal treaty I caught on immediately to what they were up to. It's none of their business whether I have a high school diploma or what school I got it from.

A copy of the treaty is here on my desk, if you'd like to test your education, Editors Huggins and Tooley.

Yours faithfully,
J.A.

hungry communists.

THE U. S. DEFENSE TREATY WITH TAIWAN

IS, like all treaties, a part of the Supreme law of the land. Even if there was a policy to abandon our agreements on defense with the Country, it at least should be done by lawful method which would be formal abrogation, but it seems that people who favor appeasement towards Red China simply seem to want the United States to crawl away from its commitment by announcing "de-recognition." Incidentally, this is contrary to the spirit injected into the Panama Canal issue. The Carter Administration spokesman says the treaty with Panama is not an act of weakness but rather expresses sympathy of a large and powerful Nation towards smaller nations. If we are to gain respect in Latin America by giving the Canal back to Panama, how could we be respected anywhere in the world for sneaking out the back door on Taiwan. There is that China, if will turn its back on the Soviet Union, if we went this route. If we abandoned an ally which we really created in the first place, would those nations in the Middle East whom we are asking to take grave risks to preserve peace, be willing to rely on us? It is important to assess what we gain by trying to win Red China's affection. More likely, we would gain her contempt by such a policy.

WILLIAM JAMES SAID PEOPLE DO NOT RUN BECAUSE THEY ARE SCARED BUT ARE SCARED BECAUSE THEY RUN.

If this sort of an appeasement policy towards Red China should be carried out, Americans would have reason to be scared.

HALLOWEEN SAFETY

Keeping kids safe on Halloween doesn't have to be such a difficult trick if you treat them right and follow these six suggestions.

1. Use only fireproof paper or cloth for their costumes.
2. If your children will be out trick-or-treating after dark, be sure they're wearing light clothing or have some reflective tape on their costumes.

TREAT CHILDREN WITH CARE on Halloween.

3. Use flashlights, not candles, to light jack-o-lanterns.
4. Give trick-or-treaters at your door individually wrapped snacks such as Planters® Peanuts and Baby Ruth® and Butterfinger® snack bars. Factory-wrapped treats let you know no one could have tampered with them.
5. Make sure children travel in groups, and that the younger ones go out with an adult supervisor.

6. Keep corn husk decorations away from any fires and spray them with fireproofing liquid.

These simple precautions can help your entire neighborhood have a happy Halloween.

It didn't matter how the accident happened. I was goofing off — going too fast. I was crazy. I was enjoying freedom and having fun. The last I remember was passing an old lady who seemed to be going awfully slow. I felt the deafening crash and felt a terrible jolt. My whole body seemed to be flying inside out. I heard myself

VA Administrator Max Cleland, himself a triple amputee, today expressed pride in his agency's efforts to increase employment of handicapped persons and urged all elements of the Veterans Administration to redouble their efforts "to accord our disabled citizens their full rights."

Noting that National Employment the Handicapped Week will be observed from 2-8 this year, Cleland said he was pleased that the agency afforded "excellent opportunities for advancement" for its 12,499 handicapped employees.

"The number of promotions, awards and commendations earned by our handicapped employees is indicative of the effectiveness of these individuals in the performance of their jobs," he said.

He pointed out that in the past year 1,627 handicapped VA employees received promotions, 344 earned salary increases for high quality performance, 52 received outstanding performance awards, 447 received individual or group awards and 95 were awarded special commendations and citations.

Cleland said the wide range of jobs held by handicapped VA employees "illustrates the kind of opportunities we can open up to them and shows that their abilities are not lessened by their handicaps."

For example, he said, 26 percent of the agency's blind rehabilitation specialists have various handicaps. Twelve percent of VA appraisers, construction analysts, counseling psychologists, laundry machine operators and maintenance foremen are also handicapped.

Cleland said, "handicapped individuals make up 5.6 percent of VA's more than 222,000 employees and I intend to see to it that we continue to offer such individuals an affirmative program of employment."

"They have amply demonstrated that, given proper training, they can perform as capably as out able-bodied personnel," Cleland said.

head. I can't be dead. I'm only 17. I've got a date tonight. I am supposed to grow up and have a wonderful life. I haven't lived yet. I can't be dead.

Later I was placed in a drawer. My folks had to identify me. Why did they have to see me like this? Why did I have to look at Mom's eyes when she faced the most terrible ordeal of her life? Dad suddenly looked like an old man. He told the man in charge, "Yes, he is my son."

The funeral was a weird experience. I saw all my relatives and friends walk toward the casket. They passed by, one by one, and looked at me with the saddest eyes I've ever seen. Some of my buddies were crying. A few of the girls touched my hand and sobbed as they walked away.

Please... somebody... wake me up! Get me out of here. I can't bear to see my Mom and Dad so broken up. My grandparents are so racked with grief they can barely walk. My brother and sisters are like zombies. They move like robots. In a daze, everybody! No one can believe this. And I can't believe it, either.

Please don't bury me! I'm not dead! I have a lot of living to do! I want to laugh and run again. I want to sing and dance. Please don't put me in the ground. I promise if you give me just one more chance, God, I'll be the most careful driver in the whole world. All I want is one more chance.

Please, God, I'm only 17!

Mrs. Rucker

Mrs. Alice Rucker, 83, stepmother of Ralph Rucker of Floydada died Saturday in Childress.

Services were held Monday at First Baptist Church with Rev. Joe S. Allen, pastor, officiating. Burial was in the Childress Cemetery.

Mrs. Rucker was born in Oklahoma and was a long-time resident of Childress.

Survivors include her widower, Erve; two daughters, two sons, one brother, three sisters, three stepsons, one stepdaughter, 15 grandchildren, 29 great-grandchildren, and 13 step-grandchildren.

Mrs. Ada Eaves

Services for Mrs. Laura Ada Eaves 93 years old and 9 months old, were held in Adams and Swanson Memorial Funeral Home Chapel in North Platte, Nebraska, Saturday, October 15, 1977. Rev. Garrold Timmons of First Christian Church officiated. Burial was in North Platte Cemetery.

Mrs. Eaves, a former

Floydada resident, died about 10:30 a.m. Wednesday, October 12 in Linden Manor Nursing Home in North Platte.

She was born in Weatherford, Parker County, Texas in 1884 and later moved to Red River County where she was married to James Delton Eaves on September 3, 1899. They moved to Lorenzo, Texas in 1919 and to Floydada, Texas in 1923.

She moved to North Platte, Nebraska in 1935 and was employed as a nurse there at St. Mary's Hospital for many years. She was a member of the Baptist Church in North Platte.

Survivors include three children, a son, Beuford Eaves of North Platte; two daughters, Mrs. W.B. Parck of Anson, Texas and Mrs. C.W. Denison of Floydada, a sister, Mrs. Telia Eaves of Lubbock, Texas, and a sister-in-law, Mrs. Ona Joy of North Platte.

A daughter, Mrs. Bernard Jaeger of Cincinnati, Ohio preceded her in death in 1971.

There are 11 grandchildren, 26 great-grandchildren, nine great-great-grandchildren, and a number of nieces and nephews. Pall bearers were her grandchildren.

ren, and a number of nieces and nephews. Pall bearers were her grandchildren.

Wade Warren

Services for Wade Warren, 68 year old longtime Floydada service station owner and operator, retired, will be conducted this afternoon (Thursday) October 20 at 4 o'clock in the First Baptist Church. Warren died at 6:15 a.m. yesterday in Caprock Hospital following a seven weeks illness.

A native of Wolfe City, Texas, Warren was born September 13, 1909 and moved to Floyd County with his parents, Russell E. and Laura Parrish Warren in 1913 from Wolfe City. He and the former Leona Owens were married in White Flat on December 24, 1935.

Warren was a member of the First Baptist Church. Survivors include his wife; one son, Billy Wade Warren of Dumas; two daughters, Mrs. Fred L. (Betty) Ritey of Longview and Mrs. Donnie (Martha) Galloway of Floydada; five brothers, Bud Dorcie and Fred all of Floydada, C.T. (Tom) and Carlos both of Fort Worth; a sister, Mrs. Lester (Irene) Britton of Seymour; and eight grandchildren.

Dr. Floyd C. Bradley will officiate for the service. Interment will follow in Foydada Cemetery under the direction of Moore-Rose Funeral Home. Pallbearers will be Ryburn Neil, Willie H. Bunch, John McKinney, Lee Burton, Preston Watson, and Al Galloway.

Mrs. Gill

Services for Mrs. Edna Pearl Gill, 90 of Lockney Nursing Home were held Monday afternoon in First Baptist Church in Floydada.

The Rev. Joe Stone, Assembly of God minister from Muleshoe, officiated and was assisted by the Rev. Jackie Thompson, pastor of Cedar Hill Assembly of God.

Burial was in Floydada Cemetery under direction of Moore-Rose Funeral Home. Mrs. Gill died at 9:30 p.m. Saturday, October 15 in Lockney Nursing Home.

The Hopkins County native moved to Floyd County in 1920 living in the Center Community before later moving to Lockney. She was a member of the Assembly of God Church at Cedar Hill. She was married to Thomas J. Gill March 5, 1905 at Mount Vernon.

South Plains News

By Mrs. Murray Julian

South Plains, October 17-- Around fifty were present for Sunday morning Baptist Services at South Plains, with several coming in for church services, including Mrs. Bill Driver and son, Billy, her daughter-in-law, Mrs. Ronnie Driver, with Kevin and brother. We welcome the Driver family to our area. They reside where Mr. and Mrs. Mike Marble and son lived, near the Upton Grocery.

We extend sympathy to Mrs. Walter Wood and others of her family in the death of her sister, Mrs. Alice Foust, of Amarillo, who passed away there Friday. Services were held there at the First Baptist Church at 10:00 a.m. Monday, October 17, with grave-side services in Plainview Monday afternoon, at 1:30 p.m. Rev. and Mrs. Fred Blake attended the Plainview services along with other friends.

Several of our people attended the Baptist Annual Associational meeting held last Thursday in Matador, beginning at 3:00 p.m. with the afternoon session, and then the evening meal, and then the evening session. It was a good meeting, and those who attended from here were Rev. and Mrs. Fred Blake, Mrs. L.T. Wood, Mrs. Tillman Powell and Mrs. O.G. Mayfield of Floydada, who went with the South Plains people.

Meetings in the South Plains Baptist Church Wednesday afternoon include the Mission Friends, with Mrs. Arby Mulder; the Girls In Action with Mrs. Kathy Mulder and Mrs. Royce Bethel; The Royal Ambassadors with Rev. Nathan Mulder. These will all be meeting at 4:00 p.m. At 2:30 p.m. on this same Wednesday afternoon, October 19th, the Women's Missionary Union will meet for the October study in Royal Service, with Mission Study leader, Mrs. Murray Julian.

Mr. and Mrs. Grigsby Milton Jr. were in Amarillo

Survivors include a daughter, Mrs. Robin Fortenberry of Cedar Hill; a sister, Mrs. Reeta Evans of Bogata; seven grandchildren; 16 great grandchildren; and two great-great grandchildren.

this week, where his sister, Miss Linnie Milton is quite ill, suffering with pneumonia, among other ailments. We sincerely hope she continues to get better.

Baby Kendall Kelvin Cummings had his first trip to church Sunday, October 16th and shared the nursery with other little friends at South Plains Baptist Church. He is seven weeks old now, and is the son of Mr. and Mrs. Kelvin Cummings.

Mr. and Mrs. Don Marble had an over night house guest last Tuesday night and Wednesday, Dave Jordan, from Cotton, Inc. in Raleigh, North Carolina.

Mrs. Don Marble's father, R.L. Holland of Lockney, is in the Central Plains Hospital in Plainview, and Mrs. Marble goes to see about him every day. Holland was taken to the hospital this past Wednesday.

Mr. and Mrs. Sylvan Kinnibrough and his cousin, Mr. and Mrs. J.D. Horne of Oklahoma City, Oklahoma, arrived here last Saturday. Sunday morning all left together for a trip to the L.B. Johnson Hill Country, and toured the farm, and all the tourist attractions there until Wednesday of the following week.

Donette Marble from South Plains College at Levelland, spent the past weekend here with her parents, Mr. and Mrs. Don Marble. Donette brought a guest, Miss Renee Suthers of Duncannon, Texas home with her to also spend the weekend. Both are on the basketball team at South Plains College.

C.V. Blake and a friend spent the weekend here, with his parents, Rev. and Mrs. Fred Blake and sister, Atha. Guest with C.V. was Larry Petty of Levelland. Both attend South Plains College.

E.C. Cox of Lockney, father of Mrs. Alvin Nichols, was well enough to be out of the Lockney General Hospital Saturday, October 9. He is still suffering with foot trouble however and unable to walk. He is in Lockney Rest Home.

Mrs. Sterling Cummings was hostess in her home for a Sunday School Class party and breakfast Wednesday, October 5th, at 8:30 with assistant hostesses being members of her Dorcas Sunday School Class. Breakfast dishes of chili egg casserole, doughnuts, sweet rolls, bacon, sausage, orange juice and coffee were served. Dorcas class members present were Mmes. Sterling Cummings, Arby Mulder, Fletcher Powell, L.T. Wood, Tillman Powell, Fred Blake, Bonnie Moore, Raymond Upton and Kendall Cummings. Guests with them were Mrs. Early Pritchett, teacher, and class members, Mmes. Nathan Mulder, Tommy Scaff, Kendis Julian, Ira Henderson, Dick Lyons, and Richard Sanders.

Hobby Club will meet November 9th, at 2 p.m. at the home of Mrs. Murray Julian with roll call: Christmas Ideas Show and Tell. Mrs. Mamie Wood will give the Thought For The Day. The program will be given by Kathy Burk from the Lighthouse Electric, on making Christmas Decorations. Teddy Horne, son-in-law of Mr. and Mrs. Sylvan Kinnibrough, was in the hospital in Plainview for two days last week and underwent tests. Mrs. Kinnibrough spent Wednesday night with Mrs. Horne and Melissa.

Atha Blake flew to Dallas Saturday morning with six other members of the H.E.C.E. in Floydada High School, and their sponsor, Mary Alice Craig to attend the State Fair. They flew back that night. Atha is the daughter of Rev. and Mrs. Fred Blake.

George Weast is in St. Anthony Hospital in Amarillo at this time with a broken hip, which he sustained Tuesday, October 4th, in Plainview. The Weast's daughter and family, Mr. and Mrs. E.T. Evans live in Amarillo, and they are seeing about him while he is in the hospital. Mrs. George Weast is in the Heritage Rest Home in Plainview.

Rev. and Mrs. Fred Blake had as house guest, his sister, Mrs. Claudia Denton, from Secorra, New Mexico the week of September 26th.

Women's World Day of Prayer is November 7, and WMU women of the Baptist Church are invited to Quitaque to the First Baptist Church where they will meet at 10 a.m. Each one is to take a salad for the noon luncheon. Several from the South Plains Baptist Church plan to attend.

South Plains PTA is sponsoring the annual Halloween Carnival at the South Plains Elementary School, October 27, beginning at 8 o'clock. Games of Duck Pond, Bean Bag Toss, Dart Games, Cork Guns and other games will be held. They hope to have a Spook Room and there will be a cake walk. In the kitchen there will be Frito Pies, and baked pies, and soft drinks. Please donate cakes or pies for the carnival, and help the PTA. Members of PTA will meet at the school house at 1:00 p.m. Thursday afternoon, to prepare for the carnival.

October 30, 1977 has been set as the "Day" to reach high attendance in all the Sunday Schools in Texas. We are hoping to reach a high attendance on this day, and a goal of 64 has been set. Everyone make plans to come and help set a high attendance record at South Plains Baptist Church.

Congratulations to grandparents, Mr. and Mrs. Frank McClure, on the birth of a new granddaughter, born to Mr. and Mrs. Paul Cypert of Plainview Friday evening, 4:21 p.m. at Swisher Memorial Hospital in Tulsa. The baby girl weighed 8 lbs., 14 ozs. She has an older sister, Jennifer D'Lee who is 2 1/2. The granddaughter has been named Lyndie Suzanne. The mother is the former Ann McClure.

We offer our sympathy to Mrs. Robin Fortenberry and her family in the passing of her mother, Mrs. Thomas Gill, 90, who died Saturday in Lockney Nursing Home. Services were held in the First Baptist Church in Floydada Monday afternoon, with several from here attending the services.

South Plains Hobby Club met at the home of Mrs. J.P. Taylor Wednesday, October 12, for an all day quilting party. Mrs. Taylor had a quilt put up in frames, and work was started on it. Nora Tipton and Mrs. Gerald Martin of Plainview gave a stirring talk against E.R.A. and papers were given those attending to sign and turn in. At noon a salad luncheon was enjoyed brought by members. Fourteen members were present and six visitors. Members present were Mmes. J.P. Taylor, Kendall Cummings, Dick Lyons, Keith Marble, Fred Marble, Arby Mulder, Nathan Mulder, Grigsby Milton, Jr. Dwight Teeple, Leighton Teeple and Sterling Cummings. Visitors included Mmes. Bill Beedy and Gertie Smithman from Floydada, Mmes. Raymond Upton, Nathan Johnson, L.N. Johnson, Brad Smith from South Plains and Mrs. Gerald Martin and Nora Tipton of Plainview. The next Hobby Club meeting will be held in South Plains at the home of Mrs. Murray Julian November 9th, at 2 p.m. Kathy Burk will be with the club and Christmas decorations

will be the theme of the meeting. Mr. and Mrs. Murray Julian arrived home Wednesday afternoon, October 12, from a 13 day trip which took them through 15 states especially to the New England states for the Foliage Tour, which originated at Arlington, where they boarded the bus with 42 others on September 29th. They had ten days of rain in the 13 they were gone, however sun was brilliant on the wonderful scenery throughout Vermont and New York, where in the Adirondack Mountains the leaves were at their very finest. Others on this wonderful trip from this area include Mr. and Mrs. Walter Hanna of Floydada.

Floydada Nursing Home Happenings

By Dartha Westbrook

Last week was a busy week for us at the Nursing Home. We worked on our flowers for the dining room, and we finished enough for the small room. Hope to finish the rest this week. They are pretty and colorful, and should cheer our residents.

Our devotions were inspiring and we had many to help with this most important daily activity of our Home. Thanks so much.

We played Bingo Wednesday and winners were Clara Williamson and Hope Hammonds with 3 games each. Ray Reed, Agnes Anderson, and Willie Stambaugh with 2 each. Pearl Carriek was visiting her son, but she got a banana anyway thanks to her roommate, Mrs. Anderson.

Our birthday party was Thursday, and we had three to celebrate birthdays. Nancy Thomas, Sara Jarrett, and Viola Marshall. The women of City Park Church did their usual good job with cake, punch, poem, and lots of love. Thanks again.

We have a new resident, Francis Childs. She has been a resident here once before, and was able to return home after a short convalescing. We hope she will enjoy her stay with us.

Don't forget our Halloween party, October 31, 6:30-7:30. Bring your children in their costumes for a treat. This way, our residents will enjoy the little ones. Our employees will host the event, and will be dressed in their Halloween costumes. There will be a prize for the best costume. We appreciate our visitors so much. Visiting during the past two weeks with our residents have been: Wilely Rogers, Mr. and Mrs. Hubert E. Davis, Parnell Powell, Artie Webb, Doris Snodgrass, Elwana Taylor, Lurene Gee, Gracie Riggie, Ruby Davis, Mrs. George Wexler, Alma Ruth Nelson, Dorothy and Otis Anderson, Mary H. Wilson, Mrs. Paul Murff, and Mrs.

NOTICE
Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement a new schedule of rates for sales to certain of its rural special contract industrial customers. Like notice is also given for sales to certain of its rural special contract industrial customers in the Company's cities and towns. Both new schedules are to be effective November 1, 1977. It is anticipated that the new schedules of rates will result in a .57% (fifty-seven hundredths of one percent) increase in the gross revenues of Pioneer Natural Gas Company which increase is not a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S. A Statement of Intent to change rates was filed with appropriate regulatory authorities on or about September 26, 1977, and is available for inspection at the Company's main offices, 301 South Taylor Street, Amarillo, Texas. THE RATE CHANGES DESCRIBED IN THIS NOTICE DO NOT AFFECT RESIDENTIAL, COMMERCIAL OR IRRIGATION CUSTOMERS OF PIONEER.

LEGAL NOTICE

NOTICE
Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement a new schedule of rates for sales to certain of its rural special contract industrial customers. Like notice is also given for sales to certain of its rural special contract industrial customers in the Company's cities and towns. Both new schedules are to be effective November 1, 1977. It is anticipated that the new schedules of rates will result in a .57% (fifty-seven hundredths of one percent) increase in the gross revenues of Pioneer Natural Gas Company which increase is not a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S. A Statement of Intent to change rates was filed with appropriate regulatory authorities on or about September 26, 1977, and is available for inspection at the Company's main offices, 301 South Taylor Street, Amarillo, Texas. THE RATE CHANGES DESCRIBED IN THIS NOTICE DO NOT AFFECT RESIDENTIAL, COMMERCIAL OR IRRIGATION CUSTOMERS OF PIONEER.

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES
NOTICE IS HEREBY GIVEN THAT PLAINS WEATHER IMPROVEMENT ASSOCIATION, INC., OF P.O. BOX 1627, PLAINVIEW, TEXAS 79072, who holds License No. 78-4 of the State of Texas intends to engage in an operation designed to increase rainfall and decrease damaging hail by artificial methods, for and on behalf of Plains Weather Improvement Association, Inc., and will conduct such programs by means of aerial application of artificial nuclei as follows:
1. The target area within which rainfall is intended to be increased and hailfall to be decreased is described as follows:
a. All of Hale county except election precinct No. 9.
b. Swisher county election precinct No. 12.
c. Lamb county election precincts No.'s 1, 2, 3, 6, 9, 12, 13, 15, and 16.
d. Castro county election precincts No.'s 6, 7, 10, 11, and 16.
e. Floyd county election precincts No.'s 3, 4, 7, and 16.
2. The area over or within which equipment may be operated to increase rainfall and decrease hailfall within the above described target area shall be the same as the above described target area.
3. The equipment, materials, and methods to be used in conducting the operation are: a weather radar system; aircraft, pyrotechnics (flares), and wing-tip, liquid generators for dispensing silver-iodide nuclei near cloud base.
4. The person who will be in control and in charge of the operation will be H. Robert Swart, Plainview, Texas or other meteorologists approved by the Texas Water Commission.
5. The operation will be conducted during the period beginning January 1, 1978 and ending December 31, 1981, or four years following the date of issuance of the permit.
Individuals, organizations, or agencies who consider that their interests will be adversely affected by the operation proposed may file a formal protest for consideration by the Commission with the Following:

Fairview News

By Mrs. Clyde Bagwell

We are having crop harvesting weather these days, and a lot of it is being done.

Anne Swepston attended the D.A.R. meeting at Plainview Wednesday.

The weeks of Oct. 9, Mr. and Mrs. Bob Burns of Amarillo spent here with her sister, Anne Swepston.

Mrs. Bobby Cozby reports she became "aunt" for the first time Monday morning, Oct. 10 when little Christopher Rink was born to Mr. and Mrs. Chris Rink. Mrs. Rink is Mrs. Cozby's sister.

Mr. and Mrs. T.L. Perry attended the wedding Saturday night at the First Methodist Church for Larry Fawver and Becky Bertrand.

Mrs. Grady Reeves of Plainview was here Tuesday visiting her sister, Mrs. T.L. Perry.

Walton Wilson spent Sunday in town with his daughter and family, the Harvey Allens.

Mr. and Mrs. A.S. Mize returned home Tuesday from a three week stay in Arkansas where they visited Albert's folks. Mrs. Mize reports Arkansas is beautiful at this time of year.

Sunday dinner guests in the A.S. Mize home were Mr. and Mrs. Bill Beedy and Mr. and Mrs. Bill Tye.

Mr. and Mrs. C.W. Payne spent from Oct. 7 to Oct. 11 in Oklahoma City with their daughter and family, Mr. and Mrs. Harrey Nicholas, Kelli Lance and Chad.

Mr. and Mrs. Clyde Bagwell visited Mrs. C.W. Denison Thursday upon learning of the death of Mrs. Ada Eaves of North Platt, Nebraska, mother of Mrs. Denison. We had known Mrs. Eaves since 1923 when the family moved to Floydada. Mr. and Mrs. Denison left Friday for North Platt to attend funeral services held Saturday morning.

Mrs. Mattie Mulkey of Paducah visited in the home of her sister, Mrs. C.H. Wise Wednesday. Mattie had been in Lubbock visiting her brother and wife, Mr. and Mrs. L.L. Denton, who had just recently bought a home in Albuquerque New Mexico.

Tuesday was Mrs. Wise's birthday and that night they talked by phone to Mr. and Mrs. C.D. Wise in Paris, Texas. The two women have the same birthday and are the same age.

Mr. and Mrs. E.W. Walls visited Thursday at Lockney General Hospital with her sister, Mrs. D.D. Tate and at Tate home with D.D. Tate.

A number of folks in the area are suffering from severe colds and flu symptoms.

Mrs. Kate Crabtree visited Thursday afternoon in the home of her son, Kay Crabtree and family.

Mrs. Gracie Riggle received a phone call Saturday from her daughter, Mrs. Milton Brown of Victorville Calif. Weather there was real nice.

Mrs. Gracie Riggle visited

4-H ENCOURAGES FAMILY INVOLVEMENT

Some say that the American family is in trouble and is full of generation gaps. 4-H may have a solution to some of these family problems, says Assistant County Extension agents, Laura Jacobs and Birch Lobban.

While the primary mission of 4-H is to serve youth between the ages of 9-19, it also has a successful family program.

In fact, 4-H can touch families from the cradle to the grave, adds Jacobs and Lobban.

The evidence of this involvement can be seen at livestock shows, county and state fairs, and other 4-H events where the entire family gets into the act. Sometimes there is criticism of too much adult involvement. However, in a day and age when many are concerned about the deterioration of the family, help from Mom and Dad can strengthen family ties.

As children grow into the teen years and the proverbial generation gap threat develops, 4-H can keep teens and parents interested in common goals. The father and son roping together or the mother and daughter preparing an exhibit can transcend potential generation gulfs.

Yes, 4-H is a family affair, and that's the way it should be.

daughter, Britta, Edna Beth also visited at West Texas Hospital with her brother, Cotton Wilson.

Mr. and Mrs. Eugene Watts, Scotty and Kim visited in Plainview Sunday afternoon with Mr. and Mrs. Randall Reeves.

We sympathize with the family of Pete Switzer who passed away last week. Pete was well known as he was salesman of Mrs. Bairds bread over the entire area for many years.

Mrs. Gracie Riggle was a Sunday luncheon guest of Mrs. Pernie Ray.

Floyd Men Attend State Soil And Water Meeting

The 37th annual state meeting of Texas Soil and Water Conservation Districts was held October 11-13 in Lubbock, Texas at the Civic Center. More than 750 attended the meeting according to G.L. Fawver, chairman of the local Floyd County Soil and Water Conservation District. Dignitaries that addressed the group included Governor

Dolph Briscoe, State Representative Joe Hubenak, Rosenberg, Henry Turney, Dublin, David Unger, executive vice-president of the National Association of Conservation Districts and the key note speaker at the banquet was Commissioner Brown, head of the Texas Department of Agriculture. According to Fawver, the purpose of the annual meet-

ing is to review development programs and to plan future district programs. Ten resolutions were submitted to the voting delegates for passage. The key item discussed at the meeting was section 208, non-point pollution and planning of the program on all river basin areas across the state of Texas.

Mr. Charles Wood of Lubbock was re-elected as area 1 director and Mr. Roland Wheat of Follett was re-elected as alternate. Mr. Kenneth Kuykendall is the state president.

Attending from Floyd County were 4 directors from the Floyd County SWCD and their wives, Mr. and Mrs. Gerald Lackey, Mr. and Mrs. G.L. Fawver, Mr. and Mrs. R.G. Dunlap, Mr. and Mrs. Herman R. King, Representing the Soil Conservation Service, Mr. and Mrs. Jon J. LaBaume, and representing the Extension Service were Birch Lobban.

FALL CARPET COLORS are softer, muted and natural, says Glenda Moore.
