Christian Church Slates Meeting Late This Month

The First Christian Church in Wellington is co-operating with Christian churches throughout Texas in one of the greatest evangelistic efforts in the denominational history, a movement termed United Evangelistic Advance, the Rev. Jack Garrett, pastor, announced this week.

The guest leader for work in the Wellington church will be the Rev. Win E. Matser of the First Christian Church in Canyon, who will be here from Tuesday, February 24, through March 6. He will do the preaching beginning March 1.

There will be services each evening of the week of March 2 to 6, at 7:30 p.m. at the Church.

The climax of the work will be Decision Day on Sunday, March 8, closing out the week of evangelistic preaching.

The Rev. Mr. Garrett will in turn be guest leader for the Advance in the Canyon Church from March 17 to 27.

"All Christian Churches of the state are joining the United Evangelistic Advance in an effort to win 10,000 persons to Christ and His Church," the Rev. Mr. Garrett said. "There are 100,000 members of the Christian Church in Texas and the goal that they have set is far above anything they have ever tried before. It is estimated that 75,000 members of the churches have pledged themselves to pray daily for God's guidance and leadership in doing this great thing for His Kingdom."

The Rev. Bayne E. Driskill of Fort Worth is the state director of the United Evangelistic Advance.

Rotary Sponsors Magic Show

Lee Grabel, billed as the "world's greatest magician," will be presented in Wellington Tuesday, March 10 under the sponsorship of the Wellington Rotary Club, C. T. Roberts, president, announced this week.

There will be a matinee for school children in the afternoon, and an evening performance beginning at 8:00 p.m. for the public.

Proceeds from this entertainment will go into the Rotary Club welfare fund, to be used to finance cafeteria meals for needy school children, and to help finance the Boy Scout program, Mr. Roberts said.

Quail Revival Opens Feb. 25

Revival services will open at the Quail Baptist Church Wednesday, February 25, and continue through Sunday, March 8, the Rev. Gerald Squyres, pastor, announced this week.

The Rev. W. L. Cass of Ropesville will be the evangelist. This is his first time here.

Services will be held at 10:00 a.m. and 7:30 p.m.

"You will find old fashioned preaching and singing at this revival, the kind we believe the people of Quail and Collingsworth County want to hear," Rev. Squyres said, as he issued an invitation to the public to attend any or all of the services.

Norwood Teams Continue Championship Competition

By JAMES GLASSCOCK

Size and experience vs. speed and deception. That is what the basketball fans in Collingsworth County have in store for them when the Samnorwood Eaglettes and the Claude girls collide this coming Tuesday evening, February 24. Game time will be 7:00 p.m. The game will be played at Samnorwood.

However, these two teams will meet this Friday night in Claude. This will be a game with plenty of thrills, spills, and action.

These two teams have met once before this year and Claude got by just by their skin. Supt. Orville Cunningham's Eaglettes were just on the edge of victory when the roof fell in.

The Claude girls have won the state championship for the past two years. In doing this they placed three girls on the all-state

Fund Drive Starts For Community Building Work

A community and county wide drive to raise funds to buy a curtain, back drop and other equipment for the stage of the community building, will be spearheaded by the Wellington Business and Professional Women's Club, Mrs. Cal Sugg, president, announced this week.

The financial goal is \$2,000, and this, it is felt, will buy the most-needed equipment.

"We are carrying this drive to the entire community. All of us use the community building, and we wonder how we ever did without it. A curtain, backdrop, spotlight and a few other items have been badly needed from the time the building was completed. This isn't a B&PW drive. Our club is only taking the leadership . . . it's a community drive for a community project," Mrs. Sugg emphasized.

A fund-raising booth will be set up in the H&H Furniture each Saturday for the next six weeks, through March 28, and members of B&PW will be on hand to explain the drive and to receive donations, Mrs. Sugg said.

Dodson Eastern Star Holds Sale

Members of the Dodson Eastern Star Chapter are sponsoring a Bake Sale at the J. C. Howell Grocery at Dodson Saturday, February 21, Mrs. Tom Birchfield, chairman of the finance committee, has announced.

The sale will be held in connection with a coffee demonstration sponsored by the store, and items offered will include cakes and pies, as well as hens, fresh country eggs and butter and other items.

Other members of the finance committee assisting Mrs. Birchfield in the sale are Mrs. Peck White, Mrs. Hugh Painter and Mrs. Earl Reynolds.

Mrs. Ross Swift is worthy matron of the chapter.

More Honors for an Outstanding Youth

Hood Gets All-American Honorable Mention

By JAMES GLASSCOCK

Floyd Hood, one of W. H. S.'s all-time greats was given Honorable Mention on the 1952 All-American football team. This honor is given to only a few of the players in the state. Doyal Taylor, the ace quarterback from Temple, was the only Texan to make the first string.

During his high school career, Floyd has taken an active part in the sports program. He has boxed for a number of years and this year he won the 175 pound in both the Pampa and Amarillo tournaments.

His main feats lie on the gridiron. He has made the All-District team for two years in a row, the All-Regional team this year, and he was given honorable mention on the All-State team. Floyd has lettered two years on the varsity squad and he was chosen as one

DISTRICT WINNERS--THE SECOND STRAIGHT YEAR Shown with their district championship trophy are the 1953 Rockettes, a team that for the second consecutive year has won this honor. The team, with their coaches, Donald Briggs and Miss Leatrice West, are, back row from left to right: Patsy Patton, Genevieve Bartlett, Betty Cagle, Shirley Pritchard, Betty Strickland, LaWanda Strickland and Mr. Briggs. Front row: Miss West, Sharon Elbert, Doris Weaver, Grazelle Scott, Barbara Graves, Nena McGill, Selma McAlister and Betty Karnes.

These Youngsters Take the Game Seriously

Quail Host to Junior High Tourney Feb. 26-8

By JAMES GLASSCOCK

Junior basketball takes over the limelight in the county sports picture. The third annual Quail Junior Basketball tournament will open Thursday night, February 26 and will conclude with the finals Saturday night, February 28. The tip-off time for the opening game of this three night tourney will be at 6:00.

In the first night's pairings, there will be four games. The second

game will begin at 7:00, the third at 8:00 and the final game will be scheduled at 9:00.

According to Coach Bill Phillips, who is in charge of arrangements for the three day meet, "we have invited 8 schools to bring their boys and girls teams. That will give us a total of 16 youthful teams. We invited some of the outstanding junior teams of this section."

"In both the boys and girls divisions we have some age limits. The girls age limit is 15 years old and in the eighth grade or under. The boys division is 16 years old (Continued on Page Twelve)

Posthumous Award in Agriculture

Cox Named Childress County Top Farmer

The late Fred Cox, prominent Loco farmer and school leader in the Wellington district, was named Farmer of the Year for Childress County by the Childress Chamber of Commerce and City Board of Development. Announcement of the honor was made at the annual Chamber of Commerce banquet at Childress Tuesday night, February 17.

The Cox farm lies a short distance south of the Childress county line. A plaque denoting the honor was presented to Mrs. Cox at the banquet. Attending with her were other members of her family, Mr. and Mrs. Fred Cox Jr. and Mr. and Mrs. R. L. Mabery, all of Wellington.

Mr. Cox farmed 640 acres of land, was a 32nd degree Mason, a member of the Farm Bureau and the First Baptist Church of Loco. He was a member of the school board of Loco for 20 years and later a member of Wellington school board.

When Cox died in January the Wellington school dismissed a half day for the funeral. He was described as "a cheerful, industrious and friendly farm leader." His widow received the award.

The award to the outstanding farmer was one of three given at the banquet. The Most Outstanding Citizen award went to Morris Higley, publisher of the Childress Index, and that for the outstanding farm woman to Mrs. W. E. Andrews.

Cloud Seeding Meeting Called Thursday Night

A public meeting relative to the cloud seeding program of the Texas Oklahoma Water Improvement Association will be held in Wellington Thursday night, February 19, when every person interested in the program, either pro or con, is invited to attend and make his views known.

The meeting, which was announced by Fred Bourland of Quail, will be held in the county court room, beginning at 7:00 p.m.

Lee Cox, representing Dr. Irving Krick of the Water Resources Corporation, Denver, will be the main speaker, and Monty Mitchell, executive director of the T-O organization, and C. A. Crawford, field man, will handle the local phases of the discussion.

Mr. Cox is due to speak on improvements in the processes of moisture increasing, overall prospects for 1953, as well as the present weather conditions.

Another purpose of this meeting, Mr. Bourland said, is to get the 1953 program started, since the T-O Association's contract with Dr. Krick's Corporation expires in April.

"We want the farmers and business men to come. If you are for it, we need your support. If you are against it, we want to hear your views. We believe, though, that most of those who oppose it do so because they do not understand the process of cloud seeding. This meeting is to give our information, so be there," Mr. Bourland urged.

Kiwanis Club Plans Impersonation

"The Spinsters Convention," a female impersonation entertainment, will be given by the Kiwanis Club and other Wellington business men Friday evening, March 6, Dr. Tom Hunter has announced. Curtain time will be 7:30 p.m. and it will be at the high school auditorium.

Mrs. Taylor Lowrie is directing the production, and the all-male cast is now being assembled. This will be a benefit performance.

Red Cross Leaders Seek To Raise \$3000 Quota

Collingsworth County's Red Cross quota for the 1953 drive has been set at \$3,000, and plans are under way to make this the most intensive drive the county has had since the close of World War II, B. W. Beaird, roll call chairman, announced this week.

Chairmen who will direct the work in every part of the county have been named, and workers are now being chosen, Mr. Beaird said. Directing the work in the rural area is Mrs. Cal Sugg of Wellington, while Mrs. John Holton and Mrs. Henry Sullivan are handling the residential campaign. C. T. Roberts is chairman of the business district campaign, and Duane Scott will direct the advance campaign.

Cotton John Smith Speaker

Quail FFA, Fathers To Banquet Friday

The annual Quail FFA Father-Son Banquet will be held Friday night, February 20, when Garland Smith — Cotton John of Radio Station KGNC, Amarillo—will be the guest speaker.

Approximately 110 fathers and their boys will be on hand to hear Smith, who was to "talk about anything you want to," according to Frank Kennedy, chapter advisor.

The program will open with ceremonies by the chapter officers. A. C. Price will serve as toastmaster and the invocation will be given by Wallace Blasingame.

Virgil Patterson will introduce the guests and Jimmy Langford will welcome the guests. Mrs. Low-

ell Wells and her girls sextette will furnish music for the program, and afterward a gift will be presented the Chapter Sweetheart, Jo Helen White, by Tony Winkler, FFA president.

Mr. Kennedy will introduce the speaker. Chapter officers who will participate in the opening and closing ceremonies include Winkler, president; Langford, vice-president; Norman Kennedy, secretary; Van Parrigin, treasurer; Wayne Lacy, reporter; Dale Johnson, historian; Junior Sturgill, sentinel; Patterson, second vice president; Price, third vice-president; Charles Wright, parliamentarian; and Mr. Kennedy, advisor.

Leaves City State

L. W. Brummett Goes To Artesia, N. M. Bank

L. W. Brummett, vice president of the City State Bank for the past six years, has resigned to accept the vice-presidency of the Peoples State Bank of Artesia, N. M., it was announced this week.

Mr. Brummett will leave Friday, February 20, for Artesia to begin his new work.

He will be accompanied by Mrs. Brummett and their sons, Raymond, 14, Johnny, 9, and his niece, Cheryl Craig.

The bank to which he goes is a relatively new institution, Mr. Brummett said. Artesia is considered one of the faster growing towns of New Mexico, and has a population of around 12,000, including areas to be incorporated this year. It is the center for oil fields of that area, for a rich irrigated farming area, for potash fields, and has a refinery.

"My family and I regret sincerely leaving Wellington. We have many, many friends here whom it is hard to leave, but we feel that we cannot turn down the opportunity that this change holds," Mr. Brummett said.

Before coming here six years ago, Mr. Brummett was with the Federal Land Bank at Wichita, Kansas.

Here he has served as president of the Wellington Chamber of

Commerce and also as a director of that organization. He was treasurer of the Wellington Kiwanis Club and both he and Mrs. Brummett were active in the Baptist Church.

She has served as president of St. Joseph's Hospital Auxiliary and is a member of the 1924 Study Club. In addition, she has been active in various women's civic drives in the city.

Open House February 26

Club Observes 50th Anniversary Of Extension Service Work

The Home Demonstration Clubs of Collingsworth County will join with others throughout the state in observing the fiftieth anniversary of the founding of the Extension Service in Texas, Thursday, February 26, when they hold open house throughout the day in the office of Miss Mary Trammel, county home demonstration agent.

Hours for the open house will be from 9:00 a.m. to 5:00 p.m., and coffee and doughnuts will be served by Home Demonstration Club members.

"We hope that every person in the county interested in our work will call during the day," Miss Trammel said. "If there is some question you want to ask about our work, there is no better opportunity. We are particularly anxious for business people of the county to come. Agriculture is the basis of our county's economy and home demonstration club work is a vital part of agriculture."

Two other related activities are scheduled for the same day. The Home Demonstration Club Council will hold a Baked Food sale beginning at 10:30 a.m. at H&H Furniture. The County finance committee, headed by Mrs. J. L. Alexander, will be in charge.

The county council chairman, Mrs. Hubert Mauldin, has asked all council delegates to meet for their monthly meeting on that day at 2:00 p.m. The meeting will be held in the county court room.

Home Demonstration Club work was organized in Collingsworth County in 1922, after 50 women, bearing a petition with 850 signatures, appeared before the commissioners court, which consisted of Judge C. C. Small, and Commissioners C. H. Caperton, J. L. Cooper, T. M. Lamb and W. A. Cook.

Mrs. George Warren of Denton County, was the first county agent. Others who have succeeded her were Atlee Smith; Peggy Hill, now Mrs. J. D. Wilson of Hillsboro; Veda Swafford, now Mrs. Bill Burden of Shamrock; Paralee Brock, now Mrs. Dee Coleman of the Pleasant Mound community; Anna Donahue; Margaret Moser, now Mrs. Harvey Brag of Amarillo; Rose Erisman, now of Austin; Charlene Hyer; Joy Riley of Vernon; Jo Wiley and Miss Trammel.

In view of the coming anniversary, Miss Trammel has compiled the following statistics of work done by the club women and by the office for the club year ending October 31, 1952: 19 training meetings were held with 334 women participating. These women in turn trained 1879 women and 4-H Club girls in bet-

Miss Birdie Tomlinson, now

paign. Willie Simpson is in charge of the drive in the colored section of town.

Dr. Tom Hunter has been assigned to the clinic and hospital, while Lee Plante will handle the school campaign. Hubert Mauldin is court house chairman.

A meeting has been called for Friday, January 27, at 2:30 p.m. at the court house when workers will receive instructions for conducting the campaign in their areas and supplies will be distributed.

Under this year's plan, Wellington will be divided into districts, Mrs. Holton said this week. Chairmen of these areas named so far include Mrs. Calvin Hurst, the northwest part of town; Mrs. J. W. Wells and Mrs. Harold Watkins, Eighth Street; Mrs. Frank Campbell, 15th Street; Mrs. A. L. Elliott, the area south of 15th Street and east of East Avenue; Mrs. Heber Brantley, the area south of 15th and west of West Avenue; and Mrs. Kelly Pigg, the area from 8th to 15th Street.

Several other district chairmen will be named within the next few days, and all of these in turn will choose their workers.

"The Red Cross need is more urgent than in many years," Mr. Beaird pointed out. "Our quota is larger simply because this need is greater. As you know, part of this money remains with the local chapter, and it is already apparent that 1953 will see many more calls for help locally than we have had for some years."

"Collingsworth County has always given generously when called up. All of us working with the campaign are confident that this will be the case in 1953."

Another Red Cross activity within the near future will be a meeting of representatives from Collingsworth, Wheeler and Donley counties to discuss the return of the Red Cross Bloodmobile. This meeting was originally set for Wednesday, February 18, but was called off due to the illness of Mr. Burnett, Red Cross representative from Amarillo due to meet with the group.

Vagabond Kings Ready for Quail Game Feb. 23

By JAMES GLASSCOCK

The internationally known Vagabond basketball team will make a one night stand this coming Monday evening, February 23. The game is called for 8:00 p.m., and will be played in the Quail gym.

Many of the stars on the "bonds" team have been stars in their college years. Bill Spivey is the main attraction for the Vagabonds and he is considered as one of the best ball players in a long time. His average per game is 60 points.

Coach Bill Phillips, who is in charge of arrangements, said, "The West Texas All-Stars have some of the best talent that can be found in this part of the country. And we will certainly give the pros a run for their money."

The present All-Star roster includes Don Loyd, "Runt" Bruch, Rip Russell, Ted O'Neil, Calvin Tow, Raymond Neeley, Boots Graham, and Bill Phillips.

Nowlin Dogs of Champion Strain

Storm, Doberman Pinscher winner for two successive years of the Westminster Dog Show, top show in the country, is a cousin of four Doberman's owned by Mr. and Mrs. A. L. Nowlin, they said this week.

Considered the top show dog of the Doberman breed, as well as the best show dog in the nation, Storm was featured in a five-page article in Life Magazine recently.

The four dogs owned by Mr. and Mrs. Nowlin are of the von Bassowitz strain, descendants of Duchess von Bassowitz, whom they bought some years ago. Their four dogs now making up their kennel include Young Duchess, Carlos von Bassowitz, Peanuts and Princess.

An uncle of the first Duchess also won the Westminster show in 1939.

For One, Return after 37 Years

Lillie Teachers of 1914-15
At Community Gathering

By MRS. G. D. THOMAS
Last Sunday was a day that will long be remembered at Lillie, as two of our dear school teachers were present, both of whom taught in 1914 and 1915.

They were Miss Blanche Groves and Miss Louis (Gray) Childress. Miss Groves was our beloved missionary to China for 30 years and is going to Honolulu as a missionary to those people in early March. She plans to remain there until the doors for missionary work will be open again in China.

Miss Louis, now of Tipton, Oklahoma, also spoke Sunday morning. She graduated at Wellington high school and taught at Lillie in 1914-1915.

This was her first trip back to Lillie, after 37 years. Since we knew only a few days beforehand that she was coming, the only ones of her students present were Alvin Horton and his sister, Willie B., now Mrs. Ernest Harwell, and Clyde Brown. Mack Horton, Mrs. Cleo Ashton Thomas and Leonard Ashton were Miss Blanche's students who were present.

Lunch was served at the noon

hour and all had a pleasant afternoon together talking of years gone by. We also had some good singing.

Miss Louis and Miss Blanche were guests in the Ernest Harwell home Saturday night, and Miss Blanche also spoke Sunday night at the First Baptist Church in Wellington.

Club Women Plan
Cake Meeting

A training meeting on cake judging and making for Home Demonstration Club leaders will be held Saturday, February 21 in the office of Miss Mary Trammel, county demonstration agent.

The meeting will begin with a cake judging contest at 10:00 a. m., and the different things that make a cake what it should be will be studied.

Representatives of each club will bring two cakes to be judged, and altogether there will be four classes.

A demonstration on making sponge cake will be given during the afternoon.

The study lesson for home demonstration clubs during February concerns the living room and its background, including the walls, wall finishes, woodwork finishes, furniture and floors, Miss Trammel said.

TEMPORARY TENT-LIFE—Jewish refugees in the Israeli tent-city of Zarnuga suffer through a period of primitive tent-living while waiting for construction of government housing projects. The United States Technical Cooperation Administration works with their government to help these refugees whose numbers have increased since recent anti-semitic acts behind the Iron Curtain.

Plan Judging Team to State Contest

COUNTY 4-H GIRLS TO ENTER 1953
CHICKEN-TOMORROW CONTEST

Getting their brooder houses ready for spring chickens will be one of the top items in their work for Collingsworth 4-H girls during the next few weeks, Miss Mary Trammel, home demonstration agent, has announced.

This, however, is leading to an even larger program for the girls, entry of at least several of them in the 1953 Texas Chicken-of-Tomorrow program. Entry in this program will make the county eligible to send a poultry judging team to participate in the state judging contest at the 4-H Round-up June 25.

Deadline for entries in the 1953 Texas Chicken of Tomorrow contest is March 1. There is no entry fee in the junior division, in which the 4-H girls will enter, but all chicks must be wing banded.

All chicks entered in the program must be hatched during the period from March 8-14 inclusive.

The growing period will be nine weeks and the finals in the program will come during the week of May 11-16. The finals this year will be held in Center.

Premium money for the junior division in the state amounts to \$700 and this is exclusive of the grand champion award. Ribbons will be awarded on all entries which rate superior, excellent and good and premiums will be paid on the entries which classify in the two top ratings.

In addition to their poultry plans, county 4-H girls will work on clothing projects and purchase flower and garden seed during February, Miss Trammel said.

Photographers to
Meet March 1

The Panhandle Professional Photographers Association, will hold its next regular meeting, March 1, in Room 202, Herring Hotel, Amarillo. All photographers and their employees in this District are urged to attend, according to Mrs. Reddy Eldridge of Edwards Studio, Amarillo, who is helping with plans. An excellent program has been arranged. Each member is reminded to bring three of his best prints either portrait or commercial for judging for the Traveling Loan Exhibit.

WTSC Band to
Play Here on
February 24

When the West Texas State College Concert Band plays Tuesday morning, February 24, at 10 o'clock in the Wellington High School Auditorium, the audience will hear familiar marches, some favorite variety pieces, and several numbers unique in a band's repertoire.

Conductor M. J. Newman, who this year has built one of West Texas State's finest musical groups, has selected a varied program which offers selections of wide enough range to appeal to every listener. The 65-piece concert group comes to Wellington at request of the Wellington Band, and will appear at 15 other high schools in the Panhandle during the last week of February.

Opening the program will be two outstanding ballads, composed especially for band, "Huntingtower" by Respighi and "Ballad for Band" by modern composer Morton Gould, and the famed "1812, Overture Solennelle" by Tschai-kowsky. "Aria" from "Il Cid" by Sacchini, and the modern "futuristic" tone poem, "Theme for Tomorrow," by Sid Feller, make up the second part of the program.

Harry James' "Concerto for Trumpet" will feature two soloists, and Miss Doris Joens (ca) of Davenport, Iowa, will be soloist for the Strauss "Concerto for Horn, Op. 11," and the band's clarinet quartet will be presented in Grundman's "Bagatelle."

Last portion of the concert includes three Latin compositions, "Spaixico" by Fred and "St. Louis Cathedral" and "Congo Square" from Morrissey's "The French Quarter." Two "animal" pieces are "Bear Dance" by Bartok and "The Blue-Tail Fly" by Grundman. Concluding the show are five marches, "Chimes of Victory" by Bergeim, "Grandioso" by Seitz, "March, Opus 99" by Prokofieff,

"Men of Music" by King and Walters, and "Thunder Song" by Finlayson.

Miss Peggy Riggs
Receives Degree

Miss Peggy Riggs completed her work for a Bachelor of Science degree at Texas Technological College, Lubbock. The degree will

be awarded at the commencement to be held in May.

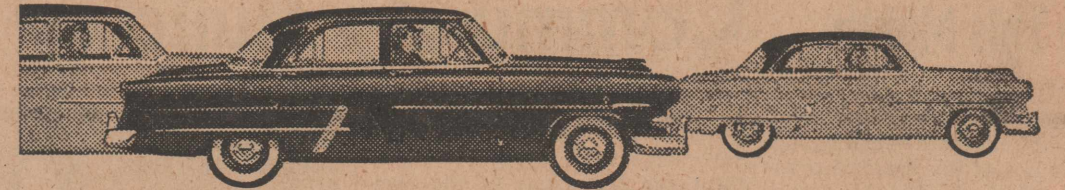

Miss Riggs majored in elementary education and had a minor in music.

Active in extra curricular activities, she was treasurer of San Souci Club, which has become affiliated with Kappa Alpha Theta sorority, and was a member of the Book Reviewers, the Matador Band, the Tech Choir and the Fu-

ture Teachers of America chapter. She left Wellington Saturday morning for Dallas, where she will visit in the home of her sister, Mrs. Charles Holman and family. Miss Riggs is the daughter of Mr. and Mrs. Howard Riggs.

Mrs. L. C. Vaughan returned home last week from Groom where she has been receiving treatments in the Groom Hospital.

Meetings Monthly

REV. J. F. MICHAEL HEADS NEWLY FORMED MINISTERIAL ALLIANCE

Organization of a county-wide Ministerial Alliance was completed recently, with the Rev. J. F. Michael, pastor of the First Methodist Church in Wellington, selected as president.

Other officers included the Rev. Chester O'Brien, pastor of the First Baptist Church, vice-president; and the Rev. Jack Garrett, pastor of the First Christian Church, secretary-treasurer.

This was an organization meeting, and future plans were outlined only briefly.

The Alliance will meet on the first Monday of each month at 10:00 a.m. The next meeting will

be held at the Methodist Church on March 2.

"All ministers of the county are urged to take part in this much needed work," Rev. Michael, who was also host at the initial meeting, invited.

In addition to the officers, ministers attending the meeting included the Rev. Gerald Squyres, First Baptist Church, Quail; the Rev. Samuel Sparks, Church of the Nazarene, Wellington; the Rev. Bill Saunders, Faith Baptist Mission, Wellington; the Rev. Austin Joliff, Assembly of God, Wellington; the Rev. Mr. Lefkowitz of Oklahoma City; Ben Wilhelm, representing the Seventh Day Adventist Church; and the Rev. Steve Greenwood, representing the Rolla and Fresno Baptist Churches.

Bobwhites Down Memphis Girls

By JAMES GLASSCOCK

Monday afternoon Jo Helen White ran wild and scored 48 points, as the Quail Bobwhites beat the Memphis girls 56 to 26.

As the score readily indicates the Bobwhites started strong and from there on in they were never in any trouble.

The top scorer for the Bobwhites was Jo White with 48 great big points.

The top hoopster for the Memphis team was Murdock with 12. With this win the Bobwhites now have a won and lost record of 20 wins and 6 losses.

Thursday night they will entertain the Shamrock Irish and Lassies. The game time is stated for 7:30 p.m.

SCS Men Attend Irrigation School

Fred Squyres, work unit conservationist for the Soil Conservation Service, and Lynn Courtney, Conservation aide, attended an irrigation school for SCS personnel of six counties, held in Childress Tuesday and Wednesday, February 17 and 18.

Problems especially pertaining to this area were taken up, with Lester Lawhon of the regional SCS office, Fort Worth in charge.

Soil Conservation Service personnel attended from offices at Wellington, Memphis, Quanah, Matador, Vernon and Paducah.

Mr. Squyres said before leaving for the school that the local office is now working with a number of men to iron out irrigation problems in this area. Some of these are irrigating from wells and others from creeks. They include Barney Glenn, B. G. Glenn, Alex Coleman, Elvis Crawley, Harold Hill and Dan Henard.

Mr. and Mrs. Ansel McDowell and Mrs. Jimmie Gillentine and children of Hereford spent the week end here with their parents, Mr. and Mrs. Sandy Parsons Sr., and J. B. Castleberry.

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 1794

Notice is hereby given, to whom concerned, that B. G. Glenn, the postoffice address of whom is Wellington, Texas, on the 11th day of February, 1953, filed his application in the office of the Board of Water Engineers for the State of Texas, in which he applies for a permit to appropriate of the unappropriated waters of the State of Texas, from Crow Creek, a tributary of the Red River, in Collingsworth County, Texas, not to exceed 154.74 acre-feet of water per annum, for the irrigation of not to exceed 51.57 acres of land out of Section 87, Block 12, H&GNRR Company Survey, Collingsworth County, Texas, which land is more fully described in said application; the water to be diverted by means of pumping plants are located at points which bear (1) South 71 degrees 35 feet West 5,090.5 feet, and (2) South 39 degrees 4 feet West 3,035.0 feet from the Northeast corner of Section 87, Block 12, H&GN Ry. Company Survey on the Northeast bank of Crow Creek, in Collingsworth County, Texas, and is distant in a Northeasterly direction from Wellington, Texas, about thirty-two (32) miles.

A hearing on the application of the said B. G. Glenn will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, April 13, 1953, beginning at ten o'clock A. M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 11th day of February, 1953.

CAP Group to Amarillo AFB

Three members of the Wellington CAP Squadron watched the operation of jet bombers, and saw some of the Air Force most modern equipment when they visited Amarillo Air Force Base recently.

The Cruiser, piloted by Max Grabein, CAP flight officer, with Judge Raymond Horton, security patrol officer, and Lt. Donald Green, navigator, landed at Amarillo AFB at 9:30 a.m.

A high point, according to Mr. Grabein, was watching the B-47 Jet Bomber which has a speed of 700 miles per hour — not top speed but average. This craft, he explained, is radar controlled to its target and back to its base. "The pilot and co-pilot just sit in there in case anything goes wrong

so they can take over. It sure beats the old fashioned way," Mr. Grabein commented.

Many of the types of jet engines were to be seen with portions cut away to show the working parts and to simplify an understanding of them. These are used for teaching purposes.

THOMPSON LOSES FIGHT BUT WINS PRAISE AT STATE GOLDEN GLOVES

Jimmy Thompson, the Rockets representative in the State Golden Gloves tournament at Fort Worth, lost his first fight to Greg Carrejo of El Paso, but he won the praise of sports writers from metropolitan papers of the state. Harry Gilstrap of the Amarillo News reported it this way:

"There should have been more doubt about Thompson's loss though the decision in favor of Carrejo was announced as unanimous. The press-row impression seemed to be that Thompson had won the second and third rounds. Nor was there much to choose between them in the first, during which Jim made the muscular bantamweight from El Paso miss frequently.

Carrejo did manage some scoring late in the first, but in the second the Wellington youth peppered him with left jabs, boxing a cool, long-range bout and seeming to improve as he went along.

DOZIER

By MRS. ALEX COLEMAN

R. L. Darrow came home from Amarillo and was admitted in Shamrock hospital Monday.

Bro. Stanley from Midland held a week's meeting at Samnorwood. Several from Shamrock attended Mr. and Mrs. Lester Parish, Mr. and Mrs. R. L. Barkley and Mrs. Lizzie Scruggs.

Mrs. S. L. Coleman celebrated her birthday by having all of her sons and their wives and some of the grandchildren, Sunday. Those present were Mr. and Mrs. Alex Coleman, Aleta and LaVerne, Marqueta Bell, Mr. and Mrs. Frank Coleman of Quail, Mr. and Mrs. Wood Coleman of Dozier, Mrs. Dee Coleman of McLean, Mr. and Mrs. Jessie Coleman and Mack of McLean, Mr. and Mrs. Leon Coleman, their sons, Ronnie and Mark of Wellington, Mr. and Mrs. John Coleman ad Linnie Lou of Wellington. This birthday being quite a coincidence, mother Coleman was 80 years young, Leon Coleman being 40, the Wood Coleman boys, Douglas and Dudley, being 20 years.

Dee Coleman and his son, Mario are attending the 4-H calf show at Pampa over this week end through Monday.

Mr. and Mrs. E. L. Rankin have a new Ford pickup truck. W. W. Breeding is supposed to be dismissed from the Shamrock Hospital today, Tuesday.

Lenard (Blackie) Seerist has been trapping coyotes in this community lately, has caught several.

Mr. and Mrs. Worth Shields and family and his mother, Mrs. Jennie Shields, visited their relatives in San Jon, N. M., Saturday and Sunday. Mrs. Worth Shields visited her father, Andy Taylor who is ill, his home is Clovis. She remained with im for a few days.

Mr. and Mrs. Pete Bentley and children of Magic City attended church and visited in the home of his brother, Philip Bentley. Mrs. Philip Bentley celebrated her birthday by having some of the relatives Sunday. Arlie Dee Bentley is home from the Army, he was stationed in New Jersey.

Mr. and Mrs. Coffee of Pampa attended church at Dozier, Sunday. They were on their way to Cross Roads to visit some relatives there.

Carol Kelley has the measles. There are just a few cases in this community.

Bonnie Stenibridge is on the sick list.

Mrs. Leo Massey is reported better and will soon be at home.

Carrejo continued to miss often in the third, and often when the fans thought he was picking up points, Thompson actually was catching the punches with glove or elbow.

Jim never was hurt in a good, if not quite spectacular, match. It was a fine showing for his first trip here, regardless of the ballot, at which Chuck Whitlock, El Paso sports editor, expressed some surprise."

Students Save Buying Cafeteria Tickets Each Monday

Students buying their lunch room tickets on Monday will save 25 cents per meal ticket, Mrs. G. B. Hopper, who is in charge of the school cafeteria, has announced.

Elementary students buying their week's tickets Monday will pay \$1.25 for a \$1.50 ticket, and high school students will pay \$1.50 for a 1.75 ticket.

The cafeteria menu for the week beginning February 23, will include:

Monday: Vegetable soup with crackers, pimiento cheese sandwich on buttered toast, fruit cocktail with vanilla wafers, and half pint of milk or chocolate milk.

Tuesday: Baked young turkey with dressing and giblet gravy, sliced tomatoes, whipped potatoes, green beans, enriched bread, chocolate cake, half pint of milk or chocolate milk.

Wednesday: Pinto beans with chili, tomato juice, carrot and celery sticks, seasoned spinach, corn bread with margarine, half pint milk or chocolate milk, and jello.

Thursday: Hamburger pattie on a bun with onion, pickle and mustard, peanut butter and cracker sandwich, lettuce and tomato salad, potato chips, cherry cobbler, half pint of milk or chocolate milk.

Friday: Boiled ham, steamed cabbage, baby lima beans, corn bread, margarine, orange half, half pint of milk or chocolate milk.

Mr. and Mrs. Tiffin Young, Jr. and daughter, Irene, visited in Childress Saturday night with Mr. and Mrs. Wayne McClendon.

Lord Jim Says--

By Bill Hughes

Have you ever stopped to consider the meaning and importance of retreat, to be able to make a successful one. Indeed it is a basic element of success itself.

Take a mountain climber for instance. If when he attempts to scale a mountain peak he is suddenly stopped by impossible conditions, his eventual success depends upon his ability to get back down in order to try again. Or if he succeeds, then to be able to conquer the next higher peak he must first successfully retreat back at least to the point where the higher one commences.

Generally speaking, I propose that this principle in all endeavor is fundamentally similar regardless of contradiction rising out of our media of expression.

This brings me to the growth, development, and achievement of America. In view of the fact that we are a part of the world, that geographically we are only a fraction of this whole, and that population-wise we constitute an even smaller fraction of humanity, the heights to which we can go is directly dependent upon the whole of the world of which we are a factual part.

Our freedom cannot successfully survive being surrounded by slavery. Our economic wealth cannot withstand world poverty. Our future depends upon our will to give and our strength to take with the rest of the world, our ability to sacrifice today for a greater tomorrow.

The greatest gift of America to the human endeavor for a better world is individual worth and its freedom of self-development and self-expression from which has come our achievement and our progress.

This based upon unyielding faith in and an unrelenting search for guidance from God is the gift of America which is important. It is worth sacrificing materialism today that the world may have this freedom tomorrow. Only so can America go on and up.

Ours is the challenge of self denial and of successful retreat today in order to be able to climb again tomorrow. It is no different than the self denial and retreat from the known and the established that our forefathers made when they left Europe for America, the East coast for the West coast, as pilgrims and pioneers not so many years ago.

In essence it is the same spirit and fundamental wisdom that today is behind the cattlemen, and many others I suspect, who want no part of this sudden move by politicians for government help. We don't need subsidies, just the will and courage to draw in the belt. Government never made people. People make the government. People make the success of a nation. People make the history of humanity. Freedom to develop, freedom to express that development, and faith in God make people.

Deck's DIDACTICS

—By Deskins Wells

I see by the papers that the people of Childress are asking for a rehearing on the advance in telephone rates. They claim that the raise was not legal.

It is astonishing to learn how many people have been ill in the last two months from respiratory ailments. It ranges from ordinary colds to influenza to pneumonia. I thought I had sinus; but it turns out that I had an abscessed tooth that was slowly poisoning me. And the peculiar thing is that it gave me no pain whatever.

Doctors tell me that they expect no great decrease in the sinus, cold and similar ailments until this section gets a good general rain. This dust is just not good for the nose, throat, sinuses or lungs. (Why don't you move to Buffalo or Detroit? They have high wages, lots of folks to get acquainted with and lots of transportation. Why don't you move to Houston? It has everything including the Shamrock Hotel, mosquitoes, the most abominable climate you ever saw, poverty, crime, filth, wealth and some of the outstanding business, philanthropic, and educational institutions of the nation. I could mention the advantages and disadvantages of California and Florida; Washington and Maine.)

I could mention all of these things and it would not make a bit of difference to the average West Texan as he tells a friend that he hopes it will rain so that he can show his three year old son what rain is. And all of those who have lived here too long do not think of the present dust storms. They dream of how beautiful and how fruitful this region can be when the abundant rains fall. A West Texan can move from one section of the Southwest to another and be perfectly happy. To the young who think that they would like to live in distant places: I suggest that you move before you are twenty-five years old. Otherwise your heart will remain on the plains and the hills and among the streams of the Southwest regardless of where your body may be.

Virginia and I have explained the following to our readers and advertisers many times; but we did it orally. Perhaps it needs to be explained in printing. Frequently we are asked why we can't run a story on some community raffle or some merchants drawing concerns. The reason is that most of these are lotteries in the eyes of the law. It is against postal rules and regulations to send any advertisement or information through the United States mail concerning a lottery. The penalty is loss of our mailing permit, and if it were a big enough lottery it could mean a fine or imprisonment or both. Ask Mr. Curry for details.

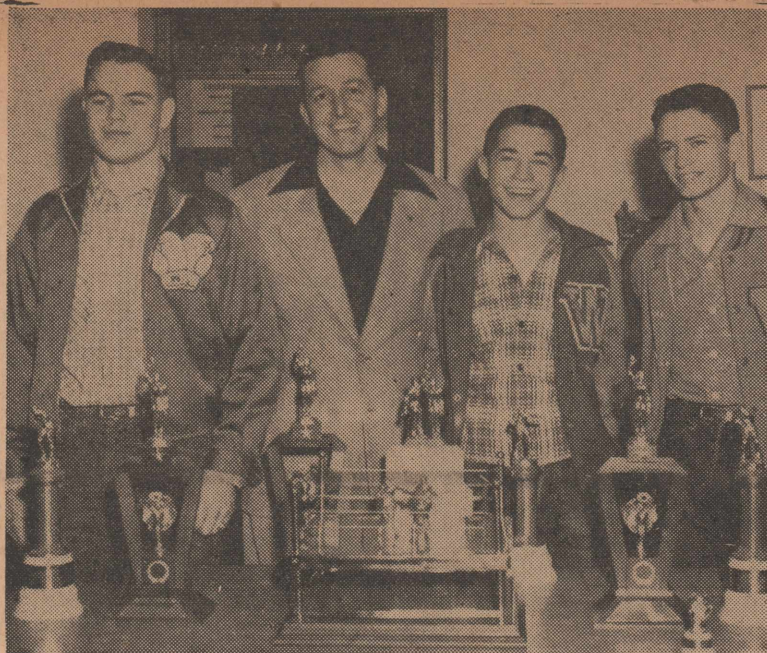

There are three points in a lottery regardless of whether it is called a raffle, a drawing, school benefit or what not. These are: a prize, a chance and a consideration. Eliminate any one of these three and you no longer have a lottery.

For instance a groceryman may have people register or give away free tickets for a basket of groceries or other prizes as long as they register or get the ticket free. But if he stipulates that a customer must buy \$5 worth of merchandise to get a ticket then it becomes a lottery and he can't advertise it through the United States mails. The purchase is the consideration that makes it a lottery.

You can print circulars and distribute them by hand as long as neither the county or district attorney do not mind. And 99 times out of a 100 they don't for all of these are innocuous and most are for worthy causes. But even so you can't mail that circular through the United States mail. It is not only the local postmaster who can stop you; but any other postmaster who catches it or any person who has such a circular in their possession can turn you in, and you can be prosecuted.

Paul Guthrie says that Wellington could benefit greatly by organizing a softball league composed entirely of players from the Wellington area. I agree with him. We had one a good many years ago under the direction of R. F. Curry and it attracted maximum crowds every night. It gives our own young men a chance to improve their skills and it provides good entertainment for their friends and families.

Personally I am through as a supporter of hardball as has been played here in recent years. I do not get much pleasure from seeing a bunch of paid imported baseball players from Oklahoma and elsewhere cavort on the diamond.

GOLDEN GLOVES WINNERS—AND THEIR TROPHIES
Three winners of the Regional Golden Gloves Tournament are shown here with their coach and with the trophies they won. At left is Floyd Hood, Coach Stanley Brooks, Duggie Jamerson and Jim Thompson. The square trophy at center is the Hamilton Award won by Jamerson.

—Picture by James Glasscock

It was built for the benefit of the young people of our own area. So why not have a softball league like Paul Guthrie suggests. Let it be one that will take care of the young boys of scout age on up to the former athletes who need to play to realize that they are not as sharp as they once were. This will require a junior and a senior softball league. Properly managed, they will finance themselves.

Zook Thomas tells me that I should retire as a salesman. He says that Alvin Horton is the modern type of salesman.

I have been under the weather for about six weeks. Recently I wrote that I did not like to work at all and seldom did anything that anybody else on the force could do about half as well. You can't write the plain truth without receiving criticism. So I expected criticism. But I got it from the last man in Collingsworth County who had a right to give it. It came from Ernest Lewis. Can you imagine it? He deplored the fact that I made such a statement and said that it would leave a bad impression on the young regarding thrift and hard work. Ernest Lewis may have done a lot of hard work in the Navy, as a merchant, and as mayor up to about 1945. But it is my opinion that since that date he has not done as much work as John Givens.

beauty care in years — a cosmetic line especially developed for the streamlined life of today's busy woman. The local druggist now has the new line in stock.

Miss Delafield, whose name is known and respected in the beauty world, Mr. West said, has always believed that beauty begins within. Her new cosmetic line is vitamin-centered. Your daily vitamins, at the cosmetic counter, are intended to protect clear eyes, smooth skin and glossy hair. Mr. West emphasized that the line has only one cream — Ann Delafield's all-purpose deep cream — a rich, luscious cream for deep-cleansing, deep-glowing and deep-lubricating the skin. Its precious oils, esters, cholesterol make it a day cream, a night cream and a throat, eye, skin and neck cream. Says Miss Delafield, "No mineral, no nonsense! Just the right cream for complete, scientific skin care."

In describing the new line further, Mr. West said the Ann Delafield face powder is a true French formula powder with the foundation build right in. The powder comes in five face-flattering shades, true-matched on the skin to the Ann Delafield compact powder.

Other items in the revolutionary new line include a stimulating skin freshener, a long-lasting cologne and a crisp-edging, indelible lipstick in five stopper shades, reported Mr. West. He added that the Ann Delafield Glamour Eyes is the first and only compact for complete eye make-up — mascara, shadow, eyebrow pencil and eyeliner in one tidy package.

Mr. West invites all the women of Dodson to see and sample this new line of cosmetics. As one of 10,000 independent druggists bearing the Rexall name, West's Rexall Drug Store has exclusive distribution in this area.

West Drug at Dodson New Cosmetic Dealer

"More than one cream? What nonsense!" says Ann Delafield, world famous beauty and reducing authority. In quoting the well-known beautician, Mr. West of the West Rexall Drug Store at Dodson announced the Ann Delafield Cosmetics, the first original "no nonsense" approach to

Dodson Co-Op Gin Has New Warehouse Under Construction

The Dodson Farmers Co-operative Gin has begun construction on a warehouse, to be joined onto the one already a part of the gin plant, Ed Crowder, manager, announced this week.

The new building is 18 x 76 feet and is of sheet iron.

"This will give us a chance to handle more fertilizers and more planting seed and we can keep a better stock of feed," Mr. Crowder said.

He pointed out that the gin will now stock grain seed as well as cotton seed.

He estimated that the cost of the new warehouse will be around \$1,000, since most of the work will be done by gin employees themselves.

In announcing the new improvements, Mr. Crowder recalled that in 1950 the Dodson Farmers Co-op Gin warehouse consisted of one box car.

"Since that time, we have made \$66,000 worth of improvements on our plant, including the warehouse now standing, other buildings and new equipment," Mr. Crowder said.

Wellington visitors Friday were Mrs. Lester Campbell and daughter, Chris, of McLean, and Mrs. Casey Jones of Shamrock.

Mrs. Allen Harper of Edinburg is here with her mother, Mrs. J. A. Mahan, who recently broke her hip in a fall at her home here.

Mr. and Mrs. L. E. Tingle and Mrs. McNabb had as guests Sunday, Mrs. H. K. Matney of Pleasant Grove, Arkansas, Mr. and Mrs. J. H. Havron, Roy and Jerry of Wellington, Mrs. R. L. Campbell and children, Royce Lee and Larry, of Amarillo, Mr. and Mrs. E. J. Havron and James of Amarillo and Mr. and Mrs. Ralph Martin and children of Pampa.

Bobby Hall of Erick, Oklahoma had a tonsillectomy in the St. Joseph's Hospital this week.

Mrs. W. Shipp of Vinson is a surgical patient in the St. Joseph's Hospital.

Impressive Church Ceremony Unites Vada Cook-Wauer

In an impressive ceremony performed Sunday, February 8th, in the First Baptist Church, Miss Vada Cook, daughter of Mr. and Mrs. James C. Cook, became the bride of Billy Wauer, son of Mr. and Mrs. Joe Wauer of Wellington.

The Rev. Chester O'Brien, Jr. read the double ring ceremony. Preceding the ceremony, Miss Jackie Moore of Bethany, Oklahoma, sang "Because." Mrs. Truman Estes accompanied Miss Moore. Mrs. Estes played "Clair de Lune" and the traditional wedding march.

The bride, who was given in marriage by her father, wore a formal wedding gown of white satin covered with chantilly lace and nylon tulle. The lace top had a fitted bodice with long pointed sleeves and a high standing collar. Her finger tip veil of white nylon net fell from a crown shaped bandeau of net covered with seed pearls. She carried a white Bible topped with white carnations and pink snapdragons tied with long white satin streamers.

The bride carried out the tradition of something old, new, borrowed, blue and a penny in her shoe. Her something old was a lavalier belonging to her mother. For something borrowed she carried her twin sister's Bible and her veil belonged to her sister-in-law. Her something blue was tiny blue earrings.

Miss Marietta Murry of Amarillo, cousin of the bride, served as maid of honor. She wore a formal dress of pink net over pink satin. Her colonial bouquet was of pink and white carnations. Her head piece was of pink nylon net with white carnations.

Best man was Ray Wauer, brother of the groom.

Groomsmen were Carl Cook, cousin of the bride, and Tommy Lowrie.

Mrs. Cook, mother of the bride, wore a grey suit with pink and black accessories and a corsage of pink carnations.

Mrs. Wauer, mother of the groom, wore a navy dress with black accessories and a corsage of white carnations.

Mrs. Wauer graduated from Wellington High School with the class of 1951 and was employed at the REA office until the time of her marriage.

Mr. Wauer also graduated with the class of 1951 from Wellington High School. He attended Texas Tech in Lubbock for one year. He is now employed in construction work in Lubbock.

The couple are at home at 2012

Keep Rain Away With These Gay Slickers

BY EDNA MILES

RAINCOAT time is just around the corner for many of us. In a few parts of the country it's a year round thing but in most places annual spring showers are coming.

For the very young miss, the oilskin slicker has returned. Women who wore it when they were flappers in the "Twenties" will view it with nostalgia. Their daughters will take to it on campus, job, or just on the go.

The new slickers are in colors that range from pink cloud to blue sky. There are vivid colors, too. Red geranium, blue sapphire, yellow, and nut brown. The oilskin itself has been treated to render it completely waterproof rather than water-repellent.

These slickers are styled along the classic lines made famous and popular by New England fishermen in the 1800's. For comfort and softness, a corduroy-lined collar has been added.

One design features this collar in stripes, just for fun. There's a matching hat too, with corduroy motif in stripes carried out on underbrim.

In addition to the head-hugging cloche, there's the traditional fisherman's "sou'wester" to wear with the slicker.

←The traditionally flamboyant oilskin slicker is toned down to a beautiful shade of nut brown for those who lean toward the conservative in color. It is highlighted by a striped corduroy lined collar.

Eagles Take District Championship Opener

By JAMES GLASSCOCK

By an impressive 49 to 35 over Groom, the Samnorwood Eagles took a step nearer to a possible district championship. Purl Tippi's Red and Blue clad youngsters wasted little time in starting their victory march. In the first game of the evening the Eaglettes of Norwood trimmed the Groom girls 42 to 29. It was a fast and exciting game all the way.

The boys game was slow-starting for the Eagles. In the first quarter the two teams did nothing but exchange points. At the end of the first quarter the Eagles led 12 to 11. Thurman Taylor put the Eagles ahead for the rest of the ball game. With just three seconds left Thurman shot and made two beautiful points. The second quarter saw the Eagles paced by Marlon Sheffield, Don Knoll, Thurman Taylor, George Cunningham, and Joe Thompson continue to build-up an impressive lead. At the half-way mark in the game the score was 24 to 17 in the Eagles favor.

The third quarter opened with the Norwood team looking much stronger than before. In this quarter the Eagles picked up 13 points while Groom could only muster 9 points.

The score at the end of this next to last quarter was 37 to 26. The fourth and final part of the ball game was exciting all the way. Groom made many desperate efforts to forge ahead, but it was to no avail. The golden Eagles were flying too high to be knocked out of their overwhelming lead. The game ended with the Eagles in control by a score of 49 to 35. Thurman Taylor was high-point maker for the evening with 15 points. Thurman made four field goals and 7 free tosses. Don Knoll, the star center for the Eagles, was second with a close 14. Don made five field-goals and four charity tosses.

Kotara and Keotting of Groom tied for first honors. They each had 9 points.

The Groom girls and the Eaglettes game was an exhibition game. It was one of those fast affairs and the fans got their money's worth out of watching the game. The Eaglettes took this game by a 42 to 29 score. The Eaglettes were never seriously threatened throughout the ball game. They led in every quarter. The score at the end of the first quarter was 16 to 11. The first

half of the game ended with the Eaglettes leading 27 to 17.

In the opening quarter of the second half the Eaglettes continued to lambast the Groom girls. The score was 31 to 24.

At the close of the ball game the Eaglettes led by a comfortable 42 to 29 margin.

The remarkable guard work turned in by Janice Oldham, Sue Prichard, and Sue Moody. They should be commended for their outstanding guard duty.

The top hoopster for the evening was Bonnie Kidwell with 18 points. She made 6 field-goals and five free shots. Goldie Tippi was next with 12. She made four field goals and four charity tosses. Kay Newkirk was in the third position with 9 points. She made three field goals and three one pointers.

Blackwell of Groom was high point for her team with 10 points. Music between the two games was furnished by Joe Schaub, Malcom Phipps, and Peggy Martindale.

EDITORIAL COMMENT — THE WELLINGTON LEADER

Lucas Fights Monoply

Tarrant County's congressman, Rep. Wingate Lucas of Grapevine, may have tough sledding in getting his amendment to the Taft-Hartley act through the present Congress. Senator Taft himself is said to be lukewarm, if not openly opposed. Old-line Truman Democrats in the House are bitter in their resistance to it.

This does not mean, though, that the Lucas amendment should not be adopted. The Texas lawmaker would forbid national labor unions from making contracts with "two or more" nationwide firms in the same line of industry. For example, the CIO auto union could make a nationwide contract with either General Motors or Ford, but not with both. At the same time, local unions of the same CIO group would be allowed to make labor contracts with two or more competing companies.

What Representative Lucas is aiming at, of course, is the monopolistic power

of Big Labor. He would make it impossible for one big union to work a stranglehold on all production in a given industry. This is a reasonable aim and fully desirable. It is in line with the thinking of the American public for generations. We have stringent antitrust laws affecting the operation of auto manufacturers, oil companies and all others engaged in interstate commerce. The public's fear and distrust of monopolies is deep-seated. It is also justified, from the record. Organized labor today constitutes an inseparable part of many of these nationwide business operations. Why organized labor should be exempt from these restrictions on unlimited power is beyond the public's understanding and sense of realism.

BIBLE COMMENT FOR FEB. 22

We Must Have True Values to Be Saved

There are many examples in history of persons who possessed a faulty sense of values. Three of these, recorded by the Bible, are offered for inspection. Two of these people were unable to see earthly riches in their true light. The third had his eyes opened and was thus saved.

The first of these was the rich farmer whose barns were so full he seriously contemplated tearing them down and building larger ones which would hold all his grain. This is itself was not wrong.

But this man planned to keep all his riches for himself. There is harm in this attitude. He was selfish and had no intention of "being rich toward God" or serving his fellowmen. His sin was his self-centeredness.

The second man was a rich young noble whom Jesus loved. This youth had kept all the commandments since his childhood but

he was troubled about the question of eternal life. Jesus invited him to leave all and follow Him.

But the young man could not take this decisive step. He turned his back on this opportunity for eternal life because he thought more of his possessions and earthly position. He could not estimate their value in relation to spiritual things.

But the third man, the one who looked, listened and saw his possessions for what they were, was a local official who must have waxed fat on graft and extortion before his conversion.

Zacchaeus paid for the privilege of collecting taxes in a land dominated by Rome. We do not know whether he was honest or dishonest. We do know he longed to see Jesus when the Master made the trip to Jericho. We also know that the man told the Master that if he had wronged any man he would restore him fourfold.

Zacchaeus discovered a true sense of values, something even death could not take away. He found salvation where the others had overlooked it!

We call it our insomnia suit because it hasn't had a nap for years.

SALT FORK By MRS. R. H. ISBELL

More wind, more sand and part of the time we have some of the stickiest brown dust that won't sweep up or wipe off. The house wives are getting discouraged. It's time to be getting a garden started — too dry, we surely need a good rain. We still have lots to be thankful for though. In Europe they're having floods, lots of people have drowned, thousands homeless, so cheer up folks it could be worse.

Sunday was quarterly conference time for the Wellington Circuit Churches. Loco (Bethel) was hosts for the meeting Sunday. Mr. and Mrs. C. A. Wright represented Salt Fork Methodist Church.

Charles Wright visited in Wellington Sunday.

Mrs. Maxwell visited Mrs. G. C. Wright Sunday.

Ronald Cummings returned to his home in New Mexico Sunday. He had been visiting his grandparents, Mr. and Mrs. J. P. Cummings and other relatives here the past week and having his teeth worked on by a dentist here.

Edna Ellen Wright and Jeanetta Gollighugh visited Elena Nell Bolton Sunday.

Mrs. Maxwell, Mrs. Wright, Mr. and Mrs. R. H. Isbell were supper guests Sunday night in the G. C. Isbell home in Wellington. They attended church at the Methodist Church Sunday night. Brother Michael preached to a full house Sunday night and they had 74 at prayer meeting last Wednesday night, isn't that wonderful. Surely hope they keep up the good work.

The John Gollighugh moved the first of the week to town. They live on Arlington Street down near the Clinic. C. A. Wright helped them move.

Mrs. Duard Harris and children were week end visitors in Wellington with Mrs. Dee Harris and other relatives.

Mr. and Mrs. Trusten Thomas and family are moving where the Gollighugh family lived. Trusten is going to try his hand at farming. It looks rather discouraging right now for a beginner but this old sand may come out of it yet and make a bumper crop.

There's still some flu in the country. Mrs. C. A. Wright has been having a round of it, but is lots better now. Every one says this is the hardest flu to get over they have ever had.

The Walter Sweedens were visitors in our community over the week end.

Mr. and Mrs. Ira Morrow visited their son and family in Clarendon recently. He had been real sick, but was better when they were there.

Mr. and Mrs. Richard Peters are still staying with his parents who have been sick with the flu. Mr. Peters is up and around, but Mrs. Peters still feels very bad, can't seem to gain her strength back.

There's a little baby girl come to live with Mr. and Mrs. Jesse Peters. Congratulations, folks. The sweetest thing on earth is a baby girl or boy.

R. H. Isbell is overhauling a pickup for J. P. Cummings this week.

Mrs. Henry Wischkaemper was called to Amarillo last week to the

bedside of her daughter, Mrs. Helen Lancaster, who was injured when her car was run into. Helen's car was stopped when she was hit. We surely hope Helen isn't seriously injured, but at the last report she couldn't walk, her back was hurt.

Mr. and Mrs. John Gollighugh and C. A. Wright were dinner guests in the Wright and Isbell home last Tuesday.

Mrs. Ted Isbell isn't feeling well. She fears its an operation for her before she gets any better.

Mrs. L. D. Cleveland was real sick first of last week, but was better last report.

Mrs. C. A. Wright visited Mrs. G. C. Wright and Mannie Isbell Saturday while the rest of the family visited and shopped in Wellington.

Folks coming to church Sunday from the west side of the Salt Fork community said the men that are trying to fix a bad sand bed across the road west of Salt Fork Church had it in good shape Sunday. Thank you folks so much for

your road work. We all surely hope it will last this time.

Mrs. Wright and the Isbells visited Mr. and Mrs. Ira Morrow awhile Monday night. Mrs. Morrow is having trouble with her teeth, is going to the dentist.

Visiting in the home of Mr. and Mrs. A. T. Smith recently was Mrs. Smith's sister, Mrs. J. S. Pool of Portales, New Mexico, and Mrs. Ada Ford and daughter, Mrs. Wynone Gilberth, of Matador.

Last Game for Jo White, Fern Neeley WELLINGTON, QUAIL GIRLS PLAY EXHIBITION GAME HERE FEB. 21

By JAMES GLASSCOCK
Wellington basketball fans will have one more chance to see the magnificent Jo Helen White and hard-working Fern Neeley. Both girls are seniors in Quail high school and this will be the last time that they will don a Bobwhite uniform and wear it on the Wellington court.

The Wellington Rockettes and the Quail Bobwhites tangle in two exhibition games this coming Saturday night, February 21. The tip-off time is set for 7:30 p.m. The two games will pit the "B" teams girls against each other, while the main event of the evening will find the Rockettes and the Bobwhites going after a win.

The records of both teams show that they can play fast and exciting ball. The Bobwhites have stellar players on their team. Such players as Jo White, Fern Neeley, Payteen Peoples, June Russell, and many more. Fern and Jo Helen are two of the best forwards in this section of the country, while the defensive unit is manned by Payteen Peoples and June Russell.

The individual records of the players stack up to a lot of honors. Jo White has made well over 652 points so far this season. Also, in the last three years she has made 11 all-tournament teams. In fact in every tournament she has played in this year honors have been given her. This is quite a record. Fern Neeley is a tricky and slick ball handler, and she knows the game in and out. Fern's abilities are not limited to just being a forward. She can play at a guard position and feel right at home. Both of these girls are seniors and they are certainly noteworthy of praise.

Peoples and Russell have been the main part of Coach Bill Phillips' Bobwhites defense. Payteen is just a junior while June is a sophomore. Quail can certainly expect to see a lot from these two fine players in the future.

Wellington has made some records of its own. For two consecutive years they have taken the district crown without any trouble.

Wellington has two great players in its line-up. Shirley Prichard and Grazelle Scott are two of

Three Employees of General Telephone Company Move Away

Resignation of three employees of the General Telephone Company was announced this week.

Miss Nelda Nipper will leave within a short time to join her parents, Mr. and Mrs. Floyd Nipper, who have moved to Tulsa.

Mrs. Bud Wilkins is moving to Amarillo, where her husband is employed. She is the former Alice Faye Lowrie.

Mrs. Walter Lee O'Neil has resigned to enter Texas State College for Women, where she formerly a student. Mr. O'Neil is serving with a Navy unit in Korea. She is the daughter of Mr. and Mrs. Jim Wood.

One new trainee has begun work at the office, Miss Tawana Lee White, daughter of Mr. and Mrs. B. L. White, who live south of Wellington.

the finest players to be in the Rockettes roster in a long time. Both of these girls are seasoned ball players and they do their share of the work. Wellington has some more fine basketball players. Sharon Elbert, Betty Cagle, and many more work hard to help the Rockettes win.

This is a benefit game for the Rockettes. The money that is taken in will help defray the Rockettes expenses at the regional tournament which will be held in Canyon.

Coach Don Briggs said, "I would like to see a lot of fans from Wellington, Quail and the surrounding communities at these ball games. We certainly will do our best to give the fans their money's worth," he concluded.

County Collects \$76,487 in Tax Money Jan. 31

Deputy Tax Collector Hubert Mauldin has announced that the county collected \$76,487.95 in taxes from October 1 to January 31, deadline for payment of taxes without penalty.

This represents payment of 90.37 per cent of the taxes rendered on the current tax rolls, with the total assessment standing at \$84,639.18, Mr. Mauldin said.

During the same period, his office collected \$24,582.73 in state taxes.

Of the county tax money collected, Mr. Mauldin said that 41 cents of each dollar goes into the county's general fund, 4 cents into the jury fund; 30 cents to the road and bridge fund; 8 cents to the court house and jail fund; 5 cents to road bonds; and 12 cents to court house bonds.

The state tax rate of 42 cents per hundred dollar valuation is divided as follows: schools, 35 cents; confederate pensions, 2 cents; and college building fund, 5 cents.

PRESENT CONCERT HERE

The West Texas State College Band, directed by M. J. Newman, will present a concert program Tuesday, Feb. 24, in the Wellington High School Auditorium. The program, to begin at 10 a. m., will include a versatile sel-

lection of marches, variety music, ballads, and concert. The concert is sponsored by the Wellington High School Band.

ham, who sweeps the backboards with her hand just as if it was a big broom. Kay Newkirk is one of the best pivot forwards in the business. She can make some beautiful shots from under the basket. Sue Prichard is the left guard for the Eaglettes and she can steal the ball from the opposition," he stated.

He went on to say, "The psychological factor in this game will not matter. Our girls realize that they have won the state title for two straight years but they feel that they are just the team to dethrone them."

"All of the team is in the peak of condition and we will have

the big guns ready for this clash. "Our season record for the year is 31 wins and four losses. We have won two tournament crowns. Claude has won 20 of their 21 games. They have taken one tournament crown," he stated.

"We are going to give them a run for their money," he stated. Supt. Cunningham made this observation. "The teams in this district are some of the best in the state. If they could represent the state each one of them could be at the state tournament," he concluded.

The Samnorwood Eagles will have to go into an extra game with the Groom boys to determine the winner of this section. In the second game of this series the Eagles were edged by the Groomites by a score of 37 to 36. With just 10 seconds left the Groom boys dropped in a free shot and that won the ball for them.

The deciding game will be played this Saturday night in Clarendon. The game time will be at 8:00 p.m. This will be the game that really counts and the fans will get to see a lot of action-packed ball.

In the other game of the evening the "B" Eaglettes won by a close 30 to 27 score.

and a freshman or under. This way we feel that we give the other teams in the tournament a chance.

"There will be three awards in each division. A first, second, and consolation trophy will be awarded. There will be no individual awards given," he went on to say.

Coach Phillips stated, "The past two tournaments have been a great success and last year's was better than the year before."

In this tournament this year each team entered will have an equal chance at the tournament crown. There will not be any team that has the inside chance.

He concluded, "We guarantee the fans who come that they will get their money's worth and see action a plenty."

The teams that are entered are Quail, Wellington, Samnorwood, Hedley, Kellerville, Albreed, Le-lia Lake and Lela.

ter methods of homemaking and home practices.

164 method demonstrations were given to a total of 1439 adult women and 1437 Four-H Club girls.

Eight achievement days were held for women with a total of 215 participating and two achievement days for 4-H girls with a total of 475 participating.

Assistance was given to four in constructing dwellings and to 15 in remodeling dwellings, to 20 in installing sewage disposal, to 10 in installing water systems, to 65 in repairing or refinishing furniture, to 160 in improving home grounds and to 10 in planting windbreaks. Help in food preservation was given to 250, and to 175 with food freezing problems.

Fifty families were helped with food buying problems, 125 families were assisted during the period with "making versus buying" decisions; 400 families were assisted with clothing construction problems; 400 families were assisted in the selecting of clothing and textiles.

Fifteen families were assisted in the care, renovation and remodeling of clothing.

Fifty-two families participated in the child development and par-

ent education program.

Two hundred and nineteen club girls were enrolled in these 4-H projects: food preparation, food preservation, clothing, yard improvement, gardening and home improvement.

Mrs. Walter Franks, North Wellington Club, was the only county member with 100 per cent attendance record for the year.

Mrs. W. D. Aldridge was recognized as being the oldest members. Mrs. Jess Deger, now an active member of the Lullie Demonstration Club, was the first girl to enroll in what is now 4-H work in the county. In 1920, when she was Oleta Worley, she enrolled for the girls poultry club. She has been in 4-H or home demonstration club work continuously since.

Mrs. Charles Wilson of Pampa visited in the William Blasingame home last week end.

Mr. and Mrs. Pete Abney of Rolla visited in the Homer Davis home last Sunday evening.

Miss Jenelle Langford visited friends in Amarillo last Saturday.

Mr. and Mrs. Archie Lee Ashton and children of Amarillo, Mr. and Mrs. L. P. Ashton Sr., of Cactus were week end guests in the G. D. Thomas and E. L. Wilson homes.

Mr. and Mrs. Norvel Manuel and family, Vonell Martin, Loreta Loter and Jeff Hardin of Childress, Wanda Minarea of Wellington, Mr. and Mrs. Hubert Manuel and boy of Childress, Marvin Manuel and Jerry of Shamrock spent Sunday with Mr. and Mrs. Haskel Manuel and Don.

Mr. and Mrs. L. D. McMinn and Mrs. Dave Thomas, Truett Thomas and John and Nancy, and Mr. and Mrs. G. D. Thomas attended the funeral of Joe McDonald at Elk City last Friday. Mrs. McDonald is a sister of Mrs. McMinn and G. D. Thomas.

Mr. and Mrs. Buster Stafford and children of Fort Worth visited in the L. D. McMinn home in Wellington last week end. Mr. and Mrs. Zook Thomas and Nancy and John were week end guests in the Russell Nickelson home in White Deer.

Mrs. J. L. Burt was in Amarillo the first of the week to attend market.

SCOTT FARMALL TRACTORS INTERNATIONAL TRUCKS
TRUCK & TRACTOR CO.
Wellington, Texas

Mr. and Mrs. Delbert White bought a new 16-foot International Harvester freezer last week, to be delivered in a few days when they get settled. This is all the special priced '52 model freezers we had — and these folks plenty smart to grab it. We do have a couple of '52 model refrigerators left — sell out at less than wholesale — but not much less.

Still putting out the lister shares — Coy Cates, L. C. Hill, many others, have been in after them last few days.

Floyd Carter, from over the other side of Dodson, in to buy a Hudson automatic marker. Floyd is a new Super M Farmall owner, but he went off up in Oklahoma somewhere to take a dealer to a cleaning, instead of coming here. I appreciate that, because dealing with Floyd nearly always costs you; he's too fast a thinker.

Lewis Morris is no slouch, either, when it comes to making a smooth trade. A few more deals like the new Super M he took off me Monday and I'll have to take over Don's paper route to pay the rent.

The new Super H tractor is here — which completes the line of Super Farmalls. More power, disc brakes, and all the trimmings, but underneath it's the same dependable, cheap opera-

ting Farmall H.

Mish Dukeminier drove his Farmall M in to the shop early this week for some minor repairs. Charles Cason had us grind the valves on his TD-18 last week. W. R. Benton had some transmission work done on his Farmall H, and Grover Graham had us overhaul one of his tractors, name on request. It's a genuine pleasure to see the kind of work these boys are turning out of the shop here lately. "Will do" just won't do, with them; it has to be RIGHT, no matter how much of my time they use up. They're getting almost fanatical about doing the customer a job that will stand up, at the least possible cost. I like it that way, and I know you will, too.

Elmer Carter reports his old Farmall M with the Super M sleeve chomps at the bits like a 2-year-old. Says he is listing in fourth gear with three bottoms. Ask him how deep. J. A. Coleman hasn't reported the results of his Super M overhaul but we'll be hearing from him soon and I know he's going to be pleasantly surprised.

Did it ever occur to you maybe it hasn't rained because you're not ready — and maybe you ain't ready because you haven't got that new Super M, or Super H, or Super C Farmall that you need?

Changes Made in FHA Office

Resignation of Miss Virginia Evans as secretary in the office of the Farmers Home Administration was announced this week by Aral Cummings, supervisor.

She is being replaced by Mrs. R. L. Mabery, who will begin work Monday, February 23.

Miss Evans has been with the FHA office for a little more than two years, and prior to that time she was secretary of the Chamber of Commerce. Her resignation is effective February 27.

Mrs. Mabery has served as secretary to John Coleman, co-ordinator of the Veterans Vocational School, and since that work was cut to part time, she has worked a portion of each week in the office of the Texas - Oklahoma Moisture Improvement Association.
