Town Talk

By MAC MCKINNON

I Did, I Did enjoy "I Do! I Do!"

This unique musical-comedy is being presented this week at the Colorado City Opera House and will continue thru Saturday with curtain time at 8 p.m. Tickets are \$3 each and reservations may be made by phoning 728-3491 or by going by the Opera House.

"I Do! I Do!" is a musical about marriage and is based on "The Fourposter" by Jan de Hartog. It covers a time period of fifty years of a marriage from the time of the wedding.

The stars are Coleen Palmer and George Womack. They are the only characters in the play, which is unusual and also very demanding of the two performers.

The play is one of the best written I've ever seen. The lines are crisp and smooth with the play moving along rapidly. It is a production that every married couple should see. The play depicts the happiness, the disputes and the problems of married life.

Not enough can be said about the abilities of George and Coleen. They both do a tremendous job, both acting and singing.

The musical is directed by Betty Tomb and Lovess Curlee who do their usual tremendous job. Betty provides the piano and organ music.

Some of the more memorable tunes in the production are "My Cup Runneth Over," "Flaming Agnes," "What Is A Woman," and "Someone Needs Me."

This production rates as among the best ever done by the Playhouse. Call now for reservations. It makes for an evening of fine entertainment.

Stockholders

Meeting Set

For Tonight

Stockholders meeting for the Federal Land Bank Association of Colorado City will be held tonight at 7:30 in the Charles C. Thompson room of City National Bank annex.

"We sincerely urge all members to attend and bring guests as everyone is invited and welcomed," said N. H. Pratt, manager of the association.

Doughnuts, coffee and soft drinks will be served before the meeting begins. Following the business session, 15 door prizes will be given to the persons holding lucky tickets.

"The association is rated on the number attending, so please make a special effort to attend this stockholders meeting as this is your association," Pratt said in extending the invitation.

Bulldogs

Game Set

Saturday

"We've corrected some of our mistakes since the Jim Ned game and the boys are looking forward to Saturday's game with the Colorado City Junior Varsity," Bulldog coach Ken Lightfoot said this week.

"After looking at the game film, we found out that we weren't making that many mistakes but kept making the same one over and over. The boys are enthusiastic and not down after the defeat--so all in all we're expecting a good game," he said.

Ricky Moreno, starting quarterback, and Richard Garcia are both well after injuries that kept them from playing in the last game. Thomas Raney suffered a sprained ankle and may not see action in Saturday's game.

Running from a pro-set offense with two wide receivers from a split backfield, the Lorraine club likes to throw the ball and will be facing a fast Colorado City team running from the power I.

Kickoff is 8 p.m. Saturday in Lorraine's Johnson Field.

Playday

Colorado City's Western Riding Club will hold a Playday beginning at 2 p.m. Sunday in the club's arena at the Mitchell County Fairgrounds.

Continuing

The Playhouse production "I Do! I Do!" opened Monday at Colorado City Opera House starring George Womack and Coleen Palmer in the musical story of a marriage, directed by Betty Tomb and Lovess Curlee. Tickets are still available for final performances tonight through Saturday, curtain time at 8 each evening. Reservations may be made by phoning the box office, 728-3491.

\$307,800 FmHA Loan For 24-Unit Apartment Bldg.

Approval of an application for a \$307,800 Farmers Home Administration loan to construct a 24-unit apartment complex on 10th Street has been announced this week.

Application for the loan was made in late May by Bright Company, a Fort Worth construction firm.

Roy Clark, a partner in the business, made an on-site inspection of the 10th and East-over property along with FmHA county supervisor David Marion and Carl Barron, property management officer for the company.

Announcement of the approval was made through the office of

Congressman Omar Burleson. The 24 units are to rent for \$165 per unit, Marion said, and are meant to rent to persons of low-to-moderate income, not exceeding an adjusted level of \$13,550 annually.

Both Marion and Clark were hoping that approval of the application would be granted by

the end of June but revisions of their application meant a delay.

Construction should start soon, Marion said, and persons interested in renting the apartments should contact the Bright Co. to make pre-lease agreements.

The apartments will be two-bedroom, living room, dining room, kitchen and bath, about 800 square feet of living space, according to preliminary plans. In addition, each apartment will have its private patio and two parking spaces and will be total electric and brick veneer.

A housing survey was conducted in Colorado City, Lorraine and Westbrook prior to the Br-

ight Co.'s making a pre-application for the loan. The survey showed an urgent need for housing in Colorado City but at the present time, not enough demand for apartments in Lorraine and Westbrook.

Bright Co. will own and operate the apartment complex on a limited profit basis and will hire a local manager. They will also use as many local contractors and suppliers as possible, company officials said.

Season Ticket Sales End Friday

Season ticket sales for Wolves home football games have reached an all-time high and even more are expected to be sold between now and noon Friday when the sale of season tickets ends.

Colorado High Athletic Director Mike Farda said he believes every seat in Wolf Stadium will be taken for Friday

night's clash between long time rivals, Colorado City and Sweetwater.

Farda noted that Sweetwater has requested additional tickets for the game.

Season tickets can be purchased at the high school office for \$7.50 per person, a savings of 50¢ per game for the five home stands.

Rate Hiked

Junk Car Ordinance Passed

The City Council of Colorado City discussed a wide variety of topics during their regular meeting Tuesday as they granted a 9 per cent rate increase to Texas Electric, appointed a

new city health officer, approved the 1975 tax roll and a new junk car ordinance and gave \$500 to the Senior Citizens Center at Wallace Center.

The council also discussed

work needed in the city and reviewed the status of the ambulance service, as well as discussing street lighting, fogging for mosquitoes and the need for rest rooms at several city facilities. All members of the council were present for the meeting.

Jail Escapee

Recaptured

In Snyder

A 14-year-old Snyder girl who escaped from the Mitchell County jail's juvenile ward last week was recaptured about 11 a.m. Tuesday in Snyder.

Mitchell County Sheriff Bill McGuire reported that he and the Scurry County sheriff found the girl hiding under a bed in the home of one of her friends in Snyder.

Late Tuesday, she was sent to Brownwood State School.

The girl escaped along with a 15-year-old Houston girl about 10:30 p.m. Tuesday, Sept. 2 after they kicked and tore their way through a metal screen.

The Houston girl surrendered the next day to officers at the home of her grandparents on Lake Champion. She was transferred last week to Houston.

McGuire reported that a metal screen has now been installed over the window of the juvenile ward at the new county jail annex.

B. B. Hardee, local manager for TESCO, asked the council to grant the increase which will go into effect Dec. 1 but will not show up on bills until after Jan. 1, saying it was needed because of skyrocketing prices that TESCO must pay to continue to serve the electrical needs of its customers.

Hardee said the request has already been approved by Lorraine and he will ask the Westbrook council to approve the request Thursday.

"Colorado City residents today have electric rates among the lowest in the nation," Hardee said. The increase will be about a 6.4 per cent increase for the typical customer whose electric bill for the year averages \$15 a month. The increase generally will be less for users of small amounts of electricity and more for users of large amounts, Hardee added.

The council approved the request after a short discussion.

Council members also passed a new junk car ordinance, which makes the city law more in line with state law than did the existing junk car ordinance. Approval was also given to

Cutbacks Proposed In Highway Dept.

Some type of zoning regulations for Lake Colorado City, a voting box change for Precinct Three and Seven and status of the Texas Highway Dept.'s residency in Mitchell County were main topics of discussion during the monthly meeting of the commissioners' court Tuesday morning.

Roger Welsch, district engineer at Abilene and Joe Smoot, resident engineer in Big Spring and Colorado City offices for the Texas Highway Dept., appeared before the court to inform commissioners of department cutbacks which will affect the local department personnel.

A group of Lake Colorado City residents requested that the court set forth an order similar to the resolution proposed by the city council of Colorado City which would zone a portion of the lake, the Morgan Creek and Cherry Creek areas, for fishing and swimming activities only and which would require standard muff-

ers on all boats at the lake. County Judge Bill Carter informed commissioners of difficulties which the extension of the 1965 Voting Rights Act to Texas has caused the county in changing the precinct boundary between Precinct Three and Seven to allow for central polling places.

Welsch said that he and Smoot were meeting with the court in order to inform them of forthcoming cutbacks in personnel at the Highway Dept. residency here.

"We're in a financial crisis," Welsch said. "We haven't gotten as much as planned from the 5¢ gas tax and inflation has estimated our budget to be about \$80,000 in the red for the next fiscal year, and as you know, the Dept. cannot raise taxes or anything like that, so we're simply having to cut our payroll and services."

Welsch's district covers a 13-county area and includes the residencies in Snyder, Abilene, Hamlin and the combination of

Big Spring-Colorado City.

In response to a query from Carter as to department intentions to completely phase out the Colorado City residency, Welsch said, "We just don't know at this time. We may not have any other choice."

There are 12 employees at the local residency, headed until recently by Ben Wilkinson, longtime resident engineer who retired. Four maintenance personnel locally based have already been dropped from the payroll, Welsch said in response to a question by commissioner Johnny Shackelford.

"Our primary responsibility, with the budget we have, is to maintain the system we already have and not do any further construction work. We know that we'll be affecting local men who are part of the local community and have longtime service with the department, but we have no other choice," Welsch said, "and their age makes it hard for them to find other employment, plus they are just a few years short of taking early retirement."

As the two department officials see CUTBACKS
Page 2

Vietnamese Refugees Here Now

April 30, 1975 and Sept. 5, 1975 are two dates that Nguyen Van Sang will always remember.

The first date was the time he had to leave his homeland of South Vietnam. This past Friday was the day he arrived in his new home in Colorado City.

Sang, as he is known, and his family of four children, his wife and brother-in-law, were brought to Colorado City under the sponsorship of Mr. and Mrs. Dave Hutchins of Hutchins Ford Sales. Sang will work as a mechanic at the Ford house.

The new Colorado City residents are living at 840 E. 5th in a house in which they are remodeling with the help of neighbors and friends. A number of clubs including Zeta Delta Study Club and Business and Professional Women are pitching in to help get furniture and clothing for the family.

Sang, 40, and his wife, Hang, 35, have three sons, Thanh, 16; Tuan, 7 and Tuan, 4 and a daughter, Dat, 10. Hang's brother, Huy, is also 16.

Sang was an employee of the American embassy from 1960 to 1975 in Saigon and escaped on the last day before South Vietnam fell to the Communists. Prior to 1960, he worked for an American Highway Contractor in South Vietnam. They went by boat to Guam and then were flown from Guam to Wake Island where they spent the next 2 1/2 months. On July 25 they were flown to Ft. Chaffey, Ark. Last Friday, they flew from Arkansas to Abilene where Hutchins picked them up.

The school aged youngsters in the family started classes Monday.

Nguyen Van Sang Family

The Nguyen Van Sang family arrived in Colorado City Friday from a Vietnamese refugee camp in Ft. Chaffey, Ark. Members of the family are back row left to right, Thanh, 16; Nguyen Van Sang, 40; Mrs. Nguyen's brother, Huy, 16; Nguyen Van Sang, 35. In front row, left to right are Tuan, 4; Dat, 10 and Tuan, 7. They were brought to Colorado City under the sponsorship of Mr. and Mrs. Dave Hutchins.

Students To Build House On 22nd St.

Acceptance of a lot for construction of a three bedroom house by the Building Trades class and approval of a change order for adding covered walkways at the new high school were main items on the agenda for the Colorado City school board meeting Monday night.

Eighteen students enrolled in the Building Trades course, about six more than had been expected said instructor Grady Furlow, will begin the construction work soon on a lot obtained from Charles Root in the addition near St. Ann's Catholic Church. The project will take about a year to complete, Furlow estimated.

Located on the south side of 22nd Street in an area which is already paved and has utilities, the house will be a 3-bedroom, one and one-half bath, two-car garage brick with about 1,400 square feet of living space. The lot measures 90 x 140 and will cost the school district \$2,000 if the house selected from Charles Root in the addition near St. Ann's Catholic Church. The project will take about a year to complete, Furlow estimated.

The project will take about a year to complete, Furlow estimated.

Mustangs Use Passing Attack

Sweetwater's Mustangs are tough and real aggressive on defense, Colorado High Athletic Director Mike Farda said this week as his Wolves prepare to meet the Mustangs Friday night.

Kick-off for the game at Wolf Stadium will be at 8 p.m. It's the first home game of the season for the Wolves and a large crowd is expected to be on hand. A large crowd was on hand last week to support the Wolves in their 14-13 win over Slaton.

Although Sweetwater lost 27-0 to Abilene last week, they were playing a team that has the fastest backfield in AAAA football in West Texas and it was a tribute to the Mustang's defense that Abilene didn't score more, Farda said.

The Sweetwater team is not as big as it has been in the past but they are quicker, Farda pointed out.

On offense, the Mustangs run out of the Houston Vee, the same as last year. However, their quarterback throws better than the Sweetwater quar-

terback last year and he's also their best runner, Farda said. In addition, Sweetwater has two real speedy outside receivers and will throw the ball 15 to 20 times a game, the Colorado City coach said.

Farda pointed out that the Wolves have had two good workouts this week and are working to acquaint several players with new positions to give the team depth at a number of positions.

The loss of Frank Sanchez in the Slaton game with two hair-line fractures made it necessary to train a new back-up quarterback with Wayne McKee working in that position. Sanchez was also the back-up I-Back and Jackie Ellis is training for that position. Sanchez is expected to be out about six weeks.

The only other problem for the team is that it seems a flu bug is going around, Farda said. Farda had praise for the entire varsity after watching the game film of the Wolves vs. Slaton. "We looked better on offense in the film than I thought we did," Farda said.

Each of the men said the house should sell for \$35-40,000

Gainer

Colorado City's Wolves, fresh from their narrow victory over the Slaton Tigers last Friday (a successful pass play to Wayne McKee, (10), shown in the above photo), take on the Sweetwater Mustangs in their first regular home game. Friday night, Kickoff in Wolf Stadium is set for 8 p.m.

Auction's Highest Goes For \$5,800

Spade Ranches of Colorado City and Tumcumcari, N. Mex. held their annual Simmental production sale last Saturday at the Randerbrook-Spade Ranch south of the city with 75 lots selling for \$67,605.

Highest seller was a bred pureblood Simmental sold to the Alexander Ranch of Trinidad, Texas for \$5,800.

Alexander Ranch was also volume buyer, said Randerbrook manager Bob Northcutt, as their representative paid almost \$10,000 for several head of the pure-blood cattle.

Local buyers included Joe Maddox for TUF Ranch south of Colorado City, Billy and Terry Munsey of Maryneal, Rob Holman, Joe Weaver and Jimmy Williams, all of Colorado City, Bill Casey of Silver, Paul

*Cutbacks From Page 1

dials were leaving, commissioner Paul Hunter asked, "What's this I hear about the Port-to-Plains highway being routed around Roscoe? All this time, we've been hearing that the proposed Interstate 27 and Port-to-Plains had been dropped and now we hear about this road through Abilene to the coast."

"Oh no, those are two different routes and roads," Welsh said. "The I-27 extension proposal was merely a feasibility study and it's completely separate from the Port-to-Plains concept which had been under consideration for a long time before the I-27 question ever came up."

"The Commission (Texas Highway Department) generally endorsed the Port-to-Plains concept but didn't designate a route," he noted.

Judge Carter reminded the two officials of the urgent need for a low-water crossing on I-20 at the Colorado River, and both said that they were still hoping to get something done about it.

"From a safety standpoint, it's badly needed for tractors and equipment," Carter said as the two Highway Department officials took their leave. Preceding their appearance

before the court, a group of lake residents requested zoning at Lake Colorado City and some type of regulations for boating and skiing activities.

The same group had appeared at city council meeting when it was thought that the city had jurisdiction over recreational use of the lake. Then, the city sent information to the Texas Parks and Wildlife Department and the P&W said that they did not have jurisdiction, but that the county did.

Judge Carter read information he had received from the P&W which explained the county's responsibility to regulate, although the P&W enforces any regulations. He also read a copy of the resolution which had been passed by the city council when it was thought the city had jurisdiction.

Hunter, after considerable discussion with the lake group present, said he wanted the commissioners to get information from other lakes where there are state parks before passing any orders, which might have to be done later.

"Since we've never had any connection with the lake before, what I'd like to see us do is get more information on this from other lakes and make a decision in our next meeting in October," Hunter explained and the other commissioners agreed.

A minor correction of the precinct boundary lines was read by Judge Carter to the court as he stated that the omissions of a street and the misnaming of another had been in the minutes of the court since 1970 when the lines were drawn.

The correction was made in order to be in complete compliance with the Voting Rights Act and does not change any voting places, Carter said, but a change is needed between Precinct Three and Precinct Seven and he said it looks like it will take an act of Congress to get the change made.

Commissioners want to change the polling place for voting box seven to the Housing Authority community room, pre-

sently the polling place for Precinct Three, but according to the Voting Rights Act of 1965 which was recently extended to include Texas, such a change will take over six months to effect and will not be in time for the amendment election this fall.

When the Jaycees Civic House was deeded to the Industrial Team for use in the city's drive for attracting industry and the new Civic Center was being built, the polling place for Precinct Three was changed from the Civic House and, "now we don't have enough room at the Housing Authority for Precinct Three and the polling place for Box Seven, Oak Street Baptist Church annex, needs to be changed, but we can't do it without prior approval from Washington," Carter said.

The boundary line between Three and Seven would have to be adjusted two blocks, from Seventh Street to Fifth Street, in order to change the polling places as the court wants. They want to designate the Civic Center as polling place for Precinct Three and the Housing Authority community room as polling place for Voting Box Seven and are making a request for the change and submitting it to Washington to the office of the Attorney General.

In other action, the court approved the appointment of Mrs. Kenneth Cowan and Mrs. Eddie Piliand to three-year terms on the library board, taking places vacated by Florence Bodine and Frances Witten and decided to request more information from the sheriff's department before approving a request for purchase of uniforms.

Final item of business was a report from the Mitchell County Ambulance Service presented by Hunter, as he is the county's representative on the ambulance board.

Hunter said that the service was operating on the same amount of money as set up, \$2,500 from the city, county and hospital district, and would need that same amount Jan. 1 for next year operations.

H. Gilbert Rites Held Tuesday

Hubbard M. Gilbert, 82, of Gorman, died at 2:30 a.m., Monday at Eastland Memorial Hospital following a brief illness. Services were Tuesday at 2:30 p.m. at First United Methodist Church.

The Rev. Bob Cope, pastor, officiated. Burial was in Murray Memorial Cemetery near Carbon in Eastland County, directed by Higginbotham Funeral Home.

Born July 20, 1893, in Leon County, he was a deputy tax assessor-collector in Eastland County and a farmer for about 30 years. He had lived in Gorman for the last nine years, moving from Carbon.

He served in the Army during World War I.

He was a member of the First United Methodist Church in Gorman.

Survivors include his wife, Lois; two daughters, Mrs. Marian (J.S.) Craddock Jr. of Colorado City and Mrs. Roberta (Truett) Guy of Oklahoma City, Okla.; two brothers, W. F. of Spur and Howard of Gorman; four grandchildren and two great-grandchildren.

Pallbearers were Jimmy Hughes, Bill Parr, Glenn Justice, Dean Bennett, Truman Robertson and Pat Guy. Honorary pallbearers were Edgar Altom, Charlie Garrett, Earl Conner, Elmer Maupin, Jessie Broom, Marcy Allen and Otis Thompson.

Savings Bonds Sales Reported

July sales of Series E and H United States Savings Bonds in Mitchell County were reported today by County Bond Chairman Wayne Shawn. Sales for the seven-month period totaled \$43,681 for 29% of the 1975 sales goal of \$150,000.

Mann, Beights Exchange Vows In Candlelight Ceremony

Miss Elizabeth (Betsy) Ruth Mann became the bride of Albert Michael Beights, III at six in the evening Saturday, September 6, in the First Baptist Church, Colorado City. The Rev. Glenn Roenfeldt, pastor, officiated for the couple's double ring vows.

The bride was escorted to the altar by her father, Ralph M. Mann, of Houston. Her wedding gown of ivory peaseuetta was designed with a highrise bodice of finely re-embroidered imported Alencon lace on English net, featuring stemmed trumpet sleeves and open neckline, jeweled with tiny seed pearls and paillettes. The ivory peaseuetta skirting fashioned with chapel train was highlighted with jeweled lace bouquets. Her veil of ivory silk illusion was attached to a Camelot of Alencon lace and pearls.

She carried a bouquet of apricot bridal roses centered with a corsage of sweetheart roses. The flowers were enhanced with ivory satin streamers.

The bride's attendants were Mrs. Matt Keller of San Angelo, matron of honor, and Miss Marsha Ginzell of Austin, sister of the bride, maid of honor. Their identical dresses were fashioned of Dior blue satin with bands of ivory lace at the neckline, waist, full length sleeves and hemlines. Each carried a bouquet of apricot carnations and roses streamered with satin ribbons.

Best man was Ricky Beights, brother of the groom, Randy Hoyle of Abilene was groomsmen.

Mrs. James E. Payne, organist, presented a prelude of wedding music as guests arrived. Mrs. Glenn Roenfeldt, accompanied by Mrs. Payne, sang "Because" preceding the wedding and "The Wedding Prayer" at the conclusion of the ceremony as the bride and groom knelt on a white satin prayer bench.

The altar of the church was decorated with two tall baskets of gladioli and chrysanthemums in the bride's chosen colors of

blue and apricot and greenery. Background at the altar was graced by four tall candelabra holding white wedding tapers. Pews were marked with blue and apricot satin bows.

Ushers were Scott Beights, the groom's brother, Bruce Dockrey, Dave Hearrell of Abilene and Nathan Hoyle. Mrs. Mark Johnson of Austin, sister of the bride, presided at the wedding guest registry. The table was covered with a white organdy cloth and held a silver vase of apricot and blue carnations.

The mother of the bride, Mrs. Frank Ginzell, chose a pink chiffon formal with matching short peau jacket. Mrs. A. M. Beights

Jr., mother of the groom, wore a pastel blue knit formal complimented with a long sleeved jacket. They wore corsages of white gardenias. Mrs. Ralph M. Mann wore a green chiffon long sleeved form.

Following the ceremony a reception was held in the church parlour. In the receiving line were Mrs. Frank Ginzell, Mrs. A. M. Beights, Jr. and the bride and groom. Other hosts were Frank Ginzell, A. M. Beights, Jr., father of the groom and Mr. and Mrs. Mann.

Presiding at the bride's table were the bride attendants, Mrs. Keller, Miss Ginzell, Mrs. Johnson and Mrs. Jim M. Mann of Cisco, sister-in-law of the bride. Mrs. Bruce Dockrey and Mrs. Dave Hearrell of Abilene, sisters of the groom, presided at the groom's table.

Also greeting guests were Mr. and Mrs. W. H. Coffey, Sr., grandparents of the bride, Miss Mary Smith Clark of Dallas, aunt of the bride and Jim M. Mann, brother of the bride.

The bride's table was centered with an epeque arrangement of blue and apricot carnations, greenery, and a five branch crystal candelabrum with white candles. Covering the table was a white ruffled organdy floor length cloth. The white wedding cake was three tiered with columns surround-

ing a blue fountain in the center of the cake. Appointments were a silver punch service.

Centering the groom's table, which was covered with an ivory lace cloth over blue, was a silver bowl of blue and apricot carnations and greenery. A silver coffee service and German chocolate cake from a silver tray completed the decorations.

For a honeymoon trip to Kerrville the bride wore a three piece apricot pantsuit with a corsage from her wedding bouquet. The couple will reside at Route 3, Colorado City.

Out of town guests were here from Dallas, Austin, Houston, San Angelo, Abilene, Sweetwater, Odessa, Big Spring, Cisco, Roscoe and Lorraine.

Parents of the groom, Mr. and Mrs. A. M. Beights, Jr. hosted the rehearsal dinner at the Villa Inn Restaurant Friday evening, September 5 at 7 p.m. The table was centered with an arrangement of apricot gladioli. Guests attending the three course dinner were the prospective bride and groom, Mr. and Mrs. Frank Ginzell, Mr. and Mrs. Ralph M. Mann, the Rev. and Mrs. Glenn Roenfeldt, Mr. and Mrs. James E. Payne, Miss Marsha Ginzell, Ricky Beights, Scott Beights, Randy Hoyle and Nathan Hoyle.

Mrs. Michael Beights III,

...former Betsy Mann.

Wesley Bible Class Has New Officers

Wesley Bible Class met Tuesday for a noon luncheon in the Fellowship Hall of First United Methodist Church. Mrs. J. S. Craddock gave the invocation. New officers were hostesses. President, Mrs. J. W. Randle, presided during the business meeting and reports were given by the secretary, treasurer and courtesy chairman. Mrs. Bob Ford presented the devotional on "Jesus Christ--Liberator."

The group sang two hymns, "Walk In The Light" and "I Would Be True." Songs were led by Mrs. Ed Putman with Mrs. Earl Brown at the piano. New teachers for the coming year are Mmes. J. S. Craddock, Arnel Smith, L. B. Elliott, Lon Strain and Earl Brown.

New officers of the year are: Mmes. J. W. Randle, president;

L. H. Brown, vice president; D. H. Davis, secretary; Earl Hunter, assistant secretary and Louise Havard, treasurer.

Also Mmes. Della Fox, courtesy chairman; Wilma Reynolds, reporter; J. E. Northcutt, pianist; L. A. Keith, assistant pianist and Ed Putman, song leader.

Other members present were Mmes. Essie Costin, Rose Harrington, J. P. Nunn, Era Mulroy, Tom Grant, L. K. Shaw, Earl Brown, J. S. Craddock and Lon Strain.

Also Mmes. L. B. Elliott, E. M. Fisher, Roy Dozier, W. W. Rhode, W. H. Winn, Frank Andrews and Myrtle Womack.

Two guests were also present Mrs. Bob Ford and Mrs. Linda Marion.

Mrs. Elliott gave the closing prayer.

Claxton Lodge News

By CORDELIA DAVIS

Mrs. Sally Stewart's daughter and her husband visited her Thursday afternoon.

Today a luncheon will be held for all RSVP workers in the Colorado City Civic Center.

Mr. and Mrs. Jimmy Hardegree of the 22nd and Austin St. Church of Christ and three visitors came to the lodge library Sunday morning to hold services. They led songs and played a tape about scriptures from

the Bible. Fifteen residents and three visitors attended.

Mrs. Lilly Allen came to the lodge Saturday evening to visit Florida McGee.

Mrs. Barbara Halton of Abilene came to the lodge and took her mother Winnie Combs to her home in Loraine Saturday evening and spent the night there.

Mrs. Cordelia Davis and her daughter Mrs. Anna V. Haug and her grandson, Steven, visited her recently. Her grandson is in the Army and was home on

two week's leave after completing basic training. He will be stationed at Fort Knox. Anna Haug was returning to Alamogordo on the bus.

Mrs. L. an Rodas of Loraine and Alma Williams of San Diego, Calif. came to visit Mrs. Earnest Brinkley.

Mrs. Eleanor Jeffries came to visit her mother, Bobbie Henderson, on Monday afternoon.

Mrs. E. M. Carpenter attended church Sunday and had lunch and supper with Mr. and Mrs. J. D. Yarbrough and Mr.

and Mrs. Dale Yarbrough and daughter Elizabeth. She had guests from Big Spring, her daughter and son-in-law Mr. and Mrs. J. W. Moore.

Rev. Glenn Roenfeldt of the First Baptist Church held services Sunday evening for the residents and visitors.

Jake and Barbara Chaney and some singers from the Christian Temple Church came to the lodge to sing and Loren Gardner of the St. Luke Methodist Church spoke to thirteen residents and three visitors.

Mrs. Lilly Allen came to visit Florida McGee Wednesday morning.

Luncheon Honors Couple Sunday

R. B. and Judy Cain were honored Sunday with a twenty-fifth Wedding Anniversary luncheon in the home of Mr. and Mrs. Emmett Banks Jr. of Colorado City.

Their children, Mr. and Mrs. Banks and Mr. and Mrs. Roy Wetsel of Abilene, hosted the luncheon.

The couple was wed September 9, 1950 in the First Baptist Church of Loraine with the Rev. Boyd officiating. They reside at 1636 Locust St. in Colorado City.

Those attending were Mr. and Mrs. Don Hardegree, Mrs. Bess House, Mrs. Bitsy Humphrey, Mr. and Mrs. Louis Rees, Mr. and Mrs. E. G. Banks, Gene Banks, and Debbie Rowe of Colorado City.

Out of town guests were Mrs. Paulette Carville of Winters, Ryne Wetsel of Abilene, Mr. and Mrs. Wayne Banks of Odessa and Mr.

and Mrs. Randy Parker of San Angelo.

Mahar Services Held Here

Mrs. Peggy Jean Mahar, 35, a former resident of Colorado City, died Sunday in Las Vegas, Nev. Services were at 2 p.m. Tuesday at Kiker-Seale Chapel. The Rev. Bob Grayson, pastor of Calvary Baptist Church officiated. Burial was in the Colorado City Cemetery, directed by Kiker-Seale Funeral Home.

Survivors include her husband, Tom of Las Vegas, Nev.; four sons and her mother and stepfather, Mr. and Mrs. Art Radford of Odessa.

★ Council From Page 1

the 1975 tax roll. Tax notices were mailed Wednesday. Property in the city is appraised at a total of \$10,227 million, which will bring in \$158,529.03 in taxes, an increase of about \$2,000 over last year.

Barbara Gray with the Wallace Community Center asked the council for funds for transportation of senior citizens to the center as well as the doctor and for shopping. The council gave the Center \$500. The Center thru the Kiwanis Club had hoped to get a grant for a van but a request from the Colorado City and Snyder Kiwanis Clubs for a van for each county was revised to allow for one van that would have cost more than the two vans requested. The grant was on a 20 per cent cost share basis, amounting to \$2,600 locally, more than local officials thought was necessary on the type van that was provided for in the grant.

Campbell also reviewed with the council a report from the ambulance committee which oversees the operation of the ambulance service. The ambulance service was created and is funded and manned by the city, county and hospital district.

The service is collecting 85.3 per cent of all bills, Campbell reported. He reported that ambulance charges probably will have to be increased in the near future due to rising costs and that a grant is being sought through the Council of Governments to buy a new, fully equipped ambulance to supplement the two vehicles that the ambulance service now has.

After some discussion and on a motion by Mrs. Tom (Jody) Neff, the council voted to recommend to the ambulance board that ambulance drivers be allowed to have the ambulance at wherever they are in order to cut the time of response on emergency calls.

Under existing situations, drivers are now alerted on pocket pagers and have to come to the police station to pick-up the ambulance.

The council also discussed the need for rest room facilities at the city-county airport, Riddick Park and the city barn. However, this was tabled for further study.

City Manager James Campbell also reported that the new mosquito fogging machine is now in operation.

The council voted to appoint Dr. Thomas Aguilon as the city's new health officer for which he will receive \$50 a month. The city's health officer previously was Dr. John Chinn who moved in June to Lubbock to teach in the medical school at Texas Tech.

Councilman J. Lee Jones Jr. pointed out to the council that the city doesn't need three 450 watt lights on each block of Hickory Street and recommended that one light be taken out of each block to save the city money on its street light bill.

"We don't need that many," said Jones. Campbell was asked to study the matter and report back to the council.

The council spent the final hour of its three hour meeting discussing city finances, where the city now stands on its budget and discussing items that have caused the need for a bond issue to improve city facilities.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11) SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to: Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public purpose or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the FINANCE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

effective January 1, 1979.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, as subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Loraine Area News

By
Ida Baird

Mr. and Mrs. Harris Hamilton arrived home Friday from Harrodsburg, Kentucky where they had spent two weeks with their daughter and family, Mr. and Mrs. Tom Lane.

Mr. and Mrs. Danny Tartt and little son Jayson from Garland were weekend guests of their parents, Mr. and Mrs. Howard Tartt and Mr. and Mrs. E. J. Shroeder. Others visiting in the Tartt home were Mr. and Mrs. Jimmy Tartt from Midland and Mrs. Albert Erwin and Mr. and Mrs. Bill Erwin, Colorado City.

Mr. and Mrs. V. J. Hays have returned to their home in Le-moore, Calif., after spending a week with his parents, Mr. and Mrs. P. P. Hays.

Others visiting in their home while the son and wife were here were Mr. and Mrs. Elmer Hays, Lubbock, Mr. and Mrs. David Faulkenberry and Sue, Big Spring, Mr. and Mrs. Lynn Faulkenberry, Waco, Mr. and Mrs. Larry Hays and Brenda, Houston, Mrs. Lucille Hambrick and Mrs. Tillie Billeck, Big Spring and Mr. and Mrs. Jack Crown-

over and son, J. L. from Colorado City.

House guests of Mr. and Mrs. J. M. Templeton Thursday until Monday were Mrs. Ethry Carson and daughter, Mrs. Carol Story and little daughter Sammi Lin from Sadona, Arizona and Mrs. Metta Houston from Woodlake, Calif. They were here to attend the McGee Bicentennial reunion held in Colorado City Saturday.

Mr. and Mrs. W. A. Taylor spent Tuesday with his brother, Gray Taylor and daughter Louise and attended the Billy Graham Crusade in Lubbock.

A reunion of descendants of the late Mr. and Mrs. D. R. Smith was held in the Community Center in Brownfield Saturday. Approximately 50 were present for this all day gathering. Attending from here were Mr. and Mrs. Eugene Smith and sons.

Mr. and Mrs. W. A. Taylor returned home last Monday after visiting her sister and husband, Mr. and Mrs. Holland

Bell in Paris, Texas and with her son and wife, Mr. and Mrs. Harvey Bell in Pottsboro.

Labor Day visitors of Mr. and Mrs. Wiley Walker were Mr. and Mrs. Paul Crenshaw and family, Midland, Mike Walker, Amarillo, Mr. and Mrs. Jack Albright and Gordon and Mr. and Mrs. Bee Finn, Odessa.

C. T. Hudson Loraine High School Principal attended a workshop at the Education Center in Abilene when proposals for the Drug education and crime prevention program for the Loraine district were written.

Mr. and Mrs. Eugene Smith and sons attended Convocation ceremonies at West Texas State University at Canyon Saturday night. Their daughter, Jeanie is a student nurse at the University.

Mrs. L. E. Crutcher had as her guests Monday a granddaughter and husband, the Rev. and Mrs. Bill Frazier. The Fraziers went from here to Austin to visit a daughter,

Tessa, and will visit her parents, the Rev. and Mrs. J. M. Sibley in Beeville and with his parents in Beaumont before they leave on September 18, returning to Brazil where they have served as Missionaries the past 12 years.

Their son Tommy and other daughter, Tena are students at Texas Tech.

Mr. and Mrs. James Seaton and Chris of Corsicana spent the weekend with her parents, Mr. and Mrs. Allen Beaty.

Mr. and Mrs. Ross Snyder of Dallas visited his parents, Mr. and Mrs. Tony Snyder last week.

Baumann HD Has Meeting

Mrs. Lester Webb was hostess for the regular meeting of the Baumann Home Demonstration Club Tuesday at 2:30 p.m.

Mrs. Pauline Smiley, president, presided over the meeting which opened with club prayer led by Mrs. L. E. Crutcher.

Roll call was answered with "A unit of measurements," and recreation was directed by Mrs. Clara Butler.

During the business session Miss Fern Coon read minutes of the last meeting and Mrs. Floyd Griffin gave the treasurers report. The club voted to give five dollars for the muscular dystrophy fund, they also voted to buy cards to send to sick members.

Mrs. Mable Givens gave the council report.

The hostess served refreshments to Mmes. Butler, Lynne Compton, Vada Preston, Crutcher, Coon, Givens, Harvey Leach, Willis Cornutt, Thomas Vest, Cullen Payne, Floyd Griffin and Pauline Smiley.

Atheneum Club To Have Meeting

The Atheneum Study Club of Loraine will have its first meeting of the Bicentennial year in the home of Mrs. Doyle Hester Tuesday afternoon at 3 p.m.

The program will be Federation Day led by Mrs. Raymond Wheeler. Club History will be told by Mrs. S. E. Meadows and yearbooks will be presented by Mrs. Harold Martin. The Bicentennial Summer will be given by Mrs. Jim Johnson.

North Loraine HD Has Regular Meeting

The North Loraine Home Demonstration Club held its regular meeting in the home of Mrs. Raymond Wheeler Wednesday Sept. 3, at 2:30 p.m. Mrs. Buck Taylor presided in the absence of the president, Mrs. Riden.

The meeting opened with Club prayer, led by Mrs. Victor Galvan. Mrs. Taylor then led the recreation which was a "Turtle Race," losing side was required to sing a song. The song chosen was "Battle Hymn of the Republic."

In the business meeting the date for the Mitchell County Annual Home Demonstration Tour was announced as October 23rd. The club women this year will tour the new 4-H camp at Brownwood. The clubs in Mitchell County have contributed in many ways to the 4-H program, and will enjoy seeing the results of some of their efforts.

The Loraine Club also contributed to the Jerry Lewis telethon, for muscular dystrophy.

Several of the club women plan to attend the T.H.D.A. Convention in Abilene Sept. 23-26. Mrs. Dolph Briscoe will be one of the speakers at this state meeting.

The program for the day was in relation to history and the makings of our Great Country as we approach our Bicentennial. Excerpts from "Mitchell County's History," the poem "Old Glory," "Religion under Stress," and "Family Fun" were some of the topics given.

The hostess served refreshments to Mmes. Victor Galvan, Bud Shepherd, Buck Taylor, Hubert Meadows, Jack Linam and Roy Wells.

The next regular meeting will be with Mrs. Buck Taylor the first Wednesday in October. Crafts will be the program for the day.

Local Circle Has Meeting Wednesday

Mrs. Jack Linam was hostess for the Local Circle Wednesday morning.

The meeting opened with group singing "Revive Us Again," and prayer was led by Mrs. Bond.

Mrs. Raymond Wheeler had charge of the program. Mrs. J. M. Templeton read from First Peter in giving the devotional on the subject "Practice the Presence of God," and Mrs. James Bennett spoke on the subject "The American Indians."

Mrs. Harold Martin presided over the business meeting and Mrs. Linam read the minutes of the last meeting. Mrs. K. L. Taylor gave the treasurers report and Mrs. J. D. Norman read the local report.

Mrs. Pearl Bruce gave the closing prayer and the hostess served refreshments to Mmes. Martin, Roy Wells, S. E. Meadows, Jim Johnson, Percy Bond, Wheeler, Lily Bennett, K. L. Taylor, J. D. Norman, Pearl Bruce, J. M. Templeton, Martin Dobbs, James Bennett and Alva Bennett.

chell County have contributed in many ways to the 4-H program, and will enjoy seeing the results of some of their efforts.

The Loraine Club also contributed to the Jerry Lewis telethon, for muscular dystrophy.

The Monticello choo-choo. A little train that's helping fight the rising cost of electricity.

You're looking at what may be the shortest railroad in Texas.

The Monticello choo-choo runs only 12 miles from start to finish, but it's doing a big job hauling lignite coal to Texas Electric's Monticello power plant near Mount Pleasant.

The diesel-electric locomotive pulls seven to 15 cars. And each car is loaded with 100 tons of lignite per trip.

After unloading at the plant, the train is "backed" the 12 miles to the mining area. This saves the expense of a turn-around facility. On the trip back the engineer drives the train using controls in a special caboose.

Monticello is our second lignite-fired generating plant. We're building these plants because new supplies of natural gas and oil — the primary fuels we use to generate electricity —

are harder to get and more costly.

Lignite plants cost much more to build, which means electricity is going to have to cost you more. But the increase won't be as much, because lignite fuel is available and more economical than new supplies of natural gas and oil.

At Texas Electric we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

About 20% of your electricity this year will be produced using lignite coal.

And the Monticello choo-choo is a mighty fine line that's helping do the job.

Last Day To Register

Today is the last day students may register for fall classes at the Colorado City extension center of Western Texas College.

Persons wishing to register are asked to be at the Wallace Center at 6 p.m. to register and purchase textbooks. All classes will meet from 6:30 to 9:20 p.m. Monday through Thursday during the fall semester, with a student attending class one night per week for each course he is taking.

Fees for extension center students vary according to the number of hours being taken. Persons enrolled for one three-hour course, for example, would pay fees of \$51 plus lab fees if required. For six hours, the fees are \$57 plus lab fees if required.

Persons wishing further information may contact Mrs. Barbara Gray at the Wallace Center or by telephone at 728-2392.

Burns of Robert Lee and Marvin Foster of Sterling City. Other top selling lots included the following:

- a pureblood cow with calf, \$3,400.
- 6 open purebloods averaging \$1,871.
- 4 three-fourths cows with 7/8 heifer calves averaging \$2,106.
- 10 bred 3/4 heifers averaging \$1,008.
- 14 open 3/4 heifers averaging \$623.
- 8 half-blood cows with 3/4 calves averaging \$696.
- 28 bred 1/2 heifers averaging \$478.
- 3 open half-blood heifers averaging \$340.

* Students From Page 1

with Furlow stating that his supervisor said all such student constructed homes sell well on the housing market.

Students will learn painting, plumbing, carpentry and electrical work in the classroom and will build the house themselves with a minimum of outside sub-contracting. Supplies will be purchased from each of the city's three lumber companies.

Tools and equipment for the Building Trades class have been bought by the local district but 78 per cent of the total cost is paid by the state, McKee pointed out.

After a full discussion of the building project, the board unanimously approved the lot agreement.

Some members of the board wanted McKee and high school principal Bill Everett to look into the possibility of obtaining risk insurance for the students enrolled in the class, similar to insurance available for athletes.

Following the building project discussion, the board learned from McKee that a large enrollment in Kindergarten this year has necessitated the hiring of an additional teacher. The board approved the hiring of Joann Elaine Walker of Snyder, daughter of one of Snyder's school board members.

Mrs. Walker is a graduate of Angelo State, McKee said, with a major in Elementary Education, minor in English and also holds a special Kindergarten endorsement with her teacher's certificate. This is her first year to teach, he said.

Last census was taken in 1970, McKee told the board and the spring roundup of Kindergarten students for this fall showed only 90 students of the beginner age group, but when the doors opened, 127 Kindergarten students enrolled.

There are now about 25 students in each Kindergarten class, with all elementary classes at about a 30-student level for the teacher-pupil ratio, McKee informed the board.

Enrollment is now about 1,560, he stated, the highest for a number of years.

Last item on the agenda was approval of a change order to add covered walkways at the new high school, an item which had been on the original plans but which had been dropped because of too great expense.

However, with the lower than expected bid on the parking lot paving, the board saw the opportunity to re-instate the covered walkways and approved the addition which will cost about \$17,000, about the amount earmarked to cover paving expenses. Price Construction of Snyder won the low bid of \$22,719.75 on the paving and the board had expected the cost to be in the \$50,000 range.

McKee asked the board to approve the district's entering into a coop agreement with 54 school systems in the Region 14 Education Service Center for developing a meaningful program for Crime Prevention and Drug Abuse. The 90¢ per ADA allotted to CUSD will be turned over to the coop, McKee said,

and a better program will come out of it. Esten Blackmon, Kelley Elementary principal, is the local representative who will help other educators in the region develop the program.

Terrell To Speak At Rally

Bob Terrell of Graham will hold a rally sponsored by the Full Gospel Businessmen's Fellowship in the Colorado City Civic Center on Friday and Saturday. Services will be at 7:30 p.m. Friday and 10 a.m. Saturday.

Gospel music will be presented before the program and refreshments will be served after. Terrell has a Southern Baptist background and while he was stationed at Shepard Air Force Base he pastored churches in Oklahoma.

He retired in 1970 from the Air Force to devote full time to preaching.

Today he ministers in many places in Texas and Oklahoma and has helped to establish churches or meetings in these states.

At the present time he is teaching in several different towns each week when he is not at home in Graham. He is president of the World Ministry Fellowship and is one of the directors of the Grape Press, a Christian newspaper published monthly.

The Star Spangled Banner

Oh say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming
And the rockets red glare, the bombs bursting in air,
Gave proof thru the night that our flag was still there,
Oh say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?

CHS Song

Oh Live for Colorado, Fight for colors true.
Floating high above us, Red & Black,
We will promise to revere and honor you
Loyal and together, We our best must do.
Live for Colorado, She lives for you.

Happy Days

By Ann Randle Davis

Have you (and I know you have) gone out of your way to do something special for someone? Well, if no one notices or if they seem to dislike what you've done, or tried to do, it smarts. Tried to think of my own reactions in such situations and how I feel. Well, it depends on what has happened but I'm afraid I don't react like I should. Have been accused, on more than one occasion, of having "onion skin" feelings and guess it's true. Have seen so many people who could bounce back from an unkind situation, but not me. Only good thought I have on this subject is what a dull world it would be if we were all the same!

Had the nicest letter from Anita (Pickens) Duffy who now lives in Fremont, California, with

RSVP To Have Noon Luncheon

A luncheon will be held today for all RSVP volunteers in the Colorado City Civic Center with special guest speaker Mrs. H. J. Steakley of Colorado City.

The RSVP volunteers do many services such as musical groups play for the lodges, singing groups sing for the lodges and conduct games, do correspondence for those who aren't able, mend clothing, supply garments for those that need this service and many more services.

If you are 60 and would like to know more about the program phone Mrs. A. V. Nixon or come by her office in the Mental Health Clinic.

Youth To Attend Rally

Eddie Swinney of Colorado City will be one of the guest speakers at the Andrews Church of Christ fourth annual Youth Rally Saturday.

Registration will be held at 11 a.m. with a free meal to be held at the Andrews Civic Center from 4 p.m. to 6 p.m. A bus will leave from Northside Church of Christ in Colorado City at 10 a.m. Saturday. Anyone wanting to attend the rally should meet at the church at 9:30 a.m. Saturday morning.

Birth Announcement

Mr. and Mrs. Mike Martin of Grand Prairie announce the birth of a daughter, Jana Jo born August 20 weighing 6 lbs. 9 1/2 ozs.

Mrs. Martin is a former commercial teacher in the Westbrook School.

Is now the time to buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Federal LAND BANK Association

her husband, Terrence, and their three sweet children. There's another sweetie from Colorado City who's doing more than her share for mankind. Her parents are the Sefton Pickens and I called her mother, Aldred, and had such a nice visit with her regarding Anita and many other delightful things. One thing I learned while talking to Aldred, she is now our official Western Union station manager. Wanted to talk to Mrs. Helen Reeves, too, who works with Aldred, she is such a dear.

Had a very friendly chat with Mrs. Juanice (Jack) Miller and who should be with her but her husband, who I hadn't met, and also her daughter, Susie Jameson (Mrs. Clifford Wilson) and her precious daughter, Jodie. Seems Susie is a girl (or should I say lady?) of many talents. I also had a nice visit over the phone with another member of the family, Mrs. Myrtle Jameson and she reported the Billy Graham Crusade in Lubbock was simply wonderful and she was making plans to return that night to hear him again. Saw the very nice Dell Riley headed for a parking place at Hutchinson School, of which he is principal...also saw the very sweet Erdine Morgan late one afternoon, out watering her yard on Chestnut Street...also spied Mrs. Harvey Jones while driving down the street...saw Elmer Pickens in his little "bug" at a Stop sign...have seen Shirley (Mrs. Don) Delaney several times lately. The last was when she and husband, Don, and their cute daughter, Cara were headed someplace in a pickup.

Only had a chance to speak to our nice Luther Coffman, since we were both hurrying...was still hurrying when I spied our Mrs. W. H. Boney, who's getting prettier all the time...also didn't get to have anything but a short hello with Mrs. Julia Warren. She was manipulating very well-cast on her leg and all...had a chance to see Mr. and Mrs. Charles (Carolyn) Walker, but they didn't have their two cute sons with them. You know, Carolyn's art work is superb...here I go again wishing I could be so talented!!

HAVE A HAPPY DAY!!

We'll donate \$2 to save your carpet.

Steamex gets the dirt other methods don't reach.

You can add years to the life of your carpet by renting a Steamex. It's the six-powerjet carpet cleaner that's as simple to use as a vacuum. The Steamex hot water extraction method loosens and lifts the harmful, ground-in dirt that cuts carpet life short. And your carpet dries quickly.

In tests by a major carpet fiber manufacturer, only the Steamex method did "excellent cleaning" and "restored" carpet pile. No other method even came close in effectiveness.

And our six powerjets put us five up on other hot water extraction cleaners.

Clip the coupon. Save a carpet today.

All Steamex solutions carry the Good Housekeeping Guaranty Seal.

Here's \$2.00 off the rental price.
