Boedeker Makes Statement

To those who do not know me and in behalf of my candidacy for County Judge of Dickens County, Texas, I make the following statement:

I am 33 years of age and have lived within a 50-mile radius of Dickens County practically all my life. I am the oldest son of a family of six children. My father for many years was a tenant farmer; but through hard work and patience, the family finally accumulated enough money to buy a small farm.

I graduated from Lockney High School in 1927 and went to college at Canyon, Texas; by working while in college and receiving some financial assistance from home, I graduated with a B. A. degree. I taught school for five years in Floyd and Kent counties. I married in 1934, and my wife and I together earned enough money by teaching so that I could attend Baylor University Law School from which I graduated in June, 1939, with a law degree. While in school at Baylor I worked at various jobs to help meet financial obligations. Since graduation, I have been engaged in the practice of law.

I am asking the people of Dickens County for my first political position, one for which I believe I have prepared myself. You voters of Dickens County, however, are the judges as to my qualifications.

If you see fit to select me to the position for which I am asking, I promise, among other things, to do and work toward the following:

To move to Dickens, Texas, the county seat, and make it our home so that I will be. right there on the job all the time to render to the

Heavy Snows Cover West Texas Area

Old Man Winter paid another visit to Spur country last Friday when a heavy snowfall accompanied by high winds blanketed West Texas, Drifting snow covered main highways and lateral roads and brought traffice to a virtual standstill, Mails from the north and west were delayed two days, and the highway department estimated that some 200 cars were stalled between Dickens and Lubbock,

One large drift just below the Cap Rock blocked the highway for a quarter mile or more and was repodted to be 20 feet deep in some places, The Oklahoma-Texas-New Mexico bus from Wichita Falls was marooned in Dickens from Friday afternoon until Sunday morning, The hotel in Dickens was filled to capacity and the courthouse was made available for stranded motorists, Many others who were unable to find lodging spent the night in filling stations, Most of those who were caught on the highway made their way to farmhouses but some were forced to spend the night in their stalled cars,

Oldtimers likened the snow to the blizzards of 1899 and 1918, This snowfall was heavier than in those years but was not accompaniel by the terrible cold spell that made those blizzards famous, The mercury Friday and Saturday hung just a few degrees below freezing, Clear skys and a warm sun Sunday aided highway workers in opening the roads, Late Sunday evening all major highways out of Dickens County had been openel sufficiently to permit a slow movement of trafic in all directions,

The snow. which was preceded early Friday by rain. was very high in moisture content and should prove to be a real boon to the farmers of the area,

That Made Him Even

By IRVIN S. COBB

THIS is one of those post-war stories. However, it is said to have the advantage on its side of being true. It seems there was an English nobleman whose estate shrunk frightfully between 1914 and 1918. He decided, in order to replenish the family fortune, to go into

business. But neither nature nor experience, his former mode of life had qualified him for a commercial career and he made a frightful hash of the venture.

Eventually, a receiver took over his affairs. The receiver engaged an expert accountant who went over the books and struck a trial balance.

His Lordship scanned the document and exclaimed:

"What a remarkable coincidence! What an extraordinary coincidence! Why the totals on both sides are identical."

Cold Coughs May Soon Be Quarantined To Stop Spread

There is growing sentiment that bad colds and coughs should be quarantined. They spread so rapidly they cause more loss of time from illness than all other diseases combined.

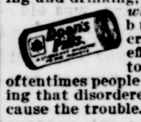

To stop a cold cough immediately get Mentho-Mulsion. Mentho-Mulsion is the formula of the dean of pharmacy of a large mid-western university and contains nine cold cough combating elements, including vitamins A and D to build up cold resistance. Mentho-Mulsion stops coughing and relieves that stuffed-up feeling immediately. It acts quickly to soothe and heal the feverish, irritated membranes and is guaranteed to rid you of your cold cough entirely within the shortest possible time or every cent of the small cost will be promptly refunded. Mentho-Mulsion is safe to use and should be kept on hand for immediate use on the first appearance of a cold or cough.

Mentho-Mulsion is endorsed by your neighbors and guaranteed by leading druggists everywhere.–adv.

NAGGING BACKACHE

May Warn of Disordered Kidney Action. Don't Neglect It!

Modern life with its hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, *whatnot*, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.

After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.

Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes — a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance may be burning, scanty or too frequent urination.

In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use *Doan's Pills*. They have been winning new friends for more than forty years. Be sure to get *Doan's*. Sold at all drug stores.

THE REASON DOAN'S ARE FAMOUS

All over the country grateful people tell others: *"Doan's have helped me; I recommend them to you."* That is why we say, *Ask your neighbor!*

DOAN'S PILLS

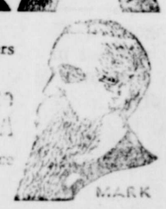

EXTRA

Remember—when you take a Smith Brothers Cough Drop you get Vitamin A—extra!

Smith Bros. Cough Drops are the only drops containing VITAMIN A

This is the vitamin that raises the resistance of the mucous membranes of the nose and throat to cold infections.

THE RECORD.... *Facts That Concern You* No. 15 of a Series

WE WANT YOU TO FEEL AT HOME
wherever good beer is sold

The Brewing Industry realizes that decent, respectable people prefer to patronize decent, inviting places.

And we agree with them.

That is why we are taking action—in cooperation with law enforcement authorities—to *"clean-up* or *close-up"* beer retail establishments that disobey the law or permit anti-social conditions.

To do this we have instituted a new self-regulation plan now in operation in a few states and being extended as rapidly as possible.

We think you will be interested in knowing something about this program. May we tell you about it in an interesting *free* booklet?

A HOME COMING FOR EX-STUDENTS OF PATTON SPRINGS

A few of the Ex-Seniors of the Patton Springs High School met Tuesday night. Feb, 13th. and organized an Ex-Students' Association, The following temporary officers were elected,

President D. W. (Pete) Hughes, Vice-President, Randolph Robertson, Corresponding Secretaries, Jean McInroe and Ruth Hext; Treasurer, Lizzie Lou Clements; Reporter, Louise Ragland.

Plans were discussed for the Home Coming during the Easter Holidays, it was also voted to make this an annual affair for not only the Ex-Seniors but the Ex-Students that have at any time attended the Patton Springs High School from 1935 to 1939 inclusive. The purpose of this Association is to make us better citizens.

We are going to have a weekend of fun for everyone, beginning Friday night, March 22nd, with a Volley Ball Tournament which will be competition between the classes from year to year, we shall also be given a trophy. This will be open to the public. Saturday night the banquet for the ex-students and ex-teachers of the Patton Springs High School will be held. Sunday will be the big day: It is our plan to have the mgihtiest mass service that has ever been sponsored in the Patton Springs Auditorium. We invite the public, (district wide) to come and bring with them a filled basket for the all day service at the school house.

The Easter program will be given by the Ex-Students of the Patton Springs High School. Make your plans now to come and be with us on that day, March 2th. In the afternoon there will be a big Easter Egg hunt for every one, this will close out the day, and also the first annual meeting of the "Ex-Students' Association.

Harry Hines Enters Race For Gov. Of Texas

HARRY HINES

Austin, Feb. 21—Special—Tossing his hat into the ring with an announcement as a candidate for Governor of Texas, Harry Hines, member of the Texas Highway Commission for the past five years, last night raised the curtain on the 1940 gubernatorial contest.

Hines, announcing that he would later issue a platform and discuss every issue pertinent to the campaign in full detail, put himself on record on several burning issues.

He pledged himselw:

1. Against the sales tax, which he termed a tax on poverty and opposed to his understanding of the meaning of Democracy.

2. In favor of fulfillment of the social security program, including payment of adequate old age pensions and aid to dependent children, needy blind, the State's part of the teachers' retirement program.

3. The raising of the additional money needed to pay these obligations by cooperative effort with the legislators, spreading the cost without "dealing a death blow to any one group."

Hines indicated he will be a conservative candidate, and declared he will not try to "out promise the promisers," and promised to be a "doer instead of a promiser."

"At no time need you expect Harry Hines to play upon ignorance or emotion in an effort to bait voters," he said. "If sound basic fundamentals of government as envisioned by our forefathers based on honesty, integrity and economy is what our citizens want then it is an insult to their intelligence to promise them impractical, unsound, vote getting bait."

people prompt, impartial, and faithful service;

To render Dickens County an economical administration, but at all times keep in mind certain needs that the county should not ignore;

To keep expenditures within the ability to pay and work for the further reduction of the tax rate;

To conduct the County Court along legal lines of procedure and principles;

To cooperate with the Commissioners' Court in rendering the people an efficient and financially sound county government.

During the campaign I shall endeavor to see each voter personally and become better acquainted. I shall be happy to discuss any questions concerning this office or myself with you, and assure you of my sincerest appreciation for your vote and influence.

Respectfully yours,
EDWIN H. BOEDEKER.
