CITYWIDE PROJECT

Clean Up Week Starts June 22

'Clean Up, Paint Up, Fix Up Week' is scheduled for all Colorado City, starting June 22.

Plans for the program — to encourage firms and individuals to provide the city with best appearance possible — were announced Saturday by the Chamber of Commerce civic development committee and Junior Chamber of Commerce.

The two civic groups will coordinate the entire 1958 Clean Up Week effort.

And both groups are urging individuals, organizations and firms to make plans for joining in the concentrated seven-day effort, according to Dr. H. Jene Steakley, chairman of the civic committee.

Reminders for the public to join the clean up, paint up, fix up program will be placed throughout the city this week by Chamber of Commerce.

"The aim will be to encourage home and property owners to take the initiative in doing those odd jobs, the fixing-up and improvements that have been put off around the house and business," Steakley said.

"Particular emphasis will be placed, too," he said, "for cleaning up alley areas."

City crews will cooperate with Clean Up, Paint Up, Fix Up Week by hauling away the trash that is gathered up by cooperating citizens.

For small fee, too, city crews will mow vacant lots where weeds and grass have

grown unsightly or as a hazard.

In fact, a special resolution adopted last Monday night by City Council as a safety measure against increasing grass fires, called for trash burning to be stopped and for property owners to have vacant lots mowed.

A 12½ minute film, The House in the Middle, is available at the Chamber of Commerce for showing to any interested group during the clean up week.

Complete plans for the Clean Up, Paint Up, Fix Up Week will be announced in Thursday's Colorado City Record.

Workshop for Hatmaking Set 3 Days

An adult hatmaking workshop is scheduled Wednesday, Thursday and Friday at Colorado City High's homemaking department.

The workshop — daily from 8 a. m. to 11 a. m. — will be conducted by Mrs. Curtis Latimer and Mrs. J. S. (Jay) Craddock Jr., homemaking teachers at Junior High and High School, respectively.

Materials and instructions will be available for making simple shell-type hats. Equipment for cleaning, sizing and blocking old hats also will be supplied.

Compliance with allotments would continue to be a condition for eligibility for the lower price support.

However, acreage allotments will remain in effect no matter how the vote goes, as a means of determining eligibility for support.

Those eligible farmers who vote in the Friday referendum will be the ones who decide whether or not marketing quotas will be in effect for the 1959 wheat crop.

All farmers are eligible to vote if they will share in the 1959 wheat crop from a farm in the commercial wheat area on which the wheat harvested for grain in 1959 will exceed 15 acres and provided they did not take part in the 1958 feed wheat program.

Five Sign for \$35,154 Soil Conservation

Five persons have signed Great Plains Conservation Program contracts for cost-sharing benefits totaling \$35,154 on their farms and ranches.

They are Pruitt (Tex) Keel, J. M. Sterling, John D. Beal, Irvin Grant and M. L. Campbell.

Their contracts extend for a period of five to eight years, according to A. V. Sheppard, unit conservationist here for Soil Conservation Service.

Sheppard said the landowners entered into contracts with the SCS after development of operational plans that included a plan to use the land within its capability and to treat the land for permanent protection.

The plans of operation were developed by the landowners with the assistance and counsel of Soil Conservation Service personnel.

The planned land use and treatment were based on recently made soil and range surveys, Sheppard emphasized.

The surveys, he said, give the landowners the depth, texture and slope of the land, rate it will absorb water and the extent of the erosion problem.

From the survey information, planned cropping systems were outlined to maintain land fertility and to protect the soil from the forces of wind and water, Sheppard reported.

Seven Escape Serious Car Injuries

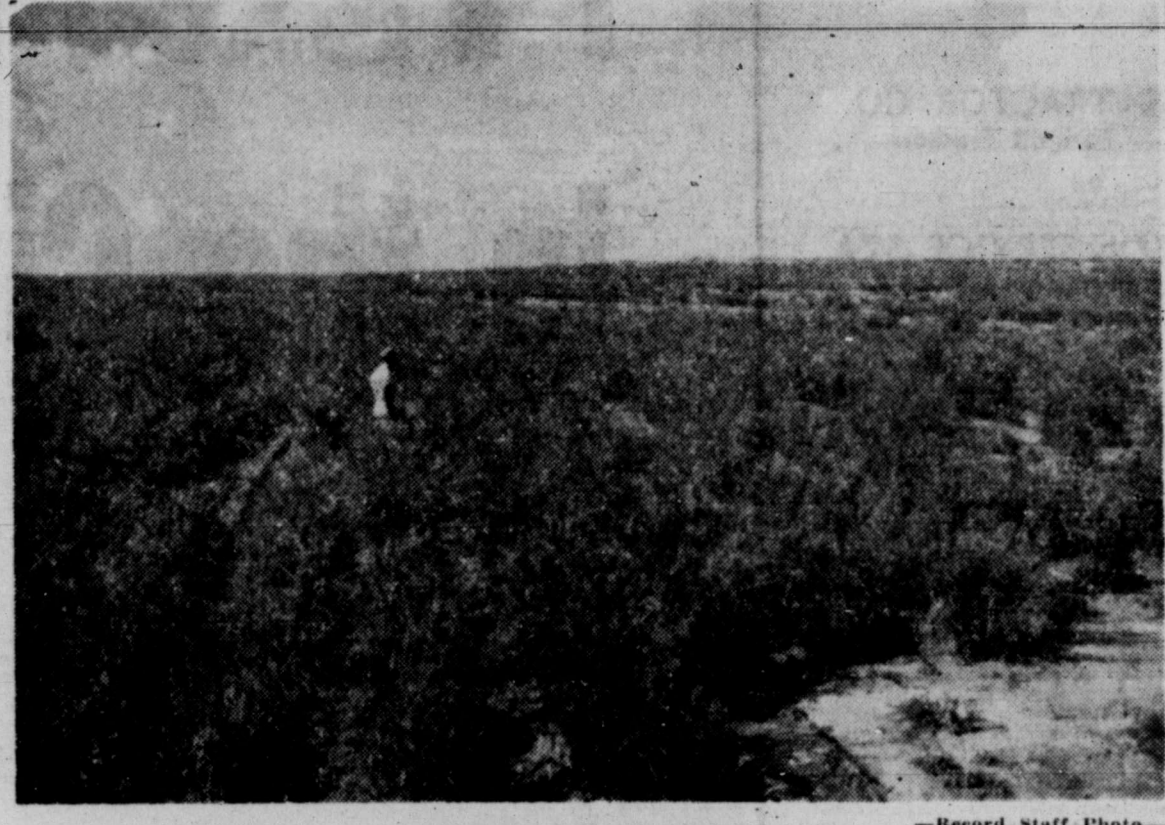

Seven persons escaped serious injury Friday evening in a two-car collision at intersection of Walnut and 11th St.

Involved in the accident were a sedan, driven by Mrs. Ethel Green, mother of Baker Hotel's Manager and City Councilman Garlan Green, and a car, driven by Reid Biggs, son of Mr. and Mrs. Lester Biggs.

Passenger in the Biggs automobile was Miss Kay Stewart, daughter of Mr. and Mrs. John T. Stewart, of Silver.

In the car with Mrs. Green were Mr. and Mrs. Garlan Green's son and daughter, Bobby, 8, and Nan, 7, and their cousin and nephew, Perry Davis and Johnny Augustine.

Treated at Root Memorial Hospital were Nan Green, head cut; Miss Stewart, head injury and shock; Mrs. Green and Biggs. Both Mrs. Green and Biggs had x-rays examinations.

WITH FINEST NEWS WRITING

Record Cited as Second Best Semi-Weekly Paper in Texas

Colorado City Record ranked fourth in general excellence as the second best semi-weekly newspaper in Texas.

At the same time the Record was awarded first place in news writing and first place in appearance among the state's semi-weekly newspapers.

The honors came at the awards breakfast of Texas Press Association's annual convention in Dallas' Baker Hotel.

Awards were for the TPA's 1958 Texas Newspaper Contest, which had entries from more than 130 Texas newspapers for outstanding achievements in the period 1957-58.

Roy V. Fox, co-publisher, received the Record's awards from Jimmy Gillentine, publisher of the Hereford Brand and president of Texas Press Association.

First place and "sweepstakes" honors for Texas semi-weekly newspaper was awarded to Littlefield County-wide News, which scored a total of 340 points in all categories of the 1958 Texas Newspaper Contest.

The Record, in nearby second place, scored a total of 310 points.

Other top contenders in the semi-weekly judging were Arlington, third place; Moore County News in Dumas fourth place, and Winkler County News in Kermit, fifth place.

In addition to winning second in the "sweepstakes," first in news writing and first in appearance, the Record also was third in news pictures.

In fact, the enrollment was so heavy in the six year to nine year group that a second instruction has been arranged for that age bracket, reported City Recreation Director James Poe.

The free instruction for boys, age six through nine, will be the first on the schedule. It begins Monday morning. And last chance to enroll in that class bracket will be Monday at 8 a.m.

Second group to go into action will be girls, age 6 through nine. And their class will begin Tuesday, with last chance to enroll coming Tuesday at 8 a.m.

All who successfully complete the swim course will receive certificates from the Record.

Here is the class schedule by age groups:

Boys, ages 6 through 9 — Meet Monday, Wednesday, Friday, starting June 16 and continuing through June 27.

Girls, ages 6 through 9 — Meet Tuesday, Thursday and Saturday, starting June 16 and continuing through June 27.

Boys, ages 10 through 12 — Meet Monday, Wednesday, and Friday, starting July 7 and continuing through July 18.

Girls, ages 10 through 12 — Meet Tuesday, Thursday and Saturday, starting July 7 and continuing through July 18.

Boys, ages 13 through 18 — Meet Monday, Wednesday, and Friday, starting July 21 and continuing through Aug. 1.

Girls, ages 13 through 18 — Meet Tuesday, Thursday and Saturday, starting July 21 and continuing through Aug. 1.

Notices In Mails for \$17,000

First letters have been mailed in a legal move by Colorado Independent School District to collect more than \$30,000 in delinquent taxes.

Eighty-four notices — prepared by Attorney Lewis Williams, special counsel for the school board, and County Attorney Frank Ginzle — were in the first mailing.

Pay up or face a court suit, the notices instruct delinquent taxpayers.

The initial letters cover approximately \$17,000 in unpaid taxes stretching back to 1949 — the last time the school system decided to go to court, if necessary, to collect back taxes.

More letters will be mailed probably next month, according to School Tax Assessor Collector J. W. Watson.

Object of the legal move is a total of more than \$30,000 in unpaid delinquent taxes.

School officials — facing the prospect of another increase in the cost of operating the city's public schools next fall and spring — believe that with collection of the unpaid taxes and economy in budget planning that a tax rate increase may be prevented.

School trustees Monday night postponed action for setting the school tax rate and called for additional budget study after hearing preliminary estimates that the school operational costs may spiral upward \$40,000 during the 1958-59 year.

Threatening to push school operation costs upward is a spiraling enrollment that leaped from 1,782 students in 1957 to 1,947 students in 1958.

If the same trend continued through 1958-59, then Colorado City school enrollment will climb to 2,091, facilities will overflow and more teachers will be required, Supt. Frank Wilson reported.

School trustees two months ago authorized the hiring of Williams as special counsel to assist County Attorney Ginzle in the preparation of notices to delinquent taxpayers and in the filing of court suits, if necessary.

With the filing of a delinquent tax suit by the schools, the law automatically makes the city and county a part of the suit to collect also unpaid taxes for those additional governmental bodies.

And county officials, especially County Tax Assessor-Collector Tom Glover, have been reluctant for the county to be involved in court action to collect back taxes.

But the delay as now passes with the mailing out of the first notices ... and preparation of more for mailing in July.

AT WESTBROOK

Parsons Named Superintendent

New superintendent for Westbrook School is Herman Parsons, who resides here at 1845 Vine.

Parsons, who except for one semester has devoted his entire public school career to Westbrook, will move up from high school principal Aug. 1.

He was named to succeed S. A. (Soc) Walker, who resigned after 12 years as Westbrook superintendent to become principal of Big Spring's new Goliad Junior High.

Parsons, whose wife is a deputy in the office of County Tax Assessor-Collector Tom Glover, has been Principal of Westbrook High since 1946 when he returned from active military duty.

Prior to World War II service, however, Parsons was on the Westbrook High faculty as teacher and football coach for two years, 1940 and 1941. During his 12 years as principal since 1946, he also has served as coach of boys teams.

The new superintendent has bachelor of arts and master of arts degrees from Hardin-Simmons University. Prior to joining the Westbrook faculty he taught one semester at Highland.

Mrs. Parsons is outgoing president of Colorado City's Business & Professional Women's Club.

FIVE POLLING PLACES

Growers to Decide '59 Wheat Support Level in Friday Vote

Four voting locations have been announced for Mitchell County's 1959 wheat referendum scheduled Friday.

Polling places for eligible wheat growers will be at Curbert Store, gin office at Westbrook, Agricultural Stabilization & Conservation office here in Colorado City, Payne Baptist Church in Payne community and the Lions Club Building in Lorraine.

Polls for the referendum marketing quotas — which will determine the level of the price support for the 1959 wheat crop — will open at 8 a.m. and close at 7 p.m.

As announced May 1, price support for 1959 wheat crop will be available in the commercial wheat area at a national average of at least \$1.81 per bushel, or 75 percent of parity, if marketing quotas for the 1959 wheat crop are approved by at least two-thirds of the growers voting in the Friday referendum.

This minimum support will not be reduced, but may be increased if a combination of the wheat parity price and wheat supply relationships as of July 1, 1959, indicate a higher support price.

If quotas for the 1959 wheat crop are not approved by at least two-thirds of the voters Friday, the support level in the commercial wheat producing area will drop to about \$1.20 per bushel, or 50 percent of parity, as directed by law.

* "Yes... I Picked It Up in the City"

* a useful phrase for impressing neighbors
with the way we get around

*but
it comes
high*

For some strange reason, a lot of us are inclined
to take more pride in some article that we have
bought in a "big city" store than we do in an identical item bought in Colorado City!

Perhaps a shirt or a hat, for example, bought in the city, becomes a sort of souvenir of our travels—a reminder of a pleasant break in the routine of life — instead of just another garment.

Question is . . . how high can we pay to indulge this little human quirk?

A dollar spent away from Colorado City is a dollar less business in our community. Hundreds of thousands of these dollars are being spent that way every year by

folks who live here. That much more money circulated in Colorado City would supercharge its vitality.

Can we afford to pass up the extra values that home-spent dollars give us in better schools, more jobs for more people, more prosperous businesses able to do a better job of serving our urgent daily needs?

Isn't the price too high . . . this whittling away at our own community's economic life . . . isn't this too much to pay for a few relics of our travels to the city?

*It Pays to Buy
where you Live*

Make your dollars build your community . . . not somebody else's

IN CHINA GROVE BAPTIST CHURCH

Miss Joann Merket Becomes Bride of Jackie Dee Pylant

Miss Shirley Joann Merket became the bride of Jackie Dee Pylant Friday evening in an eight o'clock ceremony in the China Grove Baptist Church.

The bride is the daughter of Mr. and Mrs. Stanley Merket of the China Grove Community.

The bridegroom is the son of Mr. and Mrs. Dee Pylant of the Fluvanna Community. Rev. C. E. Underwood, a former pastor of the China Grove Baptist Church, read the double ring vows before a white arch adorned with lemon leaves, flanked with white candelabra holding white tapers, twin baskets of white gladioli and an arrangement of palms surrounded a white kneeling bench, which centered the altar.

A white aisle cloth extended from the church door to the altar. White satin bows and candles marked the bride's aisle.

The bride, given in marriage by her father, wore a wedding gown designed and made by her mother. The gown was fashioned from imported Chantilly lace over crystal tulle and taffeta de France with a fitted lace bodice ending in a point in front and back, scalloped neckline outlined with flowers, and a full skirt with a white tulle underskirt.

field, cousin of the bride, was soloist. She sang "True Love," "Bless This House" and "The Lord's Prayer" as a benediction, while the couple knelt at the altar.

Mrs. Underwood and Miss Mamer were identical dresses of pink crystalline and white tulle.

Miss Glenda Brown, cousin of the bride, was maid of honor.

Mrs. Billy Pylant, sister-in-law of the bridegroom, was matron of honor.

Miss Betty Pylant, sister of the bridegroom, was bridesmaid.

Glenda Merket, sister of the bride, was junior bridesmaid.

Attendees were seated in pews of pink crystalline, fashioned with long rows of bouffant necklines and bouffant skirts.

They wore headpieces fashioned of matching ruffled pink crystalline, pink sequins and pink tulle veil. They wore pink tulle mitts and carried white bouquets of carnations.

Dennis Lynn Brown, cousin of the bride and Donna Bell, cousin of the bridegroom, were flower girls. Dressed identically as the attendants with the exception of short puff sleeves and large bows.

They wore headpieces which were miniatures of the attendants' and small white veils. They carried white baskets, each with a pink paper streamer, surrounded with white flowers and pink satin streamers inscribed with the names of the bride and bridegroom.

Miss Stella Jo Thurman served the white aperitif cake decorated with sugar wedding bells, lemon hearts and love birds. Miss Ann Van Arman of McCamey served punch.

Miss Helen Jo Lauer presided at the registry.

Friends of small white rings were presented to guests by Miss Linda Hinton.

Mrs. Billy Ray presented reception music.

Others included in the house party were Mrs. Edward Brown, Mrs. Jack Merket, Mrs. Ray Lee Merket of Midland, plans of the bride and Mrs. N. F. Hall.

For a honeymoon trip to San Antonio and other points the bride wore a navy silk shimmering chemise suit. A white silk shantung hat and white accessories completed her going away ensemble.

She wore a corsage taken from her bridal bouquet.

On return from their wedding trip the couple will reside at 1375 24th Street, Snyder.

AT W. A. HILLHOUSE HOME

Nothing Better For Father's Day Than a Good Curve Ball!

You can bet your boots Sunday, Father's Day, will be another baseball day in the home of the W. A. Hillhouse family of 1413 Walnut Street.

From dad, down to Randy, age six, the Hillhouses eat, sleep and talk baseball day and night.

The four sons of the Hillhouse's are members of various teams in the Little League. Steve, age 14, is the slender southpaw pitcher and first baseman for the league-leading White Sox team . . . and has a record to pop the vest buttons for any father.

In the seven games he has pitched in so far this season Steve has pitched to 135 men, struck out 88 men, walked 10, allowed only five hits and has an excellent batting average of .579.

And in a game against the Athletics May 29 Steve pitched a perfect no-hit game.

His White Sox stand at the top of the league with eight straight victories.

With such a good example set by their older brother, Steve, the younger boys will have to work hard to beat his record. Mike, age 9, and Ronald, age 11, are members of the Yankees while Randy plays with the Missions.

The Hillhouse family moved here in September 1937 from Hobbs, N. M., where they had lived for about a year. Prior to that time, they lived in Tulsa, Okla., for 10 years.

Mr. Hillhouse has been associated with the Shell Pipe Line for 15 years as telephone foreman. They own their home here and attend First Baptist Church.

Those attending the reunion were Mr. and Mrs. Joe Mize of San Diego, Calif., Mr. and Mrs. W. M. Mize and daughter, Mr. and Mrs. Bill Mize and children of Dallas, Mr. and Mrs. W. R. Mize and son, Ray; Jeff Mize of Big Spring; Also Mr. and Mrs. Monroe Mize, Margie, Geraldine Mize

'Acre' Movie Opens Sunday At Palace

Some twenty five years ago 9 million copies ago, a novel was published that caused an uproar which has not yet completely subsided. The novel was Erskine Caldwell's "God's Little Acre" and the uproar was caused by its frank, lusty, earthy quality, and the uninhibited passions of its main characters.

Almost from its publication date, the experts said that here was a book whose very lustiness and passion could not be transferred to the screen. But it has and very successfully. Sunday "God's Little Acre" opens at the Palace Theatre through United Artists release and we want to go on record as saying that the picture is a block-buster of entertainment values: story, direction, photography, music, action, romance and sex (there is a distinction, believe us).

The cast, all of whose performances are gems, includes Robert Ryan, Aldo Ray, Buddy Hackett, Jack Lord, Vic Morrow, Fay Spain and Helen Westcott.

Introduced in the film is the fabulously endowed Tina Louise, the sexiest creature to appear on the screen since sex was invented. Sidney Harmon produced the picture, which Anthony Mann directed. Philip Yordan adapted Erskine Caldwell's best-selling novel to the screen. Noted composer, Elmer Bernstein penned an alternately lush, stark and haunting background score.

"God's Little Acre" tells the story of Ty Ty Walden (Robert Ryan) an easy-going farmer in Georgia, who hopelessly (and sometimes desperately) seeks gold on his land. It is also the story of his family's desires, hopes, dreams and the troubles that their pent-up emotions get them into.

Attending Camp

Roberta Craddock left last Sunday for Camp Bothe Oaks in Sweetwater where she will stay one week in the Girl Scout established camp.

Roberta is the daughter of Mr. and Mrs. J. S. (Jay) Craddock Jr.

It is a tale that makes a wonderful blend of deep tragedy and ribald humor. Never has laughter been so well mixed with pathos.

Tender Moment

Jack Lord and his wife (Tina Louise) are shown in a scene from the earthy film, "God's Little Acre," based on Erskine Caldwell's best-selling novel. The movie opens Sunday for two days at the Palace Theatre.

New Date Set For Summer Band School

Colorado City's Summer Band School—offering courses in five fields for bandmen and twirlers—has been reset to begin Aug. 11.

Dwight B. Tomb and Warren Thaxton, local band directors who will conduct the school, said the starting date is one week later than originally planned.

Change in the school date was necessary to allow the directors to attend the famed Vandercook School of Music in Chicago for special band study prior to the school.

Tomb and Thaxton left Friday for Chicago. They will study at Vandercook for six weeks. Immediately after the Chicago study, they will be faculty members of a two-week summer band school in Seguin.

The Colorado City band school will be for band personnel throughout this area—including Lorraine, Silver, Westbrook, Roscoe, Hermleigh and others.

Courses will be marching band, bandmanship, individual instrument and baton twirling.

Registration for the local school will begin Monday, Aug. 11, at 8 a. m. in Colorado High Auditorium, according to Tomb. Tuition will be \$10 for the two-week course and will include swimming, picnic and movies.

BUYING OUT OF TOWN

How High Price Can We Afford?

"For some strange reason, a lot of us are inclined to take more pride in some article, that we have bought in a 'big city' store than we do in an identical item bought in Colorado City!"

The buy-at-home feature sponsored by local merchants, on page 2 of this issue, says the phrase "Yes, I picked it up in the city" is just a useful phrase for impressing neighbors with the way we get around.

It points out that a shirt or hat, bought in the city, becomes a sort of souvenir of our travels.

But the question is... how high a price can we pay to indulge this little human quirk?

A dollar spent away from Colorado City is a dollar less business in our community. Hundreds of thousands of these dollars are being spent that way every year by folks who live here.

INDIANS THREATEN LEAGUE LEADERS

Pirates Drop Season's First Game, 9-8, to Yank Batsmen

Friday, the 13th, proved to be a lucky day for the Yankees, but not so lucky for the Pirates.

The Pirates, riding atop the Little League with a 6-0 record, fell in defeat before the Yanks, 9-8, Friday night.

Pirates' loss, coupled with the Indians' win, over the Giants, closed the gap between the first and second place teams in the league.

The big game Monday will be the Pirate-Indian game and if the Indians are victorious, they will be tied for first place.

The Yanks, using the pitching of Ronnie Rothwell and Joe Anderson, held the Pirates to six hits.

Yanks took a 2-0 lead in the first inning on runs by Ronald Hillhouse and Norman Corbell with the aid of Freddie Fox's double.

Yanks doubled the lead to 4-0 in the second when Wayne Parham doubled, Reggie Noble reached base on a fielders choice and Hillhouse smacked a run - producing double.

Yankees kept up the torrid pace in the third with four more runs. Fox, Anderson, Parham and Mike Munday all crossed the plate after con-

necting for hits off Pirate hurler David Taylor. Noble's double helped the cause too, but he was left stranded on third base.

Pirates came alive in bottom of the third with six runs. Pete Garrett, Gary Jones, Dale Walker, Frank Biggers, Danny Kenemur and Wayland Moore all scored in succession for the Pirates.

Yanks' ninth run came in the fourth with Fox lacing a single and scoring on Anderson's single.

Indians really poured it on in the fourth with three more runs and capped off their scoring efforts in the fifth with two more scores in the book.

The Giants, seeking their first win of the year, tried a rally in the fourth with Skipper Warren scoring, but it stopped right there.

McGuire, who relieved Larry Currie on the Indian mound in the third, was the winning hurler. Warren was the loser.

Giants outthit the Indians, 10-6, despite losing the game.

UNBEATABLE?

Sox '9' Keeps Winning

With the season almost half completed, the White Sox appear unbeatable in the Pony League.

They racked up another win Thursday night, 11-2, over the Cardinals with Thomas Vest hurling a six-hitter for the league leaders.

Athletics, who have lost only to the White Sox this season, slipped past the Braves, 8-5.

The Sox used seven hits to win game No. 8 Thursday against the Cards. Kenneth Beasley, Vest and Steve Hillhouse marked up runs in the first inning to set the pace.

Sox shoved across four more runs in the third frame with Harold Hendley's double the biggest base knock.

Vest helped his own game in the fourth with a home run over the fence.

A single run by Don Free in the fifth and runs by Beasley and Hendley in the seventh completed the Sox's 11 runs.

Cards managed two scattered runs, the first in the initial inning by Robert Cade and the other in the fifth by Harry Johnson.

Braves made a good showing against the Athletics in the other Pony League tilt Thursday before wilting in the fifth.

The game was tied 5-5 at the end of the fourth frame. But Athletics scored the three winning runs in the fifth stanza with Curtis Scott, Raye Conaway and Bobby Stewart doing the honors.

Athletics led in the game until the fourth when the Braves rallied for three runs to tie the game at 5-5. It was Roger Richards, Alton Currie and David Garcia that provided the power for the Brave rally.

But then came the Athletics' trio of runs in the fifth.

The Athletics' battery of Charles Houston pitching to Martin Christian gave up five hits.

Kenneth Stinson, who went the distance for the Braves, took the loss, giving up nine hits.

LOSE TWO TO WEBB BASE

Pipeliners Edge Air Hawks, 1-0

Windham Pipeline softball team gained a narrow 1-0 victory over Sweetwater Air Base Hawks Thursday night in the Sweetwater Softball League.

The victory enabled the Pipeliners to tie for first place in league play.

The game turned into a pitchers duel between Windham's Gene Parham and the Hawks' Guellker. Parham allowed only two hits while Guellker gave up three.

The winning run for Windham's team came in the seventh frame when Parham reached base on an error and scored on singles by Cawthron and Williams. The only other Windham hit came in the second frame from the bat of Yank Robinson.

The Air Base team threatened in the bottom of the seventh inning, pushing a man to third base but a flyout to the third baseman for the third out stopped the rally.

The C City team lost a double header to Webb Air Force Base Tuesday night, 10-4 in the first game and 5-4 in the second.

In the first game, Webb took a 4-1 lead in the first inning and held the advantage throughout the game. A home run by Webb's Miller in the third with two men on base pushed the score to 7-1.

Windham's added three runs in the fourth on the strength of Lynrae Carpenter's triple but the Webb crew quickly placed three more runs in the

bottom of the fourth.

The second game was a close affair all the way. Runs by McKinney and Robinson in the first, plus tallies by H. L. Jones and Carpenter in the second gave the Windham team a 4-0 lead.

Webb scored one run in the second, two more in the third and tied the score at 4-4 in bottom of the fourth with a home run.

The winning run for Webb Base came in the bottom of the sixth when the Flyers' first sacker reached first on an error and scored on a double.

Jimmy Cawthron hurled the first game for Windham, giving up five hits while his teammates picked up four bigles.

Parham gave up only four hits in the last game while his batting mates got five off the Webb hurler.
