Dr. G. J. Budd, celebration manager for Perryton's fourteenth birthday party on Tuesday, August 22, announces that all plans for the big day have been completed and the complete program for the day will be announced in the celebration issue of the Herald, next week.

Concession rights for the affair have been given to the American Legion with Sibley Jines in charge of the sale and reservations. Suitable lots have been obtained for the concessions and they will be arranged, according to Mr. Jines.

### Feature Celebration Dances

Bruce Lackey and J. L. Donley will be in charge of the celebration dance, with the assistance of members of the American Legion who will serve on the dance committee. The celebration will officially open Monday evening with a dance at Donley Hall and another dance on Tuesday evening at the American Legion.

### Boxing Show In Evening

The Guyton Concert Band and Perryton Band will provide music for the various interludes, with a musical program to be presented during the evening. Broadcast of the loud speaker equipment will be in use during the day. The big arena which will be built in the center of Main street and offered free to the public, will be the scene of a boxing show on Tuesday night.

### Thirty-two Rounds of Boxing

will be scheduled on the card, headlined by Tiger Jack Brown, Dalhart and Ray Brown, Supply, Okla. It will be a most complete card, the celebration committee hopes, and one with a lot of good clean fun for everyone. It's Perryton's birthday party and a cordial invitation is extended to everyone to attend.

### CELEBRATION ISSUE OF HERALD OUT AUGUST 17

One hundred per cent coverage in the immediate Perryton trade territory is promised advertisers in the Herald's celebration edition which will be mailed next Thursday, August 17, preceding the city's fourteenth birthday.

In addition to the usual circulation of the Herald, sample copies will be mailed to every boxholder in the county and in the Beaver county territory adjoining who are not subscribers and hundreds of extra copies will be available for mailing to friends and relatives outside this area.

Advertisers are urged to make space reservations and get their copy in as early as possible, in order to insure the issue getting in the mails on time.

Anyone wishing copies of the issue mailed out can have this done by turning in the names and address at this office before Wednesday evening of next week. Extra copies can be obtained at five cents each and all orders received on or before August 16 will be mailed with no extra charge.

### 50 FIRMS FLY EAGLE OF NRA

WEDNESDAY NIGHT CHECK  
SHOWS MANY HAVE SIGNED  
COMPLIANCE TO NRA  
AGREEMENT

Fifty Perryton business firms are operating under the blue eagle emblem of the NRA, a check Wednesday evening revealed, with as many more ready to sign the compliance slip as soon as final details have been worked out in their various lines of business.

During the past week, M. R. Coffey was named to replace Dave Shanks on the Chamber of Commerce general committee handling the local NRA campaign. The other members of the committee are Geo. M. Perry and C. E. Forbes.

### Holding Group Meeting

Several group meetings have been called during the past week and plans have been suggested under which various businesses can operate. Final local codes in most lines will be completed this week it is thought by the general committee.

The program at the Lions club luncheon Tuesday was given over to a discussion, lead by Vance Apple, on the NRA campaign, and a number of interesting views were given and problems answered.

The complete list of firms who have complied with the President's Reemployment Agreement is given on another page of this issue. Employers, employees and consumers are urged to read the message they bring you in this advertising campaign.

### SCHOOL CHIEF AT MEET HERE

RURAL SCHOOLS ARE OFFERED  
TRANSPORTATION AID IN  
SENDING H. S. PUPILS TO  
OTHER SCHOOLS

Rural schools in this section were offered additional aid in the way of transportation in sending high school pupils to affiliated schools, Tuesday afternoon, according to A. A. Bullock, chief supervisor of rural aid, Austin, who met with school officials here from three counties.

Approximately forty school officials from Ochiltree, Lipscomb and Hansford county attending the meeting called by County Judge Oscar Flowers at the courthouse, to meet with Mr. Bullock. Practically every school in this county was represented.

According to Mr. Bullock, rural schools in the one, two and three teacher class will offer subjects up to and including the seventh grade only under the new plan proposed. Transportation aid amounting to \$2.00 per month for all high school pupils will be extended to these schools, to send such pupils to affiliated or standard schools, which must employ four or more teachers.

### District Pays Tuition

In such instances the districts will be expected to pay the tuition for the pupils, it was explained. "No other aid will be offered to schools that do not avail themselves of this opportunity," Mr. Bullock explained, "however exceptions may be made in this section, in some instances, because of the sparsely settled territory."

Educationally speaking, Texas has been redistricted, with Ochiltree county included in a group of twenty-two Panhandle counties composing District 1 of the state system. A district supervisor will be appointed to contact the schools in this section.

### Apply For Special Aid

Special aid for the employment of teachers will be extended on applications submitted before October 15, in addition to the transportation aid. Judge Flowers is preparing his applications for the schools of the county and expects to make a request similar to the one approved last year which allowed \$1,183 to five districts. "Because of this special aid," Judge Flowers states, "all of the county schools will open on September 1, clear of debt. We are planning a school term of from eight to nine months again this year."

Misses Mary Beth Johnson, Carmen Cofer, Rosamond Jarvis, Ruth Lawrence, Margaret Wagon, Doris Owens, Avis Lee, Laverne and Wynona Wooten, Lura Mae Sharpe, Albertine Andrews, Elizabeth Underwood and Charlene McLarty left Monday to spend the week at the Baptist Encampment, near Canadian.

### Release Prisoners

Elk City, Okla., Men Held For Local Officers Released From Sayre Jail

Two brothers, Harold and Monroe Brinkley, Elk City, Okla., who were arrested and placed in jail at Sayre, Okla., in connection with tire thefts here and at Spearman, were released last Monday afternoon while local officers were trying to obtain extradition.

Deputy Del Taliaferro left for Sayre at noon Saturday to get the men to return them to Perryton where they were to await trial on a felony charge, but upon his arrival there was informed the men had been released two hours previous. Efforts to find the men were in vain.

### PETITION ASKS FOR BEER VOTE

ADDITIONAL NAMES BEING OBTAINED ON PETITION ASKING FOR LOCAL OPTION

Additional names are being secured this week on a petition which will be presented at the regular meeting of the commissioners court on Monday of next week requesting a local option election on 3.2 beer, to be held on August 26.

Approximately one hundred, fifty names have been secured on the petition, it is reported and more will be added before the meeting. The petition, addressed to the Commissioners Court of Ochiltree County bears the following request:

"We, the undersigned, being qualified voters of Ochiltree County, Texas, respectfully petition your honorable body to call a local option election in and for Ochiltree County, Texas, said election to be held on the 26th day of August, A. D. 1933, for the purpose of determining whether or not it shall be lawful to manufacture, sell, barter and exchange, in said county of Ochiltree, state of Texas, vinous or malt liquors not more than three and two tenths percent, (3.2) alcoholic content by weight."

### Must Act Monday

Unless action is taken on the petition Monday by the court, the election cannot legally be held on August 26, local attorneys report, the law stating that the election must be called at least ten days before the date thereof. By holding the local option election at the same time of the state constitutional amendment election, considerable expense can be saved by the county.

Mr. and Mrs. Charley Kent, Miss Elizabeth Richardson and Joy Herndon returned Sunday evening from Raton, New Mexico.

Mr. and Mrs. Joe Pittmann, Liberal, Kansas, were guests Monday evening in the home of her sister, Mrs. A. B. Hammon.

### FAVORS STATE RELIEF BONDS

OPPOSITION OF PROPOSED CONSTITUTIONAL AMENDMENT CHANGES VIEWS ON BONDS

Austin, Texas, Aug. 9.—Lieutenant Governor Edgar Witt of Waco, an original opponent of the proposed constitutional amendment permitting the legislature to issue relief bonds, today announced that after acquainting himself with the relief situation he believes it would be a tragedy not to adopt the proposal.

LIEUTENANT GOV. EDGAR WITT

"When the legislature submitted the proposed amendment last spring," said the lieutenant governor, "I was hopeful that we would not need Federal aid in Texas. But there have been developments since then, and I have learned the true and dark picture of suffering in Texas and I now believe it would be sheer tragedy to defeat the relief bonds."

"In the first place the drought and crop failures in certain sections changes the picture from what it was three months ago. I am told authoritatively that before the end of this winter there may be as high as 80 per cent of all the inhabitants of some Panhandle counties who will have to be publicly fed. So much Texas cotton has been plowed up and crops are so short that the usually dependable labor of cotton picking will be reduced by more than half of normal."

"Twenty per cent of our population is now on relief rolls, but that is only a part of the picture. More than a proportion are unemployed, using the last of their reserves or savings, but not yet on relief rolls. This class will be the first absorbed in the re-employment provided by the National Recovery Act, leaving those on the rolls still to be publicly maintained."

"Some people don't like what they

### SEVERAL FIRMS EMPLOY ADDITIONAL NRA HELP

Several Perryton business firms have employed additional help since the adoption of the NRA agreement, a survey made this week reveals.

Glen Wilson has been employed as a clerk at Piggly Wiggly. Billie Beardsley has been added as a printer at the Stewart Printing company. Wayne Pack is a new clerk at the Ideal Food company. Ross Cook is a new plant operator at the Texas-Louisiana Power company. S. B. Hale, Spearman, has been employed at pharmacist by the Shindler Drug company.

Champlin Service Station No. 1 has added Ernest Crowell to the pay roll. Jewel Isley, who was a part time clerk at the Wheat Belt Grocery, has been given full time employment. Mrs. A. A. Sword is a new part-time clerk at the W. C. Bryan & Son store. Miss Orene McClellan, Spearman, is doing accounting work at the Perryton Motor company.

Possibly there are others who have been employed full or part time that have not been reported and no doubt others will be added as other firms sign up on the President's Reemployment agreement.

### CANNERY WORK SHORTER HOURS

OPERATED FROM 8 TO 3 BY RFC WORKERS; OPEN TO PUBLIC DURING THE AFTERNOON

Hours at the community canning kitchen have been shortened, according to announcement made this week by Miss Dyora Crowder, home demonstration agent, RFC workers employed at the kitchen working from 8:00 in the morning until 3:00 in the evening.

The new hour schedule followed announcement of the RFC committee to observe the NRA working schedule, permitting shorter hours for employees. Some difficulty is being met to handle all of the produce from the community gardens and the canning work brought in from individuals in the shorter working periods. After 3:00 o'clock, the kitchen is opened to anyone for use, Miss Crowder reports.

"Our only request," Miss Crowder states, "is that people having canning to do, whether they want it done by the RFC workers or wish to do it their selves, will please see us and make appointments. Because of our limited facilities, it is impossible to arrange a working schedule that will be satisfactory to all unless we work by appointment."

During the past week, many have

### TWO AND HALF MILLION YIELD FOR OCHILTREE

Acreage To Be Cut Twenty Per Cent In 1934-35; Domestic Allotment 54 Per Cent

Means \$418,836 In Cash

Twenty Cents Per Bushel Due On Or After September 16; Balance Next June

Ochiltree county farmers will profit to the extent of \$418,836.00 through the wheat allotment plan according to figures released by the Extension Service, College Station this week, based on a five-year average yield in this county of 2,589,200 bushels, fifty-four per cent of which has been allotted for domestic consumption and on which an additional thirty cents per bushel will be paid, twenty cents of which will be paid on or after September 15, the balance on or after June 1, 1934.

According to the five-year average production of wheat growing counties in Texas, Ochiltree leads in production with Carson county second and the only other county in the state producing over two million bushels on the average.

### Yield Average 10.7 Bushels

The average yield per acre in this county is given at 10.7 bushels over the five year period, with the average set at 241,800.

Texas has been allotted 20,304,322 bushels of wheat to be raised in each of the years 1934, 1935 for domestic consumption. This figure represents 54 per cent of the State's 5-year average production, taking the 1928-1932 period as the basis for figuring, according to information received by O. B. Martin, director of the Extension Service, from Secretary of Agriculture Henry A. Wallace in regard to launching the wheat acreage reduction campaign.

### Call Conference Meeting

Conferences of district and county farm demonstration agents of the major wheat producing districts have been called to meet in Mineral Wells August 14, 15 and 16, and Plainview 16, 17 and 18. Mr. Martin stated. The Extension Service will be in the wheat campaign, as it was in the cotton, the agency charged by the Secretary of Agriculture with responsibility of making clear the provisions of the contract to every grower and of organizing the county and local committees who will swing the job.

Each wheat producing county has a definite allotment and within the counties these allotments will be subdivided to wheat growers by computing the individual grower's average production over a period of three years. The growers who joins up to reduce his acreage for 1934 and 1935 will agree to cut down not more than 20 per cent of his average during the preceding three years, and to sow in wheat in a "workmanlike manner" the number of acres that should produce the number of bushels that are allotted to him. He also agrees not to use the released acres in any way except for soil building, erosion preventing, or for the production of food to be consumed at home or feed to produce livestock products to be consumed at home. And here, Mr. Martin asserted, is an opportunity every wheat grower should seize to develop a definite live-at-home policy. The Extension bulletin "Filling the Farm Storehouse" will be found a good guide, he said.

Payment Due Sept. 15

## Amey-Berry

The following account of the marriage of Miss Berry and Mr. Amey was taken from the Miners Monitor of August 3.

Mr. Amey has made his home in Perryton with his parents for the past two years, being connected with the Wheat Belt Grocery until last spring, when he began operation of his own truck line. His many friends here will welcome Mrs. Amey to their midst.

Miss Mary Lena Berry and Mr. Paul Carey Amey were married Tuesday night, August 1, at 7:30 o'clock, at the Methodist parsonage in the presence of several guests. After the wedding which included the beautiful ring ceremony the party retired to the hotel, where they partook of a beautiful wedding dinner.

The bride wore a lovely silk dress with all accessories of white. Mrs. Amey is a daughter of Mr. and Mrs. I. E. Burger, who live southwest of Perryton, where she has spent most of her life. She graduated from the Perryton High School with the class of '21. Mr. Amey is the son of Mr. and Mrs. I. E. Burger of El Reno, Okla. He has spent most of his life at El Reno, Okla., where he received his education.

After a short visit at El Reno, Mr. and Mrs. Amey will be at home to their friends at El Reno.

On Sunday, July 30, a beautiful dinner was served by Mrs. Lester Stump in honor of Irene Burger and Arthur Amey. After an afternoon of visiting, ice cream was served and everyone attended church. Those present were Mr. and Mrs. I. E. Burger, Mr. and Mrs. G. A. Burger and family, Ray and Ruben Burger, the bridesmaids, Miss Burger and Mr. Amey and the Lester Stump family.

## Class Social

The Busy Ladies Class of the Methodist church met Friday, August 4, with Mrs. J. M. Bull for an all day meeting. At noon a covered dish luncheon was served and then the meeting was held with the program as follows:

Scripture reading, Mrs. Jan Burger; prayer, by Mrs. Clarence Zirkle; class song, "I Need Jesus"; the secretary, Mrs. E. W. Whit and Mrs. J. T. Goutiere, treasurer, gave reports; interesting talk by the teacher, Mrs. L. H. Lancer; reading by Grandma Dowers, was enjoyed by everyone. The next meeting will be Friday, August 11, at the home of Mrs. Frank Rogers, at which time a quilt will be finished and more quilt blocks cut.

Those present Friday were: Misses J. C. Price, D. K. Baumgart, P. P. Rogers, Frank Spencer, May Piper, Orla McCall, Theo Pickle, H. C. Graham, Clarence Zirkle, G. M. Cooper, J. O. Burgess, J. T. Goutiere, Ed McMillen, George Outler, Morrison, Kate Dowers, L. Burgess, L. H. Lancer, E. W. Whit, H. W. Loubser, M. L. Albright and J. M. Bull.

## Backwards Party

The Friendship class of the Methodist Sunday School enjoyed a backwards party, Tuesday evening, August 8, in the basement rooms of the church.

When everyone arrived delicious plates were served and the remainder of the evening was spent with exciting games and party amusement. Those present were Beth Lovett, Modelle Williams, Winifred Butler, Imogene Howlett, Lucile McMillen, Opal Allen, Virginia Cornell, Eva Murray, Elsie Lee Thornton, Elsie Clark, Evelyn Bryan, Pauline Spencer and the teacher Ruby Newfield.

## Dorcas Class Meets

Mrs. Paul Bowen and Mrs. J. R. Thomas were joint hostesses for the meeting of the Dorcas class of the Baptist church, Tuesday afternoon, at the home of Mrs. Bowen.

A short program was given. Mrs. Beulah Stark told a Bible story after which refreshments were served to Mrs. W. J. Brewer, Mrs. Stanley D. Key, Mrs. Weldon Rogers, Mrs. Cora Lawrence, Mrs. B. B. Kent, Mrs. H. P. Lorent, Mrs. Johnny Jines and Mrs. Beulah Stark.

## Family Reunion

On Tuesday of last week the children and grandchildren of Mr. and Mrs. Walter Keim, took their dinners and surprised their parents as a birthday celebration, Monday being Mr. Keim's birthday and Wednesday, Mrs. Keim's.

Each family brought baskets of delicious dainties and with the generous additions from Mrs. Keim, who is always ready in a case of emergency, the feast was spread under the trees at the Keim picnic grounds. The afternoon was spent playing ball and eating ice cream and lemonade.

## M. M. M. Club

The M. M. M. club of Nolia met Thursday evening, August 3, with Mrs. Jack Lawrence. The evening was spent in playing various games, after which refreshments were served. The next meeting will be with Mrs. W. R. Norris.

## Enjoy Picnic

Mr. and Mrs. Ray Bateman and their house guests, Mr. and Mrs. Raymond Leatherman of Alva, Okla., and Misses Beula and Ben Crum, Leroy LaMaster, and Ben Grover and Jack Crum took their lunch and enjoyed an outing at the Horse Shoe Bend on Wolf Creek, Sunday.

## Pioneer Club

Mrs. Herbert Shindler was the gracious hostess for the Friday meeting of the Pioneer bridge club. A very pleasant afternoon was enjoyed at the close of which, the hostess served delicious refreshments.

Seated for the games were Mrs. A. J. Kelly, Mrs. Paul Sherman, Mrs. J. L. Donley, Mrs. P. H. Sebastian, Mrs. Minnie Blank, Mrs. K. K. Thomas, Mrs. Ode Shearer and Mrs. Shindler.

## Mrs. Smith Honored

Misses Kathryn and Pauline LaMaster entertained with a party Monday evening, at their home southwest of town, complimenting Miss Elizabeth Smith, who is visiting here from Liberal, Kansas.

After a number of delightful card games, lovely refreshments were served to the following guests: Miss Mary Alice Neis, Miss Nell Coffee, Miss Kathleen Kelly, Willard Witt, Charles Whippo, Dorrance Woodward, Elsie Kelly, Hamilton Murphy, the honoree, Miss Smith, and the hostesses.

## CHRISTIAN SCIENCE

"Soul" is the subject of the Lesson-Sermon in all Churches of 13.  
The Golden Text is from Psalm 42: "My soul thirsteth for God, for the living God."  
Among the citations comprising the Lesson-Sermon is the following from the Bible: "The Lord redeemeth the soul of his servants: and none of them that trust in him shall be desolate" (Psalm 34).  
The Lesson-Sermon also includes citations from the Christian Science textbook by Mary Baker Eddy, "Science and Health with Key to the Scriptures," one of which is as follows (p. 390): "We cannot deny that Life is self-sustained, and we should never deny the everlasting harmony of Soul, simply because, to the mortal senses, there is seeming discord. It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony. Truth will at length compel us all to exchange the pleasures and pains of sense for the joy of Soul."

## "INTERNATIONAL HOUSE" HAS BIG ALL-STAR CAST

One of the largest all-star casts ever assembled for a motion picture plays in Paramount's "International House," lavishly-produced musical comedy which comes to the Ellis Theatre, Sunday, Monday and Tuesday. Peggy Hopkins Joyce, W. C. Fields, Rudy Vallee, Stuart Erwin, George Burns and Gracie Allen, Sari Maritza, Col. Stoopnagle and Budd, Cab Calloway and his orchestra, Baby Rose Marie, Bela Lugosi, Lona Andre, Sterling Holloway, Franklin Pangborn, Edmund Breese, Lumsden Hare and the Girls in Cellophane are the featured players, and between them they represent the best talent of screen, stage, and radio.  
"International House" is to comedy what "Grand Hotel" was to serious drama. Its action is set in a hotel in a mythical Chinese city where representatives of big business from all over the world are assembled to inspect and bid on a marvelous new invention. This device is called a radioscope, and it can see and hear anything anywhere. When the hotel is quarantined, everyone goes ga-ga and the developments become even crazier when W. C. Fields, an aviator sailing to Kansas City, accidentally lands on the roof of the hotel.  
Peggy Joyce, thinking him a millionaire, immediately starts lining him up as a prospect for her next marriage. Bela Lugosi, a former husband of Peggy's who engineered the quarantine but was himself locked out of the hotel watches in frustrated fury from across the street. Rudy Vallee sings; Burns and Allen wisecrack; Stoopnagle and Budd ponder the world's problems; Cab Calloway plays mad music; the Girls in Cellophane dance; Stuart Erwin makes timid love to Sari Maritza.  
The picture's tempo is rapid-fire its production one of the most lavish ever given a film.

## TEST "UNSCALABLE" HEIGHTS

When Zane Grey describes "unscalable buttes and crags," he means precisely what he writes! That was proved when the famous author, with Director Hathaway, toured fastnesses of California for several days seeking a proper locale for his "Sunset Pass," the Paramount film which opens Friday at the Ellis Theatre. Several impregnable mountainsides were discovered, much to the chagrin of Randolph Scott and Tom Keene who were forced to attempt to climb them as part of the action in the film.

## McMILLAN NOTES

Earl Waide, Reporter  
The annual McMullen Sunday School picnic was held at Alfalfa this year and was enjoyed by every one of the one hundred and twenty-eight who were there. The crowd met at the bridge at Wolf creek at nine-thirty and all went together from there arriving at the picnic grounds at eleven o'clock.  
The washer and horse-shoe pitching contests were started immediately but the young men were interested in only one thing and that was practicing baseball for the coming game. The tug of war was enjoyed by every one. The greatest excitement was caused when Gilman Flowers was sent after water to make lemonade, and failed to reappear. A search was made and Gilman was found stuck in a mud hole about three feet deep. When asked why he drove into a hole like that Gilman admitted that he didn't know that it was mud. We are thing about staying in a dry country next year for our picnic to avoid accidents like that for none of us knew any thing about mud.  
The dinner that was spread left no doubt in any ones mind about the depression being over, for we were all hungry and certainly did our part toward making the food disappear, yet there was plenty of good stuff carried home.  
The ball game between the girls and married women was called immediately after dinner, and Fred Tarbox was chosen as umpire. The girls took a big lead in the first two innings but the women caught them in the third and held the lead for the balance of the game. The married women had the best pitching staff (due to much practise at home, someone said) but the girls had some very hard hitters and just about evened things up. The final score was fifteen to eight in favor of the married women.  
The game between the men was a very uneven affair from the beginning to the end. The young men were a very determined bunch and nothing would satisfy them but that they should hand the married men a worse defeat than they had received last year. And they succeeded to the tune of twenty to eight. This tied each of the four teams, making one victory and one loss for each of them, so look out for next year.  
After the ballgames a big watermelon feed was enjoyed, and again there was more to eat than the crowd could manage. The crowd started home at six o'clock with

every one agreeing that it was the best picnic ever.

Mr. and Mrs. Gilman Flowers and son, Joe Hale, spent Friday night in the Oliver King home.

A group of young people went home with Julia Hamilton from Sunday School Sunday and plans were made for plenty of fun and recreation for the balance of the summer. The rivalry between the married and singles were forgotten and two ball teams were organized, one by the women and the other by the men. Matched games will be announced with other communities as soon as possible. Practice will be on Friday or Saturday afternoon of each week and the ladies put one by the men by practicing twice this week.

Mrs. Walter Jung was a visitor in the John Taylor home Wednesday.

A large crowd attended the Sunday night meeting at McMullen last Sunday and a good program was given. The officers for the last half of the year were elected and other by-laws adopted. The new officers are: Gilman Flowers, president; Julia Hamilton, secretary; Mrs. Atlas Flowers, song leader; Mrs. Helen Perry, pianist. It was voted to have meetings every other Sunday night instead of every week. Beginning next Sunday night and the second and fourth Sundays of each month.

Mr. and Mrs. Caleb Howard announced the arrival of a baby girl, born August 5. No name has been chosen for the little lady at the present time.

Mr. and Mrs. C. C. French visited in the Earl Waide home Sunday.

Mrs. J. M. Blodgett, Mrs. Ralph Blodgett, and Ralph Langford calers Monday evening in the L. W. Austin home, bringing with them a freezer of ice cream and delicious cake.

Miss Dyora Crowder, Home Demonstration agent, and Mrs. J. E. Barbour met with the ladies at the school house, Tuesday afternoon, and organized a home demonstration club. The following officers were elected: president, Mrs. Earl Church; vice president, Mrs. Eldredge Kenny; sec-treasurer, Mrs. John Kenny; librarian, Mrs. A. D. Reed; reporter, Mrs. Clyde Harbour; program committee chairman, Mrs. Jake Houn.

Rev. and Mrs. J. Wm. Hart returned Monday from a trip to Carlsbad Cavern and Dalhart. They visited for the night with Mr. and Mrs. C. E. Woods and left Tuesday on an extended vacation through Kansas and Arkansas. Mr. Hart has resigned as pastor of the Christian church but has not definitely decided on a new location.

Mr. and Mrs. Arthur F. Yaggy of Quilaque spent several days last week visiting with friends in Perryton.

# Here's what YOU CAN DO

## to help President Roosevelt's National Administration Recovery Plan

Maybe you're wondering just what all this talk of NRA means, and if there's some place in the plan for you. There IS. Here's the dope.

Business is better. All over the country, men are going back to work.

"FINE", says the President, "AS FAR AS IT GOES". But, the President thinks that unemployment and business can pick up much faster. The NRA (National Recovery Administration) has worked out a plan to speed things up. The President wants YOUR help to make it work 100 per cent.

You are asked to try the plan from now until the end of the year.

In a nut-shell, this is what he urges:

"Split up the existing work to put more men on the payroll and raise the wages for the shorter working shift so that no worker is getting less than a living wage."

Everybody will give up something. Everybody will gain something in the end.

The worker is asked to accept a shorter working week to give some neighbor a chance to earn his living. He will work less; have more time for play; and fewer unemployed relatives will be dependent on his help.

Business is asked to split-up work and add to payrolls so that jobs and pay envelopes can take the place of charity and contributions this winter. Present profits may be temporarily sacrificed while next year's customers are being built.

Never before has there been such a simple and definite plan for wiping out unemployment and restoring the purchasing power of all the people. If we all join together, act at once, unemployment might easily be licked by Labor Day!

Sign the agreement. Display the NRA Members seal if you're a business man. Display the NRA Consumer's seal if a consumer. Everybody has a part to play.

### THE EMPLOYERS PART

Sign the President's Reemployment Agreement. Join with every other employer in the land to make jobs through shorter hours and distributing work. Raise wages to the minimum suggested by the President, at least. Abolish child labor. Cooperate with employees in peaceful adjustment of opinions. Remember—an unemployed man is a poor customer for you in the long run. More and fatter pay envelopes is the best way to boost the public's buying power and your own business.

### THE PUBLIC'S PART

Support those employers and employees who do their part to put breadwinners back to work. Patronize the stores and services displaying the NRA sign; it means they fully comply with the President's plan.

### THE EMPLOYEES PART

Do your best on the job. Share your hours with the neighbor who has no work now. Cooperate with the NRA to make this plan a success. Remember—more can be done now for workers through this cooperation of 125,000,000 people than can ever be done by discord and dispute.

### L-Z Camp Closes

Successful Season Ended With Big Affair Sunday: Increase In Attendance

A successful season at the L-Z boy's camp came to a close on Sunday of this week and camp disbanded for another year. An increase in the number of boys attending the camp over last season was noted this year.

On the closing program, Bishop Cecil F. Seaman, Amarillo, delivered a forceful message to the campers and visitors from the Wolf Creek neighborhood who gathered for the occasion at 1:00 o'clock in the afternoon. The Alfalfa Sunday school services were held at the camp.

Saturday was also a big day at the L-Z camp, with T. M. Caldwell, Amarillo and Hollywood, being present and taking moving pictures of the boys and the camp life and activities. Mr. Caldwell is connected with the motion picture industry in Texas.

### Hold Sunday Service

Rev. W. B. Hicks Will Preach Sunday Afternoon At Alfalfa School Services

The entire Wolf creek community is invited to attend the Sunday school and preaching services at the Alfalfa school house Sunday afternoon. The Sunday school will be held at 2:00 o'clock, with church services following. Rev. W. B. Hicks will deliver the message at the services.

The regular community singing services will be held at the L-Z camp in the evening and a cordial invitation is extended to everyone to attend this meeting.

### Improve Great Plains

Contracts On Federal 83 Let In Hemphill County And Also in State Of Kansas

Considerable improvement is being done on Federal 83, the Great Plains highway route and plans are going forward to have the entire road hard surfaced.

Contract was let in Hemphill county to the L. P. Witham Construction company for the paving of 8.3 miles of road on Federal 83 south from the junction of that road with Highway 33. The contract bid was for \$181,500, it is understood.

Improvement is also going ahead in Kansas, with a contract being let for the sanding and graveling the surface from the Scott county line to a point two miles north of the new Smoky river bridge, on a newly constructed grade. This work is located near Garden City.

## PUSH CAMPAIGN FOR AMENDMENT

TEXANS LEARNING MEANING OF RELIEF BOND ISSUE OVER STATE; LOOKS FAVORABLE

From the Panhandle to the Gulf from east to west, Texas is organized to push the campaign for the proposed constitutional amendment authorizing the legislature to issue relief bonds to feed the destitute of the State. Nearly 200 counties have been organized into complete campaign units under the direction of the campaign steering committee headed by Williams Strauss of Houston. A campaign manager, publicity chairman and speakers' bureau chairman for each county has been designed. Each county organization will direct and conduct its own campaign, assisted by literature and material from the State headquarters in Austin.

In the ten days since the State campaign headquarters were opened there has been a tremendous swing favorable to the proposal, according to Mr. Strauss, who now believes the amendment will be overwhelmingly adopted.

"Two weeks ago the outlook was dark," said Mr. Strauss, "because the voters of Texas knew almost nothing about the proposal except it involved more bonds, and the people generally do not feel kindly toward bonds. They didn't know then that it was a question of voting these bonds or letting a lot of their neighbors and friends go hungry. They didn't know that if the bonds are issued it will not increase the taxes on their homes and farms one penny, because the bonds are not to be funded with property taxes. They didn't know that 1,270,000 Texans are being fed entirely with Federal funds, which stop the minute this proposal is defeated. They didn't know that with the NRA program working perfectly, as I believe it will, not more than half those now on the relief rolls can be absorbed into industrial work. Because of age and disability the others will remain public charges. They didn't realize that in certain drought-stricken counties more than half the entire population must be publicly subsisted. When the people realize these facts they will give the legislature power to issue as many bonds up to \$20,000,000 as that body finds needed."

### THE STATE OF TEXAS

TO THE SHERIFF OF ANY COUNTY OF OCHILTREE COUNTY—GREETING:

YOU ARE HEREBY COMMANDED to summon J. B. TRIPP, J. BATTERSBY and V. L. SNYDER, the residence of each of whom is unknown, to appear at the next regular term of the 84th District Court of Ochiltree County, Texas, to be held at the Court House thereof, in the City of Perryton on the second Monday in November, 1933, then and there to answer a petition filed in said Court on the 15th day of August, 1932, in which the number of which is 241, in which suit PANHANDLE MORTGAGE COMPANY, a corporation, is plaintiff, and W. D. TENNEY, ELSIE E. TENNEY, GEO. E. MONTGOMERY, JAMES M. SHELTON, C. N. OCHILTREE, A. L. WAGGONER, W. A. COMBS, J. BATTERSBY, W. R. HEMPHILL, J. L. BIVINS, WALTER KEIM, DORA KEIM, CARL ELLIS, MINNIE BLANK, a female, sole, MINNIE BLANK as Administratrix of the Estate of Oscar E. Blank, deceased, DEAN BLANK, a minor, OSCAR E. BLANK, JR., a minor, MINNIE BLANK, as Guardian of the Estates of Dean Blank and Oscar E. Blank, Jr., Minors, J.

B. TRIPP, V. L. SNYDER, GUY R. HOUSTON, HELEN P. HOUSTON, TRAVIS OIL COMPANY, CARTER DEVELOPMENT COMPANY and E. GORDON are defendants, the cause of action being alleged as follows:

Plaintiff alleges the execution by defendants W. D. Tenney and Elsie E. Tenney of their \$8,000.00 note, dated January 17, 1924, bearing interest from date until maturity as provided therein, and due and payable on February 1, 1934, with interest payable annually on the 1st day of February of each year until and including the maturity of said note according to the tenor and effect of certain coupons of even date therewith thereto attached, said coupons bearing interest after maturity until paid at the rate of ten per cent per annum; that said principal note and interest coupons are payable to the order of Southwestern Life Insurance Company; that attached to said principal note are interest coupons Nos. 7 and 8, each in the sum of \$500.00, due respectively on the 1st day of February, 1931, and the 1st day of February, 1932. That to secure the payment of said principal note and said interest coupons W. D. Tenney and Elsie E. Tenney gave a deed of trust lien on the following described property situated in Ochiltree County, Texas, to-wit:

FIRST TRACT: Being all of Section 567, in Block No. 43, Certificate No. 46-6445, issued to H. & T. C. Ry. Co., Patent No. 284, Vol. 96, containing 714.9 acres, more or less, as shown by properly recorded plat on file in the office of the County Clerk of Ochiltree County, Texas, save and except a tract of approximately 2 acres, 70 yds. x 140 yds. out of this Survey, beginning at a point in the North line of said Survey, 350 yds. east of the N. W. Corner thereof, which has been deeded to School District No. 2 of Ochiltree County, to which deed reference is here made for more complete description.

SECOND TRACT: All of Section 489, in Block No. 43, Certificate No. 36-3943, issued to H. & T. C. Ry. Co., Patent No. 111, Vol. 96, dated April 23, 1886, containing 639.1 acres of land, more or less, as is shown by plat on file in the office of the County Clerk of Ochiltree County, Texas.

THIRD TRACT: Being all of Section No. 490, in Block No. 43, Certificate No. 36-3943, issued to H. & T. C. Ry. Co., containing 633 acres of land, more or less, according to recorded plat on file in the office of the County Clerk of Ochiltree County, Texas.

All of the above land being the same land described in deed from A. C. Houston to W. D.

Tenney, dated July 1, 1923, and recorded in Volume 40, page 152 of the Deed Records of Ochiltree County, Texas.

Plaintiff alleges that the deed of trust dated January 17, 1924, naming T. W. Vardell, Trustee, said deed of trust recorded in Volume 39, page 183 of the Deed of Trust Records of Ochiltree County, Texas, reference to which is made by plaintiff for all purposes; that on the 31st day of December, 1925, defendants Walter Keim and wife, Dora Keim, assumed the payment of said \$8,000.00 note and also interest coupons attached thereto, including said coupons Nos. 7 and 8, as herein above described; that defendants W. D. Tenney, Elsie E. Tenney, Walter Keim and Dora Keim are bound liable and obligated to pay said \$8,000.00 note and said interest coupons Nos. 7 and 8; that plaintiff has acquired from Southwestern Life Insurance Company, for a valuable consideration, said interest coupons Nos. 7 and 8, which are past due and unpaid, though proper demand has been made for payment, and is the legal and equitable owner and holder thereof, and that said \$8,000.00 note and no part thereof, has been paid off and discharged prior to the due dates of said interest coupons Nos. 7 and 8; that plaintiff prays judgment against the defendants W. D. Tenney, Elsie E. Tenney, Walter Keim and Dora Keim for its debt as evidenced by Coupons Nos. 7 and 8, plus interest and attorneys' fees, and court costs, and that it have judgment foreclosing its lien against each and all of the defendants as the same existed on the hereinabove described premises on the 17th day of January, 1934; plaintiff alleging that each and all of the de-

fendants are asserting liens and equities in and to the property, the exact nature of which is unknown to plaintiff except as to the interest claimed by W. D. Tenney, Elsie E. Tenney, Walter Keim and Dora Keim, but that the right, liens and equities of plaintiff are superior in all respects to any liens, rights and claims of any and all of the defendants.

YOU ARE COMMANDED to so summons defendants J. BATTERSBY, J. B. TRIPP and V. L. SNYDER, and to serve this citation by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county; but if there be no newspaper published in such county, then in any newspaper published in the nearest county where a newspaper is published.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

WITNESS Irvin R. Buchanan, Clerk of the 84th District Court of Ochiltree County, Texas.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT, in Perryton, Texas, this 24 day of July A. D. 1933.

Irvin R. Buchanan, Clerk of the 84th District Court of Ochiltree County, Texas.

UNTIL WE LEARNED BETTER

Until we learned better, we used to mix wood and steel in our car bodies and wheels. It was the best way to make bodies—then. But the state of the art has advanced.

Of course, it is more expensive to make an all-steel body than to make a wooden frame and nail steel panels on to it. The better way involves an initial expenditure of several millions of dollars for new dies, which renders a change very costly. Cars, especially large expensive cars which are produced in small volume, cannot afford this, because the dies cost as much for one car as for a million. That alone explains why all-steel bodies are not used in all cars.

But our basic policy from the beginning is to make a good car better, regardless of cost.

For example, when we discarded wood-steel body construction, it was not because we lacked wood. We still have some thousands of acres of the best hard wood in America. Economy would urge us to use up the wood first, and then adopt the better all-steel body. But we decided that quality was more important than expense.

We weighed the reasons, for and against, before we made the change. We could see only one reason for retaining a mixed wood-and-steel body—nailing the metal on, instead of welding an all-steel body into a strong one-piece whole. That reason was, it would be cheaper—for us.

Our reasons for adopting an all-steel body were these: A wood-steel body is not much stronger structurally than its wooden frame. In all American climates, wood construction weakens with age. Every used car lot gives evidence of this. Rain seeps in between joints and the wood decays. A car may have a metal surface, and yet not be of steel construction. Under extreme shock or stress the steel body remains intact—dented perhaps, but not crushed.

Steel does not need wood for strength or protection. Wood is fine for furniture, but not for the high speed vehicles of 1933. In the Ford body there are no joints to squeak, no seams to crack or leak.

The all-steel body is more expensive—to us, but not to you.

By all odds, then, steel bodies seem preferable.

Wheels also have become all-steel. No one argues that an electrically welded one-piece steel wheel, such as the Ford wheel, needs to be "strengthened" by adding wood to it.

The one-piece all-steel body is the strongest, safest, quietest, most durable body made. That is our only reason for making them.

## Average Wheat Production

(Continued from page 1)

September 15th this year, 20 cents per bushel on his farm allotment, and not less than eight nor more than ten cents additional per bushel after proof of compliance. This last payment will not be made before June 1, 1934. These payments he will receive regardless of the price for which he sells his wheat. The 1934 and 1935 payments by the Secretary of Agriculture will be based on the amount necessary to bring the price up to parity.

The growers who enter this contract with the Secretary of Agriculture will be expected to organize county wheat control committees, selecting a paid director to devote his time to the business of the organization. The salary and expenses of this executive will be deducted from the money to be sent into each county by the Administration. In counties lacking sufficient produc-

tion to justify setting up County Wheat Production Control Associations but whose growers wish to participate in the plan, special arrangements will be made whereby counties may combine to carry out the organization steps herein enumerated. Such combinations of counties will be assisted by the Extension Services and the Agricultural Adjustment Administration. Counties entering into combinations will be known as District Associations, and their allotments and payments, both for the combination of counties and for the individual growers in such counties, will be handled in approximately the same manner as in the case of counties in which County Wheat Production Control Associations are organized.

Following are the Texas allotments in the north fifteen counties in the Panhandle.

## NRA GIVES

(Continued from page 1)

is none, to the local Chamber of Commerce or similar representative organization designed by N. R. A. for its approval. The written approval of the trade association, or other organization, will be accepted by N. R. A. as the basis for a temporary stay, without further investigation, pending decision by N. R. A. The petition must contain a promise to abide by N. R. A.'s decision, so that if N. R. A. decides against the petitioner, he must give effect to the provision which was stayed, from the date of the decision of N. R. A.

The petition and approval of the trade association or other organization, as prescribed above, should be forwarded to N. R. A. in Washington; and the employer's signed copy of the President's Reemployment Agreement should be sent to the District Office of the Department of Commerce. After complying with these requirements the employer will be entitled to receive and display the Blue Eagle by delivering his certificate of compliance to his Post Office.

Paragraph 14 is not intended to provide for group exceptions, but only to meet cases of individual hardship.

**Interpretation No. 2** (concerning date of compliance)

It is expected that all employers desiring to cooperate with the President's recovery program will sign the Agreement promptly and mail them in. It is recognized, however, that it will be physically impossible in many instances to adjust employment conditions and to hire the necessary additional personnel in order to comply with the Agreement of August 1st. For that reason, provision has been made for issuing the Blue Eagle only upon the filing of a certificate of compliance. It should be possible in most cases to make the necessary adjustments and file a certificate of compliance within the first week of August, and such action taken as promptly as possible, will be regarded as carrying out the Agreement in good faith.

**Interpretation No. 4** (concerning paragraph 13)

All employers are expected to sign the Agreement, whether Codes have been submitted to N. R. A. or not (unless such Codes have already been approved); but after the President has approved a Code, or after N. R. A. has approved of the substitution of the provisions of a Code for Agreements in the trade or industry covered, conformity with the Code provisions by an employer will be regarded as compliance with his individual Agreement.

**Interpretation No. 5** (concerning paragraph 13)

Where the July 1, 1933 price was a distress price, the employer signing the agreement may take his base price on that date as the base for such increase in selling price as

is permitted by Paragraph 9.

**Interpretation No. 6** (concerning employments covered by the Agreement)

The following groups of employment are not intended to be covered by the President's Reemployment Agreement:

1. Professional occupations.
2. Employees of Federal, State and local governments and other public institutions and agencies.
3. Agricultural labor.
4. Domestic servants.
5. Persons buying goods and selling them independently or persons selling solely on commission, provided, however, that persons regularly employed to sell on commission, with a base salary or guaranteed compensation, come within the requirements of the agreement.

**Interpretation No. 7**

Time and a third for hours worked in excess of the maximum by employees on emergency maintenance and repair work.

Hours worked in excess of the maximum by employees on emergency maintenance or repair work shall be paid at the rate of time and one-third.

**Interpretation No. 8**

**Seasonal Reduction of Hours of Operation**  
The hours of any store or service operation may be reduced below the minimum specified in paragraph 2, if the reduction is in accordance with a practice of seasonal reduction of hours and does not result in reduction of the weekly pay of employees.

**Interpretation No. 9** (concerning the minimum wage for apprentices)

The minimum wage provisions of the Agreement do not apply to apprentices if under contract with the employer on August 1st, 1933, but no one shall be considered an apprentice within the meaning of this Interpretation who has previously completed an apprenticeship in the industry.

**Interpretation No. 10** (concerning the minimum wage for part time workers)

The minimum wage for a part time worker in an employment described in Paragraph 2 of the Agreement is a wage such that if the employee worked at that wage for a full week of 40 hours he would receive the minimum weekly wage prescribed for him by the Agreement. The minimum wage for a part time worker in an employment described in Paragraph 3 of the Agreement is the minimum wage per hour prescribed by Paragraph 6 of the Agreement.

**Interpretation No. 11** (concerning maximum hours of store operation)

The Agreement imposes no limitation on the maximum hours of operation of a store or service.

**Interpretation No. 12** (concerning employments included in Paragraph 2)

The following are among the em-

ployments included in Paragraph 2:

Beauty parlor operators, barbers, dish washers, porters, elevator operators, drivers, deliverymen, filling station operators, restaurant workers, janitors, watchmen.

**Interpretation No. 13** (concerning paragraph 5)

"Immediate trade area" is the area in which there is direct retail competition. In case of question, the decision shall be made by the local Chamber of Commerce or similar organization subject to review by the State Recovery Board.

**Interpretation No. 14** (concerning owners of stores without employees)

Owners operating their own establishments without any employees may obtain the insignia of N. R. A. by signing the Agreement and a certificate of compliance.

**Interpretation No. 15** (concerning paragraph 4)

The maximum hours fixed in Paragraphs 2 and 3 of the Agreement do not apply to an employee receiving more than \$35 per week and who is acting primarily although not wholly in a managerial or executive capacity.

**Interpretation No. 16** (concerning non-profit organization)

Non-profit organizations are considered as employers for the purpose of Agreement.

**Interpretation No. 17** (concerning signing of Agreement)

An employer engaged in several different business or employing labor of several different classes should sign but one Agreement.

**Interpretation No. 18** (See also No. 12)

(concerning employments included in Par. 2)

The following are among the employments included in paragraph 2: Maintenance forces (including charwomen, window cleaners, etc.)

**Interpretation No. 19** (concerning professional persons)

The following are included among professional persons within the meaning of Paragraph 4: Newspaper Reporters, Editorial Writers, Rewrite Men and other members of editorial staffs.

Internes, Nurses, Hospital Technicians, Research Technicians.

The above are interpretations received by the Houston District Office from the National Recovery Administration, Washington, D. C.

term setting a precedent in voting bonds. I don't like it either, but we are confronted with a condition and not a theory. Two years ago the people, by a direct vote, authorized the legislature to spend money on a Centennial celebration but it has taken cognizance of the depression and has not appropriated any money for that purpose. I am certain that if the people vote to trust the issue of relief bonds to the legislature, not one dollar more than needed will be issued and the whole issue will be thoroughly safeguarded against waste, extravagance and corruption."

**Underweight Children**

Need More Iron in Their Blood!

Children who are thin and pale and who lack appetite are usually suffering from a deficiency of iron. When the blood lacks iron it becomes thin and poor and fails to nourish. Then a child loses appetite and becomes still thinner and weaker—and easy prey to disease!

To build up your child, give him Grove's Tasteless Chili Tonic. It contains iron which makes for rich, red blood. It also contains tasteless quinine which tends to purify the blood. These two effects make it an exceptional medicine for young and old. A few days on Grove's Tasteless Chili Tonic will work wonders in your child. It will sharpen his appetite, improve his color and build up his pep and energy and increase his resistance to disease. Grove's Tasteless Chili Tonic is pleasant to take. Children like it and it's absolutely safe for them. Contains nothing harmful. All stores sell Grove's Tasteless Chili Tonic. Get a bottle today and see how your child will benefit from it.

**Start Demonstration Clubs**  
Miss Crowder has meetings today in the past week organizing home demonstration clubs over the county. Already three have been started and at least three more will meet this week.

A club was formed at Twichell last Wednesday, setting the first and third Wednesday of each month as regular meeting days. The Biodeget club will meet on the second and fourth Wednesdays while the Ochiltree club will meet the second and fourth Thursdays.

Miss Crowder has meetings today at Notia and Hinton where clubs will be started and a meeting at Waka on Friday. The home demonstration agent will meet with every club organized at least once a month. The first meetings have been devoted primarily to organization, with work to be followed. The second meetings will be in the form of a vegetable canning demonstration. The clubs meet in the homes of the members.

Officers of the newly formed Ochiltree club are composed of Mrs. Jack Dodson, president; Mrs. C. Crouch, vice-president; and Mrs. Roy Leicht, secretary. Ten members were present at the meeting that was held at the Mrs. Chas. McCartney home.

BASKET DINNER AND COMMUNITY RODEO TO BE FEATURES OF EVENT ON AUGUST 19

A "Neighbor's Day" picnic will be held at the L-Z camp on Wolf creek on Saturday, August 19, according to announcements made by T. V. El-lis this week, featuring a big basket dinner at noon, a ball game, community rodeo, swimming and other events during the day.

The rodeo will be staged under the direction of the Wolf Creek Cattleman's association in the afternoon, it was announced. Complete announcements regarding the affair will be made known after the regular midsummer meeting of the association to be held at Alfalfa school house on Friday evening, August 11, at 8:00 o'clock. Val McLanahan is president of the association; Walter Daniels, vice-president; T. V. El-lis, secretary; treasurer and the board of directors is composed of the officers and Herman Callahan, Wm. Hamker, Carl Ellis, Sam Handy and Roy Linn.

All members of the association are urged to attend the meeting Friday evening, as a number of important business matters will be brought before the group.

Let me make application for Home Loans for you. There'll be no charge. Dave Shanks. 29-1f-c

## CLEAN-UP WEEDS BEFORE CELEBRATION AUG. 22

Property owners in Perryton are urged to cut their weeds and clean up around their premises before Tuesday, August 22, in order that Perryton may look its best to the thousands of visitors expected here during the birthday celebration.

Weeds have grown rapidly since the recent showers and should be attacked with vigor at once to keep them under control. While Perryton does not have the pretty lawns and flower gardens it had last year, if the weeds are not cut, it will still offer a clean and healthful appearance.

Do your part now by seeing that all weeds and trash are removed before August 22.

SPLENDID PRELIMINARIES IN TUESDAY BOXING CARD: MADDEN DEFEATS CARADINE

The boxing card presented Tuesday evening by the Perryton Athletic Club came to a rather spiritless ending after an excellent assortment of preliminaries, when Wildcat Bails, 149 pounds, Wynoka, Okla., won a decision over Kid Stamper, 145 pounds, Pampa, in the final ten round go.

After the third round, Stamper showed very little desire to mix it with the hard hitting southpaw and proceeded to cover up when he wasn't in a clinch. Bails seemed more than willing to carry the fight and seemed as disgusted as the fans were with his opponent. Bails took the last six rounds with a minimum of punches exchanged.

**Shows Lack Of Training**

Duke Caradine, 158 pounds, showed lack of training in his match with Earl Madden, 157 pounds. Spearman, losing in the final stage of the eight round semi-final to the surprise of the fans. Caradine, who has been out of the ring for nearly a year, was evidently in no shape to meet the heavy slugging Madden, although he took the first and fifth rounds and drew the third, second and fourth, before he was down to the point where Madden finished for the final rounds.

For a curtain raiser, Short Symmons and Murel Morton, Parnasworth, went a four round draw in a hard-punching bout.

Jack Anderson took three of the four rounds with Milford Barclay, the second round being a draw. Barclay was game all the way through although outclassed by the more experienced Anderson and the bout ended with Barclay barely on his feet.

**Splendid Fan Turn-Out**

Paul Robertson, 116 pounds, Spearman, won three out of four rounds from Gene Tucker, 118 pounds, sweeping his opponent off his feet with a flurry of hard blows that started with the opening bell, with Tucker reviving in the third

to draw the round only to slip back again at the finish.

An excellent turn-out of fight fans was present for the session. No card was announced for next Tuesday, but according to Manager Kenneth Rayzor, an effort is being made to arrange a lively program.

Miss Bonnie Apple Wins Scholarship To University of New Zealand

Miss Bonnie Apple, who recently received her degree of bachelor of science this month from the College of Industrial Arts, Denton, has been awarded a scholarship to Otago University of New Zealand.

The scholarship which is awarded annually to a senior home economics student, is obtained through an exchange plan from the University of New Zealand.

Miss Apple has not decided definitely regarding the scholarship, having already accepted a position as home demonstrator in Hunt-

**Here's One Good Way To END AGONY OF NEURITIS**

Newark Man Knows How and Loses 10 Pounds

"Gentlemen: I used Kruschen Salts to try and get rid of Neuritis from which I had suffered for one year in my left shoulder and arm. I took a little of the salts in the morning, sometimes in my coffee, other times in water. I would also occasionally take a dose in water at night before retiring. For 3 months I used the salts and while I lost 10 pounds in weight, the pain in my shoulder HAS ENTIRELY DISAPPEARED. During the time I was taking the salts I received no other medical treatment so I am fully convinced the Kruschen Salts did the trick." C. K. Murray, Newark, N. J.

Take one half teaspoonful of Kruschen Salts in a glass of hot water every morning—a jar lasts 4 weeks—get it at any drug store in the world—costs but a trifle.
