Scurry-Borden District Court Gets Approval

The legislature in Austin today approved a new district court for litigation - bound Scurry County.

Immediately upon the signature of Gov. Allan Shivers, the bill will go into effect, creating the 132nd district court in Snyder with jurisdiction over Scurry and Borden Counties. This will leave the old-thirty-second district court with jurisdiction in Nolan and Mitchell Counties.

NO DISSENT

Sterling Williams, representative of this district, reported that the house of representatives this morning passed the senate version of the court bill, providing for a temporary court here for a term of six years. There is the possibility that if the court is needed at the end of that time, it can be renewed.

No dissenting votes were cast in the house, where the tally was 127 in favor and none opposed.

"This being more than a two-thirds majority, the bill will become effective immediately upon being signed by the governor, instead of having to wait until 90 days after the adjournment of the legislature," Williams added. The bill also carried an emergency clause, because of the backlog of about 500 cases in district court here.

The bill will be ready for the governor's signature in about two days, Williams said, but at that time Shivers will be out of the capital. He is expected to return from New York a week from tomorrow and will sign the measure at that time.

APPOINTMENTS

"I have requested and have secured the assurance of the governor that there will be no hasty appointments to the positions of district judge and district attorney in the Snyder court," Williams said.

"When the governor returns, he will hear every applicant for the posts," Williams continued. "Of course, there is no necessity for any aspirant to visit Austin before the governor's return.'

The bill for the new court has been in the legislative mill since the opening of the legislature. Originally, Williams got house passage of a bill forming a permanent court here, but the senate approved only a six-year temporary establishment.

The original bill was abandoned in the house, and the house today approved the revised senate bill.

March Crude Allowable Up 71,554 Barrels

FORT WORTH, Feb. 15. (AP) —The Texas Railroad Commission today set a March crude oil production allowable of 2,800,742 barrels a day, an inerease of 71,554 barrels.

Most of the state was placed on a 23-day production schedule, with the East Texas field to operate on 19 days. During the 28-day February, the state, generally, was on a 20-day basis, with East Texas producing on 17.

The daily allowable as of last Saturday was 2,729,188 barrels.

The commission issued its March order shortly after a statewide proration hearing.

Most purchasers requested a 23-day March schedule but said they would be willing to operate on 24 days.

The primary objection to 24 days was a fear purchasers and producers would have trouble moving the heavy output from West Texas areas to refinery centers.

Low of Eleven Degrees, Rise Is Predicted

Winter weather which brought the heaviest snow of the winter to Snyder continued yesterday, with a maximum reading of only 28 degrees reported by Mrs. D. P. Strayhorn, weather observer.

The mercury dipped to 11 degrees before dawn, but had risen to 13 degrees by 7:30 this morning and was continuing upward. Snyder schools were closed for the second day because of bad roads. Condition of the roads this afternoon will determine whether or not classes will be resumed tomorrow.

The second severe storm of the Texas winter relaxed its grip today. Temperatures began a gradual rise and even warmer weather is expected tomorrow.

Whole towns still were isolated by a crusty mantle of ice and snow in North Texas, however. Schools were closed today at such cities as Dallas. Fort Worth, Sherman and Corsicana.

NO VALLEY FROST

Texas went back into the ice box during the night but temperatures were not as low as predicted. Subfreezing readings predicted for the lower Rio Grande Valley did not materialize. There was some frost south of San Antonio but high winds prevented any frost in the Valley.

The Valley, like the wheat fields of North Texas, found consolation in badly-needed moisture. Brownsville reported more than an inch of rain during the cold wave.

Damage was heavy to North Texas streets, cars, power and communication lines. Buses and city buses bumped and lurched through deep - pitted downtown streets. Paris in North Texas was virtually isolated from communication with the outside world.

LOW AT LUBBOCK

The lowest temperature this morning was 8 at Lubbock. Subfreezing temperatures were general throughout West and North Texas, but a strip in far East Texas and the lower Valley had an overnight thaw.

No. 1 Whatley Gets Gas Cut Mud on Test

The Wilshire Oil Co. No. 1 Whatley, wildcat in Northwest Scurry County which missed getting pay in the Pennsylvanian lime, reported a recovery of 375 feet of heavily gas cut mud on a drillstem test in the Ellenburger at 8,398-8,496 feet.

The tester was open for one hour. A weak to steady blow of air was at the surface throughout the period.

Operator will drill ahead and test by 50-foot intervals until it finds fluid of some sort.

There were no signs of oil or water on the above drillstem test.

Open flowing bottom hole pressure was from 160 to 220 pounds. Shut-in pressure after 15 minutes was 2,760 pounds.

The Ellenburger was topped at 8,396 feet on an elevation of 2,670. No shows of oil have been found in that formation thus far.

Drillsite is 660 feet from north and east lines of section 406, block 97, H&TC survey and three miles south of Fluvanna.

HOWARD WILDCAT

P. R. Rutherford and Pan-American Production Co. have staked location for a 7,500 - foot wildcat in Northeast Howard County about two miles south of the nearest production in the East Vealmoor field.

Location is 660 feet from south and east lines of section 24, block 27, H&TC survey and five miles east of Luther.

Rotary tools will be moved in and drilling will begin at once.

GARZA TEST

Operations are to start in the near future on a 7,200 - foot Pennsylvanian wildcat in Northeast Garza County.

It will be drilled as the No. 1 J. C. Fumagalli by Continental Oil Co.

The prospector will be dug on a checkerboarded spread of more

(See OIL NEWS, Page 6)

Korean Supplies Burn

Allied guards watch helplessly as flames consume gasoline depot at Pusan, South Korea. Five thousand drums of fuel, a locomotive and two loaded tank cars were destroyed in the blaze which Allied Authorities suspected might have been started by saboteurs. This picture was made by television cameraman Alfred Humphreys of the Los Angeles Times station KTTV.

Ban Put on Slaughter of Live Stock for Individual Consumer

Meat-eating West Texans with a deep freezer in the basement and good friends on a cattle ranch are going to have a crimp put in their meal planning.

Meat controls are being imposed on packers and even on ranchers who sell stock to individuals for slaughtering. The controls are ordered by the recently created Office of Price Stabilization.

EXCLUDES MOST

Under the new regulations, most city dwellers won't be able to have animals slaughtered for them except under very special conditions. Unless you had livestock slaughtered for you in 1950, you probably won't qualify.

If you had meat slaughtered in 1950, you may be able to continue to do so. If you are a rancher or farmer who slaughters a few head occasionally for sale to some butcher, you will be required to have every carcass tagged and will not be allowed to sell to anyone to whom you did not sell in 1950. You will not be allowed to sell more than 3,000 pounds in any six-month period.

Effective April 1, meat packing companies will be given slaughtering quotas based on the corresponding month in 1950, G. W. 'Parks, operator of the Snyder Meat Co., said. All slaughters are required to register by March 15. Most other provisions of the Distribution Order No. 1 will also go into effect April 1, except restrictions against slaughtering for home consumption. These are already in effect.

EXCEPTIONS MADE

The only exceptions are for persons who live on and operate a farm or for persons who actually superintend the raising of livestock on their own premises for at least 90 days before slaughter. If the stock is 90 days old, or less, at the time of slaughter it must have been raised on your premises from the time of birth.

Livestock bought from a 4-H or Future Farmers of American project may now be slaughtered for home consumption. After April 1, a new directive is also to be issued on this stock.

If a packing house does not distribute all of its quota during any one month, that portion of the quota may be used during the following month. If the packer exceeds his quota, however, he will be penalized twice that much on the quota for the next period.

Information on meat controls was given packers from this area at a meeting in San Angelo Saturday, Parks said. However, many details of the program remain to be cleared up, since this is an emergency measure, and the regulations are subject to change any time.

Attlee Regime Test Tonight

(Associated Press Staff)

LONDON, Feb. 15. — Prime Minister Attlee's regime faced its most critical test today as left-wing laborites threatened to bolt ranks in a no-confidence vote on the government's handling of Britain's rearmament program.

The showdown comes tonight in a House of Commons vote on the no confidence motion introduced last night by Winston Churchill.

CRITICAL VOTE

It is particularly critical because the government, with a margin of eight in the house, is threatened with defections of some 20 left-wing Socialist MP's who have been muttering for the past three months that plans to rearm Britain are contrary to Socialist principles.

The government has threatened any Socialist MP who abstains from voting with withdrawal of party support and has even ordered six MPs, who are ill, to show up for tonight's vote.

The big question in commons lobbies today was "will Attlee's leftwing MP's abandon him?"

MOST SAY NO

Most parliamentary correspondents said "no."

Eight liberal MP's—one too ill to be present—will decide shortly before tonight's vote whether or not to support the motion.

Eisenhower Faced With Grave Problems On Return To Europe

(Associated Press Staff)

WASHINGTON, Feb. 15. — As he leaves for Europe again, Gen. Dwight D. Eisenhower is confronted with the task of building an allied defense against possible Soviet aggression while apparently uncertain of all the conditions under which that force might have to fight.

The big question mark hangs over Yugoslavia, and the question is this: If Soviet satellite armies—with or without direct Soviet assistance — attack Yugoslavia should the West go to her defense?

In recent weeks this question and others related to it — covering possible arms aid for Marshal Tito and the like — have been carefully considered here and in consultation with the British, French and other western governments.

Eisenhower, sailing for Europe from New York today, presumably has been briefed on the official estimate of the situation developed in this period. What it is now and what it may become in the future are clearly matters of utmost importance to his European allied command.

Authorities here agree his position would be simplified if he could know definitely whether the Atlantic allies would join battle against aggression on Yugoslavia as the UN did in Korea. But indications are that decisions as to specific action would be finally made after the emergency arose.

Wherry Blasts Sending Troops

LINCOLN, Neb., Feb. 15. (AP) — Sen. Wherry (R-Neb) contends it would be "sheer madness" to tackle Russian land forces until her steel and munitions plants, oil refineries and communications have been destroyed.

The Senate minority leader, speaking before the Nebraska Reclamation Assn. last night, called air power supported by an invincible Navy "the best insurance against war, and for victory if war comes."

Wherry reiterated his stand against sending American troops in numbers to Europe. He suggested a 100-division citizens' army of National Guards and reservists could be created and properly trained at a cost of not more than $3,500,000,000.

"This would provide a war potential much more respected by Russia than any international garrison army of 6 divisions on the Rhine, which would cost 20 times as much," he added.

Relief Column Breaks Trap Of Chinese Reds

Four New Divisions Slated For Europe

WASHINGTON, Feb. 15. (AP)—The United States plans sending four additional Army divisions to Europe.

Secretary of Defense George C. Marshall disclosed this today in a statement prepared for joint hearings by the Senate's Foreign Relations and Armed Services Committees on the "troops-to-Europe" issue.

Marshall said:

"Because of the great amount of discussion which has been centered on the subject of ground forces, I have obtained the express permission of the President to discuss with you the specific strength of the ground forces which the United States has planned to maintain in Europe in the present emergency.

RELUCTANT STEP

"I take this step reluctantly because of the security considerations involved — but I have reached the conclusion that there is a greater peril to our security through weakening the morale of our allies by a debate based upon uncertainties than there can possibly be through the public disclosure of our planned strength figures.

"To be specific, the joint chiefs of staff have recommended to me —and I have so recommended to the President — and the President has approved — a policy with respect to our forces in Europe which looks to the maintenance by us, in Europe, of approximately six divisions of ground forces.

"We already have there, on occupation duty, about two divisions of ground forces. Our plans, based on the recommendation of the joint chiefs of staff, therefore contemplate sending four additional divisions to Europe."

FIRST WITNESS

Marshall was the first administration witness in the hearings phase of "the great debate" on how the United States should build up western Europe's defenses against the threat of Communist aggression.

As background for the hearings the committees released what they termed "certain basic facts" about Russian and western world military strengths. Their report said Russia and her European satellites have about 5. million men under arms, the North Atlantic treaty nations about 4,500,000.

Five European Nations Meet On Troop Plan

PARIS, Feb. 15. (AP)—Representatives of five European governments —including West Germany — are conferring here today on a French-sponsored plan for pooling men guns, ships and planes in one big European army.

The plan, originated by French Premier Rene Pleven, won the endorsement of Italy yesterday following a three-day French-Italian conference at the little Riviera resort of Santa Margherita Lugure.

ONE HEAD

The unified European army would come under one defense minister with a single general staff of officers to command it. The idea is to pool European fighting resources in much the same manner as the Schuman plan would pool coal and steel.

The first assignment for such a force would be to make its armed strength available to Gen. Dwight D. Eisenhower's Atlantic alliance command. So far individual nations have pledged Eisenhower only about a dozen divisions.

OTHERS

The nations represented at the conference in addition to France and West Germany are Italy, Belgium and Luxembourg. Five other nations invited to join in the plan — Britain, Norway, Denmark the Netherlands and Portugal — agreed only to send observers. Canada and the United States also will have observers on hand.

Germany will have soldiers in the proposed European army but it will not have its own separate military organization or defense ministry. France broached the plan to overcome the problem of getting the Germans back into uniform to help fend off Communist aggression without running the danger of creating a German military machine such as has twice in this century wrested control of continental Europe.

5 American Vessels Wash Aground In Gale

WASHINGTON, Feb. 15. (AP) —The Navy reported today five American vessels, including the Submarine Bugara, were washed aground by a storm yesterday in Tokyo Bay.

A spokesman said no loss of life was reported.

Laborites Take Over In Steel

LONDON, Feb. 15. (AP) —The British Labor government went whole hog into the steel business today Twenty per cent of the nation's economy now is socialized.

Private ownership of the steel industry, which is the third largest in the world, ended at midnight The private companies were taken over by the British Iron and Steel Corp., a government holding company that will set policies on prices expansion schemes and general administration.

PRICE HIKE

A prompt boost in steel prices was forecast.

The changeover came at a time when the nation is forging new arms and defense against communism. The conservative opposition in the House of Commons had waged an unsuccessful fight for years against steel nationalization.

With the acquisition of steel, the government now controls all basic industries including coal, railways, long distance trucking, gas, electricity, airways, world communications, the Bank of England.

Whereabouts Of Mao Tse-tung Mystery To Chinese Observers

(Associated Press Staff)

HONG KONG, Feb. 15. — Observers of the China scene began to express curiosity today about the whereabouts of Red China leader Mao Tse-tung.

They noted he had failed to appear at three important functions in the last couple of days.

Reports in this strategic vantage point said last month that Mao had gone or was going to Moscow to confer with Premier Stalin on the Korean war and other Asiatic developments.

ONLY 'RUMOR'

The reports appeared to have been the result of speculation at the Chinese Nationalist capital, Taipei, and were not regarded seriously here at that time.

Mao's last known public appearance in Peiping was Jan. 26, when he attended the celebration of Indian National Day.

The huge Chinese-sponsored celebration of the first anniversary of the Chinese-Soviet treaty signing was held last night in Peiping. Nearly all the Chinese Communist government and party leaders were reported there, along with all foreign diplomats. But not Mao.

MORE CASES

Two hours earlier, Russian Ambassador N. V. Roshchin gave a cocktail party at the Russian embassy. Reports listed Chinese Reds generals and party leaders there up to Premier Chou En-lai and Gen. Chu Teh, the Reds' army commander. But not Mao.

On Tuesday, Hugo Valvanne, Finland's envoy to Red China, was received officially in Peiping, but not by Mao. The honors were done by Li Chi-shen, one of the few non-Communist members of the government.

Communist propaganda describing these events did not mention the absence of the Reds' No. 1, but his name was glaringly missing from the lists.

Mao does not always attend such functions. But it was intriguing that he did not appear at any of the Chinese-Soviet treaty celebrations, which received top billing on the Communists' political-social schedule for the week.

Korean War In Brief

(Associated Press Staff)

KOREAN FIGHTING FRONT — UN forces mow down thousands of Reds to break back, momentarily at least, of massive drive to vital road on central front. Throughout Korea, enemy suffers 10,593 casualties in one day. Allies hold ground on 20-mile line between Wonju and Chipying but expect continued assaults by Reds without regard to loss of manpower.

EUROPEAN — Gen. Eisenhower leaves again for Paris to try to build up West Europe's defenses. Representatives of five European powers meet in Paris to confer on French-sponsored plan for pooling European armies to be put at Eisenhower's disposal.

HONG KONG — China observers curious about whereabouts of Red Chinese Leader Mao Tze-Tuung, whose name has not appeared on list of top officials attending huge anniversary celebration of Soviet-Chinese friendship pact in Peiping last night.

$112,800 For Farm Aid In Scurry County

The Scurry County branch of the Production & Marketing Administration announced this morning it had received an allocation of $112,800 for use by farmers here in conservation needs for this year.

Floyd Smith, administrator of the office here, said ranchers and farmers could recieve financial assistance from the allocation in carrying out approved practices for conservation. He said that in order to receive the assistance, they must first obtain approval from the county's production and marketing committee on such practices and then meet the required practice specifications outlined in the handbook of the state's agricultural conservation program.

Practices approved for this county for which farmers and ranchers may receive financial assistance are:

Construction terraces with proper outlets and waterways, construction of diversion terraces, subsoiling to permit better penetration of water, control of bindweed, bringing clod - forming subsoil to the surface of sandy crop land to prevent wind erosion, drilling or digging wells for better distribution of grazing on range land (this applies to minima of 320 acres of pasture land), constructing earthen dams for livestock water, and chemical control of mesquite trees.

Two of these practices have been approved in Scurry County this year, for the first time. These are the bringing of clod - forming subsoil to the surface (commonly known as deep plowing) and chemical control of mesquite.

Further information on the practices and their specifications may be obtained through any member of the county's PMA committee or by contacting the PMA office, 1911 Twenty - seventh Street.

Post Station Ready to Open

Snyder's first post office contract sub - station is slated to open for business on a partial scale at 8 o'clock tomorrow morning, H. D. Moreland, acting postmaster, said.

The station is at 432 East Highway, and will be under the supervision of Alfred E. Vernon, clerk.

"Due to the fact that only part of the supplies and equipment have been received, full postal service designated for the sub-station will not be available now," Moreland said.

The sub-station is expected to get in full swing with all its facilities, which include handling of stamps, registered mail, money orders, postal notes, and receiving of mail for delivery to the mail office, within the next few days, he said.

No mail delivery will be made from the sub-station. Parcel post packages will be accepted at the new branch.

Vernon was recently awarded the contract for the sub-station, being the lowest bidder. He is the owner of the Snyder Hatchery.

Toll Wednesday Of Reds Over Ten Thousand

Second Attempt Made To Cross Han River; Disastrous As First

(Associated Press Staff)

TOKYO, Feb. 15. — An allied relief column smashed through a Chinese Red ring today to reinforce American and French forces holding the Chipyong anchor on the Central Korean warfront.

The relief force battled eight hours before breaking through to the Chipyong perimeter at 5:30 p.m. (2:30 a.m. CST). The action began five miles south-southwest of the town.

REDS RUN

The hard-hit Chinese finally broke and ran.

Chipyong, 35 air miles east-southeast of Seoul, is the left flank anchor of a 20-mile allied defense line stretching over snow-mantled hills and valleys to Wonju, key to the central mountain passes.

The American-French garrison stoutly withstood two days of massed Red infantry assaults to help break the back of the drive aimed at cracking the central front. The Communist push was stopped Wednesday.

Red casualties were counted at 10,593 on all fronts Wednesday. It brought to nearly 100,000 those killed, wounded or captured since the allied limited push by hunter-killer columns began Jan. 25.

AP Correspondent John Randolph reported the Chipyong garrison radioed that the Chinese were "fleeing in all directions" after the relief column rammed through from the south.

DIG IN

However, AP Correspondent William J. Waugh reported more than 1,000 Reds were dug in on high ground north of the town.

On the western front, American doughboys and artillery wiped out 400 Chinese who sneaked across the Han River Wednesday night near Seoul.

It was the second consecutive and disastrous Red attempt to cross the icy stream near the burned-out former capital. More than 1,100 Korean Reds were killed there in a foray early Wednesday.

The Chinese, creeping across on a railroad bridge, entrenched themselves on a hill 2½ miles southeast of Seoul. At daybreak, big guns of the U. S. Third Infantry Division pounded the hill and infantrymen opened up at closer range.

200 KILLED

Lt. Remer Y. Brinson, Savannah Ga., a frontline platoon leader, said 200 Chinese survivors broke and fled for the Han in panic. Not one reached the river alive, he added.

Elsewhere on the frigid front allied forces were making limited counter-attacks.

Lt. Gen. Matthew B. Ridgway, Eighth Army commander, told officers of the Tenth Corps that allied forces "shall strike back and destroy the bulk of the enemy's forces which we do not capture."

Talmadge Puts Heat On Papers

ATLANTA, Feb. 15. (AP) — Spokesmen of newspapers and business in general joined yesterday in protesting two surviving bills of three Gov. Herman Talmadge launched to restrict newspapers.

A committee of the Georgia house ignored their protestations and recommended the measures be enacted. The action cleared them for final action in the house Friday, the last day of the legislative session.

One bill would make the state's larger newspapers subject to libel suits in any county where they have 100 subscribers instead of in their own county as now. The other would ban all monopolies in essential goods and services, especially in the publication, sale and distribution of newspapers.

Both passed the Senate Wednesday by the barest of margins. A companion measure to subject all newspapers to state regulation was killed in the house.

Weather

WEST TEXAS: Clearing in Panhandle. Fair elsewhere. Not so cold this afternoon. Fair and continued cold tonight. Friday fair, warmer in afternoon.

EAST TEXAS: Cloudy with occasional rain in northeast portion and near upper coast. Clearing and not so cold elsewhere this afternoon. Occasional rain northeast portion and near upper coast. Continued cold tonight. Friday partly cloudy and warmer in afternoon. Fresh northerly winds on the coast diminishing tonight.

Flood Tips Over House

Sad homeowner Mrs. A. M. Rhodes receives a hand across a swollen stream from John Jaslowski in Renton, Wash., after surveying damage to her home as a result of recent flood. The stream, on a rampage after overflow from a nearby river, gouged out earth foundations and tipped the house. Weekend floods caused damage running into millions in western Washington.

U. S. Policy Toward India Is Influenced By Thorium Supply

(Associated Press Staff)

WASHINGTON, Feb. 15. —Here's one hush-hush reason for this country's policy of patience and kindness toward India:

India has three-quarters of the world's supply of thorium, a mineral that may become tremendously important in the atomic energy race with the Soviet Union, and the U. S. government doesn't want to risk letting this supply fall into unfriendly hands.

The whole subject is shrouded in secrecy but one government official, who asked not to be quoted by name, acknowledged today that India's possession of all this potential atomic material had its effect on American policy.

ONE RESULT

It may well have influenced President Truman's request — endorsed in principle by former President Herbert Hoover and various other leading Republicans — for a gift of 2 million tons of wheat to the government of India to help avert the danger of famine.

"While the main intent is to respond to the appeal on behalf of the people of India," the government source told a reporter, "it cannot be denied that India's mineral wealth also was taken into consideration."

Mr. Truman himself, in his grain-for-India message to Congress Monday, noted that India has "substantial mineral resources" and said India's continued freedom is "important to the free world."

WHAT IS IT?

What is this thorium?

It's a substance extracted from beach sands known as monazite—sands found in Brazil and to a smaller extent in at least three American states, North Carolina, South Carolina and Idaho. But by far the most important deposits are in Travancore, near India's southern tip.

Thorium itself is not a fissionable material — that is, it isn't capable of producing atomic energy. But by the use of another atomic mineral — the A-bomb substance, Uranium-235 — it can be changed into fissionable U-233, which also can be used for weapons as well as for non-military purposes.

Since World War II days, the figures on American imports of thorium haven't been announced.

Thorium, is known, however, to be more plentiful in nature than is uranium.

Some farm fields in Puerto Rico have been cropped continuously to sugarcane for more than 100 years.

Fires burned 330,531 acres on U. S. national forests in 1950.

Building Permits For February Low So Far

Only $8,500 in building permits have been issued by the city engineering department so far this month, W. J. Ramsey, city superintendent said.

The three permits issued were two for the construction of residences in Belmont Park Heights to Ben Pennington; and one to Joakuin Garcia for the construction of a residence in Cody Heights.

Plug Irion Wildcat

J. V. Massey and others of Midland No. 1 Cheyney, Central Irion County wildcat 10 miles west and three miles south of Mertzon, has been plugged and abandoned at 1,560 feet in brown lime and blue shale.

The failure was 330 feet from south and 2,310 feet from east lines of section 1241, GC&SF survey.

21 Snyder Men Take Physical Test for Draft

Snyder and Sweetwater led in the number of men sent for Selective Service physical examinations yesterday. Snyder sent 21 men, three of whom are transfers from other boards, and Sweetwater sent 18 men.

Registrants from other towns under the jurisdiction of the board who were sent for physical examinations included 11 from Rotan, nine from Roscoe, two from Roby and Hermleigh and one from Ira.

In the call for physical examinations Jan 31, Snyder sent 16 men and Sweetwater seven. Six men from Snyder and three from Sweetwater were inducted Friday.

Snyder men reporting for examination yesterday were Manuel Barrera, Donald Ray Lamb, Ralph Estrada Hernandez, George Harold Evans, Jodine Higginbotham, Bobby Gene Sawyer, O. C. Draughan, Jr., Eldon Nuell Perry, Eddie Don Floyd, Ford Morris Spikes, Billy Bob Sutton, Tommy Rea Falls, Marion Cleveland Goswick, Luis Rivera, Jr., Jerry Eugene Kelly, Kenneth Elmer Channel, Floyd Livella Niedecken, Doyle Gene McBride, Alfred Real, Amos Croom, and James Berry Smoot.

Carl Derrell Tarter and Hiram Thompson of Hermleigh and Lee Edward Palmer of Ira were also included in the call.

Twenty - six men from the board are to be called for induction on March 28, when an additional 52 men are also to be called for physicals.

Odessa Man Killed In Automobile Wreck

ODESSA, Feb. 15. (AP)—One Odessa man was killed and three critically mangled last night when their car rammed into the rear of a stalled oil field truck on the outkirts of Odessa.

Eugene H. Miller, Jr., 23, was killed. Sam Whittington, 22, was near death today with chest, head injuries, multiple fractures and shock. Robert D. Becton and Baxter E. Tankersley were critically hurt.

The four were members of a drilling crew en route to work. J. B. Ratliff, driver of the oil field truck, said his truck stalled when the clutch failed. The heavy pipe on the truck ripped into the chests and faces of the men. Weather was not a factor in the accident.

Still Cold In Part Of Nation

(By The Associated Press)

It was wet, slippery and slushy over wide areas in the central part of the nation today.

More sleet, freezing rain and snow fell from Illinois and Indiana southwestward through the southern plains to Northeast Texas.

The ice storm slowed travel and disrupted communications. Schools in many areas were closed. Driving was extremely hazardous.

The freezing rains fell on top of a two-day accumulation of ice and snow in Missouri. Southeastern Kansas sloshed in six inches of sleet and snow. Most of Oklahoma was hit by from two to seven inches of sleet and snow.

The ice, snow and sleet pelted wide sections of Texas.

Other wet spots were Arkansas and Louisiana. The mild spell appeared ended in most of the eastern states, but fair and warm weather continued in the South Atlantic states.

Findings in Autopsy Of Jake Hill Pending

Results of the autopsy on the body of Jake Hill, 53, Negro, are still pending, according to W. C. Davidson, justice of the peace, today.

Hill died in Snyder Oct. 1, 1950, and was buried at Slaton, Tex.

Recently relatives suspected foul play, and Judge Davidson requested the Lubbock authorities to conduct an autopsy, which was done. Pathologists at the State Laboratory in Austin, are conducting the tests.

Columbium, a scarce metal is added to stainless steel to make it easier to weld.

Many fossilized fish are found in western shale deposits which once were lake bottoms.

New Legislative District Bill Goes to Floor

AUSTIN, Feb. 15 (AP)—A legislative district made up of Scurry, Borden, Crosby, Garza and Kent Counties is among those which would be created in a house redistricting bill approved by a house committee Wednsday.

The committee has now sent the bill to the floor for debate.

In Austin today, Sterling Williams, representative of this district in the state house of representatives, said he would like to hear some opinion from Kent County about which district they would like to go into.

"Kent County can go either with Stonewall and Dickens, or can go into the district with Scurry and Borden Counties," Williams said.

"I would like to see them stay with us, as their interests are identical with those of Scurry and Borden Counties. There should be some missionary work in Snyder to convince Kent they should stay with us.

"But if they want to go with Stonewall and Dickens, I'll attempt to amend the bill to permit their inclusion in that district."

A complete list of districts which would be created by the bill follows:

District 72: Comanche, Mills, Brown.

District 73: San Saba, Lampasas, Llano, Burnet, Gillespie, McCulloch.

District 74: Young, Stephens, Palo Pinto.

District 75: Shackelford, Callahan, Eastland.

District 76: Coke, Runnels, Concho, Coleman.

District 80: Wichita, Place 1; Place 2.

District 81: Wilbarger, Hardeman, Foard, Cottle.

District 82: Bavlor, Throckmorton, Knox, Haskell.

District 83: Taylor.

District 84: Jones, Stonewall, King, Dickens.

District 89: Crosby, Garza, Kent, Borden, Scurry.

District 90: Fisher, Nolan, Mitchell.

District 91: Tom Green.

District 99: Martin, Howard, Glasscock, Sterling, Reagan, Irion.

District 101: Midland, Crane, Upton, Pecos.

District 102: Winkler, Ector.

District 103: Hudspeth, Culberson, Loving, Ward, Reeves, Jeff Davis, Presidio.

This arrangement —putting Scurry with Borden, Crosby, Garza and Kent— presumably would be more acceptable here than an earlier one proposed by Harley Sadler which would have put Scurry and Borden Counties in separate districts.

At present Scurry County is in district 118, which comprises Dickens, Stonewall, Kent, Garza, and Borden Counties.

Makes $1,000 Gift to Polio Fund

D. M. Cogdell, seated, makes his contribution to the 1951 March of Dimes campaign chairman, J. M. Newton, in the form of a $1,000 check. More than $1,500 has been turned in to the drive from personal contributions. A "Porch Light Night" will be observed here Monday to solicit further donations. — (Joe Dave Scott photograph).

TALK OF THE TOWN

BY FRANCES BIOW

I am happiest when at a sale, and I think most other women's minds operate that way. At least 200 in Snyder agree with me, judging from the crowd gathered in front of the new Snyder Jewelry Co. at 9:30 this morning, before the door opened cautiously at 10. And, take it from me, there were as many men as women bucking the icy streets and biting air.

* * *

When the manager, MARTY MILES, unlocked the door, he smiled in bright welcome, and began, "Good morning everybody, come right...." and he never got any further. To this time, nobody knows if he was going to make a really memorable testimonial for West Texas. Because, you see, he's from Miami, Fla., and very likely by now sort of longs to be back there.

* * *

When the door opened, I was firmly wedged between H. K. WADE, a friendly farmer from out on the Lubbock highway, and MISS HELEN COLE, who had dropped in from Wimberly Hardware where she clerks.

* * *

Inside it was touch and go. My eye hit on the 39-cent ear screw counter about simultaneously with MRS. J. W. CLAWSON. The only reason Mrs. Clawson got there first was because she once taught me in a summer Bible School class at Fluvanna when I was a kid and I guess I still stand in awe of her. So I then made for the alarm clock shelf. I never even SAW them! Every male citizen of Snyder must surely have been there, every one of them earnestly explaining in a loud voice to his neighbor, as he gouged him back, that he "needed one to get out to the rig on time'; "the wife just won't wake up with out a dependable alarm clock", "We have some baby chicks and you know they have to be fed early and on and on. All just happened to be passing and thought they'd take a minute. But they all wore that glitter in their eye that only a sale can induce.

I had just graciously accepted a free rabbit's foot and a package of wearever needles and pocketed them, when somebody dropped a box of carving knives on special price, and in the scramble for them the manager was able to push about 20 folks out the door, 35 taking their place inside. BOBBY DODD of Texas Electric Co., got out without any clothes torn, his alarm clock clutched with a deathlike grip. One lady informed me she was from Duncan, Okla. I asked her if she came for the sale and she said. "Well, it was also to visit J. W. BARKER, my son with Halliburton."

* * *

MRS. ANITA MURRY, who is a clerk, should go down in history alongside the boy who stood on the burning deck. She refused to be harrassed. If you ran at her wildly waving a gold key chain she calmly looked for a place to put down her book, took out a small knife and sharpened her pencil, referred to the mirror in her vanity, casually glanced at the purchase and in her own time wrote your ticket. It was a good thing, because it gave you time to catch your breath and rub your corns.

* * *

LUCIEN THOMAS, well known around here, was helping out his friend, Mr. Miles. A former student in Scurry County and now one of the city commissioners of Lubbock, he is a jeweler there. I went to high school with him at Fluvanna and as he said, hitting the cash register with both hands and an elbow, "Things haven't been so busy since we beat Hermleigh in '37!"

And he was right! But I got those ear screws.

* * *

The Daily News pinto bean recipe contest ends tomorrow afternoon by 2 o'clock, when the recipes must be in the hands of the judges, in order to be judged and announced in Sunday's newspaper.

Recipes must have been postmarked if mailed, by midnight tonight.

Grocery stores who will donate prizes of gift orders of groceries from $20 down, are Furr Super Market, 1616 Twenty - sixth Street; D. & H. Super Market, 1101 Twenty-fifth Street, D & R Food Store 2518 Avenue R; B & B Food Market, 2112 Avenue S; Beadel's Rainbow Market, 1614 Twenty - fifth Street; and Scott's Cash Grocery East highway.

Here is an example of a pinto bean dish, which is different and nutritious. It was sent in by MRS E. C. WESTMORELAND route No. 3, Snyder.

..Bean Sausages

Ingredients
2 cups dried pinto beans
2-3 cup bread cubes
1 egg beaten
½ teaspoon sage or savory seasoning
milk
fine dry crumbs

..Mash beans, mix them well with bread cubes and egg. Add seasonings and moisten with milk. Shape the mixture in the form of sausage and roll in crumbs.

..Brown in a little hot fat, turning to form a good crust all over. Cook slowly about 20 minutes. Four servings.

Southeast P.-T.A. In Founder's Day Play

More than 60 persons attended the Founder's Day program observed by the Southeast Primary Parent-Teacher Association Tuesday night.

In a play, "Deep Are the Roots", presented by the group, Mrs. Alfred S. Lieb portrayed a nineteenth century mother; Gealene Robinson, a nineteenth century child; Mrs. Robert Hill, a nineteenth century teacher; Jay Rogers, narrator; Mrs. Jay Rogers, a twentieth century mother; and Jane Rogers a twentieth century child. Mrs. Novis Rodgers provided music at the piano, and Miss Olive Ann Sumlin sang a medley of old-fashioned tunes, among them "Bless This House".

The Rev. Ronald E. Hubbard discussed "The Home and Its Influences".

At a business meeting, presided over by Mrs. Ovid Lawlis, presidents, a nominating committee was formed, as follows: Mrs. Ford Caperton, Mrs. Amon Weaver, and Mrs. Robert Hill.

Ten women volunteered from the group to participate actively in the Porch Light March of Mothers Monday night. They will hold a meeting at 4 o'clock tomorrow at the Southeast Primary school building.

Mrs. Hamilton Has Party for Wives Of Halliburton Staff

The Notrubillah Club met Tuesday afternoon for canasta games with Mrs. F. F. Hamilton, 1202 Twentieth Street.

Winners in the club, composed of wives of Halliburton Oil Well Cementing Co. personnel, were Mrs. B. B. Turner, first prize, and Mrs. R. K. Hamilton, second prize

Others present were Mrs. R. O. Shultz, Mrs. R. E. Ham, Mrs. C L. Cleveland, Mrs. W. W. Carey Mrs. L. A. Nations, Mrs. E. L McClure, Mrs. B, S. Davis, Mrs J. R. Middleton, Mrs. L. C. McClure, Mrs W. S. Nidiffer, and Mrs W. H. Grant.

Mrs. L. C. McClure will entertain the club Feb. 27 in her home at 2805 Avenue V.

Future Homemakers In Hermleigh Prepare To Present a Play

A play will be presented as the contribution from the Hermleigh Future Homemakers of America when several members of the group attend a meeting of the area No. 2 clubs March 3 in Levelland according to Martha Jean Hungerford, president.

The play, written by the members of the Hermleigh homemakers group, carries out the purpose of the organization, that of working for good home and family life for all.

Accompanying the group of homemaking girls in March will be Mrs. E. L. Vandiver, Mrs. W. E. McMillan, and Mrs. Louie Brock, chapter mothers; O. B. Paty, school superintendent; J.N Williams, principal; and Mrs. Joe May, homemaking teacher and FHA adviser.

Contests Held At Tuesday Night Dance

Mr. and Mrs. Hilton Lambert were hosts Tuesday night at their dance studio to several members of their dancing classes.

Dancing contests were held, Sidney Johnson and Barbara Miller winning honors in the old-fashioned ballroom dancing contest, and Sonny Harrell and Connie Connell taking first place in modern ballroom dancing.

Others present for the dance were Carol Sue Clark, Betty Connell, Sitty Harrell, Hal Holliday Dean Bryant, Emilee Duncan, Mary Jane Beeker, Clinta Blackard, Judy Miller, Richardr Miller, Ann Fish, Elwyn Weathers, Dwaine Norris, Sidney Reeder, Jerry Caldwell, Jane Nell Randolph, Johnny Randolph, Cecil Agee, Doris Agee, and Marilyn Moore.

$200,000 School Bond Asked in Sweetwater

SWEETWATER, Feb. 15 —The Sweetwater Independent School district board has set March 3 as the date for voting on a $200,000 bond issue to supplement funds from a $400,000 bond issue voted last year.

The board last year debated whether to ask $400,000 or $600,000 and chose the lower figure. However, increased enrollment has forced construction of another elementary building.

Philanthropist Is Said Unable To Support Self

LOS ANGELES, Feb. 15. (AP) — George Pepperdine, retired auto supplies dealer who gave $2,500,000 to the college bearing his name, says he's broke and dependent upon his wife for day-to-day expenses.

Testifying yesterday in a suit over a $10,000 promissory note he signed in 1949, Pepperdine said that when he married in 1934 he transferred stock in his auto supplies concern to his wife, Helen.

Pepperdine, 64, retired from active business in 1939 and devoted his time to the Pepperdine Foundation, devoted to education and charities. Pepperdine College in Los Angeles is now an entirely separate entity over which he has no control.

Several important groups of mammals began making their appearance some 55,000,000 years ago in the Eocene period.

PERSONALS

Mr. and Mrs. Hilton Lambert and Mrs. Wilson Connell and two daughters, Elizabeth Connell and Connie Connell, attended two performances of the San Antonio Symphony Orchestra last week end. The group heard several Metropolitan Opera stars, performing with the San Antonio orchestra.

Mrs. Lawrence W. Dumas, 3214 Avenue U, has been ill at her home for two days suffering from an attack of flu.

Mr. and Mrs. Roy W. Dacus, 1603 Avenue S, are the parents of a seven-pound daughter born yesterday at the Snyder Hospital.

Mr. and Mrs. Charles Young, 1904 Avenue M, are the parents of a son born yesterday at the Snyder Hospital. The baby weighed seven pounds, eight ouces at birth.

Mrs. Warren Sturgeon was taken Monday to the Young Hospital in Roscoe, where she is ill from complications following surgery recently.

Mr. and Mrs. Robert J. Hand have moved from their old address, 2504 Avenue J, to a house at 2900 Avenue V, formerly occupied by Mr. and Mrs. Myron Hubbard The Hubbards moved to San Antonio last week where Mr. Hubbard expects to go into business. Mr. Hand is with Standard Oil Co. of Texas.

The Rev. W. W. Adcock, spent part of this week in Lamesa with his mother, Mrs J. W. Adcock who is ill in her home there, having returned recently from the Lubbock Memorial Hospital.

Mrs. Minnie Hale, 706 Twenty-sixth Street, is a patient in the Snyder Hospital, where her condition is reported to be fair.

Mrs. J. H. Vandiver, 511 Twenty-fifth Street, is ill at her home. Her condition is reported to be fair, following a stroke over a week ago.

Mrs. Luna Holladay of Ira is reported to be in a serious condition in the Hogan - Malone Hospital in Big Springs. Mrs. Holladay is the mother of Glen Holladay, 3010 Avenue T.

Robinson Wins By TKO In 13th After Failing To Drop LaMotta

By CHARLES DUNKLEY
(Associated Press Staff)

CHICAGO, Feb. 15. — Sugar Ray Robinson today became the first man in ring history to win one championship and lose another all in the same battle.

The rythmic New York Negro, defeated only once in 124 contests, last night won the world's middleweight championship by hammering durable Jake LaMotta, 160-pound title holder, to defeat on a 13 round technical knockout before 14,802 frenzied spectators in the Chicago Stadium.

As his right-gloved fist was raised in victory, Robinson automatically relinquished his welterweight crown. He was forced to surrender it under a ruling of the National Boxing Association and also by decision of Eddie Eagan, chairman of the New York State Athletic Commission, which operates independently of the NBA.

POOR PROSPECT

Under the terms of last night's match, Robinson is required to give LaMotta a return bout, probably in New York, next June. However, Truman Gibson, secretary of the sponsoring International Boxing Club, wondered if LaMotta wanted to face the prospect of absorbing another beating from his conqueror.

LaMotta remained in an unfavorable condition for two hours after he walked from the ring under his own power. He was immediately administered oxygen when he reached his dressing room. He was completely exhausted and suffered chills.

Dr. J. M. Houston of the Illinois Athletic Commission and Jake's own personal physician, Dr. Philip Burnori, New York, remained in constant attendance until he was able to leave for his downtown hotel quarters with his wife, Vicki.

NEVER DOWNED

The attendance gate was $180,619 and the net was $138,939. The attendance exceeded expectation despite television and its estimated 30,000,000 viewers. LaMotta's share of the gate was $62,520 and Robinson received $20,840. Each fighter also had a TV cut of $1,500.

LaMotta held the middleweight championship two days short of 20 months. He won it from the late Marcel Cerdan of France at Detroit, June 16, 1949. He successfully defended it twice. Robinson had ruled the welterweights since Dec. 20, 1946.

The rugged LaMotta, never knocked off his feet in 95 contests, retained this dubious honor in losing to Robinson. The bout was stopped at 2:04 of the 13th round.

The "Bronx Bull" was battered into a state of helplessness which prompted Referee Frank Sikora to step between the men and order Robinson to his corner.

Southwest Conference Baseball Workouts To Start This Afternoon

(Associated Press Staff)

Southwest Conference baseball teams can start practice today — if the weather lets them.

University of Texas Coach Bibb Falk said he doesn't think the Longhorns will be able to get on the diamond before Saturday.

Walter Roach, Texas Christian baseball coach, is going to hold indoor drill until the weather permits moving outside.

Arkansas is the only conference member that doesn't participate in baseball.

The University of Texas is the defending conference and national collegiate champion.

At Waco, the Baylor baseballers planned a meeting inside today, but grounds were too wet for a workout.

Gen. Marshall Feted

WASHINGTON, Feb. 15. (AP)—The Texas congressional delegation entertained Secretary of Defense Marshall at a luncheon yesterday. He gave an off-record review of Korean fighting.

White Scores Fifty Points

NEW YORK, Feb. 15. (AP) — Two of the better basketball centers in the east gave the adding machines fared last night:

As usual, the great Sherman White sparked Long Island University (19-4) to a 116-78 victory over weak Fort Monmouth. He scored 50 points, well above his 26-point-a-game clip.

Ernie Beck, Penn's sophomore star, dropped in five points in the last 35 seconds to carry the Quakers from behind for a 67-63 victory over Navy.

Hank Iba blasted Brother Clarence, visiting Stillwater with his Tulsa five. Hank's Oklahoma Aggies whipped Tulsa, 61-39, in a rough game in which the referees called 74 fouls. A&M, No. 2 in this week's Associated Press poll, now has a 22-1 record.

Kentucky, No. 1 in the poll, was idle.

Here's how the other poll leaders fared last night:

3. Kansas State (17-2) idle.
4. Columbia (16-0) beat Yale 79-49.
5. St. Louis (18-5) idle.
6. Indiana (14-2)idle.
7. St. John's (Bkn) (18-2) idle.
8. Bradley (23-4) beat Ripon 101-50.
9. North Carolina State (22-4) idle.
10. Villanova (18-4) lost to Princeton 49-60.

Mangrum Top Valley Choice

By HAROLD V. RATLIFF
(Associated Press Staff)

HARLINGEN, Feb. 15. — The $10,000 Rio Grande Valley Open began today with more favorites than you could shake a stick at.

The Harlingen municipal course with its par 71 is quite short—only 6,095 yards — and the man with the hottest putter probably will be the fellow taking home the $2,000 first money. But the field of 137 — 119 professionals and 18 amateurs — bulges with fellows who are death on the greens.

Lloyd Mangrum of Chicago, leading money winner of the year and the only golfer taking two tournaments on the winter tour — is mentioned most prominently as the man to beat. But young Jack Burke, Jr., of Houston, the defending champion, E. J. Harrison of St. Andrews, Ill. and Doug Ford of Blaircliff, N. Y., who tied for first in the Texas Open and 10 or 20 others are named by the touring pros as likely to succeed.

Harrison, winner over Ford in the playoff for the Texas Open, was considered a very strong bet. The old Arkansas Travelers' putting is quite deadly these days.

Prominent among the missing is Cary Middlecoff of Memphis, Tenn. who won the title in 1949, but Middlecoff isn't one of the 10 pros who went to Mexico City to play in the Mexican National Open, eight of them in defiance of the PGA tournament committees orders. Middlecoff reurned to Memphis after the Texas Open because of the serious illness of his father.

Meanwhile there was no news on the controversial front — the rhubarb that developed over the absence of the golfers who start playing in the Mexican Open today. The PGA committee has taken no disciplinary action and probably won't until next week at Houston when more members are present.

Poultry Mart Quiet

FAYETTEVILLE, Feb. 15. (AP) — Arkansas poultry quiet. Undertone steady. Trading very light because of severe sleet storm. Broilers and fryers all weights 28½ to 30 cents, mostly 29 cents.

The War of 1812 between the United States and Great Britain was ended by the Treaty of Ghent signed Dec. 24, 1814.

Demaret And Holguin Are Top Pick In Mexico Open Tourney

MEXICO CITY, Feb. 15. (AP) — The largest field in Mexico's golfing history tees off today for the medal play starting the championship flight of the Mexican National Open.

A total of 31 threesomes — 93 players — proceed to the starting tee beginning at 11 a.m. CST. Tony Holguin, defending champion, and Jimmy Demaret, two of the three favorites, are in the last threesome. The third favorite, Roberto de Vicenzo of Argentina, is in the nineteenth threesome.

Tony Holguin, 24-year-old San Antonio-born youth of Mexican parentage, is a favorite by virtue of his victories in the last two opens. He won the 1949 event when he was 22, after five years as a pro, with a 12 under par 8.

APPROACH THREAT

Sports writers said Jimmy Demaret's threat lies in his approach shots. Pre-tourney practice, they said, has shown nobody else with such domination of the irons. They credit Argentina's Roberto de Vinenz with long wood shots, but add that on today's course, these are less important.

The newspaper Excelsior said there was another reason for Demaret to be at his best — "His position in regard to the PGA." The Professional Golfers' Association of the U. S forbade its members to play in Mexico because the tournament conflicts with the PGA-sponsored Harlingen Open. Demaret and other members of the PGA are playing anyway.

PAR BREAKER

In addition to the 13 foreigners—John MacMurray of Panama arrived yesterday — a number of U. S. golfers are listed as Mexican entries because they now live here. They include Olin Dutra, Al Escalante and Al Espinosa.

Carlos Belmont, twice winner of the Mexican amateur championship, is the favorite in his class. He turned in a sizzling eight under par Tuesday to make a course record for the Churubusco Country Club.

5 Golden Glove KnockoutsSeen

FORT WORTH, Feb. 15. (AP) — Boxing fans who braved snow, ice and sub-freezing weather for the first night of the state Golden Gloves bouts saw plenty of action in the 18 initial bouts.

Five ended in knockouts last night.

Texas titlists in the bouts, which continues through next Monday earn the right to compete in Chicago Feb. 26.

Last night, Featherweight Charles Tate, 126, of Abilene knocked out Lloyd Shirley, 126, of Paris in the third round. In the welterweights, Alfred Rogers, 145, Harlingen, scored a TKO over Oscar Jones, 144, of Abilene, in three rounds. Middleweight Alex Guerrero, 161, of El Paso, knocked out Ben Young, 167, Abilene, in the second round.

Both bouts in the light heavyweights ended in knockouts. John Lewis, 174, Bryan, knocked out Pete Noah, 173, of Beaumont, in the second, and Grayford Campbell, 175, Fort Worth, knocked out Oscar Raquez, 168, El Paso, in the first.

Other results included:

Flyweight division. Paul Jorgensen 112, Beaumont beat Ruben Flores, 112, El Paso (3); Jack Spark 112, Bryan beat Harlan Lang 112, Abilene (3); Dick Green 111 Brownwood beat Joe Vela 101, Austin (3); Pat Riley 112, Dallas beat William Navarette 112, Waco (3) Sterling Pruitt 112, Fort Worth beat Windel Andrus 112, Wichita Falls (3); Benny Davis 112, Odessa beat Edward Andrada 112, Amarillo (3).

Featherweight division: Joe Vasquez 127, Waco beat Qunton Millollinn 127, Bryan (3); Herbert Mason 126, Wichita Falls beat Gilbert Holguin 125, El Paso (3); Pete Perez 126, Amarillo beat Max Miller 127, Austin (3).

Welterweight division: Jack Gunter 144, Wichita Falls beat Kennety Lyday 147, Paris (3).

Women's Play In Semi-Finals

PALM BEACH, Fla., Feb. 15. (AP) — The two co-medalist teams in the sixth annual mixed foursomes golf tournament at the Everglades Club face two other pairs in semi-final rounds today.

Edean Anderson of Helena, Mont., and Jack Cendoya of Havana, Cuba, who posted a 74 in qualifying play, reached the semi-finals with a 6 and 5 victory over Mrs. Harold Stone of Greenville, S. C. and George Rasmussen of Palm Beach.

The co-medalists were one under par for the 18 holes they needed over the 5,973-yard course where par is 34-36—70.

The other medalist pair — Fat Devany of Grosse Ile, Mich., and W. A. Pagan of West Palm Beach—defeated Genevieve Lenczyk of Newington, Conn., and Tim Holland of Miami, 2 and 1. They were even for 15 holes but the Devany-Pagan duo took the 16th and 17th holes to win.

Joining them in the semi-final round were Bea McWane of Birmingham, Ala., and Bob Sweeny of Palm Beach, who bested Marjorie Burns of Greensboro, N. C. and I. L. Merrill of Ormond Beach, Fla., 6 and 4, and Polly Riley of Fort Worth, and J. Walcott Brown of New York, who ousted Mary Agnes Wall, Menominee, Mich. and O. F. Woodward, 3rd. Palm Beach, 2 and 1.

Sleater Signs Contract

ST. LOUIS, Feb. 15. (AP) — Lou Sleater, who pitched for San Antonio in the Texas League, is signed today with the St. Louis Browns. He was the 22nd player to sign.

Organization Of Boy Scout Troop Tonight

A goal of 50 youths to enroll in Boy Scout Troop 35 is being sought by the Snyder Kiwanis Club, it was announced yesterday at its luncheon meeting held at the Manhattan Hotel, presided over by H. W. Cargile, vice-president.

The club, which formerly sponsored the troop, has voted to make this project its top objective during 1951, and has named Frank Fisher to head this committee.

All former members of Troop 35 and others wishing to join are invited to meet at the home of Fisher, 2505 Avenue N, at 7 o'clock tonight for an organizational meeting.

Harold Grant, chairman of the Kiwanis Key Club, said his boys have agreed to assist the Kiwanians in reviving the Boy Scout troop. The Key Club is composed of older boys who have been cited for their achievements in high school, and several of them are former members of the Boy Scout organization.

The new troop will participate in Boy Scout Day in Snyder Saturday, directing traffic and taking part in other functions of the day said Fisher.

The entertainment feature of the luncheon was a sound movie, showing the operations of the Halliburton Oil Well Cementing Co., which is international in scope.

More than 750,000 oil wells have been cemented by the company which maintain plants at Duncan Okla., and at Houston.

All phases of the work were depicted in the picture. The film was shown under the direction of Harold Grant, Halliburton manager here.

Guill Working For Air Base

By TEX EASLEY
(Associated Press Staff)

WASHINGTON, Feb. 15. — Former Rep. Ben Guill of Pampa, Tex., said today he has been talking with Defense Department officials regarding possible establishment of a new Air Force training school in the Panhandle section of his state.

Back for his first visit since his term expired Jan. 3, the man who served as Texas' only Republican congressman in 20 years would like to operate a primary training school under private contract with the government.

He told a reporter that others with whom he is associated propose to operate such a school in either Childress or Pampa, at the site of World War II air fields.

Guill came here after discussing the matter with Air Material Command officials at Dayton, Ohio.

He said bids must be submitted in Dayton by March 2 for operation of some 8 to 9 such private-contract training schools throughout the country. Contracts will be let about March 29, he added.

The bids must cover estimated cost of a school to turn out about 449 cadets every six to eight weeks, he said, and added that the total personnel each would approximate 800.

Cadets would get their wings by learning to fly AT-6 metal planes, which in World War II were regarded as advanced trainers, Guill said.

Oil News

(Continued from Page 1)

than 1,300 acres which Conoco secured from Comanche Corp. out of a block that concern has in the region.

Conoco secured the leases in return for assuming an obligation to drill the wildcat.

Drillsite will be 1,980 feet from south and east lines of section 14, block 8, H&GN survey, and 13 miles northeast of Post.

KENT FAULURE

Sunray Oil Corp. and Seaboard Oil Co. of Delaware No. 3 R. L. Spires, Southwest Kent County wildcat eight miles southwest of Clairemont, has been plugged and abandoned at total depth of 7,238 feet in lime.

This prospector topped the Pennsylvanian reef at 6,680 feet, which was minus 4,616. That zone had only slight shows of petroleum.

It topped the Mississippian at 6,918 feet, which was minus 4,854 feet. The Mississippian had no shows of oil or gas.

Location was 1,980 feet from west and 660 feet from south lines of section 38, block 4, H&GN survey. It was two and one half miles east and one mile north of the same operator's No. 1 Spires, the opener of the Spires - Pennsylvanian field.

YOUNG WELL FAILS

Star Oil Co. and others No. 1-B Blanche Young, south offset to the discovery in the North Polar-Ellenburger pool of Southwest Kent County, developed 200 feet of salt water and 200 feet of heavily oil and gas cut mud on a two and one-half hour drillstem test of the Ellenburger.

The test was made from 7,792-7,821 feet. The Ellenburger dolomite was topped at 7,822 feet and drilled to 7,850 feet, where another drillstem test is being taken.

The Ellenburger was topped at 7,797 feet on a minus datum point of 5,486 feet.

No. 1-B Young is 2,039 feet from south and 647 feet from the west line of section 54, block 5, H&GN survey and five miles northwest of Polar.

Probe Is Begun After Fire Destroys Car

An investigation is being conducted by E. W. Green, highway patrolman, in connection with the burning of a 1950 Pontiac coach 10 miles out on the Roby highway about 7:30 o'clock last night.

Green said he responded to a call to the scene of the fire and found the vehicle in flames, but the driver or owner had disappeared. No one in the vicinity could give the officer any information regarding the origin of the fire or the occupants of the car.

The car, valued at approximately $2,000, was badly burned.

A preliminary check by Green indicated that the car was from the border area.

Apparently no one was injured in the fire, Green said.

2 Charges In County Court

One man yesterday was charged in county court with impersonating an officer and another was arraigned on a charge of driving while intoxicated.

Fred Ernest Valvin, 49, of 1602 Avenue S, pleaded guilty to the charge of drunken driving and was fined $123.50, including court costs.

Ventress Joseph Lovell, about 32, of Snyder Courts, was accused of falsely impersonating a law enforcement officer on Jan. 29. The charge was filed shortly after noon yesterday. Lovell had not been arrained by noon today. He is being held in the county jail.

The charge against Lovell alleged he entered the home of Gay McGlaun, 1200 Twenty-fifth Street, under the pretense he was a highway patrolman and demanded to see McGlaun's driver's license stating that McGlaun had violated a traffic rule in driving to his home.

Others arraigned in county court this week were Clyde Darwood Bronson, 35 years old, 510 East Highway, whose bond was set at $250 when he pleaded not guilty to a charge of drunken driving; Herbert Felkner, 23, Snyder, fined $123.50 on a similar charge; Lee Arthur Davis, 36-year-old Negro fined $123.50 for carrying a pistol; Layton Hardrick, 42-year-old Negro residing at Clay Hotel, whose bond was set at $1,000 when he pleaded not guilty to a charge of possessing liquor for illegal sale. Four others fined $123.50 each on drunken driving charges were Ernest Loman Flippin, 38, of Snyder, formerly of Throckmorton; Connie Dalmus Thomas, 52, of Roscoe; Elmer Eckert, 33, of Fluvanna; and Antonio Alvarez, 28, of Snyder.

Film At Fluvanna

A motion picture will be shown in the high school auditorium at Fluvanna at 8 o'clock tomorrow night under the sponsorship of the Parent-Teacher Association. Admission will be 60 and 40 cents. The show will include a feature and two comedies.

Decrease In Bay Rum Sales Noticed Here

"There has been a distinct drop in the amount of bay rum consumed for its intoxicating effects since publicity was given to an inspection made by federal agents about a month ago," Ed Bassinger, assistant police chief, said.

It is not known whether the sale of the alcoholic toilet article has been stopped by local merchants or just a natural decrease in the amount purchased by individuals, he said.

Before the article appeared in the Daily News a big per cent of the "drunks" booked and jailed by the police department were intoxicated from bay rum, he said.

Now we very seldom see any evidence of by rum consumption, he added.

The number of arrests by the department has seen a considerable drop in the last few weeks, too.

A. M. McPherson, corporation court judge, said that there is now about one - third the number of arrests being made as there was two to three months ago.

Judge McPherson thinks this is due to a mass exodus of usual jailbirds. They are leaving here and going to greener pastures, he said.

Today the city had eight prisoners. There were four corporation court cases this morning. All pleaded guilty to the charges, but none paid his fine. The other four prisoners were "laying out" their fines imposed earlier.

Members of the police department were unusually busy yesterday and today rounding up witnesses for their cases before this session of the grand jury.

STOCK MARKET

466 CIRCUIT ONLY - wall street

NEW YORK, Feb. 15. (AP — The stock market launched a feeble feeler in the direction of higher prices today.

The mild improvement was scarcely a full-fledged advance. Selling pressure still was in evidence and minus signs made frequent appearances.

Eight Wells Spotted On 80-Acre Lease In North Pecos County

E. E. Reigle and Charles F. Henderson, both of Midland, have filed application, to drill eight wells on their 80-acre Jerreries-State lease in North Pecos County.

The lease is described as the east half of the southeast quarter of section 20, block 3, H&TC survey and is located in the Malicky field one and one-half miles south of Imperial.

Reigle and Henderson sold a one-half interest in the lease to Bosworth Drilling Co. of Odessa to drill the wells.

They will be carried as Bosworth Drilling Co., E. E. Reigle and Charles F. Henderson No. 1 through 8 Jefferies-State.

No. 1 will be drilled 330 feet from northwest and northeast lines of the lease. No. 2 990 feet from northwest and 330 feet from northeast, No. 3 330 feet from southwest and 990 feet from northwest lines of the lease.

No. 4 will be dug 330 feet from southwest and northwest lines of the lease, No. 5 1,650 feet from northwest and 330 feet from northeast lines and No. 6 330 feet from southwest and northwest lines of the lease.

No. 7 will be 330 from southwest and southeast lines and No. 8 will be 330 feet from southwest and 990 feet from southeast lines of the lease.

Central Coke County Field Is Extended

Union Oil Co. of California has completed its No. 4 Jim McCutchen as a southwest extender to the McCutchen - Cisco sand field in Central Coke County.

The well made a 24-hour potential of 317 barrels of 45.3-gravity pipe line oil. This was based on a seven - hour flow through a 28-64-inch choke.

Gas - oil ratio was 192-1. Production was through perforations from 3,965 feet to 3,980 feet, with total depth of 3,985 feet.

Location is 1,980 feet from south and 660 feet from west lines of section 444, block L-A, H&TC survey and two and three - quarters miles east of Robert Lee.

It is a 1,320-foot west offset to Union No. 3 McCutchen, recently completed Cisco sand producer in the McCutchen field.

* * *

Pecos County Venture

W. K. Garnett of Oklahoma City has staked location for his No. 1 Williams-Eaton as a 3,000-foot wildcat in West-Central Pecos County.

Location is 1,462 feet from north and 430 feet from east lines of section 1, block 166, Reuben Phares survey and three miles south of the Fort Stockton pool.

Rotary tools will be used to drill the project, beginning immediately.

New Producer Assures Extension of Hockley County Ropes Field

A one mile south extension to the Ropes - Pennsylvanian field of Southeast Hockley County has been assured at Honolulu Oil Corp. and Signal Oil & Gas Co. No. 3 Underwood.

A drillstem test from 9,298 to 9,330 feet developed 2,880 feet of clean oil on the recovery.

Operator is now running electric log surgeys of the hole.

No fluid surfaced while the tester was open, but there was a good blow of gas in 55 minutes. The tool was left open for eight hours and 35 minutes.

Location of the asusred extended is 694 feet from south and west lines of labor 13, league 5, Wilbarger County school land survey.

Tentative top of the Pennsylvanian reef has been called at 9,300 feet, elevation 3,376 feet. That makes it about flat to the same operator's No. 2 Hopper the nearest producer.

Grand Jury Expected To End Session Tiday

The Scurry County grand jury was scheduled to complete its work today and take a recess under orders of A. S. Mauzey, judge of the 32nd District Court.

In the absence of Eldon Mahon, district attorney, who was delayed in arriving here, Ben Thorpe, county attorney, was assisting the grand jurors in their investigations this morning.

Indictments are expected to be announced late today.

THE SNYDER DAILY NEWS

VOL. 1—No. 238 SNYDER, TEXAS, THURSDAY, FEBRUARY 15, 1951 SECTION TWO

Kent Leads in Wildcats, Most Field Locations Are in Scurry

Locations for 94 tests for oil, including 10 wildcats, were listed during the week Jan. 28 to Feb. 3 in 29 West Texas Counties. The preceding week set an all-time high when 146 tests for oil, including 18 wildcats, were listed in 29 counties.

Total for the first five weeks in 1951 became 463 in proven areas and 79 for wildcats, a grand total of 542. This is a weekly average of 108.4, down from 112 through the fourth week.

Kent County led in wildcat locations with three, Andrews, Borden, Cochran, Coke, Garza, Martin, and Runnels gained one each.

Scurry County was first in field starters with 12, Ector added 10, Pecos nine, Andrews seven, Runnels five, Midland four, Cochran, Crane, Garza, Howard, and Loving Tom Green, Upton, Winkler, and Yoakum two each, Concho, Crockett, Gaines, Hale, Kent, McCullough, Mitchell, Sterling, Sutton, and Ward one each.

ANDREWS COUNTY

Anderson-Prichard No. 1-I-1 Fasken, 1,980 from northwest, 660 feet from southwest line of section 1-41-3n-G&MMG&A; 8,500 feet, rotary, wildcat.

Anderson-Prichard No. 1-J-38 Fasken, 660 from north, 1,980 feet from east line 38-44-1n-T&P; 5,000 feet, rotary, Midland Farms field.

Humble No. 2 Evelyn Lineberry and others, 1,980 feet from north and west lines 8-A40-psl; 10,500 feet, rotary, Nelson field.

Humble No. 122 J. S. Means, 660.58 from south, 666.26 feet from east line 8-A35-psl; 4,500 feet, rotary, Means field.

Shell and Texaco No. 12 Ratliff-Bedford, 2,180 from north, 660 feet from east line 4-T3-psl; 10,000 feet, rotary, Bedford field.

Stanolind No. 2-L David Fasken, 660 feet from south and east lines of northeast quarter 11-41-1n-G&MMB&A survey; 5,000 feet, rotary, Midland Farms field.

Stanolind No. 2-Z, Midland Farms, Royalty Account A, 660 feet from north and west lines 39-41-1n-G&MMB&A; 5,000 feet, rotary, Midland Farms field.

Stanolind No. 2-F Midland Farms, Royalty Account B, 660 from north, 1,982 feet from west line of south half 1-42-2n-G&MMB&A; 5,000 feet, rotary, Midland Farms field.

BORDEN COUNTY

Cosden No. 2 T. J. Good, 560 feet from south and west lines of southwest quarter 21-32-3n-T&P; 8,000 feet, rotary, Vealmoor field.

Gulf No. 1-G J. L. Higginbotham, 660 feet from north and west lines of northeast quarter 13-32-3n-T&P; 10,000 feet, rotary wildcat.

Tide Water No. 1 J. G. Davis, 467 feet from north and east lines 80-25-H&TC; 7,000 feet, rotary, Von Roeder field.

COCHRAN COUNTY

A&P Development No. 8 Beasley, 362 from south, 1,624.1 feet from east line of labor 17-62-Midland CSL; 5,000 feet, rotary, Levelland field.

Blackwood & Nichols No. 1 Dean, 576 from north, 747 feet from east line of east half of west quarter of league 91, Lipscomb CSL; 5,000 feet, rotary wildcat.

F. H. Jackson of Longview No. 4 Henry S. McGarry, 1,538 from north, 1,320 feet from east line of labor 17-62-Midland CSL; 5,000 feet, rotary, Levelland field.

Lion No. 16 F. O. Masten, 1,899.4 from south, 694.36 feet from west line of labor 23, league 132; 5,200 feet, rotary, Levelland field.

COKE COUNTY

Migel Brothers No. 1-T L. Lacy, 660 feet out of the southwest corner of the southeast quarter 11-Z-D&SERR; 6,000 feet, rotary wildcat, 10 miles southwest of Robert Lee.

CONCHO COUNTY

CB Drilling Co. and others No. 2 Walter Pfluger, 990 feet from south and east lines of Alex Sator survey 2088; 2,200 feet, rotary, Pfluger field.

CRANE COUNTY

Gulf No. 200 J. T. McElroy, 200 from north 330 feet from west line of section 203-F-CCSD&RGNG; 3,075 feet, cable tools, McElroy field.

Magnolia No. 34 P. J. Lea, 1,980 feet from south and west lines 16-3a-psl; 4,750 feet, rotary, Sand Hills-Tubb field.

Shell No. 7-B McClintic, 1,650 feet from south and west lines 206-F-CCSD&RGNG survey; 4,000 feet, cable tools, McElroy field.

CROCKETT COUNTY

Stricklin Drilling Co. No. 4 McClatchey-Gauvey, 330 feet out of the southwest corner of the east half of the northwest quarter 7-UV-GC&SF; 1,500 feet, rotary, Vaughan field.

ECTOR COUNTY

DeKalb No. 2 H. C. Barrow, 660 feet from north and west lines of southeast quarter 44-44-1s-T&P; 5,900 feet, rotary, Lawson-Simpson field.

Humble No. 21 Yarbrough & Allen and others, 1,980 from south, 660 feet from east line 23-B14-psl; 11,000 feet, rotary, Yarbrough & Allen field.

Humble No. 22 Yarbrough & Allen and others, 660 from north, 330 feet from east line 27-B14-psl; 11,000 feet, rotary, Yarbrough & Allen field.

Humble No. 37-C C. Scharbauer, 1,980 from north, 660 feet from east line 26-44-1n-T&P; 9,400 feet, rotary, Goldsmith Clear Fork field.

Kewanee No. 5-B University, 990 from south, 330 feet from east line 9-38-U; 3,700 feet, cable tools, Jordan field.

Phillips No. 13-A Frank, 2,001 from south, 2,070 feet from west line 18-44-1n-T&P; 7,600 feet, rotary, Andector Ellenburger field.

Shell No. 3-C Connell, 910 from south, 700 feet from east line 13-B16-psl; 7,500 feet, rotary, wildcat in the Jordan field.

Stanolind No. 1 Earl Vest, 1,981 feet from north and east lines 7-B14-psl; 11,300 feet, rotary, Yarbrough & Allen field.

Stanolind No. 7-E B. H. Blakeney, 660 feet from south and east lines of southwest quarter 14-A-psl; 5,900 feet, rotary, Goldsmith 5,600-foot field.

Stanolind No. 16-P C. Scharbauer, 660 from south and east lines 11-A-psl; 6,600 feet, rotary, Goldsmith Clear Fork field.

GAINES COUNTY

McMillian, Keller and Peterson No. 1-A J. D. Jones, 1,980 feet from south and west lines 10-H-D&W survey; 4,950 feet, rotary, Cedar Lake field.

GARZA COUNTY

Murchison Brothers, Brown Brothers No. 1 City of Post (No. 11), 1,702 from north, 2,075 feet from west line 1,227, ELARR survey, lot 5, Townsite block 97, block 11; 2,200 feet, rotary, Garza field.

Murchison Brothers, Brown Brothers No. 1-F Montgomery-Davies, 330 from north, 395 feet from east line 1,251, certificate A333; 1,300 feet, rotary, Garza field.

Murchison Brothers, Brown Brothers of Post No. 1-15 City of Post, 2,170 from north, 1,440 feet from west line 1,227, ELARR survey; 3,500 feet, rotary, Garza field.

Stanolind No. 1 D. C. Hill, Jr., 330 from south, 660 feet from east line 58-2-T&NO survey; 9,000 feet, rotary wildcat.

HALE COUNTY

Stanolind No. 1-U Rollins Savings Bank, Royalty Account B, 1,947 from south, 660 feet from east line 17-DT-H&EWT survey; 8,300 feet, rotary, Aston-Irish field.

The oldest and smallest republic in the world is San Marino, located in the Apennines, near Rimini. According to tradition it was founded in 350 A.D. It covers 38 square miles.

Deliberate Plant Of Foot, Mouth Disease Denied By Official

WASHINGTON, Feb. 15. (AP)—Officials have denied a report that the recent foot-mouth disease outbreak among Mexican cattle was deliberate.

Rep. Poage of Texas said yesterday he heard in Mexico the Vera Cruz outbreak of December had been planted by employees who wanted to keep their jobs. Agriculture Department officials checked with Mexico and asserted the rumors were groundless.

Teague Says Younger Men Not Best Soldiers

WASHINGTON, Feb. 15. (AP)—Rep. Teague of Texas told a Texas Quality Network audience last night that youths of 18 are "definitely not" the best soldiers. Teague was an infantry combat colonel during the war.

Rep. Bentsen of Texas said on the same program the military services have not exhausted other available manpower sources, he said he would like to see a more efficient use of present manpower.

Base Support On Cotton To Be 29.68 Minimum

WASHINGTON, Feb. 15. (AP)—The base price support for 1951 cotton will be at least 29.68 cents a pound, the Agriculture Department ruled yesterday. This is for middling seven eighths inch staple. Better grades get higher rates.

The mid-January market average was around 42 cents. The price support program is to assure at least 90 per cent of the Aug. 1 cotton parity price.

The first Greek letter society to be formed in America was Phi Beta Kappa. It was started in the United States at Williamsburg, Va. Dec. 5, 1776.

Credit Restrictions On Building Hit Hard

HOUSTON, Feb. 15. (AP) — New government credit restrictions effective today threaten to hit commercial construction here a "pretty hard blow."

Loy W. Duddlesten, executive secretary of the Houston chapter, Associated General Contractors, commented last night on the Federal Reserve Board ruling which requires 50 per cent cash down payment to build new stores, offices, hotels and non-residential construction.

Duddlesten said the new credit restrictions will hit hard because nearly all firms which build new structures depend heavily on credit.

Our "SELF CONTROL" Brings You LOWER MEAT PRICES

Copr. Advertisers Exchange Inc. 1951

The strict controls we exercise over the quality, cutting, trimming, storing, and selling of meats act as efficient and effective controls on our prices. We are more watchful, less wasteful, in the way we handle meat and that means that our prices are consistently lower — day after day, week after week. It is this "self control" that assures you of choice cuts of top grades of meat at prices that give you more good eating for the money. Enjoy one of our meat department "specials"—you'll be convinced.

Some Call It Rough

New York Rangers hockey player Tony Leswick (left, 18) skids out of range as his teammate Gus Kyle (right) bounces Montreal forward Maurice Richard out of play in New York City. Action was in the rough and tumble Ranger Canadians National Hockey League game in Madison Square Garden. Nineteen penalties were called for a season's record. The Rangers won, 3 to 1.

VA Hospitals Now Tops In Medical Research

HOUSTON, Feb. 15. (AP) — Doctors and medical scientists from 55 Veterans Administration hospitals are here discussing results of a research plan begun five years ago by the VA.

"The VA hospitals which five years ago were little more than old people's homes are now leaders in medical research," Dr. Edward H. Cushing, assistant chief medical director for research and education, told the group yesterday.

"The answer," he said, "lies in the close association with medical centers and medical schools —such as that between the Houston Hospital and Baylor University College of Medicine."

Urzetta Leads Houston Amateur Tournament

HOUSTON, Feb. 15. (AP) — National Amateur Champion Sam Urzetta of Rochester, N. Y., heads a select group of first round winners at the Houston Country Club's annual Invitation Golf Tournament.

Urzetta had easy sailing yesterday, but Defending Champion John Weaver of Rice Institute and Medalist Tom Green of Houston found themselves in the consolation bracket.

Urzetta went four over par 71 in a cold rain to down Wilbur Smith of Houston 4 and 3. Weaver lost 2 and 1 to Bob Monerief, 18-year-old freshman at the University of Texas. Green, was a one-up victim for Reece Alexander of Nocona.

Texas History Written in Brands

BY JOHN M. HENDRIX

The kaleidoscopic story of the Shoe Bar ranch along the forks of Red River, lying mostly between two forks of Red River—the Little Red and the Prairie Dog forks principally in Hall, Donley and Briscoe Counties, Texas— is one that involves some of the best-known names in West Texas cattle history, past and present.

Originally founded by L. C. Coleman, the ranch first used the LC brand which came from the initials of his name but it eventually became known as the Shoe Bar Ranch. It is not certain when the ranch was founded, but during the years its ranges have been used by the former Mrs. Mary Goodnight and her brother, Walter Dyer. The pioneer Thomas Bugbee, the "bull man" O. H. Nelson a Kansas City banker, J. K. Zimmerman, and A. J. Snider, a member of the Evans-Snider-Buell Livestock Commission Company of Kansas City, all owned an interest in the ranch at various times. After Zimmerman's death in 1898 the ranch portion of the estate was managed by F. P. Neal, a banker of Kansas City, who was in charge of the ranch until 1906 when it was sold to Edward F. Swift of the Chicago Packing House Company and later sold by him to Will J. Lewis of Clarendon, who, with his son, operates it at this time.

The Lewises are expert and finished cowmen and the ranch will probably run on indefinitely as a ranch for many years to come. At its peak, the Shoe Bar fence enclosed 350,000 acres of leased land and 110,000 acres owned by the ranch.

Hausmann Needing Job

SAN ANTONIO, Feb. 15. (AP) — George Hausmann, former New York Giants infielder who played with Dallas and Houston of the Texas League last year, is looking for a job as playing manager of a minor league club. He was made a free agent yesterday.

Over a 16 year period, the University of Arizona basketball team has won seven Border Conference Championships, twice shared co-championships and finished second three times.

Murder Charge Filed In Fort Worth Death

FORT WORTH, Feb. 15. (AP) — A charge of murder was filed against Doyle David Parks, 39, in the fatal shooting yesterday of Paschal Truitt Simms, 26, who was about to marry Parks' ex-wife.

Parks was released under $10,000 bond.

Cotton Maid In Dallas

DALLAS, Feb. 15. (AP) — Pretty Jeannine Holland of Houston, the 1951 Maid of Cotton, was in Dallas today to model in an all-cotton fashion show.

VonRoeder To National Meet OnConservation

Nolan von Roeder, secretary of the board of supervisors, will represent the Upper Colorado Soil Conservation District at the fifth annual meeting of the National Association of Soil Conservation Districts in Oklahoma City Tuesday and Wednesday, Feb. 20 and 23.

Von Roeder recently attended the state meeting of the Soil Conservation District Supervisors at Mineral Wells.

Other district supervisors planning to attend the meeting in Oklahoma City are Jim C. Simpson, of Roby, Glen Webb of Claytonville, W. A. Taylor of Loraine, and R. H. Bennett of Loraine.

Delegates to the national meeting will have a chance to see two of Oklahoma's top attractions in soil conservation, said Ed Seay, work unit engineer of the Snyder office.

One of these points of interest is the Department of Agriculture's watershed flood control program on the Washita River where land treatment is being combined with engineering structures to keep rainfall on the land and slow run-off.

A bus caravan will take the convention delegates on a tour of the Mill Creek area near Sulphur to view a typical part of the watershed program. The visitors will see the land treatment measures which stabilize and improve the soil and increase its water-holding capacity, and the gully plugs, small detention reservoirs and other engineering devices which hold back a portion of the surplus water until streams can carry it safely.

One of the features of the convention will be a plane trip to Lawton, where the visitors will see herds of buffalo, elk, deer, and Longhorn cattle on native bluestem range against a mountain background. A buffalo barbecue luncheon will be served the supervisors at Lake Quanah Parker.

Secretary Brannan of the U. S. Department of Agriculture, and Dr. H. H. Bennett, Soil Conservation chief, are scheduled to talk. Waters S. David, Jr., president of the national Association of Soil Conservation District, will serve as moderator.

An Indian dance will also be on the program for the visitors.

Wooled Lambs Bring $3925 Per Hundred

SIOUX FALLS, S. D., Feb. 15. (AP) — Wooled lambs brought $39.25 per hundred pounds yesterday. Harry Bourne, head sheep buyer for Wilson and Co., said this may be an all-time world record.

Lester Benson of Hurley got the price for 470 head averaging 113 pounds.

Higher Phone Rates Set For Fort Worth

FORT WORTH, Feb. 15. (AP) — Higher telephone rates go into effect here tomorrow.

The rates, approved by the city council yesterday, average about 35 per cent increase.

Panhandle Pipeline Sets Sales Record

NEW YORK, Feb. 15. (AP) — The Panhandle Eastern Pipeline Co. reports that it sold an all-time record amount of natural gas in 1950 and made a record net profit.

Approximately 205 billion cubic feet of gas was sold last year, about 10 per cent above the previous year. The next profit was listed at $9,166,353, compared to $8,295,675 for the year before.

Actor Crawford Sued For Divorce By Wife

LOS ANGELES, Feb. 15. (AP) — The movies' top actor of 1949, Broderick Crawford, has been sued for separate maintenance by Mrs. Katherine Crawford, the former Kay Griffith of the New York stage. She alleges cruelty, asks for custody of a three-year-old son and an expected child, for reasonable support and an accounting of community property.

The couple was married 10 years ago. Mrs. Crawford sued him under his legal name, William B. Pendergast. She stated that they separated last Saturday. Crawford, son of the veteran stage and screen actress, Helen Broderick, won the 1949 Movie Academy Award for his role in "All the King's Men."

Sentiment Is Building Up For Tough Anti-Strike Legislation

By WILLIAM F. ARBOGAST
(Associated Press Staff)

WASHINGTON, Feb. 15.—Strong sentiment was reported building in the House Armed Services Committee today for a tough labor law designed to prevent wartime strikes.

Sponsored by Rep. Howard W. Smith (D-Va), co-author of the World War II Smith-Connally anti-strike bill, the proposed law was referred to the armed services committee because it would amend the selective service law.

Chairman Vinson (D-Ga) promised "consideration" along with the committee's current study of a bill to amend the draft law by lowering the induction age and extending the period of service. Vinson would not express his personal views on the Smith bill.

However, Smith said he had discussed the legislation with other committee members before introducing it yesterday and was optimistic over its chances of reaching the House floor for a vote.

The Smith bill would take away all seniority rights and all existing collective bargaining privileges of workers who engage in a strike or other form of work stoppage which the President, by proclamation, says would be harmful to the national defense program.

Labor unions involved would lose their bargaining rights under the Taft-Hartley Labor Relations Law.

Another Government Agency To Be Set Up

WASHINGTON, Feb. 15. (AP) — An office of the Defense Fisheries Administration for the western Gulf states will be set up about March 10 in New Orleans.

Harold Aska, supervisor, will handle local manpower, material, production and other problems of the fishing industry in Texas, Alabama, Mississippi, and Louisiana, as a result of the stepped-up defense production operations.

Fentress Funeral Set For Today In Waco

WACO, Feb. 15. (AP) — Funeral services were scheduled here this afternoon for E. S. Fentress, 74, publisher of three major Texas newspapers. He died here yesterday in his sleep.

The rites will be at the Wilkerson-Hatch Funeral Chapel, with burial following in Oakwood Cemetery here.

Fentress published the Waco Times-Herald and News-Tribune, the Port Arthur News and the Austin American-Statesman.

Cotton Exchange Head Says It Cannot Run With Price Ceilings

NEW YORK, Feb. 15. (AP) —The president of the New York Cotton Exchange says government price regulations make it impossible for his market to operate. The exchange has been closed since price ceilings were placed Jan. 26.

Perry E. Moore, who heads the exchange, wired Rep. Ralph Gamble (R-NY) yesterday:

"As the regulations now stand, almost everyone who traded on the New York Cotton Exchange during the base period Dec. 19-Jan. 25 has a different ceiling for sales for purchases. The exchange has no way of ascertaining these individual ceilings and a further complication is the proposed ceiling on raw cotton."

Firemen Watch Two Oil Tanks Burn Selves Out

SEALY, Feb. 15. (AP) — Firemen kept a close watch on two blazing oil tanks at the Magnolia Petroleum Co. pumping station here as the tanks were allowed to burn themselves out.

The two 50,000 barrel oil tanks caught fire early last night when one was struck by lightning during a heavy electrical and hail storm.

Sheep Raised In Texas Top Fat Stock Show

EL PASO, Feb. 15. (AP)—Top prizes in the sheep division of the Southwestern Stock Show judging yesterday went to two Texas youngsters.

Sidney Cowan of Sierra Blanca showed a fat lamb which was named grand champion.

Reserve champion fat lamb was shown by H. D. Pruitt of McNary.

The triumph for the Texas exhibitors was a comeback after New Mexico boys made a clean championship sweep in Tuesday's judging of swine.

Judging of calves will start today along with Palomino and Quarter horses.

Wind-up of the show will be the junior livestock sale Friday.

Doctor Turns Out Ex-Convict

HUTCHINSON, Kan., Feb. 15. (AP) —A man who sued for $40,000 damages, claiming an automobile crash had ruined his future as a physician was unmasked dramatically in court yesterday as an ex-convict using an insane friend's medical diploma.

James H. Phillips alias Dr. Arthur O. Phillips, had been living here a year and a half. Last June 15, his car collided with a consumer's co-operative truck. He brought suit alleging injuries suffered had damaged his ability to practice.

On the stand yesterday, Defense Atty. George Powers produced photostatic copies of Phillips' record showing he had served terms in Georgia, Idaho, California, Arizona and Kansas penitentiaries.

The "doctor" admitted in two hours of cross examination he was not a doctor but had used the medical diploma of an insane man and had been convicted six times for illegal medical practice since 1920.

The suit was dismissed.

Phillips married a Hutchinson woman in August, 1949, and had lived here since with his wife's daughter.

Baby Girl Kept Alive During Operation By Massaging Of Heart

INDIANAPOLIS, Feb. 15. (AP) — A surgeon stopped an appendix operation on a two-year-old girl for 30 minutes yesterday and kept her heart beating by massaging it.

Dr. Joseph S. Bean, medical director at General Hospital, said the operation on the child Cleair Mitchell, was almost finished when her heart stopped beating.

Dr. Bean said a surgeon, whom he did not identify, made a two-inch incision in the girl's chest and massaged her heart until it started beating again. Then he finished the operation to remove her severely infected appendix.

Although the child's condition was reported critical, Dr. Bean said her chances of recovering were good.

15-Year-Old Mother Of Twins Doing Well

LOS ANGELES. Feb. 15. (AP) — A 15-year-old girl became a mother of twins yesterday, making grandparents of her mother and father both at the age of 32.

Mrs. Barbara Solomon, Hawthorne, daughter of Mr. and Mrs. Charles Brannen, gave birth to premature babies at suburban Maywood Hospital.

The twins, weighing four pounds, 11 ounces and four pounds seven ounces, were placed in incubators. Both they and their mother were reported in good condition.

Sleeps Like a Log!

BY CORRECTING LACK OF VITAMINS B1, B2, IRON AND NIACIN

Insomnia from upset stomach, aches and pains, due to a deficiency of Vitamins B1, B2, Iron and Niacin, is no fun. It drags you down, wears you out, leaves you pepless and out of energy. But Henry Duke, Route 1, Diamond, Missouri, as so many thousands suffering from such deficiencies, has found the answer in today's great HADACOL.

He writes: "Will recommend your HADACOL. I have used it for some time. Guess I have taken 12 bottles or more and it's great. I couldn't eat or sleep. So, now, I eat plenty and sleep like a log. I really think it's wonderful. I buy a bottle every week. But, I won't be without it. It has helped me all over, and I do praise it. I work at the marble and rock quarry and since I have been taking HADACOL I feel more like working. My age is 56. I would like for everyone to know what HADACOL is and how it helps people who take it."

Trial size only $1.25; large family or hospital size, $3.50.

NEWS FROM IRA

BY MRS. MABEL WEBB

Mr. and Mrs. Robert Erwin and daughter of Midland visited her father, A. H. Kruse, and her brothers over the week end.

Mrs. J. F. Jordan visited her son, Truman Jordan, and his family in Snyder Saturday.

Mrs. Marie Kruse was in Big Spring last week where she received medical treatment.

Mr. and Mrs. C. L. Jackson and Mrs. J. Z. Carruthers were visiting in Big Spring Thursday.

Mrs. J. L. Webb is reported to be in satisfactory condition in an Abilene hospital where she underwent surgery Thursday.

C. C. Vinson, who is now working at Spur, spent the week end with his family.

Work is now in progress on repairs on the Masonic Lodge roof.

Among those attending the missionary meeting of the Church of God Tuesday were the Rev. and Mrs. Allen and children, Mrs. Sam Smallwood, Mrs. M. B. Pewhouse, Mrs. O. W. Holladay and Mrs. J. D. Smallwood.

A new building was moved onto the gin lot Saturday and new scales are being installed.

Pvt. and Mrs. Frankie Robertson were married in the home of the bride's parents, Mr. and Mrs. J. W. Minor, who live west of Ira. The Rev. C. J. Smith of Dunn performed the single ring ceremony. The couple will make their home in Fort Benning, Ga.

Mrs. J. A. Williams spent the week end with her daughter, Mrs. H. W. Harbuck, and family in Lawn, and her sons, Marvin Williams and Ray Williams, and their families in Abilene.

Lynn Johnson and Mrs. Irving and children of Jacksonville visited last week with their parents, Mr. and Mrs. H. K. Johnson.

Mr. and Mrs. B. F. Eades and children, Janice Eades and Royce Lynn Eades, of Fairview, visited her parents, Mr. and Mrs. Oscar Webb, Monday.

The Rev. Dean Martin of Abilene was a guest in the Jiggs Falls and A. B. Cary homes Sunday while here to conduct services.

Mrs. May Parrott of Knapp visited her sister, Mrs. P. J. Moran, and family Monday.

Melba Eubank and Jo Eubank of Snyder visited their grandparents, Mr. and Mrs. L. L. Eubank over the week end.

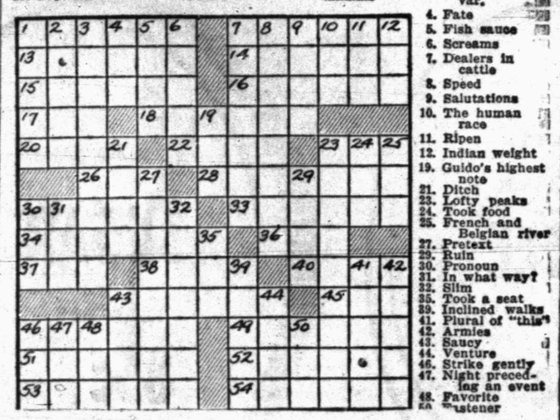

Mr. and Mrs. Jessie Loper and daughter, Connie Loper, visited her parents, Mr. and Mrs. Hamp Dye, in Roaring Springs Sunday. Mrs. Loper and Connie remained for the week.

Mexico Train Wreck

MEXICO CITY, Feb. 15. (AP) — The Aztec Eagle, Mexico's crack tourist train, collided with a string of freight cars yesterday 130 miles north of Mexico City and 40 passengers were injured slightly.

The ancient Indians in the southwestern part of what is now the United States built the first American apartment houses, some of them containing 1,200 rooms.
