

15th Annual Wool & Mohair Show Tuesday

The Fifteenth Annual Lions Club Wool and Mohair Show, an all-Texas show for 4-H Clubs, F. F. A. Chapters and adult producers gets underway Tuesday afternoon at 5 o'clock with registration at the Sonora Wool and Mohair Company warehouse. At that time all entries of wool and mohair must be in the warehouse. All judging contestants will also be grouped at the registration.

The West Texas drought may influence the quality and quantity of wool and mohair at this year's show, sponsors admit. But they are encouraging exhibitors to participate and point out that the drought has teated most of them about equally.

The wool show, sponsored by the Sonora Lions Club, attracts hundreds of good fleeces each year from both adult and junior exhibitor. Fleeces are judged both singly and in bag lots.

In addition, for 4-H Club and

FFA members, the show features contests in the Judging of wool, mohair, sheep, goats, grass and representative range plots.

One major change this year is the annual Lions Club auction sale will not be conducted in conjunction with the show. Proceeds from the sale in past years have gone to finance worthwhile projects for the community.

A. E. Prugel, Lions Club president said the sale will be in September. Hot weather, and the fact

that many sale personnel were busy with the wool show, have always been serious problems when the two events were held together.

Two new classes in the adult division for bags of aged fine wool ram fleeces have been set up for the 1952 show. The wool company is furnishing \$200 in prizes. There will be a class for bags of 8-months wool and a class for 12-months. Bags of wool from ram lambs are not eligible to compete in either class.

Special attention is also being called to a rule change in the mohair division of the show for both junior and adult exhibitors. All kid fleeces must be 32's or finer in grade and must be from spring kids to compete in kid classes.

All wool and mohair classes in the junior division will be the same as last year. The junior judging contests will be the same. Each county will be allowed to enter one 4-H Club team. Each FFA chapter will be allowed one team.

A team may compete in all four divisions of the contest or in any of the individual divisions, but a team must compete in divisions to be eligible for the over-all high team and over-all high individual awards. The divisions are wool, mohair, livestock, and grass.

A standard record book designed especially for the Sonora show is being used this year. It is designed so that records can be easily transferred to it from either FFA

project record books or the 4-H Club sheep production record book. All junior exhibitors showing fleeces must enter a record book.

Trophies, medals, and banners are being awarded by Nathan's Jewelers, the Sonora National Farm Loan Association, Texas Sheep & Goat Raisers Association, Sheep & Goat Raiser, Edward Plateau Soil Conservation District, and donations from various breed associations.

SIXTY-SECOND YEAR

Sonora Texas Friday June 20, 1952

THIRTY-SEVENTH WEEK

TWO DAY RACE MEET OPENS SATURDAY

With all barns full and a red-hot matched race brewing between Flying Dutchman and an unnamed dark horse, things seemed to be shaping up for the most successful race meet in the history of the Sonora Park Association.

On hand to give things an added boost are Sunbeam Morrison, secretary of the Big Springs Racing Assn., and John Dillard, president.

The meet opens Saturday afternoon and will include six purse races of \$150 each Saturday, six more Sunday, a roping Saturday night sponsored by the Sonora and Ozona roping clubs, and several matched races which were being worked up Thursday.

The track has been completely reworked and should be in top shape for the meet. Old railing has been replaced.

The grandstand will now seat 1,200 persons in the shade, and plenty of cold drinks will be available.

On three-eighths of a mile race, horses will be started down an eighth of a mile straightaway before going into the curve. This will make for a better race and a safer race, officials said. Under the old system horses were started on the curve and jockeys had to be careful to avoid pileups. In addition to this, races started on the curve were run in slower time.

Slated for each day of the two-day meet are six purse races of \$150 each, plus several matched races. Officials expect a large crowd since this is the only racing meet scheduled in the state that weekend.

A list of officials includes B. W. Hutcherson and Dan Cauthoorn as judges; S. M. Loeffler and Howard Espy as foul judges; R. M. McCarver as starter; L. P. Bloodworth, Announcer, and W. B. McMillan, timer. James D. Trainer and Lin Turney are to be in the Paddock.

Officials of the Sonora Park Association are A. B. Hightower, president; John Fields, first vice-president; Andrew Moore, Second vice-president; R. M. McCarver, secretary and treasurer. Directors include B. M. Halbert, Jr., Stanley Mayfield, Thomas Espy, W. L. Miers, Andrew Moore, and Joe M. Vander Stucken.

Nurse Training Planned At Local Hospital

Plans to begin training of vocational nurses at the Hudspeth Memorial Hospital in September were announced this week by Edwin C. Murphy, administrator. Murphy said about six students will be registered in September and given a 12-month's course. After successful completion of the course the students will be eligible to take the state examination for licensing as vocational nurses.

If the plan proves successful, Murphy said, another class will be started in March, 1953. Women interested in the plan are asked to contact Murphy at the hospital.

At present, the hospital has one student in training. She is Miss Roberta Doran, who is studying to become a laboratory technician. At the end of her year's course, she will take the state examination. Miss Doran has completed two years at Mary Hardin Baylor College at Belton.

A-N George Hamilton, who was stationed in the Navy at Norfolk, Va., was transferred Saturday to Guantanamo Bay, Cuba, where he will be on patrol duty for the next two years. His wife, who is now in Helena, Ark., expects to join him in about three months.

Mr. and Mrs. L. P. Bloodworth and children were guests last weekend of his parents, Mr. and Mrs. Lloyd Bloodworth of Ruidoso, N. M. Mrs. Bloodworth and children plan to stay about ten days.

Possibilities Of Bringing Natural Gas Here Talked By Lone Star

Possibilities of installing a natural gas distribution system in Sonora were discussed Tuesday at the Lions Club luncheon by two representatives of the Lone Star Gas Company, E. L. Buelow, division superintendent, San Angelo, and L. B. Hulsey, field engineer, Dallas.

In speaking to the club, Hulsey made it clear that although he was outlining a plan by which Lone Star could bring natural gas to Sonora and distribute it, and although he could state about what it would take to interest the company in coming here, he was not in a position to make any commitments for Lone Star Gas Co.

Hulsey told the group that his company would be interested only if from 375-400 potential gas users would sign a subscriber's agreement, agreeing to use natural gas if and when brought here, agreeing to have any necessary changes made in their piping systems in order to hook onto the main, and depositing \$10 as evidence of their good faith. The \$10, he added, draws 6% interest while in the hands of the company, and will be returned to the subscriber if the company fails to go ahead with the project or if the subscriber discontinues the use of gas.

In the agreement, the subscriber agrees to begin using natural gas within 90 days after completion of the distribution system.

Hulsey stated that it is Lone Star's plan at present to get gas from five wells in the Miers Field and by July to bring a 12-inch line up to the Page Field at Eldorado. If it is decided to bring gas to Sonora, another line will come here. All the gas fields which Lone Star is interested in, Hulsey pointed out, are hooked up by a network of pipelines, and gas is dispatched to one town or another much as trains are routed by the railroad dispatcher. Therefore, he said, should one field serving Sonora play out, another would be switched in.

Hulsey also brought out the following points:

1. Lone Star does not sell gas to cities for further distribution, but sells only directly to the consumer.

2. If enough interest is shown and Lone Star feels that its service is wanted by enough people here, it will ask the City of Sonora for a 35-year franchise, but THE FRANCHISE IS NOT EXCLUSIVE. The city may grant Lone Star a franchise, and then, at some later time, grant another company a franchise also.

3. If Lone Star is granted a franchise, it guarantees to pay the City of Sonora two (2) percent of its gross receipts, plus any other taxes which may already be in force at the time it comes in here.

4. The reception to Lone Star here had seemingly been "a bit cool," so at this time, Lone Star is making no definite commitment to come in. An indication must come from the people as to what they desire in the way of natural gas. If enough people decide they want natural gas, then talks can be resumed on a more definite basis.

5. Buelow stated: "It is not the policy of Lone Star to elbow its way in where it is not wanted. We want to be good citizens and we want to feel welcome when we come into a city."

6. Cost of piping a house or cost of making hookups to the gas main or other adjustments in the house piping system would have to be taken up with the local gas companies or a local plumber. (All such work must pass rigid inspection based on Texas Railroad Com-

mission regulations). Conversion of butane appliances to natural gas will be done by Lone Star at no cost to subscriber.

Getting down to rates of natural gas as compared to butane rates, Hulsey stated that 100 cubic feet

DO YOU WANT NATURAL GAS IN SONORA?

Are you in favor of Natural gas for Sonora? Yes No

Will you as an individual sign an agreement to use the gas if and when it comes to Sonora and put up the deposit of \$10. Yes No

Will you assist in enlisting other subscribers in your block or neighborhood? Yes No

Name _____
Box _____ Phone _____
Please tear our and mail to Box 5196, Sonora or take to office of A. E. Prugel.

(CF) of natural gas equals one gallon of butane gas.

Present butane rates are 11 cents per gallon for tanks of 1,000 gallon capacity and over; 12 cents per gallon for commercial users; and 13 cents per gallon for residential users.

Natural gas rates which would apply to Sonora if gas were brought here would fall into categories of school rates, industrial rates and residence rates. A copy of the school and industrial rates, may be examined at the News Office. Suffice it to say they are both cheaper than the residence rate.

Residence rates are as follows: 1st 1,000 CF \$1.666 Gr; 150 Net Next 1,000 CF \$.833 Gr; \$1.25 Next 3,000 CF \$.833 Gr; \$.75 Over 5,000 CF \$.555 Gr; \$.50

These prices mean if the bill is paid within ten days of billing, the net rate applies. If not, the gross rate applies. The minimum monthly bill is \$1.50.

Therefore, to take an example, if a residence user filled his 100-gallon tank with butane, he would pay \$13. If, on the other hand, he used an equivalent amount of natural gas at the above rates, he would pay \$7.50.

1 Gal. butane equals 100 CF natural gas.

100 Gals. butane equals 10,000 CF.

10,000 CF natural gas is priced as follows:

1st	1,000	\$1.50
2nd	1,000	\$1.25
3rd	1,000	\$.75
4th	1,000	\$.75
5th	1,000	\$.75
6th	1,000	\$.50
7th	1,000	\$.50
8th	1,000	\$.50
9th	1,000	\$.50
10th	1,000	\$.50

To get an idea of what business men thought of bringing natural gas to Sonora, questionnaires were passed out asking opinions on four questions. These question and the results are as follows:

1. Do you favor the "Natural Gas Plan for Sonora" as presented by Lone Star Gas Company today? 36 voted yes and 2 voted no.

2. Will you as an individual sign the agreement to use the gas, if and when it comes to Sonora, and put up the customary deposit? 35 votes yes and 2 voted no.

3. Will you assist in enlisting other subscribers in your block or neighborhood? 26 voted yes and 10 voted no.

4. In order to obtain the required number of subscribers, do you favor making it a Lions Club project? 21 voted yes and 14 voted no.

Any person interested in getting natural gas here may fill out one of the blanks and mail it to Box 5196, Sonora or take it to the office of Lions Club president A. E. Prugel.

Thomas W. Franks Dies Of Heart Attack Wednesday

Funeral service for Thomas Walter Franks, 48, were held Thursday afternoon at 4 o'clock at the First Baptist Church. The Rev. J. E. Eldridge officiated. Franks died suddenly of a heart attack as he was drinking coffee in his home about 5 o'clock Wednesday morning.

He was born February 11, 1904 in Sonora and attended local schools. He served in the San Angelo Police Department for a number of years, but has retired from this work following a riding accident which injured his leg.

He was a member of the Baptist Church. Survivors include his wife, a son, Pfc. David Franks, now stationed at Fort Hood; his mother, Mrs. Fannie Franks; a sister, Mrs. Jack Drennan; and four brothers, Blanton Franks and Johnny Franks of Midland, Frankie Franks of Victoria, and Russell Franks of Sonora.

Pallbearers were Henry Greenhill, Irvin Willman, Brooks Powell, Tommy Seals, Clyde Henderson, H. C. Kiser, Jim Wilson, all of Sonora, and Jack Crawley of Menard. Burial was in Sonora Cemetery.

STUART WINS DEGREE, ARMY COMMISSION AT TEXAS A. & M. COLLEGE

Lynn Stuart, son of Mr. and Mrs. L. L. Stuard of Bryan and grand-

son of Sonora, received his degree in civil engineering from Texas A. & M. College and a commission as second lieutenant in the U. S. Army May 30 at College station.

Stuart has accepted a position as civil engineer with the Phillips Petroleum Company this summer and will report for duty with the army August 1 at Camp Hood.

He won several honors during his college career. He was cadet colonel of the Seventh Regiment and executive officer of the Ross Volunteers. He was president of the Senior Court, was an honor military student, was named the outstanding senior cadet in the Armored Division, and was presented a key emblematic of outstanding leadership.

During Operation Longhorn this spring, he represented Texas A. & M. College and served as an aide on the staff of Secretary of War Frank Pace.

Lt. Stuart was the guest of his grandparents at the ranch last week.

Funeral Services Held Today For Mrs. R. V. Sewell

Funeral services for Mrs. R. V. Sewell, 58, who died early Thursday morning at Hudspeth Memorial Hospital, are to be held this morning at 10:30 o'clock from the First Methodist Church. The Rev. W. H. Marshall will officiate.

Mrs. Sewell was born Stella Maddox in Blanco County, where her family had ranching interests. In 1907, her family acquired ranching interests here and she completed her schooling in Sonora schools.

Survivors include the husband, one son, J. O. Mills; two sisters, Mrs. Seleta Felps, Sonora and Mrs. W. R. Nix, Eldorado; a nephew, Gerald Nix, Marfa; and a niece, Mrs. Willie Ruth Meekel, Eldorado.

Pallbearers are Clayton Bray, A. E. Prugel, George H. Neill, Bryan Hunt, Frank James of Ozona and Herman Perry of San Angelo.

Burial is to be in Sonora Cemetery.

Early Day Peace Officer Buried Here Tuesday

Albert J. Owens, early-day peace officer and chadman in Sutton County died Monday in Dripping Springs, where he had made his home since 1947. He was 87 years old.

Funeral services were conducted from the Ratliff Funeral Home Tuesday afternoon at 2:30 o'clock. The Rev. W. H. Marshall officiated. Burial was in Sonora Cemetery. Pallbearers were W. L. Davis, A. E. Newton, Bryan Hunt, Alfred Cooper, Vernon Hamilton, and George E. Smith.

Born in Coleman County February 21, 1865, Mr. Owens came to Sutton County as a young man and served as deputy sheriff and constable under the late Sheriff J. L. Davis. He also engaged in ranching.

Mr. Owens retired several years ago and moved to Dripping Springs. He was a member of the Methodist Church.

Survivors include four sons, Albert M. Owens, Driftwood; W. J. Owens, Dennison; E. P. Owens, Texon; Wilson R. Owens, San Angelo; eight daughters, Mrs. Pearl Smith, Mrs. James Foster and Mrs. W. B. Allison, all of San Antonio, Mrs. Ellen Ray of Sonora; Mrs. Viola Randle of Dallas; Mrs. Otha Margold of Corsicana; Mrs. T. R. Inglewood, Calif; and Mrs. E. W. Needham of Los Angeles, Calif.

Thirty-three grandchildren and 18 great-grandchildren also survive.

Stuart has accepted a position as civil engineer with the Phillips Petroleum Company this summer and will report for duty with the army August 1 at Camp Hood.

He won several honors during his college career. He was cadet colonel of the Seventh Regiment and executive officer of the Ross Volunteers. He was president of the Senior Court, was an honor military student, was named the outstanding senior cadet in the Armored Division, and was presented a key emblematic of outstanding leadership.

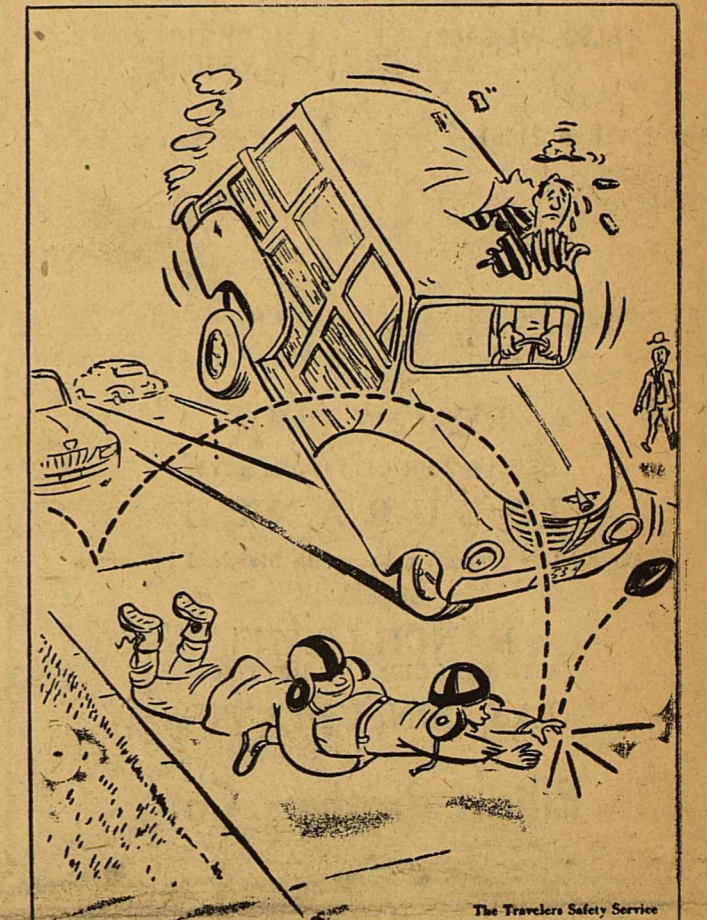

During Operation Longhorn this spring, he represented Texas A. & M. College and served as an aide on the staff of Secretary of War Frank Pace.

Lt. Stuart was the guest of his grandparents at the ranch last week.

Lucky You

by Dick Shaw

Lucky you—your children played in the streets and lived to play again

Carlos Loeffler, shown here exhibiting a prize-winning calf last January, added new honors to his 4-H Club career Tuesday when he won the state 4-H Wool and Mohair Judging Contest Tuesday in San Angelo.

Carlos Loeffler Wins State Wool And Mohair Judging Contest

Carlos Loeffler, 14-year-old Sutton County 4-H Club boy, Tuesday won the State 4-H Wool and Mohair Judging contest. This was the first time the contest has been held in San Angelo. In the past, the contest has always been held at Texas A. & M. College in connection with the 4-H Club round-up. Extension service officials decided it would be more appropriate to hold the wool and mohair judging contest in a location near the center of the industry.

In winning the state contest, young Loeffler became ineligible to compete in any more official state wool contests. He may, however, compete in grass judging and other types, said County Agent D. C. Langford.

Schleicher County won the team judging with a total of 1,846 points. Team members include Jack Stanford, Ronnie Mittel, nephew of Ben Mittel of Sonora, and Ken Love.

Tom Green County won second in team judging with 1,823 points and the Sutton team was third with 1,757. Sutton team members are Loeffler, Oscar Carpenter and Joe Renfro with Ben R. Mittel as alternate.

Other team winners placed as follows: Sterling County 4th; Runnels 5th; Kimble 6th; Menard 7th; with them.

Mrs. Martha Nodler and daughter, Miss Nancy Jane Nodler, of Kansas City, Mo., are the guests of Mrs. Nodler's daughter, Mrs. Jean Derebery, and Captain Derebery this week.

Mr. and Mrs. Sidney Awalt and A. W. Awalt spent last weekend in Brady. Mrs. A. W. Awalt returned with them.

Bandera 8th; Crockett 9th and Real 10th.

In individual scoring Loeffler was followed by Ronnie Mittel of Schleicher 2nd; Clarence Plagens of Tom Green 3rd; Ken Love of Schleicher 4th.

The contest was held in the gym at San Angelo College. Top team members received 4-H Club medals and the college awarded pencils to alternate members of winning teams. James A. Gray, Extension Service sheep and goat specialist, was in charge.

CONDITION OF THOMAS ESPY REPORTED GRAVE

The condition of Thomas Espy, who is in a San Angelo hospital following a major operation last Wednesday, was reported as grave Thursday afternoon as this edition went to press.

Mrs. Martha Nodler and daughter, Miss Nancy Jane Nodler, of Kansas City, Mo., are the guests of Mrs. Nodler's daughter, Mrs. Jean Derebery, and Captain Derebery this week.

Mr. and Mrs. Sidney Awalt and A. W. Awalt spent last weekend in Brady. Mrs. A. W. Awalt returned with them.

FUTURE FARMERS OF DALLAS—Big things are planned for the more than 3,000 Texas Future Farmers expected in Dallas for the state organization's annual convention July 16-18.
 A full round of entertainment features is being planned for the farm boys who will represent the 35,000 Texas high school boys who are students of vocational agriculture.
 Scope of the Future Farmer organization will be displayed to Dallas residents with a giant downtown street parade in which the FFA boys will march along with farm equipment and FFA pickups.
 A special feature of the convention this year will be a banquet at the Baker Hotel, convention headquarters, on July 17 which will honor Lone Star Farmers and at which Lone Star Farmer degrees for 1952 will be awarded. Annual FFA queen contest is set for the last night of the convention.
 Pictured here, with the Dallas skyline in the background, are members of the Dallas executive committee for the convention and Franklin Brandt of LaGrange, state FFA president. Pictured, left to right: C. G. Scruggs, associate editor of Progressive Farmer magazine; President Brandt, C. T. Johnson, southwestern public relations director for Sears, Roebuck and Co., and Murray Cox, farm director for Radio Station WFAA.

4-H Roundup Said Success

Texas rural youth last week visited their Texas A. & M. College. The thousand boys and girls attending the annual 4-H Roundup came from every section of the state. Their leaders, Extension agents and friends swelled the total attendance to 1,600.
 June 10 was the big day. State winners were named in the 16 different judging and team demonstration contests and the dress revue. Competition was stiff between the 215 competing teams and individuals. Three of the winning judging teams will have other opportunities to participate in state and national contests. The three top livestock judging teams from Brazos, Nueces and Fisher counties, in October at the State Fair, will compete against a like number of top FFA teams for the honor of representing Texas in the national contest at Chicago. Sonora won second in the state Grass Judging Contest.

The winning poultry judging team from Guadalupe County is eligible to participate in the national contest, also to be held in Chicago. Brazos County was second and Runnels County third in this contest.

McLennan County furnished the state winning dairy cattle judging team. This team will represent Texas 4-H clubs at National Dairy Cattle Congress, Waterloo, Iowa. Brazos County was second and Bexar County third.

The Bastrop County vegetable demonstration team will go to New York City in November for their national contest.

Winner of an all-expense trip to National 4-H Club Congress, Chicago, this fall was Jo Ann Glover of Hardeman County, top dress revue winner. Sherry Simpson, Hopkins County was second and Louise King, Hays County third. Rolene Barnett, Young County, was first place winner in the tailored wool class. A total of 54 girls participated in the state dress revue.

Featured speaker for the Roundup was Chaplain George C. Baker, Jr., Southern Methodist University. He told the group, "Real satisfaction in life is found by unselfish devotion to the things that matter most and tomorrow's honors will come to those who make sound plans in youth, choose wisely, are patient and thorough and have courage and unselfish devotion."
 Co-chairman Jack Harris, Hale County and Wanda Kachtik, Cameron County, of the 4-H Council presided over the general sessions and all Council members took a very active part in the proceedings. Council co-chairmen for next year will be Dorothy Folytn, Lamb County and Delbert Taylor, Tarrant County.

Sears-Roebuck Foundation was host for the State Recognition Banquet on Tuesday night. Chancellor Gibb Gilchrist of the A. & M. System, President M. T. Harrington, Texas A. & M. and Extension Director G. G. Gibson spoke briefly to the group.

Wednesday morning early, busses and automobiles streamed from the A. & M. campus, homeward bound. Another roundup, of the 4-H kind, was rapidly becoming history but friends made and experience gained will last for a life-time.

Brady Jubilee Set July 3-6

Preparation for Brady's Big Silver Jubilee and Race Meet, July 3-4-5-6, are all complete according to General Manager, Frank Roddie. However, the 25th annual celebration will officially open Wednesday night July 2 with the colorful Queen's Coronation.

The street parade will be staged Thursday morning, July 3, at 10 A. M. in downtown Brady. The feature event each afternoon will be horse racing at the new all-steel grandstand with a seating capacity of 5,000. Plenty of free entertainment will be going on each night and day at cool, shady Richards Park. On the entertainment menu there will be staged Old Settlers' Day, state and local political speaking, carnival attractions, music and many other attractions for the young and old alike.

Mr. and Mrs. T. M. Harvey and Randy were in Greenville last week visiting Mrs. R. D. Harvey, his mother, and other relatives. Returned by way of Dallas to visit with her parents, Mr. and Mrs. Lee P. Walker and family.

Mrs. Clay Puckett and children, Mary and David, are visiting her parents, Mr. and Mrs. E. F. King, in Marfa.

Promotion or transfer raises (if bona fide new duties and increased responsibility).

Bonus of \$40, or the same amount or percentage given in 1950 or in accord with established plan.

Catch-up and cost-of-living allowances applicable to commission and piece-rate employees.

WAGE STABILIZATION AT A GLANCE

THESE ADJUSTMENTS REQUIRE A REPORT AND 30-DAY WAITING PERIOD BEFORE BEING PUT INTO EFFECT.

New or improved health-and-welfare, pension and profit-sharing plans not exceeding WSB standards.

THESE ADJUSTMENTS REQUIRE APPROVAL OF THE WSB

Any increase in excess of those allowable under self-administering regulations.

Any change in established piece-rate plan or incentive system.

Wage rate structures for new businesses or plants.

Increase in paid holidays, overtime, shift differential, paid vacation or call-in pay.

Increase in other "fringe" benefits or such supplementary pay practices.

Annual improvement increases and new cost-of-living "escalator" clauses.

ADMINISTRATIVE, EXECUTIVE AND PROFESSIONAL PERSONNEL AND WORKERS IN THE CONSTRUCTION INDUSTRY ARE GOVERNED BY OTHER SETS OF RULES. For more detailed information, contact the nearest office of the Wage and Hour Division, U. S. Department of Labor.

This chart, designed as a general guide only, prepared by the Information Division, Fifth Regional WSB, Atlanta

A LOOK AT THE BOOK

By DR. BOB JONES, JR.

PRESIDENT OF BOB JONES UNIVERSITY

GREENVILLE, SOUTH CAROLINA

Few things are easier than to say something that is untrue, believing it to be the truth. A young man came to Jesus, asking what good thing he should do that he might have eternal life. The Lord instructed him to keep the commandments and named over six of them to him—the six which govern man's obligation to fellowman; and the young man replied, "All these have I kept from my youth up."

Yet he had not done so. For example, when the Lord, in answer to further questions, said, "Go and sell what you have and give to the poor and come and follow me," the young man went away, but not to sell and give to the poor, thus proving that he did not love his neighbor as himself, which is the way the Lord had quoted the commandment against covetousness. A man who loves his neighbor as himself would be just as glad to see another man have something good as to have it himself. Thus this young man, though he doubtless thought he was sincere, proved himself guilty of violating the commandments of God; but an outward effort to obedience is not enough anyway. A man must obey in his heart if he is to please God, for the Lord Jesus sets the standard of heart attitude above mere outward practice, for He declares, "Whoso hateth his brother is a murderer" (1 John 3:15), and "whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart" (Matthew 5:28). This, then, must be the case: the desire in the heart to obey is more important than outward obedience with a rebellious will.

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength" (Mark 12:30). This, Christ declares to be the greatest commandment; and any man who seeks his own way, who prefers his own desires to pleasing God, violates this important commandment; and however respectable and decent and moral he may be, he has no right to claim that he keeps God's law. The Scrip-

ture declares that "the law entered, that the offence might abound" (Romans 5:20). We are all guilty under the law. We would be without hope if the Scriptures left matters thus, but Galatians 3:13 states, "Christ hath redeemed us from the curse of the law, being made a curse for us." We may be made free from the penalty of sin because He paid it for us. This is the way to have eternal life—not by doing any good thing but by accepting what Christ did for us on the cross.

61 Years Ago

W. P. Armstrong and family arrived from San Angelo this week, and are domiciled at the McHugh ranch.

Z. D. Gafford of San Angelo, the principal contractor in the Sutton County Court House, was in town this week.

Sol Mayer, the handsome single member of the firm of F. Mayer & Sons, was in Sonora Monday. Sol has gone into the sheep business and will be successful. He bought this week from Marrs, Hundly and Love 1,700 sheep at \$2 a head for grown and \$1.50 for lambs.

J. F. Lillard and family, late of Burnet County, moved to Sonora Wednesday, and will make their home in the trading center.

Dr. and Mrs. H. G. Jones, of West Texas, made Sonora a short visit Tuesday. The DEVILS RIVER NEWS understands that the Doctor and his bride will be in their Sonora home about the first of July.

J. M. Bourland, the able editor and proprietor of the Junction City Clipper, was in Sonora Saturday. Mr. Bourland has difficulty in keeping up with Sonora it grows so fast. The next time he comes, we will have the \$10,000 water works and ice factory in operation

and the \$40,000 public building will be complete.

N. N. Staggs, the well driller, was in town Tuesday.

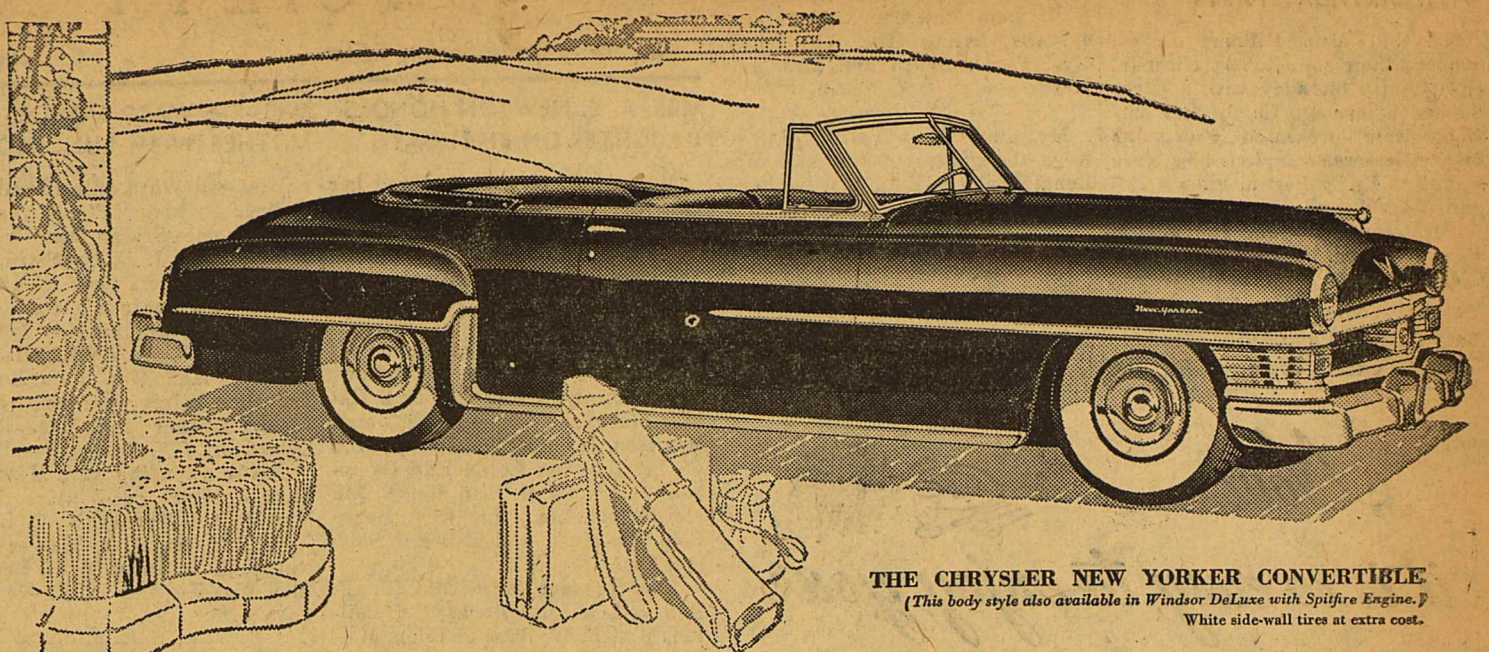

R. H. Wyatt, owner of a nice bunch of cattle and sheep, ranching a few miles below Sonora, was in town Monday.

Dr. Wooters, the young physician who intended locating in McKavett, has now decided to hang out his shingle in Menardville.

J. Q. Adams returned from San Angelo Saturday.

E. A. Dragoo, a large cattle owner of Edwards County was in Sonora Friday.

Thomas Espy, local ranchman, was reported doing as well as could be expected Thursday, following a major operation in San Angelo last week.

THE CHRYSLER NEW YORKER CONVERTIBLE
(This body style also available in Windsor DeLuxe with Spitfire Engine. White side-wall tires at extra cost.)

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need use. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more

quietly, and with less wear than any other engine ever built into an American automobile.

... and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?

Robert Lee Clips Sonora 18-16

Robert Lee bounced Sonora out of second place in the Concho basin Loop Sunday in Robert Lee by a score of 18-16. Sonora had an 11-run lead when the Robert Lee hitters found the range on Sam Mabry and let him know they were all his cousins. Stuart, Ozona slugger who plays for Sonora, went in and slowed up the carnage, but it was too late.

Sunday, Sonora takes on Big Lake at Allison Field at 3 o'clock. Lee (Red) Thompson, will give Snipe Connally's boys a serving of southpaw throwing. At present Sonora is in third place with a 2-2 count, while Big Lake is in fourth with a 1-2 standing.

Parents Of Six Adopt Seventh

CHICAGO, ILL.—"Always room for one more," says Mrs. Charles Boyle as she and her husband, parents of six, adopt little Lorna Irene, 5 (center front row). The Boyle family is pictured here as Judge Edmund K. Jarecki presents adoption papers. The children standing between parents are from left: Mike, 3; Tom, 8; Mary, 9; while standing behind Lorna Irene are: Rose, 6; Patrick, 11; and Larry, 2, who is next to Dad Boyle.

Twenty-two nations will see life in the United States as interpreted by 1,431 midwestern junior and senior high school students, whose paintings will be sent around the world through the American Junior Red Cross International School Art program. Chosen for the story they tell, as well as for art technique, pictures selected are among 2,203 submitted to the Junior Red Cross program in 1952. Selections are made by the National Art Education Association's Western Division committee headed by Miss Ruth Wohrl, center, conferring with Miss Mary McMullen and Archie Bauman, other members of the committee. Miss Wohrl is director of art education for Akron, Ohio, public schools. Miss McMullen is school art supervisor at Peoria, Ill., and Bauman is art director for Cedar Rapids, Iowa, public schools.

**TRADE MARK RIGHTS
EXPLAINED**

From the alarm clock that jolts
us awake in the morning to the
electric light that we turn off at
night, Mr. and Mrs. Average
America are constantly surrounded
by products which have been pur-
chased by their brand names. The
constant use of trade-marked pro-
ducts with satisfactory results, com-
bined with persistent advertising,
makes us trade-mark conscious.

What does a trade-mark actual-
ly do? It identifies merchandise as
being the product of a particular
manufacturer or distributor. The
use of trade-marks is very ancient.
They were used by the brick-mak-
ers of ancient Egypt; the lamp
makers of old Athens; and the hel-
met makers and armorers of medie-
val England. While a trade-mark
is most often a work, it may also
be an emblem, symbol, slogan, or
other device. The intended func-
tion of a trade-mark is to distin-
guish the goods of the proprietor
from the goods of others in the
market place. The expression
"trade-mark", "brand name", or
more simply "brand" or "mark",
are synonymous.

A person or company becomes
the owner of common law rights in
a trade mark through adoption and
use of the mark on goods. The law
affords protection to the owner by
prohibiting others in the field from
appropriating the mark or one
so similar as to be likely to cause

confusion.

There is a twofold purpose be-
hind such legal protection: first,
it protects the purchaser from de-
ception and assures him that he is
getting what he wants; and second,
it protects the trade-mark owner
from piracy of the good will, re-
putation and property rights which
he has built up in a mark through
manufacture or sale of merchan-
dise carrying the mark.

Trade-marks are frequently
among the greatest and most valu-
able assets of a company, for they
symbolize the good will and re-
putation of the company. To ac-
hieve such a status, however, a
trade-mark must be carefully se-
lected. Among other considerations
it is, of course, important that a
mark be chosen which is not con-
fusingly similar to any other trade-
mark used by another on similar
goods. It may be necessary to con-
duct a search of marks already in
use in order to determine this
question.

When a word or symbol has been
selected, it must then be properly

used in connection with the goods
to become a valid trade-mark. Once
in use, it should be carefully guard-
ed. It is possible for a good trade-
mark to lose its legal protection
due to improper use by its owners
or the public.

The Federal and most State
governments including Texas, have
by legislation, provided for the re-
gistration of trade-marks by their
owners. While a trade mark need
not be registered to receive pro-
tection in the courts, such registra-
tion does afford substantial bene-
fits to trade-mark owners.

(This column, based on Texas
law, is written to inform—not to
advise. No person should ever apply
or interpret any law without the
aid of an attorney who knows the
facts, because the facts may
change the application of the
law.)

Willis Dean Minnick had a bro-
ken cartilage removed from his knee
Tuesday evening at the Hudspeth
Memorial Hospital. He is reported
improving.

**MRS. LABENSKE HOSTESS
TO FORTY-TWO CLUB**

Mrs. Lee Labenske entertained
the 42 Club in her home Tuesday
afternoon. Mrs. John Bunnell won
high club score and Mrs. J. A.
Cauthorn high guest. Mrs. H. V.
Morris and Mrs. O. G. Babcock tied
for second high.

A fruit plate and punch was ser-
ved to Mmes. Babcock, Bunnell,
Morris, Joe Berger, R. V. Cook,
Robert Kelley, Sr., Donna Stites,
Rose Thorp and Mrs. Ella Wallace.
Guests were Mmes. Lillie Swat-
hse, G. G. Bennett and J. A. Caut-
horn.

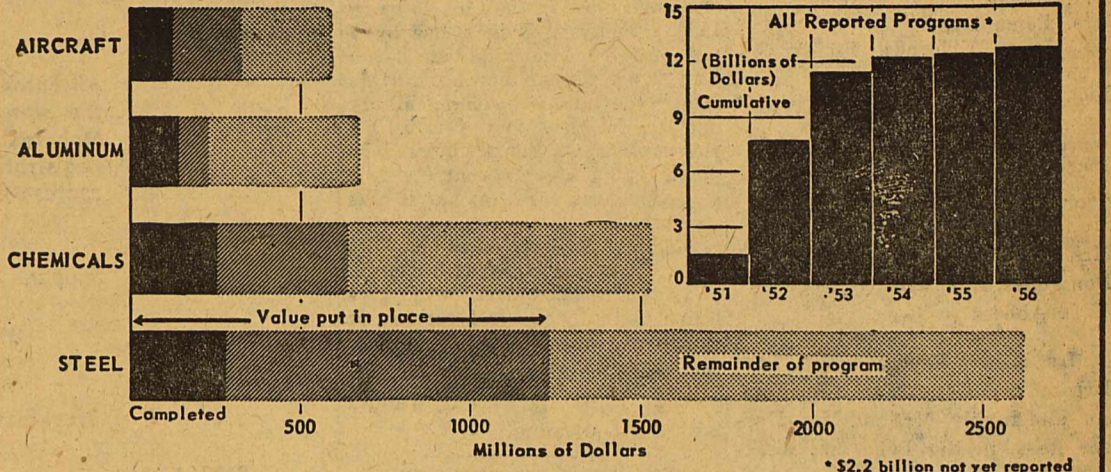

Mr. and Mrs. G. A. Wynn re-
turned Monday from Austin, where
they were guests of Wynn's bro-
ther, T. C. Wynn, and San Antonio.

Miss Hazel Caldwell left for a
two weeks vacation Friday. She
plans to visit Mr. and Mrs. Leo
Snelson in Palm City, California.

If you've been doing a bit of shopping for a
new automobile, we'll tell you this: The
price on this one will open your eyes.

It's the price of the six-passenger, two-door
SPECIAL—ready to roll.

When you put this price against the local deliv-
ered prices of other cars that folks usually
associate with Buick—you'll have a hard time
finding a single one as low.

When you put this price against what you'll
pay for cars with the reputation of being
"lower priced"—you'll find why this Buick
gives them such keen competition.

And—if you want to go in for extras—you can
still add up what goes on the bill of sale of other
cars and a Buick—you'll find out that Buick's
an even greater buy.

We know that price is important to a lot of
folks, especially with the price of groceries—
and even baby shoes—where they are today.
But you also want some fun for your money—
and that's where a Buick really shines.

Just wait till you give a gentle nudge to the
power that's under that big, broad hood and

feel your shoulders sink back as this beauty
takes off.

You'll feel like the million dollars it cost to
perfect its ride, when you sample the steady
smoothness of its gait.

It's eager, alert, alive—makes each mile a new
experience.

Want to try it? Why not? We're willing to let
this beautiful bundle of high-powered energy
speak for itself.

Equipment, accessories, trim and models are subject to change
without notice. *Standard on Roadmaster, optional at extra cost
on other Series. **Optional at extra cost—available on most
models. †Optional at extra cost on Roadmaster only.

NOTICE OF ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF SUTTON
TO THE RESIDENT PROPERTY TAXPAYING QUALIFIED VOTERS OF SUTTON COUNTY, TEXAS:

TAKE NOTICE that an election will be held on the 12th day of July, 1952, at the places, in the manner, and on the proposition set forth in the attached copy of an ORDER FOR BOND ELECTION, duly entered by the Commissioners' Court of Sutton County, Texas, on the 9th day of June, 1952. Said attached ORDER FOR BOND ELECTION is made a part of this notice for all intents and purposes.

F. L. McKinney
County Clerk, Sutton County, Texas
ORDER FOR ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF SUTTON

On this the 9th day of June, 1952, the Commissioners Court of Sutton County, Texas, convened in regular session at the regular meeting place thereof at the Courthouse in Sonora, Texas, with the following members of the Court present, to-wit:

- George Wynn
County Judge
- D. L. Locklin
Commissioner Precinct No. 1
- Dan Cauthorn
Commissioned Precinct No. 2
- Aldie Garrett
Commissioner Precinct No. 3
- Dantes Reiley
Commissioner Precinct No. 4
- F. L. McKinney
County Clerk

and the following absent: None, constituting a quorum, and among other proceedings, passed the following order:

There came on to be considered the petition of Cleve Jones, Jr. and 55 other persons asking that an election be ordered upon the question of issuing bonds of Sutton County, Texas, for the purpose of constructing, maintaining, operating macadamized, graveled or paved roads and turnpikes, or in aid thereof in said County.

It appearing to the satisfaction of the Court that said petition is signed by more than 50 of the resident property taxpaying qualified voters of Sutton County, who own taxable property in said County and who have duly rendered the same for taxation and is otherwise in conformity with law. It further appearing to the Court that the amount of the bonds to be issued not exceed one-fourth of the assessed valuation of the real property of Sutton County, Texas.

It further appearing to the Court that it is advisable to issue said bonds and that said petition should be granted, and said election as prayed for shall be ordered: THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF SUTTON COUNTY, TEXAS:

That an election be held in said County on the 12th day of July, 1952, which is not less than thirty days from the date of this Order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident property taxpaying qualified voters of said County for their action thereupon:

PROPOSITION
"Whether or not the bonds of said Sutton County shall be issued in the amount of \$75,000.00 bearing interest at a rate not to exceed 4% per annum, and maturing at such times as may be fixed by said Commissioners' Court, serially or otherwise, not to exceed twenty years from date, for the purpose of constructing, maintaining, and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof; and whether or not an ad valorem tax shall be levied and collected on all taxable property in said Sutton County for the current year and annually thereafter while said bonds or any of them are outstanding sufficient to pay the current interest on said bonds and to pay the principal thereof as the same becomes due."

That said election shall be held at the following places in said County and the following named persons are hereby appointed officers for said election:

1. Election Precinct No. 1, at County Court House, in Sonora, Texas, with L. P. Bloodworth as Presiding Judge, and W. F. Berger and _____ Clerks.
2. Election Precinct No. 2, at Sonora Wool Warehouse, in Sonora, Texas, with Collier Shurley as Presiding Judge, and Mrs. Mamie Awalt and _____ Clerks.
3. Election Precinct No. 3, at Cedar Hill School House, in Sutton County, Texas, with Miss Carmen Warren as Presiding Judge, and Oscar Adams and _____ Clerks.
4. Election Precinct No. 4, at the John Reiley ranch in the Owensville, Community, in Sutton County, Texas, with Melvin Shroyer as Presiding Judge, and Jo W. Hard- graves and _____ Clerks.

5. Election Precinct No. 5, at Humble Pipeline Station B, in Sutton County, Texas, with Mrs. F. M. Ballard as Presiding Judge, and Mrs. J. D. Brodnax and _____ Clerks.

The ballots of said election shall have written or printed thereon the following:
"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF AD VALOREM TAX IN PAYMENT THEREOF"
"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF AD VALOREM TAX IN PAYMENT THEREOF"

Each voter shall vote on the proposition hereby submitted by placing an X in the square beside said voter may scratch or mark the expression of his choice, or out one of said expressions, thus leaving the other as indicating his vote.

The manner of holding said election shall be governed, as near as may be, by the General Election Laws of this State, except as modified by the provisions of Chapter 3, Title 22, Vernon's Annotated Revised Civil Statutes of the State of Texas, Revision of 1925, as amended and none but resident property taxpaying qualified voters of said County and who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this Order in a newspaper published in said County for three successive weeks prior to said election. In addition thereto, a copy of this order shall be posted in four public places in said County, one of which shall be the courthouse door, at least three weeks prior to the date of said election.

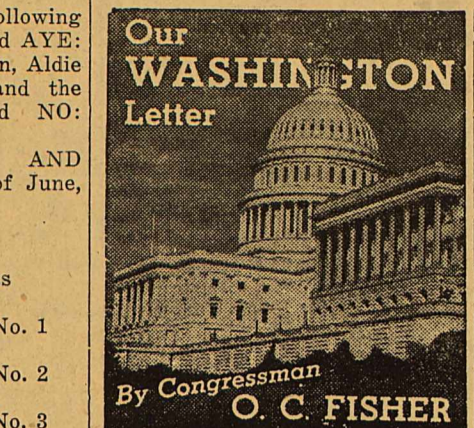

The County Clerk is hereby authorized and directed to cause said notice to be published and posted as herein above directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this Court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the ques-

tion being called for, the following members of the Court voted AYE: D. L. Locklin, Dan Cauthorn, Aldie Garrett, Dantes Reiley; and the following members voted NO: none.

PASSED, APPROVED AND ADOPTED this 9th day of June, 1952.

- George Wynn
County Judge,
- Sutton County, Texas
- D. L. Locklin
Commissioner Precinct No. 1
- Dan Cauthorn
Commissioner Precinct No. 2
- Aldie Garrett
Commissioner Precinct No. 3
- Dantes Reiley
Commissioner Precinct No. 4

STRANGELY ENOUGH, the big labor unions have for more than two years led the fight against production of food and fiber in the Texas and the southwest. By opposing arrangements for Mexican labor to come across to tend the flocks, plant and harvest crops where there has been no local domestic labor available, the unions have fought a rear-guard action against production by the farmers and ranchmen in the southwest.

Paradoxically, the same unions have yelled the loudest for price controls to hold down cost of living, ignoring the fact that production is the only real answers to high prices.

Those of us who have striven for a sensible labor agreement with Mexico, which would permit imported labor only in areas where the Secretary of Agriculture certifies there is a local shortage, have been vilified and castigated by the big labor papers for our efforts. Because I recently opposed the spending of nearly a million dollars to finance a gigantic airlift program, at Uncle Sam's expense, which would transport illegal aliens deep into old Mexico—I was branded by a big labor paper as "a chief spokesman for the 'Landlord Farmers' Lobby." I figured they could be transported across the border without providing luxury airplane rides.

SPEAKING OF THE UNIONS, it must be remembered that the political heads of those organizations do not necessarily speak for the rank and file member—particularly of Texas members. Much

WEST TEXAS TOWNS TO MEET IN JUNCTION FOR TOURIST STUDY

JUNCTION, June 19—Sonora is among the towns invited to be represented here Friday, June 20, in a meeting of the Publicity and Tourist Development Committee of West Texas Chamber of Commerce. It will open at 10 o'clock in the Kimble County Court Room.

Primary purpose of the meeting is to study ways and means of establishing a sustained program of national advertising of what West Texas has to offer tourists and industry.

Among those invited are W. R. Cusenbary, Sonora's director of WTCC.

of their tirades is to placate the left-wing elements found mostly in the North and East.

A good example is the recent CIO demand that President Truman's veto of our tidelands bill be upheld. A letter from the CIO, dated June 5, gave the usual line of half-truths and misrepresentation with respect to the tidelands issue. By way of contrast, on the same date the American Farm Bureau sent a letter urging the Congress to override the President's veto of the Tidelands bill.

"The issue involved is far broader than the question of ownership of the lands involved," said the Farm Bureau. "The board issue, and one that is becoming more evident with each passing year, is whether control over our natural resources is to be further centralized in the Federal Government or is to be decentralized to the States."

This reasoning explains in a nutshell why most of the American people, as expressed several times by the Congress, favor the tidelands bill whether they happen to border the sea or not. They think of America, not just of themselves.

CARD OF THANKS

We wish to express our thanks to our friends for the beautiful floral offering and many expressions of sympathy.
The family of Albert J. Ower

Happy Birthday

Model for model—costs less
Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Mile after mile at rock bottom cost
Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Right truck for the job saves money
Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Lower, slower depreciation
Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

FORD STARTS A NEW TREND IN MOTOR CARS

IT'S THE MOST MODERN, MOST ADVANCED CAR IN THE INDUSTRY!
Ford's new modern design bodies are the newest, most advanced in the low-price field, styled ahead to stay new. New hull-tight construction seals out noise and weather. New easier-working Power-Pivot Pedals (suspended from above) eliminate dusty, drafty floor holes.

Ford's 110-h.p. high-compression Strato-Star V-8 is the only V-8 in the low-price field and Ford's 101-h.p. 1-cylinder compression Mileage Maker Six is the only all-new, low-friction Six.

Never before has any manufacturer offered so much car for so little money!
The 1952 Ford, with its many, many new advances, is starting a completely new era in automobiles. For never before has any car so far ahead in design and quality been so modest in price.

It's the most powerful low-priced car ever built! Never before has any car offered so much high-compression power for so little money! Ford's 110-h.p. V-8 is the most powerful engine in the low-price field. And Ford's all-new Six, with 101-h.p. is the V-8's mate for power at a saving. For both Ford engines offer the go-packed savings of the Automatic Power Pilot.

It offers ALL 3 drives! This '52 Ford offers you many, many choices, too... choices usually associated with America's highest-priced cars. For example, only Ford in its field offers you your choice of Fordomatic, Overdrive or Conventional... so many body, color, and upholstery combinations... 18 different models. "Test Drive" this greatest of all low-priced cars at your Ford Dealer's. We're sure you'll agree it's a car that will influence automobile design for years to come.

'52 FORD

White sidewall tires, Fordomatic, Overdrive, optional at extra cost. Equipment accessories and trim subject to change without notice.

Two Men Admit Local Robbery

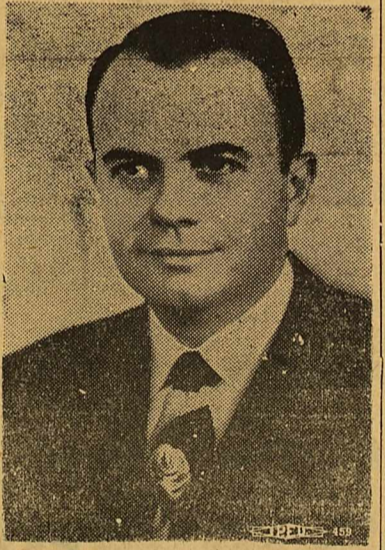

Two negroes, Willie James Perryman, Iraan, and Avis Miller, Sonora, admitted to officers here last Wednesday that they entered Sosa's Cafe a week ago Monday night and took \$214 in cash and \$147 in checks.

The men were arrested by officers in Sheffield after an arrest order had been broadcast over the state police network. At the time of their arrest, they had 35 cents between them.

They told officers they burned the stolen checks shortly after the theft. The local sheriff's office broadcast the alarm when information was received that one of the men failed to show up for work the morning after the robbery and that he and the other man had been seen leaving town the night before. Both men had previous records. They are being held in the local jail.

Shepperd Speaks Here Tuesday

John Ben Shepperd of Glade-water in Gregg County, recently resigned as Secretary of State to become a candidate for Attorney General of Texas, will be in Sonora Tuesday morning, June 24, in the interest of his campaign, his friends here announced this week. Shepperd will not make a formal speech while here, but plans to renew old acquaintances and make new friends. Shepperd has visited in this area frequently and is well-known in this section. He was the main speaker at the annual Lion's Club banquet in the spring of 1950.

This is the first time Shepperd has sought an elective public office. The position of Secretary of State, which he held for more than two years, was an appointive position. Shepperd is 36 years old and has been a practicing attorney for more than 12 years. He is a former president of the bar association of his home county of Gregg and has participated in many State Bar and American Legion activities. He is a veteran of World War II.

Jockey Injured In Track Smash

Jack Butch, local jockey, received a compound fracture in one leg and a broken arm early Thursday morning when a mare he was exercising stumbled and crashed through a rail at the local race-track. Butch managed to get clear of the mare, but was thrown against a post outside the track. A bone specialist was called in to set the leg Thursday afternoon.

The Pennsylvania jockey was riding Snack-Bar, described by local horsemen as being very gentle, at the time of the accident. The mare belongs to Henry Bossman of Junction. It is thought that the mare became overbalanced as she galloped into the far turn and in trying to regain her balance got too close to the rail. The mare was cut severely, but received no broken bones.

Butch is employed by the Greenhill Service Station during the day and works as exercise boy in the mornings. His mother resides in Pennsylvania.

Local Board Calls 3 Men For Induction

Two Sonora men and one from Eldorado are being called for induction into the armed forces July 11. They are Leonard Nolan Gibbs, Sonora, Erispeo Perez Virgen, Sonora and Cayetano Angiano, Eldorado.

Five registrants, who are now classed as delinquent, have also been ordered to report for induction. They are Domingo Garcia Butierez and Julio Sanchez, Rocksprings; Jimmy Rebelez Ortiz and Rosendo Rebelez Ortiz of Ozona; and Marcelino Ybarria Sanchez, Sonora.

Sgt. Billy Joe Nance has been placed in Class 111-c, having been honorably discharged May 14 from the U. S. Army.

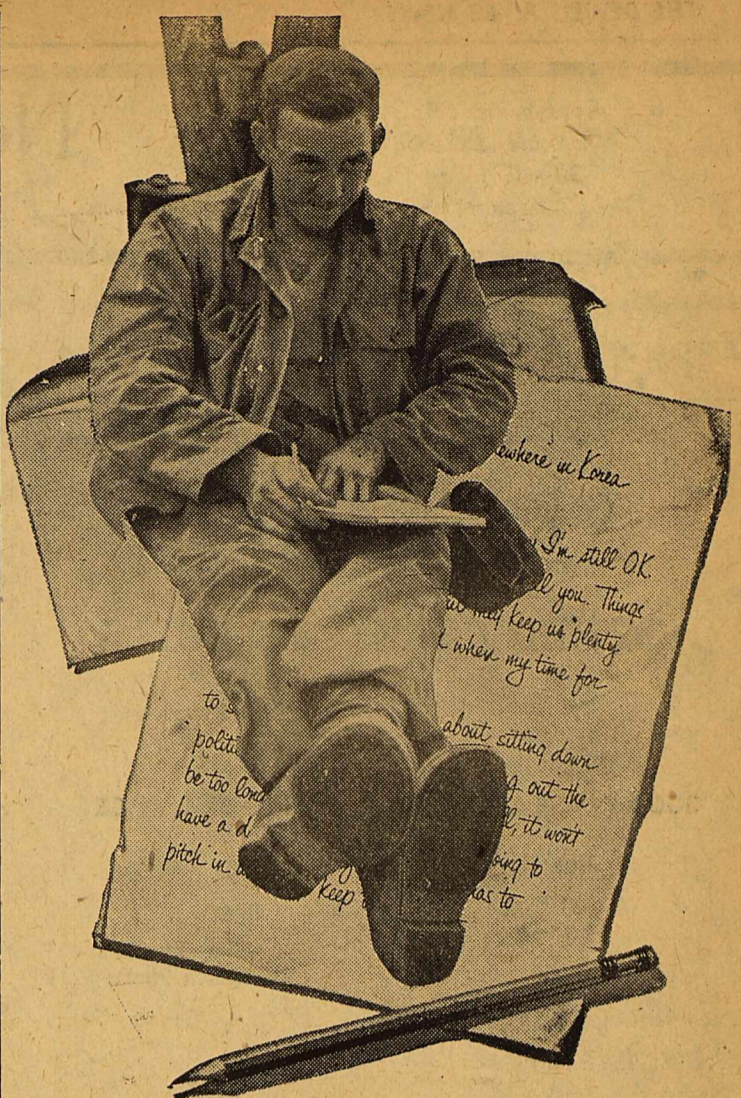

Mr. and Mrs. Vincent Anthony have as their guest this week Mrs. Anthony's mother, Mrs. J. N. Ucker of Kansas City, Mo.

J. A. (Ted) Letsinger

Dear Folks -

"Just a note to let you know I'm still o. k. Things aren't too bad over here but they keep us plenty busy and I'll sure be glad when my time for rotation comes! Well, it won't be too long now and after all, if you're going to keep a democracy I guess everyone has to pitch in."

Just a lonesome G. I. writing home. He's helping in the armed forces. But there are things you can do to help, too. One of the most important of these is buying United States Defense Bonds.

Tens of millions of Americans own Defense Bonds now—more than 49 billion dollars worth! And every time you add to the total, you are helping to stabilize your country's economic power, making and keeping it as strong as the G. I.'s are keeping her military power. Remember, it's your bonds and other forms of saving that keep your country strong. And in these troubled times, *peace is only for the strong!*

So how about starting a patriotic program of regular savings now—by buying U. S. Defense Bonds through the Payroll Savings Plan where you work. It's one sure way to save!

Here's how E Bonds now earn more money for you!

Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before.

1. Now every Series E Bond you buy begins earning interest after only 6 months. And the interest it pays is now bigger at the start!
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date.
3. During the 10-year extension period, every bond earns at the new, higher interest (average 3% compounded semiannually).

Start now! Invest more savings in better-paying United States Series E Defense Bonds.
