## RECORD Sets New Deadlines

Phil Riddle, Publisher of the Colorado City Record, announced this week that beginning the week of July 13, new advertising and news deadlines will be established.

The deadline for the Thursday publication will be moved up from 5 p.m., Tuesday to noon Tuesday. Likewise, the 5 p.m., Friday deadline for Sunday's paper will be bumped to noon on Friday.

"The change comes about as a service to our readers," says Riddle. "With these earlier deadlines, everyone can get their paper on time."

## State Park Hosts 9,500 Over July 4 Weekend

This past weekend, the July 4 holiday, saw 9,500 people flood into the Colorado City Lake State Park. This influx of population was nowhere more evident than in the number of citations issued at the park for holiday revelers breaking the law.

Over half of the citations served were for skiing or causing a wake in Cherry or Morgan Creek Channels, in spite of a special county law restricting the channels as "no wake areas."

Two boating accidents marred the holiday festivities for local citizens. One boat with four passengers flipped over in front of the boat ramp when the wind got up Sunday afternoon.

The second accident involved an Odessa woman. She was injured by a boat propeller while in

the water at Lake Colorado City.

While most folks were enjoying a little time off, one hard-working local thief tried to a recreationist's boat and pulled the stolen craft up Morgan Creek.

In other law enforcement activities over the holiday weekend, local authorities stopped a vehicle south of Loraine. The officers found two male juveniles and one female adult in possession of a white-tail deer shot with a rifle.

Justice of the Peace Henry Doss fined the woman \$203.50 for possession of a white-tail deer in closed season.

The juveniles were turned over to probation officials.

THESE CHARACTERS seem to know where to be when the sun is beaming down and there are no clouds in sight. We could take a lesson from these "cool" quacks, because what better way is there to cool off than to take a dip in the lake?

## Havens To Speak At Camp Meeting

The Renderbrook-Spade Ranch will be the site for the Centennial Camp Meeting to be held Sunday, July 19 from 4 to 9 p.m.

The Camp Meeting will feature Little George Havens, billed as the smallest stunt cowboy actor and rider in the world, at 4 feet 11 inches in height.

Guest Evangelist, "Little George" has traveled throughout the United States, Canada, Mexico and Cuba.

In addition, he has preached in Europe, Egypt and Palestine during his 31 years in the ministry.

The Camp Meeting is an official function of the Mitchell County Centennial Celebration.

"LITTLE GEORGE" HAVENS will be preaching at the Centennial Camp Meeting Sunday, July 19 at the Renderbrook-Spade Ranch as part of the Mitchell County Centennial Celebration.

## Commissioners Set To Convene Monday

The Mitchell County Commissioners will meet in regular session on Monday, July 13 at 1 p.m., in the County Courthouse.

The agenda for the meeting includes the disposal of county property advertised for sale, easement to Deminix U.S. Oil Company, approval of bonds of Davenport and Calloway, the Loraine Senior Citizens bid on painting the Agriculture building and Mitchell County library policies.

Monday's calendar also includes the consideration of bids for the County Agent's pickup, as well as a discussion with H. P. Ball regarding the credit program.

Reading and approval of the minutes of the last meeting, the approval of monthly reports and paying the county's bills will round out the meeting.

## Loraine School Board Will Hold Session

The Loraine Independent School District will hold its regular monthly meeting Monday, July 13, in the Board Room of the Loraine Public Schools. A full agenda faces the board on Monday.

## Commissioners Hold '82 Budget Workshop

Thursday, July 9, the Commissioners Court met for a budget workshop for the 1982 budget for Mitchell County.

All county commissioners present voiced the sentiment that they would try to hold the line on the amount of taxes to be paid by Mitchell County citizens.

The commissioners voted to estimate the '82 budget including a 10 percent average pay increase for county employees. The estimate will be based on the same number of people to be employed by the county.

The increase will be an average salary upping depending on the job done for the county. Higher salaried workers will receive a smaller percentage wage increase than the lower scale employees.

The court made it very clear that to maintain an adequate force of county employees, they must be fairly compensated for the duties they perform.

The commissioners will meet again Monday, July 13 for their regular meeting and immediately following the regular session another budget planning workshop is tentatively scheduled.

## Building Trades House To Top School Board Agenda

The opening and awarding of bids for the sale of the Colorado High School Building Trades house tops the agenda of the regular monthly meeting of the Colorado Independent School District Board of Trustees, Monday, July 13.

Other business includes the Appraisal District Office remodeling, the establishing of "Five Year Priorities," and textbook adoption.

The sale of school busses, T.E.A. evaluation,

and the adoption of the State Salary Schedule will also be points for discussion.

Also on Monday's schedule will be a request for a time extension on the tennis courts, a discussion on the school communication system and the granting of permission to have a warehouse sale.

The meeting will begin at 7 p.m., in the Administrative Curriculum Center Board Room located at 534 E. 11th Street.

THIS LITTLE FELLOW doesn't have a worry in the world, except maybe that the air will leak out of his floats. This youngster, like many others, is taking advantage of the Mitchell County swimming pool, open every day until 6 p.m., except all day Wednesday and Sunday morning.

## This-n-That

By Phil Riddle

I recently had the opportunity to view our County Commissioners for the very first time since my move to Colorado City. I have always been fascinated by "government by the people."

The single thing that impressed me the most was the attitude taken by every single member of the Commissioners Court.

They are all, without a doubt, more interested with the welfare of Mitchell County than any of us realize.

The single topic that kept arising was "tax rates." After listening and talking to our commissioners, I am very confident that my tax money is in most capable hands.

Each member, without exception, wanted to hold the line on taxes while still maintaining our county in the manner to which we have grown accustomed.

I feel very fortunate that we have such

trustworthy guardians of our public coffers.

The RECORD will be running an eight week promotion with the emphasis on spending your hard earned dollars here at home, in Colorado City, beginning next Sunday.

Business analyst, Lou Capone, estimated that we lose in the neighborhood of \$3-5 million annually to Sweetwater, Snyder and Big Spring. We certainly do need that money to stay here to work.

xxx

As friends of mine know, I am an avid listener of Paul Harvey. I was very pleased to learn that KVMC Radio Station carries Paul Harvey's broadcasts each morning at 11:30.

Last week Harvey posed this question on the air: What do you say to an atheist when he sneezes? Good Day!

## Couple Is Joined In Candlelight Ceremony

Kathleen Adele Utsman of Bryan, formerly of Colorado City, became the bride of Joe Michael Waller of Fort Stockton during a double ring candlelight ceremony in the Westminster Presbyterian Church in Odessa.

The bride is the daughter of Mr. and Mrs. John B. Utsman of Odessa and the groom is the son of Mr. and Mrs. Willie Joe Waller of Fort Stockton.

Dr. Callaway, pastor, officiated at the 5 p.m.,

ceremony on June 20th.

The couple exchanged vows before an 11-branch candelabrum flanked with four-seven branch candelabra that were entwined with greenery. The aisle pathway was lit by sixteen aisle runners containing candles in hurricane lamps. Potted fig trees accented the altar and foyer.

Given in marriage by her father, the bride was attired in a gown of candlelight bridal quiana. The fitted bodice featured accents of silk

Venice lace and a Queen Anne neckline highlighted with seed pearls.

Long fitted sleeves had accents of lace at the wrists and a pane effect at the shoulder. A chapel length train extended from a natural waistline and was bordered in silk Venice lace.

The fingertip veil of silk illusion fell from a cap of silk Venice lace and seed pearls. The two-tiered veil was edged in seed pearls.

She carried a silk cascade of three lavender irises surrounded by orchids, dogwood blossoms, apricot rosebuds and stephanotis. It was accented with brown and candlelight ribbon, pearl clusters and English ivy.

In keeping with the tradition, the bride wore her grandmother's diamond necklace for something old and borrowed, her dress was something new and her garter was blue. Pennies with the couple's birthdates were placed in her shoe for luck.

John Hoffman, guitarist, provided music for the wedding ceremony. As the bridesmaid entered, he sang "Father Make Us One." During the ceremony, he sang "The Wedding Song," "Always and Forever" and "The Lord's Prayer."

As the bride and groom left the altar, he sang "Follow Me." Dr.

Stanley Englebretson, organist, played "Greensleeves" for the processions and the traditional wedding march.

Sherri Muncrief Merket of Austin was the matron of honor. She wore a formal length gown of sandy peach quiana featuring an empire waistline and a draped back. She carried a silk bouquet containing a purple iris surrounded by variegated peach orchids, apricot rosebuds, stephanotis and English ivy.

Bridesmaids were Robin Lind of Irving, Debbie Haggerton Dockrey of Granbury, Debbie Balch of Bryan and Janet O'Day of Weatherford, Okla. They were attired in the same fashion as the matron of honor.

Ring bearer was Kenneth Haskins, cousin of the bride.

Britt Lindsey of Abilene was the best man.

Groomsmen were Scooter Parks of Lubbock, Mike O'Day of Weatherford, Jack Bashaw of Mesa, Ariz., uncle of the bride and Ed Lee Renfro of Fort Stockton.

A reception followed the ceremony in the church parlor. Members of the houseparty were Jamie Harris of Colorado City, Doris Sands of Snyder, Grace King of Odessa and Vicki Renfro of Fort Stockton.

Lou Ann Griffin Mc-

Jimsie of Snyder registered guests.

The bride's table featured a traditional three-tiered cake baked by the bride's aunt, Ann Lind.

The groom's table featured a watermelon basket containing fresh fruit, orange dip, cheese, turkey, ham and assorted breads.

As the couple left for a honeymoon trip to the coast, the bride wore a tan dress of crocheted knit featuring a draped neckline and a fitted waist.

The couple lives in Bryan where they are attending Texas A&M University.

Out-of-town guests were from Colorado City, Snyder, Fort Worth, Fort Stockton, Mesa, Ariz., Longview, Houston, Dallas, Plano, Amarillo, Irving and Austin.

## First Methodist To Present Film

Tonight (Sunday) the First United Methodist Church will be presenting a film, "In Remembrance."

The feature will begin at 6 p.m., and should be an encouragement to all, stated Rev. Ron Hamby.

The film captures an unforgettable story of the men who chose to follow a young teacher

from Nazareth and the night that would change their world forever, stated Hamby.

He said the film is about real people, fiercely Jewish, who felt as we feel, the doubts, fears, loves and loneliness that are the common bonds of humanity.

Everyone is invited and encouraged to attend the presentation.

## Bug Scout Training School To Be Held

## Foster Families Needed

Additional foster families are needed in this area, according to the Texas Department of Human Resources Foster Home Coordinator Winona Curfman.

Foster care is not something most families can do, but for a few families, it can be a rewarding experience, stated Curfman.

If interested in a new experience in family living and would like to know more about the Foster Parent Program, contact Amelia Garcia at the Department of Human Resources at 728-2618.

Q. I've noticed in the spring and summer a puddle of fluid accumulates on my garage floor under my car after it's been driven. I can't locate any low fluid levels. What's my next step?

A. First, determine what the fluid is by placing a newspaper under the car where the puddle usually appears. Chances are that it's water. Determine if this happens after hot weather driving when you've been running your air conditioner. If it is water, and if the water is rusty, it's from the cooling system. Check for a leaky hose, loose fittings or, possibly, a leaky radiator. If the water is clear, it's condensation from your air conditioner condenser, and nothing at all to worry about.

## GETTING SOMEONE TO LISTEN

Rev. Hazel House  
Pastor

St. Luke United Methodist Church

Will you hear the Word of the Lord? "For why will you die, O house of Israel?" -Ezekiel 33:11b.

"The voice said, Cry. And he said, What shall I cry? All flesh is grass, and all the beauty thereof is as the flower of the field...The grass withers, the flower fades; but the Word of our God shall stand forever." -Isaiah 40:6-8.

I am the Lord; that is My name. I, even I am the Lord; and beside Me there is no Savior." -Isaiah 42:8-41:11.

How do you get someone to listen when you have something that you know is vital for them to hear? Do you tell a funny story, sing a lovely song, make a clever remark, perform a magic trick? Do you whisper, speak in your usual tone of voice, or do you shout? How?

If one could only get persons in the world to really listen and hear God's Word, they would come to know who Jesus is. They would know Him as Savior, and learn what it means to have this life of inner peace, joy and love, that is for Now and also is eternal. This abundant, everlasting Life is a free gift, which God offers to every person because He loves all of us. We are His, by His grace through our faith to believe in Jesus Christ, His Son, sent by God the Father to save us from our sin. And Jesus said in John 3:17, "For God sent not His Son into the world to condemn the world; but that the world through Him might be saved."

It is true that a Christian will use any valid means in order to communicate to others the Good News of Christ and how He came to reveal God the Father's love for each and every person. Christ came and died on the Cross for our sin, and arose from the grave to say, "Because I live, you shall live also." Jesus Christ—and hear this Word from Acts 4:12—"For there is no other name under heaven given among men, by which we must be saved." But, Christians, we need to be prayerful as we witness, for in getting people to listen; to hear, sometimes we may become so engrossed in our "methods" of communication that the listener may be admiring the methods so much and fail to hear the Word of God.

Do you know Christ? Do you know His love and concern for you? That love revealed in His death on the Cross for our sin. If you are interested in having this peace and love relationship that is for-now and for-ever with your Father, the Almighty God, then accept Jesus Christ as your Savior and Lord and follow Him. Why not read in the gospel of John, Chapter 10:1-30, as if you had never read it before? Then you can know the way and where you are going in your life, as you begin to share in the faith, in the strength and weakness, in the problems and tasks, in the sorrows and joys, and in the guidance and fellowship with other Christians in the church. The church is God's plan for us to work out our salvation experiences together, to grow in grace and knowledge of the Lord, and to go out into the world to be a witness to show His love for all persons everywhere.

This writing is another witness for Christ and His Church, to say that if we miss Jesus Christ, we have missed everything, even Life itself. Remember that Christ said, "I am the door, by Me, if any man enter in, he shall be saved." "For God so loved the world, that He gave His only begotten Son..." Let's hear the Word and then do it.

### Slated Meeting Set

The VFW Ladies Auxiliary of Colorado City has sponsored the Blue Royals, a girls' softball team in the United Girls' Softball Association (UGSA), this past season.

As a final contribution to the team, the Auxiliary sponsored a swimming party June 27, along with a wiener roast at Ruddick Park and the city pool.

The Auxiliary had their regular meeting Thursday night in the conference room of the VFW Post 9178.

Regular donations to the VA Hospital birthday fund and circuit riders were given.

An announcement was made about the called meeting at VFW Post No. 5683 in Merkel. The meeting is set for today (Sunday) with registration from noon until 1 p.m.

Attending the meeting were Lou Hearin, president; Margie Caswell, Estelle Rivera, Dorothy Clark, Nellie Bunch, Mae Barr, Audrey Wilson and Pauline Wood.

**Value and Economy**  
For Your Tire Dollar

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires; smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

**"THOSE CRAZY EPISCOPALIANS"**

## do the "roman collars" label them catholics?

Episcopalians and Roman Catholics and Presbyterians and Baptists and Methodists...these and countless other denominations exist because of the difference between men.

It's the similarities between men that produce Christians. Episcopalians are proud of both their differences AND their similarities to other denominations. You can call them anything you like. They're Protestant because their forebears were among the leaders of the Protestant Reformation in 16th Century England. But the word "catholic" means "universal, whole, or complete" and, certainly, Episcopalians are proud to embrace all the traditions of Christ's "universal church."

In short, they don't feel that heaven is reserved for those who agree with the Episcopal viewpoint. They say, "There's only one God. Let's share. OK?" By the way, would you believe that the "backward collar" was not a Roman Catholic invention? It was introduced by a priest of the Church of England, parent of the Episcopal Church in the United States. He devised it as a mark of identification during his ministrations to the London Dock area.

It's surprising how often people new to the Episcopal faith discover that its "peculiarities" help them appreciate the universality of the Christian religion. Think about that.

## Scouting Program Is Offered

By Bill Jany

When you get an opportunity in your busy schedule, give some thought to how you are going to manage your insect pests this year.

From the looks of things, we might have a good year. The only thing is the same conditions which favor a good cotton crop, also favor a good insect year! Bollworms, fleahoppers and if we have some

early planted cotton, boll weevils may take a bigger chunk of your profits than you care to give them.

One way to stay on top of your insect situation is with a good field scouting program.

This year our scouting program will run for 15 weeks, from June 1 through September 11. The cost of having your field scouted weekly

was set by our County Pest Management Steering Committee at \$2.00-ground acre. Insect reports will be reviewed by myself and if your field has an insect problem, I will get in touch with you to help you manage it effectively and in the most cost effective manner. All scouting reports will be mailed to the producers.

Because my time is limited, producers who are in this year's program will probably take most of my time allocated for Mitchell County.

If you are interested in participating in this year's program, please contact my office by phoning 728-5973 or dropping by my office, located in the Court house Annex behind the courthouse.

Remember, the scouting charge this year has been raised to \$2.00-ground acre, so that the program can continue into September. As has been the case in past years, any funds not used in this year's program, will be returned to the producers.
