

Roby Lions Look To Eliminate Mistakes Against Aspermont

Mistakes are something Howard McDaniel's Roby Lions can't afford to make in their season opener Friday against Aspermont. Errors, however, plagued the team in their final scrimmage last Friday against Robert Lee as the Steers came out on top by a 2-1 score.

"We both drove down the field and scored on our first possessions and then

each team ran 8 plays from their opponents goal line. They scored once and we didn't," said McDaniel. The coach was pleased with the effort displayed by his kids and is anticipating a fine year even though he admits the Lions must do away with the mental errors.

"In both scrimmages we had several good drives going only to see them

stopped by a mental mistake or a penalty of some sort," said McDaniel, our offense hasn't jelled like it should at this point, however our execution and consistency were greatly improved."

The Lions will travel to Aspermont Friday to face a young Hornet squad. "They graduated a lot of good players so they have a relatively young team,

but they will probably be one of the best teams we play in the pre-season," stated the coach.

traditionally the Hornets have a good running game and this year will be no exception. "We will have to shut down their running game, they have a talented back named Glover Miller, who is about 6'0", 175 lbs. with tremendous speed. Aspermont doesn't like to

throw the ball, they will primarily stay on the ground," said McDaniel.

One of the bright spots that the Roby coach noted in the Robert Lee contest was the play of his defense. "I was very pleased with the defensive unit, they had a good ball game."

He feels that one of the major factors in the Lions offensive success will be

his line. "They seemed confused at times during the Robert Lee scrimmage therefore we had some unnecessary errors."

The seniors have shown tremendous leadership, and he says that is going to help the team as a whole.

"I think they will be the key to our season. So far they have fulfilled their roles as leaders and shown a lot of enthusiasm."

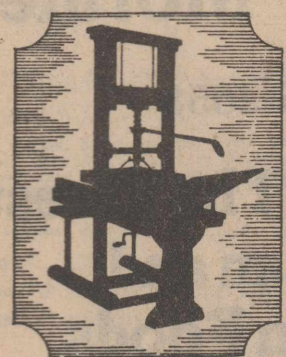

Roby's district boasts several quality teams. Roscoe, state finalists last

year is the pre-season favorite, Klondike, Sands and Forsan could all make a run at the title however.

Game time for Fridays contest is 8:00 p.m. in Aspermont.

Rotan Council Names Temporary Chief

Robert Bailey was appointed temporary Chief for Rotan during Rotan City Council's special meeting Friday. Councilmen took action on several other matters during the proce-

edings.

The chief's vacancy occurred when former police Gene Pack turned in his resignation citing unfair treatment of the police department on the part of

the City of Rotan. Packs resignation was accepted at the meeting. Bailey will hold the temporary post until councilmen meet again, September 13, at which time a new chief will be

named.

A public hearing concerning the Community Block Grant Application was scheduled, however, no one was present so members filed the request for the

grant as planned.

In other business, the 1983 tax roll was accepted. A rate of 42 cents was set, this rate will have to be subject to public hearings however, according to city manager Kenneth Vann.

Council members also approved building repairs for City Hall. These include filling in large cracks and painting the walls.

Rotan High Enrollment Decreases

Enrollment figures at Rotan High School were down over last year's totals according to David Hargrove, principal. 140 students enrolled for the 1983-84 year, six less than last year.

"We have thirty-four freshmen, thirty-five sophomores, thirty-three juniors and thirty four seniors," said Hargrove. He added that there are two students new to the district.

There has been two policy changes that are effective starting this year. They deal with semester test exemptions and grade point average. Students will no longer be exempted from semester tests with the exception of second semester seniors. In the

past, students could be exempted from the tests if they attained a certain average.

Also, Rotan High School will be operating under a

grade point average system. The average will be based on a 4, 5, and 7 point scale.

Students started school Thursday and will get a

break Monday as classes dismiss for the Labor Day holiday.

"We are expecting a good year," said Hargrove.

Special Rotan Booster Meeting

The Rotan Booster Club will be having a special night for the high school players and their parents Tuesday evening September 6 at 7:30 p.m. The meeting will be held in the school cafeteria.

The film from the Roscoe game will be shown and refreshments will be served. (Parents of the players are asked to bring ice cream or brownies).

The club invites everyone to come and meet the players and their families. We want to really get behind our young men and our coaches and let them see and feel our support. If you have not already joined the booster club, this would be a great time to come and get involved. Your support will mean the possibility of doing even more for the

athletes of Rotan.

Let's fill the school cafeteria with fans and show the Yellowhammers we're for them all the way.

National Gypsum Board Of Directors Increases Quarterly Dividend

The Board of Directors of National Gypsum Company increased its quarterly dividend to \$.39 cents from \$.37 cents per share on its common stock payable October 3, 1983, to holders of record September 12, 1983.

John P. Hayes, chairman and chief executive officer, said the increase reflects the continued strength in earnings and sales and our confidence in the future.

"Results from our \$280 million expansion and modernization program appear to have more than lived up to our expectations," Mr. Hayes said.

National Gypsum's six month results indicate that we have identified the correct capacity requirements in the regions where they are needed and market demand in these regions continues strong.

For the first six months, National Gypsum reported that net earnings from operations were \$14.2 million, or 89 cents a share, up 246 percent from \$4.1 million, or 26 cents a share, a year earlier. Six month sales climbed 16 percent to \$509.9 million from \$441.2 million. Earnings for the first six months of 1983 including the extraordinary gain were \$18.6 million, or \$1.17 a share.

Coaches Comments By The Rotan Staff

COACHES COMMENT

TED POSEY: The line showed a great deal of improvement-the blocking was much better.

DICKIE LEPARD: We were not ready to play at first, after we got down to business, we played good defense-we worked on our stunts-our secondary has scored twice & really looks super.

CLIFF FELIX: We are still gaining players and working hard. They are improving.

COACH JOHN SMITH: Boy, what a difference a week can make. Our line play improved 110%-the backs ran hard and gained confidence as the scrimmage progressed. Ben Bryan continues to be super thief-and how about those 10 guys who hustle those blocks! Rene, Joe Paul, Buford, Chris, Dion, Messick and Atkins are making a good solid line. Sammy had his best effort so far, really improved. Connell, Charles, Randy, Rudy, Turnbow, Louis are all good quality. It is very hard to find the best from so many.

I am sure many coaches would like to have the problems I have at Q.B. A good senior, Junior and Soph. to pick from. During our non-district season we will play as many people as possible for experience and to create depth. Greg, Tim and John will all see lots of action.

Friday should be a great opener. Roscoe played an extra 6 games last year. they are a veteran ball club. We are all new to each other, but we are at home and are very tired of losing to Roscoe. Our Seniors will be the difference.

ROTAN JV

The Junior Varsity challenged the Knox City JV last Friday at Rotan. The Rotan Junior Varsity showed much improvement even though they came up short on touchdowns, 1-0. The Rotan defense recovered 3 fumbles and intercepted 1 pass from Knox City, but the offense stalled on their offensive drive. The whole team looked much better.

THE POWER ABOVE

In the days when we took energy for granted those high-tension lines were an eyesore. Now as they sweep across our hills and valleys they somehow seem less intrusive.

Let the energy crunch remind you that there is another Source of power upon which life depends. God's concern for humanity did not cool after our creation. Virtually all the world's religions stress the belief that He continues to provide for our needs—spiritual and physical.

There is then no shortage of The Power Above. Our churches and synagogues strive to bring us and our families into close and continuing contact with it. Religious worship and the study of spiritual truth are as essential to the character of humanity as power lines are to our industries.

Tax Planning by James Rodgers, CPA

NOT JUST NUMBERS ESTATE PLANNING

The term estate planning has been used and misused so often that the average person must wonder what it really means.

Of prime concern is estate planning, which by the way should more properly be called family financial planning, are the dollar considerations for income tax, gift tax, and estate tax.

A family financial plan should provide for maximizing the return on your investments, splitting the income among family members for the optimum income tax savings, planning family transfers during life to reduce the size of your taxable estate, and drafting your will to minimize estate taxes and administration problems. These dollar considerations should all be planned to suit your personal wishes.

Equally important to any family planning is reducing the mental burden on survivors. Locating documents, identifying assets and debts, dealing with attorneys, accountants, bankers, insurance companies, etc. can be very uncomfortable for a grief-stricken spouse. The burden seems to be especially hard on older people.

If the business manager in the household dies leaving a survivor to straighten out muddled affairs, the grief the survivor is experiencing will be greater.

It seems appropriate that a list of your assets and debts, your insurance policies and the whereabouts of various documents should be prepared and reviewed annually with your next of kin. Review your will to determine that changes in assets and changes in status of family members are properly presented.

Involve your accountant and attorney in all major transactions and provide them with a summary of your annual review.

ack anchored by a 1,400 yard rusher last year in the form of Senior Rudy Guzman. Russell Graham, another senior who was plagued with injuries in '82, is back to join Guzman in the backfield. "We will definitely have to keep the ball away from them to win," said Smith.

The offensive potential of Roscoe is complimented by a stingy defense, one of the key factors in a 13-1 season in 1982. Ruben Herrera and Frank Deleora, Senior middle linebackers are hard-hitters and are the nucleus in Coach Troy Kennedy's split-six alignment.

"We have an explosive type offense in the sense that we try to lull people with a ball control ground game and then go to the air with the long ball to catch them off guard. This will be the major test in our pre-season schedule," stated the coach.

Smith has been pleased with the players ability to adjust to his new offense.

adjust to his new offense. "The kids have developed tremendous work habits and haven't had any problems reacting and adjusting to the new looks."

Although Rotan has been picked close to the bottom in the pre-season polls, Smith feels his squad could surprise some people. "We are injury free right now, if we continue that way, I anticipate a good year. Paducah is everyone's choice to take the district honors, but I think it might come down to a battle between Hamlin and Haskell."

The team will select its captains during a squad meeting Thursday. The names will be announced on Friday.

Hustling Around Hobbs

By Joy Walker

We are really having hot weather and sure do need a good rain as everything is about to burn up. The cotton seems to be holding up pretty good, but sure could use a good shower.

Mr. and Mrs. Rudy Martinez are the proud parents of a baby girl, born August 26th, at Fisher County Hospital. She weighed 5 lbs, 14 ozs., and they named her Krystal Brooke. Congratulations to the proud parents and grand-parents, Mr. and Mrs. Rudolph Martinez. Congratulations also to Mrs. Edna Gordon of our community, who won Best of the Show Sweepstakes with her beautiful picture which she entered in the Fisher County Fair. She entered several lovely pictures which she had painted. Edna is the wife of Bishop Gordon. Mr. and Mrs. Ellis Neves from Snyder visited with the J.D. Kincaids on Tuesday.

We are sorry to report that Mrs. Sarah Etheredge passed away Friday at Hendrick Memorial Hospital. Services were held Saturday at Roby and she was buried in the Hobbs Cemetery. She had lived in the Hobbs community since 1944. Our sincere sympathy goes out to her daughter, Mrs. Deena Gantt and two sons, Bill and Bernon, Jr., and the remainder of the family.

Bea Hardin has really been sick; she got sick last Wednesday and is still in the Fisher County Hospital. Some of her sons and their families have been here visiting with her while she was sick. We are pleased to hear this morning (Monday) that she is now feeling lots better, although she is still very weak. We hope that she will continue to improve.

Mr. and Mrs. J.W. Etheredge attended the Roby Rodeo every night, and also the Horse Show Saturday morning. Randy Etheredge rode in the Horse Show. Todd was home from San Angelo for the week-end. Mrs. Lealon Wilburn attended the rodeo Saturday night, also Mr. and Mrs. Sam Etheredge.

Congratulations to Shannon Wilburn, daughter of Mr. and Mrs. Jim Wilburn, who was crowned

Final Rites Conducted For Hub Goolsby

H.W. "Hub" Goolsby, 88, retired Fisher County farmer, died 6 P.M. * Wednesday, August 24th, in the Fisher County Nursing Home. Funeral Services were held 2 P.M., Friday in Weathersbee Chapel with Rev. Derrell Monday, Pastor of First Baptist Church, Rotan, officiating. Burial was in the Rose Hill Cemetery of Merkel under the direction of Weathersbee Funeral Home.

Mr. Goolsby was born April 19, 1895 in Winnsboro, Texas. He was the son of the late Mr. and Mrs. Isaiah Goolsby. He moved to Fisher County in 1942 and farmed in the Roby area. He married Mae Curry, February 22, 1951 in Roby. She died July 28, 1969. Mr. Goolsby was a member of First Baptist Church in Rotan and the Masonic Lodge. A veteran of World War I, he was a member of the American Legion and the Veteran's of Foreign War's.

He is preceded in death by 6 brothers and 7 sisters. He is survived by one sister, Christine Collie of Abilene, and a host of nieces and nephews.

Senior Queen of the Fisher County Fair and Rodeo Saturday night. Also to Stephanie Frierson, daughter of Mr. and Mrs. Tommy Frierson, who was crowned Junior Queen. Teressa Ratliff rode in the Fisher County barrel race all three nights at the Roby Rodeo.

Jim and I went to Snyder on Wednesday and visited with Mrs. Ola Mae Myers who seems to be doing real good. Thursday we went to the Roby rodeo and also visited the exhibits in the Pink Building. I never saw so many beautiful quilts ect, in fact, everything was sure pretty and we really have a lot of talented folks in our county. Friday we attended the scrimmage at Rotan; we played Knox City and really looked good. We went to the rodeo late that night and got to visit with Mr. and Mrs. Blake Walker from Snyder. Melody and Mark came late that night and they stayed until Sunday. Saturday morning we all went to the Horse Show; Jim showed Mac, and Melody rode two horses in the barrel race. We went to the rodeo that night and Mark roped. Sunday night we attended the big barrel race they had at Roby, and Melody rode in two of the Novice classes and rode Seco in the open barrel race. They left Roby around 10 for Italy, so were sure late getting home. We all visited with the Wilber Grubens and the Donnie Grubens while Melody and Mark were here.

Well, this is about all for this week. See you next Thursday.

Hearing Tests Scheduled For Rotan

Electronic hearing tests will be given at the Senior Citizens Center on Wednesday, Sept 7 from 10 a.m. to 2 p.m.

A factory trained, Hearing Aid Specialist, will be at the Senior Citizen's Building to perform the tests.

Anyone who has trouble hearing or understanding speech clearly is welcome to have a test using modern electronic equipment to determine if his loss is one which can be helped. Some of the causes of hearing loss will be explained, and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better.
