Two Candidates File for Mayor, Four for Council

Two candidates for mayor and four candidates for the two places on the city council had filed by the deadline Saturday, March 3, Mrs. Jennie Williams, city secretary, announced.

The municipal election will be held Tuesday, April 3.

Asking the place of mayor are L. B. Bratten and C. R. Leggitt. Mayor Ernest Lewis was not a candidate for re-election.

Mr. Leggitt, a present member of the city council, has served in that capacity several years.

Two regular places on the city council will be filled. Candidates are Jimmy Cochran, Dr. Tom Hunter, Claude Nelson and John Coleman.

The election will be held at the city hall, with H. G. Graham as election judge and Mrs. Mary Stall and Mrs. Ola Wall as clerks.

REWARD

A reward of $1000.00 cash will be paid for information necessary to and which results in the arrest and conviction of any person stealing cattle belonging to Mill Iron Ranches.

Leader Ad Rents House Evening Paper Is Mailed

"Thanks for getting our ad in. We rented the house the same evening that The Leader came out — not more than an hour after the paper went in the post office," Mrs. Charlie Harrell told The Wellington Leader recently.

An ad like this can find a desirable tenant for as little as 50 cents, although it is often advisable to give more information on what you have to rent or sell.

Mrs. Harrell is a consistent user of Leader want ads, and always with these same good results.

SILHOUETTE OF WAR—Their weapons standing out in bold relief against a bleak winter sky, these silhouetted soldiers of the 24th Infantry Division slog across rugged Korean hills in search of the foe. Grimly appropriate is the number of men outlined, thirteen, an unlucky number. Other soldiers can be seen just over the knoll at right.

Seek to Complete Red Cross Fund Raising Drive in Week

Approximately $540 has been turned in on the annual Red Cross fund-raising drive, C. T. Roberts, chairman, announced late Tuesday, March 6. This represents completed reports of only a small number of streets in the residential section of Wellington and a few communities.

Work in the business section of Wellington, in Dodson, Samnorwood and Quail has not been completed.

Red Cross officials and workers report they are highly pleased with the response so far, but at the same time they point out that the work of the Red Cross, both locally and nationally, is heavier than it has ever been, the needs are greater, and the full support of every citizen is needed.

An effort is being made to wind up the drive during the next few days, but at the same time, workers will contact every person in their area in so far as is possible.

Mr. Roberts said, however, that anyone missed in the drive should bring their donation to him at the high school, to Miss Katherine Boverie at the County Library, or to Dick Wiley at the First National Bank.

Board Lists Teachers Re-elected for 1951-52

Election of teachers for the Wellington system was announced Tuesday, March 6, by Supt. C. T. Roberts, following a meeting of the school board Monday night.

In addition to the election of class-room teachers, Mr. Roberts was given a three-year renewal contract as head of the Wellington schools. His initial contract expired at the end of the present school year.

A proposed building program was also discussed, but Mr. Roberts said this had not developed far enough for more specific announcement. He did say, however, that reconstruction of the football stadium, burned early this year, was included in the discussion.

Teachers re-elected for the coming year included:

Elementary school: Mrs. Dora Roberts, Mrs. G. W. Lane and Miss Mary Alston, first grade; Mrs. Howard Oliphint, Mrs. Maxey McKnight, Mrs. Lee Plante and Mrs. W. L. White, second grade. Mrs. Rex Joyner, Miss Christine Cooper and Mrs. Colene Barton, third grade. Mrs. Bob Barnett, Donald Green and Miss Sara Jones, fourth grade; and Mrs. Anna Faye Cooley, special education.

Junior High: Mrs. C. R. Leggitt and Mrs. Windel Brewer, fifth grade; Aubrey Frazier and Mrs. Ralph Word, sixth grade; John Lee and Claude Vance, seventh grade.

High school: Miss Norma Akin, girls physical education; Robert Williams, boys physical education; Mrs. Charles Little, commercial work; Stanley Brooks, social studies; Clinton Davis, science; Miss Nell Davis, homemaking; Loyd Emrick, shop; Miss Loeva Pierce, mathematics; Miss Hattie D. Wells, social study; Bennett Goodloe, vocational agriculture; Rufus Johnson, band and music, Miss Gay Reeves and Mrs. Billy Joe Peggram, English; and Miss Catherine Vines, librarian.

Loco: Mrs. Goldie Glasscock, intermediate grades; Mrs. R. H. Burquist, primary.

Booker T. Washington: Mrs. Lessie Phegan, first grade; Miss Harriet Locust, second and third; Miss Edna Hambric, fourth, fifth and sixth; Miss Jennie Ruth McLendon, seventh and eighth.

Earlier principals of the schools had been re-elected, including Howard Oliphint, high school; Lee Plante, junior high; Jack Davis, elementary school; Willie Brown, Booker T. Washington. Head Coach Maxey McKnight was also re-elected at that time.

Rural Fire Truck Given Credit

FIRE DESTROYS 300 ACRES GRASS ON JOHN HENARD PLACE SAT.

Approyimately 300 acres of fine grass was destroyed by fire on the John Henard place Saturday afternoon, March 3, and a small acreage was burned on the adjoining Baily farm from the same fire.

The blaze apparently started from a trash fire near their farm, Mrs. John Henard said, and the high northwest wind swept it quickly across the grassland.

The rural unit of the Wellington Fire Department was called, and this is credited by Mr. and Mrs. Henard with saving their barns, gasoline tank, and possibly their house.

"We can't say too much for the Fire Department and its new farm equipment," they declared.

A large group of neighbors gathered at the farm to fight the fire as the smoke became visible, and three tractors went into action plowing fire guards.

Grass over the entire Henard pasture was thick and in some places waist high.

Approximately 100 calves were being pastured there, but all were gotten out safely except one animal that was seriously burned.

The fire also got into a shelter belt, burning a portion before the fire fighting unit could get the blaze out.

The fence and fence posts along much of the pasture were destroyed.

First National Bank Increases Capital to $100,000

The First Natonal Bank in Wellington has doubled its capital increasing it to $100,000 as of February 28. R. D. Wiley, president, announced Monday, March 5.

This increase was made by paying a 100 per cent stock dividend, Mr. Wiley said.

The First National now has $100,000 capital and $100,000 surplus.

This move, reflecting growth of the institution during recent years, places it among the small number of banks in the lower Panhandle with this capital stock.

Mr. Wiley, who will have been with the First National Bank 21 years in June, has served as its president for the last 10 years.

In announcing the increase in capital this week, Mr. Wiley recalled that when he came to the bank, it had a capital of only $25,000, with a $5,000 surplus.

Deposits at that time amounted to only around $120,000. Now they stand at approximately $3,000,000.

Other officers of the bank are Earl Hunter, vice-president for

Joe A. Sweat Practice Teacher For Ag Department

HUNTSVILLE — Wellington high school will be host to an agriculture major from Sam Houston State Teachers college from March 26 until the end of the semester.

Joe A. Sweat of Hale Center will practice teaching in the agriculture department of the school as a part of the teacher-training program at the college.

The senior agriculture students eligible for practice teaching visited the communities where each will teach last week and made farm surveys of the areas.

Unique only with Sam Houston, one of the seven Texas colleges offering Smith-Hughes certificates in agriculture, this practice teaching program will put 34 students in 25 Texas high schools. Sam Houston has trained more than one-third of the agriculture teachers now in the field.

Each week during his training period, the teacher trainer will submit a report of his activities to the college, and each week a report on him will be submitted by the teacher he is working under.

In addition, all ten faculty members of the college's agriculture education department will stay in the field assisting and checking on the student teachers.

National Guard Holds First Bivouac Under Combat Plans

The Medical Unit of the 132nd Infantry of the National Guard held its first bivouac at the Baptist Encampment Saturday night and Sunday, March 3 and 4 under simulated combat conditions.

EVANGELIST

Rev. S. M. Dunham will be the guest preacher at the First Methodist Church in Wellington in a revival beginning Sunday, March 7. Rev. Dunham is pastor of The First Methodist Church of Shamrock.

In the absence of Major Dale Watkins, commanding officer, Capt. Charles Allen, executive officer was in charge, assisted by Lt. Don L. Kutch.

The men marched two miles through the darkness and set up camp under combat conditions, without lights. A compass problem and simulated medical combat duty was included in their assignment, along with guard duty. Part of the group had its first guard duty at this time.

Although reveille was planned for 6:00 a.m., the cold weather and fact they were unused to sleeping outside brought most of the men out of bed and around a big fire considerably before that hour. Following breakfast, the Guard policed the area, struck tents, and marched four miles up Salt Fork River to meet the equipment trucks at Salt Fork Bridge.

This march was also made in combat formation, the men marching in staggard formation, guards posted in advance and on the flanks of the unit, and use of hand signals altogether by the leaders.

"The spirits of the men were excellent. We have some rough spots that we need to smooth out as far as living in the open are concerned, but I believe it did every one of the 56 men good to attend this bivouac," Capt. Allen said.

Food for the men was contributed by United Super Market, City Grocery, Modern Market, Raburn Grocery and Sunday Bill's Station and Grocery.

The Medical Unit now has a Going on the Bivouac were:

Sergeants Buster Hughs, Frank E. Kennedy, Weldon D. Cleveland, Samuel L. Lindsey, Edward G. Cleveland, Joe A. Coleman, Cloyd Harris, Bennie T. Hawkins, Ray-

Chamber of Commerce Opens Annual Membership Drive

The annual membership drive of the Wellington Chamber of Commerce opened Tuesday, March 6, and during the current week membership workers will aim at the goal of 150 new members.

"The Chamber of Commerce serves the entire county. It is not devoted to the interests of our town alone, for each of us realizes that the interests of the town and county are the same," Jack Gibson, president, declared. "It is not working for part of the county; it seeks, rather, to work for every section."

Mr. Gibson pointed to the proposed 1951 Chamber of Commerce program.

High on the agenda will be efforts to secure small war contracts for Wellington firms that may be interested. The Chamber of Commerce president was careful to point out that the town is now in a position to handle a big war industry, but there are numbers of types of defense work that can be done by small firms with available equipment. Mr. Gibson said several local men are becoming interested in this field, and the Chamber of Commerce is working with them.

A Chamber of Commerce is an unselfish, non-politics organization of individuals who channel their united efforts for the common good of their community, membership committee members were told at a breakfast-meeting Tuesday morning, March 6.

The breakfast marked the beginning of the membership visitation drive of the Wellington Chamber of Commerce which will continue for a week. During this time both business and individual memberships will be solicited. Out-of-town businesses who operate in this territory will also be contacted.

Mrs. Bura Handley, committee chairman, presided at the meeting and gave final instructions on conducting the drive.

"Membership is the life blood of the Chamber of Commerce for the members are the organization," Jack Gibson, president, stated. "A large and active membership is the foundation of a successful Chamber of Commerce."

Activities for community betterment planned by the Chamber of Commerce for 1951 were outlined for the workers. These include sponsorship of the annual Youth Project Show which is scheduled for April 7, clean-up and beautification campaign for Wellington, secure city mail delivery, investigation of industrial possibilities, assist private businesses to obtain defense contracts, sponsor homecoming for WHS exes, and assist with blood typing program for Collingsworth County.

Bean Price Going Up

Castor Bean Hulling Plant at Wellington

B. M. Beard of Oklahoma City and C. C. Churchill of Vernon, both representing the Baker Castor Oil Corporation, met with the Agricultural Committee at Quail on Thursday, March 1, to arrange a county meeting to discuss and make plans for the 1951 Castor Bean crop. The date set for this meeting is March 16th, and the meeting will be held in the Visual Education building at Quail. The meeting will begin at 8:00 p.m., Frank Kennedy of Quail said.

This meeting will be held to acquaint the farmers with castor bean production and to give them valuable information in regard to the price, local processing, signing of contracts and to answer any questions that the farmers might have. In addition, there will be a motion picture on castor bean production, also bulletins will be available.

As the present developments stand, the hulling plant and market will be located in Wellington on the Katy Railroad. Mr. Kennedy, vocational agriculture teacher at Quail will handle the signing of the contracts and also the seed. The price of the planting seed will be fourteen cents (14c). The seed and the contracts will be available about April 15, Mr. Kennedy said.

The present selling price of castor beans is 12.5c per pound. The government has a guaranteed price of 10c and will also underright a new two row harvester which attaches on the International "H" tractor. The cost is not known at the present but is expected to be about the same as a boll puller.

Members of the Agricultural Committee are Zook Thomas, Bert Weaver, Jim Langley, Lewis Morris, Travis Maguire and Frank Kennedy.

Any person that might be interested in planting castor beans is urged to be present at the meeting, Friday, March 16th at 8:00 p.m. in the Visual Education Building, Quail High School.

Johnny Lynn to appear on Norwood Benefit Show

An amateur variety show, with Johnny Linn of Radio Station KGNC, Amarillo, as master of ceremonies, will be held at Samnorwood Thursday night, March 15, at 7:30, Mrs. Bernice Welch, special service teacher, has announced.

This is a benefit program, and proceeds will be used to pay for eye tests and glasses for children of the Samnorwood school whose parents are unable to pay for these services. Mrs. Wayne Staples, music instructor, is directing the production.

Approximately 20 numbers will be given on the program, including singing, string music, readings, and instrumental music.

There is no set admission price, but contributions are asked of those attending in the amount that each wishes to give.

"Approximately two-thirds of the children in the Samnorwood school should have their eyes tested and many of these need glasses, it was learned in tests given under the school's health program recently," Mrs. Welch said.

"We learned further, that many of the parents are unable to pay for these tests and for any treatment or glasses that might be prescribed. For instance, in one of the rooms, we found two boys who had almost no vision in one eye, but they had never had their eyes checked. In another room, a little girl who is an A student is unable to read what is written on the blackboard. It is to help these children and others like them that we are holding the benefit program," she continued.

Mr. Linn, one of the most popular entertainers ever to appear in the county, has appeared at numerous events recently as guest

Large, Modern Building Planned

CONSTRUCTION ON NEW HOLTON AUTO STORE BUILDING STARTS

Construction began last week on the new Holton Auto Store on Eighth Street, immediately across the street north of the present location.

John Holton said that the new building will have a frontage of 80 feet and depth of 30. It will be of cinder block construction, with an exterior finish in white, and an all-glass front.

The service station department will have three drives and six pumps. The wash and grease room will be separate. The office for the wholesale and retail Conoco products business will be in the same building as the auto store, but divided from it by a partition, Mr. Holton said.

The new building is on the lots where Jays Drive-In was formerly located. The latter business has moved to the lots immediately to the west, and the business is due to reopen within a few days.

Decision to construct the new building came after it was learned that the drives and pumps of the present Auto Store extend into the Eighth Street right of way, and it would be necessary to tear them down under the present street improvement program.

The building itself will remain, and has been leased to Rufe Williams for his Massey Harris agency, Mr. Holton said.

Rev. S. M. Dunnam Will Preach in Methodist Revival

Revival services will open at the First Methodist Church Wednesday, March 7, and continue through Sunday, March 18, the Rev. L. L. Hill, pastor, has announced.

The Rev. S. M. Dunnam, pastor of the First Methodist Church of Shamrock, will be the guest preacher for the final week, beginning Sunday, March 11. The Rev. Mr. Hill will preach during the first four days.

L. B. Bratten will be the song director.

Following the consecration services, Wednesday night, March 7, the opening night, "Cross Roads," a film on decision, will be shown.

Prayer groups will be held each evening at 7:00 p.m., with the men, women and youths meeting in their Sunday school rooms.

Services will be held a t10:00 a.m. and 7:30 p.m. No morning services will be held on Saturday.

"We extend a cordial invitation to every one. Your presence, prayers and effort will be greatly appreciated," Rev. Hill said.

Quail Youth Hurt In Car Accident

Stanton Caviness, 16 year old Quail youth, is in St. Joseph's Hospital suffering from injuries received when the car in which he and R. P. Owen, another Quail youth, were riding overturned about two miles east of Quail Monday about 2:30 p.m.

Caviness received a brain concussion, his mother, Mrs. Madge Caviness of Pampa, said Tuesday evening. Owen, who was driving the old-model vehicle, was not seriously injured.

The youths were en route to town to have the vehicle repaired, R. E. Bradley, high school principal, said.

The boys reported that the front wheel went off the pavement onto the soft shoulder of the road, causing the car to go out of control, Mr. Bradley said.

They were brought to Wellington for medical treatment. Caviness makes his home with his grandparents, Mr. and Mrs. J. W. Stanton, at Quail.

Junior Boys and Girls Vie for Honors

QUAIL, NORWOOD, MEMPHIS AND KELLERVILLE WIN QUAIL TOURNEY

By BOB WHITE

Tht Quail Junior High Invitation basketball tournament held at the Quail gym Feb. 22, 23, 24 was an outstanding success from the standpoint of good basketball games and a large crowd at every session. There were several close games played during the tournament, bue the final night series gave the fans the most for their money in the way of thrills and good basketball playing. Quail girls and Memphis boys were the tourney winners.

In the final game of the girls bracket Quail playes the Lelia Lake girls. The game was close all the way through and the final score was Quail 38 and Lelia Lake 33. The Quail girls won the first game from Lela by a score of 24 to 6 and then defeated the Quail B team by a score of 20 to 29, to advance to the finals with Lelia Lake who had defeated teams from Samnorwood and Kellerville to earn the right to play in the finals.

The game between Quail and Lelia Lake was a thrilling game from the first whistle to the last and many times it was hard to tell which team would receive the trophy for the first place. By winning the first place trophy the Quail Junior team kept their record of wins high and have during the season won 16 and lost only 4.

In the boys division, the Memphis team won their first game by defeating Childress by a score of 29 to 14 in a close played game, and then advanced to the semi-finals where they disposed of the Samnorwood team by a close score of 22 to 17. The Memphis team met the Wonder team from Kellerville which was made up of the Mighty Midgets.

All of the Kellerville boys were small in size, but what the lacked in size they made up for it in expert ball handling and hitting the goal from every angle. These boys, coached by Mr. Cook, won the entire admiration and support of the overflow crowd that stood on their feet most of the game to watch a much taller team from Memphis nose out the Kellerville boys for the first place trophy.

In the boys consolation bracket, the Quail boys turned in one of the best played ball games of the tournament to defeat Childress by a close score of 20 to 19. The Quails had been defeated in the first round of play by the Mighty Midgets from Kellerville by a score of 33 to 23 with substitutes playing most of the games. In the final game against Childress, the Quails played probably the best game of their season both offensively and defensively. The score was close all during the game and changed hands several times and the final thirty seconds of the game found the Quails three points behind, at this point, Dale Johnson, center and captian of the Quails received a gratis toss due to a foul by one of the Childress players.

Instead of taking the free throw, Johnson called time out and the Quails went into a covey and decided to take the ball out of bounds and set their defense close under their own basket. Johnson set the team up for an out of bounds play and Don Johnson scored to bring the tally up 18 to 19 in favor of Childress.

The Childress team received the ball after the goal made by Don Johnson, but the close defense set by the Quails made it difficult for the Childress boys to get the ball into action. Bennie Graham hawked the ball away from the opponents and passed to M. G. Thomas who dribbled through the Childress defense and made the last and determining goal.

As the ball passed through the net the horn sounded for the end of the game and the score was Quail 20 Childress 19. After this the gym flooor was covered by Quail fans who wanted to show the Quails just how proud they were of them.

Outstanding players for Quail were Dale and Don Johnson, Benny Graham, Sam Jett, Jerry Smith, M. G. Thomas.

In the girls consolation bracket the Samnorwood team won over Lela in the final game to take home the trophy given in that division. The Samnorwood team had been defeated in their first game by Lelia Lake by a score of 20 to 17 and then advanced into the finals by defeating Wellington by a score of 44 to 12. The Samnorwood team had little trouble defeating Lela in the final game and continued to run up the score after the first team had been withdrawn and substitutes had taken over

The tournament as a whole was very sucessful and Supt. of schools Herman Moseley wants to take this opportunity to express publicly his appreciation and thanks to all those who helped to make this tournament possible. Without an exception all 21 games were played on schedule, and all of the visiting coaches expressed their appreciation for the well managed tournament to Mr. Bill Phillips who is the Junior boys and girls coach at Quail School.

It was very unfortunate that Mr. Phillips missed the tournament due to the accidental death of his grandfather who was killed in a car wreck near Plainview Friday morning and Mr. Phillips left for that town as soon as he received word of the tradgey.

The Junior teams that Mr. Phillips coaches had to play through the tournament without his guidance and assistance but after the final games were played he was contacted by telephone by the Supt. of schools and the coach stated that he was very well pleased with the way the boys and girls had played in the tournament.

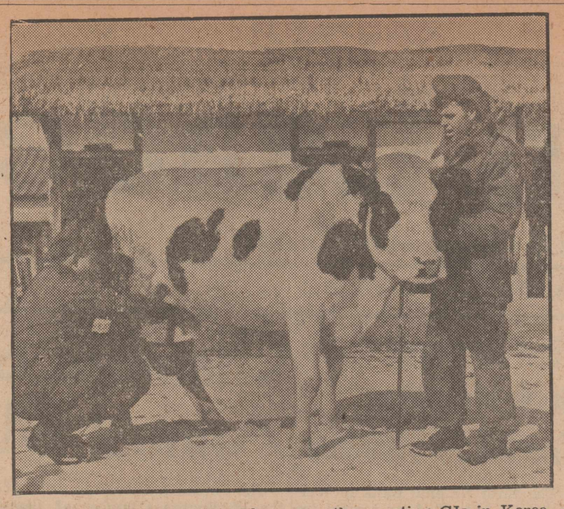

Teams that participated in the tournament were Samnorwood, Lelia Lake, Kellerville, Childress, Memphis, Wellington, Lela, Community Center, and Quail.

Beautiful trophies were given to 1st, 2nd, and consolation winners.

The tournament officals were Charles Duvall, and Doodle Langley.

Bible Comment
For March 11

For Democratic Men, Behold Jesus

Abraham Lincoln, Walt Whitman, Henry Ford and Babe Ruth are but few of the names that are certain to pop up in any discussion on men whose personal lives truly upheld the principles of democracy.

Few stop to realize that Jesus led the most perfectly democratic life. The proof of any man's involvement in a day-to-day life completely free from bias and prejudice is in the company he keeps.

Let us look at the friends of Jesus.

The disciples themselves were from fishing boats, customs houses, places of learning and all walks of life. Jesus said of them, "I have not called you servants, for the servant knoweth not what the Lord doeth, but I have called you friends."

But among His friends were also great men in authority, like the Roman centurion, whose faith He commended. There was also Nicodemus, the ruler of the Jews who came to Him by night.

Throughout His life Jesus received invitations to feasts and banquets in the homes of such wealthy personages as Simon, the Pharisee. In fact it was prosperous Joseph of Arimathea who claimed the Master's body and gave it burial.

But Jesus also befriended the sick and the needy, some of whom were unkempt and dressed in rags. And those publicly condemned as sinners also "heard Him gladly." His kindness was such that it brought upon Jesus the reproach of the Pharisaic, "this man receiveth sinners and eateth with them."

The rich, poor, sick and strong were the friends of Jesus. And He was a friend to them all.

180 HORSEPOWER

Here you see the central secret of FirePower's unmatched ability . . . the new Chrysler Hemispherical Combustion Chamber, heart of the finest motor car engine built today. In this dome-topped, clean-walled area, you see the *only* ideal combustion chamber in a motor car engine today . . . the *only* way to develop full combustion, full compression, full work and value from every drop of fuel!

FirePower specifications: 180 hp at 4000 rpm; Bore and Stroke, 3-13/16 x 3-5/8; Piston Displacement, 331.1 cu. in.; Compression Ratio, 7.5 to 1.

WHETHER you can own one this year or not . . . you owe yourself a turn at the wheel of a new Chrysler for 1951. Here is basic progress so deep and so great you will feel its impact for years to come.

Here is FirePower . . . Chrysler's revolutionary new powerplant which at one and the same time gives you 180 horsepower . . . and the most efficient use of gasoline ever developed in a motor car. With FirePower, you can outperform any car on the road. Yet with FirePower you will have less carbon deposit, longer engine life, less need for care and attention, than with any engine you ever owned. Here, on all new Chryslers, is the comfort marvel of Oriflow, an exclusive new shock absorber with *over twice the shock-absorbing power* of any other car's.

Here, optional at extra cost, is the amazing new steering ease of Hydraguide *power steering*, the new Chrysler "first" that removes four-fifths of the human effort from steering. Here, with over 70 various changes this year—and with deep-down Chrysler goodness clear through—*is the most basically new car you ever drove! For the thrill of a lifetime . . . come drive a Chrysler!*

Remedial Work Urged

EYE CHECK REVEALS TWO-THIRDS NORWOOD CHILDREN BELOW PAR

One of the duties of Mrs. Bernice Welch, Special Service Teacher in the Samnorwood School, has been the checking of eyes for all the students of the school. This work is nearing completion and it is turning up some astounding results. As the check has progressed, it has been found that near two-thirds of all the children in the grade school do not have vision that is up to par.

Letters have been sent to the parents of all those children having any fault of vision and these letters have recommended that the child be checked by a doctor. In most of the cases where the child has been taken to a doctor, it has been found that they did need glasses. In a few cases, the doctor advised to wait for six months, during which time the child be given vitamins and a check made at the end of that period.

We have found many children who had almost no vision in at least one eye, the average being about two to a grade. Most of these children were not aware that anything serious was wrong and none of them wore glasses. One "A" student was found who was only able at 25 feet to read what should be read at 75 feet. This is rather odd since it is felt that poor eye sight is conducive to poor work.

It is felt that much good will come from this testing program since most of the parents mean to have their children's eyes tested further and some provision is being made for those who are unable to do this. Perhaps through this program, some faults in school work will be corrected.

Road, Street Work Underway

Work on the drainage and grading of Eighth Street from the northwest corner of the square to Highway 83 is underway and will be ready for the asphalt surface within a short time, Clyde Drake, resident highway engineer, said recently.

Actual pouring of the asphalt, however, will not come until the weather gets warm.

The road from the northwest corner of the town section to the junction with Highway 203 is ready for the asphalt, and work is under way on road projects in the Samnorwood, Dozier and Lutie communities. On all of these, the asphalt will not be laid until warm weather.

School Trustee Election April 7

The election of trustees for the Wellington Independent School District has been set for Saturday, April 7, it was announced by Supt. C. T. Roberts following a meeting of the school board Monday night.

Outgoing trustees are Bill Hughes and Velman Warrick. Their names were placed on the ballot by sanction of the board, but Mr. Roberts pointed out that any name can be placed on the ballot by presenting a petition to this effect bearing the signatures of three qualified voters.

The petition may be presented by the candidate himself or by other individuals.

The Wellington Students Attending Hardin-Simmons

ABILENE — Two students from Wellington are among the 1,400 students enrolled this semester at Hardin-Simmons University. They are Clyde Raymond Cason, son of Mr. and Mrs. Charles Cason; and Louie Gene Beam, son of Mr. and Mrs. N. C. Beam.

Opening classes began January 31 and will continue through May 28. University officials report a decrease of approximately 200 from the fall semester, largely due to men being called into the armed services.

Society

Mrs. Belew Has Loco H. D. Club

The Loco Home Demonstration Club met in the home of Mrs. Herman Belew Thursday afternoon, March 1, for their regular meeting.

Following a short business session, Mrs. W. M. Durfey gave a demonstration on the making of yeast-batter rolls.

Refreshments of cookies and soft drinks were served to Mmes. W. F. Harbin, C. A. Mitchell, Ray Mitchell, Earl Alexander, Fannie Belew, W. M. Durfey, Charlie Bearden, L. A. Sachse, L. M. Bartlett, Bill Wolf and sons, Lynn and Donald, and the hostess, Mrs. Herman Belew.

The next meeting will be in the home of Mrs. R. H. Lacy.

Henards to 92nd Birthday Event

Mr. and Mrs. John Henard have returned from Roswell, N. M., where they attended the 92nd birthday celebration of her mother, Mrs. Sam White, a New Mexico resident for the past 40 years.

Mrs. White had 10 living children, six of whom attended the birthday observance. These included Mr. and Mrs. Conrad Hatchitt of Quanah, Mrs. Frank Wright of Memphis, Mr. and Mrs. O. D. White and Mrs. Richard Corn of Roswell, Mrs. Francis Collins of Artesia, N. M., and Mr. and Mrs. Henard.

Abra Club at Mrs. Billingsley's

The Abra Home Demonstration ing Wednesday, February 28, in Club met for their regular meetthe home of Mrs. Roy Billingsley.

Mrs. A. L. Honeycutt, president, was in charge of the business meeting, which opened with a prayer by Mrs. Billingsley.

Miss Jo Wylie gave a demonstration on making a cutting bed. Following the demonstration, Mrs. Phil Bentley was in charge of a recreation hour.

Present were Mmes. Kincannon, Bentley, Pat Bradley, Wayne Laycock, Guss Gooch, A. L. Honeycutt, Miss Jo Wyle, Andrae Boon, Margaret Ann Nix, and the hostess, Mrs. Billingsley.

The date of the next meeting has been changed to Monday, March 12, with Mrs. Pat Bradley as hostess.

ROUTINE CALL—Bonzo, filmland's gift to female chimps, wants to assure his fans that smoking in bed is not a habit of his. The foreign star—his family tree is in Africa—felt that the cigar in bed was the only unusual element in this picture. He is shown here as he made a routine phone call from his New York hotel while on a personal appearance tour.

Mrs. Russell Leases Castro Abstract

Mrs. Prebble Russell has resigned her place with the abstract office of C. B. Anderson and is moving to Dimmitt, where she has leased the Castro County Abstract Company. She took over its operation March 1.

The company is owned by Swain Burkett, county attorney of Castro County for some 15 years.

Mrs. Russell has had approximately 15 years abstract work, which was begun in the office of the late Judge R. H. Templeton. She later worked for an Abstract Company in Odessa two years, and still later at Levelland. For the past five years she has been employed by Mr. Anderson.

Her two sons, Dale and Neal, will remain here with their grandparents, Mr. and Mrs. A. V. Green, until the end of the school term.

Mrs. Russell has been active in civic affairs of the town, having been secretary of the Business and Professional Women's Club; secretary of the Veterans of Foreign Wars Auxiliary; finance chairman of the Elementary School Parent-Teachers Association; and a den mother for the Cub Scouts.

Deck's DIDACTICS

—By Deskins Wells

Dr. W. R. Orr came by to tell me that there are 8 hackberry trees at the corner of 11th and El Paso Streets at the J. T. Baldwin place. There is also one hackberry 15 inches in diameter at the J. M. Orr residence. I had not noticed them before; but it proves my theory that they will make beautiful trees if given water.

* * *

Perhaps the original Dr. Orr feels as guilty as I do for ever having anything to do with Chinese elm trees. He planted some of the first in Wellington. Mrs. Ernest Maxwell of 1300 Belton Street joins my campaign against additional planting of Chinese elm in Wellington. She says that she wishes she was rid of the one she has.

* * *

This is just a warning to you people who are building new homes. Profit by the mistakes that some of the rest of us have made in the past. Don't plant too many trees; but when you do plant select stately trees that will live a long time. Pecans, walnuts, sycamore, hackberry, ash, American elm and many others all do well here.

* * *

Bo Yates made a remarkable record in bringing big name bands to Wellington. He tells this story. When he first suggested bringing Guy Lombardo to Wellington, his wife asked him how much he would have to charge per person. He told her and she told him that it was a ridiculous idea — that the people around here would never pay that sum to hear and dance to the music of Guy Lombardo. But they did and the event was a financial success for the VFW. The pay off came this week. Mrs. Yates bought six tickets to the Guy Lombardo concert in Amarillo. Bo wryly observed that the price per ticket was high and that all they could do was listen to the music. All of this is Bo's editorializing. I am simply reporting. I want no part of the row that may follow.

* * *

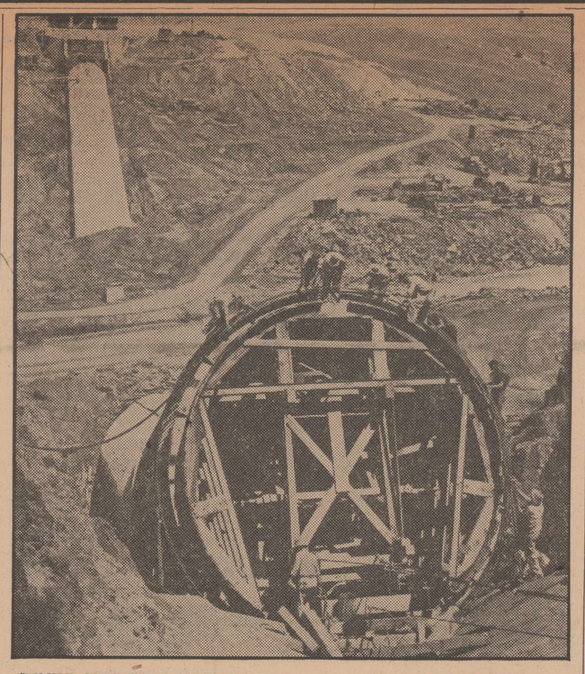

Mrs. Donald Nored is another supporter of my opposition to the proposed bill forcing five-year-old children to go to school. She has a five-year-old child. Thanks, Mrs. Nored. It is by expressing our thoughts that private citizens have a hand in government.

* * *

Next election year Collingsworth will be in a new senatorial district. The counties will be Deaf Smith, Armstrong, Donley, Collingsworth, Parmer, Castro, Swisher, Briscoe, Hall, Childress, Bailey, Lamb, Hale, Floyd and Motley. This will take us out of the Amarillo and Pampa influence. It leaves an agricultural area to be represented by one senator.

* * *

The picture is not so happy as it affects the Congressional district. Present plans are to drop Hall, Childress and Cottle from the eighteenth Congressional district. This will leave Collingsworth as the lone cotton producing county in a district that is dominated by big cities, oil, wheat and cattle. Personally I would rather be in Ed Gossetts or George Malone's districts. Their districts are primarily agricultural and besides each of these men is a very able Congressman in spite of the mess that Washington is in today. This has not passed yet as far as I know; so perhaps you should let Grainger McIlhaney, House of Representatives, Austin, Texas, know what you think about it. Write him. He is the boy that can vote for you now on a matter that may concern your welfare for the next ten or twenty years. This is the first time the state has been redistricted in 30 years even though the law says that it shall be done after each census which is made every ten years.

RIVER UNDER A RIVER—This was a welcome sight for farmers of California's southern San Joaquin Valley. Thirsty crops in the valley will soon be receiving a plentiful supply of water from the 153-mile-long siphon which is shown here as workmen neared its completion recently. The man-made river will carry waters of the Friant-Kern canal under the stream bed on its way south from Friant Dam, near Fresno, to the San Joaquin farmlands.

Still Accepting Trapper Funds

P. E. Starr, president of the Coyote Trapper Association, has announced that any person who was missed in the fund raising drive, and who wants to make a contribution to the association to help finance a trapper's salary, should contact A. J. Fires, secretary of the Association, or County Judge R. L. Templeton.

"We are still receiving funds and every contribution is appreciated," Mr. Starr said.

Announcing

An Increase in The
CAPITAL
of the
FIRST NATIONAL BANK
to
$100,000

THIS INCREASE IS DOUBLING THE CAPITAL, AND WAS MADE POSSIBLE BY PAYING A 100 PER CENT STOCK DIVIDEND. THE BANK NOW HAS A CAPITAL OF $100,000 AND A SURPLUS OF $100,000.

Primarily, this means greater financial strength and security to our customers. It means we stand in our community with a financial firmness such as few banks in the lower Panhandle region have.

The Capital of the First National Bank is now 4 times what it was twenty years ago, and the surplus is 20 times the figure of 1930. Our deposits are at around the $3,000,000 mark.

With this step forward in our financial progress, we express our sincere appreciation to those who have been customers of the First National Bank in its almost half-century in Wellington, for the real credit for our advance goes to you.

TEACHERS TO HEAR EDUCATIONAL LEADERS AT AMARILLO MEETING

All Collingsworth County teachers will attend the Northwest Texas Conference of Education for District 9 of the Texas State Teachers Association in Amarillo Friday March 9. Theme of the meeting is "Conserving Our Most Valuable---- Resources-- Boys and Girls."

Supt. Herman Moseley of Quail Supt. C. T. Roberts of Wellington, Supt. Orville Cunningham of Samnorwood and Supt. T. E. Lennon of Dodson have already announced that they will dismiss their schools in order that all teachers may attend.

Mr. Moseley is the delegate from the Collingsworth County unit of the TSTA.

Approximately 2,000 educators from the 26-county district will be at the meeting, which will feature addresses by Dr. Ethel J. Alpenfels, anthropologist of New York University, Dr. Andrew D. Hold, administrative secretary of the Univerisity of Tennessee; and Dr. H. Roe Bartle, Boy Scout executive from Kansas City.

Dr. Alpenfels will discuss "From Adam to Atom," Dr. Holt, "Selling Schools to Their Owners," and Dr. Bartle, "What Kind of Education Will Save Our America?"

The general sessions will be held in the Amarillo municipal auditorium. The 25 sectional meetings will be held during the afternoon in various churches and school buildings of Amarillo.

Three countians are on conference committees this year: R. E. Bradley, Quail high school Principal, is a member of the resolutions committe; Mr. Roberts, Wellington superintendant, is on the Educational Progress committee; and Miss Priscilla Chase of Wellington is a member of the publicity committee.

Rufus Johnson, Wellington band director, is vice-chairman of the music section.

Income Tax Man Here Thursday

Persons needing help with their income tax problems are reminded that Deputy Collector W. E. Palmer of the Department of Internal Revenue will be at the court house in Wellington Thursday, March 8, from 8:30 a. m. to 5:00 p. m. to give assistance to those desiring it.

This will be his only visit here.

Mrs. Brewer to City School

Mrs. Windel Brewer, a former Wellington teacher, has been elected to the Junior High School faculty for the remainder of the term, Supt. C. T. Roberts has announced.

Mrs. Brewer is teaching girls physicial education and girls handicrafts. She takes the place of Mrs. Lee Plante, who was transferred to the elementary school as a second grade teacher. This fills the vacancy left by the resignation of Mrs. Claude Vance, Mr. Roberts said.

A former elementary school teacher, Mrs. Brewer has been in Fort Worth where Mr. Brewer is employed, since the beginning of the school year.

ROUNDUP

By THELMA WAYNE JOHNSON

Charley Hill spent awhile Tuesday evening in the Wayne Johnson home.

The hail and rain did not last long enough Monday to do much good. We hope it will rain a good deal in the near future.

Roy Evans, Hartford, is visiting with his grandparents, Mr. and Mrs. L. B. Wilborn, of Wellington and his uncle, Lon Wilborn.

Mr. and Mrs. Ike Psachall and son, W. M., spent last Sunday with Mrs. Psachall's parents, Mr. and Mrs. Lewis Green and son, Donald, of Wellington.

Warren D. and Robert K. Johnson, and Bennie Benton visited a short while Monday night with Clarence Benton.

Mrs. C. O. Bodine and daughter, Jackie, and two sons, Wisdom and Don, spent last Sunday with her brother and sister-in-law, Mr. and Mrs. Earl Amons and son, Jimmy, at Mangum, Oklahoma.

Mr. and Mrs. W. R. Benton are spending this week with her son and daughter-in-law, Mr. and Mrs. Clarence Benton. and children.

Mr. and Mrs. Glenn Moody spent awhile Monday night with Mr. Wayne Johnson and daughters, Thelma Wayne and Mildred.

Mr. and Mrs. Jerrel Sheffield spent Tuesday with their son and daughter-in-law, Mr. and Mrs. William T. Sheffield and daughter, Linda, at Lutie.

A. J. Fires, of Wellington, was in tthe coommunity Monday attending business.

Sunday School takes up every Sunday afternoon at 3 o'clock at the Needwood school house. Everyone is cordially invited.

Misses Florance and Iona Johnson, of Amarillo, spent Tuesday night with their father, Wayne Johnson, and family.

The Community sends its sympathy to Mrs. Jack Hurst and daughter, Elizabeth Ann, for the loss of father and husband.

Little Linda Sheffield, of Lutie, spent Tuesday night and Wednesday with her grandparents, Mr. and Mrs. Jerrell Sheffield and family.

Word has been received here from Pvt. Gotha Gulley, who is in Korea. He is the son of Mrs. Ruby Gulley, of Dalhart, also the grandson of Mrs. E. M. Gulley of Wellington.

John Lee Fritzgerald, son of Mr. and Mrs. Clarence Fitzgerald, didn't pass his physical exam for the Army on account of weak feet.

Glenn Moody was ill with the flu last week and was unable to drive his school bus.

GI'S EYE GIRLS' GOWNS—It could have been a dream, so Cpl. Orva C. Craven reached out to touch the ruffle on the dress of the lovely vision before him. The model was real, as was the dress, both part of a special fashion show held for wounded veterans and servicemen at New York City's fashionable Hotel Pierre. Also admiring the white embroidered organdy evening dress and its contents was Pfc. George K. Malner, at right.

City Teachers to Help Evaluate Nearby Schools

Wellington teachers and a PTA member will assist with the evaluation of three school systems during March, Supt. C. T. Roberts said this week.

The evaluation will be similar to that of the Wellington School system last year, and are held in connection with membership or requested membership in the Southern Association of Secondary Schools and Colleges.

Mrs. Lee Plante has been invited by Supt. A. H. Breazeale to help evaluate the Canadian schools Tuseday, Wednesday and Thursday, March 6, 7 and 8. The school is already a member of the Southern Association, and this is the evaluation required of members each 5 years.

Four teachers and a PTA member will go to Childress to help with the evaluation of that school March 20, 21 and 22. They are Miss Loeva Pierce, Mrs. Gus Barton and Mr. Roberts, teachers, and Mrs. Fred LeDerer, PTA member.

The evaluation committee of the Shamrock Schools March 27, 28 and 29 will include Miss Sara Jones, Miss Catherine Vines and Mr. Roberts.

Miss Mildred Johnson spent Wednesday night with Miss Alma Leta Clement at Lutie.

There certainly has been a lot of flu in the community the past week.

Pvt. Ray Benton, the son of Mr. and Mrs. W. R. Benton, is at Camp Stewart Ga. and is doing fine.

Junior Hale was a guest in the Wayne Johnson home Saturday morning.

Pvt. J. C. Kendrick is home on a short furlough. He is enroute to California.

Lon Wilborn visited for a short while Friday with Mr. and Mrs. H. A. Marchbanks.

Mr. and Mrs. J. H. White of Riverside, accompanied by her daughter, Mrs. Wayne Pillers of Amarillo, visited last week with Mrs. White's son, N. W. Day, in Duncan, Oklahoma. Mr. Day, who is in the oil business in Duncan, lived in Wellington several years after World War I.

"I got the story on

50,000 Miles-No Wear

and changed to New Conoco Super Motor Oil"

says J. D. Gladwin, Pontiac Dealer, Clinton, Iowa

"THE LOWEST OPERATING COST IN 12 YEARS in the Yellow Cab business—that's what we got when we changed to new Conoco Super Motor Oil," reports J. O. Jackson, Owner-Manager, Tyler, Texas. "Our operations are day and night the year around—a tough job for a motor oil. I recommend Conoco Super."

"AFTER AN OVERHAUL JOB, MY CUSTOMERS who change to Conoco Super Motor Oil have no difficulty driving their cars 50,000 to 75,000 miles without any more work on them," writes R. K. Comstock, Garage Owner, Oklahoma City, Oklahoma. "Conoco Super *keeps* engines clean and cuts way down on wear."

"50,000 MILES-NO WEAR!"—PROVED HERE:

After a punishing 50,000-mile road test, *with proper crankcase drains and regular care*, engines lubricated with new Conoco Super Motor Oil showed *no wear of any consequence* . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

FLASH-O-TRAC SYSTEM
TRADE MARK PAT. APPLIED FOR

Come in today and let us install a Flash-O-Track System on Your Tractor. You can operate it for 90 days and if you are not perfectly satisfied with its performance and economy you can bring it back and we will take it off at Absolutely NO COST TO YOU.

Two Types of Tanks

If you do not want the side tank using your regular gasoline tank as a spare, then we can install a tank in the place of your regular tank. Or we can install it on the side so that you can switch over to gasoline if you desire.

Economy of Operation

You can look the country over and you will find nothing that will measure up to the dollar value of the Flash-O-Track System. It is the only L. P. Gas Tractor System in the U. S. A. with a built-in heat exchanger.

No other system is as simple and not other system is as trouble free.

We urge you to come to our place and learn the facts. Flash-O-Track cuts oil 50 per cent, cuts fuel 50 per cent, cuts repair 50 per cent, doubles motor life and gives you safe, dependable thief-proof operation.

By MRS. C. W. FRITTS

Mr. and Mrs. Robert Young, Mr. and Mrs. Sonny Young and children, Jenny and Tommy, and Bob Young visited relatives in Alabama this week.

James Paul Jones of the Grogan Ranch has been quite ill with mumps. There are a number of cases in this area.

Mr. and Mrs. C. W. Fritts have learned that their small 20-months old grandson, Glenn Fritts, son of Mr. and Mrs. Quentin Fritts of Herman Street, Amarillo, received painful burns last Thursday when he got in the bath tub and turned the hot water on. His mother was hanging out laudry in the yard at the time. He suffered second degree burns from his feet to his hips.

Mr. and Mrs. Jean Whitfield are the parents of a nine-pound little girl born February 27, in a Shamrock hospital. The little lady has not been named at this writing.

Tons of envelopese, yellow, pink and green, are being prepared for mailing by handicapped people at the Texas Society for Crippled in Dallas. Aproximately one million of tthese envelopes —— on of the largest mailings of the year —— will be turned over to Uncle Sam the last of the month, according to Martin M. Ricker, Executive Director of the Texas Society. They will contain Easter seals,and a request to use them and return a donation for the benefit of Texas Crippled children.

The picture was made in the Sheltered Workshop where the Texas Society employs handicapped people who would not otherwise be able to earn wages.

Rev. Brewer Pastor Of Ark. Church

The Rev. Lon Brewer, who lived here as a youth, is now pastor of the Rose City Cumberland Presbyterian Church at Rose City, North Little Rock, Arkansas, his parents, Mr. and Mrs. Oscar Brewer of Sideny,Ark., have written the Wellington Leader.

A recent item in a North Little Rock newspaper cooncerning the Rev. Mr. Brewer said:

"Although the Rev. Lon Brewer has only served as pastor of the Rose City Cumberland Presbyterian Church at 119 South Oak, Roose City, since July 6, 1950, he sees a large field of service and a program of growth for this church.

"The Rev. Mr. Brewer was born in Sidney, Ark., but moved to Wellington, Texas, with his family when very young. He attended the grade schools in Wellington and later graduated from Bethel College and Seminary in McKenzie, Tenn. He had two pastorates before coming to North Little Rock--Yorkville, Tenn., and Burnsyick, Tenn.

"His wife is the former Marie Pounder of Sidney. The couple has one child, Brenda, age three.

"The church has a membership of 150 with an average attendance of 100 in Sunday School. The sanctuary has just recently been remodled with the choir loft being rearranged and new pulpit furniture installed. Besides the main church building, the church property includes the educational building and the parsonage."

"Tablecloths cost money, son!"

Yes, sometimes the things we take for granted represent long hours of work and many dollars of investment. Take natural gas service, for example. More than 26,000 stockholders — people like you and your neighbors—have invested their savings in gas wells, pipe lines, compressor stations and many other properties so that we can provide dependable natural gas service to our customers. That's the way the American business system works—to make life better and easier for all of us.

Recent photograph of a Texas primary highway

$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show **$115,282,344** was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . . .

(1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and

(2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

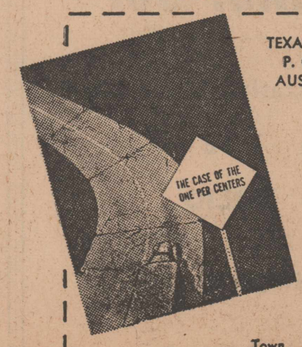

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Centers," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.

W. H. Craven, Area Rancher, Dies Friday

William H. Craven, 79, who operated a ranch 15 miles south of Wellington, died in St. Joseph's Hospital Friday evening, March 2, at 6:30 p.m., after an illness of only a few hours. His death was attributed to a heart attack.

Funeral services were held Sunday afternoon at the Presbyterian Church in Childress, and burial was in the Childress cemetery. Pall bearers were Tom Campbell, Cliff Campbell, Frank Campbell, Granville Clark, Arthur Miller and Bill Ross.

Mr. Craven was born in Chicago February 3, 1872, and came to Childress and Hall counties in 1900 to represent G. F. Swift of Chicago in breaking up his ranching interests and selling the land to settlers.

The Swift holdings included the Shoenail and Shoebar ranches.

In breaking up the ranches, Mr. Craven bought part of the old Shoenail ranch, which included the famour Doans Crossing, one of the first river crossings in the Panhandle.

He was married to Miss Ellen Sager in Belvidere, Ill., in 1901.

In 1915, the Cravens went to Oregon to represent the Swift interests, and later to South America. In 1930, they returned to Childress and moved to the ranch mid-way between Childress and Wellington.

Mr. Craven is survived by his wife; one daughter, Mrs. Thomas Bugbee of Goodnight; and one grandson, Ted Bugbee of Goodnight; two brothers, Alfred of Chicago and Edward of Los Angeles; two sisters, Mrs. James Scott of Portland, Ore., and Mrs. Lillian Stewart of Detroit, Michigan.

Going from here to the funeral service Sunday were Mr. and Mrs. Tom Campbell and son, Tim, Mr. and Mrs. Frank Campbell, Mr. and Mrs. Cliff Campbell, Mr. and Mrs. Chester Fires, Mr. and Mrs. L. C. Hill, Mrs. E. K. Jones, Dr. and Mrs. J. F. Johnson, Dr. and Mrs. Chas. B. Jones and Mr. and Mrs. John D. Glenn.

Coyote Trapper Drive Success

"I have never seen better cooperation than the Coyote Trapper Association received in its recent fund raising drive," P. E. Starr, president, declared this week after reports showed the drive to be successful.

While the date of the arrival of the coyote trapper is not definite, one is due in the immediate future, Mr. Starr said. Assurance to this effect has been given.

Under the current agreement, the Coyote Trapper Association will pay two-thirds of the trapper's salary, and the state will pay the remainder of the salary and furnish the trapping equipment.

Most of the fund drive was completed in a week, but some money is still to come in, Mr. Starr explained.

"Both A. J. Fires, the secretary, and I am sincerely grateful to everyone who helped put the drive over — to the committeemen who worked and to the farmers, ranchers and interested businessmen who contributed money to make it possible for us to hire a trapper," Mr. Starr said.

Hearing Check For Students of Three Schools

As part of an extensive health program being carried on in the Quail, Samnorwood and Dodson schools, the hearing of all students at these places will be checked March 19, 20 and 21.

These hearing checks are to be conducted by two graduate students of West Texas State College, Canyon, using an audiometer belonging to that school and earphones furnished by the State Department of Health.

These students have been trained by Dr. Crannell Tolliver of the speech department of WTSC and they are considered fully capable of conducting the tests. As many as 20 pupils may be tested at the time.

A tentative program calls for the visiting students and the special teachers of the schools to work at Dodson on Monday morning, March 19; at Quail Monday afternoon and Tuesday and at Samnorwood on Wednesday. Mrs. Byron Duncan is special service teacher at Quail and Mrs. Bernice Welch at Dodson and Samnorwood.

An effort will be made to have all children in school on these days.

Census Age Urged Census Are Urged

According to Supt. Orville Cunningham, of the Samnorwood school, it will be necessary for all six-year-olds to present birth certificates at the beginning of the coming school year.

It has been found in the past that through error, or otherwise, that some students ages have been moved up and they entered school contrary to the school law. In the future, all beginning students will be required to furnish a birth certificate and such errors of incorrect age will be corrected at the beginning of the school year.

The census record is a very important one to your child. The state now has a permanent census file on each child and it is not changed from year to year as it once was. So, please see that the report on your child is correct and that a census is taken.

Zip-up Dress Keeps Hair Dressed Up

BY EDNA MILES

NOT since the invention of the bobbypin has milady's hair ever had it so good.

Home permanents, chignons, improved shampoos and home dryers have all come to the rescue of the woman uttering that classic complaint, "I just can't seem to do a thing with my hair."

Yet while beauty experts have seemingly given their all to the business of glorifying the tresses of the fair sex, one problem has received virtually no attention, the impossibility of getting dressed without ruining a carefully groomed coiffure.

At long last, a solution has been found—a zip-up, step-in dress.

While the step-in dress is by no means a revolutionary idea, it may well be the forerunner of a fashion trend. The creation not only permits the missus to get dressed without getting so much as a wisp of hair out of place, but also eliminates the exasperating struggle to find sleeves while the dress is pulled up over the head.

At right, model Joan Skelly, her hair in perfect order, demonstrates how easy it is to step into the dress with the zipper pulled open to just below the waist.

Seconds later (at left), she stands fully dressed, her coiffure immaculate—truly a quick and painless change.

The cotton chambray step-in creation should have no trouble in winning applause from those women who have had their hair mussed up during a desperate effort to dress quickly, or from the many others who have groomed their hair after dressing, only to find telltale strands of loose hair marring an otherwise neat appearance.

It's Your Red Cross Support It Now

This is the month each year that we give to our Red Cross. In the year that has passed since the last Red Cross fund-raising drive, many things have happened that make the Red Cross more important to each of us.

Red Cross is again operating in war. It is again operating in civilian defense. It is stepping up its services and its work, and never outside of a time of full-scale war has this world-wide service organization carried such a heavy burden.

No other organization has ever been so universal in scope. It does work in a one-room house in Wellington, just as it does in every corner of the world, cutting across the barriers of race, religion, and economic condition.

In its local aspects, the Red Cross buys potatoes and beans for some family that for some reason it not able to provide its own. It pays for a bottle of medicine a sick man or woman needs, it buys a pair of shoes for a school child.

It helps a family whose house has burned, or when some other disaster keeps them from helping themselves. It gives assistance to the stranded.

Now the Red Cross is no encourager of the handout or the dole. Rather, it tries to get people to stand on their own feet, and to take care of their own problems. It's work is with those who cannot care for themselves and have no one to care for them, or those who need help of a temporary nature.

More than one panhandler has found that the Red Cross "No" can be just as firm as that given by any hard headed business man in town.

There are other aspects of the local help for Red Cross.

The work at present with men in service is surprisingly large. Red Cross takes care of a number of problems for men on leave, furlough extensions must come through the Red Cross contacting a man's commanding officer. When serious illness occurs, it is the Red Cross that gets the service man home. In this go-between role Red Cross has helped dozens of men and their families in Collingsworth County in recent months.

One phase of Red Cross is operating in the county now, in the First Aid training under way. This is not especially applicable to civilian defense. It's equally valuable in case of the family in a car accident, the man who gets his foot caught in the power take-off of a tractor, or a woman who falls off the chair she's standing on.

Strictly speaking, it not's THE Red Cross, it's YOUR RED CROSS. And as such, it needs YOUR support during the fund raising drive that is under way.

Taxes and Military Efficiency

President Truman has asked Congress for the biggest budget in the history of the nation. He has called for taxes the like of which the American people have never had previously.

Indications are the the administration is not going to get these taxes without some debate and investigation.

War and war preparation are expensive. Inflation has increased the cost of government needs, but there is every evidence through the past 35 years that our military preparedness leaders have not been efficient in the use of manpower.

You constantly hear about the inefficiency in the use of military power. Men are given long leaves even in peace time. In private life you would call these vacations. If a person on a job gets more than a week or two a year for vacation, he feels that he is most fortunate.

If business efficiency were used in our military and armament program, there probably could be a reduction of manpower need by 25 to 50 per cent.

People wonder how efficient the military is with food, supplies, trucks, clothing, and thousands of other items the taxpayers must provide. How efficient will our government be in spending tens of millions of dollars at the air field and atomic energy bases nearby?

When the nation gets full value for its dollars, you will not hear many complaints about the cost of armament, but the public is justified in demanding efficiency both in military units and in civilian defense work. The Panhandle Herald

They Need the Old Blue Back

Despite our vast increase in expenditures for public education a recent survey has shown that the spelling ability of high school students is on the down grade. In 1915, the survey shows 100 per cent of ninth grade puplis could spell the word "trouble." In 1940 only 91 per cent could spell the word correctly. Have the schools been "streamlined" to the point where fundamentals of education are secondary?

City Women to Relative's Funeral

Funeral services were held Friday for Mrs. A. M. Hollis of Childress, a sister-in-law of Mrs. Annie Hollis, and an aunt of Mrs. Bura Handley of Wellington.

Going from here were Mrs. Hollis, Mrs. Handley, Mrs. D. H. Handley, and Mrs. Roy Handley of Lockney, who was visiting here.

Mrs. Hollis had lived in Childress since 1906, and her husband was for 35 years shop foreman of the Denver Railroad Shops. He is her only immediate survivor. One son, Alton Hollis, died two years ago, and the other son, Jack Hollis, a Fort Worth and Denver official, was killed in a train wreck at Quanah last summer.

Mrs. Kenneth Carman and small son, Kenny, are here for an extended visit with her parents, Mr. and Mrs. J. G. Hunt. M-Sgt. and Mrs. Carman have been living in Shreveport, La., while he was stationed with the Air Force at Barksdale Field. He is now on temporary duty at Basingbourne, England, but his permanent assignment will be Remey Air Force Base, Puerto Rico. Mrs. Carman and Kenny expect to join Sgt. Carman in Puerto Rico in about a month.

George Shadid attended to business in Altus Monday.

Sgt. Richard McClaskey left Monday morning to report for duty at Fort Dix, New Jersey.

HE'S IN NO RUSH—This 75-year-old resident of Athens grinned broadly as he indicated that he had no intention of letting modern living change his ways. He snarled motor traffic as he and his mule ambled over a newly constructed highway. The white center stripes were made by a machine brought to Greece from the U. S. under the Marshall Plan.

Wellington -:- Texas

Loco News

By Bethine Adkins

The wheat is growing and is pretty and green instead of the dull brown it has been in months past. That just shows what a little welcome moisture can do for a crop. We can still use some more, however.

Pvt. and Mrs. Johnny Patterson of San Diego, California, spent the week end visiting his mother, Mrs. G. K. Patterson, in Wellington, and with his sister and family here, Mr. and Mrs. Jack Brown and family. They also visited Mr. and Mrs. G. W. Adkins.

All over this community, farmers are working on their terraces, one-waying, and just farming in general. R. H. Lacy has re-built several of his terraces, while J. C. Devenport is having part of his farm terraced for the first time. John and Bill Wolf have made numerous fills in the terraces on the G. W. Adkins farm.

Alfred Hamilton, son of Mr. and Mrs. T. A. Hamilton, left for induction into the U. S. Army Friday, February 23. He is stationed at Fort Jackson, South Carolina.

S/Sgt. and Mrs. Winfred Scott and children, Donna and Micky, of Brooks Field, San Antonio, spent the week end with his parents, Mr. and Mrs. Ray Scott, of Arlie.

Mr. and Mrs. Ray Scott were in Wellington Saturday visiting her mother, Mrs. D. M. Hobbs, who has been ill.

Rev. and Mrs. Tommy Austin and children, Sandra and Tim, of Duncanville were here over the week end visiting his parents, Mr. and Mrs. G. T. Austin, of Loco.

Visiting in the home of Mr. and Mrs. G. T. Austin Sunday afternoon were: Mr. and Mrs. Mancil Choate and children, of Childress; Mr. and Mrs. Boyd Williams of Panhandle; Mr. and Mrs. A. M. Dean and children; Mr. and Mrs. Raymond McReynolds and children; and Mr. J. B. Brown, all of Kellerville. Also Mrs. G. W. Adkins and Bethine.

Rev. Tommy Austin is the pastor of the North Side Baptist Church in Duncanville, Texas, and is in his last year as a student in Southwestern Baptist Theological Seminary in Fort Worth, where he will graduate from July, with the Bachelor of Divinity degree.

While in Wellington over the week end, he supplied the Sunday morning service at the Midway Baptist Church, and Sunday night at the South Baptist Church, in Dodson.

We extend our deepest sympathy to the R. H. Lacy family at the death of her brother, Jim Porter, of Wellington. Mr. Porter was suffering from a heart condition.

The Methodist circuit parsonage has had a new back porch and storm cellar added to the grounds in Wellington. With the help of men from the four churches in the circuit, the work was completed last Friday, about a week after it began. Rev. and Mrs. Long, with the aid of several of the ladies of the churches, prepared the noon meal for the men who were working.

A pie supper was given in the Loco school auditorium Friday night, with the entire proceeds going to the Childress County Red Cross Fund. Thirty-nine dollars was netted from the supper. About 20 were present. Most everyone with children in school attended the junior play in Wellington that night. The quota for the Loco and Arlie communities this year is $155.00. Mrs. C. A. Mitchell is heading the drive here, with Mrs Herman Belew as assistant.

Miss Doris Stutts of Amarillo spent last week end in the home of Mr. and Mrs. M. L. Adkins.

Mrs. T. A. Hamilton is spending the week in Dallas visiting her daughter and family, Mr. and Mrs. H. G. Smith. Mrs. Smith has been in the hospital there for several days, but is reported to be improving.

Visiting in the L. H. Wolf home this week were Mr. and Mrs. Randolph Wolf of Wellington and Misses Neva Jo and Juanell Wolf of Pampa.

Mr. and Mrs. Silas Crawford and Mary Sue were Amarillo visitors Saturday.

Miss Maudie Hamilton and Mr. and Mrs. Red Smith of Dallas spent the week end here with Mr. and Mrs. T. A. Hamilton.

Gene Thomas of Dallas has been spending a week with his parents before entering the service. He will be inducted into the Army Wednesday, March 7.

Mr. and Mrs. Tom Burton and family and Miss Aurelia McGee were in Amarillo Friday to attend the fat stock show. The ladies did some shopping.

Visiting in the M. L. Adkins home this week end were Mr. and Mrs. Eddie Boggs, Miss Katie Adkins of Amarillo, and Jerry Boggs of Dodson.

We had a slight sand storm here Friday, with the visibility being almost zero. There was not so much dust blowing on the ground, but the air was thick with it.

Roscoe Ellerd or Memphis visited in the G. W. Adkins home Wednesday of last week.

W. D. Durfey and the Cudd Brothers of Wellington transported three loads of fat steers to the Fort Worth market last Sunday. The cattle belonged to Mr. Durfey. He took another load Sunday.

Mr. and Mrs. Myrett Wilks were business visitors in Childress Wednesday.

More work has been done on the telephone lines in this community the past two weeks. Getting new phones were Forrest Lemley, Pete Watts, Waymon Moody, L. C. Keith, and W. R. Crawley.

Mr. and Mrs. W. R. Crawley were Childress visitors Saturday morning.

Mr. and Mrs. W. H. Calcote of Shamrock spent the week end in the G. W. Adkins home. They were visiting Miss Bethine Adkins who had returned home from St. Joseph hospital following a tonsillectomy.

A musical was held in the M. L. Adkins home Friday night of last week. Attending were F. A. Pettitt, Lon Thomas, Benny and W. D. Stanley, Mr. and Mrs. Tom Hamilton and Alvis, Miss Doris Stutts, and the Adkins family.

Mrs. Frank Boyles underwent surgery in St. Joseph Hospital this week.

CHANGES HIS MIND—Thirteen-year-old George Raymundo, shown at left as he recently received a physical checkup prior to discharge from the Army, was asked if he would enlist when he reaches the proper age. "They gotta draft me," was the reply of the Brooklyn youth. Raymundo, who was examined at the Aberdeen Proving Ground, Md., was in the service three weeks.

Stratford Defeats Norwood Eagles in Regional Tourney

Samnorwood Eagles went out of the Regional Class B basketball tournament at Lubbock recently, losing their second game to Stratford.

The team won its initial game from Paint Creek.

The Eagles led Stratford through most of the game, then the High Plains boys pushed ahead and the Norwood cagers could never stack up sufficient points to even the score.

The game ended 35 to 23 in Stratford's favor.

This is the second consecutive year that the Norwood Eagles, coached by Purl Tippie, have gone into the regional contest.

Thirteen schools participated this year, Samnorwood, Stratford, Paint Creek, Folette, Estelline, Dimmitt, Sudan, Roosevelt, Jayton, Meadow, Klondike, Adrain, and Knox City.

Eagles playing in the regional games were Duane Reynolds, Lawrence Overcast, Billy Alexander, Wendell Phillips, Charles Daugherty, Joe Henderson, Ronnie Gooch, Eugene Taylor, Joe Ray Thompson and Dale Bradley.

Mrs. M. L. Long Dies at Roswell

By MRS. Z. O. McKINNEY

Friends in this area have learned that Mrs. M. L. Long of Roswell, N. M., died suddenly Saturday, February 17. She had suffered a heart attack a week earlier and had been confined to bed. A daughter, Mrs. Doris Hale of Williams, Arizona, had arrivde to see her mother just 20 minutes before her death, and the two were talking when Mrs. Long died.

Mrs. Long was born December 13, 1890 in Gainesville. Early in life, her family moved to Ladona, where she grew up. On May 24, 1910, in Wellington, she and Mr. Long were married. They made their home in Texas until 1927, when they moved to Roswell. She was a devoted member of Trinity Methodist Church.

Surviving are her husband and six children: Mrs. Nina Van Sickel of Burbank, Calif.; Pvt. Glenn Long of Lowry Field, Colo.; Mrs. E. M. (Ruth) Hart of Temple City, Calif.; N. C. Long of Santa Cruz, California; Mrs. W. C. (Blanche) Akers of Orange, California; and Mrs. Pete (Doris) Hale of Williams, Arizona.

Funeral services were held at Roswell and Mrs. Long's body was sent to Orange, Calif., where burial was made the following Wednesday.

Thomas, Bratten C-C Directors

Zook Thomas was re-elected and L. B. Bratten was chosen as a new director of the Wellington Chamber of Commerce in the recent election, President Jack Gibson reported this week.

Mr. Bratten succeeds Velman Warrick whose term expired Mar. 1. Mr. Warrick, who is vice-president of the Chamber of Commerce, was not eligible for re-election as a director.

Mr. Thomas will again represent the Quail community on the Board of Directors. This is Mr. Bratten's first term.

Fertile soil is always a part of a strong nation.

Don't let anyone hear you bragging about how many farms you have worn out.

A prosperous community cannot stay after the soils of that community have washed away.

DAV Sweetheart

SAN FRANCISCO — The girl with the winning smile is Charlene Flickinger, 3, selected by the Disabled American Veterans as their "DAV Sweetheart" of the year with the hope that her future husband never becomes eligible for the DAV. Charlene's grandmother is a member of the DAV.

SAMNORWOOD
BY MRS. C. W. Fritts

Mrs. Joe Pendergrass of near Sayre, Oklahoma, is visiting with her daughter and son-in-law, Mr. and Mrs. Jean Whitfield and daughter.

Mr. and Mrs. Preston Glazner and children moved this week from the Orville Cunningham farm to one of the Ernest Browning farms east of Norwood.

Mr. and Mrs. C. W. Fritts visited with their son and family, Mr. and Mrs. Quentin W. Fritts, in Amarillo over the week end. Their small grandson, Glenn, is recovering from painful burns received recently.

They also visited Mr. and Mrs. Vernon Fritts, Louis and Carolyn, and Mr. and Mrs. Oscar Fritts and Wayne. The group attended the radio broadcast of Uncle Jay and the Funnies on KGNC Sunday morning. Little Larry Fritts celebrated his sixth birthday Sunday, and was interviewed by Uncle Jay.

Make-Up Artist At High School

Hal Roden, make-up artist, will be presented in a program at Wellington high school Thursday, March 15, at 2:00 p.m. This program is open to the public and there is no admission charge.

Eight or ten boys and girls from the student body will assist Roden. These will be made up as famous personages in public life today.

"The program is filled with humor and we feel it will provide an hour of fun for everyone, adults and students alike," Howard Oliphint, high school principal, said.

Mrs. Davis to Music Meeting

Mrs. Jack Davis of the Quail school music department, will attend the Music Educators National Conference, Southwestern Division, in Oklahoma City from Wednesday through Friday, March 14 to 16.

This is a bi-annual convention and festival.

Public school music teachers from seven southwestern states will attend.

Mrs. J. R. Wilson is a medical patient in St. Joseph Hospital this week.

Quail Letter Winners Named

Herman Moseley, superintendent of Quail schools, announced this week the boys and girls that have earned a basketball letter from that school.

The boy's coach, W. F. Howard, announced the following on the boy's team:

George Stephens, Jasper Peoples, Leon Shields, Garland Fielding, Loyd Parker, Jessie Young, Wallace Blasingame, Jack Neeley, Gene Peggram.

The girl's coach, Charles Duvall, announced the following girls as eligible for letters:

Helen Wischkaemper, Freda Harrison, Mary Louise Robinson, Fayteen Peoples, Annie May Wilson, Fern Neeley, Jo White, Jo Blevins, Virginia Miller.

The letters have been ordered and will be presented on their arrival.

Miss Treva Young, a student of West Texas State College, spent the week end with her parents, Mr. and Mrs. Tiffin Young, Sr.

Rev. and Mrs. L. L. Hill of the Wellington Methodist Church left Tuesday for Abilene to attend the Watson Lectures at McMurry College. These feature two outstanding religious leaders of the country.

Wellington Boys to A&M Open House

Four Wellington boys who will graduate from high school this year attended the annual open house for prospective students at Texas A&M College Saturday, March 3.

Going were Thomas Kutch, Don Lacy, Jack Tarter and Spencer Coleman.

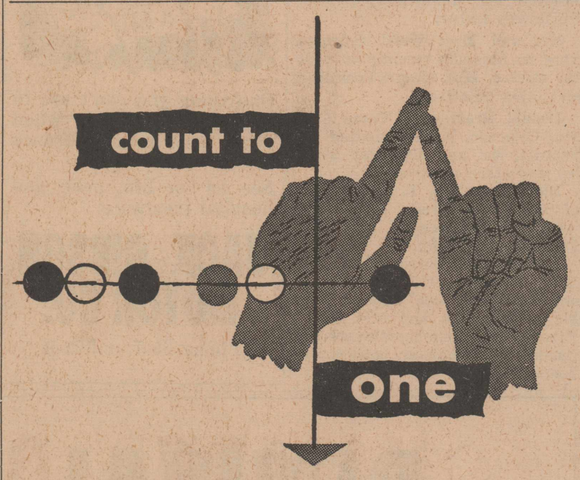

They were shown over the A&M campus, attended functions planned in their honor, and heard speakers outline the advantages of the college.

The Wellington boys were guests of three other county students, Douglas Coleman and Dudley Coleman of Dozier and John Dee Coleman of Pleasant Mound.

Dr. and Mrs. W. R. Orr had as their guests during the week end Mr. and Mrs. William Craig of Lake City, Colorado.

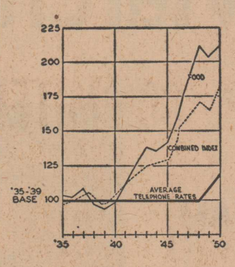

Mrs. H. L. Jenkins underwent surgery in St. Joseph Hospital this week.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B_1, B_2, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B_1, B_2, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jiminez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B_1, B_2, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jiminez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jiminez's statement:

"My son Floyd was very subject to colds. He's eleven years old, and he was rundown, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just recovering from a siege of a bad cold.

He was very rundown, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Floyd Jiminez

Men, women and children of all ages are praising HADACOL for supplying Vitamins B_1, B_2, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you too, if you suffer such deficiencies.

Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, $1.25; large family economy size, $3.50.

Record Crowds Applaud 1951 Chrysler Displays

DETROIT — An unprecedented reception by the public of the 1951 Chrysler models has been reported by dealers in all parts of the country where the automobiles were placed on display early this month.

The numerous improvements in all of the models, together with the spectacular appeal of the all-new 180-horsepower V-8 "Fire Power" engine, provided attractions without parallel in the twenty-seven years of the Chrysler line, dealers reported.

The hign point of the nationwide unveiling came at the Chicago dealers' show, where the new engine proved to be a "show-stopper" that had the Chrysler displays thronged at all hours and spurred an endless flood of orders.

"Never before have so many persons visited our dealers' showrooms in a single day as were reported on our 1951 model announcement day (Feb. 10)," said Joseph A. O'Malley, General Sales manager. "From all over the country, regardless of dealer location or size, we received the same report: Fine attendance from opening to closing.

"The demand for demonstrations of our new engine was so great that cars were kept filled throughout the day and evening. In some cases, it was necessary to shorten the demonstration routes in order to accommodate more passengers. The general reaction of those who took demonstrations was that the performance of the new engine is even more outstanding than had been expected," Mr. O'Malley said.

Edmond Schaded was in Amarillo recently to be sworn into the U. S. Organized Naval Reserve at the Reserve Training Center there. He will attend regular drills and classes until ordered to active duty with the Navy.

'51 CHRYSLER WINS SPEED TITLE AT 100 MPH

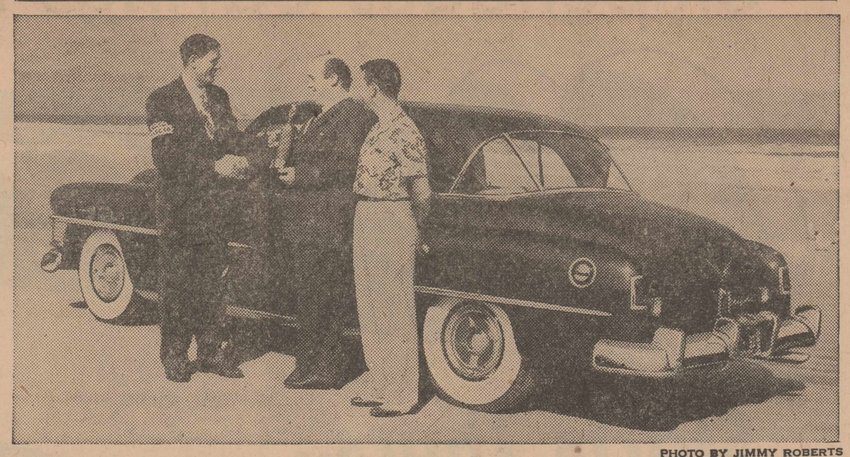

PHOTO BY JIMMY ROBERTS

Tom McCahill, featured automotive writer for "Mechanix Illustrated" (center), receives trophy emblematic of the 1951 official unmodified stock-car record from Bill France, President of the National Association for Stock Car Auto Racing. The record of 100.13 miles per hour was made at Daytona Beach, Fla., in a Chrysler New Yorker four-door sedan, powered by the new 180-horsepower V-8 FirePower engine. McCahill entered the trials on the spur of the moment with a car that had been driven only 400 miles and that had been given no special tune-up. W. Brewster Shaw, Jr., Chrysler dealer in Daytona Beach, shown standing at the right, loaned him the vehicle, taking it off the showroom floor.

LILLIE

By MRS. G. D. THOMAS

Mrs. Charley Graham, Mrs. Luke Tollett, Mrs. Homer Davis, and Mrs. G. D. Thomas visited Mrs. Thomas McGary and baby, Thomas Len, Saturday evening at the hospital.

Zook Thomas and Mrs. J. D. Thomas visited in the Trusten Thomas home in Fort Worth Sunday night.

We are sorry ot report that Mrs. H. L. Jenkins was taken to the hospital Thursday and underwent surgery Friday and is still in a serious condition. A speedy recovery is our prayer for her.

Mr. and Mrs. C. E. Burney have moved to the Holly place which was vacated by Mr. and Mrs. Stephen, who moved to the Lutie community last week.

Sunday School was well attended Sunday morning at Lillie. The Wayland Volunteer Band had charge of the program Saturday night and Sunday. Everyone enjoyed it very much.

Mr. and Mrs. J. R. Nicholson, of White Deer, Mrs. Helen Hurst and daughter, Elizabeth Ann, and Mrs. Richey of Wellington visited in the Zook Thomas home Sunday night.

Mrs. Ben Ratliff, Mrs. Henry Langford, and Mrs. Zook Thomas attended the Quail Friendship Club Thursday.

Mr. and Mrs. John Killgo, Mr. and Mrs. N. R. Davis and family, Mrs. Raymond Barnett, and Miss LaDona B. Horton visited in the Will Peck home Sunday.

Mr. and Mrs. Elmer Haralson and family visited her mother, Mrs. Cowan, at Mobeetie Friday.

Among those who attended the District Convention at the First Baptist Church at Wellington Tuesday were Mr. and Mrs. Ben Ratliff, Mrs. Haskel Manuel, D. S. Morris, G. D. Thomas, Homer Davis, and Henry and Bill Langford, from Lillie.

Our community was made sad Saturday by the news of the death of Rev. Fred Bell at Brownfield. The Bells lived for many years in the Lillie community, our sympathy goes out to them.

Mr. and Mrs. Sanford Allen and family, of Atoka, Okla., moved in to one of the Lillie gin houses.

SALT FORK

By MRS. R. H. ISBELL

These past few windy days have reminded us housewives we have a lot of hard house cleaning work ahead.

Mrs. Opal Maxwell, Mrs. C. A. Wright, and Mrs. Edna Maxwell made a business trip to Amarillo one day last week. They also visited Mrs. Shred Bolton in her daughter's, Mrs. Elsie Smith, home. Mrs. Bolton is suffering very much with her foot. But she decided not to have it amputated at the last minute. We sincerely hope she can get better, but the doctors are worried about her.

R. H. Isbell sowed a patch of alfalfa last week.

The Wellington circuit parsonage has a good storm cellar now. Thanks to a few men from the different churches. Several women visited Mrs. Long while the men worked and helped prepare dinner for the workers.

Miss Ola Isbell of Corpus Christi has been here visiting her brothers, R. H. and Ted Isbell and their families, also her step mother, Mrs. G. C. Wright. Miss Isbell operates a beauty shop in her home at Corpus Christi. She left for home Monday.

Mrs. G. C. Wright visited in the Ted Isbell home Sunday night.

Mrs. G. C. Isbell has been on the sick list for several days with the flu.

The Methodist circuit churches will hold another bake sale March 24. Anyone wishing to help will be greatly appreciated. We're trying to repair the parsonage. You know it wears out same as everyone else's home, and we need quite a few things for the inside. One young couple from Fresno bought a nice new kitchen linoleum and gave the parsonage last week. Rev. and Mrs. Long were very pleased and say "Thank you."

Mr. and Mrs. R. H. Isbell visited Mr. and Mrs. Ira Morrow awhile Sunday night. Mr. Morrow is sick again.

Mrs. G. D. Thomas visited the Morrows awhile last Friday.

Mr. and Mrs. Arthur Dakil and son, Floyd, visited in the Frank Dakil home in Childress Sunday.

Rufus Johnson's mother, Mrs. R. E. Johnson of Houston, visited Mr. Johnson Tuesday and Wednesday. Mrs. Johnson came to hear the concert given by the High School Band which is directed by Mr. Johnson.

Alta Marie Jackson, daughter of Mr. and Mrs. John Jackson was a medical patient in St. Joseph's Hospital last week.

DOZIER

By MRS. E. L. RANKIN

Going from here Sunday to Quarterly Conference of the Methodist Church were Mr. and Mrs. Jim Clark and Troy, James Murry Elmer Strong and W. M. Davis and his granddaughter, Glenda Bounds.

Mrs. R. L. Johnson, who had been a patient in St. Joseph's hospital at Wellington for some time, returned to her home last week. Her mother, Mrs. McBroom, is staying with her until she is strong enough to do her housework.

Joan Taylor of Los Angeles, Calif., is visiting her sister, Mrs. Worth Shields and family and other relatives and friends.

Miss June Wischkaemper, who is teaching in the Dalhart school, was a week end visitor of her parents, Mr. and Mrs. A. F. Wischkaemper Sr.

J. H. Phillips and family recently moved to Plainview to make their home. Mr. Phillips has employment with the Bell Telephone Company.

John and Leon Phillips, who moved to Plainview with their parents were here last week end to visit their grandmother, Mrs. Ella Phillips and other relatives.

Mr. and Mrs. Albert Montgomery and Miss Delia Westfall of Amarillo were week end guests of Mr. and Mrs. Roy Hoffman and children. Mr. Montgomery is Mrs. Hoffman's father.

Mr. and Mrs. Wood Coleman were in Amarillo recently to visit her mother, Mrs. Mamie Lockwood and other relatives.

Donald Bradley, of Camp Carson, Colorado, is here visiting his parents, Mr. and Mrs. Pat Bradley and other relatives.

Elder and Mrs. L. Stonecipher of the Buck Creek community, were recent guests of Mrs. Ella Phillips and family.

Mr. and Mrs. Forrest Ezzell and small daughters, Connie and Karen, who have been staying with his parents, Mr. and Mrs. E. L. Ezzell, while their home was being remodeled throughout, have moved home.

PSYCHONEUROSIS

CASE NO. 1484: Case discharged from Army with diagnosis of Psychoneurosis and arthritis came to the Chiropractic Clinic complaining of constant pain in all his joints, and especially his spine and neck; nervous shaky spells, absent minded, blank spells of forgetfulness, dizziness blurred vision at times, terrible headaches lasting several days, and a feeling that everything was wrong, that something was wrong with his mind. Spinal analysis revealed defective energization and X-rays exposed vertebral subluxation causing the nerve interference and defective energization. After a few months of corrective adjustments the alignment was restored to normal, nerve interference removed, and the case reported feeling well and completely at ease and full of pep and vigor. He said the past was like a bad dream.

CHRONIC FATIGUE

CASE NO. 2031: A farmer, age 58, complained that for two years he had suffered with low back and leg pains that made his work doubly difficult, also he felt tired all the time, increasingly nervous, worrying too much, sleeping badly, catching frequent colds. His blood pressure was 102. We made a spinal analysis and X-rays, and located the spinal subluxation. Corrective adjustments brought about improved alignment and removed the nerve interference. At the end of the recommended time, he was discharged. Before departing he said he had no pain or discomfort of any kind and his blood pressure was normal.

Wayland Group at Lillie Church

By MRS. G. D. THOMAS

On Saturday night, March 3, ten students from Wayland College visited in the Lillie community. They were served supper at the Lillie Baptist Church at 6:30 p.m. and following that, they presented a dramatic religious program. The impressive play was "Bearing Christian Crosses."

Joe Kayser of the Wayland group was in charge of the Sunday services. The morning sermon was brought by Preston Bennett of Greenville and the evening sermon by Mr. Kayser, whose home is Fort Worth. Mona Wilhite was pianist for all services.

Onita Carr of Muleshoe and John Winters, Wellington, directed singing for the three occasions.

Others in the group which comprises the Wayland Volunteer Mission Band were Vondell Butler of Vernon, Fara Mae Roenfeldt of Pampa, James Clark of Lubbock, and Mary Lee Conklin of Pampa. These helped with spceial song services and devotionals. Mrs. Joe Kayser, an employee of the First National Bank, Plainview, accompanied the group.

During their visit there, the group assisted Pastor A. G. Roberts with a visitation program to the homes of families of the community not enlisted in church work, taking them invitations to attend services. They also visited several members who are ill.

The ten young students were entertained in the homes of Messrs. and Mesdames B. E. Ratliff, Henry Langford, Homer Davis, Joe Jett, Haskel Manuel, and Walter Needham. John Winters visited his parents, Mr. and Mrs. W. E. Winters, in Wellington.

Cpl. and Mrs. William H. Lewis visited with their parents, Mr. and Mrs. W. C. Lewis, and Mr. and Mrs. Jess Bogle of Dodson. Cpl. Lewis is stationed at Leesville, Louisiana.

Loco Methodist Revival March 19

The Bethel Methodist Church at Loco will begin a pre-Easter revival there on Monday, March 19, with Rev. C. A. Martin, pastor of the McCullough Methodist Church in Pampa, in charge of the preaching. It will close with the evening services on Easter Sunday.

Morning services will begin at 10:30, with prayer services beginning each evening at 7:15, and song service at 7:45.

Rev. H. E. Long, pastor of the church, said, "Rev. Martin is a wonderful speaker, and will deliver a series of wonderful messages. We urge each of you, regardless of the denomination of your belief, to come and hear this speaker."

Read The Record:

on a one mile check point 2 miles south of Wellington

Records of the Planning Survey of the Texas Highway Department show that last year 82,125 panel and pickup trucks used this mile of highway.

Since this type truck will average about 8 miles per gallon of gas, 10,265 gallons were used.

Since the gas tax is 5½ cents per gallon, $564.57 was paid while traveling this mile last year.

Panel and pickup trucks paid an average registration fee of $65 and traveled about 10,000 miles per year. For each mile these trucks paid 65-100 cent. Therefore last year they pair $533.81 in registration fees for using this mile of highway.

The records show that last year buses and large trucks used this mile 132,130 times.

They pay an average registration fee of $300, about one half cent for each mile traveled, therefore they paid $660.65 for registration fees to travel on this mile.

Since this type vehicle will average about five miles per gallon of gas, they used 26,427 gallons on this mile of highway, paying gasoline taxes amounting to $1,453.48.

The records of the Highway Department show that the maintenance of this mile last year was $793.40.

Therefore, BUSES and LARGE TRUCKS paid in GAS TAX ALONE $660.08 MORE PER MILE than the ENTIRE MAINTENANCE COST.

TRUCKS AND BUSES pay every year $3,212.51 in motor fuel and tax registration fees on this mile of highway.

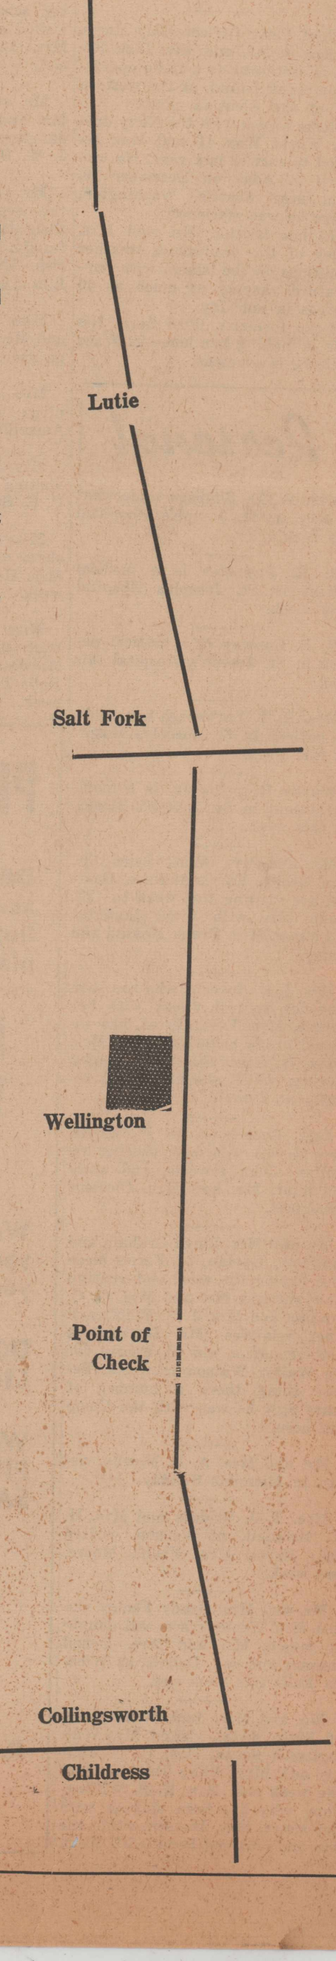

These vehicles will pay in fuel tax and registration fees $64,250.20 over a 20 year period.

The maintenance cost for 20 years will be $15,868.

Therefore TRUCKS AND BUSES each year pay enough in Motor fuel taxes and registration fees to PAY ALL MAINTENANCE COST ON THIS HIGHWAY and enough more to REPLACE IT WITH A HIGHWAY costing $48,382.20 per mile at the end of 20 years.

According to the 16th Biennial Report of the Texas Highway Department the average cost of highways constructed in 1947-48 was $15,186.57 per mile. This included bridges, underpasses and overpasses.

The average life span of a class one highway is from 20 to 30 years.
