Number 4

Conference Season Opens On Thursday

Tahoka and Slaton Tangle Thursday; Tulia Wins 13-6

Tahoka Bulldogs were scheduled to meet Abilene B team in Tahoka Thursday night, shortly after The News for this week went to press. Nothing is known here of Abilene's strength.

Next Thursday night, the Bulldogs will open their conference season against the Slaton Tigers at Slaton. The Bulldogs should be the favorites if they play the type of ball they are capable of playing. If not, anything can happen. Though Slaton has lost four and won three, the Tigers are potentially a good team and they will likely be hungry for Bulldog meat as a result of losses the past two years.

R. A. Thompson, 170-pound, quarterback; Duane Sooter, 170, fullback; Joe Sparkman, 165, halfback, and other Tiger backs are capable of running the Bulldogs ragged, while a host of rangy linemen and linebackers are capable of holding the Bulldogs in check.

Tahoka Bulldogs, 1951-52 AA champions, have looked very good at times this year, but have had trouble in building a consistent offensive. Too, they sometimes forget to carry out their assignments.

Coaches Bill Haralson and Bill Sharpley have been working to smooth out the wrinkles, and if they do the Bulldogs could repeat as district champions.

Abilene's B-team Eagles are undefeated so far this season. Following is their record: Abilene B 27, Rochester 13; Abilene B 54, Snyder B 0; Abilene B 46, Snyder B 7; Abilene B 27, Sweetwater B 7; Abilene B 33, Breckenridge B 7; Abilene B 24, Brownwood B 6.

Lose To Tulia

Last Friday night at Tulia, the Bulldogs lost a 13 to 6 decision to Duane Luke, 165-pound back, and a few of his schoolmates. Luke did everything but sell hot dogs at the game.

All Luke did was carry the ball on 24 running plays for a net gain of 128 yards (Tulia team's net gain, including Luke, was 120 yards net), threw 15 passes of (Cont'd. on Back Page)

Day of Prayer Is Set For Oct. 30

Citizens of Lynn county are urged to join the National Day of Prayer being observed here Thursday, Oct. 30.

In view of the coming election on November 4th and the seriousness of making the right choice, this day should be used for prayer for guidance for our nation.

Since citizens of the country hold the future of the world in their hands, the choice of president can change the history of our times.

Christian people must pray that the good of all be considered before selfish interests.

The fire siren in Tahoka will blow at 12 noon to remind citizens to pray about their vote before casting it and to ask that each individual and the nation will be guided by God's choice.

Mexicans Injured In Wreck Here

Eight Mexican National farm laborers were injured, five of them seriously, in a wreck near here at about 11:00 a. m. Wednesday. All were members of a crew employed by Leonard Benites.

Five are patients in Tahoka Hospital, where three of them were reported to be in a serious condition Wednesday night. Two others were seriously injured, and the other three were released after emergency treatment.

The News was unable to secure any details of the accident. All the injured were men and all of them are citizens of Mexico.

52 Absentee Ballots Have Been Mailed

Absentee ballots have been issued to 52 voters in the General Election which will be held on November 4, according to County Clerk Beulah Pridmore.

Friday, October 31, is the last day an absentee vote may be cast.

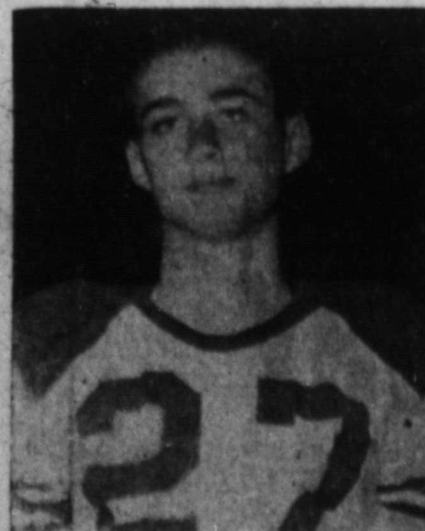

MEET THE BULLDOGS . . .

Jimmy Whorton, 16, weight 158, a Junior, playing his first year of football as an end.

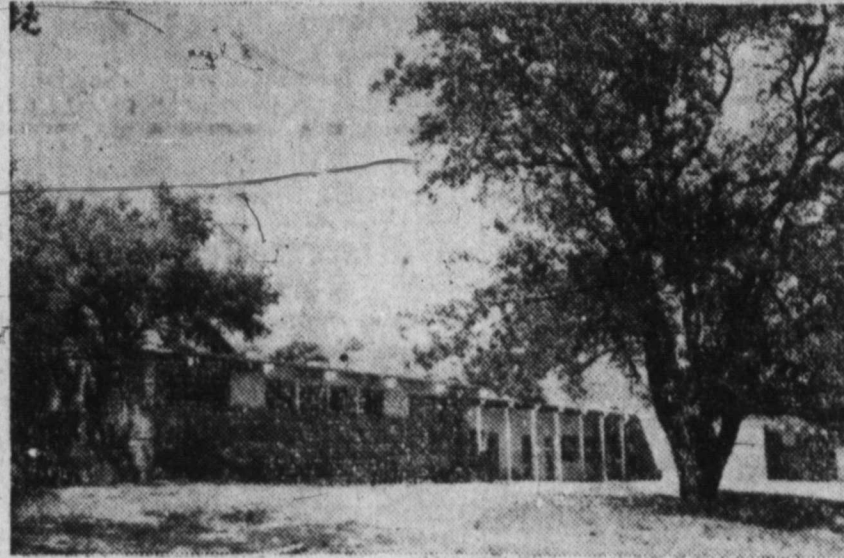

Guy Witt, 15, weight 143, is a Sophomore guard, and has experience as a squadman.

Don Reed, 15, 132-pound Sophomore end, weighs 132, was a squadman last year.

Roy Gene Sherrad, 15, weight 133, is a Sophomore back, no experience on the squad.

An angle view of the newly completed 24-boy housing unit at America's First Boys' Ranch at Old Tascosa, shows counselor's apartment in foreground, part of boys' living quarters, center, and the recreation room, far right. Every four-boy room has its own bath and all the boys have individual closets.

Tahoka Ginnings Reach 5,000 Bales Former Citizen Dies In Accident

Tahoka's five cotton gins had ginned a total of 5,000 bales up until 11 a. m. Thursday of this week from the 1952 crop.

The price of cotton has gone down some, on the widening of the margin, and is now bringing from about 30 1/2 to 33 cents, local ginner's report. Cotton seed is now bringing \$75.00 a ton.

One gin at Wilson, Farmers Co-op, had ginned 2445 bales Thursday morning.

Mrs. Lela McGuire of 2012 South third street, Tahoka, received the sad news early Sunday morning that her son, Burnice McGuire, formerly of Tahoka, who had been living at Coalinga, Calif., the past several years, was killed at about 5:00 o'clock last Saturday afternoon when the car in which he was riding struck another vehicle which had run in front of him unexpectedly in Coalinga.

Another white man in the car with him was killed also, according to meager information obtained here, and a Negro was also hurt but we have no information as to the extent or character of his injuries.

Funeral services were held at 10:00 o'clock Wednesday morning.

Mr. McGuire had been married twice, his first wife having died quite a number of years ago.

Survivors include his second wife, Mrs. Ruby McGuire, and their eight-year-old son, Bobby Wayne McGuire, who lived with them in Coalinga; and the following children of his first marriage: Joe Bailey McGuire, who is serving in the U. S. Army and is stationed at Fort Ord, Calif.; Mrs. Betty Deasy, Mrs. Lucille Darby, and Miss Eva Nell McGuire, all of whom reside in Lubbock; Miss Martha Sue McGuire of the family home in Coalinga; Miss Shel Jean McGuire and Jack Ray McGuire, who live in Sweetwater; and one grandson, Larry Darby of Lubbock. Also surviving are one sister, Mrs. Archie Reese of Tahoka, and two brothers, T. T. McGuire of Longview and J. C. McGuire of Bridgeport. An aunt and possibly other relatives live at Lamesa.

Quite a number of the children were here Monday and Tuesday, hoping that arrangements might be made to bring the body here for burial, but all efforts to that end were unavailing. The mother, Mrs. McGuire, and all the children and other relatives who live in this area have the sympathy of a host of friends.

Lubbock Man, Two Sailors Injured In Automobile Wreck

Jimmy Johnson of Lubbock, a nephew of W. C. Huffaker of Tahoka, and two sailors he had picked up were injured in a car accident seven miles south of town Wednesday afternoon. All received treatment at the Tahoka Hospital.

Johnson, son of Mr. and Mrs. Jim Johnson of Lubbock, was traveling north in his car on Highway 87, when a truck ran out onto the highway. In order to miss hitting the truck, Johnson is said to have taken to the bar ditch and the car was damaged.

Johnson, age about 22, was treated for minor shock, laceration of the face and body bruises. Donald O. Beryman of Salt Lake City, one of the sailors he had picked up, received abrasions, a laceration on the chin and a sprained right knee, and Billy D. Hlavachick of LaJara, Colo., the other, had an injured knee and bruises. After emergency treatment, they proceeded on their way to their homes. They are stationed at Kingsville, Texas, Naval Training School.

Accident Policies For School Studes

Accident insurance has been made available this past week to all Tahoka school students desiring such at the low rate of only \$1.00 per student, Supt. Otis Spears states.

About two hundred Tahoka students have already taken up such accident policies.

The insurance, similar to that carried on the school athletes, is available to all students and covers the child from the time he leaves home for school until he returns home in the afternoon.

Coverage is for the current school year.

Roy Elliott Makes Crack Drill Team

Roy Elliott, first year student in John Tarleton College at Stephenville, writes his mother, Mrs. Iva Elliott, that he has been chosen for membership in the "Wainwright Rifles", crack drill team of the college ROTC military unit. Furthermore, he has been made a squad leader.

Roy says the drill team will get to make several trips during the school year, one of which will be a three day appearance at the "Battle of Roses" in San Antonio.

Flower Shows Saturday

Lynn County FFA, 4-H Boys Make Good Showing At Texas State Fair

Tahoka FFA and 4-H club boys made an excellent showing at the Junior Pig Show of the State Fair of Texas in Dallas last week, showing one champion barrow, and winning numerous other places. In fact, local boys showed 27 hogs, and 20 of them placed.

A total of 750 swine were shown. Judging was by E. H. Elijah of Oklahoma City.

V. P. Carter's Tahoka FFA boys carried 21 hogs to the show and 18 of them placed.

Steve Dockery showed the champion Chester White barrow, the first place 211-240 pound barrow, first and second on 241-270 pound barrows. He collected \$50.00 in cash premiums and his

champion barrow sold for 75 cents per pound.

Also on Chester Whites, Hershel Lindley placed 13th on 180-210 pound barrows, fifth and sixth on 211-240 pound barrows. Lyndell Woods placed ninth and tenth on 211-240 pound barrows and fourth on 241-270 barrows. All the Chester Whites were bred by Ward Eakin of Tahoka.

Milt Draper's Berkshires, shown by Jesse Motes, placed sixth on 241-270 pound barrows and tenth on 211-240 pound barrows.

James Strickland's 180-210 pound Hampshire barrow placed third.

Phillip Murray's heavy Poland China barrow placed 13th, and Richard Carter's light barrows placed 16th and 27th, with 58 barrows showing in the class.

Only two Lynn county 4-H club boys showed at the fair. Hilton Wood showed the eighth place Hampshire 180-210 pound barrow, and Erin Moore showed the 26th place in a field of 50 barrows.

Marion Inman of Muleshoe, formerly of Tahoka, showed the junior reserve grand champion barrow of the Fair, and Jerry Inman showed the junior reserve grand champion pen of three barrows.

Mr. Carter and his boys went down to the Fair with their barrows on Sunday, Oct. 12, and returned home Sunday, Oct. 19.

County Agent Bill Griffin said South Plains boys carried away majority of the top honors.

Tahoka Visitor Dies Suddenly

James Frank Dodson, 60, whose home is in Canton, Van Zandt county, died suddenly of a heart attack at about 6:30 p. m. Wednesday at the home of Mr. and Mrs. M. H. Brasher, six miles north of Tahoka. He and his wife had just arrived about four hours previously to visit the Brashers. Mr. Dodson and Mr. Brasher were first cousins.

Soon after their arrival here, Mr. Dodson accompanied Mr. Brasher to the gin with a bale of cotton. On their return from town they sat down to eat supper, and a moment later Mr. Dodson slumped in his chair. He was said to have been in apparent good health with nothing wrong to indicate his impending death.

The body was brought to Stanley-Jones Funeral Home, who carried the body early Thursday morning to Canton for burial. Mr. Dodson was born April 7, 1892, and was a veteran of World War I. His wife and one daughter survive. He was a rural letter carrier at Canton.

4-H Feeders Day At Texas Tech

A number of Lynn county 4-H club members expect to attend an annual 4-H Club Feeders Short Course at Texas Tech College this Saturday at 10:00 a. m. The Lynn county group will leave Tahoka at 8:30 a. m. Saturday, according to Bill Griffin, county agent.

Topics for discussion include: beef cattle, dairy cattle, swine, and the instructors will be Dean W. L. Stangel, Asst. Dean N. C. Fine, May C. Mowery, and other members of the Animal Husbandry staff of Texas Tech.

Deanie Edwards Is Band "Sweetheart"

Miss Deanie Edwards is the Tahoka High School band "sweetheart" for the 1952-53 school year. She was crowned at the football game Thursday night.

Willard Edgett, band director, said the "Sweetheart" is elected from the band personnel.

Miss Edwards is a Senior and is the daughter of Mr. and Mrs. E. R. Edwards.

BROTHERHOOD HEARS BIG SPRING PASTOR

About thirty or more members of the Baptist Brotherhood enjoyed a feast of good things at their regular monthly meeting here Monday night. Not only was an excellent luncheon served but the men also had the great privilege of hearing a most inspiring 20-minute address by Dr. P. D. O'Brien, pastor of the First Baptist Church of Big Spring. The members declared it to have been one of the best addresses ever given to the Brotherhood.

A few matters of business received attention, and steps were taken to increase the attendance at the regular monthly meetings.

Open Show Being Held At Which All Citizens Welcome

Tahoka Garden Club is sponsoring a flower show in the Lyntegar REA building this Saturday, October 25.

The show is not for club members only but for everyone, and the club urges everyone possible to come and bring their flowers for entrance in the show.

Accredited judges from Lubbock will be here to judge the flowers. Judging will start promptly at 11:30 a. m., and exhibitors are requested to have their flowers in the building not later than 11:00 a. m.

Types of arrangements are:

1. All one color.
2. Monocromatic.
3. Line.
4. Made with one flower.
5. Unusual containers.
6. Miniature.
7. Dry arrangements.
8. Fruit—or fruit and flowers.
9. Miscellaneous.
10. Children's division.
11. Tables: I. Christmas; II. Breakfast; III. Party.
12. Horticulture specimens.
13. Pot plants.

"The greatest joy in growing flowers is in sharing them with others," a member of the Garden Club states, "and we are inviting and urging everyone to come and enjoy our flowers with us from 2:00 p. m. until 7:00 p. m. Saturday, Oct. 25, in the REA building."

4-H Club Award Winners Named

County 4-H Boys club winners in the National Awards program were announced this week by County Agent Bill Griffin, relayed to him from Texas A. & M. College Extension Service.

Jerry Cain of Tahoka will receive the Gold Star award.

Don White of Wilson, route 1, is winner of the Meat Animal award.

Jack Spears of Tahoka, route 1, is winner of the Field Crops award.

Tractor Maintenance winners are Don White and Erin Moore, both of Wilson, route 1.

Winners in Farm and Home Safety are: Don Seely, O'Donnell, route 3; John Hegi, Tahoka; Johnny Wheeler, Tahoka, route 4; Lanny Brewer and Tommy Gardenhire, both of O'Donnell, route 1.

Poultry award winners are: Don Spears and H. D. Daniels, both of Tahoka, route 1; and Harold Rowe, Tahoka, route 2.

Donald Thomas, son of Mr. and Mrs. Daniel Thomas, route 2, received a broken arm recently while playing at school.

A Clean City Is A Safe City!

These sailors of the U. S. Sixth Fleet are intrigued by the unusual uniform of a palace guard in Athens, Greece. During fleet's recent Mediterranean maneuvers, sailors were treated to tour of the ancient Greek capital as part of USO recreational program. USO services such as these are made possible by United Defense Fund which is seeking support through Red Feather and other united community campaigns this fall.

DRIFTING SANDS

BY THE 'OLD'UN

A Front Page Editorial in The Andrews County News, Oct. 3, 1952
James Roberts, Editor
Charles W. Roberts, Sr., Publisher

After long and careful consideration of the planks of both parties and their candidates, we have decided to cast our ballot for the Eisenhower and Nixon ticket.

We've been Democratic for as long as we can remember. We are still Democrats. In our opinion, the Democrats have deserted us instead of the other way around.

We believe the Democrats have bolted the true Democratic principles of 20 years ago.

The main reason why we're supporting Eisenhower and Nixon is because we earnestly believe that they may be able to halt or at least retard this nation's creeping toward socialism and statism.

WE BELIEVE IT'S TIME FOR A CHANGE if the true principles of democracy are to survive.

WE BELIEVE IT'S TIME FOR A CHANGE when the government can take over your business, seize your bank account, raise the wages of your employees, and pay them from your account . . . merely by issuing a directive instead of the proper court procedure.

WE BELIEVE IT'S TIME FOR A CHANGE when the government goes into competition with private business, operates at a loss, and then compels private business to make up that loss by taxes.

WE BELIEVE IT'S TIME FOR A CHANGE when the federal government makes a tax collector out of every employer, compels the employer to collect his taxes without pay, and then by directive, slap a fine on the poor overworked collector for making a mistake or being a day or two late with his return.

WE BELIEVE IT'S TIME FOR A CHANGE when the administration must keep a war or threats of war going in order to scare Congress and the people into appropriating billions for a defense effort that brings false prosperity.

WE BELIEVE IT'S TIME FOR A CHANGE when we have an administration that follows the stupid policy of trying to spend the country into prosperity . . . and has never made an attempt to operate under a balanced budget.

WE BELIEVE IT'S TIME FOR A CHANGE when the officials in power perpetuate themselves in office with handouts, doles and subsidies, and destroy individual initiative by offering collective security instead of self-freedom.

WE BELIEVE IT'S TIME FOR A CHANGE when the government substitutes "gimmieitis" for workitis. They encourage feather bedding, slow down practices, and work stoppages in kowtowing to big labor bosses and labor racketeers.

WE BELIEVE IT'S TIME FOR A CHANGE when Texas pays into the federal treasury \$126,000,000 on gasoline, oil and the like and gets back only \$34,200,000. What happened to the extra \$92 million? We could have used it to help on our state road construction, but it disappeared into the bureaucratic mill of waste, extravagance, and corruption.

WE BELIEVE IT'S TIME FOR A CHANGE because the individual is being ruined. We were taught that everything was possible if we would study hard, work and save and dream and plan. But now the brilliant mind of the federal bureaucracy does your planning and your dreaming, tells you what to do, when to plant, when to harvest, when to work, how much to get, sets the prices, works out the program, and subsidizes the entire operation with higher taxes.

WE BELIEVE IT'S TIME FOR A CHANGE after 20 years this country was founded on the two party system. Unless you let both parties share in the running of the government, corruption and graft is the result. The Democrats have been in for 20 years . . . that's 12 years too long.

It doesn't bother our conscience one whit to vote for the Republican nominee because we haven't deserted the Democratic party—they've deserted us.

WE BELIEVE IT'S TIME FOR A CHANGE in spite of the fact that the Republicans have been saddled with the responsibility of the Great Depression. Actually we believe it was no more the responsibility of the Republicans than anyone else since it was a world-wide depression and not just here in the United States.

Other countries solved their depression by working out of it. We tried to solve ours by spending our way out of it, and we're not out yet.

WE BELIEVE IT'S TIME FOR A CHANGE and that there will be a change unless too many Americans have lost their pride and love of this country and think more of their pocket-book than they do of their freedom.

We think Stevenson is the best choice the Democrats could have made, and we think he has made a fine governor for Illinois, but we don't believe they would let him clean up the mess in Washington nor reverse the trend toward Socialism.

School Carnival Is Set For Friday Next Week

The annual Hallowe'en Jamboree of the Tahoka schools will be held Friday night, Oct. 31, in the school gymnasium.

Doors will open at 7:00 p. m. Booths will remain open until 9:00 p. m. The coronation will begin at 9:15 p. m.

A list of the candidates for

King and Queen from the Grade School will not be available until 3:30 p. m. Friday. Each class nominates a candidate for King and for Queen. For example, there are three classes in the Fifth grade. Each grade nominates a candidate for King and Queen. The candidate who has the

most votes of the three classes will be the candidate of that grade. All money taken in by the three classes will then go to the winning candidate. Votes are a penny a vote.

The planning committee for the Jamboree is composed of Mrs. Flea Howell, chairman, Mrs. Beth Chapman, Mrs. Jeannine Jones, and Mrs. Betty Green. Booths will be operated as follows:

First grade: Fishing pond and pies.

Second: Aprons and bonnets.

Third: Style show and hat show.

Fourth: Floor show, grab box, candy and peanuts.

Fifth: Country store, sandwiches, coffee, and hot chocolate.

Sixth: Hamburgers and cold drinks.

Seventh: Coffee, cake, and candy.

Eighth: Drinks and candy.

Freshmen: Hamburgers, cake and coffee.

Sophomores: Snow cones and ice cream.

Juniors: Side show, pie and coffee.

There will be a King and Queen crowned for the Grade School and a King and Queen for the High School.

The High School candidates, already nominated, are:

Eighth grade: Jimmy Harter, king; Linda Davis, queen; William Murray, duke; and Barbara Roberts, duchess.

Freshmen: Ware High, king; Ramona Motes, queen; Walton Terry, duke; Geraldine Hyles, duchess.

Sophomores: Guy Witt, king; Susie Smith, queen; Billy Moore, duke; Helen Jo Laster, duchess.

Juniors: Billy Tong, king; Sue Dollins, queen; Jimmy Whorton, duke; Joy Tomlinson, duchess.

Seniors: Charles Hyles, king; Frances Flint, queen; Morgan Howle, duke; Patsy Smith, duchess.

Mr. and Mrs. R. E. (Bob) Duke and children of Sudan visited Mr. and Mrs. Johnny Reasonover Sunday. Mr. Duke is manager of the new Plant X of Southwestern Public Service company.

BREAKS COLLAR BONE

Robert Smith, son of Mr. and Mrs. Ross Smith and a student in the third grade, broke his collar bone while playing on the school ground Tuesday. He was taken to Tahoka Hospital, where he was put in "harness" he must wear a month or six weeks.

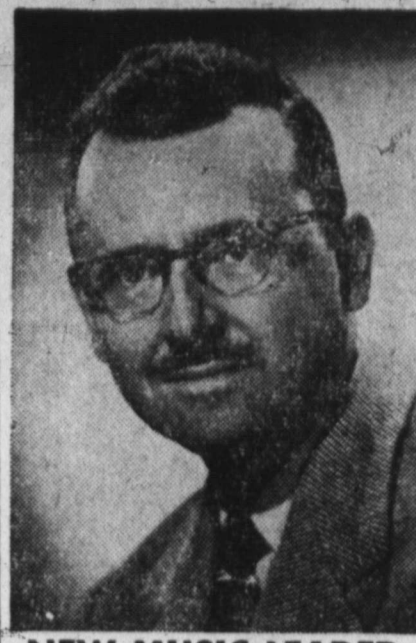

LEGION AUXILIARY MEETING IS MONDAY

The American Legion Auxiliary will meet at the Legion Hall Monday, Oct. 27, at 7:30 p. m.

All members are urged to be present for a most important business meeting—Reporter.

EASTERN STAR MEETING

Stated meeting of Tahoka Chapter 743 Order of the Eastern Star Monday, October 27, 1952, at 7:30 p. m.—Anita Billman, Worthy Matron, Beulah Applewhite, Secretary.

NEW MUSIC LEADER AT TSCW

"The college with the singing students" is what Texans are calling the Texas State College for Women, Denton, since Dr. J. Wilgus Eberly, above, new director of music, is having every girl join in group singing throughout the Golden Anniversary year now underway. Kickoff day is November 6. Dr. Eberly, known for development of fine arts festivals in the South, came to TSCW in September. He also is expanding the all-girl symphony and choirs.

PETTY HANDI-WORK CLUB HOLDS TWO MEETINGS

Petty Handi-Work Club met Sept. 22 with Miss Jackie Smith as hostess. Six members were present. Everyone brought her own work to do. That night was "family social night" at the same place and more club members and friends dropped in and enjoyed a chili supper, followed by cake and ice cream.

October 13, the club met in the home of Mrs. Roy Blevins with nine members present. New officers for next year were elected. Mrs. J. W. Schuknecht, president; Mrs. Roy Blevins, vice president; Mrs. Jesse Hill, secretary and treasurer; Mrs. Phillip Hemmeline, reporter.

The Club will meet the second and fourth Mondays at 2:00 p. m. Every member is to bring a friendship quilt block to every meeting—that all members may get a quilt each.

Mrs. Blevins served delicious home-made cookies, punch, and cake.

The ladies made lapel pins out of sequins and beads and rick rack ear screws—Reporter.

Bennie Pridmore Will Marry Soon

Mrs. Beulah Pridmore announces the engagement and approaching marriage of her daughter, Bennie Lou, to James Duane Carter, son of Mr. and Mrs. J. D. Carter of Tahoka.

The ceremony has been planned for December 21, at the First Baptist Church in Tahoka.

W.S.C.S. MET MONDAY

The Woman's Society of Christian Service of the First Methodist Church met Monday, October 20, to complete their study on Africa.

Mrs. R. M. Stewart prepared an impressive worship center.

Mrs. G. M. Stewart was in charge of the study.

Mrs. Roger Bell brought the devotional, Mrs. Jim Sharp, Mrs. W. D. Smith and Mrs. C. A. Thomas gave a very interesting program.

The next meeting will be our week of prayer program on October 27. Mrs. V. F. Jones will be in charge of the program. Mrs. Gus Porterfield of Grassland, will assist her.

Winter legumes can still be planted provided moisture conditions become favorable.

THE DAYS OF Blood & Dollars

(An Answer to the "Democrats"—so-called)

I am a Soldier of young years. I am 30 years old. I remember the Depression that the Democrats had as much hand in as did the Republicans. (Democrats had a majority in Congress in 1928, 1929, 1930, and 1931.) I remember white gray and beans.

Also, I remember 20 years that the Democrats have been in office. Do you know why I remember them? I'll tell you why! On the bloody fields of New Guinea when my buddy lay dying, I thought only of safety and peace—not of war-time prosperity that the Democrats brought us. On the sands of Iwo Jima, I thought of Mother and Home, not blood-bought Dollars of the Democrats. On the coral reefs of Okinawa, when thousands of my buddies lay DEAD, Democratic prosperity didn't do them any good. As the man (10,000 soldiers lay dead on the beach at Salerno and other places), they weren't concerned any more about the ALMIGHTY DOLLAR.

Many Americans are so MONEY CRAZY that they will sell their young manhood for false prosperity. WAKE UP, it's FOOL'S GOLD!

The present bunch that we have in the saddle have spent all that we raise in taxes, and all that our unborn for 50 years could pay back—if false prosperity can last that long.

The Democrats have bought votes for 20 years by parity Government check, support, etc. Let the local politician try to buy a few and see how far he gets with it. Do you believe in honesty, Mr. Average Citizen? Then, why support a group who deal in Mink Coats, deep-freezes, and other enormous graft, and then the Democratic leaders say that there is no mess in Washington—As Senator Kerr said last Sunday night on a National hook-up, I want honesty if it costs me the last cent I have—and that's very few cents.

Under Democratic Rule

1. Three wars in one lifetime.
2. More Government spending than in all previous years. (156 years.)
3. A time when many honest Democrats left the party.
4. Highest taxes in history.
5. Everyone wants a Government hand-out.
6. Time was when we had a hand in our schools—not in the last 20 years.
7. The Government controls everything.—Demo.
8. How close are we to Socialism????
9. Even the Democratic President took it upon himself to seize private industry. Wait till he decides to seize your farm, brother.
10. There was a time when we tried to be self-respecting in old age, but we just live high now—the Government will take care of us when we get old. (Social Security). It's neither social or secure—on borrowed money.
11. Millions of boys fighting, bleeding, and dying to make America safe for a bunch of CROOKS to spend public money by the billions.
12. Oh, well, you'll still vote the Democratic ticket because Dad was a Democrat.—But remember this: When your son is carted off to war, you asked for his MURDER to keep GOOD TIMES.

(Signed)

A Real Democrat Who Fought for Democracy and not for Theivery and Socialism.

Tahoka Freshmen Beat Brownfield; Grade School, New Home Play to Tie

Tahoka's Freshman football team defeated Brownfield Freshmen in a game played here Tuesday night by a score of 7 to 6. In another game the same night, New Home and Tahoka Seventh and Eighth grades played to a 7-7 tie.
In the Freshman game, Tahoka scored in the second quarter with Fullback Jerry Williams crossing the double-stripe and Quarterback Ted Pridmore running the ball for the conversion.
Brownfield took the kickoff opening the second half and marched 60 yards on five successive first downs to score, but the conversion by running the ball failed.
Tahoka's Seventh and Eighth grade team took an early 7 to 0 lead over New Home, but the visitors got a sustained drive underway late in the game to score in the last 30 seconds and to tie up the game with a conversion.
The local team had lost to New Home in a previous game this season.
Brownfield brought its Junior High band and pep squad, and New Home brought its grade school pep squad, but Tahoka was represented by only a handful of spectators.

COLORED METHODIST WILL HOLD MEETING

This Sunday will be a big day at Wesley Colored Methodist Church, according to Rev. W. D. Atkins, pastor.
Seven churches, possibly more, will worship with the local church at 3:00 p. m. The Harris Gospel Quartet from Brady will be guest singers at both the afternoon and night services. Also, a Prayer Band from Lubbock will be in this service.
"Don't miss this great Lord's Day service," Atkins writes, "and don't forget to be on hand Monday night, Oct. 27, through Friday for the revival services conducted by Rev. E. V. Wade from Chicago, Ill. We do invite you to come out each night and hear this great preacher."

NEVILL FAMILIES RETURN FROM PROLONGED VISIT

Mr. and Mrs. J. L. Nevill, Mr. and Mrs. Everett Nevill and baby Ray Nevill, Mrs. Reuben Lewis, and Mrs. Claude Johnson returned last Saturday morning from a month's visit with relatives in Arizona and California. They stopped at Ruidoso, New Mexico, on their way home and Mr. and Mrs. Ovid Luallin accompanied them from that place down to Tahoka and visited here until Sunday afternoon.
The Nevill families and company visited with three Nevill daughters and their families, Mrs. Russell Fleming, Mrs. Lucy Jones, and Mrs. Melton Flowers, their husbands and children at Flagstaff, Arizona. Then they went on to San Pedro, California, where they visited Mr. and Mrs. Ecky Nevill and her mother, Mrs. "Rocky" Riley, and the latter's sister.
J. L. says that they also went down to Long Beach, where he

THE LYNN COUNTY NEWS

ran onto Elmo Boydston, formerly of Tahoka, who is running a barber shop there. He was also hailed by a colored gent, who recognized their Texas garb and asked "what place in Texas is you all from?" "Tahoka," Jody answered. "Lawdy Mercy, I've from Post," the delighted darky exclaimed, and so the two had to have a cold drink or two of some kind together right then and there. Jody says that if any of you ever saw a colored gentleman ever in Post so devoid of wool on top of his head it shined in the sun like a locomotive headlight and whom everybody called "slick,"—well that is the gentleman he met in Long Beach. And Jody says that he met up with another old Tahoka friend out there, an Indian who used to work for Oscar Roberts and whose Indian wife wore diamonds that looked as big as dinner plates. Well, we take it that Jody had a great time in California.

Demos For Ike Organize Here

C. A. Gould was elected Lynn county chairman of a Democrats for Eisenhower organization at a meeting held here Tuesday night. About thirty farmers and business men attended the meeting.
Al Muldrow, Brownfield farmer, who is chairman of the South Plains Democrats for Eisenhower movement, was the principal speaker and is said to have made a ringing appeal for the people to "wake up." Muldrow is an ex-GI who hit the beach at Normandy in the bloody invasion of Europe in World War II. Incidentally, he is also an ex-Oklahoma U. football player.
Another speaker at the meeting was Prof. E. R. (Dick) Heinemann of Texas Tech.
A movie film on Korea, causes of the war, diplomatic blunders, etc., was shown the group. Mr. Gould said the film is available for showing any other group in the county desiring to see it.
Mr. Gould said a group of local citizens was scheduled to hear the address of Governor Allan Shivers at the Lubbock Hotel Thursday night.
Mr. and Mrs. E. J. Tanner Sr. spent the weekend in Plainview visiting their son, E. J. Jr. and wife and son Billy.

Winter legumes can still be planted provided moisture conditions become favorable.

FAMILY OF MRS. MAE MASON HAS REUNION

The family of Mrs. Mae Mason held a reunion here last Sunday in the home of her son-in-law and daughter, Mr. and Mrs. C. V. Wyatt.

Others present were: Mr. and Mrs. C. M. Mason and children of Tahoka, Mr. and Mrs. John Hen-

erson and children of Whiteface, Mr. and Mrs. Herschel Roberts and children of Amarillo, Mr. and Mrs. Jim Hedge and children of Tahoka, Rev. and Mrs. Bentley of Amarillo, Mr. and Mrs. J. R. Wyatt of Tahoka, Freddie Radney of Whiteface, and Patsy Roberts of Tahoka.

Lakeview News

MRS. W. W. McNABB
Correspondent

Mr. and Mrs. Noble Nowlin of Littlefield visited his brother and sister-in-law, Mr. and Mrs. Cleburne Nowlin, and girls this week end.

Mr. and Mrs. Arthur Dial visited her sister and brother-in-law, Mr. and Mrs. Tu Ellis and children in Lubbock last Sunday.

Mrs. Zelma "Sissie" Cesari is now in the Ables Sanitarium of East Lubbock for treatment.

A "cosmetics party" was held in the home of Mrs. D. B. Wheeler Thursday night.

Mr. and Mrs. Cleburne Nowlin and girls visited Bartie Renfroe and children in Lubbock Sunday afternoon. Mrs. Renfroe, who is ill, is Mrs. Nowlin's sister.

Mrs. Morris Russell returned home from Electra Friday afternoon. She has been at the bedside of her mother, Mrs. Sarah Parr, whose condition is still serious. Mrs. Russell returned home by plane, accompanied by Mr. and Mrs. Fred McNabb and Mr. Russell.

Rev. and Mrs. Vance Quinn attended the Baylor and Tech football game Saturday night.

Mr. and Mrs. W. T. Knight left Sunday afternoon for Abilene, where Mr. Knight's father is seriously ill and is awaiting to gain strength and overcome a kidney infection so that he can undergo an operation.

Mrs. Dub Kenley of Tahoka gave a Stanley demonstration in the home of Mrs. Lonnie Fulford Wednesday afternoon.

A Fratex plastic party was given by Mrs. Leona Waldrip in the home of Mrs. Walter Morris Tuesday afternoon.

Mr. and Mrs. R. B. Nowlin of Seagraves visited his brother, Mr. and Mrs. Cleburne Nowlin and family Sunday night.

Miss La Verne Knight of Cotton Center spent Saturday night and Sunday with her parents, Mr. and Mrs. W. T. Knight.

Mr. R. W. Allen was on the sick list Sunday.

Mr. and Mrs. M. J. Williams and children of Shallowater visited their parents, Mr. and Mrs. R. W. Allen and Mr. and Mrs. S. L. Williams Monday night. M. J. and family have returned from attending the State Fair in Dallas. They went by plane.

The Methodist Church had Layman's Day Sunday with Mr. and Mrs. Odell of Lubbock as guest speakers.

Mr. Roy Nettles is still suffering from a broken toe he received several days ago when a gate fell on his foot.

Mr. Floyd Copeland of Chandler and his daughter, Vida Jo, and husband of Lubbock visited Mr. and Mrs. Bill Copeland and children this week end.

The home demonstration club meets this week with Mrs. Maggie Timmons to elect officers for the coming year.

ALLSOP CHILD IMPROVES

Sterling Allsup, six weeks old son of Mr. and Mrs. Lewis Allsup, who received a severely fractured skull in an accident at the family home here Friday morning between 8 and 9 o'clock, is reported to be recovering nicely.

Local Girls Play In Tech Game

Four Tahoka girls are scheduled to play in the annual Wash Bowl football game at Texas Tech at 2 p. m. today, Friday.

They are: Barbara McNeely, center; Elna Dunagan and Tommie Whorton, tailbacks; and Patsy Locke, blocking back. All are members of the Pink Plungers team from Dorm No. 4 and will oppose another girls team called the Sophisticated Stoppers from Dorm 3.

Each team will be backed by a band and cheering section.

TAHOKA FHA GIRLS HOLD SECOND MEETING

The FHA girls of Unit I held their second meeting on Friday, October 17.

After the meeting was called to order by the chairman, Virginia Gable, and the minutes were read by the secretary, Margie Curry, the girls in the band told of their trip to Dallas.

Afterward, refreshments were served by Othelda Freeman and Mariana McGinty. A cake in the shape of a pumpkin and orange punch was served to carry out the tradition of Halloween.

At the last meeting officers were chosen. They are: Virginia Gable, chairman; Margie Curry, secretary; Sue Williams, treasurer; and Ann Reasonover and Dolores Gage, social committee.

New Oil Test In Lakeview Area

A new 10,000-foot oil test was announced for the northwestern area of Lynn county this week.

It is to be the Dan Auld of Kerrville No. 1 J. A. Timmons, located 1,980 feet from the south and 660 feet from the east lines on section 142, block 12, EL&RR survey, two miles southeast of Lakeview and eight miles north-east of the Mound Lake production. The test location is one mile southwest of the No. 1 Sunray-Ohio-Ernst dry hole, which drilled to 11,000 feet and had only a slight show of gas and oil.

There have been rumors in Tahoka this week, unconfirmed, that the No. 1 Ashley Garza test, offset to the Magnolia No. 1 Garza, east of Draw, has struck oil, and may be a producer.

GREEN ON TECH TEAM

Pat Green, son of Mr. and Mrs. Dee R. Green and a Freshman candidate for fullback on Texas Tech's football team, saw brief action in the Tech-Baylor game last Saturday night. The 190-pounder attended high school at Paducah, and has been hailed as one of Tech's brightest prospects for the backfield post in future years. His father is the new Lynn County ACA secretary who succeeded Clint Walker.

James Smith Has Another Accident, Rebreaks His Leg

James Smith, son of Mr. and Mrs. Guy Smith of New Lynn, was the victim of another accident Tuesday morning at Lubbock. While inspecting a house shortly after 8:00 a. m., his crutch slipped, and he fell to the floor, breaking his left leg just above the knee. He was to undergo an operation at West Texas Hospital Thursday.

James has been a cripple most of his life, and has been the victim of misfortune after misfortune.

As a child, he had polio which affected his right leg. While still recovering polio, a horse fell with him, and the affected leg was broken. Several operations were required following this accident.

A year ago last spring, he was in a car accident, in which his right hip bone, his good leg, was shattered, and several operations were required.

He had just recently entered the construction business at Lubbock when he fell Tuesday and broke the bone of his right leg about three inches above the knee.

CARNIVAL AT GARNOLIA

There will be a school carnival at Garnolia Tuesday night, Oct. 28, beginning at 7:30 p. m. There will be bingo and a cake walk. Everyone is invited.

NEW HOME FHA GIRLS AT DISTRICT MEETING

Five New Home FHA girls and their sponsor, Mrs. Dorothy Shambeck, attended the district meeting held in Seagraves on Oct. 18. Deloris Edwards was elected district secretary and historian, and Leta Fortenberry was named to represent the district as an area officer.

Other New Home girls attending the meeting were Winona Armontrout, Julia Gass, and Dorothy Balch.

BAPTIST PREACHER BRINGS HOME DEER

Lee Ramsour, pastor of the Tahoka First Baptist Church, brought home the venison Tuesday night. The hunting party of which he was a member brought home seven deer from Southwestern Colorado, near Cortez.

Others in the party were: Terry Noble, Tahoka; Mack Noble, Elmer Lagrone, and "Gum" Minton, all of O'Donnell; and D. O. McKneely, Wichita Falls.

AGED AND ILL URGED TO VOTE ABSENTEE

N. W. Allphin, presiding judge in the South Tahoka voting precinct, requests that all the aged, ill, and others who can not go to the polls and vote in the ordinary way in the November 4th General Election, should be sure and apply to the County Clerk for a ballot and cast an absentee vote by October 30.

'33 Conservation Program Starts

The 1933 Agricultural Conservation Program is underway in Lynn County, says S. L. Walters, Chairman of the County Production and Marketing Administration Committee. Training schools for community committeemen have been held, and now these committeemen are contacting individual farmers in their districts. A total of 36 PMA community committeemen are engaged in making these farm-by-farm visits.

Before these committeemen started making contacts the chairman explained, they were given the benefit of instruction reflecting the training and experience of specialists of the Soil Conservation Service, Extension Service, Farmers Home Administration, and PMA. This, added to their experience as practical farmers in their local districts, gives them a good rounded preparation for contacting farmers in connection with the 1933 ACP sign-up, Walters believes.

The committeemen are prepared to help individual farmers make the best possible use of the assistance provided under ACP for soil and water conservation practices.

Where technical advice is needed, the chairman further explained, it is available through such agencies as the Soil Conservation Service, and the Extension Service. The purpose of the committeemen's visit will be to help the individual farmer in determining the most needed conservation on his farm and to acquaint the farmer with the assistance available through the ACP.

So far, PMA community committeemen have contacted only 702 farms out of a total of 1700 farms in Lynn County.

MRS. DONALDSON'S BROTHER DIES IN DENTON HOSPITAL

Mrs. Claude Donaldson went to Denton Tuesday to be at the bedside of her brother, Monroe Van Buren Roberts, about 67, of San Angelo, who had undergone major surgery in a hospital at Denton.

Mr. Donaldson was notified early Wednesday morning that Mr. Roberts had died at 4:00 a. m. He and daughter Jane expected to join Mrs. Donaldson and attend the funeral services at San Angelo Thursday at 4:00 p. m.

1,200 4-H Winners to Receive Coveted Trips

A panel of 4-H'ers discusses Club Congress theme "Serving as Loyal Citizens Through 4-H." More than \$750,000 in college scholarships, savings bonds, trips, leader training and other rewards is being contributed through the National 4-H Committee to promote the activities of 4-H—the world's largest volunteer youth organization.

CLIMAX of a year of earnest 4-H Club work for some 1,200 enthusiastic 4-H boys and girls will be the 31st National 4-H Club Congress scheduled to convene in Chicago, November 30-December 4. These outstanding young people, selected from more than 2,000,000 4-H Club members in the 48 states, Alaska, Hawaii, and Puerto Rico, are winners in 4-H projects conducted through the Extension Service.

For this select group of 4-H'ers, the trip to the Congress is a coveted honor earned only through diligent effort. As Congress delegates, they receive various 4-H awards arranged through the National Committee on Boys and Girls Club Work, a citizens' group which lends support to the 4-H program.

More than 40 business firms, foundations, and public-spirited individuals sponsor national and sectional 4-H award projects as their contribution to this sound, successful youth program. The donor organizations provide to the National Committee grants totaling more than \$750,000 to be used for 4-H medals, trips, college scholarships, watches, savings bonds, leader training, and other aids.

Among prominent citizens who provide award funds to be administered by the National Committee as an impetus to 4-H accomplishment are Mrs. Charles R. Walgreen, Thomas E. Wilson, Edward Foss Wilson, Wm. Wrigley, Jr., and Gene Autry. Other sponsors are: Westinghouse Educational Foundation, Ford Motor Co., Standard Brands, Kerr Glass, Sears Roebuck

Foundation, Spool Cotton Co., Lederle Laboratories, Ida Cason Callaway Foundation, Carnation Co., Simplicity Patterns, Conrad Hilton Hotel, Hercules Powder, General Motors, International Harvester, Kelvinator, American Forest Products, Allis-Chalmers, Montgomery Ward, Kellogg Co., Dearborn Motors, United States Rubber, Cudahy, Firestone, Standard Oil Companies of Indiana, Kentucky and Ohio, American Oil, General Petroleum, Pan-Am Southern, Stanolind Oil and Gas, Utah Oil Refining Co., Pure Oil Co. the Santa Fe and Illinois Central railroads, Toni Co., Proctor Electric, and Spinnerin Yarn Co.

"The awards presented at the 4-H Club Congress are bestowed for self-earned advancement," G. L. Noble, director of the National Committee points out. "To 4-H Club members they are priceless symbols of achievement and public recognition. That is why so many of our agricultural and industrial leaders are interested in providing incentives that will help to build aggressive, sturdy citizens."

Donors also sponsor educational tours, meal events, and entertainment, which make the National 4-H Congress a memorable experience. However, sober purposes of the meeting are not overshadowed by festivity. Fortnight group discussions, addresses by prominent speakers, exchange of ideas with youths from other countries, and other stimulating features will stress the theme of the year: "Serving as Loyal Citizens Through 4-H."

Band Reports On Fair Trip

Ladies who accompanied the Tahoka High School band to the State Fair of Texas last week came home enthusiastic about the worth of the trip to the children, the advertising given our county, school, and town, and the deportment of the group.

Willard Edgett, director, was assisted in chaperoning the 60 band members by Mesdames Emil Prohl, T. D. Dunlap, Happy Smith, T. D. Lishman, Howard Draper, Buster Phipps, Martin and Gussie Williams.

The band left Tahoka Tuesday morning at 9:00 a. m. and arrived at their quarters, a Dallas motel, at 7:30 p. m. The group went to the Fair grounds at 9:00 a. m. Wednesday. At 12:30 noon, the band played a concert in the Magnolia pavilion before a nice-sized crowd of fair visitors, following which the band had a group picture made standing in front of the Hall of State.

At 4:00 p. m., a rehearsal was held in the Cotton Bowl along with the other 4,000 bandsmen present.

The big band festival was held at 8:00 p. m. in the Cotton Bowl and was witnessed by about 10,000 people. The Tahoka band marched as a group into the bowl, played in the massed band concert, and helped form the wording "Don't Forget to Vote—Democrat Republican". Uncle Sam appeared on the field trying to take care of both parties, represented by the Democratic donkey and the Republican elephant. A number of special stunts and musical numbers finished out the colorful program.

The band left Dallas at 10:00 a. m. Thursday and arrived home at about 8:00 p. m.

Frank Parris of Lubbock reports that Mrs. Parris has been visiting in Charleston, West Virginia, with her sister, Mrs. Mary Perry, who has been seriously ill since suffering a stroke a few weeks ago. Mrs. Perry is known by a number of Tahoka people, as she has visited here several times.

Funds for USO are being sought by United Defense Fund through Red Feather and other united community campaigns.

"Cotton" Carter Experiments With Early Harvest By Mechanical Puller

H. W. "Cotton" Carter, local cotton buyer who also farms 340 acres of cotton on the H. R. Minor farm south of town, is carrying on some harvesting experiments this year that may be of interest to other farmers.

Mr. Carter's crop was planted from May 1 to 10, and matured early. Faced by the labor shortage, he decided to try machine harvesting. Results are not entirely conclusive yet, but he thinks he is saving some money and time on harvesting his crop.

He started his mechanical boll-puller operating even before the recent frost. First, he rigged up a partition in the cotton trailer that separated the green bolls from the open cotton. The green bolls fell in the front of the

trailer, and later were spread out in the sun to dry and open. The open cotton was blown to the rear of the trailer.

After covering 80 acres, from which he harvested 20 bales of cotton, he received a turn-out of 23 percent lint which graded "strict low plus" and "middling".

He had a little cotton pulled by hand and found that it turned out about the same.

He expects to machine harvest all the crop.

Mr. Carter has his lister following the bollpuller, and has already listed about 60 acres, turning the green stalks under.

Rev Dick O'Brien Is Speaker Here

Rev. Dick O'Brien, pastor of the Big Spring First Baptist Church, was the principal speaker at the annual Tahoka Rotary Club banquet honoring the Rotary Anns, the school faculty, and the school board. About 130 people attended the affair, held in the school cafeteria Monday night.

Rev. O'Brien, famous over Texas and the Southwest as a humorist and after-dinner speaker, did not disappoint the crowd. He dished out a lot of humor and had his audience figuratively rolling in the aisles. Getting down to the serious part of his talk, Rev. O'Brien compared the teachings of Paul to the principles of Rotary, and his remarks were both fitting and impressive.

Invocation was given by Dr. K. R. Durham, and Fred McGinty, Rotary song leader, led the group in singing "Home on the Range", while his daughter, Marianna, the club "sweetheart", accompanied at the piano.

A fried chicken dinner was served the group, following which President Tom Gill made an excellent welcome address to the teachers, school board members, Rotary Anns, and guests.

Supt. Otis Spears introduced the board members and their wives, Principal Archie Sims the elementary teachers, and Principal Jake Jacobs the high school teachers, and Mr. Gill introduced the Rotarians and Rotary Anns.

A trio composed of Mrs. W. H. Kenley, Mrs. Garland Pennington and Mrs. Joe Bob Billman presented two vocal numbers, accompanied at the piano by Mrs. Harold Green.

Joe Bob Billman, who had charge of the program, introduced the speaker of the evening as well as the musical number.

Many declared the occasion one of the most enjoyable of its kind the club has ever sponsored.

HEGI BOYS RAISE FINE SWEET POTATOES

John Hegi brought to The News office Wednesday an immense sweet potato he and his brother, Fred, had raised at the Fred B. (Pete) Hegi place north of town. The potato measured 15 inches in length and 14 inches in circumference.

The boys also raised a lot of vegetables this summer, including okra, tomatoes, squash, sweet corn, cantaloupes, and green peppers, and their mother has filled their deep-freeze with some of these.

However, the boys are not too proud of their cotton crop, as they made only three bales on 20 acres. Maybe they will do better next year.

V.F.W. Changes Time of Meetings

The Tahoka Veterans of Foreign Wars Post has changed its meeting nights to the second and fourth Thursdays of each month, Deck Dunagan states. All members of the VFW and all those eligible for membership are invited to any and all these meetings.

The Post is planning its annual banquet for Thursday night, Nov. 13. Dan Curry is commander of the post.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In Washington bureaus the interest is not in the presidential election, but rather in the many Congressional contests.

There was more interest in the nominating conventions than the election because there was a chance that the entire situation would be changed by one or both conventions.

Bureaucrats who draw their salaries because of foreign aid programs, were afraid that one, or both conventions might follow the recommendations of Herbert Hoover.

C. W. Harder

Now the feeling is both tickets are headed by men committed to internationalists.

European leaders also feel confident, U. S. observers who attended the World Bank and International Monetary Conferences in Mexico City, report European delegates were quite open about the new plan they expect to be approved by the White House around March, regardless of who is living in it.

This new plan makes even past and present multi-billion dollar plans look like small change.

Huge European industrial monopolies no longer want so many U. S. tax dollars poured directly into their countries in the form of goods. With U. S. billions, they have hit all time record production themselves.

The new plan calls for American billions to Latin America, Asia, other non-European nations, to buy goods with.

Here is the pay-off for Europe. Instead of U. S. made goods, these areas are to receive U. S. National Production of Independent Nations

cash so that they can buy from Europe as well as the U. S.

Everybody wins but Uncle Sam.

Astonishing as it seems, this plan is already in effect to some degree. The MSA is now letting nations receiving U. S. aid buy from other sources.

For example, MSA Bulletin No. 158 announces on that day another \$5,694,000 was given away. \$2 million of the total was for petroleum products for the United Kingdom from Latin American and British Trinidad, Canada, Germany, Japan, and France, shared in the truck and rubber shipments made to Yugoslavia, and China, accounting for another \$2 million.

This plan which European monopolies feel confident will be approved also provides for world-wide price fixing with the U. S. supporting prices.

Washington also expects that to carry out this plan, new controls and new taxes will be imposed on the nation's small business and middle class.

Washington now thinks this world-wide gravy train will be derailed only by two events. The first will be the election to Congress of men opposed to U. S. giveaway programs.

The second event will be an organized, aggressive public opinion to support the views of those Congressmen. This public support will be needed to bolster the stand of these rebelling Congressmen as they will be targets of a heavily financed propaganda barrage. Therefore, Washington bureaucrats are painfully sensitive to the reactions today in small towns, as they feel the issue could be decided there. Sentiment in the big cities can be controlled, they believe.

Football

(Cont'd. from First Page)

which nine were complete for 79 yards and one was intercepted, kicked off, punted, made many of the tackles, covered one Tahoka fumble, intercepted two Tahoka passes. Oh yes, he made both Tullia touchdowns and kicked one extra point.

The Bulldogs played fair ball, but had hard luck on their passes and also had hard luck on the officiating. In fact, nothing worked for Tahoka in the clinches. Two Tahoka linemen were out for this game because of temporary scholastic difficulties.

Gordon Smith's ball handling showed improvement, and Backs J. B. Ables and Kenneth Early looked better at their running chores than previously this season. Charley Schulz turned in some nice gains, but Hyles was still handicapped by his sprained ankle, though he turned in a beautiful job on his touchdown run.

Tullia Scores Early

Willie Lee kicked off for Tahoka, a short on-side kick, while Tahoka covered for an apparently big break, but Tahoka fumbled on the first play from scrimmage and Tullia recovered on its own 39. There were numerous fumbles in the game, due largely to the cool night.

On four successive first downs, Luke carrying every time, the Hornets marched straight for a touchdown. Luke went the last 9 yards around his right end, then kicked the conversion.

Richard Havens took the kick.

Congratulations:

Mr. and Mrs. T. C. Bartley, route 1, on the birth of a son weighing 9 pounds 6 ounces at 11:11 p. m. Oct. 10 in Lubbock Memorial hospital, named Vance Neal. Grandparents are Mrs. Susie Bartley of Brownfield and Mr. and Mrs. R. E. Willingham of San Saba.

Mr. and Mrs. Charles Freeman of Crosbyton on birth of a 7 pound 11 ounce son Oct. 17 at 9:30 a. m., named Gregory Lewellyn. Mrs. Freeman is the former Miss Billie Jo Cowan, who was reared in Tahoka. The Freemans have another son, Jo Loyd, age three years.

Mr. and Mrs. Bobby Braddock, O'Donnell, on the birth of a son weighing 7 pounds 10 ounces in Tahoka Hospital at 7:22 a. m. Friday, Name, Larry Dean.

Senor and Senora Francisco Ponce of McAllen on the birth of a daughter, Manuela, weighing 7 pounds, at Tahoka Hospital Thursday of last week.

Senor and Senora Zanagore Hernandez of Dallas on the birth of a daughter, San Juana, weighing 6 pounds 13 ounces, at Tahoka Hospital Tuesday.

Buy U. S. Savings Bonds

ff from the 35 to the 40, Schulz lost 5, then Ables made 10. Pass interference was ruled against Tullia which gave Tahoka a complete on the Tullia 31. Three plays with Ables, Schulz and Hyles carrying, put the ball on the Tullia 8, where Tahoka bogged down and the ball went over. Tahoka got another break by covering a Tullia fumble on its own 14. Three plays lost 3 yards, and Smith completed a 7 yard pass to Steve Slover on the 10, where the ball went over.

Tullia moved out to the 28 on three plays, then Havens intercepted a Tullia pass on the 35 and carried it to the 15 yard line. This time, Tahoka took advantage of the opportunity. Smith completed a short pass to Charley Hyles, who squirmed and twisted through a mass of would-be tacklers to cross the goal line. But, Lee's kick was wide, and Tullia led 7 to 6.

Hornets Are Stopped
Tahoka's second on-sides kick-off backed with Tullia, covering on the Tahoka 45. Luke and company carried in nine plays to the Tahoka one-foot line—for first down, but on the next play, Huddleston covered a Tullia fumble back on the 9. Three plays later, Tullia covered a Tahoka fumble on the 18, but Tullia promptly fumbled again and Tong recovered for Tahoka on the 9.

Schulz, Ables, and I. V. J. Melton carried out to the 30, where Havens got off a short 15 yard kick out of bounds, and the half ended as the Bulldogs held the Opening the third quarter, Hornets for downs.

Schulz brought the kickoff from the Tahoka 20 to the Tullia 47, and came near going all the way. After Ables had carried to the Tullia 30, Luke intercepted Smith's pass on his own 20 brought back to his 40, and Tullia was started on another touchdown march. A completed pass and lateral carried to the Tahoka 34, then Luke carried on every play but one, going over on a 4-yard line buck. Attempt to run the extra point failed. Tullia 13, Tahoka 6.

Schulz brought the kickoff from the 15 to the 37, but Tahoka bogged down on the 41. Tullia could not move either and kicked to Tahoka's 29. Two passes were incomplete, then Tullia intercepted a Tahoka pass.

Neither Team Can Move
John Foster covered a Tullia fumble on the first play of the fourth quarter on the Tahoka 29 five plays moved out to the 34, from which point Havens kicked 29 yards. On Tullia's fourth play, Foster blocked an attempted Tullia punt, but Tahoka drew a 5-yard penalty, then a 15-yard penalty to put the ball back on

the Tullia 46. Ables and Schulz carried down to the Tullia 20, from which point Smith fired a touchdown pass, but Melton could not hold on to it, and Luke intercepted the next Tahoka pass on the 11. Luke carried out 19 yards on the next, but on the next three plays Tullia was pushed back to the 21. Here another Luke kick was partially blocked and Tahoka took over on the Tullia 33. Four passes

were incomplete, one of which Schulz caught out of bounds, and there the game ended.

New Home Wins Thriller, 54 - 49

Football fans who enjoy sensational runs and a lot of touchdowns missed the boat if they failed to see the New Home-Smyer six-man game at New Home last Friday night.

New Home won the game 54 to 49 with a climaxing sensational touchdown play just a few sec-

onds before game's end. The Leopards were trailing Smyer 48 to 49 and only seconds remained. Quarterback Tilman Cary took the pass from center, passed downfield to Darrell Fletcher, and Fletcher lateraled the ball to Sam Keith, who went over to score the winning touchdown.

Fletcher scored five touchdowns and kicked three extra points, and Willie Neiman crossed the double-stripe twice.

New Home had trailed throughout the game, being behind 12-0 at the first quarter and 24-20 at the half.

This Friday, the Leopards will entertain the Bula team, also a 2-B conference game.

Mrs. C. E. Birdwell is back home and improving nicely following a recent major operation in a Lubbock hospital.

MRS. FRANK SMITH
Correspondent

Mrs. G. T. Galneau entertained the adult class of the Baptist Church with a social Tuesday night. The Hollow'en motif predominated, with Mrs. Erwin Sander acting as the ghost. Games were directed by Mrs. Sander and Mrs. Earl Cummings. Mrs. Elmer Blankenship assisted Mrs. Galneau in serving refreshments of chocolate covered doughnuts, coffee, and orange punch. Present were Mesdames J. B. Smith, J. A. Martin, Charlie Lichey, Clyde Moore, Ivey Walton, R. L. Christopher, Freeman Baxley, George Eakin, Carl Gryder, teacher, Sander, Cummings, Blankenship and the hostess, Mrs. Galneau. "Midge" Galneau was a guest.

Mr. and Mrs. J. L. Hyde were in Post Monday where Mr. Hyde had some dental work done.

Adam Hallman of Arlington has been visiting his brother-in-law and sister, Mr. and Mrs. H. W. Seals, Sr.

Mr. and Mrs. D. A. Brown and son, Travis, were Lubbock visitors Sunday.

Mr. and Mrs. G. E. Owens and daughters and Mrs. Hortense Parker and children enjoyed a show in Slaton Friday night.

Mr. and Mrs. John Brown and family of Odessa spent the weekend with Mr. and Mrs. Sam Kerbie, Sr.

The Blanche Grove Circle of the Baptist W. M. S. met Monday afternoon at the church for their regular weekly meeting. A Royal Service program was presented with Mrs. Earl Cummings in charge. Present were Mesdames D. J. Hutherson, R. L. Christopher, Roger Blakney, Erwin Sander, J. A. Martin, Jiggs Swann, and Earl Cummings.

Miss Frances Henderson of Lubbock spent the weekend with her parents, Mr. and Mrs. Frank Henderson.

The Walther League of the St. Paul's Lutheran Church were guests of the Gamma Delta club of Tech at a skating party held in Lubbock Sunday night. Present from Wilson were: Misses Ruby Faye Teinert, Darlene Wuensche, Marca Dean Swope, Dolores Luker, Lucille and Allyn Umlang; and Martin Wuensche, Jr., Ronnie Moerbe, Ralph Droege, and the pastor, Rev. P. W. Heckmann.

Mrs. Johnny Ray Cartwright of Crane spent the weekend with her sister, Mrs. G. T. Galneau and family.

Freshmen Defeat Post Team 14-0

Tahoka's Freshman football team defeated Post Freshmen Antelopes 14 to 0 in a game played at Post Thursday night of last week, while Tahoka's Seventh and Eighth grade team lost a close 6 to 7 decision to Post Seventh and Eighth.

The Freshmen held the upper hand all the way. The Bullpups first touchdown came in the second quarter on a 17 yard pass play from Quarterback Ted Pridmore to Right End Carelton Bell. Jerry Williams plunged through the line for the extra point.

In the fourth quarter, Williams got away on a 40-yard touchdown sprint, and Tommy Franklin hit the line for the conversion, to bring the final score to Tahoka 14, Post 0.

The Seventh-Eighth grade Tahoka Bullpups showed some improvement over their play in past games, but were nosed out by Post 7 to 6.

Wilson Loses To Idalou 45 - 0

Wilson Mustangs have little chance of getting back in the victory column this Friday night, as they are scheduled to meet the high-flying Idalou Wildcats, a team unbeaten in six starts.

Last Friday night, the Mustangs lost a game played at Wilson to Plains Cowboys by the lop-sided score of 45 to 0. Wilson threatened only once on a drive to the Plains five yard line.

Coach A. J. Sales' boys also have a tough game next week, when they journey to Whitharral, after which the going should not be quite so tough, Wilson meeting Meadow, Whiteface, and Wellman on successive week ends at Wilson.

Eagles Win Over Morton

O'Donnell Eagles took an easy District 4-A conference victory over Morton Indians at O'Donnell Friday night, the final score being 46 to 12.

Fullback Don Fritz scored three times in the first half to make the scoreboard read 20-0.

In the third, Quarterback Benny Clark passed to End Roger Doss on a 35-yard touchdown play, but Morton came right back

to score its first touchdown. In the same period, Kenneth Fannon got away on an 18-yard scoring gallop, but Morton came right back again to score on a 30-yard pass play. On the kick-off, Tommy Modisette brought the ball back 85 yards to score.

This Friday night, the Eagles must meet the powerful Denver City Mustangs in the latter's corral.

Mr. and Mrs. W. B. Edwards of Stephenville were here last week end visiting relatives and friends.

Odds AND Ends

(BY E. I. THE ELDER)

Last week, in digging up data for my discussion of the New Version of the Bible, I went clear back to Ur of the Chaldees and then over into Alexandria in Egypt. Ur, as you remember, was Abraham's old home town—or Abram's, rather. They hadn't yet lengthened his name out into three syllables, and they never did cut it down to just "Abe for short." Alexandria was a great new city in an old, old country, penetrated from head to foot by a long, long river. For a thousand years or two they had been raising lots of cucumbers and melons and onions and garlic along the banks of the Nile and lots of reeds and bulrushes had been growing from time immemorial in the waters of that stream. And Egypt as well as Chaldea raised up a famous native son too; but she might not have raised him up if it hadn't been for those bulrushes in the river. Abram put Ur on the map, and when Moses got through with that old Egyptian Pharaoh, the country had to have a new king. Ur had not only one river, it had two, the Tigris and the

Euphrates. And they had lots of irrigation and fine gardens over there too.

But both of those countries had something else, also, that makes me think of Ancient America and Old Mexico.

Egypt had the Great pyramids in which they buried their kings and a temple where they worshiped the Sun.

Ur didn't build any pyramids in which to bury her kings that I have ever heard of, but she did have a great pyramid-like mound or temple, which they called the Ziggurat, on which the people worshiped the Moon.

At Teotihuacan, 30 miles out northeast of Mexico City, there are two marvelous pyramids, erected possibly a thousand or two thousand years ago, the larger one called the Pyramid of the Sun and the smaller one the Pyramid of the Moon.

They were not built as tombs for kings but as monuments in honor of Indian gods. And near them is a spacious temple, or teocalli with an altar on the top of it, upon which they offered countless human sacrifices and sent the souls of their victims on to meet their god.

The Ziggurat at Ur of the Chaldees, where those pagan Chaldeans worshiped their gods, was a sizable building. It was 213

feet long, 141 feet wide, and I believe about 70 feet high. It was constructed of stone about 300 years before Abram was born. Ruins of the structure may still be seen.

I do not know what kind of rites and ceremonies were observed at their services, but much immorality was practiced at the religious festivals and orgies of most of the pagan people of that day and time and even down to the present day in some of the world's "dark places," I suspect.

I do not know whether the Chaldeans ever offered human beings on their altars as sacrifices to their gods or not, but it is recorded in the Bible that both the Moabites and the Ammonites, semitic races or tribes that came into being a few hundred years later, did for centuries offer such human sacrifices to the gods occasionally. One naturally wonders if there was any connection between this practice on the part of these ancient pagans and its practice by the Indians that were found in Mexico, Central America, and in South America when Columbus discovered the New World.

As everybody knows, the great pyramids still standing in Egypt were built as burial places for Egyptian kings. We take it that certain religious rites attended these burials, but that is a point on which I personally have no information. Ra or Re was the Egyptian sun god, but I do not know whether there was any connection between his worship and the building of the Egyptian pyramids or not. Also, I am wondering if the American Indians could have gotten their ideas of a sun god or of a sun pyramid from the ancient Orientals.

It is evident, however, that the American Indians did not build their pyramids as burial places but as places of religious worship and sacrifices—bloody and heartless human sacrifices. Ruins of these pyramids may still be found in a number of places in Mexico and Central America other than those I have already described.

While I have already mentioned those Mexico pyramids in this column several times before, I do not feel that I have yet done justice to the subject and I wish to warn my wearied readers now

that I expect to give them more "dope" on the subject some time in the near future, but just now I want to turn my attention and yours to some wonderful similar but less spectacular works constructed throughout large areas in our own country by some of the aborigines of North America or immigrant "wet-backs" who stole across a stream—or strait, at least—much wider than the Rio Grande. We are sure they didn't come over to pick cotton either, and judging them by their works we don't know why in the world they did come. There were already plenty of "mounds" in this country, especially in the western half of it, but those ancient "wet-backs" made their way right across the mountains and began to dig ditches and build "mounds" all over the Mississippi Valley.

Probably most of you have never seen one of these mounds. I haven't either, but I have read about them, and I have a book in which many of them are pictured, and if I were a generation or two younger I think I would organize a party of at least two persons, consisting of myself and somebody else, and make a tour of some of these strange works of man, built possibly a thousand or two thousand years ago. I figure it would beat a trip to Taos or to Eagle Nest all to pieces.

Now I am going to tell you something about some of these mounds as I get it from a book written by John D. Baldwin A. M. at Worcester, Massachusetts, dated November, 1871. Say, folks, that was away back before I was born, and I assure you that I haven't had the book quite that long; but I have had it a long time, and when I got to reading the other day about that mound, or Ziggurat, at Ur of the Chaldees, I suddenly remembered that old book, went and dug it up, and found wonderful things printed therein. Then I decided I would delve into that more modern authority, The World Book, and to my amazement I found that the authors of The World Book had borrowed or swiped almost word for word the information that Baldwin wrote down in his book 76 years ago.

Now I am not going to give you folks a verbatim copy of this information but I am going to boil it down and dish out the substance of it to you respecting some of these mounds.

Baldwin started out, by the way, as a newspaper correspondent, writing some articles on "American Archaeology" for the "Worcester (Mass.) Spy," but he became so interested in his sub-

ject and he so keenly interested his readers, that he decided to write a book. He put some pictures and drawings in that book too, and they add light and spice to the story.

In starting his story, Baldwin stated that there was no official name for the people who built those ancient mounds, and so he himself dubbed them the "Mound-Builders." And now we quote from his book:

"Prominent among the remains by which we know that such a people once inhabited that region (the valley of the Mississippi and its tributaries) are artificial mounds constructed with intelli-

gence and great labor. Most of them are terraced and truncated pyramids. In shape they are usually square or rectangular, but sometimes hexagonal (six-sided) or octagonal (eight-sided), and the higher mounds appear to have been constructed with winding stairways on their outsides leading to their summits. Many of the structures have a close resemblance to the teocallis of

Mexico. They differ considerably in size. The great mound at Grave Creek, West Virginia, is (Continued)

(Continued)

70 feet high and 1,000 feet in circumference at the base.

"A mound in Miami, Ohio, is 68 feet high and 852 feet in

circumference. The great truncated pyramid at Cahokia, Illinois, is 700 feet long, 500 feet wide, and 90 feet high."

Baldwin compares the Mound near Miami, Ohio, with one at Mayapan in Yucatan. In the lower Mississippi valley, the mounds are not nearly so high but are spread out over a larger territory. He suggests that they might have been constructed as foundations on which taller structures were to be erected. In that connection, he calls attention to the fact that the great buildings at Palenque and Uxmal in Yucatan were erected on just such broad foundations as are to be found in the lower reaches of the Mississippi. The Yucatan and Mexico pyramids, however, had stone foundations laid in mortar, while the foundations of many in the lower Mississippi Valley, he believes, were of wood and have entirely disappeared.

He also calls attention to the fact that the Mexico and Central American pyramids were not only much larger and more substantial than those in the Mississippi Valley but also were much more numerous. I should like to add here that the greatest pyramids in Mexico—those at Teotihuacan and at Cholula—had not been discovered and uncovered at the time Baldwin was writing his book.

At Cedar Bank, Ohio, there is a mound 245 feet long by 150 feet broad, surrounded partially by a wall of much greater dimensions. There is a drawing in his book of two adjacent enclosures, one a perfect square and the other a perfect circle, each enclosing 20 acres, situated four miles north of Chillicothe, Ohio. There are 500 mounds and 100 enclosures in Ross county, Ohio, alone, and it was estimated that there were 10,000 mounds in the entire state and 1500 enclosures; and yet Baldwin asserts that the mounds are more numerous in the lower valley of the Mississippi River and along the Gulf coast than anywhere else. At Seltzer town, Mississippi, there is a mound 600 feet long, 400 feet wide, and 40 feet high. Over in South Carolina is Harrison Mound, 480 feet in circumference and 15 feet high, another 500 feet in circumference and 34 feet high. Other mounds are to be found in Missouri, Iowa, Wisconsin, Michigan, and other states. Some of them are built in the form of animals and snakes.

There is today in the Smithsonian Institution, a drawing of the Great Serpent Mound in Adams county, Ohio, the figure of the serpent being more than 1000 feet long, "extending in graceful curves and terminating in a triple coil at the tail. The embankment constituting this figure is more than 5 feet high, with a base 30 feet wide at the center of the body. . . . The neck of the figure is stretched out and slightly curved. The mouth is wide open, and seems in the act of swallowing or ejecting an

oval figure, which rests partly within the distended jaws." It is generally agreed that this figure is symbolic, but just what it was supposed to symbolize is unknown.

A serpent and the most unthinkable ugly animal figures you ever saw adorn (?) the teocallis in Mexico.

An eagle grasping a serpent in its claws—supposedly strangling it to death—and lighting upon a cactus plant is the symbol of the settling of the Aztec Indians on the site of the Mexico City of today, and building their city of Tenochtitlan on an island in the lake of Texcoco in or about the year 1325 A. D. So the symbol of the eagle with a serpent in its claws, with its wings spread as in lighting, is to be seen everywhere in Mexico today. Those indescribably ugly animals represented some Indian god, which in many cases was the wickedest kind of devil, which the Indians had to please, or else. That makes their own beastly wickedness, such as the heartless sacrifices of innocent children by the hundreds and the thousands at times in order to please these devils, understandable to some degree by normally kind and intelligent white people. But it all goes to prove what a horrible thing ignorance and superstition and spiritual darkness can become when not modified and held in check and eventually destroyed

by the light that Christianity brought into the world.

I do not have space nor time to pursue this subject further, but it is believed that the same people who built the pyramids in Mexico and Yucatan and Central America are the people who built the mounds further north. The Toltecs are given credit for having built the Mexico pyramids but it is claimed that they opposed the offering of human sacrifices; if they are the people who built the mounds in the Mississippi Valley and other parts of our country, that would explain why there are few if any evidences of this inhuman practice of offering human sacrifices in

all this area, but it would leave unexplained the purpose the Mound-Builders had in constructing these strange and numerous earthen-works.

But it also leaves unexplained why the Toltecs built the great pyramids in Mexico, if they offered no human sacrifices thereon, for there were no eatable domestic animals in the whole country—not a hog nor a heifer, nor an ox nor a sheep; not even a burro or a pony. There might have been a few deer and a few goats. The buffalo was a prairie animal and I do not think he would thrive in a mountain country. If there was any kind of animal that those Toltecs could have offered in sacrifice on their al-

tars, it must have been a javelina, a porcupine, a badger, or a skunk; and I think the Toltecs would have been afraid to insult any of their gods—saint or devil—by offering him a viand like

that. I still don't know why they built either the mounds or the pyramids. I offer my readers, if any, that \$64.00 question.

MADDOX BACK HOME
Mr. and Mrs. B. P. Maddox returned home Monday night from a three weeks visit with relatives in Mineral Wells, Stephenville, and San Antonio.

While in San Antonio, Judge Maddox reports they heard both Dwight D. Eisenhower and Adlai Stevenson, candidates for president, in person.

AUNT OF A. M. BRAY DIES AT PADUCAH

Mr. and Mrs. A. M. Bray and children attended funeral services in Paducah Saturday for Mrs. J. D. Doolen, 71, who died there on Thursday. Mrs. Doolen was Mr. Bray's aunt.

Stop Taking Harsh Drugs for Constipation
End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

CARTER INSURANCE AGENCY presents Cherry Sundae

"Best Seller" that's too good to miss

YES, this is a RIVIERA. Sleek and swift-lined, like a convertible. Solid-topped like a sedan. Six-passenger roomy—and just about the smartest number that's made its bow in years. And how folks love it. The day it was first displayed, orders started rolling in. The rest of the industry took a look—and decided to make a carbon copy. Over the years, these "hard top" jobs have spread to every price range—

including the big-volume, lower-priced three. But this Buick version has forged ahead in popularity—and today it's the "best seller" in the whole "hard top" field—bar none. What's the reason? Well, it is—as you can see—a smoothie to look at and a smoothie to drive. It's a Buick—with Buick's famous Fireball 8 Engine—Buick's marvel

Million Dollar Ride—Buick's exclusive Dynaflo Drive*—Buick room—Buick's Power Steering†—Buick comfort, Buick style—and Buick durability.

And when it comes to price—you will find out this: What you pay for a SPECIAL, a SUPER or a ROADMASTER RIVIERA will shine by comparison with the price tag of anything in their fields.

Isn't that enough to make you want to try out a RIVIERA today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only.

Sure is true for '52
When better automobiles are built
BUICK will build them
