Let's Help Baseball Teams Go To State

Floydada has two baseball teams going to tournaments in the next two weeks. One tournament, the Hi-Junior regional, will be held in Monahans, Texas, the week of July 28.

Floydada's 15-16 year-olds, sponsored by Floydada Livestock, are going to Monahans, provided funds are available. Paul Westbrook, president of Hi-Junior League, told the Hesperian that approximately \$600 would be needed for the trip to Monahans. Persons or organizations interested in helping the team make this trip may make donations to Clarence Denton, secretary-treasurer of the Floydada Baseball Assn., or deposit their money in the Baseball Association account at First National Bank of Floydada.

Floydada's Freshman team, sponsored by Moore-Rose Funeral Home, will travel to Abilene July 28 for the regional meet, according to Westbrook. But this team will return home after each day's game.

The Midget tournament will be held in Floydada during the week of July 28 also, unless plans are changed.

The Sophomore team from Floydada went to Midland last year for regional.

Floydada teams winning their respective tournaments will be going to the state tournament, the location of which will be decided after the regional tournaments are completed.

"Considerable money will be needed for the state tournament if the teams win and time will not permit us to canvass the community for funds

between tournaments," Westbrook said. "We hope the Floydada citizens will get behind this project as these boys are playing hard and, I feel, are going to put Floydada on the map in baseball this year," he added.

Westbrook also said that any money donated to the Floydada Baseball

Association which is not needed will be kept in the association's fund. Association President Jackie Duke and Paul Westbrook will be contacting all the local merchants Thursday (today) for funds. A list of donors will be published in a later issue of the Hesperian.

Council Tightening Purse Strings

By WENDELL TOOLEY

The Floydada City Council devoted considerable time Monday night at the regular monthly council meeting to financial strategy on how to meet the current bills.

The council decided that it would be necessary to tighten the purse strings and purchase only the bare essentials to keep the city's business going until the city could work out of its present financial bind.

Mayor Parnell Powell said, "we really needed \$300,000 of bond money to purchase, install and get the new motor in operation for our light plant. However, our bonding attorney would recommend only \$200,000 and we have had to draw the additional \$100,000 from the operating fund. This means it may be five or six months before we can get adequate operating money."

One councilman said, "It seems that the plan is still much better than the six or seven hundred thousand dollars that would have been necessary for the purchase and installation of a brand new engine."

OTHER BUSINESS

In other business the council was pleased to hear attorney George Miller report that plans were progressing for bringing the Stewart addition into the city limits. The Stewart addition is just across the street south of the Floydada High School.

The council approved a new utilities ordinance as recommended by its engineer Bill McMorries. The ordinance amends present rate regulation ordinance and will serve the city's needs until the state utility commission begins work.

The council approved contract with Morton attorney Richard Clark to collect a little over \$20,000 in delinquent taxes. Clark will receive 25% of the collections.

Boy Scout Marty Daniel observed the council meeting as one of the final requirements to get his Eagle scout badge. He was welcomed by the mayor and introduced to the council.

Chamber manager Doug Frazier met with the council and discussed the

sponsorship of the city of the "Welcome to Floydada" signs on the highways that come into Floydada. No agreements were made about the signs pending further study by the council.

ALLEY TREES

City manager Bill Feuerbacher

reported to the council that he had several government financed workers cleaning the alley ways and he warned all residents of the city that trees in the alley would be chopped down so that garbage trucks can continue to get down the alleys.

Funeral Today For Mrs. Carl Nelson

Funeral rites for Mrs. Carl (Audrey) Nelson, 50, who died of an apparent heart attack at her home Tuesday night in Dimmitt, will be conducted this afternoon (Thursday) at 3 o'clock in the Lee Street Baptist Church in Dimmitt. Burial will be in Dimmitt Cemetery.

Mrs. Nelson, the former Audrey Burgett, was the daughter of Mrs. Reue Irwin of the Fairview Community. She was born in Floyd County July 6, 1925 and attended school at Lakeview. She and Carl Nelson were married October 21, 1946 and lived in Floydada until moving to Dimmitt some six years ago. Her husband was

employed at the elevator while residing in Floydada.

She was preceded in death by her father, Lee Burgett; two sisters, Debbie Cook and Winnie Burgett; and two brothers, Travis Burgett and Carl Burgett.

Survivors include her husband; a son, Troy Lee Johnston of Fort Worth; two daughters, Mrs. Alden (Shirley) Carthel of Plainview and Mrs. Billy (Carla) Baker of Fort Worth; her mother; a sister, Mrs. Naomi Pace of Skellytown; three brothers, J. B. Burgett, Chandler, Ariz., George Burgett of Amarillo and Bill Burgett of Shallowater and seven grandchildren.

Queen Contest Is Rescheduled

Date of the annual Floyd County Farm Bureau queen contest has been changed from July 26 to Thursday, July 24. The event will be held at Massie Activity Center in Floydada instead of the FHS auditorium.

Contestants must be between the ages of 16 and 22, and must be daughters or sisters of Farm Bureau members. Girls wishing to enter have until Monday, July 21, to notify Mrs. Kenneth Holt, 652-3456, Lockney, or Mrs. Vernie Moore, 983-2006, Floydada.

Also scheduled for the event is a "talent find" for amateurs ages 17 to 30 whose families are Farm Bureau members. Persons wishing to enter also should contact Mrs. Holt or Mrs. Moore.

Bible Baptist

Home Coming

Begins Friday

Persons are reminded of the homecoming events slated this weekend at the Bible Baptist Church in Floydada. Services will be held July 18th and 19th at 7:30 p.m. with special singing, and Sunday, July 20th, first pastor of the church, Rev. Vernon Cline, will bring the morning worship at 11 o'clock. Sunday School is at 10 a.m.

Following Rev. Cline's message, lunch will be served at the church, and singing from 2 until 4 p.m. Everyone is invited to attend.

Jodie Eastham

Being Flown

To Lubbock

Jodie Eastham, injured in a bus-truck wreck several weeks ago, is being flown to Lubbock by air ambulance today from the hospital at Fayetteville, Ark.

Sarah Eastham, her sister, said yesterday it was not known if Jodie would be hospitalized in Lubbock or brought home. All depends on doctor's report at Lubbock, Sarah said. Jodie's doctor appointment is at 2 p.m.

Sarah also related that Jodie was much improved, and other passengers on the chartered church bus critically injured in the wreck, were also greatly improved.

Jodie's father, Carmel, arrived home last night from Fayetteville by car, and Mrs. Eastham will accompany Jodie in the ambulance plane.

Sunflower Field Day, Today

HALFWAY — A sunflower field day at the Texas Agricultural Experiment Station at Halfway 14 miles west of Plainview has been set for Thursday afternoon, July 17.

Announcement of the event was made by Dr. George McBee, resident director of TAES at Lubbock, with co-chairmen Dr. Raymond Brigham, associate professor, oilseed crops at Lubbock, and Dr. Douglas Owen, research scientist at Halfway.

New developments in sunflower research will be spotlighted. Until now, little has been known about disease and insect problems associated with sunflower production on the High Plains, said Brigham. Scientists also

have had few answers for farmers wanting to know about planting rates, irrigation, and fertilization of the new crop.

Sunflowers were grown on 5,000 acres in this area last year. This season the acreage is estimated at 300,000.

Activities for the afternoon event are from 2:00 until 5:00. A series of tours plus a farm machinery display are featured attractions.

Brigham said the tours of research plots will include stops at test sites ranging from hybrid trials, fertilization and irrigation studies to insect and weed control tests.

Lubbock-based TAES scientists will join the Halfway research staff in

interpreting the studies for guests.

Dr. Douglas Owen will explain crop rotation programs at Halfway, and Jim Schrib, weed control scientist, will talk about herbicide studies.

Of the Lubbock staff, Dr. Art Onken who heads up soil chemistry research will discuss fertilization of sunflowers. Dr. George Teetes, entomologist, is slated to report the results of planting date tests associated with insect control.

Brigham will be explaining data on hybrid trials, and Dr. Charles Wendt, soil physicist, is to discuss irrigation studies.

Anyone interested in sunflower production is encouraged to attend, said Brigham. The Halfway station is on Highway 70, 14 miles west of Plainview.

WHITE SOX WIN T-SHIRT LEAGUE

Rogers Filming To Start

DICKENS (Special)—Filming for the new Roy Rogers movie "Mackintosh and T.J." will begin Monday on the Pitchfork and 6666 Ranches near here.

The film, Rogers' first in 21 years, is the modern day story of the adventures of a loner who picks up a stray 13-year-old boy.

Shooting is scheduled to take four weeks, according to David Garland, associate

producer, Tim Penland of Fort Worth is producing the \$1 million film.

Garland said the cast and crew will be working 12-hour days, six days a week in an attempt to complete shooting on time.

Filming, originally set to roll in May, had to be delayed because of rainy weather. The setting for Mackintosh's adventures is rough, sandy terrain. Garland said the cast came too late to shoot the story.

The script, Paul Savage wrote, is a "Gunslinger" story. Director, who is also a motion picture producer, also has directed television series.

Former Lockneyite Marries In Midland

A garden setting was the scene June 28 for the marriage of Gayla Ann Cockburn and James Russell Burton at the home of the bride's parents, 3208 Boyd Street, Midland. Rev. Dean Robertson of Lubbock officiated for the single ring ceremony.

Parents of the couple are Mr. and Mrs. Archie B. Cockburn and Mr. and Mrs. Jim Burton, Antonio, Colo.

Given in marriage by her father, the bride wore a white polyester knit dress with English nottingham lace featuring a fitted bodice with a high collar and cameo bib also of nottingham lace trimmed with a ruffle of lace. The long, bishop sleeves were cuffed with lace. The floor-length gown was Empire waisted featuring an A-line skirt. She wore a short, two-tiered veil of imported illusion and a band of Venice lace flowers with lace trim and appliques on the veil. She carried a colonial cascade bouquet of white carnations, yellow sweetheart roses and stephanotis finished with Hahn's ivy.

Gift Shower At Harrison Home

Miss Debbie Lee, bride-elect of Dale Galloway, was feted Saturday afternoon at a gift shower. The home of Mrs. Velma Harrison of Lockney was scene of the event.

Miss Lee and Mr. Galloway will marry August 16. Margaret Galloway, sister of the groom-to-be registered guests who had been greeted at the door by Mrs. Dub Dipprey. In the receiving line were Miss Lee, Mrs. Georgia Galloway and Mrs. Carl Lee Jr., mothers of the engaged couple, and Mrs. Carl Lee Sr., grandmother of the honoree. They wore corsages of white daisies.

Assisting in the gift room were Mrs. Dan Teuton, Mrs. Glen Lewis, Mrs. Randall Collis, Mrs. M.D. Arterburn and Mrs. T. L. Huley Jr.

The refreshment table was decorated in blue and

Janeen Gibson of College Station was the maid of honor. The bridesmaid was Julie Hottel of Lubbock. Mrs. C. L. Record of Lockney was the pianist.

Serving as best man for the ceremony was Don Profota of Lubbock. Danny Parish of Springlake was the groomsman.

The bride, a graduate of Texas Tech University, was a member of Beta Alpha Psi and Beta Gamma Sigma honorary organizations. She is employed by Rosner and Zenner in Albuquerque. The bridegroom, a 1971 graduate of Lockney High School, also a Texas Tech graduate, was a member of Beta Alpha Psi. He is employed in Albuquerque, where the couple will reside following a trip to Colorado, by Peat, Marwick, Mitchell and Co.

Attending the wedding were the bride's grandmother, Mrs. Mary H. Baker, and uncle and family, Mr. and Mrs. Sam Baker of Floydada, and Mrs. Jim Burton and Becky, the groom's mother and sister of Antonio, Colo., and Mr. and Mrs. C. L. Record of Lockney.

white to carry out Miss Lee's chosen colors. The table was covered with a blue cloth and centered with an arrangement of white daisies in a crystal container. Blue and white napkins accented the tablecloth. Alternating at the table were Misses Joan King, Deelane Dipprey of Plainview, Glenda Lewis and LaDonna Bilbrey of Floydada.

Cooking ware was the hostesses' gift to Miss Lee. Sharing hostess duties were Mmes. Elsie Sherman, Jimmy Stennett, Nick Muniz, Billy Joe Turner, James Jeffress, Embre Douglas, M. D. Shower Honors Mrs. J. Blazier

A bridal shower given Saturday afternoon in the Lockney home of Mrs. Kenneth Moody was a courtesy to Mrs. Jerry Blazier of Stratford. She is the former Miss Charlotte Martin. The couple was married June 28.

Mrs. Moody greeted guests who called between 2 and 4 o'clock and presented them to Mrs. Blazier, her mother, Mrs. Marjorie Martin of Lockney, the groom's mother Mrs. Dale Blazier of Stratford, and the honoree's grandmother, Mrs. Johns Cox of Lockney. Corsages of pink pom mums were worn by members of the receiving line.

Guests were registered by Mrs. Freddie Ivy, aunt of the bride, of Arlington. Displaying and registering the gifts were Miss Mary Wyckoff of Plainview and Mrs. Max Marble of Hart, another aunt of the honoree.

Refreshments of raspberry punch and white cake

squares decorated with hot pink icing rosettes were served by Misses LaDonna Bilbrey of Floydada, Glenda Lewis, Donna Bobbitt and Mary Wyckoff.

The serving table was laid with a white linen cloth. A large centerpiece of fresh flowers in white and varying shades of pink were arranged in a milkglass bowl. Pink napkins and milkglass appointments completed the table decor.

Hostesses presented Mrs. Blazier with a set of cookware. On the hostess list were Mmes. Bobby Carthel, Ray Aston, Kendall Cummings, Clark Harris, Hall Ferguson, Jim Bert Bobbitt, John L. Hooten, Delton Jack, Glen Lewis, Tom Marr, Larnee McCain, Bobby Spencer, Neva Smith, Henry Sue, Buster Terrell, Paul Teuton, Bill Thompson, Jack Whittington, Richard Wiley, Bill Wisdom, Eugene Tannahill and Kenneth Moody.

home. The couple also have two grandchildren.

Assisting with hospitality will be Mr. and Mrs. Henry Scarborough and Mrs. Tommy Kelley of Petersburg, Mrs. Jerry Comar and Mrs. Bill Styles of Lubbock.

Jimmy Drue Kelly and Edna Murle Carter were married July 21, 1950 in Lubbock. The couple moved to the Petersburg area in January of 1951 where they are engaged in farming.

Former Floydada Girl Visiting In Ecuador

Miss Darlene Mount, a teacher of the third and fourth grades at Northside Public Schools of Vernon, left by commercial airline July 10 for Cuenca, Ecuador, where she will spend a month visiting with Southern Baptist missionaries, the Rev. and Mrs. Gerald Doyle.

The Doyles, last October concluded a year furlough from the mission field, spending the time farming in the Northside Community.

Miss Mount, daughter of Mr. and Mrs. W. D. Mount of the Bourland Community near Vernon, will fly to

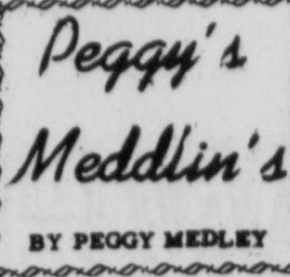

Ecuador by way of Miami, Fla. She plans to return home Aug. 9.

Although the trip is basically a "vacation," Miss Mount expects to work with the Doyles in a program similar to local vacation Bible schools when Baptist missionaries from all over Southern America gather in Ecuador July 16 for a general meeting.

She and the Doyles will also visit Peru while she is in South America.

The Rev. Doyle is a son of Mr. and Mrs. Hubert Doyle of Chillicothe.

BY PEGGY MEDLEY

DO you know about the big change in your small change? The first of the Bicentennial coins, the half dollar, has been released by the Bureau of the Mint and are now in circulation in Floydada. Before the end of the year the new quarters and silver dollars will be distributed. Then when you flip a quarter and it comes up tails, you will see a colonial drummer; Independence Hall will greet you on the half dollar; the moon and the Liberty Bell on the dollar. The obverse designs will remain the same with the famous faces of Eisenhower, Kennedy and Washington, but with a new date 1776-1976. After the Bicentennial period, at least through 1976, the coins will again bear the date of coinage. The coins are the same size, shape, weight and metallic composition as the 1974 coins. No 1975 dated dollars, half dollars or quarters will be produced by the Mint.

WRITING of money, makes me think. Did you know the name "Texas" is on the back of every \$5 bill. You will have to look very carefully and with a magnifying glass above the pillars of the Lincoln Memorial.

TODAY's motorist may convert back to other modes of travel if we have another energy crisis, or if fuel prices keep climbing. Can you imagine the current automotive manual suggesting, "If your car engine is warm and you run out of gas, you can nearly always get home on kerosene or alcohol." The old manual, however, didn't read to put the alcohol in the gas tank, but I assume that's what it meant.

Around 1900 when the nation had only 140 miles of paved roads, maps, signs, service stations, and gas gauges were non-existent, if a motorist's homing instinct for fuel failed him, one could find him prescribing to this old fashion method.

According to a petroleum magazine, cars had a "gasophone" back then. It was a float rigged bell which rang when the gas ran low. Others, however, simply carried gas cans or dipped a stick of any sort into tanks to see if there was enough fuel to drive to the nearest neighbor, sometimes 20 miles away.

WOMEN of St. Mary

Mr. and Mrs. Joe Thurston of Floydada announce the engagement of their daughter Lynda to Captain Kenneth L. Wise Jr., son of Mr. and Mrs. Kenneth Wise Sr. of North Augusta, South Carolina. Captain Wise and Miss Thurston will be married Saturday, October 11, in the chapel of Broadway Church of Christ in Lubbock.

Miss Thurston received a B.S. degree in Education from Abilene Christian College and is a candidate for her Master's Degree at Texas Tech University. She is employed with the Lubbock Public Schools.

Magdalen Church reported good proceeds from sale of food at the Lions Club Bazaar in Floydada Saturday. They extend their thanks to the Lions Club members for letting them set up their booth, but were sorry they ran out of food. They promise to prepare more for the next event. Proceeds from their food sales goes to the church, after expenses.

THE following is printed from "Tall Talk from Texas," which was reprinted from "Texacts" a publication during World War II at Sheppard Field, written by a young soldier to clear up many questions of history: 1492 — Columbus discovers America. Contrary to rumor, Columbus was not an Italian but a Texan who was recognized as royalty in Queen Isabella's court.

1620 — First Texan sets foot on Plymouth Rock.

1775 — Texans, always enemies of tyranny, begin the American War of Independence.

1775 — Paul Revere's ride. Paul Revere wasn't from Texas but his horse was. Revere wouldn't have got far without his horse.

1776 — Texans help Yankees draw up the Declaration of Independence.

1777 — Valley Forge. One of the darkest moments in history, ranking next to the Alamo.

1812 — British soon discover the naval supremacy of Texas.

1845 — The Union joins Texas.

1898 — Texans win Spanish-American War.

1914 — Texans complete Panama Canal.

1917 — Texas declares war on Germany.

1941 — United States calls on Texas to stem the Japanese tide.

1943 — Texans fight Nazi tanks bare-handed. It is now ascertained, beyond a shadow of a doubt, that SUPERMAN is really a Texan.

Canning Ends Poisoning Fears

botulism, a serious form of food poisoning which can cause death, is bound to coincide with the upsurge in canning.

According to the U.S. Department of Agriculture (USDA), there were 20 outbreaks of foodborne botulism involving 30 people last year, the largest number since 1935.

To combat further outbreaks the USDA has scheduled regional conferences around the country to explain proper procedures in the home preservation of food.

MOONEY PRESIDES B&P SESSION

Mrs. Elizabeth Riley of Lockney served as secretary at the meeting. She reported an attendance of 49, with twelve of the thirteen clubs in the district being represented. Also present from Lockney were Mrs. Nora Bybee and Mrs. Louise Weathers, local president, who gave the invocation.

4-H Club News

Volunteers from all walks of life and all backgrounds contribute their valuable time to the 4-H and youth program, insuring its success, points out Steve Herber, assistant county agent with the Texas Agricultural Extension Service.

According to the National Center for Voluntary Action, one out of every four adults volunteered for some type of volunteer service last year, spending an average of 22 mandays a year in volunteer work. More than one-third of the volunteers served at least once a week.

The Texas 4-H and youth program reports that over 20,000 teen and adult volunteers served as 4-H group leaders last year. Based on the minimum wage, their three hours of volunteered time per week amounted to \$6.5 million, notes Herber.

How can volunteers be effectively recruited? The potential volunteer needs to feel that he or she can do the job. Volunteer jobs should be within reach of a person's abilities and knowledge. The volunteer should also feel that no one else could accomplish the job as well, so the task should fit in easily with hobbies, talents or interests.

Sharing the personal satisfaction and benefits that come from rewarding volunteer work will insure the volunteer's continued success and confidence in the job, believes Herber.

As one 4-H volunteer commented, "Volunteer work is like an investment that pays off in lifelong benefits for young people's lives — and for yourself."

celebration will be made. The meeting will begin at 7:30 p.m. at the home of Mrs. Barbara Carthel.

Over 5,000 Varieties Of Cacti And Other Plants At Carsbad State Park

CARLSBAD, N.M. — In the four years since Living Desert State Park opened its plant and animal displays to the public, over 175,000 persons have visited the unique attraction.

There are over 5,000 varieties of cacti and succulent plants in the park, along with most of the mammals, birds and reptiles found in both arid and mountainous regions of the Southwest.

The bird exhibit contains 13 cages with walk-through areas allowing visitors to stroll among the birds. Desert landscaping softens the already gentle lines of Spanish architecture used in construction.

The reptile exhibit has 11 dioramas, filled with creatures that give most people goose-bumps. Rattlesnakes are the most prominent, with diamondback, prairie, Guadalupe and rock rattlers on hand. There also are iguanas, coachwhip snakes, Gila monsters, garter snakes and salamanders on display.

At the eastern end of the park, at the edge of a bluff overlooking Carlsbad and the Pecos River Valley, the hooved animals are housed. They include American bison, or buffalo, kudu, elk, and javalina, a wild pig native to the Southwest.

The park provides and excellent frame for two world-famed collections of cacti. The Charlie Mieg collection, long housed in Phoenix and valued at over \$150,000, now belongs to the park, as does the smaller John Blea collection from Roswell, N.M.

Among the 5,000 varieties are several boogum trees from Mexico's Baja California peninsula. The odd plants seem to be one of Mother Nature's goofs, because they look more like a long tap root growing up from the ground than they do a tree.

Fragile organ pipe cactus, Joshua trees, century plants and giant saguara stand like sentries along the park's many trails. Tiny sand dollars, bishop's caps, living rocks and other small plants hug the earth, in contrast to their tall, upright cousins.

The bear grotto is a favorite with the kids. Two female black bears make their home there.

The nocturnal exhibit, a maze which tunnels under the park's surface, features special lighted exhibits of the burrows of small Southwestern animals.

Included in the exhibit are a kit fox, raccoons, ring-tailed cats, badgers, porcupines and squirrels. Outside the exhibit, the animals can enter an exercise and fresh air pit straight from their dens. Visitors can see them from either location.

The otter pond is a favorite attraction at the park. These sleek aquatic clowns perform their antics

A PORCUPINE, bottom foreground, a limb in his den at Living Desert State Park. A Spanish motif park is the central feature of the park with thousands of cacti and animals from American southwest.

to the delight of youngsters. The otters can be seen from three different levels: a window looking into their sleeping quarters, a window below water level and one above the water line. Another popular sight is the prairie dog town. The shrill whistles of the otters can be heard from their little animal house in their home. The park is managed by the City of Carlsbad.

South Plains News

By Mrs. Murray Julian

A most wonderful general rain fell here last week, and bringing moisture to several fields where very little had fallen all summer. Two inches was general for the area, and in South Plains our rain gauge showed 3 1/2 inches for the week. The general rain fell early Thursday morning, and most of our farmers turned off irrigation wells, and

some have taken off for a few days vacation.

Mrs. Eula Thornton was taken to the Lockney Hospital July 2nd, and she is still there at this time. Mrs. Thornton is the mother of Herman Thornton of our area, and of Owen Thornton in Lockney. She had been in the Lockney Convalescent Home.

Staff Sgt. and Mrs. Frank Jones and two boys of Fort Hood, Texas, were visiting with their parents, Mr. and Mrs. Dock Jones, two weeks ago, and spent a week here with them and other relatives. Mrs. Jones reports her grandson, David, who was hurt in an accident some months ago, is doing well, and has hopes of getting to attend college this fall.

Mrs. Ruby Higginbotham has enjoyed a family reunion here at her home in South Plains during the past two weeks, with her brother Albert Cypert here from Honolulu, Hawaii, another brother, James Cypert and wife from Columbus, Georgia, Warren Cypert and wife from Austin, Texas, a sister, Mrs. Edith Magnusson of Amarillo and a sister, Mrs. Larry (Ruth) Larson Brookings, South Dakota, and husband here with her for a week. Mrs. Higginbotham hosted a Cypert family reunion on July 4th, and nearly a hundred relatives

and friends gathered for the bar-b-cue and family type dinner.

We extend congratulations to Mr. and Mrs. Frank McClure on the birth of their first great grandchild, a girl, born at St. Marys Hospital in Lubbock on July 3rd. She was born to Mr. and Mrs. Paul Cypert of the Fairview Community, and she weighed 8 lbs., 14 oz. Her name is Jennifer D'Lee, and her mother was formerly D'Ann McClure. Her grandmother is Mrs. Jean McClure.

Mr. and Mrs. Marvin Wells, and girls, Kim, Jill and Kay visited the week-end of July 4th here with his mother, Mrs. E. E. Wells, and also visited with her mother, Mrs. Lillian Marble in Floydada. Kim stayed on here to be with her grandmothers and other relatives until the King reunion in August.

Mrs. Hansel Sanders will be hostess at a Pink and Blue Shower in her home Saturday, July 19, at 2:30 p.m. honoring Mrs. Rogene Bethel of South Plains.

Mrs. Howard Staples, Billy and Stacy of Arlington, spent last week here with her parents, Mr. and Mrs. Harold Hamm. The Hamm took them halfway home last Saturday, and at Seymour another daughter, Jeaneva Hamm of Arlington, met them, and all enjoyed a picnic together, and Mrs. Staples and children returned to Arlington with Jeaneva. Arlene Hamm is in Texas Tech this summer attending summer classes there.

Mr. and Mrs. Reese Hightower and children, Dwayne, David, Ernest and Sheila, left here last Thursday for Paris, Texas, where they stayed until Sunday night visiting with Reese's father.

Mrs. Harold Hamm and daughter, Mrs. Howard

Staples, Billy and Stacy, from Arlington, went to Amarillo last Wednesday to visit Mrs. Hamm's sister, Mrs. Wanda Teeple, who has been on the sick list.

Mrs. E. E. Wells went to Plainview Sunday after church services to attend the Meator-Aiken Reunion which was held at the City National Bank in Plainview.

Mrs. Don Bean, and children Mike and Judi, left last Monday in cars with other members of the First United Methodist Church in Floydada for Six Flags Over Texas in Arlington, they all returned home on Wednesday.

Mr. and Mrs. Ernest Smitherman and their granddaughter, Kay Lynn of Austin, visited in the home of Mr. and Mrs. Kendis Julian and children last Wednesday evening and Kay Lynn spent the night with Kristi and Mitzi Julian.

Mr. and Mrs. Tony Oden of Lubbock were here to spend Friday night and part of Saturday with their son and wife, Rev. and Mrs. Mike Oden.

Miss Nelda Cummings, niece of Mr. and Mrs. Sterling Cummings, attended morning services at the South Plains Baptist Church Sunday, and she has been spending a week here with her aunt and uncle. Nelda is the daughter of Mr. and Mrs. Zach Cummings of Glen Rose, Texas.

Mrs. Robert Holland, Lee and Renee of Hallettsville, Texas, is coming to Lubbock Tuesday and will be met by Mrs. Don Marble, and they will be visiting here with the Marbles and the Holland families until the coming Saturday.

Jerome Hamm and Mrs. Ruth Walker of Greenwood, Arkansas, visited here two weeks ago with his brother and wife, Mr. and Mrs. Harold Hamm, and during this time Jerome Hamm

became ill, and the Harold Hamm took them home to Greenwood. He is doing well at this time. They spent about a week here with the Hamm.

Mrs. Alvin Nichols attended a wedding shower for her great niece, Mrs. Ferry Blazier in Lockney on Saturday afternoon from 2-4 in the home of Mrs. Kenneth Moody. Mrs. Blazier is a recent bride, and was formerly Charlotte Martin. She had recently graduated from Hart High School. The young couple will make their home in Stratford.

Mrs. Don Marble, Brett and her parents, Mr. and Mrs. R. L. Holland went to Whitewright Saturday, and on Sunday they attended the funeral of Mr. Holland's brother, Carl Holland, at 3 p.m. in White Wright. Wednesday morning Mrs. Holland's brother, J. W. Powell of Van Alstyne passed away and they all stayed there for the funeral services which were held Friday at 2 p.m. in Van Alstyne. Don Marble and Donette Marble flew to Dallas from here Thursday night, and Mrs. Don Marble picked them up in Dallas, and all attended the funeral services.

Mrs. and Mrs. Don Marble and family brought Donette as far as Chillicothe, Tex., where she joined 9 girls and all went to Arlington to see Six Flags. Jackie Carthel of Lockney flew down to Dallas with Don and Donette, and she went to Six Flags with the girls. Mr. and Mrs. Don Marble came home Saturday and the other family members came home Sunday, bringing Jackie Carthel home with them.

Nine Lockney civic organizations sponsored a reception which honored Dr. and Mrs. Larry Reed, Sunday afternoon, July 3, from 3-5 p.m. in the Rebekah Lodge Hall in Lockney. Many people attended from here, including Mr. and Mrs. Sterling Cummings.

Donette Marble is playing in the Floydada Tennis Tournament which starts this coming Wednesday. Mr. and Mrs. Bary Kinslow, Jennifer and Grant of Carrollton, Tex., arrived here Sunday to spend the night with their parents, Mr. and Mrs. E. J. Kinslow, and they went on this Monday to spend a week in the mountains of New Mexico. Steve Kinslow, son of Mr. and Mrs. E. J. Kinslow is registering this Monday in Austin, where he is entering summer classes at the University of Texas. He left South Plains last weekend, and found him a place to live, etc.

Mr. and Mrs. Nathan Mulder, Cindy, Penny, Cor-

ey, and Jimmy, and Mitzi Julian went to Roaring Springs with a picnic dinner last Wednesday to spend the evening having a good time swimming and eating a picnic supper. Mitzi spent the night with the Mulders. When the Roaring Springs spot is all finished, it will be a wonderful vacation spot.

Mr. and Mrs. Murray Julian arrived home Friday night from Denver, Colorado, where they had spent the past ten days with her sister, Mr. and Mrs. Otis Sandusky, and with her brother, Willis Everist of Port Orchard, Washington. They all enjoyed a family reunion, and had picnics, went to see, "Brigadoon" and had a wonderful time. They also visited friends, the Floyd Siegfrieds in Pueblo, and saw her niece and family, the Larry Johnsons, Matthew and Doug in Pueblo, while there. Much rain had fallen the past week up there, and the mountains are beautiful, and nights were cool.

Mr. and Mrs. Raymond Upton went to Amarillo Saturday night, July 12, where at 8 o'clock, their granddaughter, Miss Christy Upton, daughter of Mr. and Mrs. Ronnie Upton, of Los Alamos, New Mexico, was united in marriage to Richard Abel. The ceremony took place in the Southwest Church of Christ in Amarillo with Brother Gordon Downing performing the ceremony, as he had for her parents, twenty years ago in Floydada. Brother Downing is now Bible Instructor at West Texas State University in Canyon.

After the wedding, a reception was held, and the young couple left on a wedding trip to Six Flags Over Texas at Arlington.

IDALOU HUNTER KILLS 17 YEAR OLD DUCK

Last fall during the regular Texas waterfowl season, Jimmie B. Pickens, Idalou, bagged a male American widgeon near Abernathy that is of interest to all waterfowlers.

Pickens noticed a worn band attached to the leg of the bird. The band was turned over to Bill Pratt, Texas game warden and he in turn sent the band to the bird banding laboratory in Maryland.

The banding ID team at the lab used an etching process to bring out the old numbers on the band. This information has been returned to Warden Pratt, indicating the duck was banded at Kerrobert, Sask. on July 21, 1958.

"Normally, waterfowl do not survive in the wild as long as this duck did," Pratt said.

"The previous bands that I have sent into the banding laboratory indicated that the ducks lived for an average of only two or three years," Pratt continued. "This 17 year old duck will help the biologists determine information that will be used in setting the yearly waterfowl seasons and limits."

During the fall and winter, over 10,000 reports are filed at the Laurel, Maryland office and in some instances, reports about collected bands are received before the band information is logged.

The details of each band "recovery" are important. They tell not only where the bird went, but how long it lived and how it died. By adding together the thousands of individual reports received from interested persons such as waterfowl hunters, comparisons are made as to time of banding and this information is made available to scientists, students and state wildlife agencies for their studies.

parents, Mr. and Mrs. H. B. Bickel. Peggy Bickel and Glenda Ford went to Spearman and visited Mrs. Major Lackey, an aunt, and Vicki Ford from Leoti, Kansas, met them there. Peggy and Glenda brought Kevin and Dean Ford back with them to Lockney.

TRAVELLING with Peggy Bickel and girls back to Houston were Dixie, Steve and Melissa Johnson where they stayed with the Bickels and Tom Johnson flew to Houston later to accompany them home. Coming with them were Mr. and Mrs. Johnny Hanst's children of Houston — Kristen and Mitchell. They are currently here visiting with their grandparents and family.

MR. AND MRS. GLEN McCANDLESS, Robin, Glenda and Kelli from Stamford visited with their parents recently. Their parents are Mr. and Mrs. C. D. McCandless and Mr. and Mrs. Floyd Dorman.

MR. AND MRS. BOB VAN METER of Hobbs, New Mexico spent Thursday night with Mr. and Mrs. Cliff Hardy and Robin. They also visited with her brothers, Mr. and Mrs. Melvin Cooper and Mr. and Mrs. Glen Cooper.

Don Marble New Research Foundation President

HALFWAY — Don Marble, a South Plains farmer, has been elected president of the High Plains Research Foundation by its board of trustees.

Chosen during a recent session of the trustees, Marble is past president of Plains Cotton Growers, Inc., and has been active in several farm organizations.

Other officers elected included J. B. Wheeler of Plainview, chairman; Ray Joe Riley of Hart, vice chairman; J. D. Smith of Sudan, vice president; Sam Thomas of Amarillo, secretary-treasurer; and Jack Cloude of Plainview, executive director.

Trustees named to the executive committee, in addition to the officers, were Don Anderson of Lubbock, Elbert Harp of Lubbock, Virgil Patterson of Amarillo, C.I. Wall of Amarillo, W. B. Tilson of Plainview, Graddy Tunnell of Plainview, Ralph Wheeler of Edmondson and Leo Witkowski of Hereford.

Trustees elected to three-year terms include Harry Igo, Merwyn Igo, Donald Johnson, Delwin L. Jones, Pete Laney, Jack Little, Jim Lindsey, Aubrey Lockett, Barry Love, Macky McCarty, Ken McEachern, Gene McLaughlin, Edd McLeary, Troy McNeill, John McQuien, Ralph Mabry, James Man, Don Marble, Wayne Martin, Fred Mercer, W. E. Miller, T. E. Mitchell, Bill Nelson, Pat Northeutt, Bruce Parr, Virgil Patterson, Virgil Payne, R. G. Peeler, James "Doc" Potts, J. Ray Pritchett, Ewald Quebe, Dean Rea, Ray Joe Riley, B. A. Robertson, Lyle Robinson and James Rogers.

Dr. Jarvis Miller, director of the Texas Agricultural Experiment Station, in explaining the future plans for the Lubbock-Halfway location, said funds will not be immediately available to conduct the amount of research which had been hoped, unless other sources of funds can be developed.

Dr. George McBee of Lubbock said a large sunflower project is under way, some potato projects have been started this year, total water-use efficiency research is being expanded, fertilizer and herbicide research has been increased and the new greenbug resistant varieties of grain sorghum are being tested.

"The experiment station belongs to the people, and the Lubbock-Halfway station will be operated as one unit," Dr. McBee said.

Tunnell, a Plainview lawyer, said it is entirely conceivable that the Lubbock-Halfway station can become the leading off-campus agricultural research station in Texas.

"We have a responsibility to the economy of West Texas to do the best job of agricultural research possible and the High Plains Research Foundation can be very instrumental in helping achieve these goals, especially since the recent affiliation with the Texas Agricultural Experiment Station," Marble said. "We will be working closely with Texas Tech University and West Texas State University in an attempt to accelerate the total agricultural research program in West Texas."
