Foard County Residents Urged to Take Advantage of Free Chest X-Ray to Be Held Here Friday and Saturday

With only one more day to go before the beginning of the county-wide campaign to search out tuberculosis, Tom McCandless, chairman of the Tuberculosis Survey, is certain of the project's success. Speaking at a meeting of the Lions Club last Tuesday, he predicted that 100 per cent of the county's entire adult population would receive chest x-rays.

At this meeting, Dr. John W. Raines also stated that "Some people may feel that they do not need an x-ray to check the health of their lungs because they look and feel healthy. Tuberculosis has no apparent symptoms when it first strikes and a person can be the picture of health and still have an active case of the disease."

He warned, "We have also heard people say that they don't need an x-ray because they have had one a few years back. Tuberculosis can strike at any time. One clear x-ray film in the past does not guarantee immunity from TB. A chest x-ray takes but a moment, there is no undressing and the report of the x-ray film is confidential."

Dr. Raines concluded, "Remember, the units will operate from 8:30 to 5 on November 12th and 13th. The place — Down Town Bible Class room."

Permanent Bleachers to Seat 325 Built on South Side of Football Field

The Crowell school officials are having permanent bleachers constructed on the south side of the football field. The framework of the new bleachers, which will seat 325 people, is made of 4-inch pipe, and will be very substantial. The lower seats will be about six feet above the ground to enable the spectators to see over those on the sidelines.

These bleachers have been modeled after the north stands at Lockett's football field. Allen Taylor, Andrew Calvin and Carl Cox are doing the welding, and W. H. Tamplin is supervising the carpenter work and is being assisted by Marvin Myers and his vocational shop boys.

These seats will be ready for the Crowell-Paducah game here Friday night. Paducah has ordered 960 reserve seats in the old stands. There are still a few reserve seats available. The seats in the south stands will not be reserved for Friday night's game, except those that the two bands will be using.

H. W. Banister Dies Tuesday at Home in Thalia

Funeral Held in Thalia Church of Christ Wednesday

H. W. Banister, 80, pioneer resident of the Thalia community, died Tuesday, Nov. 9, at his home in Thalia following a long illness. He would have been 81 on Nov. 15 of this year.

Funeral services for Mr. Banister were held in the Thalia Church of Christ Wednesday afternoon, Nov. 10, at 2:30 o'clock conducted by Minister Rex Kyker of Abilene, assisted by Howard Casada and O. C. Holland of Thalia.

Burial was in the Thalia Cemetery with Womack Funeral Home in charge of arrangements.

Pall bearers were Ben Hopkins, Oliver Holland, Sam Kuehn, Alton Farrar, Frank Ward and Raymond Grimm.

Oil Flows on Drill Stem Test from Thalia Field Well

A new oil well in the Thalia Field north of Thalia on the Tarver land showed to be a good producer on a drill stem test Wednesday. Depth of the well is around 2,000 feet and will flow when it is brought in. C. V. Welch of Breckenridge is manager of the company that owns the lease.

The drilling rig is being moved to the Matthews land where another well will be drilled.

High School Band to Sponsor Show at Rialto Nov. 16-17-18

"Her Twelve Men," MGM comedy-romance starring Greer Garson, Robert Ryan and Barry Sullivan, is being shown at the Rialto Theatre next Tuesday, Wednesday and Thursday under the sponsorship of the Crowell High School Band.

In striking contrast to her dramatic role as Calpurnio in "Julius Caesar," Miss Garson now reveals her comedy talent as the only woman teacher in a boys' boarding school, a "croop" to her class, but in a class by herself when the lesson is romance.

Robert Ryan is seen as a "hep" teacher who not only knows how to keep the boys in line, but has the girls forming one from the

In the third starring role, Barry Sullivan enacts the father of one of Miss Garson's students, who ends up in paying more attention to teacher than to his son.

Crowell Grade School Football Team Wins Western Half 1A-9

The Crowell Grade School football team, coached by Gordon Erwin and Glen Taylor, won the western half of district 1A-9 here Monday night by defeating Lockett Grade School 35 to 0. The Wildkittens will travel to Archer City next Monday night to play the winner of the eastern half of the district for the championship. Crowell won this crown last year by defeating Henrietta 19 to 13 in the play-off game between the western and eastern halves of the district.

Crowell's "B" team also remained undefeated for the season Monday night by taking a scrimmage from the Lockett reserves to the tune of 20 to 13.

CEMETERY REPORT

The following report of the Crowell Cemetery Association for October was released by Mrs. N. J. Roberts, president, Tuesday:

Virgil Johnson, $10.00; Kenneth L. Ownbey, $2.00; Max A. Miller, Childress, $3.00; W. C. Wisdom, Lockney, $10.00; M. C. Wisdom, Amarillo, $12.50; The Priest Estate by Mrs. Lottie Powers of Vernon, $10.00; Mrs. C. D. Mullins, Wichita Falls, $6.00; total $53.50.

Mrs. Roberts commented on the report as follows: "Our monthly report was held up too late for publication last week, hoping there might be more than $53 come in for our month's operation. Readers will note that practically all of these contributions came from a distance.

"This is one of the gratifying rewards of our efforts. When those from away come to our cemetery and see their lots get the same attention as all the others, they want to have a part in the project.

"There seems to be an apathy on the part of our homefolks that the job will be done, regardless. We need your continuous support. Right now our caretaker is in the cotton field, which should be a solemn warning that if we can't pay him, he'll have to seek employment elsewhere."

Golden Anniversary Celebrated Nov. 7th

Mr. and Mrs. W. B. Clark of Denton, former Foard County residents, were honored on Sunday, Nov. 7, by their three children on their golden wedding anniversary with an open house party.

Guests were greeted at the door by Mrs. Venson Hall, who presented them to the honored couple. They were registered by Miss Glenda Owen and served cake and punch by Mrs. Hollis Regan and Mrs. C. M. Carroll. A large number of guests attended and the gift room overflowed with tokens of love.

Mrs. Clark is the daughter of the late Mr. and Mrs. J. M. Jonas of Crowell and a sister of Mrs. C. D. Hall of the Black community.

Those attending the party from Crowell were Mr. and Mrs. Hall and Mr. and Mrs. C. M. Carroll. Also attending were Mrs. Janny Wright and son, Terry Dean, and Mrs. W. H. Dodd and son, Charles, of Benjamin.

Crowell Wildcats to Meet Powerful Paducah Dragons Here Friday Night in Wildcats' Last Home Game of Season

The Crowell High School football team will entertain the Paducah Dragons here tomorrow (Friday) night at 8:00 o'clock. This will be the Wildcats' last home game of the season.

The undefeated Dragons have averaged over 50 points per game thus far this season and claim lop-sided victories over three class 2A teams, Childress, Floydada and Electra. In fact, they have been picked to win the State championship by about every sports writer in Texas. Hal Sandefur, all-district quarterback, and David Morris, fleet halfback, have scored over forty touchdowns between them.

The Crowell Wildcats have an outstanding team themselves, having won six of eight games played. Their two losses can definitely be attributed to injuries. Jimmy Thaxton, C. T. McDaniel, Gordon Graves and Gerry Knox, players that have been injured for several weeks, are back in good shape. However, Don Smith, rugged left tackle, received a shoulder injury in the Lockett game that will probably prohibit his playing in this important contest.

The Dragons will be picked to win, but not by the lop-sided score that they have been running up against their other 1A-9 opponents.

Probable starting line-up for the Crowell-Paducah football game to be played at Wildcat stadium Friday night, November 12, at 8 o'clock follows:

John R. Jackson Died Monday at Tom Nichols' Home

Funeral Held at Baptist Church Tuesday Afternoon

Funeral services for John R. Jackson, 86, brother-in-law of Walter Nichols of Crowell, were held at the First Baptist Church in Crowell Tuesday afternoon at 3 o'clock conducted by Rev. W. B. Fitzgerald, pastor of the Thalia Baptist Church, who was assisted by Minister Howard Casada of the Thalia Church of Christ.

Mr. Jackson died at the home of his nephew, Tom Nichols, Monday morning following a long illness. He had been living at the home of Mr. and Mrs. Nichols for almost a year and Mrs. Nichols had been taking care of him.

Interment was in the Crowell Cemetery with Womack Funeral Service in charge.

Pall bearers were Grover Nichols, J. T. Brooks, Claude McLaughlin, Oscar Gentry, M. N. Kenner and Sherman McBeath. Flower bearers were Mrs. Durwood Sanders, Mrs. Walter Thomson, Mrs. J. T. Brooks, and Mrs. Frank Moore.

Mr. Jackson was born at Menard, Texas, Feb. 14, 1868, and lived in Duke, Okla., for 55 years before coming to Crowell Feb. 1, 1954.

L. S. Nobles, Hubert Conrad, and Mr. Radcliff of Mangum, Okla., and Mr. and Mrs. John Nichols of O'Brien were here to attend the funeral.

Funeral Services for Mr. Hinkle to Be Held Today

Perry M. Hinkle, 79, pioneer Foard County resident, died in a rest home in Vernon Tuesday, Nov. 8. Mr. Hinkle was born June 4, 1875.

Funeral services for Mr. Hinkle will be held this afternoon in the First Baptist Church in Crowell with the pastor, Rev. C. T. Aly, in charge, who will be assisted by Rev. J. R. Wooten, pastor of the Crowell Free Will Baptist Church.

Pall bearers will be Clarence Beesinger, Earl Love, George Brown, Byron Davis, Roy Daniels and Andy Joy.

Interment in the Crowell Cemetery will be directed by Womack Funeral Home of Crowell.

Crowell Wildcats Chalk Up 33 to 0 Win Over Lockett Panthers in District 1A-9 Conference Game Last Thursday Night

The Crowell High School football team, back in good shape for the first time since the Holliday game, defeated the Lockett Panthers 33 to 0 at Lockett last Thursday night in a 1A-9 conference game. Coaches Thayne Amonett and Gordon Erwin started to substituting about the middle of the second quarter when the score was 20 to 0. The halftime score was 27 to 0, and had climbed to a 33 to 0 count by the end of the third quarter, at which time eleven reserves were sent into finish the game for Crowell. The Panthers were playing without the services of their star quarterback, Charles Graf. Graf was injured in the Chillicothe game. He ran two touchdowns against the Eagles.

Wildcats Score Early

The Wildcats scored early in the game after Jimmy Thaxton had recovered a Lockett fumble on the Panther 40-yard line. Thaxton set the score up on a nice 22-yard gallop behind key blocks thrown by Don Kidd and Edward Daniel. Gerry Knox made the final yard for the TD and Ray Gibson kicked the extra point. Crowell marched 78 yards for its second touchdown. Gibson made the longest run of this drive for 30 yards. The pay-off came on a 23-yard pass from Gordon Graves to C. T. McDaniel, right end. Gibson converted to make the first quarter end 14 to 0.

Crowell's next drive was good for 55 yards and a score. Knox reeled off 45 yards behind good blocks thrown by Daniel and Jackie Walker. Gibson ran the final ten yards. His kick was wide to leave the count 20 to 0. Crowell's last touchdown in the first half was made on Gibson's 2-yard plunge. The score was set up by Daniel's recovered fumble on Lockett's 40-yard line. Gibson made one 20-yard run in this series. His extra point try was good to leave the halftime score 27 to 0. Printess Gidney was playing quarterback when this touchdown was chalked up.

Crowell traveled 80 yards for the next score. The longest run on this drive was made by Thaxton for 20 yards. Fullback Gibson plunged the final two yards. The kick was wide to make the final count 33 to 0.

Crowell Made 18 First Downs

The first downs were 18 to 5 with Lockett registering only one against Crowell's first string. Lockett was handicapped without Graf, the quarterback. Crowell's line, made up of Dwayne Boren and C. T. McDaniel, ends; Jackie Walker and Don Smith, tackles; Don Kidd and Edward Daniel, guards; and Robert Kincaid, center, continued to look good on both blocking assignments and tackling. Gibson and Thaxton looked much better on carrying the ball.

The Wildcats will be playing the number one team of the State this Friday night and they will need the support of all loyal Crowell fans. Paducah knocked the undefeated Chillicothe Eagles out of the district race last week to the tune of 67 to 0. However, you can't tell about a football game until it's played.

Local Pastor Invited to Conduct Meeting in Jamaica

Rev. C. T. Aly, pastor of the First Baptist Church in Crowell, has been invited to conduct a revival in Jamaica, off the coast of Central America, beginning January 2, 1955. Jamaica is a needy Mission Field, and the trip will be a Missionary opportunity.

Rev. Aly is selected by the Superintendent of Evangelism of the Baptist General Convention of Texas, Dr. C. Wade Freeman, as one of the evangelists to go from Texas. Some 65 ministers are to make the trip. The expenses for the Crusade are to be paid by the churches and friends from the communities from which these pastors go.

Crowell Students Win Prizes in Essay Contest

Gordon Graves and Miss Wanda Murphy, students in Crowell High School, won first and second places, respectively, in a contest sponsored by the Criterion Club of Wichita Falls. The contest was held in connection with the appearance in Wichita Falls Tuesday night of Herbert Philbrick, who served as a counter-spy for the Federal Bureau of Investigation for several years.

Graves, who won first prize, was presented a $100 scholarship and a year's scholarship to Midwestern University. Miss Murphy, second place winner, received a $50.00 scholarship for her essay on "Freedom's Answer to the Communistic Threat." Graves' topic was "Democracy Versus Communism."

The contest, which was open to all high school students of this area, was judged by Dr. Madge Davis and Professor A. F. Edwards, both of the Midwestern University faculty.

GRAVES AND MURPHY WIN IN KFDX ESSAY CONTEST

Gordon Graves and Wanda Murphy won first and second places respectively in the Herbert Philbrick Americanism Contest sponsored by the KFDX television station of Wichita Falls. This contest was for senior students in the Wichita Falls area.

Graves' theme, "Democracy vs. Communism," netted him a one-year scholarship to Midwestern University and $100 in cash, and Wanda's theme, "Freedom's Answer to the Communistic Threat," won her a $50 cash award. Both themes were graded by neatness, grammar, correct spelling, punctuation and originality.

This proves that our school (language arts continues from the first through twelfth grades) must be efficient in order to carry off two out of three top places in a contest so widely known.

HELPFUL HARRY

Are you one of those "Aw, let George do it" people? When someone requests a small favor of you, do you squirm and wriggle and finally, being unable to think of any sort of an excuse, mumur, "Why, yes, I'll be glad to." Any time (anytime I can't get out of it.) If you are one of the above mentioned characters, I'll give you odds you will still be in Crowell sitting on your front porch in your rocking chair twenty years from now.

On the other hand, the person who succeeds is Helpful Harry, who is really genuinely happy when he gets a chance to help someone else. When someone is needed to "sell tickets at the ball game" or "work in the senior stand," or help with some similar task, he always volunteers. He doesn't just do what is required of him and then refuse to do any more.

Helping someone else doesn't take much time or effort. Harry always manages to do nearly every favor asked of him. He also attends all of the school and outside activities.

Always efficient and happy people love having him around. Consequently, his life is full and satisfying. Be a Helpful Harry and succeed!

BE SURE!

"Are you healthy?"

"Why, certainly, I'm healthy. I eat like a bear. My physical build is as good as anyone's. Never miss a day of school. Don't have head or stomach aches. Why, I'm healthy as a horse.

But, are you? Do you know what's going on inside your body? Are you sick and don't know it?

Calm down. There probably isn't anything wrong with you. However, you can find out very easily if there is. Go to the Down Town Men's Bible class room and get a chest x-ray free. The date is November 12-13.

BROOKS SPEAKS TO CHS STUDENTS

The students and teachers were called to the high school auditorium last Friday, Nov. 5, to hear Rev. Wm. D. Brooks, pastor of the Assembly of God Church in Crowell. Aldon Garrett introduced the speaker.

Bro. Brooks chose for his topic, "The Fear of the Lord." His text was taken from Psalms 111:10, which states, "The fear of the Lord is the beginning of wisdom." Solomon said, "The fear of the Lord is the beginning of knowledge." The best way to acquire this fear is through the study of the Bible. In this Book of books are stories of love, mystery and drama. Our great nation was founded by God-fearing leaders and on the principles of the Bible. To continue to enjoy the privileges and freedoms of the past, Christian youth must also remember God, for Christianity lifts to higher standards.

SUPPORT YOUR BAND

The CHS Band will sponsor a benefit show at the Rialto Theatre November 16-18. Tickets for the show, "Her Twelve Men," went on sale Monday morning at 9. There will be no increase in price. Greer Garson and Robert Ryan are the protagonists in this wonderful movie.

Be sure to support your band by buying your tickets from the CHS band members. The band will receive a percentage of the money received from the tickets sold before the box office opens, but none after it opens. Buy your tickets between now and Tuesday, Nov. 14.

DRAMATIC CLASSES GO TO MIDWESTERN U.

Fourteen dramatic students journeyed to Wichita Falls Saturday night, Nov. 6, to see the play, "Ring Round the Moon," in Midwestern Arena Theater. This play was a modern comedy concerning almost identical twin brothers whose morals were decidedly unalike.

V. A. Smith, a former student of Crowell High School, played the role of an aging butler in the household. This was an excellent part, and V. A. certainly gave a fine performance. Romance, humor and intrigue held the attention of the audience throughout the entire evening.

Everyone enjoyed the play very much. Coming back, the group stopped at the "Pioneer" for something to eat, arriving in Crowell about 1:30.

SENIORS BENEFIT FROM RUMMAGE SALE

The Crowell High School seniors held a rummage sale Saturday, Nov. 7, south of Wehba's Grocery. This sale was another step toward making money for Senior Day.

The students gathered up clothes that people had outgrown, but were still in excellent condition.

The sale proved to be very profitable, and the seniors will have another one next Saturday at the same place. The cooperation of everyone will be appreciated. The Senior class says "thanks" to the room mothers who made the sales possible.

CAFETERIA HEAD HAS YEARS OF EXPERIENCE

Mrs. Clint Simmons has been important in our school for eleven years. She is the head of all the menus that are planned daily in the school cafeteria.

Mrs. Simmons says she likes her work very much, and she enjoys cooking and seeing the school students each day.

Mrs. Simmons says, "Our kitchen staff know their jobs as they do them very well." Mrs. Inos Taylor has worked beside Mrs. Simmons for eleven years.

The kitchen staff consists of Mrs. Clint Simmons, Mrs. Inos Taylor, Mrs. Winnie Cox and Mrs. Odell Rodgers.

Because of the work of this staff, students at Crowell High School have hot meals every school day at a minimum of expense.

MYSTERY AT HALF-TIME

Everyone is urged to come to the Paducah - Crowell football game Friday, Nov. 12, to watch the band perform their half-time show. There is going to be a surprise for everyone; moreover, we are certain that you will be pleased with our surprise and will enjoy it immensely.

BAND NEWS

The junior high and grade school bands are learning to play many songs in order to be able to join the senior band. The members are working very hard, hoping to be accomplished enough to rate a place in the band by next year.

The following students are in the junior and grade school band: Damon Brooks, Sally Dixon, Martha Fish, Gary Griffith, Wanda James, Dorothy Wehba, Rachel Woodard, Melvin Johnson, Ronnie Owens, Don Hunter, Keaton Barker, Bob Borchardt, Sue Cates, Faunceine Fairchild, Kenneth Hough, Linda Mechel, Louis Phelps, M. L. Speer, Jimmy Thompson, Linda Caddell, David Powers, Marida Carroll, Margie Rasberry and Ira Joy Statser.

EX-STUDENTS COLUMN

Thanks, David Jackson, for your band newspaper. That little bit of black and white is "real gone."

A lucky miss from Wellington, Utah, has finally caught her man, a former CHS student, Bill Geaslin. Here is a toast to the coming "nagging nights." All kidding aside, lots of luck, "kids."

Donald Reynolds states that those letters are not coming "fast and furious" enough. Come on, girls. I mean students. Give this guy a line. His address: A-2C Donald E. Reynolds, 514 Fighter Interceptor Sqdn., APO 198, New York, N. Y.

MARY PREFERS SKATING, FOOTBALL AND MOVIES

Mary Hudson is one of the many seniors in CHS this year; however, if you see a crowd, you can distinguish her because of her pretty red hair, winsome smile and gracious manner.

Mary's happiest hours have been spent roller skating and swimming. To sit back and watch, she can think of nothing better than a good football game or a movie starring Rory Calhoun. She gets most of her information on him from movie magazines. She likes it! Bop tunes and Betty Caranna also lend her a lot of entertainment from reading and listening to music. Mary rates above average scholastically.

When the school term ends, she plans to go to work in the Bell Telephone Co. in Lawton, Okla.

ALL-AROUND SENIOR—RONNY FOX

Senior of the week is a boy, six feet tall who has brown eyes that sparkle and a shy smile that is only for Latrelle. Guess who it is?

Ronny Fox chooses VA as his favorite subject. Because of his interest in it, he was on the judging team for three years. If he has to waste energy, he wants to use it playing basketball, but had much rather relax and watch a good football game. He says that the ideal day for him would be to run around all day, have fried chicken with all the trimmings for supper, and to see a movie starring James Stewart to top the day.

This is Ronny's last year in school; so he really intends to enjoy himself; however, his plans for the future are indefinite.

ABSENT LAST WEEK

The daily average attendance was lowered considerably last week by the many sicknesses in school.

Those missing because of sickness were Robert Love, LaVoy Rummel, Larry Rader, Virginia Florida, Elizabeth Davis, Jonny Kindt, Melvin Washburn, Patricia Todd, Lula Scott, Saundra Choate and Nelda Brooks. Those who were absent because of work were Jonny Kajs, Jerry Cates, J. M. Cates, Barbara Ford and Gerald Denton. Those missing because of other reasons were Lynn Hawley, Joe Don Thompson, Jerry Cates, Vida Tarver, Joe Smith, Doris Smith, Occie Tarver and Wanda Murphy.

B-TEAM ROMPS OVER CHILLICOTHE

Crowell High School's B team beat Chillicothe's B team on Monday, Nov. 1. Roy Don Payne scored the first touchdown in the second quarter and also ran over the extra point.

The score at half time was 7-0. The Wildcats again struck pay dirt late in the third quarter when Payne crossed the goal stripe for another 6 points. The attempt for the extra point failed and the final score was 13-0, Crowell over Chillicothe.

CROWELL ROMPS OVER LOCKETT

The Crowell Wildcats came back into the winning column with a decisive victory over the Lockett Panthers at Lockett stadium Friday, Nov. 5. The Wildcats scored early in the first quarter when Gerry Knox carried the ball over from the one. Ray Gibson kicked the extra point. The Wildcats scored again in the first quarter when quarterback Gordon Graves passed to end C. T. McDaniel. Gibson converted to make the score at the end of the first quarter 14-0.

The team didn't slow down during the second quarter as they ran from the 10 yard line for their TD after a sparkling 40 yard run by Knox that set up the score. Gibson failed to convert. This made the score 20-0 with Crowell over Lockett. The Wildcats "iced" the game when Graves plunged from the two for the tally. He kicked the extra point to make the halftime score 27-0. Coming back in the second half for more TDs, the boys struck when Gibson plunged over from the two for his third touchdown. He converted to make the final score 33-0. Those outstanding on defense were Gibson and Graves on pass defense and Don Kidd, Jackie Walker, Robert Knox and Lindell McBeath on offense. Several key blocks were made by Don Kidd and Dwayne Graves played the first and last of the second quarters after leaving the Archer City game because of an injury. Many people

It's got a "V" in its bonnet—
or your choice of two new sixes!

The *motoramic* Chevrolet for '55

Great new 8

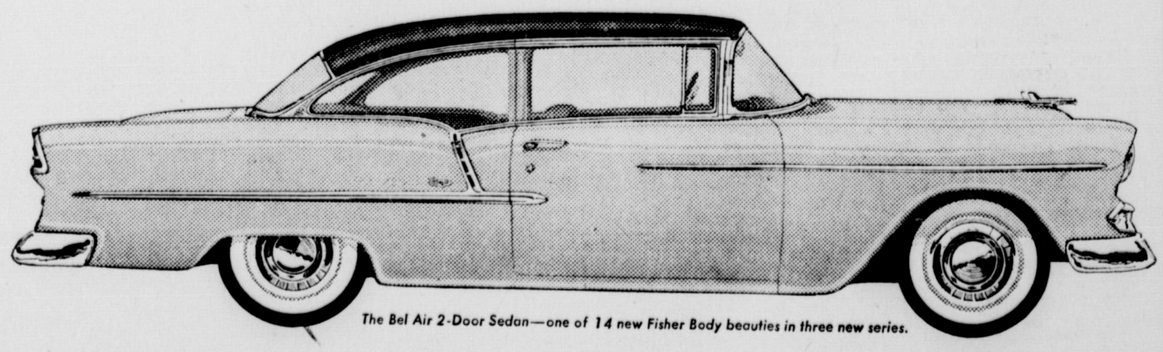

It's the valve-in-head V8 as only the valve-in-head leader can build it!

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only *four* quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and *drive* the new "Turbo-Fire V8!"

Two new 6's

With enough new advances to fill a book!

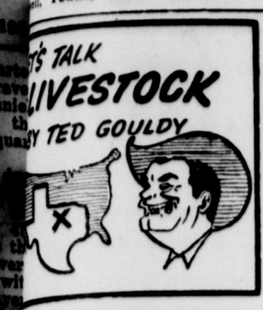

Chevrolet offers *two* new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems . . . new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

The Bel Air 2-Door Sedan—one of 14 new Fisher Body beauties in three new series.

More than a new car . . . a new *CONCEPT* of low-cost motoring
(and much too good to miss driving!)

...ement of cattle and calves ...ket last Monday was heavy ...ss the country. Sizeable ...rs of cows and calves were ...ed in the receipts from most ... markets.

Some observers expressed the view that in many of the drouth hit sections of the nation cow owners viewed the approach of winter with some fears as to the ability of some of their cows to make it through till spring without heavy supplemental feeding. The expense of this feeding in many cases looked too great for the gamble.

Large numbers of calves were reported at Corn Belt points again indicating that country trading and contracting had been restricted in recent weeks.

Cows and bulls suffered sharp declines at virtually all markets and at Fort Worth, prices were fully 50 cents lower and some spots off more. Slaughter calves were 50 cents or more lower, some spots $1 off on the commoner kinds. Exception was the small offerings of fancy fat calves which sold steady.

Fat steers and yearlings ruled steady to 50 cents lower. Fat cows sold mostly from $8 to $10, with a few smooth high-yielders able to get $11 sparingly. Canners and cutters drew $5 to $8. Bulls sold from $7 to $12, few over $11.50.

Good and choice slaughter calves bulked at $14 to $17.50 and common and medium butcher sorts sold from $9 to $13, with culls from $6 to $9. Some fancy heavyweights of yearling weights reached $18 and above. Good and choice stocker steer calves and stocker steer yearlings cashed at $15 to $19.50 and the plainer sorts sold from $10 to $13. Replacement cows cleared at $7 to $12.

Good and choice slaughter lambs in the wool sold from $17 to $20, and the shorn lambs with No. 1 or No. 2 pelts sold at $18.50 downward. Common and medium slaughter lambs drew $11 to $16 and culls sold around $8 to $11.

Sharply higher prices were paid for butcher hogs at Fort Worth Monday on heels of the report of curtailed hog runs at Corn Belt points. The trade interpreted this to mean that there would be fewer surplus hogs in that area offered to Southwestern packers, and this resulted in advances of 50 cents to 75 cents per hundred Monday. Good and choice butcher hogs topped at $20 to $20.25 and the off-weights, cold bloods, mediums, etc., sold from $17 to $19.75. Sows were fully steady at $14 to $18, a few choice lightweights at $18.50.

State Capitol NEWS

by VERN SANFORD
Texas Press Association

Austin, Texas — Except in Dallas County, Texas, voters heavily backed the Democrats and the 11 constitutional amendments at the November 2 election.

In Dallas County, Republican Bruce Alger pushed into the win column, defeating Wallace Savage, former state Democratic chairman, in the fifth district race for Congress.

Among amendments to the constitution, Texans okayed women jurors, more pay for state legislators, hiked terms for office holders to four years and upped expenditures for the state's senior citizens.

Governor Allan Shivers and Senator Lyndon B. Johnson came through with heavy majorities.

Johnson Cooperative

In Austin for the election, Johnson, now assured of majority leader of the senate, declared that the Democrats would continue their cooperation with President Eisenhower.

More Taxes Inevitable

Legislative tax talk continued with two state officials believing that the convening legislature will have to wrestle one way or another with taxation measures.

State Comptroller Robert S. Calvert reports that spending from the general fund now exceeds the income rate.

He says the state has no choice except to provide additional revenue in some manner.

Representative Waggoner Carr of Lubbock voiced the same opinion, but hoped that government spending could be trimmed in some places.

School Poll Stopped

A survey of high school students to determine feelings about segregation was stopped by Attorney General John Ben Shepperd after the poll was made public.

Shepperd said he halted surveys in Marshall and Waco high schools because public attention was influencing answers.

Results were to be used as part of the brief he is preparing for the Supreme Court in the public school segregation matter.

Auto Inspections

By waiting until deadline time draws near, Texas motorists are causing a potential log jam at official auto inspection stations.

Colonel Homer Garrison Jr., Texas Department of Public Safety director, said that Texans are now 100,000 behind last year's figures. That means motorists will soon start stacking up at inspection stations, he said.

Garrison urged drivers to get inspections now and avoid the predicted jams. Inspection deadline is April 15.

Turnpike Approved

A proposed $58.5 million turnpike between Dallas and Fort Worth has been approved as a sound financial investment with construction to start next year.

Toll-road experts told the Texas Turnpike Authority that at the ratio of revenue to cost, the project would be one of the best in existence.

Loan Firms Warned

The GI warning of "shape up or ship out" has been handed Texas loan firms by Attorney General John Ben Shepperd.

Shepperd's criticism of present operating practices of many loan and credit insurance sellers came at a meeting with representatives of state firms.

He said there was a growing tendency from some companies to "gouge borrowers" with high interest and service charges.

Cigarette Sales Drop

Texas cigarette tax stamp sales for October fell a quarter million dollars below totals of October 1953, State Treasurer Jesse James reports.

Liquor tax stamp sales increased slightly during the month.

Radar Warnings

A new traffic sign will soon make its appearance on state highways.

It's a warning, "speed limits radar enforced."

Texas Department of Public Safety Director Homer Garrison Jr. said the new caution boards will be placed on all approaches to highway stretches covered by radar-equipped patrol cars.

"Operation Radar" is planned to begin in mid-November on the main highways.

Weiss Resigns

Attorney General John Ben Shepperd has announced the resignation of Edwin E. Weiss, his executive assistant.

A native of Hubbard, Weiss resigned his position to enter private business. He has served as Shepperd's assistant since May.

On a national average which places the cost of one case of TB at $14,000 to $15,000, Texans are paying a yearly tuberculosis bill of $17,500,000 which does not include hospital construction and depreciation or the training of professional personnel to care for TB patients.

Flite-Fuel

FOR YOUR CAR—the only gasoline to which is added the super aviation fuel component Di-isopropyl.

Di-isopropyl and HF Alkylate are two fuel components so valuable to smooth motor performance that until recently they were restricted by government order for use *exclusively* in high performance aircraft gasoline. But now authorities have removed the restrictions and these powerful components can be used in fuel for your car.

FLITE-FUEL brings you more power, higher anti-knock, longer mileage. You also benefit from the *clean burning* qualities for which Phillips *66* Gasoline is famous. Get FLITE-FUEL at stations where you see the orange and black Phillips *66* Shield.

NEW OIL CAN REDUCE WEAR 40%

Compared to ordinary motor oils, new TROP-ARTIC All-Weather Motor Oil can *double* engine life. It can cut oil consumption 15% to 45%. It keeps pistons cleaner. It extends gasoline mileage. Get new TROP-ARTIC Motor Oil for year around engine protection.

Ford to Introduce New 1955 Line of Cars Tomorrow

Ford will introduce an entirely new line—the high-styled Fairlane series—as the leader of its four lines of 1955 passenger cars to be shown in 6,400 dealers' showrooms across the nation on Friday, Nov. 12.

Modern styling inspired by Ford's new Thunderbird personal car distinguishes the new Fords. Retaining definite characteristics which have won Ford style leadership, the 1955 Fords also have a wrap-around windshield and a new, lower silhouette. The Crown Victoria—a new model — is the first Ford sedan under five feet in over-all height.

Ford, which offered the first V-8 engine in the low price field in 1932 and has built 14 million V-8s since, introduces for the first time three new engines:

A high compression Y-block V-8 engine of 272 cubic inch displacement and an 8.5 to 1 compression ratio.

A powerful Y-block V-8 engine of 272 cubic inch displacement and a 7.6 to 1 compression ratio.

An improved 6 cylinder I-block engine of 223 cubic inch displacement and a 7.5 to 1 compression ratio.

Dual exhausts, which provide extra power, are standard on all Fairlane V-8 and station wagon models.

Ford's new high compression engine available only with Fordomatic transmission in the Fairlane series, has a four-barrel carburetor with automatic choke and special intake manifold; special vacuum controlled distributor; high compression cylinder heads and high capacity radiator. Ford's popular V-8 and 6 cylinder engines are available with any of the 16 Ford models for 1955.

L. D. Crusoe, vice president of Ford Motor Company and general manager of Ford Division, announced that Ford is introducing a new integrated air conditioning and heating system with its 1955 models. This system will be dealer installed. "Ford's new cars," Mr. Crusoe said, "are notable for new 'Trigger-Torque' power which gives greatly increased responsiveness in driving range and better maneuverability and flexibility in traffic. A 44 foot-pound increase in torque in the V-8 engine provides faster starts at lower speeds and also extra power for safer passing at higher speeds. This is part of a balanced combination of horsepower, torque, transmission and rear axle ratio which also gives greater gasoline economy."

The new Ford Fairlane series, named after the home of the late Henry Ford, includes a completely new styling idea—the Crown Victoria model. This car has an arch of chrome over the top like a tiara. It also is available with a transparent plastic roof over the driver's compartment.

New features of the 1955 Ford include:

Improved Fordomatic transmission which gives the driver a choice of much faster get-away from stoplights, when desired, without manual shifting. By pressing the accelerator to the floor the driver gets an automatic low-gear start which puts him 40 feet ahead of last year's model when he reaches 35 mph.

A new integrated air conditioning and heating system competitively priced will be introduced by Ford early in 1955. The Ford unit will combine a fresh air heater with air conditioner and will be of the "front-end" type with all components forward of the passenger compartment. Controls will be placed in the regular heater control dial on the instrument panel. The unit will be adaptable to station wagons and convertibles.

Larger brakes on all models with 25 per cent more braking surface on station wagons, provide greater stopping ability and 50 per cent longer life.

THE TOTALLY NEW '55 FORD!

with styling inspired by the Ford THUNDERBIRD

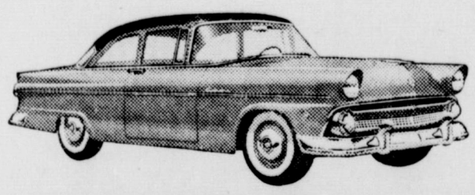

ON DISPLAY FRIDAY!

New FAIRLANE Series . . . The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, sing'e and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series . . . The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

We invite you to see for yourself. And we tell you in advance you'll be *amazed*. For this new Ford is *totally* new—outside, inside, *and* in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury . . . by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

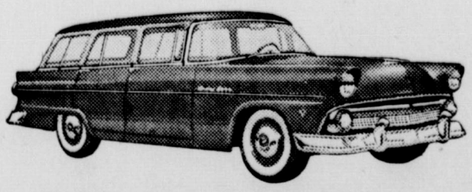

Your ride will be up to 15% smoother. Best of all, you'll find *your* kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: *why look farther—why delay—you just can't buy better than Ford.*

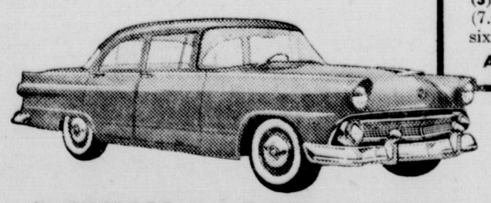

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build . . . short-stroke design.
(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.
(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.
ALL WITH TRADITIONAL FORD ECONOMY

New STATION WAGON Series...The new 6-passenger, 4-door Country Sedan (above) is one of five new do-it-all beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon.

New MAINLINE Series . . . Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

PLUS ALL THESE OTHER BRAND-NEW WORTH-MORE FEATURES
★ New Speed-Trigger Fordomatic Drive
★ New Turbo-Action Spark Plugs
★ New 10% Larger Brakes
★ New Tubeless Tires

THE WILDCAT

(Continued from page 2)

said that the Wildcats played their best game of this season last Thursday night.

NOTHING NEW TO READ

"Nothing new to read" is a familiar cry in CHS. Some new books for the library have arrived. Examine these books and decide which one you prefer.

The House of Exile tells of a girl visiting a Chinese family who live in a quaint old house. This girl writes of China's past and all its customs.

Cry, the Beloved Country teils of a man who is in South Africa searching for his son who has been lost for many years. The father finds him in an African prison camp.

Swiftwater is a book telling of a trapper trapping in the wilds in Maine. He has many exciting experiences caring for his traps.

Three Came Home concerns a family captured by the Japanese during World War II. They were put in a prison camp where they wrote their book.

Some books for girls are:

Vanity Fair, written by William Thackery, was the book on which Ann Mitchell based her novel, Gone with the Wind.

Double Date tells of a girl who double dates and tries to get blind dates for her girl friends.

A Lantern in Her Hand tells of the pioneer days and a woman who carries on her life in the frontier.

For those who prefer horse books, Black Stallion and Big Red are certainly good.

In a Mirror tells of a fat girl who looks in a mirror and sees herself as she really is. The girl tells of all her problems caused by eating too much.

So far, we have twenty new ones, and others are coming!

KAT TELLS

Seems the football team is hearing "Prairie Jump" in their sleep. But after the way our boys looked Thursday night, we don't think Paducah will have many chances to play it Friday night.

Everyone agrees that Marilyn Stone and Bill Halbert make a cute couple. They were seen together Saturday night.

Who was Ed Daniel with Saturday night?

Ted keeps his little white Ford busy. You can see he and Barbara around almost every night.

We hear Betty Sue and Paul Keith had a great time Friday night. They went to Vernon's Lions Den.

Watching the "track meet" at Chillicothe Friday night were Jo Helen - Jackie, Fran - Thaxton, Billye - Satch, Sue - Gerry, Billye-Gordon.

Nothing new, Billy and Charlene were together over the week end.

Ed and Marketta took in the local flicks Sunday afternoon.

Riding around Sunday afternoon were Billye and Gordon.

Seems one boy a night is not enough for Mildred. She was with first one brother and then another Saturday night. Couldn't make up her mind between Delmo and Bud.

J. C. and Peggy patronized the Plaza Friday night.

Larue - Philex and Arleta-C. T. Davis were double dating Saturday night.

Who was the tall, dark and handsome buy with Peggy Golden Wednesday and Thursday nights.

Dwayne took Geraldine to the Chillicothe - Paducah game Friday night.

Triple dating two nights in a row were Betty Sue - Paul Keith, Sue-Gerry, Zonell-Don.

Why was Billye Bell mad Saturday night?

Coleman and Doris were together Saturday night.

Planning for a big week end at the Tech Homecoming are Betty Sue - Paul Keith, Sue - Gerry, Zonell-Don, Frances, Robert and several more.

Billy John's Ford got bunged up over the week end. Tough luck, Billy.

Where were Mike and Billy John Sunday afternoon?

Marilyn, who was your phone call from Friday?

How were enchiladas Sunday night?

Nelda and J. M. were at church Sunday night.

We hear the speech students enjoyed "Ring Around the Moon," especially Elizabeth - J. C., Jana-Ray, Sandra - Lowell and Shirley-Aldon. Wonder if they watched the play?

Why has Carolyn Monkres been making so many trips to Vernon lately?

Does anyone know what those crazy freshmen are up to? It has something to do with a home-ec cook.

Destroy the Dragons! Pulverize Paducah!

Carolyn and Maxine had a good time Saturday night with the Q town boys.

James Choate has a new admirer. Her initials are Mary Brown.

What's the matter, Gaylon, does June have to work too much?

Mildred, is it true that someone is beating your time?

We wonder if Sandra has a crush on Aldon? How about it, Sandra?

Mary Lou still has her eyes on John W.

Bill Halbert seems to have an admirer. Is that so, DeAnna?

Kat's Tail.

LOWELL'S LAUGHS

Henry Black was on a fishing trip when a man came up to him and asked him if he was having any luck. "Yes," said Henry, "I've caught 27 bass, 48 catfish, and 29 trout."

"Well," said the man, "Allow me to introduce myself. I'm Bowington, the toughest game warden in the county."

"My name's Black," said Henry, "the biggest liar in the state."

Zody: "I spent the summer in a very pretty city in Switzerland."
Betty Sue: "Berne?"
Zody: "No, I almost froze."

Jana: "What's the charge for this battery?"
Salesman: "One and one-half volts."
Jana: "How much is that in American money?"

Diner: "It's tough to pay $5.00 for a steak."
Restaurant Owner: "That's true, but if you pay only a dollar, it's a lot tougher."

Tourist: "Is this a good river for fish, mister?"
Fisherman: "It must be. I can't persuade any of them to come out."

"What did Franklin say when he discovered electricity?"
"Not a word. He was too shocked by the whole thing."

New 1955 Models of Ford Trucks to Be Shown Friday, Nov. 12

Twenty-four series including 190 models of 1955 Ford trucks ranging from 30-ton tandem-axle 'Big Jobs' down to F-100 pickups, all designed to make money for operators on every hauling job, will be introduced by Ford dealers throughout the country Friday, Nov. 12.

Ford's five truck engines, built exclusively for the truck lines, include Six and V-8 engines. Three engines have increased horsepower and compression ratios.

The 1955 models have new larger parking lights and larger, shield shaped tail lights adaptable to class "A" turn signals. They are manufactured in five lines and 24 series which include: nine conventional series, six cab forward series, four school bus chassis series, two tandem axle series, two parcel delivery chassis series and a new Courier custom delivery truck styled like the 1955 Ford passenger cars. GVW ratings run from 4,000 to 40,000 lbs. and GCW rating to 60,000 lbs. There are 15 wheelbase lengths for custom-built bodies from 5½ to 19 ft. long.

The big-one-piece curved windshield, deep side windows and a rear window which is almost as wide as the cab, provide full range vision for safer and easier driving. For 1955 Ford has improved truck brake features for quicker, smoother stopping. Vacuum-boosted power brakes now are offered on all models to make stopping up to 50 per cent easier.

Ford's most popular trucks—the F-100 pickups—have a better ride because of new 52-inch long, six-leaf rear springs with low deflection rate and greater flexibility.

Ford is first in the truck industry to introduce the new, longer life 18mm "turbo-action" spark plugs which resist fouling with light loads and prolong peak power at full loads.

Announcing new FORD TRUCKS for '55... the Money Makers!

Money-making POWER! Important longer-life engine advancements! The only full line of proved, modern short-stroke engines in any trucks! New work-saving, money-saving CONVENIENCE! New money-making CAPACITIES! New reasons why Ford Trucks are gaining new buyers faster than any other trucks!

POWER STEERING is standard at no extra cost in this new Ford T-800 tandem-axle BIG JOB. Modern, short-stroke, 170-h.p. *Cargo King* V-8. GVW 40,000 lbs., GCW 60,000 lbs.

NEW savings in all three areas! TRIPLE ECONOMY!

① Money-Making power saves gas!

ONLY FORD gives you the gas-saving efficiency of *proved*, modern short-stroke design for every engine! Ford's ultra-modern, overhead-valve engines—four V-8's and one Six—cut piston travel, cut internal friction, *save gas*. And new engineering in valves, heads, crankshafts, electrical systems and cooling, results in still greater durability!

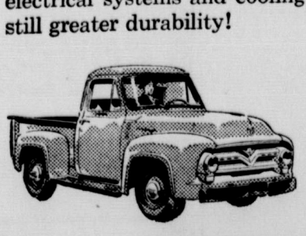

② Money-Making convenience saves work!

FORD'S *Driverized* Cab sets new comfort standards for '55! New *full* foam-rubber seat and seat back in the *Custom* Cab*. Work-savers . . . like smoother *Fordomatic** with new faster starting, low-gear "step-down" for all light duty series . . . Power Brakes* even for half-tonners . . . Power Steering* for most BIG JOBS—make driving easier.

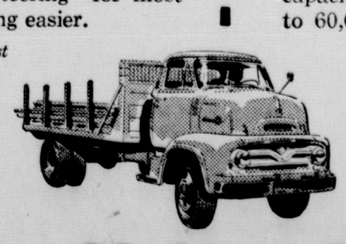

③ Money-Making capacity saves trips!

NEW axle capacities and new springs, coupled with Ford's high-payload construction, make Ford Trucks better load carriers than ever. Ford's new ½-ton Pickup, for example, has one of the biggest payload capacities of *any* Pickup: 1,718 lbs. Ford gives you top payload capacities in over 190 models, ranging up to 60,000-lb. GCW tandem-axle giants.

*Modest extra cost

NEW Payload Champ of the Pick-ups! New Ford F-100 6½-ft. Pickup, GVW 5,000 lbs., now takes payloads up to 1,718 lbs. 132-h.p. V-8 or 118-h.p. Six engine.

NEW higher power and compression in all light and heavy duty series Ford Trucks! Shown: C-600 Cab Forward, GVW 16,000 lbs. Choice of two proven V-8's.

See the 1955 Money Makers Friday!

THE WILDCAT

(Continued from page 2)

said that the Wildcats played their best game of this season last Thursday night.

NOTHING NEW TO READ

"Nothing new to read" is a familiar cry in CHS. Some new books for the library have arrived. Examine these books and decide which one you prefer.

The House of Exile tells of a girl visiting a Chinese family who live in a quaint old house. This girl writes of China's past and all its customs.

Cry, the Beloved Country tells of a man who is in South Africa searching for his son who has been lost for many years. The father finds him in an African prison camp.

Swiftwater is a book telling of a trapper trapping in the wilds in Maine. He has many exciting experiences caring for his traps.

Three Came Home concerns a family captured by the Japanese during World War II. They were put in a prison camp where they wrote their book.

Some books for girls are:

Vanity Fair, written by William Thackery, was the book on which Ann Mitchell based her novel, Gone with the Wind.

Double Date tells of a girl who double dates and tries to get blind dates for her girl friends.

A Lantern in Her Hand tells of the pioneer days and a woman who carries on her life in the frontier.

For those who prefer horse books, Black Stallion and Big Red are certainly good.

In a Mirror tells of a fat girl who looks in a mirror and sees herself as she really is. The girl tells of all her problems caused by eating too much.

So far, we have twenty new ones, and others are coming!

KAT TELLS

Seems the football team is hearing "Prairie Jump" in their sleep. But after the way our boys looked Thursday night, we don't think Paducah will have many chances to play it Friday night.

Everyone agrees that Marilyn Stone and Bill Halbert make a cute couple. They were seen together Saturday night.

Who was Ed Daniel with Saturday night?

Ted keeps his little white Ford busy. You can see he and Barbara around almost every night.

We hear Betty Sue and Paul Keith had a great time Friday night. They went to Vernon's Lions Den.

Watching the "track meet" at Chillicothe Friday night were Jo Helen - Jackie, Fran - Thaxton, Billye - Satch, Sue - Gerry, Billye-Gordon.

Nothing new, Billy and Charlene were together over the week end.

Ed and Marketta took in the local flicks Sunday afternoon.

Riding around Sunday afternoon were Billye and Gordon.

Seems one boy a night is not enough for Mildred. She was with first one brother and then another Saturday night. Couldn't make up her mind between Delmo and Bud.

J. C. and Peggy patronized the Plaza Friday night.

Larue - Philex and Arleta-C. T. Davis were double dating Saturday night.

Who was the tall, dark and handsome buy with Peggy Golden Wednesday and Thursday nights.

Dwayne took Geraldine to the Chillicothe - Paducah game Friday night.

Triple dating two nights in a row were Betty Sue - Paul Keith, Sue-Gerry, Zonell-Don.

Why was Billye Bell mad Saturday night?

Coleman and Doris were together Saturday night.

Planning for a big week end at the Tech Homecoming are Betty Sue - Paul Keith, Sue - Gerry, Zonell-Don, Frances, Robert and several more.

Billy John's Ford got bunged up over the week end. Tough luck, Billy.

Where were Mike and Billy John Sunday afternoon?

Marilyn, who was your phone call from Friday?

How were enchiladas Sunday night?

Nelda and J. M. were at church Sunday night.

We hear the speech students enjoyed "Ring Around the Moon," especially Elizabeth - J. C., Jana-Ray, Sandra - Lowell and Shirley-Aldon. Wonder if they watched the play?

Why has Carolyn Monkres been making so many trips to Vernon lately?

Does anyone know what those crazy freshmen are up to? It has something to do with a home-ec cook.

Destroy the Dragons! Pulverize Paducah!

Carolyn and Maxine had a good time Saturday night with the Q town boys.

James Choate has a new admirer. Her initials are Mary Brown.

What's the matter, Gaylon, does June have to work too much?

Mildred, is it true that someone is beating your time?

We wonder if Sandra has a crush on Aldon? How about it, Sandra?

Mary Lou still has her eyes on John W.

Bill Halbert seems to have an admirer. Is that so, DeAnna?

Kat's Tail.

LOWELL'S LAUGHS

Henry Black was on a fishing trip when a man came up to him and asked him if he was having any luck. "Yes," said Henry, "I've caught 27 bass, 48 catfish, and 29 trout."

"Well," said the man, "Allow me to introduce myself. I'm Bowington, the toughest game warden in the county."

"My name's Black," said Henry, "the biggest liar in the state."

Zody: "I spent the summer in a very pretty city in Switzerland."
Betty Sue: "Berne?"
Zody: "No, I almost froze."

Jana: "What's the charge for this battery?"
Salesman: "One and one-half volts."
Jana: "How much is that in American money?"

Diner: "It's tough to pay $5.00 for a steak."
Restaurant Owner: "That's true, but if you pay only a dollar, it's a lot tougher."

Tourist: "Is this a good river for fish, mister?"
Fisherman: "It must be. I can't persuade any of them to come out."

"What did Franklin say when he discovered electricity?"
"Not a word. He was too shocked by the whole thing."

New 1955 Models of Ford Trucks to Be Shown Friday, Nov. 12

Twenty-four series including 190 models of 1955 Ford trucks ranging from 30-ton tandem-axle 'Big Jobs' down to F-100 pickups, all designed to make money for operators on every hauling job, will be introduced by Ford dealers throughout the country Friday, Nov. 12.

Ford's five truck engines, built exclusively for the truck lines, include Six and V-8 engines. Three engines have increased horsepower and compression ratios.

The 1955 models have new larger parking lights and larger, shield shaped tail lights adaptable to class "A" turn signals. They are manufactured in five lines and 24 series which include: nine conventional series, six cab forward series, four school bus chassis series, two tandem axle series, two parcel delivery chassis series and a new Courier custom delivery truck styled like the 1955 Ford passenger cars. GVW ratings run from 4,000 to 40,000 lbs. and GCW rating to 60,000 lbs. There are 15 wheelbase lengths for custom-built bodies from 5½ to 19 ft. long.

The big-one-piece curved windshield, deep side windows and a rear window which is almost as wide as the cab, provide full range vision for safer and easier driving. For 1955 Ford has improved truck brake features for quicker, smoother stopping. Vacuum-boosted power brakes now are offered on all models to make stopping up to 50 per cent easier.

Ford's most popular trucks—the F-100 pickups—have a better ride because of new 52-inch long, six-leaf rear springs with low deflection rate and greater flexibility.

Ford is first in the truck industry to introduce the new, longer life 18mm "turbo-action" spark plugs which resist fouling with light loads and prolong peak power at full loads.

Announcing new FORD TRUCKS for '55... the Money Makers!

Money-making POWER! Important longer-life engine advancements! The only full line of proved, modern short-stroke engines in any trucks! New work-saving, money-saving CONVENIENCE! New money-making CAPACITIES! New reasons why Ford Trucks are gaining new buyers faster than any other trucks!

POWER STEERING is standard at no extra cost in this new Ford T-800 tandem-axle BIG JOB. Modern, short-stroke, 170-h.p. *Cargo King* V-8. GVW 40,000 lbs., GCW 60,000 lbs.

NEW savings in all three areas! TRIPLE ECONOMY!

① Money-Making power saves gas!

ONLY FORD gives you the gas-saving efficiency of *proved*, modern short-stroke design for every engine! Ford's ultra-modern, overhead-valve engines—four V-8's and one Six—cut piston travel, cut internal friction, *save gas*. And new engineering in valves, heads, crankshafts, electrical systems and cooling, results in still greater durability!

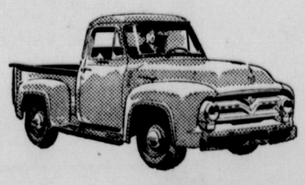

② Money-Making convenience saves work!

FORD'S *Driverized* Cab sets new comfort standards for '55! New *full* foam-rubber seat and seat back in the *Custom* Cab*. Work-savers . . . like smoother *Fordomatic** with new faster starting, low-gear "step-down" for all light duty series . . . Power Brakes* even for half-tonners . . . Power Steering* for most BIG JOBS—make driving easier.

③ Money-Making capacity saves trips!

NEW axle capacities and new springs, coupled with Ford's high-payload construction, make Ford Trucks better load carriers than ever. Ford's new ½-ton Pickup, for example, has one of the biggest payload capacities of *any* Pickup: 1,718 lbs. Ford gives you top payload capacities in over 190 models, ranging up to 60,000-lb. GCW tandem-axle giants.

*Modest extra cost

NEW Payload Champ of the Pick-ups! New Ford F-100 6½-ft. Pickup, GVW 5,000 lbs., now takes payloads up to 1,718 lbs. 132-h.p. V-8 or 118-h.p. Six engine.

NEW higher power and compression in all light and heavy duty series Ford Trucks! Shown: C-600 Cab Forward, GVW 16,000 lbs. Choice of two proven V-8's.

See the 1955 Money Makers Friday!

ADELPHIAN CLUB

The Adelphian Club had a very worthwhile program Wednesday, Nov. 3. Mrs. J. C. Prosser was leader and she presented one of the outstanding programs of the year.

She had asked each member to bring her most cherished antique, which brought out a versatile collection. She displayed a very lovely collection of various types of pictures painted by Mrs. Otis Gafford. Another interesting collection of Japanese art was on display through the courtesy of Dr. Martin Kralicke.

Mrs. Prosser gave a talk on art, followed by Mrs. A. S. Hart who spoke on "Why the Study of Art Is Important." She presented many good points throughout the discussion.

Miss Martha Rettig and Mrs. Zelma Hulse were hostesses for the meeting.

FOARD CITY W. S. C. S.

The Woman's Society of Christian Service of the Foard City Methodist Church met Monday afternoon, Nov. 8. The opening song, "Labor On" and prayer were given by Mrs. Mabel Baker and Mrs. Pearl Rader, respectively. The president, Mrs. Effie Johnson, was in charge of the business session.

The program for the day was under the direction of Mrs. Baker. An inspiring devotional based on I Corinthians 13 was given by Mrs. Cornelia McDaniel. "How the Israelites built a city by the Bible" was interestingly told by Mrs. Fred Traweek. A harrowing escape from Red China by a missionary and his family was reviewed by Mrs. Baker. The prayer of dismissal by Mrs. Laura Johnson was followed by a period of quiet meditation and a thought provoking talk on the importance of understanding the place prayer should fill in our lives.

GAMBLEVILLE H. D. CLUB

"When a simple, quick meal is desired, I would suggest onion burgers," Mrs. Mary D. Brown advised members of the Gambleville Home Demonstration Club meeting in the home of Mrs. J. C. Prosser on Nov. 5. Mrs. Brown discussed the food that should be in the diet of each member of the family. Pictures were shown of holiday meats.

Mrs. Prosser conducted the opening exercises. Each member answered the roll call with "What I remember about past Thanksgivings." A report was given concerning the Hobo Stew. The club expressed its appreciation to all who helped make the stew a success.

Mrs. Horace Phelps, president, led the business session. An order for belt buckles is being made. Announcements for Achievement Day were made. Mrs. Henry Ross was awarded the hostess gift.

Refreshments were served to Mesdames G. C. Morgan, Henry Ross, Mary Brown and M. O'Connell, visitors, and Mesdames A. B. Calvin, Horace Phelps, W. J. Garrett, Rusty Russell, Milton Hunter, Clarence Garrett, Cecil Carroll, Nick Chatfield, Buster Cates, Joe H. Williams and the hostess.

Mrs. Buster Cates will be hostess for the meeting on Nov. 19 when the program will be "Let's Make Aprons."

RIVERSIDE H. D. CLUB

"No one ever outgrows the need for protein. It is necessary for good health," Mrs. Mary D. Brown, County Home Demonstration Agent, told the Riverside Home Demonstration Club ladies when they met in the home of Mrs. Roy Ayers Tuesday afternoon, Nov. 2.

The meeting was called to order by Mrs. John S. Ray, president. For opening exercises, the THDA creed was repeated in unison, followed by the THDA prayer. The roll call was answered by "What I remember about a past Thanksgiving."

"Onionburgers are good as an extra during holidays, since they are simple and easy to fix," said Mrs. Brown as she demonstrated making the burgers and discussed holiday meats and their garnishes.

The next meeting will be with Mrs. James Bowers Tuesday afternoon, Nov. 16, at 2 p. m. Everyone is asked to bring their prettiest cook apron.

Drinks were served with the onionburgers to three visitors, Miss Fern Hodge, District Agent from Vernon, Mrs. Bob Thomas and Mrs. Brown, and to members, Mesdames Cap Adkins, James Bowers, Ernest Elliott, Ben Hopkins, Monroe Karcher, Louis Kieschnick, Sam Kuehn, Grover Moore, R. E. Moore, John S. Ray, Ewald Schroeder, Frank Ward, George Wesley, John Zuhn and the hostess.

T. E. L. CLASS MEETS

The T. E. L. Class met in the home of Mrs. C. T. Aly Oct. 28 with Mrs. C. A. Powell as cohostess. Two songs were sung. Mrs. I. L. Denton read the first Psalm. Mrs. Cora Belle Whatley led in prayer.

Rev. Aly had charge of the installation of officers for the new year. He used scripture from Genesis and Matthew. It was a beautiful candlelight service.

The officers are Mrs. C. T. Aly, teacher; Mrs. Cora Belle Whatley, associate teacher; Mrs. I. L. Denton, president; Mrs. Doyle Callaway, vice president; Mrs. Adaire Wrather, social leader; Mrs. Ada Burkett and Mrs. Delia Fox, group leaders; Mrs. C. L. Cavin, secretary.

Mrs. Carl Zeibig had charge of the social hour. Refreshments were served to 14 members.

TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met in regular session in the community house Oct. 28.

The meeting was called to order by the president, Mrs. Jack Hickman. Roll call was answered with "My favorite bulb or fall shrub." Achievement Day will be Nov. 24. After the business meeting, the members quilted. The next meeting was November 1 with Naoma Brown responsible for the program, and Mrs. Oscar Solomon was hostess.

Those who attended club were Mrs. Bill Owens, Mrs. Jack Brown, Mrs. H. P. Gillespie, Mrs. Warren Corder, Mrs. Oscar Solomon, Mrs. Jock Hickman, Mrs. C. C. Browning, Miss Mary K. Chowning, Miss Naoma Brown and the hostess, Mrs. J. M. Chowning.

VIVIAN H. D. CLUB

"One dish dinners are time savers for me," said Mrs. Warren Haynie to members of the Vivian Home Demonstration Club which met with Mrs. Abner Biddy, who lives near Paducah, in an all-day meeting Thursday, Oct. 28.

"Hamburger corn-pone pie can be prepared and kept in the freezer until ready to use," continued Mrs. Haynie, "but leave off the bread topping until ready to use."

The club members appreciated the invitation extended to them by Mrs. Biddy to meet with her and all enjoyed her hospitality.

Among those present were five visitors, Mrs. J. L. Klepper of Los Angeles, Calif., Mrs. John Brothers, Mrs. A. J. King; nine members, Mrs. Dee Gilbert, Mrs. Marion T. Gilbert, Mrs. Arthur Sandlin, Mrs. James Sandlin, Mrs. Clyde Bowley, Mrs. Warren Haynie, Mrs. Allen Fish, Mrs. J. W. Carroll, Misses Myrtle and Neoma Fish, and one new member, Mrs. Carl Shultz, and the hostess.

The club will meet with Mrs. James Sandlin Thursday, Nov. 11, at which time Mrs. Mary D. Brown will give a demonstration on "Holiday Meats."

THALIA IDLE HOUR CLUB

The Thalia Idle Hour Club met Oct. 28 in the home of Mrs. B. A. Whitman with Mrs. Lee Whitman of Vernon as hostess. The afternoon was spent in visiting and doing hand work, with nine members and four visitors present, two of whom were former members. They were Mrs. Bertha Shultz and Mrs. C. W. Woods of Vernon.

Those present were Mesdames Lee Sims, John Wright, Raymond Grimm, Howard Casada, W. J. Long, C. H. Wood, L. A. Roberts, and B. A. Whitman. The visitors were Mrs. T. M. Haney, Mrs. Woods and Mrs. Shultz of Vernon and Mrs. E. H. Roberts and the hostess, Mrs. Whitman of Vernon.

A nice refreshment plate was served.

Home Demonstration Notes

MRS. MARY D. BROWN

At the Thalia H. D. Club last week, Mrs. G. A. Shultz brought the poster she had made for Achievement Day. It was very nice. Don't forget that each club is to have one poster up advertising this Achievement Day by this Saturday, Nov. 13.

Mrs. Louis Kieschnick, who is recreation chairman of the Riverside Club, led the games after the demonstration at their last club meeting. All of the members took part in these games and everyone enjoyed them immensely. Some of our clubs have recreation at every meeting and enjoy it thoroughly; however, some of our clubs have fallen down on the recommendation and don't bother to have games. If you are recreation chairman, I think you would find it very worthwhile to have at least one short game at each club meeting.

Our recipe this week is for

Chicken Cream Pie

2 cups flour, 2 teaspoons baking powder, 1 teaspoon salt, 1 egg yolk, 2/3 cup shortening, 1/2 cup hot water, 3 teaspoons lemon juice, one No. 2 can or 1 pint boned chicken.

Mix and sift the flour, baking powder and salt. Melt the shortening in the hot water, add lemon juice and egg. Add this slowly to the dry ingredients and mix well. The dough is soft and works better if chilled. Line the sides of a baking dish, patting it out with the fingers. Fill the dish with canned or precooked chicken which has been cut in small pieces, and cover with a thin white sauce made with broth or rich sweet milk. Pat out the remainder of the pastry dough to fit the top of the baking dish. Cut small slits in the pastry to allow the steam to escape. Place in a hot oven about 425 degres F. and bake about 25 minutes. For individual service, bake in custard cups or ramekins.

HOME BUILDERS' CLASS

The Home Builders Class of the Methodist Church met Tuesday, evening at 7 o'clock in the home of Mrs. H. E. Monkres.

The concluding chapters of their book study, "India," was reviewed by Mrs. Jiggs Barker and Mrs. Grady Adcock. A moving devotional was brought by Mrs. Howard Fergeson.

Refreshments were served to the seven members present.

Tuberculosis' economic waste is emphasized by the fact that it strikes hardest at the most productive years, 15 to 25.

General Motors Will Have Golden Carnival on November 23rd

In a salute to the General Motors Golden CARnival, 5,000 "gold" Chevrolets will go on display at dealer showrooms across the country November 23, according to the Press Relations Department, Chevrolet Motor Division of General Motors Corporation in Detroit.

Appearance of the especially finished cars is planned concurrent with the assembly of the corporation's 50,000,000th vehicle. The milestone model will be a Chevrolet sport coupe and form the basis for a celebration in GM's "home town" of Flint, Mich., and other plant cities which have contributed to the amazing production record.

Additionally to commemorate the day, Chevrolet has scheduled "open houses" at 24 of Chevrolet's assembly and manufacturing plants across the country.

Showing the gold models at dealer establishments will be accompanied by special decorations and the distribution of booklets to visitors.

New "Buddy System" Started by Air Force

A new buddy system of Air Force training, which assures enlistees that they may enlist in the U. S. Air Force as buddies and be assigned to the same training unit for their basic training, provided they enlist together, is now in effect within the 3504th USAF Recruiting Group, according to Captain Chester W. Sorenson, commander of the Amarillo Recruiting Detachment.

Special arrangements with the training center located at Lackland Air Force Base, San Antonio, makes it possible for buddies or acquaintances from the same town or community to enlist together and be assigned to the same training squadron where they will train together for the duration of their basic training.

Captain Sorenson also pointed out that the Air Force will promise enlistees that they will not be separated during this period provided that one or more of the buddies do not miss an excessive amount of basic training due to sickness or other emergencies.

The Air Force recruiting sergeant is in Vernon at the court house each Monday, Wednesday and Friday from 9 a. m. to 2 p. m.

ROTARY CLUB

There were eight visiting Rotarians at the Wednesday noon luncheon of the Crowell Rotary Club, three from Quanah and four from Vernon. They were Elzy Youngblood, Killen Moore, Hub Colley and A. D. Green of Vernon, and Roy Sansom, W. E. Hancock and Vance Favor of Quanah.

Glenn Goodwin was in charge of the program with Grady Graves making the three-minute Rotary talk. The main speaker was Minister Lowell Brown of the Eastside Church of Christ who made a forceful and impressive talk on developing one's talents and using them for the benefit of those in need, as well as all persons one comes in contact with.

DON'T PUSH,

there's enough for everyone

It IS a big family! But the proud young owner of these puppies will see to it that there's always enough food for their healthy, growing appetites.

That's the way with your electric service. As you add new electrical conveniences, you can always count on the additional electric power you want to run them.

You are using many more appliances than you did ten years ago. In the future, you'll add many more.

And you can be sure your electric service company will be prepared with the power to run them.

In homes served by WTU electric rates have stayed low. Actually the average cost of a kilowatt-hour of electric service for home use is 22% LESS than it was 10 years ago.
