## Ft. Worth Man Plans Lake Leon Youth Camp

One of the latest projects under way at Lake Leon is unique in that it is planned especially for boys and girls rather than for adults. Many fishing docks, camps, and recreation areas have been built or set up at the lake, but none until now with solely the recreation of young people in mind.

This new venture is a camp planned for boys and girls by T. R. George, 913 Meadow Park Drive, White Settlement, Texas. The location of the camp is on the north side of the lake, west of Premier Club Camp on the old Eastland-Staff road. George expects to cater to groups of boys and girls, such as Boy Scouts, Girl Scouts, Cub Scouts, Campfire Girls, Brownies, Bluebirds, 4-H Clubs, FFA and FHA, and their sponsors.

He has leased six acres of land at Lake Leon and also has access to six more acres on what is known as the old Nabors place. He is just now getting started but hopes to have the camp completed by spring. He expects, however, to be ready to open the camp on weekends on a temporary basis in a few weeks with one permanent cabin, tents, and camping facilities.

In the aircraft field in Fort Worth for 19 years, the 49-year-old George is at present employed at Conair. He has been working for 12 years with such youth groups as Boy Scouts.

Long-range plans for the youth camp call for, in addition to swimming and fishing, such recreational facilities as archery, horse shoe pitching, dominoes, checkers, ski-

ing, outdoor cooking, trail hiking, nature study, and teaching of Indian lore. Plans for the future also include maintaining a chaplain at the camp.

Such a camp when completed should be an asset to the area, for it should attract many youth groups and their sponsors to Lake Leon.

Checking back in the files we noticed that on Dec. 13, 1928 the Eastland County courthouse was completed at a cost of \$300,000. (Hate to try to build it for that today.) Also noticed that you could buy a Whippet automobile for \$535 and a 2 1/2 pound box of candy for 85c. Things have changed a bit.

Wendell Siebert, G. B. Rush of Ranger, and Travis Hilliard of Olden spent Tuesday in Austin. The trip was a business one for the three school superintendents.

## Danger Signs in the Garden

Midsummer heat is obviously getting to this young lady. Intent on destroying pests, she may harm her pet and herself as well. She demonstrates the tendency to forget good safety practices in gardening now that summer is well underway. Purina Dog Care Center researchers warn that many of the newer insecticides, fungicides and fertilizers are dangerous to both pets and people—as dangerous as the carelessly placed sharp garden tool. If you have a pet, it is particularly important to read and then carefully follow manufacturers' directions on garden chemicals. Don't leave containers open. Animals can't read labels.

Rev. James Campbell of Fort Worth was in Eastland Monday to attend the Heckendorn memorial service.
