

Bobby Wilburn Is Victim Of Accident

The Colorado City Police Department reported that on Sunday at 5:52 p.m., a pickup hit a little boy at 3rd and Hickory Streets.

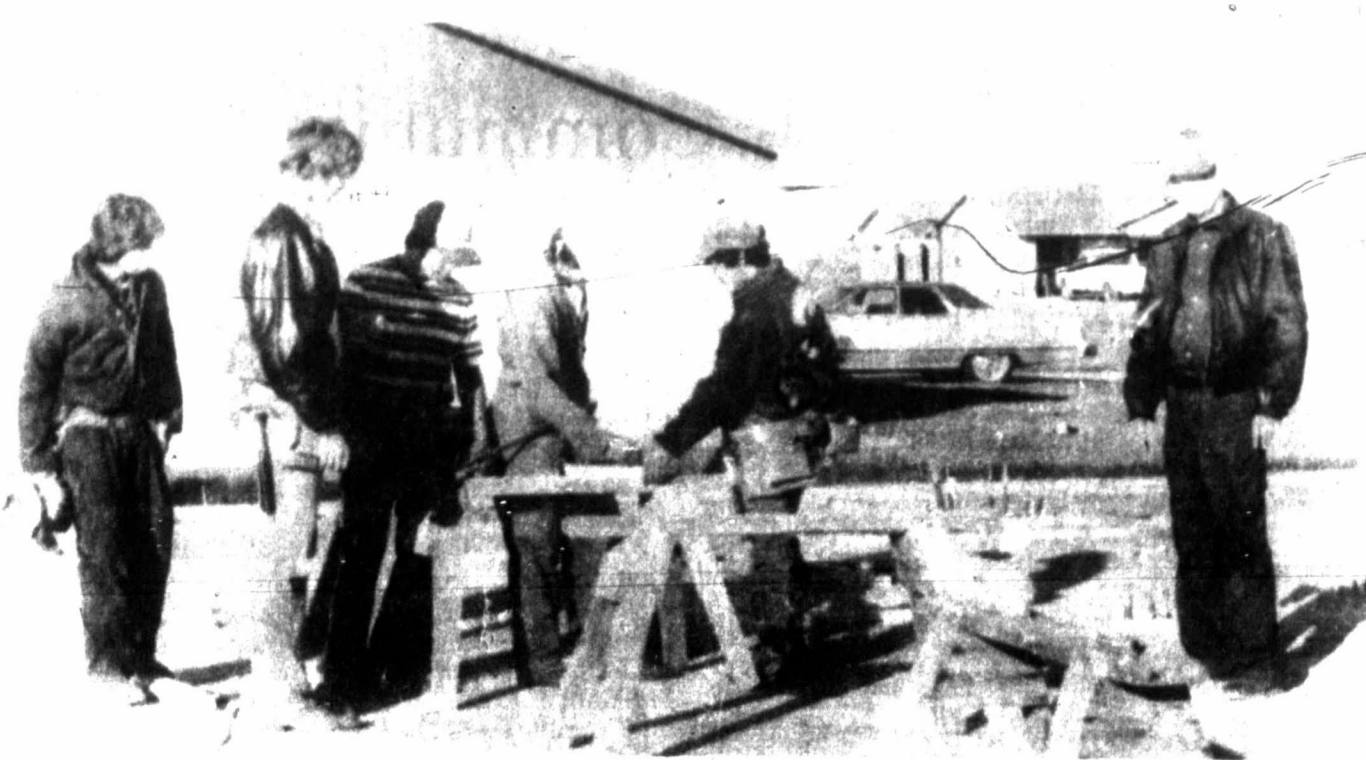

The pickup was a 1980 Chevy Pickup driven by a juvenile of Colorado City. The truck accidentally hit Bobby Wilburn, also of Colorado City.

Wilburn apparently rode out in front of the pickup on his bike and was struck.

The boy was taken to Root Memorial Hospital by Mitchell County Ambulance Service with head and internal injuries.

On Friday, a 1968 Ford Pickup, driven by a juvenile was in collision with a 1980 Chevy Suburban that was driven by Melvin Lewis Rankin of Sweetwater. This collision occurred at the intersection of North 208 and the South Service Road. The juvenile was taken to the hospital for treatment.

Sunday, at 12:25 p.m., Tom Carlock reported vandalism to some lights at the carwash at 22nd and Hickory Streets. Eight of the eight foot lights were broken. There was \$64 damage estimated.

GRADY FURLOW, building trades' instructor of Colorado High School, is busy overseeing the morning building trade's class as the foundation has been laid and construction is underway on the latest project by the class. Furlow stated that the class is in need of more students.

OOPS!!

In last Monday's RECORD it was erroneously reported in the City Council story that Lone Star Gas would receive \$300,317 in added revenues if a new rate increase were approved. The increase would amount to only \$17,317, a 2.85 percent rate hike.

The staff of the RECORD regrets any inconvenience the article may have caused.

Reconsiliation Act To Affect 50 People

According to Myra Emfinger, director of the Human Resource Office in Colorado City, with the 200 food stamp recipients in Mitchell County, approximately 50 will be affected by the Omnibus Reconciliation Act signed by President Ronald Reagan in August which went into effect this month at the beginning of the new fiscal year. Mrs. Emfinger added however, this will only be a slight reduction of up to \$5 in benefit loss.

She stated, "there are 35 cases of AFDC (Aid to Families With Dependent Children) in Mitchell County and there was only one case denied. "Of course these are only approximates and it will take a couple of months before we can have a definite figure," concluded Mrs. Emfinger.

Although Mitchell County is not really effected, more than 65,000 Texans lost their eligibility for the food stamp program and 32,000 AFDC recipients lost their AFDC assistance.

Persons affected by the act signed by President Reagan, changed the mandatory reductions and created more restrictive eligibility requirements for both programs, thus reducing the numbers of participants in the program.

Before the act went into effect, 326,513 persons were receiving AFDC aid and now the figures show to be 294,476, which will make the benefits fall from \$132.7 million to \$123.7 million, a drop of approximately \$9 million.

More than 65,000 Texans lost their eligibility, as there were 1,290,250 receiving food stamps and now there is approximately 1,225,092, this will cut the money going into the food stamp program by \$66.4 million.

A family under the new eligibility standards for AFDC, would become ineligible if their gross income exceeds 150 percent of the state's need standard, or if a family of four's gross income exceeds \$301.50.

Food stamp eligibility has now a gross income limitation pegged at or below 130 percent of the poverty line with certain exceptions for the aged and disabled.

Another slant on the food stamp problem has been

brought forth recently and the new rules for food stamp recipients in large metropolitan areas will be to show photographic identification when receiving food stamps.

The Kelly Elementary Halloween Carnival Will Be Held October 31

Kelley Elementary School is in the process of planning their annual Halloween Carnival which has been designated for Saturday, October 31. Halloween night, according to Bobby Lemons, principal.

The carnival will start off with the food booth opening at 5 p.m., and the actual carnival festivities being held from 6 p.m., until 9 p.m.

Lots of new booths have been added to the regular booths, according to Debra Chaney, chairperson. She said they were adding movies, in cartoon fashion for little ones, along with the panning for gold booth and a fortune telling booth.

Some of the established booths will include a large spook house, "Museum of Horror"; little spook house, "Wizard of Oz"; country store, pumpkin toss, pick a pocket and grab bag, dart throw and clown toss, bingo, duck pond and go-fishing, a "grocery give-a-way" and of course, the traditional cake walk.

The food booth this year, added Mrs. Chaney, will feature hot dogs with chili, beans, frito pie and nachos.

Also featured during the Halloween Carnival this year, announced Mrs. Chaney, is the costume contest for children and adults of children in Kelley Elementary. There will be three divisions: kindergarten through second grade which will be held at 7 p.m., third through eighth grade at 8 p.m., and adults at 9 p.m.

All judging will be held in the cafeteria and prizes such as a dancing musical Santa Claus, children's records, food coupons, theatre tickets, indoor white paint, hammer and candle holder will be presented to the winners.

Mrs. Chaney stated that they would appreciate any donations such as canned foods, or non-perishables for the "grocery give-a-way," popcorn balls, candy and cookies for the country store and cakes for the cake walk. Mrs. Chaney added, this year they are not taking garage sale items for the country store. All items need to be brought to the school between 9 a.m., and 2 p.m., Saturday, October 31.

also be given for the first three places for the prettiest and ugliest costumes. Along with the prizes, there will be special goodies for everyone attending.

There are a limited number of skates and they will be available on a first come basis for \$1 and those needing to rent skates are urged to come out early.

Admission is \$1 and everyone is welcome and encouraged to attend this fun-time activity, stated Becky Manning, president.

Checks Are Issued From State Comptroller Bob Bullock's Office

State Comptroller Bob Bullock's office issued checks totaling \$37.9 million to Texas cities as their share of the one percent city sales tax for October.

This month's payment is about \$9 million more than the cities received during a comparable period in 1980.

The October payments push the 1981 yearly total of city sales tax payments to \$518.3 million, up 16 percent over the same 10-month period in 1980.

Colorado City's check this month will be for \$13,973.37 bringing the city's 1981 payments to date to \$153,757.76.

Loraine will not receive a check this month and their yearly total to date is \$3,822.57.

The one percent optional city sales tax is collected by merchants and businesses in the cities where it is levied and rebated on a monthly basis by the Comptroller's office.

Jerry Lelek of Colorado City, was this week's winner in the RECORD Football Contest. Jerry missed only four of the games to be picked. Fifteen dollars is Jerry's first place reward for his outstanding effort.

Second place and \$12 belong to Richard Levesque who missed five games and came closest on the tie-breaker by guessing closest to the actual point differential in the Colorado City-Wylie game. Rich-

ard's guess on the contest was 14-6.

Third place will be shared this week by Orvel Griffith and Louise Moore, both of whom missed only five games. They had identical 20-14 predictions for the Wolves-Bulldogs game. Griffith and Moore will share the \$5 prize that accompanies a third place finish.

FOOD STAMPS, From Page 1*****

The new photo ID system will play an important role in joint efforts by the United States Departments of Agriculture and Justice to crack down on abuse of the food stamp program, according to John R. Block, secretary of agriculture.

Under the new program, food stamps will no longer be replaced when reported lost or stolen, "this is an effort to eliminate the fraud and abuse of the federal food stamp program," added Block.

Smaller food stamp project areas, such as Mitchell County, may also be required to install photo ID systems if the FNS and USDA Inspector General's office finds it useful to protect program integrity.

Individuals caught in defrauding the government in this program are subject to both criminal and civil penalties and under new legislation recently passed, an individual would be required to pay back any fraudulent benefits received.

"These new rules will help tighten procedures for food stamp coupons and will give recipients in the program, the benefits that are intended," concluded Block.

Colorado City Varsity Wolves' Volleyball Girls Tie With Breckenridge For District 7-AAA Title

The Colorado Varsity Wolves' volleyball team defeated Breckenridge Monday night in Wolf Gym in a game that tied C-City with Breckenridge.

In the first match, Pam Wilson scored three points; Stacy

Hamrick scored seven points; Karla Herm scored four points and Carolyn Green scored one point. Wilson had five good serves, Laura

Baum had two good serves, Hamrick had nine good serves, Herm had five good serves; Green had two good serves and Tomika Randle had one good serve. Wilson had two set ups and Herm had six set ups.

In the second match, Wilson scored three points; Baum, one; Hamrick, three; Herm, six; Green, one and Randle, one. Having good serves were Wilson, five; Baum, four; Hamrick, six; Herm, eight; Green, three and Randle, three. Wilson had four set ups and Herm had six set ups.

This make the Wolves 12-4 for the season and 4-1 for District play. The girls next game is against Clyde Monday night in Wolf Gym.

Coach George Martin gave the following comments: "The volleyball teams would like to thank the students of CHS, the Wolverines, the cheerleaders, the football teams, the Middle School volleyball teams, ex-es, fans and the parents for their loyal support in a match of this magnitude. We also hope that we will be playing at a time and date that everyone will be able to go and watch us in the playoff match. This match Monday

night was a total team effort as all 12 girls have worked beyond their limitations to prepare themselves for this match. In addition to the six that played the match, we would like to make special recognition of the other players on our team who helped prepare us for the matches each week. These players are Diana Castillo, Hollie Taplin, Mona Molina, Robyn Turner, Rachael Lujan and Kerry Spivey. Without them we could not have had good workouts. Hopefully, we will decide the district title when we meet Breckenridge again.

The volleyball team would also like to thank Coach Wiley and Coach Mathis for their patience, time and practices that they have put in. Again, we want to say thank you to the news media (newspaper, radio and T.V.), as these add to intensify the atmosphere.

It was a lot of fun and we could see it coming since we left Breckenridge two weeks ago. The girls have been making signs for two weeks (Freshman, Junior Varsity, Varsity, basketball girls and ex-es) and we appreciate all of this."

Teams Go Down Fighting

The Colorado Middle School eighth grade A and B volleyball teams played Sweetwater Monday. Both teams played very well together as a team but was beat by the scores of 8-15, 8-15 for the B team and 15-7, 4-15, 9-15 for the A team.

On the B team, points were served by Jody Huff, four; Jana Northcutt, four; Shana Biggs, four; Norma Rodriguez, three and Missy Neff, one.

On the A team, points by Shannon Perkin, six; Melanie Rees, six; Heidi Ehret, four; Tina Upton, six; Ashly Weaver,

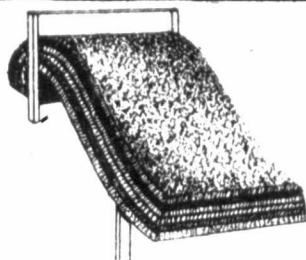

two; Yvonne Lujan, one; LeAnne Acuff, one; Cindi Calloway, one and Yolanda Lee, one.

"I am really proud of the girls for their team effort and playing as well as they did," stated Coach Linda Mathis,

Their next game is Monday against Bronte and we really want to win that one, added Coach Mathis.

The seventh grade play at 4:30 and the eighth grade play at 5:30 p.m.

★★★ Special Halloween Movie Is Slated For Saturday, October 31 ★★★

During the month of September the Mitchell County Public Library checked out 2,724 books and had 19 new members joining, according

to Gladys Oden, head librarian. Mrs. Oden stated that in their foyer case they had a display of collectibles belonging to Mrs.

Jasper Wood and everyone was invited to come in and look them over. The library board members met at the Hesperian Room at the

library on September 8 and the Historical Committee met on September 16.

On Saturday, October 31, (Halloween), the library will be showing the film "P. J. and the President's Son" at 2 p.m., free of charge, added Mrs. Oden.

The 47 minute film is an update of Twain's, "The Prince And The Pauper," two 15-year-old boys in Washington, D.C. meet and discover that they look as alike as identical twins. One is P. J., son of a middle class family and the other is Preston, the President's son. Envious of each other's lot, they exchange places for a few days to see what life is like in the other's shoes. Preston almost causes P. J. to lose his job in a grocery store and P. J. almost causes an international incident through his in-

nocence of basic protocol.

Mrs. Oden stated they would also like to announce that the library has a new wrinkle in their film service. Every two months the library will receive a new packet of seven films from the Big Country Library System. Each packet contains films in all ages and interests. The films will be exchanged regularly so you will always have a variety of titles on hand. To request any of the film from the film catalog, phone 728-2968.

The following is a list of new books added in September.

"Elizabeth Taylor, The Last Star-Kitty Kelley; "The Dallas Cowboys (an illustrated history)"-Richard Whittingham; "Techniques or the World's Great Painters"-Waldemar Januszczak; "The Book

movie); "Peyton Place"-Grace Metalious; "Tiger Eyes"-Judy Blume; "The World According to Garp"-John Irving; "Night Probe"-Cline Cussler; "Working Mothers"-Kay Kuzma; "If I Were in Charge of the World"-Judith Voirst; "A Light in the Attic"-Shel Silverstein; "Traditions"-Alan Ebert; "The Lions Way"-Lewis Orde; "Darconville's Cat"-Alexander Theroux; "The Letters of J.
