Kelley Named To WTCC Directorate

With appointment of five members-at-large, the executive board of the West Texas Chamber of Commerce has been completed. The appointment of the members-at-large follows meetings of directors in each of the 10 WTCC districts in which a vice-president from each district was elected to the executive board, Grisham stated.

The executive board is composed of President Grisham, Roy Holmes of Abilene, treasurer; Fred H. Husbands, executive vice president and general manager; the directors-at-large and the district vice-presidents.

Named by Grisham to be members-at-large are H. R. Budke, Pioneer Natural Gas Company, Amarillo; Price Campbell, West Texas Utilities Company, Abilene; W. G. Swenson, SMS ranches, Stamford; Frank H. Kelley, Magnolia Petroleum Company, Colorado City; and Dr. D. M. Wiggins, Citizens National Bank, Lubbock.

District vice presidents elected recently are R. C. (Art) Jordan, Amarillo, District I; Al M. Muldrow, Brownfield, District II; Hal Dyer, Wichita Falls, District III; Bert E. Godfrey, Fort Worth, District IV; Lance M. Davis, Rotan, District V; Bill Collyns, Midland, District VI; Bill Mattox, Pecos, District VII; Sam H. Walk, Del Rio, District VIII; Otis Stewart, San Angelo, District IX; and Calvin Hazlewood, Dublin, District X.

SELECT PILOT—Major Leeroy Clifton climbs to the cockpit of the F86H Sabrejet he will pilot in the Air Force all-jet Fighter Weapons Meet at Nellis Air Force Base, near Las Vegas, Nev.

FOR AIR FORCE CHAMPIONSHIP

Westbrook Major to Pilot Jet In Air Force Day Fighter Meet

Major Leeroy Clifton of Westbrook will pilot an F86H Sabrejet in the third annual Air Force all-jet Fighter Weapons Meet Oct. 15-20.

The jet fighter competition will be at Hollis Air Force Base, near Las Vegas, Nev.

And Clifton will be a member of the Air Training Command's day fighter team seeking to retain title of Air Force Day Fighter Champions for the ATC.

Winning team from six competing operational commands will be crowned the 1956 champions.

The Westbrook airman is one of only five pilots selected to represent the ATC in the meet. He and other pilots of his team will compete in skip bombing, dive bombing, rocketry, aid-to-air gunnery and other jet fighter tactics.

They will be competing against the best from the Strategic Air Command, Far Eastern Air Force, Tactical Air Command, U. S. Air Force in Europe and the Air National Guard.

Clifton is now assigned to Nellis AFB. He has been on pilot duty there since May 1955.

Prior to Nellis AFB service, the major was an exchange pilot at Royal Air Force Fighter Weapons School at RAF Leconfield, England.

While in England Clifton piloted the Venom, Vampire, Meteor, Tiger Moth and other advanced English jet fighter aircraft.

The Fighter Weapons Meet this month at Nellis AFB will be divided into two phases with different teams from the same operational commands competing in each.

Phase I will be devoted to day fighter tactics and Phase II will be devoted to special delivery

techniques used in pin-point, precision delivery of nuclear weapons by jet fighter-bomber aircraft.

Defending champion in the Day Fighter division is the Air Training Command's team from Nellis AFB. The ATC team is twice winner of the Hoyt S. Vandenberg trophy, an award presented annually to the top team.

Victor in the special delivery division will be awarded the Thomas B. McQuire trophy, won last year by the Far East Air Forces team.

City Ministers Elect Bill Austin President

Rev. Bill Austin has been elected president of Colorado City Ministerial Alliance.

The Oak Street Baptist Church pastor succeeds Rev. Jack Selraig, who served as alliance president during the previous 12 months.

Continuing in a new full term as alliance secretary is Rev. Tommy Nelson, minister of St. Luke Methodist Church. Nelson was

elected to a full term after serving out the term of Rev. Frank Pickett, who this summer entered the foreign mission field after serving First Christian Church pastor.

Austin, who is chairman of the Chamber of Commerce education committee, presided as president of the alliance for the first time when the ministerial group met this week.

Two major community programs were discussed by the alliance in this week's meeting—assistance in law enforcement and a religious survey among teenagers.

The ministers expressed concern with the problem of law enforcement in Colorado City area and talked about ways and means they might assist police officers in proper enforcement.

Survey among teenagers is planned so that the alliance can determine the prospective church members in the category of high school and junior students.

The alliance plans to under take the survey and study with the permission and cooperation of school officials.

Nelson was elected to head a committee to minister to prisoners in county jail. Schedules were outlined for members of the alliance in carrying out the alliance's programs of devotionals, prayers and for counseling within the community and the local school system.

Bishop Quarterman to Visit Church Sunday

Bishop George H. Quarterman of Amarillo will conduct a 9 a.m. service Sunday at All Saints' Episcopal Church.

The bishop will be guest at a church coffee in All Saints' Parish House following the service, according to Vicar Donald Hunsford.

Advance Gifts Group Opens County United Fund '57 Finance Campaign

First Report Due Friday Afternoon

Mitchell County United Fund's 1957 finance campaign moved into high gear Thursday as three groups of volunteer solicitors went to work in the advance gifts division.

The advance gifts workers—with a goal of \$13,236—were the first of five divisions to go into action in the drive that roundups support for eight service organizations in one solicitation.

Volunteer workers in the advance gifts division have a goal that amounts to more than half of the entire \$25,454 sought for 1957 campaign.

They will report progress in their efforts Friday at 4:30 p.m. in United Fund office.

And next week, they will be joined in the United Fund campaign by volunteer solicitors in the special gifts division. The special gifts group will kick off their portion of the drive at 7 a. m. breakfast Tuesday in Civic House.

The advance gifts contingent went to work Thursday morning after an early breakfast in Civic House. Directing them in their job is G. D. Foster, president of Mitchell County United Fund two years ago when it was organized and lead through its first successful finance campaign.

Foster handed out assignments to the 15 volunteers in his division following talks by Raymond Perdue, 1956 president of United Fund, and Dr. W. S. (Bill) Rhode, chairman of the current campaign.

Importance of the fund drive and the need for funds to support eight service organizations was told by Perdue.

He pointed out the list of organizations that will receive money for their 1957 operation budgets from this one-for-all drive. In the list were Salvation Army, Girl Scouts, American Heart Association, Red Cross, Gonzales Warm Springs Foundation, Mitchell County 4-H & FHA development program and USO.

Rhode, who directs the overall finance campaign throughout its five divisions, emphasized that the United Fund campaign was worthy of support from all the county.

He expressed optimism for the drive's success and reported that a fine spirit was evident among division leaders and all volunteers enlisted for the campaign.

Rhode declared confidence that the United Fund campaign this fall would receive almost 100 per cent participation from Mitchell County citizens and urged all citizens to join the effort to aid deserving agencies with the one-for-all drive.

Group chairmen in the advance gift division with Foster are M. N. (Nap) Caddell, Pat Bullock and Ross Daniels.

Volunteers in Caddell's Group 1 are George Witten, Frank Kelley, Ed Williams and J. W. Randle. Working with Bullock in Group 2 are Dr. E. H. Berkman, R. H. Ratliff, Max Caddell and Dr. Oscar Rhode. Daniels leads Group 3 that includes H. I. Berman, V. T. (Vic) McCabe, Bob Robinson and O. B. Trulock.

The special gifts division that will start its solicitation Tuesday is chairmaned by Charles Root with Frank Massad and John Worrell as section leaders.

Leaders in Section A under Massad will be Carl Gary, Frank Deregibus, Hollis Webb and Faris Lippe. In Section B with Worrell will be Dan Pritchett, Joe Earnest, Luke Thomas and Sam Majors.

Puppet Show Due Here Dec. 10-12 for Pupils

Puppet show emphasizing children health care is scheduled for the Colorado City Dec. 10, 11 and 12.

The show, usually booked for larger communities, will be sponsored here by State Department of Health, according to Dr. R. D. Bridgford, dental dentist and president Texas Dental Association.

The 40-minute educational and entertainment feature will be staged for Colorado City, Silver and Westbrook students, Bridgford said.

Seven Persons Indicted by Grand Jury

Seven persons face grand jury indictments returned Wednesday by Mitchell County grand jury.

The charges allege either forgery or second offense driving while intoxicated.

Glenn F. Robertson, 21, San Angelo, faces an indictment charging him with cashing a \$205.94 payroll check after forging an endorsement.

The check, payable from Western Company office in Snyder to J. R. Luttrell, was cashed at City National Bank here while Luttrell was on vacation. The check was dated July 2 and cashed last July 3.

One Mitchell County resident was among three persons indicted on charges of second offense DWI. He is George Prescott of Lorraine, charged with DWI last July 4 after being convicted of the same offense May 7, 1951.

Indicted also on the second offense DWI charge were Orville Gray Patterson, no address listed, and Gerald B. Harrison of Midland. The indictments allege Harrison with second offense last July 27 after an earlier conviction last Jan. 3, and Patterson with second offense last June 30 after a previous conviction Aug. 1, 1951.

Charged with forgery were R. L. Whitworth, 40, of Sweetwater, Reuben Starks Jr., 22, of Abilene and another persons whose identity was withheld until his apprehension.

Chairman of the grand jury is Glenn Coon. Other members of the jury are Howard Tarrt, Mrs. Percy Bond and B. B. Blair, all of Lorraine; Don Guitart, Mrs. Marvin Majors, Truman Bodine, Joe Salter, F. K. Meadows, Ray Noble, John D. Harvey and Mrs. Jay McCollum.

Lorraine Youth Shows Reserve Champion Gilt

Linton Ray Webb of Lorraine showed the reserve champion gilt Saturday in the Sears Foundation annual five-county pig show in Sweetwater.

The Lorraine youth also exhibited the third place boar in the district competition.

Webb's district honors came after he won first place in the Sears Foundation show for Mitchell County, an event that immediately preceded the district judging.

In the Mitchell County showing Webb was first followed by Bonnie Morris, second; Howard James, third; Lanny McKinney, fourth; and Edward Chappel, fifth.

The Mitchell youths were supervised by County Agent Jack Burkhalter in the Sweetwater judging.

Exhibiting the grand champion gilt in the district show was Charles Tredemeyer of Old Glory, Stonewall County. Traveling Tredemeyer and the reserve champion exhibitor, Webb, in the district judging were Paul Gomes of Nolan County, third; Cleburne Murdock of Kent County, fourth; Bradley Brittain of Fisher County, fifth.

Grand champion boar in the district contest was shown also by Tredemeyer. Other ribbon winning exhibitors in the boar show were Walter Riechberg of Sweetwater, reserve champion; Webb, third; Larry Cox of Kent County, fourth.

HEADED FOR AUCTION—R. B. Baker, left, and Sam Thompson lead a heft hog to the feed trough to keep the animal in fine shape for auction Saturday at Tate Bros. Auction Company. Thompson is donating the hog to Kiwanis for the 12:30 noon auction with proceeds going into the Kiwanians' fund for underprivileged children. (Record Staff Photo)

MILES, BODZIN VEEPS

Kiwanians Elect Merritt President

Kiwanians Tuesday elected John T. Merritt, 42, partner in Pond & Merritt Cleaners, as their president for 1957.

At the same time the civic club named W. K. (Keith) Miles, wholesale agent for Continental Oil Company, as first vice president.

One additional officer and seven directors were also elected at the luncheon meeting in Civic House.

The new second vice president is Louis Bodzin, partner in Reliable Dry Goods.

New directors selected in the voting are Perry Bowles, farmer; J. C. Costin, partner in Costin Bros.; Elliott Dixon, manager of local theaters; Frank Kelley, head of Magnolia Petroleum Company's local office here; Trevor Crawford, mayor and engineer at Col-Tex Refinery; Sie Hamm, city councilman and member staff at Colorado Drug; and Ed Rothwell, engineer for Lone Wolf Electric Cooperative.

Merritt, who has been a member of Kiwanis for two years, will succeed Winston Gann, junior high principal, as president. Miles moves up to first vice presidency after serving a year as second veep. He will succeed

Kelley, who has been first vice president.

The new president, Merritt, has been a member of the Kiwanis board of directors during the last year and chairman of the organization's Key Club (student affiliate) committee.

He is chairman of the Mitchell County Fund's general solicitation division for the 1957 fund campaign, member of the board of directors for Mitchell County Red Cross Chapter and district scout commissioner for Lone Buffalo District.

Merritt, a member of Methodist Church, also is chairman of the Chamber of Commerce's civic improvement committee and a member of the city zoning and planning commission.

The seven new board members were elected from a group of 11 nominees that also included Jack Robinson, Virgil Morgan, W. M. Vest and Ed Majors.

Guests of Thornhills

Mr. and Mrs. K. R. Bartels of Taft are visiting at Lorraine this week with Mrs. Bartels' brother-in-law and sister, Mr. and Mrs. R. K. Thornhill.

Wage Findings Announced for Cotton Pullers

Wage scale ranging from \$1.25 to \$1.75 have been announced for cotton pulling in Mitchell County.

The scale effective as of Oct. 2 is \$1.25 per hundredweight for irrigated and from \$1.50 to \$1.75 per hundredweight for dry land.

Texas Employment Commission office in Sweetwater was notified of the wage finding by Ed McDonald, regional director for Bureau of Employment Security.

The wage finding is the basis for pay to Mexican National labor and is based on the first prevailing wage survey conducted this season.

Surveys are to be conducted every two weeks with the findings announced as soon as results of the surveys are conducted, according to W. T. Edwards of Rotan, who conducted the initial survey here for the Texas Employment Commission.

St. Edward's Student

Max M. Dillard of Colorado City is among students enrolled for the 1956-57 term at St. Edward's University in Austin.

He is a junior majoring in pre-engineering. His parents are Mr. and Mrs. A. C. Dillard, 1437 Walnut.

FOR LOCAL CITIZENS

Phone Company to Stage Open House

Open house will be repeated here Tuesday and Wednesday at Southwestern Bell Telephone Company building.

Truman Black, phone manager for Colorado City-Snyder-Roby-Rotan area, said the event was being held because many citizens were unable to attend the open house when the company's new dial building was opened last year.

"Many persons have expressed interest in seeing the new dial system in operation," the manager said, "so we have decided to invite everyone to be our guest again this year."

Open house will be conducted from 6:30 p. m. to 8:30 p. m. both days. Special exhibits will be featured in displays in the building.

"The open house," Black said, "will be of interest to those who attended last year as well as those who did not tour our plant immediately after the dial system was installed."

Featured at the open house will be a display in actual operation showing how microwave works

to flash long distance telephone messages and network television programs across the nation.

Probably the most popular gadget at the open house will be a hear-your-voice machine that enables a person to learn how his or her voice sounds over the phone.

In addition will be on-the-spot inspection of the city's dial telephone system in actual operation.

"We invite everyone in Colorado City to visit us during the open house," Black said, "and we believe that every member of the family will find the event interesting and entertaining."

Visitors at the phone building will be conducted on a tour of plant facilities by Southwestern Bell personnel. The company employees will explain operation of facilities in the building and provide data on the special exhibits.

Joining Black here as official hosts for the two-day program will be Dave Dillard of Abilene, district manager for Southwestern Bell, and Dan McMillan of Fort Worth, public relations official for the company in its Texas operations.

Flash long distance telephone messages and network television programs across the nation.

FOR '57 PRESIDENCY

Landers HD Elects Mrs. Stubblefield

LANDERS—Members of Landers Home Demonstration Club have elected Mrs. Charles Stubblefield as president for the club's 1957 term.

Other officers named for the ensuing year are Mrs. Sidney Compton, vice president; Mrs. Johnny Tiller, secretary-treasurer; Mrs. Willis Cornett, council delegate, and Mrs. A. L. White, reporter.

The entire slate of officers was elected by acclamation after being submitted as nominees by the club nominating committee.

Election was conducted at last week's meeting of the club in the home of Mrs. Johnny Tiller. Club members set Saturday, Oct. 13, as tentative date for a family night program. Mrs. Compton was named program chairman for the family night with Mrs. Cornett as assistant chairman.

Additional plans for the family entertainment will be announced later, according to Mrs. Compton.

"Complexion Care" was topic of the discussion conducted by Mrs. Compton as program feature of last week's meeting. The care of oily, dry and troubled skin, and the application, types and shades of make-up were discussed during a question and answer period.

Invocation for the meeting was by Mrs. White.

Next meeting for Landers HD Club will be Tuesday in the home of Mrs. Stubblefield.

BIBLE COMMENT

Revelation Offers Attainable Vision

It is a glorious picture that the saint-prophet-poor who wrote the Book of Revelation paints for us in his description of the New Jerusalem.

It is instructive that the writer represents the Holy City, the New Jerusalem, as "coming down." In his conception there is to be an earthly realization of God's triumph; it is not merely a matter of earth ascending toward heaven. The picture that he gives is in striking contrast with the earth and world as we know it.

For those to whom the author of the book was writing, even with their Christian faith and fortitude, the world was a place of sorrow and trial. Yet God was to wipe away the tear from every eye; there would be no more death, no mourning or crying.

Instructive also is the fact that the seer saw not temple or church in the Holy City. The city itself had become the Church. All of life in this New Jerusalem was holy, and all its relationships were the relationships of worship and truth.

Is this only a dream, or is it something for the attainment of which men may live and work and pray? Shall we see the nations walking in the midst of the light of this Holy City and the kings of the earth bringing their glory into it?

It is a vision that has been realized in the lives of some men. There are those who have lived unselfishly and nobly in the spirit of a world made perfect. If it has been realized for some, is not this the hope that it may be realized for others and that earth and heaven shall yet truly meet in the new Jerusalem?

If the whole of humanity were as good as some good men whom we have seen and known, the dream would be realizable. Who can say that humanity may yet be as good as those who represent humanity at its best?

SHIVERS AIDE HEADS IKE OFFICE

Stevenson, Eisenhower Set Up Headquarters In Rival Political Camps at State Capitol

By VERN SANFORD, Texas Press Association.
Campaigning in Texas in high gear.

First to open statewide campaign headquarters were the Texas Democrats for Eisenhower. In charge is Weidon Hart, long-time aide to Gov. Allan Shivers. A few days later Warren Woodward, Houston attorney, moved to the capital city to set up the Stevenson-Kefauver camp.

Says Hart, "Our campaign is backed by Texas Democrats who supported Eisenhower in 1952 and who can see no reason to change."

First of a series of ads in behalf of Ike appear in Texas newspapers this week. Stevenson ads will follow as Woodward's program begins to unfold.

Meanwhile candidates for the vacated Senatorial post of Price Daniel are jockeying for position. But none has made what could be called a statewide plea for support.

Daniel is finally "in" as the Democratic nominee for governor. But procedure for naming a new U. S. Senator still is as muddled as ever. He resigned his senate seat effective Jan. 15, "or sooner if a successor is elected."

When this can be done, and how, hinges on (1) when the governor calls a special election; and (2) whether the State Democratic Executive Committee decides to try to hold party primaries before the special election.

Meanwhile Governor Shivers is on a bear hunt in Kodiak, Alaska, with two of his sons.

Segregation Proposals
Legislation designed to circumvent the school integration ruling

State Capitol NEWS

has been proposed by the advisory committee.

Bases of the plan: (1) local boards could not desegregate schools unless so directed by a vote in the district, (2) liberal consideration would be given requests of parents wishing to avoid sending a child to an integrated school and (3) persons trying to force integration would be liable to prosecution.

Governor Shivers said he would use the report in making recommendations to the next Legislature.

Roughage Stymied
It took drought-hurt Texas farmers only about two weeks to swamp the million dollar federal aid program for roughage.

U. S. Department of Agriculture has ordered that no more applications be approved while it makes a "careful reappraisal" of demands. Under the program, originally designed to run to Jan. 15, farmers in drought disaster areas were to receive certificates good for \$7.50 per ton for purchase of roughage for cattle.

State Building
An estimated all-time high of \$27,600,000 will be spent on new state buildings in the fiscal year just begun.

More than half of this, or \$14,000,000 will be used in Austin. A whopping \$6,000,000 will be poured into the new state office and courts buildings for which sites now are being cleared. Another million will be used to repair and air condition the Capitol building.

Panel Named

Eight men have been named to take another look at the perennial hot potato — securities regulation.

They will study the effectiveness of two laws passed by the last Legislature. One revised the state securities act which is administered by the Secretary of State. Another created the Insurance Securities Division handled by the Insurance Commission. Likely they also will discuss the long-debated issue of whether the two securities regulating divisions should be combined.

School Studies
Ways to get "more for the money" out of Texas' school system are being sought.

A statewide advisory committee of educators and lay citizens has just launched a six-month study of ways to make most effective use of school properties and personnel.

Ideas being considered: (1) a 10-month school year, (2) a longer school day with staggered schedules, (3) more use of college students to assist teachers and (4) more multi-purpose rooms in schools.

College Enrollments
Texas college campuses are overflowing again, even more than in post-war days.

Many schools report record enrollments. Some expected totals, after latecomers straggle in: University of Texas 18,000; University of Houston 13,500; Texas Tech 8,000; Texas A&M 7,400; Texas Christian University, Southern Methodist University, and Baylor, about 5,400 each.

At least one school, Texas Western at El Paso, was having to curtail its curriculum because of teacher shortage.

Short Snorts

San Antonio civic leaders were disappointed to learn state law forbids their finding more auspicious housing in the Alamo City for state historical documents currently stored in a Quonset hut in Austin. Documents recently were moved from the Capitol building to make room for an electric computer. Latest tips for keeping tabs on eight million Texans will be given out by the State Health Department at a Dec. 6-7 conference on vital statistics. Registration officials will study problems arising from birth and death certificates and other statistical records. Archie H. Christian has been appointed director of the new right-of-way division in the State Highway Department.

Injuries Fatal To Driver in Local Wreck

Mitchell County Monday counted its second traffic fatality of the year.

Edward Frank Eudaley, 76, died in the local hospital from injuries received Friday in a two-car collision on Highway 80 in Westbrook.

Funeral service for Eudaley, who lived in Claude, was conducted Wednesday in the Cottonwood Church of Christ near Cross Plains. Burial was in Cottonwood Cemetery.

Eudaley was driver of a 1950 model pickup truck that was in collision with a 1955 model sedan driven by Eddie Ray Mitchell of Westbrook.

Both vehicles were total losses. Mitchell and his wife and daughter, Sandra Kay, 10 months of age, were traveling west on Highway 80 en route from Sweetwater to Andrews, where they will reside. Eudaley was driving east on Highway 80 and attempting to turn into a service station when the accident happened.

Mitchell is a driller for Sabre Drilling Company.

Eudaley is survived by one daughter, Mrs. Irene Brown of Kermit; three sons—R. W. Eudaley of Dal. N. M., Clint Eudaley of Spearman and Frank Eudaley of Goldsmith; two sisters, Mrs. Rosa Purvis of Cross Plains and Mrs. Ena Joy of Odessa; three brothers—John Eudaley of Portales, N. M., Alvie Eudaley of Claude and Jim Eudaley of San Jose, Cal.; and six grandchildren.

FOR COOL, EFFICIENT COOKING

Store Displays Signal Opening For 'Range Change Time' Sales

The modern gas range is as automatic as any range made today. It is equipped with special refinements to suit any need of the most exacting homemaker.

So rapidly are now and improved features being added to modern gas ranges, that models in use only a few years are considered by some homemakers to be out of date. This is true even though the older models are dependable and still capable of producing good cooking results.

All of the time, work and money-saving advantages outlined above are literally packed into the striking, new lines of modern gas ranges now being shown by gas appliance dealers and Lone Star Gas Company in Colorado City.

During the entire two months of "Range Change Time," the homemaker will be afforded the valuable opportunity of seeing the most fashionable and desirable arrays of gas ranges ever assembled by dealers of fine cooking equipment.

The homemaker may literally experience a shopper's holiday in her choice of models and the dozens of automatic, convenience and operating features that enhance the beauty and increase efficiency of the modern gas range. Dealers will give actual working demonstrations of the multiple features that accompany each range line.

The dealers are offering low down-payments, extra trade-in allowances, easy terms and special discounts. Customers will receive special gifts.

There's an automatic clock control for oven cooking and an automatic timer that signals when food is done after the time is set for a predetermined cooking period. And there is an automatic oven heat control.

One of the latest gas cooking developments is the top-burner control which automatically shuts off the gas. It prevents burned pots and ruined food and saves on gas.

Newest automatic device offers thermostatically controlled heat for top-of-the-range cooking. This permits the homemaker to use any type of cooking vessel in meal preparation and receive the same precise results.

The automatic top-burner control prevents overcooking as well as undercooking and gives constantly good deep-fat frying, pan frying, boiling, or griddle cooking without separate appliances. In fact, it actually makes an automatic appliance out of an ordinary pot or pan.

That's not the whole story about the numerous highly desirable convenience refinements carried by dozens of gas ranges that may be seen by homemakers during "Range Change Time."

Birthday Party Compliments Delmar Bowlin

LORAIN—Mrs. Delmas Bowlin complimented her son, Bobby, with a party recently at their home three miles north of Loraine.

The party celebrated the honoree's fourth birthday.

An Indian theme was carried out in decorations and refreshments. Indian headpieces were given as favors to guests.

Lawn games were played and photos were made of the party group by Mrs. Bowlin.

Ice cream, punch and birthday cake were served to Frank Stewart, Bimbo Stewart, Clayton Finch, David Compton, Susan Compton, Rocky Sheppard, Marjorie Sheppard, Tim Hamilton, all of Loraine, and David Parker of Rockdale.

Mothers attending were Mrs. Shep. Compton, Mrs. Mardell Sheppard, Mrs. James Stewart and Mrs. Lynn Hamilton.

Thought-Provoking

The electronic equipment you'll find on your visit to the open house in the dial telephone building will give you plenty to think about... facts about your telephone service you've never considered before.

And you may win a demonstration long distance call. Everybody's welcome... guides will show you around the dial building from 2 to 4 and 6:30 to 8:30 p.m., Tuesday and Wednesday. Southwestern Bell Telephone Company.

LONG DISTANCE IS TWICE AS FAST WHEN YOU CALL BY NUMBER

COOKS WHILE SHE SHOPS—Cakes, pies, roasts—any over, food will be ready when she returns. The oven guard on this gas range turns oven on, holds proper heat and shuts oven off even when there's no one at home.

They range from giant top burners and removable glass oven windows to Dutch ovens and built-in griddles and rotisseries to special plate warming shelves and removable range tops.

Lone Star home economists will conduct live cooking demonstrations on dealer sales floors. They will show gas ranges in action as they cook certain foods. As an added attraction, the home economists will pass out special recipe bulletins.

WOLVES OUTWEIGHED 20 POUNDS PER MAN

Big Yellowjackets Favored Over Wolves Here Friday

Kermit High's huge Yellowjackets — undefeated in three games this season — are favored over Colorado High's winless Wolves Friday night at Wolf Stadium.

And from scouting reports, Kermit may be the strongest club the Wolves will meet this year. With a tremendous line that averages 187 pounds — as big as many small college lines — and a backfield that averages 180 pounds — the Yellowjackets have rolled over three opponents by handy scores thus far.

They opened against Hobbs, N. M., winning 19-0; whipped Seminole 23-16 and lashed Lamesa 27-12 last week.

By comparative scores, Seminole licked the Wolves 37-6 in the season opener.

Heading that ponderous line is Pat Lewis, 200-pound offensive and defensive tackle. He is joined at the other tackle position by Gary McDonald, 209.

At ends will be Frank Jones, 201, who earned a varsity letter at Hobbs, N. M. before transferring to Kermit; and Mike Williams, 169-pounder.

A boy who probably will see action is Sam Cates, 169, who was all-district at end last season. The guards are a couple of hefty competitors in Gene Gam-mill, 182, and Leburn Langston, 170, both lettermen. Langston lettered at a backfield position last season.

Center is one of the lightest men on the line at 170-pounds. He is Gerald McClary and is rated by Kermit coaches as one of their outstanding performers.

Key to the Kermit offense is their quarterback Jackie Probst, 186. A junior, Probst faced a stiff battle with senior Gerald Speed for the position early in the season, but now has won a starting berth. Both boys were underclassmen last season to the great Allen Schlosser.

C-ity scouts say Probst will probably be the best quarterback the Wolves face all season long. He is a magician with the ball, runs the belly play series well and passes with good poise.

For his running attack, Probst can call on thundering fullback Monte LaFon, 198, for power through the line or a couple of big, fast halfbacks in Dewayne Wright, 164, and Charlie Thompson, 174.

Thompson is a returning starter from the 1955 team that won 8, lost 2. And to show the keen competition on the Kermit team, Jim Spikes, a starter last year, is unable to make the starting lineup this year. He was beat out by Wright.

In all, there are 18 Kermit lettermen back from the 1955 squad. Their tremendous depth — almost two lettermen to each position — makes them one of the favorites in the state Class AAA football bracket.

Wolf coaches Bob Rely, Joe

Burk and Winfred Talley reported the team in good shape for the Kermit clash here at 8 p. m. Dru Vowell, letterman tackle who saw defensive action against Monahans, may be ready for double duty this Friday.

The 176-pounder will join big Jim Windham, 220, at the tackle positions.

Reilly will stick to Kenney Simmons, 165, and Paul Free, 157, at the guard slots.

Bobby Carpenter, 166, one of four seniors on the starting line-up, will start at center.

Two juniors — Jimmy Richardson, 156, and Don Black, 136 will get the call at end positions. Wolves' line averages 168 pounds almost 20 pounds less than Kermit's.

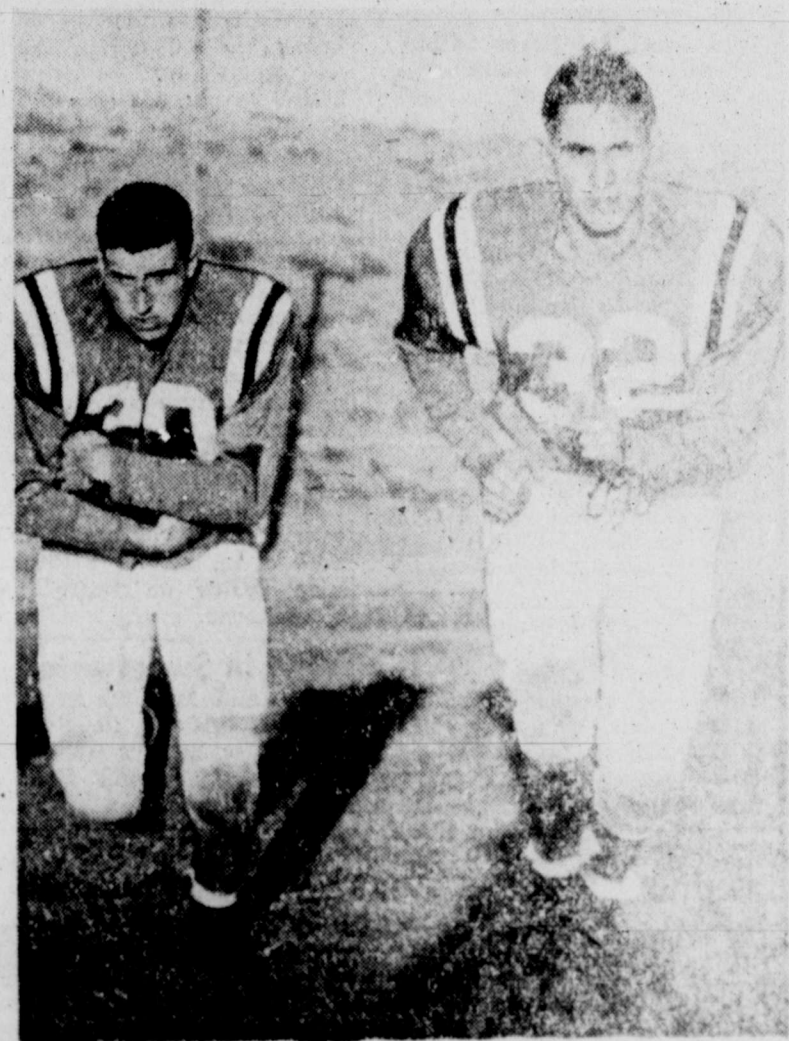

Bobby Caffey, who operated practically the entire game at quarterback against Monahans, will start again.

Bancker Cade will start at left half with James Shoemaker at fullback. Cade is a 152-pound junior while Shoemaker is a 165-pound sophomore.

Delbert Lewis, 137, will start at wingback.

Roy Maples, who lettered at quarterback last season, was looking good this week at a half-back post. His twin brother, Troy, a halfback, has been bothered with injuries.

Wolves may spring a few surprises in offensive formations against Kermit, Reilly revealed at Quarterback Club Tuesday night. "We're going to carry the fight to Kermit and give it our best," Reilly added.

WOLF HALFBACKS — Bancker Cade, left, and Troy Maples will be counted on to share duties at the halfbacks posts in the Wolves' grid game here Friday against Kermit High. Cade is a 152-pound junior while Maples is a 140-pound senior, twin brother of quarterback Roy Maples. (Record Staff-Photo)

MRS. FLOYD HIGGINS WINS FIRST

Three Contestants Pick Perfect Grid Cards in Football Contest

The odds are great, but it happened.

Record's football guessing contest is going into its fourth year this season and it never happened before.

We're referring to a contestant picking all games correctly and hitting the key score right on the head.

But not only did one person do it this time, but three did it!

The three — Mrs. Floyd Higgins, 1142 Cedar; Jesse V. Bolin Jr., 2124 Locust and Clyde Wayne Feaster, Star Route — picked all 12 games correctly and list 20-7 as key score on the Colorado City-Monahans game.

Since the Record has only two tickets to the Hardin-Simmons vs. Arizona State game, a clear cut winner had to be determined.

The names were placed in a box, shaken sufficiently and drawn by Bill Quimby, Chamber of Commerce manager.

First name drawn for first place was Mrs. Higgins.

Second place was Bolin and third, Feaster.

Mrs. Higgins receives the two college grid tickets. Bolin receives a one year subscription to the Record and Feaster receives two movie tickets courtesy of the Colorado Amusement Co.

Mrs. Higgins said she filled out the contest blank with no outside help.

A perfect card by any of the contestants on any other particular week would certainly be a winner.

But the games all ran true-to-form last week with no major upsets, thus the unusual amount of perfect cards.

In fact, 11 persons picked all games correctly.

Fourth place winner with a perfect card and a key score guess of 19-6, only two points off the correct score, was Mrs. W.L. Ashmore of Silver.

Others who picked all games correctly but were further off on the key score were:

James E. McMullen, 1230 Oak; Miss Elinor Harvey, county home demonstration agent; Tommy Shelley, 1305 Pine; Jackie Bonson, 1428 Austin; Earl D. Taylor, 1334 Walnut; Johnny T. Stewart of Silver; Toby Dearen, 1439 Pine.

Persons missing only one game were T. V. Tipton, Jerry Lady, Jamie Anderson, Mrs. E. J. Lelek, Philip Berman, Howard Cain, Francis Winn, David Earl Taylor, John D. Jett, Jerry Treadwell, Joan Swann, Mrs. Toby Dearen, Mrs. Bill Quimby, Jim Richardson, Bill F. Robertson, B. H. Gary, Coy Dillard of Baylor University, Henry Hoyle, Billy G. Polk, Mrs. Lee Brown of Robert Lee, C. G. Harkins, E. B.

Carlock, B. J. Taplin, Glenn Thomas, Alfred Byrd, obbie Trammell and Drew Ballard.

A record number of entries were in last week's contest with a large number of out-of-town entries.

Perhaps the farthest away from Roy Overturn, Sun Oil employee formerly of Colorado City and now living in McAllen.

This week's contest should attract even more entries with the top prize of tickets to the Oklahoma vs. Texas game Oct. 13 in Dallas.

The contest is always a sell-out and one of the most colorful of the Southwest Conference inter-sectional schedule.

Entries should be brought by the Record office by 5 p. m. Friday or mailed before 8 p. m. Friday.

Co-Hosts Named for Club Meeting Oct. 12

PAYNE—Next social event for Payne-Seven Wells Club will be Oct. 12.

Hostesses for the meeting will be Mrs. Henry McGuire and Mrs. J. H. Carlock.

Hosting the club last Friday night at Seven Wells school building were Mrs. N. O. Brown and Mrs. Rufus Marshall.

Simmons Listed As Top Grab For Rice Team

In the state with scholarships offered from every school in the south.

BILLY SIMMONS,
top prospect.

Billy Simmons, all-district end of the 1955 Colorado High football team, has been recognized as one of the outstanding freshman grid prospects at Rice Institute in Houston.

Simmons, 6-3, 190, was labeled by a Houston newspaper as one of the seven outstanding schoolboy players lauded by Rice.

Simmons is the son of Mr. and Mrs. Earl Simmons.

Other schoolboy stars pictured with Simmons were Bobby LaBarbo, 180, back, Port Neches; Gordon Speer, 180, back, Barbers Hill; Jerry Graves, 210, center, Big Spring; Billy Buck, 175, back, Schulenberg; Larry Dueitt, 190, back, Corpus Christi; James Shelton, 225, tackle, Denton.

The paper said Graves was one of the most sought-after linemen in the state and Dueitt, the most widely sought high school player

T-Tech Meets Texas Aggies In Dallas Tilt

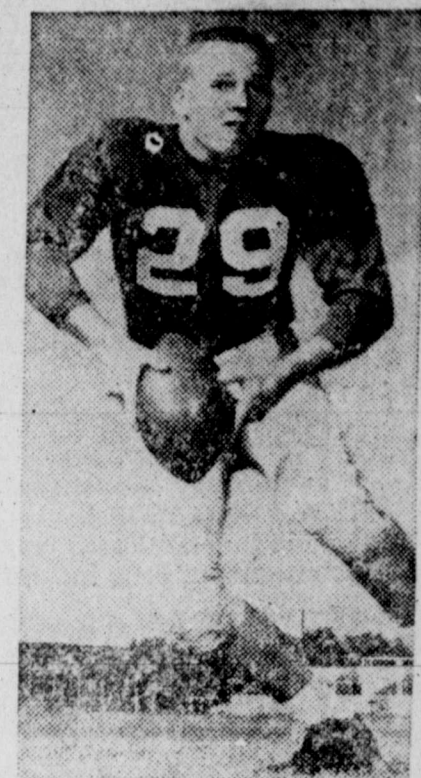

Texas Tech's sophomore-laden Red Raiders play their second Southwest Conference foe in as many weeks as they meet Texas A&M in Dallas Saturday night.

Baylor University flashed a fine all-around attack in drubbing the Raiders 27-0 last week.

Texas A&M, 9-6 winner over Louisiana State last week, is heavily favored to avenge a 41-9 defeat the Raiders handed the Aggies two years ago. A&M holds and 11-3 margin in the rivalry begun in 1927.

Tech emerged from the Baylor game without injury. Halfback Duke Frisbie of Memphis, held out of the game with a shoulder injury, may still be sidelined, however.

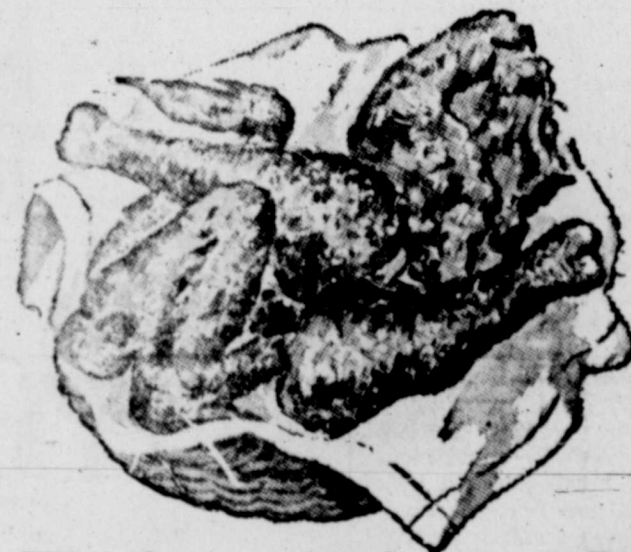

Next week the Raiders are hosts to West Texas State, a favorite for the Border Conference championship.

DON WILLIAMS,
Texas Tech captain.

1957 LINE AT CRADDOCK-WITTEN

Ford's Larger, More Powerful Models Offer Two Body Sizes

Ford's 1957 line of cars—first time in history with two sizes—are on display this week in a premier showing at Craddock-Witten, 118 Walnut.

On the display floor are the Fairlane 500 club sedan, Custom 300 four-door sedan and Del Rio Ranch Wagon.

Special feature of the premier showing of the 1957 Ford models, which extends through Saturday, are special prizes for all persons attending the display.

Visitors in the Craddock-Witten showroom are invited to register for prizes that will be awarded Saturday evening following a drawing. Top prize will be \$50 in Craddock-Witten merchandise or service and winners do not have to be present at drawing to win.

Children, too, will receive free souvenirs during the premier.

The new Ford models, according to J. S. J. Jay Craddock Jr. and George Witten, represent the biggest change in modern history of the Ford car.

The new Ford line divides into two basic sizes, Fairlane and Custom, plus the station wagon series, each with its own body and chassis. In addition, the Fairlane series has been expanded to offer "Fairlane 500" models, which have extra luxury features.

The 1957 Fairlane and Fairlane 500 sedans are nine inches longer and four inches lower than last year's comparable models.

Custom and Custom 300 sedans are more than three inches longer and nearly three and one-half

inches lower than the 1956 models. Station wagons are three and one-half inches lower, and nearly six inches longer.

Fairlane and Fairlane 500s are built on a 118-inch wheelbase. Station wagons, Customs and Custom 300s have a 116-inch wheelbase.

"There has been no sacrifice of headroom inside the car, in spite of their reduced height," Witten said. "The new frame extends to the sides of the car, and this permits the floor to be lowered inside the frame rails."

"The design and styling are new from the ground up. Every dimension is changed. Wheels, frame, rear axle, drive shaft, engine, and every inch of sheet metal in every body style are definite departures from past models," he said.

Riding ease has been improved by using a longer, wider frame with lower pressure tires on wider treads, and employing redesigned ball-joint suspension in front and outboard-mounted longer leaf springs in back.

For the first time, a high performance V-8 engine is available as an optional power plant on all Ford cars. The engine, called the Thunderbird Special, develops 245 horsepower, and is equipped with a four-barrel low silhouette carburetor.

Standard engine for the Fairlane and station wagon series is the 212 h. p. Thunderbird V-8. A 190 h. p. V-8 is standard for the Custom and Custom 300.

Both have two-barrel carburetors. In addition, the 144 h. p.

Mileage Maker six is available on all models. All engines can be ordered with standard, overdrive or Fordomatic transmissions.

Ford's new styling starts with wide hooded headlights and a forward slanting grille, and includes streamlined wheel openings, a windshield that wraps further around the sides for better visibility, distinctive fins at the rear, and contoured sides that give the car a sculptured look.

"Hardtop" styling is the trademark of the conventional two door and four door sedans in the Fairlane and Fairlane 500 series. The effect is achieved with thin side pillars. Ford's true pillarless "hardtops," the four-door and two-door Victorias, also are offered in these series.

Station wagons have flatter roof lines, with a contoured step down midway back from the windshield.

Ford's safety feature introduced in 1956 have been improved. There is a new safety instrument panel with recessed control knobs clustered under the redesigned deep-center steering wheel.

Safety door latches have been reinforced to withstand greater impacts. A three and one-half inch shock absorbing area is provided over the steering column by the new safety steering wheel, which is one inch smaller in diameter.

Roofs have been strengthened with steel center bows. Hoods are hinged at the front so air will hold them down if they open accidentally. The fresh air intake has been moved to the cowl in front of the windshield.

For 1957, Ford offers a broad range of optional features including power-operated steering, brakes, seats and windows, as well as air conditioning, tinted glass, six and eight tube radios, and heaters.

If you look the world over, you'll never find so much good entertainment and spectacular fun as you'll find at the 1956 State Fair of Texas. This year's extravaganza, October 6 through 21, will present a kaleidoscopic program of sparkling entertainment, fashion shows, football games, livestock shows, agricultural and industrial exhibits, contests and special events, youth activities and carnival merry-making. There's something wonderful for everybody at this festival of fun!

Imagine these shows: "DAMN YANKEES" starring Bobby Clark and Sherry O'Neil, ICE CAPADES featuring "Peter Pan," Joe Chitwood's AUTO DAREDEVILS, and many new rides and shows on the MILLION \$ MIDWAY.

And the big name talent: ELVIS PRESLEY on October 11, LOUIS ARMSTRONG on October 15, THE SPORTSMEN and ROGER WILLIAMS on October 16, VICTOR BORGE on October 20, FIESTA MEXICANA on October 21.

The fabulous sights: an ESPLANADE OF LIGHT, PAN-AMERICAN LIVESTOCK SHOW, a GALLERY OF PRESIDENTS in the Art Museum, amazing EXHIBITS in the Automobile Show, Electric Show, Gas Show, Women's Building, Food Show, Farm Implement Exhibits, Agriculture Show.

Not to mention free band concerts, aerial acts and free shows at the INTERNATIONAL CENTER with exhibits of thirteen foreign countries, free MAGIC SHOW, PLANETARIUM.

Naturally, I'll be there to greet you... and to introduce you to my new pet Hereford. He's only 12 feet tall, but he's mighty cute.

Yes, there's no doubt about it. We're Shootin' the Works, all right. It's the most extravaganza, most colossal, most sensational fair of all... and it's the biggest state fair in the world! Come 'n see!

Callaway Joins Army for European Duty

Joe Clyde Callaway of Westbrook has enlisted in the Regular Army for assignment to Third Armored Division in Europe.

Callaway, son of Mr. and Mrs. Clyde J. Callaway of Westbrook, enlisted for the Third Armored under the Army "Gyroscope" program, which allows young men to enlist and know they will be in one unit during their entire enlistment.

His application for "Gyroscope" enlistment was submitted in Colorado City through Sgt. Hazlett, Army recruiter who visits the city weekly.

Sgt. Hazlett is in Colorado City every Tuesday from 8 a. m. to 4:30 p. m. at the Veterans Service Office on third floor of Courthouse.

Visit in Sweetwater

Mr. and Mrs. R. R. Terry of Loraine visited in Sweetwater Sunday with their son-in-law and daughter, Mr. and Mrs. J. D. Cox, and family.

FOR WEEK OF PRAYER

WMU, Ruth Class In Joint Program

Record Correspondent.
PAYNE—Women's Missionary Union and Ruth Sunday School Class at Payne Baptist Church combined last Thursday for a special program.

The combined program was in observance of the WMU week of prayer.

Mrs. J. E. Tiller was program chairman and devotion was by Mrs. Grady Beach. Presenting portions of the program were Mrs. K. C. McAdams, Mrs. Dennis Fortenberry and Mrs. J. D. Gibson.

Here Today!

A new kind of FORD with the mark of tomorrow

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive at that's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any car buyer can easily afford. Come in! See what wonder cars you can buy now at low Ford prices.

IN TWO NEW SUPER SIZES

OVER 18 FT. LONG On a New 116" Wheelbase	3 Custom Models	2 Custom 300 Models
OVER 17 FT. LONG On a New 114" Wheelbase	4 Fairlane Models	5 Fairlane 500 Models

PLUS 5 NEW MODELS IN THE STATION WAGON SERIES

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal... no counterpart, in the low-price field.

GAME TO CLIMAX ACTIVITIES

Loraine Ex-Students to Gather Oct. 12 for Homecoming Event

By MRS. C. C. HAMILTON, Record Correspondent.

LORAIN—Annual homecoming for ex-students of Loraine Schools is scheduled here Friday and Saturday, Oct. 12-13.

The homecoming dates were announced by J. Wiley Walker, 1956 president of Loraine exes.

Approximately 200 invitations have been sent to ex-students and former members of Loraine faculty and a large crowd is expected from many towns over the state.

The homecoming group also will include exes returning from out of state.

The two-day homecoming event will begin with registration Oct. 12 at 2 p. m. in Loraine High. Registration and reunion of exes will continue there until 5 p. m.

A pep rally and bonfire is scheduled for the night of Oct. 12. Registration will be resumed at

10 a. m. Oct. 13 at the high school. Barbecue lunch will be served at the school cafeteria Oct. 13 at noon.

Individual class reunions will be scheduled for Saturday afternoon, Oct. 13, in various rooms at the school.

A football game between Loraine High and Stanton High Saturday night, Oct. 13, at 7:30 p. m. will climax the homecoming activities.

Ex-students will attend church of their choice the following Sunday morning. A Sunday afternoon tea, Oct. 14, will be sponsored in the school lunchroom by the Future Homemakers of Loraine High as a concluding feature of the homecoming.

Shaping up plans for the homecoming with Walker are two other officers of the alumni association—Supt. Don Robbins, who is vice president, and Mrs.

Ivan Rhodes, secretary.

Dr. and Mrs. Bruce Johnson and the doctor's mother, Mrs. Frank Johnson, were in Abilene Saturday to attend the Shrine Circus and to see the McMurry-Texas A&I football game.

Miss Gladys Phillips visited in Iredell over the week end with her parents. Accompanying her as far as Cisco for a visit with her mother was Mrs. Dottie Marshall.

Attend Snyder Party

Mrs. Lynn Hamilton and son, Tim, of Loraine were in Snyder Tuesday for a birthday party complimenting Eddy Dale Bowlin, son of Mr. and Mrs. Glen Bowlin. The honoree is a nephew of Mrs. Hamilton.

FHA FILES REQUESTS

Roughage Program Lacking in Funds

Applications for Texas Emergency Roughage program already has exceeded original financing for the emergency plan.

And the overflow of applications is resulting in a re-appraisal of actual cash requirements for the feed roughage program within the state.

In the meantime, Mitchell County Farmers Home Administration office has been instructed to withhold further approval of roughage purchase certificates.

However, the county office is authorized to continue accepting and filing applications for assistance under the roughage program, according to John Russell, local FHA administrator.

"That means," Russell said, "that we are instructed to take no action on these applications, but hold the applications on file and report daily to the State FHA office on the tonnage requirements covered by the applications."

Local FHA office was notified last week by Walter T. McKay, Texas state director of Farmers Home Administration, that applications for the roughage have exceeded demand estimates made when the program was originally negotiated.

The negotiated agreement—between Secretary of Agriculture Ezra Taft Benson and Governor Allan Shivers—provided for allocation of only one million dollars of federal funds for the roughage program.

Funds for the program are allocated by the U. S. Department of Agriculture from special disaster financing.

The State FHA office has requested the assistance of Texas USDA drought committee and state officials in making a re-appraisal of the requirements needed to meet the demand for feed roughage under the emergency.

LORAIN BAPTISTS

Leaders Named for New WMU Circles

By MRS. C. C. HAMILTON, Record Correspondent.

LORAIN—Reorganization of Loraine First Baptist Church Women's Missionary Union into two circles was completed Monday with election of officers.

Members of both the South Circle and North Circle conducted their elections immediately following the WMU meeting at the church.

Elected chairman of the South Circle was Mrs. W. D. Green. Mrs. Harvey Leach was named vice chairman.

Other officers selected by the South Circle include Mrs. J. W. King, secretary and treasurer;

Mrs. Edgar Baumann, mission study chairman; Mrs. Edwin Hallmark, prayer chairman; Mrs. B. Lee, stewardship chairman;

Mrs. Bobby Rine, community missions chairman.

Also, Mrs. W. C. Rogers, song leader; Mrs. R. K. Thornhill, pianist; Mrs. John Johnson, assistant pianist; Mrs. Ed Miles, young people's leader; Mrs. A. J. Barron, Bible study chairman, and Mrs. Dottie Marshall, reporter.

Mrs. Dexter was elected president of the North Circle with Mrs. Harold Hallmark as vice chairman.

Other South Circle officers are Mrs. Pauline Smiley, Mrs. George Mahoney, program chairman; Mrs. Bud Shepherd, community missions chairman; Mrs. Earl Phillips, mission study chairman.

Also, Mrs. Lewis Claxton, stewardship chairman; Mrs. Schroeder, prayer chairman; Mrs. L. E. Crutcher, social chairman; Mrs. Roy Linder, reporter and treasurer.

The reorganization with two circles replaces a previous WMU organization of four circles. The North Circle includes church women who live north of Rector Street and the South Circle includes those who reside south of Rector St.

South Circle has announced that it will meet Monday afternoon at 3 o'clock in the home of Mrs. W. D. Green.

At Housewarming

Attending a housewarming in Snyder for Mr. and Mrs. B. Black recently were Mr. and Mrs. Calvin Forbus of Loraine. Mr. Black is a nephew of Mr. and Mrs. Forbus.

IN CHURCH FELLOWSHIP HALL

Shower at Westbrook Honors Bride Before Trip to Alaska

By MRS. ALTA CLEMMER, Record Correspondent.
WESTBROOK—A bridal shower in Fellowship Hall of Westbrook First Methodist Church recently complimented Mrs. Marion Daughtrey, the former Miss Betty Lynn Johnson.
Mrs. J. D. Iglehart greeted guests and Mrs. B. G. Hamrick presided at the registry.
Presiding at the crystal punch service were Mrs. W. E. Rucker and Mrs. F. B. Oglesby Sr.
The bride's table was laid with

crocheted ecru cloth made by the bride's great aunt, Mrs. Frank Oglesby, over blue. Table decorations included blue and white cut flowers with bride's figurine and ribbon streamers inscribed in gold with "Marion & Betty."
Also in the house party were Mrs. Newton Bacon, Mrs. H. P. Iglehart, Mrs. L. E. Gressett and Mrs. J. D. Quinlan.
Approximately 50 guests registered from Abilene, Colorado City, Dorn and Westbrook.

Immediately following the shower Sgt. and Mrs. Daughtrey departed for Anchorage, Alaska, where the sergeant is stationed with U. S. military forces. The couple was married Sept. 22 in Colorado City's St. Luke Methodist Church.
Mrs. Jewel Brewer, Mrs. F. B. Oglesby and Mrs. W. E. Rucker were in Big Spring Thursday for shopping and also to visit with Mrs. Rucker's daughter, Mrs. E. B. Patterson.

Mr. and Mrs. Albert Young, Mr. and Mrs. Pete Ellis enjoyed a Sunday tour to San Angelo, Meritson and Big Lake. Mrs. Young formerly was a teacher in Meritson schools.
Mr. and Mrs. L. D. Brookshire and children of Midland visited with Mr. and Mrs. R. O. Lee of Westbrook. Mr. and Mrs. Bud Compton and family of Colorado City over the week end.

Floyd McCann Family Moves To California

By MRS. C. N. STUBBLEFIELD, Record Correspondent.
LANDERS — Mr. and Mrs. Floyd McCann and family left last Friday for California.
They will visit relatives in California before locating for permanent residence somewhere in the West Coast state.
Sunday luncheon guests in the home of Mr. and Mrs. Mayse were Mr. and Mrs. Bert Mayse, Mr. and Mrs. G. W. DeLong.
Bobby Mayse, son of Mr. and Mrs. Mayse, recently returned to studies at Texas Tech in Lubbock where he is a sophomore.
Osa Hardin left Sunday on return trip to his home in Modesto, Cal., following a three-week visit here in the home of Mr. and Mrs. Dave Stubblefield.
Last week Hardin and Travis Stubblefield went to Cross Plains for a visit with friends and relatives prior to his departure.
Mr. and Mrs. Burrell Fortenberry and children of Midland visited here Sunday with Mr. and Mrs. Dave Stubblefield, Mr. and Mrs. Charles Stubblefield.
Recent visitors in the home of Mr. and Mrs. Sidney Compton were Mr. and Mrs. K. C. McAdams Sr. of China Springs, Mr. and Mrs. R. C. Patterson, Mr. and Mrs. R. C. Patterson of Robert Lee.
Mr. and Mrs. Forrest Porter were hosts recently to Mrs. L. K. Long and daughter, Jan, of McKinney.

Returns from Abilene
Visiting in Abilene Thursday and Friday with her son and daughter-in-law, Dr. and Mrs. Dale Johnson, was Mrs. Frank Johnson.
A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again. Some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.
One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.
"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition, of a Democrat, than that other fellow ever will be."
And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.
You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done FOR them—or FOR them." That's the way we think of ourselves, and it's about right.
This Eisenhower man pointed out that Ike promised to give the Tidlands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

"THERE IS NO MOMENT LIKE THE PRESENT"

— (Author's name below) —
Your future health can be good or bad, depending on what you are doing now to protect it. If, when illness strikes, you delay seeking the skilled advice of your physician, you expose yourself to complications that later in your life may torment you.
Nature sends you pain or discomfort to warn you that something is wrong. Self treatment drugs that temporarily relieve that pain or discomfort, may hide a trouble that can become serious. Beware. At the first sign of illness get your physician's advice and let him treat the real cause of your trouble.

Ike Better Democrat Than Adlai, Says Supporter

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.
"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother McAdams and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on going it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:
"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"
This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep up OUT of war.
That's why I still like Ike better than ever!
Tex
