SNOW COVERED PASTURE

Record Cold Spell Leaves County Frozen

The recent cold weather, ice and snow has played havoc with numerous normally routine operations in

the Fisher County area. Rotan City Water department officials spent a good part of the Christmas holi-

day season repairing one of seven breaks in water lines. In addition, Rotan City Manager Kenneth

Vann indicated that a 10 inch line broke near the Floyd Garcia residence in Hobbs and a few days later

a 6 inch line broke near the Dave Williams residence at Hobbs.

When the 10 inch line

broke, water was sent high into the air and somehow damaged a rural electric power line, causing residents in the area a temporary power shortage. Quick Mid-West Electric employees repaired the damage before nightfall.

Frozen water lines have hampered production at National Gypsum Company; a gas curtailment has caused several Fisher County cotton gins to temporarily close during bad weather and new bulletins have warned electric users to cut back on power usage as much as possible, the same warnings came from officials of Lone Star Gas Company.

There was only one accident reported to Rotan Police Department officers during the recent storm. A one car accident in the 100 block of East Burnside Street with no injuries.

Fisher County Sheriff Mickey Counts reported a quiet holiday weekend but cautioned drivers to be alert for bad weather and the "normal drunk drivers over the New Years weekend", said Counts.

Fisher County based DPS officers Arwine and Hataway have investigated numerous minor accidents in Fisher County due to the bad road conditions.

Bob Moore of Roby turned over a pick-up he was driving approximately 2 miles out of Roby last Tuesday morning but was not injured, according to reports.

Rotan Jr. Livestock Show Begins Saturday

The Rotan Junior Livestock Show will be Saturday, Dec. 31, at 9:30 a.m. Kenneth Dudensing from Sweetwater will judge. Weigh in times are as follows: Swine: 4-7:00 p.m. Friday December 30: Sheep: 7:30-8:30 a.m. Saturday, December 31: Beef: 8:30-9:30 a.m. Sat-

urday, December 31.

To be eligible to show exhibitors must be enrolled in the Rotan School System and be a member of 4-H or FFA. Animals must be at the old cotton ware house at the above times if exhibitors plan to show.

Subscription Deadline

Extended For Newspaper

The subscription renewal time has been extended until January 13th for readers to subscribe for 1984, according to Kim Pease, Editor. "We have extended the renewal time because of the recent two week surge of bad weather and it appears from projected forecasts that the cold, ice and snow could be with us until after January 1st."

When the Rotan Advance-Roby Star Record converted to using a computerized mailing list approximately 2 years ago, it moved the subscription renewal time up to January 1, on most readers. We have asked reader cooperation in renewing their subscriptions during December of each year, but it appears that from a safety aspect that many readers are going to be unable to visit the office before the normal deadline.

The Newspaper Office will be open on Thursday,

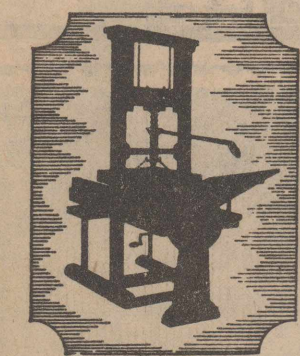

December 29th from 8:30 a.m. until 5:00 p.m. and open on Friday, December 30th from 8:30 a.m. until 5:00 p.m. The Office will be closed on Saturday, December 31st.

Beginning on Monday, January 2nd and continuing through the month of January, the Newspaper Office will resume and maintain normal operating hours of 8:30 a.m. until 5:00 p.m., Monday through Friday.

Subscription prices have not increased in the past two years and remain at \$9.50 a year for residents of Fisher and surrounding counties; \$10.00 for other Texas counties and \$11.00 for out of state subscribers.

Persons wishing to mail in renewals were asked to mail to: The Newspaper Office, P.O. Drawer A, Rotan, Texas 79546. We would appreciate you mailing in a copy of the mailing label with your check.

County Gins Record Slow Week, Managers Estimate They Are 86% Finished Ginning

The recent bad weather closed down all but two of the seven Fisher County gins. Of the seven gins only the Longworth Gin and Terry Gin did manage to record any production. The Longworth Gin ginned a total of 51 bales last week and the Terry Gin, a total of 161 bales for the week. With the 212 bales ginned by Fisher County Gins last week the county total is 19,993 bales. This is 86% of the projected season's total of 23,343.

The Rotan Gin, due to

bad weather was not active last week, but maintained first place as far as total bales ginned. According to Jim Gruben, the Rotan

ned to Dec. 27 which gives them second place in total bales ginned. 200 more bales are needed to reach Hobbs Gin's projected

son's total of 4,187. Farmers Union Coop-Gin in Roby holds down fourth place with a total of 2,220 bales ginned. They are

ginned which is fifth in bales ginned in Fisher County. They expect 200 more bales to reach their projected season's total of 1,983. Sixth place belongs to Longworth Gin. Last week's 51 bales upped their total to 1110 bales. Longworth Gin needs 600 more bales to reach 1,710 which is their projected season's total. Sylvester Gin is in seventh place with 790 bales, needing 500 more bales to reach 1,290 which is the projected season total for them.

Gin Managers Estimate Bale Count

Will Reach 23,343 By Season End

Gin has ginned a total of 7,455 bales of cotton. He projected 750 more to the season's final total of 8,205. The Hobbs Gin reported 3,448 bales gin-

season's total of 3,648. Third place Terry Gin shows a total of 3,187 bales ginned and figures 1000 more bales needed to reach their projected sea-

counting on 100 more bales to meet their projected season's total of 2,320. Farmers Gin of Rotan has a total of 1,783 bales

7th GRADE ROBY GIRLS: Top row (l to r) Maxine Perales, Patricia Gonzalez, Tonya Moffet, Kathi Mize, Lorena Cave, and Sally Cabello.

Texas Agriculture Extension Station Site For Meeting Jan. 9-12

"Agricultural Research: Perspectives for the Future" will be the theme of the annual conference for the Texas Agricultural Experiment Station at Texas A&M University, Jan. 9-12.

Approximately 500 scientists, including those based on the main campus and at Experiment Station facilities around the state, are expected to take part in the annual meeting. The Experiment Station is the state's agricultural research agency.

Research working group sessions are keyed to major issues of concern during the next five years, as well as research implications developing from the Target 2000 Task Force Report. Working group sessions will deal with research updates in beef cattle nutrition, floriculture and ornamental horticulture, drought tolerance and wheat, biological control for insects, pathogens and weeds, efficient water and energy utilization, natural resources, equine research, plant breeding, population growth and many other subjects.

At the opening general session on the morning of Jan. 10, Dr. Neville P. Clarke, director of the Experiment Station, will discuss the Station in 1984, and new staff will be introduced by Dr. Dudley T. Smith, associate director.

Dr. Perry L. Adkisson, deputy chancellor for the Texas A&M University System, will present distinguished performance awards to outstanding scientists. The awards program was initiated by Adkisson in 1980 to recognize scientists who excel in their respective fields.

Addressing the conferen-

ce theme session Wednesday morning, Jan. 11, will be a number of invited speakers. U.S. Cong. Charles W. Stenholm of Stamford, representing the 17th Congressional District, is scheduled to discuss "Texas Agriculture in the Future." Dr. Eloise Clarke, vice president for academic affairs Bowling Green State University of Ohio, is slated to speak on "Implications of Developments in Biotechnology in Agricultural Research."

Other major speakers that morning will be Dr. George E. Schuh, head of the Department of Agricultural and Applied Economics, the University of

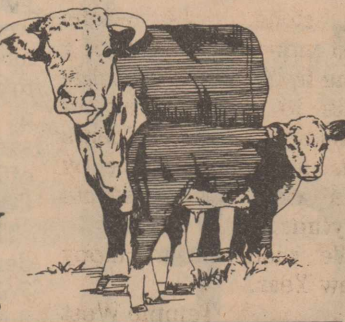

Minnesota, whose discussion will be on "Impact of International Economy in U.S. Agricultural Research," and Dr. Jerry Caulder, director of business development, New Ventures Group, Monsanto, who will present an industry perspective for future agricultural research.

Preconference computer short courses are scheduled Jan. 7-9. Computer and laboratory automation exhibits and demonstrations also are planned Jan. 10 in Rooms 212-224 of the Memorial Student Center. Professional development sessions will be among other conference highlights, according to Dr. Joe McFarland, conference general chairman.

Egg Production Down

Texas egg production during November totaled 259 million eggs, unchanged from a month ago.

According to figures released by the Texas Crop and Livestock Reporting Service, eggs produced for human consumption reached 236 million, 91 percent of the total production.

The number of layers during the month averaged 13.2 million with egg production per 100 layers averaging 1,962 eggs. This compared with 13.0 million layers in October with an average production of 1,992 eggs per 100 layers.

Hatchery production of broiler-type chicks totaled 19.0 million, off 8 percent from a year earlier.

The nation's laying flock produced 16.6 billion eggs during the September-November quarter, 5 percent less than the same period a year ago. Production for November totaled 5.5 billion, with 5.0 billion for human consumption.

The U.S. egg-type hatch totaled 29.4 million chicks, down 3 percent from last year. The broiler-type hatch also dropped 3 percent from a year ago to 336 million chicks.

The old year wanes. The last sands trickle down the hourglass as the old man totters into irrevocable past and a lusty infant year begins.

Bells ring in church steeples, confetti rains, horns blow. People sing and shout and maybe shed a tear. Cries of "Happy New Year" fill the ears and fall on happy hearts, or sad.

To some, the old year brought joy and happiness. To others it held sadness and despair. Thus, men greet the new year differently; some with mockery, some with resolution, still others with a smile.

Whatever your feelings about the year ahead, there is one way to be sure of its promise. God is the source of all goodness. Make Him and His Church a part of your life and you will find the strength and inspiration to make each day prosper.

The sum of its days shapes the year.

Hustling Around Hobbs

By Joy Walker

Well, have you enjoyed this Winter weather we have been having? Talk about a white Christmas, we have really had a spell of Arctic weather, although Monday we finally got to see the sun for a longer while than we have any of the other days. Now the weather forecasters pre-

dict another blast of cold air is coming this way, so looks like we may be in for another cold week. Our fireplace has sure been doing overtime, and luckily we haven't had any water to freeze up in the house, although all the watering places are frozen solid, and we are getting

buckets of water from here in the house to water our horses. I like the colder weather, but not this cold, and not this bitter cold wind we have been experiencing.

Mr. and Mrs. Erick Parks from Bridgeport, West Virginia, were here over the holidays visiting with Bro. and Mrs. Dutch Parks and family. They also visited in Roby while they were here. Mr. and Mrs. Larry Parks from Odessa visited with the Parks on Christmas Day.

J.C. Cave got to come home from the hospital for Christmas. He did go to Abilene on Monday and all of his tests came back o.k. Mr. and Mrs. Don Cave and son, Kenneth, from Farmington, New Mexico, visited Wednesday and stayed through Sunday with the J.C. Caves. Mr. and Mrs. Billy Carter and boys from Brownwood visited Friday through Sunday. They also visited with Mrs. Edd Carter in Roby while they were here. Mrs. Vida Boyer ate supper with the Caves and their company on Christmas Eve.

Mr. and Mrs. Rudolph Martinez have had a whole houseful of company for the holidays. Mr. and Mrs. Gil Warren and family from Big Lake came Friday and stayed until late Monday. Mr. and Mrs. Darrell Gay from Fort Worth were also here, and Gloria Martinez from El Paso. Mr. and Mrs. Steve Warren and girls from Snyder visited on Christmas Day, as did Mr. and Mrs. Rudy Martinez and family from Rotan. Mr. and Mrs. Sidney Babin and family from Plaquemine, Louisiana, came Friday and are going to be spending a few days here with the Martinezs. So they all had a wonderful Christmas and enjoyed the visiting and being together.

Mr. and Mrs. Dale Cave had so much company over the holidays I am not going to mention everyone by name. They had 34 present for dinner and supper on Saturday and 17 for Christmas dinner on Sun-

day. All of the children of the Dale Caves and all of Doshia's family got together, and they had a wonderful time. Debbie Stephenson, daughter of Mr. and Mrs. Jerry Stephenson of Abilene is spending a few days here with her grandparents.

Mr. and Mrs. Glenn Phillips from Post spent Christmas Eve with Mrs. Opal Phillips. On Christmas Day Opal went to the home of Mr. and Mrs. C.J. Thornton and spent the day visiting with all of the Phillips and Porters and their families. Don Thornton and two daughters from Abilene and the Mike Thorntons from Snyder visited with C.J. and Marie over the holidays. Mr. and Mrs. Walter Cave from Midland and Mr. and Mrs. Wayne Jones from Big Spring were here visiting during the holidays.

Bea Hardin has also had a whole houseful visiting with her during the holidays; Mr. and Mrs. Ralph Hardin and boys, and Mr. and Mrs. Jimmy Hardin and two boys all from Corpus Christi were here. Mrs. Ernie Skeen and two daughters from Paint Rock also were here visiting. All of the Hardins from around here spent Christmas Eve and ate supper with Bea and her company Saturday night. They all met Sunday for Christmas dinner and Bea is expecting some more of her boys to come in today (Monday). Bea went to Midland on Friday with Ralph Hardin and spent the day.

Todd Etheredge from San Angelo spent a week visiting with his parents, Mr. and Mrs. J.W. Etheredge.

He came Tuesday and stayed until the following Thursday. Mr. and Mrs. David Etheredge, also from San Angelo, are spending a week here visiting with the Etheredges. Christmas Eve they all went to Mr. and Mrs. Sam Etheredges, also there were Mr. and Mrs. Corby Barrett from Stephenville, Jackie Barrett from Granbury, Mr. and Mrs. Windell Barrett from Camp Springs, and Taina and Charlotte Barrett from

Snyder. Christmas Day the Etheredges all went to Mr. and Mrs. Jim Wilburns, also there were the James Sherrills from Sweetwater, all of the Wilburns and Mr. and Mrs. Lealon Wilburn. We were sorry to hear that Lealon Wilburn still isn't feeling very good and we hope that he will soon begin to feel very much better.

Mrs. Lucy Kincaid came home from Abilene, and then she went to the hospital in Lubbock where she spent a few days, taking tests. She got to come home Christmas Eve and spend the holiday, but she still isn't feeling very good at all. We hope that she will soon begin to feel very much better after she has taken this new medicine. Mr. and Mrs. Windle Kincaid, Mr. and Mrs. Ronnie Kincaid and two children and Mr. and Mrs. Jim Bob Solsberry and baby all from Sweetwater spent Christmas Day visiting with the J.D. Kincaids.

Jim and I attended the Christmas party and fellowship at Hobbs Baptist Church on Monday night, and we really had good attendance despite the ice and snow storms. Melody and Mark came here Tuesday and they sure picked one of the very few good days to travel. We ate supper that night with Mr. and Mrs. Donnie Gruben and family. Wednesday, the roads were sure bad, so we stayed at home most of the day, also Thursday when the wind was so very cold. Friday we ate our Christmas supper at the home of Mr. and Mrs. Donnie Gruben. Also there were Mr. and Mrs. Wilber Gruben and family. We sure had a good time and opened all

our gifts that night. Melody and Mark left here around dinner on Christmas Eve and went to Mark's folks in Lytton Springs. They called as soon as they there and said the roads were real good—so we were pleased to hear that. They were here for 4½ days so it was real nice to have them home for so long, but we didn't get to go out very much as the weather was so bad. Part of the High School that Melody teaches at was destroyed by fire on Monday while they were in school, so they had to turn out school early. It sure had lots of damage, but thankfully nobody was hurt.

Sorry to hear that Jim's sister, Mrs. Ola Mae Myers from Snyder, fell and broke her hip on Monday of last week. She fell in her home and was transferred to Lubbock where she underwent surgery on Tuesday. We haven't been able to get up there and see her as the roads were pretty bad the farther that way you went.

Well this is about all for this week. Have a Happy New Year.

Tax Planning by Gerald Rodgers, CPA

INFORMATION RETURNS (What You Don't Know Can Hurt You)

Wage statements (W-2's) are familiar to everyone, and employers and employees alike understand that wage information must be accurately reported to the IRS. 1982 legislation provided stricter reporting requirements for other kinds of income as well. Whether you're a payer or a recipient of such income, you can simplify your dealings with the IRS by knowing and following the rules.

Generally, such income is reported on forms in the number 1099 series. The payer of the income must issue a form to the recipient by January 31, 1984, and file a copy with the IRS by February 28, 1984. Recipients should report the amounts and sources on their personal tax returns exactly as they appear on the 1099's that they receive. "Lumping" amounts together or using a different source name can confuse the IRS and cause you to be billed for additional taxes.

In addition to the familiar interest and dividend income 1099's, your broker is now required to file Form 1099-G must be used by governmental units to report payments such as unemployment compensation and, for the first time, state and local income tax refunds of \$10 or more.

Businesses must use Form 1099-MISC to report payments of \$600 or more made to any person for "services performed". This form must also be used to report sales of \$5,000 or more of consumer products to anyone for resale.

Other 1099's are required for All-Savers Certificate interest, original issue discounts, patronage distributions, and profit-sharing and retirement plan distributions.

Penalties for failing to file these information returns or to provide correct social security numbers to those required to prepare these returns have been increased substantially.

Consult your tax advisor to be sure you're meeting the requirements.

We would like to welcome Maude Brooks to our home.

The staff and residents would like to thank Mr. and Mrs. Luther Summers for the candy. Everyone will be featured in our paper each week has really enjoyed it. Please bring or send in your Geneva Alaniz cut hair for pictures with the information you wish to the residents before their. We will mail them back to you or you holidays began. The pies up at the newspaper office. and cakes brought for Christmas dinner were delicious. Thanks to Mr. and Mrs. John Cox for the candy.

Out of town visitors this week were P.R. Warren of Snyder visiting Martin Warren. Doris, Sue and Ryan Branch of Aspermont visiting Lucille Wright. Geraldine Parker of Snyder visited Jewel Cummings. Bea Hardin of Hobbs and Ralph Hardin of Corpus Christi visited Ollie Shipp. Mrs. Floyd McCain of Sylvester, Mrs. Luther Maberry of McCaulley, Kyle Rowland of Sweetwater visited Neda Kiser. Ike and Jiggs Roberts of Sylvester and Bill and Rete Fee of Sylvester visited Cora Roberts. Mr. and Mrs. Parker May of Jupiter, Florida and James May from Cal. visited Mattie Rister. Joyce Villalobus and family from El Paso visited Beulah Moffett.

Bingo winner this week was Cora Roberts.

Thanks to everyone who came in during Christmas and spent some time with us and we would like to invite you all back.

Beverly McKinney

John P. May, 80, longtime resident of Hamlin, died at 5:30 p.m. in the Fisher County Nursing Home after a lengthy illness.

Services were held at 10:30 a.m. Friday, Dec. 23rd. in the First Baptist Church in Hamlin with Rev. Howard Jones, Pastor, officiating, and Rev. Derrell Monday, Pastor, First Baptist Church, Rotan, assisting.

Burial was in the Hamlin Cemetery under the direction of Weathersbee Funeral Home.

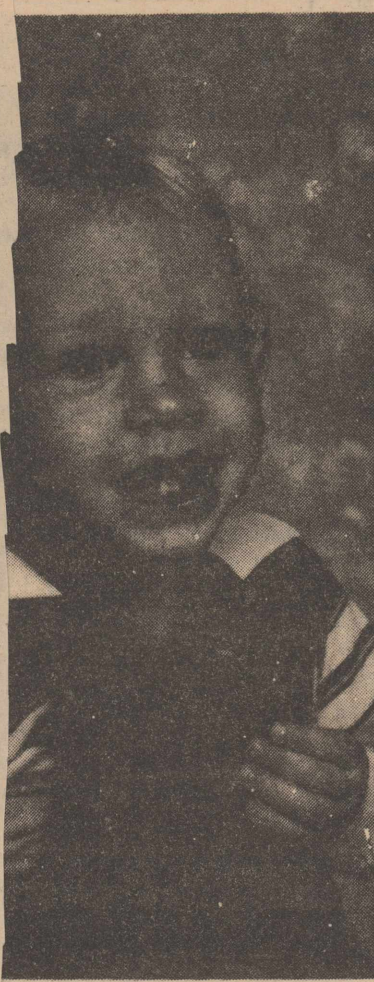

Mr. May was born March 29, 1903 in Cuba, Alabama and was the son of the late Mr. and Mrs. Marcus Parker May, Sr. He moved to McCaulley from

Alabama with his parents in 1907. He attended schools at McCaulley and Hamlin. He was associated with his father in the retail furniture business in Hamlin and spent a number of years in banking in Hamlin, Anson and Truscott. Mr. May was a veteran of WWII and a member of the First Baptist Church in Hamlin.

Survivors include: 2 sisters: Mrs. Mattie Rister, Rotan, and Mrs. Annie Laurie Johnson, Rotan. Two brothers: Parker May, Jupiter, Fla. and James T. May, Salinas, California. Pallbearers were: Revis Robertson, Henry Albritton, Joe Ford, John D. Ferguson, Billy Henderson, and W.T. Johnson.

THE DIFFERENCE IS IN YOUR DISCERNMENT

ROLEX

You know that time is precious stuff. Too precious to entrust to anything less than a Rolex. That's why you choose an officially certified wrist chronometer as tough, as flawless and as distinctive as this 14kt. gold, or steel and gold Oyster Perpetual with its self-winding movement and matching bracelet. Its impregnable Oyster case, with twinlock winding crown, is pressure-proof down to 165 feet. The difference is discernable.

Social Security Due Cost Of Living Increase

The Social Security checks delivered January 3 will include a 3 1/4 percent automatic cost-of-living benefit increase, Glyn Hammons, Social Security district manager in Abilene, said recently.

The automatic increase, formerly made in July checks, was delayed for 6 months by 1983 legislation designed to strengthen the Social Security system. Future increases will also be made in January checks.

Social Security and supplemental security income (SSI) payments are increased automatically when the cost of living increases 3 percent or more from one year to the next, Hammons said.

Examples of the new benefit rates include:

* The maximum monthly payment to a worker age 65 in 1983 will increase from \$709 to \$734.

* The average monthly benefit for a retired couple will increase from \$709 to \$733.

* The average monthly benefit for a retired worker will increase from \$411 to \$425.

* The average monthly benefit for an aged widow or widower will increase from \$380 to \$393.

* The average monthly benefit for a disabled worker, wife, and children will increase from \$835 to \$864.

More information about Social Security benefit rates can be obtained at the Abilene Social Security office, located at 142 S. Pioneer. The telephone number is 698-1360.

Son Born To

Mr. & Mrs.

Terrell Wilkey

Mr. and Mrs. Terrell Wilkey of Round Rock, Texas, are the proud parents of a son, Benjamin Christopher, born at Sea-ton Hospital in Austin on December 2, 1983. Benjamin weighed 6 pounds 9 1/2 oz. and was 20 inches long.

Paternal grandparents are Mr. and Mrs. James T. Wilkey of Marlin. Paternal Great Grandmother is Mrs. Vernon Patterson of Hillsborough.

Maternal Grandparents are Mrs. Max Carriker of Abilene and the late Max Carriker.

Maternal Great Grandparents are Mrs. C.H. Carriker of Roby and Mr. and Mrs. Dewey Dry of McCaulley.

Mrs. Wilkey is the former Diane Carriker.

Card of Thanks

We would like to thank each one of you who were so thoughtful during the death of our loved one. Your prayers, food, flowers and concern were so comforting.

Thank you for remembering us during this time of sorrow.

Roby Basketball Schedule

Dec. 30-Sweetwater-There-6:00 p.m.-Varsity & JU Boys

Jan. 4, 5 & 6-Hawley JU Tournament

around dinner on Christmas Eve and went to Mark's folks in Lytton Springs. They called as soon as they there and said the roads were real good-so we were pleased to hear that. They were here for 4 1/2 days so it was real nice to have them home for so long, but we didn't get to go out very much as the weather was so bad. Part of the High School that Melody teaches at was destroyed by fire on Monday while they were in school, so they had to turn out school early. It sure had lots of damage, but thankfully nobody was
