Q. How much is the CISD paying the outside appraisers to finish appraising the teachers, now that assistant superintendent Don Nimmo no longer has time, since he is acting as interim superintendent?

A. Interim Supt. Don Nimmo said when he took over the new duties, 63 teachers needed a second appraisal. A contract was made with an outside appraiser to do these at \$50 each or a total of \$3,150. There are 103 teachers that must be appraised, 40 only once and 63 twice, for a total of 166 appraisals per year. Each requires about 3 hours.

QUILT SHOW—Billie Allen (left) shows her quilt "Flower Garden" and Mary Lew Rhea (right) "Rose of Sharon", two of more than 30 entered in Mitchell County Quilt Show Saturday and Sunday. Shirley Dulaney (center) serves as Chamber of Commerce chairman for the event. The center quilt is the one given to Mrs. C. C. Thompson by the Kiwanis Club during the Bi-Centennial.

Quilt Show opens Saturday

Mitchell County Quilt Show will begin Saturday, April 30, at 1 p.m. in the C. C. Thompson Room.

Special displays and exhibitions are planned for Saturday and Sunday from 1 to 4 p.m. and the exhibit may be seen May 2 through May 6 in the lobby of City National Bank.

The show is sponsored by the Colorado City Area Chamber of Commerce. Mitchell County Extension Homemakers have arranged demonstrations, and will serve as hostesses along with Chamber members.

Displays to be seen during the weekend include books on quilting, from the Mitchell County Library. Ramage Appliance is providing a television set and

VCR for viewing a video on quilting. Perry Bros. will show supplies and tools available to quilters. Lone Wolf Arts and Crafts is furnishing quilt stands and benches for the showing of quilts.

Ina Finch will be demonstrating machine quilting and Extension Homemakers will explain lap quilting and strip quilting. Framed squares and stuffed animals made from quilts will also be shown.

More than 30 quilts will be displayed, including one more than 100 years old, several friendship quilts from the 20's and 30's, string quilts, yo-yo quilts, hand embroidered, hand pieced and machine pieced quilts.

Guests are invited to vote for their favorite quilt during the special showings Saturday and Sunday. There will be no judging.

Suspect caught for two local burglaries

Two burglaries of local businesses, apparently committed by the same person, were reported to City Police early last Saturday morning.

Chief of Police Bobby Sparks reported that at 3:14 a.m. Saturday a Purolator delivery employee advised the police that a back glass door at the TU Service building, 400 block of Walnut, had been broken.

Patrolmen Ariaz and Gressett responded and on arrival at the scene noticed movement inside the TU building. When the officers entered and searched the building, they found a person identified as Jimmy Wayne Shannon, 38, W/M, of Colorado City, standing on the comode in the women's rest room. He was arrested and placed in Mitchell County jail, charged with burglary of a business.

Found in his possession was a 35-mm camera, which had ap-

Rotarians take on flag project

Hoping to see the streets of Colorado City lined with U.S. flags on holidays, the Colorado City Rotary Club has undertaken a project to rent flags to citizens and businesses.

The 3- by 5-foot flags, complete with a 10-foot pole, will rent for \$30 a year for seven holidays. The Rotarians will install and take down the flags and flag poles on each of the holidays.

The holidays include Washington's Birthday in February; Armed Forces Day and Memorial Day in May; Flag Day in June; Independence Day in July; Labor Day in September; and Veterans' Day in November.

For more information or to reserve a flag, call Robert Ramage at 728-2160 after 5 p.m. or Jack Starr at 728-3904.

For The Record...

by M. Gene Dow, GM

FROM THE SCRIPTURES—"How is it that we hear them, each of us in his own native language?" Acts 2:8

A new television advertisement designed to entice people to travel in Texas starts off like this: "Neighbor, ya'll look like ya been rode hard an' put up wet. Light a shuck for Texas!" Translation: "You look like you need a vacation. Come to Texas!"

Unfortunately, national television has taken a lot of twang out of the regional dialects, but they will have a tough time "cleaning up" this West Texan. When I was publishing *General Aviation News* I made telephone calls all over the country. Invariably, the receptionists would ask, "Are you calling from Texas?" "Yes, Ma'm", would always lead to additional conversation.

THE LONE WOLF SAYS, "Your thoughts are your very own-spoken words are not; so think all you speak, but do not speak all you think."

Most of us West Texans are like most Latin Americans, we can speak our 'native' language, but few can write it. Mike Smith brought by a clipping

from the "Abilene Reporter-News" that appeared about 10 years ago, a dictionary of Texas terms:

Agg: what a hen lays, or Aints: He's got aints in his paints.

Am: Ma's tard of amin'; or Ara: what you shoot with a bow.

Bagged: he bagged her to marry him; or Bobbed: A bobbed war fance.

Bub: The light bub burned out. A cheer: That's what ya set in; Crick is a small stream of water; or Clumb: He shore clumb that tree.

Chiny is an Asian country; and Core: He got 'emself a new Ford core.

Dinner: What you eat at noon; and supper is eaten in the evenin.

Dreckly is like I'll get it dreckly; Daints is a Saturday night entertainment; and Drass: She was drassed fit to kill.

And there's more, we'll bring 'em to ya Sundry.

DID YOU KNOW? The letter "e" is the most used letter in the alphabet? It is also said to be the most unfortunate letter because it is always out of cash, forever in debt, never out of danger and in torment all the time. Still it is never in war, always in peace and always in something to eat. It is the beginning of existence, the commencement of easy, and the end of trouble. Without it there would be no heaven. It is the center of honesty and always in love.

Hale gains one vote in election recount

Larry Hale gained one vote in the recount of the ballots in the April 12 Runoff Election for County Commissioner of Precinct #3.

Roy Beach, who was the apparent loser in the runoff race against Hale, by a slim 27-vote margin requested the recount.

The recount was conducted Monday morning by a special set of election judges composed of James McMullen, Judy Bridgford, Bitsy Humphreys and Dorothy Shurtleff. The recount showed Hale received 376 votes, one more than was counted immediately following the election. Beach's total votes remain at 348.

The two candidates met with County Democratic chairman Tom Rees and precinct chairmen

Woody Anderson and Ronald Bruce at 5 p.m. when the recount vote was canvassed and recertified by the committee.

Naturally, Hale was pleased with the outcome of the recount. Beach said he hoped that an error might be found, but really didn't expect the recount to be much different. "I called for the recount on recommendation of the Secretary of State and the urging of my supporters," he said.

Beach indicated that he is exploring one more avenue to overturn the vote, which he would not divulge. "If that does not work, then I will definitely file as a write-in candidate for Commissioner in the November General Election."

Commissioners view jail kitchen plans

Commissioner Ed Roach submitted preliminary plans for a proposed new jail kitchen in the unused living quarters of Mitchell County Jail, during the special meeting of the Commissioners Court Monday morning.

The preliminary plans were drawn by Tom Gary, Big Spring architect. After viewing the plans, the Commissioners asked that the plans be sent to Texas Department of Corrections and the State Health Department for approval. No estimate of the cost is presently available. The remodeling project is being considered in order to eliminate deficiencies and violations charged by the health department during a recent inspection.

FIRE RADIOS

Action on a request for a new radio communications system for the fire departments of Colorado City, Loraine and Westbrook was again tabled by the Court. The Commissioners, still unsure of estimated costs and proper specifications for the equipment, asked Fire Chief Jerry Hammond to bring proposals from several different suppliers, to be considered at the May 3 meeting of the Court. The fire departments are asking for a transmitting

repeater station and 12 radios to provide communications within each fire department, between the three departments and with the police station.

Judge Bill Carter reported that Bob Alexander of People for Progress of Sweetwater had re-

Casey named superintendent at Westbrook

David Casey, 45, has been named superintendent of Westbrook Schools effective July 1.

Casey will replace L.M. Dawson who is retiring because of health reasons.

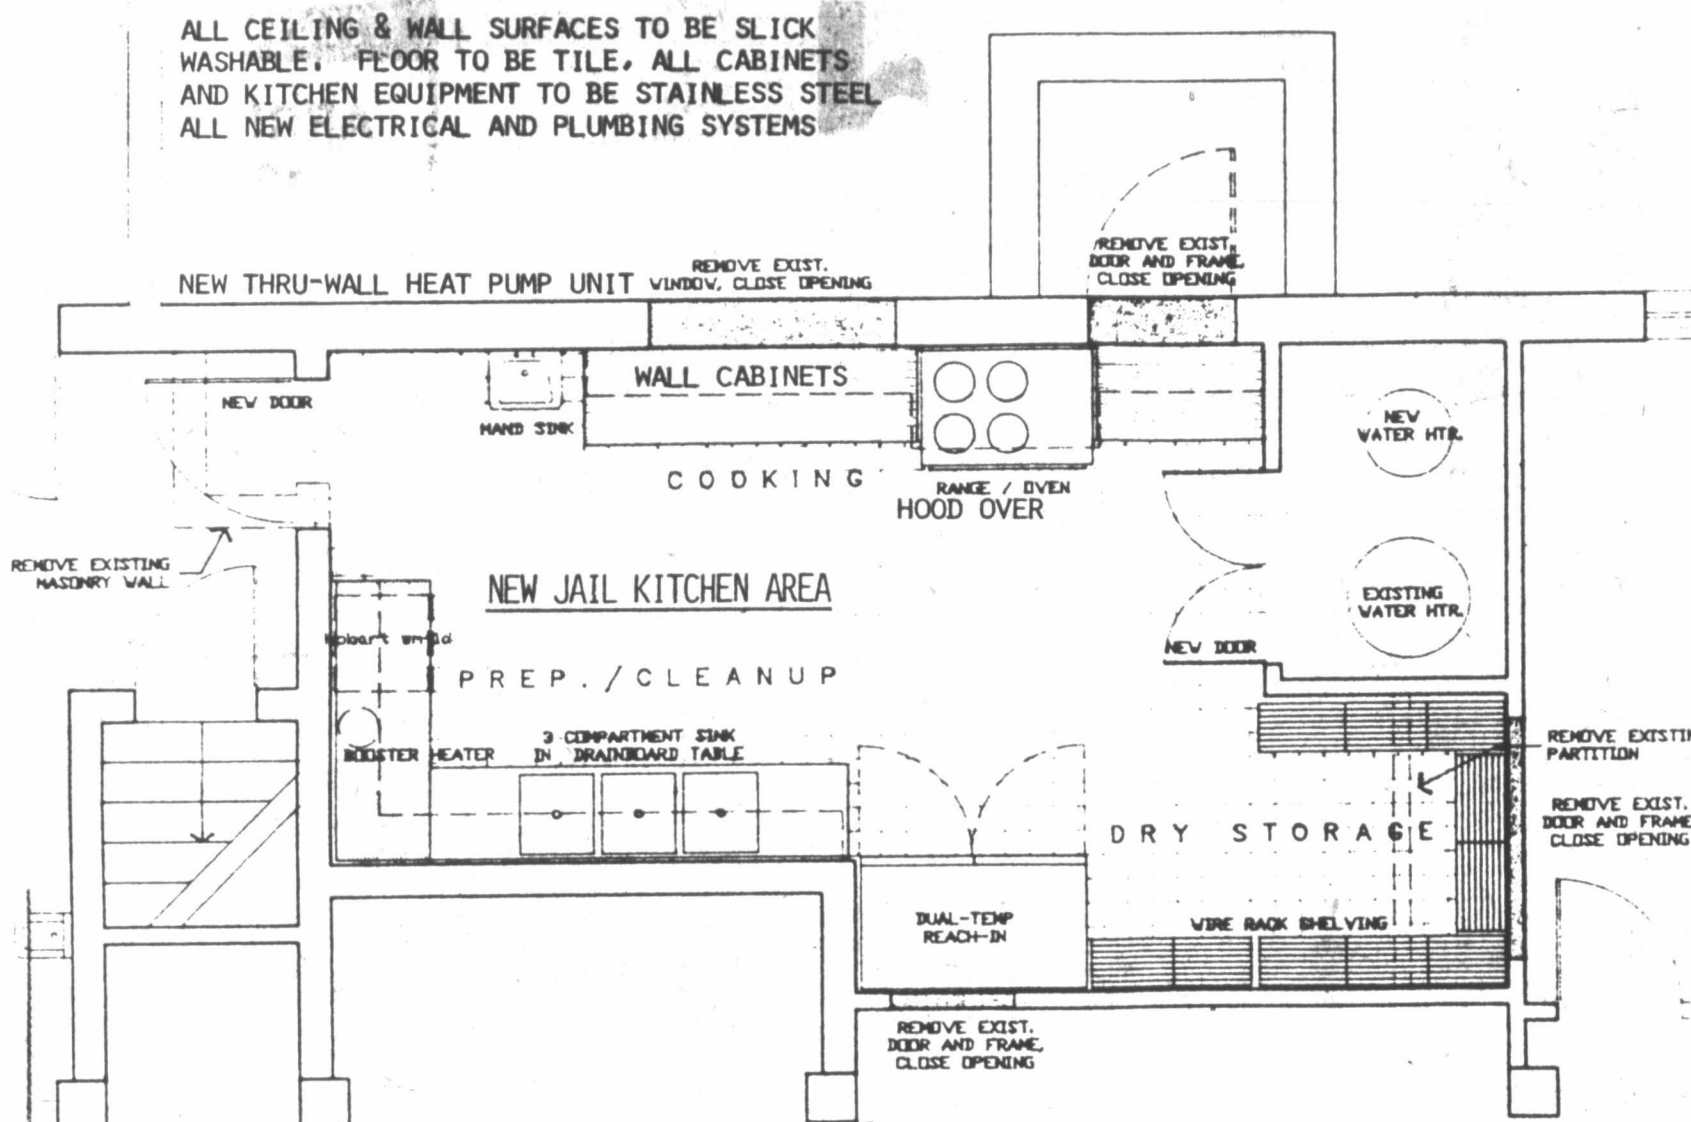

Casey is currently principal of Merkel Elementary School. He has three years superintendent's experience at Priddy.

He has a bachelor of science degree in education from Abilene Christian University. He holds his master's degree and superintendent's certificate from Middle Tennessee State University.

He and his wife, Brenda, have four children.

TEETERING ON THE BRIDGE—This semi truck-trailer nearly went off the Colorado River Bridge about 7:50 a.m. Tuesday, after taking out about 175' of guard rail. The apparent cause was a blow-out, plus gusty winds. The mishap closed the eastbound lane of IH 20 for several hours, with the busy traffic re-routed through downtown Colorado City.

requested permission to do a feasibility study on housing needs of people in the County who are classified in the poverty level. The study would determine how many people would be eligible, and it would be conducted at no cost to the County. Grants and loans are available for the program. The Court gave its permission to conduct the study.

A local representative for Eagle Shield submitted a cost estimate of \$13,200 to install heat barrier insulation in all the county buildings. The Court expressed

some doubt about the percent of savings on heat and cooling bills that can be expected, and took no action.

County Auditor Georgie Griffith submitted current bills amounting to \$27,533.38, which were approved for payment.

The Court conducted the meeting in the Law Library Room, since the recount of the runoff election votes was being conducted in the County Court jury room. All members of the Court were present.

City National Bank schedules flag-raising ceremony Friday

The City National Bank will conduct a flag raising ceremony Friday at 8:15 a.m. to dedicate its recently installed 60-foot flag pole in front of the bank.

Robert Alford, president and chief executive officer, said the Rev. Julius Early, pastor of the First United Methodist Church, will give a prayer of dedication. Mrs. Charles C. Thompson and Raymond Fuller will attach the flags to the chain.

An honor guard from local VFW Post 9178 will raise the flags - an 8- by 12-foot U.S. flag, a 6- by 10-foot Texas flag and a 5- by 8-foot City National Bank flag.

Bob Newman, Colorado Middle School band director, will play the bugle as the U.S. flag is raised. The high school band, under the direction of David Sims, will play the *Star Spangled Banner*.

Hallmark attends state conference

COLLEGE STATION—Ann Hallmark joined some 200 other elected officials for the 16th annual County Treasurers' Seminar at Texas A&M University, April 18-21. The program is designed to educate county treasurers on a wide range of responsibilities including investments, cash management, record keeping, reporting and disbursements of county funds. Participation in this seminar enables county treasurers to achieve and maintain certification as required by state law.

The seminar began with a legislative hearing on April 18. Members of the House Committee on County Affairs heard testimony from numerous county officials on proposed abolition of county treasurers.

Mrs. Hallmark explained, "The treasurer is the chief financial officer for the county whose function should remain separate from those of the auditor." In most counties where the office of county treasurer has been abolished, the responsibilities were given to the county auditor. "This eliminates the checks and balance concept which is vital for a sound financial operation within the county," explained Mrs. Hallmark.

Hospital board OKs equipment purchase

The Mitchell County Hospital District board of directors Tuesday night approved the purchase of a new piece of lab equipment and also approved a bid to refurbish the air conditioning system for part of the hospital.

The new piece of lab equipment, a blood cell counting system, will cost \$19,500 and will be purchased from Dupont, the only bidder.

There also was only one bidder for the air conditioning system, Western Air of San Angelo which bid \$28,134. The refurbished system is for the Bassham Wing which covers surgery, laboratory, gift shop, lobby and patient rooms. Included in the price is a new compressor for the outside unit.

In other business, the board approved an educational program for the hospital whereby the hospital will help with expenses of second-year RN (Registered Nurse) students if the nurses agree to work a minimum of three years at the hospital following their RN certification.

Mason said because of the critical nursing shortage, most hospitals are using such a program to meet their RN needs.

The board approved five new members to the hospital auxiliary. They are Betty Oyler, Frances Cooper, Frances Godwin, Catharine Morris and Bobbie Smith.

Assistant administrator and comptroller Richard Murphy presented the financial report for the hospital and Valley Fair Lodge, the hospital-district owned nursing home.

Murphy said that during March, the hospital showed a net profit of \$5,106. He noted that although revenues are less than budgeted, expenses are less, too, with March expenses some \$24,000 under budget.

The nursing home had a net income of \$989 for March.

parently be taken from a TUP employee's desk.

At 5 a.m. an employee of the Col-Tex Service Station, Hickory and 2nd Streets, reported to the police that the station had been entered and a cigarette machine broken into.

Missing were several packs of cigarettes, and some change including several foreign coins there had been kept in the coin box. When inventorying Shannon's possessions at the County Jail, several coins were found matching the description of the foreign coins at the Col-Tex station, leading the officers to believe, Shannon was involved in both burglaries.

Also over the weekend and Monday, City police made two arrests for DWI, responded to two fights, and made 7 alcohol violation arrests.

Absentee voting remains light for local elections

As of mid-day Tuesday, with only one week remaining before the May 3 deadline, absentee voting is still light for the local May 7 elections.

At the City Hall, only 19 votes had been cast in the five-man race for two council posts and the city charter amendment election.

Twenty-one absentee ballots had been cast at the CISD Business Office, where eight candidates are vying for two Board of Trustee positions.

Seven ballots have been cast at the Hospital, where voting is for eight candidates seeking three seats on the Mitchell County Hospital Board of Directors.

REPLACE YOUR OLD AIR CONDITIONER WITH THE HOTTEST THING IN HEATING AND COOLING:

It's the "hottest" thing because it's so versatile and energy efficient. The heat pump not only cools the home in summer, it also heats it in the winter.

Plus, a heat pump costs less to operate than any other heating system. Even a gas furnace. And that means lower energy bills for you each month.

Ask your dealer about the all-in-one comfort center: the amazing heat pump. Or if you're looking for a new home, look for an Energy Action home with a heat pump.

The Record salutes ...

During the month of April there were a lots of activities, projects and accomplishments in Colorado City and Mitchell County.

For their special efforts, *The Record* would like to salute:

- The Colorado Independent School District's Board of Trustees, who spent many, many hours in meetings with local citizens, the faculty, the consultant and the candidates before selecting Dr. Jim Ramsey as the new School Superintendent.

- The Mitchell County Jaycees for sponsoring Mud-Bog III and the participants, in the event which created a lot of interest and provided much-needed, good wholesome entertainment for the citizens of Mitchell County.

- To the Wallace Center Senior Citizens, the Joy Sunday School Class of Westbrook Baptist Church, the Colorado City Kiwanis Club, the Colorado City Lioness Club and employees of the local State Highway Department who participated in the "Great

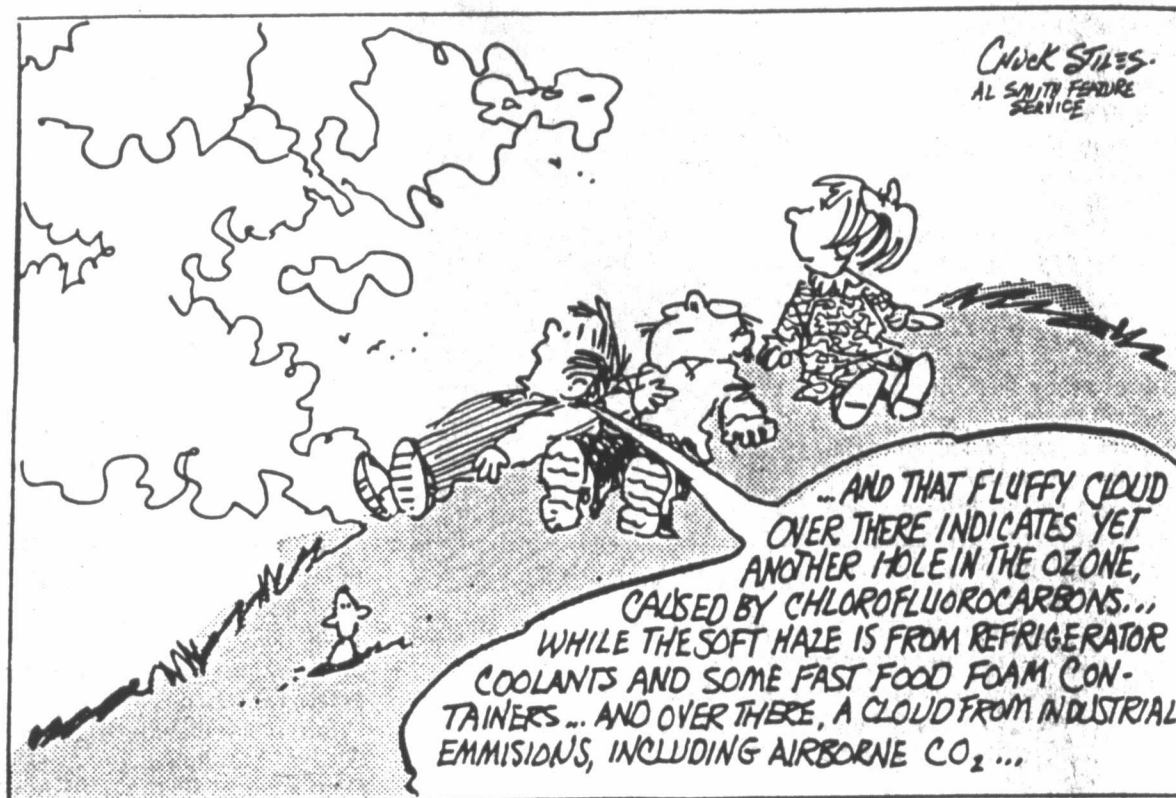

Texas Trash-Off" to help keep our cities and highways clean.

- To the City Council of Loraine for obtaining the \$209,909 grant for street improvements. Such projects take a lot of work on the Council's part to the betterment of that city.

- To the students of Colorado High School who combined to take first place in the district in the University Interscholastic League literary contests as well as those who participated and placed in the various spring sports events. Obviously, there is a lot of work and preparation that must go into these endeavors, but the students and the faculty.

- The the Opti-Ms. Club for sponsoring the basketball league and conducting the tournaments for our young boys and girls.

The special efforts of these groups are to be commended, and it is hoped the citizens will join *The Record* in telling them so.

Texas Demo elete wanted Gore; Hispanics, Blacks on the move

AUSTIN—The night before he quit the campaign trail, Albert Gore made an Austin fundraiser with the Democratic Party power elite who had backed him from early on.

The names read like a list of All-Pros: Bill Hobby, Jess Hay, Buddy Temple, Gib Lewis, even former Gov. Mark White.

For them, the evening was a prop-up for a future race for the 40-year-old Tennessee scion, whom they had recruited and endorsed as their hope for the conservative wing.

Despite the excellent teeth in their heads, they and Gore could bite off no more than a distant third in the primaries.

They were outnumbered, out-hustled, outorganized and overwhelmed in the precincts across America.

Gone With The Wind

In quitting, Gore urged the party to return to a centrist position. That will probably not occur.

As the baby boomers and children of the '60s age to a higher notch in America's establishment, they are changing the makeup of both parties, never to be changed back. *Gone with the wind.*

If the Republicans attract a new breed of white collar voter, the Democrats draw millions of new minority voters.

STATE CAPITAL

HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

In Texas, the Hispanic bloc tested the waters first with statewide candidates, and then Jesse Jackson's national litmus for black voters blew Gore and the aristocrats out of the water.

Return to a centrist position? Look instead for the Hispanics to run a national candidate in '92, while Texas blacks field a statewide candidate in '90.

One Last Chance

Some foster the belief that the power elite will have one last chance this year at the national convention, if they can persuade Jackson to let a southern conservative have the VP slot.

Who knows? Stranger things have happened, but the deal is Jackson's to broker, not theirs.

Jackson played by their rules and won the marbles. He ran the gamut of primaries and earned a spot on the ticket. It's his to trade away, and why should he?

Like him or not, anything less is grand theft.

School Financing

In the lawsuit which pits poor school districts against the Texas Constitution, Attorney General Jim Mattox predicted the state will win.

But he said the court victory is not necessarily the proper victory, and urged the Legislature to remedy the disparity between rich and poor school districts.

Mattox' prediction came after the appeals court directed State District Judge Harley Clark, who ruled the present system unconstitutional, to explain why he gave no consideration to the section that Mattox cites as authorizing the system.

Other Highlights

- A report from Comptroller Bob Bullock said for the first time in Texas history, the state has figured its net worth, at least \$43.8 billion.

- The state approved bonds to build privately-run prisons at Kyle, Bridgeport, Venus and Cleveland which may open within a year.

- The U.S. Census Bureau says Loving County with 100 residents is the nation's smallest in population, but the richest in per capita income, \$34,173. Overall, Texas ranked in the middle.

- A federal-state survey shows Texas farm value this year fell three percent to their lowest levels since 1980, an average value of \$466 per acre.

Alzheimer's Disease

What Can I do to help?

If you are a caregiver: First of all, find ways of coping with the stress of caregiving, so that you do not get sick yourself.

Learn all you can about the disease, so that you can provide better care and make life easier for yourself and the patient.

Treat the patient with patience, dignity and respect. Remember he cannot help being like he is. He is not difficult on purpose.

Get an adequate diagnosis from an Alzheimer's specialist. Learn about medications, so that you can work with the health professionals to make the patient calm and comfortable, but not over-medicated.

Learn to handle mood and behavior problems.

Learn to provide adequate nutrition and find ways to get patient to eat.

Learn how to provide proper personal hygiene (bathing, dressing, handling loss of bodily functioning, etc.)

Learn how to handle family legal and financial business. Plan Ahead!

Consider possible alternative living arrangements ahead of time, so that your options are clear and decisions are not made hastily.

The local Alzheimer's Support Group meets each fourth Tuesday at 1:30 p.m. in Wallace Center. Any person having a member of the family suffering from the disease is encouraged to attend. Contact Madge Coleman, 728-8403.

'Butterflies Are Free'

POST—"Butterflies Are Free" will be presented by the Garza Theatre productions April 28 and continues through a special Sunday matinee May 1. Directed by Will McCrary, the play's evening performances start at 7:45 p.m. and the matinee at 2 p.m.

The comedy is set in the 'hippi' mini-skirt days of the late '60's, is full of bright contemporary humor and suitable for young people as well as adults.

A group of 12 or more patrons are eligible for a generous discount. Call the box office at 495-4005 for information and reservations.

Odessa College registration

ODESSA—Early registration for Odessa College's first summer session is scheduled Monday through Friday, May 2-6, in the Registrar's office on the second floor of the Student Union Building.

During that week, students may sign up for classes 9 a.m.-3 p.m. and 5-7 p.m. Monday through Thursday. Classes begin Wednesday, June 1.

For more information, contact the counseling center at 335-6433. ddsW ybol

'Alice in Wonderland'

ODESSA—The Kaleidoscope Company of the Permian Playhouse concludes its 1987-88 season with "Alice in Wonderland". All the Lewis Carroll characters including such favorites as the Mad Hatter and Cheshire Cat will come to life on the Permian Playhouse stage on May 7, 8, 14 and 15 at 2:30 p.m.

Tickets are \$3.00. For more information contact the Playhouse at 362-2329.

Tour Education Service Centers

ABILENE—All Regional Education Service Centers in the State of Texas are required to provide regular opportunities for the general public to examine audio-visual items and other materials which are available for use by public schools.

The review period for this quarter has been scheduled for 8 a.m. to 4 p.m. on Friday, April 29. The public is invited to peruse materials that day at the Region 14 Education Service Center, 1850 Albany Highway, Abilene, Tx., said Dr. Thomas Lawrence, Executive Director.

Although no appointment is required, an advance phone call, 915-676-8201, would be helpful if the reviewer is interested in examining a particular item. Every effort will be made to see that materials are available to interested persons.

Fly-in and Aviation Safety Seminar

DYESS AFB—The annual Dyess Air Force Base Civilian Aircraft Fly-in and Aviation Safety Seminar will be held May 1, 1988, in conjunction with Dyess' Big County Appreciation Day.

Civilian light aircraft will be arriving from 7 to 8 a.m. on Sunday.

They will get an "Under Wing" tour of a B-1B by a flight crew and then attend the Aviation Safety Seminar at the Base Recreation Center from 10 a.m. to noon. Subjects covered will include an update by FAA personnel on the new Airport Radar Service Area at Abilene and Dyess, a briefing on the Automated Flight Service Station, briefings on the Dyess aircraft traffic pattern and the area low level routes flown by the B-1B and various other military aircraft.

The seminar will conclude with a current weather briefing for pilots departing later in the day, additionally outbound flight plan filing will be available. An optional B-1B Capabilities Briefing will be given for those interested.

Following the Seminar, individuals will be bussed to the flight line to view various aircraft and the flying demonstrations. The earliest departures for the aircraft will be 4:15 p.m., following the flying demonstrations by the U. S. Air Force Thunderbirds.

Flyers have been sent to over 300 area pilots and operators. Parking for aircraft is extremely limited, so reservations are requested. Phone 96th Bombardment Wing Safety Office at 696-2854 for reservations.

Folk Festival Original Songs

KERRVILLE—More than 70 of the 109 singers and musicians who are playing the 17th annual Kerrville Folk Festival May 26-June 12, are singing their original songs.

In addition to concerts, Folk Mass Celebrations, song writing schools, a "music business" session, a newly conceived and added "Blues Project", there will be more than 70 arts and crafts booths and good food and beverages. Singing around the campfires at night is a 14 year tradition.

For ticket prices, schedules, camping and motel information, write Folk Fest, P. O. Box 1466, Kerrville, TX 78029, or phone (512) 257-3600.

TEXAS BUSINESS TODAY

Dear Commissioner Nabers:

How much more will Texas employers be paying into the unemployment fund in 1988 than they did in 1987?

F.T.
Odessa, Texas

Dear F.T.:

Our projections are that employers will be paying approximately \$400 million dollars more into the fund this year than last year. Total tax revenue collected in 1987 was \$943,304,100. Projected tax revenue for 1988 will be 1.3 billion dollars.

COMMISSIONER
Mary Scott
Nabers

Dear Commissioner Nabers:
How does unemployment in Texas compare to other states?

V.C.
Brenham, Texas

Dear V.C.:

As of October, 1987, only 5 states had higher unemployment. We are #6 in the nation behind Louisiana, West Virginia, Mississippi, Alaska and New Mexico.

Colorado City
AT WORK
BY BRENDA HAMMOND
CITY MANAGER

ORDINANCE #79-71 established the requirement for licensing and regulating peddlers and solicitors in the City of Colorado City. "Peddler" means any person, traveling from place to place, from house to house, or from street to street for the purpose of selling or soliciting for sale any goods, wares, merchandise, or services other than agricultural products produced and grown by the seller. A registration card from the Chief of Police and a license from the City Manager is required. Lawful hours are 9:00 a.m. to 6:00 p.m., Monday through Saturday. Absolutely no business engagements from peddlers will be allowed on Sundays, taking no exceptions whatsoever.

Any person violating the ordinance shall be deemed guilty of a misdemeanor, and, upon conviction, shall be subject to a fine up to \$200. Registration fee is \$5.00. License fee is \$100 per year.

Use extreme caution when a peddler comes to your door. Ask that identification, registration and license from the CITY be shown. Call the Police Department (728-5294) or the City Hall (728-3436) if you have any questions. We CANNOT certify that the business is legitimate, only that the peddlers are not wanted criminals and have fulfilled the license requirement.

Local merchants pay the local taxes and support the local activities. They are the backbone of Colorado City business. Peddlers are here today and gone tomorrow.

Church and school organizations, local residents selling Avon, Stanley products, etc., are exempted from the ordinance. However, they must make identification at City Hall.

The basketball backboards and goals have been installed at the Sands Parks. New swings and riding animal toys have also been installed by city crews this past week. Inspect improved Sands Park.

"All people smile in the same language."

FIVE GENERATIONS - Five generations were present Saturday as Mrs. Frances Tutwiler, seated, celebrated her 85th birthday. Among those on hand for the festivities were her daughter, Ruby Bourland of Marble Falls; Mrs. Bourland's daughter, Dolores Rees of Megargel, Tex; Mrs. Rees' daughter, Robin Jo Montgomery of Copperas Cove; and Mrs. Montgomery's son, four-year-old Robert Montgomery.

Meet your City Candidates

Earl Plagens

I am announcing my candidacy for a position on the Colorado City Council. As your city councilman, I will be able to get involved with local government decisions that affect our daily lives, our business community and our future.

I will try to lead and influence the future of our community, the quality of city services offered, crime prevention and other projects.

Some projects I hope to work closely with include our future water and sewer line up-grading; and keeping a close eye on taxation, realizing our senior citizens are taxed to the limit now.

My experience in working with numerous governmental bodies in my 20 years of newspaper work gives me a good background and understanding of how city government works. As a businessman for those years, I believe in a good, strong, conservative approach to spending taxpayers' money.

I am a member of the Kiwanis Club, past director of the Colorado City Chamber of Commerce, and Industrial Team member. My wife Sheila and I plan to make Colorado City our home and hope to serve our community well.

I have lived in Colorado City six years and my wife and I own the Colorado City Record and Plagens Printing and Office Supply.

I would appreciate very much your vote on May 7th for a place on the Colorado City Council.

Chiropractic for Health

By Dr. Hondo Whitmire
Doctor of Chiropractic

THE ROOT OF THE PROBLEM

Thirty-one pairs of nerve roots project through openings along the spinal column, connecting the spinal cord to nerves serving the body. Each nerve root, has sensory and motor fibers. The symptoms of a spinal nerve injury depend on which nerve fibers have been affected. If it is the sensory fibers, information about sensations are blocked from reaching the brain. For instance, a hand or foot may feel numb. Involvement of motor fibers interferes with movement and produces weakness or paralysis. More pressure against a nerve can cause brief numbness or paralysis or both. Injury can cause a painful, tingling sensation due to the over abundance of signals coursing up a nerve. Pinpointing the origin of a symptom requires familiarity with spinal-cord nerves and their pathways. Sciatica, shooting pain along the sciatic nerve down the leg suggests injury in the lower spine.

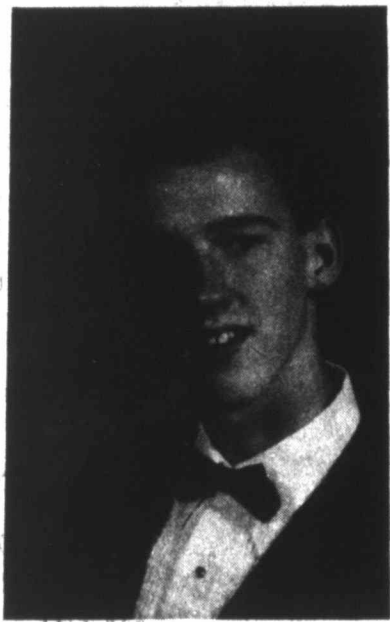

The science of chiropractic serves to ascertain the point of interference along the spinal network. In essence, the communications network of your body. Through proven techniques chiropractic applications are asserted so that such points of interference are eliminated and the natural flow of energy and healing instructions may take place.

At WHITMIRE CHIROPRACTIC CENTER, 2112 Hickory St., Colorado City, Tx., Dr. Hondo Whitmire recommends periodic Chiropractic exams so that existing problems may be addressed and developing situations may be avoided. Call us today for an appointment.

Webb to present piano, clarinet recital Saturday

Colorado High School senior Jody Webb, son of Mr. and Mrs. Raymond Webb, will be presented in a senior piano and clarinet recital Saturday, April 30, at 3 p.m. in the sanctuary of the First Baptist Church.

Webb was a first place winner in the Midland Knox Piano competition and also at the Pauline Slator Piano competition in Odessa.

He has been named to the Texas Music Educators' Association all-state band in clarinet for three years.

He takes piano from Lynn Bethel of Snyder and clarinet from Jan Scott of Odessa.

He plans to attend either North Texas State University or Arizona State University in the fall.

Saturday's recital is open to the public.

REGIONAL QUALIFIERS-Colorado High School tracksters to compete at the Region I-AAA meet at Odessa Friday and Saturday are, left to right, Paul Ausbie, Mark Russell, Bubba Bailey, Dennis Smith and Ismael Silva.

GOLF TEAM members for Colorado High School are, front row, left to right, Mitch Smith, Kyle Mitchell, Ricky Westbrook and Jeremy Lelek. Middle row, left to right, are Michael Smith, Adrian Alvarez, Brannon Daniel, Adam Rivera, Jerry Alvarez and coach Walt Staats. Back row, left to right, are Coley Ramage, Brian Hamrick, James Maberry and Erik Hill. Not pictured are Tracy McElvaney and Hadley Weaver.

Wolves seek state berths

The Region I-AAA track and field meet gets underway at Odessa's Ratliff Stadium Friday with five Colorado City Wolves among the throng of West Texas hopefuls vying for a spot in the University Interscholastic League state track meet.

Region I-AAA covers the entire West Texas area but also includes portions of East Texas that have swept recent Region I-AAA sprinting events.

The Wolves got a first hand look at some of the East Texas talent when they travelled to South Lake Friday for a regional qualifiers meet.

Colorado City was one of a hundred schools represented at the meet, hosted by Carroll High School. Fourteen teams competed in the 400 meter relay where the Wolves took third place with their best time of the season.

Paul Ausbie, Dennis Smith, Bubba Bailey and Mark Russell ran a 43.39 in the sprint relay. "That's our best so far," said coach Raymond Zamarippa. "Handoffs are the only thing holding us back."

The defeat was only the second of the year for the team. Ausbie joined the relay team at the district 5-AAA meet after leadoff leg Pat Tillis and first alternate Beau Rees suffered injuries. The Wolves took the district race in 43.73 with a strong anchor by Russell.

Russell is no stranger to the Region I-AAA meet. He competed in the 200 meter dash last year. Russell won the district 100 meter dash in a CHS school record time of 10.8. Russell shared that mark at South Lake Friday by winning third with a 10.82.

All four members of the relay team are underclassmen.

Distance runner Ismael Silva is a veteran of the Region I-AAA races. Silva is returning to Odessa after winning both the 1600 and 3200 meter runs at the district meet.

Silva, a senior, took second in the 3200 Friday but got sick prior to the running of the 1600 meter runs. Silva ran a 10:33.0 that compared to a 10:35.32 that won district 5-AAA.

Softball Tournament

The second annual Colorado City United Girls Softball Association men's Slow-Pitch Softball Tournament has been scheduled for Friday-Saturday, April 29-May 1.

Deadline to enter is April 27 with an entry fee of \$100.00 per team. Only Blue Dot balls will be allowed and ASA rules will apply.

1st-4th team trophies, 1st-3rd individual, 10 All-tourney and one Sportsmanship trophy will be awarded. All proceeds from this tournament will go to the UGSA. For more information call Darlene 728-5236, Tanis 728-5009 or Vince 728-8907.

Bulldogs near record

Regional qualifiers track and field meets afford athletes a practice run between district and regional meets.

The Loraine Bulldogs got what they were looking for at a Wall regional qualifiers meet Saturday. The Bulldogs improved their district 10-A marks in three events to gain momentum as they head to the Region II-A track and field meet to be held at Abilene's McMurry College Friday and Saturday.

The boys 400 meter relay team of Charlie Alvarez, Joey Lujan, Shawn Finley and Quentin Merket took seventh place with a time of 44.8. The Bulldogs ran a 44.62 in the prelims to just miss setting a new Loraine High School record.

In 1972 the Class B state champs from Loraine ran a 44.4 (over yards, not meters).

The 44.62 run by the Bulldogs is the region's third best time.

The Bulldogs also took second in the 1600 meter relay where C. Alvarez, Lujan, Luis Leija and Joe Alvarez ran a 3:35.9, improving by five seconds their second place time at the district meet.

J. Alvarez didn't place in the 800 meter run at Wall but his 2:04.5 beat his previous best by three seconds.

Quentin Merket took third place in the district 10-A 100 meter dash for alternate honors but will run at McMurry Friday because of a withdrawal by one of the top two finishers.

Merket ran an 11.56 Saturday. Cheryl Alvarez won the 100 and 200 meter dashes to lead the Lady Bulldogs at the district meet. She ran respective times of 13.14 and 26.9. At Wall Alvarez ran 13.07 and 27.23. She owns a time of 12.97 in the 100.

Loraine News

Loraine Personals

...by Lois Phillips

Mr. and Mrs. J. T. Grice of Snyder visited her sister, Latrice Henderson recently.

Mr. and Mrs. T. J. Boyd and granddaughter visited in the Audie Boyd home over the weekend. Dick Boyd of Wills Point also came.

Glenn and Shirlene Sanders visited with their son, Phillip, over the weekend in Alpine. They came back to Midland on Sunday and spent time with their daughter and family.

Alene Baird of Big Spring, Frannie Cummings of Colorado City and Ida Baird of Loraine were in Dallas from Wednesday until Saturday of last week to attend the State Federation of the Procelain Art Club of Texas.

Audie Boyd was in town this week at the grocery store. He looks well. He will be in Midland to begin five weeks of treatment. We hope the very best for you and your family, Audie.

Visiting in the Dale Baird home in Dallas last week were his mother, Ida Baird of Loraine and his aunt Alene Baird of Big Spring.

Annie Bell Jones has a new great-grandson. His parents are Mike and Sherri Fuller. The baby's name is Robert Clayton. Annie Bell attended a shower for him on Saturday afternoon at the home of Mrs. George Younger.

Tharon and Doris Henderson were in Odessa on Sunday visiting their son Brad, his wife Penny and the most important member of the family, granddaughter, Ashley.

Clifton Henderson is back home in the Loraine Nursing Center after several days stay in Mitchell County Hospital. Clifton, we are happy that you are able to be home.

Mr. and Mrs. John Jarrett entertained his brothers and sisters over the weekend at their country home southeast of Loraine in the Champion area. The brothers and families are Mr. and Mrs. William Jarrett of Ruidoso, New Mexico, Mr. and Mrs. Irving Jarrett of Midland. The Dudley Jarrett's of Bay Town, and the sisters are Mr. and Mrs. Bill Hair of Monahans and Mr. and Mrs. Johnnie Fraisher from Brownwood. The group visited their aunts and other relatives while here. This sounds like a fun weekend for the Jarrett family.

Shep and Sally Compton attended a 40th wedding anniversary for some friends in Odessa Sunday afternoon. They saw lots of friends from a way back when, say some thirty years ago. They went to church with these friends on Sunday night at the Second Baptist in Odessa. On the way home they visited with Shep's brother, Jack and wife Gloria in Midland.

Royce and Neysa Beights are in Wills Point where they attended the funeral services for Royce's brother Harvey Beights. Our prayers go out to the Beights family.

Kim Compton, daughter of Shep and Sally Compton, will fly to California this week and from there she will fly to Soel, Korea to spend a vacation with friends there. Have fun Kim, but then I know you will. It might be fun if I were Kim's age.

Lela Bowles is visiting with her parents this week while her husband, Bill is in the Valley attending to business.

Lela and Bill will go to Lorena next weekend to see their grandson Brandon Bowles play baseball. He is a pitcher for the Lorena High School baseball team. He is the son of Mr. and

Mrs. Carol Bowles.

Doris Crippliver of Fort Worth is spending this week in Loraine visiting her mother, Mrs. S. E. Meadows and with her brother and wife, Hubert and Nina Meadows.

Lela Bowles is planning a big celebration at her house on May 8th. She will go to the post office on the third of the month from now on as she is retiring on May 8. Her birthday, no she is not 65. You guess her age. She plans to have morning coffee every morning with her friends and neighbors from now on and enjoy her retirement. Good luck Lela. Hope you have as much fun as you think you will.

Iva Nell Barker and a friend Bill Jennings of Abilene visited her sister and husband Wilson and Irene Kidd on Monday night.

Ed and Ovida Wilmon of Monahans visited with Duell and Opal Joe Blair over the weekend.

Cecil Long had heart surgery in Abilene recently. It has been reported that he is doing nicely and will be home soon from Humana Hospital in Abilene.

Joe Glass of Stanton is in a hospital in Lubbock. He has been sick for sometime but was doing fine, then something else happened to him to put him back in the hospital. Joe's wife Oleta is a sister of T. J. and Duell Blair.

Joe was reared in the Hermleigh area and has many friends in this area who wish him well. Ed and Ovida Wilmon are visiting Joe and Oleta this week.

Ashley has a deep, dark secret. If I ever find out the answer I'll tell you about it.

AWARD PRESENTED - Edith Wilkerson, left, is presented an award by Willie Taylor during Monday's luncheon meeting of the Loraine Senior Citizens. Mrs. Wilkerson has served as treasurer of the senior citizens group since it was organized 11 years ago and is resigning because of health reasons. Taylor is coordinator of the program.

Pot luck supper is held

The Loraine Senior Citizens met for their monthly pot luck meal at 6 p.m. on April 19, with approximately 60 attending. Margaret Brame and Effie Wheeler were the hostesses.

Following the meal a "long ago" program was given. The first number was a short review from the Sears Roebuck catalogue that was published in 1900. Prices quoted from the catalogue were shocking when compared to 1988. The second number on the program was a reading "My Granny" given by Larua Lewis. She was dressed as her granny--wearing her cook apron, split bonnet, etc. The Loraine Senior Citizens quartet presented the final portion of the program.

The quartet consisted of W. A. Taylor, H. D. Richburg, Lela

The finale was the entire group standing to sing the "Battle Hymn of the Republic."

Meet your Loraine

School Candidates

Danny Butler

I am running for re-election for Loraine Independent School District, Board of Trustees. I graduated from Loraine High School in 1968. I attended Hardin Simmons University and graduated in 1973 with a BBA degree.

My wife, Pam, is the Texas Department of Health nurse for Mitchell County. Our three children Dawn, Krystal and Brian are students at Loraine Elementary School.

I want to continue to be a part of providing the best education possible for all children of Loraine ISD. I will appreciate your continued support and vote on May 7.

Meet your

Hospital Candidates

Darlene Hudgins

I, Darlene Hudgins, am a candidate for the Mitchell County Hospital Board. I was born here and now I am rearing my four children here. I am presently working as a secretary for Texas Utilities startup project. I am very active in community youth activities, serving as president of the Mitchell County USGA.

I feel I am qualified to hold the Board position, due to the fact that I am a respiratory therapist with 14 years experience in the medical field. My career has included several different areas of hospital work including respiratory therapy, nursing surgery, physical therapy, urology, emergency room, adult and neonatal intensive care, ambulance transport, and the business office. I have experience with hospital procedures, medicare inspections, government regulations, diagnostic testing and equipment. I am presently taking continuing education credits from The University of Texas Health Science Center, San Antonio, to keep my medical knowledge updated and to remain updated on the administrative changes of the supporting health systems.

I am a past employee of Mitchell County Hospital. I have watched the changes from past to present, and I have inside knowledge of its overall functioning. I feel a loyalty to the hospital and its employees. I would like to see the interests of all parties protected. I feel it's time that questions were asked concerning past, present and future hospital transactions. I think new insight should be added to better health care.

I would like to serve the people of Mitchell County, offer my experience and reassurance that I will ask questions. I will be open to all public opinions and will carry those opinions to the Board. I will be a voice of the people and will not be persuaded into group decisions. I will be very individual and use my place on the Board, always for better health.

Psychologist says low-dose amphetamines can control appetite

COLLEGE STATION - Low doses of amphetamines in the stomach trigger an appetite-lessening reaction previously thought to occur only in the brain, according to new findings by a Texas A&M University psychologist.

Dr. P. J. Wellman, a physiological psychologist who studies how drugs affect food intake, urged caution, but explained that the development may pave the way for safer, more effective drugs that - given in combination with exercise and eating less - could help people lose weight.

Laboratory animals given the appetite suppressant directly into their stomachs at 75 percent less than their normal diet, while animals who had the drug injected elsewhere into their bodies only ate 20 percent less, Wellman said. This is the first research to show that the stomach also plays a part in appetite suppression.
