

Weed Atop Store

Parable of the Weed

by Joy Culwell

West Texas winds play funny tricks sometimes. One day a couple of years ago, the wind swooped up a weed seed from the ground and deposited it in a tiny pile of dirt atop Sander-son's Jewelry in Colorado City.

Now the seed spent no time arguing with the wind that it was in a bad spot to grow there on top of that ledge with very little dirt and almost no water.

The seed took root in the little pile of dirt and began to grow. Determined to be noticed, the weed used every drop of rain that fell and never doubted that more would be available when it was needed.

Soon people began to notice the little weed that dared to thrive where it was next to impossible. Some commented that the little weed doing it's best under difficult circumstances was an inspiration.

The weed continued to grow. Even when the days were so hot that the asphalt began to soften on the street below it just looked up and asked for just a little rain-not a lot just enough to cool it's almost baked leaves.

The rain watered the weed and the little pile of dirt was enough to supply the needs of the determined weed.

Children almost always notice the little weed growing on the ledge and point it out to their parents.

The weed bloomed and produced seeds that fell into the small pile of dirt that supported the parent plant. Frost came and took the life of the plucky weed that grew in difficulty.

During the winter the seeds lay dormant and when this last spring arrived the seeds were ready.

Again the little weed grew in the impossible place on the ledge above the jewelry store.

This year people again commented that they were inspired by the faith, determination and courage to attempt great things under less than ideal circumstances.

Frost will soon be here again and the cycle will begin again.

Kelley To Resign From Council

Business Venture Announcement To Be Made

City Councilman Trevlyn Kelley announced Wednesday that he will resign his seat on the City Council effective Nov. 1 as well as his post as vice president of City National Bank.

Kelley said he and his family will be leaving Colorado City on that date for him to become president of a bank in West Texas.

Announcement of the name of the bank will be made within the next few days.

This announcement will be carried in Sunday's Colorado City Record.

Kelley was re-elected to his second term on the City Council this past April. The City Council is expected to appoint someone to succeed him within the near future.

Charles C. Thompson, president and chairman of the board of City National Bank said Kelley's resignation came about

unexpectedly and he and the board of the bank have not yet had a chance to consider who will replace Kelley.

The Board is expected to discuss the matter at the November meeting.

Kelley, who was born here and finished high school in Colorado City, spent part of his early life in Big Spring where he attended school through the 10th grade. Members of his family

were Mitchell County pioneers.

He was graduated from Colorado High School in 1952 and has worked for City National Bank since that time.

He is a 1964 graduate of the School of Banking of the South,

Louisiana State University.

"My wife, daughters and I have enjoyed our life in Colorado City immensely," Kelley said in making the announcement. "It is with a great deal of regret that we leave our many friends and acquaintances here

but we will be close at hand and be able to visit regularly."

Kelley has been extremely active in civic affairs in Colorado City.

He has served as president See KELLEY Page 7

Wolves vs. Estacado

Both Coming Off Losses

The Colorado City Wolves will host the Estacado Matadors at 7:30 p.m. Friday in Wolf Stadium and the local team is hoping to hand the Matadors their second district 3-AAA loss in the history of the Lubbock team.

The Matadors lost their first district game two weeks ago to Brownfield. That was the first district loss the powerful team

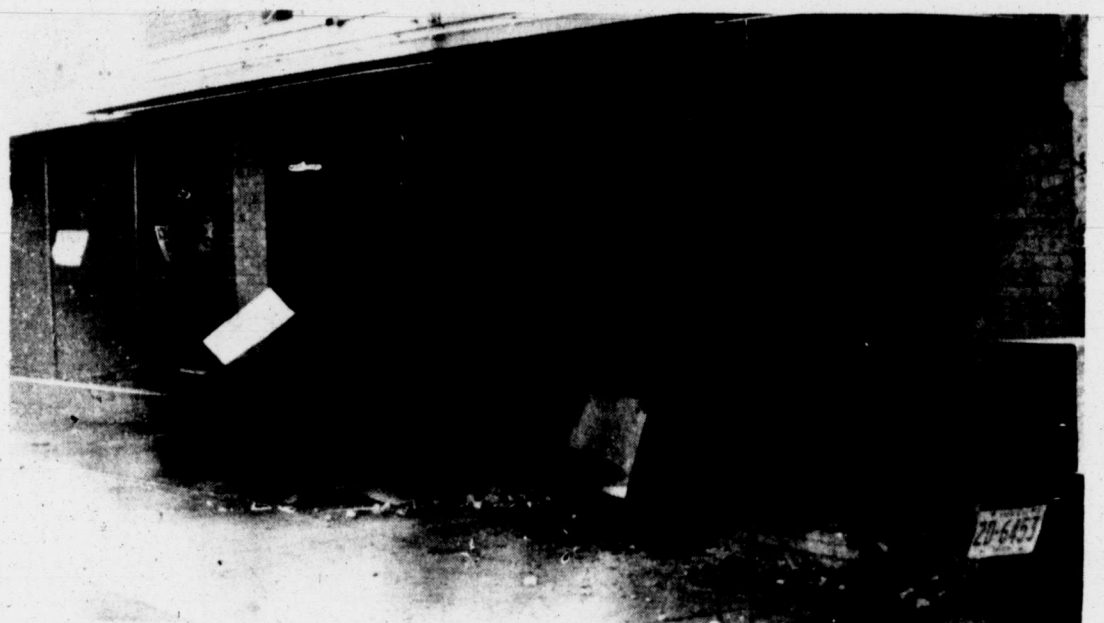

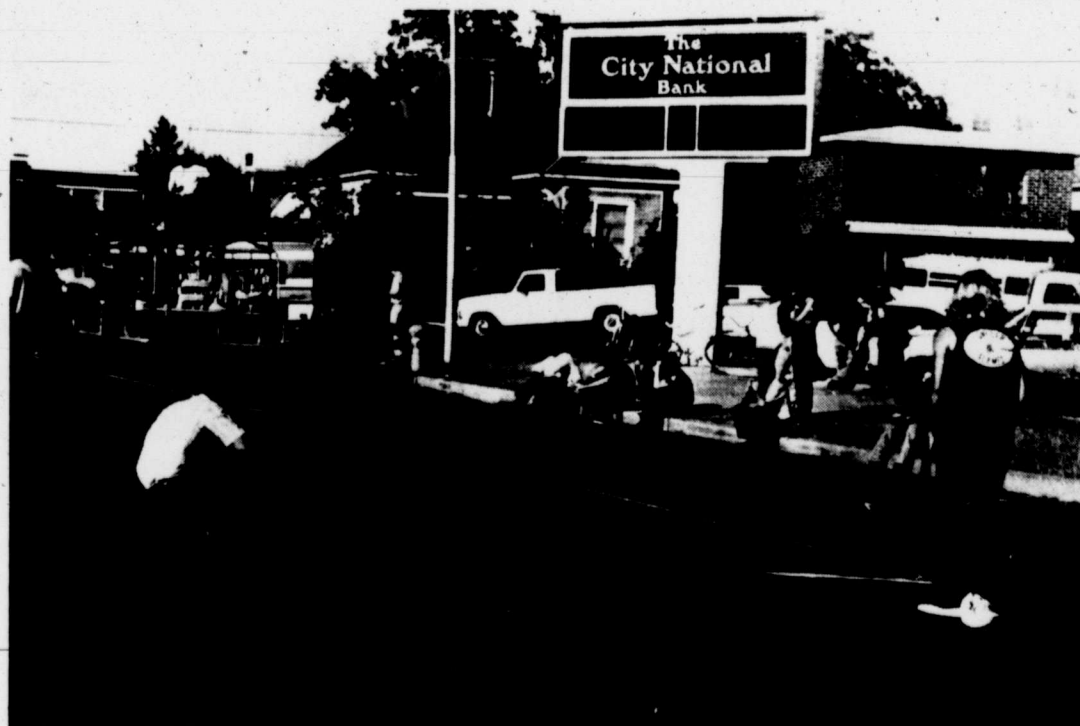

has suffered since the school was first organized.

Last week, the Estacado team had a week off in order to get ready for the Colorado City Wolves. The Wolves last week traveled to Brownfield and also suffered a loss at the hands of the Cubs.

Both teams are hungry for a

win. Both are proud teams and they're anxious to rectify the problems that have caused them to have the district losses.

Wolves Athletic Director Weldon Brevard said of the Estacado team that they are fast, but probably not as quick nor as big as was Dunbar who defeated See WOLVES Page 6

Building Going Down

The building that once housed Doss Drug Store and which Bob Sparks planned to make part of Sparks Hardware, came tumbling down last weekend at the hands of a wrecking crew. Sparks abandoned the building and the one next to it after part of the roof of one building collapsed. The top picture shows buildings before the wrecking starts, middle picture was taken late Friday after part of the building was torn down and the rest of the Doss Drug building came tumbling down Sunday morning.

CAP To Sponsor Cub Scout Pack

The Mitchell County Community Action Program Board of Directors voted Tuesday night to sponsor and support a Cub Scout Pack.

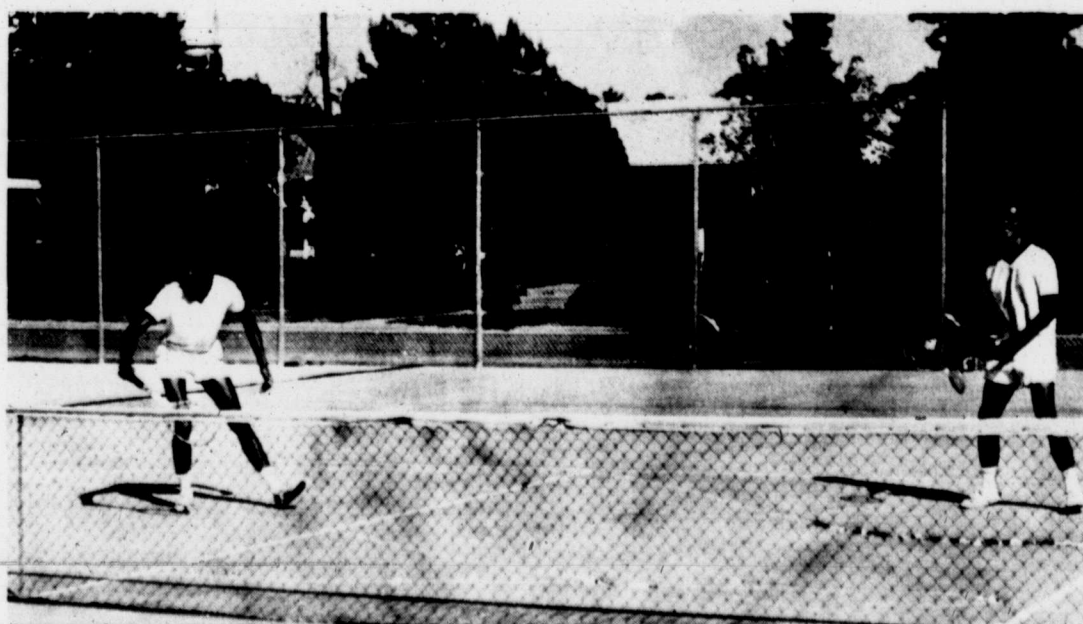

At the meeting in Wallace Community Center at which Kenneth Rogers presided, Buffalo Trail Council District Scout Executive Ted Burgoon asked CAP to become the sponsor agency for a pack.

After hearing Burgoon's proposal, the board passed action to sponsor and support a pack.

Boardmember Dorsey Johnson was elected to be the In-

stitutional Representative.

Culture Program Tonight

A lecture on the Greek Islands and the Holy Lands will be presented Thursday at 8 p.m. in the Mitchell County Public Library.

Mr. and Mrs. G. D. Foster will be guest speakers and their presentation will include picture slides and is based on a three week tour the Fosters took in July and August to the localities.

The program is sponsored by the Cultural Committee of the Chamber of Commerce and refreshments will be served after the program.

City Beautification

Tree Planting, Painting Underway

Plans are afoot to change the look of Colorado City, particularly the downtown area.

Mrs. Tom (Jodie) Neff, member of the Chamber of Commerce community development committee, has asked the Noon Lions Club of taking on a project of buying Japanese black pines to be planted in large wooden containers and placed on sidewalks and in front of businesses.

Texas Electric Service Co., at the request of City Manager J.A. Sadler, Jr., is repainting 41 street light poles and arms in the downtown area.

Several buildings are being

torn down and a number of building owners have given their buildings a paint bath to go along with city beautification plans.

Regarding the planting of trees in containers, Mrs. Neff told members of the Noon Lions that 20 trees would cost a total of \$745.

That cost would include \$4.50 for the wooden containers, \$16.50 per tree, \$150 to properly plant the trees in the wooden containers and \$175 to transport the wooden containers from Houston to Colorado City.

The wooden containers have a worn look to give Colorado City the rustic look city planners are

seeking to achieve for the "Queen City" of West Texas.

At one time, Colorado City was the headquarters town for all famous West Texas ranches and lumber to build many West Texas towns was hauled from this town which was a rail head.

Rush Neff of Neff's Nursery, has volunteered to plant the trees and not charge anything for the labor involved and it is possible that the Lions Club will decide to save the transportation charge by going to Houston after the wooden containers.

The Lions Club directors are See CITY Page 5

Miss Donna Ruddick, John Hill Exchange Double Ring Wedding Vows

Miss Donna Kaye Ruddick became the bride of John Milton Hill Saturday night in a 7:30 p.m. ceremony in the Oak Street Baptist Church.

Rev. Don Timberlake, church pastor, read the double ring vows.

Mr. and Mrs. Everett Lee Ruddick of 525 Hickory are parents of the bride and Mr. and Mrs. J.D. Hill Jr. of China Grove are parents of the groom.

Vows were exchanged beneath an arch of lemon leaves and emerald foliage lighted by candles centered at the top with wedding bells. The arch was flanked on either side by seven branch cathedral shaped candelabras holding orchid tapers.

A brass four branch table candelabras backed the arch holding an arrangement in the bride's chosen colors of purple and orchid. The bridal isle was lighted by candle poles and arrangements.

Wedding music of "The Twelfth Of Never", "More", and "The Wedding Prayer" was presented by Miss Patricia Patisillo accompanied by Mrs. Glenda Cooper, organist.

Given in marriage by her father, the bride wore a formal gown of organza with Chantilly lace accenting the entire gown. The gown featured a demure scoop neckline touched with seed pearls and pleated ruching edged the bishop sleeves and hemline.

Three tiers edge in ruche formed a semi-full skirt and a chapel length train. A full

length mantilla fell from a lace Camélot hat highlighted with heavy lace border.

She carried an all white cascading arrangement of Frenched carnations, Fugi mums and gladioli florets.

For something borrowed, the bride carried a Bible belonging to her aunt, Mrs. Kenneth Ezell of Abilene, that Mrs. Ezell carried in her own wedding; something blue was a garter made by the groom's grandmother, Mrs. J.M. Pickens; something new was the bride's wedding attire and something old was an anklet given to the bride by her matron of honor, Mrs. Bobby Ruddick.

Mrs. Bobby Ruddick of San Angelo, cousin of bride, served as matron of honor, and Mrs. Perry Ruddick, of Ballinger, sister-in-law of bride, and Mrs. Charles Stevens of Stephenville served as bridesmaids.

The matron of honor was attired in an orchid satin floor-length gown featuring a scooped neckline and long puffed sleeves ending in ruffles at

the waist. The empire waistline was encircled with satin ribbon.

The bridesmaids dresses were similar to the matron of honors except they were purple in color.

They carried Kissing Balls in shades of purple and orchid formed with miniature carnations, pom poms, Seafoam Stattice and baby's breath.

Miss Beth Smith, cousin of bride, was flower girl and Keith Ruddick, brother of bride, was ringbearer.

Candle lighters were Randy Schafer and Mark Ezell, cousins of bride, and Perry Ruddick, brother of bride, Bill Holman, Jim Bob Holman and Dwayne Harris served as ushers.

Steve Hill served his brother as best man. Groomsmen were Bruce Hill, brother of groom, and Ernest Castillo.

Reception following the wedding ceremony was in the church Fellowship Hall.

Bride's table was laid with a white cloth and accented with a bronze candelabra with an orchid and purple floral arrangement and a traditional three-tiered cake topped with satin wedding bells.

Groom's table was covered in an ivory lace cloth centered with a silver candelabra arrangement. The table held the traditional German chocolate cake and a silver coffee service.

Members of the houseparty were Mrs. Harold Lanham, of Lubbock, Mrs. Don Timberlake, Miss Linda Daugherty of Crane and Miss Paula Anthony of Ballinger. Annette Smith and Kendall Ezell passed rice bags.

A white satin cloth dotted with orchid satin bows covered the registry table presided over by Miss Karen Smith, cousin of bride.

For travel to Lubbock, the bride wore a blue ribbed knit dress designed with raglan sleeves and a high neckline. Black accessories completed her costume.

The couple will be at home

at 762 East 8th Street in Colorado City.

The bride attended Angelo State University where she majored in Secretarial Science. She is presently employed at the Colorado City Record.

Hill attended Texas Tech University in Lubbock with a major in Animal Science. He is engaged in farming in Mitchell County.

Out-of-town guests were from Abilene, Ballinger, San Angelo, Odessa, Lubbock, Stephenville, North Little Rock, Ark., Robert Lee, Silver, Snyder, Gatesville, Crane, Mr. Pleasant, Midland, Temple and Sweetwater.

Get Estacado, Big Wolves

Coaches Corner

By Weldon Brevard

The Estacado Matadors always have a good team.

This year is no different, although they have lost four out of the five games they have played.

The Lubbock team is due to get back to their traditional winning ways and they're especially hungry for a win after they lost their first District 3-AAA game ever two weeks ago to Brownfield.

Estacado runs the power sweep with great efficiency and the bomb is also a threat with them. They are probably the best passing team we will face all year.

In comparing Estacado with Dunbar, the Matadors probably have more team speed than the Panthers but are not as large and do not have the overall quickness that Dunbar had.

Estacado is about the same type of team as Brownfield, although the Matadors depend on the passing game more than do the Cubs.

The Wolves character and pride was hurt by the loss to Brownfield and they are determined to make a good game against Estacado.

The boys have worked hard this week. They are determined to show the hometown crowd and that they are to be dealt with in District 3-AAA.

We would like to thank everyone who went to the Brownfield game for giving us their support and want to ask as many people as possible to come out to Wolf Stadium Friday night to watch the Wolves take on Estacado.

Sefton Pickens Speaker For B&PW Club Dinner Meeting

"What is the future of a small town like Colorado City?"

That was the question placed before members of the Business and Professional Women's Club by Sefton Pickens during the club's regular dinner meeting Tuesday in the Civic House.

Pickens, executive vice president of the Chamber of Commerce, was introduced by Miss Linda Perkins during the 7 p.m. meeting.

He pointed out that civic participation means sharing in common with others and discussed ways to make "our town our community, our nation - our state" a better place in which to live.

He added that everyone needs to get involved in all civic affairs, as a club and as individuals.

Members of the Civic Participation Committee were hostesses for the meeting. Members of the committee are Miss Perkins, chairman, Mrs. Lena Porter, Mrs. Helen Reeves, Mrs. Terri Keel and Mrs. Mary Lee Moore.

Mrs. Betty Minshew, club president, presided over the business meeting in which the budget for the coming year was adopted.

It was reported that the club float won first place in the fair parade and a report on the concession stand at the fair was heard.

Mrs. Lou Logan was welcomed into the club as a new member.

During the meeting a schedule for National Business and Professional Women's Week was released.

Oct. 22-28 is the week designated for the observance and the schedule is as follows:

Sunday, Oct. 22 - Breakfast in the Civic House at 8 a.m.

Monday, Oct. 23 - Coffee - donuts in the Ready Room of Texas Electric Service Company beginning at 9:30 a.m.

Tuesday, Oct. 24 - Mexican dinner at the Spanish Inn in Big Spring at 6 p.m. Those attending the dinner are asked to meet at the home of Lena Porter at 905 Walnut Street.

Wednesday, Oct. 25 - Tesco Banquet in the Civic House at 6:30 p.m.

Thursday, Oct. 26 - Social will be a Halloween Costume Party in the Lone Wolf Medallion Room at 7:30 p.m.

Friday, Oct. 27 - Open.

Dinner tables at the meeting were laid with white cloths. The tables were decorated with various floral arrangements with streamers of ivy centering the middle of each table.

Guest for the evening was

Mrs. Nina Katherine Crout of California.

Members present were Mrs. Lou Logan, Mrs. Nell Carpenter, Mrs. William D. Conway, Jr., Mrs. Joy Culwell, Mrs. Annie Dixon, Mrs. Mildred Free, Miss Nelda Garrett, Mrs. Ethel Hardegree, Mrs. Bernice Hart, Mrs. Bessie House, Mrs. Wynne Jameson, Mrs. Elizabeth K. Jones, Mrs.

Ida Miles, Mrs. Minshew.

Mrs. Moore, Miss Erdine Morgan, Mrs. Velma Moseley, Mrs. Margaret Oyler, Miss Perkins, Miss Molly Phillips, Mrs. Aldred Pickens, Mrs. Lena Porter, Mrs. Lona Pritchett, Mrs. Helen Reeves, Mrs. Carla Rivera, Mrs. Sallie Rogers, Mrs. Roxie Witten, Mrs. Sue Womack and Mrs. Frances Young.

CITY
From Page 1
scheduled to meet after their regular noon Friday meeting to discuss the particulars on the tree project. They will decide how and where the trees will be distributed.

Members of the Club voted last week to take on the project and coordinate it. They have called on other clubs and individuals to help and to contribute to defray the expense.

The Jaycees have already pitched in \$50 to help pay for the expense of the trees.

It is a possibility that some

businessmen will want to buy extra trees and containers and the Lions Friday are expected to consider this possibility.

The trees and containers are expected to cost a total of \$38 per unit, much below the cost of any other type of fixture that could be put downtown.

And the trees, once planted in the wooden container, are much too heavy to be carried away by anyone who might take a fancy to them.

On painting the light poles, the Chamber Development Committee has recommended

that they be painted black with gold knobs and brace. Also a recommendation has been made not to use the yellowish paint that was used on two experimental poles by the Barber building and in front of the School Tax Office.

On the experimental poles, one pole was painted black and the knobs yellow.

The painting of the pole and arm black is expected to give emphasis to the oldtime "teardrop" light globe, in line with the plans to give Colorado City the look of a modern day town at the turn of the century.

Reward For Hard Work

John Lyndall Gibson of Colorado City last week reached a milestone in his life.

During the 45th annual National Future Farmers of America Convention in Kansas City, Missouri, Gibson was presented the American Farmer Degree.

The American Farmer Degree is the highest degree of membership in the FFA. It is a degree that goes to only a few of the many thousands of young men in FFA. Those who are selected to receive the degree represent about one per cent of all FFA members.

Gibson, son of Mr. and Mrs. J.D. Gibson, was one of 471 FFA members from throughout the nation to receive the American Farmer Degree this year.

We commend him for the hard work it took to be considered as a candidate for this honor and we congratulate him.

WOLVES
From Page 1
Colorado City two weeks ago, 20-0.

The Matadors run the power sweep and they like to pass a lot, especially the bomb, Brevard said. They probably pass more than any team the Wolves will face this year, he noted.

Estacado, although not as good a team as in previous

years, still have a good team and they are to be contended with even though they have lost four out of five games played this year, Brevard noted.

The Wolves are healthy and had good workouts this week. The football boys held a closed

meeting this week, and although they are the only ones who know what was said, their workouts make it seem certain they are bound and determined to give their best against the Lubbock team.

Also in action this week will

be the 7th grade black team here at 4:30 p.m. Thursday against Coahoma; the 8th grade team in Coahoma at 6:30 p.m. Thursday against Coahoma; the 9th grade team here against Sweetwater at 6 p.m. Thursday and the junior varsity plays Snyder here at 7:30 p.m. Thursday.

From very early times there have been superstitions about precious stones. Long ago, some stones were supposed to make anyone who wore them strong and brave. Others were supposed to protect their wearers from fire and lightning. Still others were supposed to bring good health and good fortunes. The idea of birthstones came from these superstitions. Each month was given a stone. Wearing this stone, people thought, would bring good fortune to anyone whose birthday was in the month. Not many people still have the old idea that precious stones can help or harm them. But many people do enjoy wearing their birthstones.

Many people still adhere to the old idea there's nothing that can be done about their tap water. They haven't heard about Refined Water, the product that obsoletes tap water by filtering, refining and softening. For a home demonstration call Goode's Miracle Water, 728-3537.

Novedades Mexicanas

Esta semana fuimos de visita al programa C.A.P. y charlamos alegremente con la muy grata senora directora Jon Shamburger.

La muy simpatica senora nos informo que lo resultado de la junta del 26 de septiembre fue que las personas de la comunidad resolvieron a llamar la atencion al caudillo de la ciudad los siguientes punto de interes: el desarrollo de la destreza manual en vuestro empleo; educacion de artes de habilidad (como mecanografiar) el mejoramiento de las carreteras en nuestras vecindades.

Tambien nos informa la a-fable senora Shamburger que en noviembre las lcaes de coc-

ina empiezan si el interes del publico es suficiente.

Como tambien nos dice que la "Well Baby Clinic" estara en Colorado City cada segundo y cuarto lunes del mes.

El concilio de "Family Planning" esta para servirles en Colorado City cada primer lunes del mes y en Loraine cada cuarto lunes del mes de las 4:00 p.m. a las 6:00 p.m.

Nuestra conversacion termino con la senora recordandonos que el publico esta sinceramente invitado a llamar a su oficina si desean pedir mas informes.

Esta semana los Colorado City "Wolves" juegan contra Lubbock Estacado a las 7:30 p.m. y sinceramente espero verlos a todos Vds. esta semana en un encuentro que promete ser interesante.
