

On The BEAM

By J. W. King, Sr.

Although there is enough moisture in the soil around here to plant crops, another good rain would be mighty welcome.

The promise of rain for Tuesday afternoon did not materialize here—we had a sandstorm instead.

Some long range weathermen are predicting this year will be another year short of rain—right now it looks as if the prediction might be right. However we have received more rain so far this year than we did a year ago and prospects are looking much brighter.

Not everyone has irrigation, but those who do have may be the lucky ones this year.

It is said that every cloud has a silver lining. What we are wondering is: has every cloud of dust a silver lining.

The regularity of the sandstorms is somewhat discouraging right here at planting time—but maybe that silver lining is wrapped up in the promise of Dr. Krick that above normal rain will fall in this section in May, beginning about the 10th.

HOSPITAL NOTES

Medical patients: Mrs. Royce Mahon, Clayton Finch, Tony Snyder, William Martin, N. V. Bonner, Beverly Johnson, Mrs. W. M. Kahler, Mrs. G. O. Martin, Mrs. Daniel Vasquez, Mrs. R. G. Pendley, Keith Hackfeld, Mrs. J. P. Hale, Sr., Katie Mae Crawford, C. T. Chapman, Mrs. Al Peterson, Mrs. J. I. Chorns, Carolyn Collier, Harold Johnson, Billy Owens, Kenneth Johnson, Mrs. T. M. Ingram, Phil Horton, Cathy Lindsey, Mike McDaniell, born to Mr. and Mrs. George M. Lee, a son, April 23; Mr. and Mrs. Manuel Sheller, a daughter, April 23.

Junior-Senior Banquet at S'water

On Friday night, April 24, the junior class honored the senior class of '33 with the annual Junior-Senior Banquet. Scene to the banquet was the Bluebonnet Hotel in Sweetwater. There were approximately 55 people present including members of the senior and junior classes, high school and grade school teachers and escorts and the room mothers and husbands.

The rainbow theme was carried out in decorations. On the head table was a miniature pot of gold, rainbow and graduate dolls representing the seniors. Blue tapers and pink napkins monogrammed in gold "Junior-Senior Banquet 1933". Miniature gold sprinkling cans served as mint and nut cups, open miniature umbrellas were favors. Lovely garden flowers of roses and tulips were placed on all the tables in gold cuspids. Down the center of the tables were streamers of orchid, green and yellow. Place cards and programs had pictures of the rainbow and flower garden. At the front of the room was a small garden with green grass and a white fence. Pink and yellow roses and a quilt wishing well were in the garden. Yellow roses were climbing the wishing well and there was a background of blue sky with the rainbow leading to the pot of gold. Behind the head table yellow climbing roses extended to the roof.

A menu of fried chicken, gravy, creamed potatoes, English peas, hot rolls, butter, cherry cobbler and iced tea was served.

James Hern, President of the junior class, was master of ceremonies. The program: Invocation, Richard Blair; Welcome, Betty Baumann; Response, Eugene McGee; reading, Meeting the Sun Half Way, Barbara Small; toast, Every Cloud Has a Silver Lining, Raymond Turnbow; song and dance, Oh Let a Smile Be Your Umbrella, Jacks Coffee and Beverly Harris; the guest speaker, Mr. Roy Bass of Lubbock, used as his subject, The Qualities of a Good Character and How to Succeed in Life. Dixie Templeton gave the senior class will and Mr. Howard Homsley gave the benediction.

Mr. and Mrs. Moody Richardson and Mr. and Mrs. Tommie Mathis and Gary and Billy Dale Blair visited Lowell Richardson and Don Mathis at Texas Tech in Lubbock Sunday.

Mr. and Mrs. Mark Glass of Fyron were guests of Mr. and Mrs. O. P. Blair Sunday.

Mary Rose Templeton of Templeton State College spent the weekend with her parents, Mr. and Mrs. J. M. Templeton.

Mr. and Mrs. Merlin Bruce of Fort Sill, Oklahoma, spent the weekend with their parents, Mr. and Mrs. Marshall Bruce and Mrs. W. H. Jean.

Merlin Bennett visited his brother Doryl at Texas Tech over the weekend.

Mr. and Mrs. Gene Baird and Vicki and CWO and Mrs. Harold Britton spent the weekend visiting Mrs. Baird's and Mrs. Britton's brother, Sgt. James Brown, at Fort Hood, Texas.

Mr. and Mrs. Dee Finch visited Sunday night in the home of her sister, Mr. and Mrs. Fred Redus, in Abilene.

Guests of Rev. and Mrs. Lee and Hartley Wednesday were Mr. and Mrs. Maurice McCarty and sons and Mr. and Mrs. Fina Edwards of Edmonson.

D. E. Jackson visited in the homes of his daughters, Mr. and Mrs. James Gunnells in McCamey, and Mr. and Mrs. Forest Faulkenberry, in Lamesa, and in the home of his son, Mr. and Mrs. Kenneth Jackson and family at Andrews last week.

Mr. and Mrs. Grady Furlow left Friday for Corpus Christi, where they are visiting in the homes of their two daughters and son.

Locita Stewart Wed Here In Church

Miss Locita Christine Stewart of Lovington, New Mexico, and Billy Dwan Renick of Wichita Falls, Texas, were married at 3 o'clock in the afternoon of April 25, at the First Methodist Church in Loraine.

The Rev. John W. Price of Roscoe read the double ring ceremony as the couple stood under an arch of greenery flanked by baskets of white gladioli. Parents of the couple are Mr. and Mrs. Jim L. Stewart of Lovington, N. M., and Mr. and Mrs. A. B. Renick of Wichita Falls.

Mrs. Royce G. Love of Lovington was matron of honor and Mrs. Douglas Smith of Loraine and Mrs. Merlyn Bruce of Lawton, Oklahoma, were bridesmaids.

Ruth Wallace of Lovington and Charlene Claxton of Lorraine lighted candles. Marie Beighs of Abilene played traditional wedding music. Royce G. Love of Lovington was best man and Merlyn Bruce of Lawton, Oklahoma, and Clifton Edwards of Waurika, Oklahoma, were ushers.

The bride, given in marriage by her father, wore a dress of white slipper satin. Self covered rounded neckline, bouffant skirt and button extended down the back of the pointed bodice. It was styled with stand out collar, finger tip sleeves, chapel length bouffant skirt. From her tiny calette of white satin fell the waist length tulle veil. She carried a white Bible centered with a single white orchid.

Mrs. Love's dress was mint green taffeta made fitted bodice rounded neckline, bouffant skirt and she wore a halo headpiece of feathered carnations matching the color of her dress.

Mrs. Smith and Mrs. Bruce wore dresses of orchid taffeta made identical to that of the matron of honor. They all carried colonial nosegay bouquets of white carnations.

Miss Wallace and Miss Claxton wore dresses of yellow taffeta styled as the bride's attendants. They wore wristlets of feathered white carnations.

Following the wedding the bride's parents hosted a reception in the church dining room. Assisting the couple in receiving were Mrs. Love and their mothers, Mrs. Stewart and Mrs. Renick.

The refreshment table was decorated with bouquets of the attendants and tall baskets of gladioli, were used for room decorations.

Guests were present from Lovington, Snyder, Roscoe, Coahoma, San Angelo, Lawton and Wichita Falls.

When the couple left on their wedding trip to points in West Texas and New Mexico, Mrs. Renick was wearing a navy shantung dressmaker suit with yellow accessories and her hair in an orchid corsage.

After their wedding trip, they will be at home in Lubbock where Mr. Renick is employed by Western Geophysical Co.

Susan and David Terry spent the weekend with their grand parents, Mr. and Mrs. C. C. Terry at Lamesa, and they brought them home Sunday to spend the day in the home of their son, Dr. and Mrs. Joe Terry.

Mr. and Mrs. Bud Rieburg of Dunn were guests of her parents, Mr. and Mrs. W. H. Long, Sunday.

Guests of Rev. and Mrs. Lee and Hartley Wednesday were Mr. and Mrs. Maurice McCarty and sons and Mr. and Mrs. Fina Edwards of Edmonson.

D. E. Jackson visited in the homes of his daughters, Mr. and Mrs. James Gunnells in McCamey, and Mr. and Mrs. Forest Faulkenberry, in Lamesa, and in the home of his son, Mr. and Mrs. Kenneth Jackson and family at Andrews last week.

Mr. and Mrs. Grady Furlow left Friday for Corpus Christi, where they are visiting in the homes of their two daughters and son.

School Board Elects Ag. Teacher

The Loraine school board in a meeting Monday night elected Mrs. Crawford, who is agricultural teacher at Three Way, to fill the vacancy caused by the resignation of L. D. Crawford, who is to assume management of the B. H. Johnson ranch.

Mr. Crawford is married and has three children. Other teachers elected were: Misses Troy Kegan, Floyd Coffey, R. B. Cope, D. W. Hagabon, Drew Givens, Misses Gladys Spikes, Edith Wilkerson, Alma Lee and Christine Kitchens.

Patsy Green Sec. Student Council

Miss Patsy Green, daughter of Mr. and Mrs. T. J. Green, was elected secretary of the Student Council at McMurtry College in a recent election of the student body.

Patsy is a graduate of Loraine High School and a sophomore at McMurtry.

What's in a prescription? Perhaps a simple thing like a bromide compound. Perhaps a far more complex compound involving aureomycin or cortisone. But in a Loraine Drug prescription, there's always something else: First, the best pharmaceutical skill available in compounding it. Second, the deserved confidence you give us in using it.

Introducing a Senior
On October 15, 1935, Mr. and Mrs. J. E. Price became the proud parents of a bouncing baby boy, Robert Stanley Price. Robert, better known as Bobby, by to all of his friends, is a handsome 6'; he has blond wavy hair and blue eyes. He is quite a charmer, at least that is what Beth says.

Bobby has gone to school here at Loraine all eleven years

and is now finishing his senior year. He has always been active in school and is quite an athlete. He always has a smile and a good word for everyone.

Some of his favorites are sport, baseball, subject, typist, dish, steak; color, blue; actor, Charlton Heston; actress, Jane Leigh. His favorite girl is 5' 6", has short blond hair, blue-gray eyes, and is a senior of L. H. S. She will always be tops to Bobby.

This year Bobby was voted Mr. L. H. S. most popular boy, and most athletic boy. He was an assistant business manager on the Bulldog staff. He was

Our Sign of Better Service

Your Friendly

Mobilgas Dealer

president of F. F. A., played end on the football team, and guard on the basketball squad. He is also active in track and basketball. Bob plans to go to McElhenny after graduation. With his personality we want to wish him lots of luck.

Another Senior
Our second senior for this week is Dixie Lee Templeton.

On January 23, 1936, Mr. and Mrs. J. M. Templeton became the proud parents of a baby girl. Dixie is a cute 3' 1". She has brown hair and blue eyes. She has a wonderful personality and a big smile.

She began school at Buford. She then moved to Loraine where she has been going ever since.

Some of her favorites are sport, football; subject, English; dish, anything just as long as it is food; color, blue; actor, Montgomery Clift; actress, Ava Gardner. Her favorite boy friend as we all know attends L. H. S. She leaves it to us to guess who it is.

She was class favorite when she was a sophomore, also Hal-loween candidate. She was band sweetheart 50-51, band secretary the last three years, and class secretary all four years. She has also held an office in the F. H. A. Club the last three years. She was voted cutest girl this year. She has also been in the high school band for four years.

She plans to go to Tarleton State College after graduation. Here is wishing Dixie the best of everything. We know she will succeed in whatever she does. Good luck! Dixie.

Another Senior
Since we are rushed for time we are introducing three seniors.

On March 10, 1935, Mr. and Mrs. Raymond Wheeler became the proud parents of Gloria Mae. Gloria is the youngest in her family. She has two sisters and if you ask them they might say she is trying at times. But to all of her friends she is a real swell gal and always has a smile, especially for a certain guy we know. Gloria is 5' 2", has black hair, brown eyes, and a peach of a personality.

She began her school life here and is now finishing the last year. She has always been active in school and sports.

Gloria was class favorite and reporter her freshman year. Her sophomore year she was elected cheer leader and class treasurer. Her junior year she was voted football sweetheart and class treasurer. She is treasurer again this year, and is class favorite. She has been in the F. H. A. club for four years and cheer leader three years. Her junior and senior year she was head cheer leader.

Some of her favorites are: sport, football to watch and volleyball to play; subject, typing; dish, black-eyed peas; color, blue; actor, John Wayne; actress, Susan Hayward. Of course her favorite boy friend is a guy

by the name of Nix. He is a 5' 11". He has brown hair and eyes. He is awfully sweet to her and pretty special. Gloria plans to have a career of keeping house. We want to wish her all the happiness in the world.

Band News

The Loraine annual band concert was a tremendous success last Tuesday week. We were honored to have a special feature by Mrs. Hughes, Mr. B. F. Hughes' mother, who sang "Hallelujah". Another special feature of the concert was the presentation of bands girl and bands boy Connie Liles and Wesley Wood were rewarded with a medal which is to be worn on their uniforms. The band members chose these two students as bands girl and bands boy because of their wonderful ability and their interest and worthy contributions to the band. The officers, drum major, and majorettes were also recognized.

The band is sure looking forward to the Interscholastic League Band Contest, which is to be held May 1 and 2 at Stephenville. This week will be busy with practicing and preparation for the contest, but we all hope our efforts will be rewarded with a high rating. The band plans to go to Stephenville Friday and spend the night in dormitories, therefore we will be more rested and able to perform before the judges Saturday. We really and truly hope for the best in our rating.

The Chatter Box

Fern is sporting an engagement ring which she received before the banquet Friday night. The romantic scene took place in front of Willie Mae's house. Beth has a beautiful new watch for a graduation present—courtesy of her parents.

All of the girls really looked pretty at the banquet Friday night. The boys looked handsome, too. It is a pity there isn't a banquet every week. Congratulations, juniors.

The invitations came in Friday. Everyone got that pocket book really. Those seniors deserve some credit for leaving.

Frankie received an engagement ring last Tuesday. My, but she is happy. It came all the way from Arizona. It looks like the case for some of us girls is hopeless.

Pat went to Snyder Sunday to visit relatives.

The juniors received their class rings Thursday. They are really beauties. At least the seniors were proud to wear them at the banquet.

Peggy Murphy stayed in Sweetwater over the weekend.

I hear that the track boys had to take a cold shower at 6:03 in the morning. (But it wasn't cold.) I also hear that Richey, Raymond, Eddie, Roy, and Bobby had quite a time coming back from Brownwood. (All the girls at Winters, too.)

Erma went to Colorado Springs with her family to visit her brother stationed there. She said she saw a "bunch of pretty sights."

Peanut Marketing Progress
Now they've done it! They've taken the peanut taste out of the peanut.

Are you one of the old-fashioned persons who likes peanut butter? Get "they" neighbors! The modern peanut, aided by a little mechanical help, may soon be available in orange, maple and chocolate flavors. Or for you gourmets who love Mexican food—how about a chili flavored peanut snack?

You would hardly recognize the origin of the two "changelings" called "Peanut Snack" and "Peanut Spread". The products were developed with the aid of the Production and Marketing Administration to create new products and outlets for the lowly peanut. Preliminary studies show the products are popular with the consumers.

This should be good news for those who are worried about the future of the peanut. The demand for peanuts has been known to vary to such a degree that sometimes we can get as much as \$2,500,000 for our crop as in 1932. Yet, growers remember other times when the market was so bad that it was more profitable to feed the crop to the hogs. Any new developments which catch the public fancy will give more strength to peanut sales.

Research and marketing officials may have hit a jackpot on this latest revamping of the peanut. Sales reports indicate the "new look" in peanuts proved more popular in some test areas than the old reliable peanut butter.

Supplies of the new products are not generally available yet. It may be some months before studies are complete and the products appear on the grocery shelves. But once they do, you may buy "Peanut Snack" in orange, maple and chili flavors, packed in a cellophane roll for slicing like bologna. "Peanut Spread" will have the consistency of peanut butter for crackers or bread sandwiches.

Yet, no matter whether you like it or spread it, the peanut industry may get a shot in the arm.

WATCH FOR THIS SIGN

The progressive local merchants whose names appear below, in an attempt to display their genuine appreciation for the patronage they enjoy and to evidence their sense of responsibility to the public, have adopted a new program of advertising.

They have created a MERCHANTS ADVERTISING COUNCIL which has been empowered to review the advertising of its members and to place its seal of approval on all creditable, bona fide advertising specials.

Watch for this sign!

It is your guide to extra bargains and responsible merchandising.

Mitchell County Soil Conservation News

Johnson Waterway Constructed
Elmer Johnson and son Harold, district cooperators in the North Lorraine area, have completed the first link in a long time conservation program for their 320 acre farm located just north and west of the Lone Wolf Mountain. This father-son team of conservationists have done

considerable conservation work in the past which added their erosion problems but things were not just what they should be on this farm as they started anew this year. In the first place they had three ditches coming across their field which had been left open to handle the outside water problem. This series of ditches had cut one of their fields into three smaller fields resulting in extra turn rows, shorter rows, and lots of extra turning with farm equipment. It was decided that these three ditches could be grouped together into one large waterway of sufficient size to handle the water without washing and wide enough to make a pasture strip. This waterway will handle the same water as the three ditches previously handled and will provide a larger field on either side of the waterway.

The other ditches will be filled in and diverted into the waterway by diversion terraces after the new waterway is well grassed over to prevent washing. The area of cropland above the diversion terraces will be sowed to adapted grasses when they are built. All lower terraces will be corrected and rebuilt to district standards in time. The present farmsteads will be moved to a new location on a proposed farm to market road and the small pasture area around these farmsteads will be cleaned up and put into cultivation. These are only a few of the proposed changes.

Earth work on the waterway has been completed. They used one of the old ditches as the location for the new waterway and hired maintainers to fill in and level up an area about 1800 feet long, 120 feet wide and a

capacity of 1 1/2 feet deep. It was built with a slightly oval shaped bottom to keep the run-off water near the center on small rains. The waterway is only about 8 to 10 inches deep or below the ground level but the extra capacity comes from ridges along the sides. This waterway was seeded broadcast to blue panic grass to furnish the needed protection and cover. It will be fenced and grazed as an improved pasture and may prove to be the most profitable land on the farm. About 100 feet of the outlet ends of the diversions were also constructed and seeded at this time so that adequate cover could be obtained before turning the outside water into the waterway. Mr. Johnson is following the proper sequence in performing his conservation operations by first building the waterway and second seeding this structure. Whenever this structure has an adequate grass cover the diversions will be built and seeded and later the lower terraces will be corrected and rebuilt. This waterway is a type of what is needed on 200 or more farms in this soil conservation district which have an outside water problem.

of a well rounded farming enterprise.

Leguminous crops are not only valuable and important for their ability to add to the store of plant nutrients of the soil, but they are also valuable for their ability to improve the physical condition of the land. The many kinds of legumes serve well as cover crops. They are effectively used in the crop residue management phase of the soil conservation program. They are of great value as green manure crop where needed. They are far superior to non-legumes in their ability to utilize and aid in the assimilation of commercial fertilizer. In many cases they have proved to be good income crop-lizers. In many cases they have the soil-conserving and soil-improving value of legumes is greatly enhanced when used in combination with grasses. A discussion of several of the most common summer legumes will follow this article. All farmers are urged to consider these points carefully and to devote some of their land to summer legumes this year.

Veterans' News

Questions and Answers

Q. My daughter and I are receiving VA compensation payments because of the death of my husband, a World War I veteran. My daughter is past 15 years of age, but she is attending a school approved by VA. Will the compensation payments go on during her summer vacation? She intends to continue school in the fall.

A. Yes, the payments may continue throughout the summer, so long as your daughter resumes her studies after the vacation period has ended.

Q. My wife and I are both World War 2 veterans. Is it possible for us to combine our GI loan benefits to buy a house?

A. Yes. However, the total amount that VA will guarantee is 60 percent of the loan. Also, the maximum guaranty may not exceed \$15,000—which represents the combined maximum guarantees you and your wife would be entitled to, individually.

Q. I am a paralyzed veteran eligible for a \$10,000 VA grant for the construction of a "wheel chair home." Do I have to buy plans and specifications for the house?

A. No. These may be furnished without cost to veterans eligible for the VA grant, but they must meet the approval of VA.

Q. I am a disabled World War 2 veteran, training under Public Law 16. I suffered an injury in training that has aggravated the disability for which I draw VA compensation. Is it possible to have my compensation rate increased, because of it?

A. Yes, but VA of course, would have to adjudicate your new claim for increased compensation.

BETHEL W. M. U.

Ladies of the Bethel W. M. U. met in the home of Mrs. Cullen Payne Monday afternoon, April 27. The meeting was opened with prayer by Mrs. C. A. Land. Mrs. Hester Redwine taught the Bible lesson.

Present were Meses. Elwood Graham, Albert Scarborough, C. A. Land, Hester Redwine and Payne.

Bradford Parrott of Sweetwater visited in the J. C. Richburg home Sunday afternoon.
