Note — Opinions expressed in this column are those of the writer and may or may not reflect the opinions of this newspaper.

This columnist has been extolling the merits of Loraine for many years and we are always happy when we have an opportunity to do so. Quite a few changes for the better have been made in Loraine during the past few years but those of us who have been here all the time may not have been as observing as a young man we heard of recently. This young man lived in Loraine a number of years ago when his father was superintendent of schools here. He had not visited here for about three years until this summer. He remarked to a friend: "Loraine has changed so much since I lived here that I hardly knew the town. The paved streets and the number of very nice homes that have been built make the town look better."

A lot of changes have taken place the past few years for the better but we still have a lot of changes that need to be made to keep our town on the up grade. For one thing we have not changed in the habit of letting weeds grow on vacant lots in the business area as well as the residence area of our town to such proportions that they not only look bad but after frost comes become a real fire hazard to say nothing of their menace to our health during the growing season by affording an ideal place for breeding of flies and mosquitoes. Occasionally we do have a cleanup or the removal of these unsightly and potential fire hazards. Now is one of those times when we should have a cleanup campaign.

In just a little while our Community Fair will attract many visitors to our town. We ought to have our town clean so that we can put our best foot forward on that occasion.

A large number of people coming to our town, especially on special occasions, is of great economical value to our community. Just a few days ago the Spanish speaking people of our community staged a Fiesta that drew a crowd estimated by some at 7,000 on the last night of their three-day affair. Who can deny that so many people coming to our town creates business that gives our economy a shot in the arm. The Fair coming soon probably will not attract as many people as did the Fiesta but it will attract many. We need to take advantage of every opportunity to make our visitors feel welcome.

Rain Totals For Month of September

After a week of mostly cloudy misty weather rainfall total for the period in Loraine amounted to .75 inch. The total for the month of September through Monday stood at 2.20 inches.

Rain showers of the past week were of the slow soaking variety and were the most general we have had for a long time.

Rainfall for the year to Monday of this week amounted to 13.55 inches at the local government gauge which lacks only about 7 1/2 inches of the normal for the year. If the year 1964 is one of normal rainfall the next three months will have to produce a little more than 2 inches each. The months of July, August and September to the 22nd produced 6.05 inches of rainfall.

Fiesta Big Success For Patriotic Committee

REIGNING ROYALTY OF FIESTA—These three girls were elected to reign during the Independence from Spain celebration held here September 14, 15 and 16. They are from left to right; Anita Castro of Roscoe, Dutchess, Alicia De Loera of Loraine, Queen and Francisca Munoz, Princess, also of Loraine.

The Independence from Spain celebration which started September 14th, ended Wednesday night, September 16th. There were numerous visitors to the Fiesta from far and wide.

The celebration is held each year in Loraine in remembrance of Mexico's Independence from Spain in 1810. There is a lot of old custom and history attached to the fiesta.

Mayor Bruce Johnson crowned the Fiesta Queen, Reyna Alicia De Loera of Loraine, the Princess, Francisca Munoz of Loraine and the Dutchess, Anita Castro of Roscoe, at the height of the parade on September 15th.

The three girls reigned supreme the remainder of the celebration. The Queen's escort (or chamberlain as he is called in Spanish) was Robert Santiago. Raymond Ortega was escort for the Princess and the Dutchess' escort was Mauricio Rosas.

The Queens gown was white nylon over white taffeta and net. A pleat in the skirt reveals white shirred nylon down the front, flanked by two white roses. Bodice is also shirred. Her silver cape was lined with red satin.

The gown for the Princess was shirred pink nylon over a taffeta and net skirt. There was a white rose at the midriff. Her cape was pink satin studded with gold and silver sequins.

The Dutchess' dress featured a full blue nylon skirt over taffeta and net with a blue satin bodice. Her cape was blue satin with blue sequin trim.

The Fiesta President was Antonio Arenas, Vice President was Acension Arellano, Secretary was Lupe Rodriguez and Master of Ceremonies was M. De Loera.

Baptist Crusade Begins Here September 26th

The Myrtle Barber Ware Baptist Mission here will hold revival services Sept. 26 — Oct. 3rd, part of a statewide evangelistic crusade being sponsored by Texas Baptist this fall.

The Rev. Sam Farris, pastor of the Pineland Baptist Church of Pineland, will be the evangelist for the meeting here. Hilary Graves, minister of music for the First Baptist of Coahoma will lead the song service. Carl Smith, Silver, will bring special music.

Rev. Mr. Farris will preach in English, and his message will be translated into Spanish by Rev. Paul Vasquez.

Latin American people, especially are invited to attend the revival at the open air meeting in downtown Loraine.

The revival meeting here is one of about 400 local church revivals slated throughout the state Aug. 30 — Oct. 11. The crusade seeks to reach 2 1/2 million unevangelized Latin American people of Texas with the Gospel, said Dr. T. A. Patterson, executive secretary for the 16 million-member Baptist General Convention of Texas.

In addition to local church revivals, the Crusade will feature 23 major central campaigns in metropolitan areas and 43 area central campaigns in strategic locations, primarily under tents.

Baptist churches in Mexico and New Mexico, along the Texas border, are also planning to participate in the Crusade.

Helping to sponsor the local revival at the open air meeting is the First Baptist Church of Loraine and Mitchell-Scurry Association.

Following the week of local revival meetings, the church here will join with other churches of the area in sponsoring a major central campaign in Abilene, October 4-7.

ENROLL AT SUL ROSS COLLEGE

Don and Carl Williams left last week for Alpine where they enrolled in Sul Ross College for the fall term.

Also attending Sul Ross from here is Linton Ray Webb. His room mate is Larry Wilmon from neighboring town of Inadale.

Community Fair Plans Completed

Chairmen or representatives for most all divisions of the Community Fair were on hand Tuesday night for a planning meeting called by Lions president, Ronald Bruce.

Details were worked out for the booths and time and place for various activities set.

All exhibits must be brought in Thursday in order for those in charge to get their booths ready for judging by 9 o'clock Friday morning. This applies to all divisions except horticulture. Hours for these exhibits will remain as 8-11 Friday, as announced by chairman of this division, Mrs. Wiley Walker last week.

The parade will start at 10:30 a.m. Saturday under supervision of chairman, Wiley Walker. The horse show will be held immediately after the parade.

The tractor driving contest was set for 2 p.m. Saturday at the site of last years contest, between the Whiteway Cafe and The Mitchell County News. After this event the bicycle race for boys will be staged around 3 o'clock starting at the Methodist church.

The dog show which attracted much attention last year was set for 8 a.m. Saturday. Dogs will be judged for the largest, smallest, best costumed, best groomed, trick and best all around dog. This should attract a great deal of interest and all who have dogs, small or large are urged to enter them.

Royce Mahon, chairman of the entertainment committee announced tentative plans for the days entertainment that promises to give the Fair crowd some good lively entertainment. Eddie Kissinger from K. V. M. C. will be in town most of the day. Johnny Baumann and his group have been asked to entertain with their stringed instruments as has Leroy Troutt with another group.

The four o'clock drawing will be held as on each Saturday and entertainment is planned to keep the crowds interest up until the closing of booths, around 8 o'clock.

Raymond Holt and his FFA boys will set up the booths in the exhibit building which has undergone extensive interior work the past week and with the new concrete floor will make a much better display space for the Fair this year.

Hearing about all these plans that are underway, we know that this will be the best Fair Loraine has ever staged. Bring in every exhibit you have and compete for one of the prizes and lets join in making this the best.

NEEDLECRAFT

Mrs. Gene Liles, chairman of the needlecraft division urges all who have hand work of any type to bring it in for this booth. Last year this booth attracted a lot of interest and if all who have embroidery, crochet, knitting, or any other type of handwork will bring them for display this year we can make this years show even better.

ART DIVISION

Mrs. Doyle Hester, chairman of the art display asks that all who have hand painted pictures in oil, water color or pastel work to bring them and make this booth an interesting one this year. Every division of the fair will help to make the over all fair a good one.

PARADE

Wiley Walker is chairman of the parade and is anxious for every organization, all churches and clubs to enter a float in the parade.

The parade will start at 10:30 a.m. Saturday, Oct. 3, making up at the First Methodist Church, going through town and west to the Walker Motor Company and back through town.

Loraine has staged many fine parades and we are sure this year's fair parade will be no exception. Other entries may be made in the parade besides those of the floats, such as bicycles, horse back riders, etc.

Carla Britton Sweetheart For West Texas Fair

MISS CARLA BRITTON
... West Texas Fair Sweetheart

Carla Britton, daughter of Mr. and Mrs. Gene Britton, was crowned Sweetheart of the West Texas Fair in Abilene Saturday night, and will reign as Sweetheart of the 1965 Fair. She was crowned by her predecessor, Miss Randa Bowyer of Abilene, and was presented a bouquet of roses by Fair President, Jimmy Lauderdale.

First runner-up in the event was Miss Rita Townsend of Albany FFA, and Miss Ann Adams of Hamlin FFA was second runner-up.

Fair officials also presented a sweetheart necklace to Carla and the guest book, that was used at the tea and luncheon where fair celebrities were registered was presented to her. She will also receive a \$300. scholarship to any of the three Abilene Colleges.

Carla has been Loraine's band sweetheart, football sweetheart, class favorite, drum major, president and vice president of her local chapter of Future Teachers of America, homecoming queen candidate of her freshman and junior year, vice president of her freshman class, president of her sophomore class, and member of National Honor Society for four years.

Recently she has been Lone Wolf FFA District Sweetheart, and runner-up for Miss Mitchell County in the Miss Tumbleweed Contest at Colorado City.

Mitchell County Fair October 15, 16, 17

The 1964 Mitchell County Fair, set for October 15, 16, and 17, will be held at the Agriculture Buildings and Fair Grounds in Colorado City, according to James Hull, chairman of this year's Fair.

The Gene Ledel Shows will begin operating the Midway on October 12 with several new rides. Concession stands sponsored by various clubs will add to the carnival spirit.

The exhibit portion of the Fair will begin Thursday, October 15 with entries in agriculture, arts and crafts, horticulture, various womens exhibits, and commercial exhibits.

Outstanding educational exhibits will include Southwestern Bell Telephone Company Science Exhibits on Telestar and Communications, General Electric Atomic Reactor Exhibit, Westinghouse power distribution layout and several others.

The Old Timers Reunion will be going on at the Colorado City Museum of Western Heritage on Thursday. There will be an all-girl rodeo scheduled for the Fair.

Mitchell County and Loraine Fair Coordinator is Raymond Holt, Loraine.

JUNIOR HIGH FOOTBALL GAME HERE TONIGHT

Don't forget we have a junior high game tonight at 7:00 against Hermleigh. Come out and see these boys play.

Loraine 'B' To Face Wylie 'A' Fri. Night

The Loraine Bulldogs will meet the Wylie Bulldogs Friday night in their first home game of the season.

Kickoff time for the game will be 8:00 p.m.

The Wylie Bulldogs were defeated by the Hermleigh Cardinals at Wylie last Friday night with the final score being 22 - 16. The starting lineup as reported by Coach Dadds for the Loraine Bulldogs will have Larry Rankin and Ronnie Blair, two seniors, in halfback positions. Chester Jernigan, a freshman, will be in there as fullback.

Quarterback position will be left up to Kenneth Branie, a junior.

Robert Santiago, another junior, will start as right tackle with Carol Bowles, a senior in at right end.

Micky Chamness, a sophomore, will have right guard position while Donnie Phillips, a sophomore also, will be holding down center.

Senior James Mahon will be left guard and another senior, Gary Finley, will be in at left end.

PERCY BOND

Percy Bond returned home last week after a successful deep sea fishing trip at Port Aransas.

Mr. Bond accompanied his brother in law and a group from San Antonio on the trip and had a catch of red snapper weighing more than 500 pounds.

One member of the group also caught a Warsaw weighing 79 pounds.

tackle. Left end will be Mike McDaniel, a junior.

The Wylie team is in class 'A'. It was reported that sophomore Micky Chamness was injured during the game with Roby, but to date extent of his injuries have not been made public.

Everyone is urged to attend coming game and give all possible support to our home team.

JACK COFFEE CATCHES BIG FISH

Jack Coffee was attracting a lot of attention early Tuesday morning in front of the post office, or rather the large fish was that he was proudly showing off. Jack caught the 13 pound 3 oz. beauty at Lake Sweetwater and arrived at the office with it just as the early morning crowd were coming in, all stopping to admire the catch and wishing for a camera.

Mr. and Mrs. Alphonzo Dunn, who were at the site at the time but Jack was the lucky one getting the fish.

MRS. KIDD'S FATHER DIES IN SNYDER

W. C. Chandler, 68, of Snyder, father of Mrs. Wilson Kidd of Loraine died in Snyder Friday night. Mr. Chandler had been a resident of Scurry County since 1926.

Funeral services were held at 3 p.m. Sunday in Bell-Seale Funeral Home Chapel in Snyder, with the Rev. W. L. Cass, Baptist minister of Grand Falls, and the Rev. R. Virgil Mott, pastor of Bethel Baptist Church officiating.

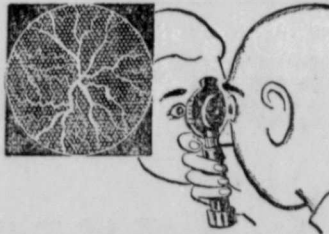

Burial was in the Snyder Cemetery.

now! the beautiful shapes for '65

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

FHA PLANS FRESHMAN INITIATION

The FHA chapter of Loraine High School met in a called meeting Monday, Sept. 21 to make plans for the initiation of the Freshmen girls into the chapter. The meeting was called to order by the president, Rachel Beights, and ideas were discussed for the initiation which will be held in the homemaking department on the night of Oct. 9. Plans were made for a slumber party following the initiation. This party will be sponsored by the Chapter Advisor, Mrs. Twyla Bates, and some of the Chapter Mothers. All members and mothers are invited to attend both of these functions.

Plans were also discussed for FHA booth at the fair on Oct. 2 and 3. The plans call for a display of needlework of all kinds that have been done by the members of FHA and for a foods display. The foods display will consist of baked goods and other foods prepared by the girls. Judges will be appointed by the fair committee. An educational booth is also planned. This year the theme of the educational booth will be the use of color in the home. These displays will be prepared by the second year class, assisted by the other members of the FHA.

I'm an Efficiency Expert

Flame type water heaters apply open fire at the base of a tank full of water to heat it. Unfortunately, most of the heat is vented out through the roof. Then there's the smoke, smut, fumes and soot, to say nothing of fire hazard. As an electric water heater, I'm proud to say my heating elements are inside my tank. I require no vents, no flues, and I produce no smoke, soot or fumes. I don't require a pilot light and I have no flames connected with me in any way. I'm at least 95% efficient. I'm a quick recovery heater offering plenty of hot water when you need it. With dependable low-cost power from the Lone Wolf Electric Cooperative, I'm economical to operate. Entering its second decade, the 1965 Thunderbird continues its styling and engineering leadership with such advanced features as front wheel disc brakes standard equipment on all models. Other 1965 Thunderbird standard equipment owner-benefit features include distinctive sequential turn signals which create a light pattern in the turning direction, reversible keys which may be inserted into ignition and trunk locks either side up, keyless door locking, and a dome light on convertible models. New or revised options include an AM/FM radio on which all five push buttons may be used for AM or FM operation, an electric antenna, power vent windows, a vacuum deck lid release, and a limited slip differential.

The three 1965 Thunderbird models — landau, convertible, and hardtop (above) — will debut in Ford dealer showrooms Friday, September 25.

FROM OUR FILES

15 YEARS AGO

Sept. 22, 1949
Mr. and Mrs. H. C. Jenkins of Snyder have moved to Loraine and have taken over management of the former Murphrey grocery and market.

Mr. Jenkins and H. D. Wilhelm of Sweetwater bought the business from Mr. Murphrey two weeks ago. Mr. and Mrs. Bryans of Colorado City operated the business the past two weeks.

Mr. Jenkins has had many years experience in the grocery and market business and invites all old customers of the store, and new ones, to call on them.

The store will be known as the Handy Dandy Cash Grocery.

A new business, the Evert Henderson Appliance Shop, was opened last week in the McGee

building formerly occupied by Mrs. Cranfill Beauty Shop.

Mr. Henderson will carry a complete line of G. M. products and invites all his friends to call and see the new line of merchandise.

25 YEARS AGO

Sept. 21, 1939

Preliminary work toward a gymnasium-auditorium for Loraine has already gotten underway following the election last Saturday at which time voters of the district voted 70 to 23 for the board of trustees to go ahead with local funds. Fifteen thousand dollars in bonds were voted last year with the understanding that PWA funds would be secured to help with the building. These funds were not made available so the board asked the approval of the voters of the district before spending local money on the project.

The board has already approved preliminary plans which call for two class rooms under the bleachers, bleachers to care for 450 to 500 people, playing court 43 ft. x 74 ft. The building will be of brick and tile and the playing court will be of maple.

The David S. Castle Company, Architects, will begin work immediately on final plans and specifications. It is hoped that bids may be taken in a very short time and that actual construction may get under way before very long.

Need of a gymnasium-auditorium with seating capacity sufficient to seat a crowd at any school function. And of course the Loraine basketball team has always had to suffer because of

Defendant, Greeting:

To: ERNEST L. DORRIS

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock a.m. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 2nd day of November 1964, at or before ten o'clock a.m. before the Honorable District Court of Mitchell County, Texas, at the Court House of said County in Colorado City, Texas.

Said Plaintiff's Petition was filed in said court, on the 24th day of April A. D. 1964, in this cause, numbered 8111 on the docket of said court, and styled, Carolyn Sprott Dorris Plaintiff, vs. Ernest L. Dorris Defendant, Being The names of the parties to the cause.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce on grounds that defendant was guilty of conduct toward plaintiff which renders their further living together as husband and wife insupportable; plaintiff praying for support and custody of their son, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Colorado City, Texas, this 15th day of September A. D. 1964.

A VIGNETTE

FROM THE PAST

August 7, 1931

What was thought to have been a falling meteorite was noted by a number of Loraine people and tourists on the highway near here Monday night.

Some reports are to the effect that a light from the foreign body was noted in the skies in the northwest at about two o'clock Tuesday morning. They claim the light appeared in a flash and was extremely brilliant, lasting for a few seconds only when the object giving out the light disappeared in the north.

Bring out the beauty in your home...

with modern light for living...

The lighting in your home can do much more than merely dispel darkness. Good light in the living room, for example, can add an atmosphere of charm and cheer. It can bring out the beauty of your furnishings. It can make the room a hospitable background for entertaining... and an inviting center for your family's leisure hours. To enjoy both beauty and eye comfort in the living room, you need three kinds of light: (1) general lighting for overall room illumination; (2) local lighting at chairs and sofas for close visual tasks; (3) accent lighting for decorative purposes. Your lighting dealer will gladly help you choose the lamps and fixtures you need for modern Light for Living. Or call our office and we'll send a lighting specialist to help you with suggestions.

For close visual tasks, like reading or sewing, portable lamps should be a part of each furniture grouping. The average living room needs from three to five portable lamps.

Overall lighting adds glamour and spaciousness to rooms. A lighted valance like this provides indirect light on the ceiling plus dramatic downlight on drapes and wall.

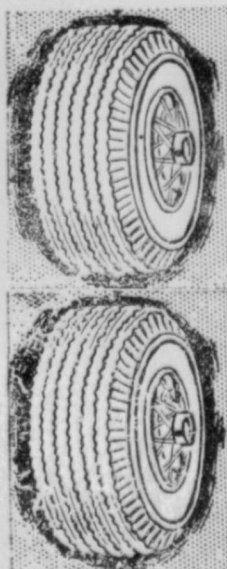

Accent lighting with recessed or exposed downlights brings out focal points of beauty. Lighted wall brackets may be used for the same purpose.

LETTER TO THE EDITOR, MITCHELL COUNTY NEWS:

I would like to take this opportunity in the name of Patriotic Committee of St. Joseph's Church of Loraine, to thank each and every citizen of Loraine for their wonderful cooperation in making our festival commemorating the 154th anniversary of Mexican Independence a grand success. I would like to especially thank the Mayor of Loraine, Dr. Bruce Johnson, for his kindness in crowning our Queen and the dutchesses who accompanied her. A vote of Thanks also is due to Mr. Louis Claxton and the members of his force who kept the order so necessary at a festival so large as ours. The Committee is likewise grateful to the general public and our friends and neighbors of the English speaking community and our neighbors from the surrounding towns. Once again our sincere thanks to the personal of the Mitchell County News for their great kindness to us. Many many Thanks.

Sincerely,
Margarito De Loera,
Master of Ceremonies

1965: The year of the Quick Wide-Tracks

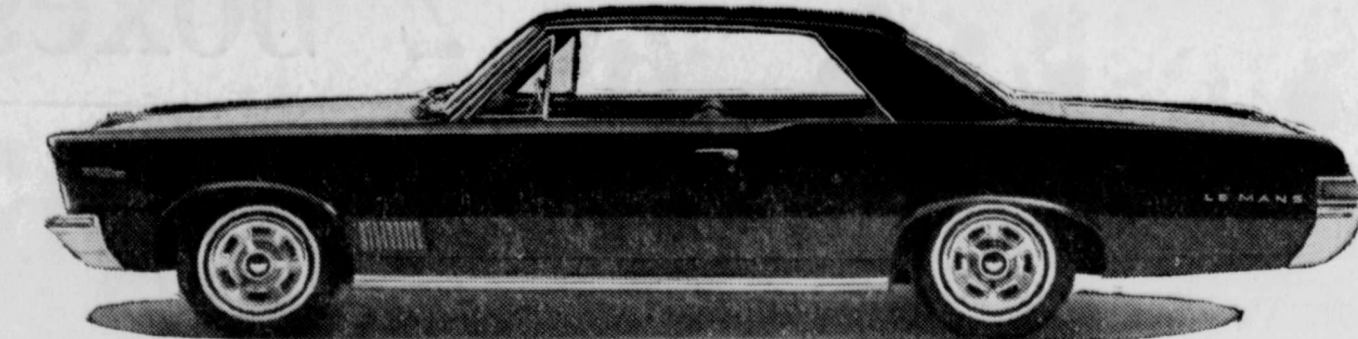

What do we mean by "quick"? Just this: A new-all-over Pontiac Pontiac offering a new Turbo Hydra-Matic—the silkier, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

Lions Beat Bulldogs 16-6 In 'A' 'B' Tilt

The Bulldogs tried hard, but lost the game to the Lions Friday night. It marked the first victory of the season for Roby and Lorraine's second losing game.

Roby's halfback, Larry Fields swept 3 yards around left end to score a touchdown in the second quarter. Fullback Donald Kiker converted for the two points. At the end of the half,

TO TEACH IN ABILENE SCHOOLS

Two former Lorraine girls and their husbands are on the faculty in Abilene schools this fall.

They are Mr. and Mrs. Sammy Cifers and Mr. and Mrs. Max Irwin.

Mrs. Cifers, the former Maxie Shepherd and Mrs. Irwin the former Jennie Sue Butler are graduates of Lorraine high school and Hardin Simmons University.

The Cifers returned home in June from Italy where Mr. Cifers had been stationed with the army. Mrs. Cifers is teaching music at Dyess Air Force Base school.

The Lions were leading 8-0.

In the last quarter, Lorraine recovered a Roby fumble on the Lions 4 yard line. Halfback Larry Rankin went over left tackle for three yards and a touchdown. The extra point attempt by the Bulldogs failed.

Roby's Kiker made a touchdown from the five in the final quarter, then added the two points with a minute and a half to play.

There was one injury reported for each team. Bulldog Micky Chamness was one of the injured, but extent of the boys injuries have not been reported as yet.
