Lamesa, Dawson County, Texas, Thursday, November 16, 1939

Number 44

STANOLIND WILDCAT FORMATION IS RUNNING HIGH

MARRIED FIFTY-NINE YEARS

Mr. and Mrs. W. W. Strong, pioneer couple of Lamesa, celebrated their fifty-ninth wedding anniversary on October 17. Mr. Strong, who will be 79, on November 25th, and Mrs. Strong who is 77, were married near Gilmer on October 17, 1880. She was Miss Mary Bouknight before her marriage. They have one son, John Strong, and two daughters, Mesdames W. R. Dixon and O. D. Holloway, living in Lamesa. They have been Dawson County residents for more than twenty years.

Courier To Be \$1.50 Per Year

Rate Effective After Bargain Days Are Over

Seventy-five Cents Now Buys Paper

More and more people of this territory are taking advantage of the big Bargain Days which are now in effect on the Courier. Until further notice, and by no means a prolonged time, you may get the Courier for one full year for 75 cents, provided of course, you live in Dawson or adjoining counties. After the Bargain Days are over, the paper will positively be \$1.50 per year.

After investigating a large number of weekly papers over Texas, the publishers of the Courier have found that most of them charge at least \$1.50 per year and many of them \$2.00. It was also discovered in this survey, that there are few weekly newspapers in the state that publish as large a paper as the Courier, so it is felt that this increase in subscription rates is fully justifiable. Rising costs, too, make it necessary to increase the price of the paper, if the same high standard, as has been maintained heretofore is continued.

Besides bringing you the latest news of the town, county and your own individual community, written in a clear, unbiased manner, the Courier each week is chock full of the best bargain values in all lines in Lamesa. This feature alone will enable you to save many times the cost of the subscription, if you shop the values in the Courier, ad each week. You will also find among the ads, news of the newest arrivals in merchandise, style trends, and many other things which you want to know. Every line of business is represented among Courier advertisers, and regardless of what you want to buy, you will more than likely find it in the Courier.

You are urged to not delay, however, as these Bargain Rates are for a limited time only, and will be withdrawn shortly. Save half on your paper by coming in today and either renewing, or to take the paper for the first time. Either way, you have a savings coming. If you are already getting the paper and your time is not yet out, your date will be set ahead a full year from the expiration date.

Tornadoes Move Into Sweetwater For Friday Game

Locals Are Decided Underdogs In Affair

The Sweetwater High School Mustangs are this week's opponents for the Lamesa High School Tornadoes, with the game to be played in Sweetwater on Friday night.

The Mustangs are already counted in as the District Champions by some sportswriters even though they are yet to play Lamesa and Big Spring. The players of these two teams do not particularly relish the implications as to their team strength. Lamesa boys mean to carry the battle to Sweetwater as was done in the Midland and Odessa games.

The Mustangs were scouted by Coaches McCollum, Gregg and Spraberry last Saturday. The three coaches saw a fast, powerful team with enough speed and power to defeat Odessa by the small margin of three points, or one point after touchdown and a safety for two points. Sweetwater did not appear unbeatible in that game and the relative scores in their other games are not such that the Tornadoes regard them as invincible and the greatest battles of their lives.

The lead changed first from one team to the other five times before

The Proof of the Pudding---

"The Proof of the Pudding is in the Eating", and the proof of how well a newspaper has satisfied its subscribers, is whether they renew when their time expires. In this the Courier has much to be proud of, for during the past few weeks readers come in every day to pay the highest compliment a paper can get, and that is to say "Keep the paper coming".

Many have taken the paper for the first time, while others have renewed -- many whose time will not expire for several months. The reason for that early renewal is to take advantage of the savings which are in effect during the Courier's Big Bargain Days. If you live in Dawson or adjoining counties you may get the paper now for seventy-five cents, and after the special days close it will cost you \$1.50 per year. So it behooves you to come in today and make this saving on your Home Town Paper.

The following have come in during the past week to either renew or subscribe for the first time:

Dawson County Red Cross Chapter Is Short Of Quota With 292 Members Signed

Lamesa School Enrollment Is Up To New High

Total Passes 1600 Mark This Week

The enrollment in the Lamesa schools passed the 1600 mark on Monday of this week when nineteen pupils appeared for enrollment.

The distribution of pupils as of gross enrollment figures indicates that 998 have been enrolled in the elementary school, 570 in the high school and 45 in the colored school for a total of 1613 as of November 14th. It is reported that there have been some pupil removals from the district but that the total in daily attendance is gradually increasing.

The peak of attendance is expected in January, February and March unless the oil interest increases in Lamesa to the extent of causing workers in that industry to settle in Lamesa. There has been an increase in enrollment on every Monday since the opening of the Lamesa schools on September 11th. Fifty-two pupils have enrolled in the last three weeks.

Midland Takes Heartbreaking Game From Golden Tornadoes Friday Night

It was a great ball game. In fact one of the best ever played in West Texas, in the way of thrills, action, suspense, sensational plays, and hard scrapping on the part of both teams. Yes, the Midland High School Bulldogs finally defeated the Lamesa Golden Tornadoes last Friday night at Midland, but not until the last whistle sound did they have the game tucked away in the win column.

The Tornadoes, playing the entire game with only one substitute finally gave way before the superior manpower of the Bulldogs, and the game ended Midland 33, Lamesa 28, but only after one of the greatest battles of their lives.

The lead changed first from one team to the other five times before

NYA Woodwork Shop Opened In City This Week

Machinery Is Being Set Up For Work

District Supervisor Jennings L. Lewis of Lubbock, visited the NYA Shop in Lamesa on Tuesday of this week, and complimented very highly the work being done by the NYA boys under the local supervisor, X. R. Banks.

The boys have been at work on the installation of water and sewer facilities for their shop. In addition to other small jobs in the shop arrangement of tools, refinishing a table for the District Court Room and building two tennis tables for Grandview school have been some of the things accomplished this week.

They are having calls for work which will keep the boys busy. They will likely be able to use thirty boys when they are certified for us. Mr. Lewis stated that it is possible for Lamesa to have one hundred boys at work for NYA.

This is a project worthwhile to boys who are interested in learning to do things and who want to do them.

District Court Opens Fall Term Monday Morning

Grand Jury Convened As Opening Move

The fall term of the 72nd Judicial Court will open in Lamesa next Monday morning with Judge Louis B. Reed on the bench.

The first week is expected to be Grand Jury and the disposition of several divorce cases which are on the docket.

Below is given the Grand Jury list as well as the Petit Jury for the second week:

Grand Jury: D. L. Adcock, B. B. Alsbrook, G. C. Aten, C. A. Baldwin, Otto Barkowsky, N. D. Bartlett, O. R. Bearden, W. J. Beckham, W. E. Brown, Cecil O. Bryant, W. T. Carroll, Syd Coffman, D. S. Day, R. I. Hill, F. J. Meares, H. L. Jeter.

Petit Jury for second week, Nov. 27: J. W. Howell, K. Whitmore, W. V. Lawrence, R. H. Kennison, D. Huddle, S. O. Nowell, Kelly Bookman, Price Kimbrell, H. F. Barron, J. C. O'Brien, George Norman, Lee Billingsley.

W. E. Love, S. M. Latham, Howard Chapman, Jennings Winter, G. (Continued to Page 4)

Among The Younger Set

Photos By Ash Studio

This week the Courier is happy to present Her Majesty Bobbie Coleen Price, the dainty bit of baby loveliness pictured above, as Ruling Queen of the Younger Set for this week. She is the daughter of Mr. and Mrs. Buck Price, 1504 North Second Street, Lamesa. She was born June 18, 1938. She has blue eyes and blond hair.

Show Indicates Wide Spread In Cedar Lake Pool

Two Offsets Drilling Below 3,000 Feet

Stanolind Oil and Gas Company No. 1 Thomas S. Riley, wildcat located three and one-half miles northwest of the discovery well in the Cedar Lake Pool, is reported as 22 feet structurally higher than the Raynor No. 1.

Samples have placed the anhydrite top at 2,040 feet, datum of plus 1,109 feet. Anhydrite had previously been reported but not confirmed at 2,045 feet.

This is the outstanding news of the Cedar Lake development this week according to local oil men. This well is being watched with much interest, as it will prove a wide spread to the field if it makes a producer. With the high structure, it has every indication of making a better well than the discovery, which gauged 1,270 barrels.

Stanolind No. 1 American Warehouse, west offset to the discovery, is drilling below 3,793 feet in anhydrite, and the same firm No. 1 A. L. Green, south offset, was drilling below 3,058 feet in the same formation.

Although there is no other actual drilling activity in the field at the present time, another offset to the discovery, located south of the No. 1 American Warehouse, will be spudded in upon the completion of the Warehouse well. It is understood that the rig now being used will be skidded on the new location.

It is understood that the Dawson County section of the road to the field is now graded and open for traffic and the remaining 2 miles of the road, which is located in Gaines County, will be completed shortly.

Quite a large building program in Lamesa is hinging on the outcome of the three wells now being drilled. If they come in producers, it is expected that a large number of residences and apartments will be constructed here.

Odd Fellows In Special Meeting

Lamesa Lodge No. 259, O. O. F. will have a special meeting next Tuesday night at 8:00 o'clock, with Edward Garland, N. G. presiding.

The District Deputy Grand Master expects to be present and will speak to the lodge. Other visitors and local speakers are also to be heard.

Business matters and other things of importance to the welfare of the lodge are to be discussed. Every member of the local lodge is urged to be present.

Mr. and Mrs. Cecil Dement attended the funeral of Raymond Smith at Dallas last week.

Read Classifieds For Greater Profits

Each week the Courier Classifieds columns become more popular as more and more people are realizing that these little workers will really get the job done.

Their versatility makes them adaptable for almost every usage. If you have something to sell, trade, rent, or offer some special service, or if you want to buy, rent, etc., then you need a Courier Classified.

The little wonder workers are very inexpensive-- seldom running more than the minimum charge of 25c, and the results obtained by those who use them are nothing short of phenomenal.

Readers of the Courier too, find it very interesting and profitable to read the Classifieds each week. They are time savers and a short cut to getting what you want in the easiest and quickest way.

23,209 Bales Are Ginned In Dawson County From 1939 Crop Prior To Nov. 1

MOST UNUSUAL SHELL IS FOUND

James H. Brown brought to the Courier office this week a very unusual and peculiar shell formation.

It appears to be the remains of what was once a pocketknife, on to which four oyster shells have attached themselves. Corrosion has set in and they are now one amalgamated mass of shells and a rock-like formation. The object is about four inches long and has a large shell attached to each end.

It was found by his daughter, Mrs. Oia Mae Randall at Corpus Christi. It is on display in the Courier Office for the benefit of those who would care to view it.

Large Number Of Deer Hunters Go To South Texas

Texas Season Opens On Big Game Today

Several groups of deer hunters have left Lamesa this week for various points in south and southwestern Texas and New Mexico. The season opened in the latter state on November 1, and opens in Texas today.

L. R. Tidwell, Charley Hunt, Jim Waltrip and Frank Stanley left Monday night for the Big Bend Country.

Dr. J. M. Harrington, Raymond Hatch, Ernest Rhodes and T. J. Casey left Tuesday night for the Big Bend section.

L. B. Vaughn, Joe English, Boyd Echols, Durwin Echols and R. E. Echols Sr., left Tuesday for a South Texas hunt.

Irvin and Hoz Wright returned last week from a successful hunt in New Mexico.

Latest figures on the amount of cotton ginned in Dawson County from the crop of 1939, reveal that prior to November 1, there had been 23,209 bales ginned as compared with 25,709 on the same date in 1938.

On October 18 there had been 16,375 bales ginned in the county. It is estimated that the figure to be set ahead a full year from sand bales and possibly 27,000.

Gin men and cotton men place the total yield at near thirty thousand bales for the county, as compared with a little more than forty thousand bales for the 1938 crop.

Late cotton in the west part of the county, which was planted after the rain in June and July is just now beginning to open. It largely depends upon what this section will produce as to how high the total will go. It is estimated that between ninety and ninety-five per cent of the cotton is gathered in the east part of the county, as well as some other sections.

Although the 1939 crop is only 2,500 bales behind the '38 crop at the same date, it is estimated that the total will be ten thousand bales short. The difference is pointed out in the beautiful open fall this year, enabling farmers to gather their crops with the greatest possible speed.

McCarty To Hold P.-T. A. Meeting

Plans are going forward at McCarty for a mammoth Parent-Teachers Association meeting there next Tuesday night, November 21. A big Thanksgiving party will be held and the entire community is expected to attend and participate in the meeting. Cakes and drinks will be served by the ladies of the community it is announced.

Students of the school will take part in the program. A membership contest between the Blues and the Golds should prove interesting to all who attend.

W. B. Collins and Rev. David Murray took a carload of crippled children from Lamesa to Lubbock Wednesday to visit the Crippled Children's Clinic.

(Continued to Page 4)

(Continued to Page 4)

Singers To Meet At Woody Sunday

Announcement is made this week of the regular Third Sunday Singing which will be held at Woody next Sunday afternoon, beginning at 3 p. m.

Some especially good singing is expected at this gathering and the public is not only invited to come, but to join in the singing as well.

Constipated?

"For 30 years I had constipation, awful bloating, headaches and back pains. Adlerika helped right away. Now I eat squares, bananas, etc. anything I want. Never felt better." Mrs. Mabel Schott.

 Sports Writer — Raymond Peterson
 Sponsor — Miss Wilma Allen
 P. T. A. Meeting Nov. 21
 McCarty P. T. A. will hold its regular meeting, Tuesday night, November 21. A big contest is on.

Come join the Blues or the Golds. Mrs. K. Whitmire is the captain of the Blues and Mrs. Jesse McCasland the captain of the Golds. A big picture, "The Pilgrims Going to Church" will go each month to the room having the most mothers and fathers present. Be sure to come and enjoy your room.
 A very interesting program has been arranged for you.
Attendance High At McCarty
 We have an enrollment of 57 students, and our attendance for the first two months of the term has been averaging 97 per cent. We are very proud of this record and hope that we may continue this way.
New Librarian For McCarty
 Miss Norene Pourrell of Lamesa has been assigned the place as librarian for our school. We know that Miss Pourrell will like her work and that we as students will do our part in making her work with us very pleasant. A new shipment of books will arrive in the next few days. We urge you to come down and look over our library. If you have any books or magazines that you wish to lend or give to the library please send them now. We can always use more books and magazines.

The Gift of Health for the Entire Family

The gift of health is a natural thing. But health already present can be improved upon by including real quantities of Pasteurized Grade A Milk every day... for every member of the family. It's the ideal builder-upper, and no Lamesa family should be without it... now or any time!

PASTEURIZATION PROTECTS YOU AND YOURS
 Louis Pasteur is honored throughout the medical profession because, among other things, of his giving the world the safety and protection made possible through the Pasteurization of milk. Medical men since have devoted their lives to research work begun and discovered by the great Pasteur, and with the best of laboratory equipment they have discovered the truth about milk — whatever it may be — and so today we are able to offer you and the members of your family the double protection of Pasteurization.

HANCOCK School News
 So many games on the school grounds that one hardly knows what he wants to play. Some of the primary boys are getting to be such good marble shooters that they may challenge the high school most any day.
 All enjoyed the Armistice program that the 3, 4 and 5 grades put on. The program typified the three or four classes of people and their reactions to the war.
 Tuesday was designated as general clean-up day and all have thoroughly enjoyed the results. Out of the clean-up grew a campaign and election. Due to the fact that we wanted the school grounds to remain clean, we had secret detectives for each room and then we had to have some way to punish the offenders. Of course Mr. Ranson was the high judge, but two candidates, Archie McCurry and Clyde Qualls announced for sheriff. Archie managed to win out by only a few votes. Prosecuting Attorney candidates were Claudine McCalley

Grammar School News
 The grammar school honor roll is divided into two sections. Honor Roll A and Honor Roll B.
 Those who made honor roll A are: Martha Lou Dollar, Corkey Grissom and Nona Payne Davis.
 Honor Roll B is divided into grades:
 First grade: Royce Dan Hinson, Jim Frank Birkhead, Tommy Glen Callender, Billy Cornett, Arlie Ral Williams, Wayne Davis, Margaret Davis, Madge Lauderdale, Novell Jones, Mona Gale Trice, Johnny Fay Houser, and Maxine Berry.
 Second Grade: Horace Choate, Olin Ham, Chloice Shofner, Billy Russell, Oleta Allen, Doris Laster.
 Third Grade: Raymon Hanson, Pittman Lauderdale, G. W. Martin, Maxie Ray Porch, Daylene Hinson, Glyn Dora Holder, Lorene Lobstein, and Ivan Lee Shipley.
 Fourth Grade: Lillian Grace Alexander, Jack Braswell, Ludene Davis, Loyd Davis, Ercel Hall Motley, Gay Richardson, Patsy Lois Stanfield.
 Fifth and Sixth Grades: Carrol Jean Trice, Helen Ruth Petteway, Opal Lee Alexander, Mary Arnett, and Ann Scott.
 Seventh Grade: Bobbie Gene Parchman, M. L. Davis, Roberta Speck.
Second Grade News
 The second grade pupils are divided into two groups, the Red Birds and the Blue Birds. We finished a contest in word drill last week. Ruth Davis in the Red Bird Class and Gerald Hall in the Blue Bird Class were the winners.
Third Grade News
 The third grade pupils are planning to work on a Japanese corner. They have completed their sand table project demonstrating "The Wolf and the Three Pigs."
Fourth Grade News
 The fourth grade class has started a bird book in their Art class and are enjoying drawing and coloring different kinds of birds.
Chapel Speaker
 Brother Arnett, pastor of the Five Mile Baptist Church, made an interesting talk on "Enthusiasm" in Chapel last Thursday morning. The talk was instructive as well as inspirational.
Fifth and Sixth Grades
 The fifth and sixth grades gave an assembly program Friday. Those on the program were: Milton Earnest, Wendell Stafford, Mary Arnett, Wilma Allen, Carrol Jean Trice, Elmer Jones, Rowland Senter, David Cornett, Charles Suttphen, Maxine Harris, Louis O'Bannon, Mary Helen Moore. Every one enjoyed this program.

KILL TWO BIRDS WITH ONE SHOT!!!

That's an old saying that's seldom accomplished, but that is just what you do when you buy a NEW 1940 ZENITH that is built to operate from a 6-volt battery or 110-volt highline, or from a 1000 hour dry pack or high line. You can get any combination you want in a Zenith. ZENITHS are built for long service and real performance, so why not buy a RADIO that will serve you well now and equally as good by merely turning a switch when the Rural Electric Line comes by your door. And at no EXTRA COST! And it is equally as good for the family living in town who might decide to move to the farm. Come in and see our full line. You will find the radio, price and terms to suit your needs.

Speaking of Shooting . . .
 Reminds us to mention that we have a full line of Western Super-X and Expert Ammunition on which you can save money. See us for guns also.

And Talking of Saving Money . . .
 Reminds us that we hear some NEWCOMER in our stove every day say, "Well, I didn't know you had such a varied stock of good merchandise at such good prices." Another "customer" said, "Why, here is a thermometer that I didn't know could be found in Lamesa and drove to another town and paid a much higher price than you have the same thing for." And another said: "If I had known you had this good cow polk (or yoke, if you're from East Texas) for only 15 cents, I would have saved 50 cents per head on my cows."

SPECIAL CLINIC

So many have asked about our special Health Clinic which we have conducted for the past 18 months, that we have decided to hold a special clinic on

Friday and Saturday
 NOVEMBER 17-18

We cordially invite you to visit us on these special days, or every day for a complete examination and check up.

We urge that you beware of the "common cold" — so many times it leads to dangerous illness. An examination in our modern clinic will easily show you how quickly a cold can be prevented. We are equipped to handle the most difficult cases.

Homemaking News
 We have just completed our units on serving a breakfast and dinner in Foods 1A and 3A. Our next unit will be on the beautification of the Homemaking department. The two classes are planning a banquet for the football boys soon.
Eighth Grade
 The eighth grade had a class meeting Tuesday and decided to have a party Saturday night. We are going to have another meeting Wednesday afternoon and decide where we are going and what will be served. We wish to congratulate the ninth grade on the success of having their candidate elected football queen.
District V. A. Meeting
 Walker Reithmayer, Gus Cowart, and Mr. Owen attended a district Vocational Agriculture meeting at Seminole last Thursday. Walker is district reporter and Gus is second vice president. Gus was given a responsible position on two committees. The next meeting will be December 7th.
Senior Class
 The Senior Class was honored with a party given by their sponsor, Mr. Copeland, at his home Friday night, November 3. Games were played and refreshments of ice cream and cake were served. A nice time was reported by all.
Sophomore Party
 The Sophomores were entertained at the home of Quada Trice on Friday night, November 3, with a party. There were many interesting games played and everyone took part in them with all of the vim that characterizes the Sophomores of 1939. Mr. Trice, a guest, gave some nice guitar music, and the

COURT—
(Continued from Page 1)
W. Dement, George Fillpot, W. J. Stanfield, John C. Barron, Wesley Walls, Clyde Privitt, Cecil O'Brien, C. W. Morris.
A. F. Faulkenberry, O. S. Cates, H. E. Easterwood, J. A. Hilton, Roy Hoback, R. B. Hoffman, E. L. Allen, J. B. Martin, F. W. Beckmeyer, T. N. Middleton, Floyd Spencer, R. W. Mitchell.

FOOTBALL—
(Continued from Page 1)
are going after the district leaders both to improve their own district standing and to have the fun of dumping the top notchers if such is within their power and skill and they are not without faith in Golden Tornado prowess.
The Lamesa boys are going about their training seriously this week in preparations for the Mustang game. Fans who expect to attend the Sweetwater game can obtain tickets at Taylor-McCall Drug until 1 p. m. Friday.

MIDLAND—
(Continued from Page 1)
in front 20 to 14. But Lamesa was not through. Vaughn scoring from the one on the final period. White failed to convert, making the score 26 to 14 Lamesa.
Then when everything looked the brightest for the Lamesa boys and the darkest for Midland, this Jay Francis, Midland's all-state candidate went into action, and before it could hardly seem possible had scored two touchdowns and with Klatt kicking an extra point. Midland went out in front 27 to 26. Then Lamesa gambling with only seconds remaining to play threw a last minute pass, which Francis intercepted to race for another marker to make the final score 33 to 26.
After the final touchdown only time for the kickoff was had, which Midland kicked out of bounds, to prevent the Tornadoes from having a chance to run with the ball. It was a close hard battle, and both squads knew there had been a battle.
Vaughn made a believer of all who saw the game with his running, passing, punting and safety work. Purlow was strong on interference and at hitting the Bulldog line on power plays for first down requirements; Reeves was blocking like nobody's business and thus paving the way for ground gains by the Lamesa ball carriers, and when called on carried the ball himself successfully. Robert and Wilson were backing the line to plug gaps and smack Frances or any other runner when he attempted to break through. Oswald, Holliday, Spencer, Morgan Bussell, Barkhurst and White played their line positions in strong form. Several Lamesa players will receive some votes from Midland for all-district positions.
The Tornadoes will journey to Sweetwater Friday night to engage the district leading and unbeaten Sweetwater Mustangs in their final road game of the year. Going in as decided underdogs, the locals are giving fair warning that they will strive to the utmost to upset the dope and win.

ATTENTION!
Everyone is invited to the pie supper at the Bartlett School house Friday night, November 24. Beginning at about 7:30 a cake

LOST: Ladies Elgin Wrist Watch somewhere in Lamesa Saturday night. Reward for return to Estelle Billingsley, Lamesa. 1tp

Room 25, Low Fifth: President, H. L. Crouch; secretary, Patricia Meech; Fireman, C. T. Beckham; Monitor, Junior Burnett.

Room 26, Low Fifth: President, Gerald Berry; secretary, Jean Stanfield; Fireman, Lorayne Morris.

Room 24, High Fourth: President, Drucilla Hardwick; Secretary, Redell Jeter; Fireman, Neal Aten; Monitor, Janie Lynn Ryan.

Room 17, Low Fourth: President, Theda Faye Ruggles; Secretary, Stella Sue Ashley; Fireman, Dan Terry; Monitor, Barbara Yeager.

Room 18, Low Fourth: President, Nancy Hollingsworth; Secretary, Anne McGuire; Fireman, Gilbert Thweatt; Monitor, George Hart.

Assembly Program Is Presented By Seventh Grade

Room 34 under the direction of Loyd Harris gave a program for the sixth and seventh grades Thursday, November 9.

The pupils gave an impersonation of the teachers, and they were introduced by Martha Gertrude Murray as follows:

Billie Jeanne Myers, Miss Wilkowske; Raymond Hatch, Mr. Short; Weldon Minnix, Mr. McAnally; Martha Gertrude Murray, Mrs. Ogletree.

A song "South of the Border" was rendered by Katherine Nelson, Billy Jeanne Myers, Martha Ann Terry, Marilyn Howarth, Ellen Jean James and Betty Corley. Mary Teral posed as a Spanish girl while the song was being sung.

Dr. and Mrs. Wells Loveless will leave Sunday for Memphis, Tenn., where Dr. Loveless will attend the Southern Medical Convention.

District President Is Lamesa Visitor

Mrs. J. M. Rutherford

Mrs. J. M. Rutherford President Seventh District Is Speaker At Delphian Art Tea

Mrs. J. M. Rutherford, president of the Seventh District, was guest speaker at the Delphian Art Tea held Tuesday evening November 7, at the Women's Club House.

Mrs. Rutherford traced the expansion of club work both in our homeland and in foreign countries, and cited many instances of how women's club work has aided public welfare. She also gave an interesting account of the recently celebrated "Clara Driscoll Day", and a vivid description of the State Club House for Women at Austin, Texas, to which Clara Driscoll was a large donor.

Mrs. Rutherford was introduced by Mrs. W. P. Avriett, a former seventh district president. Mrs. Tony Goble, local president, welcomed the sixty-five members and guests with a unique comparison. Other members on the program were Mrs. Matt McCall who gave a piano solo, "Country Gardens", by Grainger, "Ashes of Roses", a one act play read by Mrs. L. M. Pratt; and "A Kiss" or "A Kiss" by Arditt, sung by Mrs. Carl Rountree.

The club colors of gold and black were featured in programs and guest register. Mrs. Eddie Guynes presided at the beautiful register she had designed and made. The lovely autumn leaf programs were designed and made by Mrs. E. R. Yates.

The tea tables were laid with lace cloths and centered with gold crysanthemums. Presiding at the silver services were Mrs. Ray Eldridge and Miss Margaret Flaniken.

Mrs. R. H. Huddleston and Miss Florence Griffith were the co-chairmen.

The receiving line was composed of Mesdames Tony Goble, W. P. Avriett, J. M. Rutherford, E. R. Yates and Jack McLaughlin.

Other hostesses responsible for the Art Tea which was in observance of National Art Week were Mesdames L. M. Pratt, A. H. Smith, Sam Richardson, Noel Bryant, E. J. Turner, G. L. Hardin, R. A. Stuart, Gladys Sublett, and Miss Jean Hendrix.

Davis and Donnalita Love. The program consisted of three numbers two of which were talks on America through women's eyes and "The All American Girl Travels; Her Clothes and Manners." A patriotic reading followed. After this the club sang American songs.

In the business meeting it was decided that the club would make and sell fruit cakes to raise funds for the rally trip. Anyone who is interested in buying fruit cakes can give their order to any home-making girl.

OES Enjoys Report On Grand Chapter

A stated meeting of the Order of the Eastern Star, Lamesa Chapter, No. 363, was held in the Masonic Hall last Thursday evening.

Mrs. Cleve Austin, Worthy Matron, gave a very interesting and instructive report of the recent Grand Chapter meeting which was held in San Antonio.

There were approximately twenty five members in attendance.

Mrs. Johnny Klines Hostess To Thursday Bridge Club

Mrs. Johnny Klines was hostess to members and guests of the Thursday Bridge Club last Thursday afternoon at her home.

Games of bridge were enjoyed during the afternoon, with Mrs. Robert Koger winning high score and Mrs. C. L. Schmidt was winner of the bingo prize.

After the games a delicious dessert course was served to Mesdames Ben Allen, Connelly Baldwin, Edwin Kutch, George Mac Yates, Robert Koger, Maurice Lamphere, Ross Edward Jones, Davie Jones, Sidney Randal, I. L. Dodd, Karl Cayton and the hostess, Mrs. Kline.

Thursday 42 Club Entertained With Luncheon

On last Thursday the Thursday 42 Club was entertained with a one o'clock luncheon at the home of Mrs. A. M. Bennett on South Third Street. Hostesses for the occasion were Mesdames A. M. Bennett, E. V. Wilkes, E. A. Eiland, A. H. Smith, Lee Billingsley and Ray Williams.

The entertaining rooms were attractively decorated with bouquets of autumn flowers.

After the luncheon games of 42 were enjoyed during the afternoon. Those attending were Mesdames D. Hull, Irvin Wright, Ross Boardman, A. E. Ault, R. E. Simpson Sr., Mrs. Petty of Austin and the hostesses.

Girl Scouts Of Troop 3 Hold Meeting Tuesday

The Girl Scouts of Troop 3 met Tuesday afternoon at 3:40 under the leadership of Mrs. Eddie Guynes. Mary Alice Patterson was selected as presiding troop leader for the next six weeks and Lynette Carroll will serve as Troop Scribe.

After a short business meeting the girls worked on their scrapbooks. They designed their paper, covered the back, and will observe the correct principles of elementary book binding in putting them together.

The next meeting is to be at 3:40 Tuesday afternoon in Room 28 at the Elementary School. Girls who wish to become members are urged to submit their names to the Troop as soon as possible. Eight vacancies now exist.

Miss Ruth Everhart Becomes Bride Of Johnnie Hamilton

Miss Ruth Everhart, daughter of W. H. Everhart, became the bride of Johnnie Hamilton, son of Mr. and Mrs. Hamilton, Saturday morning at 10:30 with the Rev. Guest reading the impressive single ring ceremony.

The bride wore a teal blue dress with black accessories. Her shoulder corsage was of pink rose buds.

The couple left after the wedding for a short trip to Rotan where they will visit relatives of the bride.

Patsy Ruth Thigpen Honored On 11th Birthday

Mrs. J. D. Wilson entertained at her home, 412 North Austin, last Saturday afternoon honoring her niece, Patsy Ruth Thigpen, on her eleventh birthday.

After an hours entertainment, refreshments of popcorn balls, birthday cake and punch were served to Glen Ray White, Orville Neilman, H. L. Crouch, Jack Reese, Bennie Thigpen, Sue Jean Bearcen, Lynette Carroll, Reta Bearden, Lura Jean Johnston, Helen Stanley and the honoree.

Womans Missionary Society To Meet Monday, Nov. 19

The Womans Missionary Society of the First Baptist Church will meet next Monday afternoon at 3 o'clock at the church. The topic for discussion will be "What Southern Baptists Are Doing in Europe and Africa to Carry Out the Great Commission".

Hymn: "I Love to Tell the Story" Bible Study, Mrs. M. L. Standefer.

Prayer, that we may realize the power of the Gospel to save a lost world, Mrs. C. Baldwin.

Hymn: "There Is Power in the Blood".

The Great Commission and Two Continents, Leader.

Southern Baptists in Europe, Mrs. Roy Smith.

Southern Baptists in Africa, Mrs. S. P. White.

Prayer for all work in Nigeria, Mrs. O. C. Speck.

Special Music, Mrs. Carol Cole Costin.

Come Over and Help Us, Leader.

Benediction, the Great Commission in Union.

B. F. Bruner and W. L. Lee of Sand, left Wednesday for Eldorado, Texas, to hunt deer and turkey. They expect to be gone for two or three days. This will be Mr. Bruner's first experience in deer hunting, but he claims to have hunted every other kind of West Texas animal. Here's hoping them luck.

Extension Course Has First Meeting

At the first regular meeting of the extension class being conducted by Dr. Doyle D. Jackson of Texas Tech, a marked increase in the enrollment was noticed and those present heard a very interesting discussion.

The course is Education 439 and is called Unit Building. It is open to all teachers in this area and is the cheapest way to obtain three hours credit, according to Dr. Jackson.

son. He also states that he knows the strain under which active teachers are working and he expects to remember this during the extent of it.

All teachers are urged to enroll as early as possible for the last date for enrollment is drawing near.

Health Clinic This Week End

The Lamesa Drugless Clinic are this week announcing a special Health Clinic on Friday and Saturday of this week.

Dr. Cutler and Dr. Tanner have conducted such clinics once each month in Lamesa for the past 18 months. "By popular request of many of our friends and patients, we are conducting this clinic again," Dr. Tanner stated Tuesday. "This does not mean that ser-

vice cannot be obtained every other day at our clinic, but these two days special attention will be given to diagnosis and check-up work".

ROTARY CLUB IN REGULAR MEET FRIDAY

The Lamesa Rotary Club held a most interesting meeting last Friday at noon at the Plaza Hotel, with a large number of the membership present, as well as several visitors.

Mr. Von Lancken, educational director of the Lamesa OOC Camp, gave a most interesting talk, explaining the training which the lads are receiving and urging business men to assist them in securing positions after their tenure in the camp ends. He invited those who needed specially trained men in different lines to contact the camp, as many times they have men especially schooled in some particular subject.

Harley Sadler addressed the club in a very inspirational talk. He has been a Rotarian for the past eleven and one half years and averages attending his home club, at Sweetwater, about three times per year. Yet in all that time Mr. Sadler has never failed a single week to attend a Rotary Club meeting somewhere. He has attended clubs over the entire state during that time. This is an attendance record which is a demonstration of the faithfulness of Rotarians to their club.

Sam Richardson gave a short address on Armistice Day, which was thoroughly enjoyed by all present.

Mr. and Mrs. Jack Ladd spent Sunday in Seagraves visiting with friends.

Mr. and Mrs. Oliver Gates are visiting with friends and relatives in Jefferson City this week.

San Angelo Game

The San Angelo High School Bobcats will play the Lamesa High School Golden Tornado football team, on November 24th in Lamesa. The Bobcats are now in sixth place in the district competition and Lamesa is fifth. The Wildcats played a 13 to 13 tie with Big Spring last week thus improving their conference standing as a tie game counts a half game won and a half loss. The San Angelo team lost to Sweetwater by a score of 7 to 0 while Odessa beat them 14 to 6, so that on paper, the Golden Tornadoes are not overshadowed in the game by too big a handicap.

San Angelo plays Midland this week while the Tornadoes meet Sweetwater. This is the first inter-school contest with San Angelo and consequently the first time their fans will have visited Lamesa. Their band and drill squad will accompany their Bobcats and 200 reserved seats have been requested for supplying their followers. It is expected that the Lamesa fans will turn out to see this last conference game of the season and to welcome the San Angelo followers on their first visit to Lamesa.

Homemakers To Hold Meeting In Lamesa Nov. 25

At the Area meeting of the Future Homemakers of Area 2, in Lubbock, November 14, it was decided that Lynn and Dawson Counties would hold a district meeting in Lamesa. The date was set for December 2, this date, however, has been changed to November 25, because the former date interfered with the teacher's convention in San Antonio. The Tahoka Chapter

will have charge of the program for the day.

The Area Meeting was enjoyed by the delegates from Lamesa. The theme of the day was "The All-American Girl". Programs were presented by different chapters on the subjects: "The American Girl's Wardrobe", "The All American theme of the day was "The All-American Girl as a Citizen", and "The All-American Girl's Personality". Those who went from Lamesa were Addie Ruth Fulkerson, Marjorie Rogers, Margie Nell Miller, Mozelle Terral, Pattie Gill, Mary Frances Barnard, and Frances McCollum. The girls were accompanied by Mrs. Huddleston and Miss Griffith who are club sponsors.

STATE SS SUPT. TO SPEAK HERE

Baptists of this territory are reminded to make their plans to be in Lamesa on December 6th and 7th to hear Dr. G. S. Hopkins, State Sunday School Secretary. He will be at the First Baptist Church to confer with and speak to Sunday School workers in this association. All Baptists are urged to be present and others who wish to receive a new vision and inspiration in regards to Sunday School work, are also invited to come. This is a rare opportunity for church workers, and for that reason leaders are making an especial appeal to everyone to attend.

The first meeting will be Wednesday evening at 7 o'clock Dr. Hopkins will attend the Weekly Officers' and Teachers' Meeting at the church in Lamesa and will offer help and suggestions to all workers in the Association.

The second meeting is for Associational Sunday School Officers. It will be from 3 to 7 o'clock. At 6 o'clock dinner will be served free to all Associational officers of the Sunday school by the Sunday school of the First Baptist Church of Lamesa.

The third meeting will be held on Thursday evening from 7:00 to 9:15. The following program will be given:

7:00-7:15—Song Service.
7:15-7:35—The Pastor and His Sunday School, Claude O. Crane, District Sunday School Superintendent.

7:35-7:55—Some Objectives of This Association, Eunice McReynolds, Assistant Sunday School Superintendent.

7:55-8:00—Special Music.
8:00-8:30—The Rural Church and the Hospital Plan, District Missionary Rev. Harrison.

8:30-9:15—Address by Dr. Hopkins.

DR. CUTLER UP
The many friends of Dr. Hall W. Cutler, pioneer chiropractor of Lamesa, were glad to see him out on the street Tuesday afternoon, following a serious illness which had confined him to a local hospital and his home for the past several weeks. He is not yet able to resume his practice, but with his continued improvement, he expects to be back at the clinic soon.

More Livestock Is Shipped This Year

Texas ranchers shipped nearly a fourth more livestock on a carload basis during September than during the same month last year, The University of Texas Bureau of Business Research reports. All classes of livestock gained

substantially as the equivalent of 10,509 rail cars moved to both interstate and intrastate points last month. Only 949 cars were shipped to Texas points.

Largest out-of-state shipments of cattle went to Illinois and Iowa; calves to Illinois and Kansas; swine to California; and sheep to Kansas and Missouri.

On a rail car basis, 72,570 cars of livestock have moved from Texas during the first nine months of 1939 as against 70,504 during the corresponding period last year.

his hands a resolution drawn up by the Houston firemen in appreciation for his rescue work in a recent Houston fire in which two lives were lost.

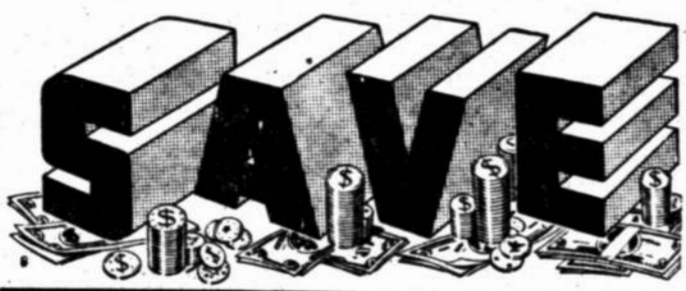

The resolution pointed out Hardy's "cool conduct in the face of terrific heat and smoke," and said he evidenced the "finest

qualities so greatly desired in Texas youth."

Dr. Rainey personally added his commendation to that of the fire department.

Mr. and Mrs. Ed Tinsley spent the week end at Shamrock visiting with friends and relatives.

AAA Program For 1940 Explained

The same method used for establishing cotton allotments for 1939 will be used in 1940. The cotton allotment for each farm is a fixed percentage of the farmers' cropland, excluding the acreage normally devoted to wheat, with exceptions for small farms and the amount of cotton planted and diverted during the years 1937, 1938 and 1939.

The same method used in establishing yields for 1939 will be used in 1940. The normal yield for a farm shall be the average yield of cotton per acre for the five years 1935 to 1939 inclusive, adjusted for abnormal weather conditions, if reliable gin records of the actual average of such yields are presented to the committee by the producer. The yields so determined for all farms in the county cannot exceed the normal yield established for the county.

The rate of payment for 1940 has not been announced by the Secretary of Agriculture, but payment will be made in two checks, parity and soil conservation, the same as in 1939. No payment whatsoever will be made to any farm on which the cotton acreage allotment is knowingly overplanted.

Soil Building practices are substantially the same for 1940 as in effect for this year, with some additions. Four acres or less of forest trees may be planted to earn an

additional \$30.00 or less according to number planted. Home gardens may earn an additional \$1.50 for each family unit if not less than 1-2 acres, provided the planting consists of at least 10 different kinds of vegetables and are handled in a workmanlike manner.

Payment is restricted to compliance with the program. No payment will be made to any person with respect to any farm which he owns or operates if the County Committee finds that such person has been negligent and careless in his farming operations by failing to carry out approved wind erosion control measures on land under his control to the extent any part of such land has become a wind erosion hazard in 1940 to the community in which the farm is located.

Any person who makes application for payment with respect to a farm located in a county in which cotton is grown in 1940 shall file with such application a statement that he has not knowingly planted, or caused or permitted the planting of cotton during 1940, on land in any farm in which he has an interest in excess of the cotton acreage allotment established for the farm in 1940, and that cotton was not planted in excess of such allotment by his authority or with his consent. Any person who knowingly plants, or causes or permits the planting of cotton on his farm in 1940 on acreage in excess of the cotton allotment established for the farm for 1940 shall not be eligible for any payment under the 1940 program.

If on any farm in 1940 any change of the arrangements which existed on the farm in 1939 is made between the landlord, operator, tenants or sharecroppers that would cause a greater proportion of the payments to be made to the landlord or operator under the 1940 program than would have been made to him under the 1939 program, payments to the landlord or operator under the 1940 program shall not be greater than the amount that would have been made to him if the arrangements had not been changed, if the county committee certifies that the change is not justified and disapproves of the change.

If the number of sharecroppers or share tenants in 1940 is less than the average number on the farm during the years 1937, 1938, and 1939 inclusive, and such reduction would increase the payments that would otherwise be made to him if the county committee certifies that the reduction is not justified and disapproves of the reduction.

Landowners planning on dismissing tenants from farms on which the records shows they have been operating the farm, and using day labor to work the farm in 1940 are advised to confer with the county committee at this office on Wednesdays and Saturdays of each week.

Meetings will be held in the county beginning November 23 to explain the 1940 program. All farmers are urged to attend one of these meetings.

the board at the meeting at this time of year, since all of the work necessary has been done to set up the schools for operation during the current year.

A petition was presented to the Board from the County Teachers' Association asking that a reasonable number of uniform holidays be worked out for the county schools. It was pointed out by the Association in the petition that many advantages would come to the schools by such action. After considerable discussion the County Board unanimously voted to recommend to the local boards that four holidays be allowed to the schools of the county, but not with out stressing the fact that two days were recommended for Thanksgiving with the hopes that a large number of the teachers of the county attend the State Teachers Meeting at San Antonio, and furthermore that teachers make a sincere attempt to impress on our children the true meaning of Thanksgiving so that it will be made a day of rejoicing rather than a day out of school.

The days set apart as holidays were November 30 and December 1, for Thanksgiving, and one day each for the West Texas Teachers Association and the County Inter-scholastic League Meet. The dates for the last two have not been set as yet but will come sometime in the spring.

Local People Go To District AAA Meeting

Joe M. Peterson, W. T. Meeks, R. S. Spraberry, county committee for the Dawson County A. C. A., Fred A. Reese, secretary-treasurer, B. J. Baskin, County Agent, Miss Mattie Phenix, Home Demonstration Agent, Mrs. C. W. Shaffer, chairman of the Dawson County Home Demonstration Council, attended an A. A. A. meeting of all officials in District 6 which is comprised of 37 counties in West Texas.

E. N. Holmgren, Lester Young, F. V. Swain, and C. H. Day, Administrative officers from College Station, V. L. Cade, J. H. Watson, and H. T. Kingsberry, members of the State Committee, J. D. Prewitt, District Agricultural Agent, Miss Ruth Thompson, District Home Demonstration Agent, and J. W. Doak, District A. A. A. Representative, presided at the meeting.

Information relative to the 1940 A. A. A. Program was discussed in detail, along with other matters affecting the program next year. Meetings of this kind are very helpful and necessary for the successful operation of the program in the county, according to Mr. Peterson, chairman of the County Committee. The administration of this program in the county would be much easier if more farmers would attend these meetings, said Mr. Peterson. An explanation of the 1940 changes in the program will be found elsewhere in this paper.

SHUMAKE
Gladys Whitmire

Sunday school was fairly well attended Sunday. Rev. Chester Guinn of Vealmore will preach next Sunday.

We wish to take this opportunity to thank the North Side Baptist Church and Rev. Lee for the curtains for our Sunday school. Mrs. Carroll Grissom entertained the Intermediate Sunday school

County School Board In First Meeting Monday

The Dawson County School Board met in regular session in the County Superintendent's office Monday at 2:00 p. m. with all members present.

Very little business comes before

Cedar Lake, Texas

The new town of Cedar Lake invites you to view, in the next three or four days, her physical outlines, prior to starting of development.

IT IS YOUR LAST CHANCE! DEVELOPMENT WILL START IN A FEW DAYS WITH A BANG!

Surveying has been completed. Many blocks numbered on the ground. Most curb lines marked by furrow. It is hoped some street grading will be done by Sunday, November 19th.

Drive to Section 2, Block C-30, Gaines County one mile North of Stanolind-Rayner discovery oil well.

YOU WILL BE GIVEN A HEARTY WELCOME!

CARD OF THANKS
We wish to take this means of extending our sincere thanks to the many friends who sent flowers and showered us with other kindnesses during the illness of Dr. Cutler. Especially do we wish to thank the doctors and nurses in the hospital for their kindness and excellent attention. May you be blessed with just such friends should you pass along the same route as we have, is our sincere prayer.
Dr. and Mrs. Hall W. Cutler.

Mr. and Mrs. Roy Tucker and family of Big Spring visited with T. L. Tillman and family and A. J. McDaniel, Sunday.

He's a STAR at grading coffee

HERBERT R. GRAF

VICE PRESIDENT of one of America's leading coffee brokerage houses, has been in the coffee business for 28 years. He knows coffee THROUGH and THROUGH.

... HE SAYS "We coffee brokers have watched the growth of the Duncan Coffee Company throughout the years, and know why Admiration's popularity has increased by leaps and bounds. It contains only the finest coffees—the TOP OF THE CROP."

MR. GRAF IS RIGHT ADMIRATION is famous among all coffee men for accepting only the TOP OF THE CROP.

Are you getting the "TOP OF THE CROP" in the coffee you are drinking?

If not, switch to ADMIRATION today. You'll find the TOP OF THE CROP in every pound. Yes, in every cup you'll enjoy the mellow richness of the world's best coffee. Is it any wonder that this matchless ADMIRATION blend is today the undisputed leader of the finer coffees of the Southwest?

* LISTEN TO "Beyond Reasonable Doubt" every Monday, Wednesday, Friday. See local paper for station and time.

You Will, with Better Light

Restful, relaxed reading is a prelude to a pleasant night's sleep. But be sure that you have enough light for EASY SEEING, to keep you from becoming more tired.

Whether you read in bed or in your favorite chair, a good reading light makes it easier for your eyes to see and helps create a feeling of relaxation that is so desirable after a busy day.

Look at the lighting in your bedroom, and note how a few portable lamps will make seeing easier, and will add to the attractiveness of the room. New, inexpensive lighting units that screw into present sockets make Better Light cost less than ever before.

NEITHER WILL THE ORDINARY **Gas Stove Burn Butane**

A natural gas stove and a Butane Gas Stove are two entirely different and distinct articles, and when you think that either stove will burn either fuel, you are mistaken . . .

If you expect to get the maximum benefit from your Butane plant with a minimum of trouble and expense, buy a stove especially manufactured to burn Butane Gas . . .

Your automobile is not made to burn Butane Gas, and neither is your natural gas stove . . . Insist and get only a stove built to burn the fuel you expect to use . . .

You will find in our complete stock stoves manufactured especially for use where Butane is the fuel and you will find that they will give you the excellent service you expect.
